Patsy Irene Rymer Is Wed To John W. Gunter, Jr.

From The Lubbock Avalanche-Journal

In a double ring ceremony read at 7:30 p. m. Tuesday in Ford Memorial Chapel, Miss Patsy Irene Rymer, daughter of Mr. and Mrs. Floyd Rymer of Friona, became the bride of John Williams Gunter, Jr., son of Mr. and Mrs. John W. Gunter of Enochs. The Rev. Bruce Melver read the vows.

Baskets of white gladioli flanked by greenery were used in the church decorations, and gold candelabra holding white tapered stumps on either side of the altar. Mrs. Bruce Melver, organist, played "I Love You Truly," "All Ways" and "Through the Years" preceding the service. Miss Anna Margaret Gunter, sister of the bridegroom, sang, "Because" and "Wedding Prayer."

The bride, given in marriage by her father, wore a white wool flannel jacketed dress with a neckline trimmed in beaded rhinestones and seed pearls. She carried a white Bible topped by an orchid showered with Stephanotis and streamers tied in lovers' knots. Her hat was of white satin, and her pearl earrings were a gift from the bridegroom.

Maid of honor was Miss June Hensley of Farwell, who wore a mint green wool flannel dress

with scoop neckline trimmed in rhinestone beading. She carried an arrangement of yellow pom-pom chrysanthemums and wore toast accessories.

Cecil Lewis of Lubbock served as best man. Ushers were Byron Gunter, brother of the bridegroom, Don McInturf and Duncan Seawright, cousin of the bride.

A reception was held at the First Baptist Church. The table was laid with a lace cloth and centered with an arrangement of bronze mums. A white, tiered wedding cake was topped with a miniature bridal couple beneath wedding bells. Those in the houseparty were Misses Tracy Smith, Judy Barnett, Lila Buske, Phyllis Trieder, Mrs. W. N. Rymer and Mrs. Cecil Lewis.

For a wedding trip to Santa Fe, N. M., the bride wore a white wool flannel sheath dress with velvet turquoise duster and black accessories. The couple will make their home in Muleshoe after Sunday.

The bride attended Tarleton State College and graduated from North Texas State College where she was a member of Alpha Delta Pi. She is now homemaker and instructor in Friona Public Schools. Gunter is a graduate of Texas A&M College and is presently engaged in farming near Muleshoe.

Progress WSCS To Sponsor MYF Party

Members of the Progress WSCS decided during their Thursday meeting to have a Christmas party on Thursday, Dec. 15, at the home of Mrs. Joe Walker. They are to bring toys to this meeting for the church nursery.

During the business hour, the ladies agreed to purchase a dining suite for the personage and to sponsor a Thanksgiving social for the MYF on Friday evening, Nov. 25, honoring college students who are home for the holidays.

Velma Gwyn reminded members to participate, each in their own home, in the prayer circle each morning at 9:00 o'clock. Ruth Cooper read Scripture, Acts 17:1-7 and gave the devotional on "New Paths for Old Purposes." The group sang "For the Beauty of the Earth." Fern Davis offered prayer.

Joyce Walker presented the study, "The Christian Mission," and led a lively discussion. The group dismissed with a benediction.

One new member, Mrs. W. Lee, was welcomed. Others present were: Mmes. Doris, Wede, Sadie Bass, Juanita Uitzig, Ruth Cooper, Ruby Atkinson, Joyce Walker, Velma Gwyn, Mattie Griffin, and Fern Davis.

By J. M. FORBES

We had quite a little comment on our new series of new homes pictures and word descriptions, which was started in the paper last week, with a showing of the Babe Barbour home. This week, we were to have pictures and stories of the new home of Mr. and Mrs. Raymond Green. At the last moment, Raymond, and you know how many tracks the big boys make, couldn't be located. We'll resume this most interesting feature series next week, without fail.

Because some of the merchants want to stay open later on Thursday evenings, The Journal will be printed Wednesday afternoon, rather than Thursday afternoon, just from now to Christmas. Grocers who have been advertising Friday and Saturday specials will cooperate by making their specials good for Thursday, as well and will stay open on Thursday, too. It's all to the good, and Mrs. Public of the Muleshoe area.

It was a good idea to have a much good deal of space that was left over from the town. Surprisingly few used what not about it and we're thankful. One can't always do as one would wish to, can't he?

Basketball Schedule

Muleshoe's basketball schedule has been made out for this season and the Mulettes have already played one scheduled contest, losing to Lazbuddie.

The schedule follows:

Dec. 13, Amherst here.
Dec. 15, 16, 17: Springlake tournament, boys and girls.
Dec. 20: Marton there.
Dec. 22, Ringgold, La., boys game only.
Jan. 3: Sudan, here.
Jan. 5, 6, 7: Farwell tournament.
Jan. 10: Springlake, here.
Conference games: January 13, Lockney, there; January 17, Tulia, here; January 20, Dimmitt, here; January 24, Littlefield, there;
January 27, Olton, there; January 31, Lockney, here; February 3, Tulia, there; February 7, Dimmitt, there;
February 10, Littlefield, here; and February 14, Olton, here.

Mulettes Lose Season Opener

Their basketball season Tuesday night, November 22, losing to the Lazbuddie team 62-44. The Mulettes scrimmaged the Longhorns and lost to Lazbuddie 54-13. Muleshoe's B team girls lost a trial game for the night at Lazbuddie 28-15.

Muleshoe's B team was tied with Lazbuddie 5-5 at the first quarter. Lazbuddie took the lead in the second quarter to make a halftime score Lazbuddie 11, Muleshoe 8. At the end of the third quarter Lazbuddie was leading 16-14 and the final score came out 28-15.

Steinbock was Lazbuddie's high scorer with 13 points and Elaine Evans was Muleshoe's high scorer with 7 points.

The Mulettes were having bad luck and Lazbuddie had scored 11 to Muleshoe's 5 points in the first quarter. At the half Lazbuddie was leading 27-16. At the end of the third quarter the Mulettes had narrowed the lead down to Lazbuddie 38, Muleshoe 35, but in the final quarter Lazbuddie scored 24 points to make the score 62-44 in Lazbuddie's favor. Mary Jo Holt was Muleshoe's high scorer with 31 points. Joy Smith was Lazbuddie's high scorer with 33 points.

The Mulettes were off to a slow start but they got to work and were leading the Longhorns 13 to 12 at the end of the first quarter. The Mulettes were still leading at the half by a two point margin, 21-19. The Long-

PRETTY PAISLEY

Cotton fashions do double duty for many fall and winter occasions. Greta Platty designed this colorful paisley-print cotton shirt dress as part of a two-part fashion. To be ensemble with the paisley cotton shirt dress is a solid red, glamorous chesterfield jumper in Merrimack cotton velveteen.

SUITS THE OCCASION

A woven cotton tweed suit by Alex of Miami adapts to many occasions. Because it's cotton, it's comfortable in steam-heated buildings, yet the tweedy texture makes it right for cold-weather wear. A suit like this is an asset in any woman's wardrobe, according to the National Cotton Council, because it can be worn round-the-calendar.

Clovis Champion Barrow From Farm Of Jimmy Wedel

Jimmy Davis, 17 year old Clovis FFA boy exhibited the grand champion barrow over all breeds at the big Curry County Fair at Clovis. Jimmie's barrow was sired by Inman's Market Model, and out of White Spot Sue, owned by James Wedel of Muleshoe. The winner is a litter mate to the latest herd sire purchased by Sherman Inman. The pig won 1st honors at the Heckley County Fair, the district Sears pig show, and the South Plains fair in Lubbock and State fair in Dallas.

Both pigs were sired by "Special Design", 1954 Iowa State fair

Club Boys Show Barrows At Fair

Seven Bailey county exhibitors showed 37 barrows in the State Fair at Dallas and received an total income of \$717.08.

This is for swine with an average weight of 208 1/2 pounds, or an average income of \$42.18 per barrow shown. This compares with \$29 which the barrows would have brought on the local market at 14 cents per pound. Deducting hauling and insurance expenses, leaves the exhibitor with more than \$10 profit per barrow, which paid his expenses during the time at the fair.

Junior champion, and 1955 Iowa reserve premier sire. His eight sons offered at public auction, brought an average of \$370.

Speaks To MYF

Siegfried Hoffman, young German Exchange Student, who is making her home with Mr. and Mrs. Gordon Murray, gave many interesting details of her life in Germany, when she spoke at the meeting of the Methodist Youth Fellowship, November 21, at Earth Methodist Church.

Siegfried is a student at Muleshoe High School.

Approximately sixty MYF members attended the meeting, from Muleshoe, Y. L. Progress, Earth, Olton, Sudan, and Oklahoma Lane.

Attending from the Progress community were: Kenneth Powell, Donna Atkinson, Pat, Harold, Sandra, Linda, and Frances Cooper, Lucille Davis, Patsy and Mary Ureaga, Ralph and Ben Fanning, and Siegfried Hoffman.

Sponsors accompanying them were Mr. and Mrs. Gordon Murray, Mrs. Bryan Gwyn, Mrs. Arthur Cooper and Rev. C. T. Jackson.

ALPINE FASHION

Inspired by the Swiss ski jacket, this warm Alpine jacket is of water repellent poplin. The big full collar is faced with white cotton knit for warmth and glamor. Designed by Great Six, the cotton parka is styled in sparkling red, tangerine, light blue, and charcoal grey fabrics.

Chicago Trips Won By Texas 4-H'ers

IMPRESSIVE records in the 1955 Dairy, Field Crops, and Safety programs, have won all-expense trips to the 27th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, for three Texas 4-H Club members.

Joe Weaver, 20, of Temple, will attend the Club Congress as state winner in Field Crops. His trip is provided by the Nitrogen Division of Allied Chemical & Dye Corp. Joe is able to achieve this recognition through careful attention to crop production practices, such as soil management, selection and treatment of seed, proper use of fertilizer and insect and disease control.

Joe has given demonstrations on Cotton Defoliation. He was first high individual. He gave the demonstration at the H & H Club at Texas A & M, and won second place.

He also won awards on his other projects. Since joining the club he has received seven radio and two television appearances.

Joe Weaver, Leah Ann Patton, Ezekiel Grogan

Leah Ann Patton, 18, of San Antonio, is the 1955 State 4-H Safety Winner. Her outstanding achievements have earned the General Motors trip award to the Club Congress.

Leah has given four 4-H talks, and has been a member of the local 4-H leader. Leah made her first safety survey in her own home and yard and was surprised to find so many hazards in a household that she thought were safe.

She wears about 1000 lbs. of medicine bottles, tools left in the yard and streets, the importance of fire extinguishers located in a special cabinet.

Leah has given four radio talks and has appeared eight times on television. One of her demonstrations was "Treatment for Snake Bites," and another on "Family Fire Control."

Ezekiel Grogan, 21, of Longview, is the 1955 State Dairy Winner. He will be a member of the Texas delegation to the Club Congress. Funds for the trip are provided by the Larro Starfeed Division of General Mills, A 4-H.

All these programs are conducted and Cooperative Extension Service.

Land Water Conservation Loans Are Maintained By FHA and SCS Officials

Gathering of bankers, agricultural leaders, and agricultural representatives met on the 21st of D. J. Cox and Tom B. located near Enochs on 21. This meeting was a form of a clinic, and was held by Cy Henson, County Advisor, Farmers Home Administration and Duane Bartee, Unit Conservationist, Soil Conservation Service. This meeting is an outgrowth of the in-of farmers in "soil build-through" soil and water conservation. Cox and Bogard, Soil Conservation District directors, with a number of conservation practices planned but not yet completed.

Farmers Home Administration authorized to make loans to farmers for soil and water improvement practices. The practice which soil and water are made must be in line with Soil Conservation Service Extension Service recommendations. A part of the cost of tillage, improvements and fences planned may be earned by the farmer through participation in the ACP program or the Agricultural Stabilization and Conservation Service, and Water Conservation were made possible by legislation passed by the 83rd Congress. Loans may be made for purposes as building terraces, developing and sodding sways and digging ponds in section with handling water.

Farmers are becoming more conscious of the value of soil and controlling it on the land, Henson says. In some cases, sub-soiling is necessary in order to enable better water penetration of the soil. Loans are

YOU'RE NEVER BORED!

A study just released shows Texans have a per-capita income of around \$1,630 a year. This isn't the richest in the nation; neither is it the poorest. A few of us down here have a little oil, a few have to scratch like hens for a meal, but most of us are normal, healthy, kicking and proud.

Which may explain another study released not long ago. It showed Texans live longer than the average in this country. The reason is clear. We are never bored. If it's not a cyclone or a flood, it's a W. Lee O'Daniel, a gusher erupting on some farm or uranium dust that cures the hives for patient sitters.

We are more than the biggest state with the biggest storytellers and biggest hearts. We are a symbol. We have been through plenty and expect even more, happy with the present and ready for the future—if we are a little leery of it. They say that the future will take care of Texas. Truth is, Texas will take care of it.

Study Club Christmas Party To Be Held At Blackburn Home On December 8

Meeting of the Muleshoe Study Club last Thursday, November 17, at the home of Mrs. Jane Beavers, was opened by club president, Mrs. Vance Wagon. Financial report was given by Mrs. Elizabeth Watson, who said that \$106 was netted on the House Beautiful Tour. Thank You Notes, and handkerchiefs were sent to the hostesses of each of the homes.

Two new names were accepted onto the waiting list.

Mrs. Jane Beavers was appointed to serve on the X-ray clinic in December.

The Christmas party will be held at 7:00 p. m., December 8, at the home of Mrs. Horace Blackburn. Husbands are to be guests. All members are asked to bring some home-made candy to be sent to the hospital in Wichita Falls.

Mrs. Lee Pool, program director, presented the program on Adolescence. She was assisted by Mrs. A. J. Gardner and A. S. Stovall.

Members attending other than the hostesses were Mrs. Horace Blackburn, Pat Bobo, A. J. Gardner, Julian Lenau, Lee Pool, Buck Ragsdale, T. M. Slemmons, A. S. Stovall, Vance Wagon, Joan Watson, Buck Wood, and Senn Slemmons.

SPANISH INFLUENCE

Colorful cotton "at home" separates show their Spanish influence with ruffled braid trim on the pants and rows of ruffles on the blouse. The trim fitting pants are in cotton velveteen and the blouse is of lush tulle cotton. They are designed by Serbin of Miami.

Mrs. Stewart Is Shower Honoree

A stork shower honoring Mrs. Charles Stewart was held at 2:30 November 18, at the home of Mrs. Allen Haley.

Assisting in hospitalities were Mrs. Don Marlow, Vernon Puckett, Richard Puckett, Elmo Stevens.

Punch and cake were served and the ladies played an appropriate game.

A number of ladies attended the shower, and many who were unable to attend, sent gifts.

THRITIS

matron, age 32, came to the clinic complaining that she had been suffering for five years with terrible pains along the line between her shoulders which had previously been diagnosed and complained of period headaches, cramping, low backache, and low abdominal pains. A spinal analysis indicated the interference and spinal structural misalignment causing interference. She was diagnosed at which time she had pains and said she felt completely well.

REGULARITY

SE NO. 1015: A young matron, age 28 had not had a period for months, had frequent headaches, left breast pains, shortness of breath, extreme nervousness, nausea, indigestion and stomach distress which had resisted all previous efforts and medicine to relieve. The Chiropractic Clinic made a spinal analysis to locate the effective innervation and anal X-rays to bring the area into view for correction. Adjustments were begun and in a few months this case reported periods were regular and other symptoms gone.

STOMACH TROUBLE

married lady of 40 years was being treated for the change of age and suffering from indigestion, stomach trouble, nervousness, sinus trouble, headaches, which had not responded to any treatments. A spinal analysis revealed the cause to be in the spine. Corrective adjustments restored alignment. She was discharged feeling grand, able to rest as she pleased without discomfort and without a single complaint.

Sciatic Rheumatism

A man, age 55, came to the Clinic complaining of a pain in left leg, gas on stomach, a drowsy, dizzy-headed feeling, dull headaches, backache, nervous shaking in left side and low blood pressure. A spinal analysis and spinal X-ray revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

KIDNEY TROUBLE

A lady of 44 years complained of kidney trouble, abdomen and pus test, full feeling, backache, legs ached, eyes swollen, hand swollen, excessive nervousness, headaches two or three days a week, colon trouble and low blood pressure. Had an operation on female organs. Finally came to the Chiropractic Clinic where an analysis of the spine indicated defective nerves. X-rays located the causative vertebral subluxation and adjustments brought about a correction and the case reported feeling fine at the end of the period of corrective services recommended.

LOW BLOOD PRESSURE

A housewife, age 38, came to our clinic. In discussing her symptoms and in the examination we found that she had blood pressure of only 92 points whereas the normal average for her age group is 123 points. She complained of headaches and extreme fatigue, and was quite nervous; she was accepted as a patient and after the recommended period of chiropractic care, her blood pressure had become normal and the accompanying symptoms have vanished.

We have had many similar cases, with equally satisfactory results.

Bill Parker Is Guest Speaker At Football Banquet Monday At Fellowship Hall

Football boys of Muleshoe High School, and their dates were entertained with a banquet Monday evening of this week at Fellowship Hall.

Mothers of the boys prepared the Thanksgiving dinner, which featured a menu of turkey with all the trimmings.

Jack D. Young Passes Bar Exam

Jack D. Young was one of one hundred seventeen candidates at the University of Texas, Austin, to pass bar examinations during the month of October, according to an announcement by Secretary Howard Steinle, of the State Bar of Legal Examiners.

Jack will be sworn in at 2:00 p. m., November 22, when the Supreme Court holds ceremonies to license the new lawyers. A graduate of Muleshoe High School, he is the son of Mr. and Mrs. Tye Young, of Muleshoe. He received his BA at Texas Tech. Jack is married, and has served two years with the United States Navy, during the Korean War.

Main speaker for the evening was Bill Parker, principal of the high school. Mr. Parker spoke on "What Does Football Do For The Individual, and For The Community." He said, "football is a character builder, a physical builder, and stimulates mental growth." Mr. Parker also said that after consideration, he would want his own son to play football.

Another speaker during the evening was assistant coach, Bill Taylor, who gave an interesting view of the past season in football at the local high school. Buddy Pool, member of the team, gave a short talk, also.

Approximately sixty boys and girls attended the banquet. Betty Shanks, football queen, was the guest of honor.

Marine Sergeants To Duty Overseas

SGT. GEORGE DUNAWAY

It was Marine Corps day in the R. C. Cline home here last Friday as two old buddies met to renew acquaintance and journey together to assignments overseas.

The Cline's son-in-law, Sgt. J. C. Simmons and his wife and baby had been here for some time. They were joined by Sgt. George Dunaway, his wife and

SGT. ROY D. SIMMONS

two children. The two men are to report at Camp Pendleton preparatory to embarking for duty in the Far East.

The two Sergeants have been together almost continuously since Korea days and now will be back together overseas.

Mrs. Dunaway and children will return and stay in Muleshoe during the sergeant's absence.

Goss Stationed At Fort Lewis

Pfc. Bobby Goss, son of Mr. and Mrs. C. W. Goss, was home for a few days last week visiting his parents and other relatives and friends.

Bobby is stationed at Ft. Lewis, Wash. He entered the Armed Services last summer, and took his basic training at Ft. Ord, Calif.

He is a graduate of Muleshoe High School with the class of 1950. During his high school days here, he was a star football player, and took an avid interest in other sports and school activities.

After graduation from high school, Bobby attended Abilene

Farwell Ex-Students Banquet Is Friday

Farwell school cafeteria will be the scene of the annual banquet Friday evening, November 25, for ex-students of Farwell school, and ex-teachers from Farwell, Oklahoma Lane, and West Camp.

Prof. U. D. Clay, superintendent of the Lincoln-Jackson school, Clovis, N. M., will be guest speaker for the occasion, according to an announcement by Kirt Crume, president of the Farwell Ex-students Association.

A Thanksgiving meal of turkey or ham, will be served at the cost of \$1.50 per plate. A vocal quartet, from Clovis, will provide entertainment.

Crume reminds that the banquet will begin at 8:00 o'clock and that exes who have not already reserved places should do so, by getting in touch with him or the Association secretary prior to Tuesday, November 21.

Mrs. Maxine Brown, 1717 Lea, Clovis, is Association secretary.

Crume has extended an invitation to all ex-students and ex-teachers, reminding them of the good time, good food, and good fellowship, which is always associated with these annual reunions.

CROP JUDGING TEAM TO KANSAS CITY

Jim Gaede, son of Mr. and Mrs. Raymond Gaede, an other member of the Crop Judging Team at Texas Tech left Saturday for Kansas City, where they will spend two weeks.

Christian College, and was one of three freshmen to letter on the great team of 1950.

Auto Accident Fatal To One

Jim Gordon, who was employed by The Journal during the summer as reporter from the Lazbuddie Community, was injured in a one car accident last Saturday afternoon, near Georgetown. He received a severe shoulder and elbow injury, and suffered a slight degree of shock.

Jim and seven other members of the Volunteer Mission Band at Howard Payne University, Brownwood, where they are students, were on their way to Elgin, to hold church services, when the accident occurred.

The 1954 Ford Ranch Wagon, in which they were riding, was completely demolished. One girl was killed, and another was seriously injured, and had not regained consciousness at latest reports. The other five occupants of the car suffered broken bones, cuts, bruises, and shock.

Cause of the accident was not immediately determined, though apparently the driver lost control of the vehicle when it ran off the road and hit a soft shoulder. Jim is the son of Mr. and Mrs. Bert Gordon, of the Lazbuddie Community.

Muleshoe F.F.A. NEWS

Muleshoe Chapter of Future Farmers met November 15, in the High School auditorium, at 10:00 o'clock a. m., and members decided to participate in the Boys Ranch Fund, with each member donating 50c.

After much debate and campaigning, Janelle Sedgwick was elected as Chapter Sweetheart for 1955-56. Plowgirl, or second place selection was Kay Willman and runner-up was Polly Briscoe.

A motion was made that we present last year's sweetheart, Shirley Matthieson, with a necklace and bracelet, in Fridays assembly.

THIS & THAT

About Homemakers & Homemaking in BAILEY COUNTY

By MOLLIE STINSON
Home Demonstration Agent

In case you've a bit of Thanksgiving food shopping left to do here's some information.

November foods on the plentiful list offers good eating for the Thanksgiving holidays at economical prices. Mae Belle Smith, Extension consumer education specialist, says there'll be plenty of turkey, rice for stuffing or a side dish, cranberries, raisins, grapes, and potatoes, both sweet and Irish, along with lots of pork and beef.

Modern Hams Are Different

Time was when the keeping qualities of cured and smoked hams were major considerations. Modern refrigeration and transportation have made it possible to shift emphasis to flavor and tenderness. Quicker curing and smoking methods result in mild, tender hams which need no par-boiling and require less cooking.

Modern curing methods are not aimed at permanent keeping qualities. Refrigeration is required at all times, according to Mae Belle Smith, Extension specialist in consumer education. Even most canned hams must be refrigerated for safe keeping.

Hams of today, with their complex variety of brands, sizes and treatments, differ in a number of ways from the home-cured hams. It pays to read labels. "Ready-to-eat" and "fully cooked" hams are more expensive than uncooked hams, but undergo less shrinkage in preparation.

Hams labeled only "Country cured" or "smoked" require complete cooking. "Tenderized" hams

are partially cooked during processing, but are not safe to eat without cooking.

U. S. Government inspected hams bearing labels "ready-to-eat", "fully-cooked" are safe for human consumption without further cooking, but many need more cooking to suit individual tastes. Canned, baked, and boiled hams are also edible as purchased.

"Smoked picnics" are often called hams; actually they are small smoked shoulders. They are usually less expensive than hams, and may be prepared in such a way as to make delightful eating, but they provide a slightly smaller percent of edible meat than most hams. "Picnics" are available fresh, smoked, "tenderized" (but not cooked), and ready-to-eat (wrapped or canned).

HOME ECONOMISTS BRIEFS

Overheating may cause nylon to stick to the iron. To clean, Harriet Brigham, Extension home management specialist, suggests this method: Make a thick paste of any good cleanser using an ounce of glycerine with the powder. Cover the sole plate of the iron with the paste. Heat iron until the mixture smokes. Cool the iron and wipe off the plate.

Three tablespoons of baking soda in a quart of warm water cleaning and deodorizing solution to wash the defrosted refrigerator or freezer. It is also good for cleaning bread boxes and lunch boxes. Follow with a clear rinse.

Protect Foam Rubber Mattress From Perspiration

Perspiration weakens foam rubber. Foam rubber mattresses should be protected with a good mattress pad, which is laundered frequently. Use pillow protectors underneath pillow slips on

foam rubber pillows.

Mattresses and pillows can be aired, but should not be placed in the sun. Heat damages rubber.

CARD OF THANKS

I want to thank each one who sent cards, for the telephone calls, and for the beautiful flowers sent to my home and to my father's funeral at Lindsey, Okla. It is a great comfort to be remembered by friends.

Shine Boy On Duty Sunday Mornings Before Church

Church enjoyed a Thanksgiving dinner Sunday in the home of Mr. and Mrs. Paul Wood.

Attending were Mr. and Mrs. Jarvis Angeley, Mr. and Mrs. Lowe, Mr. and Mrs. Alvin O'Hair, Frances Cole, Wayne Rutherford, Linda Kelley, Madtha Wuerflein, Hilda Bills, Carolyn Sanderson, Janice Prather, Bobby Angeley, Larry Kelley, Kenneth Lowe, Terry Green, Vidgil Vaughn, Joe Campbell, Max Goforth, Molly Ingalls, Ella Mae Bartlett, Jody Angeley, and Judy Wood.

Jarvis Angeley was host for a 42 party in his home Thursday night in honor of Truman Lowe. Refreshments were served, and games played, after which Mr. Lowe was presented with a new suit.

Larry Kelley is spending a two weeks leave here with his parents, Mr. and Mrs. A. L. Kelley, after completing his eleven weeks basic training at Lockland AFB, San Antonio. He will report back to Sheppard AFB, Wichita Falls.

Henry Randolph, Jane and Pat, and Mrs. L. A. Glasscock were in Clovis on business Saturday.

Paul Cannon narrowly escaped an injury Thursday afternoon when his pickup truck overturned on the highway east of Littlefield. Cannon lost control of the car, when he pulled onto the soft shoulder of the road to avoid missing a vehicle which had pulled out in front of him. A cut on his head required several stitches and his pickup was badly damaged.

Mrs. T. C. Martin and Mrs. Calvin Martin and Sundra Kay spent Sunday in Floydada, with Mrs. Calvin Martin's parents, Mr. and Mrs. Ro. C. Stewart.

Mr. and Mrs. Benny Shipley and son, of Amherst, visited the Homer Starkey family Friday night.

Mr. and Mrs. Kenneth Sanders, of Lubbock, former residents of the community, are the parents of a son, Gerald Wayland, who was born November 14, at Olton Memorial Hospital. The young gentleman weighed 6 lbs., 5 oz.

They have one other child, a daughter, Sonja Beth, 2 years.

Ronald and Donald Sandell spent Sunday with Carol and Jesse Cole.

Bob Usery and Carlis Bills visited Mr. Usery's brother last week, in Kansas.

Wayland Choir Will Sing 'Messiah' At 7th December 7

The Baptist Church will present the Wayland College Glee Choir in Handel's "Messiah," Dec. 7, under the direction of William E. Steward, organist of Wayland's Division of the Arts.

The choir, which has performed a number of years at Wayland College, has presented "Messiah" in churches of the area as well as in Plainview. The performance will be the first since the 1953 Christmas season of town appearance since the nucleus around the choir was formed. "Messiah" will be built for 3:15 p.m. Sunday afternoon, Dec. 11, at the Plainview High School Auditorium to which the public is invited.

Earth, Mr. Steward will only be the director but all the tenor soloists. While at the University of Texas at Austin, N. J., he sang with the institution's traveling choir and appeared with a number of outstanding musical organizations of the East.

Miss Susan Logan, Lamesa, is the soprano soloist. Miss Susan Logan, Lamesa, is the soprano soloist. Miss Susan Logan, Lamesa, is the soprano soloist.

News Highlights From Three Way

If we would take time to look back over the past year we could count many blessings. Perhaps we feel, just for a moment that we have had more than our share of the hardships, but if we would just look about us, we could find some others who have had more than we.

Three Way community has suffered severe crop losses from wind and hail storms, but no homes were destroyed by tornadoes. The dry hot weather burned the young crops last summer, but no houses and barns were destroyed by fire. Some have even lost livestock in various accidents, such as lightning or being struck by a auto, but no children or grownups were killed. On this Thanksgiving day, the community should give thanks for the many blessings.

Three Way school basketball teams played at Causey Tuesday evening, with both boys and girls coming home victorious. The teams played Spade Friday evening. Girls were defeated and the boys won. No games were scheduled for this week due to the Thanksgiving holidays, Thursday and Friday.

Texas Housewife Wins Car for Life

In a dramatic, overtime finish, Mrs. John Anderson, a Ft. Worth housewife, outscored two male opponents to win the first of four national television "Dodge for Life" contests Nov. 12. Wife of a carpenter, Mrs. Anderson, 37, correctly answered the 12th of a series of safety questions, and for her victory will receive a new car every year of her life. So excited when informed by Bert Parks (right), noted quizmaster, that she had won, she had to leave the victory dinner after the contest and return to her hotel to rest.

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

alter Johnson, FHA Manager, called a meeting Thursday the purpose of correlating the new type loans arms. Invited to attend the meeting, which was held on the Underwood farm southwest of Lubbock, were bank representatives of Farmer County, SCS committee men, and workers, the city agent and extension service advisory committee men, the county ASC Manager, and a farm improvement loan is now a joint project of SCS and FHA.

Some of you people are allow some of your tractor gas expiration papers to expire. We would be pleased if there were way we could handle these in your absence on a tentative basis, but there isn't. Remember that this red money is just as good for dining as newly earned money. Wives know what to do about your husband is too busy come in and take care of it. If you're here, pick up a 1956 calendar, for yourself your neighbor, and a free of pocket combs for your ally.

our membership committee appreciates the steady stream of renewals that have been coming into the office the few weeks. Farm Bureau membership is staying substantially above the same period of year. Though no hand out gram is expected, Farm Bureau is looking forward to a national program that will present opportunity for agricultural people in the years to come. We are interested in the study of individuals are giving to help ourselves" type of program that would benefit farmers, ranchers, wholesalers, retailers, and others in plain areas. It would be directed to market locally produced vegetables and other food products in their season, and vide supplementary products in other Texas areas the year around. We think it has possibilities and hope to see further progress on it in the future. A secondary advantage of the plan presents is that it provides opportunity for the cooperative promotional efforts of member of Commerce groups and Farm Organizations.

PTA Meeting Was Monday Evening

The Parent Teachers Association of the Muleshoe schools has adopted a plan to sponsor "An Evening At Home" as a means of raising funds to finance the project for this year.

In our busy little community we believe everyone will welcome the opportunity to buy a ticket to stay at home one evening during the year.

Letters will be sent to parents through the schools and are to be returned, with the money, before the deadline of Friday Dec. 16.

Tickets will be sold through the school rooms and you will set your own price—but you will buy more relaxation if the amount is at least \$1. Upon buying a ticket you will be entitled to

stay at home from P. T. A. Monday evening, Dec. 19.

It is hoped that everyone interested in the improvement of our Grade school grounds and parking area will cooperate fully.

You will hear more and more about the "An Evening At Home" plan each week until Dec. 16. So keep this date in mind and buy a ticket when you have the opportunity.

WEEKENDED HERE

Mr. and Mrs. Melvin Bass, of Midland, visited here the past weekend with Mr. and Mrs. Harvey Bass, and other relatives and friends.

Lazbuddie Ends Season With 46-13 Win Over Cotton Center In Friday Contest

Friday the Lazbuddie Longhorns baled the Cotton Center Elks, 46 to 13 in a game played in the afternoon. Leon Smith was the big ginner as he ran for a total of 241 yards on five touchdown sprints.

The other touchdowns were made by Oliver on a reverse for 45 yards and a pass from Oliver to Watkins. Extra points were made by Smith, Ivy Daniel, and Gammons.

Mules' B Team Beats Sudan 12-0

After losing seven straight games this year, the Muleshoe B team finally grabbed a win as they beat Sudan's B team 12-0 at Sudan Monday afternoon.

The Mules started scoring early when fullback Leroy Corrales ran a touchdown from the five yard line in the first quarter. The try for extra point was no good and Muleshoe led 6-0.

Muleshoe scored again in the second quarter when Gerald Shanks, halfback, ran from the Sudan 29 yard line. The point after touchdown was no good and the score at half read Muleshoe 12, Sudan 0.

No score was made in the second half although Muleshoe got deep in Sudan territory several times. The game ended with Muleshoe winning 12-0.

The starting team for Muleshoe was: left end, Leon Atchison; left tackle, Leander Sims; left guard, Edgar Martin; center, Mickey Pierce; right guard, Joe Gross; right tackle, Royce Turner; right end, Jimmy Welch; quarterback, Don Alexander; left halfback, Doyle Turner; right halfback, Gerald Shanks; and fullback, Leroy Corrales.

total of 349 yards for the afternoon.

Jimmy Oliver, another senior was outstanding with his tricky ball handling, as he kept the defense guessing throughout the game. Jimmy completed seven out of 10 passes attempted.

Olen Ivy also played in his last game, and did a good job at his usual blocking and defensive game. He made several nice gains as a ball carrier.

Longhorn scoring was as follows:

Smith made five touchdowns on runs of 45, 60, 24, 34, and 78 yards.

Oliver ran 45 yards and also passed to Watkins which netted 5 yards.

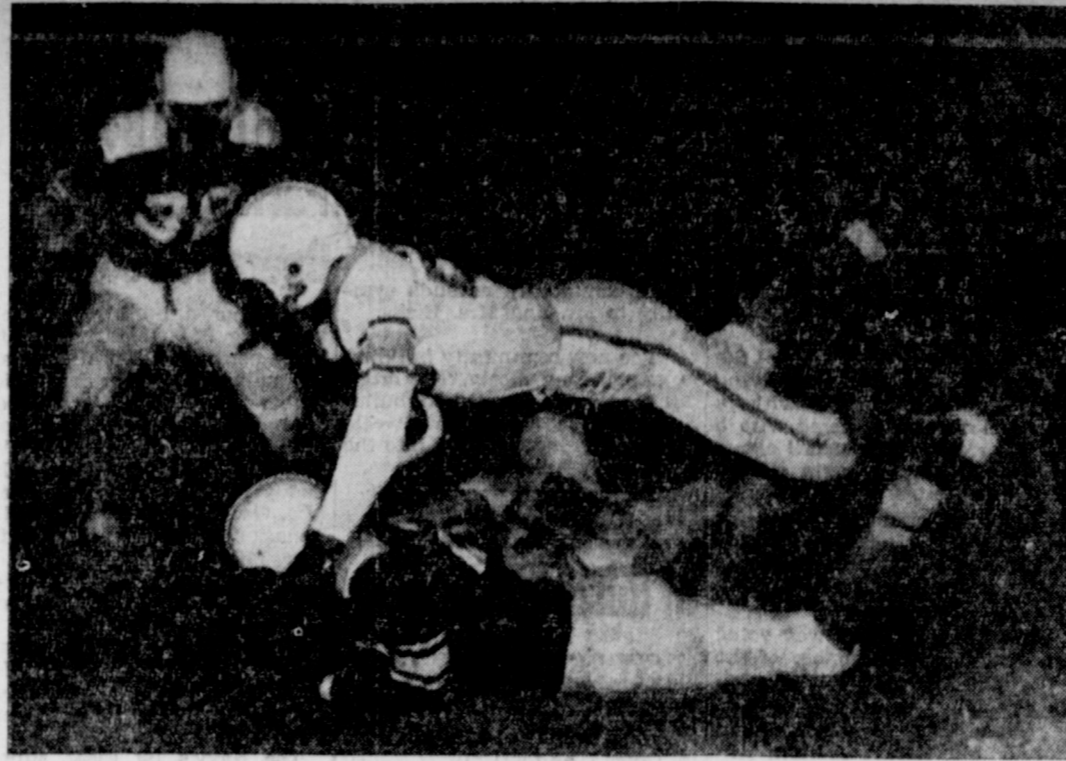

Lazbuddie closed out the season with 8 wins and 1 loss.

Mules Ended Season Friday

The Muleshoe Mules ended their 1955 football season Friday night, November 18, as the Tulia Hornets beat them 34-13 to give the finishing touch on a no-win season for the local lads. The Mules lost ten games to Tulia's one win and nine loss record.

Tulia got off to a fast start as they made a touchdown only three plays after they took the opening kickoff. Jeff Carlile ran the touchdown from the Mules 40 yard line. Billy Chandler, fullback for Tulia, ran the point after touchdown.

The Mules finally got going in the second quarter as they hove their way up to the Tulia 25

yard line. From the 25, John Young carried it thru the Hornets for the first Mule touchdown. The try for point was no good and the Mules were trailing 14-6.

The Hornets took the kickoff and were on the way again as they rushed to their 45 yard line. The quarterback then passed from the 45 to the waiting arm of Tulia halfback George Washington on the 15 yard stripe who ran it on over.

George Washington kicked the point after touchdown to make the half time score Tulia 21, Muleshoe 6.

The Hornets scored again in the third quarter when Carlile ran it from the 22 to the 10 yard stripe. Washington then carried it over and the extra point try failed to make the score 27-6.

The Mules then got started with the oil steam as they rushed from the 40 yard line to the Tulia one yard line in about seven plays. Dickie Johnson, Mule quarterback, then carried it over and Young ran the point after touchdown to make the

score 34-13.

Going into the fourth quarter, the Hornets struck again as they got up to the Mules 1 yard line. Carlile then ran it over for the last TD of the game. Potter kicked the extra point to make it Tulia 34, Muleshoe 13. The score remained the same through the rest of the game.

Mulettes Beat Friona 32 to 15

Muleshoe basketball teams took two of three wins against Friona Monday night, November 14, as the 8th grade beat Friona 29-28, the B team lost to Friona 26-24, and the Mulettes won 2-15.

In the eight grade game it was very close, and each team was leading the other all through the game. In the last two minutes of the game, Muleshoe took a three point lead and Friona narrowed it down to one but Muleshoe kept that one point lead to take the game 29-28.

The Muleshoe B team played a close game all the way, but Friona beat them out as they went into overtime. Hand of Friona made the winning two points and she was also high point for Friona with 8 points.

Shirley Davenport was Muleshoe's high scorer with 9 points. The Mulettes led Friona from the beginning and kept the lead. The Mulettes were leading 8 to 5 at the end of the first quarter and at the half were leading 12-

7. In the third quarter the Mulettes boosted up to a 22-13 lead and in the fourth made it 2-15. Miller was Friona's high pointer with 7 points and Mary Jo Holt was the Mulettes' high scorer with 18 points. The Mulettes have won two out of three this year after Morton beat them last week 53-3.

'My Sister Eileen' Joyous Comedy Romp in Cinemascope and Technicolor
"My Sister Eileen", Columbia Pictures' new Technicolor comedy starring Janet Leigh, Jack Lemmon and Betty Garrett, opens Sunday at the Valley Theatre. Based upon the hilariously triumphant Broadway hit play of the same name, "My Sister Eileen" has been called the freshest, funniest and most joyful love and laughter hit ever to swing its way across the CinemaScope screen.
"My Sister Eileen" is the story of two girls from Columbus, Ohio, who come to New York seeking careers as actress and writer, respectively. Eileen is a cute, curvaceous and thoroughly delightful blonde charmer; Ruth, her older sister and the would-be author, views with wry humor and a touch of envy the manner in which every man around reacts as soon as he sees Eileen.
"As soon as They See Eileen" is in fact, one of the several happy hit tunes from the joyous new production. It is joyfully doleful ditty sung by Miss Garrett, as Ruth, in the Greenwich Village basement apartment which contributes much to the hilarity of the picture.
Said to be strictly rollicking comedy entertainment of the highest Hollywood standard, "My Sister Eileen" is distinguished not only for the delightful teaming of its feminine stars, in appealing roles which offer them ample opportunity to sing and dance, clown and romance with engaging exuberance, but also for the ingratiating role it offers romantic comedy star Jack Lemmon last seen as the girl-chasing ensign of "Mistee Roberts". Lemmon zestfully carries on as the magazine editor who not only delights in Ruth's stories about the man appeal of "My Sister Eileen" but refuses to believe they are based upon her own experiences; he prefers Ruth as she really is. Robert Fosse appears as Eileen's shy young soda fountain suitor; Tommy Ball, as the wolfish newspaperman who ultimately involves Ruth, Eileen and all of Greenwich Village in a frenzied conga line led by the Brazilian Navy. Both Fosse and Ball are remarkable dancers as are Misses Leigh and Garrett.
Featured with Fosse in the film are Kurt Kasznar, as the double-talking art-loving landlord of the girls' fantastically uncomfortable apartment.

SOCIAL CLUB

Pleasant Valley Social Club enjoyed the annual club birthday dinner November 10, in the home of Mrs. Gerald Allison.

The serving table extended the full length of the spacious living room, and was spread with a white cloth and centered with a lovely arrangement of fall asters and chrysanthemums in shades of pink.

Mrs. Jim Grizzle, president introduced the guest speaker, Mrs. Ray Edwards of Muleshoe, who gave an interesting and humorous talk on hobbies.

Mrs. Andy Andreas was voted outstanding club member of the year, and presented with a crested sweater.

Attending were Meses. Oscar, Harold and Gerald Allison, Andrew Angeley, Roubinek, Bickel, Turner, Grizzle, Wuerflin, Billy Free, Hammett, West, Ragsdale, Riddle, Hodges, Green, McCallman, Hutton, Adams, Haber, Thompson, McKinstry, and the guest speaker, Mrs. Ray Edwards.

Yams and Pork Top Plentiful Foods List For Month

Housewives should find the December plentiful foods list to their liking both from the standpoint of supplies and price. Holiday meals promise to be cheaper this season than in several years, judging from the list the U. S. Department of Agriculture has declared plentiful.

Topping the list is a great combination, sweet potatoes and pork. Supplies of both are heavy and prices favor consumers.

Despite the fact that this winter season, more fruits are available now than in several months. These include grapes, winter pears, cranberries, and grapefruit.

Also more dates are showing up at local markets than is usual at this season. Pinto beans and Irish potatoes are also on the December list.

Turkeys, broilers and fryers, beef and canned tuna are almost as plentiful as pork in this area.

Other foods rating a spot on the USDA's list include dairy products, lard, vegetable fats and oils.

Tenure Is Factor In Machining Of Plains Cotton Crop

High Plains farmers in 1952 were in a position to weigh the economics of stripping versus handharvesting and to select the method that would yield the highest return. The early killing frost made machine-harvest practical. Their decision was neither to handharvest their entire crop nor to harvest it all by machine.

Instead, says a study just released by the Texas Agricultural Experiment Station, most farmers chose to first go over their good acreage by hand and then complete the harvest by machine. Low yielding acreages were stripped by machine the first time over.

Tenancy, report W. G. Adkins and W. H. Metzler, appeared in both the 1951 and '52 surveys as an obstacle to the use of mechanized harvesting. Landlords object to machine-harvesting on the basis of grade losses and lower returns while the tenant profits from the lower harvesting costs. Recent studies, say the economists, indicate that grade losses are a matter of harvest time rather than of the method used. The earliness of a killing frost was also found to be an important factor in determining which method of harvest would be used.

For the 1951 and 1952 seasons, 40 percent against 42 percent of all bales were machine harvested on the High Plains. Only 2 percent of the farm operators handpulled all of their cotton in both 1951 and '52, but 16 percent stripped all their cotton in 1952 against 8 percent in 1951. The combination of hand and machine harvesting was used by 84 percent of the farmers in 1951 and 76 percent in 1952.

Full owners cut back machine-harvesting while tenants increased their use of machines. In 1952, owners machine-harvested 45 percent of their cotton compared with 68 percent the year before. Tenants on the other hand jumped their use of machines from 26 percent in 1951 to 41 percent in 1952.

Two Local Boys Participate In Operation Sioux

A major amphibious exercise involving 25,000 Marines, 20,000 Navy personnel, 300 aircraft and 125 ships, was completed November 18 on the California coast.

Among those who took part with the 1st Marine Division, Camp Pendleton, Calif., were Pfc. Teddy R. Collins, son of Mr. and Mrs. George H. Collins of Sudan, Texas, and husband of the former Miss Evelyn K. Estum of Littlefield. And Cpl. David J. Garcia, son of Mr. and Mrs. David B. Garcia of Sudan.

The exercise, dubbed "Operation Sioux" was climaxed November 15 with an amphibious assault on the beaches at Camp Pendleton.

The Navy's 1st Fleet, supplemented by units from the Royal Canadian Navy, deployed aircraft carriers, cruisers, destroyers, minesweepers, assault boats and patrol craft in the exercise. Assault troops stormed ashore in conventional landing craft and Marine transport helicopters.

Electrification Of Rural Farms Increases Yearly

The 1954 agricultural census recorded a total of 292,946 farms in Texas. The total number electrified last November stood at 269,219 for a percentage total of 91.9. By contrast, in 1940, only 22.4 percent of the farms reporting were electrified; by 1950 the number had jumped to 260,373 farms or 78.5 percent.

In 1940 only 17.6 percent of all farms in the state reporting had telephones. During the next 10 years the percentage rose to 23.9 percent but from 1950-54 the percentage jumped to 38 percent.

A summary of the preliminary reports from the 1954 Census of Agriculture covering Texas also show that rural residents have equipped their farms and homes with many electrical appliances for making life in the country more enjoyable and also have used electricity to save labor and increase production.

The summary shows that by October of 1954, 30.8 percent of all farms had television; 68.1 percent had piped running water; 32.1 percent had a home freezer; 12.6 percent had a power feed grinder; 3.4 percent a milking machine and 8 percent used electric pig brooders.

It must be remembered, points out Extension Agricultural Engineer W. L. Ulich, that the percentages are for all farms in the state and the percentages vary with almost every county. In the case of feed grinders, he says the greatest numbers are found in the counties where much grain and forage is produced and fed to livestock and poultry. Milking machines are most numerous in

Everybody's Business

HANDY GUIDE CUTS MYSTERY OUT OF FINANCIAL LINGO

President, Jack Cage & Co.
A doctor recently handed a friend of mine a prescription for a minor ailment.

My friend looked at the hieroglyphics scratched on the pad and tried a feeble joke. "It's all Greek to me," he said.

The doctor laughed and threw a sheet of paper across the desk. "If that's Greek to you," he replied, "this is Greek to me!"

It was a financial statement. "That's money talk," it was my friend's turn to laugh.

But in all seriousness, I realize that every business and profession has a language all its own and in certain fields, if you don't know a bundle of technical terms, you can be hit where it hurts the most, in your pocket-book.

Here, for instance, is a glossary of terms appearing in a balance sheet which is a statement of a company's financial condition as of a given date. Some of this may be old hat to you, but financial lingo keeps cropping

up every time you try to borrow or invest money, buy insurance or transact other financial business.

ASSET. Something of value owned by the company. It can be tangible such as a building, or intangible such as a patent.

LIABILITY. A debt, or an obligation to pay money or property or to perform a service.

CURRENT ASSETS. Cash plus any other assets that will be converted, sold or used up during the company's operating cycle. (This cycle is from cash to raw material to finished product back to cash.)

CURRENT LIABILITIES. Debts or obligations that must be met within a year.

NET WORTH. The amount by which a company's total assets exceed its total liabilities. It represents the value of the owner's interest, or equity, in his company's assets.

FISCAL YEAR. The 12-month period over which a company balances its books. This term is usually used only when the 12-month period does not coincide with the regular calendar year.

SINKING FUND. A fund in which a company makes periodic deposits in order to accumulate a sum of money it will need at some future date to repay a debt or replace an asset.

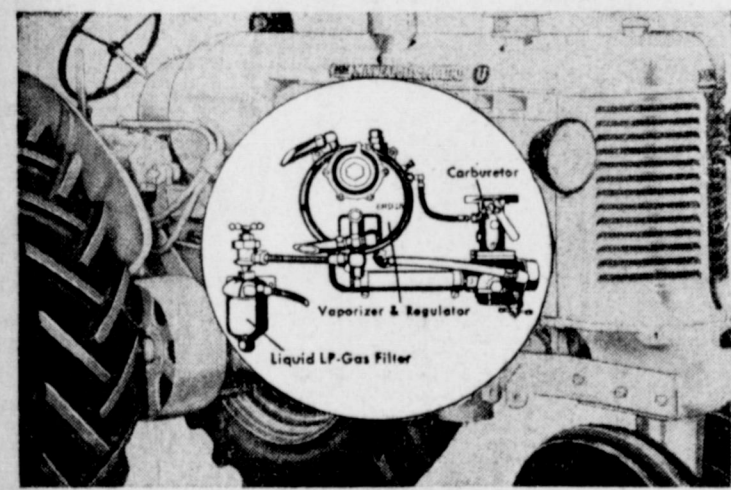

EARNED SURPLUS. Income, not distributed to the owners, but kept in the business.

DEPRECIATION. The continuous decline in the value of a company's buildings and equipment in the course of its operations. It is an item of expense through which the money paid for the plant or equipment is shown as having been spent in installments over the productive lifetime of the plant or equipment.

Allison Brothers Put Dry Burrs On Feed Lot To Compost For Soil Improvement

The Allison brothers, Harold and Oscar, in the Pleasant Valley community, are spreading dry burrs and gin residue in their feed lots at the present time. They have 150 head of cattle in the corals, and plan to continue applying the dry burrs during the ginning season.

The dry burrs act as bedding for the cattle, but the main purpose in putting them in the lot is for a long range soil improvement program. The burrs, combined with barnyard manure plus additions of phosphates, will with judicious moisture, form composted burrs, plus the manure, and when this is applied to the soil, will add considerable nitrogen to the soil.

A comparative table has been prepared by the Extension Service, showing the fertilizer value of burr mold, as compared with barnyard manure.

Burrs give 1.5 per cent available nitrogen at 30 pounds per ton; 3.95 per cent phosphate at 7.90 per ton, and potash gives

5.076 at 101.52 pounds per ton. Barnyard manure gives .500 per cent nitrogen at 10 pounds per ton; 300 per cent phosphate at six pounds per ton and 400 per cent available potash at eight pounds per ton.

The greatest effect this composted material will have is to improve the soil structure and soil tilth when applied. Composting is the decomposition of the material into a humus. One hundred pounds of crop residue gives 20 pounds of humus which releases one pound of free nitrogen.

The three elements which the compost will put into the soil are nitrogen, potash and phosphates, each having decisive effect on the plant. Nitrogen gives top growth and green color to the plant; phosphate gives health to the plant and controls and speeds the maturity; potash controls the root and stem growth of the plant.

Harold Allison told the Journal Monday that they will keep the

material wet down to insure composting, and will not attempt to spread the composted material in their fields for at least 12 months. This waiting period is to insure the killing of pink bollworms and also to kill the germination of bindweed seed which might be contained in the burrs. The 12 months period of composting complies with government regulations concerning pink bollworms.

In addition to the benefits as bedding, and eventual use as a soil additive, the dry burrs furnish a low grade roughage to the cattle, and is effective in controlling scours in large herds.

There are three acceptable methods of using gin trash according to regulations. Burn the material, which gives an ash high in potash content. Composting, which requires considerable space and water, and control of the bollworms, and grinding which gives the roughage, and from 4 to 10 per cent protein. The use of a double fan system at the gin eliminates hammer milling the burrs and makes them acceptable for use.

"Father Knows Best" To Be Presented By Junior Class Here On December 1-2

"Father Knows Best", the comedy that has worked its way into the hearts of the American people on radio and TV, is being presented by the Junior class December 1 and 2, in the Muleshoe high school auditorium at 8:15 p. m.

The play whales comedy for all the family as "Father", Don Copley, creates problems after problems for his daughters, Janelle Sedgwick and Annette Leveridge, friend, Rosie Lee Miller, and his loving, understanding wife, Quinell Elliott, Mr. Brinkwort, Lewis Wimberley, and his son Ralph. Buford Watson, also become involved with both father and the police as "Father" complicates

matters more and more by trying to run his household. The Blummer Girls, Evelyn Bratcher, Brenda Simmacher, La Vayne Gregory, a local garden club, also came in to cause Father more trouble.

The repair man, Richard Pillow, is heckled not only by Father but by Bud, Larry Hicks, and Johnson of Missing Persons, Jimmy Morrison, as he tries to repair the family washing machine.

Others in the play are Bud's friend played by David Brogden, and the Policewoman, Charlie Kay Miller. Student directors are La Von Copley and Teddy Eason.

The play is cleverly written by Kalstin Sergel from the radio

program of Edward Jones, and is being presented by special arrangement with the Dramatic Publishing Co.

The Junior class, under the sponsorship of Mrs. Erwin and Mr. Mantooth, will use the play as one of their money raising projects for the Junior and Senior banquet. Tickets will be \$1.00 for reserved seats, and 75c and 50c for general admission and may be purchased from members of the Junior class, or reservation may be made by contacting Mr. Mantooth or Mrs. Erwin at the Muleshoe high school.

BEEF TRUST TO BEEF TRUST has a gilt-edged, if repetitive ring. Yet it concisely fits 14-year-old Tom Greenfield, ex-National Football League star. Nowadays he's recognized as Arizona's outstanding Angus cattle breeder with herd so valuable that local folks call them "Fort Knox on the Hoof." As Green Bay Packers' center, breeder was in line trio labeled "big beef trust."

AFTER WORLD WAR II service, which earned him Silver Star, Greenfield started raising cattle for show and sale.

AT 4,500-ACRE Tomar Ranch, north of Tucson, Ariz., life revolves about cattle. Couple christened son "Rocky," honoring dad's idol, the late Notre Dame grid mentor.

GREENFIELD, NOW PRESIDENT of Arizona Aberdeen Breeders' Association, has developed stock from two brood cows in 1951 to 140-head herd. Ex-footballer operates own irrigation system with four gas-powered pumping units. Tomar's equipment includes nine International trucks and tractors, combines and hay balers.

About Homemakers & Homemaking IN BAILEY COUNTY Home Demonstration Agent By MOLLIE STINSON

The County-Wide Home Demonstration Club's Tea and Dress Revue was a success. (I can say that because the women did all the work!) Seriously around 40 people attended the affair and twenty ladies modeled the garments they had made in advanced dressmaking workshops. If you didn't go to the tea you missed a treat. All of the women looked lovely in their suits and dresses. They had done a good job of accessorizing their suits, too.

Mrs. Harold Mardis was the hit of the party though with her outfit which she modeled in the Bailey County Dress Revue twenty years ago. She wore a black dress with a ribbon belt which hung below her waistline and a tucked shirt which came to her knees. Her accessories were in keeping with the dress. Mrs. Mardis won a trip to A&M with this same dress when she first modeled it.

Thanks go to Mrs. Leona Nesbitt of Three-Way; Mrs. G. T. Maltby and Mrs. Harold Mardis of Progress; Mrs. Janey Lou Moraw of Community Center; Mrs. Margaret Hough and Mrs. Jack Peel of West Camp; and Mrs. C. H. Gillis, Mrs. Jean Landers; Mrs. S. L. Robinson, and Mrs. S. C. Caldwell of Muleshoe for their part in making the event a success.

The Community Center club deserved some thanks too, for the use of their building for both the women's meeting and the 4-H Achievement Day activities.

Here is some information I'd like to pass along to the rest of you about accessories. We saw Saturday how much the right accessories could do for a dress.

COLOR IN ACCESSORIES
Accessories should accent or complement a costume—they should not call or hold attention to themselves.

Choose them to add spice to a simple solid color dress or suit, or to supply the unifying note with a striking print dress or plaid suit.

Plan your accessories carefully before you buy—remember the color and design of your basic dresses or suits. Avoid bargains with which you have nothing to wear.

Avoid too many different colors in one costume. The eye jumps from one spot to another, and you lose the effect of unity. A general rule for the use of contrasting color, texture or pattern in accessories is never to repeat more than three times—generally two is smarter; for example, shoes, bag and gloves, or shoes, bag and hat, or bag and hat.

Intensity of the color is important. Don't overdo it. The more brilliant or intense the color, the smaller the area it should cover. Unusual colors draw the eye just because they

are complex in makeup. Use them with care.

Basic colors in accessories, namely black, brown or navy, are always in good taste and easy to use.

Color, both bright pastel and vivid tones, in shoes is a fashion to be used with caution. These call attention to the feet and ankles. Be certain yours can stand the spotlight.

Emphasize your best features by adding color contrast or design interest at that point. For example, color accents in a hat may direct attention to a flawless complexion, beautiful eyes or the profile.

A final suggestion: look smart but not extreme. Don't overdress. The best dressed women are often the simply dressed.

MAC Club Formed At High School

A new club was formed at MHS Monday, November 14, and the name for the club was the MAC club. The Club is for both boys and girls that have lettered in some kind of athletics at Muleshoe High School.

Officers were elected and they are: president, Joe Roark; vice-president, Charles Parker; secre-

Three Way School Carnival Netted Sum Of \$600

A large crowd attended the annual Three Way Carnival Friday evening, November 4, and a total of \$600.74 was netted from the affair.

The senior class led with \$182.02; juniors were next with \$50.01. Others were sophomore class with \$26.12; the nine lower grades, \$120.44; P. T. A., estimated \$60; Cub Scouts, \$15; F. H. A., and Pep Squad, 70; F. F. A., \$13; and gate receipts, \$64.14. All these figures are the net receipts.

Senior class will use the money they made on their booth to help defray expenses on the senior trip and other activities; juniors will use their receipts to help pay for the annual junior-senior banquet; pep squad and F. H. A. receipts will go toward helping with the football team; cub scouts will use their money to further scout activities; and the P. T. A. funds will go into the school project.

Remainder of the money will be used to pay for the carnival and coronation expenses, and for miscellaneous needs of the school. Expenses amounted to \$120.73.

The money was used for lumber used in the building of stands for the coronation decoration, new trains for the queens, etc.

Three Way School would like to express appreciation for the cooperation given by the community.

Grade School Students Observe Nat'l. Book Week

In keeping with National Book Week, November 13-19, the intermediate grades have done much to add interest to their reading program.

Art classes have drawn story book illustrations which are on display in the library and in class rooms. Children have been given record books entitled Books I have Read. These books provide space for the children to record the author, title, and a short summary of the book. Attractive books markers were given each child along with instructions on how to open and care for new books. New books have added interest to the reading program. Don't be surprised to see your child turning down a game or trip for an adventure with an American Hero.

A special feature for book week will be the presentation of a play, "The Magic Book Shelf," by the fourth grade. In the play, book characters come to life to entertain a bored boy and girl on a gloomy day. The play emphasizes the National Book Week theme "Let's Read More."

The play will be presented for the fourth and fifth grade pupils and mothers in the auditorium of the Intermediate building, Friday November 18 at 3 p. m.

Musical Program For Rotary Club

Alva Lee Shofer and Betty Shanks, Muleshoe high school students, brought a musical program for the Rotary Club at its noon luncheon Tuesday. They were introduced by Norvil Howell, band director. The program was in charge of John Miller.

Alva Lee sang two songs, accompanied at the piano by Betty. Guests included Rotarians Phil Raught and Joe Salem, Sudan; Carl Dahlgren, REA telephone engineer, Lubbock; John Zahn, Muleshoe real estate dealer; and Charles Jennings, junior Rotarian of the month.

Larry Dunham Is President Of MHS Freshmen

Larry Dunham was elected president of the freshman class Monday, Nov. 14, at a court meeting.

During the meeting, a new class officer was elected, a new class song was chosen, and a new class motto was adopted.

Class officers are: president, Larry Dunham; vice-president, Alvin Allison; J. T. Shofer, A. J. Lenderson, Glen Williams, C. W. Weeks, Bob King, and A. R. McGuire.

Noted Editor Named Speaker For CC Banquet

Wes Izzard, publisher of the Amarillo News-Globe, has accepted the invitation to be the principal speaker at the annual membership banquet of Muleshoe Chamber of Commerce, set for Friday night, January 13.

Mr. Izzard is a widely known editor, columnist, and radio news analyst. His column, "From A to Izzard" appears daily in The News; and he is heard at newscast time for Station KGNC, owned by the News-Globe.

Directors of the Chamber of Commerce selected Mr. Izzard

and J. M. Forbes of The Journal telephoned him to extend the invitation. Mr. Izzard said he was delighted to accept, saying that he never before has appeared in Muleshoe and was anxious to do so.

He is popular as a speaker all over the Southwest. Mr. Izzard never charges anything for his talks or expenses for his trip. He said the paper considers his appearances in the various communities to be a fine form of public relations.

Detailed information as to the program for the annual affair

here will be printed in later issues of The Journal.

Thanksgiving Program Topic As Guild Met 13th

Monday evening thirteenth of November, Wesleyan Guild members gathered at the home of Elizabeth Harden for a Thanksgiving program.

President Evelyn Johnson, was in charge of the program. Thanksgiving Devotional, was given by Mrs. Mable Dowell, who closed with prayer.

Mrs. Dowell introduced Jerri Wilhite and Alva Lee Shofers who rendered "Count Your Blessings" featuring Miss Wilhite on the accordion and Miss Shofers as soloist. They were accompanied at the piano by Betty Banks.

A short talk on "The Origin of Thanksgiving" was given by Mrs. S. D. Stemmmons and very much enjoyed by the group. Mrs. Buford Butts stressed the fact that all who possibly can should take the chest X-rays when the machine is brought to town. Members voted to make stents, providing the X-ray technicians do not furnish them.

Next meeting will be held with Mrs. Ray Edwards, November 28, 7:30 in the evening. Miss Harden served refreshments of delicious chicken spaghetti, frozen salad, crackers, tea and coffee.

Meeting closed with ladies saying in unison, "The Lord's Prayer."

Attending were: Mmes. Fred Johnson, Lois Schoenberger, Jesse Wright, S. D. Stemmmons, A. C. Swadlow, Buford Butts, Mable Dowell, Clarence Stephens, James Hite, Ray Edwards, A. S. Stoll, Jim Burkhead and Francis Breath.

Geneva Locke And D. Huckleberry Marriage Revealed

Mr. and Mrs. B. C. Locke, of Muleshoe, are announcing the marriage of their daughter, Geneva, to Edmond Donald Huckleberry, son of Mr. and Mrs. Clarence Huckleberry, of Pache, Okla. The marriage took place November 1, 1955, at the First Baptist Church in Clovis, N. M., with Rev. Joseph B. Underwood officiating.

Attending were: Miss Margaret Stallings, Muleshoe, and Robin Taylor and Bill Scott, of Pache.

Husbands Guests As Gleaners SS Class Met Tuesday

Husbands of members of the Gleaners Sunday school Class at the First Baptist Church were guests, as that organization met Tuesday evening, November 14. Meeting was held at the home of Mr. and Mrs. Earl Bratcher who served delicious refreshments of pie and coffee to others attending.

Those present were Mr. and Mrs. Bobby Wallace, Mr. and Mrs. Arch Fowler, and Mmes. Bob Ogle, Lorraine, Melvin Seymore, Charles King, and Jack Obenhaus.

Pre-Nuptial Shower Fetes Juanice Dill

Miss Juanice Dill, bride elect of John Niessadt, was feted last Thursday afternoon from 4:30 until 5:30 with a pre-nuptial shower at the home of Mrs. W. R. Tittle, in Muleshoe.

In the receiving line was Mrs. Tittle, the honoree, her mother, Mrs. Rea C. Dill, and Mrs. John White, of Lubbock, who served as bridesmaid at the wedding of Mr. and Mrs. Dill.

Miss Dill was presented with a wrist corsage of pale pink carnations, and her mother was presented with shoulder corsage of pink carnations, from the hostesses.

Hostesses were Mmes. Thurman Kent, T. H. Kent, Jess Pendergrass, Bob Blackwood, Luther Hall, W. B. Wagon, Jr., and Dick Scott.

Pink and white, the bride elect's chosen colors, were carried out in decorations. The serving table, set with a lovely cloth of pale pink linen, was centered with floating gladiolus blossoms, and greenery. Napkins were white, and imprinted in one corner in silver was John and Juanice.

Mrs. W. B. Wagon, Jr., poured hot spiced tea from a silver tea service. Assorted cookies and nuts were served.

Gifts were on display in the room.

Calling during the afternoon were Mmes. H. A. Douglass, Sr., Truman Lindsey, W. M. Harmon, Jacque Baker, O. M. Self, T. B. Smallwood, Gene Lowe, Ina Vickery, Joe Tipton, Truman Stroud, A. J. Gardner, F. B. Picerson, Christine Rutherford, E. O. Baker, Louise Ruckstahl, and Misses Wanda Cherry, Sandra Dill, Dolores Lowe, Dorothy Gies and Karen Smallwood.

Many persons who were unable to attend, sent gifts.

BABSON DISCUSSES— CHRISTMAS BUSINESS

Babson Park, Mass., Nov. 24. There are several reasons why we all — buyers, clerks, storekeepers, and manufacturers should be greatly interested in Christmas buying.

CHRISTMAS AS A BUSINESS BAROMETER

Christmas buying is a good barometer of the nation's feelings. When I was younger, I thought that the nation's business was ruled by statistics — certainly statistics on the wage and credit available. Now I am older I have learned that it is ruled not alone by figures, but by feelings. I am happy to report that an impartial study of the outlook for Christmas business shows our people are feeling good.

May I comment further on the above. I have just read the annual report for 1955 of my great friend — Dr. Edward B. Hinkleley, President of the Babson Institute. In this report, he speaks of two kinds of income which he must give to his professors. One of these, of course, is Cash Money with which they can pay their bills and lay up some savings. The other income which they must get he calls "Psychic Income." This is largely a matter of feeling secure, happy, and contented. I think every reader of this column, from the humblest worker to the highest-paid executive, might ask himself: "What is my Psychic Income?"

BUYING DETERMINES EMPLOYMENT

Christmas buying also means much in a tangible sense. When you buy a present for a friend, you start a most important business cycle. First, you cause a gift to go to a friend or relative or — best of all — to someone in need. Second, you give help to the retailer, providing him with pay for his small portion, two or three cents from your dollar, only after he has paid for the goods, paid wages of his clerks, paid rent, advertising, and other bills.

Then there is a third part to the Christmas Cycle. In paying for the goods, the storekeeper

enables the manufacturer to employ people. These people bring most of their wages back to the store and buy more goods — thus completing the cycle. When the cycle works as described above, the nation enjoys prosperity. When the cycle is broken at any point, employment and business (they always go up and down together) fall off. Then — unless the break is repaired — the nation suffers a depression.

THE BUSINESS OUTLOOK FOR 1956

Christmas buying thus far indicates a good 1956; but something could happen during the next few weeks to change the outlook. Readers of this column will get my detailed "Outlook for 1956" in this paper the last week of December. It will treat of Business, Inflation, Retail Trade, Wages, Employment, Politics, and the Stock Market. From what I see now, this Forecast should give you a Merry Christmas.

Of course, all sections of the country will not be equally happy this Christmas. The thousands of families in New England, Pennsylvania, and other areas which had their homes washed away by floods cannot forget their losses. On the other hand, states which for three years have suffered from droughts are rejoicing over the good 1955 rains. In fact the weather for the balance of 1955 could be a factor in this year's Christmas buying. We are all inclined to give too little thought to weather, epidemics, threat of war, and even to possible earthquakes. What President Eisenhower's heart attack did to the markets in September could be repeated for the same or other reasons.

WHAT WOULD JESUS SAY?

What Jesus would say to the present-day celebration of His Birthday, I do not know. It seems to me that He would be unhappy about the way it is being commercialized. Jesus, however, was liberal, as is shown by the lesson He gave during His walk through the corn field. On the other hand, anything can be

SAND HILLS PHILOSOPHER— Says Ike Entitled To Few Months To Decide, It Takes Congress Years

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses politics this week, without making much headway.

Dear editor:

It's not my job to advise the politicians, the way I see it, there's too much advice in the world already, especially farm advice, but it seems to me the politicians are starting in so early on the next election which won't happen till a year from now that by the time voting day rolls around everybody will be tired of the subject.

In fact, if farmers started working on next year's crops as early as politicians do on next year's election, no telling how big the surplus would be.

I sort of like the way President Eisenhower is handling the situation. He doesn't even discuss the matter.

I know there are a lot of people who wish he would say what he plans to do about running again, some Republicans want him to say so they can get in the race if he doesn't, others don't want him to say anything unless he can say yes, and some Democrats want him to stay quiet so it'll confuse the other Republican candidates, other Democrats want him to say something, provided it's no

Personally, I prefer silence, for this reason. The other day I read an article about a big industrialist who said his plans for expanding his business were being held up until he found out what President Eisenhower is going to do, and that's the policy I use out here on my Johnson grass farm.

There are a few preparations I could be making now toward next year's farming activities, but I hesitate to do anything until I find out what the President is gonna do.

This is a sound policy, provided you don't carry it too far. For example, it wouldn't be a good idea to hold up all your efforts until you find out what Congress is gonna do. I tried this once and it was three years before I found out and even then I wasn't sure.

People ought to be content to let the President take six months or so to make up his mind, when it takes Congress years.

Yours faithfully,
J. A.

Marketing Services Get High Food Cost Blame

By John G. McHoney
Texas Extension Service Ec.

Who is to blame for high food costs? Why have they remained high despite falling farm prices? Whenever the cost at retail rises, housewives want to know why. Farmers look at the prices

paid in cities and then at prices they receive and they want to know why.

About 14 persons out of a hundred produce the food consumed by the other 86. As a result, 86 want lower food prices, and 14 want good prices for farm products.

Where can unsound economic rumors regarding food costs spread the quickest — in areas where people are scattered or in urban centers where they live close together, all having a mutual budget problem?

If you are concerned over the fact that in 1954 the farmer got 13 cents out of every dollar you spent for food at retail, you should be concerned that the marketing system got 57 cents. Don't completely blame the farmer nor the marketing system. Maybe you play a part in the high cost of food. Have you ever thought about that?

Mrs. Housewife, do you want to slice your own bread? Still worse

overdone: everything can be either used or abused.

Let us use Christmas that there will never be an unfavorable reaction. Let us make gifts to those who need them. Let us keep in mind what good we can do for others — rather than what profit the gifts may bring to us. To help keep me on the right road I have put up a Holiday sign near the Great Babson Globe (the largest revolving Globe in the world) with these words thereon: "FOR WHAT IS A MAN PROFITED, IF HE SHALL GAIN THE WHOLE WORLD AND LOSE HIS OWN SOUL?"

do you want to kill, scald, pick the feathers, clean and dress the chicken or do you want to buy it ready to serve in a fancy labeled box from the frozen food department?

If you prefer the older methods of preparing food, you would never make that 2 o'clock bridge party at Mabel's.

If you want hamburger, do you want to get out a meat grinder like mother used?

Don't you prefer an air-conditioned store with a nursery for the little ones? You may prefer a store that is beautifully lighted, well decorated and one that has a free parking lot where you can be in the store in a matter of seconds.

Why, you can even satisfy hubby's desire for biscuits by opening a can. You don't even have to slice cheese. You don't don't have to carry your groceries to the car. A youngster does it for you.

"Living", that's what you call it, but Mrs. Housewife, don't forget that you are paying for it and at no fault of the farmer. These costs were included in that 57 cents of your dollar spent for food.

If your husband likes pickles, buy cucumbers direct from the farmer and let him get practically 100 cents out of your pickle dollar. Then you can stay home, make your pickles and miss Mabel's bridge party. Huh? I don't blame you. I would not do it either.

I don't believe farmers want 100 cents of the consumer's food dollar because they know a highly organized and efficient marketing system enables more of their products to reach more people at the right place, right time and in the right form for greater utility.

According to the U. S. Department of Agriculture, the farmer was getting 51 cents out of the consumer's farm food market basket dollar in 1947. By 1954 he was getting only 43 cents.

During the same period, the retail cost for the farm food market basket per urban wage-earner and clerical-worker family increased 57 per cent. At the same time, the farm value of the products in the farm food market basket dropped 9 per cent. The marketing margin, the difference between what you pay for the farm food market basket at retail, and what the farmer received, increased 21 per cent.

Is the farmer to blame for those commodities you buy, when his share of the consumer's food dollar dropped and when the marketing margin increased?

How can we put the blame on the marketing system when its

only about 5 cents."

CHRISTIAN SCIENCE SERVICES

Man's need for spiritual alertness will be emphasized in the Lesson-Sermon "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" at Christian Science services Sunday.

Selections from the Bible will include the following passages from Sermon on the Mount (Matt. 7:15, 16): "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?"

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (134:28): "There is di-

vine authority for believing in the superiority of spiritual power over material resistance."

The Golden Text is from I Corinthians (16:13): "Watch ye, stand fast in the faith, quit you like men, be strong."

SISTERS ARE HERE FOR THANKSGIVING

Mmes. Ray Jones, Georgia Brown and Aleck Richardson, of Oklahoma City, and Mrs. Johnnie Newman, of Harlingen, all sisters of Mrs. N. J. Mattiesen, arrived here over the weekend and will spend the Thanksgiving holidays with her and other relatives and friends.

Today's Meditation

We Thank God For His Blessings

Read Colossians 4:1-6.

Bless the Lord, O my soul, and forget not all his benefactions. (Psalm 103:2).

During the first year in Massachusetts, the colonists had to make several times as many graves for the dead as they did houses for the living. In spite of this they thanked God. Life was not easy for them. It was not soft or luxurious; it was hard, demanding and cruel. Yet they thanked God.

We hear some people say today, "Oh, what's the use; life isn't worth it."

If life is not good, then nothing is good. If life is worthless, then nothing has any value. If life is lived right, life is worth living. We can live it right by trusting and obeying our Lord.

If you and I have faith in God, then we have just cause to rejoice; for we have something which no heartache, sorrow, disappointment, war, bloodshed, suffering, or death can take from us. We have Christian fellowship.

"Bless the Lord, O my soul, and forget not all his benefactions".

PRAYER

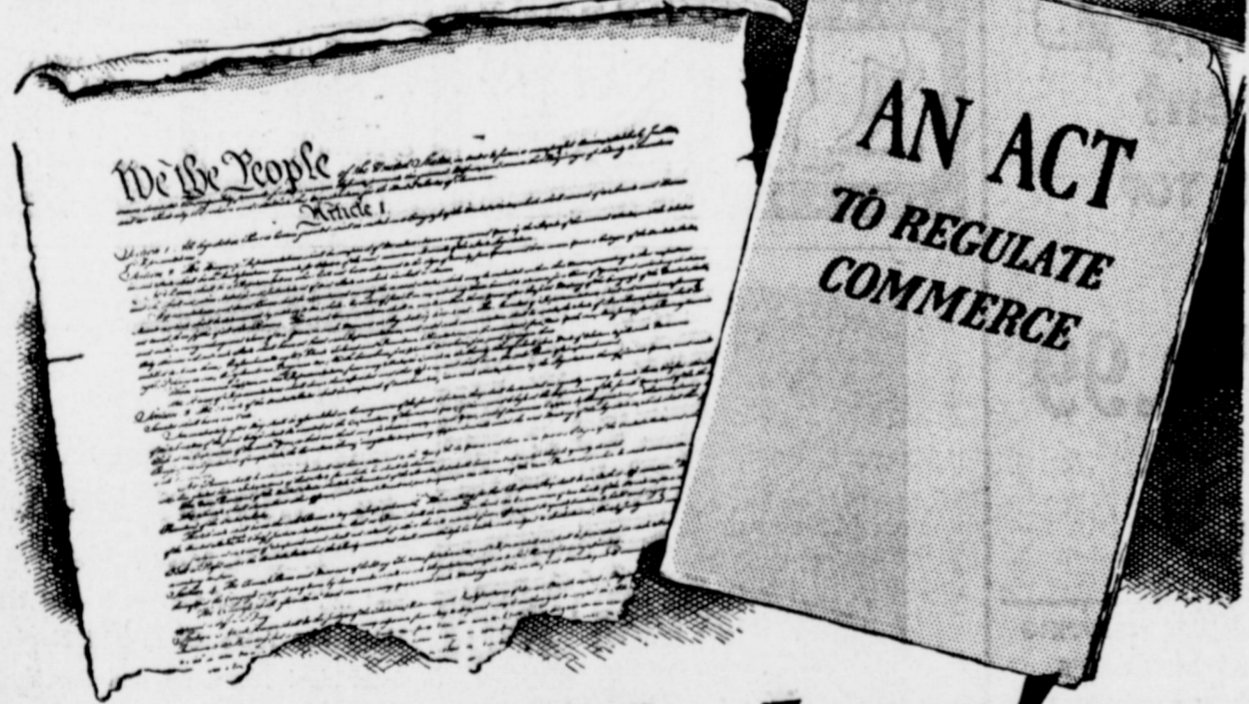

Dear Lord, draw our hearts to Thee with the power of Thy love. Teach us to be anxious for nothing; when we have done what Thou hast given us to do, help us, Lord, to leave the issue in Thy hands, and give thanks. In Jesus' name. Amen.

THOUGHT FOR THE DAY

In fellowship, in deed, in faith, Christians prove life is good. Cyril M. Jackson (Ill.).

Railroads are vigorously promoting a so-called "Cabinet Committee plan" to restrict public controls over transportation rate-making—returning such power to railroad hands.

Both Protect You...

Both Are Modern!

Your rights and privileges as an American citizen are protected by the Constitution, a unique and magnificent document whose principles are as sound today as when written, over 150 years ago. Through the years, amendments have been added to keep the Constitution up-to-date.

The same is true of the regulatory powers of the Interstate Com-

merce Commission. Congress has enacted more than 150 amendments to the Interstate Commerce Act since it was passed in 1887, completely overhauling it twice.

In principle, present ICC regulations governing the various transportation systems are pertinent, constructive, and modern in concept. Under these principles, we have developed the greatest competitive transportation system in the world!

Suddenly you know how a jet pilot feels!

It happens like that when you drive this fabulous '56 Pontiac.

You know you're in for a thrill the moment you hear the muted purr of the exhaust as the all-new Strato-Streak V-8 comes to life.

At first you'll just want to sail along, smooth and easy, drinking in the new sensations. This long and lovely creation stops, starts, turns, moves and goes with swift and sure precision—as though in response to your wishes themselves.

You lean back luxuriously, listening to the mics whisper past. Then, ahead, you see the opportunity you've been looking for... the highway up front arching high over a hill. You touch the accelerator lightly—and only for a

moment. Instantly, that great Strato-Streak V-8 takes over. Smooth as soaring, the rush of power catapults you up and over... your solo flight!

This is how it feels... seemingly limitless power at your command—smooth, effortless power for the slower pace of city driving, jet-fast in an emergency to flick you safely past loiterers on the highway.

By this time you're certain—Pontiac has everything—size, beauty, roadability and with it the greatest "go" and safety ever built into a car.

Drive this fabulous '56 Pontiac and find out how it feels to fly. This car will show you—fast!

Greatest "Go" On Wheels
No other car performs like a Pontiac because Pontiac alone has the Strato-Streak V-8—most modern and efficient power plant in the industry. For 1956 this great engine delivers 227 BHP horsepower! For the "go" of the year, go Pontiac!

Shirley Ann Todd became the bride of James Cleve McLain in a double ring ceremony in the Hart Baptist Church in Hart October 22 at 6:30 p. m. The bride is the daughter of Mr. and Mrs. Edward Todd, Farwell and the groom is the son of Mr. and Mrs. D. L. McLain, Hart.

Mrs. Edward Todd, mother of the bride was matron of honor.

Executive Meeting Of WMU Held Wed. Co-Workers Met In

Executive meeting of the W. M. U. of the First Baptist Church was held Wednesday, November 16, with nineteen members attending.

President Ruth Fowler, was in charge. Plans were discussed for Workers Conference, which is to be held Friday. Each member of the church is asked to bring a well filled basket of food, as a large crowd is expected for this meeting.

The ladies also made plans for the week of prayer, which will be held from November 28 to December 2. All women of the church are invited to attend.

Next Wednesday, the W. M. U. will meet at the church in circles for Bible study.

Bridal Shower Given Honoring Mrs. Benny Splawn

Mrs. Benny Splawn was feted with a bridal shower last Friday afternoon at 2:30 in the home of Mrs. Dee Brown.

In the receiving line was the honoree, Mrs. Glen Splawn, mother of the bridegroom, grandmother Splawn, and grandmother Whiteburgh. All were presented with corsages of white carnations from the hostesses.

The bride's chosen colors of blue and white were carried out in decorations and appointments. Covered with a white lace cloth over blue, the serving table was centered with a lovely arrangement of fall cut-flowers.

Bohemian tea, individual cakes, nuts, mints and coffee were served.

The honoree received many nice gifts.

Mollie Stinson Speaks To H. D. Club Members

Mollie Stinson, Bailey County H. D. Agent, led an interesting discussion on "How Successfully Are You Aging?", when the Progress Home Demonstration Club met November 10, in the home of Mrs. Juaree Smallwood.

The group sang a number of songs, after which Marie Maltby gave a reading.

Plans were made to make plaster of paris planters, and members were asked to meet at the court house at 1:45 in the afternoon, Tuesday November 15, and travel in a group to the Community Center for the Country Club Tea. All ladies were asked to wear the dresses they made in the Advanced Dress-making Course.

Members voted to give \$5. to the Parker fund, and also to send \$5. to the Boy's Ranch.

Pecan pie, ice cream and coffee were served by the hostess to Mmes. Mae Sinnacher, Elvov Sinnacher, Marie Maltby, Fern Davis, Bonnie Mead, June Smallwood, Gladys Haley, Glenda Haley, Velta Self, Elsie Williams, Ada Thomson, a visitor Maxine Parkinson, and agent Mrs. Stinson.

Mrs. Fern Davis will hold the next club meeting in her home, November 30.

George Hicks Home Is Setting For For Social, Dinner

Members of the Co-Workers Sunday School class and their guests met Thursday evening, November 10, at the lovely country home of Mr. and Mrs. George Hicks, for a Thanksgiving dinner and social.

The meal was served buffet style from a large dining table in one end of the serving room. Covered with white paper imprinted with Thanksgiving motifs, the table was centered with a large chrysal bowl of fresh fruit. Tiny plate favors added color to the tables.

Card tables were set up throughout the house with identical covers and decorations.

Baked turkey and a full Thanksgiving dinner was served to the following guests: Rev. and Mrs. E. K. Shepherd and son Paul, Rev. and Mrs. J. E. Moore and daughter Wanda Mae, Mr. and Mrs. Claude Coffman, Mr. and Mrs. Harrol Griffiths, Mr. and Mrs. M. T. Wilson, Mr. and Mrs. C. E. Layne, Mr. and Mrs. Smith, and Mmes. Sarah Payne, Ella Bemard, Wynnie Dunn, Ruth Dunn, Hope Flanagan, and Miss Lillie Williams.

Following the meal, was a business meeting, presided over by Mrs. C. E. Layne. Opening prayer was led by Harrel Griffiths, and Rev. Moore brought an interesting devotional from Matthew 5:13, "Ye are the Salt of the Earth."

Mrs. Wynnie Dunn read a poem "If Jesus Were To Come To Your House."

Mrs. Ruth Dunn impersonated a very familiar radio and TV character, Minnie Pearl. This humorous impersonation was enjoyed by all attending.

The group sang the class song, "Let Others See Jesus in You", after which Rev. E. K. Shepherd led the closing prayer.

JOHNSON-POOL

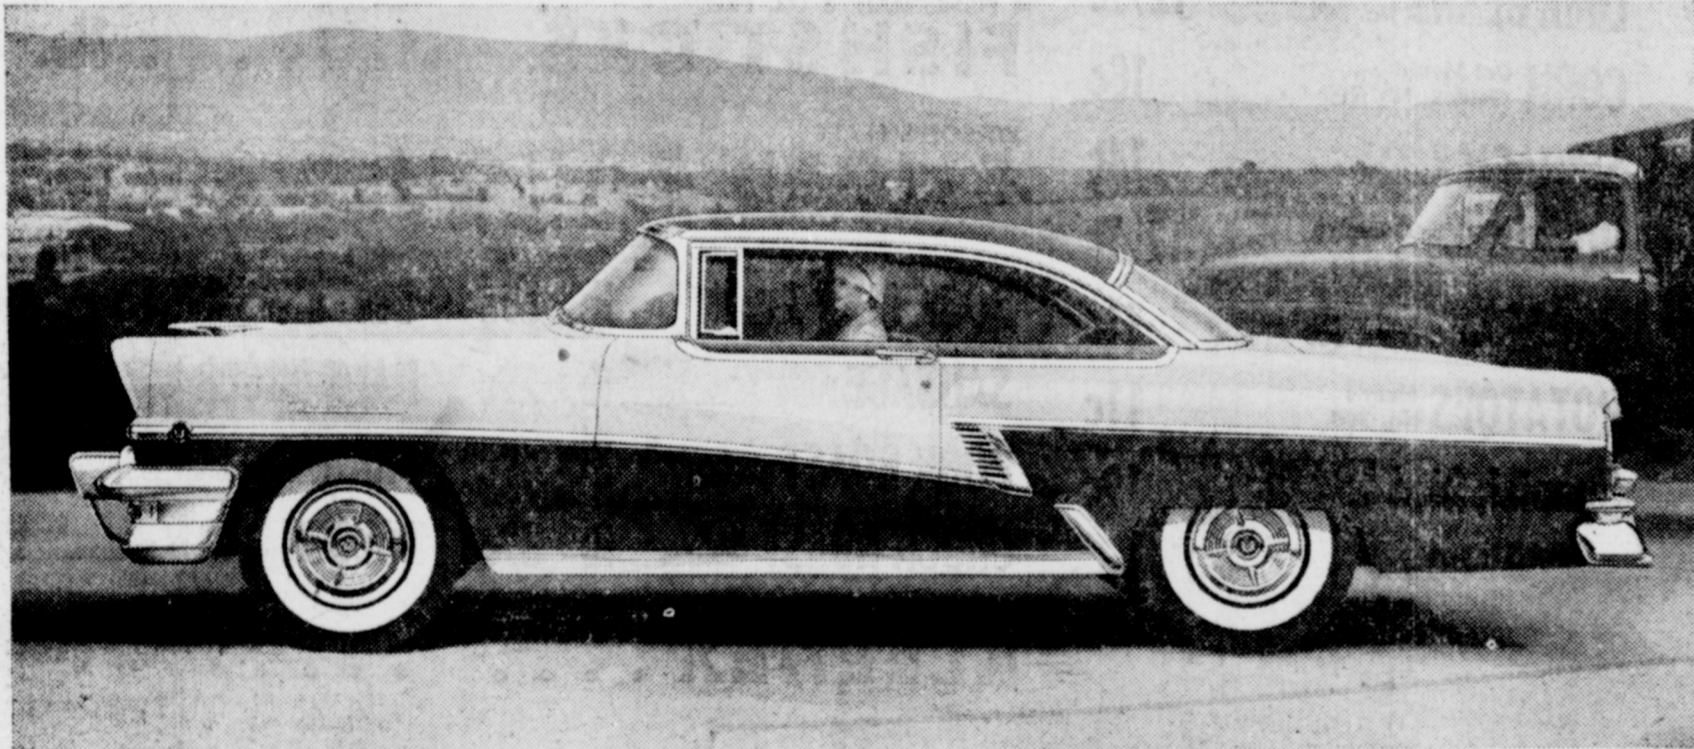

0 TO 60 MILES PER HOUR FASTER THAN EVER BEFORE. It's the kind of performance many a jet plane can't beat on

the runway! Think what this means when you want to pass, enter fast-moving streams of traffic, or climb hills!

You may never need all of THE BIG M's pickup

.... but what a warm, safe feeling to know it's there

TRIMS VITAL SECONDS OFF PASSING where seconds count most. This handsome Montclair hardtop has no trouble getting out, around and back in line quickly,

safely. Working smoothly with optional Merc-O-Matic Drive, Mercury's 225-hp SAFETY-SURGE V-8 responds to your toe-touch in just a fraction of a heartbeat.

New 1956 Mercury offers you 225 horsepower in a great new Safety-Surge V-8

Don't judge THE BIG M by horsepower alone—although that's the highest in Mercury history. Judge it by the fact that more of this high horsepower is *working* power! Mercury's new pickup adds more than just new speed; it means new ease in your everyday driving, new safety for you in passing.

For peace-of-mind motoring there's a whole new group

of safety features. The steering wheel is impact-absorbing. Safety-beam head lamps knife through fog. There are safety door locks, full-swivel rearview mirror with safety-glass, and smoother, surer brakes! Padded instrument panel, padded sun visors and seat belts are optional.

THE BIG M is not only safer and more powerful! It's more beautiful in a big new way with dozens of new styling ideas! There are over 50 color combinations plus brilliant new Flo-Tone color styling!

Yet—for all Mercury's big-car look, length, and brawn—prices start lower this year than 17 models in the low-price field*. If you can afford any new car, you can afford THE BIG M. See it today—on display in our showroom!
