## REDWINE CHURCH CLOSES SUCCESSFUL REVIVAL

The revival at Redwine Baptist Church closed Sunday night, August 17, with the testimony of many of the old-timers that this was the most glorious and harmonious revival in many years," declared Rev. T. L. Pond, pastor of the Church, in making report to the News Monday. The night prayer services were well attended with an average of 81 present, he stated.

Rev. Harley Hughes, pastor of the Whiteface Baptist Church did the preaching and H. M. "Dick" Patterson of Redwine led the song services, with Miss Betty Montgomery presiding at the piano. She is Redwine's Mission student in Howard Payne College and plans to return to college in September. Visible results of the meeting were twelve additions to the Church, three by letter and nine by baptism, together with fourteen others who rededicated their lives to service.

Baptismal services were held at the Fred McGinty Tank just beyond the Seven-Mile lake south of Tahoka at 4 o'clock Sunday

## How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

**MORE ABOUT THE AMENDMENT**

Last week we published a brief editorial favoring the proposed "college amendment," on which the people are to vote next Saturday.

On last Saturday, three splendid gentlemen from Lubbock, Ralph Brock and John Wilson, lawyers, and Royal Ferguson, district clerk, were in Tahoka marshaling their forces in opposition to the amendment and called at the News office to leave an advertisement to be run in opposition to the proposal this week and incidentally to solicit the support of the editor in their endeavors.

Since that time we have given a little more research and thought to the proposal contained in the amendment than we had given theretofore. We do not claim to know all about it yet but we are still of the opinion that the opposition is fighting a futile and hurtful fight. We do not believe that they will be able to defeat the amendment, and even if they should do so we would then be in a worse predicament with respect to higher education in this state than we are today, and in a far worse predicament than we will be in if the amendment is adopted, the dolful wallings of the Lubbock gentlemen to the contrary notwithstanding.

The burden of their cry is that the University of Texas is getting the big end of the deal and that the Tech and the other 13 state colleges are getting only a minor share. The reference is to the Revenue-Producing University lands, which are rich in oil. But what will the 14 colleges get from this source if the amendment is defeated? They will still get exactly nothing. Before they will ever be able to get any portion of it, it will be necessary for the people of Texas to adopt a constitutional amendment giving a portion of it to them, because the University lands, now oil-producing, about which the Lubbock gentlemen are howling, were set aside in the constitution of 1876 for the use and maintenance of the University.

How long would it take to get an amendment submitted to and adopted by the people of Texas, slashing and cutting up this fund into University and non-University funds? Nobody knows, and the gentlemen from Lubbock are holding out only visionary and fantastic hopes when they undertake to make any kind of promise that it ever will or ever can be done.

The present amendment was submitted, over the dogged opposition of Representative Preston Smith by a vote of 110 to 28 in the House and by a vote of 27 to 2 in the Senate. In the face of this vote, when can Mr. Smith hope to get an opposition amendment even submitted?

Defeat of the pending amendment would leave the status just as it has been through the years, and would delay any improvement of the situation for at least two years and possibly for a much longer time.

What do the opposing gentlemen propose to do about the matter of additional buildings for our colleges if this amendment is defeated?

The opponents of this amendment in their propaganda literature, ask and answer the following question: "Where will Tech get the money for buildings if the amendment fails? The answer is simple—from the Legislature, as in the past."

Yes, from the Legislature. But how long did it take to get the Legislature to appropriate even one million dollars for the Tech? We'll let the Lubbock gentleman answer this question too. Here it is, taken from that same piece of propaganda literature: "It took the people of West Texas years and years and years to secure the creation of Tech and the appropriation for buildings of \$850,000."

Perhaps some people think that all these buildings at the Tech were built from legislative appropriations. Not so. As we understand it, bonds were issued and sold for the building of both the big dormitories at the Tech based on the prospective income from the buildings.

Depend on the Legislature for appropriations "as in the past" indeed! How much have these past appropriations for buildings amounted to? We do not know, but the Fort Worth Star Telegram stated editorially last Sunday that for the past 16 years pleas to the

Legislature for building funds have gone largely unheeded. "While enrollments have more than doubled," it stated, "legislative appropriations for building have averaged only \$10,000 a year for each of the 14 schools. If the anticipated \$1,500,000 a year yield from the tax would not be sufficient to care for all the building needs of these institutions, it at least would do so far more adequately than has been the case in the past."

Furthermore, that \$1,500,000 a year would mean more than \$100,000 a year for each of the 14 colleges, or more than \$200,000 a year for the Tech as against the pitiful sums it has been receiving in the past.

"To reject the plan now proposed," says the Star-Telegram, "would be to cripple the ability of the schools to meet their own obligation to the youth of the state and would leave only shadowy hope for the future adequacy of higher education in Texas."

All the college heads and their governing boards are united in support of the amendment. Let's not permit a few Lubbock calamity howlers to line us up in opposition.

**SOME MORE FANATICISM (?)**

For fear that our good friend David Watson of the Seminole Sentinel may have been too tired from his week's labors to get tired to Sunday school last Sunday, we quote a portion of the printed lesson for his benefit, even though he may not need it personally, being himself a teetotaler, as we understand. Here it is:

"Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise. . . Hear thou, my son, and be wise, and guide thine heart in the way. Be not among wine-bibbers; among riotous eaters of flesh; for the drunkard and the glutton shall come to poverty; and drowsiness (or sottishness) shall clothe a man with rags. . . Who hath woe? Who hath sorrow? Who hath contentions? Who hath babbling? Who hath wounds without cause? Who hath redness of eyes? They that tarry long at the wine; they that go to seek mixed wine. Look not thou upon the wine when it is red, when it giveth his color in the cup, when it moveth itself aright. At the last it biteth like a serpent and stingeth like an adder."

Then the writer pictures the drunken man as "seeing things," uttering "perverse things," like unto one who has no more sense than to undertake to lie down in the midst of the sea or on top of a mast, insensible of his surroundings.

ings, and muttering when he awakes, "I will seek it yet again." If friend Watson did go to Sunday school last Sunday, we are wondering if he protested against the lesson on the grounds that it had been written by a "fanatical, hair-brained Prohibitionist."

We believe that racial injustices should be abolished or reduced to a minimum in this country. We believe that the Negro should be paid a fair wage for a fair day's work. We believe that working conditions for him should be made just as safe and sanitary as for white laborers. We believe that he should be given ample educational opportunities both in the public schools and in higher education, although as yet there is not the same demand for higher education among Negroes, as is found among whites. But both public school facilities and higher-education facilities should be furnished the Negro whenever and wherever the Negro population is sufficient to justify the expenditure. In other words, we should treat the Negro fair and right. But that does not mean that we should undertake to wipe out racial lines. It does not mean that we should repeal our laws against the inter-marriage of Negroes and Whites. It does not mean that we should even repeal our "Jim Crow" laws. There are inherent differences between the black and the white races that all intelligent and fair-minded men must recognize. It is a tragedy that many Northern politicians, office-holders, and labor leaders, continue to bury their heads in the sand and refuse to see that there are such differences. Refusal to segregate the Negroes from the Whites has caused trouble in many a city. Refusal of the heads of housing projects to recognize racial differences and to separate the races in housing projects in Chicago recently incited race riots in that city. Negroes and Whites in the South have little trouble on that score for the reason that Negroes are perfectly willing as a rule to observe the segregation regulations imposed by the Whites. It is only when Commu-

labor leaders, or politicians are not always treated justly in the South, yet Southern people are the best friends that the Negro has. He would do well always to remember that fact.

**MARVIN MUNN BUILDING HANDSOME NEW HOME**

Marvin Munn is building a handsome new home out at his place just north of the city limits. A carpenter himself, he is doing most of the work, and while he says that he is making rather slow progress, he will know when the building is completed that the work has been well done.

The residence is to consist of eight rooms, one regular bath room, and a shower bath. It will be stuccoed outside and finished inside with sheetrock and the woodwork inside varnished in part and enameled in part. He expects to make of it an ideal home.

Mr. and Mrs. Edd Akin and daughter Dana Dell, Mr. and Mrs. S. J. Akin, Oscar (Slim) Morgan and Floyd Reece returned Saturday from a ten-days vacation spent at Ruidoso, New Mexico, visiting Arvel and Alton Akin and other Tahoka people there. They also visited the White Sands and made a trip to the Manjout Lookout tower and other scenic places.

Mr. and Mrs. J. C. Traweck of Bangs and Miss Janie Lee Traweck, home demonstration agent at Madill, Oklahoma, spent Wednesday night of last week with Roy and Misses Ina and Myrtle Ledbetter at Wells, friends of long standing.

Marriage rites were read for Miss Gwendolyn Gaither, daughter of Mr. and Mrs. E. B. Gaither, and Lee Roy Akin, son of Mr. and Mrs. Marshall Akin, by Rev. Levi Price, in the home of the bride's parents here at 4:30 o'clock Thursday afternoon, August 7.

Witnesses to the ceremony were Mr. and Mrs. E. B. Gaither, Mr. and Mrs. Marshall Akin, Wanda and Bentley Gaither, O. M. Davidson, and Mrs. Beaulan Atkins.

Following a wedding trip to Ruidoso, New Mexico, the young couple are making their home here.

More than 611,000 World War II veterans have reinstated their National Service Life Insurance policies during the last five months. The American Legion has been advised by the Veterans Administration.

Mr. and Mrs. C. H. Carmichael of San Antonio are visiting here in the M. A. King home. The two ladies are sisters.

Tom Smith of Redwine is spending a few days at his old home town, Republic, Missouri.

**Harlan Cook Wins Citation Of Merit**

The Rexall Citation of Merit has been awarded to Harlan Cook, assistant manager of Wynne Collier Rexall Drug Store, it was learned here today.

Wynne Collier, owner of the store said that the citation, presented jointly by the International Association of Rexall Clubs and the United-Rexall Drug Company, is in recognition of Mr. Cook's outstanding ability in merchandising and in drugstore service to the community.

The International Association of Rexall Clubs represents nearly 10,000 independent druggists joined together under the Rexall banner. Each year the association makes a survey of its independently-owned member stores to select outstanding "personnel to be honored."

The handsome citation is hand-lettered and engraved on parchment.

Mr. Collier said that he and Mr. Cook's associates in the local Rexall store are as proud of the honor that has come to Mr. Cook as is the winner himself. "We are happy to know that our organization has won national attention through the outstanding service of one of our co-workers," he said. "Certainly no one could be more deserving of recognition than Mr. Cook."

Mr. Cook has been associated with the store for the past 14 years. It was formerly owned by the Thomas brothers, C. A. and W. O., from whom Mr. Collier bought the store eleven years ago.

**MISS JAUNITA WILLIAMS WEDS CALIFORNIA MAN**

Marriage rites for Miss Juanita Williams, daughter of Mr. and Mrs. Carl Williams, and John R. Bueermann, son of Mr. and Mrs. R. F. Bueermann of Oakland, California, were read by Rev. Levi Price in the First Baptist Church here at 9 o'clock last Sunday morning using the double ring ceremony.

Mrs. Rafe Richardson played "Indian Love Call," "Smiling Through" and traditional wedding marches, "Always" and "I Love You Truly" preceding the service. Joy Williams and Mary Belle Walters were the candle lighters.

The bride wore a white satin gown styled with a marquisette yoke edged with lace. Her fingertip veil was of illusion and her bouquet of white roses.

Miss Lena Williams, sister of the bride and serving as maid of honor, wore a blue taffeta dress of old fashioned design. The bridesmaids, Miss Bobby Bockman of Lamesa and Mrs. B. L. Williams of Brownfield, wore dusty rose taffeta dresses made similar to that of the maid of honor. Patricia Ann Williams, sister of the bride and flower girl, was dressed in pale green, marquisette fashioned with full skirt.

Richard Bueermann, brother of the bridegroom, served as best man, Marshall Williams of Tahoka and B. L. Williams of Brownfield were ushers.

Immediately following the ceremony, a wedding breakfast was served in the home of Mrs. J. A. Williams.

After a wedding trip to Denver, Colorado, Rocky Mountain National Park, and Lake Tahoe, California, the couple will be at home in Berkeley, California.

The bride graduated from Texas Technological College in 1946 and has since been on the administrative staff of dietitians at Southern Methodist University, Dallas.

The bridegroom served two years with the Army Air forces and is now a student in the University of California.

Out-of-town guests for the wedding were from Oakland, Calif., Clovis, New Mexico, Plainview, Lubbock, Lamesa, Brownfield, Dallas, and Brownwood.

## YOUR STATE TAXES DOUBLED

The State Tax Rate This Year Is 72c On \$100 Valuation

Last Year the Rate Was 37c

Who Said, "No New Taxes"?

## VOTE! VOTE! VOTE!

Saturday, August 23rd

## AGAINST

An Additional 5c Tax

On Saturday, August 23, an amendment to the constitution of the State of Texas will be voted on to allocate 5c of the authorized 7c Confederate pension tax to finance a building program for State owned colleges other than the University of Texas and Texas A. & M.

#### An Additional Tax

"They" say this is not a new tax, but you have not been paying it for many years. It certainly will be an additional tax you have not been paying. If voted by the people of Texas on August 23, it will be added to your 72c State tax making a total of 77c on the \$100 valuation.

#### Small Taxpayers Pay

The veteran, the farmer, the small home owner, the laborer, the small business man, everybody will have to pay this 5c tax in addition to the 72c State tax, if this amendment carries. This State tax is in addition to local taxes—County taxes—School taxes—City taxes—and perhaps others.

#### Will Not Provide Buildings

If passed, this 5c additional tax will not provide adequate and sufficient buildings at today's cost of construction. In the next 10 years West Texas State Teachers College at Canyon MIGHT get \$487,200. The College of Mines at El Paso MIGHT get \$423,000. Sul Ross at Alpine MIGHT get \$189,000. Texas Technological College at Lubbock MIGHT get \$1,500,000 in these 10 years.

#### An Unnecessary Tax

This is an unnecessary tax. By a division of the so-called Permanent University Fund more buildings can be built at all the State owned colleges than this tax will provide. They also can be built much sooner. And the State University and Texas A. & M. still can get more buildings than they can use.

#### 42 Counties Exempt

42 of the State's richest counties pay no ad valorem taxes for State purposes. None of these counties are in West Texas.

#### WHY?

Should you pay another unnecessary 5c tax when 42 of the State's 254 counties will not be paying to help our State colleges.

#### Help Colleges—Vote Against

You will actually be helping all 14 of our State colleges if you vote against this amendment. All these colleges can and will get more money by regular appropriations if this amendment is defeated than they could get by the passage of this 5c tax amendment. Your vote against the amendment will help instead of hurt these 14 State colleges.

## DON'T BE LED ASTRAY

Do not be led astray by this proposed amendment which levies a 5c tax on your property for 30 years and saddles a \$45,000,000 debt on you and all other taxpayers. If passed, this amendment will open the flood gates of the State treasury to dozens of new colleges and you again will pay the bill.

Go Vote Saturday, August 23rd

**S. S. KIDS GET FIRST TRAIN RIDE**

B. W. Keith, superintendent of the Sunday School at T-Bar, dropped into the News office this week to tell about a unique picnic which the Juniors and Intermediates in the Sunday School enjoyed Friday.

Thirteen of them, chaperoned by him and Mrs. Keith, took their first train ride, going from Tahoka to Lamesa and return. Like most children of that age living in this day, not one of them had ever been on board a train before. Children in this country go places almost always in automobiles. It was a great diversion which they much enjoyed.

**LYNN COUNTY FARMERS INVITED TO LAMESA MEET**

County Agricultural Agent Bill Griffin on Thursday morning received the following communication from T. A. Barfield, county agent of Dawson county, which is of interest to Lynn county farmers. It is hoped that as many as possible can attend the Lamesa meeting.

Saturday afternoon at 2:00 o'clock in the Lamesa High School Auditorium, a mass meeting of farmers of Dawson county will be held to discuss wage stabilization in the approaching cotton harvest.

This group is not fool enough to believe that they can stabilize the wages through a voluntary program but they do feel that if 90 percent of the farmers will agree on a stabilized wage and stay with it for even a part of the harvest season, it will mean a saving of several thousand dollars to them as well as to the laborers, in that it will result in more cotton harvested, and less moving around and less dissatisfaction on the part of the worker.

We know that this program will not be a complete success if the farmers of our neighboring counties do not cooperate with us. At best the harvest of Dawson county will cost the farmers three million dollars, and it may run as high as six million. If a few thousand can be cut off this figure, they feel that the effort will be worth while.

It is the feeling here among the farmers, that wages they have had to pay are definitely out of line with the anticipated farmer income. They have asked that I write you and suggest that any representative of farmers or farm groups from Lynn county will be welcome to attend this meeting, and enter into this move with us.

Mrs. Herbert Hunt and two children of Claude and Dr. Ann West of Dallas have been visiting their mother and grandmother, Mrs. Ione West the past week.

Mr. and Mrs. A. C. Weaver and daughter Joyce accompanied by Dorothy Durham left Thursday for their cabin at Ruidoso for a short vacation.

Mr. and Mrs. J. T. Whorton spent the past weekend visiting relatives at Sweetwater and Albany.

**Kidneys Must Work Well**

For You To Feel Well 24 hours every day, 7 days every week, never stopping, the kidneys filter matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes means that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

**Live Poultry Demonstration**

An unusual poultry demonstration is going on in our store.

To prove that well-bred pullets, properly cared for and well fed, will produce lots of eggs in spite of confinement in a business show-room. We are feeding eight pullets.

The layers were selected from a PURINA-FED flock.

Complete records on egg production are being kept so that poultrymen can compare our results with their own.

The demonstration will continue until October 1, and everyone is invited to see the birds and watch the production record.

**Mrs. Womack . . .**

(Continued from Page 1)

tribute was paid to the deceased and a prayer offered by Rev. George A. Dale of Lubbock, a former pastor of the Church here, who had baptized her in 1936 when she was a girl less than ten years of age and who had also read the wedding rites which united her in marriage with J. C. Womack on October 17, 1945.

Following another vocal number by Rev. Melvin Rathel, "Going Home," which must have touched every heart, Rev. Levi Price, the pastor, eloquently delivered the funeral discourse, following which the casket was removed to the front entrance and opened so that the vast throng might view the lifeless form as they left the church. Burial followed in the Tahoka cemetery.

Serving as flower girls were Coline Fulford, Mary Ruth Evans, Imogene Hargott, Juanita Stephens, Joan Owens, Johnnie Margaret Price, Billie Jo Cowan, Geradine Lanford, Dorothy Applegate, and Robbie Milliken.

Pall bearers were A. L. Smith, W. H. Kenley, "Dub" Fulford, Frank McGlaun Jr., Reid Parker, and Roy Botkin.

Mrs. Womack was a native of Tahoka, having been born here on October 9, 1926, and she had spent her entire life here. In May, 1944 she graduated from Tahoka high school. She was a charter member and secretary of the Tahoka Student Council. She attended Hardin-Simmons University during the session of 1944-45. She was a member of faculty of Tahoka grade school for a few weeks in 1945, and in October of that year she was married to J. C. Womack, a fine young man who also had been reared here and had just returned from service in the Army. To this union one child was born, James Calvin, now less than a year old.

In addition to her husband, her little son, and her parents, Mrs. Womack is survived by her grandparents, Mr. and Mrs. W. H. Pennington of Tahoka and Mr. and Mrs. J. W. Russell of San Saba, and two of her great-grandparents, Mr. and Mrs. J. H. Wilson of Lubbock and Mr. Womack's grandmother, Mrs. J. C. Gannon of Newcastle together with a great number of other relatives.

Out-of-town relatives here for the funeral were Mr. and Mrs. Hugh Womack of Olney, Mr. and Mrs. Harold Womack of Lubbock, Mrs. Carl Jones and children of Grassland, Mr. and Mrs. Jennings and daughter of Monroe, Mr. and Mrs. J. W. Russell of San Saba; Mrs. Homer Bryant, aunt, Weslaco; Sherman Russell, uncle, San Saba; Sherman A. Russell, uncle, Llano; Mrs. Lola James, aunt, Barstow, California; Mrs. J. S. Pearson, aunt, and her daughter, of Pueblo, Colorado; Mr. and Mrs. Okla White, uncle and wife, of Mercury, Texas; Mr. and Mrs. Dale Baucom, cousins, Brownwood.

Uniting with the Church as a girl of nine, Mrs. Womack has always been deeply religious and had been active in church work until the condition of her health made it impossible for her to attend the services. She was a valued member of the choir and worked in the Sunday School and the Baptist Training Union in various capacities, and it is doubtful if there was a more popular and more genuinely beloved young woman in the entire church than was she.

The husband and little son and the parents and other kin have the deepest sympathy of a host of friends.

**MRS. A. L. REID RETURNS FROM OREGON VISIT**

Mrs. A. L. Reid and two children, Nancy Jo and Carolyn, returned Sunday from a three-weeks visit with three sons at Eugene and a daughter at Independence, Oregon. The sons are Douglas, Garland, and Wayne Reid and the daughter is Mrs. J. D. Evans. The men are engaged in the lumber business in that state.

Mrs. Reid came back very enthusiastic about the country. She was, especially delighted with the climate and the beauty and magnificence of the scenery. The mountains and the river scenery, she says, are just wonderful. The flowers are the most beautiful and the fruit and vegetables the finest she ever saw.

One interesting point she visited was a sea-lion cave near Portland, extending from the edge of the sea far back underground, partly filled with sea-water, in which the sea-lions lived and romped with great glee. She thought it one of the most interesting sights she saw.

Miss Billie Jo Cowan, who is cashier for the Panhandle and Santa Fe Railway Company at Lamesa, is spending her vacation here with her mother, Mrs. Florence Cowan, her brothers Don and Dan and her sisters Sue and Ann.

Mrs. Travis Inman underwent a major operation in the Tahoka Clinic Wednesday morning.

Mr. and Mrs. O. A. Crowell and sons visited relatives at Eastland over the week-end.
