Tahoka-Levelland Bi-District Game At 2:30 Today

The Tahoka Bulldogs will meet the highly-touted Levelland Lobos this afternoon at 2:30 on the Levelland gridiron for the bi-district championship.

Several hundred Lynn County fans as well as several thousand South Plains football fans will witness the game which will possibly be the best class-A football game ever to be reeled off in the South Plains history.

For the second time in five years the Tahoka Bulldogs and the Levelland Lobos meet in a bi-district game. Their first bi-district clash was in 1942 when the Levelland Lobos beat the Bulldogs on the local gridiron 7 to 6 in a hard fought battle that had the Bulldogs listed as the underdogs and the Lobos listed as heavy favorites. However the fighting Bulldogs lost to the Lobos by 1 point after having pushed the highly-favored Lobos eleven all over the field.

Today the Bulldogs are ready to meet the Lobos and are set to do-or-die to get their revenge for the heartbreaking defeat the Lobos handed a previous Bulldog team here in 1942 and for the bi-district crown.

Tickets will be on sale at the three local business houses, Tahoka Drug, Collier Drug and Tahoka Service Station until 8:30 or 9:00 o'clock this morning. However anyone that fails to buy their tickets before that time can purchase general admission tickets at the gate for \$1.00.

The strong Levelland eleven is

Bi-District Game To Be Broadcast And Filmed

The Levelland-Tahoka Bi-District football game will be broadcast today over station KSEL.

This broadcast is co-sponsored by Wallace Theatres and The First National Bank of Tahoka.

The Wallace Theatre will make a motion picture of the football game which will be shown in the Wallace theatres over the South Plains area some time in the near future. Towns that the picture will appear in are: Tahoka, Levelland, Seagraves, Morton, Ralls, Sundown, Andrews, Petersburg, Lorenzo and Ropesville.

Farmers To Vote On Committeemen

Lynn county farmers will again have the option of voting by mail or at the polls for their community committeemen and delegates to the county convention. Ballots are being mailed to all the eligible voters in the county this week and these ballots must be returned to AAA office not later than Dec. 12. All operators, landowners, and sharecroppers and their wives are eligible to vote in this election.

Last Tuesday a nominating committee of forty farmers from all over the county met in the AAA office and made nominations for delegates and community committeemen whose names appear on the ballot for 1948. These nominating committees were selected by the present community committeemen. For those who do not vote by mail, the voting will be done Dec. 13 from 9:00 to 5:00 o'clock at the AAA office in Tahoka, Lakewood, New Home, Wilson, Morgan, Draw, O'Donnell, Wells, and Newmore.

All farmers are urged to vote this year. A large vote will show that the farmers are interested in having a farm program of some kind. With the appropriation for soil conservation assistance cut to half for 1948 and Price Supports for cotton and grain sorghum ending Dec. 31, 1948, most farmers are aware that they must show more interest in their programs.

Johnny Anderson Hurt In Wreck

Miss Johnny Mae Anderson of Midland, daughter of Mrs. Tom Anderson of Tahoka, suffered the fracture of her nose and also of a bone in her wrist Saturday night in a highway mishap which occurred in the western outskirts of Midland when the car in which she and four other people were returning from Odessa struck another vehicle on the highway.

The driver, it is said, was blinded by the lights of another car which he was meeting and in pulling over to be sure to avoid a collision with it his car struck a taxi. His car was rather badly damaged but luckily nobody was seriously injured, although he sustained some severe bruises.

Miss Anderson was taken to a hospital in Midland, where she received surgical treatment, but was released from the hospital and returned to her place of residence Tuesday.

Her mother, Mrs. Tom Anderson of this place, and her sister, Miss Mary Jo Anderson of Lubbock, went down to Midland Sunday to see the injured daughter and sister. Mrs. Tommy Ruth Oliver of Odessa, another sister, also visited the patient.

Mrs. Pearl Morse of Tracy, California, spent a few days here last week with her sister-in-law, Mrs. J. E. Stigler. Mrs. Stigler took her to Silverton Monday where she is visiting her mother. Mrs. Stigler came home Tuesday.

Mrs. Dub Fulford underwent an operation for appendicitis on Wednesday morning of last week in the Lubbock Memorial Hospital. She is reported to be making satisfactory recovery.

Mrs. J. A. Hill of Hobbs, N. M., is here visiting her son J. N. Hill and family.

Negro Is Killed In Fight Sunday Near Newmoore

Following a quarrel, Andrew Words, a Negro cotton picker, was shot and killed by another Negro named O. Z. Devan at a cotton-pickers' camp on the Elmer Lagrone farm. The News can not give the details of the homicide, but Words, it is said, was unarmed. Two shots were fired by Devan with a .38 caliber pistol. One shot took effect in the arm and it is believed that the second shot was fired while Words was falling or immediately after he had fallen to the ground, for the ball entered the top of his head, penetrated the skull and the brain, and came out at the left ear. Words died almost instantly.

Devan got into his old car and drove away, but he was apprehended Monday in Roswell, N. M. Mr. Floyd went over and brought him back Tuesday.

He had served two or three terms in the penitentiary. It is authoritatively stated, and bears several aliases.

Sheriff Sam Floyd and District Attorney Calloway Huffaker went out to investigate and took written statements from a number of witnesses. It is expected that an indictment for murder will be returned when the grand jury meets again.

Boy Scouts Will Stage Pie Supper

The Boy Scouts are planning to give a pie supper in the school gymnasium on Friday night, December 12, to which the general public is invited, according to Scoutmaster E. B. Gaither.

The boys, their mothers, and friends will furnish the pies, and they will be sold at auction to the highest bidder. Dr. Prohl will probably be the auctioneer.

It is expected that a large number of pies will be sold, and the purchasers and their families, friends, and sweethearts will then have a good time eating them.

The proceeds will be used by the Boy Scouts in the purchase of fruits, nuts, and possibly other merchandise for the needy children of the town.

The sale will be under the direction of Scoutmaster Gaither and his assistant Tiny Jolly.

MISS FRAZIER SPEAKS ON TRIP TO MEXICO

Mrs. Carl Williams, assisted by Mrs. Geo. Akin, entertained the Martha Sherrod Sunday School Class of the First Baptist Church in her home on Tuesday evening, November 25.

Nineteen members, associate members, and visitors attended. Special guests were Mesdames L. F. Frazier, Otto Carter, and Miss Betty Lou Frazier, guest speaker, who held the group spell-bound with her account of her trip to Mexico.

Christmas Lights Are Strung Again On Tahoka Streets

The Tahoka Chamber of Commerce finished putting up the strings of Xmas lights this week and announced that prizes for the best decorated residences and business windows will be awarded again this year. More prizes will be given this year than last year and the awards will be announced in next week's paper.

In the Chamber of Commerce directors meeting Monday night the board also voted unanimously to sponsor a contest "What Tahoka Needs". Cash awards will be made for the best letters submitted and one letter each week will be printed by the Lynn County News. First prize will be \$15.00, Second prize \$10.00, and third prize will be \$5.00.

Winning letters will be selected by a committee from the Chamber of Commerce. Letters should be concise and to the point as much as possible because of shortage of news space. This contest is open to everyone and letters will be accepted until January 31.

The purpose of this contest is to bring before the citizens of Tahoka as well as the Chamber of Commerce, City of Tahoka, and other groups, the needs of our fair city. Send your letters to "What Tahoka Needs" Contest, Chamber of Commerce, Tahoka, Texas. All letters become the property of the Chamber of Commerce and as many letters as the contestant wishes may be submitted.

The Chamber of Commerce officials have conducted an unofficial poll of the merchants of the town regarding closing up the town this afternoon because of the football game in Levelland. Several of the merchants are against closing but intend to keep only a small force to keep the businesses open. Due to this fact the Board of Directors voted against circulating a petition to close the town and will leave that up to the individual stores. The Board does, however, urge as many as possible to attend the game and show our fine team that we are really behind them.

VISIT GRANDSON

Mr. and Mrs. J. O. King spent the past week visiting two of their sons, J. L. in Amarillo and Rev. J. Paul King, pastor of the Methodist Church at Alex, Oklahoma.

Mr. and Mrs. King's chief purposes in going to Alex was to make the acquaintance of a new grandson, Verne Francis King, who was born to Rev. and Mrs. Paul King on October 16.

MR. AND MRS. C. B. CABE INJURED IN ACCIDENT

Meager information reached Tahoka Wednesday night to the effect that Mr. and Mrs. C. B. Cabe of Brownfield, son-in-law and daughter of Mr. and Mrs. Dee Sanders of Tahoka, had both been hurt in a highway accident over in the vicinity of Carlsbad, New Mexico, and were in a hospital. Mrs. Cabe was the former Miss Modelle Sanders.

Mr. and Mrs. Sanders left for Carlsbad at an early hour Thursday morning but no further word from them has been received as our forms close.

Some Stores To Close Friday Afternoon For Bi-District Game

Some local business men have stated "that they were going to close their doors and go to the football game," while others have been undecided about what to do, and others have said they just can't afford to close for that long a period.

However a huge crowd of Tahoka, O'Donnell, Wilson, New Home, Grassland, Draw and other Lynn County communities will be there backing the Bulldogs from start to finish, win or lose.

A crowd of over 6,500 is expected to attend the game if the weather is good.

Work Progresses On Legion Hall

The walls are going up on the large new addition to the American Legion hall, and Commander Perry Walker and others of the Marion G. Bradley post state that they now have all materials except the flooring and hope to complete the structure this winter.

The new addition is 30 by 60 feet in size, and joins onto the south end of the present building to form an L-shaped building. The new part will extend nearly to the sidewalk on the south, thence westward 60 feet. Main entrance will be on the south through two small foyers. West half of the addition will be the Auxiliary quarters, separated from the main auditorium with folding doors which may be opened. Some time later, the Legion expects to put a small stage in the southeast corner. Rest rooms will be provided in the north west corner of the new part, the kitchen will remain in its present location, and the present Auxiliary room will be converted into a recreation room.

Most of the materials used in the improvement program are from a barracks building bought by the Post last year.

The Legion so far has constructed the building without asking the public for financial help as usually is the custom on such projects. The Post members are furnishing a large part of the funds. However, these are running short, and anyone who cares to contribute their own labor, to furnish a day or a few days carpentering, or who want to make a cash donation, should see Perry Walker, Clint Walker, or Eldon Carroll.

J. A. Ford and C. B. Smith are in charge of construction.

DEER HUNTING PARTY HOME WITH EVIDENCE

Mr. and Mrs. Walter F. Vaughn, Clarence Steele, and Bob Dunlap returned last Saturday from a deer hunting trip and brought with them three fine deer as evidence of their hunting skill.

They did their hunting in the area south of Menard.

Rev. George Maurice Small, youthful student-minister in McMurry College and a native of Tahoka, filled the pulpit at the Methodist Church here at both the morning and the evening hours last Sunday. He was heard gladly by many friends and admirers.

Two Dead And One Injured In Local Car Wreck

Death stalked the highways during last week's holidays. In addition to other tragedies, one woman was instantly killed and one man fatally injured, and another very seriously injured when two cars collided on the Tahoka-Lubbock highway just north of Wayside Service Station 11 miles north of Tahoka at about six o'clock last Saturday night.

The death victim was Mrs. Emmett L. Smith of Raymondville, Texas, 42, who with her father-in-law was on her way to Tulsa to visit a daughter. The father-in-law, J. L. Smith of Lyford, 62, suffered a broken hip, abrasions of the face, left arm, and knees, and died at 8:35 o'clock Wednesday morning.

The other man injured was Irwin Lehman, 19, son of Mr. and Mrs. A. N. Lehman of Tahoka, who suffered a bad fracture of the right leg and severe body bruises.

The Smiths were taken to the Lubbock Memorial Hospital in an ambulance of the Stanley Funeral Home of Tahoka, and Mrs. Smith was pronounced dead upon arrival. Mr. Smith remained in the hospital for treatment. The body of Mrs. Smith was brought to the Stanley Funeral Home to be prepared for burial. The husband at Raymondville had been notified and he came to Tahoka by plane, arriving Sunday. At an early hour Monday morning Mr. Stanley, accompanied by Mr. Emmett Smith, left with the body in an ambulance for Raymondville. Funeral services (Cont'd on last page)

Liquor Confiscated By Officers Here

One of the largest liquor hauls ever made in this county, if not the very largest, was made by two highway patrolmen here on Wednesday afternoon of last week, the very day this paper had gone to press.

The patrolmen encountered a truck down the highway south of Tahoka, and suspecting that it contained some kind of intoxicants they made an investigation. They found that it contained beer.

The contents of the truck were unloaded at the sheriff's office here and filled quite a large portion of his store room. There were 105 cases, consisting of 872 quart bottles and 1,170 12-ounce bottles.

Complaint charging the unlawful transportation of intoxicating liquor was filed against the driver, whose name was given as E. R. Williams and his residence as Pecos. He was placed under a heavy bond to await the action of the grand jury when it meets again.

E. L. Jeter Infant Died Tuesday

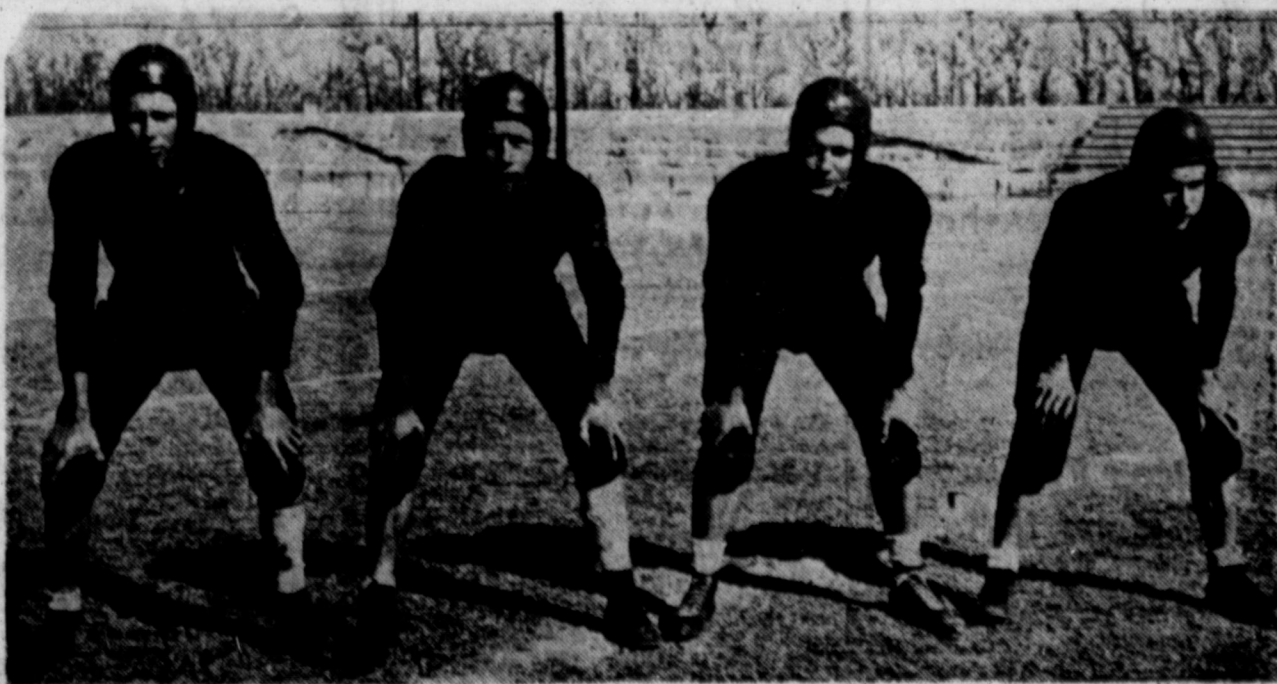

Little Louie Wayne Jeter, the five-months-old baby of Mr. and Mrs. E. L. Jeter, died of encephalitis (inflammation of the brain) in the Seale Clinic here at about three o'clock Tuesday afternoon.

The Jeters moved here a few months ago from Lamesa and the body was taken back to that city for burial. Funeral services were conducted in the Higginbotham Funeral Chapel in Lamesa at 3:00 o'clock Wednesday afternoon by Rev. Levi Price of Tahoka and Rev. Clarence Morton, pastor of the First Baptist Church of Lamesa.

The child became ill Sunday, suffering apparently from bronchitis. It was taken to the Seale Clinic, where its ailment was later diagnosed as encephalitis, a disease which is usually fatal.

Mr. Jeter is owner and operator of the Culligan Soft Water Service here, which he purchased last summer from Lawrence Price.

J. H. McNeely was able to be in town awhile Monday morning after having been "under the weather" for some time. He recently spent two weeks in a Lubbock hospital.

BOY GATTIS AND MISS HAMILTON WED

Miss Johanna Sue Hamilton, daughter of Mr. and Mrs. Jay Hamilton of Albuquerque, New Mexico, became the bride of Albert Boyce Gattis, son of Mr. and Mrs. I. I. Gattis of Tahoka, in a ceremony read in St. John's Methodist Church in Lubbock on Sunday afternoon, November 22, at 1:30 o'clock by Rev. Albie H. Carleton.

Wedding music played by Bob Boogin, organist, included "To an Evening Star," preceding the ceremony, traditional wedding marches, "Through the Years" and "Because" sung by Mrs. Calvo Boydston, and as the candles were lighted by Miss Nancy Ann Cobb of Tahoka, cousin of the bride, "Ave Maria" was offered. "Clair de

Lune" was played as background music during the exchanging of vows.

The bride, given in marriage by her father, wore a wedding gown of white moire taffeta fashioned with marquisette yoke outlined in pleated ruffles; a long torso and full skirt tucked to show a white ruffled lace petticoat. Her fingertip veil of bridal illusion fell from a bonnet-shaped headpiece of chantilly lace and illusion. She wore long gloves of chantilly lace.

Mrs. Virginia Nell Reid, sister of the bride, served as matron of honor and bridesmaids were Miss Joyce Boersler of Henryetta, Oklahoma, and Miss Jo Winders of Earh, Texas.

Eldon Gattis of Tahoka served his brother as best man and ushers were Hoyle Moss of Roaring Springs and Finley Hammonds of Plainview.

After the ceremony, a reception was held in the Yaqui room of the Hilton Hotel. Guests were received by the parents of the bride and of the groom and by members of the wedding party. A double-ring cake was cut and served by Mrs. Meldon Leslie of Tahoka, cousin of the bride, and Mrs. Jess Gurley of Tahoka. Miss La Wayne Griffin of Amarillo presided at the punch bowl. Miss Eldon Gattis kept the

bride's book. Mrs. R. L. Richard-son, aunt of the groom, and Miss Nancy Ann Cobb provided piano music during the reception.

After a bridal trip to Memphis, Tennessee, the couple are now at home in Tahoka.

The bride is a graduate of Texas Technological College. The groom is a former student of the Tech and expects to enter Southern College of Optometry in Memphis in February.

Mr. and Mrs. G. B. Sherrod and Peggy Pat returned Sunday from Whitney, Hill county, where they had spent Thanksgiving and attended the Golden Wedding anniversary of Mrs. Sherrod's uncle and aunt, Mr. and Mrs. Will Paulkner.

Rev. and Mrs. Boyce Evans and her sister, Miss Imogene Hargett, were here from Hardin-Simmons College for the Thanksgiving holidays visiting their parents, Mr. and Mrs. C. B. Evans and Mr. and Mrs. H. O. Hargett.

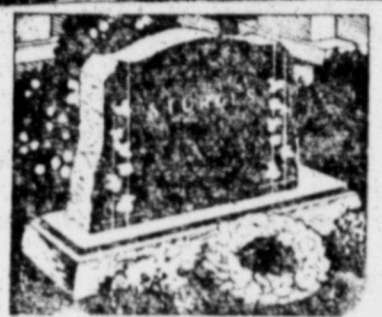

Mr. and Mrs. L. E. Lankford and family of Denison spent the holiday week-end here visiting his mother, Mrs. Jennie Lankford, and other relatives.

Mr. and Mrs. Jim Banister have been under treatment at Cisco for the past two weeks or more.

The News and most other newspapers, we presume, are now being supplied weekly with a propaganda sheet put out by the "Licensed Beverage Industries," a euphonious name for the hard liquor interests, published in New York City, whose contents would indicate that these interests are getting scared. The latest sheet that came to this office, in addition to many other puny efforts to justify the existence of the liquor business, contained one article in which it quoted a half dozen physicians to the effect that the "moderate use of alcoholic beverages" often alleviates diseases of old age, the heart, the circulatory system, etc. Well, maybe those half dozen doctors are right but we are inclined to the opinion that while the "moderate" use of liquor is alleviating one patient the immoderate use of it is sending thousands of its victims to the hospitals to be patched up and to the morgue and the undertaker to be buried. Our advice would be: Look not upon the wine when it is red and

MAHON HAD INSIDE KNOWLEDGE OF ATOMIC BOMB RESEARCH IN 1945

The News is publishing the following story respecting the development of the atomic bomb because of the fact that it confirms and elaborates previous reports that our own congressman, George Mahon, was one of only five Representatives in the Lower House who had intimate knowledge of the development of the bomb. The story, told by one of the five, came out of Washington last Friday. Here it is.

A now-it-can-be-told story of spies probing frantically for the Oak Ridge atom secret came to light Friday—along with details of how Congress poured out \$2,000,000,000 for atom research without knowing it.

Rep. Cannon (D-Mo), wartime chairman of the House Appropriations Committee, told the story, which included a secret midnight flight by Cannon and four other representatives from Washington to the hidden atomic city in Tennessee.

None of them knew exactly what was going on at Oak Ridge even after they made the trip by war department invitation in 1945, Cannon said in an interview, and:

"We were astounded to find a city of 80,000 people. The first thing we asked was 'Does the enemy know about this?'"

"Yes, we were told, they knew—that thousands of workers had been recruited hastily and that it was unreasonable to expect that no enemy agents had filtered in. In fact, we were told there were spies from all the enemy nations in the plant."

"The officers at Oak Ridge had found some of them, but let them stay on the job and watched them to trace their network. We were told these spies couldn't do any damage, because workers in the

plant, when it gleams and sparkles as it is poured out into the cup, for, at the last it bitheth like a serpent and stingeth like an adder.

building never were allowed to know what workers in another building were doing.

"Besides, a system was set up to fool the spies. A blackboard was put up in a central place, purporting to show the progress of the Oak Ridge work. I'm sure thousands of copies of what appeared on the board were transmitted to enemy nations—but nobody could tell what the figures meant."

Cannon said the Army got its first \$800,000,000 for atomic research by "hiding" the request in an appropriations bill and the rest "on Gen. Marshall's say-so."

Marshall, then Army chief of staff, told the appropriations committee both Germany and the U. S. were working on a "secret weapon" and that the country which developed it first would win the war.

Cannon and his associates authorized the expenditures—but kept their fingers crossed. If this thing didn't work we were responsible for throwing away \$2,000,000,000 and it might ruin us politically," the Missourian said.

When the bomb finally exploded over Hiroshima, and he learned what the money had been spent for, "I never was so happy in my life," Cannon declared.

What happened to those Oak Ridge spies? Cannon said he never did find out.

Members who flew to Oak Ridge with him were Reps. Taber (R-NY), Emgel (R-Mich), Mahon (D-Tex) and the late Rep. Snyder (D-Pa.).

How women and girls may get wanted relief from functional periodic pain

Carded, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion & thus help build resistance for the "time" to come. Started a few days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

Mr. Hood has engaged in farming in the Central Community, and they are active in the church, social, and civic affairs of the community.

A buffet luncheon was served to

the immediate family in the home of Mr. and Mrs. Emery Hood, and open house was held in the family home from 3 until 5 o'clock. sparked by their fleetfooted quarterback, Bobby Hart, who is a triple-threat man and W. A. Wise, fullback, another fleetfooted backfield star for the Lobos. Also in the Lobo backfield will be Bobby Blundell, right half, and E. C. Seifert, left halfback.

Opposing the Lobos will be the four powerful, fleet-footed Bulldog backs, Minor, Akin, Brookshire and Boyd. Boyd, quarterback, does very little running, but is a smooth ball handler and does most of the Bulldogs passing just as Hart does the passing for the Lobos as well as being a fast, tricky ball carrier. Minor, Akin, and Brookshire, as you all know, are the fleetfooted running combination that are just as likely to run 95-yards for a touchdown as they are 5-yards for a Bulldog score.

The Lobos are coached by Truett Rattan and Bill Scott, both of Hardin-Simmons while the two Bulldog mentors are Jim Foust and Jake Jacobs, both of West Texas State.

Both teams operate off the T-formation with the Bulldogs featuring a strong, fast-breaking running attack from the orthodox T while

the Lobos feature a combination attack of passing and running from both the orthodox T-formation and a very tricky spread T-formation. However the Bulldogs shift into a single-wing or short punt formations at times, but usually run off the T entirely.

Co-Captains for the Lobos are W. A. Wise, fullback and Garland Ham, left guard. Co-Captains for the Bulldogs are Don D. Cowan, end, and Van Brookshire, right half.

The Lobo uniforms are scarlet and black colored while the Bulldogs uniforms are blue and white. The Lobos will outweigh the Bulldogs 15-pounds per man average.

Car Wreck . . .

(Continued From Page 1)
were conducted there Wednesday.

The body of Mr. Smith was taken to Raymondville in a Rix Funeral Home ambulance some time Wednesday.

Immediately after the wreck, Irwin Lehman was rushed to the Tarkoka Clinic and after receiving first aid treatment was taken to the Lubbock Memorial Hospital, where he remains a patient. The fracture of the right leg is said to be very severe and it will probably require many weeks for it to heal.

Irwin Lehman was a student in the University of Texas and had come home to spend the holidays with his parents. He was returning home from Lubbock when the accident occurred. He was driving a heavy Sedan car, 1947 model, and the Smiths were driving a good 1946-model car. Both cars were demolished and both caught fire immediately after the collision, but the fire was extinguished by others coming upon the scene.

Officers and others who inspected the wreckage state that apparently it was an almost complete head-on collision. Sheriff Sam Floyd and highway patrolmen say that the tragedy occurred when the two cars met in close proximity to a truck coming south on the highway at the time.

A charge of negligent homicide was filed in the county court here Wednesday against Lehman.

COCHRAN-McCLINTOCK MARRIED SATURDAY

Miss Jeanne Cochran, daughter of Mr. and Mrs. L. A. Cochran, and Mr. Derwood McClintock, son of Mr. and Mrs. C. W. McClintock of Tarkoka, were united in marriage at the home of the bride's parents Saturday evening, November 29. Rev. T. L. Bullard, pastor of the Missionary Baptist Church, officiated.

Baskets of pink gladioli and lighted tapers formed the back ground for the ceremony.

The couple was attended by the bride's sister, Mrs. Bill Harrison, and Duane McClintock, brother of the groom.

Immediately following the wedding a reception was held in the home of Mr. and Mrs. Cochran with many out-of-town people attending.

The couple left after the reception for points in New Mexico on their honeymoon trip and they will be at home in Tulsa where their new home is now under construction.

Mrs. C. C. Dwight has been a patient in the Lubbock Memorial Hospital since Tuesday of last week suffering from an infection of some kind affecting one of the ankles, necessitating a minor operation.

Soldier Killed In Car Wreck

S/Sgt. Eugene B. Holtwick of Fort Worth was badly bruised and shocked and his friend and traveling companion, Cpl. Thomas Bayless of Fort Worth was instantly killed when their car was wrecked on the highway about nine miles east of Crosbyton as they were on their way to Lubbock at about 10:15 o'clock on Wednesday night of last week.

The body of Cpl. Bayless was taken to the home of his parents at Gruver, where funeral services

CADES ATTEND FUNERAL

Mr. and Mrs. Aubra M. Cade attended funeral services at Midland on Wednesday of last week for a dear friend, E. W. Statton, who had died unexpectedly Monday of a heart attack.

Mr. Statton, 42, was the land man for the Texas Company and he was an intimate friend and business associate of Mr. Cade. He had visited here often.

Funeral services were conducted from the First Christian Church of Midland and the remains were interred in a cemetery there.

Dr. and Mrs. Emil Prohl and children spent the Thanksgiving holidays with her parents at Leander. They made the trip by plane, going down Thursday and returning home Sunday.

Carl Griffing Jr., who is a student in the Texas A & M College, spent Thanksgiving day and the week-end here with his parents.

were conducted and the body buried the next day.

S/Sgt. Holtwick was first taken in an ambulance to a hospital in Crosbyton, where he was given treatment and was brought the next morning on to Lubbock, and from Lubbock a relative brought him to Tahoka. His wife, the former Miss Kathleen King, who was reared here, is now serving as a nurse in the Tahoka Clinic. After taking treatment there for a day or two he was released and is now completing his recovery in their residence here.

Cpl. Bayless was driving the car and Sgt. Holtwick was sitting in the front seat beside him asleep when the accident occurred. So, nobody knows just what caused the accident. It is entirely possible that Bayless went to sleep at the wheel also. Or something else might have gone wrong. The car was a 1940-model Lincoln.

S/Sgt. Holtwick was on his way to Tahoka to spend the holidays and the week-end with his wife, intending to drop Cpl. Bayless off in Lubbock.

Above is Gilbert Hough, 150 lb. quarterback on the Bulldog football squad. He is a senior, this year.

DAVIS CHILDREN GATHER HERE FOR THANKSGIVING

Mrs. E. S. Davis and son Otis had as guests at their Thanksgiving dinner Sunday the following other family members: Sherman and Annetta Davis of Lubbock, Daniel and Mayfair of Brownfield, Veda and Hubert of Abilene and their son Hubert Edward, a sophomore student in Texas Technological College.

Two daughters in California, Mrs. Ruby Fields and Mrs. Mildred Bumpass, were not able to be here.

Rev. and Mrs. J. E. Young were here Wednesday from Robertson, Crosby county, where he is pastor of the Methodist Church. He was formerly pastor at Draw in this county. He has two churches over there, Robertson and Canyon.

FOREORDINATION OF GOD
I have been requested to write on the "foreordination" or "predestination" of God. I beg you to take your Bible and read all passages given, space forbids that I give them in full. Read Jno. 16:7-13. Christ said that the Holy Spirit would guide the apostles into all truth. When we have found what the apostles have said on "Foreordination" we will have all the truth on the question. Peter declared that the Christians to whom he was writing had been redeemed by the blood of Christ, who as a lamb was foreordained before the foundation of the world. I Pet. 1:18-25.

The first mention of such redemption is in Gen. 3:15 Through the influence of Satan, man had no sooner sinned until God said to Satan "The seed of the woman shall bruise thy head". John says, "For this purpose the Son of God was manifested that he might destroy the works of the devil". I Jno. 3:8 Paul says, Christ is the seed of the woman through whom redemption came. Gal. 4:4.

After the Lord's decree to Satan, God said to Abraham, "In thee and thy seed shall all the families of the earth be blessed. My covenant will I establish with Isaac". Gen. 12:3; 17:15-21. In Gal. 4:16 Paul declares that Christ was the fulfillment of the promises to Abraham. So the redemption of man through the blood of Christ, the seed of the woman, the seed of Abraham, is according to the foreordination of God.

In Eph. 1:1-14, Paul speaks concerning the foreordination of God. In V-3, we learn that God hath blessed us with all spiritual blessings in Christ". V-5 says, "Having predestinated us unto the adoption of children by Jesus Christ, according to his own will".

Sufficient passages have been given to show that God foreordained that all spiritual blessings are in Christ. Then no one enjoys any spiritual blessing until he gets into Christ. The passages given teach that it was foreordained that man be redeemed by the blood of Christ and that redemption is to be "ACCORDING TO HIS WILL".

Questions Of Importance
1. Is it the will of God that man's redemption through the blood of Christ is without any conditions upon the part of man? Read Heb. 5:8-9; II Thes. 1:7-10; Mt. 7:21.

2. If man's salvation is unconditional then why won't all men be saved, since God is no respecter of persons? Ro. 2:11.

If man's salvation is unconditional, what did Christ mean when he said, "The time is coming and now is, the dead shall hear the voice of the Son of God and they that hear shall live"? Jno. 5:25. More next time.—Price Bankhead, Post, Texas.

CHRISTMAS SEAL MONTH

AUSTIN, Nov. 25.—In a proclamation officially designating the period from November 24 to December 25 as Christmas Seal Month, Governor Beauford Jester pointed out yesterday that tuberculosis takes an average of 3,000 lives in Texas each year and kills more people between the ages of 15 and 45 than any other disease. The Governor called attention to the fact that the Texas Tuberculosis Association and its affiliated county associations are waging an effective and continuous campaign to control this communicable disease, stating that the funds to carry on their work are derived from the annual sale of Christmas Seals. He urged Texans to be generous in their support of the campaign against tuberculosis by buying and using Christmas Seals.

"My curtains stay clean so much longer since we have vented heat"

It's true. If you are now using unvented heating equipment, you probably cannot even imagine how much joy you would experience from using vented equipment such as floor furnaces, panel wall heaters or a forced-air central gas furnace. Curtains stay soft, fluffy and clean for long periods. Draperies and furnishings stay clean longer. There's no condensation on windows or walls, no huddling near heaters, no blistering on one side and shivering on the other, no odors. And vented heat is more healthful.

See your gas equipment dealer today for information about **VENTED** gas heating equipment.

CORLEYS HAVE FAMILY REUNION

A belated report of a family reunion in the home of Mr. and Mrs. O. A. Corley of Glen Rose, former residents of this county, residing four or five miles west of Wilson, has been received by the News.

The children and families met in the home of their parents on November 15-16 for a two-days reunion. The first day, Saturday, was spent in happy conversation. Sunday was spent at church, where they heard some good preaching, had basket lunch, and then went down to the river for baptizing.

The afternoon was spent making pictures and visiting with the callers, among whom were an uncle and aunt, Mr. and Mrs. B. B. Bell of Fort Worth; also Mr. and Mrs. D. M. Bell of Dallas, and the pastor and family, Rev. Jack Wood of Glen Rose. They also visited in the home of an uncle and aunt there, Mr. and Mrs. D. M. West, formerly of Brownfield.

This was the first time all the children had been at home together in several years. Two sons-in-law were not able to attend.

The following were there: Mr. J. E. Dulin and sons, Jackie, Ronald, and Lonnie Jim, all of Muleshoe; Mr. and Mrs. A. J. Moffitt and family, Frankie, A. J. Stanley,

Johnnie Wade, and Shelba, all of Petersburg; Mrs. Leo Herron and daughter Charline of San Diego, California; Mr. and Mrs. Wade Corley of Muleshoe; Mr. and Mrs. E. C. Corley and daughter Karen Jean of Lamesa; Mr. and Mrs. H. E. Smith of Fresno, California; Mrs. W. F. Lomanno of Philadelphia, Pennsylvania; Geneva and Jo of the home, and Mr. Alton May.

The Corley and related families lived in this county for many years.

WELLS FAMILY MOVES TO MONTANA

W. H. Wells and family left Monday for Helena, Montana, where they expect to reside.

Mr. Wells expects to assist Vernon Turner with his farming operations there. Mr. Turner and family moved out to Montana about a month ago, it will be remembered.

Both families had been living in this county many years, Mr. Wells since 1923.

They raise wheat, alfalfa, and cows out in Montana, and the Turner and Wells families are hoping to strike it lucky. But they didn't burn any bridges behind them.
