

# The Lynn County News

## Wheat Crop Is Being Harvested In Lynn County

Lynn county makes no boast of being a wheat-growing county but it does produce some wheat. The crop is better this year than usual and the acreage larger. Perhaps the yield will be the largest in the history of the county.

Much of Lynn county's acreage estimated at about 20,000 acres is reported to be making from 10 to 25 bushels per acre.

Harvesting of the crop has been under way for the past several days and up to Thursday morning the Santa Fe here had received about 50 car loads for shipment. Since the average car contains about 1,500 bushels, the amount of wheat received in Tahoka for shipment to date is about 75,000 bushels. The price being paid Wednesday was \$1.90 per bushel.

The News has no information as to the amount received at O'Donnell or Wilson, but from the above figures, it is easily seen that the crop will bring a considerable sum of money to the farmers of Lynn county this year.

Wheat is being received in Tahoka by Burleson Grain company, V. F. Jones Grain, Farmers' Co-op, and Henderson & Tate.

## Many Softball Games Past Week

Last Thursday night American Legion trimmed the VFW in a fast moving game which was said to have been the game of the season. The game was protested, but was later ruled as a legal game. The protest was over one of the Legion nine's players eligibility.

In the second game Grassland trimmed Wharton Motor with an easy win.

Friday night in the first game, O'Donnell took an easy win over the Flying Farmers and D. & H. lost to a strong New Home team by a wide margin.

Monday night, Grassland took an easy win over the Flying Farmers nine.

In the second game O'Donnell won a close game from D. & H.

The league standing for the season is shown below. This does not include the games played last night.

TEAM	G	W	L
O'Donnell	4	4	0
Collier's	2	2	0
A. Legion	3	2	1
New Home	3	2	1
Grassland	4	2	2
VFW	3	1	2
D. & H.	4	1	3
Wharton	2	0	2
F. Farmers	3	0	3
Calvery's	0	0	0

## Tahoka And Plainview Split Double Header There Friday

Last Friday night the C. of C. team dropped the first game to Plainview 10 to 2. In the second game Tahoka won over the Plainview nine 14 to 2.

Bing Bingham pitched both of the games for Tahoka while McKnight pitched for Plainview.

A game was scheduled to have been played here Tuesday night, but was called on account of the weather. This game was between Blue Bonnet and C. of C. and will have to be made up later on.

## C. of C. Plays Brownfield There Tonight

The Tahoka C. of C. team will travel over to Brownfield tonight for a game with Primm Drug on their home field.

(Continued on last page, Sec. 1)

## TOURISTS SWARM THROUGH ARIZONA

J. L. Nevill returned home last Friday night from Flagstaff, Arizona, where he has been engaged in building a tourist park for his son-in-law, L. L. Jones. He calls it the L-Motel. Six units have been completed already and about nine more units are to be built, according to present plans.

Many tourists pass through Flagstaff and J. L. says that they were bombarding Jones for cabins in which to stay before any of them had been completed or made habitable.

He is going back soon to resume work on the park.

## Miss Pirtle Gets California Degree

Miss Sibyl Anne Pirtle, daughter of Mr. and Mrs. R. L. Pirtle of Tahoka, route 2, has recently returned from Berkeley, California, where she received a B.L.S. degree from the School of Librarianship at the University.

Miss Pirtle graduated from Texas Technological College in 1940, where she is now employed as head of the Circulation Department in the Library.

## Contract Is Let For Paved Roads

At a meeting of the commissioners court Tuesday, contract was let to O. B. Lafon of Lubbock for the construction of approximately 15 1/2 miles of farm-to-market roads in commissioners precinct No. 1.

The roads to be constructed comprise 5.064 miles running north from the Six-Mile filling station east of Tahoka on the Post road, with a spur 1.028 miles long running east to New Lynn, and 9.492 miles running from Central Church north by Garnolia, and Gordon to a connection with the Wilson-Garza county road, making a total of 15.574 miles of road.

The contract price is \$103,587.50, which would figure \$6,638.47 per mile.

Construction is to begin soon and the project is expected to be completed during the fall.

## Interest Grows In Parks Program

Coach Jim Foust, who is directing the Summer Recreation program again this year, reports that interest is fair among the children of the town.

Crowds have increased since the inauguration of a picture show on Tuesdays and Thursdays at the school gymnasium. All children are invited to attend the show and participate in the activities free of charge.

Supervised activities are conducted each Monday, Wednesday, and Friday in the City Park, and each Tuesday, Thursday, and Saturday in the school, beginning at 9 a. m. each day.

## Local Men Fish In Western Colorado

Spring comes late in the western Colorado mountain country, a party of Tahoka fishermen discovered last week end—it's still snowing and the willow files are not even out yet.

Winston Wharton, Terry Thompson, Jack Fenton, and Frank Hill left early last Thursday, hit the last stages of a snow storm west of Salida, found that it had been necessary for snow plows to clear the main highway over the 11,300-foot Monarch Pass just a few hours before, and arrived at Gunnison to discover six inches of snow had fallen there that day, 26 inches in the month of June. All the snow had melted in the lower elevations, however.

They camped out and fished in the Taylor River country northeast of Gunnison at an altitude of about 10,000 feet, but managed to keep comfortably warm most of the time. They report the mountains are very beautiful at this time of year, deer apparently plentiful in the open parks, but fishing poor due to high waters. However, they caught all the trout they wanted for eating in camp.

The party returned to Tahoka Tuesday night.

## McCord Erecting Building Addition

Rollin McCord, owner, is building an addition to the rear of his Plains Motor Company building located on the south side of the square in Tahoka.

The addition will be 30 by 50 feet in size, and will give more room to the shop of the Chrysler-Plymouth agency.

Mrs. Guy Smith, who recently underwent an operation at Amarillo, returned home Sunday.

## Alton Cain Gains Free Advertising For Tahoka On Trip To San Francisco

Alton Cain, president-elect of the Tahoka Rotary Club, got a lot of good free publicity for Tahoka as a result of his visit to the Rotary International convention in San Francisco last week.

He carried with him 70 packages of Tahoka Daisy seed, which he presented to Rotarians he met and other persons interested in flowers representing nearly every state in the Union, and four foreign countries. And, as a result of his presentation of these seed, he found a number of mail requests for such seed waiting for him when he and his family arrived home Tuesday night, and more requests are arriving in almost every mail.

Seed packets were presented a number of prominent Rotarians, of the United States, and Rotarians

from Peru, England, Cuba, Mexico and Hawaii.

Several newspapers carried stories about Cain and the native Tahoka flower, which was first discovered growing wild in the vicinity of Tahoka Lake about thirty years ago.

In a story on hospitality at the convention, the San Francisco Examiner of June 12 said: "One Texan, Alton B. Cain of Tahoka grinned ruefully as he admitted:

"You know, we pride ourselves in our hospitality. I've found more Texas hospitality here than in Texas. I don't know if everybody's on good behavior or what, but it's sure wonderful."

"Cain has his own individual good will project here in San Francisco (Continued on last page Sec. 1)

## Grasshoppers Are Menace To Crops

County Agent, Bill Griffin reports a heavy infestation of grasshoppers over the entire northwest portion of Lynn county, and particularly in the New Home, Lakeview, and Petty communities. Farmers are fighting the plague, but at least 500 acres of crops have been destroyed or badly damaged.

Damage has been heavy also in Dawson, Terry, and Hockley counties, Griffin is informed.

John Landrum, Waco, the state supervisor of grasshopper control for the Extension Service was here Saturday and again Tuesday inspecting fields and consulting with agricultural leaders.

Poison has been received and is being mixed in the old county warehouse southeast of the square. Farmers are fighting the grasshoppers wherever they show up, which usually is adjacent to pasture lands. All farmers are urged to keep a sharp look-out for signs of grasshoppers and to take immediate steps to poison them when they appear.

Effective poison is Sodium Fluoride, 16 pounds of which is mixed with 100 pounds (one part by volume) of bran, and three parts of sawdust.

Mr. Landrum estimates that farmers are up against a six to eight weeks fight against the grasshopper crop.

## BATHING BEAUTY CONTEST

Mr. H. T. Loyd formerly of Tahoka and now manager of the Rhea Theatre in Denver City was over on business Wednesday and announced that a bathing beauty contest was being held over there in his theatre June 27th.

Mr. Loyd said that any one from this section wishing to attend this show, can write him and he will see to it that they will get a good seat in his theatre that night.

Velazquez, a Spanish artist, died in 1600, but did not become famous until 200 years later.

Cornel Wilde and Jimmy Gleason appear confident that their horse, "Valiant" will win the Kentucky Derby, while Maureen O'Hara, to whom racing is a strange new world, takes a more sober view of things in "The Homestretch." The Twentieth Century-Fox Technicolor story of high-riding romance at the world's great racing classics opens Sunday at the Rhea Theatre. Produced by Robert Bassler of "Smoky" fame, and directed by Bruce Humberstone, the film features an outstanding supporting cast which in addition to Gleason includes Glenn Langan, Helen Walker, Henry Stephenson, Margaret Bannerman, Ethel Griffies and Tommy Cook.

## Legion Auxiliary To Name Officers

All members of the American Legion Auxiliary of Marion G. Bradley Post No. 250 are urged to attend an important business meeting Monday, June 23, at 8:00 p. m. in the Legion hall.

There will be an election of officers at this time to coincide with the Legion election of officers for the coming year.

Following the business meeting, there will be a social. Refreshments will be served.

## New H. D. Agent For Lynn County

Announcement of the appointment of Miss Graham Elizabeth Hard as County Home Demonstration Agent of Lynn County effective July 1 has been made by Miss Kate Adele Hill, District Agent of the Extension Service at A. & M. College Station.

Confirmation of Miss Hill's appointment was made by the Commissioners' Court in regular session on June 9.

Miss Hard is a graduate in home economics of Texas Technological College. Her home is in Lubbock County. She has served as County Home Demonstration Agent in Mitchell County, as Farm Security Home Supervisor in Terry County, and has had experience in teaching homemaking.

She will report for duty on July 1 and will take up the program as planned in home demonstration work and 4-H work with the rural women and girls of Lynn County.

## New Pump Aids Water Situation

Dr. K. R. Durham, mayor of Tahoka, thinks he has good news for the people. The booster pump which the City ordered a year ago has at last arrived and has been installed. It will boost the daily water supply from about 300 gallons per minute to about 500 gallons per minute. That should take care of the needs of the town pretty well and water rationing has been discontinued. You may use all the water you need.

As soon as some connections arrive and are installed, the City can begin filling the big new reservoir, which has a capacity of 500,000 gallons. When connections can be made and the reservoir is once filled, the City should have a reserve supply of water sufficient for any possible emergency.

## Mexican Is Fined In Liquor Case

A Mexican was arrested here Saturday by Sheriff Sam Floyd and 25 half-pints of whiskey found in his car were confiscated, a charge being filed against him for unlawfully transporting intoxicating Liquor.

To this charge he entered a plea of guilty in the county court Monday and Judge Tom Garrard assessed his punishment at a fine of \$100 dollars and costs.

On Wednesday morning, a white man was arrested here on a similar charge. He had two cases of whiskey in his car, which the sheriff likewise took into his possession. The case was not disposed of immediately, Judge Garrard being temporarily out of town.

## Congratulations . .

Mr. and Mrs. Melvin Newman on the birth of a daughter in the Tahoka Clinic on Tuesday, June 10, who bears the name of Linda Deanne.

Mr. and Mrs. Harlan Dykes on the birth of a son, Tuesday, June 10, in the Tahoka Clinic. He has been named Tommy Lynn.

Mr. and Mrs. Jack Alexander on the birth of a son born on Friday, June 13, in the Tahoka Clinic, evidently a lucky youngster. He will sign his name as Albert Loyd Alexander.

Mr. and Mrs. Eual Akin on the birth of a son on Monday, June 16, in the Tahoka Clinic. He weighed ten pounds and has been named Edward Lee. The mother is the former Kate McMillan.

## Pioneer Reunion Program Set For Next Tuesday

Lynn County pioneers, those who came here 30 or more years ago, and their families, will meet in Tahoka City Park Tuesday of next week for their annual reunion, hear a program of music and talks, eat barbecue, and swap stories of the early days.

The afternoon program will be open to the public, but the morning meeting and lunch is limited to those who can qualify as 'old-timers.' The day's program gets under way with registration at 10:30 a. m.

The formal program will be opened with a prayer, followed with talks by Judge George R. Bean of Lubbock and Mrs. J. B. Walker of the same city on early days in the county.

The barbecue lunch will be served from 12:00 to 1:00 o'clock.

Following an hour of visiting by those present, a business meeting will be held at 2:00 o'clock, many of those present recognized, and a talk given by Mrs. Randall of Terry county, the first Lynn county school teacher. A dance will be presented by Sandra Kemp and Sarah Wells, and old-time songs will be sung by the audience. Other musical numbers will be presented under the direction of Mrs. M. H. Edwards.

Harley Henderson is president of the Lynn County Pioneers Association, and Mrs. Jack (Frankie) Fenton is the secretary.

## Drowning Victims Buried Saturday

Funeral services for Doyle Johnson, 9, and Gladys Johnson 7, children of Mr. and Mrs. J. T. Johnson, and their little niece, Bobby Faye Brooks, 9, who were drowned about noon Thursday last week in the Fred McGinty Tank seven miles south of Tahoka, were held in the Baptist Church here at 3:00 o'clock Saturday afternoon in the presence of one of the largest crowds that ever attended a funeral service here. Rev. Leon Quillin, pastor of the Assembly of God Church here, and Rev. Richard Peak, pastor of the church of the same faith at O'Donnell, conducted the services.

The Brooks child was the daughter of Mrs. E. W. McDaniel by a former marriage, and the granddaughter of Mr. and Mrs. Johnson.

For lack of time and accurate information, the News failed to state last week that another child of Mr. and Mrs. McDaniel, Butchie, 7 years old, was also in the water with the other children but came out, dressed, and then walked to the Johnson home, arriving just after Mr. Johnson had come in from the field, and told the family that the children were over there in the tank drowning. It was then that Mr. Johnson arose from the dinner table and rushed to the scene.

We should also state that upon receiving a call for help, members of the Tahoka fire department rushed to the scene, located the bodies of two of the children and brought them out of the water, but life already was extinct.

On account of the failure of one of the relatives to arrive in time for the funeral services, the bodies of the children were not buried until about nine o'clock Sunday morning.

This was one of the most tragic events that ever occurred here and the parents and families of the children have the deepest sympathy of all our people.

## ERECTING NEW BUILDING

C. C. Stevens has begun construction of a frame and stucco building on Main Street, near the City Water plant.

The News is informed that a grocery store will probably occupy the building when completed.

Mr. and Mrs. Harry Jordan and daughter, Mary Lee, of Talihani, California, spent Wednesday here visiting Mr. and Mrs. L. M. Nurdyke. They were former neighbors of the Nurdykes in the Midway community.

**CARD OF THANKS**

We wish to express our appreciation to our many friends and neighbors who assisted us in so many ways during the awful tragedy of our precious little children. Those who helped to rescue and aid in every way possible, for the many cards, letters, and floral offerings. May our heavenly father

richly bless you all is our prayer.— Mr. and Mrs. J. T. Johnson and family.

Mr. and Mrs. E. R. Edwards visited relatives in Bell county last week end and attended the homecoming at Holland, where they again met many friends of their childhood days.

**HICKERSONS LEAVE FOR CHURCH HOMECOMING**

Mr. and Mrs. G. W. Hickerson, accompanied by Mr. and Mrs. J. A. Burleson of Lubbock, left Thursday morning to attend a Homecoming service Sunday at the old Coryell City Baptist Church situated near the Coryell-McLennan county line about ten miles from the town of Crawford.

Mr. and Mrs. Hickerson were members of that Church for a number of years prior to their removal to Lynn county about 40 years ago. Mr. and Mrs. Burleson were also members of that church for some time. Mrs. Hickerson and Mrs. Burleson are sisters.

Mr. and Mrs. G. Aubrey Thomas and Mr. and Mrs. Carl Faika and infant daughter, Faika, left Monday for their home at McAllen after a visit of several weeks with Mrs. Thomas' parents and Mrs. Faika's grandparents, Mr. and Mrs. J. D. Donaldson. While the party from McAllen was here, Little Miss Cynthia Sue Faika was born on May 25th at the West Texas Hospital in Lubbock.

Mr. and Mrs. H. H. Hurd of Amarillo were here a short time Wednesday greeting friends and left here for Spur to visit Mrs. Hurd's father, S. B. Goodrich, and her aged grandmother, Mrs. Hurd was the former Miss Flora Goodrich. The family lived here for a number of years.

The first printing press set up on the American Continent was established by the Spaniards in Mexico in 1538.

Three newly discovered elements are astatine, technetium, and francium.

**Lack of Teachers Deprives 61,750 Children of School**

WASHINGTON.—The shortage of teachers still is so acute that 61,750 children are being deprived of schooling this term, National Education association reports.

NEA estimates that 14,312 teaching positions are vacant, mainly because of the low level of teachers' salaries.

Because of low salaries many teachers have deserted the profession in recent years.

**Mississippi Flood Help Is Authorized by U. S. Army**

WASHINGTON.—Gen. Jacob L. Devers authorized emergency relief measures by army troops in the event of floods or threatened flood disaster in the Mississippi valley.

The ground forces commander authorized commanders of the 2nd, 4th, 5th and 7th armies to work directly with the president of the Mississippi river commission on arrangements for use of army troops and supplies during flood emergencies.

Under current plans, the army commanders would provide troops suitable for flood fighting duty, levee maintenance, protection and security measures, signal communication equipment and personnel, and all available vehicles, equipment and supply from army stocks as might be required.

The Mississippi river commission president is the army engineer officer in charge of the lower Mississippi river division.

Army troops also were used in Washington state to combat flood conditions.

**Look! QUICK-ON QUICK-OFF**

If you pride yourself on having all the up to date answers on modern farming you should be familiar with the many advantages of MM Quick-On—Quick-Off cultivator and planting attachments.

Built to fit MM Universal tractors, MM cultivators are made in two, four and six row sizes. To convert from two to four row the outside frames and gangs are simply loosened on. Adjustment up to 44 inches for wide row spacing is made by merely loosening the clamp and sliding the gangs along the square frame bars. The Quick-On—Quick-Off cultivators have high clearance and are available with hand or power lift and a choice of sweeps, shovels or spring tooth attachments, for both front and rear gangs.

With the cultivator mounted near the front wheels, and Visionized Design of MM tractors the operator has full operating visibility and is seated comfortably low to the rear of drive wheels for added SAFETY.

For precision planting the cultivator may be changed over to a drill planter by the removal of the cultivator shanks and mounting the planting attachments on the cultivator frame.

When the job is finished, the tractor can at once be used for other jobs, since Quick-On—Quick-Off tools are easily removed. MM offers a complete line of these tools for more profitable farming in any territory. Many parts of MM Quick-On—Quick-Off Units are interchangeable, saving you money because you buy less equipment to handle all the jobs.

MM Dealers everywhere are now embarked on a new program of specialized sales and Service of MM Modern Machinery.

Special four and six row cultivators for "Z" and "R" Tractors available for narrow row crops such as beets and beans.

**COLEMAN-TYLER**

Mr. and Mrs. Claude Coleman of Wilson are announcing the marriage of their daughter, Miss Juanell Coleman, to Charles Tyler, son of Mr. and Mrs. C. S. Tyler of Spade, which took place Sunday, June 8, in the Coleman home. Rev. D. W. Seago of Friona read a double ring ceremony.

Peggy Tyler, of Lubbock, sister of the bridegroom, was maid of honor and Malcolm Coleman of Wilson, brother of the bride, was best man. After a reception, the couple left on a wedding trip to Ruidoso, N. M. Their home will be in Spade.

**RELATIVES VISIT IN MRS. E. S. DAVIS HOME**

Mrs. C. V. Williams of Los Angeles, California, after a two weeks visit here in the home of her sister, Mrs. E. S. Davis, left Saturday to visit her daughter, Mrs. J. C. Collins at Clovis, N. M., after which she will visit another daughter at Pecos, Texas, before returning to her home in Los Angeles.

While visiting in this area, she and Mrs. Davis went to Abilene and on to Cisco to visit other relatives, and Mrs. Davis' daughter, Mrs. Hubert (Veda) Davis, accompanied them home, and while she was here her son Hubert E. Davis, who is a student in Texas Tech, came down and spent a week-end with his mother, grandmother, and Mrs. Williams. Mrs. Veda Davis returned to her home in Abilene Sunday.

**WILSON COUPLE WEDS IN LUTHERAN CHURCH**

A recent wedding was that of Miss Lorine Dube and Monroe Talkmitt, both of Wilson, which was solemnized on Sunday, June 1, in St. Paul's Lutheran Church in Wilson.

Mrs. John Hahn played the wedding music. Miss La Verne Dube, sister of the bride, was maid of honor. Bridesmaids were Miss Pearl Talkmitt, Wilson, Miss Ruby Lee Moerbe, Thorndale, Miss Lillie Harms, Littlefield, Miss Margo Blackmon, Lubbock, and Miss LaVerne Limank, Thorndale.

Jeff Talkmitt, brother of the groom, served as best man, and Leonarl Dube, Rayburn Hahn, Ivan Ogerly, Courtney Siewert, and Amos Zieschany were groomsmen. Ushers were Henry Kieschnick and Raymond Talkmitt, brother of the bridegroom.

Vernell Dube, sister of the bride, served as flower girl and Butchle Tucker was ring bearer.

Following the wedding, a reception was given in the home of the bride's parents, Mr. and Mrs. Oswald Dube of Wilson, and a three-tiered wedding cake was served.

Mr. Talkmitt is the son of Mr. and Mrs. C. G. Talkmitt of Wilson. He served two and a half years with the armed forces and has recently been attending an agricultural school in Wilson.

After returning from a wedding trip to Denver, Colorado, the couple are at home in Wilson.

**MRS. GLADYS M. STOKES ATTENDS AGENTS CONVENTION**

The first agency convention of Southwestern Life Insurance Company to be held since Pearl Harbor will convene in Dallas June 18 to 21. A program headed by some of the nation's leading authorities on life insurance will be presented, and agents and their wives will be guests of the Company at a number of festivities arranged in their honor. Special entertainment has been planned for the ladies.

By virtue of the outstanding production in this area during the past year, special invitation has been extended the Company's local representative, Mrs. Gladys M. Stokes.

The grasshopper spits disagreeable "tobacco juice" for protection.

**TWO FATHERS AND A SON HONORED WITH DINNER**

Mr. and Mrs. A. Pendleton of T-Bar gave a Father's Day and birthday dinner combined Sunday, honoring their son Fred on his birthday and Mr. Pendleton's father, T. H. Pendleton of Oklahoma, and Mrs. Pendleton's father, S. N. Norwood of Tahoka.

Others present were Mrs. Fred Pendleton and son Deveral, and Mr. and Mrs. Sam Norwood and children, Sammie Ewell, Margaret, and Eva Mae, of Redwine and also John Kirby of O'Donnell.

**CARD OF THANKS**  
We wish to express our appreciation to our many friends and neighbors who assisted us in so many ways during the awful tragedy of our precious little children. Those who helped to rescue and aid in every way possible, for the many cards, letters, and floral offerings. May our heavenly father

richly bless you all in our prayer.— Mr. and Mrs. J. T. Johnson and family.  
Mr. and Mrs. E. R. Edwards visited relatives in Bell county last week end and attended the homecoming at Holland, where they again met many friends of their childhood days.

**HICKERSONS LEAVE FOR CHURCH HOMECOMING**  
Mr. and Mrs. G. W. Hickerson, accompanied by Mr. and Mrs. J. A. Burleson of Lubbock, left Thursday morning to attend a Homecoming service Sunday at the old Coryell City Baptist Church situated near the Coryell-McLennan county line about ten miles from the town of Crawford.

Mr. and Mrs. Hickerson were members of that Church for a number of years prior to their removal to Lynn county about 40 years ago. Mr. and Mrs. Burleson were also members of that church for some time. Mrs. Hickerson and Mrs. Burleson are sisters.

Mr. and Mrs. G. Aubrey Thomas and Mr. and Mrs. Carl Faika and infant daughter, Faika, left Monday for their home at McAllen after a visit of several weeks with Mrs. Thomas' parents and Mrs. Faika's grandparents, Mr. and Mrs. J. D. Don'aldson. While the party from McAllen was here, Little Miss Cynthia Sue Faika was born on May 25th at the West Texas Hospital in Lubbock.

Mr. and Mrs. H. H. Hurd of Amarillo were here a short time Wednesday greeting friends and left here for Spur to visit Mrs. Hurd's father, S. B. Goodrich, and her aged grandmother, Mrs. Hurd was the former Miss Flora Goodrich. The family lived here for a number of years.

The first printing press set up on the American Continent was established by the Spaniards in Mexico in 1538.

Three newly discovered elements are astatine, technetium, and francium.

**Lack of Teachers Deprives 61,750 Children of School**  
WASHINGTON.—The shortage of teachers still is so acute that 61,750 children are being deprived of schooling this term, National Education association reports.

NEA estimates that 14,312 teaching positions are vacant, mainly because of the low level of teachers' salaries. Because of low salaries many teachers have deserted the profession in recent years.

**Mississippi Flood Help Is Authorized by U. S. Army**

WASHINGTON.—Gen. Jacob L. Devers authorized emergency relief measures by army troops in the event of floods or threatened flood disaster in the Mississippi valley.

The ground forces commander authorized commanders of the 2nd, 4th, 5th and 7th armies to work directly with the president of the Mississippi river commission on arrangements for use of army troops and supplies during flood emergencies.

Under current plans, the army commanders would provide troops suitable for flood fighting duty, levee maintenance, protection and security measures, signal communication equipment and personnel, and all available vehicles, equipment and supply from army stocks as might be required.

The Mississippi river commission president is the army engineer officer in charge of the lower Mississippi river division.

Army troops also were used in Washington state to combat flood conditions.

**Look! QUICK-ON QUICK-OFF**

If you pride yourself on having all the up to date answers on modern farming you should be familiar with the many advantages of MM Quick-On—Quick-Off cultivator and planting attachments.

Built to fit MM Universal tractors, MM cultivators are made in two, four and six row sizes. To convert from two to four row the outside frames and gangs are simply added on. Adjustment up to 44 inches for wide row spacing is made by merely loosening the clamp and sliding the gangs along the square frame bars. The Quick-On—Quick-Off cultivators have high clearance and are available with hand or power lift and a choice of sweeps, shovels or spring tooth attachments, for both front and rear gangs.

With the cultivator mounted near the front wheels, and the Visionlined Design of MM tractors the operator has full operating visibility and is seated comfortably low to the rear of drive wheels for added SAFETY.

For precision planting the cultivator may be changed over to a drill planter by the removal of the cultivator shanks and mounting the planting attachments on the cultivator frame.

When the job is finished, the tractor can at once be used for other jobs, since Quick-On—Quick-Off tools are easily removed. MM offers a complete line of these Quick-Off Units are interchangeable, saving you money because you buy less equipment to handle all the jobs.

MM Dealers everywhere are now embarked on a new program of specialized sales and Service of MM Modern Machinery.

Special four and six row cultivators for "Z" and "R" Tractors available for narrow row crops such as beans and peas.

**COLEMAN-TYLER**

Mr. and Mrs. Claude Coleman of Wilson are announcing the marriage of their daughter, Miss Juanell Coleman, to Charles Tyler, son of Mr. and Mrs. C. S. Tyler of Spade, which took place Sunday, June 8, in the Coleman home. Rev. D. W. Seago of Friona read a double ring ceremony.

Peggy Tyler, of Lubbock, sister of the bridegroom, was maid of honor and Malcolm Coleman of Wilson, brother of the bride, was best man. After a reception, the couple left on a wedding trip to Ruidoso, N. M. Their home will be in Spade.

**RELATIVES VISIT IN MRS. E. S. DAVIS HOME**

Mrs. C. V. Williams of Los Angeles, California, after a two weeks visit here in the home of her sister, Mrs. E. S. Davis, left Saturday to visit her daughter, Mrs. J. C. Collins at Clovis, N. M., after which she will visit another daughter at Pecos, Texas, before returning to her home in Los Angeles.

While visiting in this area, she and Mrs. Davis went to Abilene and on to Cisco to visit other relatives, and Mrs. Davis' daughter, Mrs. Hubert (Veda) Davis, accompanied them home, and while she was here her son Hubert E. Davis, who is a student in Texas Tech, came down and spent a week-end with his mother, grandmother, and Mrs. Williams. Mrs. Veda Davis returned to her home in Abilene Sunday.

**WILSON COUPLE WEDS IN LUTHERAN CHURCH**

A recent wedding was that of Miss Lorine Dube and Monroe Talkmitt, both of Wilson, which was solemnized on Sunday, June 1, in St. Paul's Lutheran Church in Wilson.

Mrs. John Hahn played the wedding music. Miss La Verne Dube, sister of the bride, was maid of honor. Bridesmaids were Miss Pearl Talkmitt, Wilson, Miss Ruby Lee Moerbe, Thorndale, Miss Lillie Harms, Littlefield, Miss Margo Blackmon, Lubbock, and Miss LaVerne Limank, Thorndale.

Jeff Talkmitt, brother of the groom, served as best man, and Leonard Dube, Rayburn Hahn, Ivan Ogerly, Courtney Siewert, and Amos Zieschany were groomsmen. Ushers were Henry Kieschnick and Raymond Talkmitt, brother of the bridegroom.

Vernell Dube, sister of the bride, served as flower girl and Butchle Tucker was ring bearer.

Following the wedding, a reception was given in the home of the bride's parents, Mr. and Mrs. Oswald Dube of Wilson, and a three-tiered wedding cake was served.

Mr. Talkmitt is the son of Mr. and Mrs. C. G. Talkmitt of Wilson. He served two and a half years with the armed forces and has recently been attending an agricultural school in Wilson.

After returning from a wedding trip to Denver, Colorado, the couple are at home in Wilson.

**MRS. GLADYS M. STOKES ATTENDS AGENTS CONVENTION**

The first agency convention of Southwestern Life Insurance Company to be held since Pearl Harbor will convene in Dallas June 18 to 21. A program headed by some of the nation's leading authorities on life insurance will be presented, and agents and their wives will be guests of the Company at a number of festivities arranged in their honor. Special entertainment has been planned for the ladies.

By virtue of the outstanding production in this area during the past year, special invitation has been extended the Company's local representative, Mrs. Gladys M. Stokes.

The grasshopper spits disagreeable "tobacco juice" for protection.

**TWO FATHERS AND A SON HONORED WITH DINNER**

Mr. and Mrs. A. Pendleton of T-Bar gave a Father's Day and birthday dinner combined Sunday, honoring their son Fred on his birthday and Mr. Pendleton's father, T. H. Pendleton of Oklahoma, and Mrs. Pendleton's father, S. N. Norwood of Tahoka.

Others present were Mrs. Fred Pendleton and son Deveral, and Mr. and Mrs. Sam Norwood and children, Sammie Ewell, Margaret, and Eva Mae, of Redwine and also John Kirby of O'Donnell.

While Russians fought valiantly and suffered much during the recent world war, they fought under the leadership of Communist dictators who had regimented and controlled the lives of the people prior to the war and who are continuing to regiment, regulate, and control the lives of the people since the war. The Russian government is just as truly dictatorship today as the Hitler government was immediately before and during the war; and the Russian government apparently is following the same policy of aggression that Hitler was following ten years ago. By political and military pressure and the threat of using armed force, it is subduing the little nations about it and setting up puppet communistic governments within them. Henry Wallace can not deny these facts. Yet he is touring our country denouncing our President and both the Democratic and Republican parties in congress for furnishing aid to Greece and Turkey against the aggressions of Russia and is advocating financial and economic aid to Russia along with other nations regardless of the "politics" of the citizens of that country. He has never raised his voice in criticism of Russia or its dictators except now and then in the mildest form possible, but never ceases to criticize the policies of our own country. He protests that he is not

a Communist, but it is obvious that he is being supported by every Communist, near-Communist, and every organization in this country with Communistic tendencies; and if he becomes a candidate for the Presidency at the next election he will have the ardent support of every mother's son of them in that contest. In fact, the effect if not the purpose of the present campaign is to create and crystallize Communistic sentiment in this country. He is doing it just as fast as he can—and doing it under false colors. If and when he runs for President, under whatever party name he may choose, he should be swatted by the liberty-loving people of this country as they would swat a rattlesnake. That's our opinion of Henry Wallace.

Nobody in America that we know of wants war. It is terribly destructive of both life and property and imposes almost unbearable tax burdens on the people. With the atomic bomb and other weapons of war almost as destructive which are being devised, any war among the powerful nations would likely wipe out great cities, decimate and impoverish the remaining populations, and practically destroy civilization itself, within a few months' time. None of us want to be the victims of such a cataclysm. There could be no real victors. Therefore, we are willing to lean backward in an effort to avoid war, any sort of war. But what if some power-mad dictator or group of dictators should attack us with a view to subduing and enslaving us? We are hoping and praying that that may never occur, but as long as there are great and populous countries controlled by dictators, we can never feel safe—there can never be any assurance of continued peace. We hope that the people themselves in due time will rid themselves of dictators but at present we see little prospect of such an eventuality. In the final analysis, our best security lies in keeping cool heads, keeping an eye on all the danger signals, being good to our fellow men throughout the world, and trusting in God.

President Truman may be right. It might have been unwise for him to sign the tax reduction bill passed by a Republican Congress, but many ordinary business men and farmers nevertheless regret that he saw fit to veto the bill. It may be true, as he says, that these are prosperous times and that the war debt should be reduced as rapidly as possible, but there are millions of families in the United States whose incomes are comparatively small or moderate and who find it difficult to meet the high cost of living and take care of the flood of taxes, federal, state, and local with which they are constantly deluged. We believe that a moderate cut in the federal tax bill was favored by a great majority of the people and that they would have appreciated it genuinely. We are sorry that the President didn't approve the bill.

Thunder which is considered the loudest common noise, has never been heard unmistakably more than 20 miles from the flash.

**EDITOR AND FAMILY GET OUT OF TOWN**

The editor and family made a little visit out of town over the week-end. Saturday we drove down to Goree, Knox county, where we spent part of the afternoon and the night with Mr. and Mrs. W. O. Lewis, he being a nephew of the editor. On Sunday morning we drove from Goree to Abilene en route to Buffalo Gap, where a reunion of many Bell county friends was being held on that day in the Presbyterian encampment park. As we were entering Abilene, however, car trouble developed and we were compelled to leave the heretofore faithful old "Chevy" there for repairs. We were able to get down to the re-union in the afternoon, however, where we met many friends from our childhood days on up and where the writer was on the program for a little talk. We came back home by bus via Big Spring that night.

Now for a few remarks about the country traversed. Copious rains had recently fallen over the route, the wheat crop was excellent, other crops were promising, and grass in the pasture lands was fine. Incidentally, we noted that there was a wealth of wild flowers all along the highway in much of the country traversed, some of the most beautiful varieties we have ever seen anywhere. As our readers know, there is much ranch land east of Post and we are convinced that much of it is excellent agricultural and that some day will produce abundant crops.

We were impressed anew with the beauty and richness of the country a little further east. Knox, Haskell, Jones, and parts of other counties in that area are among the best in the state. Coming back by bus, we found that all the busses were crowded. Lots of people seem to be going to lots of places. On account of having to handle so many people and so much baggage, we found that the "Greyhounds" were making slow time. We spent about two hours in Big Spring, and here is where we are going to raise a roar. There was not a drinking fountain nor a drop of water to be found in the station, though literally hundreds of people doubtless have occasion to wait in that station from a few minutes to two or three hours for their busses every day. But adjoining and opening into the station is a beer joint and a so-called cafe. Beer is plentiful and there are drinkers a-plenty, and there is a water fountain in an inconspicuous place in this beer parlor. But the place majors on beer

and seems to regard water as of no importance.

It was Sunday night and we had a long time to wait, so we took a stroll over town. We found that there are from one to a half dozen beer joints and liquor houses on almost every block, for every cafe handles beer. And liquor and beer flow out from Big Spring over all this south Plains country. There is no way of knowing how many car wrecks, personal injuries, and deaths are caused each year by Big Spring liquor. Not only is it sold retail there but Big Spring is headquarters for numerous bootleggers that operate all over the surrounding country. Big Spring beer and liquor houses are making drinkers out of thousands of adults and young people alike. Even mothers are falling for the habit; and unless the tide changes hundreds and hundreds of these fine young people of today will be confirmed drunkards ten years hence, and it is a prospect sad and terrible to contemplate.

Mrs. M. E. Hayes, who has spent the past several months down in the lower Rio Grande valley, came back some two or three weeks ago and will probably remain here for some time.

Miss Bland Burckhart of El Paso spent three or four days here with her father, W. J. Burckhart, and then left this week for a visit

with relatives in Indiana, after which she plans to go on to Columbia University, New York, to finish work on her doctor's degree.

#### MISS STRAIN IS WED TO WELDON CHAPMAN AT NEW HOME SATURDAY

The wedding of Miss Thelma Strain, daughter of Mr. and Mrs. J. R. Strain of Tahoka, route 4, and Weldon G. Chapman, of Phillips, son of Mr. O. W. Chapman of Pittsburg, Kas., took place at 2 o'clock Saturday afternoon in the New Home Methodist church.

Rev. Alsie H. Carleton, pastor of St. John's Methodist church, Lubbock, officiated for the single ring ceremony.

The bride, who was given in marriage by her father, wore a white two-piece crepe dress with blue and white accessories and two-strand pearls. She carried a white orchid on a white Bible.

The matron of honor, Mrs. J. B. Edwards of Tahoka, sister of the bride, wore a pink dress with white accessories and pink gardenia corsage.

Blair Chapman of Pittsburg, Kas., brother of the bridegroom, was best man.

Sylvia Ruth Edwards of Tahoka was flower girl. She wore a white dotted swiss dress and carried a pink net basket filled with assorted flowers.

Larry S. Edwards of Tahoka was ring bearer.

Joe M. Armontrout and L. C. Unfred, both of Tahoka were ushers.

The church was decorated with two baskets of gladioli, and palms. A mixed floral bouquet was on the piano.

Music included Mendelssohn's "Wedding March" and "Bridal Chorus" from "Lohengrin." Mrs. Henry Heck was pianist; and J. B. Edwards, soloist.

#### Reception Follows Vows

A reception was conducted in the Strain home after the ceremony. The couple was assisted in receiving by Mrs. J. B. Edwards, and Mrs. L. C. Unfred, Miss Peggy Smith, Miss Lorene Sander, Mrs. Roger Blakney presided at the refreshment table.

The table was covered with a lace cloth and centered with an arrangement of cut flowers. The two-tiered wedding cake was in white and pink, topped with miniature figures of a bridal couple.

Guests were present from Pittsburg, Kas., Tahoka, Lubbock and Phillips.

The bride was graduated from Texas Technological college in 1944 with a bachelor of science degree in public school music. She taught public school music three years and has been choral director at Phillips school during the last term.

The bridegroom was graduated from Kansas State Teachers college at Pittsburg with a bachelor of science degree in chemical engineering. He is employed by the Phillips company in the laboratory research department.

Mr. and Mrs. G. H. "Shorty" Chestnut and little son left Tuesday for Phoenix, Arizona, where they expect to reside. Both Mr. Chestnut and the little son have been suffering much from asthma and they hope to find relief out there. Mr. Chestnut has been driving a gasoline truck for Borden Davis for several years.

#### WILSON GIRL WEDS COLORADO MAN

Miss Birdie Dreyer, daughter of Mr. and Mrs. R. R. Dreyer of Wilson, was married to Mr. Stephen Bratina, whose parents live in Pueblo, Colorado, on Monday, June 2, in St. Elizabeth's Catholic Church, Lubbock.

The bride is a graduate of Wilson High School and of Texas Technological College.

Mr. Bratina is the son of Mr. and Mrs. W. Bratina and is an employee of the Santa Fe Railway Company.

Following a wedding trip to Colorado Springs, Colorado, the couple are making their home in Clovis, New Mexico.

Dr. K. R. Durham attended a district meeting of dentists in San Angelo last week-end. He was on the program Saturday night conducting a clinic or giving a demonstration of some character of dental work. The Doctor is recognized as one of the best dentists in this area and is frequently on the program at dental meetings.

#### CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 7.487 miles of Gr., Dr. Strs., Stabilized Fnd. Crs. & Dble. Asp. Surf. Treat. from Pleasant Valley to US Hwy. 84; Fr. US Hwy. 380 to Graham Chapel, from Close City to US 390; From US 380 to Grassland on Highway No. FM 397, 398, 399 & 212 covered by s479(1), s480(1), s481(1) & s482(1), in Garza & Lynn County, will be received at the Highway Department, Austin, until 9:00 A. M., Jun 24, 1947, and then publicly opened and read.

This is a "public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the locality in which this work is to be done. The Contractor shall pay

not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or Mechanic" employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of F. C. Stanley, Resident Engineer Lubbock, Texas, and Texas Highway Department, Austin. Usual rights reserved. 36-2tc.

MERCHANTS' SALES PAIDS, now 7 cents each at the News.

#### Rheumatism and Arthritis

Doctors differ as to the merits of NUC-OVO. Many users say it has brought them relief. If you suffer from Rheumatism or Arthritis why not write for literature on NUC-OVO from Research Laboratories, Inc., 403 N. W. 9th, Portland, Oregon Pd. Adv.

**SHOWER GIVEN HONORING MRS. DARRELL HAGLER**

Mrs. Darrell Hagler, the former Miss Ida Botkin, was complimented with a miscellaneous shower Friday afternoon, May 30, in the home of Mrs. Hoyt Hodges.

Assisting Mrs. Hodges with hostess duties were Misses Valarie Wells, Eddie Hamilton, Lena Williams and Mrs. A. D. Rogers.

Miss Wells greeted the guests and presented them to members of the receiving line which was formed by Mrs. V. A. Botkin, mother of the bride, Mrs. Darrell Hagler, honoree, and Mrs. Hoyt Hodges. Members of the house party were dressed informal with rose corsages.

The entertaining rooms were decorated with seasonal flowers. Appropriate soft music was played during the calling hours. Mrs. Rogers presided at the bride's book.

After signing the register, guests were served with punch, decorated white angel squares and toasted nuts, by Misses Hamilton and Williams, from a linen covered table set with a beautiful crystal punch bowl and decorated with a ruffled rose motif.

Plate favors were appropriate with the inscription "Ida and Darrell, May 2, 1947".

The honoree received a large number of pretty and useful gifts and was assisted in opening them by Mrs. Botkin and Miss Wells. They were very cleverly displayed for everyone present to view.

Go to Church every Sunday.

**Relates How He Survived Being 'Beheaded' by Japs**

TOKYO. — An Australian soldier told the war crimes court that he had lived through a Japanese officer's attempt to behead him and eventually had crawled to safety after recovering consciousness buried in a shallow grave.

The soldier, Colin Fleming Brien, 23, was ordered to sit down with his feet and legs in the grave, his wrists were tied behind his back, and a towel was tied over his eyes. The officer, sword in hand, loosened Brien's shirt collar and bent his head forward.

"After a few seconds I felt a heavy, dull blow on the back of my neck," he continued. "I fell over on my side, then lost consciousness. When I regained consciousness, I was lying at the bottom of the grave underneath some wooden planks and clods of earth. I had a large wound in the back of my neck. I managed to crawl out, and staggered into the jungle grass, where I lay all day."

After three days he reached Singapore.

**Belt Saves Woman Hanging From 11th Floor Hotel Ledge**

PHILADELPHIA.—A thin, silken belt of a negligee saved a 32-year-old blonde from possible death as she hung precariously from an 11th-floor ledge of the fashionable Drake hotel.

The woman, who identified herself as Mrs. Helena Hall of Philadelphia, was rescued 15 minutes after she plunged through a closed window. The belt caught on a hook and held her suspended in midair, head downward. Three men pulled her to safety.

Police said the woman told them she was trying to throw a glass of water through the window which she thought was open. She lost her balance and fell.

**Thieves Get \$600,000 Cash And Gems in French Hotel**

MAISONS-LAFITTE, FRANCE.—French police said that \$300,000 in American currency and jewelry worth another \$300,000 were stolen from Mrs. Lucienne Dentz-Resach, wife of a Puerto Rican industrialist.

The police said that burglars broke into the woman's room at a hotel in this resort town while she was at dinner and stole a casket containing the banknotes, two platinum bracelets, a five-row pearl necklace and clips.

**Auto Driver Forgets His Wife And Sets Off Police Alarm**

BEDFORD, PA.—A "calling all cars and stations" alarm went out over the state police radio system to watch for a motorist speeding eastward in a convertible cruise. Stopped by troopers, the tourist was surprised to hear that he had "forgotten" his wife in Bedford, 30 miles back. Sheepishly he turned his car and started back to get his wife and probably—as any married man knows—an ear beating.

The editor and Mrs. Hill received a card this week from Miss Faye Nordyke written last Saturday from Ridgecrest, North Carolina, where she was attending the South-wide encampment of Baptist Young people. "The services here are swell and the country lovely," she wrote. On the reverse side, the card bears a picture of the rugged mountain scenery taken from the top of the Swannanoa Tunnel piercing the Great Eastern Divide.

Sharks do not have to turn over on their backs in order to bite.

**JOE STOKES CLUB WOMEN ENTERTAIN FAMILIES**

The Joe Stokes Home Demonstration Club entertained their families with a weiner barbecue Saturday night at the Community Center.

We played some exciting games until after supper when the men played "42."

The following were present: Mr. and Mrs. A. D. Dean and family, Tom Russell and Mary Beth, Jean Roland and Leta Dell, Jim Barnett and family, Buddy Smith and baby, C. L. Murray and girls, Mrs. Lee Shockley and Wilda Ann, Mrs. Pierce, Mrs. Hillary Smith, Miss Fernova Balch, Joy Dean McClintock, also Mr. and Mrs. Harvin Smith from Lubbock.

**JOE STOKES H. D. CLUB HAS BUSY MEETING**

The Joe Stokes Home Demonstration Club met in the home of Mrs. Tom Russell on Wednesday of last week. We tackled a comforter before our business meeting. We are looking forward to the time when we can have an agent with us again.

The following members were present: Mesdames H. D. Dean, Homer Campbell, Alvin Shambeck, Bunk Gill, C. W. Overman, Buddy Smith; C. L. Murray, Maeker, one new member, Mrs. Dee Leavitt, and a visitor, the hostess' mother, Mrs. W. K. Pierce.

The next meeting will be with Mrs. Overman.

The average American uses about six pounds of salt a year to season food. Salt is found in 19 states, and produced in commercial quantities in 13, according to the United States Bureau of Mines.

Mr. and Mrs. Gladys Beard of Portales, N. M., visited Mr. and Mrs. Rafe Richardson and Mr. and Mrs. Dea Parker over the weekend.

Arsenic can be used advantageously in wood preservation processes.

**How women and girls may get wanted relief from functional periodic pain**

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

**CARD OF THANKS**

We wish to express our sincere thanks and deepest appreciation for every kind expression of sympathy for every helpful deed, and for the beautiful floral offerings bestowed upon us during our bereavement. May God bless each of you.—O. E.

Brewer, Mr. and Mrs. Ernest Stokes, Mr. and Mrs. George J. White and family, Mr. and Mrs. Spencer Brewer and family, Mrs. F. F. Kaker and the brothers and sisters.

**Alton Cain . . .**

(Continued from Page 1)  
 cisco. He passes out seeds from the Tahoka daisy, a purple petaled flower with yellow center, and he hopes eventually to have them planted all over the world.  
 Before the convention was over, people were hunting him up to get samples of the little wild flower.

Alton says Texas was pretty much in the lime-light at the convention. Attorney General Tom Clark was one of the principal speakers, the Dallas Rotary Glee Club was a featured attraction, and Nancy Swinford of Houston, the "South Texas Nightingale," was a sensation with her singing. Roy E. Smith of Tyler was elected to the International directorate, as was D. D. Monroe of Clayton, N. M., who is well known by many Tahoka Rotarians.

The Cains visited his father, S. W. Cain, in Long Beach, and other relatives in Compton and Hollywood. Mrs. Cain and the two children remained in that area while Alton attended the convention, and she attended three popular radio programs, Glamour Manor, Bride and Groom, and Breakfast in Hollywood.

**"Buddy" McGonagill Writes The News**

Mr. (Drew Pearson) Frank Hill Lynn County News:

I wish to report on the fine representation Tahoka had in the recent Rotary Convention held in San Francisco. Your President-Elect, Alton Cain, called me last Monday evening and very generously invited me to attend the Texas dinner as a guest; on Wednesday night at the Fairmont Hotel which I very graciously accepted. I started to San Francisco about 4:30 p. m. and just outside downtown Oakland, I noticed street vendors in almost every block selling something. Out of curiosity, I stopped and found them selling Tahoka Daisy seeds. As I entered the toll gate of the Bay Bridge, the toll taker, after collecting my fare, presented me with a package of Tahoka Daisy seeds. Just as I entered San Francisco, a cop. stopped me for doing 25 1/2 miles per hour in a 25 mile zone and after giving me a ticket and a good lecture, he presented me with a package of Tahoka Daisy seeds.

I proceeded on to the Mark Hopkins Hotel and immediately went to Alton's room expecting to find him there but had no response to my knocking, so decided to go up to the "Top of the Mark" and kill some time until he returned. I got off the elevator at the cocktail lounge and to my astonishment, there was Alton behind the bar mixing Tahoka Daisy cocktails. After a lot of persuasion on his part, I tried one, then another and found it most satisfying.

We finally made it over to the Fairmont and the Texas dinner and had a very enjoyable three hours, then returned to the "Top of the Mark" and scattered Tahoka Daisy seeds to the four winds.

There is no question in my mind that Tahoka received more publicity than any other town and the manner in which Alton conducted his one man crusade of publicity and good will is most commendable.

With kindest personal regards, I am

Very truly yours,  
 A. H. McGonagill  
 351 Warren Avenue  
 San Leandro, Calif.

An efficient small boat anchor may be made by fastening a 16-inch eye bolt through an old harrow disk with two heavy nuts, the Outboard Boating Club of America says.

## Black Cats Win Over Brownfield

Last Sunday afternoon the Tahoka Black Cats won their first game of the season over the Brownfield Tigers at Brownfield 16 to 10.

Manager Early Lee Lawson stated to a News representative that he had sparked his team into new life with three or four new players. Johnny L. Martin, a southpaw did the pitching for the Cats in last Sunday's game with Brownfield.

Manager Lawson also stated that his team is going right along with the American Legion softball team. The Legion nine won their first game one night last week and then the Cats really turned a swell game in Sunday defeating the Brownfield nine. Lawson says his team has just now hit their stride and that from now on they will be playing better ball than in the past.

The Black Cats traveled over to Slaton yesterday to play the Slaton team over there, but no results of that game were available when the News went to press.

W. J. Burckhart is now home again after having spent about three weeks in the Plains Hospital in Lubbock, where he underwent an operation for gland trouble. He is now reported to be "doing o. k."

## Brotherhood Plans Sweetheart Night

At the meeting of the Baptist Brotherhood Tuesday night, it was voted to invite the wives and the sweethearts of the members to be present at its regular meeting in August.

In accordance with a policy inaugurated at the May meeting, the Royal Ambassadors, a boys' organization, were guests of the Brotherhood last Tuesday night. Only six or seven boys were present, however. It is hoped that many more will be present at the July meeting.

Rev. Levi Price also called for volunteers from the membership of the Brotherhood to go to the Palo Duro encampment grounds the latter part of this week to erect a tent for the use of the Tahoka boys who will be at the encampment the first three days of next week; also for two or three men to go to the encampment as sponsors for the boys. Any one who can possibly go on either mission should notify the pastor at once.

L. D. McKee has volunteered to take the boys in his truck to the encampment and it is expected that 20 to 30 boys will go.

The girls' encampment will start Wednesday immediately after the close of the boys' camp, but the Brotherhood is not sponsoring it.

## CLOSED SHOP OUTLAWED IN 16 STATES

Houston, Texas.—The shaded states in the above map have either adopted or submitted constitutional amendments or enacted statutes prohibiting the closed shop. Sixteen, or one-third of all the states, have taken such action. They are Arizona, Arkansas, Florida, Georgia, Iowa, Maine, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Ohio, South Dakota, Tennessee, Texas and Virginia. The Taft-Hartley Bill recently passed by Congress contained a provision outlawing the closed shop.

The Right to Work, regardless of union or non-union affiliation, as a principle of government, originated in this fast growing industrial city, Vance Muse, Secretary-Treasurer of the Christian American, Inc., with national headquarters here, directed the campaign that resulted in its adoption as an amendment to the Constitution of Florida in its enactment there. Five hundred labor papers of the nation recently voted Mr. Muse to be "Public Enemy No. 1" of the movement to organize the unorganized; he has been investigated by two State Legislatures and castigated by several others and a bill has been introduced in the Texas Legislature to revoke the charter of the Christian American which was granted in November 1936. The Chairman of the Communist Party in Texas recently filed suit against Mr. Muse for \$15,000.00, claiming that her reputation was damaged when Muse printed her picture along with 37 members of the Texas House of Representatives who voted against the Right to Work measure. The suit was withdrawn when Muse's attorney, Bernard A. Golding, announced he was ready to go to trial. Ultimate objective of the Christian American group is an Amendment to the Constitution of the United States guaranteeing every person the right to work regardless of union status. A recent nation-wide survey shows that Texas has the most complete and effective set of labor regulatory measures of any state in the Union. . . . Directory of State Lawmakers.

## Home Ec. Play School Success

The play school for pre-school age children, sponsored by the summer Homemaking class, closed this week. The project has been a worthwhile experience for the children attending as well as the Homemaking students who supervised their play activities.

Children attending the play school were: Barbara Ford, Janie Ware, Taylor Knight, Leslie Creig, Alan Seale, Linda Williams, Alton Terry, Dottie Jean Harrison, Kay Mott, Jerry Bragg, Macky Joe McWhirter, Sandra Reed, Johnny Smith, Dixie Dale Forsythe, Don Hicks, Mary Helen Reed, Ronnie Blairrington, Sharon Brown, Mary Jane McCord, Larry Alton Forsythe, Patsy Cook, Iris Bryan, Jimmie Lou Alrheart, Robert Smith, and Jack Stevens.

## HOMEMAKING CLASS CLOSES SUMMER WORK

The summer Homemaking class at Tahoka High School closed last week. Twenty-two girls have completed group work which will enable them to earn one-half credit in Homemaking. Home experiment work is also required and must be finished by September 1. Some of the home experiences that were selected are: gardening, yard improvement, sewing for self and others, home management, improving the home, foods and related subjects, and care of clothing.

## Vacation Bible School Closes

A program which was much enjoyed by children and adults alike was rendered at the close of the Vacation Bible school in the Methodist Church auditorium last Friday night.

Following the Processional, salutes were given to the United States and Christian flags, followed by "The Call to Worship."

The beginners sang "Wonder Song" and "Tick, Tock." Ann Wharton, a primary, read the 100th psalm, and the Juniors gave a Melody Chorus. The Intermediates conducted a quiz program, and Shirley Floyd, a Junior, gave a quiz on "The Greatest Name."

The Juniors rendered a dramatization of the story of the Good Samaritan, and the Intermediates dramatized and presented the "Life of Marian Anderson," a colored woman who has gained much fame as a singer.

The Juniors gave "Sharing," and the program was closed with the Lord's Prayer recited in unison.

Following the program, parents and visitors went through the various rooms in the basement, inspecting and admiring the handwork of the children.

The attendance had been good throughout the week and the school was pronounced a decided success.

AN IMPORTANT MESSAGE FROM THE TEXAS BUTANE DEALERS ASSOCIATION—

**BUTANE  
and  
PROPANE  
Users!**

Is Your  
**BUTANE or PROPANE**  
System  
Ready for Next Winter?

The Texas Butane Dealers Association asks every domestic butane or propane gas user to take stock of your present system. If your tank cannot furnish gas enough to serve you through the four winter months without refilling, you may find yourself without heat this winter.

New industries developed during the war now demand tremendous amounts of butane and propane gases throughout the year. On the other hand, domestic users of gas burn four to seven times more in winter than in summer. Because of tremendous demand, your dealer is able to furnish you very little more gas in winter than in summer. In order to "level off" this high winter load, heating gas users

must plan now to tank up far ahead with a four months' supply.

By doing this you can be absolutely sure of your supply. It's "Winter Insurance," just as the farmer has always stored grain early for winter use. Housewives do their canning in the summer. Your gas will already be in your tank when you need it most. And by taking less time for your dealer's services, he can supply you and your neighbors more efficiently and more economically at the time when winter roads usually hold up gas delivery.

Before you buy any system, consult your local gas dealer. He is your friend, he knows butane-propane, and he will cooperate in every way to help you prepare for winter now.

**TEXAS Butane  
DEALERS ASSOCIATION**

#### CONVERSION OF SAUL

Saul was a sincere, conscientious and very religious man, even while he was persecuting Christians. He was on the road to Damascus for that very purpose when the events of Acts 9-22 and 26 transpired. As Saul neared Damascus a light shined around him. A voice said to Saul, "Why persecutest thou me." Saul said, "Who art thou, Lord?" "I am Jesus whom thou persecutest". Saul asked, "What wilt thou have me to do?" The Lord said, "Go into the city and it will be told thee what thou must do." Acts 9:6. Saul went into the city and was without sight, neither did he eat for three days. The Lord said Ananias, "Go into the street called Straight and call for Saul of Tarsus, for behold he prayeth".

Question: "If the Lord saves the alien sinner in answer to the sin-

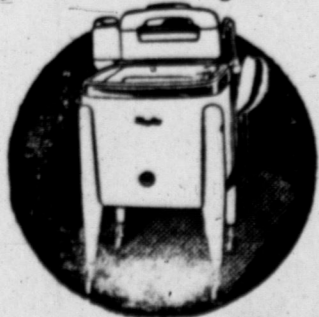

#### MODERN LIVING CLAIMS VICTIMS

Soft, refined foods and lack of exercise are responsible for increasing thousands of constipation victims. Intestinal muscles become sluggish, waste matter accumulates and gas is formed. Often there is a tired, restless, listless feeling. It's cases like this that the new improved ADLERKA is designed to help. This scientifically compounded Tone-Up laxative is quickly absorbed by the gastro-intestinal system... gas pressure is relieved and waste matter is moved gently through the digestive canal. When you eat well and digest your food well, you'll find a new joy in living. Order a bottle of ADLERKA today.

Caution: use only as directed.

#### WAYLAND COLLEGE RAISED TO FOUR YEAR SCHOOL

The Executive Board of the Baptist General Convention of Texas, voted Tuesday to raise Wayland College to a standard four-year senior college, according to a press report from Dallas. It is contemplated that two years will be required to make the change. One year's work will be added at a time.

The board's decision will make it possible for Wayland students to attend two more years and receive standard degrees. Lynn County student who completed junior college work last year and will be eligible to return this fall is Elvin Wayne Timmons of Tahoka. Others from here who went to Wayland last year and may continue training there for three more years are A. C. Fillingim, Wanda Patterson, Billie Timmons, Joe Webb and Harvey Knight of Tahoka.

Baptists of the Plains-Panhandle of Texas have been showing renewed interest in the college during the past two years, having launched a building campaign two years ago. Although greatly handicapped by drought a beautiful and commodious Boys dormitory is now being completed.

Dr. A. D. McDonald having resigned as president after a faithful and sacrificial service of more than twenty years, Dr. J. W. Marshall, a

young man well and favorably known by Baptists throughout the South, was recently elected as the new president and will assume his

duties in July. With a big wheat crop almost ready to be harvested, and with a largely increased attendance the

past year, it is believed that Wayland's expansion and growth during the next few years will be rapid and substantial.

PHONE 49

W. L. BURLESON

**W. L. KNIGHTS SISTER VISITS HIM HERE**

Mrs. W. G. Brunette of Odessa is here visiting her brother, W. L. Knight and Mrs. Knight, and other relatives. She stayed in their home here several weeks a year or two ago.

Mr. Knight says that she is his youngest, and only living sister, and in speaking of her he recalled some unusual facts, one of which is that while she is his sister, her late husband was Mrs. Knight's brother. Mr. Knight says that he has never known another family by the name of Brunette, and when she passes on there will be no one to pass the name on to future generations.

Both Mr. Knight and Mrs. Brunette were born near Daingerfield in Morris county, and in mentioning that fact Mr. Knight observed that Daingerfield was only a sleepy little East Texas county seat town until after the close of the recent war, when it suddenly came alive and is now enjoying a boom. Oh? No, Iron! The erstwhile little town now has the largest iron foundry in the world, Mr. Knight declared. During the recent war, the Government built the iron foundry there but never operated it. After the war closed the Government sold the property to a private company, which is now operating the plant and employing hundreds of men, which has brought in hundreds of new families. Scores of farmers in Morris county, who were eking out a meager living, are now turning their attention to dairying and to the poultry business.

The brown rocks—iron ore—are to be found all over the country, except on Mr. Knight's little farm back there and neighboring farms. He was never able to find enough rock of any color on his farm to make a door-step.

Furthermore, Mr. Knight says that he has owned farms in five different counties in Texas and not a drop of oil has been found on any of them. The oil field came within a mile of his farm in Eastland county and then chopped off short. Plenty of oil was found in Reagan county, but none of it, closer than 20 miles to his place. He still owns farms in Morris, Lynn, and Borden counties, but no oil close to either one. He has gotten good prices for oil leases on some of these lands, though, and he is not apt to suffer soon for bread and meat.

Cotton and maize and wheat, and fat cattle are still good enough for him.

**NOTICE TO ALL HOUSE TRAILER OWNERS:**

Information has been received from the State Highway Department that, in the future all house trailers will be titled, regardless of whether they are factory built, or homemade.

All necessary information as to the titling of house trailers is available at the Tax Collector's office. Compliance with this law is immediate.

Mr. and Mrs. Ed Thompson of Fort Worth and Mr. and Mrs. Morris Brown and Mr. and Mrs. Geo. Brown of Olton spent Sunday in the E. F. Schwartz home.

Genita and Carolyn Nowlin are spending a few days in Lubbock with their uncle and aunt, Mr. and Mrs. Harvin Smith.

Mr. and Mrs. Son Fletcher and children of Gomez and Mr. and Mrs. Odell Valentine of Brownfield spent Sunday in the John Timmons home.

Evelyn West, daughter of Mr. and Mrs. E. H. West, returned home last week from Phoenix, Arizona, where she graduated from high school.

Ouida Schwartz is spending the week with her sister at Olton.

Uncle Marion McNabb came home Saturday from Nocona, where

he had been visiting relatives. Mr. and Mrs. Bill Timmons are visiting relatives in Dallas and Longview and in Tennessee and West Virginia.

Delton Timmons has gone to north Texas to the wheat harvest. Mr. and Mrs. Jay Pendergrass and sons of North visited in the Murray Nettles home Sunday.

Congratulations to Mr. and Mrs. Melvin Newman upon the arrival of a baby girl, named Linda Diana. A two-weeks vacation Bible

**CURSE OF MIDDLE LIFE**

Faulty kidney function. Trouble starts by the ph. of the body fluids getting out of balance. Chemists find that if the ph. is corrected, balance restores—the body repairs the damage, removes the pain. CITROS is the answer. Supplied by your druggist. For sale by **WYNNE COLLIER, DRUGGIST**

school closed Friday night at the Baptist Church with the commencement exercises. An average attendance of 52 was the final report.

**LAKEVIEW-PETTY W.S.C.S.**

The Lakeview-Petty W.S.C.S. met Tuesday afternoon at 2:30 in the local church.

Following the opening song, Mrs. R. W. Allen led in prayer. Mrs. S.

L. Williams gave the devotional reading from the fifth chapter of Matthew.

Rev. and Mrs. J. A. Wheeler of Meadow gave an interesting dis-

ussion of the last four chapters of "The Christian Motive and Method of Stewardship." The meeting was closed with a
