Number 26

Boxing Tourney Last Week End Was Big Success

The Tahoka Invitational Boxing tournament held here last week end was the most successful ever held here. Competition was keen, most of the fights close, the gymnasium was packed each of the three nights, and a nice profit was realized, which fund will be used to buy equipment for the physical development program.

Morton and Tahoka tied for boxing team honors, each winning 18 fights in the tournament, and the team award was given the visitors. A similar one will be ordered for the Tahoka team. Awards were also given individual winners and runners-up.

Entries were from Tahoka, Morton, Slaton, Ralls, Lubbock, Dimmitt, New Home, and Draw.

Champions crowned on Saturday night were: 75-85 lb. class, Berl Deaver, Morton; 85-95, Calvin Brown, Slaton; 95-102, Raymond Jenkins, Tahoka; 102-112, Donald Kent Cowan, Dimmitt; 112-118, Roy Dean Seany Morton; 118-126, Bill Deaver, Morton; 126-136, Van Brookshire, Tahoka; 136-146, Bill McAllister, Morton; 146-160, Randall Hinkle, Tahoka; 176, James Witt, Lubbock.

Runners-up were: Kirby Lackey, Buddy Hannah, Jack Hodnett, all of Morton; Cecil Bybee and Guy Gentry, Slaton; Leland Pillingim, New Home; Duane Driver, Jack Reed, Lindley Thomas, and Paul Hill, Tahoka.

Due to lack of space, The News is unable to give the complete tournament results.

Coach Foust's Tahoka boxers will be entered in the Morton tournament April 10, 11 and 12.

State Officers Visit Pythians

Lynn Temple No. 45, Pythian Sisters, was honored by a visit from several state officers of the organization at the regular meeting Tuesday evening.

Mrs. Alta W. Lacy of Denison, Grand Chief, Pythian Sisters of Texas, paid her first official visit Grand Chief, Pythian Sisters of Lynn County, after observing the local Temple in a routine meeting conducted by the regular corps of officers.

Mrs. Lacy, who wears a Service pin, marking 25 years of continuous service in Pythian work, commented favorably upon the work of the local Temple, and more especially upon the benevolent work that is being done by the members of the local Temple. Gifts to the Pythian home at Weatherford were especially noted.

As Chief over the whole state of Texas Mrs. Lacy is visiting every one of the 52 Temples in the State during her year, and has visited the four Temples in Louisiana as well. Her chief project this year has been the improvement of the Pythian home in Weatherford, where some 50 orphan children and a few aged persons are being cared for.

Mrs. Lacy was accompanied to Tahoka by Mrs. Ina Belle Ater of Lubbock, Grand Senior of Texas, and by Mrs. Bertha Tleken of Houston, D.D.G.C. of District 2, and Mrs. Dorothy Bergman of Lubbock, D.D.G.C. and by several officers and members of Lamesa Temple, including Meses. Kate Lou Ashley, P. C. Mary Hurley, M. F. Edna Muriel Smith, P. C. Sally Turnbow, Prot. Berna Pruitt, M. E. C., and Stella Todd, M. R. C. all of Lamesa. During a social hour Miss Betty Frazier played several piano selections and Meses. Lou Calvery, Myrt Mathis and Lois McMahon served refreshments to all present.

After bringing her mother back to her home at Winters, Mrs. J. S. Poe of Burbank, California, came on to Tahoka Monday to visit friends here, at Lubbock, and at Amarillo before returning to California. She and Mr. Poe are operating a laundry there, have bought a home and are well pleased with their new location. They formerly operated a laundry in Tahoka.

REV. O. H. TABOR

Rev. O. H. Tabor of Lamesa will conduct the Gospel Meeting which will begin at the Church of Christ tonight and will continue through April 13.

Trustee Elections Are This Saturday

School trustee elections are to be held in all the districts in Lynn county and generally throughout Texas Saturday, April 5.

There will be contests in many of the school districts and everybody is urged to turn out and vote.

It is to be hoped that every voter will cast his ballot for the good of the schools and of the school children in the respective districts. The polls is no place for a person to seek revenge or to vent his spleen. If you have an enemy and his name is on the ballot and you believe that he is the best material available for trustee, vote for him.

NEW HOME WILL HAVE TWO POLLING PLACES

There will be two polling places in the New Home district for the trustee election Saturday. The News is informed. All voters of the old Lakeview district will vote at Lakeview, and the citizens of Petty, Joe Stokes, and New Home will vote at New Home. Three trustees are to be elected.

Rotary Elects New Directors

Three new directors and a secretary were named by members at the Thursday noon luncheon of the Rotary Club.

Ross Smith was elected secretary, succeeding Jarrell Brown. New directors are Dr. E. Prohl, J. A. Biggestaff, and Neal Stanley. Hold-over directors are Alton Cain, David Weathers, Vernon Brewer, and L. C. Haney. The new directors will name the new president at an early date, the policy being to elect the club leader from the membership of this board.

B. P. Maddox, local attorney, gave a brief but thought-provoking address on world affairs in which he stated that the only way out of world-wide confusion was a return to the principles of the Golden Rule.

Wilson Will Have New Movie Show

The walls of the picture show building, being constructed by J. L. Leach in Wilson are going up rapidly this week. The foundation of the building had been laid when a representative of the News visited Wilson last Friday.

The building is situated immediately south of the post office and is 20 by 72 feet in size. It will be completed and ready for business within a few weeks.

SAN MARCOS CADETS TO SPEND EASTER HERE

SAN MARCOS, April 3.—Cadets Jerry Lee King and Rollin McCord, Jr., students in San Marcos Academy, will spend the Easter holidays with their parents in Tahoka.

Jerry will visit his mother, Mrs. Odell M. King and Rollin will visit his parents, Mr. and Mrs. Rollin McCord.

The boys will arrive home Thursday night and will report back to school Monday night, April 7.

Work Started On Lateral Roads In Precinct Four

County Commissioner Thad Smith reported Wednesday that work was begun Monday on the construction of that sector of farm-to-market roads to be constructed in precinct No. 4 which begins at Cross Roads Service Station and extends west about 3½ miles by Dixie Schoolhouse toward Petty, and he declared that they had already turned a whole of a lot of dirt. They began with this section of road, he explained, because of the bad lake which lies across it and they wanted to give attention to the worst roads first.

As soon as grading and drainage structures are completed on this section of road, they will begin next at Petty and build 3 miles north to the main road running west from New Home.

John Anderson of O'Donnell also reported Wednesday that the placing of caliche on the Newmoore-Draw road has been completed and it is now ready for the first coat of topping. It will require only a few days to spread each coat. So, if weather remains favorable it will not be too long until "30" can be called on this stretch of road construction.

Kerr & Middleton of Lubbock have both of these road building contracts.

Tahoka C. of C. Holds Banquet; Elects Officers

Four new members were named to the Chamber of Commerce board of directors at the organization's annual banquet held Monday night at the Legion hall and attended by 72 people.

The new directors are: Hubert Tankersley, Neal Stanley, Maurice Small, and Coy Fielder. Holdovers are: Outgoing President Ted Waggoner, Winston Wharton, Alton Cain, and Terry Thompson.

At a meeting of the new board held Wednesday night, Winston C. Wharton was elected president; Terry Thompson, vice president; and Clint Walker was re-elected secretary.

President Ted Waggoner presided at Monday night's banquet and expressed his thanks for the fine cooperation of citizens in putting over the body's program during the past year.

Tom Garrard, district director of the West Texas Chamber of Commerce, called attention to some of the recognition given Tahoka the last few years by reason of its fine record in WTCC, and introduced the principal speaker of the occasion.

Delbert Downing, secretary of the Midland C. of C., made one of the most interesting talks of its kind (Cont'd. on last page)

New 500,000 Gallon Water Reservoir Will Help Solve 1 of Tahoka's Problems

Tahoka's big, new, 500,000-gallon capacity water reservoir is now under construction and Jack A. Payne superintendent of construction, expressed the hope and belief that it will be ready for service by the middle of May.

Some time ago the contract was let by the city council to The Clovis Construction Company of Clovis, New Mexico, who also has the contract for the construction of a similar but smaller reservoir at Snyder.

The reservoir now under construction here will have greater capacity than all the other reservoirs and tanks in the city, public and privately owned, combined.

Work on the construction of the foundation was begun three weeks ago last Monday. A vast amount of dirt was removed and the foundation laid. On Monday of last week construction of the framework preliminary to the pouring of the concrete was begun, and quite a showing has already been made but there has been some interruption of the work this week.

The diameter of the big reservoir will be 88 feet, according to Mr. Payne, construction superintendent, and the circular wall will be 12 feet high and ten inches thick. The concrete floor and cover will each be 4 inches thick. The center of the cover will be six inches higher than the edge or perimeter, gently sloping so as to shed the water falling upon it.

Pouring of the concrete is expected to begin about next Tuesday. (Cont'd. on last page)

Cotton Meeting Will Be At Lubbock

Lynn county farmers are invited to attend a Seven-Point Cotton Program meeting Monday, April 14, at 1:30 p. m. in the Lubbock Hotel ballroom, sponsored by the State-wide Cotton Committee of the Texas Extension Service and the West Texas Chamber of Commerce.

Tom Garrard, Tahoka, district director of WTCC, will open the meeting. This is one of two meetings being held by the committee in West Texas, the other having been scheduled to be held in Abilene.

Highway 87 Man Visits Tahoka

Edward A. Daubenspeck, treasurer of the International 87 Highway Association, of Shelby, Montana, was here Friday to meet with a committee of the Tahoka Chamber of Commerce.

He stated that improvements in the route were under way and that prospects were bright that this would become an important traffic artery. Though numerous other cities and states are seeking to divert the route to their own benefit, he sees little chance that Highway 87 will lose, for it is the only logical route from Alaska, through Canada, the United States, and Mexico.

VETERANS NOW GUARD PAYROLLS

Two Mississippi veterans have started a unique postwar business, the Jackson Armored Car Service. Edwin C. Humphreys, left, and E. R. Hornbeak are president and secretary-treasurer, respectively. Founded as a Veterans Administration approved business loan, the service employs three other veterans.

REV. J. E. PERRYMAN, JR.

Two Ministers, father and son, are conducting the Revival Meeting at the Nazarene Church. Miss Neta Rae Perryman is directing the Choir during the Revival.

Voters Re-elect McGlaun Marshal

More than 250 voters went to the poll Tuesday and cast their votes for city officials, though there was only one contest and it was rather one-sided.

Frank McGlaun, city marshal, received 196 votes for that office against 60 votes cast for Roy Lee.

Not quite that many votes were cast for mayor and city councilmen but the vote was very satisfactory nevertheless, considering the fact that there was no contest for any of these offices. Dr. K. R. Durham received 234 votes for mayor, and the three aldermen, with three places to be filled, received the following votes respectively: W. O. Thomas 224, V. F. Jones 234, and Fred Bucy 223. Bucy is the new member of the city council, taking the place of Dr. Durham, who was advanced to the position of mayor.

Red Cross Drive Over The Top

Herman Reid, Chairman of the Red Cross committee, reports that Lynn county's quota for funds has been raised. The total contributions may fall a little below the \$2,000 originally set as this county's quota but there is a balance in the treasury from last year's drive that will more than cover the deficiency if any.

Mr. Reid says that about \$1550 is in hand and that several communities have not yet turned in their reports. The quota to be sent to National headquarters is \$1456. The remainder will be retained here for any need that may arise.

Wilson Man Buys Gattis Grocery

W. I. Lemons, formerly engaged in the grocery business in Wilson, last week closed a deal for the Gattis Grocery Store situated in South Tahoka and took charge of the business last Saturday, two months to the day from the time his store in Wilson was destroyed by fire.

Mr. Lemons also purchased the C. B. Terry residence situated near the Baptist Church and has moved into it.

Mr. and Mrs. Lemons are long-time citizens of Lynn county and have many friends here. They will be welcome to Tahoka.

The News has no information as to the immediate plans of Mr. Gattis.

Congratulations ..

Mr. and Mrs. Glenn Connolly upon the birth of a son weighing 7 pounds and 4 ounces at 6 o'clock Sunday morning in the Tahoka Clinic. The little fellow has been named James Robert.

Mr. and Mrs. Geo. Claude Wells upon the birth of a little son in a Lubbock hospital at 1:00 o'clock Wednesday morning. The name of the youngster is James Tom.

Mr. and Mrs. Garland Edwards and children, who recently moved to Hurwood near Lubbock, were here Tuesday.

Selective Service Board Completes Work On War II

The Lynn County Draft Board met here Tuesday in its final meeting to finish its work and pass into history. The Board consisted of Fred McGinty, chairman, J. R. Strain of New Home, and J. L. Schooler of O'Donnell.

The board was not actually released, however, but remains intact to be called back together at any time an emergency might arise.

The present board has served since October 21, 1946, when they were sworn in as successors of Judge J. W. Elliott, R. M. Stewart of Edith, and B. W. Baker of Wilson, who had resigned.

Elliott, Stewart, and Baker constituted the original board of Lynn county, having been sworn into service on October 11, 1940. They held their last meeting on October 9, 1946.

Mrs. Loyce McMahon has served continuously as secretary of the board since it was constituted, having been sworn in on October 17, 1940. Her active duties have not yet terminated, however, and she does not have any information whatever as to how long she will be needed.

She will have served six years and six months on the 17th day of this month, and we doubt if there are many draft board secretaries in Texas who have served longer. We are sure that there are few who have served more faithfully and efficiently. She has been "on the job" constantly and she knew her duties thoroughly.

Mrs. McMahon reports that since registration was begun in October 1940, there have been 3,349 registrants in Lynn county. This does not include those over 40 years of age, almost 1,100 in number, who registered in April, 1942, since they did not register for service but rather for check-up purposes.

Of those who registered for service, 1,307 men were inducted into service by the Lynn county board. This, of course, does not include non-registrants who volunteered for service at places outside of Lynn county. Neither does it include many others whose names appear on the Lynn county Honor Roll board who had recently moved out of Lynn county before registering.

C. O. Head Goes To Crosbyton

C. O. Head, superintendent of the Wilson school for the past two or three years and principal of the school there prior to that, was elected early in March to the position of superintendent of the Crosbyton schools.

Mr. Head succeeds R. K. Green at Crosbyton, who had been superintendent there for five years. He too was a former Lynn county teacher, having been superintendent of the Draw-Redwin, school for several years. He will go to Spur following the termination of his term at Crosbyton to look after business interests there.

Mr. Head has done a splendid work for the Wilson schools and was very popular there. He holds both the B. A. and the Master's degree. His wife is also a teacher.

Child Recovering From Paralysis

J. W. Jaquess reports that his little granddaughter, Onie Belle Jaquess, 7, daughter of Mr. and Mrs. Ed Jaquess of Baldwin Park, California, was released on Thursday of last week from a hospital at Downing in that state where she had been under treatment for infantile paralysis, and Doctors were hopeful that soon she will have completely recovered from the terrible disease.

It will be remembered that the child was stricken while the family were on their way from Tahoka to the Western Coast, more than seven months ago and she had been in a hospital ever since until last week.

NEW HOME H. D. CLUB ENTERTAINED AT PARTY
Mr. and Mrs. Leroy Nettles entertained the New Home Demonstration Club members and their husbands with a forty-two party last Friday night, March 28th. A short

business session was held. The members elected Mrs. Dwight Corbell as nominee for district meeting in Levelland, May 10. All members decided to take part in the luncheon for the County Commissioners April 14.

Each member paid 75 cents to the 4-H Club Girls dress style review. \$10.00 is for the dress review and the remainder is to go into the club treasury.

Refreshments of punch and cookies were served to Messers and Mesdames D. D. Renfro, Aubrey Smith, E. R. Blakney, Roger Blakney, Durwood Unfred, Clyde Ashcraft, Joe Mac Armontrout, Loyd Mears, Garland Peek, Virgil Haley, Connally Unfred, Dwight Corbell, and the host and hostess.

FORMER NEW HOME MAN HAS SECOND OPERATION FOR LEG INJURY

Mr. and Mrs. Nelson Welch of Mountainair, New Mexico, recently visited Mr. and Mrs. G. H. Hines here, Mrs. Hines being his sister, and also Mr. and Mrs. A. D. Wenzel of Brownfield, parents of Mrs. Welch.

Mr. and Mrs. Welch had come to Lubbock for an inspection of his leg by his physician there, his leg having been broken in a car wreck on October 28, 1945. He had recently undergone a second operation for the injury.

Local Youth In Galveston Hospital

Here is a chance for somebody to help a fine Tahoka boy.

After having spent a year or more in a Lubbock hospital under treatment for burns from a Butane gas explosion, Charles McClellan has spent the past three or four months in the John Sealy Hospital in Galveston where skin is being grafted at intervals onto the burned portions of his limbs and body. Two skin-grafting operations have been performed there, and members of the family say that the last one was 70 percent successful.

Before the skin-grafting operations could be performed, however, a number of blood transfusions were necessary. In these transfusions 16 pints of blood were used, taken from various members of the family and relatives. Their surplus blood supply has been temporarily exhausted, but Charles sorely needs two more pints of blood. He must have them before another much needed skin-operation can be performed.

If anybody from Tahoka or this section of the state plans to be in Galveston or in that section of the state any time soon and wants to do a noble deed and has sufficient time at his disposal, why not go around to the John Sealy Hospital and offer your blood for a transfusion. Test of blood-types must be made there.

Charles is a fine Tahoka boy. Possibly a year and a half ago, he received terrific burns, which almost proved fatal. He has made a hard and a brave struggle to live and to become a normal human being again. Victory is now almost in sight, but to win he must have more blood transfusions. Can and will you offer your blood?

Charles' address is Ward 1, Main Building, John Sealy Hospital, Galveston, Texas. His mother, Mrs. C. E. McClellan, has also been in Galveston since Charles was taken to the John Sealy Hospital. Her address is: Mrs. C. E. McClellan, 823 Ave. D, Galveston, Texas. We understand that Mr. McClellan is also there now.

NEW HOME P. T. A. MEETS; PROGRAM GIVEN

The New Home Parent-Teacher Association met in a regular meeting with an amateur program. Durwood Unfred was master of ceremonies. The program was divided into two groups: the school children and the adults. Those of the school children winning first place were the sophomores who sang "Old McDonald Had A Farm". The pupils singing were Joy Dean McClintock, Emadene Robinson, Tommye Davis and Billie Nell Johnson. The second place was given to Greta Heck who gave a reading "Mary Had a Little Lamb", impersonating each of the grades in school. Third place was given to the Three B's which consisted of Gloria Beth Bellow, Bonnie Murray, and Bernice Pillingham.

In the adult division Mrs. Obern Nowlin and a ladies quartet consisting of Mrs. Loyd McCormick, Mrs. T. E. Davis, Mrs. Claude James, and Mrs. N. H. Cromer tied for first place.

A large crowd attended and every one reported a good time.

A short business session was held at the beginning of the program. The next meeting will be held April 24, and Mrs. Asal Cope from Lubbock will be the guest speaker. Mrs. Cope is the district Vice-President. The finance committee announced that a forty-two party will be held April 18.

PINK & BLUE SHOWER GIVEN MRS. NEWMAN

A pink and blue shower was given Wednesday, March 26, honoring Mrs. Melvin Newman in the home of Mrs. Durwood Unfred.

The hostesses were Mesdames Henry Heck, Leroy Nettles, Buddy Smith, and Durwood Unfred. A beautiful display of gifts were opened by Mrs. Newman.

Punch and cake were served to the guests as they arrived.

Mrs. Claude Harper left Friday to spend a week with Mr. and Mrs. M. L. Kuykendall in Abilene.

Grassroots . . .

By Bill Griffin
County Agent

This is the time of the year that all of us start getting our spray materials together, repair our sprayer and get ready to fight insects and diseases.

Take grapes for example. A lot of us have grapes in our back yard, and all too often its a disease known as black rot that takes the grapes instead of us. This trouble can be controlled with bordeaux mixture, a preparation composed of copper sulphate and lime. All you have to do is buy the bordeaux powder, mix eight pounds of it into 100 gallons of water and spray it over the leaves and young clusters of grapes.

The first spray can be applied when the blooms have begun to shed, and followed up at two to three weeks intervals through the growing season.

Our most serious pest the grape leaf hoppers can be controlled by mixing 2 pounds of 50% wettable DDT mixed with the bordeaux spray when they become a threat to the grapes.

The most serious apple and pear pest is the Codling Moth, the insect that lays eggs on the blossom end of the fruit. When the worms hatch they bore into the center of the fruit and live around the core area.

To control this pest spray with 4 pounds of wettable DDT to 100 gallons of water every two weeks during the growing season. Make the first application when the blooms begin to shed.

Price Conducts Revival At Rotan

Rev. Levi Price returned Monday from Rotan, where he had just concluded a ten-days revival meeting in the Baptist Church.

It was probably the greatest revival ever held in that church and Brother Price declares that it was the greatest revival he ever conducted anywhere. All together, there were 86 definite decisions made in response to invitations given.

At the close of the revival more than thirty converts were baptized, a number of others were expected to join other churches, many young people rededicated their lives to service, and there were several additions to the Baptist church by letter.

Mrs. G. R. Milliken and daughters, Miss Robbie of Tahoka and Mrs. Alton (Donna Sue) Gardner of Lubbock, visited their daughter and sister, Mrs. W. C. Mathis Jr., at Carlsbad, N. M., over the weekend. They were accompanied home by Mrs. Milliken's little grandson, Tom Mike, Mathis, who came for a two-weeks visit.

V. A. Botkin, who has been suffering intensely for several weeks from an affection of one of the legs, underwent an operation in the West Texas Hospital in Lubbock last Saturday. Reports reaching Tahoka are that he has been resting much easier since the operation. It is hoped that he will soon be on his feet again.

Mr. and Mrs. Rob Cathcart have just moved into their new home, a neat residence situated in the northwest corner of the former J. S. Wells place in southwest Tahoka. Mr. and Mrs. Bill Cathcart own and reside in another residence situated in the northeast corner of the same property.

Among the improvements noted this week is the construction of a new awning in front of Woodworth's barber shop.

British Union

For more than a thousand years history and geography have combined both to link and to separate England and Wales, notes the National Geographic society. Into the Welsh hills the early Britons fled before the Anglo-Saxon invasion. There, in the shelter of narrow, isolated valleys, these Celtic people maintained their independence until near the end of the 13th century, when Edward I of England brought about submission. It was at this time — as a result of Edward's naming his infant son the "Prince of Wales" — that the familiar title for England's heirs to the throne originated.

Attack V. D.

Using a new publicity approach, Louisville public health officers aided by the U. S. Public Health Service have discovered 433 cases of venereal disease in the first 1,740 persons examined during the city's current anti-V.D. drive. The American Municipal association reports that the primary aim of the all-out campaign against V.D. is to teach people through all publicity media to recognize the first symptoms of venereal disease and to come to public clinics or their private physicians for treatment. In seven other cities where anti-V.D. drives have been waged recently, publicity encouraged all citizens to appear at clinics for blood tests. Although this approach is being used also in Louisville, more emphasis is being placed on clarifying V.D. symptoms. This accounts in great measure for the high V.D. rate among those tested in Louisville.

County Superintendent Mrs. Lenore M. Tunnell returned Monday from Austin, where she had been on official business. Before returning home she also visited relatives in San Antonio.

Mrs. Fred Nolan of Petty, formerly Miss Maudie Cromer, is reported to be seriously sick in the Lubbock Memorial Hospital.

W.S.C.S. HAS INSPIRING PRE-EASTER SERVICE

The Woman's Society of Christian Service met Monday evening for their annual pre-Easter Sacrificial Meal and special offering service, in the basement of the local Methodist Church. The program was under the direction of Mrs. Roger Bell, secretary of Spiritual Life of the local Society.

The hall of the basement was decorated as a worship center with the altar at the extreme east end. Purple crosses, white candles and Easter Lilies were used throughout the hall. The table was laid with white cloths, silver and crystal. For place markers, purple crosses with a small white candle in the center were used. Candles in tall crystal holders were used the entire length of the table, which was placed in the form of a huge white cross. Beautiful fresh violets were placed between the candle holders.

Absolute quiet prevailed throughout the service, and each one present thrilled to the words of the Bible in word and song as follows: Invocation, Mrs. Roger Bell; Accordion Solo, Miss Tommie Whor-

ton; Easter Meditation, Mrs. Sam Floyd; Solo, "Into The Woods," Mrs. J. W. Rosenburg; Easter Story, Mrs. Walter Mathis; Sacrificial Offering.

As it came time for the offering, one at a time, each person took up her cross, went to the Altar, made their offering, then lit her candle coming quietly back to her place, placing the candle on the table before them. After the candles were all placed on the table the group sang "When I Survey The Wonderful Cross". Then Benediction was given by Mrs. R. H. Gibson. This was by far the most inspiring and beautiful service we have had in a good long while.

Mrs. J. F. Curry of Rule is here visiting her daughter, Mrs. Borden Davis, and son, John Curry. Tuesday night two other sons, Charley and Roger Curry, of Lamesa, came up to visit here a few hours.

Mr. and Mrs. Jack Fenton went to Ken last Sunday and brought his mother, Mrs. R. W. Fenton, Sr., home, after she had made an extended visit there.

ALL-DAY SERVICE AT THE ASSEMBLY OF GOD CHURCH

There will be all-day services, with dinner on the ground, at the Assembly of God Church Sunday in observance of Easter.

There will be visiting ministers speaking, and an Easter egg hunt for the children. Every one welcome.

COMMUNISM UNDER FIRE

Congress has been investigating Communist activities in this country, and some congressmen are advocating the passage of a law to suppress the Communist party and the spread of Communist propaganda in the United States and her territories.

Any such law should be carefully framed so as to comply with the spirit and the letter of our Constitution, but if the findings of the House un-American activities committee as reported in the press are correct and true, then it would seem that such legislation is sorely needed.

The report of this committee, based on statements of American and foreign Communist leaders, according to a press report from Washington published Sunday, declared that the U. S. Communist Party, since its inception in 1919 to the present day, has been operating under the direction and discipline of the Communist Party of the Soviet Union, which is the ruling power in Russia; that the Communist Party in the United States is a section of a world Communist

Party controlled by the Communist Party of the Soviet Union; that its basic aim is the abolition of our present economic system and democratic form of government and the establishment of a Soviet dictatorship in its place.

Allegiance to any foreign power whatsoever by any citizen and, furthermore, active support of an organization that seeks the overthrow of our democratic form of government in favor of any type of dictatorship should be denounced and punished as a crime.

If drastic action such as this is not deemed advisable, or if Congress hesitates to pass such a law in the fear of making martyrs of the Communists, then at least the following repressive action should be taken.

First, Congress should make a thorough investigation of the charges that have often been made that there are many Communists holding important positions and jobs under this Government. The gist of the information obtained should be made public and Congress and the people should demand the discharge of all such employees.

Second, such investigation should not be merely sporadic but should be continuous and incessant.

Third, state governments should make similar investigations and should likewise drive all communists out of the service in their respective jurisdictions.

Fourth, these investigations should extend to and include all state-supported universities and colleges and the public schools. Every official, professor, or teacher in such institutions found to be teaching Communism or who is or has been recently connected with any communistic organization should be summarily dismissed. One college professor teaching communism to the youths of today who are to be the leaders of tomorrow is more dangerous than the activities of a whole regiment of radical Russian laborites or other foreign fanatics.

Lastly, Americanism, democracy, the fundamental rights of the individual, the great principles of freedom and justice on which our government is founded and our civilization is built, together with the vagaries and the fallacies of communism, fascism, nazism, and every other form of totalitarianism, should be a required subject in every public high school and every state supported college and university in the land. No normal American boy who is taught the meaning and the nature of these different forms of government would consider for one moment the swapping of his Americanism for any of them.

Already the great mass of church people in this country are strongly opposed to Communism, tainted as it is nearly everywhere with the poison of atheism, and they can be depended upon to keep their schools and colleges free of all communistic teachings. Private institutions which may not be disposed to do so should be compelled by law to do so.

The best preventative of communism and other totalitarianisms is to teach our children aright in the home, in the school, and in the church. If this is done, prohibitive and repressive laws will not be necessary.

JUDGE ARRAIGNS LIQUOR DEALERS

"The defendant was a soldier in the Army of the United States . . . upon whom the Government had spent many hundreds of dollars . . . On that fatal night, six places of business in his community, all licensed by law to sell drinks which are intoxicating or intended to be made so, out of their greed to gain a few dollars, committed an act of sabotage against the Government of the people of these United States. They sold him intoxicating liquors . . . until his reason and self-control were utterly destroyed. In the resulting frenzy he took a human life . . . The defendant I must sentence to prison. The robbers of his reason I arraign at the bar of public opinion and sentence each of them to the everlasting contempt of all decent and patriotic people, and may the memory of their responsibility stay with them forever."—Circuit Judge Van Buren Perry, of Aberdeen South Dakota, 1945.

SAYS THE AMERICAN BREWER.
 "Don't forget the new market. In the last five years, 12,500,000 adults have entered the market." This puts the finger on the quarrel of the "Drys" with the liquor traffic. The traffic is engaged in making drinkers. The more drinkers, the more drunks, the more crime, the more accidents, the more waste of wealth and energy. The effects of drinking have a direct proportionate relationship to the amount of drinking done.

Again members of the legislature are fighting any proposal to redistrict the state at this time. They say it would have to be done again in 1951 following the next decennial census. That is merely another subterfuge being used by representatives of little districts in order to hold on to their jobs. Some of these little districts do not have a fourth of the population of some of the larger districts. To put it another way, an area of 140,000 population in one section of the state has only one representative in the lower house, while another area of 140,000 population in another part of the state has four representatives in the lower house.

The heavily populated district therefore has only one-fourth the voting power in the legislature of an area of substantially the same population in another section of the state. Yet, in order to hold their districts intact and to keep their jobs, these puny, selfish, stingy, self-important little insects make it a point to fight redistricting every time it comes up. We hope that Senator Moffett's proposal for the submission of a constitutional amendment authorizing a committee composed of state officials to redistrict the state if the legislature fails to do so at the proper time passes both houses. "If Governor Jester were really interested in seeing this glaring injustice to some sections of Texas wiped out, we think he would be calling the attention of the legislature to the glaring disgrace every now and then and demanding action. If something isn't done soon, a bunch of us are going to start the circulation of petitions in the districts of these representatives and throughout the state to which we should get a million signatures and

by which we mean to start something.

There are suspicions that the violent outbreak at Dusseldorf, Germany, last Friday was not inspired so much by hunger, as the rioters claimed, as by hatred of their conquerors. In fact, some of the American newspaper agencies in Germany stated that there was no very distressing lack of food there. The Nazis set out to conquer, rule, and harass the world but lost. Now they are mad and vengeful because they did lose. Nazism is still not dead in Germany. The older men and women there may never be cured of the disease. The spirit of liberty and democracy must be instilled into the minds of the children, and there is some evidence that efforts to do this are succeeding to some extent. If United States soldiers in Germany will act with wisdom and restraint, showing a friendly and helpful spirit, and if our government through precept and example will inculcate the spirit of democracy in the children, this will bear good fruit in the course of time. The children must be taught to practice democracy in their own affairs if we are to make democrats of the future men and women of Germany.

The American people as a whole have no dictator, but great groups of them do have. John L. Lewis is as complete a dictator over the 400,000 members of the United Mine Workers Union as Hitler ever was over the Germans or as Stalin is over the Russians. By merely speaking the word, he closed down the coal mines of the nation for this week under pretense of honoring the memory of the more than 100 miners who lost their lives in the blast at Centralia recently. It is suspected that his real reason for closing down the mines was a desire to retaliate against the Government for the punishment it recently meted out to him for violating an order of a federal court. Before ordering the latest shut-down, he vented his spleen against the Government by hurling a broadside at Secretary of the Interior Krug, blaming the latter for the explosion and accusing him of murder. Lewis is not only seeking to get revenge but he is showing his power. If it were in the dead of winter, thousands of people would suffer from Lewis' autocratic cussedness.

It was unfortunate that the main administration building of the Prairie View state college for Negroes was destroyed by fire last

Saturday. Since the College had recently been converted by law into a state Agricultural & Mechanical college for Negroes, it is hoped that the construction of a new, modern, and much larger administration building will soon be underway. This institution should be made thoroughly adequate as an A. & M. College and as an Industrial Institute to meet all the

needs of the colored race in this state; and the Negro University at Houston should be made adequate as an academic and teacher training institution. If found necessary later, two or three other teachers colleges should be built in other Negro centers in the state. The Negro must be given educational opportunities commensurate with the actual demands.

H. G. Hodges, Mgr.

Mr. and Mrs. E. J. Hendrix have removed from Tahoka to a place owned by them at Possum Kingdom Dam. Mr. Hendrix has employment in the state park there.

MYRNA GAIGNAT AND MR. VERNER ARE WED
Miss Myrna Gagnat and Arthur Charles Verner were united in marriage Friday afternoon, March 28 in the home of the bride's parents, Mr. and Mrs. Dean W. Gagnat in Tahoka. Rev. H. A. Nichols, the former pastor of the Methodist Church in Tahoka, read the double ring ceremony.

A candle-lighted bridal setting of pink carnations and white stock was used in front of large double windows with palms on each side. Other arrangements of pink carnations and yellow jorquils in the room carried out a beautiful air of spring.

Mrs. Grover M. Stewart played "Humoreske," "Thoughts Of You" and the traditional wedding march.

The bride given in marriage by her father, wore an aqua suit with a pink plumed hat and pink gloves. She carried in her hand a small white Bible with two orchids on its cover.

Mrs. Charles Arthur Gagnat of Lubbock, sister-in-law of the bride, served as her matron of honor. She wore a light grey suit with white accessories and a white orchid.

Mr. Fred Verner of Miami, Florida, served as his brother's best man.

The bride's mother received the guests at the door. She wore a cream colored crepe dress with floral design done in pastel shades and a pale colored orchid.

The groom's mother wore a heavenly blue crepe dress, a burnt yellow straw hat and brown accessories with a deep throated orchid.

Mrs. Nichols accompanied Rev. Nichols down from his pastorate in Stratford, Texas, for the occasion.

The groom's parents, Mr. and Mrs. Charles V. Verner and brother Fred arrived Tuesday night and

left soon after the ceremony for their home in Piedmont, South Carolina.

After the reception the couple left for a trip to New Orleans, La. and Miami, Florida. They will make their home in St. Louis, Mo.

Mrs. Verner is a graduate of Tahoka high school, Chevy Chase Junior College, Washington, D. C. and Briarcliff College, Briarcliff, New York.

Mr. Verner is a graduate of Clemson College, S. C. and has a degree in Textile Engineering. During the war he served overseas as an Officer in the Infantry. He is employed by a Textile firm in St. Louis, Mo.

Lakeview News

By Mrs. C. B. Nowlin
Delbert Timmons returned home this week from Korea where he spent several months in the army. He received his discharge at Camp Beale, California, and visited relatives in San Diego, and Seattle before coming home.

Mrs. Junior Wadsworth, daughter of Mr. and Mrs. D. B. Wheeler, is seriously ill with pneumonia in a Lubbock hospital but is better at this writing.

Those visiting in the Cecil Yeatts home last Thursday were Mmes. B. Billings from Kopperl, Texas, A. B. Andrews, W. G. Briles, S. A. Tilley of Tahoka, Edward Dorsey and Earl Billings of O'Donnell.

Mrs. Jack Fulford is visiting relatives at Dublin this week.

Little John Milburn has the Chicken-Pox.

Mrs. Dollie Freeman of Crosbyton visited in the J. A. Godfrey, Bill Timmons and John Timmons homes Sunday.

Mr. and Mrs. Leonard Coldewey and children of Lorraine and Ocell Nowlin of Sweetwater spent the weekend in the Cleburne Nowlin home.

Keith Purdy of Brownfield visited Lindy Howell Sunday.

Mr. and Mrs. Otis Fryer and children of Tatum, N. M., visited in the home of her parents, Mr. and Mrs. Jim Key, Saturday.

The W. T. Knight family spent Sunday with her parents, Mr. and Mrs. W. J. Stokes, at Brownfield.

Mr. and Mrs. Adrian Evans and family visited her sister and family Mr. and Mrs. Charlie Quillen at Seminole Sunday.

Mr. and Mrs. Ross Harmonson, Jr. of Plainview visited his father, Ross Harmonson Sunday.

The Carl Russell family of Meadow visited in the Speedy Warren and Tom Charters' homes Sunday.

Mr. and Mrs. Jay Pendergrass and sons of Brownfield, Mr. and Mrs. Aaron Pendergrass and sons of Lubbock, and Mr. and Mrs. Clifton Ashcraft of New Home spent Sunday in the Murray Nettles home. Their son, Cpl. Harold Nettles is with the Army in Hawaii and expects to be home in June.

The Baptist ladies of Lakeview met in the Harvey Knight home Monday with an all-day quilting and covered dish luncheon. The devotional and prayer were rendered and a day of fellowship was enjoyed by about twelve ladies. Every fifth Monday is fellowship day in the W.M.S.

H. D. CLUB ENTERTAINED IN SHAMBECK HOME

The Joe Stokes Home Demonstration Club and families were entertained in the Alvin Shambeck home Saturday night with a "45" party.

The members and families included Mr. and Mrs. Home, Campbell and Billy Jo and two daughters, Bunk Gill and Elva Jo and Robbie, J. H. Smith Jr. and baby Tom Russell, C. L. Murray, Alvin Shambeck, Mrs. Lee Shockley and Wilda Ann, Mrs. Harley Parris and as guest her mother, Mrs. Poindexter, from Lubbock. Also from Lubbock were Mr. and Mrs. Lambert and Miss Wanda Martin.

Hosts and hostesses were Mr. and Mrs. Shambeck, Mr. and Mrs. Smith, and Mrs. Lee Shockley.

T Hangar Flying . .

The Lynn County Flying Farmers have set their date for their Field Day celebration as May 9 and 10. District II Texas Flying Farmers are also holding a meeting here on that date. District II comprises 22 West Texas Counties and there are an estimated two hundred members in this district.

There will be plenty of activity in Tahoka on these two days with an expected crowd of two to three thousand visitors here.

Plans for a two day program are now being made and it is expected that there will be a rodeo, dances, and maybe midget car races or motorcycle races and demonstrations for the use of the airplanes of farmers and ranchers. Spot

landing contests with cash prizes to the winners will be held. Barbecue will be served both days at noon, but the first day only to Flying Farmers and their wives and special guests. On the second day the barbecue will be served to the public, but a very reasonable charge will be made.

Mr. Claude Hutchison of Plainview was down on business recently. Claude was flying a new Cassena.

Jan and Pete Curry flew to Lubbock recently to pick up one of the Halameick boys who was on his way here to attend his brothers funeral.

X-country student Roberson of Littlefield was a recent visitor to the local airport.

Mr. Clayton Beard and J. E. Nance flew up to Plainview last Friday to see Mr. Manuel Ayers about the District II activities that would be held here during the Field Day celebration May 9 and 10.

The McNeely Flying Service purchased a Cessna 140 recently for the G.I. Training School. They were using a T-Craft, but it was blown over by high winds in Snyder recently and was completely wrecked. The new Cessna has an 85 hp. engine and will cruise at approximately 100 miles per hour.

Mr. Thompson of Lubbock, flying a Fairchild, was down on business recently.

The Lynn County Flying Farmers held their monthly meeting last night at the County AAA building. Plans were made for the Field Day program and for the entertainment and other business pertaining to the Field Day celebration.

Since this Field Day will be a two-day affair, the Lynn County Flying Farmers will have to provide as many accommodations for the visiting flying farmers as possible.

W. S. C. S. TO STUDY RACE PROBLEM

The Woman's Society of Christian Service will meet for their regular Monday afternoon meeting at 3:30 at the Church. They will begin a new Study under the direction of Mrs. W. W. Rowland. The title of this study is "Christian and Race" by Buell G. Gallagher.

This is to be a very interesting study and one everyone should want to hear. Each lady in the Church has a cordial invitation to attend these meetings and hear this study.

W. S. GUILD WILL STUDY STEWARDSHIP

The Wesleyan Service Guild will meet for their regular meeting, Monday evening in the home of Mrs. Odell King. We are to start a study on Stewardship. It will be given by the Rev. J. W. Rosenberg.

We will have a covered dish supper and urge each member to be there and bring someone with you.

CARD OF THANKS

Words fail us when we undertake to express our appreciation of the kindness and helpfulness of our friends so generously extended to us in the time of our recent great bereavement and sorrow which we suffered in the loss of our dear boy. From our hearts we thank you all.—Mr. and Mrs. Paul B. Halameick and children.

THANKS . . .

We wish to thank our many friends of the New Home community for their kindness and consideration during our recent accident. Thanks ever so much.—Mr. and Mrs. Rado Hutchens and Radene.

possible for one night. The Lynn County Flying Farmers are asking the citizens of Tahoka to provide overnight accommodations for as many of the visiting Flying Farmers as possible.

RUPTURE

SHIELD EXPERT HERE

H. M. SHEVNAV, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Thursday and Friday only, April 10 and 11, from 9 A. M. to 4 P. M.

Mr. Shevnav says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnav will be glad to demonstrate without charge. 4569 N. Artesian Ave. Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

LOSING SOMETHING, MISTER?

If your car is getting a bit loose in the joints, we know how to make her act like a two-year old again.

Our famous Chrysler-Plymouth Tightening-Up Treatment may prevent costly chassis and body troubles later on. Here's what our veteran mechanics will do:

- 1) Check spring bolts and shackles
- 2) Tighten if necessary.
- 3) Check shock absorbers.
- 4) Check body bolts.
- 5) Adjust door bumpers and locks.
- 6) Check rear-axle U-bolts.
- 7) Tighten battery hold-down bolts.
- 8) Tighten rear-axle carrier bolts.
- 9) Examine U-joint bolts.
- 10) Check engine mountings.

Tighten front and rear bumper support bolts. (11) Check front wheel bearing adjustments. (12) Check exhaust line system. (13) Check sway bars. (14) Check steering mounting. (15) Check dash panel instruments.

Come in and let our expert mechanics check up your car.

UNTIL YOUR NEW CAR COMES ALONG
WE'LL KEEP YOUR OLD ONE GOING STRONG!

MISS DOROTHY JOHNSON AND G. W. WHITE VOWS READ

Miss Dorothy N. Johnson, daughter of Mr. and Mrs. E. L. Johnson of Plainview became the bride of G. W. White, son of Mr. and Mrs. A. L. White of Tahoka, Friday, March 21, at 6 p. m.

The beautiful double ring ceremony was performed in the Methodist parsonage with Rev. J. W. Rosenberg, pastor of the Methodist Church of Tahoka officiating.

The bride wore a honey blegg two piece wool suit with cherry cote patent accessories. She carried a white Bible topped with a single orchid with orchid satin streamers. The tradition for something old, new, borrowed and blue, with a penny in her right shoe was carried out.

Miss Faye Johnson of Tahoka, cousin of the bride, was bridesmaid. She wore a white wool dress with red accessories and a corsage of white carnations.

Mrs. Alvin White, sister-in-law of the groom was matron of honor. She wore an iris blue dress with white accessories and a corsage of white carnations.

The groom was attended by his brother, Alvin White, as best man. Dwight Lawson of Tahoka acted as second-best man.

Those attending the wedding were the parents of both the bride and groom.

The bride's mother wore a black suit with black accessories and a corsage of white carnations.

The groom's mother wore a black suit with black accessories and a corsage of white carnations.

The bride is a 1946 graduate of Tahoka high school. Since moving to Plainview, she has been employed in a Real estate and Insurance office.

The groom is a 1942 graduate of Tahoka high school. He is a veteran of World War II, having served two years, eight months in the U. S. Navy. He is now associated with his father in business.

After a short wedding trip the couple returned to Tahoka to make their home.

FORMER TAHOCA BOY WEDS IN LUBBOCK

James Preston Whitley, formerly of Tahoka and now residing in Lubbock, the son of Mrs. Lela Whitley of that city and Frank Whitley of Tatum, New Mexico, was married on Saturday, March 22, in the Overton Methodist Chapel in Lubbock to Miss Loyce Ople Rogers, daughter of Mr. and Mrs. Frank L. Rogers of Route 6 south of Lubbock, the ceremony being read by Rev. W. A. Appling.

The groom was just a boy when his mother and other members of the family lived here. He worked for the News at intervals and also at other business places in town and was noted for his industry and frugality. The bride is not known here but the couple have the best wishes of all who knew him here. During the war he served in the Navy.

After a wedding trip to New Mexico, the couple are "at home" in Lubbock.

Miss Thelma Ruth Strain, daughter of Mr. and Mrs. J. R. Strain of New Home, who is teaching public school music at Phillips in the north Panhandle, visited the home folks recently.

FELLOWSHIP

Without writing at length on the term "Fellowship," allow me to use this space this week to invite you to Grassland for services April 6. Lunch will be served at the building and visiting ministers have been invited to speak in the afternoon.

An inspirational song service with leaders from other churches will be enjoyed.

The congregations at Grassland and Gordon would cooperate in having an all day service at some place in Lynn County at least once each month. Members of the church of Christ, think about it. We hope to have several from all of the churches in the county with us on April 6.

Remember you are always welcome at the church of Christ.—Price Bankhead, Post. Texas.

Unkle Hank Sez:

WHEN A MAN BECOMES SUDDENLY RICH HE USUALLY FINDS OUT THAT HE HAS A LOT MORE KINFOLKS THAN HE'D EVER DREAMED OF.

Have you dreamed of a store loaded with all the gas appliances you need... priced at prices you can afford to pay? Then you must have dreamed about the TAHOCA FLASH O GAS COMPANY. We're prepared to provide you with the appliances and Butane gas you want at reasonable prices.

Boswell Edwards of New Home returned Monday from Pampa, where he had been conducting the song services in a revival meeting. Boswell has had a number of

tempting offers to serve as music director the past few months but so far has declined to accept any of them. His wife visited him while he was in Pampa.

Drink McIlhaney's Pasteurized Milk

It stands against a whirlwind's wrath ...and OIL-PLATES your engine!

AGAINST THE COMBINED, MIGHTY FORCES of wind and electricity, even the world's tallest building seems frail. Yet, though it may sway, it will not fall, for in its slender columns and girders, particles of steel are bonded together by a still mightier elemental force ... the tremendous force of molecular attraction!

WHEN YOU CHANGE FOR SPRING to Conoco Nth motor oil, the same elemental force of molecular attraction bonds molecules of a special lubricating ingredient to molecules of engine metal! So close is this bond of molecule to molecule,

that cylinder walls and other engine parts are actually OIL-PLATED!

BECAUSE OIL-PLATING STAYS UP on cylinder walls ... doesn't all drain down even overnight ... a change to Conoco Nth gives you EXTRA protection when you first start your engine "dry" ... EXTRA protection from corrosive acid action when your engine is idle ... EXTRA protection from sludge and carbon caused by wear ... EXTRA smooth, cool, silent miles.

STOP WHERE YOU SEE THE RED of Your Conoco Mileage Merchant. Continental Oil Company

Make a date to OIL-PLATE...NOW!

Conoco Representative

Cotton Insurance Payment Assured

Congressman George Mahon reports from Washington that final payment of all approved cotton insurance claims is now virtually assured. He advises that the House of Representatives passed a bill early this week providing adequate funds to pay all outstanding insurance claims on the 1946 cotton crop.

Mahon, a member of the Appropriations Committee, was able to get the money included in a deficiency bill which was approved by the Committee last Friday. Senate action must yet be taken, but the action of the House paves the way for early and successful termination of the matter.

In commenting on the situation, Mahon said, "The 20 million dollars for crop insurance which was placed in the bill on my motion and at my insistence will enable the Government to pay off all approved outstanding cotton insurance claims. There are 17 thousand such claims in Texas, a great part of which come from West Texas, the heaviest insured area. About one-half of this money will be used in paying Texas claims. I do not have accurate figures before me, but I estimate that the 1946 insurance program will mean in excess of 10 million dollars to the cotton producers of our Congressional District. "I realize that the cotton insur-

ance program has been very imperfect and that it will be drastically modified for the crop year 1948. But the claims on the 1946 crop are obligations of the Government and ought to be immediately honored. The total net loss to the Government on the 1946 cotton crop insurance program will be 42 million dollars.

"Manager Gus Geissler of the crop insurance program advises that, he wants to rewrite and greatly restrict the 1948 cotton crop insurance program, probably placing it in only a few counties and on an experimental basis. Congressman Clifford Hope of Kansas, the chairman of the House Committee on Agriculture, has begun work on a revision of the present law. However, producers who went into the 1947 crop insurance program will undoubtedly be protected on their contracts."

BAPTIST W. M. S.

Observing the Fifth Monday as Mission day the Tahoka Baptist W.M.S. was hostess to members from New Home and Wells in the home of Mrs. J. L. Nevill, Monday afternoon from two to four o'clock. Mrs. Levi W. Price reviewed the book, "Shining Like The Stars," which brought fresh inspiration to all who are engaged in the work of missions.

The Social Committee, Misses G. B. Sherred and Jewel Connolly served a delicious refreshment plate to all present.

Mrs. J. H. Nelson has been very sick of the flu this week.

FARM NEWS

Clint M. Walker, Sec. Lynn County A. C. A.

At this date Lynn County farmers have received 931 checks for a total of \$93,207.86 in soil conservation payments for 1946. This represents approximately 60 percent of the total payments that will be received by farmers in this county for 1946.

When all payments of indemnities under the 1946 Cotton Insurance Program were stopped Lynn county had received payment on approximately 86 percent of the claims leaving a 14 percent outstanding. It is thought that Congress will soon pass a deficiency appropriation to enable the Crop Insurance Corporation to pay off the rest of the 1946 claims. Those holding certificates of indemnity will be paid on the price of cotton on ten designated spot markets the day the certificate is received in the Denver office but payment will be held up until Congress appropriates the money to pay the claim.

April is the last month for signing up for prior approval to carry out the practice of contour farming and many of the farmers have failed to make their application at this time. Letters have been sent to those who haven't but if you didn't get a letter and don't remember whether or not you signed up please check on this matter at the A.A.A. office before you plant and no later than May 1, 1947.

Protecting summer-fallow acreage is another practice that applies to this county for 1947 and the rate of pay is 80 cents per acre regardless of the number of operations. This practice applies to acreage only on which no crop is harvested in 1947 and the first operation must be performed early enough to conserve available moisture and in no event later than May 1, 1947. Prior approval must be obtained from the A.A.A. office before May 1.

LAKEVIEW-PETTY W.S.C.S.

The Women's Society for Christian Service of Lakeview-Petty Methodist Church held a Fifth Monday social in the home of Mrs. C. W. Petty with Mrs. W. S. Perry as joint hostess. Mrs. S. L. Williams brought the devotional from the 57th Psalm.

During the social hour several amusing games were played. Contests were held, with prizes for the winners. Refreshments were served to the following guests and members: Bill Copeland, R. L. Northam Jr., A. C. Fillingim, L. H. Moore, Jr., R. A. Fillingim, L. H. Moore, Sr., Kay Moore, B. B. Ater, R. W. Allen, Williams, Morris Russell, D. W. Hancock, Robert Poer and the hostesses.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.
CARDUI
SEE LABEL DIRECTIONS

Mr. and Mrs. Jim Woods moved to Dallas last Saturday, where Mr. Woods will be employed as a plumber for a building contractor. Jim was practically reared here and has engaged in the plumbing business here the past year.

WENZEL WINS 11 RIBBONS

A. D. Wenzel and son Wilburn of Brownfield, formerly of Wilson in this county, exhibited ten Berkshire hogs at the Southwestern Exposition and Fat Stock Show at Fort Worth this year and won eleven ribbons, it is reported, 2 first, 4 second, 3 third, 1 fourth and 1 fifth.

The Wenzels have been winning prizes on their hogs every year for many years at the Fort Worth Show, at Lubbock, and other places.

WORM PIGS

SAVE FEED!

NEW PIGTAB GRANULES

Worm-free hogs make cheaper gains. That's why we recommend Purina's NEW pig wormer — Pigtab Granules. A development of years of Purina research, Pigtab Granules are shockless, safe and easy to use. Just mix with the feed and let pigs worm themselves. Tests prove that Pigtab Granules will efficiently remove nodular and large roundworms, when used according to simple directions, and may help you save up to 140 pounds of feed on each hog marketed.

KILLS NODULAR AND LARGE ROUNDWORMS **COSTS LESS THAN 9c PER PIG**

HENRY MAASEN

FEED & PRODUCE

"WIRE AHEAD" FOR BETTER LIVING Electrically

Plans for your new home may include many electric appliances that your present bank account can't cover. But in the years to come you will use more and more of the wonderful appliances that add so much to modern home-making.

So, now, while your dreams are in the planning stage... plan on adequate wiring for your home. You can't have too much, it's easy to install too little.

Make adequate wiring, to supply reliable power for the appliances you'll want later, a part of your plans TODAY.

GET READY EARLY

It's never too early to get that farm equipment in first class repair. We are getting quite a few new parts.

We have plenty of 2 1/4x148 inch tool bars in stock now.

Bring us your farm machine problems.

ever heard here, using the subject "Common People." He emphasized the importance of community planning for the future of our children. Speaking humorously for approximately 45 minutes, the crowd hardly realized the point of his speech until near the end when he added the punch lines that connected up all his humor.

Visitors included Earl Collins, president of the Lubbock Chamber of Commerce, and wife, Mr. and Mrs. R. C. Elton, and Bob Weddle of the Avalanche-Journal, and the speaker's wife and sister.

Mr. and Mrs. J. K. Applewhite went down to Austin this mid-week and are bringing home for the Easter holidays their daughter, Miss Dot Applewhite, and also Misses Mackie and Peggy Fenton, daughters of Mr. and Mrs. Buster Fenton. The young ladies are students in the University of Texas.

YOUNG MINISTERS ARE FILLING NUMEROUS PULPITS

Charles Fulkerson and Billy Ed Ware, two youths of the Methodist Church here who recently announced their decisions to become ministers of the gospel, are having numerous opportunities to fill pulpits in this area. The two have been going together.

Last Sunday Charles filled the pulpit of the Methodist Church at New Home at the morning service and Billy Ed preached at the evening service. The Baptists dismissed their evening services and went to the Methodist Church to hear the youthful Methodist minister.

The youths have invitations to preach at Slaton, Seagraves, and other places in the near future.

WIFE HAS PNEUMONIA; HUSBAND TAKES THE FLU

Mr. and Mrs. E. H. Cunningham, who had been patients for several days in the Lubbock General Hospital, were released and were brought home Tuesday, both much improved.

Some time last week Mr. Cunningham accompanied his wife to the hospital and physicians found that she was suffering from pneumonia in one lung. While she was recovering he became ill with a stubborn case of the flu. Hospital beds were unavailable immediately and for a time he had to cough it out in his chair. Physicians gave him good attention, however, and on Tuesday both of them were able to come home.

IT'S PLANTING TIME

Harmon E. Parsons, Maysville, Mo., who suffered a hearing impairment as a result of his war service, overhauls his corn planter for a busy season. Parsons purchased his farm through the aid of a Veterans Administration approved loan and has been attending a federally sponsored vocational agriculture class.

Water Reservoir . . .

(Cont'd from page 1)

day if the weather remains favorable. There will be three pourings, of course, one for the wall, one for the floor, and one for the ceiling, or cover.

Pumping equipment will consist of two 350 gallon per minute electrically-driven pumps, with a standby gasoline engine to be used in any emergency that may arise by reason of the breakage from any cause of the electric current.

A chorinator will also be installed to treat the water just before it enters the big reservoir so as to make it pure and free from any character of contamination.

The vast quantity of dirt which has been excavated and left near the structure will be piled up to the top of and around the big reservoir after it is completed so as to make a sloping approach to the same.

With the new city wells which have been drilled the past year and this immense reservoir in which to store the water, in addition to the present storage facilities, Tahoka should have a sufficiency of good pure water for all purposes, regardless of droughts that may come, until the city grows much larger than it is now.

Members of the city council who are having this big storage reservoir constructed are: V. F. Jones, acting Mayor, Dr. K. R. Durham, Otho Thomas, S. S. Bartley, and H. B. McCord. Until recently, Joe Bovell was mayor and J. L. Heare was a member of the city council, and both of these are due much credit for the excellent financial condition of the city which made this big construction project possible. Dr. Durham and Otho Thomas have likewise been members of the city council many years and S. S. Bartley has been a member of the body for a number of years. H. B. McCord was elected last fall to fill the vacancy created by the removal of Mr. Heare outside the city limits.

CARD OF APPRECIATION

We sincerely thank those kind friends who sought by word and deed to comfort and help us in the disappointment and sorrow which we recently suffered in the loss of our dear little infant. We shall never cease to remember and appreciate your thoughtfulness and kindness.—Dr. and Mrs. F. H. Seale

Mr. and Mrs. Ted Terry were visitors in Lamesa last Friday. Mrs. Terry going down to attend a gift tea for Mr. and Mrs. M. L. Standefer, a young married couple who are special friends of theirs.

MAX MINOR GOES TO PANAMA TO OBSERVE ARMY DAY THERE

FORT WORTH, April 3.—Second Lt. John M. Minor, son of Mr. and Mrs. John W. Minor of Tahoka is co-pilot on a B-29 Superfort flight that left Fort Worth Army Air Field on April 3 for the Panama Canal Zone.

The Superfort flew to Panama to take part in the observance of Army Day at Albrook Field, C. Z. Lt. Minor graduated from the United States Military Academy at West Point, N. Y. in 1943. He received his wings as a pilot at Stewart Field, near West Point. The Lt. and his wife, Anne now reside in Fort Worth.

EUZELIAN CLASS

Mrs. T. I. Thyrot was hostess when the Euzelian Class of the Baptist Church held its monthly business and social meeting Tuesday night.

After a devotional and a short business session, games were played and refreshments were served.

The Class attendance has been cut for several weeks on account of illness among the members, among whom are Mes. W. M. Harris, J. H. Kuykendall, E. H. Cunningham, Mrs. E. J. Hendrix, another member has moved away.

NEW HOME SENIOR CLASS PLAY PRESENTED TONIGHT

The New Home Senior Class will present the play "Girls Are Like That" on Friday night, April 4th at 8:00 P. M. in the high school auditorium.

The play is a three act comedy which takes place in the home of Mrs. Poole, a widow with two problem daughters.

The Characters are played by the following students: Nelda Jobe, LaVerne Knight, Geraldine Jones, Frances Green, Leland Fillingim, Billy Vandiver, and Bob McAllister.

Mr. and Mrs. D. B. English and Mr. and Mrs. J. M. Small were called to Albany Tuesday by the critical illness of Mrs. Sam English but the Smalls returned to Tahoka the same day. Mrs. English passed away Tuesday night, however, and the Smalls returned to Albany for the funeral, which was conducted there at four o'clock Wednesday afternoon. D. B. and Sam English are brothers.
