Tahoka-Slaton Football Game Here Tonight

Tonight the Tahoka Bulldogs will meet the Slaton Tigers on the local football field at 8:00 o'clock in their first conference game this season.

The Slaton team has not been defeated so far this year and has won over much weaker teams. Like Tahoka, they have never really had to pour on the power or pull any of their tricks out of the bag to win. No one knows just how strong they are, but from all indications nobody will run rough-shod over them. They played their first conference game last week-end, winning over Petersburg 26 to 0.

According to all pre-game dope both teams are rated as about even which should prove to be one-of-the-games-of-the-season.

The Tahoka Bulldogs rolled over the weaker-than-expected Morton Indians here last Friday night 58 to 0.

The Bulldogs looked very good at times, especially in their down-field blocking. The Bulldogs passing attack has slightly improved, but it is still hard to tell just how strong the Bulldog squad is. They have won two games and lost one. The two teams that the Bulldogs defeated were both weaker than was expected and were no real test for them. The game that they lost to Littlefield was plain to everyone that they were not in the same class with the Littlefield eleven.

However the Bulldogs were never at any time at full strength against the Morton Indians. Therefore it is still hard to tell just how strong the Bulldogs are or will be when they start their first conference game here tonight against the Slaton Tigers.

Don Akin, fullback scored all three scores in the first quarter of the game against Morton, running 40 yards, 11 yards, and 58 yards respectively. Gilbert Hough ran over the goal line for the extra point of the second TD.

In the second quarter Bill Kelley, guard, picked up a blocked kick and raced 21 yards for a TD. Akin carried the ball over for the extra point. Boyd later went to the air and tossed a 20-yard pass to Horace Strickland, end, across the goal line for the second TD in the second quarter, and Boyd carried the ball over for the extra point. The half ended with the score 33 to 0.

In the third quarter Gilbert Hough, back, raced back 70 yards for a TD after receiving a Morton kick. Again the Bulldogs took to the air a short time later with Boyd tossing another 20 yard pass across the goal line to Reed.

In the fourth quarter, Morton threatened to score after blocking a Bulldog punt and recovering it on the 8 yard line, but failed to gain an inch and the ball went over to the Bulldogs. On the first play Joe Minor took the ball, running through the line on a quick-opening play and scattered 85 yards for a TD. A short time later, Bill Chancey, a guard who moves to the line-backer position on defense, caught a very short punt and raced 43 yards for the final TD. Cowan kicked the extra point and the game ended with the score, Tahoka 58, Morton 0.

FOOTBALL RESULTS

Slaton 32, Petersburg 0.
Croubton 13, O'Donnell 0.
Post 27, Abernathy 0.
Southland 6, Sparrenberg 0.
Wilson 20, Whiteface 7.
New Deal 39, Cooper 0.
Levelland 46, Sundown 17.
Littlefield 36, Seminole 13.
Brownfield 33, Lamesa 7.

Mr. and Mrs. Glenn Loyd, who are living in Midland, have recently completed a new home there, the News is informed. Glenn is the son of Mr. and Mrs. J. A. Loyd of Tahoka, and was reared in Lynn county.

Mr. and Mrs. George Small recently moved their cabin in Ruidoso and moved back down to Tahoka this week. But George says that they expect to return to Ruidoso early next summer.

C. C. Swope Child Is Ill With Polio

Jerry Don Swope, 6, son of Mr. and Mrs. C. C. Swope of Wilson, became seriously sick some two weeks ago and was taken to Lubbock General Hospital for treatment, and there his case was diagnosed as polio myelitis or infantile paralysis.

The little fellow had just entered school at Wilson at the opening of school on the first Monday in September.

New Oil Test Is Started Here

Drillers spudded in a new wild-cat oil well in Lynn county Sunday night or early Monday morning. The well is situated in the southwest quarter of Section 58, Georgetown Railway Company survey, 11 miles west of Tahoka and one mile south of the Tahoka-Brownfield highway, on land belonging to the C. O. Edwards estate in the T-Bar Ranch.

The News is unable to give the depth reached at time of going to press.

York & Harper Inc. has the lease on the land and George P. Livermore is the contractor. A rotary rig is being used. Contract calls for a depth of 5,500 feet.

The Honolulu Oil Company has a lease that covers much of the land in that immediate vicinity.

The Honolulu Company is still drilling on its well near the north line of the county some two miles west of the Lubbock highway and is said to have reached a depth of almost 11,000 feet.

Part Of Stadium Ready For Game

The east section of the new Tahoka High football stadium will be ready for use for tonight's game, according to Maurice Small, chairman of the school board building committee. Part of the steel was delivered Wednesday, and work was begun immediately on the stands.

The remainder of the steel will be delivered Saturday, or early next week.

The east stands will seat about 400 people. When completed, the west stands will seat about 800 people.

Reception Given Teachers By PTA

Members of the Tahoka P.T.A. entertained the teachers with a reception in the Gym on Thursday night, September 25, at 7:30.

Music was furnished by Joyce Williams at the piano. Mrs. Emil Prohl and Mrs. Roy Edwards served at the punch bowl. Guests were served as they arrived and were received by the president, Mrs. Thompson.

Superintendent Vernon Brewer introduced the high school teachers, and Mr. Brown, principal of the elementary school, introduced his teachers.

Mr. Brewer was introduced by President Mrs. Thompson and spoke on "Understanding."

"42" was played for awhile and then the guests gathered at the piano for an old-fashioned sing-song.

Parents and teachers enjoyed meeting and visiting together, and these "get-togethers" are cause for a better understanding between parents and teachers.

About 75 guests attended. The P.T.A. will have its next meeting at 3:00 o'clock on October 9.

The Grade School Halloween Carnival will be on October 31.

EASTERN STAR

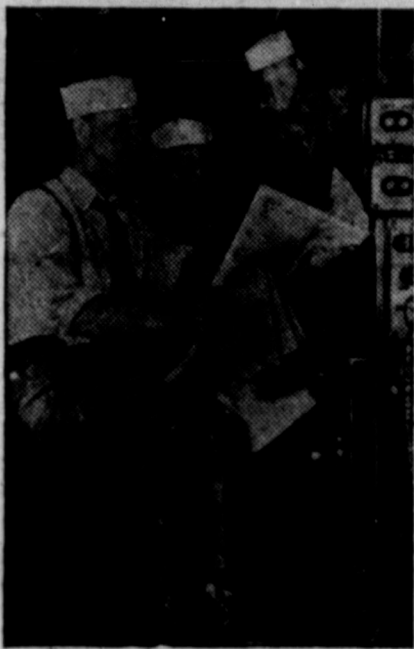

Regular meeting of the Eastern Star will be held Friday night, Oct. 3rd, at 7:30 o'clock.

The annual Friendship Night for District 5 will be held by the local Chapter on October 10.

Signed Zuella Thomas W. M. and Jane Moorehead, Sec'y.

Mrs. W. T. Luttrell and her mother, Mrs. Emma Morrow, left by bus Monday evening to visit relatives at Jefferson, Texas.

Printer's Devil

Former newboy Kay Kyser, now famed as the "Professor," helps pressmen check an edition of the New York Herald Tribune during a visit in honor of National Newspaper Week, October 1 to 8. That week also marks the switch of Kay's "College of Musical Knowledge" program to Saturdays at 10:00 p.m. EST over NBC, starting October 4.

Large Enrollment In Wilson School

J. P. Hewlett, superintendent of the Wilson schools, gave the News a brief report concerning the schools there last week.

Opening the first Monday in September, the school had enrolled about 350 students or possibly a little more. Of this number, 89 are enrolled in the high school.

The faculty consists of himself and fourteen other teachers as follows: J. H. Harper, high school principal; A. H. Smith, vocational agriculture teacher; A. B. Shores, football coach and teacher of Social Science; Mrs. Zane Brewer, high school English; Mrs. Aubi Jo Baucum, Home Ec. teacher; Archie Sims, grade school principal; Mrs. Archie Sims, seventh grade teacher; Mrs. Gladys Cooper, sixth grade; Mrs. Natalie Blankenship, fifth grade; Mrs. Ruth Nelson, fourth grade; Miss Gladys Kirtley, third grade; Mrs. Eugene Heath, second grade; and Miss Ethel Summerlin, first grade.

Over 300 children are being fed in the school cafeteria. Wilson was to play her first conference football game Friday night, the Whiteface team being her contestant.

W. T. C. C. PLANNING FOR NEW INDUSTRIES

West Texans are on "the lookout for new industries for this area."

On Monday, E. L. Buelow of San Angelo, chairman of the West Texas Santa Fe Industrial Development Committee, wrote to Judge Tom Garrard that A. A. Dailey, general advertising manager of the Santa Fe Railway from Chicago would be in West Texas during the first two weeks in October.

"I am placing you on notice," he stated, "in order that you may give Mr. Dailey all the cooperation and information possible. He is making a research on facts that he can use on industrial possibilities in West Texas."

"We expect to call an Executive Committee meeting to employ a competent textile engineer to make a survey on cotton and wool in West Texas."

Congratulations...

Mr. and Mrs. Dea Parker on the birth of a son weighing 7 pounds 3 1/2 ounces at 11:47 a. m. Monday in West Texas Hospital.

Mr. and Mrs. Tobe Kennedy of Gallup, New Mexico, on the birth of a son on Sept. 22, weighing 7 1/2 pounds. He has been named Odie Mac Kennedy. The Kennedys were long-time residents of Tahoka and in fact were married here some fifteen years ago or longer.

Mr. and Mrs. Bobby Hefley of Crosbyton on the birth of a son, weighing 8 1-4 pounds, at 7:45 o'clock Wednesday night, in the Crosbyton Hospital. The mother is the former Miss LaVerne Reddell, daughter of Mr. and Mrs. W. A. Reddell of this city.

1700 Bales Have Been Ginned Here

At 6:00 o'clock Wednesday evening, the five gins in Tahoka had turned out 1765 bales from this year's crop. On that basis it is estimated that more than 6,000 bales have been ginned in Lynn county.

There are many Mexican cotton pickers in the county now and a few Negro pickers. Ginner's report, however, that there are not nearly as many pickers as are needed and that apparently only a few additional pickers have come in this week. That is probably due in part to the action of the Mexican authorities in stopping or curtailing the flow of Mexican labor from old Mexico to Texas on the grounds that these laborers are not being paid fair wages. Surely, there could be little complaint as to wages being paid in this section of the state, for farmers are paying from \$1.75 to \$2.00 per hundred for pulling cotton, the News understands. Any healthy man can pull several hundred pounds per day, and any child 10 years old can make several dollars a day in the cotton fields. There is really big money in the cotton fields of Lynn county for any ordinary Mexican family.

The general run of cotton in this area is bringing 27 or 28 cents, one ginner told the News, but some of the better staple cotton is bringing more than 30 cents.

Another \$5.00 per ton has been stacked onto the price of cotton seed; it is now \$90 per ton—a thing heretofore unheard of in the cotton industry.

Maize is selling for about \$3.10 per hundred, but few railway cars are available for the moving of the crop.

The weather so far has been ideal for the harvesting of both cotton and maize.

Pioneer Citizen Dies Suddenly

C. W. Dean, 64, a resident of the Southland area on the line of Lynn and Garza counties for about 32 years, died of a heart attack at 11:15 Monday night in the West Texas Hospital, about 20 minutes after he arrived there for treatment.

Funeral services were to be conducted at Southland followed by burial in the Slaton cemetery.

He had many friends in Lynn, Garza, and Lubbock counties, who deeply regret his sudden and unexpected death.

MISS VERNER IS NEW TEACHER AT NEW HOME

Miss Wanda Nell Verner has assumed the commercial teaching duties at New Home High School. Miss Verner, who graduated from Meadow High School in 1914 completed the requirements for a Bachelor of Business Administration Degree in General Business during the 1947 Summer term at Texas Technological College.

While attending Texas Tech, she was a member of the Baptist Student Union Executive Council, acting as secretary and editor of the weekly publication of the organization, and was a member of Nu Phi Mu National Sorority.

Prior to taking up her duties here, she was employed by a law firm.

FORD DEALERS TO HAVE NOTABLE EVENT IN DALLAS

Mr. W. L. Burleson of the Tahoka Motor Company has been invited to an all-day program in Dallas on Monday, October 6, when Ed Maher, Dallas Ford dealer, will honor his two sons, who have recently become authorized Ford dealers. This is to be a notable event in Ford circles.

Josh Lee, vice-chairman of the Civil Aeronautics Board and nationally-known speaker, will be the principal speaker at a banquet which will climax the all-day program.

Mr. Joe Waldrep, who recently underwent surgery at the Tahoka Clinic, was taken to her home at Wells last Friday and is reported to be improving satisfactorily.

Former Teacher Home From Korea

Miss Willie Pearl Dockray, former teacher in the Tahoka schools, was here Wednesday visiting old friends.

Miss Dockray just recently has returned from Korea and Hawaii after serving overseas nearly three years in the Army's civilian education program.

She is now associated with her brother, Thord Dockray, in the insurance business in Lubbock.

Seek More Cars For Grain Crop

Recently Judge Tom Garrard, president of the Lynn County Farm Bureau Federation, wired to Senator Tom Connally, Washington, asking the Senator to urge the allocation of more freight cars to this area for the moving of the sorghum grain crops now being harvested.

On Tuesday of this week, Judge Garrard received the following telegram from the Senator:

"Telegram received. Have again conferred with officials stressing need for additional cars to move sorghum grain crop. Am assured orders are today being issued to make available to the roads serving your locality some additional cars.—Tom Connally, U. S. S."

Closely following the receipt of the above telegram, Judge Garrard received on Wednesday morning the following telegram from S. G. Gurley, Chicago, president of the Santa Fe, which is not quite so hopeful; in fact it holds out little hope for relief of the existing car shortage in this area. The telegram follows:

"Car shortage subject your wire yesterday causing us grave concern. Have been exerting every possible effort retain high percentage ownership box cars on our line but Sept. 15 it had dropped to about 77 percent. Last Friday in Washington I made personal appeal for increased allocation of empties to protect sorghum loading but little evidence yet of any results. Quota of empties reaching us from Eastern and Southern lines continue fall short and many cars not satisfactory for grain loading. Assure you we intend press matter constantly and will do our best to help you.—F. G. Gurley, President Santa Fe."

Other Tahokans Are In Colleges

In mentioning Tahoka young people who have gone away to College, we failed to mention Miss Doris Roberts, daughter of Mr. and Mrs. John Roberts, who recently entered Mary Hardin Baylor College at Belton; and Duane Howell, son of Mr. and Mrs. L. D. Howell, who has entered Tech; Also Joretta Hill, daughter of Mr. and Mrs. J. N. Hill, who is a student in John Tarleton Agricultural College at Stephenville. All of these are fine young people and assuredly will make good in their respective schools.

METHODISTS TO HAVE RALLY DAY

The Methodist Church of Tahoka will have their annual Sunday School Rally Day this Sunday, October 5.

This day is being observed on the Sunday following Promotion Day in the Sunday School in order to rally back to the Sunday School those who have not been attending regularly and to encourage the attendance of others who have not been coming.

Everyone is cordially invited to Sunday School at 9:45 a. m. this Sunday, October 5.

Mr. and Mrs. Jack Cox and son John William of Dallas were here over the week-end visiting her mother, Mrs. Mary Woods, Mr. and Mrs. Jim D. H. Woods of Dallas were here during the preceding week-end visiting the elder Mrs. Woods. He is her son.

Mr. and Mrs. H. L. Roddy had as guests over the week-end their daughter, Mrs. Bill Neel, Mr. Neel, and their baby daughter Ova Beth, all of Elco.

Local Exhibits Win Places At South Plains Fair

Of the fourteen counties having county agriculture exhibits at the Panhandle-South Plains Fair, this week, Lynn county won seventh place, which was a good average.

County Agent Bill Griffin is to be congratulated on scoring so high with his exhibit, for he is a rather youthful county agent as compared with many agents in this area, and furthermore not many farmers exhibited very great interest in the matter. The premium for his exhibit was \$40.00.

Farmer county out west of Amarillo won first place and drew a prize of \$100. Garza county just east of Lynn won second place, Floyd county, third, Castro county, fourth, Bailey county fifth, and Terry county sixth. In the list below Lynn county in the order named are Childress, Hale, Briscoe, Swisher, Crosby, Lamb, and Hockley.

Tahoka High Ag Boys Exhibit Wins Fourth

In the vocational agriculture exhibits by high schools, the Tahoka exhibit won fourth place, which was very good. Virgil Carter, teacher of vocational agriculture here is responsible for this winning.

First place in this division was won by Cotton Center in Hale county. Frenship school in Lubbock county won second place, and Idalou in Lubbock county third place. Schools placing below Tahoka were Meadow, Muleshoe, Lorenzo, Spring Lake, Levelland, Silverton and Sudan.

Vocational Ag. exhibits were all designed for their educational value, and Tahoka's exhibit pictured the value of crop rotation and diversified farming.

Other exhibits stressed irrigation, terracing, acreage allocations for the various farm products, etc.

Tahoka High was the only Lynn county school having an exhibit.

Tahoka FFA Exhibit Wins Prize At Fair

Vocational agriculture exhibit of the Tahoka FFA Chapter won fourth place at the Panhandle-South Plains Fair this week, according to an announcement made by the officials Monday. The premium paid for the exhibit amounted to forty dollars.

The theme of the exhibit is, "Will your son have a future in Agriculture?"

The exhibit consists of two models farms showing the advantages of crop rotation over a one-crop system of farming.

The exhibit stresses the importance of preserving the fertility of our soil so that our children will have a fair chance of producing a good living on the farm in the future. It also stresses the danger of loss of soil fertility due to planting the same crop year after year without planting other crops to help build up the land.

Mr. V. P. Carter, sponsor, and the Agriculture boys invite the public to visit the local exhibit in the Agriculture building on the Fair grounds.—Chapter Reporter.

SOCIAL SECURITY REPRESENTATIVE COMING

Elliott W. Adams, Social Security Administration Representative, will be in Tahoka at the U. S. Post Office at 11:00 a. m. on Wednesday, October 8, 1947, for the purpose of answering any questions you may have on Social Security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for Social Security account number cards.

Every holder of a social security card who reaches age 65, and the closest relative of a card holder who dies at any age, should get in touch with the nearest office of the Social Security Administration, to avoid possible loss of Federal insurance payments which may be due.

Paul Walker is reported to be rather seriously sick here this week. Mrs. Walker has been out of the shop and at his bedside much of the time.

THE GRACE OF GOD

Tit. 2:11-12
In our last study we learned that the "love and grace" of God caused the Father to send his only Son to save the sinner. We learned that God gave his Son to die for the sinner, without any man having done anything that obligated the Lord to save the sinner. Hence Paul said, "By grace are ye saved through faith, and that not of yourselves; it is the gift of God, not of works lest any man should boast." Eph. 2:8.

In Titus 2:11-12 that same Paul said, "The grace of God that bringeth salvation hath appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously and Godly, in this present world." In Heb. 2:9 it is said that Christ by the grace of God, should taste death for every man." In Titus Paul has said "that the Grace That Bringeth Salvation hath appeared teaching all men," "Teaching us," Christ the great teacher, the gift of God, the one through whom all men may be saved, commanded his apostles to go teach "All Nations." Mat. 28:18-20. Christ commanded his apostles to preach the gospel to every creature. Mk. 16:15-16. Christ, the gift of God, commanded his apostles to preach repentance and remission of sins in His name, beginning at Jerusalem. Lk. 24:46. Christ said the Holy Spirit would guide the apostles into all truth. Jno. 16:13. In Acts the second chapter we find the apostles beginning to speak as the Spirit guided them, and to preach the gospel of Christ; God's power to save the believer. Rom. 1:16. Thus we see how the grace of God, God's favor toward men, God's love for

WYNNE COLLIER, Druggist

the sinner, made it possible for all men to be saved.

God and Christ makes clear the plan of salvation. God said, "This is my Son—hear ye him." Mat. 17:5. Christ said to his apostles, "He that heareth you heareth me." Lk. 10:16.

The apostles taught the sinner, "To Believe." Acts 16:31. The apostles taught sinners, "To repent." Acts 17:30. The apostles said, "With the mouth confession is made unto salvation." Rom. 10:9-10. The apostles taught believers, "To be baptized for the remission of sins." Acts 2:37-38. Christ said, "He that believeth and is baptized shall be saved." Mk. 16:15-16.

Neighbor, the love of God for man in sin caused Him to provide a way for man's salvation. God's provision for the sinner's salvation through the death of Christ is the expression of God's grace—favor in the interest of the souls of men. The Lord Jesus Christ became the author of eternal salvation to all that obey him. Heb. 5:8-9.

I hope those who read this will read their Bibles and learn from the apostles what Christ has taught you to do in order to be saved, for the grace of God that bringeth salvation hath appeared teaching us. Tit. 2:11. Let us heed the teaching.—Price Bankhead, Rost, Texas.

MISS BILLIE SWAFFORD
WEDS DALE S. THUREN

Miss Billie Swafford, daughter of Mrs. Van A. Swafford of Tahoka, became the bride of Dale S. Thuren, son of Mr. and Mrs. S. A. Thuren of Sharrard, Illinois, in a single ring ceremony read Friday, September 19, at 9:30 a. m. at the First Baptist Church in Lubbock, with Dr. J. Ralph Grant officiating.

The bride wore a brown gaberdine suit with brown accessories and carried a white Bible topped with an orchid.

Mrs. Lewis G. Allsup, matron of honor, wore a gray suit and a corsage of red roses.

Mr. Allsup was best man.

Wedding guests were the bride's mother, Mrs. Swafford, and Mrs. C. J. Breaud of Lubbock.

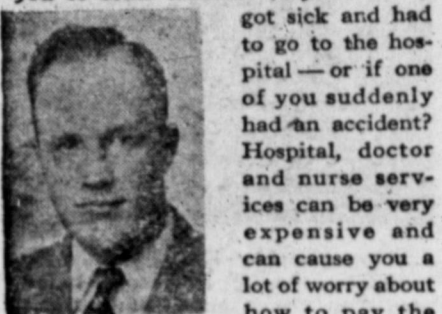

Mrs. Thuren is a graduate of the Tahoka high school and also of a business college. For the past few years she has been doing clerical work here and in Lubbock, having held a position for some time at the Lubbock Army Air Field.

Mr. Thuren did service in the late World War and was stationed for some time at the Lubbock Army Air Field, visiting friends here frequently while still in the service. Since the War he has been farming in the Wells community.

Following a wedding trip to New Mexico, the couple are at home on the farm at Wells.

PEPSI-COLA COMPANY OF TEXAS

Invisible Man Is Out, Garrison Says

By Col Homer Garrison,
Director of Public Safety
Fix your lights so that you can be seen by the other fellow and your brakes so that you can stop, and you'll be all right under the new traffic law, which went into effect September 5.

You must have two burning headlamps and a burning red tail light. The only thing which every motorist has to have after Jan. 1, 1948, which he may not have now is a little white light over the rear license plate. Formerly, reflectors were enough on trailers of all kinds, but after Jan. 1 a burning red tail light is required for any vehicle whatsoever on the road. Trucks and busses under 80 inches wide must have in addition to other lights a stop light and two red reflectors on the rear.

Trucks or busses over 80 inches wide or having an actual or registered gross weight in excess of 3,000 pounds must have the following lights besides the headlamps, tail light, license light, stop light, and two red reflectors: Amber clearance light at front outermost top corner on each side; red clearance light at back outermost top corner on each side; red side marker near front on each side; amber side lamp near front on each side; red side lamp near back on each side.

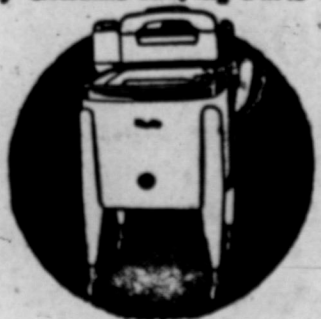

When disabled upon the highway, all types of trucks, busses, and trailers must have three properly spaced warning devices such as pot flares, electric lanterns, etc.

All brakes, must be capable of stopping the vehicle going 20 miles per hour within a distance of 30 feet on a smooth, level surface and must be maintained in good working order so as to be applied evenly on all wheels. Any type trailer having an actual or registered gross weight in excess of 3,000 pounds must have a separate set of brakes thereon.

D. R. Adamson of Dixie, who suffered a stroke on July 20 and has spent much time in hospitals since then, is still showing little improvement, according to his wife, though he has been back home for several weeks.

BANGS DISEASE CONTROL COMMITTEE NAMED

COLLEGE STATION, Sept. 25.—The organization of a state advisory committee to map plans for controlling Bang's disease in Texas livestock herds is nearing completion.

Appointments on the committee have been made out of all livestock breed organizations in the state, including Jersey, Guernsey, Aberdeen Angus, Brahma, Hereford and milk goat associations. Cattle raisers associations, the Livestock Sanitary Commission of USDA's Bureau of Animal Industry, the state department of health and the Extension Service, Agricultural Experiment Station and the teaching division of Texas A. and M. College—all are represented on the committee that will attempt to curb the high toll that Bang's disease, or Brucellosis, is taking among the state's livestock.

Dr. E. A. Grist, Extension veterinarian at Texas A. and M. College, says that several new ideas have already been set forth for consideration of the committee, one proposal being a vaccination program for heifers without tests of adult animals. Another is the possibility of complete herd vaccination with special permission. Also up for discussion by the committee is a plan to include local practicing veterinarians in a Bang's disease control plan.

The committee will next meet in Fort Worth February 12.

DORMITORIES HOUSING MOST TECH WOMEN STUDENTS

LUBBOCK, Sept. 23.—No students were turned away from Texas Technological College this fall because of inability to find housing accommodations, college officials say.

More than 1900 students are living in campus dormitories, and rooms in boarding houses for other students are more plentiful than expected.

With the opening of one new dormitory unit for women, holding 350, most women students are living in dormitories. Another new unit for women is now under construction, expected to be completed in a few weeks, and two new units for men will be furnished later this year.

R. C. Wells has purchased the R. C. Wood home and he and family moved into it the first of this week. Mr. and Mrs. Wood are occupying their residence at Ruidoso.

WEST TEXAS TOWN HAVING COTTON CARNIVAL

A much touted cotton carnival, given much publicity recently under the high-sounding name of "West Texas Cotton, Chemurgic and Ceramic Carnival," opened this morning at Memphis, Texas.

A number of celebrities are on hand or will be on hand to strut their stuff and look after their political 'ences a bit. The most distinguished of the visitors are Governor Beauford Jester, the governor or with the high-sounding name and W. Lee O'Daniel, the Senator with the high-sounding name which he never fails to use.

So there will be plenty of hillbilly music as well as ch-a-music in Memphis today and tomorrow. Yes, and some pretty girl will be elected Queen of the Carnival, but we have an idea she will wear very little cotton.

Really, Memphis is almost out of

the cotton belt. If Texans want to see the real land of cotton, they should come to the South Plains. We have heard of a town down in Dawson county that claims to be the capital of the Cotton Kingdom—a claim which the Hub of the Plains possibly disputes. However that may be we will guarantee a job to any man who will come to Lynn county with a pick-sack on his shoulder.

Mrs. Edward Prati and children left Friday for their home in Asti, Calif., after a month's visit here with her parents, Md. and Mrs. W. W. Rowland.

Mr. and Mrs. A. J. Wyatt recently visited with their daughters, the Mesdames C. H. and A. W. Reagan, and their families at Fortales, New Mexico.

1947 taxes are due—Pay in October and save 3%. 52-4tc

Advertising Rates on Application.

This writer, the senior editor, doesn't often attend a football game. Possibly it is because we never played a game in our life. But we get a considerable "kick" out of the game nevertheless when we do attend. We were out there the other night when the Tahoka team was doing its stuff. Hundreds of people, big, little, old, and young, men and women, boys and girls, were thronging the grounds. Cars were jammed in there like sardines. It was evident that the folks were having a great time—hundreds of them. It is an ideal football field. When the stadium now under construction is completed, many other people will enjoy the sports out there regularly. As we took turn about at watching the game and milling round among the crowds the other night, our mind reverted to other days. We recalled the time when the board of trustees purchased that tract of land out there in the T-Bar pasture on which to build a school. They got a lot of "cussing" for it. The tract was far out, and many of the kids had a long way to walk. But the trustees stood pat, for they knew that they were

getting a big piece of land for a little wad of money, and they had an "inkling" that some day all that tract of land would come in "mighty handy." As for the walk, most of the trustees remembered that when they were kids they walked three or four miles to school without emitting a grunt. Who were the men that made the deal and had the high school building constructed? Here they are, if our memory is not at fault, and four of them have already passed on: Coleman Wells, deceased; Dr. C. B. Towns, deceased; Ed Sanders, deceased; Clifford A. Thomas, deceased; Sam Sanford, J. W. Russell, and E. I. Hill. Jim Weatherford, deceased, was secretary of the board. J. W. Jaquess was one of the men who assisted the contractor in erecting the high school building, and after it was completed he was employed by the board to take care of it. He has done so in a fine way ever since. This is just a little bit of history that some of the teachers and the patrons and the football fans possibly would like to know.

Gen. Eisenhower is being boosted in some quarters for the Presidency. General Wainwright recently received a boost for the office of United States Senator from Texas. Both of these gentlemen have served our country in a fine way. Wainwright gave his liberty and almost his life in resisting the onslaughts of the Japs. Eisenhower led our forces to victory in Germany. Our hats are off to both of them as military leaders and patriotic citizens. But we know practically nothing about their politics. We do not even know whether they are Democrats or Republicans. We do not know what the policies of either would be if elected to the important offices for which they have been mentioned. Grant was a great military leader but a failure as President. The records of both Eisenhower and Wainwright naturally incline most of us in their favor. But we had better not be too fast in committing ourselves in favor of either. We remember that Gen. Wainwright, during the late session of our Texas legislature, spoke to legislators in favor of the par-

mutual horse-racing bill that was then pending before that body—which is one of the most diabolical schemes of robbery ever conceived by the mind of man. We are very sorry that the General gave his approval, for by doing so he lost the confidence of hundreds of thousands of the best people of our state.

COMMUNISTS, A RACIAL GROUP, OR A BIG CITY MACHINE MAY SWING AN ELECTION UNDER OUR ELECTORAL SYSTEM

(Fourth Instalment of an Address by Congressman Ed Gossett of Wichita Falls In The House of Representatives.)

Then there are numerous other minority pressure groups within these large pivotal States (New York, Pennsylvania, Michigan, Ohio, and Illinois) to whom continuous political overtures are made by the strategists of both parties. There are more than a million Italians in New York City. There are 2,000,000 Irish, many of whom are still politically conscious where Ireland is concerned. There are half a million Poles and other large racial groups. Recently there was a great Slavic rally in Madison Square Garden, at which Tito was praised. Perhaps our concern for the votes controlled by these peoples in the large pivotal States has occasioned this tenderness for a despicable dictator. Because of the electoral college, the American Labor Party in the State of New York has power and trading position out of all proportion to its numbers, to say nothing of its merit. It is entirely possible that because of this political strait-jacket, the electoral college system, that said American Labor Party will determine who will be the next President of the United States.

Of late, we have become rightly alarmed over the activities of the Communist Party in the United States. Strange to say, this party has its greatest following and influence in the aforesaid large pivotal States. This party and its fellow-travelers are shrewd political manipulators. What grim irony it would be if they should swing the balance of power and be responsible for the election of a President of the United States.

Again, mention might be made of the undue power and influence given to the big city political machines through the electoral college. Through, and because of the electoral college, a few big cities have elected and will probably continue to elect Presidents of the United States. It is largely within these big cities that the racial, religious, and economic biases are found, and in which they operate. Now, please understand, I have no objection to the negro in Harlem voting, and to his vote being counted, but I do resent the fact that because they happen to live in Chicago, or Detroit, or New York, their vote is worth a hundred times as much as mine because I happen to live in Texas. Is it fair. Is it honest, is it democratic, is it to the best interest of anyone, in fact, to place such a premium on a few thousand labor-votes, or Italian votes, or Jewish votes, or Negro votes, or Irish votes, or Polish votes, or Communist votes, or big-city machine votes, simply because they happen to be located in two or three large, industrial pivotal States? Can anything but evil come from placing such temptation and such power in the hands of political parties and political bosses? They, of course, will never resist the temptation of making undue appeals to these minority groups whose votes mean the balance of power and the election of Presidents. Thus, both said groups and said politicians are corrupted and the nation suffers.

Fifth, the electoral college de-

prives great masses of our best citizens of the educational benefits of national campaigns and lessens their concern in national affairs. Most of our citizens outside of the great pivotal states never see a Presidential candidate or a campaign speaker, and never hear a campaign speech except by radio. Neither the platforms nor the speeches are designed to appeal to them. Furthermore, millions in these areas refrain from voting in general elections, knowing that to do so is futile since their votes will have no bearing on results.

Sixth the electoral college places unconscionable burdens and temptations upon a President elected by it. A President starts out heavily obligated to the organized minority pressure groups in the great pivotal states and to the political machines, often the big-city machines, that were most responsible for his election.

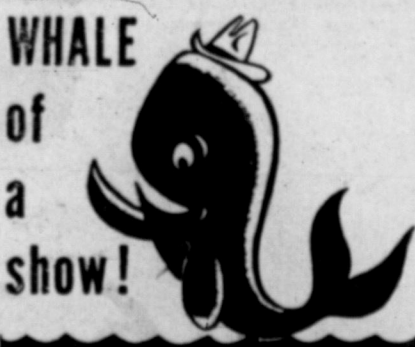

Again, there are those who with great logic contend that by keeping the political machines and the minority pressure groups of the large pivotal states in line, a President can easily re-elect himself if not actually perpetuate himself in office. Further the political satellites and those who benefit from his tenure of office are constantly urging him to do this very thing. Certainly, a President is constantly under great temptation to devote undue attention to and confer undue favors upon these strategic political areas at the expense of and to the detriment of the rest of the country. I certainly would not accuse any President of playing cheap politics, but no President should be subjected to the harassment of groups which, under the electoral-college system, hold such disproportionate political influence and power.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

CARDUI

IN A BIG RUSH!

The busy season is on—But it pays no man to get in such a rush that he neglects to use sound business judgment.

Money is plentiful now—it will be scarce later on. Save some of yours for the future—

BEN MOORE GIVES PECAN LORE

Ben Moore of O'Donnell, Lynn county's tree expert, has addressed the following bit of information and advice respecting pecan trees to the people of Tahoka.

"If you have a pecan tree that is making no growth—and this occurs quite often, here and elsewhere—you should drive by the S. R. Kemp home and note the young pecan tree at the southwest corner of the residence," Ben suggests. "This will explain better than anything which you may read. All the growth was made this season after being cut to the ground. But wait until near May 1 to do your cutting, after leaves have formed."

"Cut roses back after new growth has started in April, and cold, dry winds have abated."

Ben has sold many fruit and pecan trees in Lynn county and he knows his stuff. The S. R. Kemp place is out in north Tahoka near Walter Slaton's residence.

Peace Justice P. D. Server reports that three Mexicans arrested for drunkenness at a dance hall here Saturday night entered pleas of guilty to the charge in his court Sunday, sobered up, and were ready for the cotton patch again Monday morning. Their spree cost them just \$15.00 each.

SHEPHERD TED BRIAN IS ROUNDING UP THE FLOCK

W. P. "Ted" Brian, shepherd of the Deepwater flock out at Wells, was a caller at the News office Tuesday. He was in Tahoka reminding some of the sheep of this pasture that his bell-weatherers are going to have a big feed out at the "Wells" on Tuesday night, October 14—a Brotherhood meeting. All good sheep are invited.

But the big event, so far as the deep-water sheep are concerned, will be the gathering of the Association Brotherhood at that place just two weeks later, October 28. He will tell us more about it later.

JOE STOKES CLUB MEETS WITH MRS. MAEKER

Ten ladies met with Mrs. W. C. Maeker September 25, and helped quilt.

The club will sell Xmas cards to help with their finances.

Hostess Maeker served a delicious plate lunch.

The next meeting will be at Mrs. Buddy Smith's October 9. It is very important that each member be present for election of new officers and planning work for next year. Miss Hard will bring a demonstration on Electrical Appliances.

Mrs. Joe Reep of Sweetwater spent part of last week here with her daughter, Mrs. Travis Inman.

SOCIAL AT JOE STOKES PARTY HOUSE

New Home High School students were entertained with a party and kitchen shower, honoring Mr. and Mrs. Carl Arms, at Joe Stokes, Friday night, September 26.

Various games were played during the evening and the gifts were presented in a program similar to the radio "Bride and Groom" program.

Cakes and cookies were served to: Melva and Carl Arms, Kent McClintock, June Huey, Norma Murray, Leland White, J. W. Barnett, Peggy Murray, Mary Russell, Bonnie Murray, Don Smith, Emadene Robinson, Leta Roland, Joy Dean McClintock, Emma Chancier, Billy Nell Johnson, Fernova Balch, Bobbie Pillingem, Betty Parr, A. C. Pillingem Jr., Jimmie Chancier, Mrs. Ganus, junior sponsor, Mrs. May, senior sponsor, Mesdames Will Arms, Roland, Murray, and Russell.

Gifts were sent by Betty Jean Smith and Coleene Savage.

MRS. UNFRED ENTERTAINS NEW HOME STUDY CLUB

The New Home Study Club met last Wednesday with Mrs. Connally Unfred. The program topic for the evening was Fashion and Style. After a short business session Mrs. Dwight Corbell discussed Sport Clothes and Mrs. Roger Blakney discussed Dressy Dresses.

Refreshments of cream puffs and cakes were served to Mesdames Burr Morrow, E. R. Blakney, D. D. Renfro, Joe Mack Armontrout, Virgil Haley, Glen Allsup, Crayam George, Roger Blakney, Clyde Ashcraft, Leroy Nettles, A. L. Pace and George Hancock.

THE H. L. McMILLANS**HAVE VISITORS THIS WEEK**

Dub Offett of Plano was here Wednesday and Thursday visiting his sister, Mrs. H. L. McMillan and family.

Also, Mrs. Eual Akin and little son Edward Lee came up from Lamesa Wednesday morning to visit her parents, Mr. and Mrs. H. L. McMillan, and her brother, Harry L. McMillan, now at home on leave from the Navy. Eual came up Wednesday night for brief visit with them and with his parents, Mr. and Mrs. George Akin.

NEW HOME CHILD HAS BIRTHDAY PARTY

Mrs. Win Overstreet entertained her son, R. E., age three, with a birthday party last Thursday evening. Moving pictures were taken of the children as they opened the gifts and ate the birthday cake.

The children attending were John and Judy Lowery, Silvia, Larry, and Lynn Edwards, Edwina Overstreet, Tona Unfred, Rodney and Anita Pace, and Stevie Allsup.

The mothers attending were Mesdames Connally Unfred, Glen Allsup, J. B. Edwards, E. R. Blakney, and A. L. Pace.

JAMES APPLEWHITE WEDS AMARILLO GIRL

Mrs. Geraldine Hunsaker, daughter of Mrs. T. R. Herbert of Amarillo, and Jimmy Applewhite, son of Mr. and Mrs. J. K. Applewhite of Tahoka, were married Thursday evening, September 25, at 8:30 o'clock in the home of Mr. and Mrs. Sam Pruitt of Brownfield, sister and brother-in-law of the groom. Rev. J. Preston Murphy, pastor of the Presbyterian church, performed the single ring ceremony before a fireplace flanked by baskets of gladioli and lemon leaves.

Mrs. Peatrice Walker, another sister of the groom, served as matron of honor, and Mr. Walker was best man.

The bride wore a black gaberdine suit with a white eyelid embroidered blouse, and black accessories. She carried a white Bible topped with a white gladioli corsage. She is a graduate of the Amarillo high school.

The groom is a graduate of the Tahoka high school and is associated with his father, in operating a farm implement shop in Tahoka where the couple will make their home following a wedding trip to Cloudercroft, N. M.

A reception was held immediately following the ceremony with Mrs. Pruitt presiding at the refreshment table.

Guests at the wedding were Mrs. Spencer Kendrick and Mr. and Mrs. Mike Barrett of Brownfield.

DID YOU EVER SEE A PALACE MADE OF CORN

We have eaten lots of bread made of corn. We have seen some likker that was made of corn. We have fed lots of corn bran to Old Bossy. We can conceive of a dog house made of corn stalks. But we have never seen a mansion that anybody claimed was made out of corn.

Nevertheless, we have before us as we write a postal card bearing the picture of a magnificent building erected entirely of corn at Mitchell, South Dakota, and designated the "World's Only Corn Palace." In it is held South Dakota's annual corn festival during the last week of September.

W. R. McNeely brought the card with him recently when he returned from the wheat harvest. Also he brought a big china plate in which is engrained a picture of the corn palace. Mrs. McNeely brought them to the News office Wednesday to exhibit them as curios.

Come to think of it, Waco had a great Cotton Palace once; and Tahoka could have one built out of cotton bales, cotton bolls, cotton burs, cotton stalks, cotton seed, cotton fabrics, or just any old thing made of cotton; and could have a cotton U. S. Flag floating from its dome, with a cotton Texas flag beneath it, heralding to the world the riches and the resources of the greatest state in the greatest country that the world has ever known.

LOCAL REXALL STORE MAKES HONOR ROLL

The certificates of Merit, awarded by the Rexall Drug Company of Los Angeles, California, for exceptional service, was received today by Wynne Collier, druggist.

Mr. Collier, owner of the drug store, said that the certificate is awarded each year to a few selected Rexall drug stores by the International Association of Rexall Clubs and the Rexall Drug Company for outstanding performance during 1946.

"The certificate will be hung on the wall of his drug store," said Mr. Collier. It states that the store and its staff have rendered exceptional service to the community, and to follow Rexallites, through unselfish participation and wholehearted cooperation in the ideals of drug store service.

J. E. FLEMING WEDS LORENZO GIRL

J. E. Fleming, son of Mr. and Mrs. P. K. Fleming of Tahoka, was married to Miss Margie Mae Stanley, daughter of Mr. and Mrs. B. W. Stanley of Lorenzo, on September 20 in the home of the groom's sister, Mrs. L. L. Baker, who lives at Caps near Abilene according to a report of the wedding given to the News this week by his parents. Rev. L. R. Baker read the marriage rites. The couple were accompanied to Abilene by the bride's cousin, Miss Velda Stanley.

Mrs. Fleming has been employed in Lubbock the past few months.

Mr. Fleming served in the Army Air Corps for four years, and after his release he was engaged in the service station business in Tahoka for awhile. He has just recently returned from Los Angeles, California, where he was employed by General Motors.

After the first of January the couple will make their home on the farm east of Tahoka.

The News man learned in Wilson last Friday that former County Commissioner Pat Swann was a patient in a Lubbock hospital and had been there for a week. His malady, it seemed, was not positively known but it was hoped that he could be released from the hospital within a few days from that time.

A. M. CADE

Office Over
First National Bank

September 23, when the meeting was held in the home of Mrs. Fred Bucy.

Fifteen members were present to enjoy the program with Mrs. Alton Cain acting as program chairman. Mrs. Cain discussed "Education in Texas," and Mrs. G. M. Stewart introduced Ethlene Bucy, who spoke to the group on "Sulphur in Texas."

Plans were made by the group in a business meeting over which presided the president, Mrs. Coy Fielder, to sell all club equipment at the youth center. Members were served a refreshment plate by the hostess.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome. Ed Hamilton, W. M. Chas. B. Townes, Sec'y.

MISS BILLIE JO COWAN HONORED WITH PARTIES

Miss Billie Jo Cowan, who is to be married to Mr. Charles Freeman of Crosbyton on Sunday, October 5, at the First Baptist Church in Tahoka, has been honored with a series of parties recently.

Miss Paula Grant and Miss Ruth Slaiton of Lamesa complimented her with a breakfast on Sunday morning, September 14, at 8:00 a. m. in the home of Mrs. Grant. The table was decorated with a centerpiece of fall flowers, and miniature bridal bouquets marked the guests' places. Eleven guests were present. The hostess' gift to Miss Cowan was a sterling silver cream and sugar service.

Mrs. M. M. Shearer and Miss Bobbie Cox of Lamesa feted Miss Cowan with a coke party Tuesday afternoon from six to seven p. m. at the home of Mrs. Shearer. The house was attractively decorated with bouquets of fall flowers, and the guests' places at the table were marked with corsages. Sandwiches, individual salad, cake and cokes were served to fourteen guests. The guests wrote their favorite recipes and presented them to Miss Cowan. The hostess' gift was a set of dressing table lamps.

On Thursday evening, September 18, from seven to nine p. m., Mrs. R. R. Townsend and Mrs. Homer St. Clair of Lamesa honored Miss Cowan with a party in the home of Mrs. Townsend. As the guests arrived, they were each given a cup towel to hem, which were later given to Miss Cowan. Punch, sandwiches, and cookies were served to fourteen guests.

Miss Jo Stricklin and Mrs. Durward Williams of Lamesa entertained Tuesday evening at 7:30 with a Mexican-style supper in the home of Miss Stricklin honoring Miss Cowan. Each place was marked with a Mexican-designed napkin and place card. Enchiladas, pickled chilis, salad, fritos, crackers, and coffee made up the menu. Gifts of kitchen utensils were presented to Miss Cowan. Twelve guests were present.

MRS. LUTTRELL GIVEN BIRTHDAY PARTY

After having their program from the book, "The Rural Church," Monday in the home of Mrs. Floyd Walters, the women of the Redwine and Bethel communities spent their social hour in celebrating the birthday of one of their number, Mrs. R. R. Luttrell.

Mrs. Luttrell was led into a room to a table laden with gifts while the women sang "Happy Birthday To You."

Refreshments were served to the following: Mesdames J. R. Montgomery, W. R. Trawick, John Berry, M. B. Walters, W. P. McDonald, H. M. Patterson, Ed Carpenter, W. Z. Florence, Willis Pennington, C. B. Evans, G. C. Watson, K. W. Phillips, J. F. Phillips, Perry Patterson, T. L. Pond, Tom Smith, C. B. Early, Floyd Walters, R. D. Whitmore of Dallas and M. L. Henry of Tahoka.

WEINER ROAST AT MURRAY HOME

Joe Stokes H. D. club ladies entertained their families with a weiner roast at the C. L. Murray home Saturday night.

Those present were Messrs. and Mesdames Homer Campbell, Bunk Gill, Alvin Shambley, H. D. Dean, Buddy Smith, H. A. Parris, Gene Roland, G. L. Walker, Tom Russell, and their families. They had a feast as usual.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933

Of The Lynn County News published weekly at Tahoka, Texas for October, 1947.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared E. I. Hill, who, having been duly sworn according to law, deposes and says that he is the Publisher of The Lynn County News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, managing editor, and business managers are: Publisher, E. I. Hill, Tahoka, Texas; Editor, E. I. Hill; Frank P. Hill, Asso. Editor; both of Tahoka, Texas; Managing Editor, same; Business Managers E. I. Hill, Tahoka, Texas.

2. That the owner is: E. I. Hill, Tahoka, Texas, and the heirs of Mrs. Berta Hill, deceased, as follows: Frank P. Hill, Tahoka, Texas; E. I. Hill Jr., Mt. Rainier, Md.; Mrs. Berta Hill, Floresville, Tex.; Myrtle Rochelle, Lubbock, Tex.; William E. Hill, Tahoka, Tex.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent of total amount of bonds, mortgages, or other securities are: None.

4. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 2,900.

E. I. Hill, Publisher
Sworn to and subscribed before me this 27th day of September, 1947.

Coy Fielder, Notary Public. (My commission expires June, 1949.)
(SEAL)

Relief At Last . For Your Cough

Cremulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
CREMULSION
For Coughs, Chest Colds, Bronchitis

Mrs. Jennie Lankford visited her son W. M. Lankford at Electra over the week-end.

COBB'S

FINGER-PRINTING YOUR Cotton!

The numbered tag which is fastened to each bale of cotton when it enters the warehouse, makes bale identification as positive as a human finger-print.

This same number also appears on your warehouse receipt and stays with each bale sample wherever it goes. This dependable method of identification simplifies and speeds up the sale and transfer of cotton. It enables both buyer and seller to trade in cotton with the utmost convenience and confidence.

COBB'S

THOUGH HE APPEARS FEROCIOUS, Bozo is full of fun and ready to welcome the two million visitors expected to attend the State Fair of Texas, at Dallas, Oct. 4-19. Bozo is just one of many thrill rides and top-notch attractions on the million dollar Midway at the State Fair.

WORLD WIDE COMMUNION SUNDAY

At the morning service of the Methodist Church there will be observed this Sunday, October 5, a Communion Service that will have an especial significance.

Methodist Churches throughout the world unite, with most of the Protestant denominations in this observance which makes it a World-Wide observance. No hour of the twenty-four of October 5, will go by without Christians remembering one another in love and communion at the Lord's Table in thankfulness for the new life and fellowship in Him.

All Methodists and any others who desire to come are earnestly urged to share in this observance. The morning service at the Methodist Church begins at 10:55 a. m.

MRS. PAT KANE GAIGNAT WEDS LUBBOCK MAN

Mrs. Patricia Kane Gagnat, formerly of Tahoka but more recently a resident of Lubbock, was married to Mr. Herbert Leaverton of that city in Santa Fe, New Mexico, at 6:30 o'clock last Friday evening.

She is the daughter of Mrs. Frances Xavier Kane of New York. Although she lived here only a short time, she was very popular here.

Mr. Leaverton is a son of Mr. and Mrs. D. N. Leaverton of Lubbock and is associated with his brother, Dave N. Leaverton Jr., in a liquefied gas company.

Attending the couple when the wedding rites were read were Mrs. Charles Verne, of Tahoka and Harry Holcomb, brother-in-law of the groom. Mrs. Holcomb, sister of the groom, was a guest.

The couple will make their home in Lubbock.

Miss Chattie Mae Savage, daughter of Mr. and Mrs. Lee Savage of Tahoka has entered Abilene Christian College and is majoring in the field of education.

Membership in the nation's farmer marketing and purchasing cooperatives went over the five million mark for the first time in the 1945-46 season.

Proper packing methods are a necessary part of the whole plan of quality conservation in eggs from the time they are produced until they are consumed.

BAPTIST NOTES

A special collection for state missions was taken at the First Baptist Church Sunday and near \$400.00 was contributed.

Pastors Levi Price of Tahoka and Matt Hale of O'Donnell are speaking in some of the churches of Lynn county at night this week in the interest of the Stewardship campaign being made throughout the bounds of the Southern Baptist Convention. They exchanged pulpits Wednesday night, and the visiting preacher's discussion here was highly appreciated and complimented.

Recently the Baptists sold the old house that was acquired with

the lot in south Tahoka purchased as a building site for a Mission. About \$200.00 was realized from the sale. The house has been removed from the premises.

During the week of September 21-27 the W.M.S. observed the Statewide Week of Prayer, meeting five afternoons for programs on Stewardship. The week's programs were preceded by an all day meeting with covered dish lunch and the review of the book, "The Country Church", Mrs. Levi Price directing the program.

IS BIG TIME BUSINESS NOW

King Cotton has found the promised land! Here in the fertile Panhandle-Plains-Pecos Valley Area we market more than \$81,000,000 worth of cotton and cotton seed a year.

New uses are being found constantly for one of our number one crops. And today "the old cotton patch" is big time business for the folks in our area.

We have so much confidence in the cotton industry—and all other industries we serve—that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!
