District Baptist Meeting Will Be Held In Tahoka

Announcement has been made that the Workers Conference of the Brownfield Baptist Association will be held with the Tahoka Church on Tuesday of next week, November 18.

Listed on the morning program for discussion of various subjects relating to different phases of Missionary work are Rev. L. Sparkman, pastor of one of the rural churches of Terry county, Rev. Emmett Brooks, the new pastor at Wilson, and Rev. E. R. Hammock, head of Mission work among the Mexican people in this association.

Rev. F. E. Swanner, district missionary, will preach at 11:30. Lunch will be served at noon by the ladies of the local church, and a board meeting and a W.M.U. meeting will be held by the men and the women respectively in the afternoon.

At 1:45 p. m. Wayland College is to take over, with Dr. J. Ralph Grant of the First Church, Lubbock, Mrs. Lake Pylant, Dean of Women at Wayland, Rev. A. A. Brian of the First Baptist Church, Brownfield, and Dr. J. W. Marshall, President of Wayland, as the speakers.

Lt. H. W. Coffee Buried At Lubbock

Funeral services for First Lt. Henry W. Coffee, son of Mr. and Mrs. C. C. Coffee of 3419 Twenty-first, were held at 3 p. m. Thursday at the First Methodist church in Lubbock with Dr. H. I. Robinson officiating.

Lt. Coffee, who is the second of Lubbock's fallen veterans to be returned from overseas, was buried with military honors in Memorial Park cemetery.

Transfer of Lt. Coffee's body, through the Fort Worth Distribution center, was made from the Henry Chappelle cemetery in Belgium, arriving in New York aboard the Joseph V. Connelly on Oct. 26. It arrived in Lubbock at 7:30 a. m. Thursday on the Santa Fe railroad.

The Coffee family, before moving to Lubbock, operated a gas station at New Lynn and T-Bar in this county, and are well known by many people here.

A graduate of Texas Technological college in the chemical engineering department, he was inducted into the Army in July 1943 and took his officer training at Fort Belvoir, Virginia. He arrived in England Nov. 3, 1944 and in France on Jan. 9, 1945 where he served as an engineer in the Third Army until he was killed at Gey, Germany, March 3, 1945. He was 23 years of age at the time of his death.

His parents and a brother, Wendell, are his only survivors.

Garza County Boys Going to Chicago

Two Garza county boys, Alvin G. Davis and Carter Gene White of Post, have won free trips to Chicago to attend the National 4-H Club Congress November 30 through December 4, as a result of their outstanding work in 4-H clubs of that county.

Davis, for general excellency in the raising of field crops, is being sent by the International Harvester Company.

White won the Santa Fe Railway trip on the basis of all-round achievement in 4-H work.

Congratulations...

Mr. and Mrs. Earl George on the birth of a daughter Nov. 10, at 5:05 a. m. She was named Pamela Kay.

Mr. and Mrs. James Price of Ropesville on the birth of a girl in West Texas Hospital, Lubbock, at 4:25 a. m. Tuesday, Nov. 11. She weighed 7 lbs. 10oz., and has been named Susan Laura. Grandparents are Mr. and Mrs. J. G. Price of Tahoka and Mr. and Mrs. W. O. Story of Anton.

City's Reservoir Is Being Completed

Dr. K. R. Durham, mayor, states that the construction of the big new city reservoir and installing the pump and chlorinator has at last been completed, and the City now has an ample water supply for all purposes and for all seasons of the year.

The delay in completing the plant resulted from the failure of the contractor to finish the job. He was having financial difficulties, it seems, and the bonding Company took over the job, completed the plant according to contract, and took its loss.

The reservoir is far larger than either of the old reservoirs, and has a capacity of a half-million gallons of water.

Food For Peace Collected Here

A panel-truck load of food gathered in Tahoka for aid of the starving peoples of Europe was taken to Lubbock Thursday morning by Joe Bob Billman, where on Nov. 17 it will be loaded on the "Food for Peace" train.

Bill Griffin, local Lions Club president, the local organization sponsoring donations of food, said the amount collected here was somewhat disappointing. Two train loads of food are being gathered in the movement. Since the train originating in California and moving to New York was not scheduled to come through Texas, Lions Clubs of this state started a train of their own. This train will leave out of Galveston and cover most of the state before starting East to New York.

Infant Grandson Of Bob Haynes Dies

Robert Lawrence Haynes, age two days, the first grandson of Mr. and Mrs. R. B. Haynes of Miami, formerly of Tahoka, and the son of Mr. and Mrs. Robert L. Haynes of 515 Ave. Q, Lubbock, died at West Texas Hospital Saturday night.

Graveside services were conducted by Rev. Allen Earl, Seagraves Baptist pastor, at 4 p. m. Sunday.

The elder Bob Haynes was owner of the the Lynn County News prior to 1924, and the family has many friends here.

Clyde Sargent Dies Suddenly

Clyde H. Sargent, 46, well-known Lynn county farmer, died suddenly of a heart attack at the family home two miles east of Tahoka Tuesday morning at 6:30 o'clock.

Funeral services were held at the Methodist Church Wednesday afternoon at 3 o'clock, and burial followed in Tahoka cemetery under direction of Stanley Funeral Home. Rev. J. W. Rosenberg, Methodist pastor, assisted by Luther Norman, Church of Christ Minister, conducted the services.

Mr. Sargent's death was a great shock to family and friends, for he had not been ill, and so far as is known had never before suffered with any kind of heart ailment. In fact, he had operated a combine all day Monday, had eaten a hearty supper, and slept well during the night. He had just gotten out of bed, gone to the kitchen and lighted a fire. Mrs. Sargent, in the other room, heard him making a peculiar breathing noise, and started to the kitchen. On reaching the door, she saw him slide out of a chair onto the floor. He was unconscious, and died before the doctor could arrive.

Mr. Sargent was born at Merkel March 9, 1901, the son of Mr. and Mrs. George Sargent. He was married there in January of 1920, and two years later he and Mrs. Sargent moved to Lynn county and has been farming here since. He had long been a member of the Methodist Church, and at various times had directed the church choir.

He is survived by his wife, three daughters, Mrs. E. G. Moore of Breckenridge; Miss Lenora and Nancy Sue of Tahoka, his mother, Mrs. L. C. Johnson of Tahoka; one brother, Frank of Brownfield; two sisters, Mrs. Jim Clinton and Mrs. Marvin Munn of Tahoka; one grandchild; a brother-in-law, Marlon Logan of Abilene, and two sister-in-laws, Mrs. L. D. Jones of Oklahoma, and Mrs. J. H. Coursey of California. All were present for the funeral rites except the two latter.

Pallbearers were: Roy Poer, Allie White, Claude Donaldson, Howard Cook, Garland Pennington, D. A. Hill, H. J. Campbell, and Gene Rowland.

Meat consumption in 1946-47 in the U. S. reached a near-record peak of 155 pounds per person, as compared with 126 pounds per person in 1935-39.

Bulldogs Champions Football District 6-A

Sundown Will Play Here November 21

Since Tahoka Bulldogs will not play the bi-district game until Dec. 5, a game has been matched with Sundown, District 5-A power to be played here at 2:30 p. m. Friday, November 21.

Though out of the championship running in that district, Sundown has had a good season, winning over Hale Center 28 to 0, Springlake 27 to 6, Muleshoe 27 to 20, and Morton 39 to 6. Sundown played a 20-20 tie game with Lovington, N. M., and lost to Denver City 20 to 18 and to Levelland 45 to 27.

Lubbock Cowhands Play Here Today

With the District 6-A schedule completed and the championship clinched, the Tahoka Bulldogs are playing two games this week while awaiting a bi-district setto with the winner of District 5-A, which game will probably be on Dec. 6. As The News goes to press Thursday night, one Bulldog team is in Plains for a game.

But today, Friday, at 2:30 o'clock, the Bulldogs will meet the Lubbock Cowhands A team in a game that should be one of the best of the season. The Lubbock Cowhand A team, a "feeder" to the Westerners, is said to be almost as good as the Westerners.

This Cowhand team has defeated Meadow 19 to 7, Ropes 6 to 0, Plainview B 21 to 6, Sweetwater B 26 to 6, Slaton 14 to 13, Amarillo B 20 to 12, and has lost two games to Sweetwater B 13 to 19 and Brownfield B 0 to 6.

The Cowhand Starters will average 170, while Tahoka's average is 149. Starters for Lubbock are: Garnett Reeves, 145, and Jim Richards, 165, ends; Sam Modrall, 185, and Joe Brock, 185, tackles; Maurice Moyers, 200, and Neal Ross, 237, guards; Leon Stewart, 147, center; and Merle Burchett, 136, Malcolm Young, 151, Norman Vance, 145, and Alfred Adair, 165, backs.

Though Plains is not in Class A, the school has been playing all-comers this year, most of them Class A schools, and has not lost but one game and that on Oct. 30 by a 7 to 0 score to Class AA Brownfield's B team.

Coaches Foust and Jacobs are splitting up the squad for these two games this week in order that (Cont'd. on last page)

Legion Team Defeats Ropes

The Tahoka Legionaires defeated the Ropesville Legionaires 6 to 0 in an Armistice Day game which was played on Foust Field before a fair crowd of spectators.

The two teams were evenly matched, each squad showing more defensive ability than offensive punch.

Early in the third quarter the Tahoka Legionaires scored from mid-field on a long pass thrown by fullback G. W. White to half-back Robert Harvick who raced about 20-yards to pay dirt after taking White's pass on the 20-yard line.

REVIVAL BEGINS NOV. 16 AT ASSEMBLY OF GOD CHURCH

Rev. Leon Quillin, pastor of the Assembly of God Church of Tahoka has announced this week that a revival meeting will begin Sunday, November 16 at the local church with Rev. Wesley Smith doing the preaching.

Rev. Smith, who is pastor of the Assembly of God Church at Capulin, N. M. is a very good evangelist and everyone is cordially invited to attend the meeting each night. Services will commence at 7:30 o'clock each evening.

O'Donnell Victim Of Tahoka Last Friday Night

The Tahoka Bulldogs rolled over their last obstacle last Friday night to win the District Championship, defeating their old rivals the O'Donnell Eagles 19 to 0.

The Bulldogs opened the game when they kicked off to the O'Donnell Eagles last Friday night on the Eagle's home field. The Eagles carried the ball up to the 30-yard line on the kickoff return. On the first play from scrimmage the Eagles drove through the Bulldog line for 8-yards, but were held on the same spot for two more downs. On fourth down the Eagles kicked, a nice long one too, and Van Brookshire took the ball in on the 20-yard line and raced laterally across the field where he handed it off to Joe Don Minor who turned up the west side-line and raced 80-yards for the first Bulldog touchdown. Minor received a lot of fancy blocking on this long run by his team-mates, but he also turned in a fine piece of broken field running. Cowan's try for extra point was not good.

Although the Bulldogs stayed in O'Donnell territory most of the first half, threatening to score two or three times, the Eagles managed to throw up a strong enough defense to hold the Bulldogs away from the double stripe.

Early in the third quarter Van Brookshire intercepted an Eagle pass on the Eagles' 40-yard line and raced to the 15-yard line behind some fine blocking by his mates before he was hauled down. A few plays later Joe Don Minor went through the Eagle line for five yards and the second Bulldog TD. An attempt to run the ball for the extra point failed.

Up to this point in the game, the strong Bulldog defense had not allowed the Eagles to cross the 50-yard line. However a few minutes later the Eagles' passing attack clicked when they completed (Cont'd. on last page)

Miss Frazier Is Rotary Speaker

Miss Betty Lou Frazier of the Tahoka High School faculty was the principal speaker at the Rotary Club luncheon Thursday noon.

Miss Frazier spoke on "My Trip to Mexico," and presented a very interesting and informational discussion of Mexico, its scenic wonders, history, peoples and customs. Hers was one of the most interesting travel talks the local Rotarians have heard in a long time.

Local People At Baptist Meeting

Rev. and Mrs. Levi Price, Mr. and Mrs. E. I. Hill, and possibly others from Tahoka, have been attending the Baptist State Convention in session in Amarillo Wednesday and Thursday, and the Brotherhood and W.M.U. in session there Monday and Tuesday.

Other churches in Lynn county represented at the meetings included O'Donnell, Wilson, Wells, and New Home.

BOULTER VISITS SCHOOLS

E. H. Boulter, assistant state superintendent of schools, was in Tahoka Monday conferring with Mrs. Lenore M. Tunnell, county superintendent, and Vernon Brewer, Tahoka superintendent.

BILLY JOE OLIVER HOME

Billy Joe Oliver, son of Mr. and Mrs. B. Oliver, came in last week from San Francisco with his discharge from the Navy. He had been in the service nearly two years.

Pictured above are Coaches Jim Foust and Jake Jacobs of the 1947 District 6-A champions, the Tahoka Bulldogs. All fans agree that they have done an excellent job this year in molding a winning football team.

OLD TIME FRIEND OF NEWS EDITOR HERE

Asa Lee Williamson of Pep, N. M., was in Tahoka Monday afternoon to visit the News editor, E. I. Hill, but the latter had left just a few minutes before the visitor's arrival to attend the Baptist State Convention in Amarillo.

Mr. Williamson and the editor attended the old Thomas Arnold High School at Salado together and also were students in the University of Texas at the same time. Several years ago, Mr. Williamson heard that the Editor was dead and only recently was informed that he was very much alive and kicking up the dust. Having business in Brownfield Monday, he decided to come to see his boyhood friend, and to his great disappointment found him gone.

Mr. Williamson has been ranching out in New Mexico for the past 32 years. Though he had not seen the Editor in many, many moons, he recalled many instances of their boyhood days and did a lot of "talking out of school" to the Editor's two sons.

LOCAL GIRL IN SCOTTISH RITE HOSPITAL IN DALLAS

Little Miss Sarah Catherine Taylor, 6-year old daughter of Mr. and Mrs. Robert L. Taylor of this city, was admitted to Texas Scottish Rite Hospital for Crippled Children in Dallas for treatment on Wednesday, November 5.

ministrative offices, and in the dormitories. More students work in the dining hall than any other one place on the campus.

Most of the ACC faculty members have student secretaries and graders. Other students work in the ACC maintenance department, in the ACC print shop, and at jobs ranging from laboratory assistants in the science departments to information girls.

Among the student helpers in the college dining hall is Chattie May Savage, daughter of Mr. and Mrs. Lee Savaze, route 4, Tahoka.

Mrs. Arthur King underwent surgery in a Lubbock hospital on Tuesday of last week. The King's live at Dora, New Mexico, but are here during the ginning season. He worked at the Farmers Cooperative Gin here.

Mr. and Mrs. J. L. Nevill returned last week from Flagstaff, Arizona, where he has been engaged in carpenter work and where she had spent the last two months visiting her three married daughters there.

A GREAT CAREER ENDS

The resignation of Pat M. Neff as President of Baylor University, which was announced in the daily newspapers Saturday, was an event of more than passing interest. It virtually ends the career of a man who has been in the public eye for fifty years, or will end it when his resignation takes effect on December 31 at midnight.

A man of the highest character, of great natural mental endowments, of unusual culture and refinement, a lawyer of ability, a master of the English language, an eloquent platform speaker, a political leader with deep religious and moral convictions, it is not strange that he has served in so many public capacities with efficiency and distinction.

As a young lawyer just out of college, he was elected first as representative in the legislature from McLennan county and during his second term was elected and served as speaker of the house, the youngest man to ever serve in that position.

Following that, he served for four years as county attorney of McLennan county, in which position it was his duty to prosecute both misdemeanor and felony cases, which he did vigorously and ably.

A little later, he became a candidate for the office of governor. Among his opponents were the able and eloquent Ewing Thompson, who recently retired from a long service in Congress to take a federal judgeship, and the brilliant and nationally famous Joe Bailey, who had been a distinguished United States Senator and whose friends boasted that he had not a peer in that body. But Bailey had come into disrepute by reason of the revelations made respecting his secret connection with the Waters-Pierce Oil Company, a subsidiary of the Standard Oil Company of New Jersey, and Neff unhorsed him in the run-off for the governorship.

As governor, Neff declared martial law and took vigorous steps to suppress unlawfulness that developed in connection with a railroad strike. As a result, he had an opponent for a second term but defeated the gentleman by an overwhelming majority.

After leaving the governorship, he served for some time in a responsible federal position in Washington.

In 1932 he was elected President of Baylor University, of which institution he was a graduate. For fifteen years he has served with distinction in this position, and he now leaves it with a student body four times as large as that which he found in the institution when he became its president.

During these years, he has also served four times as President of the Southern Baptist Convention and three years as President of the Baptist General Convention of Texas, and was one of the very best presiding officers that either body ever had.

Now at 77 years of age, he retires to private life, but we can not conceive of Pat Neff as being

inactive. But whether his remaining days be many or few, he has made his impress upon the life of Texas as few other men have done, and the good that he has done will live long after him.

The News is publishing a city ordinance that has long been needed. The discharging of fireworks inside the city limits furnishes a lot of fun for boys and girls and especially kiddies during the Christmas season but it is a dangerous practice. To many people, especially to the sick and the aged and those of nervous temperament, the practice is also very annoying. While cotton gins, cotton yards, cotton warehouses and the cotton compress are not specifically mentioned in the ordinance, it is believed that most of them are protected by the ordinance any way. Certainly fireworks should not be discharged in the vicinity of any of these places of industries. The city council is to be commended for thus prohibiting this dangerous practice of playing with fire within the city. We believe that the council should also pass an ordinance to prevent many of the Halloween pranks thoughtlessly committed by young people. One practice that has become annoying to many business men in town is to have their plate glass fronts marked up with soap or other messy materials on Halloween nights, together with other pranks that destroy, damage, or misplace property.

APPROACHING MARRIAGE ANNOUNCED THIS WEEK

Mr. and Mrs. J. J. Hamilton, Albuquerque, New Mexico, are announcing the engagement and approaching marriage of their daughter, Johnnie Sue to Albert Benoy Gattis, son of Mr. and Mrs. I. I. Gattis of Tahoka.

Miss Hamilton is a granddaughter of Mrs. J. H. Cobb, long time resident of the Tahoka vicinity. She graduated from Texas Technological College in June where she was a member of the Freshman Honor Society Junior Council, A.W.S., Sociology Club, Alpha Chi, a national fraternity, and a member of Las Vivarachas Social Club. Mr. Gattis resumed his studies at Texas Tech after serving three years in the Armed Forces. At Tech he was a member of Centaur Social Club.

The couple plan to be married November 23, in St. John's Methodist Church, Lubbock, Texas.

SOIL CONSERVATION HAS GREATLY ADVANCED IN THE PAST SIX YEARS

FORT WORTH, Nov. 13.—Soil Conservation has come far in Texas since the first soil conserva-

tion districts in the state launched their programs six years ago. And, as Texas observes Soil Conservation Week Nov. 7-15 by proclamation of Governor Jester, its citizens can take great pride in the

way in which farmers and ranchers are going at their task as well as in the progress that already has been made.

Louis P. Merrill, regional conservator of the Soil Conservation Service, reported that landowners of the state have voted in a total of 143 soil conservation districts, in the six-year period. These districts cover 127 million acres of the state's area, about three-fourths of the total land area. Of the 143 districts, 113 have inventoried the condition of their land and have set up a work program. They are receiving assistance from the U. S. Soil Conservation Service.

Mr. Merrill said that farmers and ranchers of Texas are applying to their soil conservation district boards for help on their land at the rate of 17,000 a year. Over 44,000 farm and ranch owners and operators at the end of the last fiscal year were cooperating with their district boards in putting coordinated conservation on their acres.

These 44,000 farmers and ranchers operate more than 15 million acres and they have already applied more than 45 per cent of the conservation practices required by their land. Last year they put twice as much conservation on their farms and ranches as in 1945 and for 1947 they are surpassing last year's records by 30 per cent.

Mr. Merrill announced that by the end of the fiscal year on June 30, the state's farmers and ranchers had built 66,000 miles of terraces, had seeded 413,000 acres of range and pasture, they had contour-plowed 3,000,000 acres and planted soil-protecting and soil-improving cover crops on 1,200,000 acres. They had applied improved irrigation water application methods on 473,000 acres and put individual farm drains on 28,000 acres more.

There is much yet to be done, the regional conservator emphasized. Surveys indicate that 35,000,000 acres of Texas farmlands should be cultivated on the contour and 20,119,000 acres of range and pasture should be seeded. There are 3,353,000 acres of wet lands which can be drained and put into profitable use. There are 1,032,000 acres which can be irrigated successfully. Cover and soil-improving crops should be planted on 35,000,000 acres.

The supervisors of the soil conservation districts—who are farmers and ranchers elected by the landowners of their districts and who receive no pay—are the leaders in the state's soil conservation movement. They determine the needs of the land in their districts and say how the problem will be attacked. They request assistance from the U. S. Soil Conservation Service or any other agency, firm or individual who can help them. The program in their district is theirs.

The individual farmer or rancher reaps the rewards of a complete soil conservation program in increased yields, decreased operating costs and in larger income. Mr. Merrill pointed out. This increase averages about 26 per cent. And where farmers and ranchers thrive, communities and their institutions also thrive. Soil conservation not only means increased production and income for the farmer and rancher. It means greater prosperity and continued security for state and nation as well.

Top events of the observance will be the annual meeting in Houston of "Friends of the land," national organization of laymen interested in protection of the soil, and a week-long soil conservation tour with the Second National Bank of Houston and the Burlington Lines as sponsors. Louis Bromfield, noted author and lecturer, will address free public meetings at six stops by the train at cities on the Fort Worth and Denver City Railway and the Wichita Valley Railway. A group of national and state business leaders will be in the tour party.

SEED

...is it Your Neglected Crop?

Since the coming of the All-Crop Harvester, grass and legume seed has become the most profitable single crop on many farms. Tiny, fine-screened, seed, chaffy, lightweight seed or otherwise hard-to-handle grass and legume seeds are no longer a problem. They all can be harvested with the same machine you use for small grains and beans.

It's easy to see your new ad-

vantage in the action of the All-Crop's full-width threshing cylinder, rubber-faced shelling contacts, quick cylinder-speed changer, oversized straw rack and cleaning shoe. You enjoy, also, the freedom of a harvesting outfit complete with only a one- or two-man crew.

Why continue to lose out on an extra-profit SEED harvest between hay cuttings or before pasturing? The All-Crop Harvester can turn this neglected crop into income.

EIGHT CROPS GROWN ON ONE WEST TEXAS FARM

Jack R. West, farmer near Monroe, Lubbock county, sounds like he might be one-man competition for the Rio Grande Valley.

West owns 550 acres of irrigated land, with six wells. He has eight crops on the land, some already harvested, some to be harvested.

Potatoes were put in 162 acres, and produced up to 200 sacks per acre. The 140 acres in cotton harvested out to one and a fourth bales per acre.

Crops yet to be harvested are sugar beets, 40 acres; 22 acres of tomatoes; 40 acres of peas, to be combined; 29 acres of onions and 3 acres of bell peppers.

The surprise crop from the farm was lettuce. Some ten specialized irrigation farmers around Monroe planted a total of 230 acres of head lettuce, and West's 25 acres harvested to the tune of 300 crates per acre.

County Agent D. W. Sherrill says that the cool fall weather in that irrigated area is ideal for lettuce and the crop grossed about \$300 per acre.

WELLS YOUNG MAN WEDS SEAGRAVES GIRL

Lonnie Olin McKenzie of Wells and Miss Dorothy McSwain of Seagraves were united in marriage at Grassland Tuesday at 2:30 p. m., Rev. Mosely, tying the nuptial knot. The young people were accompanied by his parents, Mr. and Mrs. L. L. McKenzie, also of Wells.

Mr. McKenzie was recently discharged from the Army, after 18 months of service, during which he attained the rank of sergeant. He was reared in this county and graduated from O'Donnell high school. The bride is the daughter of Mr. and Mrs. Russell McSwain of Seagraves and has been a student in Seagraves high school.

The young couple will farm two miles south of Wells.

In the first battle which was played at Slaton, the Junior Tigers chewed the Bullpups ears to the tune of 20 to 0.

In their second encounter the Bullpups held their own to battle the Tigers to a 0-0 deadlock on the local field.

CARD OF THANKS

We take this method of thanking our friends for the many kindnesses shown us during the bereavement we have suffered in the loss of our mother and grandmother, for the many beautiful flowers, for the food sent in by our friends and neighbors, and for all the many acts of kindness which made our grief easier to bear. May God bless you all—Mr. and Mrs. O. J. Cooper and family, Mr. and Mrs. B. A. Young and family, Mr. and Mrs. Chas. Nelms and family, and Miss Rosemary Nelms.

Mr. and Mrs. J. B. Oliver and Mrs. G. W. Forsythe were in Beaumont last week to be at the bedside of Mrs. Oliver's brother and Mrs. Forsythe's son, B. F. Forsythe, who underwent a serious major operation. He was doing nicely when they left, Mrs. Oliver said.

Mr. and Mrs. Albert Jacobs of Spearman spent last week end here with their son and daughter-in-law, Coach and Mrs. Jake Jacobs, of the local school faculty. Mr. Jacobs is a county commissioner in Hansford county.

Edgar Kirchmeier of House, N. M., was here Wednesday visiting his uncle, C. C. Dwight. His mother, sister of Mr. Dwight, had undergone a major operation in a Lubbock hospital Tuesday.

A CHRISTIAN

I. Pet. 4:14-16

To the Jews God said, "The Lord shall slay thee and call his servants by another name." Isa. 65:15. Again in Isa. 62:2, we read, "The Gentiles shall see thy righteousness and all kings thy glory; and thou shalt be called by a NEW NAME, which the mouth of the Lord shall name." In Isa 56:5 we read, "I will give in mine house and within my walls a place and a name better than of sons and daughters."

From the above we learn: 1. God's servants are to be called by a New Name. 2. The New Name is to be given after all kings see thy glory and the Gentiles see thy righteousness. 3 The New Name is to be given in "My House." 4. The New Name is to be better than that of sons and daughters.

The name, Son, Daughter, Children and Disciple was used by inspiration too early for either of them to be the name referred to by the prophet.

During the personal ministry of Christ and the early days of the Apostles all kings were made to see the glory of Christ. In the second chapter of Acts we find that the church (the house of God, I Tim. 3:15) has been established and people were added to it in Acts the tenth chapter we find where the first Gentiles heard and accepted the gospel of Christ. In Acts 11:22-26 we find disciples of Christ called CHRISTIANS. Here for the first time in all the Bible do we have given by inspiration a NEW NAME that is better than that of sons and daughters. All the conditions mentioned by the prophet has been fulfilled even to the giving of a new name. If "Christian" is not the New Name of which the prophet spake will some one please use this space and tell us what the "New Name" is.

Brother man: please note that the new name was to be given in "My House". The "House" is the church, I. Tim. 3:15. If you and I are not members of the Lord's House, (Church) can we be sure that the Lord recognizes us as "A Christian". It makes no difference

what you and I may call each other, but has the Lord called us "Christian," if we are not in his house? If you are determined to be a Methodist, Baptist, Nazarene and etc. come on and tell us what does a Christian have to do in order to become such as you are? Why not let's all just be "A Christian," then we can be as Christ prayed for believers to be, Jnc. 17: 20-21—"ONE".

ORDINANCE

An Ordinance regulating and prohibiting the discharge of cannon crackers, fire crackers, roman candles, torpedoes, sky rockets and other like combustible packages; and providing a penalty for violations.

Be It Ordained By The City Council Of The City Of Tahoka, Texas:

Section 1. It shall be and is hereby made unlawful for any person to discharge or cause to be discharged upon or across or along any street or alley or within one hundred yards of any business house, church or public school building within the corporate limits of the City of Tahoka, Texas, any cannon cracker, roman candle, sky rocket, torpedo or other like explosive package.

Section 2. It shall be and is hereby made unlawful for any person to discharge or cause to be discharged upon or across or along any street or alley within the fire limits of the City of Tahoka, Texas, any fire cracker, cannon cracker, roman candle, sky rocket, torpedo, or other combustible or explosive package. This section of this Ordinance is cumulative of Section 1 above.

Section 3. The term "Cannon Cracker," as used in this Ordinance, is intended to mean and does mean any combustible explosive package more than two inches in length and more than one inch in circumference.

Section 4. The term "Fire Limits," as used in this Ordinance, is intended to mean and does mean all that portion of the City of Tahoka, Texas, included within the following metes and bounds, to-wit:

BEGINNING at the Southwest corner of Block No. Thirty-four (34), on the North boundary line of Orson Street, in the original town of Tahoka, and running thence East, with the North boundary of said Orson street, to the Southeast corner of Block No. Forty-one (41), at the intersection of the North boundary line of said Orson street and the West boundary line of Doak street, for a corner;

THENCE North with the West boundary line of Doak Street to the Northeast corner of Block No. Eight (8), in the North Tahoka Addition to the original town of Tahoka, at the intersection of the West boundary line of said Doak Street and the South boundary line of North First Street, for a corner;

THENCE West with the South boundary line of North First Street to the Northwest corner of Block No. Six (6), in the North Tahoka Addition to the original town of Tahoka, at the intersection of the

South boundary line of said North First Street and the East boundary line of Petty Street, for a corner;

THENCE South with the East boundary line of said Petty Street to its intersection with the North boundary line of said Orson Street, the place of beginning.

Section 5. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction for the violation thereof, shall be fined in a sum of not less than Five Dollars (\$5.00) nor more than One Hundred Dollars (\$100.00).

Section 6. In the event any section or part of section or provision of this Ordinance shall be held to be invalid by any court of last resort having jurisdiction thereof, such invalidity shall not affect the valid portions of this Ordinance, and the same shall be enforceable regardless of such holding.

Section 7. This Ordinance shall be in full force and effect from and after its final passage, approval and publication, and it is so ordained.

The foregoing Ordinance was **FINALLY PASSED** and **APPROVED** this the 3rd day of November, A. D. 1947.

K. R. Durham, Mayor of the City of Tahoka.

**How women and girls
may get wanted relief
from functional periodic pain**

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

"Daylight Saving" Electrically

Means more Farm products

It's widely known that more hours of light will increase egg production. Good farm lighting increases other farm production, too.

The efficiency and dependability of low cost farm lighting makes working conditions more favorable in the barns, tool house, work shop and feed room.

We'll plan a lighting system especially for your farm. No obligation, of course.

I'LL COME TO YOUR HOME OR PLACE OF BUSINESS

A Public Service Company lighting specialist will come to your home, office, or place of business to give you recommendations as to how to obtain the best in lighting. There's no obligation. Just call or write your nearest Public Service office.

We have nothing to sell but good electric service.

having breakfast in Hollywood: Dr. K. R. Durham, Rollin McCodr, Grannie Chapman, Perry Walker, Red Brown, and Jim White.

In this scene, Dr. Prohl, as Tom Brennehan, goes into the audience, tries on ladies hats, and awards a prize for the goofiest. Following the plan of the Hollywood program, the scene will include awarding a wishing ring, presenting the eldest lady a corsage and giving a gift to the good, good neighbor of Tahoka. Any resident of the community is eligible to vote for the good, good neighbor, who should be some man or woman who has done outstanding charitable or civic work for

individuals or the community at large. All nominating letters should be addressed to this newspaper and mailed by Tuesday, November 18. A committee will judge the letters received and the good-good-neighbor will be notified.

A large portion of the proceeds from the show will go toward Christmas packages for the needy and the American Legion building fund.

O'Donnell Game . . .

(Continued from page 1)
pass down to the Bulldogs 20-yard line. However the Bulldogs allowed the Eagles 1-yard in four tries. The Bulldogs took over and kicked on first down. The Eagles started another drive that took them across the 50, down to the 40-yard-line the second and final time for the evening. A play or so later the Bulldogs recovered an Eagle fumble on the 40-yard line just as the third quarter ended.

The Bulldogs made another drive that carried them to the Eagles 5-yard line where Van Brookshire carried the pigskin over for the Bulldogs final TD. Cowan's try for the extra point was true this time. The score was 19 to 0.

A few plays later the Bulldogs intercepted an Eagle pass deep in O'Donnell territory, but the final whistle blew ending the game 19 to 0.

Bobby Boyd, quarterback has developed very rapidly into a fine passer. At the opening of the season the Bulldogs showed very poor passing ability, but Coach Foust revealed his well-improved passing attack against the Eagles last Friday night. Boyd did not complete very many of his passes Friday night, but anyone who witnessed the grid battle will admit that it

was no fault of the passer. With the addition of this new strong running attack of Akin, Brookshire, Minor, Chandler, Farr, and Hough, the newly developed passing attack is likely to add the extra punch to the Bulldog offense that could win a Bi-District Championship for the Tahoka Bulldogs.

The Bulldogs are now the 1947 Champs of the 6-A District and will meet the Champs of district 5-A in the Bi-District game on December 5, the winner of which will likely be decided in the Leveland-Littfield game today.

Cowhands . . .

(Continued from page 1)
all the boys can get some playing experience. As a result, Tahoka could easily lose both of them, but with a bi-district tilt coming up the coaches feel a number of reserves need some more playing experience and have matched the two games for this purpose.

Members of the squad which went to Plains Thursday night were: Horace Strickland, Duane Carter, Bill McNeely, James White, Phil Bairrington, Bob Boyd Clark Farr, Tommy Chandler, Dan Cowan, Billy Bert Stevens, Ronny Gurley, Harlan Cook, Charles Pulkerson, and Bud and Billy Bob Waldrep, Karr Wells, and B. L. Parker, and Jackie Slover and Jess Dorman, managers.

Remaining here to play in the game with Lubbock are: Don D. Cowan, Jimmy Small, Kenneth Reed, W. J. Kahl, Almon Crowell, Wayne Sherrod, Billy Bob Chancy, Billy Ray Kelley, Gilbert Hough, Joe Don Minor, Don Akin, Van Brookshire, Randall Hinkle, Laylen McMahon, Bobby Tippit, and Douglas McNeely.
