## Club Boys Stock Raisers Exhibited Animals Saturday

4-H and FFA boys of Lynn county exhibited their livestock at the annual show held in Tahoka last Saturday. A large crowd of people viewed the exhibits, which were declared to be excellent, although smaller in number than at some previous shows.

The hog classes were unusually good, with 49 entries being shown. Although there were only eight beef calves and six dairy cows, due to the high price of feed, those animals shown were of excellent quality. Other livestock was exhibited by adult stockmen of the county.

The show was staged under direction of County Agent Bill Griffin, who was assisted by Virgil Carter and Robert Holloway, vocational agriculture teachers at Tahoka and Wilson, respectively.

Prize money was furnished by the Tahoka Chamber of Commerce, the Rotary and Lions clubs.

Beef Calves 1, 2, and 3, Finis Boklin; 4, Duane Carter; 5 and 6, Gerald Tippitt; 7, Jimmy Small; 8, Beryl Tippitt; all of Tahoka FFA.

Junior Girls: 1, Tommy Bednoy, Wilson FFA; 2, Kenneth Pearson, O'Donnell 4-H; 3, Jessie Dorman, Tahoka FFA; 4, Edward Taylor, Wilson 4-H; 5, Carl Spears, Wilson 4-H; 6 and 7, Bobbie Haire, Tahoka FFA.

Senior Girls: 1, Durwood Seely, O'Donnell 4-H; 2, Charles Brookshire, Tahoka 4-H; 3, Robert Adamson, Tahoka FFA; 4, Bryan McLaurin, O'Donnell 4-H; 5, Horace Strickland, O'Donnell FFA; 6 and 7, Kenneth Pearson, O'Donnell 4-H; 8, Marvin James, Wilson FFA; 9, Melvin Edwards, Wilson 4-H.

Sow and Litter: 1, Bobby Henley, O'Donnell 4-H; 2, Melvin Edwards, Wilson 4-H; 3 and 4, Duane Carter, Tahoka FFA; 5, Don Mires, O'Donnell 4-H; 6, Elmer Rash, Tahoka 4-H; 7, Curtis Lichey, Wilson 4-H; 8, Glendon Stokes, O'Donnell 4-H; 9, Carlton Wilke, Wilson 4-H; 10, Carl Spears, Wilson 4-H.

Barrow: 1, Harold Mires, O'Donnell 4-H; 2, John Mason, Wilson 4-H; 3, Don Mires, O'Donnell 4-H; 4, Billy Kelley, Tahoka FFA; 5, Thomas Mason, Wilson 4-H; 6, Clarence Moore, Wilson FFA; 7, Billy Spears, Wilson 4-H; 8, C. Moore.

Senior Sow: 1, Harold Mires, O'Donnell 4-H; 2, Bobby Haire, Tahoka FFA; 3, Kenneth Pearson, O'Donnell 4-H; 4, Donald Caudle, New Home 4-H; 5, Curtis Lichey, Wilson 4-H; 6, Arvis Grogan, O'Donnell 4-H.

Junior Boar: 1, Charles Mason, Wilson 4-H; 2, Harold Mires, O'Donnell 4-H; 3, Curtis Wilke, Wilson FFA; 4, Pat Caudle and 5, Donald Caudle, New Home 4-H.

Dairy Heifers: 1, E. P. Wicker, Wilson 4-H; 2, Marvin James, Wilson FFA; 3, Bobby James, O'Donnell 4-H; 4, Victor Stienhauser, Wilson FFA.

Dairy Cows: 1, Marvin James, Wilson FFA; 2, Sam Kirby, Wilson FFA.

## Youthful Baptists Filling Pulpits

Two young men of the Baptist Church, Randall Hinkle, 16-year-old High School Junior, and Joe Allen Webb, young ministerial student in Wayland College, who have dedicated their lives to the ministry, are filling the pulpits at numerous churches of the county. The News is informed.

Hinkle preached at the Petty church last Sunday morning, at the local Negro Baptist Church Sunday night, and will preach at Redwine Sunday and at Grassland Sunday, May 4. Wanda Faye Smith is accompanying him as song leader, and Nan Beth Pennington as pianist.

Webb preached at the local Negro Church last Sunday morning and at Petty Sunday night. He will return to Petty this Saturday night. C. A. Short is accompanying him as song leader and Dolores Nowlin as pianist and vocalist.

Mrs. Fred Nolen, who had been critically ill in a Lubbock hospital, is recovering and has been brought to her home at Petty.

J. F. (Jim) McCulloch of the Stamford Rotary Club has been placed as a candidate for District Governor of the 127th District of Rotary International which will hold its District Conference at Fort Worth, Texas, May 4, 5, and 6.

## Baptist Workers Meet In Tahoka

With at least sixteen churches represented and 150 to 200 persons present, the Workers Conference of the Brownfield Baptist Association convened in the Baptist Church here at ten o'clock Tuesday morning.

Following song and devotional services led by Boswell Edwards of New Home and Rev. Wayland Edwards, pastor of a church in Terry county, respectively, Rev. Ted Brian of Brownfield, now pastoring the Wells Baptist Church substituted for E. M. Collier of Abilene in bringing the report and discussion on Hendrick Memorial Hospital.

The report on the Palo Duro Encampment was brought by Rev. A. C. Hardin of Sundown, a former Tahoka pastor. He reported much progress in the raising of funds and the procuring of material to be used in constructing the encampment auditorium and other necessary buildings and also in the construction of a road down into the canyon, but much work yet remains to be done. He made an appeal for funds and about \$310.00 were pledged. There are eight other associations in this district, all of (Continued on last page)

## Seniors Present Play Tonight

The seniors of Tahoka High school will present the annual class play, "The Funny Brats," Friday night at 8:00 o'clock in the high school auditorium. "The Funny Brats" by Jay Tobias is a farce-comedy of family life, in three acts. Dick and Harriet Gresham, high school youngsters, played by Noah Cromer and Imogene Hargett, are infuriated because their widowed mother, Mrs. Sylvia Gresham, Nan Weathers, has allowed their older brother Tom, played by C. A. Short, to become the dictator of the family.

Dick and Harriet secretly send Tom's picture to a wealthy widow, Mrs. Gwennie Gadwood, Mary Adamson, whose advertisement for a husband has appeared in a matrimonial paper. Sylvia, tired of her children's constant bickering, decides they need a father. Since Loren Gresham, her bachelor brother-in-law, with whom she is in love, to be played by Sargent Munn, is too bashful to propose, she takes the advice of her Aunt Hettie, Jo Ann Henderson, and becomes engaged to the crabbed old widower, Whaley McWhorter, James Bairington.

Upon arrival of Mrs. Gadwood, Dick and Harriet, fearing Tom's fury, try to get rid of her, by telling her that Tom is engaged to the dumb maid Aurora Pike, played by Dorothy Preas. Boogerface Boggs, Don Akin, resentful of the fact that his girl has jilted him, creates a turmoil, the outcome of which is hilarious.

Novelty numbers will be presented between acts. Admission will be 25 cents for children and students and 50 cents for adults.

## Election Called By Edith, Tahoka On Consolidation

Acting upon a petition filed with him last week, Judge Tom Garrard on Wednesday issued an order calling an election to be held in the Edith and the Tahoka school districts on Saturday, May 17, to determine whether or not these two districts shall be consolidated. A majority vote in each of the districts is necessary to authorize consolidation.

Edith comprises eighteen and three-quarter sections of land, lying chiefly south of the Tahoka-Post highway. Three or four sections lie north of it. There are probably 25 or 30 voters in the district.

For the past few years no school has been maintained at Edith, all or most of the children being transferred annually into the Tahoka district. It is believed that most of the patrons will vote for consolidation, though it is said that there are a few land owners who may oppose it.

## Draw Votes To Join O'Donnell

At the election held in the O'Donnell and Draw school districts last Saturday, unofficial returns indicate that the vote at Draw favored consolidation, the figures being 45 for and 33 against. At O'Donnell practically all of the votes cast were in favor of consolidation, but the News is not in possession of the exact figures.

An election will soon be held in the consolidated district for the selection of seven trustees. So, children living in the original Draw district will attend the O'Donnell schools hereafter except those who may prefer to transfer into other districts.

## Farmers Co-op Met Thursday

The members, officers, and employees of the Farmers' Cooperative Association No. 1, their families, friends, and specially invited guests gathered at the offices and plant of this Cooperative Thursday morning transacted business, talked weather and crops, swapped jokes, and at the noon hour feasted on barbecued beef and all the accessories provided by the organization as a good will gesture to their customers, friends, and everybody.

A crowd of several hundred people was present.

The occasion of the big affair was the annual meeting of the stockholders of the organization at which the directors are elected, the directors in turn naming the president and other general officers.

The officers for the past year have been as follows: H. P. Caviness, president; L. D. Howell, vice-president; G. B. Sherrod, secretary; C. E. McKnight, manager-treasurer; and the board of directors is composed of the president, vice-president, secretary, and the following other members: W. T. Cook, J. C. Wells, E. J. Cooper, and G. L. Cobb. The terms of G. B. Sherrod and J. C. Wells were expiring, and they were to be re-elected or two other share-holders elected to take their places.

Reports were made giving the low-down on the Year's operations, the amount of business done, expenditures, income, etc. Two cotton crop failures in succession, of course reduced the earnings of the Association to a minimum, but the station has fared much better.

Two representatives of the Association, Cleveland Littlepage and Guy Smith, made a trip to Coffeyville, Kansas, to inspect the Cooperative refinery there, and they made a report of their observations and findings to the local Cooperative. They went up Sunday and arrived back home Tuesday night.

It is needless to say that the guests enjoyed that barbecue. And it is a cinch that they all hope that the Farmers' Coop has a lot of cotton to gin and a lot of money to handle next fall.

## Editor Inspects New Road Project East Of Wilson

A representative of the News on last Friday drove over the new farm-to-market road now under construction, running east from Wilson to the Garza county line and the spur running north six miles from a point in this road to the Lubbock-Post, highway some three miles southeast of Slaton.

Most of the grading and the drainage structures on the east-west portion of this project have been completed, and one driving over it is given the impression that it is going to be a dandy road. Not only has the grading of the spur running north from this road been completed but nearly half of the caliche had been placed. Beginning at the northern end, caliche had been placed on the road-bed for more than two and a half miles. The work had stopped temporarily in the search for more caliche near the scene of operations, as the bed (Cont'd. on last page)

## C. of C. Considers Livestock Project

Two meetings of the Tahoka Chamber of Commerce have been held recently, since the election of Winston C. Wharton as president, at which plans are being discussed for the year's work.

At Tuesday night's meeting of the directors, plans for a permanent livestock exhibit area, complete with pens, shelter, and show ring, was discussed. Need of a place where stock shows can be held was emphasized by lack of facilities for the Club Boys Livestock shows held here last week. A number of farmers and business men, particularly of the Wilson and Tahoka areas have expressed their interest in a creditable place to show stock.

The C. of C. is also supporting the summer softball program and will aid the Lynn County Flying Farmers in staging the District II field day here next month.

## Local Woman At PTA Conference

Five members of the Tahoka Parent-Teacher Association attended the district P.T.A. Conference held at Ralls last Thursday, Friday and Saturday. They were: Mmes. Walter Mathis, Fred McGinty, W.P. Hutchinson, Ted Clayton, and Terry Thompson.

Principal speaker of the meeting was Dr. F. Edmund Kirby of McMurry College, Abilene, who used the subject, "Laying Firm Foundations," the theme of the conference programs. Dr. T. C. Root of Texas Tech spoke on "Mental Health." Another number of interest locally was "Selected Poems," by Mrs. O. M. McGinty of Spur, a daughter of Mr. and Mrs. I. M. Draper of Tahoka.

The Tahoka delegates came home with new and better ideas for a bigger and better P.T.A. for another year.

## Fulkerson Will Be On Draw Program

Sunday will be Youth Day at the Draw Methodist Church, according to Rev. W. E. Lynn, pastor, and he young people of the church will have charge of all services. Erma Lee Jackson, MYF president, will be in charge of the programs.

Sunday morning at 11 o'clock, Rev. Charles Fulkerson, youthful preacher from the Tahoka church, will bring the message.

At the 8:00 p. m. service, the youth of the Draw church will present a special service.

## Three Lakes School Patrons Will Meet

There will be a meeting of the people of the Three Lakes Community Saturday afternoon at 3 o'clock in the county court room to discuss next year's school matters. This is important—please come. Trustees of Three Lakes Independent School District.

## Government Loan Extended REA

Garland Pennington, Manager of the Lyntegar Electric Cooperative, a few days ago received the following telegram from Congressman George Mahon, dated April 17, 1947, which speaks for itself.

"Pleased to advise REA informs me of final approval of \$100,000 loan to extend service in counties of Lynn, Dawson, Martin, and Terry. Regards, George Mahon."

## Mrs. J. H. Cook, 58 Died Saturday

Mrs. Mattie Lou Cook, 58, wife of J. H. Cook of the Bethel Church community, died in the West Texas Hospital in Lubbock at 8:30 o'clock Saturday morning. She had been taken to the hospital on Monday and had undergone major surgery on Tuesday morning. For the first two days after the operation she seemed to be recovering and then took a turn for the worse, the fatal ending coming as a great shock to the family and friends.

Funeral services were conducted at Draw Methodist Church at four o'clock Sunday afternoon in the presence of a throng of friends and loved ones that filled the church to overflowing. Rev. V. W. Allen of Smyer, a former pastor of Mrs. Cook, conducted the services, assisted by the pastor of the Bethel Baptist Church. The body was (Cont'd. on last page)

## Plains Softball Teams Begin Play

In the opening game of the softball season here last Tuesday night the Plainview club ran over the Tahoka C of C team by a score of 30 to 5.

This was the first game in the South Plains Softball League for both teams and it was very obvious that the Tahoka team was in bad need of practice which they have not been able to get for several reasons. However some of the players showed up fairly well while others looked a little rusty. The Plainview boys had been working out for a couple of weeks and that made considerable difference in the way they were able to handle the ball both in field and at bat.

The game was supposed to be a nine inning game, but due to the score was called at the end of the seventh inning.

Dodson pitched the first three innings for Tahoka with Pierce taking over from there. Burch was on the mound all the way for the Plainview club, holding the Tahoka team to only five hits, two of which were homers by R. M. Thomas.

Manager Wade Holland worked his boys out this week and will travel to Lubbock to play the Blue Bonnet boys tonight. Wade says he will be fielding a much better team by the time they meet Brownfield here next Tuesday night.

Grassland and VFW To Play Monday Night  
A practice game will be played on the local softball diamond Monday night between Grassland and the VFW team of Tahoka.

Grassland Softball Field Nears Completion  
The News was notified that the new softball field which is being built at Grassland will soon be completed with lights for night games.

Grassland always has a good ball team and with a field at home now to bolster their morals they are likely to have a good team this year.

## Plan Rabbit Drive At Tahoka Lake

There will be a rabbit drive at Tahoka Lake on Monday, April 28, according to G. H. Spears. The men are requested to meet there at nine o'clock that morning.

GARRARD ON PROGRAM  
Judge Tom Garrard will be the guest speaker on the "Farmer of the Week" program which will be presented over radio station KSEL Sunday afternoon at 2 o'clock.

## Closing Exercises Of Tahoka Schools Are Announced

Vernon Brewer, superintendent, this week announced the schedule of activities for the closing weeks of the Tahoka Public Schools.

The school year will come to a climax Friday night, May 16, when diplomas will be presented the seniors at commencement exercises featuring an address by Charles Paxton, Sweetwater, oil company executive, past district governor of Rotary International, a Boy Scout leader, and one of the outstanding civic workers of West Texas.

The commencement sermon will be Sunday, May 11, at 8:00 p. m., the speaker being Rev. George Maurice Small, who was reared here, but who is now a Freshman ministerial student in McMurry College, Abilene, and assistant pastor of the Methodist Church at Stamford. He is the son of Mr. and Mrs. Maurice Small, and the grandson of Mr. and Mrs. D. B. English and Mr. and Mrs. George Small, all of this city.

The annual Junior-Senior banquet was held in the gymnasium on Tuesday night of this week.

Other events of the closing four weeks of school follow:

Friday (tonight), at 8 p. m., the Senior play.

Sunday afternoon, April 27, at 3:30 o'clock, Mrs. M. H. Edwards presents Doris Jane Roberts in her Senior piano recital. She will be assisted by Helen Jo Graham.

Monday night, April 28, the football boys will engage in an intra-squad scrimmage, to which the public is invited.

Tuesday night, April 29, at 7:15, Mrs. Edwards presents her pupils in recital.

Thursday evening, May 1, at 8:30 p. m. a garden party will be held at the home of Mrs. L. C. Haney.

The annual Father-Son banquet will be held in the gymnasium on Friday night, May 2.

May 5, Mrs. R. L. Richardson will present her students in recital.

May 6 has been set aside for the annual football banquet, which will be held at 8 p. m. in the gym.

The night of May 7, another intra-squad football scrimmage will be held.

On the night of May 8, the Methodist Church will entertain the Senior Class with a chuck wagon party at the church.

May 9 is Senior Day.

May 14 the final football scrimmage will be held.

And on the evening of May 16, the annual Grade School exercises will be held in the auditorium.

The board of directors and about twenty-five of the stockholders of the Tahoka Cooperative Association met in the office of the gin and station which it operates here on last Friday afternoon in its annual business meeting.

All the directors of the association were re-elected after which the officers and the manager were also re-elected. Not a change in the personnel was made, which would indicate that the affairs of the association have been conducted in a manner highly satisfactory to the stockholders.

The officers are as follows: John G. Price, President, O. C. Sikes, secretary, and H. G. Hodges, manager.

The board of directors consists of the president and the secretary, Price and Sikes, J. W. Glover, S. B. Miller, and C. C. Spears.

The auditor, Leslie Hughes of Lubbock, made his annual report, and highly complimented the board and the officers on the way they had conducted the business. Although it showed a loss, due to the almost unprecedented drought that had prevailed for the past two years, the loss was small under the circumstances.

Of course the directors are looking forward to much better crops and much better business accordingly during the current year.

J. L. Rumbo recently visited at Fort Worth, Dallas, and Austin.

### TRUETT COOPERS WRITE HOME FROM KOREA

Mr. and Mrs. E. J. Cooper have received a most interesting letter from their daughter-in-law, Mrs. Truett Cooper, who recently joined her husband, Capt. Cooper, who is with the occupational forces under General MacArthur and now stationed at Seoul, Korea.

We quote below most of the letter.

When you have a special message of love . . . send a box of exquisite roses. They can express your feelings far better than any of your words might. Remember . . . flowers always say it better.

### The House of FLOWERS

Some of you know that we are making a tour of southern Korea in our Special train—for those of you that don't know this is to tell you all about it. First I'll tell you the reason for the trip. Truett, as you know, has charge of the collecting and distribution of food to these people. When the rice crop was harvested a price was paid all the farmers for their surplus grain. It was brought to a collection point and stored in warehouses to wait shipment to places where there was no food. Now that the farmers have been paid for their rice they are objecting to having the surplus moved out of their province. Truett's office has branch offices in all the provinces and they are responsible to him. He in turn is responsible to the Military Governor of Korea. He is taking this trip in order to find out what can be done toward getting the rice moved and to actually get an on-the-scene report so that they will know what further action they should take.

We have seen some wonderful sights and also some that are hard to believe. Since the railroad is the only mode of transportation these people have, there are stations about every ten miles and sometimes even nearer. The villages here in the south are made almost entirely of straw. Farmers don't build a house on the farm and live to themselves as American people do. Sometimes they are ten or twelve houses built near each other and all the people work the land. This land has been passed down thru the ages to the oldest son or at least to the next in line and the old people keep on living on it too. A man usually has

a grandmother, mother, two or three wives and uncountable children, and they all live together under one roof—whether peacefully or not I can not say. The reason these people build their houses near each other is for protection and, too, they get a lot of help this way. There are lots of wild animals in and near this section and also fire is a big hazard. You never see a house that does not have a fence or wall of some kind around it.

We left Seoul Tuesday at 8 a. m. We got to Chonju at 3 and stayed until Wednesday morning about 10. We left there and went to Kwanju and spent the night. Last night we spent here in Gaejon, and tonight we are to spend in Onyang.

Right now Truett has gone to talk to the Governor of this province. I usually go with him but this morning I stayed behind so that I could write these letters. I am sitting out in the middle of the second largest rail center in Korea. There are about twenty little boys and girls standing far enough away from the car so that they can look in and see me. A white woman is still quite a novelty here but after this week it won't be any more—15 families are due to move in here tomorrow. We are really beginning to appreciate what we have in Seoul more than ever after seeing the way these people live down here. There is no commissary at any of the places that we have been. The mess officer buys food for the mess and also for all dependents. They make out their list and give it to him then he buys what he can get. One girl told me the other night that when her groceries came she had eight No. 10 cans of lima beans and a pound of butter. That was one week's ration. I believe if that happened to me I would be about ready to give up.

### New Home News

By Mrs. A. L. Pace

The New Home Parent-Teacher Association met in an executive meeting April 18. The officers that were elected last were elected for a two year term, so that the present officers will serve next year. Mrs. N. H. Cromer, president, appointed the same members to the standing committees. The yearbook and program committees were joined together with Mrs. Loyd McCormick as chairman and Mrs. Harlan Dean and Mrs. Jesse Ganus on the committee. On the membership committee Mrs. Murray Nettles was appointed chairman and Mrs. Boswell Edwards and Mrs. Guy Coleman to serve on the committee.

At the next meeting a committee will be appointed to discuss landscaping of the school ground.

A motion was made and approved that the PTA entertain the Seniors with a theatre party the last week of school.

Mr. Wilmer Smith and Mrs. Carson Smith were appointed as School Lunch Chairmen.

The monthly business meeting of the Homemakers Class of the Baptist Church met at the home of Mrs. Adrian Evans April 15.

The Devotional "Showers" was given by Mrs. Claude James. Some important business was transacted.

Refreshments of angel cakes and punch was served to Mrs. Henry Heck, teacher, Mesdames J. W. Edwards, Leroy Nettles, Clyde Ashcraft, Charles Armontrout, D. D. Renfro, Cecil Bradshaw, Dub Thompson, Winston Davies, Floyd Smith, and hostess, Mrs. Thompson was co-hostess.

Miss Faye Nordyke was at home Sunday afternoon accompanied by friends of the Texas Tech and of Lubbock as follows: Elsie Burrus, Nina Potts, Tinker Miller, Welton Causey, Charlie Newton, Travis Shoup, and Calvin Carpenter.

### MAHON REPORTS ON LABOR BILL

Representative George Mahon reports that the long awaited labor bill designed to protect the public and prevent abuses by labor unions and management passed the House of Representatives in Washington last week by the overwhelming vote of 308 to 107. The bill now goes to the Senate for consideration where some revisions are anticipated. Mahon expressed the hope that when the bill is put in final shape it will be reasonably fair to all concerned, meaning fair to labor and industry, and not least of all, the public.

The Texas members were divided on the final vote on the bill. Mahon,

along with 13 other Texans, voted for the measure, and 5 voted against it.

Don't move that stake. It is being used for your road construction. Don't delay the engineers.

## BAPTIST NOTES

Rev. Levi Price will be in his pulpit again next Sunday, having closed a two-weeks revival at Denver City last Sunday night. He reported a great meeting over there, with many professions of faith and rededications.

Dr. Fred Fisher, Bible teacher in Hardin-Simmons University, filled the pulpit here last Sunday at both the morning and the evening hours. Members of the congregations re-

ported two most excellent discourses. In fact, they pronounced Dr. Fisher to be very fine.

At the Young People's Social hour following the services, a Negro quartet from Pleasant Grove Baptist Church in Northeast Tahoka delighted and thrilled the young people with two or three numbers. One young man of the First Baptist Church had just concluded a preaching service for the Negroes in their Church.

## LOUIS BOTKIN RETURNS FROM CANADA

Louis Botkin, son of Mr. and Mrs. V. L. Botkin, returned home Sunday from Regina, Canada, where he is employed as assistant manager of the Sales Department for the Union Publishing Company of New York City.

Louis developed pneumonia shortly after arriving in Canada last fall. He was sent to a hospital in North Dakota for treatment, and after getting out of the hospital he was given a four weeks vacation.

Louis got the position with the New York publishing firm in November of '46 while attending Hardin-Simmons University. Louis says that he has enjoyed the work thus far and he will return to Canada in about four weeks.

## RECITALS TO BE PRESENTED BY MRS. EDWARD'S PUPILS

Sunday afternoon at 3:30 o'clock at the Tahoka High School Auditorium Mrs. Marcus Edwards will present Miss Doris Jane Roberts, assisted by Miss Helen Jo Graham of Snyder in a recital.

On Tuesday night, April 29 at 7:15 p. m., at the High School Auditorium Mrs. Marcus Edwards will present all of her pupils in a recital.

The public is cordially invited to attend both of these recitals. Mrs. Edwards claims that they will be the best this year.

## CHILDREN CELEBRATE MR. COOPER'S BIRTHDAY

County Commissioner E. J. Cooper had another birthday last Sunday—we can't say which one it was—but to help him celebrate it, several of the children gathered for dinner under the parental roof, his better two-thirds having prepared or supervised the preparation of an elaborate meal.

Included in this reunion with the parents were: Mr. and Mrs. Clifton Hamilton of Meadow; Mr. and Mrs. Andrew Cooper and children of Brownfield; Mr. and Mrs. Noel Cooper and little daughter and Mr. and Mrs. P. A. Nowlin and two daughters, all of Lamesa and Mr. and Mrs. Alton Cain and children of Tahoka.

## SOFTBALL MANAGERS

## WILL MEET HERE

All managers, or other persons interested in entering teams in the Lynn County Softball League are requested to meet at Walker's Flash O Gas, on the west side of square, Tuesday night, April 29, to complete plans for the season.

Rules of play and of eligibility will be made at the meeting. Present plans call for two weeks of practice games beginning May 5, after which games will count in league standing.

## PICTURES AT ROTARY

Martin Von Roeder, Snyder seed and fruit grower, presented the program at Rotary Club Thursday of last week, showing color pictures of his fishing and hunting trips to the Colorado and Wyoming Rockies. Fred Bucy was program chairman for the day.

Many residences have been built in Tahoka the past year and several are now under construction. The Roberts addition west of the High School has become a beautiful annex to the city though outside the city limits. Every home owner in Tahoka should take pains to clean up and beautify his premises where this has not been done already. On the whole Tahoka is already an attractive town but by a little special attention we could make it the most beautiful on the Plains. Let's do it.

Misses Mildred Cox, Delores Nowlin, and Wanda Faye Smith attended a Young Women's Auxiliary house party at Wayland College, Plainview, on last Friday and Saturday, an annual affair. Miss Nowlin appeared on the program at the meeting Saturday morning with a vocal solo. She was highly complimented for her number.

Mrs. Hubert Webb and daughter Marilyn, and Miss Earlene Hicks returned to their home in Colorado Springs, Colorado, after a two weeks visit with their parents, Aunt and Uncle, Mr. and Mrs. H. E. Huffaker, of Grassland. Miss Modena Murray accompanied them home for an extended visit, where she expects to start working soon.

Mr. and Mrs. Tom Dikes came up Monday from Mineral Wells, where they now reside, to visit relatives here. They lived near Tahoka for many years, moved to Lubbock a few years ago and then to Mineral Wells about six months ago. Tom's face looks familiar on the streets of Tahoka.

Advertising Rates on Application.

Henry Wallace may be a great and good man, but recently he has not been acting like one. He may be a highly patriotic citizen, but if so his words belie his sentiments. He has been going around over Europe casting ugly aspersions upon his own country. He has been telling the millions that his own home Government has embarked upon a course of "ruthless imperialism." This accusation is being made in connection with his criticism of the Washington Government for proposing to make a loan of four hundred million dollars to Greece and Turkey with which to fight back

the encroachments of Russian Communism. That the Communists who rule Russia are seeking to intrude themselves in Greece and Turkey has never been denied by Mr. Wallace so far as we have ever known. It seems therefore that he is favorable to the aggression. If there were any ground at all for his charge that our Government has become imperialistic, there might be some little excuse for the charge. But he makes it in face of the fact that his country, after having sacrificed the lives of thousands of American citizens in protecting the Filipinos against the aggressions of the cruel and treacherous Japs, then granted the demands of the Filipinos for complete independence, and is now still protecting them while they set up their own independent government. He makes it in face of the fact that although we whipped Japan to a frazzle and could have taken steps to make of it a mere territory of the United States, we have done no such thing but are now teaching the Japs the ways of democracy with a view to turning their government completely over to them when world conditions and proof of their sincerity and peaceable intentions will warrant such a step. We are gobbling up no country. We are only throwing obstructions in the way of the gobblers, of which Russia at this moment seems to be the chief. We are determined to stop now if possible the aggressions of any country that has ambitions to subvert or dominate the world, either by force of arms or through lying propaganda. We are likely to take whatever steps are necessary, but this is not imperialism, Henry Wallace to the contrary notwithstanding.

also change the basis of scholastic apportionment from scholastic enrollment to average scholastic daily attendance. This would encourage the enforcement of the compulsory attendance law and at the same time would eliminate a lot of injustice in the apportionment of funds.

It seems that the "Big Four" conference at Moscow is getting nowhere fast. It is expected to adjourn this week without having agreed definitely upon any issue of importance. We are wondering if the United Nations will ever be able to function effectively. It now seems very doubtful. It is becoming more and more evident every day that real, genuine Christianity is the only sure cure for the ills of the world—not that silly shallow, nonsensical, non-spiritual, formalistic, ritualistic body of dogmas and doctrines set forth by some as the very sum and substance of Christianity, but that real genuine and dynamic type of Christianity which changes the "hearts" of men and infuses into them the very spirit of Christ. No, it's not the Christless politicians nor the religious bigots of whatever name or denomination that can bring lasting peace to the world. It is the deeply pious and highly intelligent Christian Ministry in this and other countries together with the great masses of like mind and character who can if they will infuse the good leaven of Christianity into the whole world lump and thus insure permanent world peace. In the meantime, we've got to keep our eyes open and our powder dry.

The City did a good job last week in running the grader over the unpaved streets of the town, giving them a smooth surface and making it something of a pleasure to drive over them. We hope that the City can repeat the operation frequently hereafter, at least soon after each rainy spell of weather. Flowers for the Mayor and the city council.

### MRS. J. B. RAY GIVEN SURPRISE BIRTHDAY PARTY

A surprise birthday party was given Mrs. J. B. Ray of the Gar-nolia community in her home on Sunday, April 20. She was celebrating her 61st birthday. The dinner was served buffet style. The table was very beautifully set, and the table cloth, which came from Old Mexico, was a gift from her husband. Mrs. Ray received a number of gifts from her family and friends, among which was one from Mr. and Mrs. L. H. Moore of New Home. Several friends called in the afternoon. Those attending were: Mr. and Mrs. J. P. Ray, Maudie and Jerry of Post; Mr. and Mrs. H. F. Ray and Rita of Post; Mr. and Mrs. T. B. Mason and family of New Lynn; Mr. and Mrs. Raleigh Ray of Gar-nolia; and Mr. and Mrs. C. E. Scott and Ronald of New Home. A good time was had by all. Contributed.

Man has suffered long with back-ache, soreness, painful elimination, discomfort of losing sleep. Chemists have solved the problem. Correct the ph. of the body fluids—trouble leaves. CIT-ROS \$1.00 at your druggist. For sale by WYNNE COLLIER, DRUGGIST

### How women and girls may get wanted relief from functional periodic pain

Cardul, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

### PINK AND BLUE SHOWER

Mrs. Roger Bell and Mrs. Pete Ware entertained with a pink and blue shower for Mr. Vernon Steele Friday afternoon April 11, in the Ware home. Invitations were mailed to some thirty five ladies and were in the form of pink and blue booties.

As the guests arrived they were greeted at the door by Mrs. Bell and presented to Mrs. Steele, who was seated in a large chair decorated with a huge bow of blue ribbon. After everyone was there the hostesses presented Mrs. Steele with a lovely corsage of pink and blue daisies tied with a bow of blue ribbon. She was seated beside a large bassinet that was very tastefully decorated with pink and blue, underneath an umbrella covered with blue and lined with pink, from which long streamers of white were hanging. The bassinet was full of the loveliest of gifts.

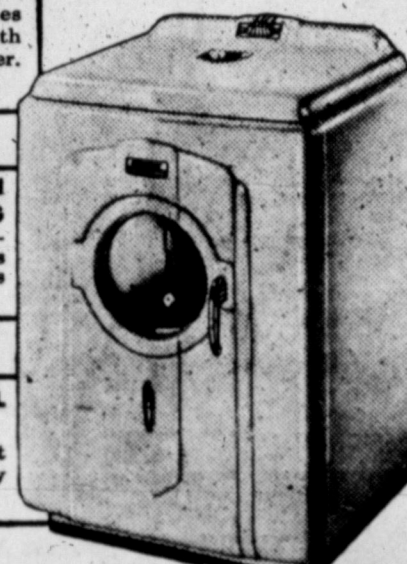

A very appropriate program was presented and was enjoyed by the following: Mrs. Jim Ward, Mrs. John Slover, Mrs. Sam Reid, Mrs. Albert Williams, Mrs. Tom Gill, Mrs. Hick Gibson and little daughter Sunnie Sue, Mrs. E. R. Edwards, Mrs. Jim White, Mrs. J. W. Rosenberg, Mrs. Ted Terry, Mrs. Milton Uzzle, Mrs. Paul Halamick, the honoree, Mrs. Steele and little daughter, Patsy and the hostesses, Mrs. Ware and Mrs. Bell. Refreshments of punch and slices of pink and blue angel food cake

were served. Favors were little bradles in pink and blue colors filled with mints. Spring flowers were used through-

out the entertaining rooms and the guests were registered in a beautiful Baby Book that was a gift from Mrs. Ware.

## ONLY THE BENDIX GIVES YOU "WORKLESS WASHDAYS" PLUS THESE 4 FAMOUS FEATURES

## T Hangar Flying . .

Last Sunday afternoon after considerable persuasion, Newt Barham took his first airplane ride. Mr. McNeely piloted the plane and they went up to approximately 7,000 feet just to give Newt a birds-eye view of the South Plains. Newt says he really did enjoy the ride and now he wants to fly to Alaska on a hunting trip.

Lloyd Mears and Lloyd's brother-in-law, Mr. Randolph of Plains were trying out Mr. Randolph's new Cruiser Sunday and dropped into the airport for a short visit.

Sunday morning Mr. and Mrs. Connor Parson and children, Billy Jack Hancock and wife, Bill and Ruby McNeely, Bobby Weaver and Leslie McNeely, Mr. Tanner and Billy Hill and "Shorty" McNeely all flew over to Littlefield for breakfast. About 150 Plains flyers attended this event.

Nell DeLavan, and Lee Paris both of Lubbock were down early this week in a Stearman.

Jim Bob Curry flew Mrs. Newt Barham to Clovis last Sunday morning to visit with her daughter there. They returned that afternoon.

Conner Parson, Chester Hackathorn, Bobby Weaver, Bobby Ramsey and Leslie McNeely all flew to Possum Kingdom to do a little fishing Tuesday. They were supposed to return that afternoon, but were weathered-in and didn't make it back until Wednesday morning.

Charlie Barnett enrolled this week as a student at the McNeely Flying Service.

Several boys have enrolled at the McNeely Flying Service for advanced training. Some of these boys are: Herb Smith, Billy Jack Hancock, Bobby Weaver, Billy Hill and several others.

Another feature has been added to the two-day Flying Farmers Field Day here May 9-10. Parachute jumps will be made on one of the days and maybe on both days. There are two different boys who are ex-paratroopers who have asked to make jumps. There is nothing definite on this event yet, but at least one jump will be made.

Several Crop-Dusters will be here for the event and will put on a formation dusting exhibition over town and spot landing contests will be another feature attraction. If the weather is good on these two days, a crowd of from two to three thousand people are expected for this event with at least two or three hundred airplanes on the local airport, with a possibility of many more than that being here.

The members of the Flying 6 club had a meeting last Sunday afternoon at the local airport and transacted some important business.

The Rotary Club, Lions Club and the Tahoka Chamber of Commerce are sponsoring drives for cars to be used as transportation facilities during the two-day Field Day and for people in private homes to help house the visiting Flying Farmers for one night.

The Tahoka Roping Club is sponsoring a Rodeo on one day of the Field Day which is Saturday and also will have a show on Sunday. This rodeo will not be the best but it will be a good show. Most of the riders and ropers will be amateurs but sometimes they put on even a better show than the professionals do, so don't fail to go to at least one of the two rodeo performances on Saturday and Sunday afternoon at the rodeo grounds just across the highway south of the airport.

There will be dancing on Friday and Saturday nights at the Tipit Skating Rink east of town with the Sunshine Trio and Band furnishing the music on both nights. These dances are open to the public as well as all the other attractions.

## FARM NEWS

Clint M. Walker,  
Sec. Lynn County A. C. A.

Lynn County farmers have received a total of \$145,743.59 in 1946 Soil Conservation payments which represents approximately 86 percent of the total amount to be received.

Many Lynn County farmers have not applied for prior approval to carry out the soil building practice contour farming for 1947. The closing date for accepting prior approval for this practice is May 1, 1947. Even though the farm is being farmed on the contour as it was in 1946 does not mean that you have prior approval for 1947. You must secure prior approval for each practice each year before the practice is started.

Production and Marketing Administration is urging wider use of the plentiful egg supply . . . particularly in the preparation of children's meals. For building and repairing body tissue, eggs rank up in the class with meat and milk . . . which makes them an important part of the diet of children who need body building protein. An egg every day for a child is a good rule to follow, according to PMA.

Don't forget . . . May 1 is the last day for prior approvals on contour farming.

Mrs. Willis Johnson, Casa Grande, Ariz., visited last week end with Mmes. J. D. Donaldson and E. S. Davis. Mr. and Mrs. Johnson were formerly with Cobbs here.

## Grassroots...

By Bill Griffin  
County Agent

One of the biggest steps toward producing high quality grapes is a complete spraying program through the growing season.

As the grape blossoms begin to shed, the grower can take this as a cue to start his spraying program. A spraying job at this time will clean off the disease spores of black rot and brown rot. Black rot can be controlled with 8 pounds of Bordeaux mixture in 100 gallons of water. Bordeaux is the name applied to a preparation composed of Copper sulphate and lime.

As the growing season progresses, grapes need spraying at two to three week intervals throughout the season. Growers have found that a thorough spraying of the Bordeaux mixture on leaves and young grape clusters is a first-rate control measure.

During May and June two serious pests hit the grapes these being Grapeleaf hoppers and Grapeleaf folders. Two pounds of 50 per cent wettable DDT powder added to the regular spraying mixture will control these pests.

Two classes of insects are likely to attack your garden this year. The chewing insects, that chew holes in the leaves and the sucking insects that suck juices from the leaves, stems, and fruit.

Generally DDT will control both types of insects, except plant lice and red spider, but you have some things to watch when you start fighting insects. For example DDT will burn the foliage on vine crops like cantelopes, watermelons, cucumbers, and squash. DDT cannot be safely used on leafy vegetables that are harvested every day, or even each week because the residue is hard to remove from the leaves. You can use DDT on beans, peas, tomatoes, provided you quit spraying three weeks before you harvest. On root vegetables you are safe in using DDT throughout the season.

DDT can be used either as a dust or spray. Three to five per cent dusts are good for garden insects and an effective spray can be mixed with two ounces of 50 per cent wettable powder in a gallon of water.

Home gardening calls for a constant fight against insects.

### W. S. C. S. HAS INTERESTING STUDY

The W.S.C.S. met Monday at 4.00 p. m. with twenty ladies attending.

The program was the second of a series of lessons on "Race Relations." It was presented in a most interesting manner by Mrs. Walter Mathis.

Mrs. W. W. Rowland led a discussion on local problems in Race Relations which was very timely for those concerned in problems of that kind.

Mrs. Rowland is a very capable Study leader and we feel that this Study will be very beneficial to our church as a whole.

You are invited to come and study with us next time.

### MRS. CURRY ATTENDS SISTER'S FUNERAL

Mrs. Pearl (Jack) Curry returned Saturday from Teague where she had spent about two weeks with her sister, Mrs. Minnie Isham until the latter's death on Wednesday of last week and remained, of course, for the funeral services, which were conducted on Thursday. The remains were interred in the cemetery at Teague by the side of the grave of her husband who had passed away some ten years ago.

Mrs. Isham formerly lived here, and was affectionately known here as "Aunt Minnie." She was 68.

Mrs. Isham is survived by a daughter, Mrs. Ruth Williams; one sister, Mrs. Curry; and three brothers, Vaughn Bean of Corpus Christi, J. W. Bean of Tahoka, and George Bean of New Mexico.

Mrs. Curry had two other brothers, who passed away while she was at her sister's bedside. One of them, Claude Bean of Dublin, died on Friday, April 4. Mrs. Curry attended his funeral at Dublin and then returned to Teague. And then on Saturday, April 12, her oldest brother, A. A. Bean of San Antonio, 72, died in that city, but Mrs. Curry was unable to attend his funeral on account of the critical condition of her sister.

A host of relatives and friends attended Mrs. Isham's funeral at Teague, thus attesting the love and esteem in which she was held there.

### CHILD GUIDANCE CLUB HAS PROFITABLE PROGRAM

The Child Guidance Club met in the home of Mrs. Alton Cain Monday night.

With Mrs. Mabel McGinty acting as program chairman, the following program was given.

Miss Lola McWhirter spoke on "How Does a Child Learn?"

Mrs. Lucille Smith told an interesting story that might be applied to an adult as well as to child life.

Mrs. Jessie Clinton gave an interesting talk on "How to Have a Happy Child."

Following a discussion on the above subjects, refreshments were served to Mrs. McGinty, Miss McWhirter, Mmes. McElroy, Brown, Hicks, White, Belf, Nevill, Clinton, Fuquay, Chestnutt, Huffaker, Gibson, Davis, McWhirter, Hegi, Smith, and the hostess, Mrs. Cain.

### REDWINE TRAINING UNION COMPLETES STUDY COURSE

With H. M. Patterson as director, the Training Union of the Baptist Church at Redwine completed a very interesting and successful study course on Thursday night of last week, according to Rev. T. L. Pond, the pastor.

Average attendance was a little more than 63, and at the end of the course 60 of these attending took the examinations.

Rev. F. M. Wiley, pastor of Central Baptist Church, taught the adults, Mrs. C. B. Earley the intermediates, and Mrs. T. L. Pond the juniors.

## INSTRUMENTAL MUSIC

From Abilene comes the following statement and request. "Your comments in the Tahoka paper are always interesting to me and I pass them on to others. Will you kindly give me scripture references why the church of Christ does not use instrumental music in its worship?" The statement shows the power of the press and should make us all appreciate the freedom of the same in this great land of ours. It is usually sufficient for one to give Bible reasons for what they do, but I am glad to give Bible reasons for why the church does not use mechanical instruments of music in its worship. Read 2 Jno. 9. "Who-soever transgresseth and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ hath both the

Drink Milkmaid's Pasteurized Milk

## JERABEK-CARTER VOWS READ AT WEST

Miss Clara Jerabek, daughter of Mr. and Mrs. E. J. Jerabek of West, and Douglas Carter, son of Mr. and Mrs. Ira Carter of Tahoka, were united in marriage Wednesday afternoon in a double-ring ceremony performed by Rev. George Doskocil at the home of the bride's parents.

Decorations throughout the home consisted of Calla Lilies, Bridal Wreath and White Carnations. The bride wore the traditional white satin gown with a fitted bodice and a full skirt which formed a long train. The sleeves were trimmed from shoulder to fingertips with diamond-shaped cut-outs underlined in chiffon and outlined with seed pearls. Her double fingertip veil of illusion was made in cap shape.

Evelyn Jerabek attended her sister as maid of honor, wearing a white satin dress with a fitted bodice and a very full skirt of tulle. She carried a bouquet of red roses tied with red tulle and red satin ribbon.

Gene Garrison of Austin attended the bridegroom as best man. Only relatives and a few immediate friends witnessed the ceremony after which a reception was held.

The bride is a graduate of West High School and Texas University. She is employed as a chemist in the Geological Survey at Austin.

The groom has graduated from West High School and is now an Electrical Engineer student at Texas University. He served in the Coast Guard for four years, three years of this time overseas.

Following a wedding trip to New Orleans, the couple will reside in Austin.

Mr. and Mrs. Ira Carter, Tahoka, were among the long list of wedding guests.

## CARD OF THANKS

We wish to express our thanks for the many kind words and deeds and beautiful floral offerings from our many friends during the passing of our dearly beloved Clifford A. Thomas.—The Thomas Family.

Father and the Son." Verses 10-11 show why Christians cannot help promote ANY DOCTRINE not taught by Christ. Christ said to his apostles, "The Holy Ghost shall teach you all things, and bring all things to your remembrance whatsoever I have said unto you." Jno. 14:26. Again Christ said, "When the Spirit of truth is come he will guide you into ALL TRUTH." Jno. 16:13. The Holy Spirit no where guided the apostles to teach Christians to use instrumental music in the worship of the church, and for us to do so would be to go beyond the doctrine of Christ. To do so would be to go beyond what is "WRITTEN." Read I Cor. 4:6 in the American Standard Version. Also Rev. 22:18.

Now let those who use instruments in worship try to find where Christ through his apostles ever taught any one to use them in the worship. While they look for what they want find you, dear reader read Eph. 5:19 and Col. 3:16 and you will know why the church of Christ sings praises in its worship. Don't let any false teacher bother you with his professed knowledge of what "PSALMS" might mean. For what ever it means in these passages Christians are to "SING PSALMS," not play them.

Now dear reader, read Col. 1:17, and let's be sure we do nothing in worship that Christ has not commanded us to do, for we must do all that we do in the name, (by the authority) of Christ. That is the reason the church of Christ never votes on people to be baptized. It cannot be done in the "Name of the Lord." Because Christ has not commanded such practice, neither has he commanded the use of instrumental music in the worship. Continue to send your questions and criticisms to Price Bankhead, Post, Texas, Rt. 3.

## GIVE NATURE A CHANCE...

If you are run down, listless and tired because of poor digestion, give nature a chance. Don't use violent purges. Often all you digestive system needs is a little assistance. And that's just what the new, improved ADLERIKA will provide. It's a scientific blend of 7 effective ingredients that work quickly and pleasantly to relieve gas pressure and work waste matter gently through the alimentary canal. It's a kindly stimulant to sluggish intestinal muscles. Order a bottle of ADLERIKA, the "Tone-Up" laxative, from your druggist today. Caution: Use only as directed.

ADLERIKA THE TONE-UP LAXATIVE

## WESLEYAN SERVICE GUILD MEETS

The Wesleyan Service Guild met Monday evening in the Marvin Wood home as guests of Miss Jane Morehead. The meeting was called to order with two songs sung by the group. Prayer was led by Mrs. Ted Terry and the lesson was given by Mrs. Pete Ware. Every one enjoyed this lesson very much as it was the second in our Study on Stewardship.

After the lesson and business session refreshments of coffee and Angel food cake covered with whipped cream and strawberries were served by Miss Morehead and Mrs. Wood.

D. M. Anglin of Vernon spent a night here recently with his Uncle, Walter Anglin.

### Neighbors Plough Vic Botkin Farm

Due to the fact that Vick Botkin, who lives on a farm a few miles east of town, has been confined to his bed with a serious affection of one of the legs for many weeks now and has been in a hospital a part of the time, he had been unable to carry on any farming operations.

Taking cognizance of his predicament, about fifteen farmers, instituting a "good neighbor policy" of their own, gathered on his place

Friday morning with their tractors and plows and proceeded to put his land up in shape for planting.

The good Samaritans who participated in this neighborly service were: Messrs. John Miller, S. B. Miller, J. C. Womack, T. I. Tippet, H. O. Hargett, L. D. Howell, Elmer Hugh Owens, Cecil Curry, W. P. Scott, Morse Martin, Johnnie McClain, Willis Pennington, Roy Botkin, V. L. Botkin, Earl Terry, Sammy Auld and Clint Sikes.

Suffice to say, those fellows have the Texas spirit and they also have the thanks of Mr. and Mrs. Botkin.

### CHARLES McCLELLAN HOME FROM HOSPITAL

Charles E. McClellan, son of Mr. and Mrs. C. E. McClellan, who was almost fatally burned while loading a truck with butane from a tank a mile east of Tahoka in October, 1945, was released from the Sealy Hospital in Galveston last week and arrived home last Friday. For about 15 months he was in a Lubbock hospital and was then taken to Galveston.

He has undergone many blood transfusions and skin grafting operations, which have finally put him on his feet, again, with hope for many years of active life ahead of him.

Charles had part-time employment in the News office before his accident, and he visited the office Thursday afternoon just before our forms were closed. He was cheerful and it was a joyous time he had with the News force and other boys in the shop.

### BOB ENSOR SUFFERS HEART ATTACK

R. N. Ensor of the Petty community was able to return to his home Wednesday afternoon after having been a patient in the Seale Clinic for more than a week.

He was brought to the Clinic on Tuesday of last week suffering from an attack of heart trouble and his condition was immediately pronounced serious. For several days no company was allowed, but he had shown marked improvement since Sunday.

### LAKEVIEW-PETTY W.S.C.S.

The Lakeview-Petty W.S.C.S. met Monday afternoon in the home of Morris Russell.

Following the opening songs and prayer, the devotional was given by Mrs. Frankie Hall taken from the 25th Psalm.

Mrs. S. L. Williams and Mrs. C. W. Felty were the principal speakers on the program. The meeting was closed with a prayer by Mrs. Ed. McManus.

Cake and punch were served to the following members and guests: Mesdames D. W. Hancock, Kay Moore, S. L. Williams, Ed McManus, B. B. Ater, R. W. Allen, Pinkie Hall, C. W. Felty, J. W. Hutchinson, Robert Poer, and the hostess.

### ENSORS EXPRESS THANKS

Mr. Ensor and I and other members of the family wish to thank Dr. and Mrs. Seale and the nurses for the kind attention given Mr. Ensor during his stay in the Clinic, and to thank our friends for the lovely flowers sent him and for every kindness shown during his illness; and now that he is going to be at home, come to see us—Mr. and Mrs. R. N. Ensor and Family.

Texas ranks sixth among the states in production of lumber.

## Roads . . .

(Continued from Page 1)  
from which the caliche was being taken had been almost exhausted. In case of failure to find caliche closer, it would be necessary to haul it from the beds four miles east of Wilson, which would be a rather long haul and would slow up progress somewhat. This promises to be another splendid road, when completed.

The entire project eastward from Wilson and north to Slaton runs through one of the richest and most beautiful agricultural areas in Lynn county and will serve many farmers in that portion of the county. Traffic will lead chiefly to Wilson and to Slaton, but Tahoka, Post, and Lubbock will each reap a minor fraction of the benefits.

E. J. Cooper, who is commissioner from that precinct, thinks that upon the completion of this project contract will be let for the construction of the south portion of the Slaton-Grassland road leading from the south end of this Slaton spur through Gordon and Garnolia communities to the Post-Tahoka highway at Central Church. This project will also include the spur to be built north five miles from the "six-mile" filling station through the New Lynn community with a sub-spur east one mile to the village of New Lynn itself. This entire project will likewise serve a rich farming area lying largely in Tahoka's trade territory.

Mr. Cooper says that it is probable that the loop running south seven miles from a point in the Tahoka-Post highway three miles east of the Tahoka city limits into the Midway community and thence west four miles by Midway schoolhouse to the Tahoka-O'Donnell highway will also be included in this same project. If so it will answer the crying need of a vast number of farmers living in commissioner's precinct No. 2 south-east of Tahoka, served by Willis Pennington as commissioner. A lot of cotton and feed is raised in this area and farmers have been asking frequently when the paving program will get started on this loop. It is to be hoped that it gets started early enough in the summer to serve the farmers this fall, but the News is not in position to give any assurances of this. We only know that it will be good when it does come.

Mrs. Cook . . .  
(Continued from Page 1)  
tenderly laid to rest in the Draw cemetery under the direction of the Stanley Funeral Home of Tahoka.

## Mrs. Cook . . .

Survivors include her husband, J. H. Cook; four sons, Horace of Tahoka, J. C. of Fort Worth, Everett and Leon of Lubbock; two daughters, Mrs. Lucy Byron of Lubbock and Mrs. W. H. Moore of Wolf-orth; her mother, Mrs. J. C. Woolley of Hillsboro; seven sisters, four brothers, twelve grandchildren, and many other relatives. Her mother was not able to attend the funeral but all of Mrs. Cook's children were present. Of the brothers and sisters, five were present, Johnnie Woolley of McAdoo, Mrs. J. F. Baigus of Hillsboro, Mrs. West Minter of Covington, Mrs. C. T. Cheek of Whitney, and Mrs. O. C. Jinkins of Fort Worth.

Mrs. Cook, whose maiden name was Mattie Lou Woolley, was a native of Hill county, Texas, having been born near Whitney on January 16, 1889. She was reared near Whitney and was married to J. H. Cook on October 16, 1904. She was converted at the age of 22 and united with the Baptist Church. After coming to Lynn county with her family in 1927, she united with the Bethel Baptist Church and was a devoted and faithful member of that church at the time of her death. She was greatly beloved not only by the members of her family but also by the members of her church and by the residents of her community and in fact by all who knew her. Never will she be forgotten by her loved ones and those who knew her intimately.

Mrs. Bill Neel of Hico is visiting her parents, Mr. and Mrs. H. L. Roddy, and family.

## Baptist . . .

(Cont'd from page 1)

which are cooperating in building and equipping this encampment. There are 168 churches in these nine associations. Boys and Girls camps will be held on the grounds in June and recently it was decided to hold a general camp for adults also, July 28-31 being named as the time.

District Missionary B. N. Shepherd brought a brief but peppy message and then Rev. Morris A. Roberts, representing the Baptist Standard, spoke convincingly as to the power of the printed page.

The association sermon was brought by Rev. E. K. Shepherd of Wilson, one of the able young preachers of the association.

There was a board meeting after lunch and also a meeting of the W.M.U. with many women present and participating. The new district W.M.U. president, Mrs. R. E. L. Patisio of Lubbock made a brief address at each of these meetings.

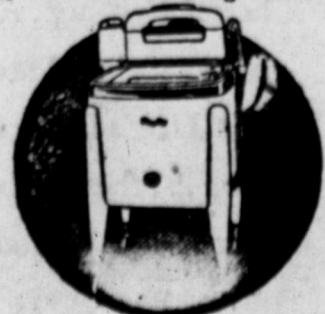

## FATHER OF MRS. JEAN RILEY DIES IN NEW MEXICO

Funeral services were conducted at Roscoe last Saturday for T. B. Corley, 87, who died at his home in Belen, New Mexico, on Wednesday of last week. He was the father of Mrs. Jean Riley of the Wells community and the uncle of Will Corley, who lives several miles north of Tahoka. Both attended the funeral services. Deceased formerly resided at Roscoe.

Others who attended the funeral services were Mrs. Will Corley, Mr. and Mrs. L. L. McKenzie, Mr. and Mrs. E. A. Cook, Mrs. Sallie Stigler, Mr. and Mrs. H. L. Cook, and Mr. John Riley, all took floral offerings. All of the children of deceased also were present.
