## 80,000 Bales Have Been Ginned In Lynn County

From ginning statistics given to the News by many of the gins of Lynn County and dependable estimates made as to the number of bales ginned by other gin plants, it is apparent that almost 80,000 bales of cotton have been ginned in Lynn county this season.

Accurate figures and close estimates as to the out-put of 24 of Lynn county's 30 gins indicate that these 24 gins have turned out more than 70,000 bales.

Broken down, the figures are as follows:

Tahoka, five gins, 16,185 bales; Wilson, 3 gins, 6,400 bales; Grassland, 2 gins, 6,800 bales; New Home, 2 gins, 5,853 bales; Draw, 1 gin, 4,500 bales; Wells, 1 gin, 4,300 bales; T-Bar, 1 gin, 1,160 bales; West Point, 1 gin, 1,586 bales; O'Donnell, 8 gins, 24,000 bales; making a total of 70,784 bales.

Gins from which we have no reliable estimates are: Newmoore, Petty, Lakeview, Wayside, Gordon, and Hackberry.

The estimate as to the number of bales ginned by the eight gins of O'Donnell was given by a business man who is in position to know the facts, and while his estimate may seem to be a little high to some, it must be noted that this estimate amounts to only 3,000 bales per gin, and the five gins in Tahoka have exceeded that amount.

All of the O'Donnell gins are situated in Lynn county, but a considerable percent of the cotton ginned came from Dawson county. To set-off that, however, gins at Slaton and Southland have ginned much Lynn county cotton.

Unless prevented by weather conditions, Lynn county gins will doubtless turn out at least 100,000 bales this year.

Most of the cotton now left in the fields will doubtless be harvested with cotton harvesting machines. Many Mexicans are returning to their homes.

Cotton seed are now selling for 40¢ per ton.

## Long Drouth Is Broken By Rain

Following the slow rain of Thursday night of last week which put .32 of an inch of water in the weather man's rain gauge; here, rain began falling again, very slowly, on Sunday night and continued throughout the day Monday. The clouds have hung low and threatening and heavy mists of rain have fallen each day since. The total precipitation in Tahoka this week amounts to .90 of an inch, making a total of 1.22 inches during the past eight days.

This is the first rain of any consequence since June 20. The soil had become very dry and the moisture was generally welcomed in spite of the fact that a considerable portion of the cotton crop remains yet ungathered in the fields. It was much needed on the pastures and the wheat fields which are yet to be sown.

The rain covered the entire Plains area in greater or less amounts and was particularly helpful to the wheat farmers further north. It came in fact almost but not quite too late for the wheat lands. With plenty of moisture during the next few months an excellent wheat crop could be produced again next year.

Due to the wet weather, which has completely stopped cotton picking this week, and to the near approach of winter, many of the Mexicans who have been here gathering the cotton crops have been returning to their homes along the border the past few days. Cotton harvesting machines will be brought more and more into play from here on out.

Mr. and Mrs. R. R. Adams, who now reside at House, New Mexico, were here on business and visiting friends this week. Roy was much pleased with the rain, for he lives in a wheat country.

J. K. Applewhite, Winston Wharton, Hubert Tankersley, Rollin McCord, Mr. and Mrs. W. O. Thomas, Mr. and Mrs. A. M. Cade, and Mr. and Mrs. J. A. Biggerstaff. The convention was in session Saturday, Sunday, and Monday.

## W. A. Yates, Aged County Pioneer, Died Last Friday

Lynn county lost one of her oldest and most highly respected citizens last Friday when W. A. Yates, 81, passed away at 12:43 o'clock in the afternoon in the West Texas Hospital in Lubbock after having been a patient there for about four weeks.

Funeral services were conducted in the First Baptist Church of Tahoka at 3:00 o'clock Sunday afternoon in the presence of a great throng of relatives and friends and the body was laid to rest in the Tahoka cemetery under the direction of the Stanley Funeral home. Funeral services were conducted by his pastor, Rev. Levi Price, assisted by Rev. J. J. Gentry of Lamesa.

## Body Of Soldier Is Returned Home

The body of Private William E. Edwards, son of Mr. and Mrs. Lloyd Edwards, who lived near the line of Lynn and Garza counties and who was killed in Belgium by the accidental discharge of a machine gun by one of his own company, arrived in Post Saturday accompanied by Sgt. Mathews of Fort Sill, Oklahoma.

Deceased was a grandson of Mr. and Mrs. T. C. Edwards and of Rev. D. W. Reed of Garnolia. Born on December 13, 1923, he enlisted in the service of his country early in the war and went to the Continent with the American expeditionary forces. He had been with our fighting forces in Germany and was sent back to Belgium for a brief rest. Soon after arrival, a companion dropped a machine gun and it was discharged accidentally, the discharge killing Pvt. Edwards. This occurred on November 6, 1944.

His body was buried in Henri Chapelle, Belgium, to rest there until a request was made for it to be sent home.

Funeral services were conducted in the First Baptist Church of Post Sunday afternoon by the pastor, Rev. Huron A. Poinac, following which the American Legion took charge and the body was buried in the Terrace Cemetery, Post, with military honors. Deceased had been a member of the Post Baptist Church.

Pall bearers were Paul Foster, Weldon Jobe, Adrian Cook, Gerald Bowen, Lewis Price, and E. J. Henderson.

## Congratulations . . .

Mr. and Mrs. Newton Smith on the birth of a son Wednesday, Nov. 12, at Price Hospital, Lamesa, weight 6 lbs. and 14 oz. He has been named Newton Gail—for his dad and uncle Herbert Gail Smith.

Belatedly the News announces the birth of a daughter to Mr. and Mrs. C. A. Palmer on November 5 in the Brooks General Hospital in San Antonio, who has been named Virginia Alice. Mrs. Palmer is the former Miss Claudia Draper, daughter of Mr. and Mrs. I. M. Draper. She spent several years as an Army nurse, coming back to the States from Honolulu just a few weeks prior to the attack on Pearl Harbor. Later she went to England and served there for many months. She was married about a year ago and lives in San Antonio.

## Farmers Meeting Here To Discuss Farm Program

Farmer committeemen from all over the County are meeting in the A.A.A. office in Tahoka Friday morning for the purpose of discussing the 1948 Farm Program and also to select a nominating committee. This nominating committee from each community will then meet and nominate prospective community committeemen and delegates for 1948. This information was submitted by Clinton M. Walker, Secretary of the Lynn County A.C.A., who also stated that the election of community committeemen and delegates will be held Saturday December 13.

On December 18, the County Convention will be held and the delegates from each community will meet and elect the County Committee for 1948. Present members of the County Committee are Dan Carpenter, Chairman; Clarence Church, Vice-chairman; and Dick Franklin, member.

Walker states that there will be a Farm Program in 1948 substantially the same as this year with the exception that each individual farmer will be limited to a maximum of five hundred dollars for assistance in carrying out approved soil-building practices.

According to Walker, two hundred and seventy eight miles of large ridge terraces have been completed and one hundred and nine miles more are under construction at this time under the A.A.A. terracing program. The total terraces built with A.A.A. assistance in 1947 will be around four hundred miles for one of the best terracing years under the present Farm Program. The rate of payment for building these terraces is \$79.20 per mile and if moisture falls early enough it is expected that more terracing will be done in the month of December. For further details about the terracing program or any other soil conservation practice consult the local A.A.A. office.

## Assembly of God Holding Revival

The revival in progress at the Assembly of God Church being conducted by Rev. Wesley Smith of Capulin, New Mexico, is to continue through next week and possibly longer, according to the pastor, Rev. Leon Quillin.

"On Friday night," Rev. Mr. Quillin announces, "Brother Smith will be speaking on the subject of Divine Healing and will be praying for the sick that night at the Church. Every one is urged to attend these services."

The services begin each evening at 7:00 o'clock.

## NEW BOOKS IN LYNN COUNTY LIBRARY

Several new books have been added recently to the Lynn County Library.

Below is a list of a few of the new books: "The Years Of The Locust," "House Divided," "Sea Of Grass," "Wetback," "Murder Picks A Jury" and several others.

## Four Tahoka Boy Scouts Receive Eagle Scout Award At Court of Honor

The Boy Scouts court of honor conducted in the lunch room on the public school grounds here Tuesday night attracted a large crowd of parents and friends of the Boy Scouts and their work, about 160 being present.

Also, there was an unusually large number of advancements of Boy Scouts.

Walter Anglin, who has long been connected with Boy Scout work here in one capacity or another, acted as master of ceremonies, and Scoutmaster E. B. Gaither conducted the court of honor.

Field Executive Johnston of Lamesa was on interested spectator. At the ceremonies seven boys were given recognition as Tenderfoots: A. W. McClellan, Dennis K.

Pictured above is the "Annual Football Trophy Award" pledged to the Regional Class-A winners of the Texas Interscholastic League by the Life Insurance Company of America. Last year Monahans won the trophy . . . this year's winner will soon be decided. Seminole, Merkel, Levelland and Tahoka still have a chance to win this trophy for the 1947 football season.

## Two Plead Guilty In County Court

A plea of guilty to the charge of unlawfully carrying knucks was entered by Trinidad Florez in the county court on last Friday and County Judge Tom Garrard assessed his punishment at a fine of \$100.00 and costs.

On Monday C. A. Barkley of Lubbock entered a plea of guilty in the same court to a charge of possessing beer for the purpose of sale. He was likewise fined \$100.00 and costs.

C. C. Bledsoe of Lubbock was tried before a jury in the county court Monday on a charge of unlawfully transporting intoxicating liquor but the State failed to adduce sufficient evidence to prove his guilt and he was acquitted.

A companion case charging another man with the same offense was thereupon dismissed upon motion of the county attorney, B. P. Maddox.

There have been several pleas of guilty the past few days in the justice court of P. D. Server on charges of drunkenness and violation of the traffic laws.

## FISHERMEN BRING HOME THE EVIDENCE

W. A. Armes and Chester Short brought back two huge cat fish that they claimed to have caught in Bridgeport Lake early this week. One of the cats weighed over 50 pounds and the other weighed over 30 pounds. The News didn't learn which one of the two fishermen claimed to have caught the big one, but our guess is that it was W. A.

## 750 Seats Reserved For Tahoka Fans At Bi-District Game

School Superintendent Vernon Brewer announced today that there would be 750 seats, all reserved for the Tahoka fans wishing to attend the Bi-District football game, December 5, in Levelland between the Tahoka Bulldogs and the Levelland Lobos.

Mr. Brewer also stated that a block of the reserve tickets would be on the 50-yard line and that they would sell for \$2.00 each. The remaining seats, which will be near the 50-yard line will be sold for \$1.50 each. For those who wish to pay for general admission and stand up during the game, tickets can be purchased at the rate for \$1.00.

Mr. Brewer also stated that the 750 reserve seat tickets would go on sale downtown some time next week at some of the business houses.

## Bulldogs Defeat Lubbock Cowhands

The Tahoka Bulldogs' offense rolled over the giant Lubbock Cowhands before a small crowd of fans here last Friday afternoon to score a 24 to 0 win over the Lubbockites.

The first Bulldog score came early in the first quarter after the Bulldogs had made a sustained drive down field to the 8-yard line where Joe Minor carried over for the Bulldogs first TD. The try for extra point failed.

Later, in the first quarter, the Cowhands fumbled behind the goal line and Bill Kelley, guard, charged through and covered it for the Bulldogs second touchdown. Again the try for extra point failed.

In the second quarter the Bulldogs made another drive down field which brought the ball to rest on the 1-yard line, where

## Baptists Of Area In Meeting Here

As the concluding number on the program of the Workers Conference of the Brownfield Baptist Association held in the Baptist Church here Tuesday, Rev. A. A. Brian, pastor of the First Baptist Church of Brownfield, Dr. J. Ralph Grant, pastor of the First Baptist Church of Lubbock, and Dr. J. W. Marshall, President of Wayland College, made ringing addresses in the interest of the emergency drive recently launched to raise \$300,000.00 for the College.

Contributions will be accepted from contributors regardless of their residence, of course, but the drive is to be made primarily in the Panhandle-Plains section of Texas, particularly in districts 9 and 10 embracing about forty counties. It is claimed that there are 40,000 Baptists in district 9 (Cont'd on last page)

## Woodward's Mother Dies In Lubbock

S. V. Woodward and family attended funeral services in Lubbock last Sunday afternoon for his mother, Mrs. Ida Evelyn Woodward, 83, who died Saturday at Stamford while visiting a daughter there. Services were conducted in the Plains Funeral Home chapel and burial was in the Lubbock cemetery.

Survivors include her aged companion, A. M. Woodward of Lubbock and nine sons and daughters. S. V. Woodward being the only child residing in Lynn county. Two daughters live in Lubbock and two in California. The other four children live at different places in Texas. Surviving also are nineteen grandchildren.

Mrs. Woodward was a native of Texas, having been born at Alto in Cherokee county on February 16, 1864. Her maiden name was Ida Evelyn Stewart. She was married to A. M. Woodward on December 22, 1884. To this union eleven children were born, two of whom have died.

## Bulldogs Meet Sundown Team Here At 2:30 P. M.

The Tahoka Bulldogs will take the field this afternoon against the strong Sundown Roughnecks from district 5-A in a non-conference clash with the Bulldogs picked as the favorites to win by a small margin.

The Roughnecks have a fine record for the season, winning 4 games, losing 3 and tying 1. Levelland defeated Sundown 45 to 27 and Littlefield defeated Sundown by about the same score that they defeated Tahoka early in the season, and Denver City won over them 20 to 18.

The opening kickoff is scheduled for 2:30 this afternoon on Foust Field and if the weather is permitting a large crowd of Bulldog fans is expected to be on hand to witness the battle between these two strong elevens.

The Sundown Roughnecks will outweigh the Bulldogs 15 pounds per man average. The Roughneck line averages 167 and the backs average 160 with a team average of 164 pounds to the Bulldogs team average of 149 pounds.

Sundown's colors are Red, White and Blue and are coached by Lloyd Hunt, former WTS football star.

The Levelland Lobos have already completed their season and will be idle until the Bulldogs meet them Dec. 5 for the bi-district crown.

The Bulldogs have rolled up a total of 234 points to their opponents 54 for the season in nine encounters. The Bulldogs have lost only one game which was the 40 to 0 defeat handed to them by the Littlefield Wildcats in an early season non-conference game. The Bulldogs have been scored on only two other times besides the Littlefield defeat, Post and Crosbyton scoring 7 points each.

The Bulldogs have been outweighed by practically every team they have met from 5 to 20-pounds per man average, but the Bulldogs have never let a small matter of weight disadvantage bother them the least bit.

The Bulldogs not only sport a very strong running attack, but they have been throwing up a very strong defense all season against strong running attacks and passing (Cont'd on last page)

## "Fun For You" Showing Tonight

"Fun For You" is the name of a big variety show which is being sponsored by the American Legion for the benefit of the American Legion building fund and Christmas packages for needy children and will be staged again tonight, Friday, November 21, at the High School Auditorium.

There are ten scenes in this big stage show. They include impersonations of such popular radio programs as "The Quiz Kids," "Grand Old Opera," "Dr. I. Q. Quiz Show," "Tom Brennerman's Breakfast In Hollywood," and a patriotic number called "Treasury Star Parade".

The show is built for laughs and variety. The local people who make up the cast not only impersonate radio, stage, and movie stars, but the audience attending the show has an opportunity to take part also.

This idea of audience participation has been sweeping the country as a new form of entertainment on the big network shows. In this home talent show, "Fun For You," the audience has an opportunity to compete for silver dollars, corsages, and many other valuable gifts which are awarded to those who give the correct answers in the Quiz Show and Variety scene numbers in this production.

The American Legion, sponsoring the entertainment, says the name "Fun For You" is indicative of what this evening's entertainment has in store for all those who plan to attend. The advance ticket sales indicate there will be a packed house tonight. Advance tickets are on sale at the A.A.A. office.

**Grassroots . . .**

**GRASSROOTS**

By Bill Griffin, County Agent  
The heel fly does not bite or sting yet as it appears around the legs of cattle in the spring or early summer to deposit eggs, it instills fear in cattle and they often run in terror seeking water or mud to stand in to escape.

The eggs hatch into small worms in 5 to 6 days. These worms or larvae crawl along the hair to the skin where they bore in about two hours, causing the animal to shake its leg in pain. After they bore in they travel upward sucking blood until they reach the abdominal cavity, this usually takes about two months. They increase in size during the months they are in the stomach until they are about 1/4-inch in length. In the Fall they start moving to the back where they appear under the skin as grubs or warbles as they are sometimes called.

In our section the grubs usually appear in October and November. When the grubs appear under the skin on the back they begin boring a hole in the skin, through which they fall to the ground. In about 60 days depending on the weather they hatch into a fly and begin the cycle again.

Approximately one third of all cattle hides produced in the United States are damaged by grubs. An estimated loss of \$15,000,000 to \$20,000,000 a year to the cattlemen. Damage also show in beef produced. The loss from reduced beef and milk production in cattle infested with grubs is impossible to determine but it is by far the greatest loss.

We have a weapon to destroy the grubs and prevent the loss. Rotenone and wettable sulphur mixed in equal parts can be dusted on the backs of the cattle to kill the grubs. This is very effective in treating small herds. To treat a large herd a spray containing rotenone could be used very effectively.

In as much as the heel fly can travel only about a mile by air and die very soon after the eggs are laid it is possible to free an area of grubs by proper treatment.

**How women and girls may get wanted relief from functional periodic pain**

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

**Former Residents Visit In Tahoka**

The News editor experienced a distinct surprise late Wednesday afternoon when a lady came tripping into the News office and extended greetings and then had to disclose her identity, for we failed to identify her as the Miss Elva Massengale who taught in the public schools here for a year or two while the editor was a member of the Tahoka school board.

While here she became the wife of Ben Hur Lawson and they later went to Los Angeles to reside. The couple had just arrived in town Wednesday afternoon from Los Angeles and she called on a few friends while Ben Hur was having the car serviced. They had stopped to visit her parents, Mr. and Mrs. T. P. Massengale, in Levelland, and were on their way to visit his mother, Mrs. A. A. Lawson, and other relatives at Grassland.

Mrs. Lawson revealed that Vernon Massengale is still a bachelor and is engaged in the real estate business in Los Angeles. His mother Mrs. J. J. Massengale, is employed in a big department store. Mr. Massengale, it will be remembered, worked for several years in the B. R. Tate grocery store here and died here. The widow and two children, Vernon and Miss Faye, later moved to Los Angeles.

Mr. and Mrs. S. R. Kemp and their daughter, Mrs. J. E. Applewhite visited relatives in Santa Anna, Brownwood, and Mullins over the week-end, leaving here Friday and returning home Monday.

Rex Biggerstaff of Bowie was here a few days last week visiting his brother, J. A. Biggerstaff, and another brother, Bill Biggerstaff of Brownfield, joined them here for a visit.

**Lynn County People At Baptist Meet**

In addition to Rev. Levi Price and others from Tahoka mentioned last week as attending the Baptist General convention of Texas in session in Amarillo, Mr. and Mrs. E. J. Cooper and Rev. Howard Martin of Tahoka were also in attendance.

Those attending from other parts of Lynn county included Rev. and Mrs. J. M. Hale, Mrs. J. T. Middleton Sr., Mrs. Roy D. Smith, Mrs. Levi Gray, and possibly others from O'Donnell; Rev. and Mrs. Ted Brian and Mrs. A. J. Barnes of Wells; Rev. and Mrs. T. L. Pond and Mr. and Mrs. G. C. Watson from Redwine; Rev. and Mrs. Emmett Brooks, Mr. and Mrs. Lonnie Lumsden, Mrs. Walter May, Mrs. B. W. Baker, Mrs. Edwin May, and Miss Clara May, now a state worker, from Wilson; and possibly others from various parts of the county.

Most of the recent pastors of the Baptist churches in Lynn county were also present together with a number of other former residents. Among these G. H. Neenan of Lubbock had a place on the program of the State Brotherhood Convention Monday night and made a very effective address. Miss Nellie McLeroy, a former teacher in the public school and active church worker here, sent greetings to her many friends. She is now secretary for the Northside Baptist Church in San Antonio.

Miss Willie Pearl Dockray, who was a popular teacher in the Tahoka schools a few years ago, was in town Wednesday greeting friends and also placing a few sets of an Encyclopedia in homes here. Since she was here she has spent some time overseas as a teacher, part of the time in Korea.

Both families expect to move into their newly acquired residences some time soon.

Mrs. Bert Dollins was taken to the West Texas Hospital in Lubbock Wednesday suffering from

Some of the service clubs and some of the churches are promoting the gathering up of cast-off clothing for the purpose of shipping them to Europe to be distributed among the needy. Every such project should have the full cooperation and support of all our people. If you belong to a club or a church that is participating in this movement, help it along. If you do not belong to any such club or church make your contribution of clothing to one of them any way. We believe the Lions Club is participating in the movement, and Rev. Levi Price, pastor of the Baptist Church here, has requested the News to announce that this church is planning to make a worthy contribution to the cause. If you have any unusable clothing or any good clothing that you do not care to use yourself, see that it is clean and then bring it to the Baptist Church or notify the pastor. All contributions made to or through Baptist churches will be concentrated at New Orleans

and shipped from that port to Baptist authorities in Europe, the pastor says, who will see to it that this clothing is properly distributed to the needy. If you prefer to contribute through the Lions Club, see the President or other officers. Their contributions will go through another channel. A Friendship Train is now touring the country and receiving the contributions.

Many of us fail to see much to be gained in the matter of saving food by observing meatless days, and on Monday night Senator Robert Taft directed a blast at President Truman for instituting this requirement. But Robert Taft hopes to be the Republican candidate for the Presidency and is hunting for issues on which to run. As might be expected, he will not be able to approve scarcely anything that President Truman might do. As long as there is a probability that the maintenance of meatless days will help the starving of this world even a little bit, we should be willing to make the small sacrifice required in observing the day. Senator Taft must be hard put to find an issue on which to run for the Presidency.

**CARD OF THANKS**  
We wish to express our sincere appreciation for all the kind and beautiful things sent our way since the passing of our loved one. The kind thoughts of friends, the beautiful floral offerings, and the thoughtfulness of those who sent and served food, meant so much to us at this time.  
To Rev. Rosenberg, Rev. Norman and Mr. Stanley for their help, patience and untiring service we wish to express our special appreciation. May God in his own way reward each of you.—Mrs. Clyde Sargent, Lenora and Nancy Sue, Mr. and Mrs. E. G. Moore, Mrs. L. C. Johnson, Mr. and Mrs. Marvin Munn and family, Mr. and Mrs. Frank Sargent and family.

**BAPTIST CONVENTION**  
Those who attended the Baptist General Convention of Texas in session in Amarillo most of last week report that it was one of the greatest they ever attended.

About the only thing that the public generally has heard of the great convention, however, was the little five-minute disturbance raised Wednesday morning by a disciple of J. Frank Norris, who was merely seeking notoriety for himself and his master. He got the publicity, all right, but he must have been sorely disappointed because he neither got his picture in the paper nor was thrown into jail. The disturbance arose when Dr. Louie D. Newton, of Atlanta, Georgia, a noted Baptist Minister and prominent in the Baptist World Alliance, was introduced and was about to speak. The gentleman arose and began to clamor that he desired to ask Newton a question. The chairman informed him that he was out of order but he persisted. When ordered to sit down, he became frantic, shouting and gesticulating wildly. By that time, men all over the vast congregation were demanding "Sit down!" "Put him out!" and so forth. Somebody struck up the song "Amazing Grace" and just about everybody arose and began singing it, which had the effect of soothing people's nerves. When the intruder could not otherwise be quelled, three or four strong men gathered him up in their arms and took him out. He later came back in but gave no further trouble. He had been a member of Norris' church in Fort Worth and Norris himself was present. He was quoted in an Amarillo daily paper as having told reporters a few minutes before the melee that "All hell is going to break loose here directly." And he stated in an interview that he had planned the affair and declared that it was a great success.

The whole disturbance, however, did not cover more than five minutes time and after the disturber was quelled, Dr. Newton proceeded with his address as if nothing had happened. Of the thousands who were present, there was doubtless not a single member of the convention who had an iota of sympathy for the intruder.

The high light of the convention that afternoon was the address of Dr. W. R. White of the First Baptist Church, Austin, on Civic Righteousness, in which he made a powerful arraignment of the liquor traffic.

Other high lights of the convention were the address of Dr. J. M. Dawson of Washington, D. C., formerly of Waco, Texas, in which he arraigned both Communism and Catholicism, and the eloquent address of ex-Governor Robert S. Kerr of Oklahoma City, who had for his subject "The Bible" in which he pleaded for a deeper devotion to the great principles of righteousness set forth therein.

There were many other great addresses during the convention but possibly the most powerful one was the closing address on "Religious Liberty," given by Dr. W. A. Cris-

well, successor to the late George W. Truett as pastor of the First Baptist Church of Dallas.

The meetings of the convention were held in the Municipal auditorium, with a seating capacity of 3,000 or more. About that many messengers registered and it is believed that a good many more than that were in attendance upon the convention first and last. It was filled to capacity at nearly all of the meetings.

Preceding the Convention proper, which opened on Tuesday night, the W.M.U. and the Brotherhood had each been in conventions of their own, the Brotherhood meeting in the First Baptist Church with about 1,800 men in attendance. Former Senator G. H. Nelson of Lubbock was one of the speakers Monday night, and Lieut. Governor Allan Shivers of Austin spoke at the Tuesday morning session. Dr. Perry F. Webb, pastor of the First Baptist Church of San Antonio, made the closing address Tuesday afternoon.

Judge Thomas J. Pitts of Odessa well known to many people of the South Plains, was elected president for the ensuing year, succeeding Grover C. Cole of Fort Worth.

The Plainview Quartette and the Wayland College Chorus just about stole the show at all the conventions, musically speaking.

**LOCAL BROTHERHOOD  
LAUNCHES NEW PROGRAM**

Fourteen men braved the elements and attended the Brotherhood meeting in the basement of the Baptist Church Monday night.

Although the number present was small, due in part to the inclement weather, the organization seemed to take on new life and outlined a program of work which is designed to actively enlist every member.

Pastor Levi Price and the new President Dr. K. R. Durham each expressed the opinion that a much more vigorous program of activity should be undertaken, and the pastor made some definite suggestions as to the character of service that the Brotherhood should render. Still other suggestions were made by other members.

A number of these were included in a program of service that was outlined and adopted.

Dr. Durham was recently elected president and other officers were elected at the Monday night meeting. E. J. Cooper was elected as the Membership and Attendance vice-president; E. I. Hill as the Activities vice-president; and J. C. Womack as the Program vice-president. Marvin Bentley was re-elected as secretary-treasurer.

We are particularly grateful for the meals served and for the floral offerings. It would be impossible for us to express fully our appreciation but we shall ever hold every one of you in grateful remembrance.—Mrs. W. A. Yates and family.

**COTTON TOTALS IN DAWSON COUNTY CONTINUE TO GROW**

LAMESA—Local observers at the end of last week estimated that between 80,000 and 90,000 bales of cotton has been harvested from the fields of Dawson county. C. E. Tarter, local official of the Production and Marketing Administration, estimated that perhaps 75 percent of the year's crop has been picked.

The majority of local people who are connected with the farming industry continue to set the season's goal at 120,000 bales for the county and some are guessing even higher than that figure which would be an all-time record.

Tarter stated that there seems to be an ample supply of cotton picking hands available now. He added that perhaps as many as 10,000 acres of cotton would be gathered with stripping machines shortly.—Dawson County Courier.

#### MORE ABOUT DANCING

From Waukesha, Wis. comes a five-page letter agreeing and disagreeing with some things I had to say in "The News" of October 31. The lady makes it plain that she was giving me her "Own Opinion". She need not have been so explicit for I would have known that, in the main she was only voicing "opinions of men" and her opinion is as good as any man's opinion. She said, "As far as drinking and gambling are concerned I can see many reasons for disapproving of it". In the same paragraph she said, "I can see absolutely no reason for you reproaching those who dance". Those two statements from the lady shows that she is measuring the conduct of both parties by opinions of men and not by the law of the Lord. Men can be found who would say, "there is no harm in either drinking, gambling or dancing, and so goes the opinions of men. But "To the law and the testimony, if they speak not according to this word, it is because there is no light in them" Isa. 8:20. Men who condone the modern dance have no regard for what the law of the Lord says on such things. I exhort Christians to refrain from dancing because it is sinful. The modern dance is one of the works of the flesh. The word of God so enumerates it. Read it for yourself in Gal. 5:16-21. Read I. Jno. 2:15-17. Tell me, you who sponsor and participate in the modern dance, is it a lust of the flesh or the prompting of the Spirit, that causes you to practice such things? Read Rom. 8:1-13. Note verses 9 and 13. Imagine the Christ if you can, being where people were engaging in such as a modern dance, to say nothing of Him being seen in such compromising embrace as is common in the dance of today. Dead men cannot die. Of

#### FORMER TABOKA COUPLE WED IN BROWNWOOD

The wedding of Miss Dolores Nowlin, daughter of Mrs. Mildred Nowlin of Waco, formerly of Tahoka, and Joe Allen Webb, son of Joe Webb of Tahoka, was solemnized in a candlelight service last Saturday at 8:00 p. m. in the Melwood Baptist Church in Brownwood. The Rev. Russell Dennis, pastor of the Melwood Church, was the officiating Minister, using the double ring ceremony.

Miss Marjorie Brooks, former room-mate of the bride, sang "I love you truly" and "Because," and was accompanied on the piano by Doris-Jane Roberts of Tahoka, now a student in Mary Hardin-Baylor College, Belton.

Miss Jane Bosworth of San Angelo, cousin of the bride, was maid of honor. Lee Wayne Hardin, student in Howard Payne College, was best man.

Ushers and candle lighters were Thomas Deen Nowlin, brother of the bride, and Harris Allen of Waco.

The bride wore a light blue wool

suit with black accessories. She carried a white Bible topped with pink roses.

A reception followed given by Miss Estelle Hardin, also formerly of Tahoka. Cake was served by Mrs. Bill Ulman and Miss Hardin. Miss Bosworth had charge of the bride's book.

Mrs. Webb is a graduate of the Tahoka high school and both bride and groom are attending Howard Payne College.

Out-of-town guests were Mrs. Nowlin, mother of the bride, Mr. and Mrs. Joe Webb of Tahoka, Miss Doris Jane Roberts, Miss Jane Bosworth, and Mr. and Mrs. H. E. Allen and son Harris.

The couple will be at home at 506 West Anderson, Brownwood.

### Tahoka Methodists Attend Conference

Tahoka people attending one or more meetings of the Northwest Texas Conference in session in Lubbock on Wednesday and Thursday of this week included Rev. and Mrs. J. W. Rosenburg, Mr. and Mrs. J. E. Sherrill, Mr. and Mrs. John Slover, W. E. (Happy) Smith, and doubtless a number of others whose names were not given to this News.

The Conference was largely attended, and a throng that overflowed the main auditorium and filled many seats in the balconies of the First Methodist Church heard Bishop Angie Smith of Oklahoma City Wednesday night make an eloquent plea for material and spiritual aid to India "before Russia and Communism step in and embroil the entire world in the conflict which is now raging in that country."

In words that stirred the emotions of his auditors, he described the dire poverty, hunger, and want

that afflicts the majority of the teeming multitudes that inhabit India, together with the illiteracy and dense ignorance that prevails.

At Wednesday's session, Dr. Edwin A. Hunter, editor of the Southwestern Advocate published by the Methodist Church, pleaded for an enlarged and enriched program for the rural areas of America "that will minister to the total life of the people."

Tahoka people attending report that it was a great conference.

### O'DANIEL FLAYS PRESIDENT'S MESSAGE

The News on Wednesday received the following press release from Sen. W. Lee O'Daniel, dated November 17.

The President's message, which I cannot believe is his own brainchild, recommends radical communistic opiates as a cure for the dire consequences of 14 years of New Deal delirium tremens.

### W. A. Yates . . .

(Continued From Page 1)  
Mississippi, on October 18, 1866. Mr. Yates had spent nearly all of his life in Texas and half of it in Lynn county. At an early age, he came from Mississippi to Kaufman county, Texas, and later to Hamilton county. It was in Hamilton county that he was married to Miss Cynda Webb but she died about a

year after their marriage. There were no children of this marriage. After coming West, he was married on March 14, 1893, at Vincent, Howard county, to Mrs. Hattie Henderson Jackson. For a number of years he lived in Colorado City and also for a number of years in Fisher county. He came from Fisher county together with his family to Lynn county, settling in the west part of the county, where he accumulated quite a large acreage of

land and where he lived until retiring a few years ago, when he bought a home in Tahoka and moved into it.

He leaves surviving him his devoted companion of many years, Mrs. Hattie Yates, two sons, John Jackson of Tahoka and Madison Mrs. Hattie Yates; one step-son, John Jackson; one son, Madison Yates of Lamesa, former county judge of Dawson county; three daughters, Mrs. Tom Hale, Mrs. John Fulford, and Mrs. Newt Barham, all of Tahoka, sixteen grandchildren and ten great-grandchildren. Also surviving are two brothers and a sister, E. R. Yates of Lamesa, L. M. Yates of Greenville, and Mrs. M. E. Finley of Uvalde.

A resident of Lynn county for a little more than forty years, Mr. Yates had seen it transformed from a strictly ranching country to one of the leading farming areas of Texas, though there is still some large ranches in the county. Though quiet and reserved, Mr. Yates was a man of strong convictions and he wielded a strong influence for good. He was always interested in the political, civic, and religious welfare of his community and the county, and his neighbors without exception spoke of him always in the highest terms. He was ever ready to go his full length to help a friend in need; and the high esteem in which he was held was attested by the wealth of floral offerings that adorned the church and that were placed upon his grave. He had been a member of the Baptist Church since boyhood.

Peace to his ashes. Active pall bearers were seven grand-sons-in-law: Roy Stephens, F. E. Redwine, George Claud Wells, and Jim Bob Curry, all of Tahoka, Jack Ellis of Brownfield, Bob Riker of Lamesa, and Dolphus Blackard of Clovis, New Mexico.

Honorary pall bearers were: Judge B. P. Maddox, Judge Tom Garrard, C. T. Tankersley, J. H. Henderson, O. C. Speck, W. M. Harris, E. I. Hill, Jim Banister, W. J. Benson, Wiley Curry, Bart Reese, George Small, L. C. Haney and Walter Slaton.

### Cowhands . . .

(Continued from Page 1)  
Joe Don Minor again went over for the Bulldogs third touchdown.

Late in the third quarter Joe Don Minor skirted his right end and behind some beautiful blocking by his teammates turned in a fancy piece of broken-field running for 75 yards and another Bulldog touchdown. The fourth quarter went by scoreless and the Bulldogs had rolled up 4 touchdowns to win 24 to 0.

This was quiet a feat due to the fact that only 14 men of the Bulldog squad was suited out for this game and the combined teams of the Cowhand Golds and Blacks held a weight advantage of over 20-pounds per man average. Not only that, but Gilbert Hough, the Bulldog quarterback was injured in the third quarter and the Bulldogs had to shift their backfield around as there was no substitute quarterback to take Hough's place.

The Bulldogs rolled up a net gain of 201 yards from scrimmage to 55 yards for the Cowhands; made 8 first downs to their 1; attempted 3 passes all incomplete to the Cowhands 1, incomplete; got off 5 kicks for an average of 31-yards, having two blocked; to the Cowhands 6 kicks for an average of 30-yards; and the Bulldogs were penalized 6 times for 50-yards while the Cowhands drew 5 penalties for 65 yards.

#### Bulldogs Lose To Plains Thursday Night

Thursday night, November 13, a mixed A and B squad of Tahoka Bulldogs treaked over to Plains where they met a much larger team in the rain and lost to the Plains eleven by a score of 46 to 6.

The Bulldogs went over with the expectation of doing a lot of passing, but shortly after the game started a slow drizzle commenced and the Bulldogs passing attack was ground into the mud and the Plains eleven had a field day day sweeping the light Bulldog ends for long gains and touchdowns.

The Bulldogs only score came late in the first quarter when Bobby Boyd connected with a pass to Clark Farr who raced about 20 or 30-yards for the Bulldogs only score. Try for extra point failed.

alone and approximately the same number in district 10.

Dr. Marshall, the new President, has a vision of a great future for Wayland College and his enthusiasm seems to be infectious. Many of those who hear him are enthralled by his eloquence and optimism and will respond heartily to the appeals made for the cause. It is planned to raise the \$300,000.00 by the first of February, 1948.

In spite of the rain and the mud there was a goodly attendance at the Conference. The program began at 10:30 a. m. There were several brief addresses respecting the work being fostered by Baptists, followed by a sermon by District Missionary, Rev. F. E. Swanger.

The ladies of the local church served a bounteous feast at the noon hour, and immediately afternoon there were meetings of the Associational Board and the Wo-

man's Missionary Union. Then came the Wayland College program.

Jerry Fuqua, who suffered the fracture of an arm two or three weeks ago, is still a patient in a Lubbock hospital. The fracture seems to have been a quite serious one. She is the 8-year-old daughter of Mr. and Mrs. Jerome Fuqua of this city.

attacks, allowing only one opponent to score since the Littlefield game, and that was the strong Post Antelopes who took advantage of a Bulldog fumble on the 19-yard line and after a succession of plays finally threw a quicky pass over the goal line for their score.

The small but powerful Bulldog line which is composed of Hinkle and Stevens, Centers; Kelley, Chancey and Akin guards; Sherrod, Crotwell and Kahl, tackles; Reed, Cowan, Carter, and Strickland, ends are all very salty little customers in the Bulldogs offensive and defensive forward wall. They are all like little rocks of granite and are the backbone of the entire Bulldog team.

After the Bulldogs meet the Sundown Roughnecks, emphasis will be put on defense against the various types of plays that are used by the tricky and powerful Levelland Lobos who the Bulldogs will face on Dec. 5 for the bi-district crown.

The condition of W. L. Burlison, who has been a patient in a Lubbock hospital for the past two or three weeks, is reported to be really serious. Many friends are hoping for a turn for the better.
