"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 44.

Tahoka, Lynn County, Texas, Friday, March 5, 1948.

Number 22

## '48 Farm Program Subject of Parley Held In Tahoka

Twenty-six farmer-elected committeemen met at the A.A.A. office in Tahoka last Friday to discuss the 1948 Farm Program and possible long range farm problems. These committeemen represented each community in the county and were elected by the farmers in the committee elections held in December, according to Clint Walker, Secretary of the Lynn County A.C.A.

Each practice that will apply to Lynn county for 1948 was discussed at length so that each committeeman will be able to properly inform the farmers in his community about the program set-up. These community committeemen are prepared to take applications for prior approvals for the different practices and will be glad to assist all farmers in any problems they might have regarding the prior approval system. This is the system under which the soil conservation program of the ACA operates.

The county committee of Lynn county is Clarence Church of Wilcox, Chairman; N. S. Parker of Newmore, Vice-Chairman; and Julian Pirtle of Draw, member. Members of the community committees are: H. L. Cowart, Robert Poer, W. L. Bledsoe, J. O. Allen, J. Hillary Smith, Aubrey Smith, C. C. Swope, Jasper Campbell, J. W. Lamb, C. L. Mason, Fred Davidson, W. P. Lester, T. B. Mason, Jack Hopkins, Alton F. Greer, W. E. Dabree, G. A. Henry, Vernon Caswell, R. C. Carroll, Roy Miles, Clyde Fultz, P. O. Cabbiness, D. A. Franklin, L. J. Barrett, H. O. Stone, H. F. Conrad, Selby Walters, Glen L. Cobb, John Price, and Maurice Small.

Farmers who intend to qualify for the practice of contour listing must secure prior approval at least thirty days prior to seeding. These applications are being taken now at the A.A.A. office and also will be taken from the committeemen listed above.

## Turner Candidate For Commissioner

O. W. "Dick" Turner, Jr. of New Home is the latest citizen to test his hat in the ring for public office in Lynn county. This week, he announces that he is a candidate for the office of county commissioner in Precinct 4.

Mr. Turner has been in the county 17 years, was raised on the farm, and has been farming all the time, practically, except for about three years in the service. He entered the Army in 1942, served overseas for 30 months in the European Theatre, and saw combat service with the Fifth Army. He was discharged in October, 1945.

Mr. Turner says he believes he has the training and ability to handle the duties of the office to the satisfaction of the people. He has no promises to make other than that he would conduct the affairs of the county and the precinct in a fair, impartial, and honest manner. He hopes to talk with each voter personally, but, in the meantime, asks their fair consideration of his candidacy.

Mr. Turner is a married man.

## Collier Celebrating Twelfth Birthday

Wynne Collier, Druggist, is this week celebrating his twelfth anniversary in the drug business here, and, as is his custom, has a number of week-end specials for the benefit of his customers in keeping with the event.

Collier bought the former Thomas Bros. store in March, 1936, and has increased the store's volume of business, doubled the floor space, and made other improvements.

Recently, he and his brother, Bob, bought their father's business at Post, and are expanding that store.

The local store is one of the largest small town stores in West Texas.

R. F. Hinchey of Lubbock, vice-president of West Texas Gas company for the past 20 years, has been named president of the firm.

## Dallas Layman Will Speak Here

Pastor Levi Price announced Sunday that Ivy Boggs of Dallas, a prominent business man and a prominent layman of the Baptist denomination, will speak at the Baptist Church at the eleven o'clock hour next Sunday morning. He was the guest speaker at a meeting of the Tahoka Baptist Brotherhood recently.

Mr. Boggs is by profession an Estate Analyst. He is chairman of the Advisory Committee of the Brotherhood of Texas, Texas rep. (Continued on Back Page)

## Candidates File For City Offices

Names of several candidates for City of Tahoka offices have been filed during the past week.

Last week end, the names of Winston C. Wharton and Lee Roy Knight were filed for aldermen, along with the name of H. B. McCord, whose name already had been filed by other parties.

Then, this week, the names of B. L. Parker and Ivan Cathcart were filed for alderman.

Also filed is the name of Mrs. Marie Sanders as a candidate for City Secretary. Miss Rosemary Nelms, present secretary, is a candidate for re-election.

Therefore, to date, the list of names filed reads as follows: For alderman Place No. 1: H. B. McCord, for re-election, second term.

For alderman Place No. 2: Clay Bennett, Winston C. Wharton, and B. L. Parker.

For alderman, Place No. 3: A. N. Lehman, Lee Roy Knight, and Ivan Cathcart. This is the post left vacant by the resignation of Fred Bucy, and is for a one-year term. The others serve two years.

For City Secretary: Rosemary Nelms and Mrs. Marie Sanders.

The election date is Tuesday, April 6.

## Congratulations...

Mr. and Mrs. Harley Smith of Rt. 4 on the birth of a daughter, weighing seven pounds and 12 ounces, at 2:05 a. m. on Saturday, February 28, in the Tahoka Clinic. She has been named Judy Lorene.

Mr. and Mrs. E. A. Weatherby of Rt. 2, O'Donnell, who are the proud parents of an eight-pound daughter born at 2:04 a. m. Sunday morning, February 29, in the Tahoka Clinic. Sorry, but the little lady will not have another birthday for four years. Her name is Vera Faye.

Mr. and Mrs. D. W. Smith on the birth of a baby girl weighing six pounds and eight ounces. She was born at 10:40 p. m. Friday, February 27, in West Texas Hospital, and has been named Glenda Joyce. Mrs. Smith was the former Miss Sarah Murrah of Tahoka. The father is employed with the Texas Roofing Company, Lubbock.

Mrs. Dennis Polk is a patient in the Tahoka Clinic but is reported to be improving.

## Winners Named In Tahoka Chamber of Commerce 'What Tahoka Needs' Event

The winners of the letter writing contest sponsored by the Tahoka Chamber of Commerce on "What Tahoka Needs," was announced this week.

The letters were judged by a group of local business men elected by the Chamber of Commerce.

The first place winner is Mrs. E. Mayberry, whose letter was published last week in the Lynn County News. She lambasted the City officials and citizens as a

whole for not being "wide awake". The second place winner is Miss Mona Raye Lewis, whose letter appears in this issue as well as the third place winner, Alice Lawson.

There were many fine letters received and the judging of the letters was a very difficult task, as all them pointed out many needs of this city.

Mrs. Mayberry's letter will not be reprinted as it was printed last (Cont'd from page 1)

## Mrs. Holloway Is Taken By Death

Funeral services were conducted in the First Baptist Church here at two o'clock Wednesday afternoon for Mrs. Mollie Smyth Holloway, wife of E. W. Holloway, who died in a hospital in Levelland on Monday after a long illness from an incurable malady. Services were conducted by Rev. W. P. (Ted) Brian, pastor of the Wells Baptist Church and former pastor of Mrs. Holloway at Redwine, assisted by Rev. T. L. Pond, present pastor of the Redwine Baptist Church.

Burial followed in the Tahoka cemetery under the direction of a Levelland undertaker, assisted by Neal Stanley of Tahoka. A great throng of friends and relatives from Redwine community, where Mrs. Holloway formerly lived, together with many from other places, were joined by a great number living in Tahoka, where she also lived for a short time, to pay their tribute of love and respect to the memory of the good woman. Lavish floral offerings blanketed the casket and the pail as the services were being conducted.

Mrs. Holloway leaves as her survivors the husband and seven (Continued on back page.)

## W. L. Burleson Died Tuesday

William Leslie (Bill) Burleson, 48, prominent citizen and business man of Tahoka for more than twenty years, died at 5:05 Tuesday afternoon, March 2, in the Lubbock Memorial Hospital, following a lingering illness.

Funeral services were conducted in the First Baptist Church here by Rev. J. W. Rosenberg, pastor of the First Methodist Church at 2:00 o'clock Thursday afternoon, followed by burial in the Lubbock cemetery. The great concourse of friends attending the services and the wealth of floral offerings attested the esteem in which Mr. Burleson was held. Rev. Levi Price, pastor of the Baptist church was unable to return to Tahoka from Houston where he is conducting a revival due to the bad weather.

Mr. Burleson had been in ill health for some time. He contracted a liver ailment some time last year; sugar diabetes then developed, causing kidney poisoning. He bore his afflictions with remarkable patience and good cheer, though he must have known for many weeks that the end was not far away.

Surviving are the wife, Mrs. Alice (Cont'd on back page)

## Two Mexicans Are Jailed Here

Two Mexicans, Candelario Quinonez and Ramon Gonzales, are in jail at Post on charges of burglary committed in this county, according to Sheriff Sam Floyd. One of them is said to have made a confession. One of them is also charged with a number of other offenses in Lynn and Garza counties.

The offense of burglary is alleged to have been committed when the two Mexicans, according to the charges, broke into a house out on the J. W. Arledge lease, being a part of the old T-Bar pasture, and stole therefrom ten sacks of cotton-seed cake, valued at about \$5.00 per sack. The cake was taken to Post and sold there at \$2.50 per sack. The offense was committed about January 21.

One of the Mexicans is alleged to have been one of the two thieves who recently stole some doors and windows from a farm house situated in the New Lynn community, as reported in these columns last week.

Other alleged thefts are under investigation by officers of this county.

## New Manager For West Texas Gas Co.

The West Texas Gas Company has announced the change in the management of the office in Tahoka which took place February 27.

Mr. R. R. Gentry, who has been connected with the West Texas Gas Company in Slaton, succeeds Mr. D. C. Holton, who has moved to Seminole where he has accepted a position with another business firm in that city.

Mr. and Mrs. Gentry have five children. Three of the children, all girls, are residing with their parents here.

Jackie May, 13-year-old son of Mr. and Mrs. Virgil May, is a patient in the Tahoka Clinic. He is improving.

Ivy Boggs, Professional Business man of Dallas who will speak at the First Baptist Church here Sunday, March 7.

## Club Stock Show Preparations Made

All preparations for the stock show to be held here on March 13 have been just about completed in so far as buildings and stalls for the stock are concerned. Sixty hog stalls had been practically completed Tuesday, and our information is that all of them will be filled. Stalls for other livestock are not deemed necessary.

It is expected that many bulls and calves will be exhibited, and his will doubtless be the largest and best display of stock ever shown in Tahoka.

## Tahoka Boxers Lose To Slaton

The Slaton boxing team coached by Ray Tillery won over the Tahoka boxing team coached by Jim Post here last Friday night.

The Slaton team won eight out of fourteen bouts.

The highlight of the night was the fight between Tahoka's Van Brooksire who won a decision over Slaton's James Mosser.

A. W. McClellan TKO'd J. B. Talley of Slaton and Slaton's Paul Mosser TKO'd Tahoka's Garner Barham.

Other results were as follows with Tahoka's fighters names appearing first: Brownie Williams' decisioned Rudie Bounds; Max Dodson lost decision to W. A. Eggs; Gary Mitchell lost to Leroy Brown; Robby Dorman won over Thomas Talley; John Foster lost to L. D. Splawn; Thomas Aury lost to Red Pearson; James Foster won over Webber Williams; Richard McNeely lost to Elmer Herring; Howard Wood lost to Calvin Brown; Walter Bond won over Cecil Bybee; Bob Hodge lost to Jerry Lovelady.

To Fight Tonight The Tahoka boxing team will fight the Slaton team at Slaton tonight in a return match between the two teams.

There are two or three Tahoka fighters that seem to never find a match, and they are some of the best fighters that Tahoka has. However, the Tahoka boxing team had hung up their gloves and had quit training after their fight with Lockney and it is possible that some of the boxers may not have resumed training when the bouts with Slaton was matched.

## Local Couple Have 'Leap Year Baby'

At least one Tahoka baby made its advent into this world on February 29 and it will not therefore be able to celebrate its first birthday anniversary until it becomes four years old.

The little lady—for she is a girl—was born to Mr. and Mrs. Robert L. Warren of the Dixie community near Tahoka at 10:05 o'clock Sunday morning in St. Mary's Hospital, Lubbock. She weighed 7 pounds and 9 ounces. The News has not learned the little lady's name.

The proud grandparents are Rev. and Mrs. Howard Martin of Plainview, formerly of the Dixie community and Mr. and Mrs. W. R. Warren of Dixie.

## Red Cross Drive Gets Under Way In Lynn County

The annual Red Cross fund drive is now underway over the nation and in Lynn county, having started March 1, and will be completed this month.

Getting an early start, at least two wide-awake Lynn county communities are already "over the top" in their drives.

Gordon, Hackberry communities, with a quota of \$100, were the first to report their drive completed, and have turned in to the county drive chairman, Jarrell Brown, a total of \$130.95. Mrs. T. H. Basinger is drive chairman for the two communities, and Mrs. Blanton Martin did the work at Gordon, while Mrs. S. D. Martin was the assistant at Hackberry.

Close on the heels of this community came the report of Joe McLaurin, Wells chairman, that his community was over its \$75 quota, a total of \$118.88 having been collected.

A. R. Milliken, Tahoka chairman, will conduct the drive here, and he hopes to complete it in a whirlwind one day affair—scheduled for Monday. Everyone is urged to co-operate with him, as well as with the other chairmen, in making Lynn county's drive a complete success.

The Red Cross is one of the most worthy charitable organizations there is, and its work is so well known that it should need little "selling". The past year, the organization has spent more money in Texas in her several great disasters than in any other state in the Union.

## Neil Stanley New C. of C. President

Neil Stanley is the new president of the Tahoka Chamber of Commerce, and Hubert Tankersley is the new vice president. They were named at the first meeting of the board, held Monday night, of the new Chamber of Commerce year.

Both Stanley and Tankersley and the out-going president, Winston C. Wharton, are hold-over members of the board of directors. New directors, elected at the annual all-member banquet held about two weeks ago are: C. E. McKnight, H. W. Carter, Otis Spears, and Frank Hill.

The C. of C. agreed to furnish a part of the prize money for the Livestock Show, and the directors discussed various other projects it has under way or is planning.

Outgoing President Wharton, in retiring, said the C. of C. had successfully promoted the livestock show barn project which resulted in the securing of permanent quarters for the show and in organizing a fair association; is negotiating for a cotton oil mill for Tahoka; sponsored and financed the summer softball program; and had many smaller projects.

## Quarterhorse Show Is Planned Here

A quarterhorse show will be held here Saturday, March 13, in connection with the Junior Livestock Show, according to Oran Short and Leroy Moody.

Ribbons will be given the first three places in three classes, and a trophy will be presented the grand champion. There will be three classes: Stallion foals of 1945, 1947, and 1948; stallion foals 1945 and before; mares in the same two age divisions.

Also, there is a division for the working class horses, all ages.

Anyone having a good horse is urged to bring it in and help make the show a success.

Ruby C. Wells attended a school of instruction conducted in Lubbock Monday and Tuesday by the Amicable Life Insurance Company for the benefit of its Agents. Mr. Wilson of Waco, president of the Company, was present and addressed the 25 or 30 agents in attendance.

**MRS. GEORGE DENNIS HAS THROAT OPERATION**  
Mrs. George Dennis returned Friday from Dallas, where she underwent an operation and was a patient for ten days in the Medical Arts Hospital. She had been suffering for a long time from a throat ailment which had grown worse and worse until finally she was unable to swallow any kind of food and had to be given nourishment through a tube. The operation and treatment seem to have been highly successful and she returned home greatly improved.

Mrs. Florence Cowan, who is now employed by the Gaignat Hardware and Furniture Company, left Monday afternoon to attend a Bendix school of instruction in Abilene on Tuesday and Wednesday. She expected to visit a sister in Colorado City Monday night.

**We Are Now Better Equipped**

To handle your shoe repair and leather work. Have installed a new stitcher machine, and can do better work more promptly.

**FLEMING SHOE SHOP**

Dear Ann:

Your surprise letter came just at the right time; due to the cold, rain and dust storm, I really felt low; after your letter I made a double-quick trip down to Walker's Shop (didn't want to miss seeing the new).

Those belts you mentioned are simply out of this world, so made several selections.

Do hurry to the shop—I was lucky again! For when I got there, they were unpacking a new shipment of beautiful new blouses, crepes and cottons and the new cotton dresses—all "JO-BURT" and in junior sizes too.

I'll be looking for your next letter—soon!

Love,  
Sue

P. S. Those new ties and scarfs really add the finishing touch to your new clothes and pre-up clothes you want to wear a little more. Remember—watch for the news at . . .

**J. L. REESE SUFFERS HEART ATTACK**

J. L. Reese, who was taken to a Lamesa hospital Wednesday of last week suffering from an attack of heart trouble, was reported several times this week to be improving. In fact it was thought possible that he might be released from the hospital about the end of this week.

Mr. Reese had been suffering for some time from sinus trouble and had been under treatment for the same when the heart attack suddenly came on.

**MOORE WILL EXHIBIT RELIC IN TAHOKA**

Ben Moore of O'Donnell expects to exhibit a number of his valuable and very rare Indian relics, in the show windows of Wynne Collier Drug next Saturday.

Among other things, he will display the following:

Geronimo bow and quiver with some 25 arrows, one from Chief Hunting Horse, now 102, and a bow from the Quannah Parker family.

A dozen or more pictures of noted chiefs, including Red Cloud, Geronimo and Sitting Bull.

Photo of Ab Blocker, trail driver and Ranger Captain Ira Aten.

Photo of other artifacts from the original wild Indians.

Photo of white buffalo skin of buffalo killed in Scurry county in 1876, along with photo of the world's greatest buffalo killer, the late J. Wright Moor, who killed from Kansas to Big Spring, the greatest kills apparently made right at the back door of present Tahoka, where T-Bar ranch was established only six years later by the late Cass O. Edwards.

**NORWOODS OBSERVE TWENTIETH ANNIVERSARY**

Mr. and Mrs. Samie Norwood of the Midway community celebrated their twentieth wedding anniversary on Sunday, February 29.

They have four children, Eva Mae, Margaret, Ewell, and Mrs. Price Richey of Placerville, California, all of whom were present except Mrs. Richey. Dinner guests were Mr. and Mrs. H. M. Patterson and daughter Paty and Mr. and Mrs. M. B. Keeling and children Keneth and Anita.

Queen Victoria of England became Empress of India in 1877.

Catherine I, Empress of Russia, was originally a . . .

**Farmers Co-op Has Important Meeting**

Members and stockholders of Farmers Cooperative Ass'n. No. 1, met Thursday night, February 26, at the American Legion building for the purpose of accepting or rejecting recommended changes in the charter and by-laws of the organization, according to C. E. McKnight, manager. The proposed changes were adopted.

Prior to attending to the business of the evening the members enjoyed a fine supper prepared by the Ladies Auxiliary.

Visitors from out of the county were Allen Baker and Kenneth Loyd of Producers Grain Corp., Amarillo and C. J. Shipley of Consumers Cooperatives Association, Amarillo.

L. D. Howell, vice-president of the Association, presided at the meeting.

The Co-operative now has 224 members.

**ATTEND CO-OP MEETING IN DALLAS**

Mr. H. P. Cavness, president, and R. C. Carroll Jr., assistant local manager, attended the annual meeting of the Consumers Cooperative Associated at the Baker Hotel in Dallas on February 16 and 17.

They report 1,000 men present and a profitable and interesting meeting.

Wynne Collier and Bob Collier and wife of Post attended at meeting of druggists held in Fort Worth last week.

**LYNDA APPLEWHITE HONORED ON BIRTHDAY**

Little Miss Lynda Jane Applewhite was honored on her fifth birthday with a party which was given in the home of her mother, Mrs. James Applewhite with Mrs. J. K. Applewhite grandmother of Lynda, being co-hostess.

After games were played and moving pictures made of the children, the birthday cake was cut and served with ice cream and candy. Balloons were used as plate favors with surprises also being given all attending the party.

Guests attending were Patricia Schall, Martha Jane Bell, Terry Spears, Marion Lee Hill, John and Fred Hegl, Craig Leslie, Billy Clinton, Mary Jane McCord, Phyllis Ann Clayton, Carol Smith and Sherry and Jackie Applewhite.

Out of town guests included Jimmy and Jill Walker, their mother Mrs. Prentice Walker and Mrs. Sam Privett, all of Brownfield.

Mrs. W. T. Kidwell was brought home from Lubbock Memorial Hospital on Wednesday after undergoing a major operation there ten days previous.

on Purina Calf Startena. Watch me and I'll show you how Purina grows big, growthy calves with real dairy quality.

**Henry Maasen**  
FEED & PRODUCE

**MISS CARPENTER HONORED WITH SURPRISE PARTY**

The home of Mr. and Mrs. Dan Carpenter of near New Home was the scene of a surprise birthday party on the night of February 24, honoring their daughter, Miss Sue Nell Carpenter on her sixteenth birthday.

At the beginning of the program everyone sang "Happy Birthday Dear Sue." Many beautiful and useful gifts were opened and displayed following the playing of several comical games.

Refreshments of cake cookies and punch were served to about thirty-six guests. The refreshment napkins were white with gold engraving "Sue-16." Several piano numbers and singing ended the party with joy in the air. Everyone had a hilarious time and the party was greatly enjoyed by all.

**MISS WINONA CAWTHON WEDS LUBBOCK MAN**

Miss Winona Pearl Cawthon, daughter of Mr. and Mrs. Ernest T. Cawthon, became the bride of Justin T. Jones of Lubbock in a double ring ceremony read in the home of Dr. Jeff Welch on February 21, Dr. Welch officiating.

The bride wore a blue dressmaker suit with pink and brown accessories and a corsage of pink roses.

The bride is a graduate of Tahoma High School, and attended Draughon's Business College in Lubbock, and has been employed by National Life and Accident Insurance Company for the past two years.

Mr. Jones is a graduate of Wichita Falls High School. He served four years in the Army Air Corps. He is now employed by the Coca-Cola Bottling Company of Lubbock.

After a trip to points in New Mexico, the couple are at home in Lubbock.

Mr. and Mrs. H. P. Caviness returned Thursday night of last week from a visit with his sister and other relatives at Jacksonville and with Mrs. Caviness' sister at McGregor, the latter, Mrs. F. E. Lyons being seriously sick.

**WOMAN RECOVERING FROM ACCIDENT**

Friends here and at Gordon and other communities in the northeast portion of Lynn county were grieved to learn a few days ago that Mrs. C. W. Dean of Gordon was seriously injured two weeks ago when her car overturned near New Home while she was on her way to the home of a daughter, Mrs. Doris McKnight, out in New Mexico for a visit. She sustained a fracture of the vertebra and numerous painful bruises.

She was taken to a Lubbock hospital, where she was treated but she was released the next day and was removed to her daughter's home, where she is recovering. It

was thought that it would be necessary, however, for her to remain in bed for several weeks.

Mrs. Dean was at one time a resident of Tahoma and made many friends while here.

**CARD OF THANKS**

We take this means of thanking our many friends for their kindness during my illness and recent trip to the Dallas hospital. For all the flowers, cards, and love gifts of money, we sincerely thank you. May God bless each of you.—Mr. and Mrs. Geo. Dennis.

Woodrow Wilson was the first president to leave the U. S. during his term of office.

**Friends and Customers:**

Come in for that cuppacoffee, a sandwich, a dinner, or a juicy steak, or just come on in and "chew the rag" with us. There'll be a friendly welcome at The Club.

**FORMER RESIDENT DIES IN ARIZONA RECENTLY**

Funeral services for Mrs. Lucy Jane Clair, of Camp Verde, were held at 2 p. m. Sunday, February 22, at the Verde Baptist church in Cottonwood. The Rev. Henry R. Buhler officiated.

Mrs. Clair was born August 6, 1880, and passed away February 20, 1948. She was married to Thomas Jefferson Clair on September 23, 1902, and was the mother of seven children.

Mrs. Clair resided in Tahoka for several years before moving to Arizona. She was a member of the First Baptist Church here and was

very active in church work. Her husband preceded her in death, passing away in October of 1946.

She is survived by six of her seven children. They are: Cleveland Clair, Stella Powers, Ella McManis, Monroe Clair, Nancy Davis and Pauline Kaylor.

**FROZEN FOODS**

**COLLEGE STATION, March 3.**—The freezing of home-grown products is becoming more and more important in the food picture of Texas families.

In his annual report, Roy W. Snyder, extension meat specialist of Texas A. & M. College, says there are 515 frozen food locker plants operating in Texas, and approximately 15 more are under construction, an increase 112 plants in 1947, the biggest jump in any single year since the freezing of food became popular in 1939.

About a half of the plants have killing facilities, Snyder says, and can give complete service in killing, cutting, rendering hard, and making sausage as well as in the packaging and freezing of all kinds of food products. The locker plants are uniformly distributed, with the greatest number found in the north central part of the state.

More home freezer units were available in 1947 than in previous years, Snyder says, and county extension agents have reported that 9,877 home units were bought in 152 counties. More than 61,000 families in 197 counties were given assistance with the freezing of food for their home use.

Meetings at which demonstrations on the preparation of meats, fruits and vegetables for freezing, and frozen food problems, were discussed were attended by 7,937 people in the state during the year, Snyder reports.

More and more people are realizing that frozen food lockers are not a luxury but a good investment which can contribute toward the family's balanced food supply, Snyder's report ends.

**OIL COMPANY SHOWS EDUCATIONAL FILMS HERE**

A visual story of a unique accomplishment in the field of modern automotive lubrication was unfolded in Continental Oil Company's motion picture, "The Miracle of Oil-Plating," when Agents, their employees, Dealers, their employees and others from Post, Tahoka, and O'Donnell viewed the film, Tuesday at 8 p. m. at the Wharton Motor company Show Room.

This motion picture, with a cast of Hollywood professional players, was filmed in Hollywood and in Continental Oil Company's big 1,280-acre refinery at Ponca City, Oklahoma, and presents the dramatic story of OIL-PLATING.

The audience, while being entertained with a human interest narration that contains both comedy and education, was introduced to such technical terms as methyl dichlorostearate, thialkene, furfural, methyl ethyl ketone, hexane, and selective solvents, each with a basic function in the dramatic story of Oil-Plating.

The story moved around the huge refinery and took occasional circuitous routes through Continental Oil Company's many recreational facilities for employees, including the beautiful indoor swimming pool, tennis courts, athletic field, large gymnasium, and the colorfully designed cafeteria.

C. S. Black, District Sales representative was in charge of the program, and arrangements for presentation of the film were made by W. C. Wharton, local Continental Oil Company representative.

**ARMY NOW INADEQUATE**

**NORTHFIELD, Vermont, March 4.**—The Regular Army is unable to maintain its required strength through voluntary enlistments, General J. Lawton Collins, Army Chief of Staff, said in a recent address here.

Only slightly more than two divisions, which are under strength, are available for defense of the country now, the General stated.

**We Do Not . . .**

- Sell new Pontiacs to used car dealers.
- Knowingly sell to individuals who buy for resale. In some cases we ask buyers to sign Repurchase Options.
- Require a trade-in, but if you have a car to dispose of we expect you to trade it to us.
- Penalize buyers by making an unjustified low allowance for trade-ins. We pay the standard N.A.D.A. valuation minus repair costs, which represents the true value of an automobile.
- Accept any bonuses or premium prices.

**Why does it take so long to get a new Pontiac?**

- Strikes and other production interference at General Motors plants have retarded production.
- So many people want Pontiacs that we have built up a huge backlog of orders.

**But we are still taking orders!**

... because we want to satisfy as soon as possible the desires of everyone who wants a new Pontiac. By placing an order now, a person gets in line for future delivery.

**While you're waiting for delivery . . .**

- We can recondition your present car in our complete Service Department, giving it new car appearance and performance. Our expert engine rebuilding and body work will restore its pep and sleekness, making it worth more on trade-in when your new Pontiac arrives.
- We can accept your present car on a late model Reconditioned Pontiac.

You enjoy care-free "cushiony" driving

Let us Marfak your car — and you'll feel the difference in many more miles of smooth "cushiony" driving. Tough, longer-lasting Marfak is specially compounded to fight wear and friction from one lube job all the way to the next. With Marfak lubrication, we give you thorough under-car inspection — catch car troubles before they start. So give your car that wonderful "Marfak feeling." Stop in today!

- The SUPER SERVICE STATION and GARAGE is now prepared to Wash and Grease your Cars. Come by and give us a trial. We will also buy your junk batteries.
- Give our GARAGE a trial and feel safe to come back.

**H. D. Short & Sons**

**DON'T**

Put shades on lamps that "swallow" light. Use clear translucent shades that utilize every bit of light given by your bulbs.

Sit under a light that does not throw sufficient illumination on the book or paper you are reading. Eye-strain is the result.

Allow a child to study under the wrong type of lamp. Some lamps put too much light on books and papers and cause harsh reflection.

**DO**

Clean lamp shades and bulbs frequently. Much light can be wasted in dust and grime.

Place lamps so that equal and sufficient light is given for everyone who uses the lamp.

Make sure that children have the proper type of study lamps, giving clear warm light on the work they are doing.

Simple rules for good lighting that will add comfort and enjoyment to your living. They are important rules to follow that will protect the precious eyesight of every member of your family. Better light means better sight.

**I'LL COME TO YOUR HOME OR PLACE OF BUSINESS**

A Public Service Company lighting specialist will come to your home, office, or place of business to give you recommendations as to how to obtain the best in lighting. There's no obligation. Just call or write your nearest Public Service office.

We have nothing to sell but good electric service.

### Burleson . . .

(Continued from Page 1)  
Lee Burleson; a daughter, Billie Lee Burleson; a son W. L. Burleson, Jr.; three brothers, Jim Burleson of Tahoka, Elzie of Lamesa, and Odie of Slaton; and three sisters, Mrs. Dena Burleson Donaldson of Mineral Wells, Mrs. Lillie Burleson Hausour of Slaton, and Mrs. Reba Burleson Stmonds of Lubbock.

Son of Mr. and Mrs. J. W. Burleson, "Bill" was born at Guthrie, Texas, on April 7, 1899, and lacked just a month and two days of being 49 years old. He was married to Miss Alice Lee on June 16, 1922, at Mineral Wells. After the family moved to Lubbock he worked for a time in the Citizen's

Mr. and Mrs. Hralan Cook and Harlan Jr. attended a druggists' meeting in San Antonio last week.

### Warning Issued On Fast Driving

Fast and reckless drivers, especially in the neighborhood of the schools are hereby warned that if such speedy and reckless driving is not stopped, those guilty will be dealt with according to law. Some child is going to be killed on the "high school street," and then some reckless driver may have to pay a heavy penalty. No driving more than 25 miles per hour inside the city limits, please.—A. F. McClaun, City Marshal. 21-41c.

National Bank. Later he and Mrs. Burleson went to California, where he was also employed for some time in a bank, and then in 1927 they came back to Texas and he went into the grain business in Tahoka with his brother, Jim Burleson. A year later he opened a gasoline service station here and engaged in that business for several years. When Chester Connolly gave up the contract as Ford dealer, Mr. Burleson was given the contract, and he has been engaged in that business ever since. A part of the time since, however, he has operated a service station in addition to his Ford business.

He has done a continuously prosperous business and accumulated quite a bit of property. He was a most pleasant man to deal with in his business affairs and in all relations of life and scarcely if ever made an enemy. Along with his business activities he was also active in civic affairs. Many years ago he became a member of the Baptist Church and also of the Masonic fraternity. He was a Thirty-second Degree Mason and a Shriner.

The Stanley Funeral Home here had charge of the funeral and burial arrangements. Pall bearers were:

### Mrs. Holloway . . .

(Continued From Page 1)  
children, as follows: Mrs. Roy Tunnell of Baileyboro, Robert J. Holloway of Kress, Mary Carolyn

Holloway of Big Spring, David T. Holloway of Centralia, Washington, Joel E. Holloway of Tahoka, Donald Ray Holloway of Levelland, and Edward Lee Holloway of Austin.

Five grandchildren also survive: Pamela Ann, Hansford Roy, and Victory Holloway Tunnell, children of Mr. and Mrs. Roy Tunnell; Theresa Ann, daughter of Mr. and Mrs. Truett Holloway; and Mollie Luanna, daughter of Mr. and Mrs. Robert Holloway.

Mrs. Holloway, whose maiden name was Mollie Smyth, was born on January 28, 1890, at Azle, Parker county. While a mere girl she was converted and was baptized into the fellowship of the North Side Baptist Church, Fort Worth. She was married to E. W. Holloway on October 28, 1912. Three years later, in December, 1915, the young couple moved out to Lynn county and settled in the Redwine community, acquired a home there, and lived in that community almost thirty years. In July, 1945, they moved from Redwine to Dalhart, and in June, 1947, from Dalhart to Levelland, where they were living at the time of her death.

Mrs. Holloway was a devoted and active Christian and was greatly esteemed and beloved by the people of the Redwine community in particular for her fine Christian virtues and services. Deep grief was manifested by many because of her passing.

### Contest . . .

(Continued from Page 1)  
week, but the second and third place letters appear below.

#### Second Place Letter

Dear C. of C.:  
I have read the many, many ideas about "What Tahoka Needs," and believe each of them is something we could all be proud of and use to the best advantage.

My suggestions are: A new high school, modern, large enough very well equipped to serve all purposes, which is greatly needed;

A modern fire station with the best fire fighting equipment and fire plugs in proper places throughout the town;

All thickly settled parts of our town should have sewerage lines for health protection as well as convenience;

Many unpaved streets which are traveled almost continuously, need to be paved and curbs constructed

throughout the whole town;

We should have neighborhood playgrounds or parks conducted by well behaved supervision; This would be a wonderful work, close to children's homes and their parents;

It seems to me that Tahoka should have a city hall for such official places as are literally scattered at this time and surely other business offices could fill any vacancies brought about by such a project.

I believe my ideas if carried out, would be future work for many who are not working, and which when finished, would be things of inspiration and a great help to all the peoples of our town, now and in the future.

Thank you,  
Mona Raye Lewis  
P. S. The Oil Mill is a fine idea and greatly needed.

#### Third Place Letter

Dear C. of C.:  
It seems to me Tahoka needs a bus station where we can rest and relax if we happen to be a little early for the bus or have to wait awhile for conveyance to our home. We hate to crowd customers at drug stores or cafes, and get tired standing around sometimes with little children, taking the cold winds, sand or rain in our waiting. It is hard on adults as well as children.

I do not know if it would mean much to Tahoka in dollars and cents, but it would mean a lot to the comfort of travelers.

#### Alice Lawson

The winners may drop by the Lynn County AAA office and pick up their checks or they will be mailed to the winners. First place won \$15; second place \$10; and third place, \$5.

### Layman . . .

(Continued from Page 1)

representative of the Advisory Committee of the Brotherhood of the South; originator of the Man-and-Boy Movement; and Economic Advisor of Wayland College. He is the father of Frank Boggs, who was one of the principal speakers in a Baptist Youth Rally held here a few months ago.

The Pastor, Rev. Levi Price, left Monday morning for Houston, where he was to do the preaching in a revival meeting to be conducted in one of the larger churches of the city, the North Baptist Church, of which Rev. Cooper Wa-

ters, who held a meeting here a building and moved into it just year ago, is pastor. The Houston three or four weeks ago. The church just recently completed a rival services will continue for a large and handsome new churon period of two weeks.

### SAVE YOUR LAND....PROFIT BY ACTING NOW!

The toll of erosion by wind and water in the United States is 90 billion tons of soil every year. Much of this needless loss of productive top-soil can be prevented by contouring and terracing. If you have not started soil conservation practices on your farm, get in touch with your local soil conservation authorities now and see your MM dealer for the modern power and tools to do the job. Minneapolis-Moline Universal tractors and Universal tractor-attached tools have proved themselves on hundreds of contouring and terracing projects, and MM engineers are constantly keeping pace with new and better methods. If you own an MM Universal tractor, you can take advantage of these developments economically, for new tools are always designed to fit the tool bar of all MM Universal tractors.

3 Tags belong on every bag of CHICK STARTER...

### Which is Most IMPORTANT?

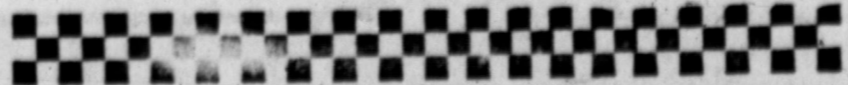

How do you buy chick starter? Do you look at the ingredient tag and try to figure out what it contains? Or do you look only at price tag and buy the cheapest?

Or do you ask "which feed will help me keep my chicks living and growing the best?" When you're buying feed for delicate little baby chicks, the "results" are the most important. And when you buy Purina Startena, you know you're buying results.

This Year PURINA CHICK STARTENA is Better Than Ever for Life and Growth

**Lamar Forrest Dies Suddenly**

Lamar Forrest, 55, of Lubbock and an outstanding citizen of this area, died unexpectedly of a heart attack Saturday morning in a hotel in Gallup, New Mexico, to which place he and his son had gone on business.

Mr. Forrest had long been engaged in the lumber business and had become prominent in state and national lumbermen's organizations having served as president of these organizations in recent years.

He was also outstanding as a philanthropist and a leader in civic and church affairs. For some years he owned a lumber yard in Tahoka, and it was during that time that he paid the expenses of a Tahoka girl through college. His confidence in her ability and worth was not misplaced, for she herself has since become a leader in helping and training young people, being in charge of Life Youth Camp in New York.

Mr. Forrest first entered the lumber business with his father, S. F. Forrest, in Slaton. Afterwards he acquired or established yards in various other towns of this area, including Lubbock, where he had lived the past few years.

He is survived by his father, S. F. Forrest, his wife, Mrs. Myrtle Forrest; a daughter, Mrs. Jo Copenhaver of Lubbock; two sons, S. S. Forrest Jr. of Lubbock and Edwin Forrest of Slaton; and five grandchildren.

**MAP TIDELANDS STRATEGY**—State officials and congressmen are shown as they mapped their strategy for committee hearings on legislation to clear state titles to submerged lands. Seated left to right are Price Daniel, Attorney General of Texas; Minority Leader Sam Rayburn, and Nebraska Attorney General Walter R. Johnson. Standing are Judge Robert Lee Bobbitt, Chairman of the Texas State Bar Tidelands Committee, Attorney General Fred Howser of California, and Congressman J. M. Combs and Ed Gossett of Texas. The hearings were under way this week before joint sub-committees of the US Congress House and Senate judiciary committees. Forty-four states are supporting the legislation.

He was a member of various business and civic organizations, one of which was the Rotary Club. As a Rotarian, he was a guest speaker at the Tahoka Rotary luncheon a little more than a year ago. He was chairman of the board of stewards of the First Methodist Church of Lubbock at the time of his death.

Funeral services were conducted at 3:00 o'clock Monday afternoon at the First Methodist Church of Lubbock, with the pastor, Dr. H. I. Robinson, officiating, assisted by Dr. W. H. Wallace of Oklahoma City, and Rev. E. H. Crandell, associate pastor of the Lubbock First Methodist Church.

He had many friends and admirers in Tahoka and other parts of Lynn County, who deeply regret his untimely death.

All electrical equipment and circuits should be regularly checked as a fire prevention precaution. Replace worn electrical wiring.

Stuff cooked prunes with cream cheese for a salad or to accompany a roast.

**OFFICERS TO COME FROM MANY SOURCES**

WASHINGTON, D. C.—(Spl.)—Regulations soon to be published will outline new postwar procedures for procurement of Regular Army Officers and provide for appointments to the Army from several different sources.

The sources are: U. S. Military Academy; distinguished graduates of the Senior Division, ROTC; graduates of technical schools; distinguished graduates of Officer Candidate Schools; direct appointment of Regular Army enlisted men; appointment of young officers who become eligible by serving a competitive tour of duty with the Army of the United States.

The Army expects to obtain annually from these sources, the number of new officers indicated as follows:

West Point, 350; ROTC, 600;

competitive AUS tour, OCS graduates, and enlisted men's appointments, 600; technical schools, 250; a combined total of 1,800 officers.

Of these, 830 will be commissioned in the ground arms; 580 in the technical and administrative services; and 390 in the professional corps.

See our display of Granite Monuments or we will call at your invitation.

**THERE IS A REMEDY**

President Truman insists on the Fair Practice Act, which makes the Democrats of the South threaten to quit the party. Under this insane bill you would be forced to hire the first person who showed up for a job, regardless of color. Much confusion would result by following this law, with Negroes filling the places which were cut out for whites; and whites doing work which is now done by blacks. Southern Senators promise a filibuster. Since this is presidential election year, and since the black vote holds the balance of power in nine critical states, you may be sure that President Truman is for the law, even if he may have his tongue in his cheek while advocating race equality.

Southern Democrats have no choice; either take Truman, who has a chance to win, or swallow a Republican or Henry Wallace, who is more radical than Truman.—Canyon News.

The situation does seem hopeless, for the present and the immediate future at least. But there is a remedy, which the people of the North might eventually become willing to apply if the matter is persistently pressed upon their attention.

The root of the evil is the disproportionate power of minority pressure groups in doubtful states. That power should be smashed and must be smashed if we are to have majority rule in this country.

The Gossett bill would solve the problem. It would render one man's vote in Texas or in Mississippi or in any other state just as effective as one man's vote in any of the doubtful states. That would go not only as pertains to the race question—but as to any other issue. A union labor boss in New York or Michigan might control the votes of his union and might thereby cause his state to give a majority vote for his candidate for the Presidency, but it would be only a majority vote. He could not throw the electoral votes of his state or of any state to his candidate. The candidates would get the same proportion of electoral votes as they had gotten of the popular vote. This would be true whether the pressure bloc were a labor bloc, a racial bloc, a religious bloc, or any other sort of bloc. Its voting strength would be equivalent to its numerical strength, no more and no less, and that would be both just and democratic.

Everybody should favor the Gossett proposal—especially the people

of the South who now feel outraged because a President has yielded to the power of a racial group in—New York and other Northern cities because of the fact that that racial group may be able to swing all the electoral votes of New York and Illinois and other doubtful states to the President in his campaign for re-election.

Russia, we are compelled to believe, is moving deliberately and relentlessly toward war. Her purpose to bring all Europe eventually under her control is just as obvious today as was the purpose of Hitler in 1938. Hitler's policy was to make his humiliating demands upon one neighboring nation after another and when they refused to accede to his demands, he proceeded to move his great war machine into them and crush them one after another. Russia is following a little different pattern but one that is just as dictatorial and effective. Stalin first infiltrates these countries with his henchmen and stooges to spread his communist propaganda and to incite fear of the Big Bad Bear, and then he quietly but sternly demands that Communists be placed in Government positions, and about the next news that comes over the wires is that Russia is in full charge. After having thus gobbled up Poland, Yugoslavia, Hungary, and to all intents and purposes Roumania and Bulgaria, Stalin just recently swallowed up Czechoslovakia and is now engaged in the act of taking in Finland. Of course he has all of Eastern Germany in his paw and doesn't expect ever to retreat or to abdicate. His emissaries are now and long have been at work in France. He may or may not be able to take France without a fight, but whether he does or not he is going to be demanding soon that both the United States and Great Britain get out of Germany. If and when we refuse, which we will do, then Stalin expects to march in with his armies, and the Third World War will be on. This seems to us to be the end toward which Russia is moving with all her might. Only the God that Russia denies and defies can now prevent a third World War.

**CITATION BY PUBLICATION THE STATE OF TEXAS**

TO: William E. Marshall, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of April, A. D. 1948, at or before 10 o'clock A. M. before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1948. The file number of said suit being No. 1793.

The names of the parties in said suit are: Ima Faye Marshall as Plaintiff, and William E. Marshall as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff was married to defendant in Chavez county, New Mexico, on August 19th, 1946, and lived with him as his wife until on or about the 31st day of December, 1947. Plaintiff has been an actual bona fide inhabitant of the State of Texas for more than twelve months and has resided in Lynn county, Texas for more than six months immediately prior to filing this suit; that the residence of defendant is unknown to plaintiff, after making an investigation to ascertain the same. On different occasions while plaintiff lived with defendant as aforesaid, defendant

was guilty of excesses, cruel treatment and outrages toward plaintiff of such nature as to render their living together insupportable. That no child or children have been born as issue of their marriage and that plaintiff and defendant do not own any community property. That plaintiff's maiden name prior to her marriage with defendant was Ima Faye Corley. Plaintiff prays that defendant be cited by publication to appear and answer herein, that she have judgment of divorce, that her maiden name of Corley be restored to her, for costs of suit and relief either in law or in equity to which she is entitled. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 25th day of February A. D. 1948.  
Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 25th day of February A. D. 1948.

W. S. Taylor, Clerk, District Court, Lynn County, Texas.  
(SEAL) 21-4c.

As a fire prevention measure, inspect stored hay regularly for coars, smoke, gas and heat, all warning signals.

**How women and girls may get wanted relief from functional periodic pain**

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

**CARDUI**

**Dependable Service**

In your banking business you are entitled to the most exacting of dependable service.

Your home bank—one of the oldest business institutions in this area—has built its reputation on this kind of service.

**Gossett Writes  
The News Editor**

A few days ago the News editor received the following communication from Congressman Ed Gossett of Wichita Falls, which speaks for itself and which we take the privilege of reproducing in our columns. So far as we know, this is the first time that a Lynn County News editorial ever broke into the Congressional Record. My Dear Mr. Hill:

My good friend, George Mahon, handed me a copy of your editorial in the February 13 issue of the Lynn County News. Please accept my thanks for this most excellent discussion of an important issue. I am enclosing an Extension of Remarks by me which includes your editorial. Also note a short

speech by Congressman Ed Devitt, of Minnesota, in which he reproduces a similar editorial in the Arkansas Gazette.

I am also enclosing a copy of my speech on this subject in which you might be interested.

Incidentally, Subcommittee Number 1 of the Judiciary Committee of the House, has completed hearings on this and a number of identical resolutions, and in my judgment, our Committee will report out said resolutions within a few weeks. This fundamental reform has to be made, or else New York City and Chicago will continue to dominate, if not actually control, the national politics of the country. In my considered opinion, unless such reform is effected, we will sooner or later be pushed into national socialism or worse.

As you probably know, I am a native of those parts. My father still lives on a farm about half-way between Post and Tahoka. The Lynn County line runs through our home place.

With warm personal regards and best wishes, I am

Sincerely yours,  
Ed Gossett

**ENGAGEMENT ANNOUNCED**

Mr. and Mrs. Cody Bragg announce the engagement and approaching marriage of their daughter, Miss Nita Bragg to Mr. Joe Ramsey of Plainview.

Miss Bragg is a senior student at Texas Technological College, majoring in Business and is a pledge of Sans Souci Social Club.

Mr. Ramsey is also a student of the Tech and is majoring in agriculture.

The date of the approaching marriage has not been announced.

**ARMY SEEKS  
NEW SHOE**

— LOUISVILLE, March 4.—Experiments are being conducted at Fort Knox to design a shoe for the Army which will reduce the strain on the bones of the feet and make marching easier.

The experiments toward improved design of military clothing are part of a research program being conducted by the Medical Department's Field Research Laboratory.

Research is also being made to find better and less bulky clothes for use in Arctic regions. As an example, plastic earphones have been developed to fit the individual ear and shut out cold, so protecting the ears of field radio operators.

There are 210 farmers' cooperatives in Texas, engaged in handling almost every agricultural product in the state.

**Relief At Last  
For Your Cough**

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

**CARA NOME CARE**  
Helps Complexions Cheat Chilly Winds..

**NO MATTER** how blustery the wind, you can laugh at the weather if your complexion is protected the Cara Nome way. Generous use of Cara Nome Creams and Lotions helps compensate the skin for loss of its natural oils, then protects it from further drying and roughening.

Before putting on powder and rouge, apply a bit of Cara Nome Newtons Cream or Backstage Powder Base to your skin. The rich oils leave a thin film of protection to guard against the reddening, coarsening attacks of wind. Your face remains delightfully soft and smooth. Make-up looks lovelier and stays on longer, too!

Keep a bottle of Cara Nome Skin Lotion on your dressing table. Put it on your hands before exposure. Don't forget your legs, either.

If your skin is persistently dry — and dryness may be the forerunner of wrinkles, you know — massage every night with Cara Nome Skin Cream and Cara Nome Skin Oil.

Cara Nome Creams and Lotions are available exclusively at REXALL Drug Stores. Incomparable in quality, fragrantly perfumed, they transform even dull, lifeless complexions into glowing beauty.
