Tahoka, Lynn County, Texas, Friday, November 7, 1947

Number 5

J. C. Dyer Stabbed By Mexican At Redwine Farm

On last Friday night, a drunken Mexican cotton picker out at the T. C. Beard farm near Redwine made a vicious assault on J. C. Dyer, Mr. Beard's son-in-law, who was in charge of the farm and had employed the Mexican. He stabbed Mr. Dyer in the vicinity of the stomach but the knife-blade struck a rib and was thereby prevented from inflicting a fatal injury.

The Mexican then left and Sheriff Sam Floyd was notified of the assault. He hurried out to the vicinity of the Beard farm but turned at the wrong place to reach it immediately. It turned out to be the right road after all, however, for he encountered the wanted Mexican out beside the road trying to thumb a ride. He accommodated the swarthy gentleman and took him in, and the Mexican was soon afterwards identified as the man who had done the stabbing.

Mr. Dyer's wound has yielded very satisfactorily to treatment at a local clinic. The Mexican is occupying a cell in the county jail, after having been charged by complaint in the justice court with assault with intent to murder. The complaint was prepared by District Attorney Calloway Huffaker and the case will be investigated by the grand jury when it convenes again.

J. H. Ramsey, 79, Buried Wednesday

Another aged citizen of Lynn county, James Henry Ramsey, 79, was claimed by death in the Tahoka Clinic here at 12:45 Tuesday morning. He had been a patient in the clinic only a few days, having suffered a stroke or other sudden illness at his home in the Grassland community on Thursday of last week.

Funeral services were conducted in the Grassland Methodist Church of which he was a member, at 2:00 o'clock Wednesday afternoon, the pastor, Rev. J. E. Peters, officiating, assisted by Rev. D. W. Reed, Baptist Minister, of the Garbolla community, and Rev. J. W. Rosenberg, pastor of the Tahoka Methodist Church.

Interment followed in the Grassland cemetery. Surviving are the aged widow, Mrs. Mary Katherine Ramsey, two sons and one daughter, Oran, Emmett, and Miss Maude Ramsey. Three sisters and three brothers also survive: Mrs. E. B. Mathis and Mrs. J. W. Shepperd of Post, and Mrs. C. G. Lightfoot of Timpson; Bob Ramsey of Eagle Lake, Press Ramsey of Timpson, and Marvin Ramsey of Naacodoches.

Mr. Ramsey was a native Texan, having been born in Shelby county in March, 1868. He grew up in East Texas and spent many of the years of his life there. He and family moved to Lynn county in 1923, and they had been here thereabout 24 years. He was a farmer by occupation until he retired on account of ill health. Last spring he had a very severe illness but finally got on his feet again and had been up and around until the attack on Thursday of last week.

He was a good citizen and a Christian gentleman and enjoyed the respect and esteem of a large circle of friends.

Lyntegar Extension Given Approval

Garland Pennington, manager of Lyntegar Rural Electric Cooperative, which has headquarters in Tahoka, received a telegram Wednesday from the office of Congressman George Mahon in Washington advising him that a loan had been approved totaling \$334,000.00 for extension of one co-op's lines in Terry, Garces, and Yockum communities, for which plans were submitted some time ago.

Approval of his project takes care of all proposed extensions at this time except one, Pennington said.

Work Will Start On Lyntegar Home

Anticipating approval of contract by Washington authorities within the next few days, D. D. Humphries, the contractor, is expected to begin clearing off the new Lyntegar lots situated across the street north of the Rose Theatre before the end of this week for the construction of the new Lyntegar office and warehouse building thereon.

The old Cosden station building will be torn down and removed to make room for the splendid new Lyntegar building.

Burglars Enter Tahoka Homes

At least three residences in Tahoka have been burglarized recently.

On Thursday night of last week some intruder entered the home of J. S. McKaughan while he and his wife were asleep and took a quantity of good and lawful money from one of the pockets of Mr. McKaughan's trousers. The next morning he found his trousers in another room but the pockets were woefully empty. Mr. McKaughan stated that he did not know the exact amount of money taken but others have stated that the amount was about \$40. The empty purse was found where the thief left it as he went out.

On the same night, some intruder also entered the residence of John Hill and ransacked his trouser pants. Luckily, he had no money in his pocket, just a check of considerable size, but the thief could not use that and left it.

On Monday night of this week, the home of Beecher Sherrod was entered and ransacked. On Tuesday morning Mrs. Sherrod's purse was found out on the porch and the thirty-five dollars which it had contained were gone.

Whiskey Runner Is Caught Here

On Thursday night of last week, Sam Floyd and his deputies captured another Negro whiskey runner. They overtook and stopped his car about a mile up the highway north, made a search, and found about five cases of whiskey in it.

The Negro and his car and its contents were brought back to town, the colored gentleman was given a bed in the county jail, and the whiskey was confiscated.

On Friday morning, the Negro indicated that he wanted to plead guilty and was brought down and allowed to enter his plea before County Judge Tom Garrard. His fine and costs amounted to \$123.10.

Big Spring officers told Floyd that the Negro had been giving them trouble down there. The offending Negro had evidently made good as a soldier, however, for he displayed numerous decorations. He had served in the Pacific area.

Negro Is Guilty Of Carrying Dirk

Eddy D. Davis, Negro, entered a plea of guilty in the county court Tuesday morning to the offense of carrying a species of dirk known as a Bowie-knife. Judge Garrard assessed a fine of \$100 and the costs amounted to \$25.10.

The knife which the sheriff took from the Negro was a dangerous-looking weapon and the Negro had exhibited an ugly spirit in the way he handled it. The Negro carried it encased in a leather scabbard. He is a transient cotton-picker and was at work on the J. A. Parrish farm near Central Church. While he was handling it in a threatening manner, involving another Negro Monday night, Mr. Parrish intervened in behalf of peace and the Negro threatened to use it on him. Later he was apprehended and dismissed by Sheriff Sam Floyd, who brought him to jail.

There are nearly 600 people to the square mile in Puerto Rico and most of them live off the land.

Tahoka Ginnings Past 12,000 Bales, County Is 60,000

A little more than 12,000 bales of cotton had been ginned in Tahoka prior to noon Thursday, according to reports given to the News by the ginner.

Two of the gins at Wilson had ginned approximately 4,425 bales. The two gins at New Home had turned out more than 4,500 bales, and the two gins of Thomas Brothers at Grassland reported 4,368 bales. The News failed to contact the Farmers' Gin there.

The eleven gins contacted had ginned approximately 25,188 bales prior to ten o'clock Thursday morning.

There are 27 or 28 gins in the county, and it is probable, therefore, that between 55,000 and 60,000 bales had been ginned in the county.

Cotton seed in Tahoka was still quoted at \$85.00 per ton.

Grand Jury Meets In Brief Session

The grand jury for the September term of court was re-convened Tuesday morning to investigate a number of criminal cases. It completed its work in the early afternoon and turned into court indictments against four men.

J. W. Box and Denton Box were indicted for the alleged theft of more than 5,000 pounds of threshed maize from Fritz Speckman of the Lakeview community.

Raymond Juarez was indicted for assault with intent to murder J. C. Dyer by stabbing him with a knife on Friday night of last week. The incident occurred out at the Clayton Beard place near Redwine where Dyer is farming.

Two indictments were returned against L. J. Reynolds for the alleged offense of forgery.

During the day, Judge Louis B. Reed also heard the evidence in a number of divorce suits.

Visiting lawyers here Tuesday included Carl Rountree of Lamesa and Burton Hackney of Brownfield. After receiving the report of the Grand Jury, Judge Reed went on to Post on official business.

Assembly Of God Will Have Meeting

Rev. Leon Quillin, pastor of the Assembly of God Church here, announces that the church will hold a Fellowship meeting in the Presbyterian Church on Thursday, November 13.

Ministers and members of the churches of the entire South Plains are expected to attend together with many visiting ministers from other parts of Texas.

Services will begin at 10 a. m., and an old fashioned lunch will be served at noon. Afternoon services will begin at 2:00 o'clock and evening services at 7:00 p. m.

Every one is urged to attend these services.

Tahoka, Ropes Legion Posts Will Play Football Game Here Armistice Day

Announcement has been made by the local American Legion Post that a football game between the Tahoka American Legion and the Ropesville American Legion will be played on the local field November 11.

These two elevens will be made up of ex-Bulldogs and Ropesville high school stars of years gone by, some of whom have played college football at different colleges and in the Armed Service.

The game is scheduled to start at 2:30 Tuesday afternoon.

Roy Stephens is coaching the local team and they have been working out and getting in shape for the game for the past week or ten days.

Below is a list of some of the players who will be seen in action for the local American Legion team: Bill Barham, Bill Woods, Frank Woods, Charles Reid, G. W.

Local Men Will Attend WTCC Meet

Hubert Tankersley, director, and Clint Walker, secretary of the Tahoka Chamber of Commerce, and Tom Garrard, district two director of the West Texas Chamber of Commerce, will go to Abilene next Tuesday, November 11, to attend the annual WTCC convention.

Unlike West Texas Chamber of Commerce conventions of a few years ago, the meetings now are strictly business affairs with none of the "hoop-la" that used to go with these meetings.

Tahoka Will Close On Armistice Day

As has been the custom for many years, practically all Tahoka business houses will be closed all day Tuesday, November 11, Armistice Day.

Local business houses will also close on Thanksgiving Day. This was the decision reached as result of a poll taken this week by Clint Walker, secretary of the Tahoka Chamber of Commerce.

The Marion G. Bradley Post of the American Legion is sponsoring two special events on the Armistice Day holiday. At 2:30 p. m. a football team representing the local Legion post will play a game on the local field with a team representing the Ropes post. Then, that night at 8:30 o'clock, the local post is sponsoring a dance, with music by "The Texas Drifters" at the Legion Hall. Proceeds from both events will go into the Legion's building fund.

Two-Way Radio Granted Lyntegar

Establishment of two short-wave radio stations and six mobile units by Lyntegar Electric Cooperative were given approval Tuesday by the Federal Communications Commission in Washington, according to Garland Pennington, manager of Lyntegar.

On of the stations, with 250 watt power, will be located in Tahoka and will have the call letters KRLU. A 60-watt station will be located at Sundown, in Hockley county. The mobile units will be installed on six service trucks which operate over Lyntegar's vast network of power lines in ten counties or adjacent to the South Plains.

The two-way short-wave radio system will enable the headquarters office here to keep in constant contact with construction and repair units over the territory. Thus, it is believed, much time and expense may be saved the co-operative by reducing to a minimum the necessity of work units coming in to the office here for instructions, or a car going out from here to hunt a crew when it becomes necessary to contact the latter.

The radio equipment will be installed within the next few weeks.

Pay your State and County Taxes in November and save 2%.

Tahoka Bulldogs Meet O'Donnell Eagles Tonight In Crucial Game At O'Donnell; Tahoka Win Means 6-A Championship

Boy Scouts Plan Court of Honor

A court of honor for Tahoka Boy Scouts will be held in the public school gymnasium at eight o'clock on Tuesday night, November 18, according to Scoutmaster E. B. Gaither. The Cubs will be guests. The parents of troop No. 21 and also of the Cubs are urged to be present.

Mr. Gaither is hoping that the Field Executive from Lubbock and also the Field Executive from Lamesa will be present to participate in the exercises.

Mr. Gaither is very proud of his Boy Scout troop here and is doing an excellent job as scoutmaster.

Mrs. J. H. Nelms Died Thursday

Mrs. Elizabeth Abigail Nelms, widow of the late J. H. Nelms, died at her home in north Tahoka at 10:30 o'clock Thursday morning, following a prolonged illness.

As this paper goes to press late Thursday afternoon, it was planned for funeral services to be held at 3:00 o'clock Friday afternoon in the Methodist Church here, with Rev. J. W. Rosenberg, the pastor officiating, assisted by Rev. Ben Hardy, a former pastor.

Burial will be in the Tahoka cemetery under the direction of the Stanley Funeral Home.

Surviving are two sons and two daughters, together with 10 grandchildren and seven great-grandchildren, all of whom are here or are expected to be here for the funeral services.

Born in Town Creek, Alabama, on April 11, 1866, Mrs. Nelms was 81 years and almost 2 1/2 months.

(Continued on last page)

Rotary Governor Visits Local Club

Jim McCullough, district governor of the 127th district of Rotary International, addressed the Tahoka club in his annual visit Thursday at noon. In his talk he made a strong plea for better understanding among peoples of the world and a greater endeavor on the part of individual Rotarians to practice the principles of Rotary, democracy, and Christianity.

He was introduced by Secretary Ross Smith, who is an old-time friend of McCullough's. The district governor was accompanied by his wife. They are from Stamford.

Two "Junior Rotarians" from the local high school, Wayne Sherrod and Charles Reed, who will attend club meetings for a month, were introduced by Supt. Vernon Brewer.

Wednesday night, Governor McCullough met with club officers and committee chairmen in a business meeting at the home of club president Alton Cain.

Legion Auxiliary Will Sell Poppies

Poppy Day gives all Americans an opportunity to make a personal contribution to the welfare of the War's living victims, since all the money made from the poppy sales is used for welfare purposes.

Members of the American Legion Auxiliary will sell poppies Saturday, November 8, in memory of those who died in defense of our nation's freedom.

YOUNG IN HOSPITAL

Friends here have been grieved to learn that Lawrence A. Young, son of Mrs. Rosa Young and a former resident of Tahoka, is now a patient in a Veteran's hospital in Portland, Oregon. His mother says that he would enjoy letters from his friends and that his address is, L. A. Young, Ward 113, room 200, Veterans' Hospital, Portland, Oregon.

The Tahoka Bulldogs meet the O'Donnell Eagles at 7:30 p. m. in O'Donnell's new and modern football stadium in the annual Lynn county grid classic.

A victory for the Bulldogs would give Tahoka a perfect conference season and undisputed claim to the district 6-A conference championship, and a victory for O'Donnell would give that town a successful season, since the Eagles delight in knocking over the team from the Lynn county capital. O'Donnell has lost one game to Post and tied one, last week, with Slaton.

However, past records count for nothing at all when Tahoka and O'Donnell meet in football, and the Eagles are expecting to upset the dope bucket, as they have a number of times in the past, last year, for instance.

O'Donnell has Larron Davis, star halfback, who is without doubt one of the best backs in South Plains football, and Davis and his mates, coached by Gano Tubb, who has been in the habit of producing championship teams at Levelland before going to O'Donnell this year, hope to feast on Bulldog meat tonight.

The Tahoka Bulldogs rolled to an easy victory over the Petersburg Buffaloes in a conference game played here last Friday night before a fair crowd of local fans 25 to 0.

The Buffaloes were outclassed.

(Continued on last page)

Tahoka Player Declared Eligible

A protested Tahoka football player, Van Brookshire, co-captain and halfback, was declared eligible for play under Interscholastic League rules by unanimous vote of District 6-A officials at a meeting held in Slaton Wednesday night. Following the vote, a protest on another player, Randall Hinkle, center, was withdrawn.

Post school officials had questioned the eligibility of the two players at the start of the season, and a meeting of the district board was held at which they were declared eligible for play. Supt. Vernon Brewer and Coach Jim Foust had submitted the cases of the two boys to R. J. Kidd, directors of the State Interscholastic League, who wrote letters to the local officials attesting to their eligibility.

However, following the recent game between the two towns, Post entered a formal protest, and Supt. Fletcher Johnson of O'Donnell.

(Continued on last page)

BROTHER-IN-LAW OF FRED HOUSE DIES IN BELTON

Mr. and Mrs. Fred House returned early last week from Belton where they had been called by the death of Fred's brother-in-law, G. W. Griffin. He had died on the previous Saturday.

Funeral services were conducted Sunday afternoon and the body was buried in the Belton cemetery. Mrs. Griffin is a sister of Fred.

Congratulations...

Mr. and Mrs. Reid Parker on the birth of a girl Thursday morning at 8:30 in the Tahoka Clinic. She weighed 7 pounds and was named Cynthia Ann.

Mr. and Mrs. Bernard Trammell on the birth of a daughter at 12:30 o'clock Monday morning in the Tahoka Clinic, weighing 6 lbs and 4 oz. She has been named Berradine.

Mr. and Mrs. O. L. Mayben on the birth of a daughter at 11:45 Wednesday morning in the Tahoka Clinic, weighing 8 pounds. She will bear the name of Berenda Jannice.

Mr. and Mrs. J. M. Graves on the birth of a son in West Texas Hospital, Lubbock, Nov. 4. Mr. and Mrs. Bunk Chandler are the grandparents, Mr. and Mrs. J. S. McLaughlin the great grandparents. The Graves family live at Idalou.

BAPTISTS TO MEET IN AMARILLO

Five thousand Texas Baptists are expected to attend the Texas Baptist General Convention in Amarillo November 11-13 to hear reports on denominational work of the past year and messages from outstanding Baptist ministers and laymen.

Featured on the three-day program will be Robert S. Kerr of Oklahoma City, former governor of the state of Oklahoma; Dr. Louis D. Newton of Atlanta, Ga., president of the Southern Baptist Convention, and Dr. J. M. Dawson of Washington, D. C., public relations secretary for the Baptists of America.

The Convention will open Tuesday evening, Nov. 11, with an address by the president, Dr. Wallace Bassett, pastor of the Cliff Temple Baptist Church of Dallas. Dr. J. Howard Williams, executive secretary of the Texas Convention, will then make the State Mission report.

Doctor Newton will speak Wednesday morning, followed by the annual Convention session by Dr. A. D. Foreman Jr., pastor of the First Baptist Church of Amarillo. The afternoon session will feature reports from Baptist colleges with Dr. J. W. Marshall of Plainview, new president of Wayland College, as speaker. Reporting on civic righteousness will be Dr. W. R. White of Austin.

Wednesday evening will bring reports from the Woman's Missionary Union of Texas and the State Baptist Brotherhood. Concluding the Wednesday evening session will be a message from Dr. J. B. Lawrence of Atlanta, Ga., secretary of the Southern Baptist Home Mission Board.

Doctor Dawson and Governor Kerr will speak Thursday morn-

Dr. Wallace Bassett of Dallas, President of the Baptist General Convention of Texas, which will be in session in Amarillo next

ing, and afternoon messages will be brought by Dr. T. L. Holcomb of Nashville, Tenn., secretary of the Southern Baptist Sunday School Board, and Dr. Blake Smith, pastor of the University Baptist Church of Austin.

Plans for next year's convention will be announced Thursday afternoon, also the nominating committee will report on new executive board members. The closing session of the Convention Thursday evening will center around foreign missions with an address by Dr. Everett Gill of the Foreign Mission Board in Richmond, Va. Preceding the opening of the General Convention, the Woman's Missionary Union of Texas will hold its annual meeting. Speakers will include Mrs. George Martin of Norfolk, Va., Southern WMU president, and Mrs. J. M. Dawson of Washington, D. C.

The program for the annual convention of the Baptist Brotherhood of Texas, which coincides with the WMU meeting, will bring Allan Shivers, Lieutenant Governor of the State of Texas; Dr. Bredahl Peterson of Copenhagen, Denmark, agent for the Baptist World Alliance on relief to Europe, and Lawson H. Cooke, executive secretary of the Baptist Brotherhood of the South, Memphis, Tenn.

WHY "GET UP" AT NIGHTS?

It's not necessary. Use the ph. of the fluid in your bladder with CITROS. Reduces the urge of irregular elimination. Get rid of backache, burning, bearing-down pains. CITROS will do the job safely, relieves back pains quickly, soreness in the back vanishes. \$1.00 at your druggist. For sale by

YOUNG REDS FORBIDDEN TO GO TO CHURCH

MOSCOW—The central committee of the Young Communist Organization of the Soviet Union handed down a ruling Saturday forbidding its members to go to church "or have anything to do with religion."

The Communist youth newspaper, Komsomolskaya Pravda published the edict, citing the personal views of Premier Stalin on religion. Stalin was quoted as saying: "The party can not be neutral with regard to religion. "It carries out an anti-religious propaganda against all and sundry religious prejudices because it stands for science.

"Some party members have hindered real development of anti-religious propaganda. If such party members are excluded, it is good, because such 'Communists' have no place in the ranks of the party."

Komsomolskaya Pravda said: "It is considered impossible and unpermissible for a Young Communist member to believe in God and observe religious rites."

The paper said the Young Communist's job was to help eliminate "religious superstitions in youth." It added: "To stress religion is contrary to science and the materialistic outlook."

Rev. Leon Quillin brought to the News office Thursday a report from Mr. and Mrs. Bill Newton, now of Capulin, New Mexico, that they had had a telephone conversation with their son Glenn Newton in the Hawaiian Islands on October 12. Glenn is in the Navy.

Miss Imogene Hargett is the only student from Tahoka enrolled at H-SU this term according to a report sent to the News.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

SEED

...is it Your Neglected Crop?

Since the coming of the All-Crop Harvester, grass and legume seed has become the most profitable single crop on many farms. Tiny, fine-screened seed, chaffy, lightweight seed or otherwise hard-to-handle grass and legume seeds are no longer a problem. They all can be harvested with the same machine you use for small grains and beans.

It's easy to see your new advantage in the action of the All-Crop's full-width threshing cylinder, rubber-faced shelling contacts, quick cylinder-speed changing, oversized straw rack and cleaning shoe. You enjoy, also, the freedom of a harvesting outfit complete with only a one- or two-man crew.

Why continue to lose out on an extra-profit SEED harvest when you can turn this neglected crop into income.

Hear the NATIONAL FARM AND HOME with Everett Jett every Saturday, 11:30.

L. R. Knight Has Terraced 3 Sections

Lee Roy Knight, local farmer, has one of the biggest terracing projects in this part of the state, according to information in hands of The News.

With assistance of the Soil Conservation Service, he has terraced a total of three sections of Lynn county land being farmed by him. These terraces were built in cooperation with the land owners from whom he rents or leases land, namely, D. W. Gagnat, two sections, Oscar Roberts, a half section, and Mrs. Charlie Verner, a half section.

Like many other farmers here who have joined the land conservation program, Lee Roy recently received a certificate of award from the Fort Worth Press certifying that he "has shown his interest in the welfare of his country and his concern with the future of the land through his active participation in the great cooperative movement of soil conservation in Texas. By completing a soil conservation program on his own land and because he still is maintaining the practices represented in that program, he has earned the esteem of his neighbors and the honor of his state and nation."

Incidentally, Martin Wuensche of Wilson was judged the outstanding farmer co-operating with the district in 1946, and the Lynn County District was third, being passed by Lubbock and Crosby counties, in the 552-county area one, and Lynn received a \$100 award in the Fort Worth Press "Save the Soil and Save Texas" contest.

Mr. Knight is thoroughly sold on the value of terracing Lynn coun-

ty farm lands. Though he does not have the best crops in the county, he is convinced that terracing has greatly improved his crop as well as saving the soil from blowing or washing. From this year's crop he harvested 32 1/2 bushels of barley to the acre, 16 or 17 bushels of wheat, 800 pounds of maize, and is pulling about a third of a bale of lint per acre, which is probably about the Lynn county average for this unusual Lynn county crop—a crop made with a minimum of moisture.

Mr. Knight also farms another quarter section belonging to D. W. Gagnat, 80 acres belonging to Dave Childers, and is harvesting a one-section crop he and Mr. Gagnat bought from Roy Stevens.

EUZELIAN CLASS

Mrs. E. H. Cunningham was hostess when the Euzelean Class met in their monthly social and business meeting Tuesday night.

During the business session directed by Mrs. E. J. Cooper in the absence of the President, Mrs. C. J. Carpenter, the Class voted to give \$12.00 for Italian Relief. Special prayers were made for the pastor and the sick.

Mmes. Forrester, House and Fortenberry directed games; Mmes. Cunningham and Hill served refreshments to 14.

Mr. and Mrs. John Russell came up from San Saba Monday to visit for a couple of weeks with their daughters, Mrs. Garland Pennington and Mrs. J. M. Johnson, and families.

Mrs. Martha Denton of Knox City who had been here visiting her brother, D. C. Davis and wife and her sister-in-law, Mrs. E. S. Davis left Saturday for Pampa to visit a daughter.

TAHOKA WOMEN ATTEND STATE O. E. S. MEET

Mrs. E. A. Thomas, Worthy Matron, and Mmes. Luther Thomas, M. C. Thomas, E. M. Walker, Irving Stewart, Ed Hamilton, Omega Hensley, Jewel Connolly and J. W. Fox returned last Friday from San Antonio where they had attended the annual meeting of the Grand Chapter of Texas Order of Eastern Star.

The Tahoka members witnessed the installation of the Grand Officers for the coming year. The Grand Matron is Mrs. Cheba De-wees of Fort Worth and the Grand Patron Pat Boone of Littlefield. Other Plains people installed in state offices were: Mrs. L. D.

Thomas of Lubbock who became Deputy Grand Matron of District Two, Section 4, which includes Tahoka. Mrs. Carl O. Stewart of Lubbock was installed as a member of the Board of Grand Trustees, and Mrs. Ben V. Smith of Lubbock was appointed on the Welfare Committee.

Farm-operator families in the North Central and Southern states spent an average of \$82 per family for medical care in 1945, an increase of \$31 per family over 1941.

W. H. Thornhill, who recently removed from Tahoka to Fort Worth, was here last week-end on business.

One of the most potent aids to good will and neighborliness between peoples of different races is the ability to speak a common language. At the present time, we people of the Plains have among us many hundreds of Mexicans and very few of us can speak or understand their language. Many more of them can understand our language than those of us who can understand theirs. This is distinctly to their credit. Since we claim to be superior to them as a rule in education and culture, it does seem that we should devote as much time and effort to the learning of their language as they have devoted to the learning of ours. If many of them are able to speak two languages, many of us also should be able to do so. We believe that the time has come when the subject of Spanish should be placed in the curriculum of every high school and college in the land. Possibly, as many teachers as is practicable should also be employed to teach this language in our schools.

Communists in this country are doing their stuff under high-sounding names, such as the Progressive Citizens of America, and we should be careful, we are told, not to dub anybody as a Communist. But the State Observer, a

radical sheet published in Austin by Paul B. Holcomb, quotes approvingly an editorial from the Texan, a student publication of the University of Texas, which criticizes practically everything the United States is doing with respect to Greece, Turkey, China, and other areas in which the Communists are actively interested, and in effect approves everything the Communists are doing in those countries and in our own. We will not charge that the editor of the Texan is a Communist, but he certainly is a Communist sympathizer. It doesn't sound well to us for the official student organ of the University of Texas to be condemning our foreign policy with respect to Russia and commending Russia's policy with respect to us and the countries whose independence we are seeking to protect and preserve.

Those innocent souls who believe that Communism is an ideal economic system that provides the people a Utopian way of life should remember that no Communist system has ever existed long anywhere without a dictator or a group of dictators to do the job of bossing and to keep the system going. Let the people once surrender all their individual rights into the hands of some self-perpetuating governing body, as the Communist system requires, the State being all-powerful, and they will soon find such body dictating to them their religion as well as their economy and politics. Read the story from Moscow which we are publishing this week, if you wish to get a true picture of Communism in action.

We have often said in substance, and we say it again, that the only great to world peace comes from dictators and their puppets. Until the dictators are definitely rebuffed by the world or are overthrown by their own people, there will be talk of war. Dictators necessarily are aggressors, otherwise they would not be dictators.

"Dead-drunk Snake hits at Houston attendant," says a headline; but we had to read the story to find out whether the assailant was a reptile or a man.

Pay your State and County Taxes in November and save 2%.

Up to now, Coke Stevenson seems to have the inside track as a prospective candidate for the United States Senate, with W. Lee O'Daniel probably holding second place. Yet the two men are as different in character and in their methods as water differs from black. Coke is quiet and conservative; O'Daniel is noisy and studiously theatrical. Both are smooth politicians. One plays the game one way and the other plays it in an entirely different way—but we believe that Coke is usually sincere. It looks now as if he is likely to be the next United States Senator from Texas, but none of us can tell how much headway Lee O'Daniel will be able to make by his theatrical methods next year.

According to an estimate by the Fish and Wildlife Service, rats are destroying grain at the rate of 90,000,000 bushels each year.

IT CAN BE DONE

I would like to pass this little article to the News and to the farmers of Lynn county, on a long discussed subject that has been discussed pro and con for the last several years, and I am afraid it will continue to be so, unless there is more effort put forth.

Now the thing I would like to talk about is the Johnson grass eradication program. Some say it can not be killed out, while others say it can be killed with the use of some of our modern chemicals.

It seems to me I have had my share of experience in fighting Johnson grass. I moved to the farm on which I now live in 1939, and bought it with the full understanding that there was forty acres of solid Johnson grass on the place. Before I made my first crop it really looked as if they had made a mistake, for the entire place was pretty well set in Johnson grass. Several years I spent lots of time and money trying every thing that was recommended in the way of poisons, I have used antilise, kerosene, crude oil, lye water, white arsenic, both in a solution form and also powder form, and they all failed to get the results that was desired.

In the year of 1946 I tried another scheme—and that was an old fashioned eye hoe. I carried it with me while plowing, and if the plows did not completely cut the bunches I would take a rest from riding and hoe a while. I can say very boastfully that there is no Johnson grass on my farm. Now I do not mean to say that it can be killed out in the plow season of the year. This method of keeping it cut off must be done from jack frost to jack frost. My experience is that if Johnson grass is never allowed to make a joint above the top of the ground surface it will never make a joint below the surface, and if it never joints below

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome. Ed Hamilton, W. M. Chas. B. Townes, Sec'y

the surface it will not have anything to sprout from the next spring. The root crown that it makes this year is what it sprouts from the following year.

I do not mean to discourage any one that is using chemicals and poisons. That is all right and will possibly do the work if it is applied right and conditions are favorable, but these essential points must be carried out or your results will be unfavorable, so after all one of the surest and best methods is intense cultivation.

I am heartily in favor of the Johnson grass eradication program. —R. M. Turner.

WANTED!

100,000 RATS TO KILL with Dr. Ray's Rat Killer. Money back guarantee backed with \$10,000.00 bond. **WYNNE COLLIER, Druggist**

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

A WORD TO THE WIVES

about Adequate Wiring

Maybe you feel that the wiring in your home is your husband's affair. If you do, you're badly mistaken. For, without adequate wiring you are unable to enjoy the many conveniences and luxuries that all of the new modern appliances and low cost electric service have made available.

And, so, that's why we say a "word to the wives" about adequate wiring is important. Call or write your nearest Public Service Company office for free survey.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

We have nothing to sell but good electric service.

125 Top Business Men of the Nation To Visit Lubbock

Publishers of the News have received an announcement from Houston stating that on Thursday of next week, November 13, a special train carrying some 125 or more leading business men from all over the United States will be parked in Lubbock, where the day will be spent in visiting with the local people and inspecting outstanding developments around Lubbock.

At 7:30 p. m. a soil conservation meeting will be held in the High School Auditorium, at which Louis Bromfield, noted author and soil conservation expert, will be the principal speaker.

This meeting is being sponsored by the Citizens' National Bank, First National Bank, Lubbock National Bank, Lubbock Chamber of Commerce, Burlington Railroad, and Second National Bank of Houston.

Other places to be visited are Corsicana, Fort Worth, Amarillo, Wichita Falls, and Abilene.

"Never before in the history of this country have as many big business organizations been represented on any trip of this kind," writes C. M. Malone of the Houston Bank, "This shows that big corporations consider soil conservation important. It increases the income of farmers, merchants, and all lines of business. Governor Jester has issued a proclamation making November 7 to 15 Soil Conservation Week for Texas."

from the other Baptist churches in the county are planning to attend the meetings of the Baptist General Convention of Texas in session in Amarillo next week. Of course most of the pastors and their wives will be there.

One individual member of the local church came into the bank a few days ago and paid off a note recently given by the trustees and others in the purchase of lots in south Tahoka to be used as the building site for a Mission. The amount of the note was \$1,064. Of course a member like that is highly appreciated by the entire church.

Parsley lends flavor, color and food value to many dishes and can be easily grown in a kitchen window box or flower pot.

BAPTIST NOTES

In the absence of the pastor, Rev. Levi Price, who is preaching in a revival in Hereford, George Stokes, member of the faculty of Wayland College, is scheduled to fill the pulpit at the Baptist Church next Sunday.

Rev. Harold Diggs, another new member of Wayland faculty, preached at both the morning and evening hours last Sunday.

A number of the members of this church, as well as quite a number

ORDINANCE

An Ordinance regulating and prohibiting the discharge of cannon crackers, fire crackers, roman candles, torpedoes, sky rockets and other like combustible packages; and providing a penalty for violations.

Be It Ordained By The City Council Of The City Of Tahoka, Texas:

Section 1. It shall be and is hereby made unlawful for any person to discharge or cause to be discharged upon or across or along any street or alley or within one hundred yards of any business house, church or public school building within the corporate limits of the City of Tahoka, Texas, any cannon cracker, roman candle, sky rocket, torpedo or other like explosive package.

Section 2. It shall be and is hereby made unlawful for any person to discharge or cause to be discharged upon or across or along any street or alley within the fire limits of the City of Tahoka, Texas, any fire cracker, cannon cracker, roman candle, sky rocket, torpedo, or other combustible or explosive package. This section of this Ordinance is cumulative of Section 1 above.

Section 3. The term "Cannon Cracker," as used in this Ordinance, is intended to mean and does mean any combustible explosive package more than two inches in length and more than one inch in circumference.

Section 4. The term "Fire Limits," as used in this Ordinance, is intended to mean and does mean all that portion of the City of Tahoka, Texas, included within the following metes and bounds, to-wit:—

BEGINNING at the Southwest corner of Block No. Thirty-four (34), on the North boundary line of Orson Street, in the original town of Tahoka, and running thence East, with the North boundary of said Orson street, to the Southeast corner of Block No. Forty-one (41), at the intersection of the North boundary line of said Orson street and the West boundary line of Doak street, for a corner;

THENCE North with the West boundary line of Doak Street to the Northeast corner of Block No. Eight (8), in the North Tahoka Addition to the original town of Tahoka, at the intersection of the West boundary line of said Doak Street and the South boundary line of North First Street, for a corner;

THENCE West with the South boundary line of North First Street to the Northwest corner of Block No. Six (6), in the North Tahoka Addition to the original town of Tahoka, at the intersection of the South boundary line of said North First Street and the East boundary line of Petty Street, for a corner;

THENCE South with the East boundary line of said Petty Street to its intersection with the North boundary line of said Orson Street, the place of beginning.

Section 5. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction for the violation thereof, shall be fined in a sum of not less than Five Dollars (\$5.00) nor more than One Hundred Dollars (\$100.00).

Section 6. In the event any section or part of section or provision of this Ordinance shall be held to be invalid by any court of last resort having jurisdiction thereof, such invalidity shall not affect the valid portions of this Ordinance, and the same shall be enforceable regardless of such holding.

Section 7. This Ordinance shall be in full force and effect from and after its final passage, approval and publication, and it is so ordained.

The foregoing Ordinance was LEGALLY PASSED and APPROVED this 3rd day of November, A. D. 1947.

K. R. Durham, Mayor of the City of Tahoka.

ATTEST: Rosemary Nelms, City Secretary, City of Tahoka. 5-2tc

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervousness of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blues" in winter. Started a few days before "time" comes, it should help relieve pain due to purely functional periodic distress. 75¢ per bottle.

Stock Car Races Scheduled Sunday

Speed fans will have an opportunity to cheer their favorite automobiles for several hours at the Lubbock Fair Grounds Speedway this Sunday afternoon, November 9th, as the North American Stock Car Racing Association presents a 150 lap race open only to late model standard makes of American cars.

Fords, Plymouths, Chevrolets, Mercurys, Hudsons, Jeeps, Chryslers, DeSotos and Buicks are expected to be among the cars to face the starter's flag for the grueling grind.

Professional test drivers as well as many amateur chauffeurs will be competing for over \$1500 in cash awards as well as the International Motor Contest Association trophy for the Southwestern Championship.

Time trials are slated for 1:33 followed by a helmet dash and consolation race for the cars not qualifying in the first twelve, with the fastest cars getting underway in the 160 at 2:30.

Under rules of the association no convertibles or pick-ups can compete because of the danger in roll-overs, with the only soft topped entries being Jeeps. No "jalopies" will be allowed.

Among top entrants are Frank Winkley, veteran Detroit test driver, Tommy Thompson, well known Lubbock midget racer, Casey Wrightwood, Dallas; Dick Jones, Peoria and Jimmy James of Chicago.

Three tough tackles who have been a big factor this year in making the Bulldog line one of the strongest in this area: Almon Croitwell, weight 143 pounds, top; Wayne Sherrod, weight 148 pounds, middle; and W. J. Kahl, weight 147 pounds, bottom.

S. S. CLASS MEETS

The Martha Sherrod Sunday School class of the First Baptist church in Tahoka met in the home of Mrs. Jim Burleson for their regular monthly social, on the night of Thursday, November 27th.

The house was attractively adorned with Hallowe'en decorations, and this theme was also carried out in the entertainment during a brief social hour. Plans and projects for the class to work on were discussed in the business session which followed.

Attending were the following members and associate members: The hostess, Mrs. Jim Burleson, Miss Lola McWhirter, Mesdames Borden Davis, N. E. Wood, H. R. Tankersley, Loyce McMahan, Carl Hall, Terry Noble, K. R. Durham, W. M. Willett, Jewel Johnson, J. F. Akin, A. L. Smith, M. L. Bentley, Geo. Akin, and Beulah Pridmore.

APPROACHING MARRIAGE OF MISS OWENS ANNOUNCED

At a tea given in her home in Lubbock last Saturday afternoon, Mrs. Carl Owens announced the engagement and approaching marriage of her daughter, Miss Joan Owens, to Glen D. Adkins of Hamlin. The happy event is to occur on November 20.

The Owens family lived here for a number of years and were prominent in church and civic work. Since they have been living in Lubbock, Miss Joan taught in the public schools here. A sister, Mrs. J. W. Tippit, still lives here.

Between the early '20's and early '40's, farmers increased production per acre of cropland 23 percent; production per animal unit of breeding livestock 30 percent, and output per worker 64 percent.

The timber cut from the national forests in the quarter ending September 30 totaled 1,127 million board feet, the largest cut from national forests ever registered in any one quarter.

Pay your State and County Taxes in November and save 2%.

METHODISTS PLAN GREAT EXPANSION OF S. M. U.

DALLAS, Nov. 7.—Following a called meeting of its board of trustees, Southern Methodist University announced November 1 a multi-million dollar building program on which construction is to begin as soon as possible.

Authorized by the board were the following three major projects: re-location of the Perkins School of Theology on a more ample plot of campus ground and erection of six buildings, including chapel, classrooms, library, and three dormitories; construction of the \$2,000,000 Fondren Science Building as soon as contracts can be let by the SMU executive committee; and completion of a Law School Quadrangle, including construction of a legal center for the Southwestern Legal Foundation, established last year at SMU.

Capacity student enrollment prompted the action taken by the

trustees in voting the expansion program and relocation of the theology school.

The new Fondren Science Building will be financed largely by a gift of \$1,000,000 to SMU by Mrs. W. W. Fondren of Houston.

Pay your State and County Taxes in November and save 2%.

Dairy cows must have 3 to 5 times as much water as they produce milk. Insufficient water reduces production, increases costs and wastes feed.

There were about 250,000 more people working on farms the first of October this year than a year ago.

A CHRISTIAN

A man said to me, "Preacher, I like some of your articles but some of them I don't like a little bit. You go too strong on everybody having to be a member of your church to be saved". No I did not feel insulted when he said he did not believe some things I wrote. I remembered that some people did not like some things the Christ said while he was here. I said to my friend, "Are you sure you would have liked everything the Lord said while he was here if you could have heard him?" The man said, "Well, if a man is a Christian he will be saved whether he is a member of any church or not". I then said, "In your first statement you misrepresent me some. You never read an article I wrote in which I even hinted at the idea one had to be a member of 'MY CHURCH' to be saved. I have no church. But you seem to believe that one must be a Christian to be saved, is that what you believe?" The man said, "Yes I believe a man must be a Christian to be saved, but he can be that and not be a member of any church". I said, "I agree with you that one must be a Christian to be saved, but I do not agree with you that one can be a Christian without being a member of the church the Lord built." I asked, "Just what does it take to make one a Christian?" He said, "Oh I don't believe in arguing about religion."

My fellowman, too many people talk about being a Christian that have no definite idea of what it takes to be a Christian. Denominational preachers agree that one can be a Christian without being a

NEW HOME CARNIVAL

A very large crowd of people packed the New Home gymnasium last Friday night for a Halloween carnival. Altogether, \$759.24 was realized from the carnival sales.

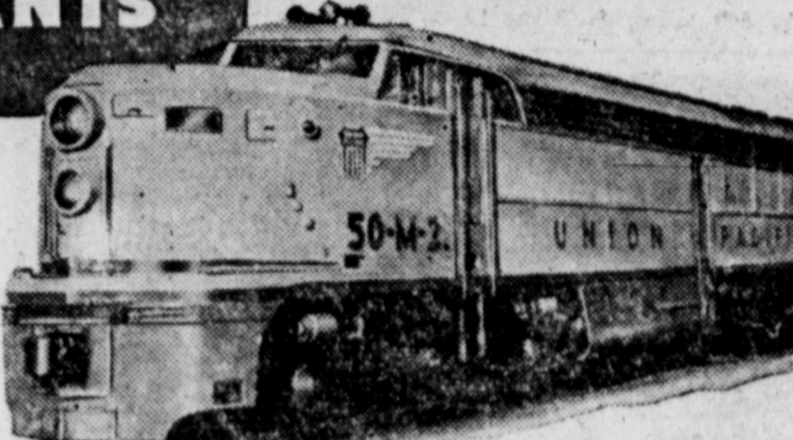

The coronation exercises were a colorful affair. Miss Joy Dean McClintock, junior in high school, was crowned as the High School Carnival Queen; the junior class having taken in more money from sales than any other class in high school. Her attendants were Jewel Dean Harmonson, J. A. Godfrey, June Huey, Bobby Joe Vandiver, Odessa McGwier, Kenneth Rogers, Bobby Fillingim was Miss McClintock's escort. Little Linda Hancock was train bearer, and Wesley Dean was crown bearer.

Barbara Denning, fifth grade student, was crowned as dutchess of grade school, and her escort was Bobby Joe Smith. Her attendants were Jo Rita Fulford, Larry Edwards, Thurleen McNabb, Joe Wayne Roper, Sylvia Edwards, C. L. Rogers, Wynona Clem, Norman Nieman, Delores Edwards, Pat Caudle, Joy Blevins, and Clarence Jones. Johnnie Johnson was crown bearer.

Baptist, Methodist, Nazarene, Presbyterian, etc. In that I agree with them. Now if one can be a Christian and not be a member of any denominational church, and all agree that one can, will some one tell me what a Christian will have to do to become a Baptist, Methodist, Nazarene, etc. Maybe some of their preachers can tell me.

The Bible says, "The disciples were called Christians first in Antioch". Acts 11:26. Christ said to the Jews that believed on him, "If ye continue in my word then are ye my disciple in deed". Jno. 8:31. Neighbor, if you agree that one can be a Christian without being a member of any denomination, why not come out from among them and just be a Christian? In that way all Christians will be one. More next week on "A Christian". Send the information asked for to Price Bankhead, Post, Texas, and remember, "You are always welcome at the Church of Christ".

MORE THAN 150 RAILROADS USE SINCLAIR LUBRICANTS

FOR HEAVY-DUTY freight runs or de-luxe passenger service, great railroads like Union Pacific and Seaboard Air Line, use Sinclair lubricants in new, powerful Diesel locomotives. Sinclair Dealers offer lubricants of the same proven quality for your car.

YOUR SINCLAIR DEALER is equipped to give your car lubrication service with oils and greases of the same high quality used by leading U. S. railroads. Stop in today.

AT LA GUARDIA FIELD, New York, Sinclair oil truck services American Airlines Flagship, American Airlines, Chicago and Southern Air Lines, other commercial air carriers, as well as airplane manufacturers and engine makers long have relied on Sinclair Aircraft Oil. Your Sinclair Dealer has motor oil of the same high quality for your car.

Good Cheer in Texas!

There's lots of good cheer—12 full ounces—in every tall bottle of bigger, better Pepsi. Pepsi's a touchdown for taste... with that extra point of quality... combined in the good good drink that scores high every time, with everybody. For flavor, for quality, for size—you can't beat swell-tasting Pepsi. Pepsi hits the spot: plenty to enjoy in every big 12-oz. bottle. Buy one—buy six—buy plenty.

'Food For Peace' Train Is Coming

A Food for Peace train is traveling through Texas and will join a Friendship train in New York City sometime late in November or early in December.

The Friendship Train originated by Drew Pearson is being sponsored by many different organizations, Lions International being one of the cooperators in this drive for food for Europe.

The Friendship train would pass Texas by 800 miles, so Texas Lions

Clubs are sponsoring a Food for Peace train to carry food to New York to join in with the Friendship movement.

Food most needed in Europe and which will be easiest to ship is flour, dried beans, dried peas, sugar, evaporated milk, macaroni, and spaghetti. Unfortunately anything packed in glass cannot be shipped.

"Friendship Train food will be distributed abroad by combined American Relief Council which is composed of YWCA, YMCA, American Quakers, Baptists, Catholics, Catholic Welfare Council and about a dozen relief groups. We

believe they will be able to get it direct to the French and Italian people rather than have it go into government warehouses, millers, bakers, etc."

CLINIC NEWS

John Clarence Rosenberg, little son of Rev. and Mrs. John Rosenberg, underwent tonsillectomy on Friday of last week in the Seale Clinic. He was out riding his bicycle a couple of days later.

Patsy Airheart, daughter of Mr. and Mrs. J. A. Airheart, underwent tonsillectomy Monday at the Seale Clinic.

Mrs. A. R. Owens, who lives out on Route 4, underwent tonsillectomy this week in the Seale Clinic. Sam Ramsey has been a patient in the Seale Clinic since Sunday. He was reported Wednesday afternoon to be improving.

Charles Ray Polk, high school student, received treatment at the Tahoka Clinic Wednesday for a badly sprained ankle, which he suffered while playing on the school grounds at noon.

Mrs. O. S. Smith of Route 4, Tahoka, underwent major surgery last Friday morning. She is improving satisfactorily. Dr. Emil Prohl operated, assisted by Dr. F. E. Seale.

Mrs. D. R. Anderson of Route 4 underwent surgery at the Tahoka Clinic Monday afternoon. The operation was performed by Dr. F. E. Seale, assisted by Dr. Prohl.

Alma Doris Autry, daughter of Mrs. Effie Autry, had her tonsils removed Tuesday. Dr. Prohl operated.

Patricia Sikes, daughter of Mr. and Mrs. Clint Sikes, has been a patient in the Tahoka Clinic for the past week, suffering from croup. She is gradually getting better.

ASSEMBLY OF GOD CHURCH EXECUTIVE PREACHES HERE

Rev. W. M. Bozeman, Presbyter of the South Plains section, preached Saturday night in the Young People's service in the Assembly of God Church, and at the regular morning and evening services Sunday.

"Brother Bozeman brought heart-stirring messages in all the services," Pastor Leon Quillin stated.

PYTHIAN SISTERS

Twenty two members of Lynn Temple witnessed the conferring of degrees at the W.O.W. Hall Tuesday evening.

During the meeting a program was planned, the proceeds to be used in bringing Christmas cheer to the residents of the Pythian Home in Weatherford. Donations may be left with Avis Campbell at the Sheriff's office.

The Degree of served refreshments during the social hour.

FAMILY REUNION

Mrs. Maude Bledsoe's summer guests last Sunday and daughter, Mrs. J. E. Johnson and little son Lindy. Al-styne, Floyd Bledsoe and Lubbock, LeRoy and of Petty. Mr. Cromer and Nolen and little of Petty joined the afternoon.

Mrs. R. E. Williams to Tahoka Sunday spent three years in California.

PHEBE K. WARNER CLUB MEET

The Phebe K. Warner club was entertained in the home of Mrs. G. M. Stewart Tuesday, November 4, with Mesdames Stewart and Paul Pittman acting as hostess.

Mr. Vernon Brewer, school superintendent, addressed the group on "Relationship between the School and Community".

Mrs. Herbert Carter was voted into the club as a new member. Plans were discussed by the group for a book-review of Sinclair Lewis' "Kingsblood Royal" by Mrs. Lenore M. Tunnell, scheduled for Tuesday, November 26, in the high school auditorium at 4:15. The public will be invited.

Fifteen members were present. Guests in addition to Mr. Brewer were Mrs. Vernon Brewer and Mrs. S. R. Kemp.

MISS ELIZABETH PRESTON THANKS FRIENDS HERE

Miss Elizabeth Preston, who is now a patient in El Paso and is suffering from an incurable malady, has sent to the News the following expression of thanks for publication. Her sister, Mrs. Mary Schroeder, writes that many greetings from Tahoka folks had been received recently.

"To all my friends: I thank you for the many lovely greetings. They cheer my heart. God bless each one of you. With love, Elizabeth Preston"

MISS JUNE BURKHART UNDERGOES MASTOID OPERATION

Miss June Burkhardt, daughter of Mr. and Mrs. Grady Burkhardt, underwent surgery at 11 o'clock Tuesday morning in St. Mary's Hospital, Lubbock, for mastoid trouble.

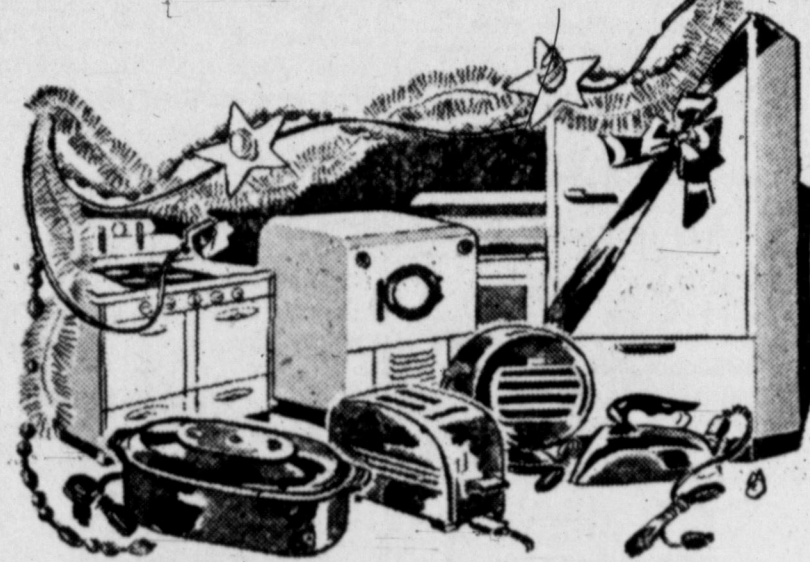

She has suffered intensely but is improving.

Dave Childers of Lubbock, former foreman of the T-Bar Ranch and a familiar figure on the streets of Tahoka for many years, was a visitor in the town Wednesday. He has been in bad health for several months and has undergone two surgical operations.

Mr. and Mrs. E. J. Hendrix, who have been at Caddo near Possum Kingdom Dam since last winter, are here spending a few days visiting relatives and friends. They report that they have sold out down there and will probably locate again in Oklahoma soon.

For Maximum Heating Satisfaction We Recommend CENTRAL FORCED-AIR GAS FURNACES

For the ultimate in clean, healthful and effortless heating, nothing can beat the combination of natural gas fuel and an adequately-sized central forced-air furnace.

A forced-air central furnace gives you all the advantages of low-cost natural gas heating. It provides clean, constant, automatic heat, evenly distributed throughout the rooms by means of a blower. With it there is no stratification of heat, no cold floors, no cold corners. This excellent type of equipment is always vented and thermostatically controlled.

NO BASEMENT NEEDED

Central forced-air furnaces may be located in the attic, under the floor, or in any ground-floor room such as utility room, service porch, kitchen, hall closet, etc. Compact models in many shapes and sizes are manufactured to meet your specific need.

Nelms . . .

(Continued from page 1)
 Her maiden name was Elizabeth Abigail Faltterro (pronounced: Faltter).
 She had been twice married. She was married first to Oscar Cooper on December 28, 1894, in Town Creek, Ala. Two children were born of that marriage, Oscar Cooper Jr., who now lives at Anson, Texas, and Stella Cooper now Young, who lives in Abilene, wife of B. A. Young Jr. Mr. Cooper died in Alabama on July 9, 1888. His widow and two children removed to Waco, Texas, in the early 1890's.
 On December 21, 1899, Mrs. Cooper was married to J. H. Nelms in Waco. Of this marriage four children were born. The first two, who were sons, died in infancy. The other two, Charles and Miss Rosemary reside here, Charles being in the real estate business and Miss Rosemary being city secretary.
 Mr. and Mrs. Nelms and the children removed to Jones county, settling near Abilene, either in 1909 or 1901. They removed from Jones county to Tahoka in January, 1916, and Mr. Nelms died here on June 23, 1923, and he was buried in the Tahoka cemetery.
 Mrs. Nelms and the two younger children had resided here ever since.
 Mrs. Nelms had been a member of the Methodist Church since she was 16 years old, a period of 65

years. She was a devout and faithful member and attended the services of the church regularly until prevented by failing health. She first became critically ill last March but in a few weeks she was able to be up again, although she remained feeble and had to take to her bed again later. Exactly three weeks prior to her death she suffered a stroke from a blood clot that had formed in the brain and was unconscious or only semi-conscious most of the time thereafter. Finally she sank into a coma a few days ago from which she never rallied and so passed away peacefully and peacefully Thursday morning.
 A loveable Christian character, she has gone to inherit a rich reward.

CARD OF THANKS

We take this method of thanking our friends for the many kindnesses shown us during the bereavement we have suffered in the loss of our husband and father, for the lovely flowers, consoling words and other thoughtful deeds.—Mrs. Leona Gass and the children of J. H. Gass.

W. A. Yates, who has been so seriously sick in a Lubock hospital for more than two weeks, was apparently much improved Wednesday night and Thursday morning but was still far from being out of danger.

Football . . .

(Continued from page 1)
 by the Bulldogs, but they never gave up, not even for a single minute. They played good, hard, clean football all the way through, showing fine sportsmanship eventhough defeat was inevitable.

Petersburg kicked off to the Bulldogs and they marched down the field to score without losing the ball. Joe Don Minor carried the ball over from the 14-yard line for the first tally with Don Cowan converting for the extra point. The Bulldogs scored again a few minutes after kicking off to Petersburg when Joe Minor intercepted a Petersburg pass on the 40-yard line and raced that far for the Bulldogs second TD. The conversion for extra point failed.

The second and third quarters went by scoreless and then early in the fourth period after the Bulldogs had driven down to the Buffaloes 1-yard line, Clark Farr went over for a Bulldog touchdown. The try for extra point failed.

Again late in the fourth quarter Don Akin plunged over from the 2-yard line for the final Bulldog score. The game ended shortly thereafter with the score Tahoka 25, Petersburg 0.

Some of the Bulldogs that made a good showing in this game were: D. McNeely, Billy Waldrep, Dan Cowan, and Rondall Waldrep, all backs showed up very good. R. Waldrep made the tackle of the night when he stopped a Buffalo back on the 20-yard line to keep the Buffaloes from scoring. Clark Farr, another back showed a lot of improvement as well as backs Charles Fulkerson and T. Pixier.

Bulldog linemen who showed up well in the Petersburg game were: Jimmy Small, Horace Strickland, ends; Bill McNeely, tackle; Phil Bairington, Bob Tippit, guards; and several others that we did not know probably saw action in the game with Petersburg.

Player Eligible . . .

(Continued from page 1)
 well, district chairman, was duty-bound to call a meeting to go into their eligibility.

Brookshire, who lives in the Grassland district, established his eligibility at Tahoka, and later he transferred to Post, where he attended school one semester but did not participate in athletics. Last year he returned to Tahoka school, and under League rules was eligible to participate in athletics.

Hinkle's eligibility was questioned because of the fact that he went to Oregon last summer, where his parents now reside. But the protest was withdrawn without a vote.

School men from both Post and Tahoka presented their arguments in the Brookshire case, but neither was permitted to vote, as is the rule.

Attending the meeting were: Mr. Brewer, Principal Travis Mason, and Coaches Foust and Jake Jacobs.

Justice Court Has Busy Week End

Justice of the Peace P. D. Servor was a rather busy man Monday morning. When the News man walked into his office, he had already taken ten pleas of guilty on charges of drunkenness. Some of them were M-xicans and some were men with blond complexions. Their sprees cost them \$1.00 and costs amounting to several dollars each and possibly some little loss of self-respect.

While he was still giving the News man the "dope" a young Mexican couple walked in with a marriage license and asked the Judge to perform. He accommodated them in his usual dignified manner, and the two seemed as happy as birds. They were accompanied by a couple of older people, probably the girl's parents, and a young woman, probably a relative. It was a happy party.

Upstairs, in the meantime, a Negro had entered a plea of guilty before Judge Tom Garrard to a charge of swindling by the giving of a worthless check. In addition to a day or so spent in jail, he drew a fine of \$10 and costs.

D. L. Short, who has been very feeble for the past few months and confined to his home most of the time, was able to be on the streets again Wednesday morning but stated that Mrs. Short was not so well and they had to have a physician with her Tuesday night.

APPROACHING WEDDING OF MISS GWYNELLE DAVIS IS ANNOUNCED

Mr. and Mrs. Borden Davis are announcing the engagement and approaching marriage of their daughter, Gwynelle, to Mr. Dan L. Brookshire, son of Mr. and Mrs. W. G. Brookshire of Grassland. The wedding is planned for November 27.

Walter H. May was in town Wednesday and reported that it is becoming very dry out on his ranch, and that Tahoka Lake, which is situated on his ranch, is unusually dry. He reported, however, that the springs that feed the Lake and keep a little water in it most of the time, are now flowing a little more freely than they did during the summer, which is usually the case.

Rev. Emmett Brooks was recently called as pastor of the Wilson Baptist Church and is now on his new field of service. He had been pastor of the Southland church for the past year or more and is said to be a very promising young minister.

Fred and Bill Grider, who have been working in Arizona, are at home visiting their parents, Mr. and Mrs. G. C. Grider, and expect to see the Tahoka-O'Donnell game tonight.

Wade Holland, moved to Mineral Wells recently, was up last week end on business. He and wife and son had been up the week before to see the Tahoka-Post game.

Pay your State and County Taxes in November and save 2%.

Kidneys Must Work Well

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
