Tahoka Council Adopts Budget For Coming Year

At a regular meeting of the City Council on March 1, a budget of proposed expenditures and the estimated income for the current year was adopted.

The budget in detail was prepared and submitted by Mayor K. R. Durham, and after being thoroughly considered was unanimously adopted.

A public hearing on this proposed budget will be held on the night of March 15, next Monday night, and if there are no valid objections it will become immediately operative for the current year.

It would require several columns of newspaper space to publish this budget and report in detail, but we give it in very condensed form.

Proposed Expenditures

Salaries of all officials and servants of the City, (no salaries are paid to the mayor and council), \$12,957.50.

Common labor, (mostly for improving and extending water system), \$7,458.45.

Postage and office supplies, \$636.19.

Warrants, Bonds, and Interest payable, \$13,441.80.

Pipe, fittings, and material used in improving and extending water system, \$9,451.31.

Repairs on equipment: gas and oil, \$1,725.22.

Miscellaneous, \$571.10.

Balance due on contract for water storage tank, \$5,000.00.

Total Expenditures, \$51,241.57.

Estimated Income

Two percent of Gross of Utilities: West Texas Gas Company; Southwestern Public Service Company and Southwestern Associated Telephone Company, \$2,057.65.

Water Rentals, \$26,199.50.

Tax Roll, \$16,390.93.

Sewer Rentals, \$6,778.40.

Interest from Government Bonds, \$787.50.

Total estimated income (provided all taxes are paid), \$52,213.93.

Also included in the report is the following information:

The assessed valuation of taxable property in the City of Tahoka is \$1,311,275.00.

The tax rate and estimated amount to be collected for the various funds are as follows:

Fund	Rate	Amount
Gen'l. Fund	\$.45	\$ 5,900.64
Street Fund	\$.35	\$ 4,589.50
Sinking Fund	\$.35	\$ 4,589.50
Water Fund	\$.35	\$ 4,589.50
Total	\$ 1.50	\$ 19,669.14

W. Stone.

Volunteers Needed For Work On New Legion Building

The News has been requested to announce that the local American Legion is looking for volunteers to help finish the carpenter work on the new addition to the Legion Hall.

Due to the fact that the weather has been so unfavorable lately very little work has been done toward finishing the new addition, but just as soon as the weather clears up work will be resumed and there will be a lot of work that anybody can do if they just would.

Whether you are a carpenter or not your help would be appreciated. If you wish to volunteer your services toward this good cause get in touch with Perry Walker, Eldon Carroll or Clinton Walker.

Severe Blizzard Sweeps Section

No. Winter didn't stage a comeback this week, it has been here all the month, but the mercury in the thermometer did dip down to the lowest point Thursday morning which has been reached this entire winter. It registered a temperature of 3 degrees above zero. It has reached that low point only once before this entire winter, according to records kept by the News. That low point of 3 degrees above was registered on the morning of January 29. That was on a Thursday also, exactly six weeks ago.

On the morning preceding that, January 28, a low of 6 degrees was recorded and on the day before that a low of 8 degrees. For three days in succession in February, Wednesday, Thursday, and Friday, February 11-12-13, a low of 10 degrees was reached.

On Wednesday night of this week at nine o'clock, when our readings are made, a low of 8 degrees had been reached. It had dropped to 3 by Thursday morning.

School Athletes Receive Awards

Presentation of the district 6-A football championship trophy and letter award jackets were presented to Tahoka Bulldogs at an assembly program at the school here on Tuesday.

The district championship trophy is a beautiful regulation size gold football, handsomely mounted.

Letter jackets were presented the following squad members: Don D. Cavan, Kenneth Reid, W. J. Kahl, Wayne Sherrod, Billy Bob Chancey, Billy Ray Kelley, Phil Blairington, Gilbert Hough (two jackets, one for letter won on last year's basketball team), Joe Don Minor, Don Akin, Van Brookshire, Randall Bunkle, Charles Fulkerson, and B. L. Parker, all seniors; and Jimmy Small, Horace Strickland, Almon Crowell, Duane Carter, Bill McNeely, James White, Bob Boyd, Clark Pharr, Tom Chandler, Billy Furt Stephens, and Bob Tippit, who will return next year; Jesse Derman, team manager, and the coaches, Jim Foust and Jake Jacobs. Also, jackets will be presented later to five pep squad leaders, the football queen, and three members of this year's basketball team who did not participate in football, Captain Finis Botkin, Doug McNeely, and Travis Morgan. The jackets are the best ever presented here, and in addition to the "T" carry the words "District 6-A Champions, 1947."

UNDERGOES OPERATION

Miss Clara Gene Scruggs, local assistant manager of the Wallace Theatres, underwent an appendectomy Wednesday in the Treadway Daniel hospital at Brownfield.

Miss Scruggs was reported to be doing very nicely. Thursday morning and a speedy recovery is expected.

Miss Pauline Raindi returned home a few days ago after spending three weeks in El Paso visiting Mrs. Jim Raindi and their daughters.

Bill Anderson Freezes To Death Near Tahoka

The dead body of William P. Anderson, 60, who had been missing since late Tuesday afternoon, was found at about ten o'clock Thursday morning in a field situated about four miles east and four miles north of Tahoka, almost a mile from his car, which apparently had stalled in a sand bed in an untraveled road. He owned a farm in the New Lynn community further east. His body was found by LeRoy Knight and Sam Price, who were searching for the missing man, Buster Fenton and others were also in the searching party but were in another car and were not with Knight and Price when they found the body.

After the car had stalled, Mr. Anderson had gotten out of it and started across a field, evidently trying to make his way to a house. He had fallen across a terrace in the field and apparently had been unable to get up. Since it was some (Continued on back page.)

Rotary Club Elects Officers

Vernon Brewer, superintendent of schools and vice president of Tahoka Rotary Club, was elevated to the club presidency by the new board of directors named Thursday at noon. Dr. Emil Prohl is the new club vice president, and Ross Smith was re-elected secretary.

New directors elected are C. E. McKnight and H. W. Carter. Brewer was re-elected to the board. Outgoing directors are Alton Cain, outgoing president, J. A. Biggerstaff, Dr. Prohl, and Neil Stanley. The new officers will take over on June 1.

Dr. K. R. Durham, mayor, led a pro and con discussion on a proposal to change the names of the streets of Tahoka to numbers and letters of the alphabet, and found a division of opinion on the suggestion which had been made earlier by The News and others.

Last week, Judge B. P. Maddox brought a timely discussion on the much discussed Marshall plan.

Local Rotarians will attend the District Rotary Conference in Big Spring March 28, 29, and 30, at which Miss "Betsy" Haney, club sweetheart, L. C. Haney, and Dr. Emil Prohl will appear on the program.

Plan Rabbit Drive At Tahoka Lake

There will be a rabbit drive at Tahoka Lake next Tuesday, to which all hunters are invited, according to G. H. Spears, at whose house the hunters will gather. Lunch will be served at noon. People of the community are co-operating in staging the drive.

Schools Face Crisis Unless More Funds Secured For Current Operating Expense

Due to rising costs, and the increase in teachers salaries as voted by the State Legislature, and due to the failure of the latter body to provide sufficient funds for the operation of schools, the Tahoka school board finds that it lacks several thousand dollars having sufficient funds on which to operate. The only alternative is to raise more funds. And, that can be done only by raising the tax rate, which it is asking the voters to authorize.

Following is a statement handed The News, which the board hopes will clarify the issue:

For the following reasons the Board of Trustees of the Tahoka Consolidated Independent School District deem it necessary to ask the patrons of the district to raise the rate of pay on taxes:

1. The present rate, due to high prices, and to the failure of the State to pay the salary aid grant in full, is no longer adequate to meet the school's needs. Operating expenses this year will be about \$7,000 more than our income.

Dudley K. Brummett of Lubbock who this week announces his candidacy for State Senator.

Red Cross Drive Success Assured By Early Reports

At least five Lynn county communities had gone over the top in the drive for funds when the cold wave hit Tuesday and thus checked the drive temporarily.

Sumner Clayton, chairman of the O'Donnell committee, reported to Jarrell Brown, the county-wide chairman, on Tuesday morning that with a quota of \$350.00 O'Donnell had raised a total of \$387.00.

In addition to the Gordon-Hackberry community, which was the first in the county to reach its goal, and the Wells community, which was the second, as reported in this paper last week, two other communities had also gone over the top. West Point, which had a quota of \$50.00, had turned in contributions in the sum of \$54.50; and Dixie, whose quota also was \$50.00, almost doubled its quota by turning in \$96.00.

Then came the O'Donnell report, O'Donnell having exceeded its quota on Monday.

Mr. Brown was lavish in his praise of the workers in all these communities—Mrs. T. H. Basinger, chairman in the Gordon-Hackberry community; Joe McLaurin, chairman at Wells; New Barham at West Point; J. O. Allen at Dixie; and Mr. Clayton at O'Donnell.

In Tahoka, which has a quota of \$750.00, the drive was just beginning to get up steam when the cold wave struck, but Mr. Brown is sure that it will come through with flying colors within a few days. A. R. Milliken is the chairman here. The quota for Lynn county is \$1,848, and it is probable that the county will far surpass this amount.

MRS. COOPER'S UNCLE DIES

Mr. and Mrs. E. J. Cooper were called to Sherman by the death of an uncle of Mrs. Cooper, which occurred Friday. Leaving here early Saturday morning, they returned home Monday. The aged man was 82.

Plans Complete For Annual Livestock Show Here In New Exhibit Buildings Saturday; Other Meetings Are Planned

District B.T.U. To Meet In Tahoka

Rev. T. L. Pond of Redwine, the director, announces that the quarterly meeting of the Baptist Training Union of the Brownfield Association will meet in the First Baptist Church in Tahoka at 7:30 o'clock Monday night, March 15.

The theme will be Training Union Problems. Song services will be conducted by H. M. Patterson of Redwine. Carl Gryder of Wilson will bring the Devotional.

"Why it is hard to keep the Training Union going" will be discussed by Mr. Patterson. Other pertinent topics will also be discussed, followed by a Round Table discussion by Training Union directors, the subject being "Our Greatest Problems in Training Union."

School Census Is Being Taken

The taking of the scholastic census is under way in Lynn county. Census blanks must be signed by parents for all youngsters in school age. This includes all children who will be six years of age before Sept. 1, or who will not reach 18 years of age until Sept. 1 or after.

Supt. Vernon Brewer of the local schools states that census blanks have been sent parents through local school children. These should be filled in and returned promptly. Or, parents with children may file the blanks with Mrs. Helen Williams at her office in the Nowlin building.

It is very important that every child be enumerated to attend the schools, as each child enumerated is worth \$55 in scholastic apportionment from the State.

Mr. Brewer says the number of teachers in a school is likewise governed by state law by the number of scholastics in the district.

Caudle In Race For Commissioner

Donald C. Caudle of New Home is a candidate for the office of County Commissioner, Precinct 4. Mr. Caudle is a prominent citizen of his area, where he has been farming for 14 years. His family consists of his wife and four sons.

Mr. Caudle has never asked for public office before, and he feels that he can meet the duties of the office in a sane, fair, and businesslike manner, and promises the voters the best service that is his ability to give, if elected. He has a sincere interest in the affairs of the precinct and county as a whole, and promises to do his best to improve conditions ever which he would have charge, if possible.

He hopes, to see the voters personally, and in the meantime asks that they give his candidacy consideration.

Boy Scouts Plan Court of Honor

According to Scout Master E. B. Galtier a Court of Honor will be held in the cafeteria at the local school here Tuesday night beginning at 7:30 p. m.

Refreshments of coffee and sandwiches will be served to the Boy Scouts and their parents at this great event.

Mr. Galtier also stated that the announcement of the Court of Honor will be announced over radio station KPET, Lamesa next Monday afternoon.

Order-Of-Arrow Meets

The Order-of-Arrow held a banquet and business meeting here last Friday, electing officers for the year.

Members of the organization attended from Lamesa, Lubbock, O'Donnell and Tahoka.

Everything is in readiness for the annual Junior Livestock Show to be held here Saturday at the newly acquired livestock exhibit barn northeast of the business section, according to Bill Griffin, county agent, who is directing the show.

This is expected to be the largest and best show ever held here. There will be on exhibit about 100 head of hogs and 45 head of cattle raised by 4-H and FFA club boys of Lynn county, several stock men will exhibit registered Herefords, and there will be a Quarter-horse show.

South Plains Hereford Breeders Association will hold its annual meeting here in 11 a. m. in conjunction with the show.

The Lynn county chapter of the Farm Bureau will serve free drinks and doughnuts to visitors. Judging of livestock will start in the morning, and will be done by T. L. Leach, Texas Tech agriculture teacher and former member of the school's International livestock judging team. Lewis Nance of Post will judge the horses.

At 1 p. m., a short dedication ceremony of the livestock building will be held, at which brief talks will be made by Tom Garrard, president of the Lynn County Fair Association, in whose name the show barn and grounds will be operated, and W. N. Williamson, district farm agent. The latter will present medals to 1947 4-H club boys.

Approximately \$350 will be paid the club boys in prize money at the show, the money having been furnished by the Chamber of Commerce and other civic organizations.

Mr. Griffin expects the following entries in Saturday's show:

Beef calves, 35 head.
Fat barrows division, 30 Durocs, 10 Berkshires, and 10 Spotted Poland Chinas.

Breeding classes: 15 Duroc, 8 Berkshire, and 8 or 10 Spotted Poland China gilts.

Sows and litters, about five.

Dairy cattle, 10 head.

Claud and George Claud Wells and Tom Garrard, and others, will exhibit registered Herefords.

All citizens of Lynn county who have horses they think are of quality are invited to enter them in the Quarterhorse show. It is not necessary that they be registered animals. An entrance fee of \$2.00 will be necessary, however, and ribbons will be presented four places in each class and trophies for grand champion female and stallion.

Classes are: Fillies foaled in 1948, 1947, or 1946; Aged mare foaled in 1945 or before; Stallion colts of 1948, 1947, or 1946; Stallions of (Continued on Back Page)

Former Convict Back In Jail

An ex-convict bearing the name of Dewane Combs passed a forged check in the sum of \$50.00 to the proprietor of the Petty Store on Friday of last week. The name of H. M. Lowe had been forged.

The offense was reported to the sheriff and Sam Floyd had sent out radio calls all over this area for the man. Sunday morning he encountered the accused man walking up the stairway inside the courthouse. He told the gent that he had a warrant for his arrest and invited him to climb the second flight of stairs with him, and almost as quick as you could count ten, the gent was behind the jail bars again. The case will be investigated by the grand jury when it meets again on May 3.

Two years ago this same gentleman stole a car in O'Donnell and soon thereafter was apprehended in Alabama. Deputy Sheriff Tom Hile went to Alabama and brought the prisoner back. He was soon tried and sentenced to the penitentiary and was released just recently. Mr. Floyd says that he had served time in the pen prison that.

SEED GROWERS TO MEET AT TECH

LUBBOCK, March 2.—All persons interested in better seed production are invited to attend the annual meeting of certified seed growers to be held in Aggie Memorial auditorium at Texas Technological College Saturday, March 6, according to Dr. A. W. Young, head professor of plant industry.

A program is being planned dealing with sorghums, wheat, storm proof cotton developments, pink boll worm quarantine, chemical weed killers, a demonstration of the Gustafson Slurry method of seed treatment and movies of other methods.

The meeting will be held from 9 a. m. until 4 p. m. More than 100 persons from West Texas and Eastern New Mexico attended the meeting at the college last year.

Natives of North Carolina are called Tarheels.

Austin is the capital of Texas.

Dear Sue:
Well whatta you know? JACK BENNY IS THE WALKING MAN. I guess you noticed they never called Texas. I hear the next Contest will be called, THE LAUGHING LADY.

Have you noticed that cute blouse that a popular Hi-School Senior wore the other day—white with striped collar and cuffs taffeta—it was a honey. That was a snazzy tie adorning E. R. yesterday—you know she works at The Tahoka Drug.

I noticed that M. W. of Soil Conservation is sporting one of those new 3-in-1 belts that was advertised in SEVENTEEN and CHARM. Have you seen her new bowling dress? It's super.

You should have seen L. T. Saturday night as she listened to the WALKING MAN program. She looked Perky in her White GIBSON GIRL blouse and black tie.

Doesn't R. J. of Collier's Drug look smoothie in those BLACK SLACKS. That was a cute belt—2 buckle—that E. R. is wearing.

Thanks for the lovely letter and all the latest gossip.
Love,
Ann

PLAINS COUPLE OBSERVE WEDDING ANNIVERSARY

The spacious and attractive ranch home of Mr. and Mrs. Marion McGinty of Plains was the setting of Open House Saturday, March 6, when their children honored them on their Golden Wedding Day.

The five sons, Oscar of Spur, Durwood of Plains, Fred of Tahoka, Rusty and Dick of Plains, their wives, and all eleven of the grandchildren were present for the occasion.

Guests from this area included Mr. and Mrs. W. T. Clinton, Mrs. James Clinton and daughter Marjorie, Mr. and Mrs. I. M. Draper, Mr. and Mrs. Howard Draper and daughters Mary and Bobbie, Mr. and Mrs. C. J. Barrett, and Mr. and Mrs. Joe McLaurin.

Other guests were from Fort Worth, Midland, Levelland and many places in Oklahoma, New Mexico, and Texas.

A very impressive re-declaration of their wedding vows was read by the family minister, Brother Davis of Hobbs, New Mexico. The groom was attended by a grandson, Don McGinty of Spur. The bride's attendant was her oldest granddaughter, Miss Patsy Fred McGinty of Tahoka.

The house was decorated throughout with baskets, bouquets, and bowls of gold-colored flowers.

The gold and white wedding cake, a four-tiered 50-pound cake, was served with punch to about 300 guests. An undecipherable array of gifts was on display.

The occasion was one to be long remembered.

WELLS H. D. CLUB DISCUSSES FAIR AT MEET

The Wells H. D. Club met with Mrs. W. J. Jordan on March 2, with the chairman in charge. The council delegate gave her report, and some plans for the Fair next fall were discussed.

Miss Hard gave a talk on furnishing bedrooms. She stressed cleanliness, good beds, proper ventilation and lighting, good storage space, convenient arrangement of furniture, suitable colors and pleasing arrangement of pictures. She demonstrated with a miniature room and furniture.

Refreshments were served to Mrs. T. B. Barton, Misses Graham Hard, Myrtle and Ina Ledbetter, and the hostess—Club Reporter.

ASSOCIATIONAL S. S. MEET HERE SUNDAY AFTERNOON

With perhaps 200 workers in attendance, an association-wide Sunday School meeting was held in the Baptist Church beginning at 3:00 o'clock Sunday afternoon. This was the final service of an association-wide enlargement campaign, in which most of the schools took religious censuses, discovered one or more new classes, and prepared to standardize their schools if not already standardized. Rev. A. G. Fowler of Dallas was the general director and he presided at the meeting here Sunday afternoon. Rev. Ted Brian of Wells was the associational director, and assisted in directing the work.

The Gomez Sunday school was awarded first place on the ten points on which the various schools were scored, with Lakeview as second, and Wilson as third. Gomez also had the largest delegation present Sunday afternoon, the number being almost 50.

CHARLEY MCCARTHY REENLISTS

DALLAS, March 4.—Charlie McCarthy was given the honorary rating of Sergeant in the Recruiting Service by Lt. Colonel F. W. Maxwell, Commanding Officer of the Dallas Recruiting District. Edgar Bergen, Charlie's boss, jokingly pointed out that Charlie had been reduced in grade as he had been a Staff Sergeant during the war, but Colonel Maxwell replied that Charlie had stayed out of the Service too long to enlist in his former grade.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and pains of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

PETTY H. D. CLUB REPORTS

Petty H. D. Club met in the N. H. Cromer home on March 3. There were five members present and one new member, Mrs. E. R. Esch.

Miss Hard gave a demonstration on Essentials of a Bed Room. She showed pictures and toy bedroom furniture. She arranged them on cardboard. The Club all enjoyed it.

Refreshments were served to Mesdames J. W. Lowrey, Lee Roy Bledsoe, Zoe Lowrey, E. R. Esch, John Schuknecht, N. H. Cromer, and Miss Hard.

The Club will meet twice a month.—Club Reporter.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Lubbock Lawyer Senate Candidate

Dudley K. Brummett, Lubbock Attorney and Army Air Corps combat veteran of World War II, announced Saturday that he is a candidate for State Senator from the 30th Senatorial District.

Brummett is 28 years of age and married. He is a former member of the Attorney Generals' Department of Texas under Gerald C. Mann. He served as an Attorney for the Supreme Court of Texas following his release from military service in October, 1945. Since September, 1946, he has been actively engaged in the general practice of law at Lubbock and an Instructor of Government at Texas Tech. He is an ex-student of Texas Tech and the University of Texas at Law School.

Brummett volunteered for the Army in May, 1942, as a buck private. After training at Mineral Wells, Texas, he was transferred to the Air Corps and trained as an aviation cadet. He later was commissioned a Lieutenant. Brummett flew a bomber plane from the United States across the ocean to England. From there he participated in bombing raids over Germany. He piloted a B-17 Flying Fortress, and together with his eight crew members, was shot down on his sixth mission, over Hamburg, Germany. All crew members parachuted from the burning plane to safety from ten thousand feet, though one crew member was jerked unconscious when his parachute opened and when he struck the ground broke one leg and seven ribs. All members on landing were scattered over a distance of about twenty miles. When Brummett hit the ground he attempted to escape into a nearby forest. He was pursued and fired upon by German soldiers who had seen him come down. Brummett and all crew members were gathered up and became Prisoners of War of the Germans until the end of hostilities. Brummett, together with several thousand other Air Corps Prisoners of War participated in

the January sub-zero march on foot through deep snow from Sagan, in the east part of Germany to Spremberg, Germany. The Prisoners of War were being removed out of east Germany to prevent their liberation by the approaching Russian Army invading Germany from the east. They were there crowded into box cars and carried on to Mooseburg in southern Germany, a crowded, infamous and filthy Prisoner of War camp, without heat or fuel, and there kept on a starvation diet. They were there liberated by General Patton's Third Army on the 29th day of April, 1945. Brummett and his entire crew were immediately flown out of Germany and returned to the United States, which all agreed was the most blessed country on earth. Brummett was awarded the Air Medal for his bombing missions over Germany.

Brummett stated that in seeking the office of State Senator, "I desire to serve my fellow man in the Senate Hall of Texas. It has been my life ambition to serve in public life." Brummett stated further, "I have but one promise to make in offering myself as a candidate for State Senator, and that is, that when elected I will represent all the people of my district to the best of my ability on every legislative matter that shall come before the Senate of Texas."

Brummett was born and reared in Dickens County. He moved with his parents to Lubbock in 1932. He attended the Lubbock public schools and Texas Tech, working his way through school as a grocery clerk with Furr Food Stores for three years of this time. He later attended the University of Texas Law School.

Brummett is a Vice-president of the Junior Bar of Texas, a member of the State Bar of Texas, member Lions club, member Junior Chamber of Commerce, member Methodist Church, member Texas Prisoner of War club, member Caterpillar club, and a Reserve Officer in the Air Corps of the United States Army.

Lynn County News

Tahoka, Lynn County, Texas

Entered as second class matter at the post office at Tahoka, Texas, under the act of March 3rd, 1879.

The public schools of the state have begun to encounter financial difficulties. Some of them have already gone into the red. Others are facing the new scholastic year with decidedly pinkish prospects. It all results from the absolutely necessary raise in teachers' salaries and Governor Jester's ill-advised pledge to prevent the levy of any new taxes. That, of course, was pleasing to many people and especially to the oil, gas, and sulphur interests. Governor Jester has scrupulously lived up to his pledge but if he continues to do so his protection of these big interests against "new" taxes will be at the expense of the school children of Texas. Only a small tax on natural gas and sulphur produced in this state would furnish abundant funds for our schools. Of course any tax levied on these products

would be passed on to the consumer, but more than 50 percent of our natural gas and possibly 80 percent of our sulphur are being piped and shipped to consumers outside of the State of Texas, who are now using up these vast natural resources of our state practically tax-free in so far as Texas is concerned. We contend that if Illinois and New York and other states are going to eat out of our crib they should pay for our corn.

O. B. Ellis, the new general manager of our Texas Prison system, has found the buildings so run down and so inadequate for the purposes for which they were constructed that he has proposed that the legislature shall appropriate more than four million dollars with which to modernize the system. For years there has been complaint about many things connected with the prison system and the manner in which it is operated. Especially has there been complaint as to the character and unfitness of many of the prison guards. It is now revealed that they are paid very meager salaries. No doubt modern and more substantial buildings and higher-class and more humane guards are needed. French M. Robertson of Abilene, a member of the prison board, is quoted as describing the prison system as a disgrace to Texas. There have been many other criticisms to the same effect. It is a matter that will deserve the most careful investigation and consideration by members of the next legislature. Let us be slow to give any candidate a promise of our votes until we have acquainted ourselves with his ability and his character. We hold that a member of either house of the legislature should have the qualifications that we demand of our congressmen, and that we should encourage only this type of men to run.

The world do move. A sub-committee of the House judiciary committee voted unanimously last Friday in favor of the Gossett proposal for a change in our electoral system so as to abolish the electoral college and to elect the President by popular vote. The entire committee was expected to pass on the matter this week and Mr. Gossett believed that it would act favorably. Then it will have to pass both the House and the Sen-

ate by a two-thirds vote for submission to the states for ratification or rejection. There are so many and such vital reasons why this change in our Constitution should be made that it seems that everybody should favor it. But we predict that strenuous opposition will develop. The minority pressure groups will oppose it, for it will trim their power down to proper and legitimate size. So look out for opposition by the labor unions, the Association for the Advancement of the Colored Race, and possibly one or more religious groups. The proposal has got to run the gauntlet in many contests before the change is made.

One of the most important and vital things for us to watch in this country is the efforts that are made from time to time to induce our legislators and our people to yield little by little, point by point, to those who seek to weaken and eventually to destroy our great fundamental principle and practice of complete Separation of Church and State. One way in which the enemies of this policy seek to undermine it is by proposing the use of public moneys for the benefit of some great and politically powerful religious group. Candidates for the legislature and for congress should be required by the voters to express their positions positively on all such proposals.

We Do Not...

- Sell new Pontiacs to used car dealers.
- Knowingly sell to individuals who buy for resale. In some cases we ask buyers to sign Repurchase Options.
- Require a trade-in, but if you have a car to dispose of we expect you to trade it to us.
- Penalize buyers by making an unjustified low allowance for trade-ins. We pay the standard N.A.D.A. valuation minus repair costs, which represents the true value of an automobile.
- Accept any bonuses or premium prices.

Why does it take so long to get a new Pontiac?

- Strikes and other production interference at General Motors plants have retarded production.
- So many people want Pontiacs that we have built up a huge backlog of orders.

But we are still taking orders!

... because we want to satisfy as soon as possible the desires of everyone who wants a new Pontiac. By placing an order now, a person gets in line for future delivery.

While you're waiting for delivery...

- We can recondition your present car in our complete Service Department, giving it new car appearance and performance. Our expert engine rebuilding and body work will restore its pep and sleekness, making it worth more on trade-in when your new Pontiac arrives.
- We can accept your present car on a late model Reconditioned Pontiac.

REV. F. E. SWANNER WILL PREACH HERE SUNDAY

Rev. F. E. Swanner of Plainview, district missionary, will fill the pulpit at the Baptist Church here Sunday. He is well known here, having done the preaching in a revival meeting here about three years ago while pastor at Leveland, and having taught a Sunday School study course here last week and this at night. The pastor, Rev. Levi P. Lee, will be in Houston clearing out a revival meeting in the North Baptist Church there on that day.

Mr. Ivy Boggs, prominent business man of Dallas and an outstanding Baptist layman, spoke at both the morning and the evening services here last Sunday to appreciative audiences.

On Sunday morning, the first service in which the new Wurlitzer electric organ was used, was held. The instrument and accompanying chimes were installed Saturday. Mrs. W. P. Hutchison is organist, and with Mr. Sheldon Russell as leader of a great choir, the music was greatly enjoyed. It is planned for the piano also to be used along with the organ in the services with Miss Valerie Wells as pianist.

COMMUNITY SINGING AT PETTY CHURCH

The Petty community singing will be held at the Baptist Church at Petty Thursday night at 7:30.

This singing group meets each second and fourth Thursday with good interest and large crowds attending.

Visitors are invited.

Mr. and Mrs. Henry Jahnke and Claudia Raincl visited in Eden last weekend.

TEACHER ASSOCIATION IS SOUTH'S LARGEST

AUSTIN, March 4.—The Texas State Teachers Association has grown so rapidly in the last few years it is now the largest professional organization in the South and one of the five largest in the Nation.

The organization which has members in practically every city and community in the state now has 40,100 persons on its rolls, or approximately 95 per cent of those eligible.

Sixty years ago the Association had less than 100 members. By 1918 it had 2,792 teachers on its roster. Its growth has been especially rapid during the last decade. B. B. Cobb, executive secretary, announced here.

Supporting the numerous activities of the teachers' Association are more than 350 affiliated organizations. They include the Texas Association of School Administrators, the Equalization Aid Association, and the more than 300 district, regional and local teachers' organizations.

"We are proud of the tremendous growth of the Association," Cobb declared.

"Our sole purpose is to improve education in Texas. There is a definite correlation between the growth of the teachers' Association and the increase in funds allocated by the legislature for our public schools and the resultant improvement in education.

"State records reveal that in 1880 the per capita apportionment was Three Dollars. We had less than 100 members then. This year the state allocated \$55 per pupil, plus equalization (rural) aid for several thousand schools which

qualified for the supplemental funds."

The equalization aid has kept pace with the increase in per capita apportionment, Cobb pointed out. In 1915 it totaled a half million dollars. This year it amounts to \$18,000,000.

"Keeping in mind the fact that we always have our eyes on the goal of better schools for Texas, I am proud to be able to say that the State Teachers Association has been 100 per cent successful in its campaign for major improvements in education through legislation.

"An example of efforts was the successful sponsoring of two major bills in the last legislature. One increased equalization aid \$4,000,000 a year. The other gave the teachers who hold bachelors' degrees a minimum salary of \$2,000 annually.

"As a result, Texas children now have far more efficient instructors than at any time in the history of Texas.

"The huge increase in the cost of living has, however, offset the salary increases the legislature granted us," Cobb pointed out.

That the improving of the caliber of the schools in Texas and their teachers has not been made at the cost of other governmental functions was pointed out by the executive secretary.

He said that during the last fiscal year five per cent less of the total tax dollar went to the schools than in 1932-33.

Cobb said that only teachers' organizations in the states of New York, Pennsylvania, Ohio and Illinois outrank the Texas association in size.

"Should we maintain our rate of growth we soon will be larger than some of those groups," Cobb said.

More members of college faculties than ever before are now in the state teachers association. Faculties of several colleges and junior colleges are almost 100 per cent association members, Cobb noted.

The Association will hold its 70th annual convention in Dallas November 25-26-27.

For Young Men who want to "Go Places"

The NAVY Has a Real Business Proposition

Submarine duty provides training in many fields of Diesel and electrical engineering. But the Navy offers expert instruction in dozens of other skills... photography, accountancy, electronics, cooking, music, aviation, meteorology, pharmacy, printing—training which leads to well-paid, responsible positions either in the Navy or in civil life.

Our great peacetime Navy needs trained, highly skilled, intelligent young men to operate the very latest type equipment used in today's ships and aircraft.

PAY

From the moment you "ship," you draw \$75.00 per month... all clear pocket money! Food, clothing, medical and dental care, living quarters, are free. Your first "Rating Badge" brings your monthly check up to \$100.00. You may go up to \$135.00 per month... even in your first enlistment.

You can retire on a lifetime income

The longer you stay in the Navy, the higher goes your pay. After 20 years service, you can retire and get a check every month for life! Depending on your rate and length of service, you can receive up to \$185.63 per month... that's a lifetime income of \$2,227.56 per year!

Our modern Navy men "go places" in the most literal sense of the term. A single year's service may take you to places as far removed as the Mediterranean, Panama, Hawaii and Guam! Never before has Navy life been as varied or as interesting, never before has as much emphasis been put on recreational opportunities. You will like modern sailing, whether you choose the sea or the air branch of the service. And you will find your shipmates a group second to none... for today's Navy attracts young men of ambition, intelligence. If you are that kind of a young man... it will be well worth your while to investigate.

Ask for your copy of this book

Here is the story of what the Navy has to offer. Get your copy, it's free. Study it thoroughly, show it to your family. Then have a talk with a member of the Navy's Recruiting Staff.

THE NAVY . . . THE NATION

For a hundred and seventy-two years the United States of America have had a Navy. A Navy made up of citizen sailors, of men whose interest, sympathy and dedication have been for the good of the nation. It has never failed in its mission of exploration, diplomacy, research and development in time of peace. The Navy is as much a part of the nation as the towns, the industries, the farms and deserts—and the American people, some of whom have dedicated themselves to the nation's service in the U. S. Navy.

There is no finer, no more satisfactory career for young American men than in the ranks of the Navy. Theirs is a life of proud and honorable service, a full and healthy life during part of which the Navy demands much in intelligence, skill, and wholehearted cooperation and gives, in just return, security from want, freedom from worry, happiness in youth and old age.

A U. S. Navy Recruiter will be in Tahoka every Tuesday from 8

a. m. to 12:30 p. m. at the Post Office.

CAUSES OF TRAFFIC CRASHES LISTED

AUSTIN, Feb. 24.—The major causes of accidents are pointed out in an illustrated booklet which is being distributed to motorists by the Texas Good Roads Association.

On the authority of the Texas Department of Public Safety the following violations were listed as causing most of the traffic crashes in the state:

Disregard of traffic signs and signals, exceeding safe speed, drinking while driving, improper parking on highway, driving on the wrong side of the road, right of way violations, improper turning movements, improper passing.

"It is not difficult to drive safely," the Good Roads Association points out in its booklet, continuing:

It simply means using common sense and courtesy. Realizing where danger lurks and driving defensively, which means keeping out of the other fellows way."

Insurance Company Increases Business

In 1947 the people of Texas increased their insurance in force

with Southwestern Life Insurance Company to \$640,867,019.00. C. F. O'Donnell of Dallas, president, announced in releasing the Company's 45th annual financial statement to

policyowners. This was an increase of \$60,820,014.00 over 1946, he reported, enabling the Company to close the year in its strongest financial position in history.

Assets of Southwestern Life Insurance Company increased \$18,776,753.17 during 1947, to a total of \$160,362,128.16.

More than 200,000 Texas citizens are now numbered among the Company's policyowners. Trained employees number 800, including 400 full-time agents serving all 254 counties in Texas. A well organized and continuing program of instruction for both field representatives and Home Office employees assures the Company of a staff qualified to offer Texans the best of insurance counsel.

Another notable feature of the statement was the report of the completion in 1947 of the new, modern four-story annex to the Home Office building of the Company, designed to meet the growing demands of a rapidly expanding business. Extensive improvements to the main building, including complete air-conditioning, also were completed. Southwestern Life Insurance Company's Home Office property now fronts 177 feet on Main Street at Akard, in the very center of the Dallas business district.

Southwestern Life Insurance Company is represented here by Mrs. Gladys M. Stokes.

CELEBRATE ANNIVERSARY

Mr. and Mrs. A. D. Jester of New Lynn were honored with a surprise dinner Saturday, March 6, at the home of their daughter and son-in-law Mr. and Mrs. Jerry Hodge.

The occasion was the celebration of Mr. and Mrs. Jester's twenty-fifth wedding anniversary which was last Saturday.

Members of the family present at the dinner were: Mr. and Mrs. James Fenton and son, A. J. Jester and Margaline Jester and the hosts Mr. and Mrs. Jerry Hodge.

Others present were: Miss Margie Tomlinson and H. L. McMillan.

CARD OF THANKS

From the depth of our hearts we thank all the many friends who were so kind to us during the illness and following the death of our husband, father, and brother W. L. Burleson. We are grateful to the doctors and nurses who attended him so faithfully, to those who offered their blood for the transfusions, to those who sat and watched by his bedside night and day, to the friends who were so generous in their expressions of sympathy, for the beautiful floral offerings, and for every kind deed and thought.—Mrs. Alice Burleson, Billie Lee, W. APPRECIATES FRIENDS HERE

Writing back from Eloy, Arizona, to which place the J. R. Montgomery family removed recently from the Draw community, Mr. Montgomery makes request for the News to be sent to his address there and also wishes their many friends in Lynn County to know that it was with deep regret that they left them. "We like to think that we made many friends there during the twelve years that we lived there. We will always hold a special place in our hearts for all of the good people there," Mr. Montgomery wrote.

Continuing, he says, "We are located in a valley surrounded by beautiful mountains, between Tucson and Phoenix, Arizona, and think the country is lovely."

Eloy is situated in an irrigated farming district. While the Montgomerys caused much lamentation here among the people of Draw and Redwine by their removal to Arizona, they will doubtless make a lot of warm friends there too, for their new address is "Eloy, Friendly Corner Route, Arizona."

Jefferson Davis was the president of the Confederate States of America.

Members attending were: Mrs. Buel Draper, Mrs. Dick Mitchell, Mrs. T. D. Lishman, Mrs. A. L. Dunagan, Mrs. B. C. Aycox, Mrs. E. R. Tunnell and the hostess Mrs. A. C. Aycox.

The next meeting will be March 17 at 2:30 with Mrs. B. C. Aycox.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: William E. Marshall, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of April, A. D., 1948, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1948. The file number of said suit being No. 1793.

The names of the parties in said suit are: Ima Faye Marshall as Plaintiff, and William E. Marshall as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff was married to defendant in Chavez county, New Mexico on August 19th, 1946, and lived with him as his wife until on or about the 31st day of December, 1947. Plaintiff has been an actual bona fide inhabitant of the State of Texas for more than twelve months and has resided in Lynn county, Texas for more than six months immediately prior to filing this suit; that the residence of defendant is unknown to plaintiff, after making an investigation to ascertain the same. On different occasions while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff of such nature as to render their living together insupportable. That no child or children have been born as issue of their marriage and that plaintiff and defendant do not own any community property. That plaintiff's maiden name prior to her marriage with defendant was Ima Faye Corley. Plaintiff prays that defendant be cited by publication to appear and answer herein, that she have judgment of divorce, that her maiden name of Corley be restored to her, for costs of suit and relief either in law or in equity to which she is entitled.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 25th day of February A. D., 1948.
Given under my hand and seal of said Court, at office in Tahoka, Texas, this 25th day of February A. D., 1948.

W. S. Taylor, Clerk, District Court, Lynn County, Texas.

Several years ago, recognizing that interest rates were falling and that more than normal fluctuations of economic conditions might be expected, the Company began setting aside a portion of earnings to provide a fund to preserve the integrity of Southwestern Life's obligations under all conditions. Even though interest rates may rise somewhat in the future and economic conditions become less likely to produce adverse fluctuations, contingency funds will still be maintained to add a comforting measure of strength to the policy reserves required by law. During the year \$531,293.88 was added to the contingency funds, bringing the total to \$6,098,999.60.

The year 1947 marked the completion of the new, modern, four-story annex to the Home Office Building. The Home Office property fronts 177 feet on Main Street at the corner of Akard Street in the center of the business district of Dallas.

Southwestern Life employs a trained force of more than 800 citizens of Texas to serve you. A well organized and continuing program of instruction for both field representatives and home office employees assures you of a staff qualified to offer you the best insurance counsel. Of the number employed, more than 400 are full-time agents giving Southwestern Life insurance service to the citizens in the 254 counties of the State.

Congratulations...

Mr. and Mrs. R. E. Pentecost upon the birth of a daughter at 10:35 o'clock on Wednesday morning, March 3, in the Lubbock Memorial Hospital. The little lady weighed 7 pounds and one and a half ounces and has been named Carolyn. The father works in the office of the Shambarger-Gee Lumber yard.

Mr. and Mrs. K. E. Nevill upon the birth of a son at 3:41 o'clock on Thursday afternoon, March 4, in the Lubbock Memorial Hospital. The young fellow weighed 9 pounds and one and three-fourths ounces, and has been named Kenneth Leslie. The mother is the former Miss Edith Robertson, daughter of Mr. and Mrs. W. O. Robertson of Mt. Pleasant, who lived in Tahoka for a number of years. The father works in the offices of the Shambarger-Gee Lumber yard.

Mr. and Mrs. S. E. Devers on the arrival of a daughter at 3:16 a. m. March 9 at the Tahoka Clinic. She weighed 7 pounds and was named Rose Mary. Mrs. Devers is the former Mary Edith Hart.

Mr. and Mrs. H. P. Caveness were informed Tuesday night that they had just become the grandparents of a little grand-daughter born on that day to Mr. and Mrs. Henry L. Dixon of Akon, Ohio. Mrs. Dixon is the former Miss Jeanette Caveness and is a graduate of the Tahoka high school and both she and her husband are graduates of Hardin-Simmons. She and Mr. Dixon also have three little sons.

MILLIKENS SELL HOME

Mr. and Mrs. G. R. Milliken have closed a deal selling their home here, which they have occupied for many years, to O. J. Winborn of this city and a Lamesa man whose name we failed to get.

Mr. Winborn has been connected with the Ice Plant here. It has been rumored that the place will be converted into business property but no definite information in this regard has been obtained by the News. The place is situated diagonally across the street northeast of the Stanley Funeral Home.

The Millikens plan to build a new home here.

NEW HOME P. T. A. SPONSORS AMATEUR PROGRAM

The New Home P. T. A. is sponsoring an amateur program to be given at the school at 7:30 o'clock Friday night, March 19, with Durwood Unfred acting as master of ceremonies.

Any who will be on the program will please contact Mr. Unfred or some member of the P. T. A.

There is to be a notice in next week's Lynn County News as to the prizes to be given.

1945 or older. There will also be a reining contest. The contests are open to all.

Superintendents are: Beef cattle, George Claude Wells; fat barrows, Roy Botkin and Ward Eakin; breeding hogs, Randal Cook; and dairy cattle, Cleve L. LePage.

Also co-operating with the show are three local agricultural teachers, Vivian Carter of Tahoka, James Reed of O'Donnell, and A.H. Smith of Wilson.

The livestock exhibit building and several acres of ground were recently acquired by the Lynn County Fair Association from R. W. Fenton Jr. as the result of a move sponsored by the Tahoka Chamber of Commerce. The building erected for a cotton warehouse, is 100 by 100 feet in size. Citizens from

all over the county contributed to a fund to buy and improve the property. The Fair Association was organized to own and control the property. Mr. Griffin has supervised improvements made so far, which include 60 permanent type portable hog pens, 5 by 5 feet in size, 300 feet of cattle tie racks, a portable judging arena, and the installation of lights and water. The grounds will be cleaned up this week, and plans are to plant grass, trees and shrubs on the property at a later date.

After many years with no facilities for holding livestock and agricultural shows, Lynn county now has a start made on a project that can be worth much to this agricultural county and town.

Anderson . . .

(Continued From Page 1)
time after darkness had come on, he seemingly had lost his way and doubtless had already become very cold. Just how long he lived after falling is not known, but probably only a few hours at the longest for it was a very cold night.

Messrs. Knight, Price, Fenton, and others in the searching party brought his body into town and it was being prepared Thursday afternoon by the Stanley Funeral Home for burial. Funeral arrangements had not been completed when our forms closed.

In addition to the widow, survivors include three sons and three daughters, as follows: R. B. Anderson, who resides in Florida; Charlie Loyd "Pete" Anderson of New Lynn; Mrs. L. D. (Evelyn) Hoover of Plainview; Mrs. B. E. (Billie) Needles of Lubbock; and Edgar Earl "Butch" Anderson of Lamesa and Laquita of the family home; two grandchildren; and one sister, Mrs. Lora F. Shipman, who lives in Bell county.

Mr. Anderson was born in Cameron, Milam county, on September 19, 1887. He was married to Miss Adessa Elizabeth Storrs in Wichita Falls about 38 years ago. The family came to Lubbock about thirty years ago and moved down to Lynn county in 1927. They had resided here ever since. By occupation Mr. Anderson was a farmer and a barber. He had also engaged in buying cotton here a number of years. During his boyhood and his young manhood he had resided in Milam and Bell counties.

WILL BROADCAST

"Happy Jack" Davis has organized an orchestra, "The Sons of the Golden West," and will begin a series of broadcasts from the Lamesa station at an early date.

If local sponsors are secured, he will broadcast from Tahoka by remote control.

Mr. W. J. Burckhardt of the Edith community, who has been seriously sick for several weeks, was brought to the Seal Clinic here Monday morning. He was reported to be apparently somewhat improved Thursday morning but his condition is yet far from satisfactory.

Former Citizen Is Taken By Death

Mrs. J. M. Lucas, 59, sister of Mrs. Lonnie Williams of the Joe Bailey community in this county, died in a Sweetwater hospital on Wednesday of last week, and funeral services were held in the First Baptist Church in Sweetwater the next day. Mr. and Mrs. Williams and other Lynn county relatives attended the funeral services.

Mr. and Mrs. Lucas and their children lived in Lynn county a few miles east of Tahoka for several years back in the late 'twenties and the early 'thirties and made many friends here. They visited in this county just a few months ago. Mr. Lucas calling at the News office.

Survivors include two sons, two daughters, one brother, three sisters, and six grandchildren.

REA OFFICERS EXPECTED HOME FROM CHICAGO TODAY

Garland Pennington, manager of the Lyntegat Electric Cooperative, G. Q. Hensley of Draw, a director, two directors from Dawson county and one from Sundown are expected to return today from Chicago, to which city they went by plane a week ago to attend an REA Cooperatives convention.

Mr. and Mrs. W. A. Reddell and Mr. and Mrs. Joe Bob Billman and son Jimmy spent the day Sunday in the home of Mr. and Mrs. Bob Hefley, of Crosbyton. Mrs. Hefley is the daughter of Mr. and Mrs. Reddell.

JUMPING JACKS
SOFT SHOES FOR HARD WEAR

Pediatricians approve this exclusive, patented wonder shoe

Specialists say walking shoes for toddlers (up to about 3 years old) should provide support to hold heel bones in correct position and keep ankles from turning, yet have bare-foot flexibility, so foot and leg muscles can develop. Jumping-Jacks' scientific sole feature does the trick. And with no heels or striking edge to wear, Jumping-Jacks hold their shape and looks until outgrown. Bring your youngster in and let us show you why they're better for his feet and your purse.

In sturdy white, brown, red or two-tone elk, moccasin style. Sizes 2-8.
