Clayton Lumber Yard Has \$35,000 Fire Damage

Fire of undetermined origin destroyed a large warehouse and approximately 300,000 feet of lumber, a small house, windmills and towers, and other small items at the Clayton Lumber Co. yard at about 3:00 a. m. Thursday. Loss was estimated at \$35,000 by Ted Clayton, owner, and was only partially covered by insurance.

The main lumber storage shed, 20 by 20 by 110 feet in size, was afire all over when discovered at 3 o'clock by Newt Smith, who lives nearby and who turned in the alarm. The fire evidently started at the north end of the building, and fanned by a high northeast wind rapidly spread to the entire building. Only material that can be salvaged from the fire area, the west side of the yard is some fire brick. Only very slight damage was done to the office building to the east.

The fire department was on the job very soon after the alarm was turned in and did a fine job in the cold snow and wind of preventing the fire from spreading to other buildings of the yard and near-by residences.

Clayton had just unloaded several cars and a number of truck loads of lumber in the sheds.

He announced that the sheds would be rebuilt as soon as possible. The yard was open for business immediately after the fire.

New VFW Officers Elected Monday

At a business meeting last Monday night, approximately forty members of the local VFW met and elected new officers for the coming year.

Mr. Melvin Leslie was elected Commander and will succeed W. V. McElroy. Bill Griffin was elected Senior Vice-Commander, succeeding Jim Woods. Kirk Pitts was elected Junior Vice-Commander, succeeding himself. Jackie Weathers was elected Quartermaster, succeeding Floyd Good. Bob Luttrell was re-elected Chaplain.

These newly elected officers will be installed into office at the next business meeting it is presumed by the News.

Seven new members were initiated into the local VFW last Monday night and were welcomed by all.

Approximately ten or twelve ladies were present at the Auxiliary meeting which is held on the same nights as the VFW.

Several business matters were presented, but only one or two were ever actually ever passed on by the members and the others are still to be passed on by the members which will have another business meeting next month.

Two Tahoka Girls In Honor Society At Texas Tech

Two Tahoka girls, Charlene Bucy and Johnny Margaret Price, who are students in the Texas Technological College, were recently accepted as members of Alpha Alpha chapter of Alpha Chi, a national honorary scholastic fraternity, being initiated with 106 others on Wednesday of last week.

These 106 initiates were selected from the upper ten per cent of the Junior and Senior classes, which means that both the Tahoka girls are making something of a record as students.

Tech chapter will be represented at the four-state regional meet to be held at Sam Houston State Teachers College in Huntsville on March 28-29. The chapter's annual banquet is scheduled in April.

Miss Bucy is the daughter of Mr. and Mrs. Fred Bucy and Miss Price is the daughter of Mr. and Mrs. J. G. Price. Both graduated from the Tahoka high school before entering the Tech.

Randle Hinkle, local high school student, is in the Seale Clinic with pneumonia.

Twenty-five Tahoka High School students, accompanied by two sponsors, Mrs. Paul Pitman and Mrs. Charles Stewart, last Saturday attended the Panhandle High School Press Association meeting held at West Texas State College, Canyon. Traveling by bus, they left Tahoka at 5 a. m. and returned at 9 p. m. During the day, they heard talks by Chas. A. Guy, editor of the

New H. D. Agent Is Coming Here

Announcement of the transfer of Miss Alta Mae Anderson to Hockley County as County Home Demonstration Agent effective March 17 has been made by Miss Kate Adele Hill, District Agent, Extension Service, A. & M. College Station. Miss Anderson succeeds Miss Fannie Brown Eaton, who has been promoted to the position of District Agent with headquarters at College Station.

The transfer to Hockley County carries with it an increase in salary for Miss Anderson.

Miss Edith Lois Wilson, Assistant District Agent of the Extension Service, will meet with the Commissioners Court of Lynn County on March 10 to discuss a possible successor to Miss Anderson. Miss Wilson is assisting Miss Hill in District 2 during the month of March while Miss Hill is engaged in an Extension research project on the effectiveness of Extension work in Lubbock County. Miss Hill's duties with this project make it necessary for her to remain at College Station during the month of March.

Former Citizen Buried At Morton

Mr. and Mrs. W. H. Crabb and family attended funeral services for her brother, P. E. Adams, at Morton, Cochran county, last Saturday.

Mr. Adams was a resident of Lubbock at the time of his death but had previously resided in Cochran county for a number of years and had served as county treasurer at Morton for three terms. He and family also formerly lived at Grassland and in Tahoka. He was in the employ of H. B. McCord here for a year or two.

Mr. Adams was driving along one of the streets of Lubbock Thursday morning of last week when suddenly he slumped over in his car and died almost instantly. He is supposed to have suffered a hemorrhage of the brain.

Had he lived until April 16, Mr. Adams would have been 41 years old. He and family had many friends here as well as at other places where they have lived.

Former Neighbors Plow Land For Friend In Hospital

Ten farmers of the Wells area have recently plowed the 304-acre field for Gene Riley, who has been confined to Tahoka Clinic for some time critically ill with a heart ailment.

Those assisting in "putting up" Mr. Riley's land were: Billie LeCebetter, Bill Henry McKenzie, Buck Cook, Quince Brandon, L. L. McKenzie, H. L. Cook, R. A. Taylor, T. B. Barton, Dick Franklin and W. J. Jordan. Mrs. H. L. Cook and Mrs. L. L. McKenzie cooked lunch for the men.

Mrs. Riley told The News that she could not find words to express thanks for this generous act, for the friends who have called at the hospital, and for the words of comfort, and other acts of kindness.

Mr. Riley was reported slightly improved Wednesday. He has been in the Clinic about three weeks.

Lubbock Avalanche-Journal, Miss Loula Grace Erdman, member of the WTC faculty and famous author, winner of the \$10,000 Dodd-Mead Redbook award, attended a luncheon, and participated in various discussion programs.

In the area contests, Nancy Ray Weathers won second place on an editorial, and Noah Lee Cromer won second on his sport column.

Snow Storm Brings Moisture To Plains

Snow which began falling at about 11 o'clock Wednesday night had totaled possibly three or four inches at 11 o'clock Thursday morning.

The snow was driven by a strong north wind and was difficult to measure. However, some of the snow remained in furrows and will be of some benefit to the soil. Indications were that the snow was not over.

The News' government weather gauge registered a low of 18 degrees Wednesday night.

Hollis Hill Starts New Building

Hollis Hill and son Paul, who have been operating an upholstery shop near the Clayton Lumber Yard, have started the construction of a building of their own on the northeastern corner of the old Parkhurst home block in West Tahoka.

The building will be 24 by 40 feet in size, facing the Brownfield highway. It is being constructed of grayish brown pumice blocks and will be a substantial and attractive little building. They plan later to stucco it and paint it white outside.

The Hill's formerly lived at Wilson. They came to Tahoka a few months ago and opened their business in the Clayton building.

Ag Boys Plan Trip To Fat Stock Show

Twenty-eight Tahoka High School Vocational agriculture boys, accompanied by their teacher, V. P. Carter will go to Fort Worth today to attend the Fat Stock Show. They will return home Sunday.

The boys will be furnished sleeping accommodations by the Fort Worth schools.

ATTEND LUBBOCK MEETING

Rev. J. W. Rosenberg, John Slover, M. M. Boyd, and J. M. Uzzle of the local Methodist Church attended the regular luncheon meeting of the Methodist Men's Club at the Lubbock Hotel Monday noon.

Men of the local church are considering organization of a similar club in Tahoka.

OVERCOMES HANDICAP

Victor P. Rals, despite loss of his hands in a land-mine explosion during the war, is no quitter in his work as a contact representative of the Harford, Conn., Regional Office of the Veterans Administration.

Lions Minstrel Tuesday Attracted Capacity Crowd

The Lubbock Lions Club Minstrel presented here Tuesday night under sponsorship of the newly-organized Tahoka Lions Club, drew a packed house in the High School auditorium. The production of the 60-member cast was definitely one of the best such shows ever presented here.

Special numbers by Rex Van, a former member of the "Two Black Crows" radio team, and Dallas Whaley, and men drew loud applause. Other numbers drawing unusual applause were: "Old Man River," sung by Ray Wells; "Old Black Joe," sung by Jimmy Stiff; impersonations by Parky Parkinson; "poems" by Elmer V. East; and other songs, dances, and novelties.

Miss Dorothy Lee Carmack, "Miss Lubbock" of 1946 and a student in Texas Tech, who hails from Tahoka, was the only feminine star with the company, and she received an excellent response from her songs.

Dr. Doyle D. Jackson was inter-locutor.

Ted Waggoner of the local club was master of ceremonies for the "olio," during which several specialty numbers were presented, including two songs by the local girls' quartet composed of Misses Joretta Shaw, Savannah Tunnell, Bobbie Cowan, and Billy Faye Anderson, accompanied by Frances Marion Haney, and a dance and a song by Mrs. LaVoyle Parker, all of Tahoka.

Pete Hegi, local club president, reports that the two clubs cleared about \$250.00, which will be divided equally between Lubbock and Tahoka clubs to advance their respective community service projects.

Legion Repairing Hall Interior

Work of redecorating the interior of the American Legion Hall was started last week end, according to Clint Walker, post commander.

Woodwork will be painted, new wallpaper put on all walls, asphalt tile laid on the kitchen floor, and other improvements made. It is likely that a new dask will be put on the exterior stucco later.

The Legion recently bought several items of furniture through the South Plains Army Air Field surplus set-up, including leather covered diwan and chairs, platform rocker, and a library table.

Local Girls Elected To District Offices In Homemakers

The Area II Future Homemakers held their annual meeting at Spur Saturday, March 1. Officers from Tahoka who attended the meeting were Claudia Randi and Lena Williams. Others attending were Nan Pennington and Velma Ruth Howell who went as candidates for Area and State officers.

Miss Nan Pennington was elected as Area II Recording Secretary and Miss Ruth Howell was elected as Area Two's only candidate for a State office.

The State Executive Council will act as a nominating committee to select nominees for new State Officers in April. Each Area has the privilege of sending one girl to run for a State office.

The girls had a full program all day at the Spur meeting. Claudia Randi read the new Area II Constitution which was written by students from Tahoka, Lamesa, and Friendship F. H. A. chapters. This constitution was adopted by the House of Delegates. Miss Lena Williams was the voting delegate from Tahoka and met with the house of delegates.

Miss Wright took the girls to Spur in her car.

Congratulations . . .

Mr. and Mrs. B. M. Jones on the birth of a daughter on February 26, in the Tahoka Clinic.

Mr. and Mrs. J. M. Owens on the birth of a son on February 28, at Tahoka Clinic.

President Truman Issues Message to 4-H Club Members

Harry S. Truman President of the United States

PRESIDENT TRUMAN has issued a message to all 4-H Club members, who are observing National 4-H Club Week, March 1-9.

The President said: "We are proud of your 4-H Clubs which are spread across our great Nation. They constitute an outstanding body of youth aiming to attain worthwhile goals in life. . . . 4-H Clubs have become a significant influence in developing the cultural, social and recreational, as well as the practical aspects of modern rural life. As a character-building influence they are unsurpassed."

R. M. Foster Dies At Portales, N. M.

Mr. and Mrs. Frank Larkin and children on Tuesday attended funeral services for her father, R. M. Foster, 72, who died of an attack of heart trouble at his home in Portales, New Mexico, at about 11:30 o'clock last Sunday night, New Mexico time. He had been seriously sick for some two or three weeks.

Mr. Foster had been living at Portales for a number of years but was a pioneer citizen of Lubbock county. Charley Brown of Tahoka had sold Mr. Foster two sections of land in the neighborhood of Slide many years ago. The Foster Church is situated on this land. Mr. Foster moved out to the land from Baylor county soon after he purchased it and later moved into Lubbock. He had many friends among the old-timers in Lynn county and some of them are still living here.

Surviving are the widow and seven children, Mrs. Larkin being the only one who resides in this county. Two daughters and a son reside at Portales, one son at Roswell and one at Phoenix, Arizona, and a daughter at Medford, Oregon.

McGlaun Is Asking Re-election Marshal

A. F. McGlaun Sr. has authorized the News to place his name in our announcement column as a candidate for re-election to the office of city marshal, in which capacity he has served for the past three years. He had previously served for a number of years as night watchman.

Mr. McGlaun states that if re-elected he will continue to give the same strict attention to his duties as he has undertaken to give in the past. He personally knows almost every resident of the town, small children excepted, and believes that he can certainly give better service than any inexperienced man can give. He will appreciate the support of the entire citizenship and will probably hand you a card between now and the election.

School Track Team Work-Outs Start

Forty High School boys reported for track work-outs Monday of this week in preparation for the coming Interscholastic League contests.

Coach Jim Poust requested that all boys who expect to come out for football likewise work-out with the track squad. Spring football training will follow immediately the track season.

V. P. Carter is coaching the tennis hopefuls, and Mrs. Roy Hicks is coaching the girls' volley ball teams.

Consolidation Will Be Voted On By Schools Saturday

Citizens of Tahoka, Redwine, and Dixie school districts will go to the polls Saturday of this week to vote for or against a proposal to consolidate the three school districts. Though prospects are that the weather will be bad, interested citizens are urged to vote their wishes Saturday.

Petitions were circulated in the three districts about two months ago asking for the election. On the petition of Redwine, the Draw-Redwine grouping for high school purposes had previously been dissolved by the county board. Dixie school students are already attending the local school on a contract basis.

Consolidation of the three districts carries with it action the pooling of their bonded indebtedness as well as resources, though little is to be gained or lost by any district in pooling the bonded indebtedness.

School boards of the three districts believe one school system can operate more efficiently and to the advantage of the three districts.

Also, an election has been called for March 15, Saturday of next week proposing the consolidation of Draw and O'Donnell districts.

If the three district vote to consolidate, it will become necessary to elect a new school board of seven members to represent the newly formed district.

City Election Is Planned In April

The city election is approaching and as yet there are no announced candidates for the office of mayor. Joe Bovell resigned on account of ill health a few months ago and V. F. Jones was elected by the city council as acting mayor to serve until the next regular election, which will be held on Tuesday, April 1. It is not known whether he will consent to run for the office or not.

The terms of two of the city aldermen also expire, V. F. Jones and W. O. Thomas. Neither has indicated publicly whether he will permit his name to go on the ballot for re-election to these offices.

The three aldermen whose terms do not expire are Dr. K. R. Durham, S. S. Bartley, and H. B. McCord.

A city marshal also is to be elected. Two candidates for that office have announced, the incumbent, A. F. McGlaun Sr., and Roy Lee.

The city secretary's term of office will not expire until April, 1948.

Roy Lee Candidate For City Marshal

Roy Lee has authorized the News to place his name in our political announcement column this week as a candidate for city marshal at the election to be held on Tuesday, April 8.

He will undertake to see most of the voters personally before election day but desires to state in this announcement that he will appreciate the support of every voter in the city. His only promise is to serve the people to the very best of his ability if elected.

Mr. Lee says he has been a citizen of Lynn county for about twenty years and has resided in Tahoka for ten or twelve years. He is a cousin of the late "Mack" Lee, who served as city marshal and in other official capacities for many years. He has a family, with two daughters in the high school.

He will appreciate your support.

NEW CITIZEN HERE

Mr. and Mrs. C. S. Klien have recently moved to Tahoka from Albuquerque, having bought the E. H. Boullouin home, and he will be associated with the Henry Maassen Feed and Produce. Mrs. Klien is Mr. Maassen's sister.

Mr. and Mrs. Boullouin, long-time citizens of Tahoka moved their household goods Saturday to Big Spring, where they are engaged in business.

MEANING OF BAPTIZ

Mat. 28:19

"What does baptize mean as used in this passage? Many honest people wanting to know the truth, will join in this study. In the passage, Christ commanded his apostles to baptize the taught. Christ sent

the Holy Spirit to guide the apostles into all truth, and to bring to their remembrance all he had commanded them. Jno. 14:25; 16:7-13.

Now neighbor take your Bible and let the Holy Spirit tell you what baptism means. It is said of Paul, "He arose and was baptized". Acts 9:18. Now let Paul tell us what it is to be "baptized". "Know ye not that so many of us were baptized into Jesus Christ, were baptized into his death; therefore we are Buried With Him By Baptism into death; that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life". Ro. 6:3-4.

To the Colossians Paul said, "Buried with him in baptism wherein also we are risen with him through faith of the operation of God". Col. 2:12. The Holy Spirit guided Philip when he preached to and baptized the eunuch. Acts 8:29-40. The Bible says, "They went down both into the water, both Philip and the eunuch, and he baptized him. And when they were come up out of the water, the Spirit caught away that the eunuch saw him no more, and he went on his way rejoicing".

"And Jesus, when he was baptized, went up straightway out of the water". Mat. 3:16.

"And John also was baptizing in AEnon near to Salem because there was Much water there". Jno. 3:23. Self Examination—2 Cor. 13:5.

When I received what I was taught was baptism:

"There was much water—Answer Yes or No." I went down into the water. Answer Yes or No. I was buried by baptism, answer Yes or No. "I came up out of the water, answer, Yes or No." "I was baptized for (unto) remission of sins, answer, Yes or No." "What then shall I do when God riseth up? and when he visiteth what shall I answer him".

Job. 31:14. Christ said, "In vain do they worship me, teaching for doctrines the commandments of men". Mat. 15:9. That all who read this column may turn from the doctrines

KNOW HOW YOU LOOK TO OTHER PEOPLE

Wouldn't you like to know how you look to others? That is exactly what H. D. women are learning to do through leaders training meetings held by Alta Mae Anderson, County H. D. Agent.

The agent held a training meeting Wednesday on clothing problems for leaders who have been selected by their respective clubs for the expansion of the leadership program.

In this meeting the leaders were instructed how to teach the things they learn. They will, as leaders in their clubs, give a program on what they learned at the training meeting.

The agent's primary goal this year is to develop more leaders, and one method or step in doing this is through training women to give demonstrations or programs in their clubs.

These leaders will be responsible for at least four club programs this year in relation to the expansion program in leadership.

SURPRISE BIRTHDAY PARTY GIVEN TWO LAKEVIEW LADIES

Mrs. L. H. Moore and Mrs. Roy Nettles were the guests of honor at a recent surprise birthday party in the home of Mrs. D. B. Wheeler of the Lakeview community. Mrs. Otto Briggs, Mrs. R. L. Northam, Mrs. Gilbert Northam and Mrs. Geo. Richey were assistant hostesses.

Forty-eight women from Lynn and Lubock counties were present. Mrs. P. W. Goad of Fort Worth, a former resident of Lynn county was present.

Mrs. K. Moore was in charge of the games that preceded the presentation of the array of gifts which manifested the esteem in which the honorees are held by the many friends present. Some who were unable to attend sent gifts.

of men and accept the Truth as it is revealed in the Bible is my prayer. Attend the services of the church of Christ in your community, you are always welcome. Continue to let me hear from you. In that way I know you are interested. Bible answers given to Bible questions.—Price Bankhead, Post, Texas, Rt. 3.

CITATION BY PUBLICATION

TO: James Monroe Vaughn and his children, born and unborn, living and dead and Francis Marion Vaughn and his children, born and unborn, living and dead GREETING:

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Boxing Team Goes To Post

The Tahoka boxing team will go to Post tonight for a return match with the Post team.

It is expected that some of the boys on Tahoka's team that did not fight last Friday night here will be fighting in Post tonight, and some of the boys that did fight last Friday night will not be matched.

The Tahoka team as a group are all showing considerable improvement from week to week and will be in top shape for the boxing tournament which will be held here on March 27, 28 and 29 of this month. However, tonight will be the team's last public appearance until the tournament.

SURPRISE BIRTHDAY PARTY GIVEN FOR MRS. BARTON

A surprise birthday party was given for Mrs. R. W. Barton Tuesday night, February 25 by her daughter Carolyn.

Musical pieces were played, songs were sung and games of forty-two were played in the blue and white decorated room of the Barton home.

After the entertainment, the gifts were presented to Mrs. Barton, who opened them for everyone to see.

After the gifts were displayed, Mrs. Barton cut the birthday cake and punch was served to all the guests.

The guests were Messrs and Mesdames B. O. Bingham and family, Roy Kelley and family, Monroe Turner, Price Bankhead, Vernon Turner and daughter, Glenn Wheatly and family, Tommy Winkler and Grady Woodward.

Mr. and Mrs. D. A. Barton and children removed from Tahoka Friday to Erick, Oklahoma. Mr. Barton came here some two years ago as manager of the Farmers' Cooperative Gin. For the past season he has been a traveling representative of the regional cooperative association. He and family had resided in Oklahoma prior to their removal to Lynn county some three years ago.

WEST POINT H. D. CLUB

The West Point H. D. Club met February 26 in the home of Mrs. George Claude Wells. Roll call was answered with "Suggestions For Improving My Club".

For new business, a candidate was elected for delegate to the T. H. D. A. The club voted to change the meeting date to the second Tuesday of each month. Plans were discussed for a benefit "42" party to be held in the near future. Mrs. Tom Hale and Mrs. Blain Ramsey will attend the demonstration on comfort making to be held in Tahoka March 25.

Mrs. Wilfred Schaffner gave a demonstration on consumer buying pertaining to brands and labels.

During the recreation hour games were played and refreshments were served by the hostess to nine members and one visitor.

The next club meeting will be March 11 in the home of Mrs. Blain Ramsey.

ALVIN SHAMBECK ENTERTAIN JOE-STOKES H. D. CLUB

The Joe Stokes Home Demonstration club members and their families were entertained in the Alvin Shambeck home Saturday night with a "forty-two" party.

The members and families included, Messrs. and Mesdames Homer Campbell, and Billy Joe and two daughters; Bunk Gill and Elva Jo and Robbie; J. H. Smith Jr. and baby; Tom Russell, C. L. Murray, Alvin Shambeck; Mrs. Lee Shockley and Wilda Ann; Mrs. Harley Parris and as a guest her mother, Mrs. Poindester from Lubbock; also from Lubbock were Mr. and Mrs. Lambert and Miss Wanda Martin.

A very nice time was enjoyed by all. Hostesses were, Mr. and Mrs. Shambeck, Mr. and Mrs. Smith, and Mrs. Lee Shockley.

CARD OF THANKS

I wish to express my thanks to friends who came in and cleaned up our house so nicely, also for the nice birthday dinner they prepared and brought in for my 73rd birthday. Respectfully—Mrs. W. J. Faires, Tahoka.

BAPTIST NOTES

At the meeting of the Baptist Brotherhood on Tuesday night of last week, that body unanimously indorsed a proposal made by the pastor that a move be started to build a mission in south Tahoka. Some fifty men, it is said, were present.

At the regular meeting of the Board of Deacons Sunday afternoon, the matter was considered by them and discussed at some length, after which they voted unanimously to make such a recommendation to the Church at its next conference and that a committee be appointed to make all necessary investigations and take such steps as might be necessary to push the matter to a conclusion. Fourteen deacons were present.

At the Sunday morning service, the pastor, Rev. Levi Price, stated to the Church that a bill authorizing pari-mutuel horserace gambling in this state had received the favorable action of a legislative committee and would be considered by the House this week. He thought that a telegram should be sent to our State Representative and State Senator protesting against the passage of the bill. A motion that the Church send such a telegram was carried without a dissenting vote and telegrams were sent accordingly on Monday morning.

The pastor in presenting the matter explained that he is strongly in favor of separation of Church and State but furthermore believes that the Church has a right to protest and should do so when the State undertakes to license immoral or vicious practices.

On Wednesday night, a reception was tendered all the new members of the Church, including all who came in during or immediately preceding the recent revival. A goodly congregation was present. It is the purpose of the pastor and the Church that these new converts shall be taught, in the regular services of the Church, in the Sunday School, in the Training Union, at the Wednesday night prayer service, the great fundamental teachings of the Bible.

It is generally conceded that Jesus himself was the greatest preacher and the greatest moral and religious teacher that the world has ever known. He came preaching the gospel of repentance, calling upon men everywhere to repent and to believe in him, teaching them how they might find entrance into the kingdom of God and have eternal life, healing their bodies, minds, and souls; and yet we do not find a single instance where he directed any inquirer or listener to go and be baptized in order to be saved. He forgave many individuals of their sins, but we have no record that he personally ever baptized anybody. Strange conduct, wasn't it? In the light of what some men are teaching today.

MRS. KAY MOORE ENTERTAINS W.S.C.S.

The Lakeview-Petty W.S.C.S. met in the home of Mrs. Kay Moore Monday afternoon at 2:30.

Following the opening song and prayer, Mrs. S. L. Williams brought the devotional from the 13th chapter of Hebrews.

The theme of the program was: Of Such is the Kingdom.

Mrs. C. W. Felty gave a talk on "Children in Their Church."

Mrs. Kay Moore's subject was, "Children Speakers."

The meeting was closed with a prayer by Mrs. B. B. Ater, the Lord's Prayer.

Those attending were: Mesdames C. W. Felty, D. W. Hancock, B. B. Ater, Kay Moore, S. L. Williams, Robert Poer.

LAKEVIEW-PETTY W.S.C.S. IS HOST TO MEADOW-NEW HOME

The Lakeview-Petty W.S.C.S. was host to the New Home and Meadow societies in the local church on February 21 at 2:30 p. m. to observe World Day of Prayer.

Following the song and prayer service, members from each society gave a talk appropriate for the occasion, Mrs. Herschel Belyeu and Mrs. Gene Roper from New Home, Mrs. H. C. Boyd, Mrs. J. A. Wheeler, and Mrs. C. W. Covington from Meadow, and Mrs. Robert Poer and Mrs. S. L. Williams from Lakeview-Petty.

Five members were present from New Home, six from Meadow, and seven from Lakeview-Petty.

HORSE RACE GAMBLING
 The horse racing gamblers of Texas are getting in their work. Hadn't heard about it? Didn't you read that news story from Austin that appeared in some of the daily papers last Friday?

Well, here are some excerpts from the story, dated February 27.

"The House State Affairs Committee today stamped unanimous approval on a bill to legalize horse racing and pari-mutuel betting in Texas.

"Well known Texans appearing in favor of the bill included General Jonathan Wainwright, Robert J. Kleberg of the King Ranch, Fred Wyse, Houston horse breeder, and G. R. White of Brady, President of the Texas A. & M. board of directors.

"No testimony was presented in opposition.

"Rep. John Bell of Cuero, author of the bill, estimated that once the tracks are in operation they would bring 10 to 12 million dollars annually into the state treasury. The State would take five per cent of all money bet, 10 per cent of all admission tickets, and levy license fees on jockeys and trainers."

The bill in effect offers two bribes for the favorable consideration of the people of Texas, one a lump sum of ten or twelve million dollars in taxes to those who have no intention of attending the races or of placing bets thereon; the other bribe is the proposal to distribute this lump sum equally among these four classes, to wit: teachers (retirement fund), dependent children

of war veterans, the needy blind, and old age pensioners.

But, let's figure a little. How much would it cost the people of Texas to raise this lump sum of ten millions dollars? On the five and ten per cent basis provided in the bill, admission fees and bets would have to amount to at least 150 million dollars, which somebody would have to pay. That is a pretty expensive method of collecting 10 million dollars in revenue, isn't it?

You reply that these admissions and bets would be purely voluntary and that no person would be required to attend or bet on the races. That is true, but the purpose of the whole scheme is to induce as many persons to attend and to bet as would be possible. People can become excited and crazed over a bunch of horse races as over nothing else in the world.

And the tragedy would be that thousands and hundreds of thousands of people would place bets when really they could not afford to lose the money—and then, they would lose. At least half of them, and probably far more than half of them, would lose. Many unpaid debts, families in rags and hunger, little peculations, frequent cases of embezzlement, and here and there a suicide would ensue. They always do.

Worse than all this, our people would come to live, move, and have their being in a gambling atmosphere. Thousands of children would be trained up to gamble habitually.

Yes, the operators of the business, and the big gamblers, would prosper. In fact, if the bill is enacted into law, it will be enacted solely for the benefit of the big professional gamblers and the operators. They have failed time and again to put the proposition over heretofore, but it looks as if they might do so this time. Did you notice that little line in the news story: "No testimony was presented in opposition?" The moral forces of Texas seem to be asleep at the switch.

What can we do about it? Write Representative Preston Smith. Write Senator Sterling Parrish. Write other legislators you may know. And circulate petitions and send them in. Quick!

We do not know what additional facts may have been revealed or what remedial action may have been taken when this paper reaches the reader, but certainly enough has been brought to light to convince the people of Texas that the board of pardons and paroles has been using very slipshod methods, to say the least of it, in granting or recommending paroles and pardons

in this state. By the admissions of the chairman of the board himself, a number of very "glaring mistakes" have been made. When any such board turns loose on the people a bunch of hardened criminals who have been sent to the pen to serve long terms after they have served only a short time, and especially where the convicts have been sent up four or five times, then something appears to be rotten in Denmark. We have seen no evidence to the effect that any member of the board has acted corruptly but some of them have been indiscreet to the point of recklessness in handing out pardons and paroles. We feel that the chairman of the board should resign—that his resignation should be demanded if he is not liable to severer punishment.

Sidelights From Washington

By George Mahon
 West Texas wheat and grain sorghum producers have long known of the critical box car shortage, but not until recently has the nation as a whole felt the full impact of the shortage. Officials in Washington tell us that we are being threatened with a national calamity because of the shortage of box cars.

It is claimed by Monroe Johnson, a member of the Interstate Commerce Commission who appeared before our Committee on Appropriations the other day, that many manufacturing concerns will have to slow down production or close entirely because goods are piling up and transportation is not available. He predicts that this sort of thing might easily precipitate widespread unemployment and economic chaos.

Among shipments most seriously affected by the box car shortage are those of grain and newsprint, but nearly all items of commerce are now affected to some degree. A cut of approximately 40% in the production of flour milling concerns has been necessary, and some daily papers foresee the possibility of having to temporarily suspend publication.

The railroads did a great job during the war, but the fact is that since V-J Day, box car loadings have increased each week over the corresponding week of the previous year, and loadings are now at an all-time high. In the face of this great transportation demand, the number of box cars is decreasing rather than increasing. 40,000 new cars were built last year, but 59,000 became unfit for further service. One-third of all box cars in service are over 26 years of age, despite the fact that the average life of a box car is supposed to be only 25 years. A single box car costs about \$35,000. There are 22 factories in the United States which are engaged in the production of these cars.

There is now a definite ray of hope that decisive action will be taken to meet the situation. Senator Reed, Chairman of a Senate

Committee investigating the box car shortage, called a conference of railroad presidents, steel manufacturers and Government officials which met last week in an effort to work out a plan for increasing the production of box cars. At this meeting agreements were made between steel companies and manufacturers, and we are now promised box car production at the rate of 7,000 per month for the present, which should increase to 10,000 per month in the near future. Even so, it will take about a year for production to catch up with demand.

Our Committee on Appropriations has approved a request for \$130,000 for the Office of Defense Transportation, which will have a part in expediting the production program.

The proposed box car program is important to West Texas. A portion of last season's grain sorghum crop is still lying on the ground deteriorating because of the unavailability of box cars. The accelerated program for box cars is going to help, but unfortunately, it appears that box car difficulties will continue to plague us through the 1947 crop year.

I voted for a House Resolution which was approved last week and which provides for a continuation of the Committee which has been investigating the newsprint shortage. Newspapers have been confronted with both transportation

ANNOUNCE NEW NATIONAL 4-H AWARDS PROGRAM
 Announcement has been made of a brand new national 4-H home improvement awards program for 1947. Among the program's objectives are to encourage club members to gain a knowledge of principles and materials involved in making the home more attractive and convenient at minimum cost; develop skill in painting and simple carpentry, and plan home improvements for beauty, comfort, health, privacy and safety in keeping with the needs of every member of the family. Participants will demonstrate to others what has been learned relative to home furnishings, arrangements and interior decorating practices.
 Both boys and girls who are bona fide members working under the supervision of the Extension Service and enrolled this year in a 4-H home improvement project or activity may participate.
 Merit awards on county, state and national levels are provided by Sears-Roebuck Foundation. County winners will receive silver medals of

honor. The state winner's award is an educational trip to the National 4-H Club Congress, Chicago, next November. Eight selected state winners will each receive the national award of a \$200.00 college scholarship.
 County extension agents will furnish complete information regarding this new program.

STATE TEACHERS ASS'N. MEETING IN LUBBOCK
 A District Texas State Teachers Association meeting is to be held in Lubbock at the Lubbock high school next Friday, March 14. It is likely that all teachers in Lynn county will attend this meeting and schools will all be closed on this date. The News has no confirmation of this statement.
 Jean Riley, who has been a patient in the Tahoka Clinic for two or three weeks, is reported to be improving.
 John Jackson is confined to his room by some trouble in one of his knees.

Rotary Banquet Thursday Night
 As The News went to press on Thursday night, the Rotary Club was holding its Ladies Night program in the school gymnasium. A fun program had been arranged for the occasion.

National farm income for January and February of this year was about one third higher than for those two months in 1946, the U. S. Department of Agriculture reports.
 Texas grapefruit production for this season is now estimated at 25,000,000 boxes of grapefruit—one million boxes more than the 1946 production.
 Chickens in Texas produced 191 million eggs during the month of January.
 U. S. farmers borrowed 615 million dollars in 1946 from production credit associations.

GEORGE MAHON WAS ENTRUSTED WITH ATOMIC SECRET DURING THE WAR
 WASHINGTON, D.C. (Sp.)—The chairman of the 23-man Texas congressional delegation for the next two years is Rep. George Mahon of Colorado City.

It is the duty of the friendly 46-year-old, Sunday school teaching legislator to get his fellow Texans together whenever anything arises affecting Texas and on which they may wish to take action as a body. Mahon's selection as chairman came from the fact that he had seniority (he entered congress Jan. 3, 1935) over all other members of the delegation except those who previously served as chairman. Every two years a new chairman is selected, and the man with the most seniority who has not served previously takes over.
Committee Member
 Mahon holds a high spot on one of the two most important committees in the House—the Appropriations Committee. The other is the Ways and Means, or tax-making body.
 Considering the ages of the three Democrats who outrank him on the committee, the tall Texan stands a good chance of heading the committee two or four years hence—(1) he is reelected and (2) the Democrats regain control of the House.
Atomic Secret
 Mahon was one of the three members of the Appropriations subcommittee on military affairs who were entrusted with part of the secret of the atomic bomb before the first one was dropped on Japan. The War Department had to take some of the congressional leaders into its confidence in order to get the billions of dollars required for the bomb's development.
 Married and the father of a 19-year-old daughter, Daphne, who is in Duke University, Mahon teaches a mixed class of young adults at the Mount Vernon Place Methodist Church in downtown Washington. His substitute teacher, when he goes home during recesses, is another Texan—Talma Smith of Clarendon. Smith is one of the official reporters assigned to take verbatim transcripts of committee hearings.
Swell Guy
 His colleagues describe the 6-foot 2-inch Colorado City representative as a "swell guy" who manages to keep on friendly terms with all kinds of groups. By reason of his position he sometimes finds himself in cocktail parties and receptions at which liquor is served, but he does not drink. His favorite sport is golf.

SPRING ENROLLMENTS AT N.T.S.T.C. SHOW INCREASE
 DENTON, Texas—Official enrollment figures at North Texas State Teachers College this spring show an increase over the fall total with 3818 students registered. The fall count was 3808; and with 687 new students added to the list, the total for the school year has climbed to 4505, according to administrative officials.

For the first time in the history of the college, the spring enrollment has passed the fall count with both the fall and spring semesters passing the record marks for registration. Dr. W. J. McConnell, president, has pointed out. Of the spring total, 1,716 are veterans registered under the GI Bill of Rights.

 Choir rehearsal is held each Thursday evening at 7 p. m.

U. S. Divorce Rate Climbs to New Peak

One in Three Marriages on Rocks, Report Says.

WASHINGTON. — One American family broke up for every three—approximately—that were formed last year, federal security agency reveals.
 More than 502,000 marriages ended in divorce courts in 1946, an all-time record representing a 25.5 per cent rise over the previous peak divorce year, 1944.
 The divorces were 31 per cent of the marriages, which totaled 1,618,331 last year or about 8.7 per cent below Cupid's biggest year, 1942.
 FSA's study, the first federal reporting of divorce statistics, generally steers clear of interpretation save to show that both marriage and divorce rates rise with prosperity, wartime or otherwise, and fall with depression.
 "The marriage rate is the more sensitive of the two, since a marriage contract can be entered into more readily than it can be dissolved," FSA observes.
 For lonely hearts there are few ches except this. The marriage rate is consistently higher in the West and South than in the rest of the country.
 "The South and the West are seen to be competing for first place, with the South leading six years out of the last nine. The West, however, provided the highest annual rate for any region when it reached 18.5 (for each 1,000 population) in 1942."
 Divorce rate has nearly doubled in nine years, FSA reported. Fairly steady at 1.9 divorces per 1,000 population in 1937-39, it climbed to 3.6 in 1945.
 The ratio of divorces to marriage also soared from 17.8 divorces per 100 marriages to the 1945 total of 31 divorces per 100 marriages.
 Except for the depression years, the divorce curve in the United States has gone up virtually without interruption since the first estimate—72,062—was made in 1906.

U. S. Armed Strength New Totals 2,300,000
 WASHINGTON. — The United States—just a little more than a year since Japan's surrender—has 2,300,000 men under arms.
 The war machine which helped crush Germany and beat Japan now is down to about a sixth of its peak fighting strength. And it is going to shrink some more during the next nine months.
 On September 1, 1945, the United States had approximately 12,100,000 men in uniform. By June 30 next, the armed forces are slated to drop to around 1,615,200 and to stay close to that level.
 The armed forces are counting, however, on maintaining trained reserves of several million men.
 Despite the comparatively small size of the armed forces, they still are considerably larger than before the war, when the army and navy together mustered less than 450,000 men.

Flying Farmers Dance At Airport Tonight

The Lynn County Flying Farmers are sponsoring a dance here tonight which is to be held in the main hangar at the Tahoka Airport.

Music will be furnished by Jake Miller and his Mustangs. This band is heard daily over Lubbocks radio station KSEL and are famous for their recordings as well.

The dance is open to the public and will start at 8 p. m. and will continue past 12 midnight.

According to advance ticket sales, a large crowd is expected to attend this big affair tonight.

BAPTIST WOMEN OBSERVE WEEK OF PRAYER

The Southwestern week of Prayer for Home Missions is being observed by the Baptist W.M.S. this week and an all day meeting will begin at the Baptist Church at ten o'clock this morning.

Every woman who is interested in Missions should bring a covered dish and attend this all day meeting. Mrs. Levi Price will review the book "Shining Like The Stars".

SHOW AT EL PASO THIS MONTH

EL PASO, March 6.—The Southwestern Livestock Show called on all junior exhibitors of fat calves, sheep and swine today to send in their entry blanks for participation in the 18th annual exposition, which will open here March 25 and continue through March 30. The show is being confined to rat stock and horses this year, and entries on file point to an outstanding array of prize animals to be shown by members of the Future Farmers of America and 4-H Clubs from all over the Southwest. The auction sale will be held March 28.

Professional exhibitors of Quarter Horses and Palominos will participate this year, and the show will also include a poultry division.

The Southwestern Championship Rodeo will also open on March 25. There will be five evening performances, with one matinee to close the event on March 30. Verne Elliott will again produce the Rodeo, and Cy Tallon will be master of ceremonies.

Mrs. S. A. Mensch is a patient in Tahoka Clinic, becoming ill Wednesday of last week with pneumonia.

TAHOKA BOYS TO PREACH AT O'DONNELL CHURCH

O'Donnell Index-Press Two of the youngest preachers you have ever had the privilege of seeing and hearing will preach at the local Methodist Church Sunday night.

The two 15-year-old boys are William E. Ware and Charles Fulkerson, both of Tahoka.

The young men were licensed to preach in the District Conference at Brownfield last Friday. The pastor has invited them and their families to be our guest Sunday night. Both of these young men will speak. We invite the young people, especially, to hear these two young preachers. They will be a help and inspiration to everyone.

N.T.S.T.C. FOOTBALL SQUAD TO TRAVEL NEXT SEASON

DENTON, Texas.—With grid contests scheduled with the University of Florida and the University of Chattanooga, the 1947 North Texas Teachers College Eagles will become the most traveled football team in Texas this fall.

Athletic Director Theron J. Fouts, along with Head Coach Odus Mitchell and Assistant Coach De Walker, have announced that the Eagles will meet the University of Florida at Gainesville or Tampa, Fla., on Oct. 5. The Dentonites will journey to Chattanooga, Tenn., for a game with the Chattanooga school Nov. 29.

Mitchell and Walker are expecting 26 of 28 1946 lettermen to return for the 1947 season. Last year the Eagles won the Lone Star Conference crown and downed Coach Alonzo Staggs' College of Pacific Tigers 14-13 in the first annual Optimist Bowl in Houston, Dec. 21.

GRID PROSPECTS LOOK "PRETTY" AT N.T.S.T.C.

DENTON, Texas.—Grid prospects for 1947 at North Texas State Teachers College are looking "pretty" for Coach Odus Mitchell and the 1946 Lone Star Conference NTSC Eagles with the enrollment of Bill Cromer of Texas University, Richard Nutt of Tulane University and Big Bob Terry of West Texas State.

Cromer, a Denton boy, was an outstanding back for the University of Texas the past season. Nutt, who lettered last year at Tulane and played with the great San Diego Navy eleven and with the Maryland Torpedo Base, was also crowned national AAU light-heavyweight boxing champion in 1945 and won the eastern championship Golden Gloves light-heavyweight crown in Madison Square Garden.

Terry, 1946 All-Border Conference Tackle, lettered two years at West Texas State.

NEW NIGHT WATCHMAN APPOINTED AT O'DONNELL

According to this week's issue of the O'Donnell Index-Press Mr. Jim Christopher had resigned his position as night watchman effective March 1. C. W. Brush, formerly of Slaton was appointed to that position by the City.

Uncle Jim has served his home town faithfully and loyally for many years in that capacity and the Index joined all the other citizens in expressing their appreciation of his long and faithful work.

PROCTOR TO BE PART OF AAF ECLIPSE EXPEDITION

O'Donnell Index-Press FORT WORTH—1st Sgt. William Lee Proctor of O'Donnell, has been detailed as a 1st Sgt. of a photographic squadron participating in a joint AAF National Geographic Society Eclipse Expedition in Brazil, South America. The expedition is expected to last approximately 102 days with the projects headquarters in Rio De Janeiro.

FARM NEWS

From the County Agricultural Conservation Committee

Clint M. Walker, Sec. Lynn Co. A.C.A.
Beginning last week Lynn County farmers have received to date more than \$71,000.00 in 1946 Soil Conservation payments. This represents less than half the amount that will be received by our farmers since the total will amount to approximately \$170,000.00. The bulk of this payment will be for carrying out the soil building practices contour farming, terracing, and leaving stubble on the ground as a protection against wind erosion. These checks will come direct to the farmer and will not be handled through the local A.A.A. office.

Many farmers have been asking about the practice of deep plowing of sandy crop land to prevent wind erosion. This practice was set up for farms that are sandy and the land needs to be broken deep enough to bring the clay to the top and hold the shifting top layer. It must be broken at least 10 inches deep and must be done with a mole-board plow at least thirty days prior to seeding. The rate of payment is \$1.50 per acre and you must secure prior approval of the county committee before the practice is begun.

If you expect to qualify for the practice of contour farming in 1947 be sure that you secure your prior approval from the county committee at the A.A.A. office before you commence your planting and in no event later than May 1, 1947.

Several farmers have come into the local A.A.A. office inquiring about their application for payment for 1946. No record of a prior approval being issued could be found and therefore there can be no payment made where the producer failed to secure a prior approval. This is an unfortunate happening, but we at the A.A.A. office must keep records of all the money spent and are unable to go back and issue a prior approval for 1946.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

BOYCE HOUSE

Your columnist has been interested all his life in public affairs. Away back yonder in the seventh grade, I lived in Mississippi, famed for its political oratory, and heard some of the spellbinders of the era that produced Senators James K. Vardaman and John Sharp Williams. Then, in high school days in Memphis, Tennessee, I heard William Jennings Bryan, Senator Bob LaFollette (the original) and former Governor Malcolm R. Patterson, the greatest political orator I've ever heard.

The subject of keenest interest to me in high school was debating. Our coach was a young red-headed, dynamic teacher from Texas, James Leonard Highsaw, who used to live in Delta and Collin counties. I took every subject he taught: economics, government, history and sociology. Then, after school three of his favorite "boys" would meet in his room and we would prepare for our next debate until it grew too dark to see.

We debated such subjects as the one-house legislature, initiative and recall, capital punishment, government ownership of utilities and the tariff.

We had two literary societies and debated within our society, also in inter-society contests and with other high schools. My two colleagues on the high school team were orators. Sterling Tracy won the State high school oratorical championship and, in the University of Wisconsin, he won the oratorical championship of the "Big Ten". Clifford Davis is about to begin his fourth term in Congress. Your columnist lacked the speaking ability of these two and so tried to make up for this deficiency by studying, extra hard, on the subject. In the rebuttal, where the speaking has to be extemporaneous, I used to attain a speed of 200 words a minute. The other boys were generous and elected me captain of the team.

TAX STATEMENT TO THE PEOPLE OF LYNN COUNTY

On January 1, 1947, a total of \$43,162.63 was outstanding on the 1946 tax roll to be collected for all agencies of the County and the State.

Of this amount \$33,512.30 was collected up to January 31, 1947. It is believed that by the time the 1946 tax roll is closed that a large percent of the taxes outstanding will be collected according to Frank McGlaun, Jr., Tax Assessor-Collector.

The penalty and interest on tax payments is only 1 1/2 percent for this month, and if payments are made now instead of later, considerable interest will be saved as the penalty and interest grows each month Mr. McGlaun stated.

F. H. A. NEWS

The Future Homemakers of Tahoka are making plans to send their officers to Spur Saturday, March 1, to an Area 11 meeting. Along with their officers, candidates for Area and State offices will go. Nan Pennington will go as a candidate for Area 11 Secretary, and Velma Ruth Howell will go as candidate for State President.

These girls have been nominated from the local chapter as their representatives.

The officers will take the new constitution for the Area that was rewritten here last month. It will be voted on to see, if it goes into effect at the first of March.—Reporter.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

VISITING MINISTER APPRECIATES PUBLICITY

After having twice expressed his appreciation to the editor personally before leaving here, Rev. Cooper Waters of Houston, who did the preaching in the recent revival at the Baptist Church here, was thoughtful enough after he arrived home to write back and again thank the editor for the publicity given the meeting through the paper. "The amount and kind was unusual," he stated, "and I deeply appreciate it. It helped the meeting to a great degree." Of course he referred to the news stories, the full-page ad. having been inserted at the instance of Pastor Levi Price and the associational board.

While the free publicity was given mainly because of its news value and in keeping with our policy in such matters, yet it was most gratifying to have this expression of appreciation from the visiting minister. He did a fine work here and exhibited a fine spirit throughout his stay in our town.

You needn't be psychic to discover that one refrigerator is different from all others. Listen to a Servel Gas Refrigerator. You won't hear even a whisper! Look at its freezing system. You won't find a single moving, wearing part! The Servel Gas Refrigerator stays silent, lasts longer because a tiny gas flame takes the place of valves, pistons, pumps. There's no machinery to wear or get noisy. Permanently silent, the Gas Refrigerator brings you wonderful modern conveniences too... Room for frozen foods, for tall bottles... And just the right temperatures for meats and vegetables.

Go and see the new Servels at your dealer's store right now. Not enough for everybody, of course, but more are arriving every day. And the Servel Gas Refrigerator is worth waiting for.

SERVEL IS DIFFERENT...
NO NOISE!
NO MOVING PARTS TO WEAR!
LONGER LIFE!

Tahoka Boxers Take Post 14-2

The Tahoka high school boxing team really had a field day last Friday night, winning 14 out of 16 bouts. The local boys scored 9 TKO's and 1 KO, winning the other four by decision.

The Post lads that won scored one by a TKO and the other by a decision.

The Post team had a few good looking boys and with a little more training and a few more fights behind them will probably show considerable improvement.

Post has a couple of colored lads that are on the Post boxing team and they both looked pretty good, but both were defeated by a couple of the local boys.

Carroll Light, 84, lost to Lynn Halameck, 79, decision.

Dan Brown, 83, Post won over Billy Leeper, 83 via the TKO route.

Wayne Thomas, 97, Post was decided by Bill Burkhart, 93, Tahoka.

Don Carpenter, 150, Post, lost to Duane Howell, 147, Tahoka, by a decision.

Ned Underwood, 88, lost to A. W. McClellan, 91, Tahoka, decision.

Raymond Jenkins, 100, of Tahoka scored a KO over Jackie Hays.

Duane Driver, 116, won a TKO over Post's Roy Farris, 114.

Lonny Walls, 117, Post, decision Bobby Tippit, 117, of Tahoka. This is the second and last fight Post won for the night.

Jack Reed, 124, TKO'd Ed Teel, 123, Post.

Jim Chapman, 124, TKO'd Post's Kenneth Pinchum, 127.

Billy Earl Anderson, 136, TKO'd Billy Baker, 129, Post.

Bobby Boyd, 132, TKO'd Barry Ford, 132, Post.

Joe Palmer, 133, TKO'd Charles King, 131, Post.

Van Brookshire, 137, TKO'd A. J. Lewis, 136, (colored), Post.

W. J. Kahl, 149, TKO'd Jack Hair, 146, Post.

Randal Hinkle, 162, TKO'd Cal Stevens, 160, (colored), Post.

Some of the TKO's listed above were KO's, but since the Post coach stepped into the ring and the referee stopped the count before he had completed it they were only counted as TKO's.

DIXIE W.S.C.S MEETS

The Womens Society of Christian Service met Tuesday, March 4, 1947 at 3 o'clock in the home of Mrs. G. E. White.

The Devotional taken from the 15th chapter of John was given by Mrs. G. E. White, followed by prayer by Mrs. J. E. Peters.

The lesson on Christian Stewardship was discussed by members. "Stewardship of the Person" by Mrs. Elmer McAllister, "The Solution of Present Problems" by Mrs. E. R. Tunnell, "The Family and Government" by Mrs. T. D. Lishman, and "Races and Nations" by Mrs. C. E. White.

Members present were Mesdames: Lonnie King, J. O. King, E. Evans, Elmer McAllister, H. C. Fountain, Edna Vandye, Grady Gore, J. E. Peters, Earl Tunnell, G. E. White, Charles Schulz, T. D. Lishman, Mrs. J. O. Allen, the president, was unable to attend due to illness of the family.

The meeting was closed by prayer by Mrs. E. Evans.

The next meeting will be in the home of Mrs. H. C. Fountain March 18.

Mrs. J. R. Mayo and son Floyd of Cedar Park, Williamson county, have been in this vicinity since Thursday of last week visiting friends and relatives, including her mother, Mrs. J. R. Hammett of Post, a son living in Lubbock, a friend Mrs. A. F. Everage of the Gordon community, and others. Mrs. Mayo formerly lived at Welton.

Vicky Hamilton, daughter of Mr. and Mrs. Ed Hamilton, had her tonsils removed in the Tahoka Clinic on Tuesday.

Classified Ads Save You Money.

Community Center Is Needed Here

The local American Legion, and V.F.W. have both presented plans to their members to build separate meeting halls for their own individual use, renting them out to other organizations for meeting and other social events.

Now there is nothing in particular wrong in that but, We think both of the organizations are missing the boat all together.

Why not all civic and service clubs of Tahoka pool their funds and resources and effort toward building a "Community Building". The City could donate the property, Rotary, Lions, American Legion, VFW, Chamber of Commerce, and possibly other clubs could furnish the funds to build a large building that would be a credit to the city and all the organizations concerned.

Two or three meeting rooms and couple of baths with showers, a big kitchen, and one room large enough that any organization could have a huge banquet, dance, basketball game, or most any thing else that they desired to have could easily be held in this large room.

Juvenile delinquency would be cut down to practically nothing if a little equipment like boxing gloves, punching bags, basketballs, volleyballs and other athletic equipment could be purchased for the use of everyone in the community.

A movement has been started to build a football stadium. We see no reason why both of these projects could not successfully be put over if all the local service clubs and organizations would get together and really get down to work and all pull together.

We sincerely believe that both the American Legion and VFW are both missing the boat by trying to build their small individual homes when such a big opportunity to really be proud of is being bypassed.

Mrs. Laetie Smith was released early this week from Tahoka Clinic, where she had been confined for a week with pneumonia.

The Lynn County News has just received a new shipment of ADDING MACHINE PAPER ROLLS.

Churches Report On Recent Meetings

Rev. Levi Price has furnished the News with the results reported in nine of the churches engaged in the recent simultaneous revival campaign in the Brownfield Baptist association.

These reports show that in the nine churches reporting there were 173 additions by baptism, 132 by letter, and nine other conversions. The churches reporting include O'Donnell, Wilson, New Home, Redwine, and Tahoka in Lynn county, and Meadow, Tokio, Gomez, and Brownfield in Terry county. Several other small churches were engaged in the campaign but the Tahoka pastor had received no report as to the results in them.

SPECIAL SERVICES AT METHODIST CHURCH

Last Sunday there were two unique services at the Methodist Church. At the morning hour the Junior Department of the Sunday School occupied the Choir and sang the special music of the hour. This group is made up of some of the best singers of our church and they sang excellently.

At the evening hour something very unusual happened. The music of the hour was led by a Men's Choir of 35 voices. The opinion of the congregation was that they should do it again and soon. By the way, the congregations were good at both of the services.

REV. GEO. E. TURRENTINE WRITES FROM ABERNATHY

The News this week received a card from Rev. Geo. E. Turrentine, now pastor of the Methodist Church at Abernathy, regarding his paper, and he stated incidentally: "We are happy and busy here, with a new building and new faces almost weekly in our church and community. Being between two oil fields will no doubt continue to make our community grow, especially the flowing well to the northeast of us."

"We still remember our good friends there and plan to get down some day to see all of you.—Cordially yours, Geo. E. Turrentine."

SLATON METHODIST LADIES GIVE PROGRAM HERE

The Wesleyan Service Guild met Monday night for their first meeting of the month in the basement of the Methodist Church. They had as their guests the Wesleyan Service Guild from Slaton.

At eight o'clock a lovely dinner was served to the eighteen ladies present. The dinner tables were laid with white cloths, and decorations of red roses and greenery were used.

After dinner the meeting was called to order by Mrs. Ted Terry, President of the local Guild, and was then given over to the Guild members from Slaton, who brought a most interesting lesson. The Devotional was given by Mrs. J. W. Chewoweth, and was based on the Parable of The Good Samaritan. Mrs. C. E. Jensen brought the program, and it was on the Children of our Church and what can be done about their problems. Mrs. Lang, President of the Slaton Guild, gave a brief summary of the duties of each officer, supported by Miss King, a district officer of the Guild.

We had with us three visitors. They were Mrs. Pete Ware, Mrs. Rob Cathcart and Mrs. Florence Cowan.

Our next meeting will be March 17. The place has not been decided yet.

Grassroots . . .

By Bill Griffin
County Agent

Spring is just around the corner and about this time each year, rabies outbreaks begin to appear.

Realizing the seriousness of rabies among dogs, and the fact that it may spread to livestock, attention is called that this disease justifies the best efforts of Lynn County residents in controlling and preventing such an outbreak.

Watch dogs and livestock closely during this season of the year and notify the county health officer or the Livestock Sanitary Commission, State Veterinarian 2003 W. T. Waggoner Building, Fort Worth, Texas if the need arises.

Billy Ray Smith and Richard McNeely, Presidents of the New Home Junior 4-H Club and Tahoka Junior 4-H Club respectively, will be presented on a 4-H club radio program Monday, March 10.

Their program will be built around the National 4-H week theme, "Working Together for a Better Home and World Community."

In using any insecticide on your garden this year you'll get better results by applying it just as sparingly as possible. Too many of us often use too much poison on our plants. We put a lot of poison on a plant without much regard to get a complete covering. Try to apply a light coating over the entire plant.

Giving a few warnings on the use of insecticides: Do not use DDT or calcium arsenate on your leafy vegetables.

Mr. and Mrs. J. L. Cunningham have returned from Caddo, where they had been at the bedside of a brother-in-law who was critically ill. They left him in serious condition but felt that they must return home. Before leaving there they dropped a card to the News on the reverse side of which was a picture of a portion of the Possum Kingdom dam and of the beautiful lake which it impounds. Makes us want to go fishing.

New Home News

By Mrs. A. L. Pace

The New Home Parent-Teacher Association met February 27 in a regular meeting. Mrs. Durwood Unfred gave a talk on Visual Education. Mrs. Unfred related that the major aim of the PTA is the welfare of childhood education. Motion pictures plays an important part in the child's education. It is important for the parent to help the child select the picture for him to see. Various magazines such as the Times, Parent-Teacher, Good Housekeeping will help the parent to choose the picture. After the child sees the picture the parent should take time to sit down with the child to evaluate the picture.

Mrs. Unfred showed pictures of Cologne, Germany; she showed the great cathedrals and other great architectural buildings of Cologne. She showed a film of the Grand Canyon in technicolor.

A group of New Home people left for a fishing trip to the Leon River near Carlton last Friday morning. The men were E. R. Blakney, Joe Mack Armontrout, Charles Armontrout, Dwight Corbell, D. D. Renfro, and Leroy Nettles. Donald Caudle, Clifton Ashcraft and Grayam George planned to join them Saturday evening.

Mrs. Donald Caudle and children went as far as Carlton to visit her parents, Mr. and Mrs. Moore. The wives of the men visited friends in Lubbock where they enjoyed bowling, skating, theatre and dinner parties.

Rep. Smith Opposes Race Track Bill

In response to a communication previously sent, The News this week received a communication from Representative Preston E. Smith of Lubbock expressing his opposition to the pari-mutuel horse-race gambling bill now pending in the lower house of the legislature.

As requested, Mr. Smith also enclosed the names of the State Affairs Committee, which had reported this bill out favorably. Mr. Smith also volunteered this information: "I happen to know that several of the members from West Texas were not at the hearing last Thursday as the House adjourned on Thursday noon and most of these fellows went home. Mr. Williams of Snyder was not present."

The press had carried the report that the bill had been unanimously approved by the committee.

"I can assure you," Mr. Smith concluded, "that I am absolutely opposed to this measure and will not support it in any form."

The State Affairs Committee is composed of the following twenty members, and from this list it will be noted that Williams of Snyder is really the only West Texan on the committee. The committee, of course, was appointed by the Speaker of the House, W. O. Reed of Dallas, and the Bill after being introduced was referred by Reed to this committee. Reed evidently knew what he wanted and knew how to go about getting it.

CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly set on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virus-laden mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.
