Number 42

Some Low-down Is Given On Leading Candidates For State Offices In Texas' Democratic Primary Election Saturday

When you unfold your ballot next Saturday to mark it, you will find that the name of Tom Connally heads the list. As chairman of the Foreign Relations committee in the United States Senate, the committee which handles all international affairs, he has become a world figure. He is universally regarded as one of the most brilliant and most useful members of that body. Of course Texas will send him back to the Senate.

But he has four opponents, three of whom are practically unknown, and certainly the publishers of this paper know nothing about them. They are Laverne Somerville of Dallas county, Floyd E. Ryan of Harris county, and Terrell Sledge of Hays county. They will each get only an insignificant vote. The other one of the four is A. B. (Cyclone) Davis, who has run for high office three or four times before and never received more than a scattering vote. That appellation "Cyclone" was not earned; he assumed it because his rabble-rousing father of Populist fame won it because of his cyclonic power in debate. But the son is not even a whirlwind.

Then come the candidates for Congress, George Mahon, the present incumbent, and Hop Halsey, who aspires to the office. Both are too well known here to need comment.

On the ballot are the names of 14 men who want to be governor, though the first one, Walter Scott McNutt, we understand, has announced his withdrawal from the race. Of the remaining 13, five are regarded as major candidates. Given in order in which their names appear on the ballot, they are John Lee Smith of Throckmorton county, Homer P. Rainey of Travis county, Grover Sellers of Hopkins county, Jerry Sadler of Gregg county, and Beauford Jester of Navarro county. In the event you do not wish to vote for either of these, there is Caso March of McLennan county, who has been making an active campaign and seems to be a man of high character and considerable ability.

Of the big five, Rainey is leading, according to the Belden poll. He has never before run for a political office. Several years ago, however, he was elected president of the University of Texas. Friction between him and the Board of Regents soon arose and a prolonged and bitter quarrel followed, resulting in his dismissal from his position. As an aftermath, he announced for the governorship, and the fight for and against him is rather hectic.

Beauford Jester, according to the Belden poll, seems to be the second highest man in the race. He is serving now as one of the railroad commissioners. He is a man of considerable ability and is an attractive personality. He is conservative in his views and opposes levying of any additional taxes whatsoever. He claims that they are unnecessary.

The third man on the list is Jerry Sadler. He was serving as railroad commissioner when the war came on, and he resigned to enlist in the army. He is majoring on his proposals to help the ex-service men. In fact, he is promising them about everything in sight. Some of (Continued on Last Page, Sec. 1)

REVIVAL STARTS AT DIXIE TONIGHT

Rev. H. D. Seago of Wilson, who is also pastor of the Dixie Methodist Church, announced that a revival meeting will begin at Dixie tonight, July 26. It will continue until and through Sunday, August 4.

Rev. S. Duane Bruce, pastor of the Denver City Methodist Church, will do the preaching. The pastor and other members of the Church will conduct the song services.

Services will be held twice daily, at 10:30 in the morning and at 8:30 in the evening.

Everybody is cordially invited.

Legion Names New Officers

At the regular meeting of the Marion G. Bradley Post No. 250 of the American Legion on Tuesday night, new officers were elected as follows:

Clint Walker, Post Commander; John Hudman, Post Adjutant; Charles Townes, First Vice-Commander; Tom Short, Second Vice-Commander; Charles Stewart, Historian; Calvin Edwards, Sgt.-at-Arms; Clifton Garvin, Mess Sgt.; Jess Gurley, Custodian; Marvin Bentley, Chaplain.

These officers will be installed at the next regular business meeting night, which will be the fourth Tuesday night in August.

Comparison Made On Bond Sales

Lynn county's \$850,000.00 road bond issue was sold at about the lowest rate of any issue ever sold in this section, according to figures in possession of The News. In fact the only bonds sold in this area for less than Lynn county's 20-year bonds have been 10-year issues where the valuation was much greater than Lynn's.

Lynn county was fortunate in being able to sell her bonds at the unusually low interest rate of less than two percent in spite of the fact that the county's valuations are much lower than many of her neighbors.

Here are the figures taken from a long list of Texas bond sales showing how Lynn and neighboring counties have sold their bonds:

Lynn county—sold \$850,000.00 of 20-year road bonds at 1½% on bonds maturing first five years, 1½% on those maturing 5 to 10 years, and 2% on those maturing in 10 to 20 years, or an overall average of 1.85% on a county valuation of \$6,538,000.00.

Terry county—sold \$375,000.00 of 20-year bonds at interest rate of 2.12½% on county valuation of \$8,500,000.00.

Bailey county—sold \$625,000.00 of 30-year bonds on three road districts having a \$3,600,000 valuation, at interest rate of 2½% first 10 years, 2½% next 15 years, and 3% (Continued on Back Page, Sec. 1)

State Tax Rate Cut To 37 Cents

R. P. Weathers, tax assessor and collector of Lynn county, this week received official notice from Austin that the state tax rate has been cut from 72 cents to 37 cents.

The cut was made, it is said, because of the excellent collections the past few years and the large reserve that has been built up.

Della Belle, Reba Jo, and Tiny Lee left the first of the week in company with Mr. and Mrs. L. D. Garrett of Albany on a few days vacation trip.

Mr. and Mrs. W. A. Reddell and Mr. and Mrs. H. L. Roddy are in Houston this week attending the annual convention of the Texas Rural Letter Carriers' Association.

Patrons Asked To Conserve Water

Patrons of the City of Tahoka water system are this week being asked by the City officials to conserve water as a possible substitute for the necessity of cutting off the water entirely for a few hours each day.

To prevent such, patrons have been asked not to irrigate their lawns and gardens between the hours of 9 p. m. and 6 a. m., until a rain comes, or the situation is otherwise relieved.

Co-operation with this request by citizens will permit the city to build up sufficient reserves at night to take care of needs.

Due to the extreme dry, hot weather, Mayor T. J. Bovell says, more water is being used this summer than ever before in the history of the city. Pressure has reached a minimum at times due to this tremendous use.

With the present facilities, the City of Tahoka, like many other towns including Lubbock and Amarillo, is unable to pump water fast enough to meet the demands.

Contrary to the belief of some, there is no shortage of water in the city wells; the demand is just too great for the facilities.

The City recently drilled two new wells, but these have not been put into service because pumps are not available. As soon as the two new pumps are received and some more mains laid, Tahoka will have plenty of water for normal needs, Mr. Bovell says.

Baptist Men Will Meet In Tahoka

The Brownfield Baptist Association Brotherhood will meet in the Baptist Church here next Tuesday night, and it is hoped and believed that there will be a large attendance. The local Brotherhood is preparing to feed all comers.

There are five organized Brotherhoods in Lynn county and at least one in Terry county: Tahoka, O'Donnell, Wilson, Petty, and Redwine in Lynn, and Brownfield in Terry. The men of the New Home, Lakeview, West Point, Wells, Bethel, Central, Meadow, Gomez, and other churches in the association are also invited. Some of them doubtless will be here.

Fred Sanders, a business man of Lamesa and one of the most outstanding Sunday School teachers in all this area, will be the speaker for the occasion, and a number of the Lamesa Brotherhood are also expected.

According to the plan adopted by the Association, Brotherhood at its first meeting this year, all Brotherhood members will come prepared to pay for their meals, which will be fifty cents per member. Meals will be furnished free to non-members.

Mr. Sanders is reputed to be a very interesting speaker and his talks are always highly appreciated. There will doubtless be a few musical numbers also. You are invited.

SERVICES AT EDITH ANNOUNCED

Rev. Lloyd Gentry of Redwine announces that he will conduct services at Edith Schoolhouse again next Sunday afternoon at 3:30 o'clock. The people of Edith and neighboring communities are invited.

Mr. and Mrs. Lloyd N. Conwill visited Mr. and Mrs. F. M. Billman at De Leon last Sunday.

C. of C. Barbecue Is August 13

The big Chamber of Commerce barbecue for men members, at which members of the local American Legion and Veteran of Foreign Wars posts, will be special guests, will be held on the night of August 13, the C. of C. board of directors decided at its monthly meeting on Monday night.

The barbecue will be served on the softball grounds. An unusual program has been obtained for the occasion, the nature of which will not be announced in advance. It may be said, however, that it will be a feature fun affair.

The Chamber of Commerce also took action providing a loud speaker for the softball field.

Ted Waggoner, president, Clint Walker, secretary, and board member Terry Thompson point out that the softball field is proving to be quite an attraction and recreation center for people from all over the county. It is hoped that some bleachers and more fencing can be added before another softball season.

Neighbors Work Sick Man's Crop

A. P. Hedrick of New Lynn was released from the Lubbock Memorial Hospital Wednesday and brought back to his home, arriving just after eight p. m. of his neighbors with their tractor-drawn plows had finished plowing out his 320-acre crop of cotton and maize.

Mr. Hedrick was stricken with acute appendicitis on Saturday, July 13, while plowing, and was taken to Post to see his physician. The latter sent him hurriedly to the Lubbock hospital, where an operation was performed the next morning, the appendix having already ruptured. His condition was very serious for a time and he was confined to the hospital for eleven days. In the meantime A. D. Jester, one of his neighbors, noted that the sick man's crops needed attention and he invited some of his neighbors to assist him in cleaning them out. So, on Wednesday morning eighteen of them appeared with their tractors and pitched in. They were just leaving when the sick man arrived home.

4-H Club Play Day Held At Lubbock

Seventy-one 4-H club boys and girls and ten mothers and fathers participated in the 4-H Club Play-Day, which was held at Mackenzie State Park at Lubbock on Tuesday, County Extension Agents, Alta Mae Anderson and Manuel Ayers, sponsored the occasion.

The program for the day featured skating, picnic lunch, a picture show, and a watermelon feast.

4-H clubs represented were Draw, Grassland, Midway, New Home, O'Donnell, Tahoka, T-Bar, Wells, Wilson.

Mrs. Deleath McLaurin represented the county 4-H sponsors committee.

Botkin Building Is Being Enlarged

Work was started this week improving the Vic Botkin building occupied by the R. E. Lee cafe.

The building will be enlarged six or eight feet on the south, the ceiling raised, and otherwise improved. Mr. Lee states that his cafe will be closed until improvements are completed.

A STUDY IN "EGG-BEATERS"—This is the initial landing of the largest mass flight of helicopters ever made. Nineteen R-5 and R-6 helicopters made the flight from Sheppard Field to San Marcos, Texas. In the picture above five of the machines had come down safely. Airmen declare that it won't be long till they'll be fitting about the country delivering mail at rural postoffices, carrying express and perhaps taking passengers for short swift trips.

Large Vote Is Expected In Democratic Primary In Lynn County Saturday; More Eligible To Vote Than Usual

Election Party Saturday Night

Election returns will be posted on a board in the street here Saturday night, L. C. Haney of Tahoka Drug, who has sponsored the election party for many years, announces.

Judge C. H. Cain, county Democratic committee chairman, will receive the returns at his office on Saturday night and relay them to operators of the board for posting at the earliest possible moment so that people may know the outcome of various contests.

First returns are expected to be received immediately after 7:00 o'clock.

Flying Farmers Visit Sweetwater

A group of Lynn county Flying Farmers went down to Sweetwater last Saturday, some of them by plane and some of them in cars, to attend the state-wide meeting of Flying Farmers held in the Bluebonnet Hotel in Sweetwater and the demonstration staged by them at Avenger Field near the city. Fifteen persons constituted the Lynn county group but about seventy-five visitors were there from over the state.

Lynn county "Flying Farmers" and their wives present were Mr. and Mrs. Bill McNeely, Mr. and Mrs. Calvin Edwards, Clayton Beard and Manuel Ayers, Billy Hill and "Shorty" McNeely, and Hulan Bolch, all of whom went by plane; and Mr. and Mrs. Elmer Newton, Mr. and Mrs. Ellis Barnes and Mr. and Mrs. R. L. Gibson, who drove down in cars.

Clayton Beard of Tahoka is president of the state organization and presided at the business meetings.

Man Is Killed By Road Machine

L. B. McPherson, operator of a road mainainer on the highways of Terry county was killed last Friday while his machine, which had gotten out of repair, was being drawn along the highway by a truck. As he was walking along by the machine, it in some way caught his foot, threw him to the ground, and ran over him, breaking his leg and inflicting other injuries from which he died soon after the accident.

He had been employed in this kind of work in Terry county for about fifteen years. He was an uncle of W. C. Mathis Jr., husband of the former Miss Tommie Milliken. They live at Carlsbad, New Mexico, and came to Brownfield immediately after being informed of the tragic accident. Mr. and Mrs. Bud Milliken, her parents, started Saturday morning to Carlsbad to visit their daughter, not having heard of the tragic accident. They were intercepted and stopped at Brownfield, however, and returned home that night. Mr. and Mrs. Mathis remained there for the funeral, which was conducted Sunday afternoon, and then came on to Tahoka to visit her parents here.

MISS LA VOYLE RICHARDSON LEAVES FOR DANCING SCHOOL

Miss La Voyle Richardson left Sunday for Cleveland, Ohio, where she will attend dancing schools for three weeks. While there she will attend the convention of the Dancing Masters of America, where she will study costuming, personality singing, lighting effects, and all types of dancing.

Miss Richardson has spent two summers studying in New York. She has been teaching in the Tahoka schools for three years and is a member of the Dancing Masters of America. She expects to resume her work in school here this fall.

Buy, sell, rent, or trade it through classified advertising in the News

With fair weather in prospect and a growing interest in the Democratic primary election to be held throughout the county and state Saturday, political observers are expecting a comparatively heavy vote. The vote in Lynn county should exceed 3,500; and if all the eligible voters should go to the polls, the total should run above the 4,000 mark. Conservative estimates, however, are that the total will lie somewhere between 3,000 and 3,500.

Poll tax receipts and certificates of exemption issued by the county tax collector prior to February 1 amount to 3,005, according to Collector Ray Weathers. Add to this several hundred people over 60 years of age who are not required to have either a poll tax receipt or a certificate of exemption and you find that the number of qualified voters has swollen considerably. Then add to this total the hundreds of returned soldiers who can vote without having paid any poll taxes, and you have another heavy increase. Ray Weathers estimates that there are fully 600 potential voters in this category. In addition to all this, there are likely to be a number of Negro voters who will exercise their privileges of suffrage in accordance with a recent ruling by the United States Supreme Court.

Of course there are some Republicans in the county who will not enter the Democratic primaries. There are other voters who will be indifferent and for that reason remain away from the polls. Some others may not vote because of the confused conditions of their minds respecting the merits of the candidates and the issues that have been raised.

But the lively interest in the race for governor, the race for congress, and some of the county races will draw the great mass of the voters to the various polling places.

The number of poll tax receipts and exemption certificates issued in the various voting precincts should indicate rather definitely the number of votes that may be expected in each precinct. A list of these has been furnished by The News by Mr. Weathers and is as follows:

Precinct	Receipts-Exam.
North Tahoka	402
South Tahoka	449
O'Donnell	479
Wilson	369
New Home	247
Draw	180
Grassland	121
Lakeview	108
Dixie	93
Morgan	98
Gordon	85
Magnolia	58
Newmoore	50
West Point	33
Three Lakhs	27
Total	3,005

Ap till Wednesday of this week, 187 absentee votes had been received by County Clerk Walter Mathis.

E. J. HENDRIX HOME FROM VETERANS' HOSPITAL

After having been a patient in the Veterans' Hospital in Amarillo for 55 days, E. J. Hendrix, Post Commander of the Marion G. Bradley Post of the American Legion, came in home Saturday night, somewhat improved.

He will return to the hospital, however, on September 26 for another course of treatments.

Mr. Hendrix highly praises the service given at this hospital but he says that it is now crowded and is running short on help.

Mr. and Mrs. G. A. Dearing and children, Shirley Ruth and the twins, Harlon and Arling, are here from Houston this week visiting her parents, Mr. and Mrs. W. G. Brookshire.

Mr. and Mrs. Garland Pennington and Miss Gerry Milliken are in Albuquerque on R. E. A. business this week. Miss Milliken is attending the bookkeepers' school.

Ex-Bell County Residents Reunion

Sunday July 28—the day after the first democratic primary—will bring former residents of Bell County now living in West Texas together at Buffalo Gap, 14 miles southwest of Abilene, for their first annual meeting since the early years of the war.

Acting for President E. I. Hill of Tahoka, Vice President Joe E. Childers of Abilene has named eight committees from a dozen or more towns in West Central Texas to handle the details of the annual Ex-Bell County Residents' Reunion.

It will be a dinner-on-the-ground affair, with everybody bringing his own basket lunch. Lunch will be spread on tables under the spreading liveoaks at the Presbyterian camp ground at Buffalo Gap. There will be a short program; but mostly the visitors will just spend the time talking over old times in Bell County and renewing friendships.

C. G. FRANKS

Call 192-W

More than seven hundred persons attended the last reunion before the war, coming from a score or more of counties in West Central Texas. The reunion was thought up by a little group conscious of the fact that thousands of Ex-Bell Countians now inhabit all parts of West Texas, and that these might like to visit with each other and relive the old days in memory.

The late James P. Scason of Abilene was a moving spirit in the organization. Mayor Will Hair of Abilene is among the hundreds of Taylor Countians who look back upon Bell County as their old home. Mrs. Florence Chilton is secretary-treasurer of the reunion association.

All Ex-Bell Countians now living in West Texas are cordially invited to attend the one-day session at Buffalo Gap. Friends who had not seen each other in fifty years or more got together at previous reunions. There will be plenty of cool shade, ice water and seats on the picnic grounds for all.

Remember the date—Sunday, July 28, the place, Buffalo Gap.

METHODIST W. S. C. S. FINISHES SERIES OF STUDIES

The Methodist W. S. C. S. met Monday afternoon, July 22, to finish their study, "These Moving Times."

Open discussion was held, with Mrs. W. D. Smith in charge. Mrs. Walter Mathis gave a very interesting talk from supplementary material. Prayer by Mrs. Franks, and a short business session followed.

Those attending were President Mrs. A. E. Ware, Meses. Walter Mathis, W. D. Smith, C. G. Franks, C. A. Thomas, Roy Edwards, Hick Gibson, Ted Terry, Harley Henderson, Paul Johnson, and V. C. Steele.

We will meet next Monday at 4 o'clock in the home of Mrs. Hick Gibson for a business and social hour. All members and those interested in missionary work are invited.

Vote for Frank McGlann, Jr. for Tax Assessor and Collector on July 27.—It will be appreciated and not forgotten.

WILLETT-BILLINGS

Willie Mae (Billie) Willett became the bride of Elvis Billings in a ceremony performed in the home of the bride's parents, Mr. and Mrs. W. M. Willett, at 7:30 o'clock Tuesday evening, July 23. Rev. Levi Price officiated, using the double ring ceremony before an improvised altar of assorted flowers.

The bride was attired in a white dress-makers' suit with a pale blue blouse with black and blue accessories. Her corsage consisted of lovely pink carnations.

Following the ceremony a reception was held in the dining room. A beautiful three-tiered wedding cake topped with a miniature bride and groom was placed in the center of the lace-covered table. Pink tapers in onyx holders were placed at each end of the table. The huge crystal punch bowl completed the theme. The cake and punch were served to forty guests.

Billie is well known in Tahoka, although she attended school in Post the past year.

The groom, son of Mr. and Mrs. W. E. Billings of Garnolia community, is employed with the American Airlines of Big Spring. The couple will make their home in Big Spring.

T-4 BERTA HILL HOME FROM GERMANY

Miss Berta Hill, who had been in the service of our country as a WAC for more than two and a half years, one year of which time had been spent in Germany, arrived home Wednesday morning, after having been granted her discharge on the previous day at San Antonio.

She enlisted for service on November 24, 1943, and was assigned to active duty December 17 following. She was in training at Fort Oglethorpe, Georgia, until March 2, 1944, when she was sent to Gardner Field, California for one year. She was then transferred to Hobbs, New Mexico, for three months and from there to Des Moines for brief training for overseas service. She embarked at New York and left for Europe on July 5, 1945. After spending two or three weeks in France she was stationed at Heidelberg, Germany, with the 7th Army until it was demobilized a few months ago and then with the Third Army until the latter part of June of this year.

The Third Army has now been practically demobilized and the American zone in Germany placed in hands of the Constabulary, so she and most of the other WAC's in Germany were permitted to come home. She left La Havre, France, on July 7, and arrived in San Antonio Sunday night.

Next week we may give some of her impressions of Germany and the German people and the outlook for the future in that country.

Miss Mary Elizabeth Martin, the daughter of Nighthatchman and Mrs. Ernest Martin, underwent an emergency appendectomy at Price Hospital in Lamesa early Monday. Dr. Seale performed the operation.

NEW HOME H. D. CLUB GIVES TACKY PARTY

Mesdames D. D. Renfro, Donald Caudle and Charles Armontrout, were hostesses to the H. D. Club members and their husbands with a Tacky Party Thursday night July 18, in the Armontrout home. Prizes were given to Mrs. Aubrey

Smith, Mrs. Glen Allsup and Durward Unfred for being the tackiest dressed.

Games were played throughout the party. Refreshments were served to the following.

Mr. and Mesdames Glen Allsup, J. W. Shadden, E. R. Bakney, Aubrey Smith, Roger Blacney, Joe Mack Armontrout, Boswell Edwards, Earl George, Winston Davies, Floyd Smith, Win Overstreet, George Hancock, Clyde Ashcraft, Garland Peek, Durward Unfred, Mrs. A. L. Pace and the hostesses Mr. and Mesdames D. D. Renfro, Donald Caudle and Charles Armontrout.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 18 herbs, roots, vegetables, balsams; Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that money can't buy. A marvelous effect. All druggists sell Swamp Root.

Gas on Stomach

Relieved in 5 minutes or double your money back
When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicine known for symptomatic relief—medicines like those in Bell's anti-acid. No laxative. Bell's anti-acid brings comfort in a 50% or double your money back on return of bottle to us. 26¢ at all druggists.

BOYCE HOUSE

Early days in Texas are described by Mike Campbell of Stamford, well-known newspaperman:

"My maternal grandparents settled at Dresden, Navarro County, in 1844, on land granted them by the Republic of Texas. Our family still has that old document with Anson Jones' signature. The settlers made annual trips to Houston, in wagons drawn by oxen, for supplies, usually taking two months to make the round trip. There was not a fence between Dresden and Houston, except rail and brush fences around small fields and corrals.

"In those days, wild horses, cattle and wolves roved over the prairies. Prairie chickens were plentiful.

"My grandfather owned a slave who made all the shoes and boots. Cowhides were of the utmost use in the early days. They furnished shoes, harness, bull whips, chair bottoms and hinges for doors; and sometimes vessels for carrying water were made of lea her.

"The Meltons were also early settlers in that section. E. Han Melton married my grandmother's sister. My great uncle, John Welch told me of the Battle of San Jacinto, and the capture of Santa Anna. He related:

"Deaf Smith and I had been looking after some pack mules, and as we walked up to where General Houston lay, some of the boys led up a Mexican, dressed in the uniform of a private, facing the general. The Mexican made a sign with his hand and General Houston answered with his hand. About that time, some other Mexican prisoners exclaimed, 'El Presidente! El Presidente!' Then we knew we had Santa Anna."

"Nestling in a little valley north of old Dresden lies the Melton cemetery, fringed with wild plum and persimmon thickets. There sleep pioneers, including my maternal grandparents. The song of the mockingbird may be heard in the stately elms but no more do the mournful howl of the timber wolf and the haunting notes of the horned owl boom out in the dark hours of the night. Yes, in North America, frontiers have vanished forever."

Miss Marilyn Fuller has returned from a visit with her grand-parents, Rev. and Mrs. H. C. Brastow at Big Spring.

LADY NEARLY CHOKED WHILE LYING IN BED—DUE TO STOMACH GAS

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed and the gas would rise up in her throat after she lay down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got INNER-AID and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

INNER-AID contains 12 Great Herbs, they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lynn County.

Private First Class	80.00	52.00	90.00
Private	75.00	48.75	84.38

IN ADDITION TO COLUMN ONE OF THE ABOVE:

- 30% increase for Service Overseas.
- 50% increase if Member of Flying or Older Crews.
- 5% increase in Pay for Each 3 Years of Service.

Highlights of Regular Army Enlistment

- Enlistments for 1 1/2, 2 or 3 years. (One-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may enlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 90 days after last honorable discharge.
- Up to 90 days' reenlistment furlough with pay, depending on length of service, with prescribed travel allowance paid to home and return, for men now in the Army who reenlist.
- Consult your Army Recruiting Officer for other furlough privileges.
- Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Option to retire at half pay for the rest of your life after 20

years' service—increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$185.63 per month for life.) All previous active federal military service counts toward retirement.

U. S. ARMY RECRUITING STATION

I will appreciate your vote and support on July 27, 1946, for re-election to the office of County Treasurer.

Mrs. Lois Weathers

To The People Of Lynn County:—

I want each of you to know that I appreciate very much what you have done for me in the past which gave me an opportunity to serve you as your County Clerk and I have tried to serve you to the best of my ability.

I would like very much to have contacted each of you personally and solicited your vote in the coming election, but the duties of the office would not permit me to do this, therefore, I want each and every one of you to take this as a personal solicitation of your vote in the Saturday, July 27th, Primary Election, and if you see fit to re-elect me as your County Clerk, I assure you that I will continue to try to make you a hand.

W. M. MATHIS

Candidate for re-election to the office of County Clerk of Lynn County.

"It's a buy!—with an OIL-PLATED engine!"

You want an eye-ful of 1946 style... And you're taking in many an earful on chassis features... And you can have an OIL-PLATED engine—a wear-fighter!—by simply saying a mouthful. Just say you want Conoco Nth motor oil—because you want minimum carbon and sludge, plus fat mileage. Those gains depend largely on wear-resistance, and that's exactly what OIL-PLATING is for. Here is how it works...

In any make of new car—or equally well in your old car—OIL-PLATING will make an addition to inner engine surfaces. That's where it's fastened durably—across the path of wear—by Conoco Nth oil's magnet-like action. This power to OIL-PLATE and protect comes from the added Conoco Nth ingredient. It will add to the safety of your new car investment... It will add to your veteran car's chances!... And the cost it adds is a few cents! Get Conoco Nth oil—from Your Conoco Mileage Merchant, Continental Oil Company

Will You Help

Conserve Water?

Due to the extreme dry, hot weather, the patrons of Tahoka's water system are using water faster than it can be pumped. Pressure has reached a minimum at times. There is no scarcity of water, but like nearly every other Plains town, we are unable to meet the demand with present facilities. The City has two new wells, but has not yet been able to secure pumps for them.

Therefore—

Until a rain comes, or the situation changes, in order to prevent cutting off water entirely for several hours each day, we ask that you

Do Not Irrigate Between the Hours of 9:00 p. m. and 6:00 a. m.

Your co-operation will enable all of us to have water without undue sacrifice.

ACADEMIC FREEDOM

Jeff D. Ray has long been a leader among Texas Baptists. Until recently he was a teacher in the Southwestern Baptist Theological Seminary at Fort Worth and has taught the Bible to many a young preacher in that institution. Retiring recently on account of his age, he yet conducts a column in the Fort Worth Star-Telegram, which he calls "Your Problems and Mine." His discussions deal with moral, social, educational, religious, and even political problems.

On last Friday he discussed "Democracy in the School," and after expressing the opinion that this matter of "student government" and the consequent junking of restraints on the conduct of pupils is being carried to a "hurtful extreme," he takes a rap also at what they call "academic freedom."

"This new pedagogical democracy," he says, "has developed another catchword. They call it 'academic freedom.' Nobody knows exactly what they mean by it. But the ambiguous phrase is now being banded from one side of the state to the other as a political slogan. There may be here and there an obscurantist (educational obstructionist) who wants to sit in judgment on whether the teacher advocates the round or the flat system in geography. But the average Texas citizen is willing to trust the honor of the teacher that he will propose in his class-room nothing subversive of general moral and spiritual ideals. But if the teacher feels himself bound to bludgeon the community with eccentric vagaries whether scientific, theological, social, or economic, the trustees whether in private, denominational, or state school, should require him to exercise his academic freedom on some platform other than their own.

"To hide behind this new notion of democracy and insist on the right to undermine character by undermining faith is a dishonorable perversion of any sort of freedom—academic, agricultural, commercial, or what have you? I do not know how it is elsewhere but my observation is that in Texas our teachers have all the academic freedom they need and, except perhaps a freak here and there, all they want. One of these new democracy freaks is reported to have said 'American democracy gives us teachers freedom to do and teach anything we please.' . . . Let our teachers be on the alert lest in their just protest against the Scylla of narrow espionage, they allow their boat to be swallowed up in the Charybdis of spurious broadmindedness—substituting license for liberty and fanaticism for freedom."

These are wise words. The old preacher has expressed our views so perfectly that we have reproduced them here for the benefit of our readers.

The fact of the business is that the only persons in Texas from whom we ever heard any complaints about their "academic freedom" being curtailed was Dr. Homer Price Rainey and a few of his off-color professors in the University of Texas and a few here and there in other institutions who wanted to teach communism, atheism, or other "eccentric vagaries" bordering close upon these.

Many may feel that this issue of "academic freedom" raised by Dr. Rainey is of minor importance, but we feel that it is vital. It offers a serious threat to our American way of life and to democracy itself. Communism is already being taught freely in some of the great Universities and Colleges of the North and East, we have often heard, and it is doubtless seeking a free rein in disseminating its propaganda among the students of Southern Colleges and Universities. The taxpayers of Texas through the board of regents should not permit their tax money to be used to pay the salary of any Communist or Atheist who works his way into a professorship in the University of Texas and then uses his "academic freedom" to teach these poisonous heresies to our young people.

Each of the candidates for Congress in closing their addresses here last Saturday expressed in different words the conviction that Christianity alone lies the hope of the world. It is so. Christianity teaches us that we are our brother's keeper, that as we would that men should do unto us so should we do also unto them, that we should love our neighbor as ourselves and that our neighbor is any person anywhere in this world who is in need. Christianity teaches us that it is just as patriotic and commendable for us to live for others in time of peace as it is to die for others in time of war. Love for God and humanity, unselfishness, the spirit of service and sacrifice, are the very essence of Christianity. The same spirit that prompts us to care for our families—to place the welfare and the happiness of our wives and our children above our own welfare—will prompt us also to have a brotherly regard for other peoples the world around. And if we have this attitude toward them in all our international dealings, we will have their friendship, as a rule. And if all the peoples of the world had this same Christian spirit, there could be no war among them. Our best defense against war is to Christianize the peoples of the world.

Pat Neff Jr., candidate for attorney-general, made the statement in one of his addresses a few days ago that taxes derived from the sale of cigarettes in Texas will amount this year to approximately sixteen million dollars. He cites the figures in connection with his service as assistant attorney general, in which position he served six years. He found that a bootleg cigarette ring existed in this state and he was assigned the task of breaking it up. He first secured the passage of an effective law by the legislature and then successfully defended the constitutionality of the law before the United States Supreme Court. But our purpose is to call attention to the great amount of money which the people of Texas spend for cigarettes. If a tax of three cents per package yields an annual revenue of sixteen million dollars, that means that the people of Texas spend about six times that much money, or \$96,000,000, for their smokes, not including cigars and other forms in which tobacco is used. Ninety-six million dollars is a lot of money. It would pay a lot of debts. In fact with it a lot of good things could be accomplished. Truly we are a wasteful people.

VOTE FOR

BOYCE HOUSE

of Tarrant County

FOR

Lieutenant Governor

A TRUE FRIEND OF
WEST TEXAS

Friend of the elderly—veterans—teachers—farmers—workers and business men.

You've heard him on the radio, read his books and newspaper column—"I Give You Texas". Now, we invite you to vote for Boyce House—qualified, honest, and experienced through long years as a West Texas newspaper man, author, and businessman.

"A Man of the People Who Will Serve All Texas"

Hosts of people in Texas feel that they know Boyce House personally better than they do any other man—because of his radio program, heard by several hundred thousand; his "column" in 200 weeklies with a million readers, and his books, especially "I Give You Texas," which were read by Texans all over the world during the recent war.

House is at home in every part of Texas as, during the last three years, he has made 800 speeches and has met thousands of people in all sections of the State. Boyce House is away to a fast start in the Lieutenant Governor's race.

(This advertisement Paid for by Lynn County Friends of Boyce House)

Money to Burn

You have probably noticed that people who have "Money to Burn" don't burn it. It is very costly fuel, no matter how much you may have on hand.

When money is really burned it is usually due to an accident—not intentional. It may be hid in an old stove in which some chump starts a fire. It may be hid away in a house that burns down. The really safe place to keep money is in a good Bank like ours where it is always subject to check when you want it. In the meantime it is free from Fire, Burglary or other loss.

GOSPEL MEETING
 July 26 - Aug. 4
GRASSLAND Church of Christ

Dear Friend: Come enjoy the singing directed by Evang. S. T. Easy of Munday, Texas.

Hear the preaching by Evang. J. O. Wilburn of San Diego, Calif.

Accept this as my personal interest in, and my invitation to you to attend every service.

CITATION BY PUBLICATION THE STATE OF TEXAS
 To: James William Gist Defendant, Greeting:
 You are hereby commanded to appear before the Honorable District Court, of Lynn County at the Court House thereof, in Tahoka, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of August A. D. 1946, then and there to answer Plaintiff's petition filed in said Court, on the 8th day of April A. D. 1946, in this cause, numbered 1692 on the docket; of said court and styled Helen B. Gist Plaintiff, vs. James William Gist Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that she and defendant were lawfully married, on the 25th day of October, 1941, at Reno, Nevada, and that Plaintiff has been for a period of more than twelve months prior to the filing of this Petition, an actual bona fide inhabitant of the State of Texas, and has resided in Lynn County, Texas, where this suit is filed, for more than six months next preceding the filing of this suit. That the Defendant is a non-resident of the State of Texas, and is now, according to Plaintiff's information and belief, a resident of either the State of Oregon or the State of Washington. That during the time that the Plaintiff and Defendant lived together, as husband and wife, the Defendant was addicted to drinking intoxicating liquors to excess, and that he became drunk every day, and on all such occasions when he was drunk, he abused the Plaintiff by constantly quarreling with her, and finding fault with everything that she did, and constantly cursing and abusing her; until his conduct became so unbearable that Plaintiff was forced to leave him, and she left him on or about the 5th day of December, 1941; That there was born of said marriage one child, a boy, by name of Jimmy Duane Gist, who is now about four years of age, and that Plaintiff has had the care, custody and support of said child, without

MANY WILL ATTEND BELL COUNTY MEET

A number of former residents of Bell county now living in Lynn county are planning to attend the All West Texas meeting of former Bell county residents to be held at Buffalo Gap thirteen miles southwest of Abilene next Sunday. All are invited to attend. Several hundred people are expected to be present.

A contribution from the Defendant; That Plaintiff is living with her parents and is able to give said child a proper home and care that Defendant is not a proper person to have such care, custody and education of said child, That Defendant is above to contribute to the care and education of said minor child and should be required to do so in an amount of \$30.00 per month, etc. as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Tahoka, Texas this the 3rd day of July A. D. 1946.

Attest: W. S. Taylor Clerk, District Court, Lynn County, Texas. (SEAL) 46-446

Why I'm For George Mahon!

- I'M FOR GEORGE MAHON**
 Because this is a farm District and George is a farm boy. He wouldn't fit into an industrial District, but he fits into this District perfectly.
- I'M FOR GEORGE MAHON**
 Because of all the people I know in high public office, he is the most modest and unassuming, he is as kind to a beggar as to a banker. I like a man like that.
- I'M FOR GEORGE MAHON**
 Because he is as clean as a hound's tooth and as honest as the days are long. Nobody ever wonders where he stands on moral issues.
- I'M FOR GEORGE MAHON**
 Because he is a man of outstanding ability. He can cross swords with the best of them and hold his own. He is strong in mind and body. He knows how to speak—how to vote—and how to work.
- I'M FOR GEORGE MAHON**
 Because he is one of the top men in Washington, and I like a top man to be my Congressman, particularly at this critical time.
- I'M FOR GEORGE MAHON**
 Because I have helped put him where he is, near the top, and I don't want my District to have to go down to the foot of the class in Washington. Mahon will be Chairman of the Texas Delegation next year. He is chairman of one of the important committees, and I don't want to see my District lose this position of power and influence.
- I'M FOR GEORGE MAHON**
 Because of the outstanding job which he did in hastening victory—carrying the ball on the atomic bomb project and saving lives.
- I'M FOR GEORGE MAHON**
 Because I want to see the GI's get a square deal and Mahon is one of seven men in the House of Representatives responsible for the appropriation of all money for veterans and their dependants. He will use his power for the best interests of the veterans and the country.
- I'M FOR GEORGE MAHON**
 Because I have found him worthy of trust in matters small and great. He is a friend of all the people and my idea of the kind of Congressman this Nation needs. We need more, not fewer men like George Mahon in Congress.

Hear George Mahon speak in O'Donnell and Tahoka Saturday afternoon, July 20, as follows: O'Donnell, 3:00; Tahoka Courthouse Lawn 5:00 o'clock.

(This ad. paid for by Lynn County friends of George Mahon.)

Methodist Meeting Ends Next Week

Revival services began at the Methodist Church Sunday morning and will continue through Wednesday of next week, July 31.

Rev. Robert J. Kennedy of Dallas, general evangelist, is preaching great sermons, pronounced by Pastor H. A. Nichols to be "inspiring and challenging."

"He is persuasive and convincing, entirely free of browbeating and berating the people," says the pastor. "His sermons are well thought out, logical and appealing. He, too, is a versed singer, and much of the service is given to the singing of the great hymns of the Church. He has two choirs, the young people and adults and the Juniors. To date—Wednesday—he has about 40 in the Junior choir."

At the first day service this week, Monday morning, there were 90 persons in the service, the pastor reports, 95 on Tuesday, and 106 on Wednesday.

The evangelist is preaching a series of sermons at the morning services on the Lord's Prayer. "These are helpful, and every member of the Church as well as those outside should hear them," says the pastor.

"He is thoroughly orthodox and free from all superstitious ideas of God held by some generations of the past. To him, God is a tender, loving, and merciful father, ready to help and forgive all who seek after him."

"His twenty-two years in the evangelist work throughout the United States and his varied experiences have added to his rich fund of concrete illustrations, which

make his sermons gripping and interesting and convincing."

On last Sunday morning there were three additions to the membership of the Church. No invitations have been given this week for discipleship and membership. Brother Nichols stated Wednesday, but great results are anticipated in both during the revival, he says. Many have expressed their intention to assume their responsibility to both God and the Church. The congregations are large and each service brings an increase in attendance. You are invited to attend all services during the remainder of the revival.

TAHOKA MAN ELECTED BY LETTER CARRIERS

WACO, July 24—Oran T. Gray, Florence, today was elected president of the Texas Rural Letter Carriers association at the final session of the group's convention here.

Other officers named include W. A. Reddell, Tahoka, first vice-president; Walter Merriman, Throckmorton, second vice-president; Harvey E. Fisher, Dublin, secretary-treasurer; and Lee Barry, Briscoe, and Albert Hansen, Victoria, trustees.

Mrs. Glenn H. Rennels of Avoca was named auxiliary president.

Misses Peggy and Mary Beth Fenton accompanied Mr. and Mrs. Buck Barnes of Clovis, N. M., recently on a trip to Yellowstone Park, Salt Lake City, and other points of interest in the Mountain States. On their return, the Misses Fenton were joined by the parents, Mr. and Mrs. R. W. Fenton Jr., for a few days visit with Mr. and Mrs. J. K. Applewhite and Dorothy Jeanat the Applewhite cabin in Cloudercroft, N. M.

Accompanied by his bride, Cpl. Glen D. Fuller left Wednesday for reassignment, having recently re-enlisted in the army. Cpl. Fuller was married to Miss Pauline McElroy at her home at DeRider, Louisiana, on July 14, following which they spent a week here visiting his mother, Mrs. M. L. Bentley and family.

Mrs. Jessie Stephens is at market in Dallas this week purchasing goods for the Jones Dry Goods store, of which she is local manager.

Mr. and Mrs. Coy Fielder and daughter Phyllis Anne have returned from a week's vacation which they spent at Fort Worth and intervening points visiting relatives.

Vote for Frank McGlaun, Jr., for Tax Assessor and Collector on July 27.—It will be appreciated and not forgotten.

B. T. SMITH for County Supt.

Atomic Blast To Be Shown Here

The film record of the fourth Atomic Bomb exploded at Bikini in Awesome test will be principal unit of the program at the Rose Theatre Sunday, Monday and Tuesday. These remarkable films rushed here and cleared through the Army and Navy in Record time, are the first complete pictures of historic A-Day at Bikini, a milestone for mankind.

This epochal military and scientific experiment is the most completely photographed event in Newsreel history. In the Pacific, A-Day arrives, with animals and recording instruments of every sort put aboard vessels in Bikini lagoon. The order to abandon ship is given and the men hurry away from naval guinea pigs. Admiral Blandy, in command of Operations Crossroads, and Secretary of the Navy, Forrestal are on the flagship USS Mount McKinley to start and direct the momentous test of the atomic bomb. At Kwajalein, 240 miles from Bikini, the superfortress "Dave's Dream" carrying the atomic missile, takes off. Army and Navy radio-controlled drone planes, guided by mother planes, accompany the B-29 to photograph and scientifically record the explosion. Bomb as dropped over the target ships and cameras catch the blast, the swirling column of flame and smoke and the mushrooming cloud that reaches 30,000 feet into the air, the most gigantic violence that human science has ever produced.

Half of the ships in the lagoon are damaged, five of them sunk, including the Jap Cruiser Sakawa, U. S. Carrier Independence is utterly smashed and wrecked, Carrier Saratoga, Battleship Arizona, Nazi Cruiser Prinz Eugene, all damaged by devastating power of the atomic bomb.

Vote for Frank McGlaun, Jr., for Tax Assessor and Collector on July 27.—It will be appreciated and not forgotten.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did. **CARDUI**

Lubbock county—\$1,000,000.00 in court house and jail 22-year bonds, sold at interest rate of 1.86%; also, \$350,000.00 of 10-year road bonds at 1.15% sold to county depository, which had on deposit county funds in cash and securities to the amount of \$790,090.21 of county funds. These bonds, of course, were paid out of county funds. Valuation, \$33,624,000.00.
 Lynn county voters approved the issuance of the bonds at an election last March 9, and they were sold by the Commissioners' Court on March 14.
 County Judge Tom Garrard says the local court has been receiving the congratulations of many other commissioners' courts and officials on their bond sale. He also says the low figure paid for Lynn county bonds has served as an instrument of other counties and districts in this area toward getting a low rate of interest.

Election . . .

(Continued from Page 1)
 his proposals seem very impractical but he will probably get a large vote, particularly in parts of east Texas.
 Attorney General Grover Sellers is the fourth member of the Big Five. He got his political start when Gerald Mann appointed him as assistant attorney general several years ago. He was appointed head of the department when Mann resigned, and his friends claim that he has made good in that position and he has been elected since. He was a consistent supporter of President Roosevelt but has been accused lately of having been a Texas "Regular," which he vehemently denies. Like Jester, he has shown no sympathy for Falley in his fight with the University Board of Regents but a long time ago lined up with the Board and with Governor Stevenson.

John Leo Smith has long been a bitter critic of the New Deal and the Roosevelt regime. He has been just as bitter in his criticism of President Homer Price Rainey. He has likewise been vehement in his assaults upon the labor "racketeers" and the alleged communist elements now affiliating with the Democratic party. His radicalism has doubtless hurt rather than helped his candidacy.
 Judged by his ability and character, Case March of Waco, it would seem, ought to have a high place among the candidates. But though he had served in a very responsible position in Washington, he was little known among his home people, the citizens of Texas. He too has been serving in the armed forces and made a good hand at the job, having been wounded in action on one of the islands of the Pacific.
 The eight other candidates are little known outside their own counties and we don't have space here even to mention their names.
 There are five candidates for Lieutenant Governor. Allen Shivers of Jefferson county and Joed Winfrey of Harris county have each been serving in the legislature with some distinction. Larry Mills of Dallas county has run for a number of offices in Texas and has been elected to some of them. He was much better known in Texas fifteen or twenty years ago than he is today. We know nothing about Turner Walker of Harris county, but nearly everybody in West Texas and many people in other parts of Texas know something about Boyce House, now of Fort Worth. He started out as a newspaper man in Eastland. Later he started a newspaper column, which is being used in many Texas Weeklies, and for sometime he also has been popular as a radio entertainer. Everybody is familiar with his "I Give You Texas." He has had no experience as a legislator but has mingled with the politicians that frequent our state capital until he knows nearly all of the prominent ones in the state. A lot of folks are going to vote for Boyce House, though some of the candidates for lieutenant governor are doubtless better qualified for the position than he is.
 There are two candidates for the office of Comptroller. George Shepperd of Sweetwater has held the office for many years, and he has done the job so satisfactorily that nobody has ever been able to keep close enough up behind him to even see his dust. Clifford E. Butler of Harris county is his opponent this year, but it is doubtful if he gets many votes even in Houston. George Shepperd is a sure shot.
 Jesse James is serving his second or third term as state treasurer. He served as a deputy under Lockhart before he himself became the big boss and he calls Travis county his home. He has a Travis county man, Clarence Williams, as his opponent. We can give our readers no light whatever on this particular member of the Williams family, but we guess he is all right.
 Bascom Giles, commissioner of the general land office, has no opponent. Nuff said.
 Pat M. Neff Jr. of Harris county and Price Daniel of Liberty county are opposing candidates for the office of attorney-general. Neff is a

son of former Governor Pat M. Neff. He served several years as an assistant in the attorney-general's office. He is now in the private practice in Houston. He is 45 years old and unmarried. Price Daniel served three terms in the legislature, the last term as speaker of the house. He is married and has three children. Both he and Neff are graduates of Baylor University and both have done service in the armed forces. Daniel recently visited Tahoka. Neff failed to get around to our town.
 L. A. Woods has been state superintendent of public instruction for several terms and will be re-elected, for he has no opponent.
 Voters should not become confused over the two McDonalds who are candidates for commissioner of agriculture. J. E. McDonald of Ellis county is the present commissioner and R. E. McDonald of Travis county is one of his opponents. He has had much experience in agriculture work and is said to be well qualified. There are two other candidates for this office, Benjamin F. Hill of Dallas county and W. R. Chambers of Brown county. Chambers has served the past 8 years in the legislature and has fathered much helpful legislation. Benjamin Hill is no relative of the News man, so far as we know, and we do not suppose that he claims any relationship with that other great member of the Hill family of other days, Old Ben Hill of Georgia of the Civil War era, who crossed verbal swords on the floor of the United States Senate with the "Jured Knight" of the Republican Party, James G. Blaine. We can't give you the low-down on Hill.
 Railroad Commissioner Olin Culbertson, formerly of Hill county is a candidate for re-election. He has a number of long-time personal friends in this county. With two obscure opponents, Ike Lyons of Harris county and Mac Coker of

Dallas county, he is sure of re-election.
 For Associate Justice of the Supreme Court, place 1, John H. Sharp of Ellis county, the incumbent, is opposed by Chas. T. Rowland of Tarrant county. For place 2, Graham B. Smedley of Tarrant county, incumbent, is opposed by James B. Hubbard of Nueces county. Hubbard was a young school teacher in Belton who turned to the law as his profession some 35 years ago. The writer knew him well in those days but is not familiar with his record as a lawyer.

Tom L. Beauchamp of Smith county, who is serving on the court of criminal appeals, has three opponents, Weaver Baker of Kinble county, Jesse Owens of Wilbarger county, and Joseph Donnell Dickson of Baylor county. We believe that it was Dickson's father who served as district judge of a district that covered most of north-west Texas including Lynn county in the early days, but we can give no information as to the son's qualifications. Ask your lawyer friends as to all these candidates for judicial positions.

Vote for
BEAUFORD JESTER
 of Corsicana for
GOVERNOR

Beauford Jester long has been an active worker for the better things in life—church, welfare, civic development, education, agriculture and athletics. He has served with distinction on the Texas Railroad Commission. His record as a citizen, public official and soldier justifies his promotion to the governorship of Texas.

Pictures Coming In For Service Men's Book

Parents of this county are playing an important role in the Lynn County World War II military memory book being published under the sponsorship of the Lynn County News. In many cases the young men and young women themselves may still be in service, or may have gone elsewhere after receiving their discharge, and the parents help everyone concerned when they act for them. In such cases, the parents are co-operating by getting pictures and information to the News, thus making sure their loved ones will be represented, and helping the county as a whole by doing their bit to make the book truly representative of this county's part in the war.

Getting information and pictures in the book is so simple that no one need go to any area, trouble, pictures and information are accepted from any relative. All that is to be done is to fill out an information form—to be found in an advertisement in this paper, or at the Lynn County News, attach picture and mail or bring to the Lynn County News.

Hundreds of pictures have been brought in already, but the publishers are hopeful that hundreds of others will be included. Since there is no cost and no obligation to having pictures included, it is hoped that everyone will co-operate to make this truly the book telling this county's part in the war.

Pictures of every man and woman who served during the war, or who is serving now are wanted. Anyone may order a book, but it

Lloyd Moyer, Slaton Church of Christ Minister, who will conduct the Gospel meeting at the New Home Church of Christ beginning Friday, August 2. J. I. Parham will direct the song services. Services will be held at 10 a. m. and 8:15 p. m. daily.

is not necessary to buy a book to have one or more pictures included.

Everyone is urged to bring pictures in now and avoid the rush that naturally will attend the closing.

Publication of this book is not a commercial proposition. No advertising whatever will be accepted for the service book.

J. C. EVANS IS NOT JOHN EVANS

In order to avoid confusion in the election of a man to the office of Justice of the Peace, Prec't. 1, I would like for all voters to know that J. C. Evans and John Evans are two different individuals.—P. D. Server, candidate for re-election as Justice of the Peace. 1tp.

B. T. SMITH for County Supt.

HICKERSONS OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. G. W. Hickerson on last Friday observed their golden wedding anniversary, with all of their children present except one son, Joe, who lives at Olessa, and failed to get here. Two of the grandsons, J. W., who is in the army and is stationed near Memphis, Tennessee, and Jack, who lives near Houston, were also absent.

Those present include: Mr. and Mrs. J. H. Ellis and children of Plains, Mrs. H. T. Ellis and daughters, Fern and Maxine, of Monahans, G. W. Hickerson Jr. of Kermit, Ray Hickerson of Houston, and Oran and Cecil of Tahoka; and one grandson, Glenn Hickerson of Corpus Christi.

Mr. and Mrs. Hickerson were married at Crawford in McLennan county on July 19, 1896, the officiating minister being Rev. J. M. B. Gresham, well known in that section of the state at that time.

Forty of these fifty years of their married life have been spent in Lynn county, for they migrated from McLennan county to Lynn county in 1906 and have remained residents of this county ever since. They settled on a section of land which they bought in the Three Lakes community and which they still own. In fact, they have resided on it ever since they came with the exception of about five years spent in Tahoka.

With six children present and one of the grandsons together with the "in-laws" and the grandchildren, a great feast was enjoyed Friday in the parental home for it was an occasion that comes but once in a lifetime.

4-H CLUB GIRLS TO HAVE ENCAMPMENT AUGUST 15-16

Lynn County 4-H Girls Encampment will be held August 15 and 16 at Mackenzie State Park, Lubbock. Classes will include Shellcraft, good grooming, recreation and organization.

All 4-H club girls 12 years of age and up are eligible to attend the encampment, but must notify the home demonstration agent, Alta Mae Anderson, not later than August 5th.

Two club members, Ruth Montgomery, Draw Club, and Carlene Baker, Wells Club, who attended the District 4-H Day at Plainview will give reports and assist in the shellcraft class.

The girls will be properly chaperoned by 4-H club sponsors.

Vote for G. C. Grider for County Judge. 1tp.

Dr. H. H. Hobbs, former pastor of the Emmanuel Baptist Church of Alexandria, Louisiana, and now pastor of the Dauphin Way Baptist Church of Mobile, Alabama, will be the Baptist Hour speaker over radio stations KONG, Amarillo, WFAA, Dallas, and WOAI, San Antonio, at 7:30 o'clock next Sunday morning.

His subject will be "The Lifting Power of the Cross," and his message will be directed especially to the Junior boys and girls in the 24,906 Sunday Schools in the bounds of the Southern Baptist Convention, which embraces in whole or in part eighteen states.

Junior superintendents in these Sunday Schools have been invited to hold Junior radio breakfasts that morning and listen to the broadcast in groups, and many thousand such breakfasts will probably be held.

Of course the broadcast will be interesting to adults also.

Ross Smith and family are out of town this week on a few days' vacation trip.

REVIVAL BEGINS AT REDWINE TONIGHT

Revival services will begin at the Redwine Baptist Church tonight, Friday July 26, according to announcement made by the pastor, Rev. Lloyd Gentry, and will continue through Sunday, August 4.

Rev. Rayford Hearthcock, pastor of the Wells Baptist Church, will do the preaching. Local leaders will conduct the song services.

All the people of the community are invited and all others will be welcomed at any time. A great revival is expected.

Mr. and Mrs. George Akin spent the week-end in Winters and were accompanied home Sunday night by their daughters Georgetta and Bettie Grace, who had been visiting relatives there.

Vote for G. C. Grider for County Judge. 1tp.

Baptist Revival Response Good

A number of men and women have united with the Baptist Church at the revival services this week some by letter and some for baptism.

The first invitations for professions of faith and church membership were given Sunday morning, and there were several responses. There have been some 40 most of the services since. So far, there have been very few children, however, among the number. One girl from the young people's department has surrendered for special religious work.

Prayer services for the various age groups are being conducted preceding each night service.

The revival preacher, Rev. B. J. Martin, has been bringing some (Cont'd. on last page)

T-Hangar Flying

By Billy Hill

T. A. (Pat) Barling has learned a lot about flying while on his first real cross-country hop. Pat made a forced landing on a ranch south of Mansard and folded up his landing gear and after several hours work he finally got it repaired and continued his trip uneventful on to Houston. On his return trip he stayed lost most of the time, but finally made it back home after running out of gas a couple of times out in the wilderness, but having luck enough both times to find a rancher with enough fuel to spare him.

PROPOSED AMENDMENT TO ARTICLE VIII OF THE CONSTITUTION OF THE STATE OF TEXAS

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new section to be known as "Section 7-a", providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1945, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the available School Fund; providing and insuring that each county shall never derive less revenue from the motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose;

Section 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:
"FOR the Amendment to the Constitution of the State providing that: subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the constitution for Amendments thereto. 42-470.

IT'S June IN January

(THE YEAR 'ROUND)

Clean, efficient gas heating and modern gas air conditioning make any home a most comfortable, livable home the year 'round. Healthful too, for most colds and minor ailments are aggravated by uneven temperature. Then, too, there are the more common uses for gas. Cooking with a clean, easily controlled heat. Refrigeration is best with a silent gas refrigerator which has no moving parts to wear out. The fully automatic gas water heater provides all the hot water the family needs when it needs it... economically. Plan your new kitchen around gas, the fuel that gives you these advantages. Remember:

West Texas Gas Company

Don't Be Short-Sighted

Take care of your farm equipment. Doing so will pay you big dividends in the long run. Our shop is the best equipped in this section, and our mechanics are skilled in farm machinery repair. Too, we use Genuine IHC Parts. Remember, your IHC farm equipment is the best there is! Keep it operating properly by making necessary repairs and adjustments. If you have not visited our modernized shop, we invite you to inspect it now.

BETTER FARMING? Electrically

WE'RE BUILDING AHEAD OF A FAST GROWING TERRITORY!

Ask any farmer who has electric service about its conveniences, its advantages and how it brings more production and more profits.

He'll say, "I wouldn't be without cheap electric power. I will never go back to the old fashioned method of farming."

Our vast expansion program is designed to bring more power to more farms at a lower cost than ever before. Of course, you are interested in electrifying your farm. Your nearest Public Service office or R.E.A. office can tell you how.

Thank You, Voters!

I greatly appreciate the fine response you have given my campaign, and the friendly, courteous treatment you have given me. Especially do I want to thank the Service men and women for your kind help.

I have probably missed seeing some of you—unintentionally—but I want you to consider this a personal solicitation of your influence and vote.

Go to the polls Saturday and vote for

G. C. GRIDER
for County Judge

To The People of Lynn County:

I want each person of this County to know that I will appreciate an opportunity to serve you as your County Clerk.

I trust each of you will take under consideration the four terms my opponent will complete this year and give me an opportunity to serve you as County Clerk for the next two years.

I will take this means of letting the ex-service men and those still in uniform know that I will appreciate your full support.

There are exempted voters to whom my messages have not reached, so I am asking an opportunity to serve you at home as I served you in our Armed Forces.

Your support and influence will be greatly appreciated by me in the July Primary.

JAS. D. H. (Jim) WOODS
Candidate for County Clerk

2 Million Hurt at Work

In 1945, Official Report
WASHINGTON.—Work injuries disabled about 2,000,000 persons in 1945, the bureau of labor statistics reported.
Approximately 15,000 workers were killed and 84,500 permanently impaired, including 1,800 so seriously injured as to be unfit for any future employment in industry.
The total of injured was about 10 per cent less than in 1944, first year to show a drop in industrial accidents since 1938. The affected workers lost about 41,250,000 days of employment.

**Doctor Said, Don't Get Up,
So Woman Burns to Death**
LONDON.—Told that her house was burning, Mrs. Ethel Roys, 27, stuck her head out of an upstairs window and replied: "I can't come down. The doctor said I was not to get up."
Mrs. Roys was burned to death. George Carter, who told the story at a coroner's inquest, saved four other occupants of the house.

**Son of Hero Alvin York
Enlists for Three Years**
MANILA.—Pfc. Woodrow Wilson York enlisted in the army for three years after his father, Sgt. Alvin York, World War I hero, wrote: "I probably would do the same thing if I were in your shoes."
The younger York, of Wolf River, Tenn., was drafted in March, 1944. He has been guarding Japanese prisoners of war in Lingayen gulf on Luzon.

Good Health
Good health doesn't just happen. We all know it is something we must think about and work for. Medical care specialists in the U. S. department of agriculture suggest a number of ways people can protect their health and prevent sickness. For example, they can eat enough of the right kind of food, get plenty of sleep and recreation, wear clothes that are suitable for the weather, keep everything clean, and avoid accidents. Along the lines of cleanliness, they can keep a safe drinking water supply, screen doors and windows, keep out-houses in a sanitary condition, and get rid of breeding places for germs and rodents.

Longest River
The Missouri river, which, from its source to the mouth of the Mississippi river, has a total length of 4,200 miles, is the longest continuous single waterway or river course in the world. This, however, is generally considered part of the great Mississippi - Missouri river system which measures 6,970 miles in all. Second is the Nile, which is 4,000 miles in length. When the Mississippi was named it was supposed that the Missouri was a tributary but geologists state that the Missouri is really the main trunk of the Mississippi, and what is known as the upper Mississippi, that is, the part of the river above the point where the Missouri joins the Mississippi, is really only a tributary.

Restores Nitrogen
Alfalfa plays an important part in putting nitrogen back into the soil. A four-ton yield of alfalfa was found to contain an average of 220 pounds of nitrogen, 14.4 pounds of phosphorus, 100 pounds of potassium and approximately 500 pounds of limestone. As a legume crop, alfalfa takes only about one-third of its nitrogen from the soil and two-thirds from the atmosphere. This allows a gain of 147 pounds of nitrogen in four tons of hay. With only one-third of the nitrogen in alfalfa taken from the soil, this would mean a removal of 18 pounds of nitrogen, 3.6 pounds of phosphorus, 25 pounds of potassium and about 125 pounds of limestone by each ton of hay.

B. T. SMITH for County Supt.

Baptist . . .

(Continued from Page 1, Sec. 2) stirring messages while the singer, Mr. Dee Cates, has been conducting some great song services, and Rev. Levi Price, the pastor, has been putting his whole soul into the work.

Without any high-pressure methods being used, there were 407 reported present in the Sunday school last Sunday morning, not quite a high record but considerably above the average.

It is hoped that overflowing congregations will attend the closing services next Sunday, morning and evening, and that the revival will prove to be one of the most successful in recent years.

Mr. and Mrs. J. P. Seroyer and their son and daughter, Fred and Jerry all of Cleburne, arrived here Tuesday night for a few days visit with his sisters and their families, Mrs. D. V. Smith and Mrs. C. T. Oliver. They were accompanied by Miss Mary Seroyer, who had been down there visiting.

Mrs. J. H. Knight and son Robert have returned from a three weeks visit with relatives at Fayetteville, Arkansas.

Your Vote and Influence Appreciated

**VOTE FOR
JACK W. MINOR**

FOR
TAX ASSESSOR and COLLECTOR
of LYNN COUNTY

To the voters of Lynn County:

When you go to the polls on Saturday, July 27th there are a few facts I would like for you to consider when you vote for me as your Tax Assessor and Collector. I am 33 years old and I have had 10 years experience in dealing with the public, part of this time as manager of a business institution, I feel fully qualified to do the job for you. This is my first time to ever ask for any public office. I know exactly what you mean when you speak of working hard and living hard. Folks, I've been there.

Your vote and influence will be greatly appreciated.

Sincerely yours
Jack Minor

Let's Re-elect . . .

PAT SWANN
Commissioner, Prec't. 1

Pat is an honest, hard working Commissioner. He has worked diligently in handling the business of this precinct. He has worked very hard on our program for paved roads in Lynn County. Pat has done a good job, let's keep him in office by giving him our support on July 27.

This ad is paid for by friends of Pat Swann
