Bulldogs Play In Littlefield Tonight; Win At Crosbyton

Tahoka Bulldogs will journey to Littlefield tonight for their second non-conference football game of the 1947 football season, before opening their home schedule here Friday night of next week with the Morton Indians.

The Littlefield Wildcats, who are opening their season with Tahoka, are said to have another powerhouse this year. In an unofficial scrimmage game with the Lubbock Westerners two weeks ago, the Wildcats are said to have won by one touchdown.

The Bulldogs are in good physical condition for the game, but Coaches Foust and Jacobs were pretty blue over their showing in scrimmage sessions this week.

Last Friday night at Crosbyton, the Bulldogs showed promise of becoming a fine team with a bit of polishing up, especially in their blocking and tackling, when they defeated the weaker than expected Chiefs 25 to 7. The Bulldogs, in fact, looked good at times, but fans remember that they looked good last year in their first three games and then "blew up."

Tahoka received the initial kickoff, and in three successive first downs marched for a touchdown, with Halfback Van Brookshire carrying the pigskin across. Cowan barely missed kicking the extra point. Tahoka kicked off to the Chiefs, who fumbled the ball on their first running play and Tahoka recovered. On the next play, Halfback Joe Don Minor raced 35 yards around right end for Tahoka's second touchdown in five minutes, and Cowan kicked the extra point.

A few minutes later, after making two successive first downs Crosbyton's Covington passed to Blackwood for 35 yards and the Chiefs' only score. The kick for extra point was good. Score 13-7.

The second quarter was scoreless, but as the timers horn blew for the half, Brookshire ran 33 yards to the goal line, but the touchdown was not allowed.

Then, in the third quarter, End Kenneth Reid, intercepted a Crosbyton pass and ran 38 yards for a touchdown, but this one, too, was called back and Tahoka was penalized, but later in the same period Center Randall Hinkle intercepted another Crosbyton pass and ran 28 yards to score. The kick for extra point was blocked.

In the fourth quarter, after two successive first downs, Quarterback Gilbert Hough went through the line 3 yards to score. As the game neared the end, Fullback Donald Akin put the ball in scoring position by a long run, and the final whistle blew with Tahoka on the three or four yard line.

Bob Boyd alternated with Hough at quarterback. In the line, Tahoka was well represented by Don Cowan, Kenneth Reid, and Duane Carter, ends; Almon Crowell, Wayne Sherrod, and W. J. Kahl, tackles; Billy Bob Chancy and Billy Ray Kelley, guards; and Randall Hinkle, center.

Tahoka made 9 first downs to Crosbyton's 4; drew 40 yards in penalties to Crosbyton's none. Minor punted four times for 55, 60, and 25 yards, and had one blocked, for an average of 35 yards. Crosbyton punted four times for an average of 27 yards. Tahoka attempted only two passes, both incomplete. Crosbyton attempted 15 passes, completed four for a total of 53 yards, had three intercepted, and eight were incomplete. Tahoka had three fumbles, lost the ball one one, and Crosbyton fumbled four times, losing the ball on two.

Possibly 200 Tahoka fans followed the Bulldogs to Crosbyton.

FOOTBALL RESULTS

Teams Tahoka will play:
Post 20, Falls 0.
O'Donnell 12, Seagraves 0.
Abernathy 18, New Deal 0.
Seminole 51, Morton 0.
District 6-A this year in composed of Tahoka, O'Donnell, Slaton, Post, Abernathy, and Petersburg. Slaton and Petersburg open their seasons tonight.

Products Needed For Fair Exhibit

County Agent Bill Griffin asks The News to inform its readers that he still is in need of suitable exhibit material for the Panhandle South Plains Fair.

For Lynn county's exhibit he still needs one gallon of barley, one gallon of kaffir, one gallon of sudan, one bundle of millet, ten ears of popcorn, six onions, one cashaw, and one gallon of dry limas or pintos.

County Valuation Shows Increase

The 1947 tax roll for Lynn county as approved by the commissioners court and the state comptroller totals \$6,655,562.00, according to Frank McGlaun Jr., tax assessor-collector of Lynn county.

The tax roll of this year is higher than the 1946 tax roll due to new homes and buildings constructed and new equipment purchased during 1946.

The 1947 taxes will be due on the first day of October, 1947, and a three per cent discount will be given on all payments made during the month of October.

Pay early and save, is the advice given by Mr. McGlaun.

Hackberry Man Died Tuesday

R. R. Jones, 80, resident of Hackberry community on the line of Lynn and Garza counties, died in Lubbock Memorial Hospital at noon Tuesday. He had been a resident of Garza county for thirty years and was well known to many Lynn county citizens.

T. H. Basinger, formerly of Southland, who made the race for county commissioner of Lynn county a few years ago, was a son-in-law of deceased. Other survivors, in addition to his life companion, Mrs. Nancy Elizabeth Jones, include two other daughters, Mrs. J. C. Leake of Southland and Mrs. Gladys Hafer of Vernon; and two sons, B. H. Jones and Robert Jones, both of Post.

Funeral services were held at 3:30 o'clock Thursday afternoon at Hackberry Baptist Church by Rev. D. W. Reed, the pastor.

Deceased was a native Texan, having been born in Cooke county on July 22, 1867. Farming had been his life occupation.

Officers Capture Cache of Liquor

Sheriff Sam Floyd and deputies Tom Hale of Tahoka and Charley Wells of O'Donnell, acting upon a hunch, trailed down a liquor cache in O'Donnell last Friday night and confiscated 42 half pints of whiskey buried under a Negro's hen house.

The Negro, operator of a cafe in the flats, was brought to Tahoka and landed in jail. He was charged by County Attorney B. P. Maddox with the unlawful possession of intoxicating liquor for the purpose of sale.

He entered a plea of guilty to the charge in the county court, and was assessed a fine of \$100 and costs. He paid off.

Airplane Crashes Near New Home

Martin Brand of Lubbock and Donald Brand of Oklahoma City were treated at Lubbock Memorial hospital Wednesday afternoon for minor lacerations and abrasions suffered when the new two-place plane they were flying crashed near New Home.

The plane was heavily damaged according to Jack Burden, manager of Client Breedlove Aerial service of Lubbock after he had visited the scene of the crash. Donald Brand had rented the plane and Martin Brand was a passenger, he said. The men were understood to have been flying over a relative's house.

Miss Joan Henderson left Sunday for West Texas State where she will attend school this year. She was accompanied to Canyon by her parents, Mr. and Mrs. Harley Henderson, and sister, Jean.

District Court Hearing Criminal Cases This Week

Judge Louis B. Reed of Lamesa was here Monday and Wednesday of this week disposing of cases on the criminal docket.

The first case tried was that of the State of Texas vs. Lonnie Robinson, a Negro, charged with the burglary of a private residence in the Negro section of the town with the intent to criminally assault a little colored girl about twelve years old. Robinson himself is about 26 or 28 years old.

He was tried before a jury, who returned a verdict of guilty and assessed his punishment at five years confinement in the state penitentiary.

Two Mexicans were tried for the burglary of the office of the Farmers' Cooperative Gin. They entered by breaking through a window. Their only loot seems to have been two fountain pens. Both were mere youths. One of them Sonobia Martinez, entered his plea of guilty to the Court and his punishment was assessed at two years in the penitentiary with a suspension of sentence.

The other, Sirildo Garcia, demanded a jury but also entered a plea of guilty to the charge. The jury assessed his punishment likewise at two years and sentence was suspended.

A suspended two years sentence was also handed out to Mackie Thomas Lindsey, 26, a white man charged with forgery and passing a forged check. The check was drawn on the First National Bank of Tahoka and was passed to Harlan Cooke at Wynne Collier, Drug store but the name signed to it, O. E. McMillan, was fictitious.

District Attorney Calloway Huffaker represented the State. Truett Smith was appointed by the Court to represent the defendants, who had no attorney.

Aged Mexican On Trial Here

The case of the State of Texas versus Marcus Huerta, an aged Mexican resident of Tahoka, was called for trial in the district court here Wednesday morning upon an indictment charging rape in one count and assault with intent to rape in a second count. The prosecuting witness is a little girl some thirteen years of age.

The examination of prospective jurors began at about 11 o'clock in the morning and only six jurors had been selected at four o'clock in the afternoon.

The prospects were that the entire day would be consumed Thursday in the trial.

District Attorney Calloway Huffaker was assisted in the prosecution by County Attorney B. P. Maddox. The defendant is represented by the firm of Howard and Anderson of Lubbock.

GEORGE MAURICE SMALL RETURNS TO MEMURY

George Maurice Small youthful Ministerial student in McMurry College last year and assistant pastor of the First Methodist Church of Stamford, after visiting his parents and grand-parents here and at Ruidoso for a few days, returned to McMurry early this week to re-enter the college for the session just opening.

TAHOKA STUDENTS RETURN TO UNIVERSITY

Mr. and Mrs. J. K. Applewhite and Mr. and Mrs. R. W. Fenton returned Tuesday from Austin, where they had taken their daughters, Miss Dorothy Applewhite and Miss Mary Beth Fenton, to re-enter the University of Texas.

The two young ladies are seniors this year.

RETURN TO UNIVERSITY

Sam Garrard, Bill Woods, Bob Collier, Irvin Lehman, and Travis Shelton, Winston Redwine, Mary Beth Fenton, and Dorothy Applewhite are among the local students who will attend the University of Texas this year.

Try a News Classified Ad.

Rev. C. A. Hartley, who now is pastor of the Wilson Methodist Church.

New Traffic Code Discussed Here

State Highway Patrol Officer Sam Fort of Lubbock spoke on the new uniform traffic code at the Tahoka Rotary Club Thursday at noon.

Mr. Fort explained many of the provisions of the new law, particularly those affecting use of farm trailers and trucks, and warned that all such vehicles, as well as all others, must be properly equipped with tail lights, signal lights, and reflectors. He also spoke briefly on the new right-of-way laws, brake law, and reporting of accident reports. Hereafter, all collisions involving a damage of \$25.00 or more must be reported within 24 hours. There will be no more lawful parking on the shoulders of highways unless the lights are left burning.

Any person backing from a parking space or from a driveway is held responsible in case of accident. The driver must stop before coming onto any through highway from a side road. At traffic intersections where there is no stop light or sign, the driver on the right has the right-of-way.

Driving at night, one must dim his lights 500 feet from an approaching car. Persons driving without a license will be fined upon being apprehended.

He hinted that the Highway Patrol would soon begin getting tough with careless drivers in an attempt to cut down Texas' rapidly growing accident rate.

Ben Cole and Mark Haley of Lubbock were present, and Mr. Cole issued an invitation to all Tahoka Rotarians to attend the 24th annual Lubbock Rotary Club intercity meeting which will be held in the Texas Tech gym next Wednesday night at 7:30 o'clock.

President Alton Cain announced that, due to conflicting engagements, the Tahoka Club's annual Rotary Ann-Teacher banquet will be postponed from next Thursday until the night of October 2.

MANY STUDENTS ENTER TECH COLLEGE

So many Lynn county students are returning to Texas Technological College or are entering for the first time this fall that it would be impossible at this time for us to give a substantially complete list of them.

Among the Tahoka students entering Tech are: James "Slick" and John Wells, Jeannine Smith, Larry Hagood, Johnnie Margaret Price, Joel Locke, Jim Ed Poer, Claude Donaldson Jr., Clara Faye Nordyke, Roy Anglin, H. R. Tankersley, Nita and Buddy Bragg, N. M. Barham.

The Tech enrollment this year is expected to be the largest in the history of the college.

FIRST BALE AT WEST POINT

C. T. Tankersley brought in the first bale to be received by the West Point gin Wednesday of this week. The bale weighed 486 pounds and was bought by the gin at 29 cents per pound.

The ginner donated the ginning fee and West Point grocery contributed a sack of flour as premium for the bale.

RETURN TO A. & M.

James (Sonny) Roberts and Carl Griffing Jr. have returned to College Station, where they will resume their studies in Texas A. and M. College.

Miss Kornegay On Wayland Faculty

Miss Sudie Kornegay, commercial teacher in New Home High School, has resigned her position there to accept a position in the Commercial department of Wayland College at Plainview.

Miss Kornegay is a New Home High School graduate, and studied at Wayland and Howard Payne College before beginning her teaching career.

4-H Gilt Show Next Saturday

The annual fall 4-H pig show will be held in Tahoka on the lots directly west of Higginbotham-Bartlett company Saturday morning, Sept. 20, beginning at 10 a. m., according to Bill Griffin, county agent. Jason Gordon, former Lubbock county agent will judge the show.

These are the Sears gilts, and the winning gilt will enter the district show on Sept. 27.

Prizes in the Lynn county show will be awarded as follows: \$8 for first, \$7 for second, \$6 for third, \$5 for fourth, and \$4 for fifth. Winners in the district show will bring premiums of \$45 for first place, \$40 second, \$35 third, \$30 fourth, 25 fifth, \$20 each sixth to 9th, and \$15 each tenth to twelfth.

All boys who were awarded gilts last May are urged to bring them in to this show for judging.

Wilson Postoffice In New Location

On account of the scarcity of space, due to the newsprint shortage, we have been compelled to leave out many items of news recently. One which we intended to mention but didn't was the fact that the post office at Wilson has been moved recently into one of the new buildings constructed where the fire last winter, wiped out a wooden building in the town. Hustling Pat Campbell, the postmaster, himself had the new building constructed and it is as neat and as pretty as a spring flower, a brick building attractively finished inside, and fluorescent lights in everything. It's a credit to the little town.

Legion Auxiliary Plans Pie Sale

Members of the executive committee of the American Legion Auxiliary met Thursday night, September 10, in the home of Mrs. Doris Rutherford to make plans for a pie and cake sale.

Members of the Auxiliary are to bake pies and cakes for the sale, which will be conducted Saturday, September 20, in the Tahoka Grocery Store and in Davis & Humphries Super Market.

Following the meeting refreshments were served to the following officers of the Auxiliary: Mrs. Betty Wilson, Mrs. R. E. Pentecost, Mrs. Winfred Stout, Mrs. Charles Stewart, and Mrs. Perry Walker.

Fair Boosters In Tahoka Tuesday

About fifty Lubbock business men riding in two large buses visited Tahoka Tuesday morning at 10 o'clock boosting the Panhandle-South Plains Fair to be held in that city one week, September 29 to October 4, inclusive. A brief program was presented on the north side of the square and another at the High School, featuring the "Sunshine Trio," radio musical organization.

Wednesday, Oct. 1, has been set aside as "Tahoka Day" by the fair sponsors.

Congratulations...

Mr. and Mrs. Carlce Edwards of Redwine upon the birth of a little son weighing 5 pounds and 1 1/4 ounces at 12:40 a. m. Sunday in Lubbock Memorial Hospital. The parents have named the little fellow Don Mac. The grandparents are W. B. Edwards and Mr. and Mrs. R. B. McCord.

Harvest Season Starts Slowly; Hands Needed

Cotton picking is opening up this week but not many pickers have come in yet. They are expected to be coming in ever-increasing numbers for the next three or four weeks, as it is generally estimated that Lynn county's cotton crop this year will run from 80,000 to 100,000 bales. Just a few hundred bales have been ginned in the county up to now. At Thursday noon approximately 200 bales had been ginned in Tahoka, according to reports given by ginner to the News. Possibly 800 to 1,000 bales had been ginned in this county.

Cotton seed were selling Thursday at \$80.00 per ton. Good midling cotton on the open market here was bringing around 31 and 32 cents per pound.

Harvesting of the feed crop was begun two or three weeks ago but has proceeded thus far rather slowly. The yield is running from a quarter to more than a half ton per acre. The market price has been rising, and the price this week has ranged from \$3.30 to \$3.40 per 100 pounds, to \$65 to \$68 per ton; the highest prices ever paid for maize on the open market in this county.

Already the same shipping trouble is being encountered, however, that has sorely troubled the farmer and the grain dealer for the past two or three crop seasons, the inability of the railroads to furnish a sufficiency of cars in which to ship the grain. Only thirty carloads had been shipped out of Tahoka up to Thursday morning, and Santa Fe Agent Tom Gill declared that he could ship that many more that very day if cars were available. The five elevators here are rapidly filling up, and dealers will be shipping most of it out by truck pretty soon if the railroads fail to furnish cars.

The crop yields this fall are truly remarkable in the face of the two preceding dry years and the meager rainfall thus far this year.

Weather records kept by the News reveal that only 9.41 inches of moisture has fallen in Tahoka since January 1 this year. Of this amount 5.54 of it fell in the month of May; 1.56 additional fell in June. The last rain of any consequence that has fallen in Tahoka was 1.27 inches on June 20. Since that date, a period of three months, only .48 of an inch of rain has fallen in Tahoka, and that was divided up into several very light showers that amounted practically to nothing. Precipitation during the first four months of this year, January, February, March, and April, totaled only 1.81 inches. In other words, all the rain we have had this year outside of the months of May and June amounts to only 2.26 inches. And yet, we are making a third of a bale of cotton per acre and almost a half ton of maize per acre.

New Home Has Large Enrollment

Superintendent A. L. Pace reports that a total of 265 students have enrolled in the New Home Public Schools so far this year.

The new high school building has been completed, but only a part of it is in use due to the fact that delivery has not yet been made on the new students' desks. Only the typing and home economics rooms are in use now. Arrival of the new desks is expected within the next few weeks.

Mr. Pace says about 215 students are being fed at noon daily in the school lunch room.

P.T.A. TO HAVE PARTY; PARENTS ARE INVITED

A party which is sponsored by the P.T.A. honoring the school faculty of the Tahoka schools are cordially inviting all parents to attend this party, especially those interested in meeting the teachers of their children and those who are interested in becoming members of the P.T.A.

The party will be held at the grade school gymnasium at 7:30 o'clock next Thursday evening, September 25.

RODEO WILL FEATURE SOUTH PLAINS FAIR

LUBBOCK, Sept. 13.—Night time attraction in front of the grandstand at the 30th Annual Panhandle South Plains Fair will be the big Steiner Rodeo. A performance will be presented each night of the Fair, Sept. 29 through Oct. 4.

T. C. (Buck) Steiner and his son, Tommy, producers of the rodeo, promise the "cleanest, fastest, wildest, most spectacular show" ever seen on the South Plains. They bought new horses this year in Nebraska, especially for use in the numerous rodeos they are producing. Other stock includes Mexican steers and Brahma calves from the Steiner ranch at Bastrop.

Managing director of the rodeo will be Jack Favor, Arlington, Texas. Buck Jones of Wichita Falls is judge and Sam Stewart of Fort Worth is the clown.

Other features of the six-day fair include a giant balloon parade 2 1/2 miles long at 1:30 p. m. on opening day, Sept. 29. These balloons will also be displayed on the Fair grounds throughout the Fair in a rubber zoo.

Midget auto races and a tremendous midway round out the entertainment end of the exposition.

Among the outstanding exhibits at the Fair will be the special exhibit of cattle, hogs, sheep, goats and horses by the Texas Technological College, and a three day rabbit show. Entries for the rabbit show have already been received from as far away as California.

Mr. and Mrs. T. M. Lockaby had as their guests recently Mr. and Mrs. L. F. Renfro and daughter Winfra Pearl of McGregor and also Mr. Renfro's married daughter and husband, Mr. and Mrs. Homan Oxner of Clifton.

CHILD GUIDANCE CLUB MEETS WITH MRS. FELIX JONES

The Child Guidance Club met in the home of Mrs. Felix Jones Monday night with 16 members answering roll call. A very helpful program on "The Child From One to Four" was given by Mrs. Urban Brown and Mrs. Albert Williams.

Those present were Mesdames Urban Brown, Jim White, Roger Bell, Alton Cain, J. O. Fuquay, R. H. Gibson, Fred Hegl, Roy Hicks, Felix Jones, O. B. McElroy, Fred McGinty, Ivan McWhirter, Charles Nelms, Truett Smith, Winfred Stout, Albert Williams, and two visitors, Mrs. Bob Mills and Mrs. Pete Dodson.

JOE STOKES H. D. CLUB IS GIVEN DEMONSTRATION

Mrs. Tom Russell, with the help of Miss Graham Hard, gave a demonstration on cleaning sewing machines to the Joe Stokes home demonstration club which met in the home of Mrs. Harley Paris on September 11.

Mrs. Russell attended a previous training meeting held in July by Miss Hard. She explained step by step how to clean and oil a sewing machine. Everyone was free to ask questions they had in regard to machines.

The next meeting day will be September 25 in the home of Mrs. Maeker. This is to be a quilting.

Refreshments were served to eight club members and three visitors, who were Mesdames Qualls, G. L. Walker, and W. K. Pierce.

Mrs. H. P. Caviness left on Thursday of last week to be at the bedside of her sister, Mrs. Lyons, of McGregor, whose condition had become very serious. She had been sick for a long time.

CITATION BY PUBLICATION

The State of Texas
TO: Jesse Vandergriff Greeting:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 13th day of October, A. D., 1947, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 28th day of August, 1947. The file number of said suit being No. 1776.

The names of the parties in said suit are: Rubye Vandergriff as Plaintiff, and Jesse Vandergriff as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff had resided in the State of Texas for more than 1 year and in Lynn County for more than six months before filing this suit and the residence of defendant is unknown to plaintiff. Plaintiff alleges that defendant, on or about July 15th, 1944, without any provocation or cause whatever, voluntarily left and abandoned plaintiff with the intention of finally separating and living apart from her, and has continued so to do up to the filing of this petition, though often requested by plaintiff to return to her and live with her as her husband. Such abandonment has endured over 3 years. Plaintiff alleges only one child was born of the marriage between plaintiff and defendant, namely: Carl Wayne Vandergriff, a boy 3 years of age who resides with plaintiff in Lynn County, Texas, and plaintiff alleges that she is a proper and fit person to have the care, custody and control of said child, and that defendant is not a proper person to have his custody. Plaintiff prays for a divorce, for custody and control of said child, and for costs of suit.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 28th day of August A. D., 1947.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 28th day of August A. D., 1947.

W. S. Taylor, Clerk District Court, Lynn County, Texas. 48-41c

OPEN HOUSE FOR CROMERS TO BE HELD SUNDAY

Mrs. Fred Nolan is honoring her parents, Mr. and Mrs. N. H. Cromer on their 30th Wedding Anniversary with an open house at their home west of Petty Sunday afternoon from 3 to 6 p. m.

Everyone is invited to call during those hours.

LOCAL YOUTHS ENROLL AT SAN MARCOS ACADEMY

SAN MARCOS, Sept. 18.—Two Tahoka students, Rollin McCord, Jr., and Jerry Lee King, both sixth graders, this week enrolled for the 1947-48 school year at San Marcos Academy, a private school for boys and girls.

During the school year, they will be enrolled in small, restricted classes and will be given strong academic, physical, spiritual, and social training. As SMA cadets, they will participate in a military unit rated "Excellent" by regular Army officers.

McCord is the son of Mr. and Mrs. Rollin McCord and King is the son of Mrs. Odell King. Both boys are former students of the Tahoka Elementary school.

PETERSBURG COUPLE MOVES TO TAHOKA

Mr. and Mrs. J. S. Hill, long-time residents of the little town of Petersburg, Hale county, moved last week to Tahoka. He is the new manager here for the Plains Co-operative Cold Storage Plant situated in the Larkin Building at the southwest corner of the Public square.

He and Mrs. Hill have living quarters on the second floor of this building over the Locker. Mr. Hill says that they have been residents of Petersburg for 25 years with the exception of a short interval spent elsewhere.

Tax Assessor-Collector Frank McGlaun Jr. and wife and Mr. and Mrs. Randall McGlaun of Lubbock were Austin visitors early last week. Frank had business with the comptrollers' office and came back a great admirer of State Comptroller George Shepperd.

The average per acre yield of Texas cotton is only 134 pounds of lint; corn—only 17 bushels; wheat—only 10.5 bushels. Legumes and fertilizers can increase those yields materially.

P. P. King and family have just recently moved from Abilene to Tahoka. Mr. King having purchased the Claude Donaldson gin here.

Miss Nancy Rae Weathers, daughter of Mr. and Mrs. R. P. Weathers, is now a student in John Tarleton at Stephenville.

The federal government owns about one-fourth of all the land in the United States.

CUNNINGHAM OUT AFTER EYE OPERATION

J. L. Cunningham, who had a tumor cut off of one of his eyeballs about two weeks ago, was able to be on the streets again on Monday of this week. For months he had been suffering from what he thought was sinus trouble, but when he went to the hospital they found that the trouble was in the eye. The sight in that eye is gone entirely.

Mrs. J. L. Tomlinson recently visited her aunt, Mrs. Fannie Nixon, 82, in Ballinger. Mrs. Nixon was a sister of the late Mrs. J. S. Wells of Tahoka.

BROTHER-IN-LAW OF TAHOKA MAN KILLED

Mr. and Mrs. Jarrell Cox received a message last Friday from their son Paul, who is now down at Decatur attending college, stating that his wife's brother had been killed in Oregon. The body was being shipped to Roanoke, Denton county, for burial.

Mr. and Mrs. Cox did not learn the circumstances or the cause of the young man's death.

Mr. and Mrs. G. H. Carter and two sons, Don and Horace, visited in the home of their uncle and aunt, Mr. and Mrs. J. F. Millman, last week end.

Attention Farmers . . .

Let me figure with you on your cotton before you sell. I have a market for all grades and staple. See me at my office over Wynne Collier Drug store.

Your home town cotton-buyer with out of town prices.

SELLING COTTON

Millions of bales of cotton are sold and resold without buyers ever actually seeing a single bale! That's the advantage of selling on the cotton warehouse receipt and samples. Recognized the world over as positive proof of ownership of the particular bale it represents, the negotiable receipt changes hands just like United States currency.

This confidence in your warehouse receipt is the result of many years of responsibility, accuracy and service to the farmer, ginner, merchant, spinner . . . to everyone engaged in the marketing of the crop which supports 11,000,000 people.

Henry Wallace made a speech the other night in which he castigated President Truman and everybody officially connected with his administration. He declared that he intended to make his fight in the Democratic party but clearly indicated that if he gets nowhere inside the party he will organize a new one. And that is exactly what he expects to do. He was speaking to a group of C.I.O. labor unionists and had on the platform with him a Negro man and a Negro woman to accentuate the fact that he was fishing for the Negro vote. We doubt if he has any expectation of winning the election but he hopes to defeat the Democratic party and apparently to promote the cause of Communism. He took occasion to state that it is not Communism that will bring on a depression in this country but a bunch of greedy and dominating capitalists. In that connection he charged that certain big steel corporate interests are now plotting to bring on a depression—a statement which promptly brought fire from one of their number who declared that those interests have already planned and started the spending of a billion dollars in the

enlargement of the steel industry. Wallace is ambitious to be President and if he can't be he is determined to wreak vengeance on his political adversaries. He is more dangerous than all other Communists in this country put together.

Some of the penitentiary authorities admit that there is much truth in charges recently published that a disgraceful state of affairs has existed for some time in the penitentiary. In fact, it seems that a legislative committee which made an investigation reported to the legislature early this year that horrible conditions existed there, but little or nothing was done about it. Little was said about their report in the daily newspapers and few of the people, including publishers of country weeklies, have time to wade through all that mass of dry and unimportant stuff printed in House and Senate Journals to find out what committees had even been appointed. But we are wondering why some legislator didn't introduce some sort of reform measure and raise a howl about said conditions following the committee's report. As a mere private citizen, we here and now call upon Senator Sterling Parrish and Representative Preston Smith to tell us what they propose to do about it when they run for re-election.

FIVE STATES DECIDE ALL ELECTIONS AND FURNISH ALL THE PRESIDENTS

(Second installment of an address delivered by Congressman Ed Gossett of Wichita Falls in the House of Representatives).
 Now let us make some specific charges against our present system of electing Presidents, all of which would be removed under our proposed amendment.
 First. Existing provisions as to the choosing of electors, the manner in which their votes are cast and counted, and the deciding of elections in the Congress is an open invitation to fraud and chicanery and unless changed will some day result in disaster. While electors are morally bound to vote for certain nominees they are not legally so bound. In the very first

contested election in the nation's history, in 1796, three electors who were supposed to vote for Thomas Jefferson voted instead for John Adams. As a result Adams received 71 electoral votes to 68 for Jefferson. Jefferson would have been elected except for this abuse of discretion by said three electors. There are other instances where electors have not followed the instructions of their electorate. In the last Presidential campaign serious difficulties arose in Louisiana, Mississippi, and Texas over the selection and duties of electors. If and when a Presidential election is hotly contested and is close between leading candidates we are likely to have serious upheavals and defections within and between our parties. Congress itself may even throw out legal votes or count illegal ones.

Some of the record on this point is of interest. In 1857 the Wisconsin electors were prevented by a violent snowstorm from meeting at the State capitol on the appointed day to cast their votes. Had these votes been decisive in the election, the majority in Congress might have counted or have thrown them out as suited political expediency. In 1837 six persons who lacked the constitutional qualifications for electors had their votes counted on the grounds that they were de facto officials. In 1818 the votes of Indiana, in 1821 the votes of Missouri, in 1837 the votes of Wisconsin were thrown out on technical grounds, involving the electoral college. In 1869 and again in 1881 Georgia's electors voted on the wrong day and their votes were not permitted to be counted. In 1873 only half of the electors of Texas ever reached the State capitol. In 1873 also the electoral vote of the State of Arkansas was rejected by the Congress and the State disfranchised because the return certificate bore the seal of the secretary of State instead of the great seal, an article which the State did not possess at the time.

Thus from the bottom to the top this archaic vehicle is fraught with peril. Under the proposed method all these controversies would be avoided, because the State would have no electors to choose, and Congress would have no election contests to decide.
 Second. The electoral college confines and largely restricts national campaigns to a half dozen pivotal States. The national campaign committees and the political strategists of both parties sit down with a map of the nation and decide where to do their work and where to spend their money. Their job is to elect Presidents. Under modern scientific techniques of sampling public opinion and with the history of past campaigns to go by, their problem is relatively simple. The seven largest States in the Union, with their electoral vote, are as follows: New York 47, Pennsylvania 35, Illinois 28, California 25, Texas 23, and Michigan 19. Texas being in the solid South, counts for little. Neither party would spend any money or make any effort of consequence there, so Texas is checked off. The same is true of other States of the so-

called Solid South. These States are solid largely because of the electoral college. California sometimes becomes a battleground. However, by and large, it is safe to say that 75 per cent of all the political efforts by both parties is concentrated in five big pivotal States, to wit, New York, Pennsylvania, Ohio, Illinois, and Michigan. Any Party carrying all of these States has a cinch to elect a President. Any party carrying a majority of them has almost a cinch.

THE Family Group HOSPITALIZATION

HOW MUCH WOULD IT COST if you or some member of your family got sick and had to go to the hospital—or if one of you suddenly had an accident? Hospital, doctor and nurse services can be very expensive and can cause you a lot of worry about how to pay the bills. You can save yourself this worry through the Great American Reserve Hospitalization and Medical Care Plan, which has been approved by physicians, hospitals and leading businessmen. Talk it over with

Now is the time to get your heating equipment ready

FOR WINTER

It should be thoroughly cleaned, checked, adjusted, and if necessary, repaired. Call your plumber or heating contractor NOW and have this done before the "big rush."

If you have a floor furnace, and wish to clean it yourself, it's easy this way: Lift the grill and remove accumulated dust and spiderwebs with vacuum cleaner and suction hose attachment.

Now is a good time, too, to light your gas furnaces

You'll be glad, later, if you go ahead now and light the pilot lights on your gas floor furnaces or central gas furnace. The quantity of gas burned by these tiny pilots is so small that you'll not be able to tell the difference on your gas service bill. Then when cold weather does come, you'll be ready.

West Texas Gas Company

Mrs. Verner (Mattie Will) Smith sent a card to the News Monday from Birmingham, Alabama, where she is visiting relatives and sight-seeing. One of the sights is pictured on the reverse side of the card, the statue of Vulcan mounted on top of a tall monument erected on Red Mountain showing veins of iron ore cropping out the mountain side. It was iron that transformed Birmingham in a few years from a small hill-country town into one of the most important cities of the South.

BROTHERHOOD HAS FUN PROGRAM

The Baptist Brotherhood here had a program of fun Monday night, with Pat Hutchison and N. E. Wood directing. There was also a brief business meeting at which Dr. K. R. Durham was elected president for the ensuing year and Marvin Bentley was elected secretary-treasurer.

Four representatives of the newly organized Wells Brotherhood were visitors, Rev. W. P. Brian, H. L. Cook, J. C. Shelton, and Walter Brasher.

Mr. and Mrs. Clayton Johnson came down from Portales, New Mexico, Tuesday and spent the afternoon and night here with relatives and friends. Clayton says that potatoes and broomcorn are just now getting ripe out in the Portales country and folks are really getting busy. That is in the irrigation belt.

Mr. and Mrs. M. C. Ball of Cleburne, who own a farm in the extreme north part of the county and who lived on it for many years, are here this week looking after business and visiting old friends.

TAHOKA GIRL WEDS FORMER TAHOKA MAN

Miss Edna Ruth Swanger, telephone operator here for the past year and daughter of Mrs. Leon Counts of Lueders, and Harvey Weldon Jobe of Post, a former employee of the Gagnat Hardware store here, were married at 4 o'clock Saturday afternoon, September 6, at the home of the bride's mother in Lueders, in a double ring ceremony performed by Rev. Mr. Foxx of Lueders.

The house was decorated with seasonal flowers.

The bride wore a blue dress with brown accessories and a corsage of white rosebuds.

Following a wedding trip to Ruidoso, New Mexico, the couple are making their home in Post. On the trip the bride wore a cocoa brown suit.

The former Miss Swanger graduated from the Post high school in 1943. During her employment in the telephone office here she resided in the home of Mrs. Marvin Wood, and Mrs. Wood honored her with a pre-nuptial shower in her home on Thursday afternoon preceding her marriage on Saturday.

The house was decorated with asters and dahlias. The tea table in the dining room was laid with a cutwork cloth and set with a crystal punch bowl and a large crystal plate filled with white cake squares that were decorated with pink rosebuds. A large pink satin bow with streamers and "Jobie and Edna Ruth" lettered in gold was attached to the front side of the table. Mrs. Leroy Akin poured punch. Miss Dorothy Rusk presided at the bride's book.

Fifty guests called and were received by Mrs. Counts, the honoree, and Mrs. Wood. Miss Joy Williams played piano selections throughout the receiving hours.

Guests were present from Post and Lueders.

The bridegroom is a son of Mrs. Tena Jobe of Berkeley, California. He is a graduate of the Quanah high school and is now head of the parts department of the Post Truck and Tractor Company.

BRIDE-ELECT HONORED WITH PARTY HERE

Naming as honoree Miss Joyce Halsey, bride-elect of John Burkholder, both of Lubbock, Mr. and Mrs. E. I. Hill were hosts to a group of relatives and friends on their lawn Tuesday evening from eight to ten o'clock.

Present from Lubbock were Miss Halsey, Mr. Burkholder, Mrs. W. C. Reynolds and daughter Markey, Mr. and Mrs. John Halsey, Mr. and Mrs. J. C. Burkholder, Mr. and Mrs. Herbert Burkholder, and Mr. Jack Brown, and Miss Jane Cole of Batavia, New York.

Refreshments were served to 43.

HONOR SOCIETY ELECTS OFFICERS

In a meeting at the home of Frances Haney Tuesday night, The National Honor Society elected officers for the fiscal year as follows: President, Charles Fulkerson; Vice-President, Bennie Pridmore; Secretary, Frances Haney; Treasurer, Lou Nell Peters; Reporter, Gerald Wayne Tippit; and Sponsor, Mrs. Paul Pittman.

Plans for the following year was discussed.

The National Honor Society is a national organization that stands for leadership, character, and scholarship.

NEW BRIDGE MARVELOUS ENGINEERING FEAT

CHICAGO, Sept. 11—A new double track steel bridge across Canyon Diablo thirty miles west of Winslow, Arizona, was placed in service today by the Santa Fe Railway. Containing approximately five thousand tons of structural steel, the new two-hinged arch replaces a gauntlet-type span erected in nineteen hundred. Trains were forced to operate under "slow" orders over the old structure, with traffic operating in only one direction at a time. Traffic now may operate in both directions at once over the bridge, which can bear five million pounds of pressure.

The new bridge, two hundred twenty-five feet above the canyon floor, is five hundred forty feet long and is thirty-two feet wide at track level. Erection work was done by Kansas City Structural Steel Company.

Last train across the old Canyon Diablo bridge today before the new span was "cut in" was the Eastbound Super Chief streamliner.

MRS. TOM HALE HOSTESS TO WEST POINT H. D. CLUB

The West Point H. D. Club met on September 9 in the home of Mrs. Tom Hale.

During the business session we discussed sending Mrs. Blain Ramsey to Galveston as our delegate.

Miss Graham Hard, the H. D. Agent, gave a demonstration on the cleaning of a sewing machine.

Refreshments were served to eight members and eight visitors.

The next meeting will be on October 14 in the home of Mrs. A. D. Schaffner.—Reporter.

Rev. and Mrs. Dan Sharpley of Emhouse, Navarro county, spent Monday night here with Rev. and Mrs. Levi Price, Mrs. Sharpley and Mrs. Price being sisters. Rev. and Mrs. Sharpley had brought his sister up to Plainview to enter Wayland College, which opened Monday. He is pastor of the Emhouse Baptist Church.

Walter F. Carley of Fort Worth, nephew of the late J. K. Callaway, was here Tuesday visiting Mr. and Mrs. M. A. Shockley, former Limestone county friends, who now live some 14 miles north of Tahoka. Mr. Carley himself lived in Tahoka several months following the death of Mr. Callaway.

Mrs. Frank Hill has been with her mother, Mrs. B. H. Howard of Lubbock this week, who was taken to the West Texas Hospital Tuesday. Mrs. Howard broke her wrist in a fall recently.

Mr. and Mrs. I. M. Draper spent the week-end in Hereford visiting Mr. and Mrs. Tom Draper and Robert Draper. The two men are their sons.

Mr. and Mrs. W. M. Harris are down at Marlin taking the hot water baths. They are expected home about the last of this week or early next week.

Miss Imogene Hargett left Sunday for Abilene to enter Hardin-Simmons University as a first-year student. She is the daughter of Mr. and Mrs. H. O. Hargett.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

See our display of Granite Monuments or we will call at your invitation.

THE FAITH OF CHRIST

In Gal. 2:16 Paul says we are justified by "The Faith Of Christ". Jude exhorts children of God to "contend earnestly for the faith once for all delivered to the Saints". The churches of Judea heard that Paul now preacheth the faith which he once destroyed. Gal. 1:23. Paul says himself that he preached the gospel of Christ. I Cor. 15:1.

From these passages it is easy for any one to see that "The Faith Of Christ" and "The Gospel of Christ" is one and the same thing. Then when Paul said, Gal. 2:16 that we are justified by the "faith of Christ," he meant just what he did when he said in I Cor. 15 that the Corinthians were saved by the gospel. Then when Jude exhorts that children of God contend earnestly for the faith once delivered to the saints, he simply commands them to contend for the gospel as preached by the apostles. Add to this Paul's statement in Gal. 1:6-9 where Paul says, "let him that preaches any other gospel unto you than that which we have preached, be accursed," all can see the importance of learning what the apostles preached and then be sure to not preach anything else than that which they preached. If all preachers did that would we not all preach the same

thing? If not why not? Those who listen should be sure they hear the gospel of Christ for only those who obey the gospel will be saved. See 2 Thes. 1:7-10. Neighbor read 2 Jno. 9:11. You can see for yourself that we must have the doctrine of Christ and we must not help support any that do not preach the doctrine of Christ.

Attend the services of the church of Christ in your community, if the preacher preaches the gospel just like it reads in your Bible, believe and obey it, then tell others about it; if the gospel is not preached like it reads in your Bible, tell the preacher. Remember you are always welcome at the church of Christ.—Price Bankhead, Post, Texas.

McMANIS SETS ANOTHER GOOD EXAMPLE

E. E. McManis, who came out to Lynn county soon after they dug Tahoka Lake, came in Monday, several weeks before his subscription was up, and set his time way ahead and also ordered the paper for another year for his preacher son, J. E. McManis of De Leon.

Coming to Lynn county with his parents when he was still a boy, Mr. McManis married in 1910 and promptly subscribed for "The Lynn County News." That was 37 years ago, and he says that he can't remember having missed an issue since. No wonder he has a preacher son.

That son, incidentally, graduated from Howard Payne College a year ago and is now the pastor of two half-time churches near De Leon.

Mrs. D. V. Smith left Saturday for Dallas, from which place she was to accompany a relative to Alabama, where both were to visit other relatives.

JUNIOR CLASS ELECTS OFFICERS

The Junior class of Tahoka high school elected officers Tuesday, September 9. They are as follows: President, Billy Ed Ware; Vice President, Mary Draper; Secretary, Wanda Faye Smith; Reporter, Gerald Wayne Tippit; Yell Leader, Sue Nell Carpenter; Student Council Representatives, Joan Slover and Velma Howell.

The class sponsors are Miss Lou Nell Peters and Mrs. Travis Mason.

J. W. Williamson of Wichita Falls was here Sunday visiting his cousin, Mrs. Willis Pennington, and his uncle, C. C. Johnson of Draw.

COOPER'S SISTER-IN-LAW SERIOUSLY INJURED

County Commissioner E. J. Cooper received a message last Saturday informing him that his sister-in-law, widow of his oldest brother, and about 72 years of age, had been run over by an automobile in a small town near Sherman, Grayson county, and sustained injuries that might prove to be fatal.

Her neck, it was believed, had been broken and the bones of one of the legs crushed, but she was still alive.

Mr. and Mrs. Cooper left for Sherman early Monday morning but up to noon Wednesday relatives here had received no further word as to the injured woman's condition.

Loan facilities formerly provided by the Farm Security Administration and be the Emergency Crop and Feed Loan Division of the Farm Credit Corporation are now furnished by the agency, Farmers Home Administration.

The peanut acreage of the Texas West Cross Timbers area is three times as large now as before the war.

In 1945, the commercial production of mushrooms in this country reached 63 million pounds, over twice as much as in 1938.

MIDWAY MAN ENTERTAINS NEIGHBORS WITH FISH FRY

On Thursday afternoon of last week, A. P. Stephens of the Midway community returned from a visit and fishing trip to Lamkin in Comanche county and brought back with him a bountiful supply of choice fish.

He immediately began contacting his neighbors and inviting them to gather at the school grounds in the late afternoon for the big "fry".

Fifty neighbors and friends enjoyed this affair and expressed to Pharies and Mrs. Stephens their appreciation for such a hospitable event.

The News is indebted to one of the neighbors for this write-up of the happy occasion. The moral to be drawn from this story is that all fishermen who come back home boasting of their catch, should, like Mr. Stephens, present the evidence.

MISSIONARIES VISIT LOCAL CHURCH

Rev. and Mrs. Quentin Shortes, missionaries to Central America, will be speaking in both morning and evening services Sunday at the Assembly of God Church, according to announcement made by the pastor, Rev. Leqn Quillin.

They have finished their training, he says, and are awaiting an appointment to their field of labor.

Rev. Mr. Quillin extends a hearty welcome to everyone to hear these missionaries.

MISS CORDIE MAE FARR ENTERS WAYLAND

Miss Cordie Mae Farr, daughter of Mrs. H. Farr of Grassland, left the first of this week to enter Wayland College on a scholarship awarded her by the Woman's Missionary Union of the Brownfield Baptist Association.

She graduated last spring from the Lubbock high school.

Miss Nancy Nell Wyatt, daughter of Mr. and Mrs. N. M. Wyatt, has returned to McMurry College, Abilene, to resume her studies.

Mrs. T. C. Stephens of Lamkin, Comanche county, is visiting in the home of her son, A. P. Stephens of the Midway community.

Recent visitors in the V. F. and Felix Jones homes were Mr. and Mrs. E. G. Jones of Glen Cove and Mr. and Mrs. Ray Jones of Austin.

Started a 10 MILLION DOLLAR CROP

Ten million dollars is a lot of potatoes! And that's the value of the potato crop in the Panhandle-Plains-Pecos Valley Area.

The old potato hoe has been put in the shade by modern methods of farming... including low-cost dependable electric irrigation.

Today... our potato crop is an important industry in the area we serve.

We have so much confidence in the potato industry—and all other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!

HEARING IS HANDICAP TO CHILDREN

The child who cannot hear is badly handicapped. Hard-of-hearing children are often considered backward and become greatly retarded in school when in reality they may be highly intelligent but simply cannot hear much of what is said to them. Children who appear backward in school should be observed carefully to determine if hearing is a factor in the situation.

According to Dr. Geo. W. Cox, State Health Officer, many injuries to the ear can be prevented by keeping foreign objects out of the ear canal, taking good care of the ears during colds and other diseases and observing certain precautions when swimming.

"The cause of middle ear trouble often is diving and swimming," Dr. Cox said. "Protect the ears by wearing a rubber cap or ear plugs."

The State Health Officer declared that no hard instrument of any kind should be used in cleansing the ear canal since it may be injurious. Using ordinary precautions can do much to avoid minor ear trouble which may later lead to partial or complete deafness, the Doctor added.

Clyde Briley left Wednesday for Austin where he will re-enter the University as a Sophomore.

MARCHING DRILLS AT TECH FOOTBALL GAMES

LUBBOCK, Sept. 18.—Exhibition marching drills will be presented this year at Texas Technological College football games and other school events by a precision drill platoon organized from advanced ROTC students.

Wearing special uniforms, the platoon will feature show drills, including silent manual, Jody, Marine drill and others. The group, first of its kind at Texas Tech, will be composed entirely of volunteers, according to Lt. Col L. C. Adams, professor and head of the military science department.

High School facilities, court house, three main streets and the court house square is being converted into exhibit space for the cores of displays reserved at the Memphis, Texas Cotton Carnival, Oct. 2-4. Space is FREE to all exhibitors and all are invited to display natural and industrial resources.

Gov. Beauford H. Jester and a host of other state officials have made reservations to attend the Cotton, Chemurgic & Ceramics Carnival in Memphis, Texas, Oct. 2-4 to exploit the natural and industrial resources of West Texas.

"Calgary Red", sensational slackwire cow boy performer, will be one of a score of featured attractions at the Cotton Carnival, Memphis, Texas, Oct. 2-4.

The Will Rogers Range Riders of Amarillo will be official escorts to Governor Jester in the gigantic Carnival parade in Memphis, Texas Oct. 4.

Street dancing from 8 o'clock until midnight and from 2 a. m. until dawn is free at the Cotton Carnival in Memphis, Texas, Oct. 2-4.

More than 150 exhibits of natural and industrial resources will be displayed in Memphis, Texas, Oct. 2-4 at the Cotton Carnival.

Mr. and Mrs. Henry Bulman of Eunice, New Mexico, were in Tahoka Wednesday on business.
