"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 44.

Tahoka, Lynn County, Texas, Friday, October 24, 1947

Number 3

Farm-to-Market Road Contracts Will Be Made

The Lynn County commissioners court will probably let the contract soon for the building of roads that will virtually complete the program of farm-to-market-road construction as laid out when the county bond issue of more than \$800,000 was voted last year, according to County Judge Tom Garrard.

The proposed contract will include a road from a point in the Tahoka-Post highway three miles east of Tahoka city limits to a point seven miles south in the Midway community and thence four miles west to the Tahoka-O'Donnell highway at the lake; and also a road beginning at a point in the Tahoka-Brownfield highway seven miles west of Tahoka and extending south 10 miles to a point one mile east of Wells.

Judge Garrard says that there will not be enough money left from the proceeds of the county bond issue to construct all this mileage but that the work will be finished by the issuance of county warrants. Luckily these warrants can be issued and paid without any extra cost to the county, he believes. This is made possible by the fact that a larger and larger amount of money is being received year after year from the gasoline tax collected by the State under a recent enactment. This amount has increased by leaps and bounds the past two years with the prospect that it will increase considerably more for the next few years.

This money goes into the Road and Bridge fund and the warrants will be issued against that fund and will eventually be paid from that fund, it is hoped and believed.

The court has in mind the construction gradually of other roads in the county during the next two or three years. One of these will be an extension of the road from Dixie community west to Petty and from Petty south to the Tahoka. (Cont'd. on last page)

Tahoka Awarded 1948 WTCC Meet

Tahoka was named the 1948 convention city of District 2, West Texas Chamber of Commerce, at the annual district meeting held in Plainview Thursday of last week. Tom Garrard, who last year was elected district director and re-elected to the post Thursday, presided at the Plainview meeting.

Winston C. Wharton, local chamber of commerce president, and J. A. Biggerstaff, director, attended the meeting and presented Tahoka's invitation, which was accepted without opposition.

As contrasted with old WTCC conventions, however, the meeting in Tahoka next year will be a very tame, half-day affair, in which the representatives from 25 towns in district 2 meet to form policies of the WTCC work.

Last week at Plainview, the proposed work for the next year was thoroughly discussed. Principal addresses were by Max Bentley and Mr. James of the WTCC staff and Mr. Garrard.

At a meeting of directors of the local C. of C. held Monday, Hubert Tankersley was named Tahoka's director on the board, succeeding Garrard, who had become district director.

THEFT OF \$180 FROM O'DONNELL REPORTED

When employees loaded a washing machine out front, someone crept through a side door Monday and extracted \$180 from a cash register of Home Furniture company, at Doak and Main, Alton Edler, store owner, told the Lynn county sheriff's department.

"It took three tries, but whoever it was made it," Edler said. A radio valued at \$29.95 was taken from the store two weeks ago, but Edler said he was uncertain whether the offense was a burglary or a theft.

Pigs Are Needed By 4-H Club Boys

So many boys of Lynn county are joining 4-H clubs and taking pig raising projects that the supply of pigs has run out, according to Bill Griffin, county agent.

He needs a number of boar pigs to feed out as fat barrows in the club boys' feeding program. Anyone having Duroc, Poland China, Chester White, Berkshire, or Spotted Poland China boar pigs is requested to contact the county agent who has a good market for them.

Contract Let On Wells-Draw Road

The State Highway Commission on Tuesday of this week let a contract to Kerr & Middleton of Lubbock for the construction of 15.26 miles of highway from Wells to Draw, to be known as Farm Highway No. 213.

Contract calls for grading, structures, flexible base and double asphalt surface treatment, the contract price being \$102,958, which would seem to figure out about \$6,746.92 per mile.

This is a state project to be built entirely with state funds. Kerr & Middleton are same contractors who built the State Farm Highway No. 211 from New Home to Wilson, and who have had three county contracts. They built all the farm-to-market roads that have been built in precinct 1 and precinct 4, as well as the farm-to-market road from Wells to O'Donnell and thence to the Draw vicinity. Their work in the past has been very satisfactory, which gives assurance that the Wells-Draw farm highway No. 213 will also be well built.

Farm Bureau Is Seeking Members

Tom Garrard, president of the Lynn County Farm Bureau, reported that thirty Lynn County farm leaders met Thursday evening, October 23, and made extensive plans for an extensive drive for members in the Lynn County Farm Bureau. "If we expect to get our share of the national income we will have to be organized and represented on the state and national basis," Mr. Garrard said. "It takes active members and their dues to get the job done. We want every person sincerely interested in the farmers welfare to join our Farm Bureau."

Mr. R. L. Pirtle of Draw is the County Membership Chairman and his community helpers are: Hubert Tankersley, Graham Hensley, Earnest Herring, J. L. Rumbo, Clarence Church, Sam Miller, W. M. Smith, J. L. Schooler, Charlie Lichey, V. A. Botkin, and J. R. Strain.

Mexican Wounds Self-Inflicted

Rebuffed and criticised by another man's wife with whom he had become infatuated, a Mexican about 55 years of age, in a fit of anger and despondency, sent a bullet through his own arm out near Petty Tuesday.

He was brought to the Seale Clinic, Tahoka, for treatment and the arm was placed in a cast. The bullet had passed through the upper arm at the shoulder. It was hoped that the arm could be saved.

There is one commendable thing that can be said about this Mexican's conduct, he shot himself instead of the woman. It would be much better for all concerned if persons with murder in their hearts would turn their guns upon themselves before undertaking to kill somebody else.

MRS. J. F. STUART UNDERGOES SUCCESSFUL EYE OPERATION

Mrs. J. F. Stuart was returned to her home here Saturday from West Texas Hospital where she had undergone an operation on the right eye on Thursday of the preceding week. She had been practically blind in that eye for two or three years from a cataract. The sight has been restored by the operation and it is hoped that the cure will prove to be permanent.

Movement Starts For Erection Of Show Building

A movement for the erection of livestock show barn and judging pavilion in Tahoka for use of the 4-H and FFA clubs and others was started at a meeting of the Tahoka Chamber of Commerce directors Monday night. Committees to plan the project will be appointed shortly and another meeting of C.-C. officials and agricultural leaders will be held Monday night, Nov. 3, according to Clint Walker, local AAA secretary who is also serving as secretary of the Chamber of Commerce. W. C. Wharton is president of the body.

Also attending Monday night's meeting were County Agent Bill Griffin, School Supt. Vernon Brewer, and Vocational Ag. teacher Virgil Carter.

More definite plans will be formulated at the November meeting, but it is hoped that a permanent site of from one to three acres can be secured near town, and an adequate show barn at least 50 by 100 feet in size erected. Looking to the future, a small judging ring would be included in the building, but it would be erected so that a larger ring could be added later and in order that the Lynn County Fair may be revived at some future date and use the site for permanent quarters.

The body will investigate the possibility of securing war surplus materials in erecting the show barn, but if this is not possible, a barn will be erected anyway, if sufficient funds can be raised.

County Agent Griffin states that he hopes to have 150 hogs, 40 fat calves, 10 to 20 dairy cows and a few lambs in next Spring's club show, and that it will be almost impossible to hold such a show on the outside as has been done in the past. If the proper show barns were available, it would be possible to hold two or three larger, and better shows each year than has been the case in the past.

Two Are Charged In Theft Cases

A couple of bold young thieves entered the farm of Fritz Speckman in the Lakeview community on Thursday night of last week and loaded into a trailer hooked on to the rear end of their car about 5,260 pounds of maize which had been harvested by a combine and piled up on the turn-row in the field.

They took their loot to Ropesville and sold the same to Fontaine Wyatt, a grain dealer there, who operated a grain store in partnership with his brother N. M. Wyatt in Tahoka for many years. Wyatt, of course, had no suspicion that the grain was stolen property.

A shovel had been borrowed from a neighbor of Speckman by the bright youths, however, and the grain had been sold to Wyatt in the name of one of them. So, it was little trouble to trace them, Sheriff Sam Floyd says.

Charges were filed against J. W. Box of Brownfield, 17, and his cousin Denton Box of Dublin, 21, and Sheriff Sam Floyd and Ranger Norvell Redwine went down to Dublin Sunday, where the two youths had been apprehended and brought them back to Tahoka the next day. Their bonds were set at \$1,000 each, which they made and were thereupon released to await the action of the grand jury when it convenes again.

The maize was sold to Wyatt for approximately \$168.00.

MINOR OPERATIONS AT SEALE CLINIC

The following tonsillectomies have been performed at the Seale Clinic the past few days:

Tommie Brian, son of Rev. Ted Brian of Wells, on last Friday; Jerry Hutcheson, son of D. J. Hutcheson, on last Friday; Elwayne Croftwell, son of Mrs. O. A. Croftwell, last Saturday; Bill Kopecky, son of Mr. Clarence Kopecky, Monday; Melvin Croftwell, son of Mrs. O. A. Croftwell, Wednesday.

Lions Club Views Moving Pictures

Tuesday night's Lions Club program was an educational film presented by E. L. Jeter on the science of developing soft water, the ill effects of hard water, etc., the picture being in color.

Bill Griffin is president of the Lions Club.

Bids Sought On Lyntegar Building

The Lyntegar Electric Cooperative will receive bids and expects to let the contract Monday for the construction of an office and warehouse building on Main Street on the block immediately south of the Stanley Funeral Home.

The office compartment will have a floor space of about 4,000 square feet and the warehouse about 4,500 square feet, according to Manager Garland Pennington. The building will be of brick and tile construction, with a plate glass front, and certainly will be a most handsome and attractive one, according to the blue prints exhibited to a representative of the News by Miss Robbie Milliken, office manager.

The office compartment will have a frontage of 112 feet facing Main Street on the east but will be set back from the sidewalk a distance of about 15 feet. Its depth east and west will be about 36 feet, and there will be a space of about 20 feet between it and the sidewalk on the south. The warehouse compartment, 66 feet east and west by 70 feet north and south, will join the office compartment on the west but will extend north to the north line of the Lyntegar property, occupying the northwest portion of the Lyntegar block.

The space directly north of the office compartment and east of the warehouse compartment, together with the 15-foot strip in front of the office compartment and the 20-foot strip to the south of it will be developed into a most attractive lawn, while the southwest portion of the block will be used as a parking space. This space lies immediately across the street east from the Methodist Church and will consist of the space heretofore used as the backyard of a (Continued on Back Page)

Rev. Rosenberg Is Rotary Speaker

Rev. John Rosenberg, pastor of the Methodist Church, was the principal speaker at the Rotary luncheon Thursday.

"This community is the world" is the seemingly absurd statement that he took for his subject. His purpose was to show that in this modern day, all of us are world citizens. We can not live apart from the rest of the world. It depends upon us and we depend on it. Everything that we do affects the whole world and we are affected by everything that the rest of the world does. He marshaled some very obvious facts to show the truth of that statement; and then drew the conclusion that a heavy responsibility rests upon every one of us individually. The Club greatly appreciated his discussion.

Elder Luther Norman, Minister for the Church of Christ here, is a new member of the Rotary Club, having been received into the Club at a recent meeting.

Superintendent Vernon Brewer announced that the bleachers at the high school athletic field will be ready for occupancy at the football game between Post and Tahoka tonight.

Walter Applin reminded the Rotarians that the Boy Scout Court of Honor meeting will be coming up in November and suggested that since the Rotary Club is sponsoring the Boy Scouts they should be prepared to give it both their moral and financial support.

\$40 STOLEN FROM VERNON STEELE'S HOME

Some thief entered the home of Vernon Steele Sunday night while he slept and stole about \$40.00 in money from his trousers pocket. If the sheriff has any clues as to the identity of the thief he failed to disclose that fact.

Tahoka Bulldogs, Post Antelopes Meet Tonight In South Plains Most Important Class-A Tilt, As New Field Is Dedicated

Bullpups, Lamesa Whirlwinds Tie

Last Wednesday afternoon the Tahoka Bullpups upset the dope bucket by holding the strong Lamesa Whirlwinds to a 0-0 deadlock on Foust Field.

The game was played before a large crowd of grade school and high school students as well as a few local fans, having the honor of being the first team to play on Foust Field since the completion of the new football stands.

The Bullpup squad and the Whirlwind squad is made up of Seventh grade boys, and will be the stars of tomorrow on the Bulldog and Tornado football teams.

School Carnival Is Next Tuesday

"Hot dogs, peanuts, popcorn, and hamburgers!"
Right this way, three shots for a dime!

"Prizes—try your luck at fishin!"
"Everytime a winner. Cake walk right here!"

These are a few of the familiar cries that will be heard at the annual ALL SCHOOL CARNIVAL, sponsored by the local Parent-Teacher association, which will be held at 7 o'clock Tuesday night at the grade school gymnasium.

Proceeds received at the entertainment will be used to install an (Cont'd. on last page)

Husband Of Former Lynn County H. D. Agent Is Killed

Friends of the former Miss Maurine McNatt, who was county home demonstration agent here for about two years but who married and left the county three or four years ago, were grieved to learn that her husband, Lt. Col. Samuel K. Eck, 44, of the Army Air Corps, was killed in a crash of his private plane near Richfield, Utah, Monday.

During the war, Lt. Col. Eck was stationed at the Lubbock Army Air Field for more than a year, but for some time he had been living at Mount Pleasant, Utah, where he operated an airport.

His wife was in Greenville, Texas, at the time of his death, and the body was to be sent to Greenville for funeral services the latter part of this week.

CHURCH OF CHRIST BUILDING MINISTER'S HOME

The local congregation of the Church of Christ has started the construction of a Minister's home on its lots immediately east of the Church.

The building is to consist of five rooms and a bath room, with all necessary closets, the entire building being 33 by 43 feet in size.

The material to be used is interlocking tile, much of which is already on the ground, and the foundation of the building has been completed. The outside of the building is to be treated with four courses of stucco, the two outer courses to be criss-crossed with groove so as to give a brick effect.

The interlocking tile itself is a new and reputedly superior material, and hence the Minister's home is to be one of the most substantial as well as one of the most attractive in Tahoka.

MINISTER'S RADIO PROGRAM ANNOUNCED

Announcement has been made that Luther Norman, Minister of the Church of Christ here, will speak over KPET, Lamesa radio station, at 9:30 o'clock on Wednesday morning of each week; Dial 690. You are invited to tune in and hear him.

Paul McClung, Minister of the Church of Christ at Lamesa, will speak at the same hour each Tuesday morning; and Dan Kelsey, the Ackerley Minister, will speak each Thursday morning.

The newly constructed stands at Foust Field will be open to the public tonight when the Tahoka Bulldogs, who will also be playing for the first time this season in their blue and white uniforms, will meet the strong, fast, aerial-minded Post Antelopes in the most crucial battle in District 6-A so far this season.

The Post eleven will outweigh the Bulldogs approximately 10 lbs. per man average and feature S. Hester, 155 pound HB, who fires passes all over the field to his receivers and seldom misses his target. Hester is not only a good passer, but can also carry the pigskin with plenty of drive and speed. Junior Malouf, 155 pound FB, is the speed merchant and line-buster who sparks the Antelope running attack. S. Bengie is also a running triple-threat in the backfield. P. Hill, QB, is a smooth ball handler working from the T formation, he is the key man who starts the tricky plays used by the Antelope eleven. The two Antelope ends, H. Ingram and B. Johnson are also triple-threats to the Bulldogs as they are pass-snatching demons who can turn on the steam and eat up the yardage after receiving both short and long aeriels. They are both tough men to handle on defense as well as offense.

The four fast-moving, line-plunging Bulldog backs operate behind a stone forward wall consisting of Cowan and Carter, ends; Kahl and Croftwell, tackles; Chancy and Kelley, guards; and Hinkle at center, and several other linemen that are just as good as the ones mentioned above.

In the Bulldog backfield the running attack is sparked by fleet-footed Joe Don Minor, 155 pound HB; Van Brookshire, HB, is another fleetfooted speedster who has (Cont'd on back page)

7-780 Bales Cotton Ginned In Tahoka

Up to nine o'clock Thursday morning 7,780 bales of cotton had been ginned in Tahoka this season, according to ginner's reports given to the News. Approximately 2,400 bales have been ginned since Thursday morning's report last week, according to these figures.

The more than twenty gins in the county have probably turned out more than 32,000 bales.

The price for seed has again dropped a bit, the price now being \$80.00 per ton.

The weather has been ideal for harvesting the crops and the numerous Mexican pickers in the county have been getting the cotton out fast. There are also some immigrant Negroes here.

A light frost that would cause the cotton to shed its leaves would not be unwelcome now. When frost does come, the cotton harvesting machines will come into more general use.

WILL ENTER LAMESA SHOW

W. M. (Bill) Thompson expects to enter his horses in the cutting horse contest and the Palomino contest at the horse show in connection with the Lamesa Fair next week.

Studies of animals indicate that the greater their mental capacity, the more sleep they require.

MISS ELIZABETH PRESTON IS CRITICALLY ILL

Scores of Tahoka friends will be grieved to learn that Miss Elizabeth Preston, who came to Tahoka in its pioneer days and spent many happy years here, is now critically ill at the home of her sister, Mrs. Mary Preston Schroder, who lives at McNary near the Rio Grande below El Paso.

Mrs. E. I. Hill received a letter from Miss Elizabeth Sunday stating that she is suffering from an incurable malady and indicating that she feels that she can not live long unless a gracious Providence intervenes. "I am so very ill," she writes, "that I can't sit up so write. Please pray that I live. It is a continuation of cancer infection. I wish I were close to my Tahoka friends. They would visit me. It is so far (here) from every one."

Notwithstanding the pathos of

her condition, she expresses a marvelous devotion to her God.

Miss Elizabeth will be remembered here as one of the most devout, unselfish, and self-sacrificing Christian characters that ever lived here—always busy helping somebody else and actively serving humanity and the Lord. Her friends here could do a good deed by writing her. Address all letters in care of Mrs. Charles Schroder, McNary, Texas.

Mr. and Mrs. Paul Walker, accompanied by two nieces of Mrs. Walker's, Juanelle and Sue Brooks, left Saturday for Oklahoma City where the children will remain with their mother, Mrs. Billy Brooks, who is working in a department store there.

PIONEER RETURNS AFTER MANY YEARS ABSENCE

Mr. and Mrs. Fred McDaniel are now back in Tahoka after many years absence. They have spent most of the time in Arizona. They came back in order that they might look after the property of their mother, Mrs. S. N. McDaniel, who has been visiting in California in recent months.

Mr. McDaniel came to Lynn county with his father's family about the first of the present century. His father helped to organize this county and was one of the first county officials. Fred moved to Arizona possibly thirty years ago or more and has visited here only a few times since.

This time he slipped in so quietly and remained so closely at the paternal home that few of his old-time friends knew that he was here. Some of them failed to recognize him when they first saw him. But he could tell a lot about them and about the early days of Tahoka.

He is undecided as to just how long he and his wife will remain here.

Frank Williams of Grassland dropped into the News office last Saturday to set his subscription ahead. We don't know how long he has been reading the Lynn County News but he has no notion of quitting it soon. Guess his wife wouldn't let him do so any way. We know he intends to keep it going to his address at least through next year. Mr. Williams is an old-timer here. He confided to the News man that he has resided in this area for the past 47 years, and he is not planning to leave.

Farmers Home Administration made new adjustment loan to 23,654 veterans, amounting to \$30,159,937 during 1947.

SEED

...is it Your Neglected Crop?

Since the coming of the All-Crop Harvester, grass and legume seed has become the most profitable single crop on many farms. Tiny, fine-screened seed, chaffy, lightweight seed or otherwise hard-to-handle grass and legume seeds are no longer a problem. They all can be harvested with the same machine you use for small grains and beans.

It's easy to see your new ad-

vantage in the action of the All-Crop's full-width threshing cylinder, rubber-faced shelling contacts, quick cylinder-speed changer, oversize straw rack and cleaning shoe. You enjoy, also, the freedom of a harvesting outfit complete with only a one- or two-man crew.

Why continue to lose out on an extra-profit SEED harvest between hay cuttings or before pasturing? The All-Crop Harvester can turn this neglected crop into income.

PROCLAMATION

BY THE
Governor of the State of Texas
NO. 424

TO ALL TO WHOM THESE PRESENTS SHALL COME.

WHEREAS, farming and ranching activities in Texas afford the principal income of a vast majority of its inhabitants, and,

WHEREAS, the farming and ranching business income leads all other industries of Texas; and,

WHEREAS, the farmers and ranchers of Texas have, through their various organizations, crusaded for recognition, representation, and economic equality through democratic procedures; and,

WHEREAS, the farm and ranch groups recognize the necessity and supreme importance of having an educated, prosperous, and organized agricultural husbandry in this State;

NOW, THEREFORE, I, Beauford E. Jester, Governor of Texas, do hereby proclaim the week of October 23 - 30, 1947, as

TEXAS FARM AND ORGANIZATION WEEK.

I urge our citizens to cooperate in the recognition and observance of this week so that special attention can be given this important phase of our Texas life.

BY THE GOVERNOR:

Beauford E. Jester
GOVERNOR OF TEXAS

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the 20th day of September, A. D. 1947.

Beauford E. Jester
GOVERNOR OF TEXAS

AMARILLO FRIENDS VISIT THE N. H. CROMERS

Mr. and Mrs. Carl Hendrix of Amarillo visited recently in the home of Mr. and Mrs. N. H. Cromer.

Mr. Hendrix was superintendent of the Richardson schools and Mrs. Hendrix a teacher in the high school for a number of years and were friends and neighbors of the Cromers before the Cromers moved to Lynn county.

W. A. Yates became suddenly ill—possibly had some kind of stroke—on Tuesday afternoon and was taken to a Lubbock hospital for treatment. His condition is re-

ported to be serious but not critical.

Mrs. Clint Sikes was called to Glen Rose last Friday by the death of an aunt and returned home Sunday. She was accompanied as far as Stephenville by Mrs. C. C. Britton, who visited a daughter there, Mrs. Truman Lawson.

Mr. and Mrs. J. B. Oliver and mother, Mrs. G. W. Forsythe, are leaving for Beaumont today because of the serious illness of one of Mrs. Forsythe's sons, who lives there.

Telephone Officers Attend Meeting

The Independent telephone industry, which, through its approximately 6,000 companies, serves 12,000 communities—almost twice as many localities in the United States as the huge Bell System—is commemorating this fall its 50th "Golden Jubilee" anniversary of the founding of the industry's national organization the U. S. Independent Telephone Association.

The Southwestern Associated Telephone Company, of which Mills Roberts is district manager, which operates the telephone service of Tahoka and its surrounding terri-

tory, is one of the companies which participates in the celebration at Chicago. Representing the company at Chicago will be R. B. Fairly, President, Roy Autry, Vice President and General Manager, and E. C. Brink, Auditor.

L. T. Brewer of O'Donnell, who has been in such ill health as to be confined to his home most of the time for the past two or three years, was a business visitor in Tahoka Thursday and called at the News office. Mr. Brewer formerly lived here and is one of Lynn county's best citizens. Friends here were delighted to see him on our streets again.

Messrs. Joe Cromer of Richardson and Jack Taylor of Houston visited Saturday and Sunday with Mr. Cromer's parents, Mr. and Mrs. N. H. Cromer.

The little son of Mr. and Mrs. Roy Hicks is in a Lubbock Hospital suffering with pneumonia. He was reported "doing very well" Tuesday morning.

The Russian dictators continue to spread their slanders against the United States. They continue to charge that we are trying to "instigate war" against her. They continue to broadcast to the world the infamous lie that we have set out upon a policy of "imperialism" and world conquest. They continue to keep their own people in the dark as to what is really going on in the outside world. They refuse to let a ray of light enter through the iron curtain that would give their people an inkling of the merits of a democratic or representative form of government. They continue to paint the United States as a heartless, greedy monster that has set out to devour Russia and the rest of the world. If they were to permit the light of truth to trickle in, it would utterly spoil this picture before the very eyes of the Russian masses. Hence, to maintain their power, the Russian dictators must keep their iron curtain up. We hope that the United States and other democratic nations will raise a cry and continue to cry that the iron curtain be torn

down. Practically everything that is going on in the United States is open to the eyes of the world, even to Russian eyes. Why are you dictators afraid to let us see what is going on inside of Russia? It was the great Teacher—whom you hate, however—who said that men love darkness rather than light because their deeds are evil. We think that it is time that the liberty-loving, peace-loving, and down-trodden peoples of the world demand that you dictators tear down the curtain and turn on the light. If you will do that, we will guarantee that the Russian masses will not long have any quarrel with the United States, but we are not sure as to what might soon happen to the firm of Stalin, Molotov and company.

Harley Sadler, is on the road again with his tent show and has showed recently in a number of South Plains towns, including Tahoka. As a showman, he is super-fine; and by reason of his genial and accommodating spirit, he has made thousands of friends throughout this part of the state. When the depression persisted and the war clouds began to gather, the show business became a little dull, and he called off his show; but the people of his home town, Sweetwater, and the country thereabout, being in need of a Representative in the legislature, drafted Harley Sadler. Up to that time he probably had never entertained an ambition to hold public office. But he served so intelligently, so fairly, and so devotedly in the interest of the people of his district and of all West Texas in particular and of the entire state in general, that a movement was started a few weeks ago to induce him to become a candidate for governor. It would be a tremendous but not a hopeless task to defeat Beauford Jester for a second term, especially since so much wealth is lined up behind him. Probably some able West Texas lawyer would be better equipped for the office of governor than Harley Sadler is but we do not know of one who has so strong a hold upon the people. If Harley

THINGS THAT HINDER
To save space I ask that you read Mat. 5:10. My brother, that statement is one of the things referred to by the Lord in Mat. 7:26. Read it. The things we say, the things we do and the way we act have an influence over our associates. The disciple of Christ, whether man or woman, that uses unclean, vulgar or profane language sins. Read Eph. 4:29. That disciple that does not keep his obligations sins. Read Col. 3:9. To buy anything promising to pay for same at some future time, if I fail to do so I sin. Read I. Jno. 3:4. When faithful Christians influence their friends to attend the services of the church of Christ and said friend sees one commun-

Sadler runs, he will be a strong contender.

PAIN IN YOUR BACK
Indicate that your bladder and kidneys need attention. The fluids that flow through them are irritating. CIT-ROS will quickly bring these fluids back to normal. Pain ceases and gradually the soreness leaves. A new remedy for lumbago is at your druggist. \$1.00. Get it today at WYNNE COLLIER, Druggist.

Over 94,000 Texas farmers are members of groups organized under the Smith-Doxey Act of 1937 to promote the improvement of cotton.

Approximately 396,000 farm families and other rural consumers in 44 states and Alaska will get electricity as the result of loans approved by REA during 1947.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

For Coughs, Chest Colds, Bronchitis

An ALL-ELECTRIC Kitchen In My 20 Year Old Home?

Here's how you can do it!

Install Adequate Wiring now.

When your present home was built, perhaps the builder never thought you'd want to cook, refrigerate, and heat your water electrically. So he installed just enough wiring to supply service to a few electric lights and possibly an outlet or two.

To find out how to have an all-electric kitchen just call a wiring specialist from your Public Service Company, or an electrical contractor. They will be glad to tell you more about the wiring you will need.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

We have nothing to sell but good electric service.

The president, Mrs. Pete Hegl, presided over the business session. The program, "Teaching Unselfishness," was presented by Mrs. Joe Robinson and Mrs. Jim White. During the social hour the hostess served cakes to Mmes. R. H. Gibson, Pete Hegl, Felix Jones, O. B. McElroy, Fred McGinty, Everett Nevill, Joe Robinson, Truett Smith, Winfred Stout, Jim White, and Alfred Williams.

METHODIST CHURCH

Emphasis is being placed at the present time on a Rally in Sunday School attendance at the Methodist Church in Tahoka. Tahoka Methodist Sunday School invites all who do not have membership in some other Sunday School to come be with them on Sunday morning at 9:45.

The sermon subject at the morning hour will be, "The Precious Blood of Jesus." You are invited to any and all of the services at the Tahoka Methodist Church.

In the first four months of 1947, 124 million pounds of peanuts were exported by the United States.

MERCHANTS' SALES PADS, now 7 cents each at the News.

Former Citizen Writes The News

Through the courtesy of my sister, Mrs. H. R. Minor, we are again lined up with The Lynn County News, and how the infant has grown! I have a copy of the first paper published in the county, a two sheet document, now ten sheets, and strange to say, there are very few names that made front page headlines then, mentioned now, and we found on our visit there in June, that most of our old friends had passed on, which saddened us very much.

We were among the first settlers then, only 4 or 5 families in the county. My husband helped to lay off the streets of Tahoka, and was its first county treasurer. Then the county was peopled with white-faced cattle and coyotes, now in beautiful homes, cotton and grain farms.

At that time we freighted our supplies from Big Spring, and now the wheels of time have turned and erected beautiful and modern cities, with churches, schools and business facilities in reach of all; every one seemed contented and happy. The changes were too vast for one absent twenty-eight years to grasp, for just driving through the county. —Respectfully, Mrs. Nannie (O. L.) Miller, Rt. 9, Box 236, Fresno, California.

BAPTIST NOTES

A Sunday School study course has been conducted at the Baptist church this week, closing Thursday night. Two courses have been taught, one by the pastor, Rev. Levi Price, and the other by the pastor of the Wells church, Rev. W. P. "Ted" Brian. About 40 members of the church attended.

On Tuesday a number of local Baptists and others from the Redwine, O'Donnell, Wells, New Home, Petty, Lakeview, and possibly other churches in this county attended an associational Workers' Conference in Meadow. Attending from Tahoka were Rev. and Mrs. Levi Price, Mmes. D. V. Smith, T. B. Burrough, Marvin Bentley and the latter's two children; Mmes. Cornelia Kelly, Beulah Atkins, and E. B. Gaither, and Mr. and Mrs. E. I. Hill.

Pastors J. M. Hale of O'Donnell, T. L. Pond of Redwine, and Ted Brian of Wells, were among the pastors of the county attending, and there were a number of laymen as well.

A large number of local Baptists are expected to attend the Associational Brotherhood meeting at Wells next Tuesday night, when George Stokes, one of the new faculty members at Wayland College, and a Wayland quartet will give the program.

MRS. MARY WOODS HAS GUESTS FROM BAYTOWN

Mr. and Mrs. Paul Morrison of Baytown were guests in the home of Mrs. Mary Woods Sunday night. On Monday Mrs. Woods accompanied them to Falls, where they enjoyed a visit in the home of Mrs. Woods' brother, Henry Hillyard.

When they left for home Tuesday afternoon they were accompanied by Mrs. Glen Connolly and two children, and the party expected to visit at Midland, San Angelo, Brady, Lampasas, and Rogers.

CARD OF THANKS

I want to thank the many friends for the cards and flowers sent me and the expressions of sympathy extended recently while I was in the hospital. Especially do I want to thank Rev. and Mrs. Levi Price for their prayers and ministrations.—Mrs. J. P. Stuart.

You can't beat Mother Nature!

Nature's Finest!

The Alaskan "Brownie" has been known to weigh up to 1500 pounds. Largest of the grizzly bear family (*Ursus horribilis*) it is mainly carnivorous . . . the strongest and fiercest of all American mammals.

The Crude Is The Answer To Phillips 66 Fine Motor Oils

Nature outdid herself when she produced the great Alaskan Brown Bear, and she was doing a mighty fine job when she made the crudes that go into Phillips 66 Motor Oils!

Ask any oil man what that means in terms of protection for your engine. Yes, a fine crude . . . plus Phillips expert refining and practical experience . . . all these factors together turn out a smooth, tough, sturdy lubricant that's able to do a real lubricating job in your motor.

Phillips 66 Premium Oil is a brand new Phillips product. Detergent type and corrosion-resistant, Phillips 66 Premium Oil cleans, as it protects your engine.

And remember, too . . . Phillips 66 Motor Oil has given motorists years of satisfactory lubrication!

Look for the orange-and-black Phillips 66 shield!

H. B. McCORD, Phillips Agent
PHILLIPS 66 PRODUCTS PHONE 66

Lamesa's Fair Is Next Week

LAMESA—The people of Lamesa and Dawson county will play hosts to their neighbors from all parts of the South Plains October 27 through November 1 when the Dawson County Fair will be revived. The show will feature all of the usual county fair attractions including a horse show, cattle show, poultry and hog shows, and other types of exhibits of interest to people of this area.

The six-day show will open with a parade Monday afternoon. The first two days of the fair will be devoted to a horse show with judging in all divisions. Entries are expected to be attracted from half a dozen West Texas Counties.

On the entertainment side of the program the Tidwell Shows, one of the largest carnivals in Texas, will hold forth on the midway with over a score of rides and shows. Free acts, amateur contests, local talent shows and performances by well known musical groups are being arranged.

TAHOKA PEOPLE ATTEND RELATIVES FUNERAL

Mr. and Mrs. Joe Webb and her mother, Mrs. Thomas J. Williams returned Monday from a trip to central Texas occasioned by the sudden death of Mr. Webb's brother, Jim B. Webb, which occurred at his home at Pearl, Coryell county, on Friday of last week.

Funeral services which were held on Saturday afternoon were also attended by Joe Allen Webb, who accompanied his father and family from Brownwood, where he is a student in Howard Payne College.

Mrs. Williams and her daughter also visited their daughter and sister, Mrs. N. S. Bowen, in Waco while in that area.

RELIGIOUS PLAY AT METHODIST CHURCH

This Sunday Evening, October 26, at 7:30, the Woman's Society of Christian Service of the Tahoka Methodist Church will present the one-act play, "The Power and The Glory." The youth of the Church will be the actors in the play, which is being presented as a part of the Week of Prayer and Self-Denial program of the local W.S.C.S. Everyone is invited.

HOLLYWOOD, CAL.—Flattering to gown and lady is the brilliant sparkle of diamonds set off by the subtle flash of mirror-polished palladium which Marian Carr, attractive young starlet, wears. The necklace is a simple snakechain choker, to which five bow-knots of palladium and diamond loops are attached. Especially nice about this combination, which reflects the current trend to elegance, is that each piece is equally impressive worn singly.

4-H CLUB ORGANIZED AT GRASSLAND

We organized our 4-H club at Grassland on Monday of this week, and elected the following officers: Betty Huddleston, president; Mattie Pearl Wishert, vice-president; Wanda Norman, secretary-treasurer; Jane Shepherd, reporter; Mrs. P. C. Goza, sponsor. We enrolled about 16 members.

Miss Graham Hard met with us and after discussing the improvement of our clothes, the club adjourned.

LYNTEGAR EMPLOYEES ATTEND CONFERENCE

Miss Robbie Milliken, office manager, and Mrs. Loyce McMahan, head bookkeeper for Lynntegar, attended a Bookkeepers and Officers' Conference sponsored by R.E.A. at Corpus Christi last week. They were accompanied there and back by Miss Echo Milliken.

This course of instruction was given Lynntegar's employees in line with its policy to render the best services possible to its members.

Mrs. W. E. Henderson, Mr. and Mrs. H. W. Scott and Mrs. Odessa Brown all of Los Angeles, California, came Saturday to visit with Judge J. W. Elliott and attending to business. The party left Wednesday for Dallas.

Mrs. Nettie Francis of Beaumont, sister of H. P. Caveness, is here visiting him and Mrs. Caveness. She resided here for two or three years several years back.

Pythian Sisters Install Officers

Lynn Temple No. 45 met in regular meeting Tuesday night with 26 members present.

Installation services were conducted, as Mrs. Jerry White was installed as Mistress of R. & C. Florene Best having completed her three years service received her Past Chief's Certificate and Pen at the last meeting Florene made a fine record, having missed only two meetings in three years.

After the regular business of the evening was completed, the degree staff practiced for the initiation service, which will be held on November 4.

The Four Triange officers, Nina Short, Martha Floyd, Mildred Sherrell, and Lou Calvery, served home-made pies and coffee.

Members present were: Elnore Curry, Novice Curry, Florene Best, Jewel Munn, Jerry White, Nina Short, Myrtle Mathis, Hazel McKnight, Pauline Warren, Ruth Roberts, Imogene Steele, Esther Vaughn, Lou Calvery, Tommy Terry, Ora Curry.

Fannie Lee Server, Minnie Nance, Loyce McMahan, Edna Ware, Jessie Woods, Floyce Sherrod, Jewell Connolly, Neoma Bell, Martha Floyd, Mildred Sherrell, and Florene Cowan.

A total of 88,842 Navy, Marine and Coast Guard personnel were killed in World War II.

Texas' place in the national picture of milk production has changed little in the past five years.

HILTON-SPECKMAN VOWS SOLEMNIZED

Miss Odessa Speckman, daughter of Mr. and Mrs. Fritz Speckman, Meadow, became the bride of T/Sgt. Phaniel Hilton, son of Mr. and Mrs. G. H. Hilton, 2017 fifth St., Lubbock at 3:00 P. M. Sunday October 12. The double-ring ceremony was read by Dr. H. Tom Wiles, pastor of the First Baptist Church, Lawton, Oklahoma.

Miss Lucy Keck, Altus, Oklahoma, maid of honor, wore an aqua suit with matching accessories. Her corsage was of pink carnations. Miss Keck is a former room-mate of the bride when they resided at Lubbock.

The bride wore a white woolen dress with brown accessories and an orchid corsage. She wore a double strand of pearls that were a gift from the bridegroom. Best man for the bridegroom was Sgt. James R. Davis, Fort Sill, Oklahoma.

Mrs. Hilton has been employed at the Lubbock County ACA office for the past several years.

T/Sgt. Hilton served five years in the Army during World War II. He was discharged in October, 1945, and re-enlisted in August, 1947. He is stationed at Fort Sill, Oklahoma.

A reception was held following the ceremony. The couple is at home in Lawton, Oklahoma.

P.T.A. HAS BUSY SESSION

The Tahoka P.T.A. met in regular monthly meeting on Thursday, October 9, at 3 p. m. in the grade school, with 30 members present.

Mrs. Donaldson's sixth grade pupils entertained with several songs led by Mrs. Donaldson.

Mrs. Lenore M. Tunnell gave an interesting talk on "Schooling for the Years Ahead." She brought out the fact that the children of today will be the peace makers or keepers of tomorrow.

The group voted to buy a phonograph and records for the grade school. They have been bought and are now in use.

The date of the Carnival was changed from October 31 to October 28, as we have a football game on October 31 and we all want to see that game.

Next meeting is November 13. Second grade pupils will be on that program, and Mr. Crouch of Lubbock will discuss Visual Aid and will show some visual aid equipment.

Mrs. H. J. (Hazel) Cowdrey and son Lewis of Miami arrived Monday night for a week's visit here with her parents, Mr. and Mrs. W. B. Anglin.

Americans are eating more nuts. In 1909, the average consumption was four-fifths of a pound; in 1945, one and two-fifths pounds.

WILSON SCHOOLS ANNOUNCE HONOR ROLL STUDENTS

The following names comprise a list of students in the Wilson Public Schools who had a ninety or above average on their first six-week report cards; as furnished to the News by Superintendent J. P. Hewlett.

Juniors, Patricia Smith; Sophomores, Bessie Kindrick; Freshmen, Thomas Mason, Patsy Montgomery, and Mary Frances Campbell; Eighth Grade, Shirley Bartley; Seventh Grade, Charlene Lackey, Nelda Roper, and Marie Gindorf; Sixth Grade, Janette Alderson, Onita Ehlers, and Don White; Fourth Grade, Dena Ward and Jerry Church; Third Grade, Mary Lou Lichey, Ida Pearl Mason, Patsy Spears, Larry Maeker, Dixie Hewlett, Billy Lee, Joyce Raymond, Les Luttrell, Eunice Buxkemper, Dean Lackey, Bruce Hewlett, Mary Johnson, and Claude Roper; Second Grade, Waynon Lee Tamplen, Mark Pair, Martha Anne Pair, and Joyce Church.

JOINS SORORITY

ABILENE, Oct. 23.—Chattie Mae Savage, daughter of Mr. and Mrs. Lee Savage, route 4, Tahoka, as a student worker in the dining hall of Abilene Christian College, Abilene, Texas, has been made a member of the Eta Beta Pi club at the college. This club is made up entirely of students who are a part of the Abilene Christian College cafeteria staff.

Eta Beta Pi has 48 members from three countries.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

See our display of Granite Monuments or we will call at your invitation.

Attention Called To New Laws

The Texas Highway Department has released information regarding House Bill 75 which goes into effect November 1, 1947 on title transfers.

The bill provides a \$5.00 penalty for holding out the title to a vehicle for more than 10 days before applying for a new title. Before a vehicle can be transferred, the current license receipts must be surrendered with the title and application for transfer, to new owner.

Car buyers are warned to carefully inspect the title to an automobile before purchase to warrant against getting a title that will take longer than 10 days to secure the information necessary for a proper transfer which would make the buyer liable for a penalty of \$5.00.

Under the new title law a charge

of 50 cents will be made for transferring the registration on a vehicle.

All titles dated before June 12, 1947 that have not been transferred to the owner will have to be surrendered to the Tax Collector before November 1, 1947 to avoid penalty. All titles dated after June 12, 1947, will be charged with a penalty if they have been held out longer than ten (10) days. Titles surrendered for transfer between now and November 1, 1947 will not have to pay the 50 cents for transfer of registration.

All dealers in Lynn County must have a 1947 Dealers License and use their number and the designation "Dealer" after their signature.

The law also states that it is unlawful for a buyer to accept or a seller to give title to a vehicle with the title left open. Notary Publics are cautioned to see that the title reassignment is filled out full before notarizing the seller's signature.

All information relating to this

law is on hand at the Tax Collectors Office.

Two Homicides In This Area

Two sensational homicides were committed in our neighboring county of Dawson on Sunday and another in our neighboring county of Terry on Monday of this week.

At Patricia, Dawson county, a native white man Nelson Merritt, and a Mexican, Santon Alonzo, 21, who had been a resident of that community for several years became engaged in an altercation with their fists.

Finally, according to a published report of the affair, the native white man started to walk away and when he did so the Mexican fired a bullet into his body which passed through the man's heart, and he fell upon the ground.

At that juncture the Mexican's father, Amelio Alonzo, 44, pounced upon the fallen man and began to cut him with a knife. Then another white man, T. S. Applegate of Lamesa, about 27, interfered and the furious Mexican father advanced upon him with the knife, whereupon the white man, who had

himself procured a gun, shot the aggressor down.

Charges were filed against the surviving Mexican and also against the white man who had intervened in the difficulty.

In the Terry county case, a seventeen year-old daughter deliberately shot her own father to death, T. E. Atteberry, 53.

The father, according to current reports, had been drinking heavily for several days. It is also reported that he had been mistreating members of the family. At any rate, as the man was sitting in his chair dozing with his head resting on a table in the kitchen of the family residence seven miles north of Brownfield, the girl picked up a rifle standing in one of the rooms, walked into the kitchen and sent a bullet into the head of her father. Soon thereafter she went in company with a brother to the sheriff's office and surrendered.

She will be tried as a juvenile offender and may be released into the custody of her mother or sent to the State Girls Training school.

The condition of Mrs. J. H. Nelms continues to be critical. Apparently she has been near death's door for a number of days.

"New Freedom Gas Kitchen"... Clean, cool and "shipshape"—with its space-saving fold-up seats and sliding panels in the breakfast nook. But even more important are the many ways it saves you work! Saves shopping because a new Servel Gas refrigerator stores enough food for a week. Saves dishpan drudgery because a new automatic Gas water-heater

supplies enough really hot water for a do-everything dishwasher. Saves cleaning—thanks to a special ventilating system that removes greasy cooking vapors at their source. As for the greatest work-saver of all... just look at this new automatic Gas range! Make it the start of your "New Freedom Gas Kitchen"—today.

10 reasons why it's America's easiest kitchen to cook in!

Here are just a few of the reasons why a new Gas range is the first thing to look for in this or any modern kitchen:

1. It's Automatic—Gas turns on and off by clock control. Cooks a complete oven meal even while you're out of the house!

2. It's Fast—high-boil heat available instantly!

3. It's Flexible—hundreds of top-burner heats!

4. It's Cool

5. It's Clean

6. It Bakes Splendidly

7. It Flame Broils

8. It's Exact

9. It's Economical

10. It's "CP"—Look for this seal. It's your buying guide to the best modern features in any Gas range!

Roads . . .

(Continued from Page 1)
Brownsfield highway. Another will be an extension of the road, now ending in the New Lynn community northward four and a fraction miles to a connection with the Wilson Garza county road.

With a few exceptions, this farm-to-market-road system, when completed, will be almost exactly identical with the building program prepared and recommended by State Highway Commission, Judge Garrard-points out.

Already completed is the road extending west from New Home to the Terry county line, together with one spur running down to Petty, another spur running from Lakeview south for three miles, and two spurs running north to the Lubbock county line, one from New Home and one from a point near Lakeview. Included in this project also is the 3 1-2 mile stretch of road extending from Cross Roads filling station west by Dixie school house and on toward Petty. Also in that commissioners precinct is

a portion of the state-built road from New Home east to Wayside service station.

The farm-to-market project from Wilson eastward to the Garza county line has also been completed together with a spur six miles long running north from a point in this road to the Slaton-Post highway on the Lynn-Lubbock county line some three miles south-east of Slaton. Just now being completed is another road extending south from the Wilson-Garza road by Gordon and Garnolia school house to Central Church on the Tahoka-Post highway. The State is now engaged in building the two mile stretch of road from Central Church south to Grassland.

As recounted elsewhere in this paper, the State also let a contract this week for the building of a state highway from Draw directly west to Wells.

Already completed months ago was the farm-to-market road from Wells south and east to O'Donnell and thence on east to a point south of Draw, thence through Draw and Redwine north to a junction with the Tahoka-Post highway seven

miles east of Tahoka.

Judge Garrard also calls attention to the fact that the State has promised to do some other road-building in Lynn county. Its first and Number One project following the completion of the Wells-Draw state highway, plans for which were made and announced in 1945, will be the building of a state highway from Wilson north-east to the Lubbock county line near Slaton. As another project, will be the extension of this highway later from Wilson to Tahoka.

The Judge has no definite information as to just when work will begin on the Wilson-Slaton highway, but he is assured that it will be the next project undertaken by the State Highway Commission in Lynn county.

On the whole he is very optimistic as to the completion of the road-building program in this county without any unnecessary and unreasonable delays. He and the commissioners court are to be commended for the diligence and energy which they have exercised in the execution of this program

Carnival . . .

(Continued from Page 1)
inter-communication system in the high school classrooms and will go toward some unnamed project for the grade school. In previous years, money taken in at the carnival has been used for playground equipment, library books, trophy case donation, and a moving picture projector and screen.

The greatest carnival ever to be staged by the organization is being planned for Tuesday night. It is hoped that the student body and community will back this worthwhile activity. Fun and entertainment for all is promised, and in turn, the school system will receive the benefits of the evening.

The highlight of the carnival will be the crowning of the queen. A grade school queen and a high school queen will be chosen on the basis of the amount of money taken in by each class through their booths. High school students will be in charge of the stage decorations and the program for the coronation. Classes elected queen nominees and selected booths for the affair, Monday. Booths will be erected around the gymnasium as in previous years.

High school queen nominees are Dorothy Foster, senior; Lee Braswell, junior; Doris Shelton, sophomore; Patsy Locke, freshman, and Frances Martin, eighth grade.

Queen nominees and escorts from the grade school include Karen Beth Kidwell, Bobby Jones, first grade; Betty Vaughn, Karl Prohl, second grade; Johnnie Clem, Kent Gibson, third grade; Phillis Fielder, Gordon Smith, fourth grade; Betty Carroll, Guy Witt, fifth grade; Jean Clark, Gary Mitchell, sixth grade; and Patsy Ann Smith, Brownie Williams, seventh grade.

The following booths will be set up: fishing, ice cream and cakes, senior class; bingo, hot dogs and confetti, junior class; bottle throwing and picture show, sophomore class; dart throwing, freshman class; basketball, snow cones, eighth grade; grab box, pop corn balls and candy, first grade; candy, second grade; cake walk, third grade; fishing pond, fourth grade; country store, fifth grade; eats stand, sixth grade; and drinks, peanuts, popcorn, confetti, seventh grade.

Football . . .

(Continued From Page 1)

piled up several yards to his credit; Don Aklin, FB, a line-buster that can also get up and scat, and shifts to guard position on defense where he made all-district last year; and QB's Bobby Boyd and Gilbert Hough who do the ball handling off the T, and are both fairly good at passing although the Bulldogs very seldom take to the air. However they have completed almost half of the passes they have thrown, having only two or three intercepted by opponents in five games.

Both of these teams operate from the T formation. The Post eleven is built around fast, tricky passes and a few running plays while the Bulldogs put the emphasis on the ground game with quick-opening line plays, end sweeps with plenty of deception and toss a few passes.

These two elevens are the only two remaining undefeated teams in District 6-A and a win tonight for either one of the elevens will make the winner, the undisputed leading contender for the championship of this district.

The Antelopes have made an impressive record this season, rolling up 97 points against their opponents 21 in six games played, of which they have won 3, tied 1, and lost 2. However one of the Antelope losses is credited to the B-string when they bowed to the Lubbock Cowhand Golds last Friday night 8 to 7. Coach Bingham refused to play his A-string for fear that some of his key men might be injured, and due to the fact that most of the idle Bulldog squad were in the stands watching his Antelopes do their stuff.

The Bulldogs record looks a little more impressive at face value, but the opposition may have made a great difference. The Bulldogs have rolled up 153 points to their opponents 47, winning 4 out of 5 games played, losing only 1, which was to the strong Littlefield Wildcats 40 to 0. The only other team that has scored against the small, but armor-plated Bulldog line was the Crosbyton Chiefs who scored 7 points.

The only team both Tahoka and Post have met was Abernathy. Post defeated them 26 to 0 while the Bulldogs rolled over them 50 to 0. Abernathy held both Post and Tahoka to a small lead in the first halves of each game, but both Tahoka and Post scored several times in the second halves of these encounters with Abernathy. However Tahoka played every man on her squad against Abernathy and it is presumed that Post must have done ed Abernathy, so according to all Abernathy, so according to all pre-game dope the Post Antelopes and the Tahoka Bulldogs are rated as an even match in what should prove to be a very thrilling game with lots of action that will keep the pre-game estimated crowd of two to three thousand fans on the edges of their seats until the final whistle is blown on Foust Field tonight.

Lyntegar . . .

(Continued from Page 1)
filling station.

The filling station building itself will be torn down and removed.

The office compartment of the new structure will consist of various rooms, including the manager's office, book-keeper's office, assistant book-keeper's office, stock clerk's office, line superintendent's office, utilization office, demon-

stration kitchen, and next to the latter a large director's room, a lobby, and a display window. The plate glass will extend only a portion of the way across the front of the office compartment but the entire front will be very attractive. In fact the building will be attractive from every approach to it and will be amply large for all of Lyntegar's purposes for many years. It will be a distinct asset to Tahoka from every angle that may be considered.

Tahoka, Lynn County, Texas, Friday, October 31, 1947

Number 4

Local Courts Had Busy Time Over Past Week-End

With thousands of Mexican cotton pickers and a few migrant Negroes in the county, the courts of Lynn county were busy over the past week-end.

Seven pleas of guilty were entered in the county court Monday; and total fines assessed amounted to \$575.00 in money and a jail penalty of 30 days.

Defendants and the nature of their offenses were as follows.

John William Littlefield entered a plea of guilty to a charge of unlawfully carrying a pistol and a fine of \$100.00 and costs was assessed by Judge Tom Garrard. The defendant paid off.

Porfirio Hinojosa was charged with the unlawful possession of intoxicating liquor for the purpose of sale. Upon his plea of guilty, he was likewise fined \$100.00. The fine and costs were paid.

Eddie Tindel and Levi Reed, Negroes, each pleaded guilty to unlawfully transporting intoxicating liquor, and each was fined \$100.00. The fine and costs were paid.

Jimmie Schooler, a young white (Continued on Back Page)

Tom Tyler, Draw, Buried Saturday

Culminating a long but unsuccessful fight against a complication of serious maladies, Tom Tyler of Draw died in the West Texas Hospital in Lubbock last Friday. Funeral services were conducted at 2:30 o'clock Saturday afternoon at the Higginbotham Chapel in Lamesa by Rev. A. D. Moore, pastor of the Draw Methodist Church, assisted by Rev. Alby Cockrell, pastor at O'Donnell, and the body was buried in the O'Donnell cemetery.

Mr. Tyler had been in bad health for three years and he had been unable to do scarcely any work since the first of this year. He became seriously ill in March. He went to a Dallas hospital for treatment and remained for some time with no improvement in his condition. Later, he took treatment in the West Texas Hospital, Lubbock, but was given little hope there for a cure of his ailments.

Finally, he and Mrs. Tyler went to Hot Springs, Arkansas, in the hope that he might find some relief at least. After being there two or three weeks his condition became so acute that Mrs. Tyler decided to return with him to Lubbock. A son, Charles C. Tyler, who was attending school at College Station, went to Hot Springs and the three came from that place to Lubbock in an Army ambulance airplane on October 19. He was again placed in the West Texas Hospital and there he died five days later, October 24.

(Continued on last page)

Warning Is Issued To Car Owners

November 1, 1947 is the deadline for titles to be transferred that have been held out for longer than ten days. After November 1, 1947 a penalty of \$5.00 will be charged for all titles held out longer than ten days.

The 1947 Registration Receipt must be presented as evidence of ownership along with the title when application for title is made.

If in doubt about your title bring it to the Tax Collector's office immediately.—Frank McLaughlin Jr., Tax Collector.

WILSON GIRL WINS HIGH HONORS IN McMURRY

Miss Wanda Lee Rice, daughter of Mr. and Mrs. Elmer Rice, of Wilson, who is a student in McMurry College, Abilene, was awarded the high honor last week of being initiated into the Alpha Chi college sorority, which is composed of Upper Ten students only.

This distinction is accorded only upon recommendation of the faculty and is given as a recognition of the student's scholarship, high moral character, and excellent conduct. Miss Rice is a senior.

J. F. McCulloch

Rotary District Governor Coming

Tahoka Rotary Club next Thursday will welcome J. F. (Jim) McCulloch, Governor of the 127th District of Rotary International, which includes 64 Rotary Clubs in northwest Texas. Mr. McCulloch is a farmer in Stamford and is a member of the Rotary Club of Stamford.

Mr. McCulloch will visit the Rotary Club of Tahoka to advise and assist President Alton Cain, Secretary Ross Smith and other officers of the Club on matters pertaining to Club administration and Rotary International who are scheduled to visit on last page.

9,650 Bales Cotton Ginned In Tahoka

Reports from the five Tahoka gins a little before nine o'clock Thursday morning indicated that approximately 9,650 bales of cotton had been ginned from this season's crop up to that time.

Gathering of the crop was slowed down a little this week by the damp weather that prevailed Monday and Tuesday morning. There was not much rain, however, just 0.3 of an inch in Tahoka from a mist that fell for several hours.

Cotton seed were still quoted at \$85 per ton.

With 27 or 28 gins operating in the county, it is estimated that at least 45,000 bales have been ginned.

Farm Bureau Meeting Nov. 6

Members of the Lynn County Farm Bureau will conclude their annual membership drive with a victory celebration, at a county-wide meeting on November 6. The meeting will be held at 7:30 p. m. in the Legion Hall of Tahoka. It has been announced by Tom Garrard president of the organization.

Lynn County Farm Bureau will close its year's work on November 30 with 203 members, Mr. Garrard said.

At the Victory celebration, delegates will be chosen to the state convention to be held in Amarillo November 17-18-19 and to the convention of the American Farm Bureau Federation which will be held in Chicago, December 14-18. Resolutions will also be adopted for presentation to the resolutions committee at the state convention, Mr. Garrard stated.

METHODISTS TO ATTEND DISTRICT CONFERENCE

On Tuesday, November 4, the Lubbock District of the Methodist Church will have its annual District Conference at Seminole. Several members of the local Methodist Church are members of this Conference and will attend. Members of the Conference are John Slover, M. M. Boyd, Mrs. R. H. Gibson, Joan Slover, Mrs. J. W. Rosenberg, Billie Ed Ware, Charles Fulkerson, Rev. Ben Hardy, G. M. Reid, Otis Spears, Maurice Small, A. I. Thomas, Thomas Fulkerson, George Small and Walter (Happy) Smith.

W. A. Yates, who has been seriously ill in a Lubbock hospital for more than a week, is showing no improvement, according to members of the family.

Today Last Day To Contract Is Let For New Lyntegar Building Here

According to Dan Carpenter, chairman of the Lynn County A.C.A. Committee, Friday October 31, 1947 (today) is the last day for reporting performance of the soil building practice of leaving a stubble of grain sorghum on the land as a protection against wind erosion.

Many farmers are intending to terrace their land late this fall if climatic conditions allow them to gather their crops early enough. Several terracing rigs are in the county and the A.A.A. office reports ample funds to take care of the fall program. Farmers wishing to get in some terracing before the first of the year should contact the A.A.A. office before they commence the terracing.

Applications for payment for 1947 are being taken in the county office for soil building practices carried out in 1947. Farmers are advised not to come in to sign the applications until they get a card notifying them that the applications are ready.

As a supplement to the regular grain loan program Commodity Credit Corporation will handle the 1947 grain crop under the Purchase Agreement plan. Under this plan the producer makes application at the A.A.A. office before February 29, 1948. Under this plan Commodity Credit will purchase the grain during the month of May 1948 at a price equal to the loan value. Further details can be obtained at the county office.

Basketball Boy Dies On Court

Richard A. Rallsback, 16, son of Mr. and Mrs. George Rallsback and student in the Roosevelt Consolidated school in the eastern portion of Lubbock county, dropped on the floor dead while playing basketball in the New Home school gymnasium at about 7:30 o'clock Tuesday night. The game between the New Home and Roosevelt teams had just started and young Rallsback had not been playing but three or four minutes. It is stated, when suddenly he fell backward upon the floor and never spoke thereafter. He was taken hurriedly to a Lubbock hospital but was pronounced dead upon arrival.

It is believed that he suffered an attack of heart trouble. The youth was a cousin of Mrs. Dub Dunagan, who with her husband lives in the Roosevelt community, and Mr. and Mrs. A. L. Dunagan, parents of Dub, and Mr. and Mrs. J. W. Lowrey of Petty attended funeral services, which were conducted in the Acuff Baptist Church in the Roosevelt school district at ten o'clock Thursday morning. Doubtless others from Lynn county also attended.

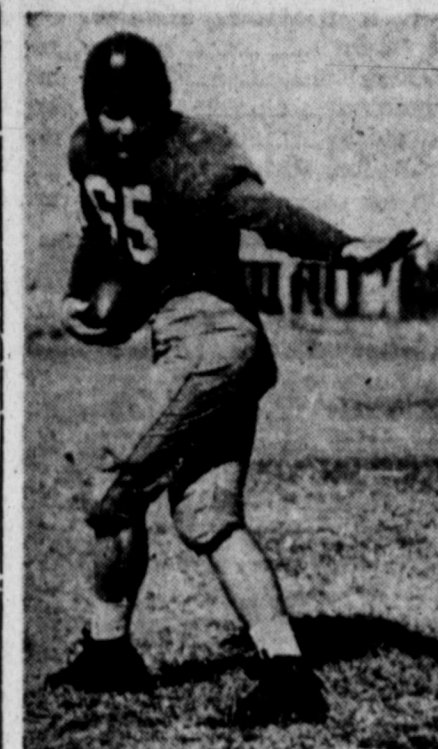

His sudden and unexpected death was deeply deplored by the members of the New Home faculty and the people of the community generally. The youth was a cousin of Mrs. Dub Dunagan, who with her husband lives in the Roosevelt community, and Mr. and Mrs. A. L. Dunagan, parents of Dub, and Mr. and Mrs. J. W. Lowrey of Petty attended funeral services, which were conducted in the Acuff Baptist Church in the Roosevelt school district at ten o'clock Thursday morning. Doubtless others from Lynn county also attended.

Charles Nelms reports that his mother, Mrs. J. H. Nelms, apparently is growing a little weaker each day. No hope for her recovery is entertained by the family.

Renew your subscription to The Lynn County News now!

Pictured above are Van Brookshire, Halfback, and Don D. Cowan, End, who are Co-Captains of the Bulldogs Football team this year.

Halfback Joe Don Minor, top, and Fullback Don Akin, bottom, two of the six Tahoka backs who along with the stellar Bulldog line, had a hand in the defeat of the Post Antelopes here last Friday night.

Tahoka Lions At Meeting In Post

A delegation of Tahoka Lions Club members, headed by President Bill Griffin, and their wives, attended a zone meeting of Lions Clubs held in Post Tuesday night.

Clubs comprising this zone and represented at Post included Lubbock, Slaton, Tahoka, and Post.

The principal part of the program consisted of musical numbers presented by a number of young ladies of the host city.

John H. Gass Is Death Victim

John H. Gass, 78, former citizen of Tahoka but a resident of Brownfield for the past few months, died in the Treadway-Daniell Hospital in Brownfield at 11 a. m. on Thursday of last week, following a prolonged illness.

Funeral services were conducted in the chapel of the Stanley Funeral Home here at 10 o'clock Saturday morning, after which the body was taken in a Stanley ambulance to Goree, Knox county, his former home, where the funeral services were concluded and where the body was laid to rest in the cemetery there at about 4:30 o'clock in the afternoon. Services here were conducted by Elmo Burkett, former Minister of the Church of Christ here, assisted by Luther Norman, the present Minister. The latter accompanied the funeral cortege to Goree and concluded the services there.

Mr. Gass was a native Texan. He was born at Jacksboro on (Continued on back page)

CALVERY AND WOOSLEY OPEN BUSINESS IN O'DONNELL

F. E. Calvery and Jess and Nathan Woosley have bought the malt and sandwich stock of G. W. Simmons in O'Donnell and rented the building to be used as an Army Goods store.

They state that they will be open for business tomorrow. Mr. Simmons, former manager of the Jones Dry Goods here, has returned to Tahoka and will remain here temporarily at least.

Congratulations...

Mr. and Mrs. Calloway Huffaker are the parents of a son born Sunday morning at 2:10 o'clock. He has been named John Thomas.

Tahoka Victor Over Post 13 to 7 Before Vast Crowd

The Tahoka Bulldogs struck with lightning-like speed twice to defeat the strong Post Antelopes here last Friday night before a record-breaking crowd of fans to the tune of 13 to 7, which moved the Bulldogs into the top notch of District 6-A.

The Bulldogs' first score came early in the game. Tahoka kicked off to the Antelopes, who ran the ball back up to the 40-yard line, and on the first play from scrimmage the Antelopes fumbled the ball. Tahoka recovered the Post fumble on the 42-yard line. On the first play from scrimmage by Tahoka, Joe Don Minor, broke through the Antelope line on a quick-opening play and raced untouched 42-yards for a touchdown. Don Cowan, Bulldog end, converted for the extra point. The rest of the first half was scoreless after the Bulldogs broke up one Antelope scoring threat.

Post kicked off to start the second half.

Bulldogs Play Petersburg Here

Tonight, Friday, the Tahoka Bulldogs meet the Petersburg Buffaloes in a conference game on the local field.

Petersburg, coached by Bob Foote, has had hard luck so far this season, having lost two conference games, its opener to Slaton and two weeks ago to O'Donnell, while the Bulldogs are winners of three conference starts, over Slaton, Abilene, and Post. The Petersburg team is composed of a game bunch of scrappers, however, and Coaches Jim Foust and Jack Jacobs of the Bulldogs are not taking them lightly.

Petersburg's line-up: Buddy Saffie, 150, and Harry Surratt, 150, ends; Acie Kirk, 140, and Don Hegl, 155, tackles; Hal Hegl, 155, and Vernon Burrow, 145, guards; Kenney Kirkpatrick, 125, quarter; Lacie Kirk, 130, and Bill Floyd, 160, halfbacks; and John Hefner, 160 full.

Between the two halves of the game tonight there will be a rather spectacular coronation ceremony in which Bobbie Cowan, Senior in the high school, will be crowned Football Queen. She is to be escorted by Captains Don Cowan and Van Brookshire.

Her attendants and their escorts will be as follows: Peggy Pat Sherrod, escorted by Kenneth Reid; Mary Ann Jones, escorted by Joe Don Minor; Nan Beth Pennington, escorted by Gilbert Hough; and Peggy Carter, escorted by Bobby Boyd.

The team will form a heart around the Queen-to-be, and the pep leader will lead in the singing of "Let Me Call You Sweetheart." Don Dee Cowan will place the crown and Van Brookshire will present her with an arm bouquet. The ceremonies will be under the direction of Coaches Jim Foust and "Jack" Jacobs.

The Queen will sit with the Tahoka football team during the last half of the game.

TAHOKA CLINIC NEWS

Mrs. Boyd Peabworth had her tonsils removed Tuesday morning, October 28.

Mrs. L. R. Holcomb of Route 5, Tahoka, underwent major surgery Monday morning, October 27. She is reported to be doing nicely. Dr. Prohl operated assisted by Dr. Seale.

Jesse Sameguil, a 12-year-old Mexican boy, had an emergency appendectomy Tuesday night. Dr. Seale operated, assisted by Dr. Prohl.

Mrs. V. F. Jones underwent minor surgery Wednesday morning at the Tahoka Clinic.

THINGS THAT HINDER
Paul said to Christians, "Ab-
stain from every appearance of
evil". I. Thes. 5:22. Christians
should not only cease to do evil
but they should shun the very ap-
pearance of evil. Some one said,
"There is no harm in matching

another for a drink". Let's look at
the transaction.

Mr. "A" says to "B": "I will
match you for the drinks for the
crowd". "B" calls it. The coins are
tossed. Mr. "A" fails to match "B";
"A" loses. Suppose five are present
and five cent drinks are considered.
Mr. "A" has lost a quarter. Mr.
"A" has a boy that has watched
the transaction. Soon Mr. A's boy
comes home with a sum of money
and the father asks the son, "Son,
where did you get that money?"
"I won it in the card game," the
boy replies. What is the difference
in Mr. "A" and his son? The Son
was a winner while the father was
a loser. The considerations involv-
ed and the means used to deter-
mine the winner has nothing to do
with the principle involved and
the right or wrong of the action.

Last Friday night a Mother won
the prize at the "Bingo Game"
with only a nickel or a dime up as
a wager. The same night her son
won the "Jack-pot" in shoot-
ing dice, with a quarter as
stakes. What is the difference in
principle of the two transactions?
The mother may have been in the
school house or in a well decorated
living room and the son out in the
back alley, but the surroundings
has nothing to do with the right
or wrong of the act. I ask any man
or woman to show the difference.

Professed Christians are allow-
ing unconverted people to teach
their boys and girls to dance. In
some places the public schools are
housing a "Ball Room". It is no
uncommon thing for professed
Christians to entertain the Senior
Class with a dance. It makes no
difference what serves as the ball
room, whether it is the school
building, the hotel garden, or your
front room, the place of entertain-
ment does not change the act. The
modern dance belongs to what the
Lord calls "REVELLING".

When will Christians quit setting
sinful examples before their own
children, and when—"O" WHEN
will they quit encouraging their
children to eat and drink of Sat-
an's Dainties. Read Col. 2:20-23
and 2 Cor. 6:14-18. If you endorse
the above teaching don't be ashamed
to write a card so stating; if
you do not endorse it, try to set
me right. Send comments to Price
Bankhead, Post, Texas. We can-
not afford to do evil that good
may come.

Black widow spiders, the only
poisonous spiders in this country,
are rarely found in houses.

The last eruption of Fujiyama,
famous Japanese volcanic peak,
was in 1707-8.

BEN MOORE GIVES NURSERY LORE

Every year, from Nov. 1st until
about May 1st we read, "NOW is
the proper time to set trees and
shrubs." This means that, "We
have the stock and you have the
money, so let's trade."

It does sometimes appear that
stuff which has been heeled in
thru the winter months and set
in the spring grows off rapidly
enough, but we must remember
that the hot days of June, July
and August are coming. It is ad-
visable to set all stock before
Xmas. Practically all plants set
early will have formed rootlets an
inch in length by early spring, so
will be in much better position to
withstand the summer's heat.
There is no danger of the plant's
freezing after it is placed in soil
and kept moist. Rather, it will not
be injured by freezing.

Pruning should be done after
leaves put forth so that you may
easily know just how far down to
cut. Often robust leaves appear low
down, then diminish in strength
toward the top of plant. Drop way
down and cut just above section
showing vitality, thus aiding the
roots as a sort of balance for what
was lost in digging.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly be-
cause it goes right to the seat of the
trouble to help loosen and expel germ
laden phlegm, and aid nature to soothe
and heal raw, tender inflamed bronchial
mucous membranes. Tell your druggist
to sell you a bottle of Creomulsion with
the understanding you must like the
way it quickly allays the cough or you
are to have your money back.

CREOMULSION

For Coughs, Chest Colds, Bronchitis

See our display of Granite
Monuments or we will call at
your invitation.

SEED

...is it Your Neglected Crop?

Since the coming of the All-Crop
Harvester, grass and legume seed
has become the most profitable
single crop on many farms. Tiny,
fine-screened seed, chaffy, light-
weight seed or otherwise hard-to-
handle grass and legume seeds
are no longer a problem. They
all can be harvested with the same
machine you use for small grains
and beans.

It's easy to see your new ad-

vantage in the action of the All-
Crop's full-width threshing cylin-
der, rubber-faced shelling contacts,
quick cylinder-speed changer, over-
sized straw rack and cleaning shoe.
You enjoy, also, the freedom of a
harvesting outfit complete with
only a one- or two-man crew.

Why continue to lose out on
an extra-profit SEED harvest be-
tween hay cuttings or before pas-
turing? The All-Crop Harvester
can turn this neglected crop into
income.

THIS HALFBACK'S EYES WERE Trained AT HOME

In football, and scores of other activities, good eyesight is important.
AND GOOD LIGHT IS IMPORTANT TO GOOD EYESIGHT.

School children need good light when they study more than at any other
time. To protect their eyes and help them make better grades, make sure
they have correct lighting.

But more than that, eyes pro-
tected in youth by good light-
ing, are more apt to stay bright
and undimmed through the
years to come. Both for today,
and tomorrow it's important
for you see TODAY that your
children have better light for
better sight.

I'LL COME TO
YOUR HOME
OR PLACE OF
BUSINESS

A Public Service Company lighting
specialist will come to your home,
office, or place of business to give you
recommendations as to how to obtain
the best in lighting. There's no obli-
gation. Just call or write your nearest
Public Service office.

25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Mrs. Edna Tyler Died Wednesday

Mrs. Edna Mae Tyler, 51, wife of Clinton H. Tyler, and a resident of the Joe Bailey community in this county for the past twenty years, died at her home in that community at 6:30 o'clock Wednesday afternoon, following a prolonged illness.

Funeral services were conducted in the O'Donnell Baptist Church at 3:00 o'clock Thursday afternoon by Rev. T. L. Pond, pastor of the Redwine Baptist Church, assisted by Rev. J. M. Hale, the O'Donnell pastor. Burial followed in the O'Donnell cemetery under the direction of the Stanley Funeral Home of Tahoka.

Surviving are the husband, Clinton H. Tyler, and two sons, Graham Tyler and Truett Tyler. A small son and a daughter, and a soldier son, R. L. Tyler, who was captured at Corregidor and was reported to have died in October 1942, while still a prisoner, preceded her in death.

Her parents, Mr. and Mrs. Ira Huey of Justin, Denton county are still living, as are three sisters also: Mrs. Jack Knox of Denton, Mrs. J. M. Judge of Lovington, New Mexico, and Mrs. A. G. Goodman of Dublin, Texas. All of these were here for the funeral.

Mrs. Tyler had been confined to her bed since January of this year.

She was born on December 28, 1895 in Bosque county. She was married to Clinton H. Tyler on

Baptist Youth of Area Meet Here

The quarterly meeting of the Young People of the Brownfield Baptist Association was held in the Church here Monday night with fifteen or more churches represented. The auditorium was almost filled. The Wilson church took the attendance banner. Other churches well represented were Brownfield, New Home, Wells, Redwine, Tahoka, and others.

Rev. R. H. Cagle, pastor of the First Baptist Church of Hereford, who conducted some revival meetings in the Hawaiian Islands last spring and took pictures of Missions and other scenes on the islands, exhibited them on a screen, or rather he commented on the pictures as his Sunday School Superintendent, Mr. Thompson exhibited them.

In addition to this, a program of talks and music was given by four native Hawaiians who are now students in Wayland College, Rev. R. H. Cagle acting as master of ceremonies.

A Devotional Thought was given by Mori Hiraoni, which was followed by a vocal solo rendered by Muriel Okamoto. A brief Testimony was given by Edward Arakawa, and after the pictures were shown, Samuel Choy gave the Closing Testimony. He spoke at greater length than the others and with much earnestness.

This was a novel and very interesting program, greatly enjoyed by the congregation.

October 25, 1914, in Erath county. The family moved to Lynn county in October, 1927 and had resided in this county ever since. In early life she united with a Baptist Church in Denton but had not moved her membership to this county.

Mrs. Tyler was a good woman, greatly beloved by her family and friends, and they are deeply grieved at her untimely death.

HERE FROM SOUTH CAROLINA
Mr. and Mrs. C. V. Verner and Fred Verner of Piedmont, South Carolina, left for their home Monday after a visit of several days here with their son and brother, Charlie Verner, and wife.

This was the Verners' second visit to the South Plains, they having been here last spring to attend Charlie's wedding, and they expressed themselves as being very well impressed with this country.

BLASINGAME-LYNN

Everett Blasingame, former resident of the Grassland community in this county, and Miss Ruth Lynn of Petersburg, Hale county, were married by a Minister of the

Church of Christ in his home in Plainview on last Saturday night, according to Mrs. Fred Mathews of Grassland, a sister of the groom. Mr. Blasingame is a student in Texas Technological College and the couple will make their home in Lubbock.

Mr. Blasingame lived near Grassland for six years before enlisting in the Army in December, 1944. He was granted a discharge in October, 1946, and his parents had removed to Petersburg in the meantime.

Mr. and Mrs. A. C. Weaver and family were called to Dallas Tuesday by the critical illness of her father.

THE WHISKEY BUSINESS IN POLITICS

Both parties in Congress are wrestling with the Food Control proposals and the problem of feeding Europe. A lot of politics is being played respecting proposed legislation. Involved in these controversial matters are the powerful liquor interests.

And neither party wants to offend the liquor interests.

The proposals to limit the amount of meat and grain to be used on the tables of the housewives of America while permitting vast quantities of grain to be used by the distillers for the production of liquor appeared so absurd and inexcusable, however, that President Truman requested and brought some pressure to bear upon the distillers of the country to curtail their use of grain for a time in the manufacture of liquor.

With a great show of patriotism and of concern for the welfare of the country, at least 95 percent of the distilling industry, according to a news story from Washington, agreed to shut down Saturday night for 60 days to conserve grain. Charles Luckman of the Citizens Food Committee announced.

A look into the situation a little further, however, will dim the glory of the distillers a bit, in

making this voluntary (?) concession for the good of the country.

On the front page of the very same paper on which the above story was published was another story sent out from Philadelphia on the same date, from which we quote:

"Announcing that the distilleries of Publicker Industries, Inc., are shutting down their operations in compliance with the president's request, L. J. Gunson, president of a subsidiary, Kinsey Distilling Corporation, declared Saturday night there are sufficient whiskey stocks on hand to take care of United States consumption for almost four years." He further explained that the industry had on hand in government bonded warehouses 550,000,000 gallons of whiskey and neutral spirits (used for blending) which had not yet been bottled; 250,000,000 fifths, or 50,000,000 gallons, had already been bottled.

So, a shutdown of 60 days could not be much of a sacrifice on the part of distillers after all.

As an evidence that the distillers do not intend for their interests to suffer at the hands of the Administration in Washington, we cite information given out by Drew Pearson in his newspaper column, also published in many of the daily papers of the country Sunday, including the Lubbock Avalanche. Says Drew:

"Ex-Senator Burt Wheeler of Montana has now been retained by one of the biggest whiskey distillers to fight its battles at the White House. Wheeler has been hired by Lewis S. Rosenstiel, head of Schenley's, and also has been loaded up with a lot of ballyhoo to the effect that the Luckman Committee is composed of crackpots and New Dealers and he is supposed to sing this song to the White House. Wheeler was picked by Schenley's because of his long friendship with President Truman and because he was able to get Schenley's out of trouble with the Justice department anti-trust division recently. Several of the big distillers were in Dutch with the Justice department for trying to monopolize the whiskey business, but the astute gentleman from Montana managed to get them off the hook."

In another paragraph, Drew releases this Note: "Still wringing their hands over the whiskey holiday, the big distillers have retained the Ivy Lee Publicity firm in New York to stage a campaign for them. Ivy Lee is the man who transformed the Rockefeller family from one of the worst-hated groups in the USA to present pillars of society."

All of which leads us to believe that the Liquor interests are too tarnally powerful in Washington, and that these Demons are still up to their old tricks of employing high-powered lawyers to practice influence and high-powered propagandists to pull the wool over the eyes of the people.

The United States perchance may be able to live in the same world with Russia without being compelled to fight her but it is obvious that there can be no real bond of friendship between the two governments as long as Russia remains a totalitarian power. Dictators hate democracy just like the devil hates the Ten Commandments, for they can not rule where

the democratic spirit prevails. There can be no more amity between autoeracy and democracy than there is between the Powers of Darkness and the Author of Light. All we can do about it is to stand our ground, cause the light of Christianity and Democracy to shine as bright and as far as possible into all the dark places of the world, including Russia, and trust a kind Providence for results. Certainly the United States can not afford to yield anything now to the Communist dictator devils.

CARD OF THANKS

We take this means of thanking our friends for the countless kindnesses shown during the long illness of our husband and father, for the words of consolation and sympathy spoken at the time of his death, for the meals prepared and served, for the lovely floral offerings, and for every thoughtful word and deed. We shall treasure all these things up in our hearts. Mrs. Tom Tyler and children.

The five major causes of fires in the home are careless smoking, smoking in bed, children playing with matches, children left alone at home, and clothing ignited by open fire place or bonfire.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did. **CARDUI**

Mrs. Esther (Mark) Halsey and her sister Miss Lida Campbell and the former's two little grandchildren, Markay and Pamela Arnette Reynolds, visited in the home of Mrs. E. L. Hill Sunday afternoon. Also here Saturday afternoon and night was Mrs. Myrtle Rochelle, who works in the Lubbock office of Unemployment Compensation Commission, and who frequently spends the week-ends here with her two daughters, Anita Jo and Sara Sue, in her father's home.

Annual U. S. fire losses of timber and lumber are enough to build 200,000 houses.

Farmers spent about \$800 million for new farm machinery in 1946, not counting tractors.

NOW—make a date to OIL-PLATE!

This time of year, lots of cars need protection, too... from last summer's worn-out "ghost" oils!

Only remedy we know is a quick change to winter-grade Conoco Nth!

Free-flowing Conoco Nth Motor Oil (patented) includes an added ingredient which fastens an extra film of lubricant so closely to metal surfaces that cylinder

walls are actually OIL-PLATED.

This extra OIL-PLATING resists gravity... stays up, won't all drain down even overnight! And that's why you're extra-protected from metal-eating, combustion acids... from "dry-friction" starts... from carbon and sludge due to wear!

For extra-quick starts, for extra-long, safe miles, make a date to OIL-PLATE your engine today!

Your Conoco Mileage Merchant

HELD AT NEW HOME TONIGHT

The greatest carnival ever to be staged by the New Home School is being planned for Friday night in the gymnasium. Fun and entertainment for all is promised, and in turn, the school system will receive the benefits of the evening.

The highlight of the carnival will be the crowning of the queen. A grade school queen and a high school queen will be chosen on the basis of the amount of money taken in by each class through their booths.

Each class in the grade school will use the proceeds in their own rooms for school supplies, or anything that the room needs. The high school classes will have a certain per cent of their proceeds and the remainder will go into the athletic fund.

High school queen nominees and escorts are Jewel Dean Harmonson and J. A. Godfrey, senior class; Joy Dean McClintock and Bobby Fillingim, junior class; June Huev and Bobby Joe Vandiver, sophomore class; Velma McGuire and Kenneth Rogers, freshman class.

Queen nominees and escorts from the grade school include Jo Rita Fulford and Larry Edwards, first grade; Thurleen McNabb and Joe Wayne Roper, second grade; Silvia Edwards and C. L. Rogers, third grade; Vynoma Clem and Norman Nieman, fourth grade; Barabara Denning and Bobby Joe Smith, fifth grade; Deloris Edwards and Pat Caudle, sixth grade; Bernice Peek and Elbert Robinson, seventh grade; Joy Blevins and Clarence Jones, eighth grade.

The following booths will be set up: cake walk, ghost house and chances on blanket, senior class; Bingo and basketball shooting contest, junior class; doll chunking and selling popcorn and peanuts, sophomore class; selling ice cream sticks and chances on a 60-pound sack of sugar, and coin tossing, freshman class; fishing pond, eighth grade; ringing coins, seventh grade; shooting balloons, sixth grade; bowling and side show, fourth grade; selling chances on a bed spread, second grade.

The first grade has the following to say about their contest: We, the first grade, invite you to come to the New Home School, Friday night, October 31, (tonight), and attend the greatest carnival of our history, and while there, don't miss the magnificent attraction that will be brought to you by the First Grade—the "bubble blowing" contests.

For this event, we charge our friends a tax free admission of 15 cents each. Mothers and Dads, when have you ever entered a "bubble blowing" contest for the same admission price as that paid by your sons and daughters and tax free? Parents, we urge you to buy a ticket whether you blow bubbles or not. If you don't enter one of the contests offered our adults, you will have the satisfaction of seeing your children blow for one of the nice prizes offered, and in addition, you will enjoy the biggest chew of a life time with bubble gum that the First Grade will give you when you purchase your ticket.

All tickets will be sold with our guarantee of a laugh and a tired jaw or your money back. Buy your tickets the first thing while our supply of bubble gum lasts! And now, may we remind you that the entire proceeds of this contest will be spent for the needs of the first grade room. Will we see you Halloween night?

MRS. B. W. FRANCIS OF
JOE STOKES HONORED

An all-day quilting was held at Joe Stokes community center on October 23, honoring Mrs. B. W. Francis, formerly Evelyn Morris.

A 52-piece dinner set was presented the bride by friends and neighbors, and an aluminum skillet was given by her mother.

The refreshment plate was very pretty, carrying out Halloween colors.

Hostesses were Mrs. Hilary Smith and Mrs. Buddy Smith.

"Make maximum use of pasture" is a good general rule to follow in feeding stock, whether beef or dairy cattle, hogs or lambs. It will save badly needed grain as well as reduce costs of operation.

"Frost-proof" vegetables simply means that the seed has been planted in open field plant-beds and as the weather becomes colder, the plants become "frost-proof" or toughened to cold weather.

A study in Texas shows that costs of producing cotton in the state range all the way from 19.4 cents to less than 4 cents per pound.

BUSBY-BROWN

A twilight wedding October 3, 8 p. m. at the First Presbyterian Church in Falfurrias, Texas, united Miss Sylba Busby of this county and Mr. Burton M. Brown of Lanesboro, Iowa. Rev. Paul D. Hanna, pastor of the church in Falfurrias performed the single

ring ceremony. The altar was outlined with fern and seasonal flowers; the white taper candles rested in twines of green ivy on the tall candelabra. Serving as best man and matron of honor were Mr. and Mrs. J. H. Stewart of Falfurrias. A wedding dinner was served in the Stewart home after the ceremony to which additional guests were invited.

The bride wore a street length white crepe dress and white carnation corsage. She wore a gold bracelet which is a heirloom of the family at the tip of her long fitted sleeves at the left wrist. For other jewelry she chose a small dainty gold necklace and carried a wrist type black corde bag and black lace gloves. Her hat was black with white ostrich trim.

The bride is the daughter of Mr. and Mrs. Edd Busby of Tahoka and was reared here. She graduated from the Tahoka High school, attended Texas Technological College three years and then entered Texas State College for Women, and graduated from that institution with a Bachelor of Arts degree. She was also very active in church work, 4-H club work, and Social Case Work in the Family Service Agency of Dallas, and taught school in 1945-46 at the Draw-Redwine school. At the present she is employed by the Brooks County Independent School District.

Mr. Brown is the son of Mrs. Clara Brown of Lanesboro, Iowa. He graduated from the Lanesboro High School after which he enrolled in Iowa State College until the war and he enlisted in the Army Air Force and received his discharge in 1945. After his discharge from the Army he re-entered college at North Texas State College where he received his degree in Business Administration and then taught that subject for a period at the same college. He is now employed by Magnolia Petroleum company.

Mr. and Mrs. Brown are making their home in Falfurrias.

WAYLAND GIVES PROGRAM FOR BAPTIST BROTHERHOOD

Between fifty and sixty men from ten or more churches of the Brownfield Baptist association together with two or three visitors attended the associational Brotherhood meeting at Wells Tuesday night. Fourteen men from Tahoka were among the number.

The program was given by a group of four men from Wayland College consisting of three faculty members and a student, under the direction of one of the number, Mr. George Stokes. He also made a brief talk respecting the plans for the enlargement of Wayland and the purpose to make it the greatest Christian College in the country, not in the number of its students necessarily but in the character of the work done, which he explained.

The musical portion of the program consisting of a number of selections rendered by the quartet was superb.

Associational officers elected were: John Heck of Wilson, Membership vice-president; Dr. K. R. Durham of Tahoka, Activities vice-president; and H. L. Cook of Wells, program vice-president. J. W. Lowrey of Petty was re-elected as secretary-treasurer.

A bountiful "feed" was served by the men of the Wells Brotherhood.

H. D. COUNCIL HAS INTERESTING MEET

The Lynn County Home Demonstration Council met in Miss Hard's office October 25. Members from Draw, Joe Stokes, Petty, Wells, and West Point were present.

One member from each club answered roll call with a report of the activities of her club. All clubs have had a demonstration by Miss Hard on minor repairs of electrical equipment.

Joe Stokes has a social each month. The October meeting will be a Halloween party. Members have sold 32 boxes of Christmas cards and 25 boxes of all-occasion cards to help pay their expenses. They have also bought a nice supply of silver ware to be used in

their community center lunch room.

Mrs. Blain Ramsey, the delegate who attended the T.H.D.A. convention at Galveston in September, gave a very interesting report on the program carried out. Themes on clothing, home, food, socials, economics, and legislation were discussed.

Miss Hard outlined the program for "Better radio listening for 1948."

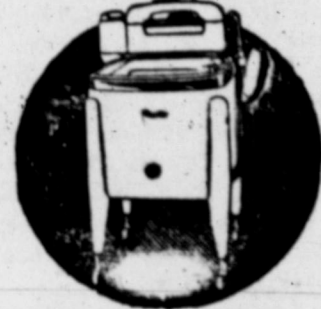

We plan to send one adult leader and two 4-H girls to the training school at Lubbock January 16-17, 1948. Expenses are to be paid by the Council.

Council officers were elected as follows: Chairman, Mrs. Tom Russell; vice-chairman, Miss Ina Ledbetter; secretary-treasurer, Mrs. J. Schuknecht.—Council Reporter.

**MR. AND MRS. D. C. DAVIS
VISIT RELATIVES**

Leaving here by bus on Wednesday of last week, Mr. and Mrs. D. C. Davis returned home on Saturday after having visited his brother, W. H. Davis, and family at Hamlin and two sisters, Mrs. M. A. Horton and Mrs. Martha Denton at Knox City.

Mrs. Denton returned home with them Saturday for a week's visit here and she expects to leave tomorrow for Pampa to visit a daughter there who has been a teacher in the Pampa public school system for several years.

D. C. came back home gloating over the fact that he had accidentally got the low-down on the editor while in Hamlin. He met a fellow there who said he knew the editor in Bell county and who told him a lot of stuff that wouldn't do to print—at least he didn't think we would print it even if he told us, and so we couldn't get a word out of him as to the nature of the charges.

We kinda think Dave came back with some sort of grouch any way, for before he left the office he got onto good old John Evans with all four of his feet—said while he was gone John gathered up all his old leaves and brought them to his place and scattered them all over his yard.

**DRAW H. D. CLUB HAS
BUSY SESSION**

The Draw H. D. Club met in the home of Mrs. John Ragan Friday afternoon at 2:30 o'clock.

The annual Club report was made and officers were elected for the new year. Mrs. Joel Holloway was elected president; Mrs. Pat Hensley, vice-president; Miss Emily Waller secretary-treasurer; Mrs. Hubert Roy, reporter; Mrs. Jewel Sealy, council delegate; Mrs. L. B. Jones, marketing chairman.

Miss Graham Hard gave a demonstration on household electric cords and their simple repair; also what to look for in purchasing electric cords and extensions.

Delicious refreshments were served to ten members and Miss Hard.

**Leto's Helps Your
Gums Get Well**

Are your gums unsightly? Do they itch? Do they burn? Druggists return money if first bottle of LETO'S fails to satisfy.

MUSEUM POPULAR PLACE

CANYON, Oct. 30.—More than 400,000 persons have visited the Pannhandle-Plains Historical Society Museum since it was opened in 1933. During the month of September, 3,291 visitors registered from 38 of the 48 states. Record month of the year to date was August, with an attendance record of 6,336.

Texas led last month with 2,881. Oklahoma was represented by 81; New Mexico, 51; California, 32; Kansas, 21; Illinois and Missouri, 19; Iowa 17; Indiana, 16; Colorado, 13, and New York and Georgia, 12.

Each state in the Union was represented at some time during the year, and seven foreign countries were listed on the register. Alaska had 2; Canada 18; England, 8; Panama, 2; Hawaii, 5; France, 2; and Italy, 1. Total for the year is 37,773.

Thousands of school children visit the Museum annually. They are invited to visit by classes, and by previous arrangement can be conducted through the Museum, thus having the benefit of a general lecture as they view the exhibits.

Study clubs and groups of various kinds, as well as Boy Scout organizations spend many instructive hours in the Museum. The Museum library also offers an excellent opportunity for research.

When the second unit, now un-

DON'T FLUSH KIDNEYS

To stop irritation and irregular elimination use CIT-ROS. The new remedy quickly restores the normal pH of the body fluids. The cause is eliminated, the body stops pain, heals sore spots. CIT-ROS brings you comforting relief. CIT-ROS at your druggist, \$1.00. For sale at

Lubbock Banker Rotary Speaker

Elmer East of Lubbock, a banker, gave a very sane discussion of conditions and trends in this country before the Rotary Club at its luncheon Thursday.

Quoting from various surveys made by different organizations, he drew the inevitable conclusion that people are depending more and more on the government for help in their various farming and busi-

ness enterprises and are expecting more and more from the government. There is a strong drift, he asserted, toward government ownership and operation of the banking system and other private enterprises—in fact, toward the communistic system—and he warned against the dangers confronting us.

In a most impressive way, he showed how this country, under the free enterprise system, had far outstripped all other countries of the world in wealth and in the standard of living, and he begged his hearers to think soberly on

these things and staunchly maintain our own economic system and our own way of life, rather than a "fall for" misleading Russian propaganda.

A number of visitors were present, and Luther Norman, new Minister for the Church of Christ here, was welcomed as a new member of the Club by Wynne Collier, speaking on behalf of the Club.

METHODIST CHURCH

You are invited to the services of the Methodist Church of Tahoka this Sunday. Sunday School is at 9:45 A. M. Morning Worship is at 10:55 A. M., the sermon topic to be, "Has Christianity Your Vote?"

At the evening hour, 7:30 P. M., Rev. Edgar Irvine, Manager of the Methodist Camp Grounds at Ceta Canyon, will be the speaker and will probably have slides and pictures of the camp grounds and activities there to show.

Mrs. Jennie Ellis of Christoval, and her daughter, Miss Viola Ellis of Austin, left for their homes last Saturday after having spent several days here visiting relatives and friends.

Plunkett's Show Here Next Week

Plunkett's Variety Show, with ten members of the family giving the show company its name, will set up in Tahoka three nights November 6-7-8.

A new flame-proof tent will house the show. The show is sponsored here by the Fire Department.

The Plunkett family has operated a stage show on the road since 1929 and has had a tent show since 1934 in Texas. Twenty five people are in the company of entertainers, presenting a three act comedy play and ten acts of vaudeville, with a complete change of program each night.

On the vaudeville bill are Miss Jerrie Plunkett, songstress; Kennedy Swain and Gogo Gibbs, described as two of the funniest men in stage show business; Captain Plunkett and his four trained animal acts, dogs, seals, monkeys and Congo, the educated chimpanzee, and the famous Plunkett Troupe on the bouncing trampoline. The Plunkett ad will be found elsewhere in this issue.

Part of the Plunkett's furnished most of the Vaudeville Bill on the Harley Sadler Show in 1942.

School Carnival Queens Crowned

At the school carnival held in the gymnasium last Monday night, Miss Dorothy Foster senior in the high school, was crowned as the high school Queen, the Senior Class having taken in more money from sales than any other class in the high school.

Betty Vaughn, second grade student, was crowned queen of the grade school, her grade having excelled all others in the amount of money taken in.

The Senior class in the high school realized \$184.00 from sales, with the eighth grade as the runner-up.

In the grade school, the second grade took in \$101.22, the seventh grade being a close second with \$99.61.

Altogether, more than \$800.00 was realized from the carnival sales. The money was turned in to the P.T.A. treasury, since that organization sponsored the carnival. That turned in by the high school classes will be used in the installation of a communications system in the high school building. That turned in by the grade school classes will be used in the building of sidewalks, the enlargement of the library, and possibly other useful purposes.

The coronation exercises were quite a colorful affair. The stage was gaily decorated with flowers and the festivities were similar to those befitting a real coronation occasion.

Nan Beth Pennington, president of the student council, acted as master of ceremonies. Miss Frances Haney was the pianist for the occasion. Phil Bairrington served as escort for the queen-elect, Dorothy Foster and Carl Prohl was the escort for the grade school favorite, little Queen Betty Vaughn.

Clyde H. Jones of Grassland was in the News office on business Wednesday, accompanied by his uncle, W. R. Cannon of Fort Worth, who is out here for a few days visit.

Mrs. Luther Norman, wife of the new Minister of the Church of Christ here has been quite sick this week.

Phone 49, Tahoka

Football . . .

(Continued from Page 1)
cond half. The ball was taken in by Van Brookshire who raced laterally across the field and handed the ball off to Joe Don Minor, who was enabled to get into the clear by beautiful blocking about the 30-yard line, and maced on down the sideline for 70 more yards for a TD with two blockers protecting him all the way on his 90-yard gallop. Cowan's attempted kick was no good, and the score was 13 to 0.

A short time later the Post Antelopes recovered a Bulldog fumble on the 18-yard line, setting up Post's deepest scoring threat. After four plays the Antelopes made a first-down on the Bulldog 8-yard line, where Hester took over and fired an 8-yard pass to Ingram for the Antelopes' only score. Hester's place kick was perfect on the conversion, making the score 13 to 7.

The Antelope plays began to

click and a couple of other serious threats were finally stopped by the Bulldogs. Then the Bulldogs started a long drive down the field, making two first downs in succession when the final whistle caught them short of another TD by 20-yards.

Don Akin, fullback, shifts to guard on defense and that is where he really shined last Friday night, playing a bang-up ball game. Crotwell, Kahl, and Sherrod, tackles, all played a fine game offensively as well as defensively. Centers Randle Hinkle and Billy Bert Stevens both turned in a fine game. Quarterbacks Bobby Boyd and Gilbert Hough also did a fine job. Hough only got to play a short time, but showed up well for the few minutes he was in the game. Van Brookshire, right half, also turned in a fine game as well as Tommy Chandler at defensive halfback, Guards Bill Keiley and Bill Chancey, and Ends Cowan, Carter, and Reed.

In fact the entire Bulldog squad

turned in one of the finest games that has ever been played by any previous team on the local field. Not to be overlooked are the reserves. Many of them did not get to play, but they are the boys, who make a good first string possible.

Post made 7 first downs to Tahoka's 5; rolled up 103-yards from scrimmage, losing 68-yards for a total net of 35-yards, to Tahoka's 143-yards, losing 7-yards for a total net of 136-yards; passed 13 times, completed 7 for a total of 63-yards, and had 3 intercepted. Tahoka passed 2 times for a total of 25-yards completing both passes; Post kicked 4 times for an average of 38.2-yards while Tahoka kicked 5 times for an average of 41.1-yards; and Post was penalized 4 times for 20-yards, while Tahoka was penalized 5 times for 55-yards.

Courts . . .

(Continued from Page 1)
man, was charged with unlawfully driving a car while intoxicated. His fine was assessed at \$50, and he paid the fine and costs.

Calvin Gibson, a transient white man, was charged with aggravated assault upon a white woman. His punishment was assessed at 33 days in jail and a fine of \$100.00 and costs. He is serving his time in jail.

A Negro woman, Bertha Smith, entered a plea of guilty to a charge of aggravated assault upon a Negro man with a piece of iron, which was alleged to be a deadly weapon. She whacked him across the back of the head with it and left a gash to the skull two or three inches long. She was fined \$25.00 and fine and costs were paid.

A lot of the Mexicans decided that they had to celebrate something or other over the week-end by getting drunk. Ten of them paid fines in the Justice court at O'Donnell for drunkenness and six or seven in the Justice court in Tahoka.

Justice P. D. Server accepted five pleas of guilty also for violations of the traffic laws.

Fines in all these cases were \$1.00 and costs with the exception of one traffic law violation for which the fine was \$10 and costs.

Rotary . . .

(Continued from page 1)
pervising the activities of some 6,200 Rotary Clubs which have a membership of 305,000 business and professional executives in 78 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Tahoka because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community—betterment undertakings, raising the standards of businesses and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, 418 new Rotary Clubs were organized in 16 countries of North and South America, and in Australia, Belgium, China, Czechoslovakia, Denmark, England, Finland, France, Greece, Iceland, India, New Zealand, Norway, The Philippines, Portugal, Scotland, Siam, Southern Rhodesia, Sweden, Switzerland, Trieste, Union of South Africa and Wales.

Tyler . . .

(Continued From Page 1)
Survivors include his life companion, two sons, two daughters, and two grandchildren. The sons are Thomas E. Tyler of Los Angeles, California, and Charles of College Station, Texas; the two daughters, Mrs. Hervey Gardenhire of O'Donnell, and Miss Ruth Tyler of Lubbock.

Two brothers and two sisters also survive, the brothers being J. H. Tyler of Bynum, Hill county, and I. N. Tyler of Milford, Ellis county; and the sisters, Mrs. E. F. Collier of Malone, Hill county, and Mrs. J. W. Buckner of Tyler, Smith county. All were here for the funeral except Mrs. Buckner, who was unable to come.

He was also survived by one sister-in-law, Mrs. Will Tyler of Rotan, and she and her family were here for the funeral.

Relatives of Mrs. Tyler who were here included a brother and two sisters, Homer Atwood and Mrs. John Bryan of Hillsboro, Texas, and Mrs. Joe Hall of Melrose, New Mexico. Other relatives of the family were here from Lubbock, Sudan, Stanton, and other places. Many Lynn county friends also attended the funeral services at Lamesa.

Born at Milford in Ellis county on July 28, 1883, Mr. Tyler was 64 years old and a native of this state. He was married to Miss Maggie Atwood in Hillsboro, Texas, on May 30, 1912. He moved from Hill county to Dawson county in January, 1925. He lived at Sparenburg, Five-Mile, and Key in Dawson county for a total of 16 years, moving in 1941 to a farm near Draw in Lynn county, which he had purchased. He has lived in this county ever since.

He had many friends in Lynn and Dawson counties as well as in other counties in which he had lived. He was a good citizen and a splendid Christian gentleman, having been a member of the Methodist Church about 45 years. The News joins in condolences to all the bereaved.

Gass . . .

(Continued from page 1)
March 18, 1869. He was married to Miss Julia Ann Price on December 4, 1890. She died on January 24, 1912. Of their union eleven children were born, four of whom preceded him in death, Minnie, Ruby, Opal, and Emma. He is survived by the other seven: Edward of Keifer, Oklahoma; Mrs. Jewell (Rado) Hutchinson of New Home, Lynn county; William (Bill) Gass of Draw; Walter P. Gass of Corpus Christi; Marshall J. Gass of Goree; Theodore H. Gass of Tahoka; Fred Gass of New Home.

Also surviving are two sisters, Mrs. Zenia Buckner of Bowie, Texas, and Mrs. Lee Wetzel of Waurika, Oklahoma; 46 grandchildren and 24 great-grandchildren.

On March 16, 1922, Mr. Gass married Mrs. Irene Mattney. He moved with his family from Knox county to Lynn county in 1924, and his second wife died here on October 8, 1937.

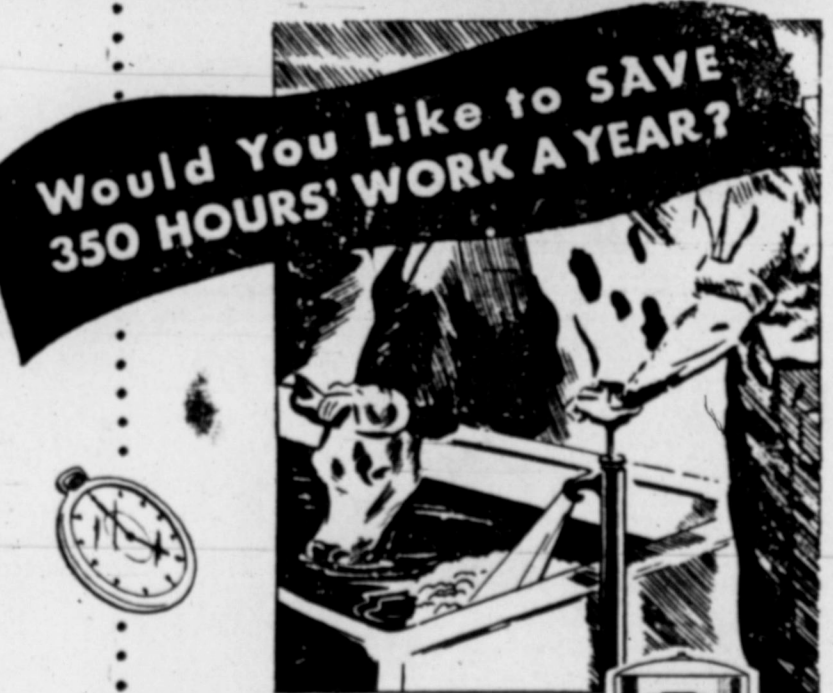

On October 8, 1938 he married Mrs. Leona Settles, who survives him. Also surviving are four stepchildren, the children of his last wife.

Mr. Gass had long been a member of the Church of Christ. He was a good citizen and had many friends, who were grieved at his departure, though he had lived to a ripe old age. The News joins in condolences to all the bereaved.
