Tahoka, Lynn County, Texas, Friday, January 31, 1947

Number 17

## City Lets Contracts For Large New Water Reservoir

The City council met Tuesday afternoon and opened bids filed for the construction of a new concrete reservoir of 500,000-gallon capacity and awarded the contract to the Clovis Construction Company of Clovis, New Mexico, for the sum of \$31,038.60, this being the lowest bid.

Four other bids had been filed for the following amounts respectively: \$36,886.07, \$38,026.10, and \$48,000.00 plus, the exact figures not being available.

The Clovis Construction Company has been awarded the contract of building additional water storage facilities for the City of Snyder, and it was explained that the fact that this company had two jobs in neighboring towns made it possible for it to construct the reservoir at less expense than another company could construct it.

The exact time for construction work to begin was not definitely set but the company gave assurance that it expected to complete the structure about the first of June.

It will be constructed on lots adjacent to the present plant in north Tahoka.

The contract also calls for the construction of a pump house.

## Officers Elected By Lions Club

The new Tahoka Lions Club has been busy the past week completing its organization, signing up members, and laying plans for future work.

Thursday night of last week, the club had its first scheduled meeting at the Grade School, to elect the rest of its officers and to receive instructions in the operation of the club. The meeting was under the sponsorship of the Lubbock club, and K. L. Riggs acted as chairman. Talks were made by Raymond Burford, Lubbock president, who presented the local club a bell and a gavel; Groves Denman, secretary-treasurer, on club organization; and by Lloyd Croslin, Dr. Doyle D. Jackson, and Geo. Young.

Pete Hegi had previously been elected president, and J. A. Biggers, secretary-treasurer. Other officers elected Thursday night are: O. C. Elliott, Tall Twister; Coy Fielder, Lion Tamer; Bill Griffin, first vice president; Ivan McWhirter, second vice president; and Terry Thompson, third vice president. These men, together with Neal Stanley, Dr. Roney, and J. E. Brown form the board of directors.

The club started with 23 charter members, but this week had signed up a total of 42.

Meeting time was set for Tuesdays at 6:45 p. m., and accordingly its first regular meeting "on its own" was held Tuesday night of this week at the Legion Hall.

A musical program was presented by a group of girls from the local high school.

**K. F. KNIGHTS VISIT SICK MOTHER HERE**  
Mr. and Mrs. K. F. Knight and daughter Irma Beth came up from San Angelo Saturday afternoon to see his mother, Mrs. W. L. Knight, who had been seriously sick. They returned home Sunday afternoon.

Mrs. Knight has been ill for more than two weeks but is now reported to be improving.

**COPIES OF JANUARY 24 ISSUE OF NEWS WANTED**  
The News failed to print enough papers last week, and had no extra copies left after mailing out the edition.

If a few of our readers still have a copy of last week's paper, dated January 24, we would appreciate it if you could let us have the same.—The Publishers.

**SALESMAN MOVES HERE**  
Roger Larson, wife and child are moving to Tahoka from Wichita Falls this week, he having bought the B. B. West home. Mr. Larson travels for a wholesale drug concern.

## Men Get Discharges From Armed Forces

The local draft board released a short list of recently discharged service men registered at the local draft board.

James Turner, Lubbock; James Ballard, Lubbock; Francis Ray May, Tahoka; Evert Victor Farni, Scottsdale, Ariz.; Jean Douglas Duke, Seminole.

## Joe Stokes Enters Progress Contest

County Agent Bill Griffin reports that the Joe Stokes community has entered the Rural Neighborhood Progress contest sponsored by The Farmer-Stockman, a magazine published at Oklahoma City, in cooperation with the Texas A. & M. College Extension Service.

Organization was effected and officers were elected on Wednesday night, January 22. Thad Smith was elected chairman; Harlan Dean, vice-chairman; and Mrs. Tom Russell, secretary. Kent McClintock was named as representative of the 4-H club boys, and Normadene Murray as representative of the 4-H club girls.

The community had already been planning to build a community center building and had purchased two acres of land adjacent to the Church premises on which to build it. They hoped to win a prize in the contest which they are entering, and if they should do so the money would be used as a part of the building fund.

Ten prizes are being offered communities in Texas that enter the contest, running from \$1,000 down to \$100. Mr. Griffin and Miss Alta Mae Anderson, county home demonstration agent, were present when the Joe Stokes organization was effected and they will assist the community in any way possible to win a prize.

Residents of the community present included Mr. and Mrs. Harlan Dean, Mr. and Mrs. Tom Russell, Mrs. Murray, W. A. Armes, Mary Beth Russell and Normadene Murray.

## Basketball Teams Split Games Here

The Tahoka basketball team is tied for second place with the Slaton basketball for second place, each team having won two and lost three conference games. O'Donnell is in the cellar having won only one conference game and losing four. Post is in the first place position having won five games out of five games played.

Tonight will end the conference play of the S.E. quarter of the district basketball tournament, which is to be played at the local gym.

**Final Conference Games To Be Played Here Tonight**  
Tahoka plays the undefeated Post basketball and O'Donnell plays Slaton.

**Tahoka Boys Win Six Games**  
Last Monday the Tahoka B-team defeated the Wilson B-team 22-13. The Tahoka A-team also defeated the Wilson A-team the same night 36-26.

Tuesday afternoon the Tahoka B-team defeated the Seminole B-team 28-18. The Tahoka A-team won over the Seminole A-team 25-23.

Tuesday night the same teams played with Tahoka winning both of these games. The B-team won 28-17 and the A-team won 38-24.

## FORMER TAHOKA RESIDENT UNDERGOES OPERATION

Mr. and Mrs. Billy Ray Strickland returned late Wednesday of last week from a few days visit in San Angelo.

They had gone down the previous week-end and remained over, as his mother, Mrs. A. B. Strickland, was ill and underwent a major operation in a hospital there on Tuesday.

Mrs. Strickland, who with her family formerly lived here, was reported to be making satisfactory recovery when Billy Ray last heard from her.

A. D. Rogers underwent tonsillectomy at the Tahoka Clinic on Wednesday of last week.

## Road Problems Are Discussed At Wilson Meet

At a meeting previously arranged County Judge Tom Garrard, E. J. Cooper, commissioner of precinct No. 1, County road engineer, Col. Hasie of Lubbock, accompanied by a few Tahoka citizens, met with a number of the citizens of Wilson in the Baptist Church basement there last Friday afternoon to discuss with them the road building program in this county as it relates to that precinct in particular and the entire county in general.

Mr. Mansker, commissioner of Lubbock county from Slaton precinct was also present. Mr. Cooper called the meeting to order, explained the purpose of the meeting, and asked that a chairman be elected. Judge Garrard was elected chairman.

In his preliminary remarks, Mr. Cooper suggested that an effort be

(Continued on Back Page)

## Slaton Boxers Are Coming Here

Friday night, February 7, the Slaton boxing team will meet the Tahoka boxing team in the local gym.

The Slaton Boxing Team has 27 men on their team. However there probably won't be that many fights on the card Friday night Feb. 7.

The Tahoka Boxing team was defeated by the Morton boxing team. Tahoka boxers won eight fights and one was a draw match. Morton won ten of their fights.

Bobby Dorman lost to Kirby Lackey, Richard McNeely lost to W. Queen, Bill Burkhardt won over Joe Coleman, T. W. Claborn lost to Buddy Hannah, A. W. McClellan lost to Burl Deaver, Duane Driver lost to Odell Baker, Chas. Brookshire won over Troy Coon, Bobby Tippit lost to Bill Deaver, Jack Reed lost to Roy Seany, Jimmy Chapman won over Ken White, Joe Palmer won over Gerald Smith, Bob McMillan won over Billy Joe Webb, Bob Boyd won over Dean Sullivan, Van Brookshire and Edwin Bass fought to a draw, Duane Howell lost to Leroy Jeter, W. J. Khal won over Sullivan and Chas. Pennington won over John Lackey.

Tahoka has a few boys that look pretty good in the ring and are good fighters and it is expected that Slatonboys will come over here with some good fighters too, so this boxing show should be worth the money.

An admission of sixty cents for adults and thirty cents for children will be charged to see the fights.

## BOY SCOUT SUPPER SCHEDULED FOR FRIDAY, FEB. 7

The Boy Scouts will meet Friday, February 7, for their Annual Scout Week "Pot Luck Supper".

Both parents of the Scouts are invited according to A. R. Milliken, scoutmaster.

Rev. Cooper Waters, above, will do the preaching at the revival meeting which will be conducted at the Tahoka Baptist Church February 9 to 23. Rev. Waters is pastor of the North Hill Church in Houston. Ernest Hock, music and education director of the Big Spring Church, will lead the song services.

## Baptist Men Of Area Meet Here

The largest crowd of men only that ever assembled in the First Baptist Church here, flocked into the main auditorium of the building Tuesday night to attend the regular quarterly meeting of the Baptist Brotherhood of the Brownfield association and men's rally held preparatory to the series of simultaneous revivals that are to be held from February 9 to February 23 in at least ten or twelve of the churches of the association.

The size of crowds is invariably overestimated, usually greatly so, but there were 237 men in the auditorium Tuesday night by actual count. They came from some twelve or fifteen churches situated in the counties of Lynn and Terry, which constitute the bounds of the association. From Brownfield alone came 62 men, and upon count it was found that 62 Tahoka men likewise were present. Wilson, New Home, Lakeview, Petty, Central Redwine, Bethel, O'Donnell, Wells, Meadow, Gomez, Johnson, and Challis were other churches represented, and there might have been one or two others.

Rev. Levi Price of Tahoka and Rev. T. L. Pond of Redwine brought the inspirational discourses, and Rev. A. A. Brian, pastor of the First Baptist Church of Brownfield, led in the singing of a number of the

(Continued on Back Page)

## Congratulations

Mr. and Mrs. Walter Crabb, who became the parents of a daughter born at the Tahoka Clinic on Thursday of last week. The little lady weighed eight and one-half pounds.

Mr. and Mrs. J. L. Graves, who likewise became the parents last Sunday of a little daughter weighing seven and one-half pounds, also born at the Tahoka Clinic.

ABILENE, Jan. 30—George Small of Tahoka is a member of the Chanters, McMurry college choral group now on a tour of West Texas and New Mexico, where the group will sing in a number of high schools and churches.

The Chanters left Abilene Friday, January 24, and are scheduled to return February 2. Upon their return they will have sung in high schools in Sweetwater, Roscoe, Kermit, Hobbs, N. M., Eunice, N. M., Dexter, N. M., Hagerman, N. M., Lake Arthur, N. M., and in Methodist churches in Midland, El Paso,

Monahans, Stanton, Colorado City, Las Cruces, N. M., Roswell, N. M., Carlsbad, N. M., and Artesia, N. M.

While in New Mexico the Chanters will visit Carlsbad Caverns and the White Sands.

Gypsy Ted Sullivan Wylie is director of the group and Miss Louise Spiegelmire will be the accompanist during the trip. Harold Thomas, professor of organ and theory at McMurry college, will appear in special numbers with the group in the concert at Midland.

Small is in the second row of the picture, second from the right.

## Conduct Delayed USO Fund Drive

Ray Johnson, regional director of United Service Organizations, has been in Tahoka this week directing the annual drive for funds in cooperation with L. C. Haney, Arthur Biggerstaff, and Terry Thompson.

Mr. Johnson reported to The News that approximately \$300.00 had been raised in Tahoka Tuesday. The American Legion at O'Donnell will direct the drive in that section of the county.

## Severe Storm Lashes Plains

It is to be hoped that few travelers from the east got marooned in Tahoka or other Plains towns Wednesday, for one of the wildest and fiercest sandstorms that has swept this region since the dust-bowl days of the early and middle thirties came out of the west between nine and ten o'clock in the morning and held high carnival the rest of the day and most of the night. The wind velocity at times reached a high of more than 60 miles per hour, it is said.

Some damage was done to small residences and outhouses both in the towns and in the country, but the damage was remarkably small considering the fury of the winds. Some damage to the soil also necessarily resulted in some places, but that could not have been serious. Farmers understand better how to conserve the soil against both wind and water erosion than they did ten years ago, and with one or more tractors on almost every farm they are better prepared to give protection to the soil.

In spite of the unpleasantness that a real sandstorm brings, an approaching storm such as that which came Wednesday is awe-inspiring and majestic beyond description. Nature lovers never fail to be enraptured with the ominous appearance of such a display of Nature.

With the continuance of the storm there was also a decided drop in the temperature, the mercury registering a low of 23 degrees before sunrise Thursday morning. But there had been no slump in the temperature of housewives, for a day of house-cleaning was ahead of them.

## Rotarians Hear Talks By Members

L. Carroll Smyers, public relations director of the Veterans Administration regional office at Lubbock, was the principal speaker at Thursday's Rotary Club meeting. He gave much pity information on the operation of the Administration and the extensive work it is carrying on in this 79-county district. He revealed that 16,000 veterans in this district are receiving compensation for education and training, 10,000 of whom are attending schools and colleges. He was introduced by B. T. Smith.

E. I. Hill paid tribute to Paul P. Harris, who originated the service club idea and founded Rotary in Chicago in 1905. Mr. Harris died last week.

Thursday of last week, the principal talk was made by Wynne Collier, who related many interesting facts relating to the drug business, and also explained advantages of the Fair Trades Act new before the Texas legislature.

Following Collier's talk, Charles Townes was introduced by the program chairman, and Charles, in a humorous manner, told how he thought the drug stores could improve their service.

Melvin Leslie was introduced as a new member of the club.

The condition of J. H. Ramsey, who has been seriously sick for a week or ten days, is reported to have shown some improvement the last few days. He is a patient in the Tahoka Clinic and hospital.

Mrs. J. R. Grayson, who has been under treatment in a hospital in Dallas, was brought back to Tahoka last week. Her husband, who had been at Crane, preceded her to Tahoka.

## Disastrous Fire Destroys Three Stores At Wilson

Three business buildings in Wilson, occupied by the Wilson State Bank, the Wilson Drug Store, and the Lemons Grocery, were totally destroyed by fire which broke out in the rear end of the drug store about twelve o'clock Wednesday night. Practically all of the stocks of merchandise and furniture were also destroyed, only a part of the Bank furniture being saved.

Lonnie Lumsden is president of the Bank and Howard Cook cashier. K. M. Stewart was owner and operator of the drug store and W. I. Lemons of the grocery.

The drug store was a combination drug store and cafe, and the fire originated in the kitchen, just how is unknown. Mr. Stewart, the owner, was the first to discover the fire, and the Wilson Fire-fighting apparatus was rushed to the scene, but soon after it was gotten into operation the engine died and they were never able to start it again. The terrible gale, which had been sweeping across the Plains all day was still blowing strong and the fire spread rapidly. Wilson people declared that if the engine had not failed, the fire could have been extinguished easily.

In the meantime, the fire departments of Tahoka and Slaton were called and rushed to the scene, but upon arrival they found that they were practically helpless in rendering aid for no water was available.

It is understood that insurance was carried on all the buildings, fixtures, and furniture. Nevertheless, all the businesses will suffer substantial loss on account of lack of buildings in which to operate. It is presumed that all of them will be rebuilt.

The town is fortunate in that the high wind was blowing out of the west and not out of the northeast, from which direction most of our winter winds come, for in that case, the whole town doubtless would have been wiped out. The post office, housed in a little frame building some thirty feet south of the drug store, and the big building occupied by the Wilson Mercantile Co. on the southeast corner of the block, the largest building in town, were not touched by the fire.

The owners and operators of the Bank and the two other businesses have the sincere sympathy of the people of Tahoka and of Lynn county generally in the loss suffered. It is probable that the people of the little town will install at least a small water system so that any future fire may be combated more successfully.

## Rex Jackson On Texas U. Staff

Rex Jackson, a Lynn county boy, son of Mrs. C. C. Jackson of Draw, and brother of Mrs. Pauline Smith of Tahoka, has been appointed to the Administrative staff of the University of Texas, according to information received here this week. He will assume his duties in June.

Rex was reared at Draw, graduated from the Draw-Redwine High School in 1938, and received his B. A. degree from Texas Tech in 1941. He is now attending Texas University, where he will receive his M. A. degree in June.

Following his graduation from Tech, Jackson taught one year at Stoneburg, and began the term at Lorenzo in September, 1942, but after a few weeks resigned to enlist in the Armed Forces. He was discharged from the Army in February, 1946, and immediately enrolled in the University.

## MRS. BREWER IMPROVING

Mrs. Vernon Brewer, who underwent surgery in a Lubbock hospital two weeks ago, is improving rapidly at the home of her parents in Benjamin, her husbands reports.

## WHARTON IN HOUSTON

Winston C. Wharton, local Conoco dealer, garage and transport operator, is in Houston this week attending a meeting of transport operators of Texas.

### Sidelights From Washington

WASHINGTON, D. C.—Congressman George Mahon has been selected as one of ten House Members to cooperate with a similar number of Senators in the task of estimating the Federal Revenue for the coming year and fixing a figure for Government expenditure which will assure that Government outgo will not exceed Government income. This Committee came about as a result of legislation passed last year providing for a reorganization of Congressional procedure. The idea is to balance the budget. For more

than a decade the Government has been spending more money than it has been collecting in taxes. Present law prohibits a continuation of this practice and the Joint Committee of ten House Members and ten Senators is charged with the responsibility of doing the ground work on this job and securing approval of the program by the Congress on or before February 15th.

Mahon, in commenting on this new assignment said that it just does not make sense for the Government in 1947 to spend more money than it collects in taxes. "If I have my way about it," he said, "we are going to spend less money than we collect in taxes and use

this excess to make a payment on the 260 billion dollar public debt, a debt largely brought about by the war. If we cannot begin to balance income and outgo and pay a little on the debt now, I don't see how we can ever expect to do it.

"It is easier to talk about cutting Government expenses than it is to cut them," Mahon continued. "Personally, I am not willing to cripple the program for veterans, the Soil Conservation and REA programs for farmers and ranchers, and such activities as the Social Security and Public Roads programs. The biggest single item of expenditure is for national defense, and we could balance the budget in a hurry by slashing the heart out of our national defense program. But that should not and will not be done."

Mahon said that he had been shocked to see that practically all Government agencies except the Army and Navy have asked Congress to appropriate more money for them for the coming year than they spent last year. "That cannot be justified," he said. "The Republicans," he remarked, "are doing a lot of talking about reducing expenditures. I will be glad to join with them in streamlining the Government agencies, reducing the number of Government employees, and in abolishing any unnecessary bureaus, but I cannot join with them in any effort to wreck the operations of Government agencies which I think the people favor and which I believe are in the public interest. All is quiet in Congress now, but it won't remain that way for long."

### SOCIAL SECURITY MAN TO BE HERE WED., FEB. 5

Elliott W. Adams, Manager of the Lubbock Field Office of the Social Security Administration will be in Tahoka, Wednesday February 5, at 11:00 a. m. at the Post Office.

Mr. Adams, will answer any questions regarding Social Security and also take applications for account numbers and employer identification numbers.

If you work for more than one employer each year, you should keep a record of the name and address of each. If you don't keep such a record and are careless with your Social Security Account Number Card, your wife may have trouble in obtaining the monthly Federal old-age and survivors' benefits which may be coming to her and the children in case of your death.

Carelessness may cost your family money when they most need it. It may also delay your getting monthly benefits when you reach age 65.

This is especially important for you to remember if you are a carpenter, bricklayer, electrician, plasterer, plumber, musician or work at any other job for several employers in the course of a year.

The Lynn County News has just received a new shipment of ADDING MACHINE PAPER ROLLS.

### PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

- Q. What educational benefits do I get under the GI Bill of Rights?
- A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an injury or disability incurred within the first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three months of post-service education, up to 48 months.
- Q. What is the monthly allowance?
- A. Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$60 a month living allowance; \$90 a month if you have dependents.
- Q. What about family allowances?
- A. For men enlisting or reenlisting now, family allowances will continue within six months after the war is officially ended.
- Q. What are the chances of going overseas?
- A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.
- Q. Can I still choose the branch of service I want to serve in?
- A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.
- Q. Is there any way I can reenlist in my old grade?
- A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.
- Q. Is there any other way I can reenlist in grade?
- A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

Visit your nearest U. S. Army Recruiting Station for answers to any other questions you may have, or for further details on the above questions.

### SOUTHWESTERN PUBLIC SERVICE COMPANY

23 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

## T Hangar Flying . . .

There has been plenty of flying activity around Tahoka the past couple of weeks even though there has been a lot of bad flying weather.

Mr. and Mrs. Roy Davis and baby of Albany, flying a Stinson Reliant, visited recently in the Gerald Brown home here. Mr. Davis flew the B-25 "The Ruptured Duck" in the motion picture "Thirty Seconds Over Tokyo" doubling for Van Johnson. He said his biggest thrill was flying under the Golden Gate Bridge at Frisco.

Neal and Kitty DeLaven of Lubbock decided one day last week to fly down to Tahoka to visit . . . Neal and Kitty went out to Client

Breelove's air field at Lubbock and asked Client to rent him a plane. Client pointed one out and told Neal to use it. So they jumped into the plane Client had told them to use and flew down to Tahoka. Not long after they had reached the Tahoka field, another plane of the same make landed and taxied up to the hangar. . . . Client had given Neal the Wrong plane. The plane belonged to a fellow from Monahans, so they just swapped planes and the man went on his merry way back home.

Hogue Parson of Lamesa is one of several new students that have recently enrolled for flight instruction at the local airport.

Ralph Swaby flew "Kid" McCoy from Lawton, Oklahoma recently to Tahoka. Mr. McCoy came down to attend his father-in-law's funeral at Grassland.

Mr. and Mrs. Hubert Hunt of Claude stopped over at Tahoka on their way to Arizona and also on their return trip home. They brought back with them some fresh dates and lemons as big as grapefruit it is said.

X-country pilots recently stopping over at the local field are: Mr. and Mrs. L. G. Sweatt, flying T-craft . . . Roger G. Bramer of Jal, N. M., flying a Stearman . . . Alfred Cornblise and Robert Lee Noble of Brownfield, flying Cubs . . . Alvin Wood, Big Spring, Cub . . . W. L. Drake, Big Spring, Aeronca . . . Earl R. Glide, Canistota, S. Dak., T-Craft . . . Hubert Hunt, Claude, Aerocoupe . . . Albert Sammann, Plainview, Cub . . . W. G. Theobald . . . O. F. Preist of Big Spring.

Jim Miller of Clovis, N. M., flew down recently in his BT-13 to visit Mr. and Mrs. Charles Stewart of Tahoka.

Connor Parson is the new instructor at the McNeely Flying Service. Mr. Parson has approximately 3000

hours to his credit and holds a Commercial license, Instructors Rating up to and including multi-engine aircraft and Instrument Rating. He was a test and check pilot in Uncle Sam's Army Air Force during the war. Mr. and Mrs. Parson hail from Post and are now living at the airport. Mr. and Mrs. Parson are both "swell people" and we welcome you both to Tahoka.

Recently the largest group of students yet attended the ground school which is held regularly at the local airfield in connection with the G. I. Training program.

Mr. Bill McNeely, owner and operator of the Tahoka Airport recently put the air field and all equipment up for sale. . . . Last Tuesday three men from Dallas were out looking the field over and were talking favorably about purchasing the field. They stated that in case they did buy it they would make many improvements as well as make a first class aviation school to instruct all phases of aviation.

Ralph Gary and Dea Parker, local airplane mechanics just recently ran the required C.A.A. 100-hour inspection on three of the planes being used by the McNeely Flying Service as training planes and all are now in top condition.

Mr. Frank Casler, C.A.A. Inspector and a Mr. Smith, also connected with C.A.A. were recently at the Tahoka Airport and inspected every plane on the field and were given the o. k. sign by them personally. John Beard recently sold his P-40 that was wrecked a couple of months ago by the wind, but we didn't learn who had bought the plane from him.

### ODETTA RUTH GREER AND J. FRED BUCY JR. WED

Odetta Ruth Greer and J. Fred Bucy Jr. were married at three o'clock last Saturday afternoon, January 25, in the home of the bride's parents, Mr. and Mrs. Wess Greer of Grassland, with Rev. J. W. Rosenberg officiating. The home was decorated with garden flowers of varied and gorgeous colors.

The bride wore a gray wool crepe dress trimmed with sequins and a small black hat with a half veil and other black accessories.

Mr. Jim Ed Poer was best man and Miss Charlene Bucy was the bride's only attendant as maid of honor. The maid of honor wore an aqua blue crepe dress trimmed with sequins and wore black accessories.

The bride carried a white Bible with a bouquet of white carnations. The couple cut the wedding cake immediately following the ceremony.

Both the bride's and groom's relatives were present. Out-of-town guests were from Lubbock.

After a short trip to San Angelo, the couple will be at home in Brownfield.

J. Fred graduated from the Tahoka High school last year and attended the Texas Tech the first semester. Odetta was a student in the Tahoka high school.

### WEST POINT H. D. CLUB HAS BUSY MEETING

The West Point H. D. Club met on January 22 with Mrs. Wilfred Schaffner.

Roll call was answered with "How to Spend Less and Save More."

For new business the president appointed the program and finance chairmen, and the names of the club hostesses for the coming year were put in the Year Book.

Mesdames A. D. and Wilfred Schaffner volunteered to attend the training school on Consumer Education January 23.

Miss Anderson gave a demonstration on Altering Dress Patterns. Refreshments were served to nine members: Miss Anderson, and two new members, Mrs. Marie Coffman and Mrs. Werner Schaffner.

The Club adjourned to meet on February 26 with Mrs. George Claud Wells.

**"WILDFIRE" IS COMING**

How women and girls may get wanted relief from functional periodic pain

Cardul, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come, started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

Al Capone, noted gangster, died last Saturday night in his palatial but prison-like home in Miami Beach, Florida, still a coward and a criminal at heart. If he ever expressed any compunctions of conscience or ever compensated in any way for the murders and other crimes which he perpetrated, either personally or through his "underlings," we have never heard of it. He was one of the most unscrupulous and financially successful crooks that ever blackened the pages of our history. He and his gang of racketeers are said to have handled more than one hundred million dollars during the period of 1925 to 1930, and at least 250 of his pals and his enemies came to their death in defending or fighting his efforts to maintain his position as king of the racketeers and boss of the underworld. Since he operated during the prohibition period, many newspapers and radio broadcasters delight to dub him as a product of the national prohibition act. He was no such thing. He was a product of the Unedworld, in which liquor, prostitution, poverty, and other factors always play a prominent part. He was born in Naples, Italy. The family immigrated to America, and he drifted from their poverty-stricken home in New York into gangdom. He was thirty years old and an associate of crooks and gangsters before the National pro-

hibition amendment was adopted. To charge that he was a product of the prohibition regime is preposterous. He operated during that regime but received no help or encouragement from the drys. All his help came from wets, and conditions, that made his operations possible were brought about by those in high places as well as in the common walks of life who flouted the enforcement of the law and encouraged its violation by others. Al Capone probably had no religious nor moral training. He was a nominal Catholic but it is doubtful if he ever attended the services of that Church even in his boyhood days. And certainly not later in life. When the fatal illness struck, however, and death hovered over his bed, a dignitary of that church administered the last rites of the Catholic church, even while he was in a coma and knew nothing about what was going on, and of course that made everything all hunkydory with old St. Peter and so Al's friends may be assured that he is basking today in the sunlight of heavenly bliss.

We do not know how strongly Governor Beauford Jester will hold out in his opposition to the levying of any additional taxes during the next two years but we have an idea that farmers all over Texas are going to demand the building of farm-to-market roads. The best way and the most equitable way to raise the funds with which to build them is by the levying of additional taxes on gasoline and oil. This is equitable and just because the farmers who use the roads and the rest of us who profit from them will pay for them, and it is the best way to pay for them because it is the easiest. We suspect that Governor Jester will have a hard time in living up to his pre-election promise. The legislature should do its duty in the premises regardless of any promise that Candidate Jester may have made.

We are not offering this suggestion in the spirit of criticism, but we do believe that our unpaved streets should be given more attention by our city fathers, especially following each rain or snow. They are allowed to remain provokingly rough too long following each wet spell.

Classified Ads Save You Money.

Probably more than one bill has been or will be introduced in the legislature providing for a levy of additional taxes on natural gas, oil, and sulphur to meet the needs of this state. Without approving or disapproving at this time any of the provisions of any of these bills, we do approve the principle and general purpose thereof. We do not believe that the rich deposits of sulphur and underground gas in this state should be tapped and shipped or piped to other states or other countries in immense quantities each year without our own state receiving reasonable benefits therefrom. Whether these natural resources are exhaustible or not in the course of two or three generations, they lie under the surface of Texas and Texas should receive a reasonable profit from the mining and marketing of them. One bill which has been introduced or prepared for introduction would raise, it is claimed, \$38,000,000 dollars in taxes each year for our state treasury, without really hurting the industry. People of other states who use these products of our state would pay large percent of the taxes and yet each user would scarcely feel the additional burden. It occurs to us that we are grossly unwise if we continue to let these resources get away from us without collecting therefrom more than just a nominal tax.

The cases of former Congressman May of Kentucky and Senator Bibb of Mississippi should serve as a warning to Representatives and Senators in the national and state legislative bodies and officials of every type and grade throughout our country that it is not safe to go "crooked" in office. It is true that many do go crooked, no doubt, and escape prosecution or exposure; but when a man who has won the confidence of the people and has been elected to high office and is later shown up to be a crook, it must be terribly humiliating to him. Besides, both of these men are growing old and the ravages of disease indicate that the end for each of them is not far down the road. It is an awful thing to come to the hour of death in disgrace, even if there were no future punishment to face. The consciousness that one has lost the confidence of the people who trusted him would be almost unbearable punishment. Itself better go straight, boys, if you do not wish to come to a miserable end.

**TRUETT UNION HAS SOCIAL**

The Truett Training Union, composed of the middle aged and older adults of the Baptist Church enjoyed a tacky party in the recreation room of the Church last Friday evening.

The eighteen members present wore costumes ranging from ancient to new with many interesting and original touches for individuality.

The president of the Union acted as school master in a mock school, and the "scholars" certainly did not win any medals for good behavior.

Mmes E. J. Cooper and Jarrell Cox served bread and buttermilk.

**NOTICE TO BANKS**

Notice is hereby given that the Commissioners' Court of Lynn County, Texas, at its regular February Term 1947, begun and holden at 10 o'clock A. M. February 10th 1947, at the Court House, in Tahoka, Texas, will receive bids, and enter into a contract with any Banking Corporation, Association or Individual Banker of Lynn County, Texas, for the depositing of Public Funds of Lynn County, in such Bank or Banks.

Any banking Corporation, Association or Individual Banker in Lynn County, desiring to be designated as County Depository, shall make and deliver to the County Judge of Lynn County an application applying for such funds and said application shall state the amount of paid up Capital Stock and permanent surplus of said Bank and there shall be furnished with said application a statement showing the Financial Condition of said Bank at the time and date of such application which shall be delivered to the County Judge on or before 10 o'clock A. M. February 10th, 1947.

Said application shall also be accompanied by a certified check for not less than one-half of one percent of the Counties revenues for the preceding year, as a guarantee of good faith on the part of said Bank, and that if said Bank is accepted as such County Depository, that it will enter into the Bond provided by law, and upon failure to enter into such Bond such certified Check shall go to the County as liquidated damages.

Witness my hand this the 20th day of January, 1947.

Tom Garrard, County Judge, Lynn County, Texas. 16-21c

**NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR PURCHASE OF CERTAIN ROAD MACHINERY**

Sealed proposals, addressed to Tom Garrard, County Judge of Lynn County, at Tahoka, Texas, will be received at the office of the County Judge until 10:00 o'clock A. M. on the 10th day of February, 1947, for the purchase of the following machinery, to-wit:

One (1) Diesel Motor Grader, Single Tandem 4-wheel Drive, 13:00 x24 Rear Tires, Plain Rear Tubes, Leaning Front Axle, 9:00x24 Front Tires, Plain Front Tubes, 12" Oil Mixed Moldboard, Canopy Top with Safety Glass enclosure, Electric Starting Equipment, Air Pre-cleaner.

Muffler, with 2-ft. Moldboard Extensions and high arched front axle.

Such proposals will at said time be publicly opened and read before the Commissioners' Court of said County.

The Commissioners' Court reserves the right to reject any and all bids.

Tom Garrard, County Judge, Lynn County, Texas. 16-31c

### Charles McClellan In John Sealy Hospital

Charles McClellan, who was so seriously burned in a butane gas explosion a mile east of Tahoka about the last of October, 1945, and who has been under treatment in a Lubbock hospital since, is now in John Sealy Hospital, Galveston, according to his father, C. E. McClellan. His mother is there with him. They have been there since January 14.

Mr. McClellan says that Charles had been given five blood transfusions since going there and that surgeons grafted skin onto his left arm Tuesday of last week. There was ample evidence that the grafting operation would prove to be highly successful but four or five other graftings would be necessary. It will be necessary for him to remain there several weeks yet, after which it is hoped that he can be released from the hospital and return home.

### Girls' Team Splits Series Played Here

The Tahoka girls basketball team won over the exes Tuesday night by a score of 20 to 12.

The exes, however, started their season with that game and had not ever organized.

The Tahoka girls played New Deal for second place in the last Round Robin Wednesday at 1:30. The first half was in New Deal's favor 14 to 1. The Tahoka girls made 18 points in the last half, making 15 of them in three minutes. The final score, however, was 22 to 19 in favor of New Deal.

Betty Ingram of Tahoka was high point girl in the game with 12 points to her credit.

**TAHOKA 4-H GIRLS MET**

We met with our sponsor, Miss Anderson, for the first time on January 15. She showed us how to make bias tape. We elected our officers—Loyle Faye Crouch.

Mrs. J. A. Loyd and family have been enjoying a visit from two of her sisters, Mrs. T. N. Messer of Hedley, Texas, and Mrs. Ira Huckabee of Los Angeles, Calif.

### Holland Heads New South Plains Softball League

Last Tuesday night several softball enthusiasts from six South Plains towns met in the Hilton Hotel to form the South Plains Softball League.

Mr. Wade Holland of Tahoka was elected the President of the South Plains Softball League. Mr. Lovie Liston of Lubbock was elected Steward. Mr. Ralph Bumpas of Lubbock was elected Secretary-Treasurer and Mr. Travis Gilmore of Post and Arthur Miller of Plainview, Commissioners.

Each town that expects to enter a team in this league will have to select a man to act officially on the Steering Committee which is to meet at the Hilton Hotel in Lubbock, Tuesday, February 11 at 8:00 p.m.

At the meeting last Tuesday night it was decided that nine inning games would be played instead of the seven inning games. Game time will be officially set for 8:30, and a team will have until 9:00 o'clock to show up before the game is forfeited unless other arrangements have been previously made between the two teams concerned.

Each team in the League will play two games a week. One game will be a home game and the other will be away from home.

It was also suggested that each town or sponsor of a ball team that enters the conference should put up \$200 as a forfeit if the team concerned should pull out of the league in case they get tired of being in the cellar or for some other reason. However this money would be returned at the end of the season to each of the clubs in the League. Every time a team plays at home they are to send in ten dollars to the Treasurer and by the end of the season the first and second place teams would receive \$400 each and the third and fourth teams \$200 each and the other teams would get only their original \$200 back. Of course this was only discussed at the meeting last Tuesday night and is not official. These financial problems and many other problems will be worked out by the Steering committee Feb. 11, in Lubbock.

Below is a list of names of the people attending the meeting last Tuesday night and the towns which they represent: Travis Gilmore and Paul Duren, Post; L. K. Anderson, Southland; Mason James, Leon Single, Willis James, Ralph Bumpas, Lovie Liston all of Lubbock; Authure Miller, James E. Ivey, Plainview; Omah McLaurin, O'Donnell; Ted Waggoner, Wade Holland and Billy Hill, Tahoka.

Several other towns on the South Plains are interested, but evidently were not able to be represented at the meeting last Tuesday night.

Mr. and Mrs. G. W. Hickerson and Mr. and Mrs. Oran Hickerson went out to Kerns Saturday and visited a son and brother G. W. Hickerson Jr., who got acquainted with the former's two-week-old granddaughter, the babe of Mr. and Mrs. G. W. Hickerson Jr. This is their second child, the first one being a son some 13 years old.

**CARD OF THANKS**

We take this method of thanking our friends and former neighbors in Tahoka for the many kindnesses shown us in the bereavement which we recently suffered in the death of our beloved companion and father. For every thoughtful word and deed we are grateful.—Mrs. G. L. Haigood and children.

Buster Driver, son of Mr. and Mrs. Boyd Driver, a very active young business man of Tahoka, was taken to a Lubbock hospital a few days ago suffering from a nervous affection of some kind. His many friends hope that a little rest and treatment will completely restore his health.

### G. C. Grider Attends Funeral of Sister

Judge G. C. Grider was called to Arlington last Saturday night by the death of his only sister, Mrs. W. H. McCoy, which occurred at about 5:00 Saturday morning. Mrs. McCoy, 68, had been suffering for about two years from high blood pressure and other maladies.

Services were conducted at 3:00 o'clock Sunday afternoon in the Moore Funeral Chapel by the pastor of the Presbyterian Church there, Rev. Mr. Morris, assisted by a former pastor, Rev. S. M. Bennett. The Judge says that the latter was pastor of the Church when he himself was a boy in the Sunday school.

Mrs. McCoy was born at Arlington and spent her life there.

Surviving are two sons and a daughter, all of whom live at or near Arlington. Also surviving are two other brothers besides the Judge, one residing in Los Angeles, California, and one in Alabama.

He came back home Sunday night.

**CARD OF THANKS**

We would like to express our gratitude for the beautiful flowers, the cards, and expressions of sympathy given us during our bereavement in the loss of our darling son, Bobbie Ray. We know that God will richly repay you all some way in life because you did it not only for us but for a very precious jewel from Heaven, our baby.—Mr. and Mrs. W. H. Musick.

**TOM DRAPERS MOVE TO HEREFORD**

Mr. and Mrs. Tom Draper moved Tuesday to Hereford, where he will engage in wheat farming, and Mrs. Draper will begin work February 1 as home demonstration agent of Deaf Smith county. Before her marriage, she served here for some time as F. S. A. supervisor and later in other counties as home demonstration agent. Many friends here will regret their removal but will congratulate them upon their good fortune. Mrs. Draper was the former Miss Argen Hix.

Mr. and Mrs. Carlce Edwards have moved back to Lynn county. They have been residing for some time at Wolforth, but this week they came back home and will occupy the farm of Claude Thomas three miles east of Redwine. Mr. Edwards is much interested in raising a newly developed variety of planting cotton seed.

Rev. W. L. Henderson, retired Baptist minister, who is now making his home with his daughter, Mrs. Hal Singleton in O'Donnell, is now a patient in the Tahoka Clinic. His illness is due largely, no doubt, to his advanced age. He is a long-time friend of the editor, both having lived in Roscoe for some time years ago.

The News is informed that the Wilson State Bank is still open for business as usual in a gin building temporarily.

**H. D. Council Had Meeting Saturday**

The Lynn County Home Demonstration Council met in the office of Miss Anderson, H. D. Agent, on January 25. Four clubs, Draw, Joe Stokes, West Point, and Wells, were represented. Mrs. Webb of Newmoore was a visitor.

Council members gave reports of club activities since last meeting. Some gave outlines of future plans. Miss Anderson gave plans for the year's work.

Chairmen and members of the various committees were named.

Mrs. B. Ramsey, county T.H.D.A. chairman, gave a report of T.H.D.A. work and distributed literature she had received.

The next meeting will be on February 15. All members are urged to be present.—Council Reporter.

**BRYANTS RETURN TO FORT WORTH**

Mr. and Mrs. F. C. Bryant and her father, Walter L. Carley, left Wednesday for their former home in Fort Worth, after having resided here for only three months.

They came to Tahoka following the death of Mr. J. K. Callaway to assist in looking after the property. Mr. Bryant acting as bookkeeper. Recently they decided to return to Fort Worth and Mrs. W. McWhirter of Dallas came for them Wednesday.

The Bryants and Mr. Carley have made many friends in Tahoka during their short residence here.

**CARD OF THANKS**

We wish to take this means to thank every one, especially Dr. Seale and his staff, and the willing blood donors, for the many kindnesses shown us during my time of need. It was truly appreciated, and may God shower each and every one of you with his blessing.—Mrs. Arthur Hagens and Family.

**Sensational NEW LOW COST PUMP**

- ★ For Shallow or Deep Wells
- ★ Water Systems
- ★ Provides Almost Constant, Uniform Flow
- ★ Finest Machine Cut Gears Running in Oil
- ★ All Parts Easy Replaceable
- ★ Takes Less Than Half As Much Power

1—In a single cylinder pump the motor must lift the entire plunger rod in addition to lifting twice as much weight as this POWER SAVER PUMP.  
2—It is this heavy pull which heats the motor, or necessitates the use of one having more than twice as much power as the National two cylinder balanced pump.  
3—The two cylinders are only half as large as they would be in a single cylinder pump, consequently only half as much weight is being lifted in each upward stroke. This leaves the rods to balance themselves.  
4—Friction in the pipe is greatly reduced by having the pump rods outside.  
Add up 1, 2, 3, and 4 and you have the answer as to why the National takes LESS THAN HALF as much power.

The pump available with Briggs and Stratton engine mounted on the pump. Other engines may be used with a longer belt if desired.

(A) Stainless Steel Balls on brass valve seats make a perfect seal in the check valves and plunger.

(B) Duraflex cups. Far more durable than ordinary plunger leathers. Generally, one set of these cups will outwear several sets of leather cups.

With long wearing cups and stainless steel ball valves, in cylinders lined with stainless steel, you are entitled to the greatest of pump efficiency.

**LOVE**  
Mat 22:36-40  
Love for God is the first and Great Commandment. The apostle Paul made love a very necessary element that must go with our words, our faith and our benevolence. Read 1 Cor. 13:1-3. Love is another word like faith. We come to realize what it is by observing what it does.  
The love of God for man, caused Him to give his only begotten Son to die for our sins. Jno. 3:16. Paul said, "Christ hath also loved us, and gave himself for us", Eph. 5:2.

#### MRS. HERRING IS SEEING THE SIGHTS IN WASHINGTON

Mrs. A. E. Herring, who left here a few weeks ago, and accompanied her sister, who lives down in East Texas, and the latter's son, who lives in Washington, D. C., to the capital city for an extended visit, has written a brief note to the News editor and Mrs. Hill telling something of the sights of the city.

"We had a wonderful trip up," she stated, "and have been busy seeing the sights of the capital city, which are many. Have been to church at the First (Baptist) Church; am going to church in Alexandria next Sunday - will sit in Washington's pew. Will go to Mt. Vernon also that day.

"I have been through the White House and the Capitol, several Memorials, two art galleries, the zoo, the Smithsonian Institute, Ford's Theatre and the house across the street where President Lincoln died, and many other places, and a lot of places to go to yet - also a trip to Philadelphia and New York. Don't know whether we are going to get around to everything or not. I didn't realize there was so much here to be seen - wish every American could visit here.

"Will be here two or three weeks more (her letter was dated January 21) as it will take that long to get around. Have enjoyed every minute."

On the back of the double post card on which the above letter was written is a picture of the Thomas Jefferson Memorial, constructed of Vermont marble for the exterior and Georgia white marble for the interior, at a cost of \$3,000,000. The structure was built in 1939.

#### DRAW H. D. CLUB MEETS WITH MISS EMILY WALLER

The Draw H. D. Club met in the home of Miss Emily Waller Friday, January 24.

Miss Anderson discussed "Testing and Alteration of Commercial Patterns."

Delightful refreshments of hot chocolate and home-made cake were served to: Mmes. Joel Holloway, W. T. Luttrell, Buck Martin, Clyde Childress, L. B. Jones, Jewel Seale, R. R. Ragan, John Ragan, Hubert Roy, Leslie Cook, Gus Sherrill, Pat Hensley, A. Z. Sewell, and the hostess. - Club Reporter.

#### CONTRACTOR'S NOTICE OF COUNTY HIGHWAY CONSTRUCTION

Sealed proposals for constructing 14.225 miles Farm to Market Road comprising grading, drainage and paving from Wilson east to Garza County Line, and a four mile Spur extending north from a point 2.5 miles west of County Line, will be received at office of the County Judge of Lynn County until 11 A. M. February 6, 1947, and then publicly opened and read.

It is anticipated additions, extensions, deductions to this project in general, not to exceed 25%, will be made and handled as a change order at a later date.

Bidders must submit a cashier's check or certified check for Five Thousand Dollars (\$5000.00) as a guarantee that the bidder will enter into contract under the conditions set forth within ten days (10) after notice of award of contract. The minimum wages which shall apply on this work are the established rates for this area. Each bidder shall submit a statement of his experience, financial resources and equipment with the bid. The County reserves the right to reject any or all bids. Plans and Specifications may be obtained at the office of Hasie & Green Engineering Co., Wilson Building, or P. O. Box 1139, Lubbock, Texas, upon a deposit of \$25.00, \$20.00 to be refunded when same are returned. 14-47c

### Lakeview News

By Mrs. C. B. Nowlin  
 Mr. and Mrs. Junior Wadsworth of Lubbock spent Sunday in the home of her parents, Mr. and Mrs. D. B. Wheeler.  
 The Arthur Timmons family have moved to the Mrs. Dollie Freeman's place.  
 Mr. and Mrs. H. Joe Schwartz have moved to the Wayne Perry place.  
 A wedding shower honoring Mrs. Dave Burnett of Portales, New Mexico, was given at the home of Mrs. Olin Poer on January 17. Mrs. Burnett is the former Omega Speckman, daughter of Mr. and Mrs. Fritz Speckman.  
 Mr. John Timmons spent several days at Lubbock the past week taking treatment for a minor illness. He is better at this writing.  
 Mrs. E. D. Yeatts of Brownfield visited in the Cecil Yeatts home Wednesday and Thursday of last week.  
 Mr. and Mrs. Cecil Yeatts and Mrs. C. B. Nowlin visited in the A. B. Andrews home Monday.  
 Congratulations to Mr. and Mrs. Odell Valentine upon the arrival

of a boy, born Sunday, January 26, Mrs. Wavel Millsap and children from Morton are visiting in the Hillary Smith and C. B. Nowlin homes.  
 Miss LaVerne Knight spent the weekend at Seagraves with relatives. A surprise farewell party was given Monday night in the John Moore home. They have sold their farm and are moving.  
 Mr. and Mrs. Charlie O'Bar have sold their home and have bought one in Hot Springs, N. M. A surprise party was given them in their home Wednesday night.  
 Mrs. Dollie Freeman of Crosbyton is visiting her sister, Mrs. Sallie Godfrey.  
 Delvin Renfroe was honored on his eighth birthday with a party at his home Monday, January 27.  
 Games were enjoyed by all. Valentine candy was given as favors. The honoree received many nice gifts.  
 Refreshments were served to: Ronnie Nettles, Leon Blackman, C. L. Rogers, Wendell Morrow, Kenneth Smith, Jimmy Peek, Jimmy Dean, Ronald Smith, Gerry George, Gaylord Armontrout, R. E. Williams, "Quintus" Jack, Lady's sumptuous, Bernice Peek, Edwina Overstreet, Wayne Poer, Bobbye street, Rebecca Morrow, Geniece and Delvin Renfroe.  
 Mothers present were Mrs. W. Overstreet, Mrs. Charles Armontrout and the hostess, Mrs. Det Renfroe.

#### W. S. C. S. CONTINUES BIBLE STUDY

The Methodist Women's Society of Christian Service met Monday afternoon at 3:30 o'clock, with Rev. J. W. Rosenburg, to continue their Bible study. "The Christian Motive and Method in Stewardship."  
 Due to Rev. J. W. Rosenburg's interesting lessons, a large number of women attended.  
 We were very happy to have a young visitor with us, Jean Slover, and we wish to acknowledge Mrs. Charlie Nelms and Mrs. Ward and Mrs. Millman also visited with us.  
 May we take this opportunity to cordially invite all women of the Church to attend these meetings.  
 The members attending, were Mesdames Gibson, Paul Johnson, C. G. Franks, Uzzie, Roy Edwards, V. C. Steele, A. E. Ware, J. W. Rosenburg, Alton Cain, Roger Bell, R. C. Wood, Boyd, Neil Stanley, C. L. Steele, A. I. Thomas, Albert Williams, W. D. Smith, Marvin Munn, Otho Thomas, Merle Mathis, and C. A. Thomas

#### LAKEVIEW-PETTY W. S. C. S. HAS PROGRAM ON PRAYER

The Lakeview-Petty W.S.C.S. met Monday afternoon in the home of Mrs. S. L. Williams with the president, Mrs. D. W. Hancock, presiding. After several songs, Mrs. R. W. Allen and Mrs. C. W. Felty led in prayer, followed by all joining hands and repeating the Lord's Prayer.  
 The devotional based on Isaiah 40:31 was given by Mrs. S. L. Williams.  
 "Prayer" was the theme for the program.  
 Mrs. Hancock gave a talk on "The Church and Prayer." Mrs. Robert Poer, a talk on "How Christians Pray in Other Lands." Mrs. Kay Moore gave a poem on "Prayer." The meeting was closed with a prayer.  
 Those attending were: Mesdames D. W. Hancock, Kay Moore, R. W. Allen, Morris Russell, B. B. Ater, C. W. Felty, and Robert Poer. Mrs. D. R. Poer was a guest.

#### PYTHIAN SISTERS TO RAISE FUNDS FOR ORPHANS

Lynn Temple No. 45, Pythian Sisters, met in regular meeting Tuesday night, January 21, with 25 members present.  
 During the business meeting it was voted to have an old fashioned box supper in February to raise money to help buy a movie camera for the orphans in the Home at Weatherford.  
 Miss Bobbie Lynch, entertained with home movies, after which refreshments of hot drinks, open-faced sandwiches, and doughnuts were served by the hostesses Martha Floyd, Elinore Curry, and Rosemary Nelms.

#### SERVICES AT NAZARENE CHURCH FRIDAY NIGHT

Rev. W. B. Walker, District Superintendent, will speak at the Church of the Nazarene, Tahoka, on Friday evening, January 31. The service will begin at 7:15.  
 A welcome to all.—R. L. Dillard, Pastor.

#### CARD OF THANKS

We want our friends in Tahoka to know that we thoroughly appreciate the shower given us by our friends in the church there shortly before we moved to Lamesa. The gifts will be constant reminders of your friendship and love. God bless you all.—Mr. and Mrs. P. A. Nowlin and children.

### Grassroots . . .

By Bill Griffin  
County Agent

The common blackeyed pea originated in India some 3000 years ago. It came to America from England in 1734, when it was first planted in Georgia in the Oglethorpe Colonies.

No one knows for certain when the pea first came to Texas, but it had been grown for food throughout the southern states for the past 50 years and it is probable that the first settlers brought the seed with them.

Peas belong to the family of Vigna Catang and are closely related to both English peas and the various beans. The popular name for the blackeyed pea is "cowpea" but now that the canners have shown an interest in the crop and it is being introduced on a large scale to the nation's consumers, an effort is being made to disown the "cowpea" name as lacking in consumer appeal.

Blackeyed, cream and purple hull varieties have become increasingly popular as a food during the past five years. Texas canners have con-

tracts with Eastern jobbers for as many cases of canned peas as can be produced, and it appears to be an outstanding cash crop for sand areas of Texas.

During the past season, growers received an average of \$65 and a top of \$80 per ton of green field peas in the hull. Production ranged from 1500 to 3000 pounds per acre under field conditions.

### HONORED WITH PINK AND BLUE SHOWER

Mrs. Paul Johnson was honored with a pink and blue shower Thursday afternoon, January 23, in the home of Mrs. V. C. Steele. Mrs. Hick Gibson acting as co-hostess. Many beautiful gifts were received.

Refreshments were served to: Mesdames Roger Bell, Tom Gill, A. E. Ware, H. C. Harter, Sr., H. C. Harter Jr., Melba Rogers, C. L. Steele, Neal Stanley, J. W. Rosenberg, Hargette Hodges, W. Anglin, H. W. Calaway, and Josie Doggett of Fort Worth, who is visiting with her daughter.

Mr. and Mrs. T. R. Nordyke of Cross Plains visited his brother, Levi Nordyke, and family here the first of the week.

### Road . . .

(Continued From Page 1)  
made to induce the State to take over the building of the road from Tahoka through Wilson to Slaton as a state highway project and stated that he had reason to believe that the State Highway Commission might be induced to take it over. That would relieve the county to a considerable extent in its farm-to-market road building program.

When Judge Garrard took the chair, he called for voluntary expressions from the people. Col. Hasie was called for and he explained the situation very much as Mr. Cooper had done.

Some questions being asked, Judge Garrard took the floor and recited at some length the history of road building in this county, and he explained more fully why he felt that it would be advisable to ask the State to assume the responsibility of building the Slaton-Wilson-Tahoka road. If it should do so, the County might then be able to build some gaps in the present road layout that would be highly beneficial to this county. For instance, if the road east of Wilson could be extended some two miles further to Judge had been assured, IGarza the Garza county line, then, the county would build it on a mile or two farther to a connection with the Slaton-Post highway; and if the road west of Lakeview could be extended on to the Terry county line, it would connect up there with a State highway project from the west. With these gaps filled in, it should be easy to get the State to take over the entire new road clean across the county as a state highway.

Following this statement discussion became rather general. Some insisted on being given assurance that the State would actually build the Tahoka-Wilson-Slaton highway if we placed that baby in her lap. Two or three citizens expressed the feeling that Tahoka had acted selfishly and dictatorially when the road building program was launched. A few seemed to be looking for a "nigger in the woodpile;" but it is believed that the discussion resulted in the clearing of the skies and in a better understanding of the whole situation.

Nothing very definite was done at the meeting but in response to the demand on the part of some that assurance be given them that the road program would be carried out in precinct No. 1, Judge Garrard suggested that they could be assured, if the State did not build the Slaton-Wilson-Tahoka road, that the first state funds that came to the county would be used in precinct 1 to replace any of the county bond money that might have been given up by that precinct. That seemed fair and most of the dubious went home happy. It is believed.

H. T. Lindsey, who had been a patient in the Tahoka Clinic for ten days or more, was released and taken back to his home Tuesday his condition being much improved.

Miss Clara Payne Nordyke was here a few days between semesters at the Texas Tech and over the week end entertained three of her Lubbock friends, Misses Esie Burrus, Tinker Miller, and Nina Potts.

### Baptists . . .

(Continued from Page 1)  
great old inspirational hymns of the Church.

A quartet composed of L. D. Howell, Dr. K. R. Durham, H. P. Caveness, and Pat Hutchison of the Tahoka Church rendered a couple of numbers, with Mrs. Hutchison presiding at the piano, which brought a round of hand-clapping from the congregation, and a trio of Redwine musicians composed of Messrs. J. R. Montgomery and R. R. Luttrell and Miss Montgomery gave a couple of numbers on stringed instruments, which were exceedingly fine. Her sister accompanied at the piano.

Reports revealed that three former residents and pastors of this county who have won considerable distinction in the ministry will be in the county again conducting revivals during the simultaneous revival campaign. These are Rev. Vernon Shaw of Kerrville, formerly of Wilson and still having relatives there and at Tahoka, who will do the preaching in the revival at Wilson. Rev. Graves Darby, who was pastor at Wilson for several years and conducted a revival once in Tahoka, will do the preaching in the revival at O'Donnell. Rev. Lawrence Hays, who was pastor of the First Baptist Church here for two years and has since held pastorates at Snyder, Gatesville, and other places, will be the preacher in the New Home revival.

Dr. Cooper Waters, pastor of a Houston Church, will do the preaching in the revival to be conducted at the First Baptist Church here. The choir leader of the First Baptist in Big Spring, will direct the music.

Rev. T. L. Pond, new pastor at Redwine, will do the preaching there, and a number of other pastors will conduct the revivals in their own churches.

A "feed" of barbecued beef and beans, doughnuts and coffee, was served preceding the program Tuesday night.

The next associational Brotherhood will meet at New Home the last Tuesday night in April.

Carolyn Duckett, daughter of Mr. and Mrs. H. L. Duckett had her tonsils removed at the Tahoka Clinic one day recently.

### Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**"WILDFIRE" IS COMING**

### THE BEBE K. WARNER CLUB MET WITH MRS. PROHL

The Bebe K. Warner Club met Tuesday, January 28, at the home of Mrs. Emil Prohl.

The program for the day was on "Adventures with Music and Musicians." Mrs. J. K. Applewhite discussed some of the world's best known musicians, and Miss Betty Frazier gave a resume of the different styles and periods of music. Miss Frazier also presented a piano selection, "Indian Love Call".

New officers for the coming year were elected at this meeting. Mrs. Coy Fleider was elected president, Mrs. Paul Pittman, vice-president; Mrs. Travis Mason, secretary; and Mrs. Emil Prohl, corresponding secretary.

Refreshments were served to approximately twenty members and the meeting adjourned.

Mr. and Mrs. B. W. Baker of Wilson left on Thursday of last week for Winslow, Arizona, hoping that the climate there will be beneficial to his health. He suffers from asthma. If the climate proves favorable, they may reside there permanently.

### SORE THROAT—TONSILITIS YOU WANT QUICK RELIEF!

For prompt relief from pain and discomfort try DURHAM'S ANAETHESIA-MOP. It is a Doctor's Prescription combining a local anesthetic and a powerful germicidal dye in a pleasant-tasting solution. Powerful and effective, does not burn tender throat membranes and is safe for children. You must agree it is the best throat mop ever used or purchase price will be refunded. Generous bottle, with mop-sticks, only 80c at your druggist or at
