

The Lynn County News

768 Miles of Terraces Have Been Built In Lynn County by S.C.S. Since 1942; Much More Are Planned For Future

Since the Lynn County Soil Conservation District was organized in 1942 farmers cooperating with the District have constructed 768 miles of terraces. During the war very little equipment was available for this work. 300 miles of terraces have been constructed since January 1, 1946. At one time there were 20 pigs running in the district. This had the employees of the Soil Conservation Service, assisting the District, going at top speed. Mr. Wood, in charge of the local office, said, "There were times when the Chief Cook and bottle washers were out carrying a rod."

These terrace systems are designed to eliminate as many point rows as possible to be safe and wide enough to be farmed with 4-row equipment.

The District is planning to cooperate in 1946 with 150 additional farmers which will call for the construction of approximately 1000 miles of terraces.

Due to a shortage of equipment there are 300 miles of terraces now to be constructed on farms of which the operators are now cooperating with the District.

It is hoped by the Supervisors of the Lynn County Soil Conservation District that enough equipment will be available this fall and winter to construct 1,300 miles of terraces.

Mrs. Mary Jones Buried Monday

Funeral services were conducted at the Methodist Church here at 3:00 o'clock Monday afternoon by Rev. H. A. Nichols, the pastor, for Mrs. Mary Agnes Jones, wife of George F. Jones, who died at her home here Sunday morning at 9:50 a. m. Interment followed in the Tahoka cemetery.

Mrs. Jones had been in poor health for some time, being past 85 years of age at the time of her death. She was born at Senatobia, Mississippi, on February 19, 1861. She was married to George F. Jones at Senatobia on January 26, 1891.

They came to Texas in 1889, arriving December 13 of that year, moving later to Hubbard City. Mr. Jones was a road contractor and they continued to reside in that section of Texas until 1930, when he retired, and they lived at Glenrose from 1930 to 1933. Then they came to Tahoka and have resided here ever since. Mr. Jones was engaged in the grocery business near the Burleson Grain Company for a year or two after coming to Tahoka.

Six children were born to Mr. and Mrs. Jones, four of whom survive. Children living are George and Jesse Jones of Lubbock, Merrill Jones of Tahoka and Mrs. Loreta Neal of Lubbock. Deceased children are Lonnie and Veda Jones. The husband, twelve grandchildren, and nine great-grandchildren also survive.

Mrs. Jones had been a member of the Methodist Church since early girlhood and attended the services of the Church regularly until the condition of her health prevented. The bereaved husband, the surviving children, their families, and other relatives have the sympathy of many friends.

D. A. Barton Resigns Position With Co-op

D. A. Barton, manager of the Farmers' Cooperative Society No. 1 since early last fall, recently tendered his resignation and at a meeting of the board of directors in session Tuesday the same was accepted.

A committee was appointed to look out for a suitable person to take his place.

Mr. Barton has not announced his plans for the future, though he has stated that two or three positions have been offered to him. He and Mrs. Barton have made many friends in Tahoka during their brief residence here.

Major Hasie Named Engineer For County

County Judge Tom Garrard announced Thursday of last week that Major Coleman L. Hasie of Lubbock had been employed as the farm-to-market road engineer for Lynn county. Contract had not been signed at that time but he stated that it would be signed either that afternoon or soon thereafter. Major Hasie was recently released from service in the Army. Prior to his entry he was a civil engineer. He plans to move to Tahoka soon.

C. of C. Officers Report on Work

Sixty-three members of the Tahoka Chamber of Commerce met at the school gymnasium Tuesday night, enjoyed a dinner, heard reports from the body's officers on the progress of the organization, and enjoyed a brief fun program. President Ted Waggoner and Secretary Clint Walker made the reports.

They revealed that the organization now has 143 members, and is instituting an aggressive program for the betterment of both business and farming interests.

The two officials recently attended a meeting in Amarillo for the purpose of better acquainting themselves with the program for assistance to war veterans, and is seeking establishment of a Veteran office here.

The organization is making some progress in its effort to secure an oil mill and other businesses for the town.

It is proposing a city-wide cleaning up campaign, more street paving, and other civic improvements.

The body furnished a major portion of the prize money for the livestock show held here last week. Waggoner stated the directors were ready to work on any similar project that would be beneficial to the farming interests, and ultimately the business men, of the county.

A report was also made on the anti-solicitations plan of the body. President Waggoner issued an invitation for suggestions of projects on which the body might work.

R. P. Weathers made one of his characteristically humorous talks as the feature of the entertainment part of the program.

A delicious buffet-type luncheon was prepared and served under the direction of Fred McGinty.

It is the intention of the Chamber of Commerce to hold a meeting for all members each three months.

NEGRO BALL TEAM WILL PLAY LITTLEFIELD BOYS

The Tahoka Helcats, Negro base ball team will cross bats with the Littlefield Yellowjackets over on "The Hill" Sunday afternoon at 3:00 o'clock.

The Negro team is launching an ambitious schedule which includes about every "colored" team in West Texas and Eastern New Mexico. Everyone is invited to enjoy the fun here this Sunday afternoon.

PETITION COKE

A petition bearing the name of 100 Tahoka and Lynn county citizens was sent to Governor Coke R. Stevenson Monday asking that he enter the race for re-election to the office he now holds. According to press reports, similar petitions are being circulated in almost every county in the state.

O'DONNELL MAN FLYER

E. R. Allen of O'Donnell made his first solo flight at the local airport Sunday morning. B. T. Smith, flying instructor, reports.

Opl. Claud Slover, visited his parents, Mr. and Mrs. John Slover, here from Sunday until Wednesday. When he reported at El Paso for his discharge, Claude saw service in France and Germany during the war.

Gen. "Ike" At DAV Graduation

WASHINGTON, D. C.—General of the Army Eisenhower commends disabled veterans of World War II. Mr. and Mrs. Robert Stevens, on being graduated from American University, first phase of officers of the Disabled American Veterans. The couple will help disabled veterans in obtaining government benefits, employment, rehabilitation. Pair met after starting DAV training and marks first husband-wife combination in this field. She is a former Marine, and Robert served overseas with the Army.

Mrs. Terry Thompson Named County Highway Beautification Chairman

Plans for renewal by the Texas Highway Department of the beautification of the highway right-of-ways are being made for the immediate future. S. C. McCarty, district engineer of Lubbock announces, and citizen committees are being set up in each county to assist in the movement.

Mr. McCarty announces that Mrs. Terry Thompson of Tahoka has been appointed county chairman for Lynn county, and that she may name her committee of assistants. Mrs. Thompson has long been interested in landscaping, and is a leader in local civic affairs. She is active in PTA, young people's and church work in Tahoka.

Further beautification of our highways will not only add to our appreciation and enjoyment of clean, landscaped roadways, but will have the value of making a better impression on tourists and other strangers passing through this area.

The movement has as its objectives the planting of more trees, shrubs, and flowers, the protection of native wild flowers, the ridding the right-of-ways and the adjacent property of rubbish and eyesores, and encouraging property owners along the highway to build and maintain neater and more substantial fences, gateways, entrances, and buildings.

Dr. Homer P. Rainey Is Brief Visitor Here

Dr. Homer Price Rainey, former president of the University of Texas, was a brief visitor in Tahoka last Friday morning, during his swing through Northwest Texas to feel out sentiment toward his proposed candidacy for governor of the state.

Though the soft-spoken but brilliant college professor has not formally announced, he told The News that he expected to get in the campaign.

Dr. Rainey was accompanied by D. B. Hardeman, well-known Austin newspaper man and publicist.

Mr. and Mrs. Temple Prasher and son Billy Joe of Baird spent Sunday here with Mr. and Mrs. J. A. South.

The first of the Navy's "cruiser" carriers, the USS Independence, commissioned in 1943, has had a long and battle-scarred career in every Pacific war zone. She participated in actions from Tarawa to the blows against the Jap mainland, operating with carrier groups in air strikes, and supporting amphibious assaults.

Large Crowd Attended Livestock And Farm Equipment Show Here Saturday. 4-H Club Prize Winners Are Announced

School Children Will Visit Carlsbad Cavern

B. T. Smith announces that he has made arrangements to take 100 Tahoka school children on a sight-seeing trip out into New Mexico including a visit to Carlsbad Cavern on Saturday, April 27. About five school buses will be used. Transportation charges to the Cavern and back will be only \$2.00 per child. The return trip will be made on Sunday.

It is understood that pupils from some other schools in the county will go at the same time, and possibly from Lubbock county too.

Lynn County Is Short of Quota

The campaign has ended, the books are closed, and Lynn county is almost \$60.00 short of her Red Cross quota.

This was the doleful announcement that Clint Walker, Red Cross campaign chairman, made to the News on Monday of this week.

Lynn county's quota was only \$2,380 this year, an exceedingly low figure assigned to this county because of the fine fashion in which she had gone over the top in every campaign in recent years heretofore, but the citizens of the county contributed only \$2,330.39, which is \$49.61 short of our quota.

Failure to meet the quota is attributed to the fact that people were "fed up" on giving and to the further fact that they felt the need was not so imperative now that the war has closed.

Taking into account the surplus amount's Lynn county contributed during the War years, she has probably done her part this year, though far below the amounts contributed heretofore.

Sgt. 'Pink' Weathers, Thrice Wounded Is Home on Furlough

S/Sgt. "Pinkie" Weathers, who distinguished himself as a fighting man in the Pacific theatre during the recent war, is here visiting relatives and friends and recovering from severe wounds received in action against the Japs. He was wounded three times, and expects to spend at least two more years in the Hospital before he is entirely well again. He has been under treatment at Menlo Park, Calif.

A member of the famous Fifth Cavalry, Sgt. Weathers, went through much of the bitterest fighting of the war. He saw service in New Guinea, many islands of the Pacific, and finally in the recapture of the Philippines. He was shot in the hip while rescuing a buddy from an almost hopeless position, according to news reports issued by the War Department, wounded a second time by our own artillery, and a third time received a bullet in the back from an enemy sniper. He received several decorations for action in the line of duty.

"Pinky," who was reared here, declares that he will re-enlist when he completes his present "hitch." He has had 13 years service now, and expects to stay in until eligible for retirement.

DR. SINCLAIR'S PARENTS ENJOY VISIT HERE

Mr. and Mrs. W. G. Sinclair of Kitchener, Ontario, Canada, left for home Thursday after having spent a couple of weeks here and in New Mexico visiting their son Dr. J. W. Sinclair and wife.

This was their first visit to West Texas and he declared to a representative of the News that it is a great country. One of the marvelous sights, to him, was the oil fields at night, all lighted up through which he passed on the route from Lamesa to Carlsbad, New Mexico, and of course he was also amazed at the beauty of the Carlsbad Cavern. Mr. and Mrs. Sinclair have evidently enjoyed greatly their visit to the Southwest.

The Lynn County Farm Equipment and Labor Saving Device Show was held in Tahoka, Saturday, with the Farm Equipment and Labor Saving Device demonstration in the forenoon and the Livestock judging in the afternoon. Sponsors for this show were the Tahoka Chamber of Commerce, Tahoka Rotary Club, and Wilson Chamber of Commerce.

Hop Halsey and his Drug Store Cowboys were in Tahoka at 12:30 and gave their regular broadcast from "good old Lynn County". After being introduced by Mr. Halsey, Manuel Ayers, County Agent and Buddy Gene Bragg, announcer, gave brief talks.

Ninety three animals were judged by Mr. R. C. Mowery from 1:30 to 5:30 p. m., and three hundred and twenty-nine dollars and fifty cents in prize money was awarded to 4-H Club exhibitors. This prize money was donated by the sponsors mentioned above. Clint Walker, secretary of the Tahoka Chamber of Commerce made the prize awards.

Winners of the five classes of the swine division are as follows: Grand Champion Female Swine—Kenneth Pearson. Junior Gilts: first, Kenneth Pearson; second, Carrol Pearson; third, Weldon Seay; fourth, Raymond Hancock; fifth, Billy C. Gunter; sixth, Owen Schneider; seventh, Curtis Wilke; eighth, Dan Cowan; ninth, Bobby

Farmers Co-op Plans Meeting

The Farmers Cooperative Association No. 1 will hold their 16th annual meeting at the office of the Association on Thursday, April 25. The meeting will begin promptly at 10 A. M. There will be several outstanding speakers present and they will take most of the morning session. "Therefore," says D. A. Barton "if you do not wish to miss some very interesting and worthwhile talks be in the meeting when it starts. At noon a good meal of Bar-B-Q and all the trimmings will be served."

"After lunch we plan to have a picture that will be of interest to everyone" Mr. Barton says. "Then the Stockholders will hold their business meeting and hear the Auditor report for the year's business and elect the directors whose terms have expired. Also there will be some time given for the members to ask questions and discuss the business of the Association and make suggestions of ways to improve the service as a whole."

"If you are a member, customer, or a prospective customer you are invited to this meeting and you will miss a good meal and a big time if you are not present. Tell your friends and mark your calendar for Thursday, April 25."

Flower Shop Will Be Opened Here

The foundation has been laid on the W. A. Reddell premises for the construction of a flower shop to be operated by Mr. and Mrs. Joe Bob Billman.

The original structure is to be 20 by 18 feet in size and is to be a neat and attractive little building. It is planned for hot houses to be added later.

Mrs. Billman says that it will be known as The House of Flowers. Cut flowers, pot plants, and shrubbery are to be handled.

It is expected that the shop will be ready to open about July 1. Mrs. Billman intends to take a course in flower culture in the meantime.

TO HOLD MEETING

Lynn County Home Demonstration Council will hold its regular meeting Saturday, April 20, at 2:30 p. m. in the County Home Demonstration Agent's office. All members are urged to be present.

Misses Dorothy Applewhite and Mary Beth Penton, students in the Hockaday School in Dallas, are home for the Easter holidays.

WAYNE SHAWN AND BRIDE SETTLE IN TAHOKA

Wayne Shawn, son of Mr. and Mrs. E. W. Shawn, who was released recently from service in the armed forces, and Miss Betty Jo Day, daughter of Mr. and Mrs. George A. Day of Electra were married on Friday afternoon, April 5, in the home of Mrs. E. W. Shawn's sister, Mrs. E. E. Taylor, in Decatur, Mrs. Taylor's husband, Rev. E. E. Taylor, reading the marriage ceremony. Only the bride's parents and Rev. and Mrs. Taylor and family being present.

After a wedding trip to Dallas, McKinney, and other points in east Texas, the bride and groom came to Tahoka and are "at home" to their friends in a house which the Shaws recently purchased just west of the Don Bradley home.

The bride is a graduate of the Meadra high school and a business college, and has been chief clerk in the army commissary at Sheppard Field.

The groom is a graduate of Tahoka high school and attended the Texas Tech one year, and then went into training in the U. S. armed forces. Since coming back to Tahoka he has accepted a position in the First National Bank.

ADDING MACHINE PAPER, 2 rolls for 25c at The News office.

BAPTIST NOTES

The monthly joint meeting of the associational Sunday school and B. T. U. organizations was held here Monday night with ten churches in the association represented and 106 persons present. Churches represented were Brownfield, Meadow, Gomez, New Home, Petty, Wells, Redwine, Central, O'Donnell, and Tahoka.

Brownfield won the attendance banner with 31 of her members present. Total attendance was 105. These are meetings of Sunday school and B. T. U. officers and other workers. Rev. Levi Price is the associational Sunday school president. D. A. Barton of Tahoka is the B. T. U. president.

On Tuesday night the Baptist Brotherhood here had its regular monthly meeting with 45 present. Rev. E. C. McDonald of New Home was the speaker of the evening and his address was one of the most interesting and inspiring ever given at a Brotherhood meeting here. The Redwine Brotherhood was also represented. A chicken feast was served.

At the services here last Sunday morning a special Home Mission collection was taken amounting to a little more than \$175. Sunday school attendance was 357. There have been a number of additions to the church recently.

TWO SAILORS RETURN TO DUTY AFTER "BOOT" LEAVE

Seamen second class H. L. McMillan and A. L. Jester left Thursday for San Diego after a visit of eight days here with their parents, Mr. and Mrs. H. L. McMillan Sr. of Tahoka and Mr. and Mrs. A. D. Jester of New Lynn.

These two young men joined the Navy and were sent out to San Diego early in February, where they have completed their boot training. They expect to be assigned to overseas service soon after arriving back in San Diego.

H. L. had been employed for part time in the News office for several years before enlisting in the Navy in the fall of 1943. He made quite a reputation as an athlete while in school.

MARY CAROLINE STEWART WEDS MISSOURI DOCTOR

Miss Mary Caroline Stewart, daughter of Mr. and Mrs. R. M. Stewart, of Tahoka, became the bride of Doctor George Gail Heather of Macon, Missouri, Monday, April 15, at eight p. m., at the home of her parents. Rev. H. A. Nichols read the single ring ceremony.

Preceding the ceremony, Joan Hegi lighted the candles; Mrs. H. A. Nichols sang "I Love You Truly," accompanied by Mrs. Irving Stewart, who played the traditional Wedding March from Lohengrin and also "Traumerel," by Schumann, during the rites.

Before an improvised altar flanked by white baskets filled with pink and white gladioli, the vows were exchanged. The bride wore a white satin dress with linen lace yoke and a floor length veil with a coronet fashioned of pearls. She carried a shower bouquet of gardenias and carnations.

A reception immediately followed the ceremony. At a lace covered table, centered with white carnations on a reflector, Misses Eleanor Dudgeon and Wanda Baker presided over the refreshments. A three-tiered wedding cake was cut by the bridal couple. The house was decorated with pastel spring flowers.

The bride is a graduate of Tahoka High School, and she received her B. A. degree in Spanish from Texas Technological College, where she was a member of Sigma Delta Pi, Spanish honor fraternity. During the summer of 1945, she did special work toward her M. A. degree at the University of Mexico, and she received a language fellowship from the University of Iowa, where she is now doing post graduate work.

Dr. Heather received the degree of Doctor of Philosophy from the University of Iowa in January; he now has a professorship as supervisor of graduate studies in the department of Commerce and Economics at Kansas State College.

After June 7, the couple will be at home at 309 W. 6th St., Hays, Kansas.

HONORED WITH SHOWER

Mrs. George G. Heather, the former Mary Caroline Stewart, daughter of Mr. and Mrs. R. M. Stewart, was honored April 15, with a luncheon and a crystal shower in the home of Mrs. Lenore M. Tunnell. Mrs. Irving Stewart and Mrs. Tunnell were hostesses.

The bride's table was laid with a white linen cloth with a centerpiece of white carnations surrounded by white tapers in crystal holders. The other luncheon tables were centered with pastel iris.

Guests were Mesdames Rebel Thomas, J. M. Small, H. A. Maassen, W. E. Smith, H. A. Nichols, E. H. Boullouin, Pete Hegi, and G. M. Stewart; Miss Eleanor Dudgeon; and the bride's mother.

Mrs. J. L. Nevill and Mr. and Mrs. Everton Nevill left Wednesday to visit Mr. and Mrs. Russell Fleming at Flagstaff, Arizona, Mr. and Mrs. L. L. Jones at Kingsburg, Calif., and Mrs. Nevill's husband, Jodie Nevill, at West Sacramento. Upon their return to Tahoka, Everton Nevill plans to build a home here.

Elvis Shafer of Temple is here visiting his uncle and aunt, Mr. and Mrs. C. M. Lawler.

Gas 'N Air

By Kelly 'N Ches.

Howdy Folks; many inquiries have come in as to where the editor of this column gets his literary ability. So as to settle that question for all time, the editor wishes to state that he comes from a literary family. One Aunt writes short hand, one Uncle writes insurance and another writes checks.

We are like the guy who just started to write and has been scratching for a living ever since. We did get a dollar a word once. We talked back to the judge. From that experience we learned that the day of the court jester is passed.

Some one suggested that we should get a nom de plume. You know what that is. If you don't, it's a good word anyway.

There is one good product to get when it is a matter of gas and oil and that is Texaco product.

We get enthused about it, but do our customers.

VISIT AT WHITNEY

Jeff and Skinner Connolly returned Sunday from Whitney, Hill county, where they had gone last week to visit relatives. They were accompanied on the way down by their brother, Clyde Connolly and his family of Whitney, who had been out here visiting. The family went on directly to Hill county but the three men stopped at Possum Kingdom Dam and did some plain and fancy fishing. Jeff is very modest in his claims; he says he caught a little one and one "big un."

Upon arrival in Hill county, the three men found that the old family home at Hulon had been wrecked on Tuesday of last week by a cyclone. It had been there for many years and was occupied at the time by their brother-in-law and family. Nobody was hurt. The Baptist tabernacle in the little town was almost demolished and the church badly damaged. A few other buildings there were either blown down or damaged.

Rev. Levi Price addressed the Senior Class of the Levelland High School at the Class banquet in the dining room of the First Baptist Church there Tuesday night.

RENEW for your home paper today.

DINK FENN SAY'S IT'S COOL IN ALASKA

Dink Fenn lived out a half mile or so northeast of the Cross Roads Filling station in 1900—only there wasn't any filling station nor cross roads there at that particular time. Even Charley Lichey and the West family were unknown in those diggings in that early day. Later, a few settlers appeared and then Tahoka sprang up. The country got too thickly settled for Dink and he moved off out to Arizona or somewhere. But he came back some twelve or fifteen years ago and made his home in Tahoka for quite a spell—got acquainted with a lot of us newcomers. But he heard the call of the wild again and drifted back out into New Mexico and then into Arizona, maybe.

The other day the News had the following card from him post marked March 23, 1946, Anchorage, Alaska.

"Wish I could see West Texas again. I suppose it is some different now to what it was when the Fenns settled there in 1900. I am with dear old Uncle Sam, stationed at Fort Richardson, a few miles from Anchorage, Alaska. I've not seen the ground since last fall, for the snow, ice is about 4 feet thick. Tell the oldtimers Hello."

If any of you Lynn county "oldtimers" are thinking of moving out to Alaska, you will find Dink at MacInne Shop, Post Engineer, Ft. Richardson, if the sled dogs can get you there.

NOTICE OF SALE

Notice is hereby given that the Board of Trustees of the New Home Consolidated Independent School District is offering for sale, to the highest and best bidder, for cash, the following described properties, upon sealed bids, to be filed with the President or the Secretary of the Board or with the county school superintendent on or before May 20, 1946. Said bids will be opened at 8:00 o'clock P. M. on Monday, May 20, 1946, by the Board of Trustees at the New Home school building; and the board reserves the right to reject any and all bids.

One one-room frame, 36x24 ft.; one one room frame, 72x24 feet, one coal bin, 8x10 feet; one shed, 12x12 feet; one overhead tank, 6x6 feet; and one windmill, all located at Petty.

One brick school building, 60x44 feet, four rooms, 12 foot walls; one bus shed, 28x14 feet, 10 feet high; one double garage, 30x16, 8 feet high; one coal bin, 10x8 feet; and one small piano, in good shape; all located at Lakeview.

Send sealed bids to Mr. A. C. Pillingim, Rt. 4, Tahoka; or Mr. J. B. Edwards, Rt. 4, Tahoka; or leave at office of the County Superintendent of Lynn County in Tahoka, A. C. Pillingim, President, New Home School Board. 28-tfc.

WILSON 4-H CLUB BOYS AND GIRLS HAVE JOINT MEETING

The Wilson 4-H Club boys and girls met together in a joint meeting on April 16.

Miss Anderson gave a lecture on table manners. The helpers for the demonstration were Jean Covey, Mary Campbell, Carlton Wilke and Herschel Draper.

The Club sang three songs. There were 60 boys and girls present, and Mrs. Church, the adult leader, was also present.—Reporter.

F. G. SAIN OF SOUTHLAND DIES IN LUBBOCK HOSPITAL

F. G. Sain of Southland, 63, a former resident of Lynn county, died in the Lubbock Memorial Hospital early Monday following a brief illness. Funeral services were held Tuesday afternoon in the First Baptist Church, Slaton, with Rev. J. T. Clinton of Lubbock and Rev. O. J. Harmonson of Southland officiating, followed by burial in the Slaton cemetery.

Survivors include his wife, two sons, John R. and Jim, both of Slaton, and four grandchildren.

Mr. Sain had operated gas at Pleasant Valley, New Moore, Draw, and for a short time at Grassland. He had many friends in this county who are grieved at his passing.

Mr. and Mrs. Grady Lankford have returned to Tahoka to make their home. After a short residence in Littlefield, Lankford was transferred back to the Tahoka Davis-Humphries store.

SGT. WALTER LEE PENDLETON HOME WITH DISCHARGE

The News is informed that Sgt. Walter Lee Pendleton, son of Mr. and Mrs. A. Pendleton of T-Bar, who arrived home with a discharge several weeks ago is now employed in a "cloth factory" in Post. He spent two and a half years with the U. S. expeditionary forces in England and Germany.

Another son of the Pendletons, Pfc. Fred Pendleton, is still in Germany.

Parker "51"
Pens and Pencils

An extra measure of pride comes with the ownership of a Parker "51". For it's beauty says what its performance proves... here is a superb writing instrument.

The "51" is styled with a sleekness enriched by costly materials. The tapered shaft balances naturally in your hand. Write with it. The precious Osmiridium tip glides smoothly, silently as a cloud. And only the "51" is designed for satisfactory use of Parker "51" Ink that dries as it writes. All this requires high craftsmanship—and a precision measured in thousandths of an inch.

Ultra-Lifed Laying Mash

MY DEAR, the right start is so important! And of course, nothing could be more right than Ultra-Lifed Laying Mash! Why the whole barnyard is talking about it, it's just filled with vitamins and minerals and other precious things. You should see how the new pullets are producing!... Even our older girls! Why with such a diet old Jake the rooster could almost lay an egg! Of course the Boss is thrilled beyond words—says he simply can't keep up with us. That Ultra-Lifed Laying Mash is magic!

It's not only the immediate step-up in egg production which counts; it's the long-range results as well. Ultra-Lifed Laying Mash can increase egg production quickly. But more than this, so scientific, and complete a combination of vitamins, rare minerals and proteins, it returns the elements lost by the hen in the process of reproduction. Ultra-Lifed Laying Mash is a definite aid in combating this condition. Why not switch to Ultra-Lifed Laying Mash at once.

W. T. Hanes, Family Are Visiting Here

Supt. and Mrs. W. T. Hanes and son, Billy of Cameron are here this week-end visiting friends. Mr. Hanes was superintendent of the Tahoka schools until he resigned about a year ago to accept a similar position in the Milam county city.

The Hanes state they greatly enjoy their work there but miss their many Lynn county friends.

Cameron is nearly twice the size of Tahoka, and though an old town celebrating its 100th anniversary next month, it has one of the outstanding school systems by almost every standard of measurement in the entire Southwest.

Mr. and Mrs. Hanes say the school has about every facility, including fine buildings, libraries, teaching equipment and laboratories, cafeteria, playground equipment, concrete tennis courts, communication and moving machines, band uniforms and instruments, gymnasium building, and an excellent stadium.

Leo Jackson, head coach and also formerly of Tahoka, is making a success at Cameron. His football team lost only two games last season, his basketball team was runner up for regional championship, and several of his track men are today competing in the regional track meet. Cameron recently entertained the district interscholastic League meet.

Mr. Hanes was recently appointed to the state committee to sponsor the return of baseball to the physical fitness program of Texas schools.

Mrs. Guy LeMond left for her home at Snyder Thursday afternoon after visiting her mother, Mrs. H. W. Calaway several days.

N. S. Price and family of the Dixie community left this week for California to reside.

THE VETERAN'S FRIEND

Q. If a disabled veteran is rated totally disabled by the Veterans Administration is it permissible for him to take part-time employment?

A. Each case rests on its own merits. The nature of the disability and the nature of the employment are all important. Employability is usually considered in determining the degree of disability but is not necessarily the deciding factor. Often part-time employment is considered occupational therapy—good medicine. Again employment may be evidence of improvement and a reduction in compensation or pension can be expected. The best advice: See a DAV national service officer.

Q. Does a disabled veteran receive an increase in pension on reaching age 65?

A. Public Law 313 provides an increase when a veteran has been in receipt of pension for a continuous period of ten years or attains age 65. Contact your nearest Disabled American Veterans service officer for complete information.

Q. Can a veteran who is rated as 100 per cent disabled apply for unemployment compensation under the GI Bill?

A. As long as a veteran is considered unemployable, there might be some question as to whether or not he is entitled to draw this unemployment compensation. Contact your local United States Employment Service for a ruling on this matter.

Q. If a disabled veteran fails to report for physical examination when ordered by the Veterans Administration does it affect his pension payments?

A. Yes. An award of disability compensation or pension may be suspended when a veteran fails to report for examination without adequate reason. Vol. 3, No. 1

Send questions with self-addressed, stamped envelope to The Veterans Friend, Public Relations Department, Disabled American Veterans, Suite 1030, 11 South La Salle St., Chicago 3, Ill.

Telephone Company Plans Improvement

The Southwestern Associated Telephone Company is preparing to add eighty numbers to the local exchange here and create a place for another operator.

It is also preparing to extend its lines considerably. Three carloads of poles have been ordered and the work of placing them is expected to begin soon.

All this is being done to take care of the greatly increased business expected this fall and to meet the constantly increasing demand for service, according to Mrs. Merle Hawkins, chief operator.

It is expected that another operator will be added to the force very soon.

As is well known, equipment was procured several months ago and the dial system installed for serving subscribers formerly on the Wilson exchange. The exchange office there was accordingly dispensed with.

PFC. MANUEL RICHEY ARRIVES HOME WITH DISCHARGE

Mrs. Manuel Richey reports that her husband, Pfc. Manuel Richey, arrived home on Thursday of last week from service in Germany, with his discharge. Upon arrival, he saw for the first time their one-year-old son. The three are now living with his parents, Mr. and Mrs. Elmer Richey, near the old South Ward school six miles southeast of Tahoka.

Pvt. Richey had been overseas for nineteen months, seven months of the time in Germany. He was an assistant to a chaplain and was with an infantry division. About a year was spent in England.

Golf Club Starts Work On New Golf Course

Work was started Thursday on the new course of the Tahoka Golf Club, recently reorganized, according to Charles Towles.

The new course will be located on the Fred McGinty place seven miles south of town.

Those interested in the game are urged to join now. The price, to charter members, is \$20.00, but later the dues will be raised to \$25 per year.

Mr. and Mrs. W. L. Stuart and wife came in Tuesday from Tulare, California, to spend a few days with his father, J. F. Stuart and Mrs. Stuart. They formerly lived here, moving to California in 1939. Believe it or not, Mr. Stuart is engaged in the cotton business out there, much cotton being raised now in the Tulare valley.

Mrs. W. M. Harris and Mrs. H. L. Roddy went to Abilene Tuesday and the latter's daughter, Miss Virginia Roddy, a cadet nurse in the Hendricks Memorial Hospital, returned home with them for a brief visit with her parents.

Mr. and Mrs. D. B. English returned several days ago from San Antonio, where they had spent most of the winter.

Mrs. Cornelia Kelly left Thursday morning for Austin to spend a few weeks visiting relatives.

The state of Texas leads in the production of fresh fruits and vegetables for distant markets.

W. M. U. BOARD MEETING

The Executive Board of the Brownfield Association Women's Missionary Union held its quarterly meeting in the First Baptist Church in Tahoka on Thursday afternoon of last week.

The devotional was directed by H. B. Grant, President of the local W. M. U. in Brownfield, who read the church covenant.

Mrs. Garland Pennington presided over the business session which was featured by reports on Benevolence, Bible Study, Community Missions, Education, Missions, Mission Study, Methods and Finance, Periodicals, Stewardship, and Young People's Work.

The following officers and standing chairman from over the Association were present, together with several visitors: Mmes. Garland Pennington, President, D. V. Smith, Cor-Secy-Treasurer; Mrs. L. R. McCormick, New Home, Recording Secretary; Mrs. A. A. Brian, Brownfield, Young People's Secretary; Mrs. B. W. Baker, Wilson, Benevolence; Mrs. Gladys Moorehead, Brownfield, Missions; Mrs. Henry Heck, New Home, Mission Study.

U. S. EMPLOYMENT OFFICE WILL HELP HERE

In response to a petition presented by Post Commander E. J. Hendrix of the Marion G. Bradley post of the American Legion together with others, F. A. Wells of marillo, area director of the United States Employment Service of the Department of Labor has written to Mr. Hendrix that full-time service can not be given to Tahoka at the present time for lack of funds, but promises that Olen G. Evers, a "good Placement Interviewer," will be detailed to Tahoka next week, beginning Monday, April 22, to consult with Hendrix

and others regarding the type of services needed and suited to Tahoka's needs. Any one desiring to see this interviewer should report to Mr. Hendrix.

RICHARDSON BUYS INTEREST OF FRANKS IN SHOP

R. L. Richardson has purchased the interest of his former partner, C. G. Franks, in the electric and radio shop which they have been operating in the building next door north of the First National Bank. Mr. Richardson will continue to operate the business in the same place. Mr. Franks has not announced his plans for the future.

GAS THE **FLAME**
 COOLS AS WELL AS HEATS

The prehistoric discovery of the FLAME was man's first step toward civilization; and from that ageless past to the present, the Flame has been keeping humanity warm, cooking its food and performing other services. However, no energy, even that of the FLAME, would be valuable to modern civilized society unless it would be capable of being controlled. It is interesting to note that it was this controllability that, early in our economic history, provided continued usefulness to the GAS FLAME—a usefulness that through the years has constantly widened and strengthened. Today this controllability reaches its highest point of development. And so, as in the past, the GAS FLAME will continue to release, even more effectively, its energy, remaining man's faithful servant for cooking, water heating, refrigeration and year 'round home comfort.

768 Miles Terraces

(Continued From Page 1)
 important factor, if not the most important factor in crop yields, is moisture. Contouring, supported by terraces, goes a long way in preventing runoff from rains of high intensity, thus making moisture available for crop production which otherwise would run off into smaller drainage ways or lakes. Some of the cooperators of the District give a value from contouring and terracing ranging from 20 to 30 percent in increased yields. In addition to a water conservation program, this system of farming also prevents the loss of soil from water erosion.

The farmers who are cooperating with the District are carrying out a coordinated soil and moisture conservation program by use of terraces. They realize that wind erosion may be more damaging than water erosion. They are conscious of the need of rotation of land planted to cotton with feed, leaving a high stubble to add organic matter to the soil and prevent wind erosion. Crop residue management is an important consideration.

The District Supervisors, with the assistance of various agencies and farmers of the District, when writing their program and plan of work were conscious of four main objectives that should go into each farm plan. These objectives or Cornerstones are as follows: 1. Sound Land Use. 2. Right combination of Conservation Practices. 3. Maintaining and improving of soil fertility and 4. Economically sound Conservation farming.

Following are the farm owners and number of acres each has had terraced:

- C. C. Swope, 154; Jack Cook, 183; F. P. Brown, 77; Alvin Kaatz, 204; A. M. Cade, 150; H. C. Fountain, 135; Mrs. W. Pearce, 263; E. R. Tunnell, 151; Ray Cook, 206; W. N. Van Dyke, 236; D. R. SELL HOME HERE: MOVE TO MIDLAND

Mr. and Mrs. Fred House came up from Midland Saturday, packed up their household goods, and returned to Midland Sunday. A truck took their household goods.

Mr. House is very busy building houses in the Midland and Seminole oil field areas. At least he is bossing the job and getting good pay for it. All the family but him, he says, are working. He is a happy man.

Mr. and Mrs. House had sold their home here to Mr. and Mrs. Clovis Hunnicutt.

Mrs. Mary Woods and son Frank went to Dallas the first of this week and brought back with them Mrs. Jack Cox and baby, for a visit here. Mrs. Cox was the former Mrs. Adelaide Woods.

KENNETH C. ROSS GETS PROMOTION

Kenneth C. Ross, son of Mr. and Mrs. C. C. Ross of Tahoka, has been promoted from Corporal to Sergeant. He attended high school at the Tahoka High, and was employed as welder for the Rohr Aircraft Corporation, Chula Vista, Calif. He was inducted into the army August 12, 1944 at Los Angeles, Calif., and received basic training at Camp Roberts, Calif. He departed for overseas duty January 19, 1945. He has the Infantry Combat Badge and the Purple Heart Medal. He is assigned to the 2nd Emergency Rescue Squadron as guard.

DR. AND MRS. DURHAM ON BUSINESS AND PLEASURE TRIP

Dr. and Mrs. K. R. Durham, according to be gone the most of the week, accompanied by his father, Rev. J. P. Durham, left here Monday morning.

Dr. Durham was going to stop in Dallas to attend the annual meeting of the State Dental Association in session there. Mrs. Durham and his father were going on to Shreveport, Louisiana, the father returning to his home there, after a visit of a few weeks here.

Mrs. Durham expected to bring her mother, Mrs. S. J. Hutcherson, back home with her for a visit here, picking up the Doctor in Dallas on their way home.

Farmall Plant Being Expanded

The addition to the big building of the J. K. Applewhite Company on east side of the square has been completed but changes in arrangement and installation of expensive new equipment throughout the interior of the building are still being made.

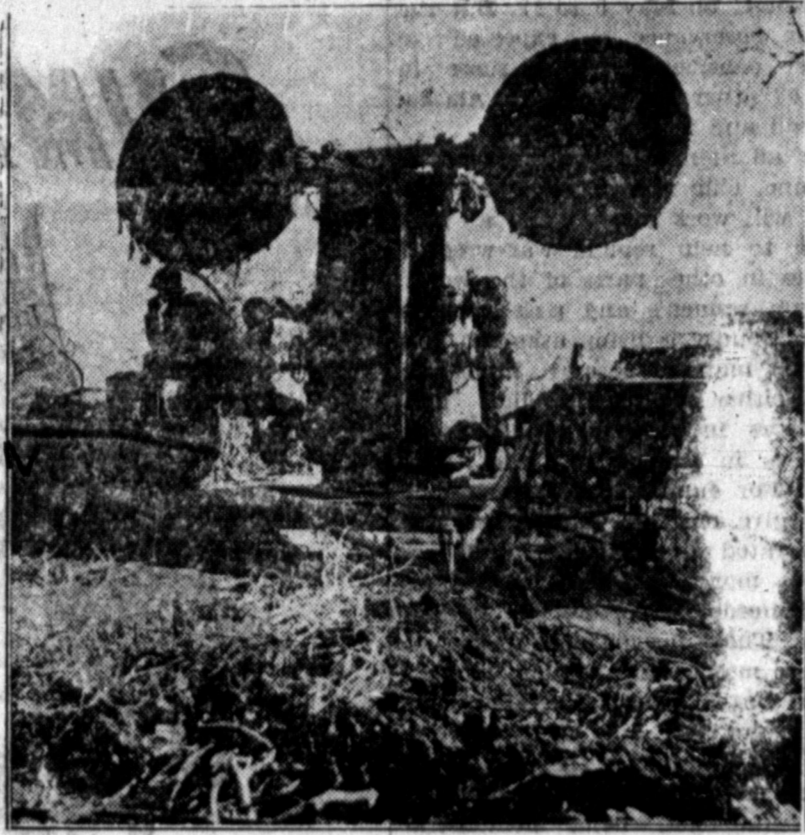

The building itself now has a floor space of 6,250 square feet, its dimensions being 50 by 125 feet.

The front compartment contains the offices and sales room which are to be repainted and redecorated throughout, and just back of that a large and well arranged store room, with new shelving and bins the capacity of which has been doubled.

In the rear compartment is an expansive work shop, in which much expensive and up-to-the-minute equipment has recently been added, and in which five expert mechanics are now employed. The building has been re-wired throughout and overhead fluorescent lights have been installed. For the convenience of the workmen and to add to the efficiency of the shop, three overhead cranes have also been installed.

There is a tool room equipped with various kinds of special tools and equipment; a welding room, where acetylene and electric welding are done; and a wash and paint room.

In fact there are so many kinds of specialized tools and equipment in this shop that it would be impossible for a news reporter to give

Released by U. S. War Department, Bureau of Public Relations.
RADAR IN OPERATION—Draped with camouflage netting this SCR-547 radar stood guard against the Luftwaffe near San Pietro, Italy. The soldiers who operate this instrument are the scouts in the modern U. S. Army. An interesting field for scientific study as well as adventure is open to the young men who join Uncle Sam's

an adequate word picture of the shop.

When the whole thing is finished, we know that Jack Applewhite and Jimmy will take great pleasure in showing customers and visitors through the entire house. It is enough to say that it is possibly the most complete and well-equipped tractor house and workshop of its kind in this section of the state.

COTTON INSURANCE SALES AGENT NAMED IN LYNN CO.

Determined that every cotton farmer in Lynn County will have a chance to take out cotton crop insurance the County A. C. A. committee met April 10th at the A. A. office in Tahoka and appointed eight agents to contact the cotton growers.

The authorized agents for Federal all-risk cotton crop insurance in the county are Walter R. Ledbetter, Andrew Cooper, John Slover, E. R. Tunnell, C. B. Jones, J. Dudley Martin, E. O. Slaughter, and Howard Gartman. Each agent has been assigned one section of the county in which he will personally contact all the producers to offer the insurance. If the producer desires, however, he may sign up for the insurance in the A. A. office.

Applications signed up to Monday totaled one hundred and eight. Deadline for signing the applications is April 25 in this county, although the producer must sign up before he seeds the crop. Applications are available at the A. A. office or may be obtained from the above listed agents.

A. C. Weaver reports that his son Pvt. Bobby D. Weaver has been transferred recently from Fort Bliss, El Paso, to Fort Lewis at Tacoma, Washington. Mr. Weaver is surmising that the son will be going across some time soon. He has been in the service about six months.

Tested at Majors Field, Greenville, built at Garland, the "Flying Auto", with wing and tail structure can be driven as a car.

O'Donnell Lady Is Buried Here

Mrs. E. R. Smith of O'Donnell, 68, died in the Prazier hospital, Lamesa, at 6:30 o'clock Monday evening from a hemorrhage of the brain, though she had been sick for a year.

Funeral services were conducted in the O'Donnell Methodist Church at 3:00 o'clock Thursday afternoon and the body was laid to rest in the Tahoka cemetery by the side of the grave of her husband, who died last July. Rev. H. A. Nichols of Tahoka conducted the funeral services.

Four sons and four daughters survive, as follows: Willard Smith of the state of Oklahoma; Ray of Detroit, Mich.; Garland of the state of Oregon; Eulas of O'Donnell; Mrs. R. D. Wilson of Sundown. Mrs. W. R. Wilson of O'Donnell, Mrs. W. C. Legacy of Loop, and Mrs. D. F. Bounds of Sundown.

NEW HOME 4-H CLUB BOYS AND GIRLS MEET

The New Home 4-H Club girls and boys met together in the auditorium, with Miss Anderson present, on Thursday, April 11.

Miss Anderson gave a demonstration on how to set a table. There were a number of boys and girls present, and the sponsor, Mrs. D. D. Renfro, was present also.

CARD OF THANKS

We take this method of thanking our friends and neighbors for the many kindnesses shown us during the illness and at the death of our beloved companion and mother. Many thanks also for the beautiful floral offerings. We sincerely thank you all.—G. F. Jones and family.

Sheriff Sam Floyd and several residents of the New Home area were attending court in Lubbock Tuesday as witnesses on the trial of two Lubbock men who were charged with burglarizing some houses and stealing some property in that county. Mr. Floyd arrested them in this county.

BROWN-GRIDER NUPTIALS

Mr. Gene Alvin Brown and Miss Mary Irene Grider were united in marriage at the Methodist parsonage Friday evening, April 12, at six o'clock, Rev. H. A. Nichols, Methodist minister, officiating. They were accompanied by two lady friends of the bride.

Mr. Brown is from Minnesota and was discharged two weeks ago from the U. S. armed forces. Mrs. Brown was a WAC during the war. They returned to Minnesota the latter part of this week.

Rifle Club Gets National Charter

Washington, D. C., April 18—A rifle club for junior shooters in Tahoka has been granted a charter by the National Rifle Association guiding body for the rifle and pistol fraternity in the United States. Membership in the Lynn County 4-H Junior Rifle Club is open to boys under 18 years of age.

Instruction will be in the hands of J. B. Oliver, Box 423, Tahoka, who will lead the youngsters through the various phases of target shooting under the official rules of the National Rifle Association. All of the shooting will be "small bore" or 22 caliber, one of the most accurate types of rifles.

President of the new club is Bobby G. Oliver of Tahoka. Two of the major purposes of the group according to Instructor Oliver are to give boys instruction in the fundamentals of rifle shooting and to train them how to handle firearms safely.

Other club officers are: Robert Knight, vice-president, Manuel W. Ayers, executive officer, Billy R. Anderson, secretary, and Billy R. Smith, treasurer. Competitions in target shooting are expected to be held at a later date.

ADDING MACHINE PAPER, 2 rolls for 25c at The News office.

"The Fifth Freedom"

A Picture of the Great Southwest

Will be shown at the Farmers' Cooperative Association No. 1 at its

Annual Meeting, Thursday, April 25.

This is a picture of reality—a picture that deals with our own people out here on these West Texas Plains—A picture of you and your neighbors working together: Organizing to use your own hands, your own tools, and your own brains.

TO OBTAIN ECONOMIC FREEDOM AND SECURITY

And to become Self-Reliant, Self-Supporting, Free Americans.

We are assured that this is one of the best pictures of its type that has been produced. You will not want to miss it.

Come and join with us for lunch and see this wonderful production, Thursday, April 25.

TAHOKA, TEXAS

IT WILL COME... AND ALL OF US WILL WELCOME IT!

The Panhandle-Plains and Pecos Valley area is on the move... industrially. It's amazing what has happened around here the past few years. Industry has found out many of the natural advantages of our territory. Manufacturing plants of all kinds are springing up here there—everywhere—making new payrolls—new citizens—new life.

Industry knows that the Panhandle-Plains and Southeastern New Mexico area has everything to offer—including dependable electric power in quantities and at prices available only from a large interconnected electric system.

Russia continues to make the world feel uneasy. We can not believe that she wants another war. We are compelled to believe that she would do almost anything to avoid another war in view of the fact that the last one cost her six million lives on the battle front, an incalculable loss in property destroyed, and the intense anxiety and suffering which practically all of her people felt for five long years. Nevertheless, since the war ended she has been seeking extension of her borders on almost every front, military advantages of one kind after another, threatening the peace of some of her neighboring nations, and making demand after demand of her allies until the latter have just about exhausted their patience. Just now she is challenging Great Britain's control of the Mediterranean. Great Britain's life almost depends upon her control of Gibraltar and the Suez Canal and free passage through the Great Sea. It is to the advantage of the United States and essential to the security of world peace that Great Britain shall continue to exercise this control. We must clash with Russia on that issue if Russia presses her demands. Our Department of State at Washington as well as Senator Connolly, chairman of the senate foreign relations com-

mittee, and others versed in international affairs, agreed two or three weeks ago that the time had come when this country must assume a firm and stern attitude from here on out in dealing with Russia. In other words, we can best secure the peace of the world by telling Russia where to head-in now and then.

It looks now as if a proposal to lay a sizeable tax on natural gas and sulphur produced or mined in Texas and piped or shipped to other states of the Union and to foreign countries might become a major issue in the coming gubernatorial campaign in this state. Such a proposal will have a strong appeal to the people of Texas. We produce 85 or 90 percent of the sulphur mined in the United States and a very large percent of the natural gas, and we permit it to be sent out of this state without collecting scarcely any tax on it. Some of the candidates for governor are already casting attention to the fact that we are virtually frittering away these natural resources of Texas. The truth of this charge is patent, and we see no reason why all the candidates and prospective candidates for governor should not agree with this contention and thus remove it as an issue in the campaign, and give assurance, furthermore, to the people of Texas that if elected they will press the matter before the legislature.

In spite of the difficulty encountered in procuring building material, Tahoka is now enjoying probably the fastest growth of any period in her history. People in this area no longer get frightened out of their wits by a drouthy year nor by even two or three drouthy years in succession, for they have learned that over a long period of years fair to bumper crops are made three-fourths of the time. Surrounded by a territory proven by experience to be one of the finest agricultural areas of Texas, Tahoka is bound to continue to grow.

NEW HOME H. D. CLUB
The New Home H. D. Club met Friday, April 12, at 3 o'clock in the home of Mrs. Glenn Allsup.

Mrs. B. Swell Edwards resigned as president, and Mrs. E. R. Blakney, Jr. was elected for that office for the following year.

Miss Anderson was present and gave an interesting demonstration on table service.

We had as new members, Mesdames Joe Mack Armontrout, Earl George and Leroy Nettles. Others present were Mesdames Donald Caudle, Charles Armontrout, Floyd Smith, D. D. Renfro, Boswell Edwards, Win Overstreet, Clyde Ashcraft, Winston Davies, the hostess, Mrs. Allsup, and Miss Anderson.

The next Club meeting will be May 10 in the home of Mrs. Roger Blakney.—Reporter.

Mrs. Claude Thomas informed the News Monday that she and Mr. Thomas are moving back to the farm at Grassland. She and Mr. Thomas and Mr. and Mrs. E. A. Thomas had just returned from Dallas where they witnessed the initiation of the latter's son-in-law, Lewis Arnold, into the Shriners. Mrs. Arnold returned to Tahoka with them to spend a few days visiting her parents, Mr. and Mrs. E. A. Thomas, at Grassland.

OBSERVANCE TO BE CELEBRATED WITH GIFTS

National Home Demonstration Week will be observed in Texas as elsewhere, on May 5 to 12. But the Texas observance is expected to differ considerably from those in the 47 other states and in Alaska, Hawaii and Puerto Rico.

In addition to receiving public acclaim, club women and 4-H Club girls will work actively in a program to help rebuild war-wrecked homes in other parts of the world.

Each women's and girls' club in Lynn County is being asked to give one or more of several kinds of gifts either to their fellow club members in the Philippines or to families in Europe and the Far East. For famine relief, each club may give one or more cases of evaporated or condensed milk, or more cases of other canned food needed especially in hungry areas. Those needed most desperately are meat, fish, peanut butter, baked beans, baby foods, stews soup and fruits.

In the Philippines the great need is for summer clothing. Miss Alta Mae Anderson, home demonstration agent said. Distribution of clothing sent by Texas club groups will be handled by Miss Presentation Atienza, Filipino home demonstration agent who, with Miss Natividad Brodeth, received part of her field training in Texas homes in the early 1930's. For Philippine relief, clubs are being asked to give one more cotton garment per club member, one or more bath towels, or two or more feed sacks per club member with needles and thread attached.

The purpose of the nation-wide

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

observance is to focus attention on the contribution of the home and family toward progress and world

peace. The theme for the week will be "Today's Home Builds Tomorrow's World".

Grassland News

(Delayed)
Mr. and Mrs. J. W. Warrick and Mr. and Mrs. Otis Bosworth were given a surprise farewell supper by the Church of the Nazarene in the home of the former's daughter, Mrs. Leonard Gribble, on Monday evening, with about 65 friends present. The honorees, Mr. and Mrs. Warrick, were presented a nice, large religious picture given by the Church as a token of love and friendship. The Warricks, having sold their home here and having bought one at Caddo, Oklahoma, left Tuesday for that place. Mr. and Mrs. Bosworth are moving to Corpus Christi.

The Rev. and Mrs. Bankhead, he being the new pastor of the Church of Christ here, were given a house warming Wednesday night. The members gathered at the church and went in a body to the parsonage with lots of nice gifts and best wishes. Cake and a drink were served. Rev. Bankhead has accepted the pastorate here and at Gordon, preaching every other Sunday at each place. The Church bought the former Grandfather Wiley place here for a parsonage.

Most of Preacher Roberts' family have been sick with the measles but are reported better now.

The singing Sunday afternoon was attended by a larger crowd

than usual. Money was raised for some new books. Every one is invited to be on hand next first Sunday afternoon.

Our new groceryman here had the misfortune to step on a nail last week, and the wound has been causing him considerable pain.

Grandfather Butts, 90 years old and totally blind, father of Mrs. T. D. Edwards, left Sunday for Dallas to visit other children there.

Rev. Johnson, pastor of the Church of the Nazarene, spent a few days last week on his farm north of Albuquerque, New Mexico.

S. Hodo was honored Sunday with a birthday dinner in his home, with a large number of friends and relatives present.

The singing at the Church of Christ last Sunday was enjoyed by all present, followed by a good message by Rev. Billie Garnett of Lubbock.

The three-act play recently put on by some of the Grassland young married set was enjoyed by a large crowd. The proceeds will be used for the lunch room.

Miss Joy Moore and Kelly Laws were honored Sunday with a surprise birthday dinner in the home of Kelly's parents, Mr. and Mrs. V. V. Laws.

Odell Blasingame is still in Japan and Charles Glenn Bullock is still in Germany.

Congratulations to our new bridegroom and his bride, Mr. W. H. Farr and the former Miss Virginia Thomas. She is Grassland's intermediate teacher.

NEW DEPUTY CHIEF OF ARMY CHAPLAINS

CHAPLAIN RYAN

Chaplain (Colonel) Patrick J. Ryan has been appointed Deputy Chief of Army Chaplains effective April 1, 1948. He was born in Manassah, Minn., in 1902 and was graduated from St. Thomas College and St. Paul's Seminary. After serving St. Helena's Parish in Minneapolis he was appointed to the Corps of Chaplains in 1928. He served overseas more than three years, first as Chaplain of the famous Third Infantry Division, and from February, 1944, until February, 1945, was chaplain of the Fifth Army. Since August, 1945, he has been attached to the Office of the Chief of Chaplains. Chaplain Ryan had a distinguished record with the Fifth Army in Italy. His decorations include the Bronze Star, Legion of Merit, Brazilian Medal of War, Italian Order of the Crown, English Order of the British Empire and Indian Bronze Medal for Valor.

GROVER SELLERS IS IN GOVERNOR'S RACE

The News has received a communication from Attorney General Grover Sellers announcing his candidacy for governor.

He says that during the campaign he will "discuss and meet fairly the issues of this campaign." He states that he is a life-long Democrat and has always voted for and loyally supported the nominees of the Democratic party.

He is 53 years of age and says that his home is on a farm seven miles southeast of Sulphur Springs, Hopkins county, where for the past 18 years he has bred and raised Jersey cattle and produced milk for the market.

He has spent most of his adult life in public office, first as assistant attorney-general under Gerald Mann and then as Attorney General.

He expresses his admiration for Governor Coke R. Stevenson and reaffirms his faith in the Constitution and laws of this state, and he gives his pledge that he will continue to be guided by the Constitution and the laws of this state in the performance of his official duties if elected governor.

Senator G. H. Nelson and his youthful law partner, Mr. McCleskey, had professional business in Tahoka last Friday and were pleasant callers at the News office.

HOME ECONOMICS TEA

The girls in the Home Economics 1-A class gave a tea April 5th for the eighth grade girls.

The Home Economics department was decorated with lilacs. Refreshments of punch and cookies were served from a lace covered table. The cookies had been made the day before.

The eighth grade girls arrived at 10:15 and were met by the hostesses Georgia Beth Sparks and Marilyn Fuller. Laura Mae Howell and Louan Taylor made the invitations which were very attractive, with a little tea cup drawn on the front.

Other girls in the class are Nancy Cobb, Mary Draper, Sina Findly, Wanda Galtner, Velma Ruth Howell, Billie Ruth Paris, Verna Lee Parrish, and Betty Thomas.

Mrs. W. A. Guy and three sons of Clarendon were here from Thursday until Saturday of last week visiting Mr. and Mrs. J. L. Tomlinson. All three of the sons had recently been released from the service, two of them having seen strenuous service overseas. Mrs. Guy is a sister of Mr. Tomlinson.

IS GETTING UP NIGHTS GETTING YOU DOWN?

Thousands say famous doctor's discovery gives blessed relief from irritation of the bladder caused by excess acidity in the urine.

Why suffer needlessly from backaches, run-downs, feeling from excess acidity in the urine? Just try DR. KILMER'S SWAMP ROOT, the renowned herbal medicine. SWAMP ROOT acts fast on the kidneys to promote the flow of urine and relieve troublesome excess acidity. Originally created by a practicing physician, Dr. Kilmer's is a carefully blended combination of 16 herbs, roots, vegetables, and gums. Absolutely nothing harsh or habit-forming in this pure, scientific preparation. Just good ingredients that quickly act on the kidneys to increase the flow of urine and ease discomforts of bladder irritation. All druggists sell Swamp Root.

WHY ARE WHEATLAND PLOWS

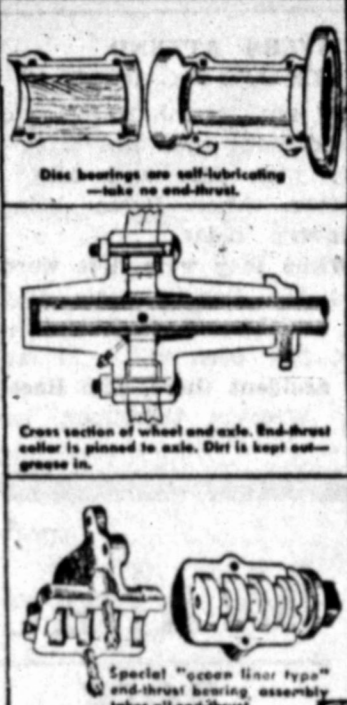

THE MOST POPULAR?

Even the wisest folks prefer the Wheatland Disc Plow because there's an efficiency in the job done. They simply do the job just right.

There is an MM Wheatland to enable you to cut the cost of preparing your seed bed as much as 50% over ordinary methods. 26 inch discs and 10 inch spacing between discs give it wide and light draft.

* Flows and Discs IN ONE OPERATION—yet very light to draw—comes in drill attachment available. * Misses stubble and vines thoroughly with the soil—plows from 2 to 9 inches deep. * Have ground air pockets and soil blowing. * Can be used to build terraces the economical way.

Although the degree of concavity is about the same as in ordinary 20 inch discs, the depth of concavity is 4 inches as compared to only 2 1/2 inches. As a result MM Wheatland Plows turn the soil much better. Extra large discs mean less wear on the disc bearings as discs make fewer revolutions per mile. Discs are specially heat-treated steel, highly polished to smooth finish. RIGID FRAME. This frame is now famous as the one that won't "twist", "wear", or "give"—thanks to its BRIDGE TRUSSED construction and the extra-heavy duty casting and steel plates that connect the heavy axle to the rigid frame. Hand and power tillage—see your MM dealer for sizes and when available—like they're worth waiting for.

Make Your Cotton Planting Seed Go Farther
Here Is How
Let us delint your seed by the Kemgas Process then you can plant half as many seed and secure a better stand.
Why Is This True?
The Kemgas Process removes ALL the lint, then recleans, grades, and treats them with ceresan. Seed processed in this manner will germinate 3 to 5 days quicker than fuzzy seed. Tractors plant 25% more seed land in a day because.
There is absolutely no lint to choke planter boxes and one filling of the planter box will run 3 to 4 hours.
Planting Attachments
No special planting attachments are required—just an ordinary corn plate will plant these seed.
Planting Seed Scarce
Good planting seed is scarce this year. Get the most out of your seed by letting us process them. We are equipped to do a first class job.
We are able to supply a limited amount of KEMGAS DELINTED SEED in the following varieties:
Hi-Bred Northern Star
Western Prolific D and P. L.
Macha (Storm Proof)
All these seed are first year from originator and are \$10.50 per hundred.

"Okay, just so the engine's OIL-PLATED!"
"This one is . . . and you're 101% right," the car salesman agrees. He goes on to explain, "We want this car to show you real engine endurance—which means the least carbon, sludge, and upkeep you can have. That's goodwill for us. And all it takes to keep your engine's insides OIL-PLATED is Conoco Nth motor oil. . . . Say, this time you're figuring to treat your new car right!"
Many of the oldest cars, too, are being kept in the running by having their engines OIL-PLATED. This internal wear-fighter—OIL-PLATING—is created by magnet-like action. That comes from Conoco Nth oil's added ingredient—surfacing your engine's insides with durable OIL-PLATING. There's your barrier against lots of wear. You can have it in any car—any model or year—by driving around to Your Conoco Mileage Merchant's station. You'll get your correct Spring grade of Conoco Nth oil—and an OIL-PLATED engine. Continental Oil Company
CONOCO Nth MOTOR OIL
and remember another big thing—Don't say "any" oil—SAY "CONOCO Nth MOTOR OIL"

WEAVERS ATTEND FUNERAL AT CARBON

Mr. and Mrs. J. B. Reese of Levelland came over last week-end to visit with Mr. and Mrs. A. C. Weaver, Mrs. Reese being Mr. Weaver's sister.

While they were here word came that Mr. Reese's uncle and aunt, Mr. and Mrs. T. B. Garrett of Carbon, had been killed Friday in a car accident there. The Reeses and the Weavers thereupon hastened

down to Carbon and attended the funeral services there Sunday, which were held in the Methodist Church. Mr. and Mrs. Garrett were 73 and 72 years old respectively and had been residents of Carbon for 39 years.

Miss Billie Wayne Pennington, daughter of Mr. and Mrs. Willis Pennington, was in Austin Tuesday taking the examination for license as a beautician.

A VERY SMART Change!

It's smart to change your motor oil NOW and it's smart to change to PHILLIPS 66

Sure, get that old, tired winter motor oil out of your crankcase. Fill up with a fresh new change for the hard, hot driving ahead.

And brother—here's a piece of free advice that's worth something! When you change, change to Phillips 66 Motor Oil! It's a rugged, stand-up-and-take-it oil from "deep in the heart of Oklahoma." You couldn't make a smarter change!

Get set for Summer—with Phillips 66!

Sidelights From Washington

(By George Mahon)

Legislation is in the making which will provide so-called terminal leave pay to enlisted men of the Army and Navy. The policy of providing terminal leave pay for officers and denying it to enlisted men cannot be justified. The Military Affairs Committee of the House of Representatives is giving consideration to the proposed legislation, and I expect to vote for the bill when it is considered in the House.

During the war, commissioned officers were allowed "leave" at the rate of 2 1-2 days per month. But many officers, particularly those overseas, had little chance to take this "leave", and it was permitted to accumulate and the officer was paid for this "leave" at the termination of his active service.

Enlisted men were allowed certain furlough privileges, but by reason of their service overseas or duties otherwise, they too had inadequate opportunity to take the furloughs to which they would ordinarily be entitled.

Under the proposed legislation, the "leave" of the enlisted man would accumulate and he would be paid for it in like manner as officers are paid for terminal leave, officers and enlisted men being thereby accorded the same treatment. The proposed legislation involves the checking by the War and Navy Departments of millions of servicemen's records and the expenditure of a large amount of money, but simple justice demands that such action be taken.

The final draft of the bill providing federal aid to communities which are interested in airport construction is scheduled to pass the Senate this week and go to the President for his signature. The House took final action on the bill

several days ago, having passed the bill originally on October 18, 1945.

The bill commits the United States Government to a broad national airport development program and the expenditure over a seven-year period of a total of \$500,000,000. The work will be done on a basis of cooperation with the States and local communities.

The bill provides that the Federal Government may contribute not exceeding 25 percent of the cost of the land for an airport; the Federal Government would contribute 50 percent of the cost of construction incident to the development of the airport.

Air transportation will become increasingly important throughout the Nation as our Country takes steps to retain our leadership in the field of aviation.

The Appropriations Subcommittee on Government Corporations, of which I became chairman a few weeks ago, began consideration on April 11 of the bill which we expect to present to the House late in May, following many days of hearings. Among the Government Corporations involved are the Reconstruction Finance Corporation, Commodity Credit Corporation, Federal Crop Insurance Corporation, a group of corporations which operate under the Farm Credit Administration, Government corporations which operate in South America in connection with the good neighbor policy, and many others, large or small and of various types. We are investigating the programs and spending policies of a total of 40 Government Corporations. A law enacted last December provides for the first time that Congress undertake to delve into the working of these Corporations and seek thereby to keep a rein on their operations. Indications are that we will recommend the liquidation of a number of the Government Corporations and, in some instances, a definite change in policy in others.

LYNN FARMERS ATTEND MEETING OF CREDIT ASS'N.

Approximately 120 Lynn County farm and ranch men and women attended the 1946 stockholders meeting of the Lubbock Production Credit Association in Lubbock on April 12 at which time Fred McGinty of Tahoka was elected as a new member of the five-man board of directors. McGinty is the first Lynn County man to be on the board since early 1934, when R. C. Wood, was one of the original nine men to incorporate the association, according to Lee P. York, Lubbock, Ass'n. manager. However, he has worked closely with the organization for several years, having established their first Lynn County field office as branch manager in February, 1941 and served in that capacity until his resignation in 1943; since then he has been a part-time field representative and active member.

McGinty is a civic leader in Lynn County, having been elected to the Tahoka school board on April 6 and is a director of the Tahoka Chamber of Commerce. He and his fam-

Will Rogers' Humorous Story

By WILL ROGERS

THERE was a lady that got a great kick out of going out to visit the battleships when they an-

chored in the river at Santa Barbara. She liked to go out and kinda cheer up the common sailors, she said. She found them right bashful, though, and they hardly ever said anything but "Yes, ma'am."

This lady thought she knew a lot about the sea after she'd been out to the ships three or four times, and so she tried to talk to the boatman's mate one day.

"I suppose you've got kinda used to sea legs now," she says to him, trying to look serious and motherly. "No, ma'am, I ain't used to it exactly," he says, "but I wasn't looking at all when you come up the ladder, so I hope you're not trying to bawl me out."

(American News Features, Inc.)

New Home News

(Mrs. A. L. Pace) (Delayed)

A. C. Pillingim won fourth place in one-half mile race in the district meet at Lubbock last Saturday.

The following Home Demonstration club members went to Ruidosa last week end: Mesdames D. D. Renfro, Aubrey Smith, Charles Armontrout, Fred Roper, E. R. Blakney, Floyd Smith, Loyd McCormick, A. J. Shadden, Clyde Ashcraft, Jr. Roger Blakney and Win Overstreet.

Tyrus Harrison has entered the junior class in school from Rotan, New Mexico.

Mr. and Mrs. Joe Armontrout have returned home after spending the winter in Rockport.

Mr. and Mrs. Durham and children of Clairmont spent Sunday in the home of Mr. and Mrs. V. M. Harrison. Mrs. Durham is Mrs. Harrison's sister.

Mr. Shafe Qualls who has recently received his discharge and his sisters Birdie, Marie, Charlene and Florence of Elida, New Mexico spent the week end in the home of their brother D. D. Qualls.

Mr. and Mrs. Pat Malcom and son Pat, Jr. of Seminole spent Sunday in the home of Mr. and Mrs. Garland Peek.

Mr. and Mrs. Joe Armontrout and grand children, Jimmie and Wynelle, spent Sunday in Plainview visiting in the home of their daughter, Mrs. Gene Wilson and family.

Mr. and Mrs. T. H. Gilreath have gone to Bay City to visit relatives.

Mrs. T. D. Roper of Childress visited in the C. E. Gannaway home Sunday attending the birthday dinner honoring Mrs. Gannaway.

Mother Izard has returned home from a visit with her sons, Jim and Oscar of Clovis and Tucuman, New Mexico, Mrs. Sloan, her sister-in-law, from New Mexico and Mrs. Leona Kuykendall have been visiting Mother Izard.

Lynn county girls at McMurry College, Abilene, who won places on the honor roll at the winter semester and mid-term spring semester were Miss Wanda Rice of Wilson and Misses Beth Shepherd and Jimmie Lou Thomas of Tahoka.

CADET MAX MINOR TO WED NEW YORK GIRL

Col. and Mrs. Gerald Alford Counts of West Point, N. Y., are announcing the approaching marriage of their daughter, Anne Harris Counts, to Air Cadet John Max Minor, son of Mr. and Mrs. John William Minor of Tahoka. The wedding will take place June 6. Cadet Minor is to receive his wings at the United States Military Academy June 4.

Miss Counts was graduated from Knox school in Cooperstown, N. Y., and from Vassar college, Poughkeepsie, N. Y. Her father is professor of physics at West Point.

Cadet Minor was graduated from Tahoka High school in 1940 and attended the University of Texas for three years before entering the academy in July 1943. He was a member of Sigma Chi fraternity at the university, vice president of the student body and a member of the Longhorn football team. Since entering the military academy, he made honorable mention on Grantland Rice's All-American team in 1944 as a member of undefeated Army football team and won the national AAU indoor 60 yard low hurdles.

The state of Texas leads in the production of fresh fruits and vegetables for distant markets.

OVER 100 MILLION BOTTLES SOLD! SIMPLY GREAT FOR MONTHLY PAIN

Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to female functional periodic disturbances. It also relieves accompanying weak, tired, nervous, cranky feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's also a great stomachic tonic!

TAKE A LOOK!

JUST take a look through this long-range telescope and see yourself next spring! How's your tractor running? Wish you'd had it overhauled a few months ago? Well, there's still time.

Between now and the day you want to take your equipment into the field we'll make the repairs you need. Our shop is loaded—it always is these days—but we'll schedule your work and get it out on time. Just tell us what needs to be done.

You can be sure of this: Any job we do here is done right. Farm equipment is our business. We know it from the ground up. We're implement men and that means we can take your farm tools and put them back in working order.

You'll find a big stock of genuine IHC parts on hand here at all times. And from now on we'll have more new McCormick-Deering equipment, too. Let us know what you need.

BE WISE - BE AN Early Bird - ORDER NOW

MAY 1 IS DEADLINE FOR 4-H REVUE ENTRANTS
 May 1 is the deadline date for 4-H club girls to enroll in the National 4-H Clothing Revue Contest and also the 4-H Records contest. Any 4-H club girls interested who can meet the requirements for eligibility should get their names to Alta Mae Anderson, home demonstration agent, not later than April 27. This will allow time to get the names submitted to headquarters by May 1. Eligibility for participants for State honors are subject to the following rules:

1. Must have passed their 14th birthday and must not have passed their 21st birthday on January 1, 1946.
 2. Must have completed at least three years of 4-H club work including the current year.
 3. Must model in a County Dress Revue contest.
- Outstanding achievements in this activity will be given recognition in the form of medals of honor to county winners, and educational trips to the National 4-H Club Congress in Chicago, December 1-5, to state champions.

There will be competition on county and State levels only. State winners will participate in the National 4-H Club Congress but the girls and their costumes will not be judged. See your home demonstration agent for complete information.

JOB-WITT VOWS READ
 Keith Louis Jobe, daughter of Mr. and Mrs. A. W. Jobe of New Home, and Dean Witt of Hamlin were united in marriage Sunday afternoon, April 7, at 3:00 o'clock in the Ropesville First Baptist Church. Rev. E. C. McDonald of New Home read the double ring ceremony. Given in marriage by her father, the bride was dressed in an ice blue suit with black accessories. The attendants were Mr. and Mrs. Gean Witt, the groom's twin brother and his wife.

Sue Flenniken and Jimmy Collins were ring bearers. Neida Jobe and Faye Collins, sister and cousin of the bride, lighted the tapers. The Ushers were Myles Lyndon Collins and T. J. Redman, Jr. The church was decorated in palms, ferns, with baskets of red and white carnations and white tapers.

The reception was in the home of Mr. and Mrs. M. M. Collins, aunt and uncle of the bride. Mrs. M. L. Collins and Mrs. T. J. Redman, Jr. presided at the punch bowl. The receiving line consisted of the bride, groom, Mrs. M. M. Collins, Mrs. A. W. Jobe and Mrs. I. R. Witt, mothers of the bride and the groom. Glen Bratcher led the guests into the dining room where a beautiful 3 tiered wedding cake was served. For going away, the bride wore a black gabardine suit with white accessories. The couple will be at home in Hamlin, Texas after a short wedding trip to San Angelo and other points in Texas.

The bride is a graduate of Ropesville High School and the bridegroom was graduated from Hamlin High School. He served 22 months overseas. Out of town guests for the wedding were from Hamlin, New Home, Lubbock, San Angelo, Anson, Levelland, Wolforth and Abilene.

Charles Curry, now a Linotype operator for the Brownfield News, visited Tahoka last Saturday afternoon and called at this office. Charles was employed in the Lynn County News shop for a few years several years back and then moved to Lubbock, where he worked as a printer until he accepted a position with the Brownfield paper a few months ago. He was accompanied to Tahoka Saturday by his brother-in-law, Mr. Austin.

TRAVIS D. SHELTON WEDS LUBBOCK GIRL SUNDAY

Marriage rites were read in St. John's Methodist Church in Lubbock at 5 o'clock Sunday afternoon for Miss Mary Lou Metcalf, daughter of Mr. and Mrs. L. G. Metcalf, of that city, and Travis D. Shelton, son of Mr. and Mrs. S. L. Shelton of Tahoka, Rev. Alsie H. Carleton officiating and using the double ring ceremony.

The bride was given in marriage by her father.

Mrs. Floyd Read was the matron of honor and Billy Hancock was the groom's best man.

Following the ceremony a reception was held in the home of Mr. and Mrs. George Young, after which the couple left for a wedding trip to Albuquerque and Santa Fe, New Mexico. After their return, they will be "at home" in Lubbock.

The bride is a graduate of the Texas Technological College and for the past two years has been employed by International Machine Company in Houston. The groom will return to Tech, where he is a member of the Centaur Club. He served in the U. S. Coast Guard for the past three and a half years with 21 months in the South Pacific.

TRAINING FOR ATOMIC TEST IN THE MARSHALL'S

Sgt. Joe S. Davis, son of Mrs. Alice Davis of Wilson is now training at Roswell Army Air Field as a member of the Army Air Forces Task Group, part of Joint Army-Navy Task Force One, the organization charged with carrying out atomic bomb tests in the Marshall Islands. The AAF Task Group is commanded by Brig. Gen. Roger M. Ramey under Major Gen. W. E. Kepner, Deputy Commander of Aviation for Vice Admiral W. H. P. Blandy's Joint Task Force One.

Prior to his entry into the armed forces Sgt. Davis was an Aircraft Mechanic. He is now serving with the 320th Troop Carrier Sqdn. of Task Unit 15. Roswell Army Air Field is a base of the 58th Wing under Fourth Air Force of the Army's Continental Air Forces.

TAHOKA HOMEMAKING CLASS SERVES DINNERS

The Homemaking 2-A class, sponsored by Miss Lucille Wright, divided into two groups and served each other a dinner Thursday and Friday, April 4 and 5 at 3:00: consisting of fried chicken, gravy, mashed potatoes, lettuce and tomato salad, radish roses, biscuits, glazed carrots, black-eyed peas, iced tea, cake and ice cream. The linen covered table was decorated with a lilac centerpiece.

The group 1 girls, consisting of Betty Ingram, Katherine Henry, Joyce Healy, Sybil Cawthorne, Eloise Perry, Cynelle Phillips, Janis Dale, had as their guest Mrs. Pittman with Katherine Henry and Betty Ingram presiding as host and hostess.

The group 2 girls, consisting of

Claudia Raindal, Lena Williams, Ruby Moore, Peggy Henderson, Majorie Lishman, Ellen Williams, invited Mr. Brewer as guest with

Claudia Raindal and Ruby Moore acting host and hostess.

How women and girls may get wanted relief from functional periodic pain
 Cardui, many women say, has brought relief from the cramp-like aches and nervous strains of functional periodic distress. Taken like a tonic, it should stimulate appetite and digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. TRY IT!

KEEP YOUR "TRADE-IN" IN GOOD SHAPE

EXPERT KNOW HOW SERVICE THAT KEEPS YOUR CAR RUNNING BEST

●● Today you have a double reason for taking good care of your car. You want to keep it rolling and protect your trade-in value! ●● While production of the new Ford is being increased as rapidly as possible, it will be some time before enough new cars are built to supply all who want them. In the meantime, it's a common sense precaution to give your car the best possible care and attention. ●● Your Ford dealer has the skilled mechanics and modern equipment to save you time and money. Right now he can give you fast service. ●● So it's good business to bring your car "home" to your Ford dealer. He knows your car best—uses genuine Ford parts—and gives you friendly, dependable service. Remember — Ford's out in front in service, too!

METHODIST CHURCH

This week we are having services beginning at 8 o'clock at night. Visiting pastors are doing some fine

preaching. There will be no services on Saturday night.

On Sunday we are expecting a large group of new members. Some who have lived here but had not placed their membership in the church. Several will come out of the Sunday school and those who have made confession of faith.

Easter has been a great day in this church and we are expecting great results during this week and Sunday. Last Easter we had several conversions at the morning service—shall we expect less this time?

At the morning hour before the sermon an opportunity will be given to parents to present their infants for baptism and dedication. We expect several infants at that hour.

The Sunday school is growing each week and the attendance is increasing. The same thing can be said of the church services. The

Crusade for Christ is manifest in every department of the church, and great results are expected this year.

White lilies in memory of the soldier boys who were members of this church and others who were in the Sunday school, those who made the supreme sacrifice, will be in the altar Sunday morning. We shall not forget the boys who gave their lives in the World War II. The memory of them will continue with us.

SURPRISE PARTY GIVEN MRS. BETTIE NELMS

Mrs. J. J. Waldrep, Mrs. Chas. Nelms and Miss Rosemary Nelms gave a surprise birthday party for Mrs. Bettie Nelms on her 80th birthday, Thursday, April 11 at 3 o'clock at the home of Mrs. Waldrep.

The welcome was given by Mrs. Chas. Nelms and readings were given by Sarah Beth Nelms and Mrs. Mable McGinty. Mrs. Waldrep presented the honoree with a basket of gifts which were opened and viewed.

Punch and angel food cake were served to the honor guest and Mesdames W. D. Smith, Sr. Opal Hines, W. S. Anglin, Mildred Nowlin, Mabel McGinty, Dorie Dillard, G. D. Dennis, Hick Gibson, Esie Montgomery, R. C. Wood, J. H. McNeely, Tom Garrard, S. L. Shelton, H. A. Nichols, J. J. Waldrep, Lillian Lavender and Chas. Nelms. Sunny Sue Gibson, Sarah Beth, Nancy Lee and Rosemary Nelms, Jerry King and Tresea Lavender.

Gifts were sent by the following: Mesdames Gladys M. Stokes, G. W. Williams, A. C. Weaver, G. H. Peterew, W. M. Harris, E. J. Hendrix, C. H. Cain, J. H. Gass, Lois Mason, Grace Kiser, D. V. Smith, Joe Waldrep, Odell King and Jerry and Mary Seroyer.

NAZARENE REVIVAL CLOSES; EASTER SERVICES ANNOUNCED

The revival at the Church of the Nazarene closed Sunday night with a victorious service.

There were a number of professions in the services and we expect Sunday to receive into the membership those desiring to unite with the Church.

The Easter topic will be the theme for both morning and evening services Sunday. An Easter program will be given Sunday night in charge of the young folks and Juniors.

Come and worship with us. Mrs. J. D. Roedler, pastor.

Mrs. C. C. Dwight left Tuesday to help nurse her father, H. K. Porter of Shallowater, 82, who is seriously ill. He is not expected to live many days.
