

# The Lynn County News

Volume 43.

Tahoka, Lynn County, Texas, Friday, November 8, 1946

Number 5

## Only 900 Votes Cast In County General Election

Republicans may sweep the nation but Lynn county remains almost solidly Democratic.

In the ten voting boxes which had been tabulated Wednesday night, Murray C. Sells, Republican candidate for the United States Senate, received only 19 votes against a total of 613 for the Democratic incumbent, Tom Connally; and Eugene Nolte Jr., Republican candidate for governor, had received 20 votes against 612 for his Democratic opponent, Beauford Jester. In nine boxes reporting, Mohler Temple rolled up a total of 16 votes for Congress against 574 for George Mahon, Democrat.

Two of the proposed constitutional amendments were approved by the people of Lynn county by heavy majorities, but the social security amendment for the benefit of state and county employees seems to have failed to receive a majority vote in this county.

The ten boxes tabulated give the Tarleton College amendment a vote of 385 for and 159 against; the state and county employees amendment received a vote of 228 for, 283 against; the gasoline-road-tax amendment, 402 for and 130 against.

The ten boxes tabulated are South Tahoka, North Tahoka, O'Donnell, Draw, Three Lakes, Grassland, Garnolia, West Point, Newmoore, and Dixie.

Boxes which had not reported were Wilson, New Home, Gordon, Morgan, and Lakeview.

It will be noted that in the ten boxes tabulated only 632 votes were cast for governor and for United States senator. The probabilities are that not more than 900 votes were cast in the entire county, which is less than one-third the number of votes cast in the July and August primaries. Both bad weather and lack of interest contributed to the smallness of the vote. Had the weather been favorable, however, the vote probably would have exceeded 1,500.

The two boxes in Tahoka polled a combined vote of 302, 120 in South Tahoka and 182 in North Tahoka.

In O'Donnell, 122 votes were cast; 71 at Draw, 42 at Grassland, 36 at Dixie, 34 at Newmoore, 14 at West Point, 14 at Garnolia, and only 5 at Three Lakes.

Little Virginia Lee Cooper is spending this week with her cousins, Peggy and Nancy Nowlin and Jerry and Lynetta Cain in Tahoka while her parents, Mr. and Mrs. Andrew Cooper are remodeling a farm home just northeast of Brownfield and are moving there from near Wilson where they have lived during the past few years.

P. H. McKibben of O'Donnell had his tonsils removed at the Seale Clinic here Tuesday.

## Congratulations . . .

Mr. and Mrs. E. O. Worthan of Rt. 5 on the birth of a son, Ira James Worthan, at Tahoka Clinic October 28.

Mr. and Mrs. A. A. McNeely on the birth of a daughter weighing seven pounds four ounces in Tahoka Clinic November 4. She will be called Karla Arlene.

Mr. and Mrs. Alfred Ratliff of Tahoka upon the birth of a daughter, weighing 6 pounds, 14 ounces at a Lamesa hospital at 7:30 a. m. Nov. 1. She will be called Carol Ann.

Mr. and Mrs. A. J. Moffitt, formerly living north of Tahoka, but now of Idalou, on the birth of a daughter weighing 12 pounds in a Lubbock hospital at 5:14 a. m. Saturday, November 2.

Mr. and Mrs. R. H. Lawrence of Rt. 3, Tahoka, upon the birth of a son at the Seale Clinic at 12:55 Monday morning, weighing eight pounds.

Mr. and Mrs. Claude Nowlin of Lamesa, on the birth of a daughter Thursday morning, October 31, in a hospital there. Their little one, their second daughter, will bear the name Mildred Claudene.

The Legion Auxiliary will observe Poppy Day, Saturday, by selling poppies on the streets to aid veterans who are hospitalized. Every citizen is urged to aid the drive by buying a poppy Saturday.

## Many Will Close Armistice Day

Most Tahoka business institutions and offices will be closed on Monday, Armistice Day, according to Clint Walker, commander of the American Legion, who made a check of the town Tuesday as a representative of that organization.

No special Armistice Day celebration has been planned in Tahoka, and most local business and professional people will take advantage of the day to rest.

## Flying Farmers Are On Program

The Texas Flying Farmers of District 2 will meet at the Hale County Airport one mile south of Plainview today, with convention headquarters in the City Auditorium.

Clayton Beard of Tahoka, president of the Texas Flying Farmers Association will preside.

Registration will begin at 9:30 a. m. at the City Auditorium.

Following a business session, which will open at ten o'clock, a program will be given.

Ralph Krebs, president of the Plainview Junior Chamber of Commerce will give the welcome address, with response by Ama Lee Jameson, secretary-treasurer of the Texas Flying Farmers Association.

Manuel Ayers, county farm agent of Hale county, who formerly held the same position in Lynn county and still resides in Tahoka because of his inability so far to find a house in which to live in Plainview, will make the announcements and introduce the visitors.

District Attorney Calloway Huffaker is scheduled to speak on the "Purposes of Flying Farmers' Organizations," but it is not known whether or not he will be able to attend this meeting.

A barbecue luncheon will be served at the noon hour by the Hale County Home Demonstration Women and the Board of City Development.

Special music will be furnished by the Plainview High School Radio Choir and Boys' Quartet, under the direction of Miss Carol Kelly.

At 1:30 p. m. Mr. Beard himself will discuss "Uses of the Airplane on Farms and Ranches."

This will be followed by the election of District 2 officers, setting the time and place of the next meeting, etc.

A number of Tahoka Flying Farmers are expected to attend.

## BERNICE NEUGEBAUER CHOSEN AS TECH BEAUTY

Miss Bernice Neugebauer, daughter of Mr. and Mrs. Joel Neugebauer, was chosen last week as one of the beauties of Texas Technological College at Lubbock. Miss Neugebauer is a sophomore student and represents the Las Vivasachas Club. Her picture will be among the 16 beauties featured in the 1947 year book.

Judges in the contest were Clint Walker of Tahoka, Riley Carleton of Brownfield, John Champion of Slaton, Tom Power of Post, Harold Grays of Sudan, James Beam of Muleshoe, J. S. Fikes of Littlefield, and A. B. Brown, Rex Webster, Dr. Doyle D. Jackson and Cliff Elliott of Lubbock.—The Wilson Sun.

## Annual Tahoka-O'Donnell Game Set For Tonight

The O'Donnell Eagles and the Tahoka Bulldogs meet here tonight at 8 o'clock for their annual football game. Regardless of all previous records and "dope" the annual battle between these two schools is a close, hard-fought one that either might win.

On paper, the Bulldogs, though crippled most of the season, have the best team, but paper figures many times don't tally with the actual game. Tahoka has won three games, two of them conference affairs, and lost four. O'Donnell has lost six conference games, but has given several of them a real scrap.

For the first time in several weeks Joe Don Minor and James Cleve Bairrington will be back in the Bulldog line-up, for at least a part of the game.

Seats on the sidelines, will be provided all ex-servicemen holding membership cards in the Veterans of Foreign Wars or American Legion.

Last Friday night, the champion Seminole Indians defeated a fighting Bulldog aggregation here 48 to 0. (Continued on Back Page)

## New Home Lets Building Contract

By Mrs. A. L. Pace

The New Home School Board let the contract for the new High School building last Friday night. The contract was let for \$49,596.90 to the BMFP Construction company of Lubbock. The architect's plan calls for six class rooms and a study hall in which there will be a library. It will have a science room, a home economic department, office room, and indoor toilets. The building will be west of the present building and facing west.

During the past summer the School Board has made many improvements in the old building. The heating system which has just been installed is completed. A butane tank and butane stoves have been installed. The building has been remodeled and some of the projects have not been completed. All the rooms of the building have had a new coat of kettone and the windows have been stripped and caulked. A 1500 gallon pressure water tank and pump have been installed. Boys and girls indoor toilets have been built, but haven't been completed because the equipment could not be secured.

The equipment is on hand now though, and will be finished in a few days. Three teacherages have been moved to let the school be purchased. Four of the teacherages have been remodeled. The boys and girls dressing rooms are being constructed now. They are expected to be completed soon. The school cafeteria will be put in part of this building until the new high school building will be completed.

## Mrs. Noel Cooper Has Typhus Fever

Mr. and Mrs. E. J. Cooper and Mr. and Mrs. P. A. Nowlin and daughters visited relatives in Lamesa Sunday afternoon. Mrs. Noel Cooper, who, with her husband and baby resides near Lamesa, is in a hospital there, a victim of typhus fever. This disease which causes much suffering during its usual two or three weeks duration, is transmitted from person to person by the bite of insects. It is thought that she contracted the disease on a recent visit in Houston. The disease is rather rare in the United States.

## Man Jailed Here For Swindling

Sheriff Sam Floyd went to Dumas up on the north plains Sunday and brought back a man charged with swindling by the giving of a bad check. He was placed in jail here to await action by the grand jury.

The accused man is charged with having given the check to Buster Driver in the sum of \$250.00 for bathroom fixtures which he purchased from Driver.

## DUNAGAN IS INJURED

Dock Dunagan, local Magnolia agent received a severely sprained back Tuesday while unloading a truck and is confined to his bed. Extent of his injuries are not known but it is believed they are not permanent.

## DAVIS OPERATED ON

Travis Davis, who has been critically ill in a Lubbock hospital for about three weeks underwent an operation last week, and it was found that his appendix had ruptured. It is believed he will recover.

## Cpl. M. C. Darnell Killed By Auto, Is Buried Here

Funeral services were conducted at the Stanley Funeral Home here at 3 o'clock Wednesday afternoon for Cpl. Munroe C. Darnell, 31, step-son of G. B. Bennett of Tahoka, who died in a hospital at Dumas in the north Panhandle Sunday morning following injuries sustained when he was struck by an automobile on a highway near that city Saturday night.

Funeral services were conducted by Rev. E. K. Shepherd, pastor of the Wilson Baptist Church, and the body was buried with military honors.

Cpl. Darnell first enlisted in the army in the fall of 1940, but he was not sent overseas until some time in 1944, when he went to the Southwest Pacific. He was granted an honorable discharge about a year ago but re-enlisted early in October of this year. He was stationed at Roswell, New Mexico.

Cpl. Darnell, it seems, had driven his car off the pavement because of a flat tire and had stepped back on the pavement to flag down another car which was approaching. (Cont'd. on last page)

## Farm Committee Will Be Named

Farmers in Lynn county will receive notices within the next few days about annual elections of community and county farmer-committees, Carl Sanders, chairman of the County Agricultural Committee said today.

Each of the county's ten farming communities will elect three committeemen and two alternates, as well as a delegate to the county convention where a three man county committee will be elected.

Sanders said that approximately 3,000 farmers are eligible to vote in the elections this year. Eligible farmers are those who are participating in the 1946 Agricultural Conservation Program or the sugar program, or who have a contract with the Federal Crop Insurance Corporation. This includes owners, operators, tenants, and sharecroppers on farms where the conservation or the sugar program is being carried out. Because of the community property laws in Texas, the wife may vote if the husband is eligible whether he be landlord, tenant or sharecropper.

In announcing the elections, Sanders urged that all farmers who are entitled to go to the polling places in the community and vote. Since the committeemen are responsible for developing, adapting, and administering national farm programs to meet local problems and needs, it is important that the men elected really represent the choice of the majority of the farmers in the community.

## Mrs. Noel Cooper Has Typhus Fever

Mr. and Mrs. E. J. Cooper and Mr. and Mrs. P. A. Nowlin and daughters visited relatives in Lamesa Sunday afternoon. Mrs. Noel Cooper, who, with her husband and baby resides near Lamesa, is in a hospital there, a victim of typhus fever. This disease which causes much suffering during its usual two or three weeks duration, is transmitted from person to person by the bite of insects. It is thought that she contracted the disease on a recent visit in Houston. The disease is rather rare in the United States.

## KEITH INJURED

L. C. Keith of New Home left Friday morning for Richmond, Calif. upon receipt of a message that La Mon, son of Mr. and Mrs. Keith, had been seriously injured there.

Mrs. La Mon Keith notified the parents that her husband had suffered a broken arm, a leg broken in two places and crushed in one place while on duty as brakeman on the Santa Fe Railway. His mother reports that her son was reported still in serious condition on Monday afternoon.

Kate Smith, famous radio star, is national chairman for the 1946 Infantile Paralysis campaign which opens November 18. Funds raised will be used to aid the Kenny Institute. Texas has a quota set at \$150,000.

## Mexican Is Guilty Of Drunk Driving

A Mexican was tried in the county court here Monday morning on a charge of driving a car on the highway while intoxicated. The case originated in O'Donnell last March.

A jury found him guilty and assessed his punishment at a fine of Fifty Dollars and costs.

## Baptist Revival Is In Progress

The revival services which began at the Baptist Church Sunday morning have been surprisingly well attended considering the adverse weather conditions that prevailed until Wednesday.

The experiment of holding the morning services at seven o'clock instead of ten or some later hour has apparently proven the wisdom of the change, for on Monday morning, in the face of a cold mist, 63 persons were present, and on Tuesday morning, when the weather was even worse, 69 were present, almost as many as usually attended 10 o'clock services heretofore when the weather was fine. Night crowds as a rule have been good also.

The pastor, Rev. Levi Price, is seemingly at his best, and Sam Allen, the music director, is one of the finest that has ever appeared in this church in Tahoka. Prayer services are being conducted each evening at 7 o'clock preceding preaching services and are well attended.

## Help From North Plains Sought For Local Harvesting

Farmers who do not have sufficient combines to harvest their grain sorghum crops should report their harvesting needs to County Agent Don Turner.

Realizing that most of the crop will be ready for harvest at the same time and that there will not be enough combines in the County to harvest the crop before it begins to fall over after frost, a plea has been made to combine operators of the north Plains and other areas to come to Lynn County and make the harvest.

Farmers needing harvesting assistance are asked to report their needs at the County Agent's office so that cutting can be lined up before actual harvest begins.

## DRAW PEOPLE MOVE

Mr. and Mrs. C. C. Waller and children and Mrs. Waller's father, J. H. Francis, all of Draw, moved to Alice in south Texas last week.

They were honored with a farewell shower at the home of Mr. and Mrs. S. A. Mensch on the preceding Friday.

Mayor Joe Bovell is reported to be slowly but gradually improving at his home here from a recent attack of heart trouble which rendered his condition very critical for a number of days.

Mr. and Mrs. A. F. Pitts and Mr. and Mrs. Buster Pitts of Ackerley, Dawson county, were here Sunday visiting Mr. and Mrs. Kirk Pitts.

## Crop Gets Added Time As Cold Spell Passes By

A large portion of Lynn county's feed crop barely missed disaster this week when the temperature dropped down just a bit below the freezing point, leaving a white coat of first Wednesday morning on roofs and car-tops. The mercury showed a low temperature of 30. It had dropped to a low of 33 on Tuesday morning.

Two degrees below the freezing point is rarely ever very injurious to growing crops, and especially when there is an abundance of moisture in the air and on every growing thing.

This frost followed two days of misty, drizzly weather that netted a total precipitation of .30 of an inch. The skies cleared during the early morning hours Wednesday, possibly soon after midnight, and the temperature dropped to the lowest point reached this season, but the grass and all plant life were heavily covered with dew and with the mist that was still falling in the early hours of the night. So, apparently, little or no damage was done. If the temperature had been a few degrees lower, however, the freeze might have been disastrous to much of the feed.

It is possible that the cool snap may prove beneficial to cotton by causing much of the foliage to shed and giving the sun and the wind a better chance to pop open the matured bolls.

As reported last week cotton has been coming in very slowly. The acreage is unusually small in the first place and the crop very late, due to the long continued drought through the spring and summer but as a result of late rains the yield per acre is going to be fairly good.

On account of the damp, cold weather very little cotton has been ginned since our report last week, but in that report, we somewhat underestimated the total number of bales ginned in the county. An official report furnished the News on November 1 by James C. Womack, special agent for the Bureau of the Census, showed that 6,781 bales had been ginned in Lynn county prior to October 18. More than 8,000 bales doubtless had been ginned at the time of our report last week. The crop will greatly exceed that of last year.

## Rev. Nichols Is At Conference

Rev. H. A. Nichols, pastor of the Methodist Church here, is in Pampa this week attending the sessions of the Northwest Texas Annual Conference, which opened Wednesday. Also in attendance from Tahoka is M. M. Boyd, superintendent of the Methodist Sunday School.

Before leaving, Brother Nichols stated that he had received no intimation whatever as to whether he would be returned to Tahoka or sent to some other charge. He has been pastor here for four years and a little more than five months, and that is about as long as pastors are permitted ordinarily to remain at one place.

Brother Nichols, however, has done a wonderful work here, and whether he is returned or some other minister is sent to Tahoka, the next pastor will find a church here well organized in every department, active, and having a mind to work.

The News obtained from Brother Nichols before he left for Conference some statistics as to the progress that has been made during his ministry here, of which the Church must be very proud.

More than 300 members, he states, have been received into the Church with a net gain of more than 200; and the salary of the pastor has been almost doubled. Incidentally to his pastoral work, he has performed 51 marriages.

There has been a net gain of more than 100 in Sunday School, the enrollment now being more than 400. It has outgrown the church building, the pastor says, four classes now meeting in the (Cont'd. on last page)

**REMEDIES FOR DIFFICULT CHURNING OFFERED**

Numerous letters from farm wives to the Texas A. and M. College Extension Service have contained inquiries as to why they're having trouble "getting the butter to come". Gladys Martin, acting assistant state home demonstration agent, says that failure to obtain butter

after a prolonged churning period may be traced to several causes. One main cause of the trouble is that the cow is too far advanced in the period of lactation, and this can be partially remedied by adding to the churning some cream from a cow that is early in the fresh period.

Cow feed that produces hard fat is another cause of the trouble. Such feeds are cotton seed meal and timothy hay. More silage and other "juicy" feeds will help to overcome the condition.

Churning conditions can also result in failure to obtain butter, says Miss Martin. The cream may be too thin, too rich, too sweet or the churning temperature too low. If cream contains over 30 percent butter fat, it is probably too rich for satisfactory churning. It is also sometimes necessary to raise the churning temperature to 65 or 70 degrees Fahrenheit to get butter. The churn shouldn't be too full, either, Miss Martin says. It is hard to get enough concussion to make butter in a churn that is over one-third full.

Sterilizing all utensils and generally producing the milk and cream under sanitary conditions is another measure that prevents the ropy fermentation of the cream that causes difficult churning.

**Do Your Gums Spoil Your Looks?**

Do your gums itch, burn or cause you discomfort? Druggists will return your money if the first bottle of LETO'S fails to satisfy.

WYNNE COLLIER, Druggist

There are some people whose first question, when any proposal is advanced, is:

What is there in it for me? These people do not believe that a man will do anything unless he expects to reap a financial benefit for himself.

And yet you know of parents who sacrifice for their children—preachers content to make a bare living in order to preach Jesus Christ and Him crucified—teachers who go on teaching when they could make more money in something else—because they love to teach.

Some of the finest "breaks" I've ever received came because some friend perceived an opportunity and thought of me as the man for the opening. That was a disinterested act, a service rendered to a friend.

When you do something generous and unselfish, you do get something out of it; you get the satisfaction of doing something for others.

Back when I was a newspaper reporter, I attended two funerals on successive afternoons. One was the funeral of a financier and theatrical producer. He had made millions but he had forgotten to make friends. There was not a moist eye at the service.

The other funeral was that of a school janitor. They held the service in the school auditorium; it was felt that the scene of his labors should be the place where the last rites for him should be held—besides, there was not a church in the community big enough to hold all who wanted to attend.

He had been hard-working, honest, honorable, quiet, unpretentious. The teachers respected him. The students and all the thousands who had been students during the many years he had served, loved him. Three ministers took part in the service; all three had tears in their eyes as they spoke.

Making money is all right, but there are other things to life—for example, doing something for others.

Mrs. Ola Belle Lamb returned Saturday from Austin, where she had spent about six weeks on business and pleasure. Mrs. Lamb, the former Miss Ola Belle Singleton, had spent two or three years in Austin a few years back as secretary to Governor Jimmy Allred.

**NOTICE**

Notice is hereby given that Lynn County will offer for sale 2 used Sewing Machines at public sale Saturday, November 16, 1946 at 2:30 o'clock P. M. to the highest bidder for cash at the Court house door in Tahoka and reserve the right to reject any and all bids.—Tom Garrard, County Judge.

**Gordon News**

Jimmy Ray Morris came in Saturday night from Fort Sill, Oklahoma, with a terminal leave. He has been in the army for 18 months. He will be at home with his parents, Mr. and Mrs. Earl Morris.

Dinner guests in the George Bahlman home Sunday were Mr. and Mrs. J. B. Robertson and daughter and Mr. and Mrs. Troy Moore and son. They were helping George celebrate his birthday.

Mr. and Mrs. Roman Hague of Taft, California, are here visiting her parents, the Ed Dentons.

The infant son of Mr. and Mrs. Lewis Donahoo died last Saturday in the Slaton hospital and was buried in the Southland cemetery Sunday afternoon. The entire community extends sympathy to the young parents.

The Gordon gin has been busy the past month. Cotton in this community is fairly good. Feed combining will soon be in full

swing. Feed is extra good.

Mr. and Mrs. Clem Lester are spending this week in Colorado, Texas, visiting their son and family.

Mr. and Mrs. W. T. Shepherd of Los Angeles, California, spent last week with Mr. and Mrs. Earl Morris. Mrs. Morris and Mrs. Shepherd are sisters.

Mr. and Mrs. R. E. King of Plainview were Sunday guests of the Charles Deans.—Contributed.

Mr. and Mrs. Sam Reid went down to Waco last Saturday on a few days business.

**ATTENTION, MOTHERS!** If looking for a better remedy for Children's Chest Colds try Durham's Nu-Mo-Rub, the new Gula-col-Camphor treatment. Remember—double the purchase price refunded if you do not find this Modern Chest Rub more effective—35c and 60c at

**ANTURAT**

**REALLY KILLS RATS**

ANTURAT is the Dr. Hess formulation of Antu, the sensational new rat killing chemical discovered at Johns Hopkins Hospital and developed under war-time secrecy.

ANTURAT has these advantages:

1. Far more effective than other types of rat poisons.
2. Effective as a tracking poison.
3. Can be used in a variety of baits to meet all conditions.
4. Can be dusted on water.
5. More poisonous to rats than to other animals or poultry.
6. Tasteless—hence rats can not detect it.
7. Colored gray to avoid confusion with foodstuffs.
8. Concentrated—dilute 20 times for use.

ANTURAT comes in three sizes:  
1 1/2 ozs. (makes 2 lbs. bait)..... \$ .65  
4 ozs. (makes 5 lbs. bait)..... \$ 1.50  
8 ozs. (makes 10 lbs. bait)..... \$ 2.50

C. E. McKNIGHT, Manager

A. W. Snider, who lives out southwest of Tahoka several miles was a business caller at the News office Monday and reported that his father-in-law, W. S. Weatherby, who lived in Lynn county for many years, had died at his home in Big Spring back in September. Mr. Weatherby moved from here to Seagraves a few years ago, and later to Big Spring.

Mrs. L. Lumsden of Wilson fell and broke both bones of one of her arms between the elbow and the wrist while in a department store in Lubbock on Wednesday of last week. She returned to her home after spending two or three days in a Lubbock hospital.

Mr. and Mrs. James Minor and children were visiting in Tahoka last Sunday.

**American Legion and Auxiliary**  
Meetings Every Second & Fourth Monday Nights at 8:00 o'clock.

**MISS WANDA JEAN BEARD WEDS BROWNWOOD MAN**

In a beautiful home wedding at nine o'clock Sunday morning, November 2, Miss Wanda Jean Beard of Redwine was married to J. C. Dyer of Brownwood. Rev. Levi W. Price, pastor of Tahoka First Baptist Church reading the double ring ceremony in the home of the bride's maternal grand parents, Mr. and Mrs. E. H. Cunningham. The couple was attended by the bride's cousin and her husband, Mr. and Mrs. Billy Leon Williams of Draw.

The bride, dressed in street length, melon colored dress, with black and gold accessories, with corsage of Gardenias, was given in marriage by her father, T. C. Beard.

In the reception following the ceremony Miss Yvonne Beard, sister of the bride, and Mrs. Williams, cousin of the bride served the relatives and close friends attending from a lace-covered refreshment table on which rested the beautiful three-tiered wedding cake topped by miniature bride and groom. The dining room and entire house was tastefully decorated with fresh fall

flowers in pastel shades. Mrs. Dyer is a graduate of Draw-Redwine High School and Draughns Business College, and for a time held a very responsible business position in Lubbock. She was reared at Redwine and is a grand daughter of Mr. and Mrs. T. Beard of Tahoka.

The groom, son of Mr. and Mrs. J. L. Dyer of Brownwood is a graduate of Bangs High school and spent some time in the European Theatre after which he received his discharge in September 1945 with the rank of Sergeant in the Army Air Corps. The couple left Sunday afternoon for Brownwood where the groom is employed and where they will make their home.

**CITATION BY PUBLICATION**

To the sheriff or any constable of Lynn County, Texas.

GREETING: You are hereby commanded to notify Mrs. Sarah M. McKay, who is a non-resident of this state, that on the 5th day of December, 1946, at 10 o'clock A. M. and at the Court-house in Lynn County, Texas, that the undersigned special commissioners, appointed by the County Judge of the County Court of Lynn County, Texas to assess damages occasioned by the condemnation of the following described property to wit:

A 4.88 acre strip of land out of the south side of survey 45, in block 8, E.L. & R.R.R. Company land all situated in Lynn County, Texas, said strip of right of way land being described by metes and bounds as follows, to wit:

Beginning at the south west corner of said survey 45; Thence east with the south line of said survey 45 a distance of 5316 feet to a point for the south east corner of this survey; Thence north a distance 40 feet with the east line of said survey to be a point for the north east corner of this strip of land; Thence west a distance of 5316 feet with the north line right of way line to a point for the northwest corner of this strip of land, said line being 40 feet north of and parallel with the road location center line Thence south a distance 40 feet with the west line of said survey 45 to the place of beginning and containing 2.44 acres of old right of way and 2.44 acres of new right of way, being a total of 4.88 acres, the first 20x5316 feet strip of land above quired by Lynn County, Texas for described has heretofore been acceptable road purposes and is now being used by the public as a public road, and the petitioner only seeks to condemn an additional 20x5316 feet for additional right of way for public road purposes, and said additional strip is included in the description of the above 40x5316 feet right of way strip, and said additional strip of 20x5316 contains 2.44 acres of land, more or less, for the purpose of widening, constructing and paving a "Farm-to-Market" road in Lynn County, Texas, said road extending from a point 9 miles east of O'Donnell, Lynn County, Texas; Thence west 14 miles; Thence 3 miles north; Thence 6 miles west to Newmoore, Lynn County, Texas, said road to be 80 feet wide and all in Lynn county, Texas, all of which will more fully appears in a certain written statement filed by said Lynn County, Texas with said Judge on the 7th day of October, 1946, to which reference is here made, having heretofore duly selected such time and place for hearing as required by law; will proceed to hear said parties and said written statement and to act thereon in the manner directed by law.

Herein fail not but have you before us the above named party on said 5th day of December, 1946 and have this writ, showing how you have served the same.

Witness our hands, this the 5th day of November, 1946.

Roy Miles, Alvin McMillan, Levi Gray, Special Commissioners.

Issued this the 5th day of November, 1946.

W. M. Mathis, County Clerk of Lynn County, Texas.

**How women and girls may get wanted relief from functional periodic pain**  
Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build rest-fulness for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

We wish that somebody would explain to the public why sugar is not available. Somebody in authority ought to have the facts, and if so the facts should be given to the public. The War ended more than a year ago and for more than a year our ships of commerce have had free access to Cuba and the other sugar-producing islands of the West Indies as well as to the islands of the Southwest Pacific and every other land where sugar cane grows. In fact a lot of sugar cane is produced in our own country. Recently, we read an article written by a Texas fruit-raiser who complained that he could not sell his fruit which he produced for the reason that people could not get sugar for canning purposes, and he declared that he had made some personal investigation as to the sugar supply and found that every warehouse in New Orleans was filled to capacity and that the manufacturers and wholesalers were renting additional buildings in which to store their surplus. Then why should sugar be rationed out to the retailers and the consumers? We wish the proper authorities at Washington would explain.

No matter how low a man may drop in the scale of society, there is always a woman and a dog that will love him.

To us in the United States, it seems that every people under the sun would hasten to dethrone every dictator and to adopt some form of democratic government; but it is going to take a lot of education and a lot of living yet on the part of some peoples before they can really appreciate the blessing of self-government. Most Spanish-speaking people, for instance, are yet inclined to shoot it out when an election does not go to suit them. Russians are content for a little hand-full of communists to run that country. Germans can hardly be weaned away from the idea that they must have a Hitler, a Kaiser Bill, or a Bismark to rule their highly intelligent millions. So, it looks like the world has a long way to go yet before democratic rule becomes anything like universal. And that makes it all the more important that the United States shall preserve intact her own democratic way of life.

Rumors are current that some American soldiers now in the Philippines are creating ill will instead of good will toward the United States. At least there have been newspaper reports to the effect that large numbers of Filipinos are demanding that U. S. soldiers be withdrawn from the islands. Such a situation is most regrettable. U. S. soldiers and civilians in every foreign land where they are stationed or where they reside owe it to their country as well as to these peoples of other races and nationalities to treat them with the utmost fairness and consideration. Not only is it their right to expect and receive such treatment from us but it behooves us to make friends of every people under the sun. That is both right and highly expedient.

**BAPTIST WOMAN'S MISSIONARY SOCIETY**

Mrs. L. M. Nordyke was hostess in her home on North second street when members of all four circles of the Baptist W. M. S. met for Bible Study at three o'clock Monday afternoon. With Mrs. G. B. Sherrod as program leader. Sixteen women participated in a discussion covering the month's directed Bible reading on the subject of "Salvation". Mrs. Jarrell Cox, President, had charge of a business session during which time plans were made for completing the Year Book. Mrs. D. V. Smith is Chairman of the Year Book Committee.

Those attending Monday's meeting included: Meses. Levi Price, Reid Parker and daughter, Kay, M. L. Bentley, Jewel Connally, A. E. Herring, Cox, J. L. Reese, Sherrod, V. A. Botkin, J. H. Kuykendall, Nordyke, W. M. Harris, Smith, H. B. Howell, W. H. Penley and E. I. Hill.

**CITATION BY PUBLICATION The State Of Texas**

TO: Roland Paul Holder  
GREETING:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of December, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 23 day of October, 1946. The file number of said suit being No. 1722.

The names of the parties in said suit are Corine Holder as Plaintiff, and Roland Paul Holder as Defendant.

The nature of said suit being substantially as follows, to wit: Being a petition filed on behalf of the plaintiff asking for a divorce and cancellation of the marital relations existing between plaintiff and defendant; in which said petition it is alleged, that plaintiff and defendant were duly and legally married on June 10, 1946, and continued to live together as husband and wife until July 29, 1946, at which time plaintiff left the bed and board of the defendant, fearing for her life, health and safety, by reason of the cruel treatment on behalf of the defendant; and further alleging that there has been no child born of this marital relation, and that there is no community property to be divided between plaintiff and defendant; and further alleging that the plaintiff regards the acts, omissions, conduct and treatment on the part of the defendant of such cruel, harsh and tyrannical nature as to render plaintiff and defendant's further living together insupportable.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned un-served.

Issued this the 23rd day of October A. D. 1946.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 23rd day of October A. D. 1946.

W. S. Taylor, Clerk District Court Lynn County, Texas.

The guy who was all wool and a yard wide is now 50 per cent rayon, 30 per cent cotton and 20 per cent hodydy.

**BOWEL CLEANING POWER OF INNER-AID MEDICINE**

One man recently took INNER-AID three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way. INNER-AID contains 12 Great Herbs: they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lynn County.

**MAHON DISCUSSES RUSSIA AT NEW HOME CHURCH**

By Mrs. A. L. Pace  
Congressman George Mahon addressing a large crowd at the New Home Baptist Church last Wednesday night gave a vivid picture of world conditions. He dwelt at length on relations between the United States and Russia. He praised the firm, unswerving policy of Secretary of State James F. Byrnes, "saying that our country not be more endangered and more insecure than it is today." He was introduced to the guests by Mr. Henry Heck.

Before the address Congressman

Mahon attended the meeting and feed of the Brotherhood of the Baptist Church.

Frances Nell Murry, daughter of Mr. and Mrs. Lewis Murry, underwent tonsillectomy at the Scale Clinic Monday morning.

**Be Quick To Treat Bronchitis**

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**Forces of Attraction Hold the Moon "Up" in the Sky....and OIL-PLATE Your Engine!**  
THE moon isn't really "up" in the sky, but it is held from flying off into space by gravitational attraction between it and the earth.  
Exploring the realms of molecular attraction, Conoco chemists have been able to bring America new and better oils. In fact, the force of molecular attraction bonds a special ingredient in Conoco N<sup>th</sup> motor oil to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.  
And because molecular attraction holds Conoco OIL-PLATING up where it belongs... prevents it from all draining down to the crankcase, even overnight, you get these benefits:  
added protection when your engine starts up  
added protection from corrosive action  
added protection from wear that leads to fouling sludge and carbon  
added smooth, silent miles  
That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle, Continental Oil Co.  
**BETTER OIL-PLATE NOW!**

Conoco Representative

### J. E. Nance Has Photo On Farm & Ranch Magazine In Color

Lynn County Flying Farmers have been getting much publicity the past few months in agricultural magazines from the Great Lakes to the Gulf. Stories about them and pictures of them have appeared at various times in a number of these publications and also Collier's publication.

But the last issue of the Texas Farm and Ranch decorated its cover with a large picture of handsome J. E. Nance, a Tahoka man who wandered off across the line into Borden county a few years ago to do big-scale farming. His farm is not quite so large that he needs an airplane to fly from one side of it to the other, but he is cultivating more than a thousand acres—and he can afford a plane. So he joined the flying farmers and uses his plane for both pleasure and farm chores.

### MISS PAULINE HALE AND ROY STEPHENS WED

Miss Pauline Hale became the bride of Roy Stephens in a ceremony read by the Rev. J. M. Hale, pastor of O'Donnell First Baptist Church, in his home there Saturday night. The couple was attended by the bride's sister and husband, Mr. and Mrs. George Claud Wells. After the ceremony the couple returned to Tahoka and are making their home in the W. O. Thomas apartment in North Tahoka.

Mrs. Stephens was reared here, the daughter of Mr. and Mrs. Tom Hale, and is a graduate of Tahoka High School class of 1941. She is well known in business circles having served for a time with the Draft Board, and later as Secretary to Dr. J. W. Sinclair. She is continuing her work with the Lyntegar office here.

The groom is also a graduate of the Tahoka High School and attended College at Howard Payne in Brownwood. He later was employed as a civilian worker on Wake Island in the Pacific when the Japs struck Pearl Harbor and other Pacific bases. He was taken prisoner with the fall of Wake and was held as a prisoner by the Japs for four years.

Roy is the son of Mr. and Mrs. L. R. Stephens of the Midway community and is now farming near Wells.

### PYTHIAN SISTERS

At the regular meeting of Pythian Temple number 45, Tuesday evening, three new members were received. Sixteen local members composed the staff which exemplified the degree work to a large group of members and to five visitors from Lubbock, including Mrs. Ina Belle Ater, who is State Grand Senior and Mrs. Dorothy Bergman, who is District Deputy.

Reports from the "42" party which was given in the Temple recently revealed that 64 persons were in attendance and that about \$25.00 was raised to be used in the benevolent work fostered by the Pythian Sisters.

### SELLING ANNUALS

A new drive will start Monday at The Kennel, Tahoka High School annual. In a recent drive, 102 subscriptions to the book were taken.

### Kate Smith Heads Polio Fund Drive

Kate Smith, famous radio star, is national chairman of the 1946 campaign for Infantile Paralysis, which campaign will be conducted throughout the nation, November 18 through December 7.

The Texas quota has been set at \$150,000. George C. Francisco, Jr., of Houston, chairman of the Texas Executive Committee, announced, and funds will be used to send graduate nurses to the Kenny Institute in Minneapolis for two year training as technicians, so that there will be available trained Kenny Technicians wherever polio breaks out in epidemic stage, and to eventually build Kenny clinics in the state.

Counties are being organized throughout the state. Campaign chairmen have now been appointed in more than 100 counties and committees are being organized. However, volunteers are needed throughout the state. Interested persons can contact the Kenny State Headquarters at the Driskill Hotel in Austin.

### FUTURE HOMEMAKERS ATTEND AREA MEETING

The officers of Future Homemakers of Tahoka left early Saturday morning for an area meeting at Anson. These meetings are held twice each year. This was the first meeting since the war started and about twenty-five schools were represented.

At the morning session we held a business meeting and voted to adopt the National Constitution.

The Tahoka delegation was appointed on the committee to help rewrite our constitution. The club also decided to elect song leader and historian.

Luncheon was served at the Pioneer Hall and then games were played, which everyone enjoyed.

In the afternoon another business meeting was held. The meeting was adjourned at 3 o'clock.

The next meeting will be held at Spur on the second Saturday in March, 1947.—Reporter.

I. I. Gattis underwent an operation Wednesday morning in a Lubbock hospital.

### Stanley Funeral Home

OFFICE OF THE STANLEY BURIAL ASSOCIATION OFFERS INFORMATION TO THE GOLD STAR FAMILIES OF LYNN COUNTY

Many Gold Star Heroes of World War II are buried far from home. Parents and other loved ones of many of these boys wish to have the bodies returned home. We can be of service to you if you have such a loved one buried away from home. We have the answers to your questions as to how this may be brought about.

### QUESTIONS

1. Who is next of kin?
2. Who is next of kin if he was not married and had no relatives?
3. If the next of kin has moved since receiving notification of the death of a service man, what should be done?
4. What may happen if proper authorities are not notified at once of address by next of kin?
5. Will remains be returned from all parts of the world simultaneously?
6. Will a grave marker be provided by the government?
7. Will the cost of burial in a local cemetery be paid by the government?
8. If remains are buried overseas in a National cemetery will I receive some payment as if remains were returned?
9. Does the government provide perpetual care for graves overseas?
10. Where are the National cemeteries located?
11. Can any deceased member of the armed forces be interred in the Arlington National cemetery at Washington, D. C.?
12. Where are overseas Military cemeteries located?
13. How will remains be returned?
14. Can next of kin meet the ship returning the remains of a loved one?
15. How will next of kin be notified when the remains will be returned, if they are to use a private cemetery?

Your local funeral director will be glad to advise with anyone who has lost a loved one in the war. We can answer the above questions, as well as those appearing in this column last week, and many others that may be in your mind. No obligation whatever.

For full information, come to see or phone us at your earliest convenience.

HALLOWEEN CARNIVAL QUEEN CROWNED AT NEW HOME

By Mrs. A. L. Pace
Miss Betty Mary Fillingim was crowned queen of the Halloween carnival sponsored by the PTA held at the gym last Friday night. Her escort was Bob McAllister. Gloria Beth Belew was crowned princess of grade school. Betty Mary is a senior and Gloria Beth is in the seventh grade. The crowning of the queen and princess and their attendants were the high light of the evening. They were introduced by Mrs. Dwight Corbell who is chairman of the finance committee of the PTA. The queen's race brought in \$191.92 and the princess' race \$60.18.

Ronald Smith was selected as having the best Halloween costume. Mrs. Ray Phifer's cake was auctioned to the highest bidder for \$7.50. Durwood Unfred who was running the photographer's booth took pictures of the queen and princess and their attendants. The proceeds of the carnival was \$425.00. The booths made approximately \$200. The money that the seniors made from their queen is to be spent for the senior gift to the school. The seniors want to give a clock or a bell system to the school, or combination clock and bell system. The juniors plan to spend their money they made for the Junior-Senior Banquet and save the remainder for next year when they are seniors. The other classes get only a third of their proceeds which will be spent for various classroom needs. The remainder of the funds goes to the PTA who will spend it for school needs.

Clyde Ashcraft has returned from his deer hunt in Colorado with an elk. Mr. Laton Lawson and Mr. Callaway Huffaker went with him.

Question: What did they say? Answer: Acts 2:14-36. They preached the death, burial and resurrection of Christ.

Question: What right did Peter have to speak first? Answer: "Christ said to Peter—I will give you the keys of the kingdom of heaven, and what you bind on earth I will bind in heaven." Mat. 16:19.

Question: What effect did Peter's words have on the people? Answer: "They were pricked in their hearts. Acts 2:37.

Question: By hearing Peter, who did the people really hear? Answer: The Holy Spirit. Jno. 16:13.

Question: With their hearts pricked as they were, what did the people do? Answer: They said, what must we do? Acts 2:37.

Question: What did Peter tell them to do? Answer: Peter did not say, "Come to the mourner's bench and pray". Neither did he say, "Get down by your radio, work bench or out behind the barn and give yourself to the Lord". Read what Peter said, "Repent and be baptized every one of you in the name of Jesus Christ for the remission of your sins, and ye shall receive the gift of the Holy Spirit". Acts 2:38.

Question: Why should they be baptized? Answer: For the same reason that they should repent. If baptism is "Because of Remission" then repentance is also.

Question: Who calls that Campbellism or Water-salvation? Answer: No man that was ever guided by the Holy Spirit. But those who would pervert the gospel as preached by the apostles, do some times say such things.

Question: What did those who received Peter's words do? Answer: They were baptized. V. 41. Question: Neighbor if you had heard Peter what would you have done? -Read this column next week for more work of the Holy Spirit, and remember you are always welcome at the church of Christ, where the Gospel is preached like it reads in your Bible.—Price Bankhead, Post, Texas, Rt. 3.

HALLOWEEN PARTIES GIVEN AT NEW HOME

By Mrs. A. L. Pace
Mr. and Mrs. Boswell Edwards entertained a group of friends with a Halloween party last Thursday night. Games were played and Mr. Durwood Unfred took pictures of the group.

Those attending were Messrs. and Mesdames: Loyd Mears, Charles Armonrout, Joe Mack Armontrout, D. D. Renfro, Aubrey Smith, Dwight Corbell, E. R. Blakney, Donald Caudle, Garland Peek, Durwood Unfred, and George Hancock.

The night of Halloween was enjoyed very much by a party given by Colleen Savage, Games of all kinds were played, and Witches' brew, Halloween sandwiches and cookies were served for refreshments.

This party was given for the sophomores, juniors, and seniors. Other than these were Roscoe and Jim Ganaway, Billy and James Savage, and Mary Williams.

Mmes. R. B. Floyd and Floyd Walters and the latter's six year old daughter, Sandra Jo, have gone to Dallas where Sandra Jo will enter Scottish Rite Hospital for treatment. Mrs. Floyd and Mrs. Walters will visit their son and brother at Irving for a week or ten days.

A DOCTOR'S PRESCRIPTION FOR SORE THROAT—TONSILITIS! For prompt relief from pain and discomfort try DURHAM'S ANAESTHESIA-MOP. It is a Doctor's Prescription combining a local anesthetic and a powerful germicidal dye in a pleasant-tasting solution. Powerful and effective, does not burn tender throat membranes and is safe for children. You must agree it is the best throat mop ever used or purchase price will be refunded. Generous bottle, with mop-sticks, only 50c at TAHOKA DRUG

**Cub Pack Meet Held October 24**

First Pack Meeting of Pack 21 of Tahoka was held October 24, 1946. Head Den Chief, Thomas Fulkerson, announced that it was the best that he'd ever seen. There have been only four den meetings to prepare for this Pack Meeting. It was given in this order: Hallowe'en suits demonstration, refreshments were served, badges were given, the stunts were performed, and the awarding of the prize for the best stunt given. Each boy made his own Hallowe'en suit. They were dressed as Indians, Pioneers, and Cowboys. The prize for the best dressed boy was given to Jerry King, who went as a Cowboy. He is a member of Den one.

The refreshments were "Wolf meat, and Laughing Water". These were eaten on the outside of the building under the lights.

Badges were given to only the boys who were enrolled last summer. There were ten boys who got the Bobcat Badges. These were given by Billy Ed Ware.

The stunts were given in this order, Den no. 2, Den no. 3, Den no. 4, Den no. 5, and Den no. 1. Den no. 4, Mrs. Nowlin's, won the prize, a large tent. It was presented by Ted Clayton to the Den Chief of that Den.

All were dismissed, except the Den Chiefs. They had a short meeting and decided that the theme for the month of November would be Knighthood.

All this took place in the Lynn County Youth Center. It was cleaned the next day by the Den Chiefs.

—Reporter, Billy Ed Ware

Shirley Ann Campbell, daughter of Mr. and Mrs. Homer Campbell underwent a tonsillectomy at Tahoka Clinic November 5.

W. A. Reddell has been confined to his room much of the time this week by an affection of the shoulders and neck.

**Republicans Win Congress Majority**

In the elections held throughout the country Tuesday, the Republicans swept most of the states outside of the Solid South. As a result of their sweeping victory they will control both houses of Congress.

According to latest returns they had won 246 seats in the lower house and will have 51 in the Senate, while the Democrats will have a little less than 200 in the lower house and not more than 45 in the Senate.

This means that Sam Rayburn will be displaced as Speaker of the House by Representative Joseph W. Martin of Massachusetts and many other Democrats will lose important committee chairmanships. In fact, responsibility for legislation from now on will rest definitely upon the Republicans, for the first time in fifteen years.

One of the discouraging features for the Democrats is that this election may foreshadow the election of a Republican President two years hence, and Governor Dewey of New York will doubtless be the Republican nominee.

**SHOWER FOR BRIDE ELECT**

Miss Wanda Jean Beard, bride-elect of J. C. Dyer of Brownwood was honored with a prenuptial miscellaneous shower last Wednesday afternoon in the home of Mrs. L. M. Nurdyke, Mrs. Willis Pennington was co-hostess with Mrs. Nurdyke.

The guests were welcomed by Miss Billie Wayne Pennington and asked to register in a beautiful bride's book, the gift of Mrs. E. H. Cunningham. The lace covered refreshment table was centered by the crystal service over a base of ivy interspersed with bright-hued orange and red pyracantha berries. Fresh fall flowers, in shades yellow, orange and red were used throughout the reception suite. Misses Yvonne Beard, Lena Williams and Nan Beth Pennington took turns at the refreshment table where iced punch and individual squares of wedding cake were served and assisted in receiving and opening the many useful and beautiful gifts received. These 4 junior hostesses assisting Mmes. Nurdyke and Pennington were dressed in vari-colored floor length dresses which added color and gaiety to the scene.

Silber Hernandez had her tonsils removed Tuesday at the Seal Clinic in Tahoka.

an asset to the Church. It has paid out more than \$562.00 this year and has invested \$300.00 in U. S. Savings bonds.

The Church, he reports, has invested \$5,500.00 in U. S. bonds. This is the nest egg, he observed, of the proposed Educational building.

More than twenty out of the Youth division are attending college. One young man out of this division, George Maurice Small, was licensed to preach this year.

The Crusade for Christ has gone over well, he declares. In the first phase of it, 25 million dollars was the goal for the whole Church, and 27 million dollars were raised.

The Conference opened at ten o'clock Wednesday morning, and Brother Nichols stated that it would close Sunday. The appointments, he said, would be read out by Bishop C. C. Seiceman of Dallas at 3:00 o'clock Sunday afternoon.

In answer to another question, he stated that there are from 250 to 300 ministers in the Northwest Texas Conference. He himself has been a member of this Conference for 26 years, and is just now rounding out 30 years pastorate service.

There are nine districts in the Conference, the Lubbock district being the largest, there being more than 40 ministers in this district alone.

Darnell Killed . . . (Cont'd from page 1)

The driver explained that he did not see Darnell on account of being blinded by the lights of an approaching truck. At any rate, the car struck Darnell inflicting fatal injuries.

Mr. Darnell lived for several years in Lynn county. Born in Georgia on February 22, 1915, he came with his parents to Texas when a mere child.

Also surviving are his step-father, G. B. Bennett; one half sister, Mrs. Aline Bennett Henson of Tahoka; and one half-brother, William Paul Bennett of California.

Rev. and Mrs. H. A. Nichol, visited relatives at Robert Lee, Bronte, and Sterling City Monday.

Football . . . (Continued From Page 1)

7. The Bulldogs, in contrast to two or three preceding games, put up a game fight and showed some good tackling, blocking, and uncovered a new up-an-coming ball-toter in Tom Chandler, who knifed through the Indian line for a number of nice gains.

First downs were 15 to 6 in favor of the visitors. Seminole gained 221 yards running and 124 yards passing, while Tahoka picked up 103 yards running and 75 passing.

Lt. and Mrs. Max Minor arrived Wednesday night from Enid, Okla., to spend a few days visiting his parents, following which he expects to be stationed at Fort Worth.
