Voters Approve Separation Sheriff Tax Office; Effective Jan. 1, 1957

Scoop Sez

By J. M. FORBES

DIG THESE CHANGING TIMES!
An old adage has it that "Nothing is certain except Death and Taxes". It is incomplete, for if ever there was a certainty in this world, it is the certainty of change.

Here at the Journal we have been closing Saturday afternoon provided all work is completed and everyone is satisfied. We thought we were sort of skipping alone. But here comes a wholesale house which says they will be closed all day Saturday.

Kerr Paper Company of Amarillo writes that the transportation companies have discontinued Saturday operations. It means no freight will be delivered to the paper company Saturdays, nor will be accepted for shipment on that day. And new hours Monday thru Friday or the wholesale paper and office supply house will be 8 to 5.

I can remember when the day rarely got started at 5 p. m. at the 40 hour week is here to stay, we presume; seems to me work longer than that every Monday morning. The paper company announcement says: Changes such as these are made with the changing times. Changing times, indeed, brother and if you ain't changing right along with them you ain't going to be with us very long. You dig me?

Old Tootie Middlebrook found this little verse on a match book cover and thought it worth repeating in The Journal. We do too:

LITTLE TOWN
I like to live in a little town
Where the trees meet across the street.
Where you wave your hand and say "hello"
To everyone you meet.
I like to stand for a moment
Outside the grocery store
And listen to the friendly gossip
Of the folks that live next door.
For life is interwoven
With the friends we learn to know,
And we hear their joys and sorrows
As we daily come and go.
So I like to live in a little town,
I care no more to roam.
For every house in a little town
Is more than a house, it's home.

Did you know that the new 1 cent a gallon tax on gasoline, with equivalent increases in taxes on LPG and diesel is the first tax increase on our motor fuels in Texas since July 15, 1929? On that day the rate on gas went from 2 cents to 4 cents a gallon. Texas now has a 5 cents a gallon tax on gasoline, still below most of the states of the nation. One fourth of the funds raised from the tax goes to the public schools.

The Highway Department expects to get 104 million from the gas tax in 1956; license fees will give the department \$50 million and miscellaneous services \$2,600,000 more.

The Highway Department is getting to be a pretty big operation. Next 12 months they will spend \$238,000,000, with \$174,200,000 allotted for new construction and \$174,600,000 for maintenance.

SINGING SUNDAY

There will be a singing at the Pleasant Valley Community Center Sunday, Sept. 25, at 3 o'clock. Everyone is invited.

Enrollment Now 1,627

A record enrollment of 1627 pupils is reported for Muleshoe schools by Supt. Jerry Kirk, nearly 100 more than the maximum enrollment last school term.

School officials can confidently predict another big increase for next year, too. Judging by growth in the district. In the first grade alone, this year, there are 196 pupils and number of teachers has been

Bailey County voters, at least a handful of them, approved the separation of the offices of sheriff and tax assessor-collector by a majority of nearly three to one in the election held Monday.

More than half of the votes cast in the election were polled in the Muleshoe box, where 61 voters registered their opinions. Vote in the various precincts was as follows:

Box	For	Against
Muleshoe	16	15
West Camp	18	6
Mays	7	1
Three Way	13	0
Baileyboro	8	4
Bula	16	3
Circleback	1	11
Absentees	2	0
TOTALS	111	40

Circleback was the only box to turn in a majority against the proposal.

Under the law the separation will be made Jan. 1, 1957. A separate tax assessor-collector and sheriff will be elected in primaries and general election during 1956.

Separation was permitted under a law passed by the last legislature.

New Supervisor Will Be Elected By Soil District

Blackwater Valley Soil Conservation District is sponsoring a program and meeting here the night of October 4, one of the purposes of which is to elect a director to succeed Burt Black.

Mr. Black, a supervisor for the last 12 years, has requested to be relieved of his area includes the sand hills, all land in Bailey County north of the sandhills and west to Old Hurley.

The meeting, to which everyone interested is being invited, will be held in the Bailey County Electric Cooperative Association building.

On the program, Lonnie Bass, the ASC administrative officer, will discuss the 1955-56 ACP program, including wheat allotment and storage, grain sorghum and price supports, etc. J. K. Adams is to discuss the use of hybrid grain sorghums.

MHS Band Enters Lubbock Contest

LUBBOCK, Sept. 20 - Muleshoe high school band composed of 56 pieces is one of the first area bands to enter the competition for \$600,000 in cash prizes which will be offered in conjunction with the area-wide "Parade of Bands" to be held here on the opening day of the Panhandle South Plains Fair, Sept. 26.

Norvil Howell, Band Director notified parade officials that the marching unit will enter Class AA competition with other outstanding Class AA bands throughout the area.

Monday, Sept. 26 has been declared "Area School Day" at the Fair, a day when all area school children will be admitted to the Fair grounds free of charge.

COTTON COUNCIL MEETINGS HELD IN THE COUNTY

A Cotton Council meeting, under auspices of the Bailey County Farm Bureau, will be held at the West Camp School tonight. A similar meeting was held last night at Three Way school.

John Greig, a representative of the Council, will be present for a talk. Bill Millen, farmer and president of the Bureau, said the meeting will be of great interest to cotton farmers, ginners, and buyers.

Salk Vaccine Third Shot Will Be Given Sept. 28

Children of the first and second grades will be given their third or booster shot of Salk vaccine next Wednesday, September 28, it was announced today.

Shots will be given at the West Plains Hospital & Clinic here in Muleshoe by nurses and doctors of the hospital staff.

To be eligible for this shot, children must have had the first and second shots, it was said. Nearly all children who took the first shot were on hand for the second shot and in this respect Bailey County made a very good comparable record. Hospital people would like to have the children between 12 and 2 if possible, but shots will be administered all through the day. Some 287 are eligible to receive this third shot.

First Bale At Progress Tuesday

First bale of the season for Progress Gin came in at 3 p. m., Tuesday. It was grown by E. A. Bass, who resides about three quarters of a mile north of the gin.

The bale weighed 143 lbs., and there were 750 pounds of seed; lint cotton weighed 1770.

The gin turned out the bale at no cost to the grower and paid him 50¢ per lb. for the bale.

Scott Gin Here Ready For Season

Scott Gin, located 10 miles north of Muleshoe on Friona highway, is ready for the season's run, according to announcement of R. C. Scott, manager and co-owner. He and Bob Davis, of Altus, Okla., have bought the plant from H. C. Barton, of Lamesa. In fact, he was to gin his first bale Wednesday.

Mr. Scott said the gin has been placed in first class condition by repairs made during the summer months. New cleaners and driers also have been installed.

Mr. and Mrs. Scott and their 11 year old son are now living in a house on the gin premises, and boy has enrolled in Loxbudie school. They come here from Hollis, Okla., where they have lived a long time; Mr. Scott had just finished a six year term on the Hollis City Council and was a member of the Rotary Club there. He has been in the gin business all his life. Mr. and Mrs. Scott are parents of Paul Scott, formerly Paymaster manager here, now carrier on Route 2 out of Muleshoe.

Liquor Violation Was Pretty Costly

Violation of the liquor laws was costly to Collie B. Willard, a colored man who was detained Monday morning by highway patrolmen. He was driving on the wrong side of the road causing the patrolmen to stop him.

In his car they found the following inventory of intoxicating beverages:

- 17 cases of beer,
- 24 one half pints of gin,
- 60 pints of wine
- 1 half gallon of wine,
- 49 one half pints of Old Crow whisky.

Possession of the liquor drew a fine of \$300 and costs. On top of that, the man was assessed a fine of \$20.50 for driving on the wrong side of the highway. Trial on the two charges was in county court, Judge Glen Williams presiding.

First Bale Here Ginned Monday

John Agee, farming north of Muleshoe over in Parmer County, brought in Muleshoe's first bale of cotton for the 1955 season. Paymaster Gin turned out the bale about 7 o'clock Monday afternoon.

Jimmy Crawford, manager of the gin, said Mr. Agee had 1850 pounds of lint cotton, and the bale weighed exactly 500 pounds.

He said Mr. Agee indicated two or three more bales were open in his field, but that he probably would not begin full scale pulling until his cotton matured better. Paymaster ginned the bale free, paid Mr. Agee 50¢ a pound for the bale and at the rate of \$42 for the seed.

Price of cotton seed was said to be "at the bottom", for the market price is quoted at the government support price, \$42 per ton.

Previously, Casey Gin at Maple had turned out the county's first bale, ginned last Wednesday and produced by A. H. Daricek.

Purdy Gin Gets 1st Bale Tuesday

Burford Scarbrough brought in the first bale for Purdy Gin, Tuesday afternoon, Sept. 20. Mr. Scarbrough farms 3 miles north of Muleshoe.

The bale weighed 610 pounds from 2200 pounds of lint cotton. The gin bought the bale at 50 cents per pound and ginned the bale free. John Purdy, of the gin company, said Mr. Scarbrough pulled over only three acres to get the bale and has several more open in his field.

Refugee Act Is In Effect Now

The United States Refugee Relief Act authorization was established to admit 214,000 displaced persons including 4,000 orphans into this country. This Act expires in December of 1956.

Currently only 43,000 refugees have obtained sponsors and been admitted to the United States, less than 500 have had sponsorship by Texans.

Gov. Allan Shivers has created a State Committee to further the sponsorship of refugees in Texas. John H. Winters, executive director of the State Department of Public Welfare, Austin, heads this committee. This committee will function in informing Texas citizens of the Refugee Act and its possibilities with the view of enlisting the interest of sponsors. Any local citizen of any community may make application to sponsor a refugee and his family. In making such application the sponsor must give assurance that the refugee will have employment and housing without displacing someone locally and that the refugee will not become a public charge.

This assurance is a moral rather than a legal responsibility. There are very few children for adoption, consequently, emphasis will be placed on sponsorship of adults and their family members. Judge Glenn Williams of Muleshoe, has accepted the appointment as representative for this program in Bailey County.

Anyone interested in this program should contact Blanche Dodson, Bailey County field worker of the State Department of Public Welfare at the Bailey county courthouse the third Monday of each month, or they can contact Judge Williams in his office any time.

Clovis AFB To Take Part In Pageant At Sudan

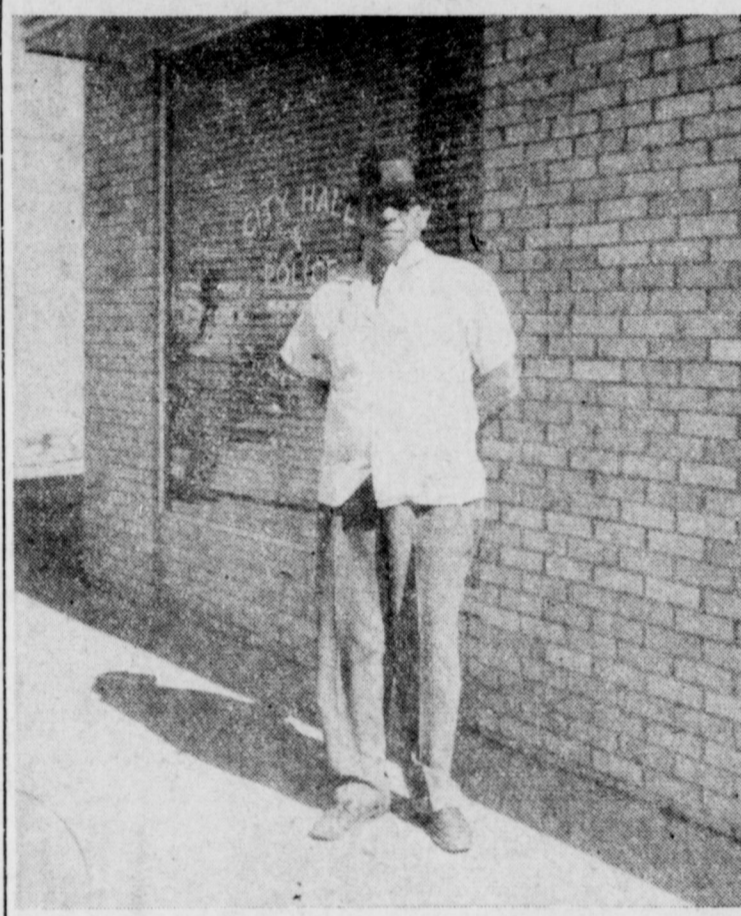

Clovis Air Force Base will participate in the United Nations for World Peace Pageant and Parade of Nations at Sudan Texas on Sept. 24.

Lt. Col Charles E. Pannell, Air Base Group Commander will be present at ceremonies representing the Wing Commander. A color guard will be provided to join in the parade and a training flight of F-86H's will probably deviate from course and make a pass over the parade route.

Hail Damages Cotton and Grain

Saturday Felt Hat Day In Muleshoe

MAYOR W. T. BOVELL is pictured here in a stylish new felt hat to kick off Felt Hat Day in Muleshoe, set for Saturday, Sept. 23. Anthony's furnished the hat, then presented it His Honor as a gift. Promoting the event were four Muleshoe department stores: St. Clair's, Anthony's, Cobb's, and Dunlap's.

A PROCLAMATION

WHEREAS the delightful, cool days of early autumn have arrived here in Muleshoe, causing summer straws to appear obsolete, outmoded, and out, and WHEREAS our Muleshoe clothing merchants have laid in a wondrous supply of stylish, smart looking hats for the further adornment of the male citizen, NOW THEREFORE I, as Mayor of the City of Muleshoe, by authority vested in me by law, do hereby order and proclaim Saturday, September 23, 1955, as FELT HAT DAY IN MULESHOE.

And I hereby call upon my fellow male citizens between the ages of 3 and 90 to throw away, abandon, and eschew all summer straw hats, and to don a new felt sombrero, which will be appropriate headwear on and after said date.

Done in my office in the City of Muleshoe, this the 21st day of September, A. D., 1955.

General Telephone Company is moving to provide circuit relief from Muleshoe to Littlefield, according to advice received by The Journal.

Duncan Heads Farm Loan Association

Gordon Duncan was reelected president of Western National Farm Loan Association, read, quartering in Muleshoe, at the annual stockholders' meeting, held September 10. Directors chose Mr. Duncan following the meeting of the stockholders.

H. E. Schuster was reelected vice-president, Noel Woodley, secretary and treasurer.

Previously stockholders had reelected Schuster to the board for a three year term, and had selected D. C. Stovall as a director for two years to fill out the unexpired term of Lee Sanders, who moved to New Mexico.

Jack Stallings Condition Critical

Condition of Jack Stallings remained critical this morning according to report from West Plains Hospital & Clinic, where he has been a patient since last Thursday night.

Mr. Stallings was found at his home with a bullet wound in the front part of his forehead. The bullet, a 22 caliber missile, ranged toward the top of the head and lodged toward the back of the head. He has not regained consciousness.

Hail and heavy rain devastated cotton and sorghum grain in several areas of the Muleshoe territory last night.

Apparently the worst hit section centered around Baileyboro, where losses as high as 90 per cent were estimated. The heavy rain prevented observers from entering some of the fields early this morning.

Buck Ragsdale, manager of Baileyboro Paymaster Gin, said rain in the immediate vicinity totaled as much as 4.3 inches. He said the Howard Ashley

farm, the Pat Barnett farm, and many others sustained terrific losses to both cotton and grain. On a farm which Ragsdale leases one half mile south of Baileyboro the damage was known to be very heavy.

Sideroads were impassable in places. Fields of Lonnie Arnold, east of Baileyboro sustained less damage. Ragsdale estimated the hail ended about two miles west of Baileyboro.

Meantime a section north and east of Muleshoe received a sheltering sometime later in the afternoon. Reports reaching here said G. D. Splawn, Dee Brown, and others of that neighborhood had severe damage, some reporting about 25 per cent.

The Vernon Jamison farm near Lariat was reported to have had severe damage, from the hail, which stripped leaves from the feed and pretty well stripped the cotton. Mrs. Troy Atkinson, residing near Progress, reported this loss, but said there was no hail at their place.

D. O. Burelsmith, about 10 miles west of town, reported no hail fell there, and only a sprinkle of rain fell. Boone Allison, elevator operator at Lariat, estimated hail damage to be 20 to 30 per cent in an area extending from about a mile west of Lariat to several miles east. State Line Farms, 3 miles south of Lariat, reported not even a sprinkle fell there.

The Jack Little farm received a light hail, and the Elton Guley farm had little hail, both these near Lariat.

Sears Foundation Show Held At Maple

The Bailey County Sears Foundation hog show was held at the Casey Gin in Maple, Texas Friday after school. Joe Jones, Co. Agent of Parmer County, made the official placings and Bailey Griffiths of Stegall won first. Freddie Carter of Maple took second, third prize went to Tom Byars of Enochs, Hamford Tunnell of Maple won fourth and fifth prize went to Lyndal Black of Muleshoe Jr. High 4-H.

Mike Pollard of Stegall fitted a top notch Poland China male for the program and his fine animal along with the top gilt shown by Bailey Griffith was carried to the district show at Texas Tech Saturday. The male won third and the gilt won fourth against some of the toughest competition ever to show up at the district show. Winnings by the two boys amounted to \$75.

Little Sets New Record With Atlas Sorgo Crop

Walter B. Little must have set some sort of new record in sorgo production with Atlas Sorgo. Bud Williams bought the crop by the ton and weighed each load across the scales before going into the trench silo.

Nothing was counted off for ditches or down rows and the yield average on 33 acres was 23.58 tons per acre.

COXS AND DYERS TO TOUR PACIFIC NW

Mr. and Mrs. Howard Cox and Mr. and Mrs. E. E. Dyer left today (Thursday) for a tour of the Pacific Northwest. They plan visiting the Grand Canyon in Arizona, the Bryce and Zion Canyons in Utah. They will then go to the State of Washington and return down the Pacific Coast.

Mr. and Mrs. Cox will attend a theatre owner's convention to be held in Los Angeles, Calif., Oct. 6-9. They will be treated to a free trip through "Disneyland" and a tour of one of the big movie production companies, in Hollywood.

ADD WATERMELONS TO CASH CROP LIST

23 ACRES OF MELONS: These pictures were taken in the 23-acre watermelon patch of A. R. Bounds, four miles east of Muleshoe on old ranch land, cultivated this year for the first time. The land is owned by Bill Millen. There are melons wherever you look. Mr. Bounds was loading them out at 1c to 1 1/4c a pound. That's D. C. Spivey at left, he's in charge. The editor shows that crooked grin because he figures Spivey will ask him and the photographer to take some home, which he did. Mr. Bounds has another field of 63 acres in watermelons east of this field, in Lamb County.

Meantime a section north and east of Muleshoe received a sheltering sometime later in the afternoon. Reports reaching here said G. D. Splawn, Dee Brown, and others of that neighborhood had severe damage, some reporting about 25 per cent.

The Vernon Jamison farm near Lariat was reported to have had severe damage, from the hail, which stripped leaves from the feed and pretty well stripped the cotton. Mrs. Troy Atkinson, residing near Progress, reported this loss, but said there was no hail at their place.

D. O. Burelsmith, about 10 miles west of town, reported no hail fell there, and only a sprinkle of rain fell. Boone Allison, elevator operator at Lariat, estimated hail damage to be 20 to 30 per cent in an area extending from about a mile west of Lariat to several miles east. State Line Farms, 3 miles south of Lariat, reported not even a sprinkle fell there.

The Jack Little farm received a light hail, and the Elton Guley farm had little hail, both these near Lariat.

Mules Tangle With Canyon Friday

Muleshoe's Mules will depart about noon tomorrow for Canyon, where they will tangle with Canyon's Eagles in a non-conference tilt. Coaches Mantooth and Taylor have continued their strenuous schedule of practice all week.

Meantime the band practices equally as hard, and they'll be on hand to encourage the Muleshoe lads Friday night.

A big pep rally will be staged at the high school Friday morning. The boys will eat their noon meal at the school cafeteria, then head into buses for the Canyon trip.

VISIT MRS. MURRAH

Mr. and Mrs. Wayne Stark and son, of Lubbock, spent the weekend here with her mother, Mrs. Eva Murrah and sister, Jerene.

TO COLLEGE

Wanda Joyce Clements left this week for Abilene, where she is to enter A. C. C., as a freshman. She is the daughter of Mr. and Mrs. D. Clements.

WCS Observes 5th Anniversary

Mrs. Morris Childers was hostess to members of the W. S. C. S. of the First Methodist Church, Monday of this week, when the fifteenth anniversary of the class was observed.

The serving table was centered with a lovely Hawaiian flower, an anthurum, and the birthday cake.

Mrs. F. B. Pierson, leader, presented a very interesting and enjoyable program. The group sang "We Gather Together", and a devotional was given by Mrs. W. J. Moore, who took Scripture from I Cor. 3:6-9.

Grace Morris read minutes of the first meeting, September, 1940. An interesting talk on work of the organization was given by Mrs. H. C. Holt.

Representing the Wesleyan Guild, Mrs. T. R. Stimmmons gave an interesting talk concerning that organization's work. Mrs. J. Adams, represented the Philathea Circle, which was organized in 1952, by Mrs. Lucy Lankes.

Other speakers included Mmes. Grace Morris, A. C. Gaede, Melba Davis, F. B. Pierson, and H. Jay Meyer.

Following the close of business session, delicious refreshments of iced tea and cake were served by Mmes. I. W. Haney, Earl Lowell, Buford Butts, Arnold

Morris, J. J. Gross, J. K. Adams, Lonny Bass, L. M. Fowler, C. W. West, S. C. Benvers, T. R. Stimmmons, A. C. Gaede, H. C. Holt, W. D. Moore, F. B. Pierson, Beulah Carles; Ray Edwards, Margaret Collins, F. W. Watts, Melba Davis, David Weyer, R. O. Gregory, C. R. Farrell, Fred Johnson, Lois Schoenberger, I. F. Gleaners Install Officers For Year

Gleaners Sunday School class of the First Baptist Church met last Tuesday evening in the dining hall of the church for installation of officers.

Theme of the installation was "Service Of The Cross". New officers were presented with a white cross by the past president, Wanda Mae Moses, installing officer.

Ginger Wallace was installed as president. Other officers will be: Jeri Nell Totten, vice-president; Frances Glass, secretary; Joy Finley, assistant secretary; Joan Collum, treasurer; and Wannine Lorraine, reporter.

Group leaders are Joy Avery, Aliene Harvey, Barbara Marlow, Mary Moore and Dorothy Turner. Refreshments were served following installation.

Those present were: Mmes. Panzie Kirk, Mary Moore, Wanda Mae Moses, Jeri Nell Totten, Ginger Wallace, Frances Glass, Ruth Douglass, Barbara Marlow, Betty Bratcher, Pat King, Dorothy Turner, Aliene Moore, Aliene Harvey, Wannine Lorraine, Mary B. Obenhaus, and Mildred Howell.

TEL Installed New Officers

T. E. L. Class of the First Baptist Church held their installation service at the home of Mrs. A. C. Bray, on September 20.

Mrs. Bray gave the opening prayer and was in charge of the installation service. She took her devotional from Hebrews 4-6, and Matthew 1:6-24.

Members of the class sang, "Must Jesus Bear The Cross Alone." All officers were present. Following the close of services, the group sang, "Where He Leads Me I Will Follow," and Mrs. E. E. Dyer closed the meeting with a prayer.

Mrs. Claudia Hinkle and Mrs. Horace Blackburn were visitors.

Rainbow Girls Attended Dimmitt Friendship Night

A number of Rainbow Girls from here, their Mother Advisor, and several other adult leaders attended the Friendship Night at Dimmitt Tuesday evening.

The Dimmitt Assembly presented a lovely program, and later served a delicious salad supper.

Attending from here were: Carolyn Hinkson, Carolyn Scott, Dolores Wagon, Kay Brown, Darla Johnson, Sandra Welch, Nell Moore, Mary Janice Puckett, Quineil Elliott, Pat Thomson, Nelda Redwine, Judy Kay Lambert, and Marie Houston.

Also, Mrs. Frank Hinkson, Mother Advisor and Mr. and Mrs. Willie Strong, Mmes. Murrell Brown, John Thomson and Johnny Johnson.

Missionary From Nigeria Speaks At Installation

W. M. U. of the First Baptist Church and the Mission Baptist Church, met for installation service last evening at the church.

Miss Marjorie Stephens, a missionary from Nigeria, was the guest of honor, and spoke on her work. She also served as installing officer.

A cross of ribbon, on which was an emblem showing the relation of each office to the organization, was pinned on each officer as they were installed.

Decorations were carried out in blue and white, W. M. U.

AGREES WOTJ SYNGMAN RHEE Reunited Korea Seen As A Must By Rev. Jones After "Friendship" Trip

A grass root report on his trip with the "Texas Friendship For Korea" was made Tuesday by Rev. Carrol Jones, pastor of Progress Methodist Church, area director for Christian Rural Overseas Program, which sponsored the gifts for the Korean people.

A conclusion he reached during his stay in Korea is that President Syngman Rhee of the South Korea Republic that exists without union with North Korea is practically impossible.

"Either we continue to support South Korea with our goods and food, reunite North and South Korea, or build up South Korea industries and resources, especially to provide fuel and power," Rev. Jones said.

The third alternative, he believes, is most difficult. The country is now importing coal from Pennsylvania for heating and cooking; all coal deposits are in the north. Likewise, all electric production is in the north part of Korea.

Timber is in short supply, although a reforestation program seems to be succeeding nicely, but it will be years before the mountainsides are reforested.

"Texas Friendship for Korea" left Houston June 21, with a cargo estimated to equal in value \$300,000 to \$2 million. They had all sorts of tools, vehicles, a team of mules and a trailer given by Muleshoe area folks, a trailer given by Methodists of Plainview

Hobo Day To Be September 24

Everyone who would like for the F. H. A. girls to do work for them Saturday, September 24, please call 6700 or 2360 to make plans for the girls to help you.

They will baby sit, wash dishes, clean windows, clean rooms, wash cars, mow lawns, clean yards, do baking, sweep business houses, wash business house windows. Fifty cents will be charged for all services.

All F. H. A. members are to meet at the high school building at 9 a. m., Saturday morning.

At the close of the service, a fellowship hour was enjoyed, with a globe of the world, surrounded by blue and white asters entwined with angel hair. A silver tea service completed table arrangements.

Mrs. Ed Hicks and Mrs. Arch Fowler poured tea and coffee, with which cookies were served. The committee arranging the fellowship hour consisted of Mrs. L. T. Green, who was chairman; and Mmes. Sherman Sweetmon, J. B. Roberts, Gib Howell and Lee Pool.

Reunited Korea Seen As A Must By Rev. Jones After "Friendship" Trip

many stockers heifers and bulls, stocker swine, sheep, etc., some 1,000 animals in all. Rev. Jones was one of those who gave the animals their feed at night, fixed things up in the morning. His telling of his experience aboard ship with the animals seemed to amuse his listeners.

At Pusan, Korea, where part of the cargo was unloaded, a band was out and the strains of the "Eyes of Texas" brought tears to the "Texas cowboys'."

At Incheon they were graciously received. Rev. Jones and party were guests of President and Mrs. Rhee, and Rev. Jones obtained his promise to visit Muleshoe on his next trip to the U. S. The President is a staunch Christian; and indeed Korea is one of the most Christian of coun-

tries.

American officials who greeted them praised the Texas gesture, and said the gifts and visit had done a big job of cementing good relations between the American and Korean peoples.

Destitute conditions and filthy surroundings, in which the poor folks, or "rabble" live are almost unbelievable. One has to hold his nose when going about; yet health of the people is wonderful; and their teeth, for instance are much better than average Americans, although they hardly know what milk, the great health food, is. Milk consumption in the nation averages one half cup per year.

Rev. Jones praised the GIs in Korea, who have performed great acts of love and kindness toward the people, especially the younger ones, and the GI is highly regarded there.

Rev. Jones made a film of his trip, which will be shown here soon.

Eddie Lane had charge of the program. In the absence of the president and vice-president at a regional Rotary meeting, Clyde Holt, secretary presided. Four other Rotary Clubs were represented with one visitor each. Lee Pool was a local visitor, with two insurance men, guests of Myron Pool.

LAZBUDDIE LICKS PETTIT By TRAVIS PETERSON At Longhorn Field Sept. 16, the Lazbuddie Longhorns won their first home game of the season with flying colors. The score at the end of the game stood 89-6. The game started with Lazbuddie kicking to Pettit, but quickly regained the ball. A few action filled moments later, fullback Leon Smith carried the pigskin over for the first score. Smith made the extra point and another touchdown following one made by Jimmy Oliver. Oliver rapidly made his second score with Glen Watkins making the extra point. In the second quarter Jimmy Oliver scored twice and Johnny Gammon scoring twice. In this period, number 23, of the hard fighting Tigers scored a touchdown by running over half-way down the field. At the half the score was 55-6.

In the third quarter Jimmy Oliver scored again for Lazbuddie. In the fourth and final quarter Lazbuddie scored 4 more touchdowns, one each by Oliver, Watkins, Smith and Daniels. Extra points made by Watkins and Gammon. Probably the closest game of the season will be Friday, Sept. 23, when Lazbuddie meets her rival, Bula, at Bula.

The Lazbuddie Junior High football team played its first game of the season, Thursday, Sept. 15, against Farwell. The score was 14-0, Lazbuddie's victory. The first quarter was the most interesting with Joe Don Beavers making the first touchdown of the game. The second score was made in the fourth period by quarterback Derrell Jennings. The Pep Squad for the Junior team is made up of 7th and 8th

grade girls. Cheerleaders, Maude Barnes, Alice Gordon, Glenda Robertson; Majorettes, Judy Brown and Beverly Smith; Drum Major, Oma Lee Porter. Mascots, Christi Ivy and Terry Scott. Miss Joyce Hargrove and R. Charles Albright, Jr., were married on Friday, Sept. 9, at 7:30 p. m., in the Lazbuddie Baptist Church parsonage. The Rev. C. K. Roberts read the ceremony. Miss Earline Peterson and Sam Hunter were attendants. The bride wore a white embroidered cotton dress with matching accessories. The bride is a former student of Lazbuddie High School. The groom attended Texas Tech. Following the ceremony the couple left for a trip to points of interest in New Mexico. They will make their home in Lubbock, where Mr. Albright is employed as an electrical engineer for Southwestern Public Service.

Guests for the wedding were: Mrs. C. K. Roberts, Sam Hunter, Mr. and Mrs. Wilson Clemmons, and children, Mrs. J. D. Hargrove, mother of the bride, Mrs. Marshall L. Edwards and Linda Hargrove, the bride's sister and her brother, Bill Hargrove. Mr. and Mrs. D. W. Cargile are vacationing in California. Mr. and Mrs. Luther Ham visited friends and relatives in Midland, Odessa and Elida, N. M., on Wednesday and Thursday. Mr. and Mrs. S. J. Bozeman of Amherst, visited in the Bert Gordon home Friday. Mr. and Mrs. John Agee took his mother, Mrs. Rosie Agee, to Dallas Wednesday for a medical check-up. Mr. and Mrs. J. W. Crim visited Mr. and Mrs. Max Crim of Amarillo Sunday and Monday. They attended the opening day of the Tri-State Fair.

Mrs. Juel Treider, Larry Treider and Duella Lawrence were in Lubbock Monday to see a bone specialist. Larry hurt his thumb playing football. Mr. and Mrs. Frank Spitzer returned Friday from a short trip to the mountains of Colorado. Guests in the Weldon Slayton home over the weekend were his mother, Mrs. Celia Bell Slayton

and an uncle, Mr. Alvin True of Edmondson, Texas. Mrs. Archie Tarter returned home Sunday from the hospital in Friona. She had undergone surgery the first of the week. The Lazbuddie W. M. U. met Friday at the church for the week of prayer program for State Missions and Christian Education. At noon the ladies enjoyed a covered dish luncheon.

Mrs. Juel Treider was in charge of the program. Members present were: Mmes. Jimmy Ivy, Juel Treider, W. S. Menefee, C. K. Roberts, Bert Gordon, Raymond Houston, F. W. Greene, Luther Ham, J. L. Withrow, and Claud Heath. Miss Geline Carrell of Lubbock visited Sunday in the home of her parents, Mr. and Mrs. Thomas Carrell.

HERE FROM ARIZONA Guests from Phoenix, Ariz., visiting in the O. D. Troutman home are her mother, Mrs. Mary Ellen Bonner, and her brother, A. O. Bonner. Another guest in the Troutman home is Mrs. Lula Anders, of Van, Texas. THE JOURNAL is stocking the well known line of Carter's carbons, bond typewriters and adding machine ribbons. Call 7220.

Bula Homecoming Set For Oct. 1

A day cram-full of activities planned by the Bula Schools, for their homecoming day, which is to be October 1.

Students will register in the high school gym, at 2:00, and at 2:30, the oldest graduate and the ex has traveled the farthest will be given recognition. Members of the faculty will then be elected.

At 3:30, the exes will elect assistant officers in the gym. The election will be followed by a party, which will be presented by the Muleshoe High School.

A delicious "Underwood's" Barbecue will be served in the gymnasium, at 5:30, at \$1.00 per plate.

At 8:00 the Bula Bulldogs and the Three Way Eagles will clash on Bulldog Field, in a game which promises to be fast and close. At half-time, the Homecoming Queen will be crowned, and the Muleshoe High School will furnish the music.

The climax of the day, the exes will be served coffee and cake in the lunchroom.

Following is the Bulldog's schedule for the year:

Sept. 9, Roaring Springs, here.
Sept. 16, Southland, there.
Sept. 23, Lazbuddie, here.
Oct. 1, Three Way, here.
Oct. 7, Open date.
Oct. 14, Smyer, there.
Oct. 21, Cotton Center, here.
Oct. 28, Pettit, there.
Nov. 4, Wellman, here.
Nov. 11, Spade, there.

Junior Boys 11 Defeat Lazbuddie

The Junior High School boys are going to have a pretty good team this year from the looks of things. About 44 boys are out, so the coaches should have some pretty good material to choose their team from.

This year all the boys have new suits to use and are proud that they do have them. No game schedule has been made for sure but they will have a schedule.

The results of Tuesday evening's game between the junior Mules and Lazbuddie were: Muleshoe 19, Lazbuddie 6.

Sudan Clouts Muleshoe 39-0

The Sudan Hornets stung the Muleshoe Mules of class 2-A, in a traditional rivalry game Friday night, before an overflow crowd of 3,000 at Sudan.

The Hornets capitalized on a bad case of Muleshoe jitters when they were able to intercept three of four Mule passes, one of which was carried for a Sudan touchdown. A total of 115 yards in penalties against Muleshoe was the second big cause of their defeat.

Sudan quarterback Jim Bassuc started the scoring early in the first quarter when he climaxed a long drive by an end sweep for 10 yards and a touchdown. A quarterback keeper play failed to add the extra point.

The Hornet crew struck again in the second quarter when fullback Dick Hanna bulldozed over from the one yard line into paydirt. Bassuc ran the point after touchdown successfully and the half ended with the score 13-0.

In the third period, fullback Hanna, aided by good blocking, broke loose on a 28-yard touchdown jaunt on a play off tackle. Bassuc again ran over the extra point.

A few plays later, Muleshoe quarterback Eddie Wilt's pass was intercepted by Hanna who ran 42 yards for the touchdown. Bassuc handed off to Hanna to add the extra point.

Scores by quarters:
Sudan 6 7 14 12-39
Muleshoe 0 0 0 0-0

Tomorrow night the Mules will journey to Canyon for a non-conference game with the Canyon Eagles. The team really wants some backing, so let's all go to the game tomorrow night and give them some support.

Masons Return From Wash., D. C.

Mr. and Mrs. Ralieggh Mason returned home last Wednesday from Washington, D. C., where they had been for two weeks attending a Merle Norman Cosmetics Convention.

They left Amarillo August 3, at 4:30 a. m., via TWA Airlines, and arrived in Washington, at 2:00 p. m. They reported the weather was lovely and the flight very enjoyable.

Between four hundred and five hundred delegates attended the well-planned convention. Mrs. Mason said each day was filled with activities. Two tours of the city were included in these plans. The Chamber of Commerce of the city welcomed the group in a special address at the style show which was presented by the Washington party.

Hospitality hours were held three evenings through the week. Two of the famous featured speakers were Glenn Drake and Dr. McFarland.

Mr. and Mrs. Mason, along with eight other couples received a special invitation to attend a formal dinner party at the home of J. B. Nethercutt, who is General Sales Manager of the Merle Norman Cosmetics Plant. The main course of the dinner, which the Masons found very enjoyable was fresh lobster, which Mr. Nethercutt had flown up from Maine for the special occasion.

One of the chief chemists at the Merle Norman Plant, John Cogle, also entertained the Masons and five other couples with a dinner party at his home. Mr. and Mrs. Mason received their second pin, which they will keep until they have been in business five years.

Mrs. Mason invited everyone to come by her studio and see the new items, which are being offered for the first time this year.

CARD OF THANKS

We wish to take this opportunity to thank our friends for the lovely floral offerings, the cards, the prayers and other kindness shown during the illness and at the passing of our loved one.

It humbles our hearts to have such kind and thoughtful friends.

May the Lord bless you, is our prayer.

DKG Society Met At Plainview

Delta Kappa Gamma Society met last Saturday, September 17, for a committee workshop in the high school library at Plainview.

Mrs. Eloise McDougal, chapter president, was in charge at the meeting. Members attending from Muleshoe were Meses Wilson Witherspoon, John Watson, Jack Obenhaus, Jerry Kirk and Ed Johnson.

The Delta Kappa Gamma Society is a national organization for women teachers. Its purposes are: To unite women educators of the world in a genuine spiritual fellowship; to honor women who have given distinctive service in any field of education; to protect the professional interests of women in education and eliminate unjust discrimination;

To sponsor and support desirable educational legislation and initiate legislation in the interest of women educators; to endow scholarships to aid outstanding women teachers in pursuing graduate study; to initiate and develop a continuous program of teachers welfare designed to improve the economic, social and political status of women, and to inform the membership of current economic, social, political and educational issues to the end that they may become intelligent functioning members of a world society.

TCT Is Growing Organization In State Of Texas

Muleshoe Classroom Teachers Association installed new officers when they met in the Junior High School Building, at 4:00 p. m. September 19.

Lois Witherspoon was elected president for the 1955-56 term, with Jessie Stovall, vice president; Ruth Page, treasurer; Beatrice Blackburn, corresponding secretary; Effie Childress, recording secretary; and Inez Middlebrook, parliamentarian.

Mrs. Witherspoon and Mrs. Ed Johnson are to attend the Texas Classroom Teachers Association conference, in Mineral Wells, September 23 and 24.

The TCTA is a growing organization in the state, and the teachers in the Muleshoe schools showed their interest, by the large attendance at this meeting.

There was an excellent representation of new teachers. Plans are being made for a busy and successful year in the local organization.

Lubbock Fair Boosters Visit

Radio and television stars accompanied a group of Lubbock businessmen to Muleshoe to greet local residents and to extend an invitation to attend the Panhandle South Plains Fair Sept. 25 through Oct. 1.

The delegation arrived at 11:20 a. m., loaded with free souvenir balloons and pencils for the children and free copies of the "Fair News", a Fair Association publication which gives the color and highlights of the 1955 Fair. The main attraction this year is the South Plains first ice show, "Holiday on Ice", which will be staged at the Fair Coliseum Sept. 25-30. A cast of 125 expert skaters lavishly costumed, will perform. Stars are Jinx Clark and Bobby Blake along with Olympic skating star Sonja Kaye.

The businessmen also told of the nearly doubled livestock premiums, the new swine and cattle barns, the newly-paved midway, and the performance of the singing cowboy, Tex Ritter, who will entertain Fair audiences Saturday, Oct. 1.

While here, Lubbock businessmen presented free Fair tickets to the superintendent of schools for all local children, since the Fair Association has designated Monday, Sept. 26 as "Area School Day". The businessmen also visited their associates in Muleshoe to become better acquainted.

They proceeded to Farwell, Clovis and Portales.

Sam Rayburn To Speak At Sudan Fall Festival

SPEAKER RAYBURN

SUDAN (Special)—Thousands of visitors, many of whom will come from long distances, will converge on the city of Sudan, Friday and Saturday to witness one of the most unusual celebrations in the nation.

The progressive people of this small community will unfold in

Bailey County Included In Eligible List For Agriculture Drouth Loans

pageant-style their fourth consecutive festival featuring "United Nations and World Peace", which has gained world-wide publicity for the City of Sudan.

Hon. Sam Rayburn, speaker of the House of Representative in Washington, D. C., will be the principal speaker for the occasion and will be heard in the City Park at 9:00 p. m.

The Festival, which is under the sponsorship of all civic, social and religious organizations in Sudan was started in 1952 with the present theme.

There has been added several attractions to this year's festival such as Dog Show, Fair, Children parade and many, many others.

One of the highlights of the celebration is the big international parade which will get underway at 4:00 p. m. The parade will include bands, dozens of local citizens dressed in the attire of the countries they represent and many, many floats.

CORDERS VISITED IN BULA COMMUNITY

Mr. and Mrs. W. K. Corder and children, of Newberg, Ore., stopped over in the Bula and Enoch communities last week to visit friends. They were on their way to Tipton, Okla., to attend a reunion of Mrs. Corder's people.

They visited in the homes of Mr. and Mrs. Jim Claunch, Mr. and Mrs. Joe Spech, and Mr. and Mrs. Nolan Harlan, Mrs. Harlan and Vern Weaver.

Fifty-seven Texas counties, hard hit by drouth and wind erosion for several years, were made eligible Friday to receive agricultural loans under an expanded credit program of the Farmers Home Administration.

Secretary of Agriculture Ezra Benson said credit extended under this program may be used to pay the cost of developing and carrying on the type of farming best suited to the distress area.

The area designated by Benson—145 counties in six Great Plains states—previously has been eligible for these loans under the regular emergency loan program.

WHIPPLE TO NEW BASE AFTER LEAVE

Lt. and Mrs. John Dee Whipple are visiting relatives in Muleshoe and Hobbs, N. M., while he is on leave. He has been stationed at Glendale, Ariz., but at completion of his leave, October 15, will be stationed at a base in Louisiana.

SUPPER GUESTS

Supper guests Sunday evening in the home of Mr. and Mrs. L. D. Cannon were her brother and sister-in-law, Mr. and Mrs. Gibbie Trigg, of Friona; Dave St. Clair, of Van Horn, and Mr. and Mrs. A. E. Scarbrough.

The designations now in effect however, expire Dec. 31 and today's action merely extends the designations indefinitely.

Texas counties include Andrews, Armstrong, Bailey, Borden, Briscoe, Carson, Castro, Childress, Cochran, Collingsworth, Cottle, Crosby, Dallam, Dawson, Deaf Smith, Dickens, Donley, Fisher, Floyd, Gaines, Garza, Gray, Hale, Hall, Hansford, Hardeman, Hartley, Hemphill, Hockley, Howard, Hutchinson, Kent, King, Lamb, Lipscomb, Lubbock, Lynn, Martin, Mitchell, Moore, Motley, Nolan, Ochiltree, Oldham, Farmer, Potter, Randall, Roberts, Runnels, Scurry, Sherman, Stonewall, Swisher, Taylor, Terry, Wheeler, and Yoakum.

Loans under the program are made for the re-seeding and establishment of grasslands and other approved construction and land use practices.

Social Security Representative To Be Here 28th

The Social Security representative will be in Muleshoe at the Post Office at 9:30 a. m., on Sept. 28 and will be glad to assist in all matters pertaining to social security.

It was 20 years ago, on August 14, 1935, that the Social Security Act became law. John G. Hutton, district manager of the Lubbock social security office reminded people in this area today.

Generally, when people refer to social security, they are talking about the Old Age and Survivors Insurance program under the Social Security Act, he said in commemorating the 20th Anniversary of the signing of this law. Mr. Hutton indicated that almost 8 million persons are now receiving over 400 million dollars every month in benefits under the program. Over 70 million people are now insured under the law so that in the event of retirement or death, they or their families will be eligible for benefits.

The average retired worker is now receiving about \$60 a month. However, the average for those who have retired in the past few years is \$80 a month and their wives' benefits average \$11 a month. Moreover, Mr. Hutton stated that an important part of the old-age and survivors insurance program is the protection given to widows and children in the event of the worker's death. Today, the average benefit for a young widow with two minor children is \$185 a month. Total family benefits can be as much as \$20 a month. In addition, lump-sum death payments range from \$90 to \$250.

Looking ahead twenty years to 1975, Mr. Hutton predicted that by then 93 million Americans will be insured under the program.

DR. BIRDSONG ATTENDS TWO MEDICAL MEETINGS

A more massive appearance, brought about by a new grille treatment and lowered height, is combined with a more powerful engine in the Mercury for 1956. A sweep side moulding adds to the graceful flowing lines, and accentuates the low, road-hugging characteristics of the car. Powered by a big new 312-cubic inch displacement Safety-Surge V-8 engine, the 1956 Mercury has superior acceleration and passing ability. New safety features including an improved door latch, an impact-absorbing steering wheel and safety belts are offered. Shown here is a Custom four-door sedan.

Fidelis Class Installed New Officers Tuesday

Members of the Fidelis Class of the First Baptist Church met Tuesday, September 13, at the home of Mrs. Sherman Sweetman. Hostess for the monthly business meeting and installation of new officers for the coming year, was Mrs. E. K. Shepherd.

Mrs. Clifford Green, president, had charge of the business meeting, during which Mrs. A. P. Lambert brought an inspiring devotional. Mrs. John Watson was installing officer.

The following officers were installed, President, Mrs. Sherman Sweetman; vice-president, Mrs.

D. L. Morrison; secretary and treasurer, Mrs. W. E. English; leader of group I, Mrs. Clifford Green; group II, Mrs. Ernest McNatt; group III, Mrs. Clyde Henry.

Mrs. D. L. Morrison and Mrs. Ernest McNatt were absent and taking their places were Mmes. T. R. White and L. T. Green, Jr.

A gift was presented to Mrs. John Watson, and to the outgoing president, Mrs. Clifford Green.

Delicious refreshments of orange date cake, golden punch and nuts were served from a beautifully appointed table decorated in the fall motif, to Mmes. Byron Griffiths, John Watson, Biddy Hicks, A. P. Lambert, Doyle Turner, Roy Brashear, Lee Pool, Clyde Henry, T. R. White, L. T. Green, Jr., Howard Cox, Edie Lane, Ed Hicks, Clifford Green, W. E. English, and Sherman Sweetman, by the hostess, Mrs. Shepherd.

Jones Speaks To Philathea Circle

Rev. Carroll Jones, pastor of the Progress Methodist Church, was guest speaker for the Philathea Circle last Friday. Rev. Jones gave a very interesting talk on his recent trip to Korea, with the Texas Friendship for Korea group. He showed a number of souvenirs he purchased while there.

As the ladies of the circle have recently completed a study of Korea, Rev. Jones talk was greatly enjoyed.

Mrs. Ida Mae Shofner, hostess, served refreshments at the close of the meeting.

Three visitors were in attendance. They were: Mmes. Sam McKinstry, Anna Lucy McAdams, and Carroll Jones.

Members present were: Jean Allison, Sammie Allison, Mary Andreas, Betty Murray, Theresa Edwards, Charlene Bickel, Betty Cowan, and Margaret Adams.

Pleasant Valley To Have Booth At Lamb County Fair

Mrs. F. A. Andreas, president, was in charge of the regular Pleasant Valley Community meeting last Tuesday evening at the club house.

During the business session, it was decided to raise a fund to replace road signs in the community. Forest Green, John West and John Inman, are to be in charge of the booth at the Lamb County Fair, at Littlefield.

Kirk Pitts, Harry Engelking and Harold Allison are to gather articles for the booth. Anyone having anything to enter in the fair booth, are asked to take their articles to the Harold Allison home not later than 12:00 noon, Thursday, September 22.

It was also voted to have a 42 tournament in the near future.

Following the business hour, Mr. Turner took charge of the meeting, and showed slides of the farm tour in the community. Cold drinks and cookies were served to those attending.

The next meeting is to be held September 27.

Muleshoe Golfers Win At SPLGA

Six ladies of the Muleshoe Golf Club participated in the South Plains Ladies Golf Association meeting at Brownfield last week.

Billy Ellis To Serve On Student Council At Tech

Billy Ellis, 1955 graduate of Muleshoe High School, was elected last week to the Freshman Council at Texas Tech.

Bill was one of the more than 2,000 "fish" who completed a week of orientation and registration at Tech last week, and was one of thirty-three elected to represent the huge class on the Student Council.

Each of the boys and girls, plus the group of students living off the campus is entitled to one representative for approximately fifty students. Billy registered too late to get a dormitory room, and is therefore included in the off-campus group. This off-campus group includes all Lubbock students at Tech, which makes Bill's

and three of them came home winners.

Making the trip were Mmes. Ruby Hart, Mary Frances Holt, Ruth Malone, Eunice Evans, Lois Lenau and Melzine Elliott.

Ruth Malone won consolation in the third flight, Eunice Evans, consolation in the second flight, and Lois Lenau, consolation in the fourth flight.

The meeting began on Monday and ended on Wednesday. On Monday evening, the ladies were entertained with a barbecued steak supper at the home of Mr. and Mrs. Williamson, former Muleshoe residents.

Tuesday evening, which was courtesy night, the ladies were joined by their husbands.

election over home-town students, even more of an honor.

Bill will not be lacking in experience, having served on the Muleshoe High School Student Council three years, two of which he served as president. During his senior year, he held the office of president of the vast South Plains Association of Student Councils.

Teams of Specialists Determine Needs of Kenny Polio Patients

Minneapolis, Minn. — Because no single individual can cope with all the problems posed by a severe case of poliomyelitis, the Sister Elizabeth Kenny Foundation employs all the knowledge, ingenuity and skills that modern science can provide to meet the rehabilitation needs of patients hospitalized at its Kenny treatment centers across the country. Doctors and Kenny Therapists play the major role in rehabilitation. Other highly-specialized personnel, ranging from laboratory technicians who can measure the exact quantity of oxygen in an iron lung patient's blood to order gadgets that can be substituted for missing muscles, frequently are pressed into service. As soon as the initial stages of the patient's treatment are completed, he is placed under the care of an Occupational Therapist who seeks to build up his strength by giving him various projects to perform with the affected muscles. Kenny Therapists and Occupational Therapists are directed by doctors who specialize in physical medicine and rehabilitation. As the patient progresses, social workers and job-placement experts work with him, his family and his employer to effect a successful adjustment and to help locate employment within the limits of his ability. For example, at Elizabeth Kenny Institute in Minneapolis, headquarters for Kenny work throughout the country, a team of specially-trained people has worked together for a number of years and has treated nearly 10,000 cases of polio. It has become a smooth-functioning unit and is capable of effecting total rehabilitation of patients with a variety of partially-curable diseases. The Kenny Foundation has broadened the scope of its services by incorporating the application of effective techniques and rehabilitation of patients with various neuro-muscular diseases.

Safety Devices On New Autos May Give Motorists False Sense Of Security

The Highway Safety Council of Texas said today that improved safety devices on 1956 model automobiles may lure motorists into a "false sense of security on the highway".

In a report to members of the Council, Executive Director G. C. Morris pointed out that "the rising public demand for safer highway driving has caused automobile manufacturers to concentrate more safety engineering attention on 1956 models than at any previous time in the past 20 years".

"This attention to safety in automobile design and special accessories is universally welcomed by safety officials," he said, "but there is a fear that drivers may react with a false sense of security on the highways."

"Gadgets may help reduce the seriousness of injuries in automobile accidents, but owners should not assume that safety belt reduces the necessity for maintaining each automobile in top operating condition. A collapsible steering wheel has long been needed in automobiles, but we still need to concentrate far more attention on the operation of the steering mechanism itself."

Morris added that "it is encouraging to see Detroit focusing attention on the fact that mechanical features of an automobile play an important role in automotive safety. Drivers deserve all the blame they've received for accidents, but automobiles deserve more blame than they have received for the high rate of traffic accidents and fatalities. The belated attention to mechanical safety helps place our safety problems in perspective at last."

SAND HILLS PHILOSOPHER FAVORS—

High Farm Prices, But What He Prefers Is A Guaranteed Profit

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses the farm problems this week, leaving it as unsolved as it ever was.

Everybody is talking about the farm problems these days, the Republicans are saying it's not nearly as bad as it sounds and anyway they're going to do something about it right away, and the Democrats are saying they can do something about it better and are going to get the problem solved but not before they get a chance to do it, and the farmer, he's in favor of the problem being solved, but it looks like whoever solves it, the solution is gonna come a little late to do any good this year.

I have been giving this problem some study lately and it seems to me all the experts and brains are working on the wrong type of solution. That is, they're all trying to figure out how to increase the price of farm products without bankrupting the government, although I think that is putting an undue burden on the backs of the farmers, as I believe the govern-

ment, if it tried hard enough, could go bankrupt without guaranteeing the farmer a cent.

But the point I'm making is that the experts seem to believe if farm products high enough, the farm problem would be solved.

This may be true of most farmers, but not me. It's nice to get a guaranteed price for a bale of cotton or a barrel of rice or a bushel of wheat, but that still leaves somebody going up one row and down another. What I'd rather have is a guaranteed annual profit.

Now I'm not saying that the production of food is as important as the production of cars, for example, but if the automobile workers are going to get a guaranteed annual wage, I'd like to see that system carried over into farming too. There are just as many layoffs in farming as there is in manufacturing.

If the political experts will tackle the farm problem from that angle, I'm not sure they can come up with a solution, but I'll sure make better reading.

Yours faithfully,
J. A.

Dinner guests of Mr. and Mrs. J. W. Fowinkle Monday were Mrs. Laura Buster, of Clovis, N. M., and Mr. and Mrs. W. B. McAdams.

CHRISTIAN SCIENCE SERVICES

How righteous thoughts and actions lead to lasting health and happiness will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Reality".

Scriptural selections to be read include Paul's advice to the Philippians (4:8): "Finally, brethren, whatever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things".

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (261:4): "Hold thought steadfastly to the enduring, the good, and the true, and you will bring these into your experience proportionately to their occupancy of your thoughts".

"The Golden Text is from Jeremiah (51:10): "The Lord hath brought forth our righteousness; come, and let us declare in Zion the work of the Lord our God".

Meditation Today

Faith—Christ's Answer To Doubt and Fear
Read Ephesians 6:10-16. Stand therefore... above all, taking the shield of faith. (Ephesians 6:14-16.)

When our team reached third place in the hockey league, we realized that this was something noteworthy. All of us were thanking God because we knew He had given us that special strength and courage we had prayed for before each match. Yet we were disappointed with ourselves; we had wanted so much to reach the top. Our motto was: Play your best, and leave the rest to God.

In our lives we need to do our best, whether in work, school, or play. To reach the heights of success we need sufficient faith in God. If we work to the best of our ability, God will take over when we cannot go any further. To be a true Christian requires hard work, whether or not we

ever achieve our highest ambitions. Failures and disappointments are expected, but we can put our trust in God. We can rely upon His help and strength. Unfaltering faith and willingness to work help us to overcome trials and tribulations.

PRAYER

Our Father, we thank Thee that Thy presence is always with us to give us faith and courage when we need it. May we work to the best of our ability and put our trust in Thee. When we are faced with heavy burdens, give us broader shoulders of courage and faith to carry our burdens. In His name. Amen.

THOUGHT FOR THE DAY
Faith in Christ lifts the Christian above fear.
Lesley E. Ling (Burma)

Senator Johnson Reports

Dear Editor:
Since I've been on my ranch, working at this job of getting completely well I have been doing a lot of reading and a lot of thinking about the farm situation. I regret to say that nothing I have learned has made me feel good about the outlook for the average farmer.

ANOTHER PRICE DROP: In its August price survey, the Department of Agriculture reported a drop of 2 per cent in prices received by farmers for the things they raise. This continues the trend that has been under way for three years.

Farm prices, as reported for August, are 6 per cent below prices a year ago. They are 12.5 per cent below prices on January 1, 1953.

FARMER'S SHARE LESS: It is bad enough that farm income continues to drop. It is even worse that the farmer's relative share of the national income is declining steadily.

From 1946 through 1950, farm income averaged 15.2 per cent of the national income. Even in 1952, when farm prices had recovered from their high point, the farmer had 12.6 per cent of the national income.

But in 1953 the farmer's share dropped to 11.6 per cent. In 1954 it went down still more - to 11.3 per cent. And the unpleasant truth is that this year, with corporate profits heading toward an all-time high, the farmer's share of the national income will be even less.

EFFECTS SPREAD OUT: Now, you know and I know that the effects of lowered farm income, bad as they are on the farmers themselves, are by no means confined to the farmers. Already, even with big corporation profits climbing, bankruptcies of small businesses are increasing. Many retail merchants in farming areas have been badly hit by the loss in farm income. Farmers are leaving the land, and their sons are going into the cities.

This is bad - very bad - for Texas ... and for the Nation.

NO POLITICAL FOOTBALL: I am not trying to make the farm situation a political football. What I want is a farm program that is good for the farmers and good for the country. Politics or no politics, I don't believe we have such a program at the present time. I think the constantly falling farm prices are a direct predictable result of the agriculture politics of the present Administration.

What do you think about this? I will be very glad to have your ideas.

Sincerely,
Lyndon B. Johnson

REDDY'S Farm Report
FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT
SOUTHWESTERN PUBLIC SERVICE COMPANY

It's Christmas in September as Mrs. Oscar Detten puts ginger bread men in her freezer to use for Christmas treats, while Marilyn Detten, age 9 and Billy Detten, age 11, prepare to eat some samples.

It's a smart woman who, early in the fall, if not before—prepares and freezes traditional foods, novel snacks and special treats that will help make her holiday season a more comfortable and leisurely time of year.

Realizing what a great time saver the freezer can be, Mrs. Oscar Detten, who lives on her farm seven miles northeast of Amarillo, prepares and freezes most of the food for her Thanksgiving and Christmas dinners in September. She already has her pies, breads, cakes, vegetables and turkey in her freezer awaiting the busy days ahead. Dressing, or stuffing for poultry, should not be made until you are ready to roast the bird, however. Coffee cakes and cinnamon rolls from the freezer make for more festive breakfasts and most welcome Christmas gifts.

"You can hardly think of Christmas candies without including Christmas cookies in the same

Guess Who Lives Here

A FARM HOME of the Muleshoe and Bailey County territory is pictured above. It should be familiar to many of The Journal's readers. First person who gets his mail to the post office here, and first person who gets his mail on a route or at another post office correctly identifying this farmstead will receive two tickets to COX DRIVE-IN THEATRE. Phone The Journal, 7220 or 5400 and submit your guess, come to the office or mail a card.

endeavor to draw up resolutions embodying those desires, for presentation at the county convention, which will be held ten days or so following the open forum meeting. Resolutions approved at the convention will be presented to delegates of Texas Farm Bureau at Fort Worth in November. If you want 90% of parity government supports without regard for supply and demand, all you have to do to get Farmer County Farm Bureau to support that is attend meetings to which you are invited and vote with the majority for that. If you think parity percentages should be dependent on supply and demand by a reasonable formula, then vote with the majority on that, and that will be the county policy. If you like the idea of producing on all but ten of fifteen percent of your acreage, and planting what you want to, you may favor the "Land Fertility Bank" program, presently supported by Farm Bureau. But whatever you want, come and say so. That is the only

way your representatives can know what you want them to work for. And you can be sure they are working on these things when they would like to be spending the time on their own farm, producing.

Here are a few short philosophical lines we think you may enjoy thinking on: A fool always finds some greater fool to address him (Boileau). Wouldn't it be wonderful if all the people who are educated were also intelligent? (N. J. Maberry). Live only today, and you ruin tomorrow (C. Simmons). The less men think, the more they talk (Montesquieu). These quotes from the Defender Magazine.

Consider This: Be not thou one of them that strike hands, or of them that are sureties for debts. Proverbs 22:26.

Soil Conservation News

Adequate cover is the best way to handle wind erosion. But this cover is only half of the story. Managing this cover to protect the land is the other half of the answer.

There is some very good cover on the new land which has been put into cultivation this year. Even with all this good cover, there is evidence that more cover needs to be planted.

This cover can be provided in two forms, either living or dead. Living cover can be oats, barley, rye, or other growing crops. Dead cover is a crop which leaves a dense stubble such as grain sorghum, sudan, millet, or other forage crops which are killed by frost.

Managing the dead cover to protect the land from wind erosion can be done by plowing the land with implements that leave the residue on the surface or by leaving the stubble undisturbed!

The county A. S. C. has a special allocation for seeding a cover crop on land that is apt to blow. Application can be made for seeding one of the following cover crops, if you have not already seeded it.

In normal width rows, \$1.20 per acre.

In rows 16 to 24 inches, \$1.90 per acre.

Drilled or broadcast, \$1.90 per acre.

Millet, \$1.75 per acre.
Small grain, \$2.00 per acre.
Good cover not only checks wind erosion, but it builds organic matter in the soil.
All sandy and mixed land needs to be protected from wind erosion. Not only for your sake but your neighbor's sake. Don't let your land blow on him.

WHY settle for less than the best?

That's a good question, but how are you going to find out which chopper is the best? Come in and talk it over with us. We made quite a study of the question before deciding to sell the

FORAGE HARVESTER

Here are some of the reasons why we sell the Gehl:

- Gehl has been building ensilage cutters and forage chopping machinery for over half a century.
- Experience is responsible for the superior chopping ability of the Gehl Forage Harvester.
- More chopper-wise farmers own Gehl Choppers than any other independent make.
- Gehl engineering is assurance of sturdy construction and fine performance.

There are a lot of other reasons why we recommend the Gehl.

COME IN NOW...let's talk it over man to man. The NEW GEHL gives you 4 attachments:

QUICK SWITCH...from Mower-Bar to Wind-row Pickup or Row Crop Attachment in only 5 minutes...so easy a boy can wheel it in. NEW 2-ROW ATTACHMENT for Corn, Sorghum, etc. cuts twice as much...costs little more than the 1-Row Attachments.

EXCLUSIVE PTO drive for Forage Blower. No belts to tighten, no power loss, faster unloading.

FREE PLANS for building your own self-unloading Forage Wagon using Gehl Metal Parts Kit.

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

When you need a quick sprint for safer passing, this V8 delivers!

It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

The proof was burned into the sands of Daytona Beach at the NASCAR* trials earlier this year. In acceleration tests, Chevrolet walked away from everything else in its field. Plus all the high-priced cars except one!

It's the big reason Chevrolet's been taking all comers in short track stock car events this season. Sizzling acceleration along with handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

Texas To Call Up Nearly 3,000 Men During November

AUSTIN, Sept. 17. — Because the Navy has announced plans to ask for 62,000 men from the nation's draft boards between November and the end of next June, Texas Selective Service plans to call up between 2,500 and 3,000 men for physical-mental examinations in November, were formerly no such examinations were scheduled.

This decision was received late Friday at state Selective Service headquarters by Brigadier General Paul L. Wakefield, state Selective Service director.

The Navy announced Thursday it was requesting the first 10,000 men in November.

General Wakefield said Saturday he estimated the Texas induction call for November would

be "about twice what it has been for most of the months of this year." He said no formal call had been received, but that he expected it to be "between 1,000 and 1,100 in November."

Monthly draft calls for Texas during 1955 have ranged from around 450 to 600 men, with the exceptions of January, when 1,285 went into Army service. For most of the months of this year the monthly quotas have been between 500 and 550.

General Wakefield said his headquarters tentatively plans to send out local boards quotas for November physical-mental examinations on or about the first of October.

He indicated November induction calls to the boards probably would be mailed at the same time.

X-Ray Machine Combating Cancer

A Baylor Technician checks the new giant X-Ray-like machine, which is now combating cancer at the new "Charles A. Sammons Irradiation Therapy Center" located at Baylor University Hospital in Dallas. A photo mural in the background adds to the attractiveness of the room. Reserve Life Insurance Company, one of the nation's largest Accident and Health Firms presented a gift to the hospital to purchase the new "Theratron" Cobalt 60 Beam Therapy Unit. The gift was made in honor of Mr. Charles A. Sammons who is Chairman of the Board of Reserve Life. The installation of this advanced machine and completion of the Irradiation Therapy Unit places Baylor among the leading centers for treatment of cancer in the United States.

AN EXPANDED TEXAS MARKETING PROGRAM
The Texas Department of Agriculture is inaugurating a new marketing service designed to help farmers sell their commodities in these days of economic change.

Texas is no longer a "one or two crop" state. In recent years, the emphasis has been switched to a more diversified system of

Bailey County Farm Bureau News

Directors of the Bailey County Farm Bureau met in the office of the REA on Tuesday night, Sept. 6. There were twelve directors present and a number of members, and their wives. County Judge, Glen Williams, County Commissioner Tom Morgan, County Agent J. K. Adams, S. C. S. Supervisor Bartee, A. S. C. Secretary Lonnie Bass, and John Gregg of the National Cotton Council.

Mr. Gregg gave an interesting report on all the things that the National Cotton Council has done, and is still doing in the way of research and promotion of the sale of cotton, and cotton products.

He pointed out how the synthetics, like rayon, orlon, dacron, nylon, and others are gradually taking over the cotton markets. He told how in the past 16 years the price of synthetics have gradually dropped in price from more than 60¢ per pound down to 6¢ or 7¢ per pound. This has come about by research, and sales promotion, and constantly being on the look out for more efficient ways of producing the products. Volume production is another item that has lowered the price of the synthetics.

Mr. Gregg urges all farmers and ginners to get behind the cotton council and contribute ten cents per bale to carry on an expanded research and sales promotion campaign.

Following Mr. Gregg's talk, Joe Sooter brought before the group a report of the bindweed committee, and the work that has been done since June of this year. The Farm Bureau office has distributed 135,000 pounds of Sodium Chlorate to control Bindweed and Johnson grass.

County Commissioners, Tom Morgan and W. W. Couch have agreed to help carry on a demonstration on the control of the Bindweed along barrow ditches. They have allotted \$125 for each of the precincts to carry on the work. Areas of bindweed will be staked out and marked so that people will know that a demonstration is being carried on.

J. K. Adams will select the place to be treated, and will supervise the work. This work will begin immediately, as this is the ideal time of year to begin control measures with herbicides, according to experiment of this type.

Judge Williams read the law that passed the last session of the State Legislature, on setting up noxious weed control districts, and gave his interpretation of it. The way the law reads, and is set out it will be rather difficult to form a noxious weed control district because of the powers vested in the board of directors, and the lack of a source of funds.

Your Farm Bureau Board of directors would like to see the

farming which brings with it a whole new set of problems. Thousands of acres of Texas land normally planted to cotton and a few other main cash crops have been diverted to lesser commodities because of planting allotments and acreage restrictions. These "new" products must be sold. And in most cases, the farmer is unfamiliar with the demand for his goods—no nearby markets exist. In such cases a market outlet must be found, or even created.

The Marketing Division of the TDA is making a survey of these new crops and possible markets. Where possible, the department will act as a clearing house of supply and demand information for the farmer.

In addition, many farmers whose main cash crops have failed will need assistance in selling secondary crops which they would normally leave and utilize on the farm. At the other extreme, when bumper crops are produced, then storage space must be found until they can be moved into trade channels at a normal rate. A sudden dumping of bumper crops on the market could result in a serious price collapse.

Still another phase of the new project will be demonstration and research projects on proper handling, packaging and shipping of perishable Texas commodities. Many thousands of dollars are lost each year because you are unorganized purchaser in getting crops ready for the market. The TDA will endeavor to correct those practices which result in poor quality fruits and vegetables—and a corresponding decrease in value.

For further information on these projects, write John White, Commissioner, Texas Department of Agriculture, Austin 14, Texas.

LEWIS BLAYLOCK HOME ON LEAVE
Lewis Blaylock is home on a thirty day leave, visiting his parents, Mr. and Mrs. Otis Blaylock and other relatives and friends. Lewis is in the U. S. Navy, and has been stationed in California.

bindweed, and Johnson grass control program continued, but we have a serious problem facing us. We do not have a place to store the Sodium Chlorate. We are very grateful to the Barritt Potato Shed, Co-op Gin, and Purdy Gin for handling this 135,000 pounds at no cost to us, but we can't continue this program because they need their space to store their supplies in, now that harvest season is upon us.

We are going to have to get someone else to handle this for us at a slight increase in price. We are working on this problem from all angles and will try to get the Sodium Chlorate at the lowest possible cost. We know that in order for a farmer to control bindweed and Johnson grass, that we have to have the herbicides at the lowest possible cost.

There will be a community Farm Bureau meeting in the West Camp School on Thursday night, Sept. 22. All farm families are invited, refreshments will be served.

Mr. John Gregg will speak at this meeting, and the Three Way Farm Bureau meeting. The Three Way meeting date will be announced later.
