Number 25.

## Tahoka Chamber Of Commerce Will Hold Banquet

Next Monday night, March 31, the annual all-member banquet meeting of the Tahoka Chamber of Commerce will be held at the American Legion Hall beginning promptly at 8:00 p. m.

The feature of the program will be handled by Mr. Delbert Downing, manager of the Midland Chamber of Commerce, who comes highly recommended as one of the best and most entertaining speakers in Texas.

Four new directors will be elected at this meeting from a list of eight nominees selected by a nominating committee. The eight include Hubert Tankersley, Randolph Rutherford, O. C. Elliott, J. A. Biggerstaff, Neal Stanley, Matrice Small, Coy Fielder, and Jarrell Brown.

Soon after this meeting the directors will meet and select the president and other officers for 1947.

All members of the Chamber of Commerce are urged to come to this meeting and are promised a good feed and a dandy program.

## Halamiczek Child Died Monday

After only a few hours of critical illness, little Richard Alan Halamiczek, son of Mr. and Mrs. Paul B. Halamiczek living in the former Judge J. W. Elliott home less than a mile east of Tahoka, died in the Tahoka Clinic at 8:30 o'clock Monday night of this week.

Born at McCamey, Texas, on May 21, 1942, the little fellow was a little less than five years old. He was brought by his parents from Big Lake to Tahoka in August, 1944.

Funeral services were conducted in the Stanley Chapel here at 10:00 o'clock Wednesday morning by Rev. J. W. Rosenberg, pastor of the Methodist Church, the parents being members of that church. Following the funeral services here, the body was conveyed in a Stanley ambulance to Rowena, Runnels county, for burial.

Survivors include the parents, two brothers, Lynn Carl and Paul Halamiczek Jr., and two sisters, Peggy Louise and Kay Frances Halamiczek, a number of uncles and aunts and numerous other relatives. The heart-broken parents and the surviving children have the sincere sympathy of hosts of friends and acquaintances.

## Magician Gives Program At Lions

The Lions club had a very interesting program last Tuesday night, with Joe Bob Bliman in charge.

Joe Bob introduced his first guest Dr. Boone of Lubbock who put on a short exhibition of magic and then introduced a high school boy of the Lubbock high school who did many more quicker-than-the-eye tricks which included pouring milk into Ted Clayton's \$2 hat and also pulling a long string of bologna from his over coat which Ted didn't know he was carrying around.

This boy was really good for just a high school boy and pulled several tricks and jokes on the Lions.

Lion president, Pete Hegl announced that the Charter night would be held on night next month and in the absence of the program chairman announced who would have charge of the programs for the coming month.

Miss Valerie Wells accompanied the magicians and also plays the piano in the Lions singing period before lunch each Tuesday night.

Mrs. Borden Davis returned Monday from Rule, where she visited her mother, Mrs. Curry, who had a major throat operation at Stamford.

Miss Juanita Williams of Dallas visited her parents, Mr. and Mrs. Carl Williams. She's a '46 graduate of Tech.

## City of Tahoka Election Tuesday

No other names for city offices had been filed when the time for filing closed Saturday night, and there is only one contest in the City of Tahoka election set for Tuesday, April 1.

The contest is for city marshal, in which Frank McGlaun Sr. and Roy Lee are candidates.

The name of Dr. K. R. Durham has been filed as a candidate for mayor.

The names of V. F. Jones and W. O. Thomas have been filed for re-election as aldermen, and the name of Fred Bucy has been filed for the place left vacant by Dr. Durham.

Other members of the council are S. S. Bartley and H. B. McCord. Miss Rosemary Nelms, city secretary, is not up for election this year.

## Methodist Youth Meeting Is Held

The Methodist Youth of Lubbock District held their quarterly District meeting in Tahoka at the Methodist Church last Saturday afternoon and evening with 161 present, and a large percent of the churches in the district represented.

The main business of the evening was the election and installation of officers for the new year which begins June 1. Tahoka youth are proud that they again have an officer on the District Council, Billy Ed Ware having been elected to a Commission. Miss Johnnie Margaret Price of Tahoka was a retiring officer.

The next meeting of the Youth of this district will be held at the First Methodist Church in Lubbock and will be a Youth Rally at which it is expected there will be 1000 in attendance.

## Dr. Seale Infant Born, Died Monday

An infant, whom they named Jerry, was born to Dr. and Mrs. F. E. Seale at 10:30 o'clock Sunday night, March 23, and died two hours later at 12:30 a. m. Monday, March 24.

Funeral services were held at 5 o'clock Tuesday afternoon in the Seale Clinic, conducted by Father Blakesie of St. Elizabeth Catholic Church of Lubbock, followed by interment in the Tahoka cemetery under the direction of the Stanley Funeral Home.

Surviving are the parents, one little brother, Allen Seale, and a number of aunts and uncles and other relatives living at various places in Texas and in other states.

The parents came to Tahoka several months ago, when they took over the former Sinclair Clinic and have been operating it since. They have the sympathy of many friends here in the great disappointment and bereavement which they have suffered.

## G. B. Sherrod Victim Of Freak Accident

G. B. Sherrod was brought home from the Lubbock General Hospital Monday with one eye bandaged up as the result of a very unusual and near-serious accident which befell him in Lubbock last Saturday.

When he struck a match, the head of it flew off and alighted on his eyeball, where it stuck. He had to dive in after it with his fingers two or three times before he succeeded in extricating it, and in the meantime it had burnt its way into the outer covering of the ball. He was taken to the hospital, where the injury was treated. Physicians expressed the hope and belief that the injury would heal without materially affecting his eyesight, but he was still suffering much pain from it.

The many friends of Mrs. Emma Walker of the Grassland community are happy to know that she is steadily improving. She suffered a fracture of the hip in an accidental fall at her home a few weeks ago.

## Youth Revival Next Week At Baptist Church

Beginning on Thursday of next week, April 3, and running through Sunday, April 6, a Youth's Revival is to be conducted in the First Baptist Church here.

No program of the exact nature of the one announced for this series of services has ever been given in the local church before.

While the programs are expected to be especially interesting and inspiring for the young people, they will no doubt hold much interest for the older folks, also.

There will be an early morning service, with breakfast, at 8:00 a. m. and an evening service at 7:30 p. m. each day.

The speakers will all be young people, who have been educated and trained for this type of work and service. Thursday services will be conducted by Frances Hennessee and a group of young people from Lubbock; others by Bruce McIver, an evangelist, a graduate of Baylor U., and a student at Southwestern Baptist Seminary, who is preparing for the ministry; Chas. Wellborn, Baylor U. professor, a former national collegiate debating champion, and a Ski-Trooper during the war; and Frank Briggs, Jr., singer, a student at Baylor, where he is prominent in music and scholastic circles.

Not only are the youth of the First Baptist Church of Tahoka urged to take advantage of this opportunity to gather inspiration and help to them throughout life, but the youth of other churches and of other communities in the county are cordially invited to attend as many of these services as possible.

## Nazarene Revival Beginning Tonight

In an announcement made by Rev. R. L. Dillard, pastor of the Nazarene Church of Tahoka, a revival will begin at that church tonight and will continue on through April 6.

Rev. J. E. Perryman, and Rev. J. E. Perryman, Jr., father and son pastors of Brownfield will conduct the revival meeting.

Both of these ministers are very good preachers and everyone is invited to come out and hear them.

Miss Neta Rae Perryman will be the director of the choir. Miss Perryman is a daughter of Rev. J. E. Perryman, Sr., and is well known in this area for her good choir direction.

Read the Classified Ads.

YOUTH FOR CHRIST—Assisting in arrangements for the Youth Revival to be held here April 3-6 are the above local young people. Left to right: Wanda Faye Smith, fellowship; Dolores Nowlin; Edwin Jolly, music; Joe Don Miner, publicity; Ruth Roddy, entertainment; Don D. Cowan, house; Eddie Lois Hamilton, singing; Len Williams, publicity; and Nan Pennington (not in picture) presents.

## Fight Tournament Opens With Eighty Boys On Program

The boxing tournament here is already in progress, with the first fights of the three-night tournament already past. Several bouts are scheduled for tonight and then Saturday night the winners of the tournament will be awarded their prizes.

According to coach Jim Foust on last Wednesday, approximately 80 entries had been received from Ralls, Morton, Petersburg, Lubbock, Slaton, Draw, New Home, and Tahoka. However coach Foust said that a few more entries were expected before the fights started last night.

Coach Foust also said that Tahoka had about 20 boys entered, and that Petersburg had about 15 boys entered. New Home entered two or three boys while Draw had entered only one or two. It was not known just how many Ralls, Lubbock or Morton would enter.

A nice trophy is to be presented to the boxing team that wins the most fights. Golden Gloves will be given to the winners and silver gloves will be given to the runners-up.

The fights tonight and Saturday night will begin promptly at 8 o'clock and the admission price each night will be 80 cents for adults and 40 cents for children.

## Wharton Improves Building Interior

Substantial improvements have been made during the past few weeks to the physical plant of the Wharton Motor company on North Main street.

The display room has been rearranged, the office space rebuilt, and the parts department rebuilt, greatly adding to the convenience and appearance of the beautiful building's interior. Also, a large new neon sign has been installed outside.

Also, recently the building which Winston Wharton bought from Howard Henderson which is located north of Wharton Motor company has been moved back further toward the rear of the lot it occupies, so as to give more room out in front and so as to allow a better view of the Wharton building.

## Tahoka Group At Legion Meeting

A party of Tahoka Legionnaires and Auxiliary members were in Big Spring Saturday night for a Legion meeting, attended a barbecue at 6 p. m., following which they heard addresses by National Commander Paul Griffith of Uniontown, Penn., State Commander Bert Gieseke of Austin, and the New Mexico State Commander G. Ward Moody.

In the party from Tahoka were: Mr. and Mrs. Perry Walker, Mr. and Mrs. Eldon Carroll and Mrs. Betty Sue Wilson, Mr. and Mrs. Charles Stewart, Mr. and Mrs. Clint Walker, and Ferman Chapman.

Read the Classified Ads.

## Trustee Election Saturday, April 5

The names of seven men have been filed for as many places on the Board of Trustees of the newly formed Tahoka consolidated school district, four of whom are present members of the board and three of whom reside in the former Redwine, Dixie, and Tahoka districts.

Because of the recent consolidation of Tahoka, Dixie, and Redwine districts, it became necessary to elect an entirely new board.

The names of E. R. Edwards, Maurice Small, Fred McInty, and H. O. Hargett, present members of the board, were filed, but since Dr. E. Prohl, board chairman, Truett Smith, and Wynne Collier had already served out their terms and since they felt they should give way for new members they did not permit their names to be filed again. In their places, the names of Weldon Martin, former member of the Redwine board, and E. R. Tunnell, former member of the Dixie board, and R. H. (Hick) Gibson have been filed.

The election will be held Saturday, April 5.

## New Home School Building Started

Work on the super-structure of the new high school building for the New Home Independent Consolidated School district was started this week, Supt. A. L. Pace informs The News.

Foundation for the new building was laid several weeks ago, but material shortages had delayed further work. All materials now are on the ground and construction is expected to proceed more rapidly.

Located directly west of the old building, the high school will be 54 by 120 feet in size, contain seven class rooms, offices for the superintendent and principal, a reception room, rest rooms, and a hot air heating plant. The class rooms will include modern home economics and science laboratories.

The grade school building has recently been modernized, by the installation of rest rooms, repairing and redecorating, and further improvements will be made to this building when the new one is completed. Also, several outhouses on the grounds will be torn down, the campus leveled off and landscaped.

Since the consolidation movement effected last year combining the districts of New Home, Petty, Lakeview, and Joe Stokes, the district now contains 132 sections of land.

## Grassland Church Announces Meeting

Price Bankhead, Minister of the Church of Christ at Grassland, will do the preaching in a Gospel Meeting to be held at that place throughout next week, beginning on Sunday, March 30, and continuing through Sunday, April 6.

Not only is considerable publicity being given the meeting through the press but members of the Church are sending out numerous cards to their friends and acquaintances far and near inviting them to attend the services.

A number of subjects for discussion have been announced, among them of course, "What Must I Do to be Saved?" Any Bible subject you want to hear discussed will be used if you will name it, it is stated. The membership of the Church of Christ invites you to hear these discussions.

## Grassland Nazarene Revival Planned

A revival meeting is now in progress at the Grassland Church of the Nazarene and will continue through the Easter Sunday.

Rev. Joe Norton of Post is the evangelist who is bringing the Scriptural and inspiring messages. Rev. S. R. Brown is the local pastor.

The singing is said to be some of the best. The Church is known as a singing church. Everybody is invited.

## Second Election Called For Draw-O'Donnell Vote

Confronted with two petitions, one asking for a second election to be held to determine whether or not the O'Donnell and Draw Independent school districts shall be consolidated, and the other asking for an election to determine whether or not the Tahoka and Draw independent school districts shall be consolidated, County Judge Tom Garrard Tuesday morning decided in favor of the O'Donnell-Draw petitioners and ordered an election to be held in those two districts on Saturday, April 19, to decide the issue as to whether those two districts should be consolidated.

The petition for the Draw-Tahoka consolidation election was held in abeyance and no election will be ordered unless the Draw-O'Donnell proposal is defeated.

The filing of the two inconsistent petitions at about the same time arose from the peculiar situation which had arisen. On Friday, March 15, a consolidation election had been held in the O'Donnell and Draw precincts. The vote at O'Donnell was 45 to 0 in favor of consolidation, but at Draw the vote was a tie, 29 to 29. In consolidation elections, the law requires that the proposal must receive a majority of the votes cast in each district, otherwise the proposal is defeated.

Since the proposal to consolidate with O'Donnell had failed, citizens of the Draw district started the circulation of a petition for an election to determine if the Draw and Tahoka districts should be consolidated. A like petition was circulated in the Tahoka district. In the meantime, petitions for a new election for the consolidation of the Draw and O'Donnell districts were being circulated in those two districts. Both sets of petitions in due time were presented to the

(Continued on Page 3)

## Wilson Has Big Building Program

When the current and prospective building campaign in Wilson is over, the town will be a little larger and much more attractive than it was before the recent destructive fire.

The building of the First State Bank of Wilson was practically completed last week and the bank moved back into the building Thursday night. Beautifully finished throughout the interior from floor to ceiling and handsomely furnished, this is now one of the most attractive little banking institutions in all this section of the State, and Howard Cook, president, and William Lumsden, cashier, are justly proud of their new business home. The Bank is just as prosperous as it is attractive too.

Workmen are making rapid progress on the new William Lumsden building on the second lot south of the Bank and it will be ready for occupancy soon. It also will be an attractive building.

Work is just starting this week on the Pat Campbell building to be re-erected between the other two above mentioned. It also will be neatly finished.

In addition to these rebuilt structures, an entirely new building is to be erected just south of the Wilson post office to be occupied by a picture show. Wilson had a picture show years ago but has not had one for several years now. The people of the town and surrounding communities are delighted that a show is to open up there again. J. L. Leach will have the building constructed and will operate the show.

With a paved highway already in use leading west and the other end of it leading east and north now under construction as a farm-to-market project, Wilson's trade territory will be somewhat increased and it will be made much more accessible to farmers in its trade territory. Its future is brighter now than it has been for years.

#### OBEEDIENCE

2 Thes. 1:7-10  
 Obey to comply with the commandments. To do as one is bid. (Wesleyan) Read 1 Sam 15:1-26. Samuel said to Saul: "Behold to obey is better than sacrifice, and to hearken than the fat of rams. For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the Lord, he hath also rejected thee from being king." VS. 22-23. Read the passage, neighbor. In it you cannot fail to see that Saul had done "Part Of What God Commanded", but God through Samuel said, "Saul you have rejected the word of the Lord". Christ commanded believers to, repent and be baptized for the remission of sins. Men teach people today that they are saved before they are baptized and that if baptized at all they are already saved, or to become members of the church". Christ never commanded any one to be baptized "because they were already saved". If so where is the passage?

Christ said: "Why call me Lord, Lord, and do not the things I say". Lk. 6:46. Again; "Not every one that sayeth unto me Lord, Lord, shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven". Mt. 7:21. Hear John, "He that sayeth I know him and keepeth not his commandments is a liar and the truth is not in him". 1 John 2:4. I have neighbors and friends that think they have been sanctified and saved, by some kind of power, yet they know they are standing out against the commands of Christ. They insist that a sinner does not have to be baptized for the remission of sins. I want all such to read Rev. 22:14. "Blessed are they that do his commandments, THAT they may have right to the tree of life, and may enter in through the gates into the city". Get your school teacher to diagram the sentence and tell you WHY they DO HIS COMMANDMENTS? What the apostles preached after the Holy Spirit came to guide them, constitutes the "Will of

### BAPTIST NOTES

In the absence of the pastor, Rev. Howard Martin filled the pulpit at the Baptist Church last Sunday at both the morning and the evening services.

The pastor, Rev. Levi Price, is in Rotan this week doing the preaching in a revival campaign being conducted in the Baptist church there, one of the 28 churches in the Cisco district in which simultaneous revivals are being conducted.

Attendance at Sunday School and the morning worship service Sunday was almost up to normal but there was a little falling off at B.T.U. and the evening services.

At one of the adult Training Unions, however, a unique program was given. In view of the fact that the subject for discussion was the modern mania for gambling, the committee provided for the trial of a member charged with that offense. Judge Tom Garrard was induced to come out and conduct the trial. The defendant, Miss Ima Gambler, was impersonated by Mrs. Garland Pennington, Pat Hutchinson was the prosecuting attorney, and L. D. Howell represented the defendant. The offense of gambling on a card game was alleged to have been committed by the defendant in the Sunray Beauty Parlor, and witnesses testified to her guilt. Other witnesses testified that at the time alleged she was attending a Sunday School meeting in Lubbock. There was no mention point to the trial except to emphasize that many respectable (?) people are becoming addicts to the gambling habit and to show how willingly witnesses will commit the crime of perjury to protect a gambler.

It also afforded Judge Garrard a marvelous opportunity to comment on the evils of gambling, which he did in a most effective manner. Such a trial and such a lecture might be presented with profit to a much larger audience. On Sunday afternoon, beginning at 3:00 o'clock, an associational Sunday school meeting was held in the church here, as the concluding service of a Sunday School study course held in various churches of the association during the preceding week. Speakers for the occasion were Rev. E. K. Shepherd of Wilson and Rev. Sam E. Brian and Rev. A. A. Brian of Brownfield, the devotional service having been conducted by Rev. R. L. Shannon of Meadow. Miss Delores Nowlin of Tahoka gave a vocal number. Reports showed that 247 awards had been given throughout the associa-

tion as a result of the study courses. About sixty awards were given in Tahoka. The subject taught here and throughout the association was "Distinctive Baptist Doctrines" as set out in a little book written by Dr. W. R. White, pastor of the First Baptist Church of Austin and formerly of Lubbock. Pastor Levi Price taught the course here. Suffice to say here that while Baptists are tenacious in holding to their distinctive and outstanding doctrines, they believe that there are millions of Christians just as devoted and as sincere as themselves in various other denominations, with whom they are willing and glad to cooperate in many matters. Certainly they do not regard as an "enemy" any person who may disagree with them on their doctrines.

M. C. "Daddy" Crumley of Wilson, 79, is now in a most critical condition at the home of his daughter, Mrs. H. Hannabas, in Wilson from the ravages of an incurable malady. Neighbors and friends are giving him much appreciated attention and are seeking to make his burden as light as possible until the end comes. Seed improvement and soil improvement, together with good cropping systems, are the basis of successful field crop production.

Kenneth Carter visited his cousin, Douglas Carter, at the State University over the weekend.

Don't move that stake. It is being used for your road construction. Don't delay the engineers.

From the First Baptist Church of Lubbock, and Young People from the Lubbock Church will lead a Youth Rally on Thursday night, April 3, at 7:30 p. m.

Everyone is invited to these services, especially the young people.

First Baptist Church

### Draw-O'Donnell

(Continued from Page 1)  
county judge, and Tuesday was set by him as the time when he would act upon the matter.

Both sides appeared by attorney, Vernon Adcock of Lamesa representing the Draw-O'Donnell petitioners and Judge C. H. Cain of Tahoka representing the Draw-Tahoka petitioners.

While no announcement of the total number of petitioners for either proposition was ever made, it was learned that the names of 24 Draw citizens had been signed to the petition for another Draw-O'Donnell election and that the names of 57 Draw citizens had been signed to the petition for a Draw-Tahoka consolidation election. Furthermore, the names of 23 O'Donnell citizens were signed to the petition circulated there for another Draw-O'Donnell election and the names of 96 Tahoka citizens were signed to the petition circulated here asking for a Draw-Tahoka consolidation election.

At the hearing Tuesday morning, Mr. Adcock, representing the O'Donnell-Draw petitioners, first addressed the court, contending that since there was a tie vote at Draw, the matter was in an unfinished state and a second election should be held to definitely decide the matter one way or another before

an election to consolidate with any other district should be ordered.

Judge Cain, representing the Tahoka-Draw petitioners, answered that the matter had already been settled once, because the law requires that a majority vote for consolidation should be received in each district involved before consolidation could be effected; that the proposal to consolidate the Draw and O'Donnell districts had not received a majority of the votes cast in the Draw district at the recent election and the proposal was thereby defeated. The matter was thereby again thrown wide open, just as if no election had been held. Since O'Donnell had once been to the bat and "fanned out" he felt that it was now time for Tahoka to go to the bat, especially in view of the fact that there were many more Draw signers for the Tahoka-Draw election than there was for the O'Donnell-Draw election.

Adcock thereupon presented three Draw citizens who themselves desired to make statements to the court. Two of them stated that they favored consolidation with O'Donnell but had signed both of the Draw petitions because they believed that everybody should have the right to express their views and they thought this was the democratic way. Another stated that he helped to hold the first election and that there was much misunderstanding and confusion among the voters at that election as to the issues involved and that some of them were not aware that Draw had already lost its high school. Some of the voters wanted to continue to maintain a school at Draw for that reason and hence voted against consolidation with O'Donnell.

When all statements were in, Judge Garrard proceeded to make a rather lengthy statement of his reasons for rendering the decision he was about to render.

In the first place, he considered the result of the recent election at Draw on the proposal to consolidate with O'Donnell as about the same as that of a "hung jury" in a civil trial. In such case the court orders a new trial. He felt that since there was a tie vote at Draw, there should be a new election on the same proposition.

In the second place he was desirous of forestalling the possibility of anybody having grounds to believe that he was acting in his own self-interest in the matter. He called attention to the fact that he pays taxes in the Tahoka Independent School district and consolidation of Draw and Tahoka might possibly result in a slight decrease in his taxes, and he was desirous that nobody at O'Donnell or elsewhere should have any grounds whatever for accusing or suspecting him of having acted in this matter in his own self interest. His purpose was not only to guard his own reputation for integrity and fairness but especially to guard that of the courts generally, which are now often being accused and suspected of corruption.

For these reasons he was deciding in favor of the Draw-O'Donnell petitioners and ordered that a new consolidation election be held in those two precincts as prayed for in their petition.

#### ENTIRELY NEW CHRYSLER TO BE SHOWN HERE

Chrysler's sensational new "Town and Country" car is now being displayed by Plains Motor Company of Tahoka. This car is entirely new in design and construction, featuring the use of ornamental woods in the body. The result is distinctive, individualistic styling and flowing, symmetrical contours.

Formerly confined to four-door sedans of six and nine-passenger capacity, the Town and Country line now comprises a four-door six-passenger sedan, a luxury brougham, a roadster, a convertible coupe and custom club coupe.

While this complete line carries the name given to the nine-passenger station wagon that Chrysler previously built, neither the styling nor any other part of it follows the original design.

All of the cars in the Town and Country have the common characteristic of bodies built of two kinds of ornamental wood, left in their natural colors. Body members are of heavy white ash and the panels are of mahogany veneer securely attached to plymetal plates. The result of this type of materials and construction is a car that combines distinctive beauty with great structural strength. Although the Town and Country line is a development of the station wagon type of vehicle, it offers such advances in styling and comfortable accommodations for passengers that it has lost all resemblance to its progenitor except the use of wood in the bodies. It has the beautiful flowing lines of the Chrysler steel-body types, while interiors have been given a luxurious treatment in upholstery and fittings.

Sheba Gandy, year-old daughter of Mr. and Mrs. Dorman Gandy of Rt. 2, Tahoka, is a patient in the Tahoka Clinic suffering with pneumonia.

**TEACHER SALARY BILLS**

Two bills very different in their nature designed to provide funds for the raising of teachers' salaries in this state are pending in the legislature.

One of these bills, known as the Taylor Bill, is said to embody the views of Governor Jester and seems to be favored by a majority of the members of the legislature. It is called by its friends the Taylor equalization bill because it is designed to give aid to the schools that most need it and to withhold aid from those that do not need it. It is claimed that it will accomplish the desired results without the levy of any additional taxes.

The other bill, introduced by Representative Dallas Blankenship of Dallas in the House and sponsored by Senator A. M. Aiken of Paris in the Senate, provides for the raising of the per capita appropriation of funds for the maintenance of the schools of the state to \$55.00 and would apply to all of the schools in the state alike without regard to their respective needs, the purpose being to raise the minimum salary of teachers to \$2,000 per annum.

To provide the funds, a supporting bill has been introduced which would levy additional taxes on natural gas, oil, and sulphur. This bill is being supported enthusiastically by most of the teachers of the state and they are bringing much pressure to bear for its passage, while the oil, gas, and sulphur interests are fighting it.

There is grave doubt as to whether or not the Taylor bill would provide sufficient funds to meet the demands of the teachers for a minimum salary of \$2,000. Furthermore, it is not clear to us as to the basis on which aid to the schools would be apportioned further than the condition imposed that to receive aid a school district should first levy a local tax of at least 50 cents on each \$100 property valuation and maintain a daily attendance of 65 percent of the scholastic population. The teachers stoutly contend that this bill would not provide the necessary funds and that it is a mere makeshift to defeat the proposal for an adequate increase of teachers' salaries.

But the bill advocated by the teachers, the Blankenship \$55.00 per capita bill is itself subject to grave objections. In the apportionment of funds it would make no distinction between the rich school districts and the poorer school districts. Opponents of the bill point out that it would furnish to the richer counties of the state far more funds than are needed and not enough funds to the poorer counties, sixty-six counties it is claimed, would be furnished funds in excess of the amount needed and the remaining counties of Texas not enough funds. The excess funds in the 66 richer counties would amount to \$5,997,358, according to the opponents of the Blankenship bill. Ten of these counties alone would receive an excess of \$4,893,484. These counties are Harris, Bexar, Dallas, El Paso, Hidalgo, Jefferson, Nueces, Cameron, Tarrant, and Potter. Harris county alone would receive excess funds amounting to \$1,315,596, it is claimed. Bexar county an excess of \$880,677, and Dallas county an excess of \$691,436.

We do not know whether these figures are approximately correct or not, but we do know that there are school districts in the oil fields in three or four South Plains counties that are swimming in school funds, while most of the other districts are skimping along on insufficient funds. We believe that any bill for additional school funds with which to raise teachers' salaries should take into account situations like this.

The Taylor bill does take it into account in a limited way, but we believe that the basis for the apportionment of school funds should be radically changed. Instead of apportioning the funds on the basis of the scholastic census taken each year, we believe that they should be apportioned on the basis of average daily attendance.

Furthermore, in order that the child in a poverty-stricken school district might have an equal opportunity with the child in a rich district, we are strongly inclined to believe that all local school taxes should be abolished except for the

payment of school building bonds, and the obligation to maintain the schools should devolve entirely upon the State.

To raise the necessary taxes or at least a large portion thereof, there should be an increase in the taxes on such natural resources as gas, sulphur, and oil.

As a temporary relief measure, either of the bills now pending in the legislature might serve the purpose, but we certainly do believe that regardless of the permanent policy adopted the teachers should consent to a modification of the Blankenship-Aiken bill so that funds should be apportioned in proportion to local needs.

When one reads and gives a moment's consideration to the great number of crimes and tragedies resulting in this country every day from the immoderate use of intoxicating liquor, it is difficult for one to keep from becoming radical in his opposition to the liquor traffic. Young boys and girls, and—strange to say—mature men and women now and then are being gradually led unthinkingly into the clutches of the liquor habit. Some men can drink occasionally and some even frequently throughout life without becoming slaves to the habit. But by far the safer plan for any young man or any young woman to pursue is to refuse to drink at all. The liquor habit is like many other diseases—it creeps upon one gradually, and when it once gets its grip upon a victim it is almost impossible for said victim to shake loose. And if that victim drives a car at all, he becomes a constant menace to others traveling our highways. In a highway accident that occurred near Tahoka last Saturday from the recklessness of a drunken driver, three or four lives could easily have been snuffed out. It is little less than a miracle that some one of the four or more persons involved was not killed or crippled for life. Young man, for the sake of your friends and others even if you have no care of your own safety, please cut out the liquor.

With the lights before us, it occurs to us that there must be a bug of some kind under the chip that proponents of the so-called "secret ballot" bill are concealing. As pointed out in a communication we are publishing this week, we already have the "secret ballot" in Texas. It is the bill which several gentlemen are now undertaking to push through the legislature should pass, it would be practically impossible for prosecuting attorneys and courts to uncover fraud and politi-

cal corruption committed at any election. Our suspicion is that somebody is undertaking to put over something crooked, and this bill should be scrutinized and studied closely in connection with election laws already in force before it is enacted into law.

**LUBBOCK COUNTY LEADS IN COTTON GINNINGS**

LUBBOCK, March 27.—During the decade 1937-1946, Lubbock County led the South Plains and Texas in the average number of bales of cotton ginned per year, with an average gin of more than 75,000 bales.

Second highest county on the Plains was Lynn with an average ginning of 64,715 bales for the ten year period. Other high ranking South Plains counties are Lamb with 46,348 average and Hockley with an average of 46,121 bales. Lynn County led the state in 1942 when 98,243 bales of cotton were ginned there.

Lubbock county ranked among the ten top Texas counties eight times out of the ten years and was first in the state four of those years, 1937, 1941, 1943 and 1944. In 1946, the county ranked fifth within the state despite a dry year.

In five years of the past ten, Lubbock County has ginned in excess of 80,000 bales. Top year was 1937 when a total of 163,500 running bales of cotton were ginned in the county, more than have ever been ginned in any other county in the state. In that same year more than 153,000 bales were ginned in Lynn county.

**CITATION BY PUBLICATION**

TO: James Monroe Vaughn and his children, born and unborn, living and dead and Francis Marion Vaughn and his children, born and unborn, living and dead GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 14th day of April, A. D. 1947, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 28 day of February, 1947. The file number of said suit being No. 1749.

The names of the parties in said

**INTERNATIONAL HARVESTER** says:  
"Any price is too high if it can be reduced."

**We second the motion We'll do our part!**

International Harvester has reduced prices to save users of its products \$20,000,000 a year. The reductions apply to a selected list of various products made by the Company. In making its announcement to the general public last week, International Harvester said: "We believe there is nothing more important to this country than to lower the prices of goods people buy. "The American people have insisted that the government withdraw from its attempts to control prices in peacetime. That places the responsibility where it belongs—in the hands of business and industry. "Because we believe price reduction is vital, we are willing to assume the risks involved." As International Dealers we will do our part. We will pass International Harvester's price reductions to our customers. And now a word of gratitude to our friends who have patiently waited for the new machines they need. As most of our customers are aware, International Harvester has done everything possible—and some things that seemed impossible—to maintain and increase production. The outlook is somewhat better. Soon we hope to supply equipment to all of those who have cooperated so faithfully with us. Meanwhile, the same top-quality International Service and Parts that have kept equipment operating for our customers during the difficult years are available from us. We urge our friends to continue to use these facilities to obtain maximum operating economy. International Harvester is doing its part with quality, increased production and reduced prices. We will do our part in this territory

**Lakeview News**

By Mrs. C. B. Nowlin

Lawrence Fulford, who was severely burned when working on a tractor and a bucket of gasoline caught fire, is still in the West Texas Hospital but is improving at this writing. His brother, John Fulford, suffered several burned fingers but is better.

Little Billie Jean Sexton has been very sick the past few days with intestinal flu but is better.

Mr. and Mrs. Junior Wadsworth from Lubbock visited in the home of her parents, Mr. and Mrs. D. B. Wheeler, Sunday.

Mr. and Mrs. Arthur Timmons and family visited friends at Lubbock Sunday.

Wayne and Billie Timmons, who are attending Wayland College at Plainview, spent the week-end with their parents, Mr. and Mrs. Bill Timmons.

Mr. and Mrs. C. B. Nowlin and girls visited Mr. and Mrs. Jay Pennington in Brownfield Saturday night.

A large crowd from Lakeview attended the Junior play at New Home Friday night. It was one of the best plays and the acting talent was very good.

Lakeview Baptist Church won the award of books this week for the Sunday School campaign conducted last week. We are very proud of this, as we are a small church and competed against much larger ones in this association. Our new pastor, Rev. R. D. Hill, is a real live wire in our church and a good leader.

Cecil Yeatts is at Glen Rose taking treatments this week.

**MISS CHARLENE BUCY HONORED AT GIFT TEA**

As a compliment to Miss Charlene Bucey, bride-elect of Robert W. Baumgardner, a tea and miscellaneous shower was given in the home of Mrs. Jack Fenton Friday afternoon from 3 to 5:30 o'clock.

Hostesses with Mrs. Fenton were Mrs. Irving Stewart, Mrs. C. E. Woodworth and Mrs. Jim Burleson.

Guests were greeted by Mrs. Fenton and presented to Mrs. Fred Bucey, Miss Bucey, Miss Barbara Baumgardner and Mrs. Fred Bucey Jr.

Pink and white gladioli were used throughout the living room.

The lace covered table was centered with a crystal punch bowl flanked with rose tree of china blossoms and was accented with pink tapers in crystal holders. Misses Jean Slover and Johnnie Margaret Price served.

Miss Frances Marion Haney offered piano selections throughout the afternoon.

Others in the house party were Misses Gwynell Davis and Jeanine Smith, Mesdames Dub Fulford and K. R. Durham.

Miss Jean Edwards presided over the lovely white satin brides book where sixty-four guests registered during the afternoon.

Dr. Emil Prohl returned Thursday of last week from Dallas, where he had attended the Southwestern Medical Clinic being held there. He had gone down on the preceding Sunday.

Mr. and Mrs. Olin Poer returned this week from Palacios, Texas, where they visited relatives.

**T Hangar Flying**

There has been a lot of flying activity here the past several days. Spring is here and the weather is fine for flying and lots of Lynn county pilots are taking advantage of it to get back into the air.

Three men of Hobbs, N. M., in three Cruisers were visitors to the local airport recently. They were W. B. Irwin, D. A. Hill and Mr. McKennon all of Hobbs.

Roy Neil and Walter McNeen of Lubbock were down in Roy's PT-22 the other day.

Frank Hogg of Lamesa was up on business recently. Frank was flying an Aeronca.

Garland Allen of Snyder, a student pilot visited the Tahoka Airport recently on his x-country hop.

Ralph Brown of Plainview, who is a Flying Farmer from that county came down on business the other day. Mr. Brown informed Mr. Bill McNeely and J. B. Nance that plans are being made by the Flying Farmers to give a prize here at the local airport, a brand new 1947 Cub Trainer (PA-11) at the annual District Field Day which is to be held here at a date yet to be announced.

Mr. and Mrs. Leonard Cole of Lubbock, flying a T-craft, were here on business recently. Mr. and Mrs. Cole are connected with the Morrison Supply in Lubbock.

Bill McNeely has enclosed three more hangars this week at the local airport and announces that three more will soon be enclosed.

G. W. Glynn was out flying around for the first time in a long time—sure is good to see familiar faces around the airport again.

Neal DeLaven and Hub Timms, both of Lubbock were down Monday flying the BT-18. This ship belongs to Neal and Bill McNeely.

Mr. Frank Lawless of Levelland, a flight examiner, was here Friday and Monday giving flight examinations to student pilots. He issued 9 pilots their private licenses. They were: Grady Woodward, Albert Curry, Jim Bob Curry, Dan Curry, J. R. Thurman, Bobby Ray Ramsey, Leslie McNeely, Chatt Hacklethorn, and J. E. Nance.

The Curry boys made fast use of their private licenses. Jim Bob carried as his first passenger, Judge Elliott for his first airplane ride. Albert stated he had his dad ready to take his first ride but the weather temporarily caused him to postpone his ride. Dan carried his brother Pete for a nice long ride last Tuesday.

Tommy Fulkerson went on his x-country preparing for his flight test for his private license.

New students that have recently enrolled at the McNeely Flying Service are: Billy Ed Ware, W. L. Pendleton, and Garland Northeast of Post.

The Lynn County Flying Farm-

ers will hold their annual Field Day here in the near future. This is a district affair and many flying farmers will attend from all over this section of the state. No date has been set for this event yet, but it will be within the next few weeks.

It was noted recently that Lynn county received more publicity in a popular science magazine concerning the Lynn County Flying Farmers as well as flying farmers from all over the United States.

**Small Is Stamford Assistant Pastor**

George Maurice Small, 16, son of Mr. and Mrs. Maurice Small and a ministerial student in McMurry College, Abilene, was recently named assistant pastor of the First Methodist Church of Stamford, of which church Rev. J. O. Quattlebaum is the pastor.

George Maurice is making an enviable record at McMurry, and when the Stamford church asked that institution for a part-time assistant pastor, he was given unqualified recommendation in spite of his youth. He spends his week-ends in Stamford.

**Chrysler's New Sensational 'Town and Country' Six Passenger Convertible Coupe**

New Note in Sophisticated Smartness

The Chrysler Town and Country Six-passenger Convertible shown above is scoring a triumph among owners who seek the last word in distinctiveness in their motor cars. The body of this convertible is built of white ash with mahogany panels on plywood plates. The woods are left in their natural colors. Interiors are finished in combinations of rayon and leather or Bedford cord and leather that lend themselves to particularly artistic treatment. The car is built on a Chrysler "New Yorker" chassis and is powered by an eight-cylinder engine. Gyrol Field Drive and the Hydraulically-Operated transmission contribute to its fine performance. Generous size of the body members gives stability and freedom from squeaks and rattling.

**HENDERSON-GANNAWAY**

Miss Verna Lee Henderson of Dallas and Emory Gannaway were married last Thursday night at 9:30 with Rev. T. L. Kimmel officiating. The single ring ceremony was read in the home of Mr. and Mrs. Clifford Gannaway, parents of Emory Gannaway.

The bride was dressed in a blue dressmaker suit with white accessories and a white corsage.

A reception followed the ceremony in the parents home.

Mr. Gannaway attended school at New Home and has been in the Navy for two and a half years, serving a big part of the time in Saipan. The bride is a student of Draughn's Business College.

The couple left for a trip to El Paso and several places in New Mexico. They will be at home in Lubbock after their trip. Mr. Gannaway is employed at the Ford Motor Co. in Lubbock.

**MARRIED**

Miss Ruby Jo Lee and R. A. Williams were united in marriage by Rev. Ben Hardy at his home in Tahoka last Saturday night. They were accompanied by another couple.

Both of the contracting parties are residents of Lynn county but the News has no further information about the wedding.

**CARD OF THANKS**

We wish to express our sincere and heart-felt thanks to our many neighbors and friends in Tahoka and this section for the many kind deeds done for us during our recent bereavement due to the unexpected death of our husband and father. May the Lord bless and keep you is our prayer.—Mrs. R. L. Northam, J. G. Northam, M. E. Northam, R. L. Northam Jr., Mrs. De Staggs, Mrs. G. A. Martin.

**ROTARY SPEAKER**

George McCleeky, Lubbock attorney was principal speaker at the Rotary Club Thursday, bringing an informational talk on taxation that was greatly enjoyed. Calloway Huffaker was program chairman. Vice President Alton Cain presided at the meeting.

**DRAW SENIOR 4-H CLUB NEWS**

The Senior 4-H Club met Wednesday, March 12. Miss Anderson gave an interesting review on the things we had discussed in the meetings after she came here.

We all regret that Miss Anderson is leaving this county but we wish her a lot of happiness in her new location.—Reporter.

Albert Jester, nephew of A. D. Jester and of Mrs. E. D. Croun, was taken to the Lubbock General Hospital late Sunday afternoon for a major operation, which was performed Monday. He had previously had an appendectomy, and the second operation became necessary because of adhesions. The News is not informed as to the condition of the patient at this time.

B. B. West, who operates a tire recapping and repairing business in the building formerly occupied by the Anchor Filling Station, was taken to the Lubbock Memorial Hospital last Friday suffering from a heart ailment. He had been unwell for several weeks. He is now much improved and it is believed that he can be returned home within a few days.

Dr. and Mrs. Skiles Thomas and baby are here from Houston visiting his parents, Mr. and Mrs. C. A. Thomas. The two families recently returned from a visit to Chihuahua, Mexico. Mrs. Harris visiting relatives in El Paso while they were in Mexico.

Mr. and Mrs. H. W. Pennington and W. L. Rowe left Thursday morning for Hot Springs, Arkansas, where they expected to spend about four weeks taking the hot baths and visiting relatives there. They also expect to visit other relatives at Arkadelphia.

Mr. Rado Hutchins had a tractor to fall over on him as he was trying to pull an underground tank out of the ground. The tractor broke his leg near his thigh and tore his flesh on his leg quite a bit. He is in the Lubbock Memorial hospital.

Mrs. D. W. Hancock left March 25 to attend the annual conference of the Womens Society of Christian Service at Big Spring. Mrs. Hancock is president of the Lakeview-Petty W.S.C.S. and went as a delegate to the conference.

Mrs. J. H. Kuykendall has been confined to her home much of the time the past few weeks by sickness. She is undergoing treatment and it is hoped that she soon will be fully recovered her health.

**Through The Week**

Rev. J. W. Rosenburg announces that this Sunday, March 30 is Palm Sunday, and will be observed with special services all week.

At the Sunday morning Service, children will be received into the Church membership.

On Monday evening, beginning at 7:30 p. m. the W.S.C.S. is sponsoring a special service for all the women of the Church.

Tuesday evening at 7:30 a service will be conducted for the youth of the Church. This includes Juniors on through to the Young people.

Wednesday evening at 7:30 a Holy Week Service will be conducted for the men. At least 100 men are wanted to attend this meeting.

Thursday evening at 8 p. m. Maundy Thursday will be observed. On this day the Lord's Supper was instituted and a candle-light Communion Service will be held.

Friday evening at 7:30, Services appropriate for the day known as Good-Friday will be held.

Everyone is invited to attend these Special Services which will be held all through next week.

**Congratulations . . .**

Mr. and Mrs. Buster Driver on the birth of a son weighing 7 lbs. and 2 oz. at 9:40 p. m. Wednesday in West Texas Hospital. The little fellow has been named Gary Dean.

How you can  
**Charge Your Santa Fe Tickets**

Apply now for your Travel Card entitling you to this service

Effective April 1, 1947, you can charge Santa Fe tickets on the new Railroad Travel Card Plan as easily as you charge department store purchases. There is no "red tape" or deposit necessary. Here's how it works:

Railroad Travel Cards will be available to any individual or company with proper credit rating.

Upon presentation of your Travel Card at any Santa Fe ticket office you can charge rail, parlor car, and sleeping car tickets (amounting to \$5.00 or more) to any part of the country even if part of your trip is on other railroads. Your Travel Card also covers excess baggage charges.

Bills will be rendered monthly for the transportation furnished to holders of Railroad Travel Cards.

Apply Now! To secure an application blank for your Travel Card, simply write to Rail Travel Credit Agency, 436 Union Station, Chicago 6, Illinois.

**W. S. C. S. MET MONDAY**  
The Lakeview-Petty W. S. C. S. met Monday afternoon in the local church. Following the opening prayer and a brief business meeting, the devotional was given by Mrs. S. L. Williams, based on "The Church of Strangers".  
The society is continuing its study on Alcoholism. Mrs. Kay Moore gave a discussion on Alcohol Problems Dissected.  
The meeting closed with a prayer. Eight members were present.

Mr. and Mrs. Claude Wells spent last weekend in Fort Worth visiting their daughter, Mrs. Marjorie Kemp. They were accompanied home by their little granddaughter, Sandra Kemp, for a visit here.

Elwayne Buzard, 5, daughter of Mr. and Mrs. Ray Buzard of Muleshoe, is a patient in the Tahoka Clinic. She had bronchial pneumonia but is greatly improved now.

**PRICE CONDUCTING REVIVAL AT ROTAN**  
Mrs. Price received a card Wednesday morning from her husband, Rev. Levi Price, who is doing the preaching in a revival in the First Baptist Church in Rotan, in which he stated that up to that time, Tuesday, there had been six additions to the church for baptism, four other professions of faith, three additions by letter, three rededications, and one young person had surrendered for special religious service.  
He had also spoken once to a service club and once to the pupils at school.  
The meeting was begun on last Friday night and will continue through next Sunday.

The production and Marketing Administration is urging farmers to include more forage crops in their plans for 1947 planting.

**District Tennis Contests Held**

Below are the results of the South half of District 4-A tennis matches which were played last Saturday on the O'Donnell tennis courts.

**Boys Singles**  
Denver City defeated Slaton 6-1; 6-4. O'Donnell's Harrell Lane defeated Post 6-1; 6-0. Seminole defeated Tahoka's J. Eubanks 7-5; 6-4, then Andrews defeated Denver City 7-5; 5-7; 6-4, and Lane from O'Donnell defeated Seminole 6-4; 8-6, which left Lane of O'Donnell and P. Hamilton of Andrews to represent the South half next Saturday at Andrews.

**Boys Doubles**  
O'Donnell's Durwood Seely and Billy Golden defeated Post 6-4; 6-2. Andrews defeated Denver City 6-2; 6-2. Slaton defeated Seminole 6-2; 5-7; 6-1, and O'Donnell defeated Tahoka's D. Carter and M. Healey 6-0; 6-1, thus leaving Andrews and O'Donnell in the play-off.

**Girls Singles**  
O'Donnell's Wynia Gene Gilliam defeated Seminole 6-1; 6-2. Post defeated Andrews 6-2; 6-0, and Gilliam of O'Donnell defeated Denver City 6-1; 6-0, thus leaving Gilliam of O'Donnell and B. Quisenberry of Post in the play-off.

**Girls Doubles**  
Tahoka's Nan Weathers and Fay Johnson defeated Denver City 6-3; 6-1, and O'Donnell's Julia Edwards and Odette Saleh defeated Andrews 6-1; 6-1, thus leaving Tahoka and O'Donnell in the play-off.

Mr. Johnson of the O'Donnell schools said the weather was cold and damp, but the tournament was very good despite the bad weather.

Don't move that stake. It is being used for your road construction. Don't delay the engineers.

**How women and girls may get wanted relief from functional periodic pain**

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blues" to come. Started 3 days before "your time" it should help relieve pain due to purely functional periodic causes. TRY IT

### Car Wreck Near Here Near-Tragic

A near-tragedy was enacted on the highway about six miles north of Tahoka Saturday afternoon when a car going north undertook to pass another car going in the same direction and at the same time met a car coming south, sideswiping both of them as it tried to pass between them, taking the left fenders off of both of the unoffending cars and the fenders from both sides of the recklessly-driven car. Miraculously, nobody was seriously hurt.

Rev. Howard Martin was driving the car coming south on his way to Tahoka, and on the Baldridge Hill he met a tractor and a car immediately behind it driven by a woman, both going north. Just at that instant another car showed up over the crest of the hill going north and meeting him at a terrific speed. He did not have time to get out of the way, neither did the speeding car have time to stop so as to avoid a collision. It therefore ran between his car and the woman's car just as the two were passing each other in opposite directions. But there was not sufficient room between the two cars for it to pass. It therefore sideswiped both cars, taking a fender off of each. The speeding car, occupied by two O'Donnell youths, was badly damaged.

The speeding car was owned by Walter A. Jordan but was being driven by Melvin Moore. Officers found about two cases of liquor and a quantity of beer in the wrecked car. A complaint was filed against Melvin Moore for drunken driving and another against Walter Jordan for unlawfully transporting liquor. Each pleaded guilty and County Judge Tom Garrard assessed a fine of \$100.00 against each, together with court costs. Both paid off. Jordan also paid a fine of \$15.00 in Justice P. D. Server's court for drunkenness.

Both men had seen several years service in the army and Moore is expecting to go back into the service soon.

Both claimed that they never drank liquor before going into the army. Judge Garrard warned the two that the punishment would be much heavier if they were ever caught committing a like offense again. Both promised that they would never offend hereafter.

#### LOCAL LADIES ATTEND DISTRICT W.S.C.S. MEETING

Mrs. Roger Bell and Mrs. R. H. (Hick) Gibson left Tuesday morning for Big Spring, where they are attending a three-day meeting of the Methodist W.S.C.S. district conference. Mrs. W. W. Rowland was to attend the meeting Thursday and had a part on the program.

Several other ladies from Lynn county attended the conference, but The News does not have their names.

### FARM NEWS

From the County Agricultural Conservation Committee

Clint M. Walker, Sec. Lynn County A. C. A.  
If you intend to carry out the soil-building practice of contour farming in 1947 and have not made application for prior approval you must do this before you plant and not later than May 1, 1947 if you expect to earn payment for this practice.

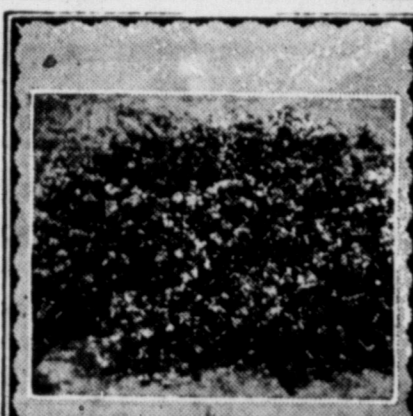

A comparatively new practice that has been set up for irrigation farmers this year is a practice designed to assist the farmer in reorganizing his irrigation system. Financial assistance is offered for such practices as construction or enlargement of permanent ditches, laterals, or dikes, construction or installation of corrugated metal culvert, metal pipe, concrete construction or pipe, flumes, drop boxes, chutes, etc. If you are interested in carrying out any of these practices come in to the A.A.A. office and secure your prior approval before you begin the practice.

Another practice that is becoming quite popular with Lynn county farmers is the practice of establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grasses and legumes. To qualify for this payment secure written approval of the county committee before seeding the grasses or legumes. When you buy the seed keep the sales receipts or other supporting evidence for seed purchased.

This practice is more common on irrigated land but we have several farmers and ranchers who are trying it on dry land farms and pastures. One particular grass that is being tried on dry land is weeping lovegrass. The payment rate on this seed is \$4.00 per pound which is approximately the cost of the seed and if you are interested in any of these grasses or legumes drop by the A.A.A. office and we will be glad to help you all we can.

A meeting was held in the A.A.A. office last Friday with the Community and County Committee present to discuss the 1947 program.

W. J. Burkhart, who spent two or three weeks down at Martin taking the hot baths, returned to his home near Tahoka several days ago.
