## Tahoka Clinic Plans Expansion In Near Future

Dr. E. Prohl announces that he is to be joined this month by Dr. Skiles Thomas, son of the late C. A. Thomas and Mrs. Thomas, who still resides here, in the practice of medicine, and they have already let the contract for the construction of two additions to the Tahoka Clinic. O. W. Latson of Clarendon, father of Mrs. Wynne Collier, is the contractor.

One of these additions is to join the present building on the west and is to consist of two suites of three rooms each, one suite for each doctor.

The other addition is to be built on to the rear of the clinic and is to consist of a nursery, an operating room, delivery room, x-ray department, ambulance entry, and an enlarged kitchen.

Floor space of the two additions is to run close to 2,500 square feet, and the building with the additional equipment will cost close to \$40,000. The enlarged building will accommodate 13 beds, and the staff of employees will number anywhere from 15 to 20 persons.

Dr. Thomas was born and reared in Tahoka. He is a graduate of the Tahoka high school, then entered college and graduated at the University of Texas Medical College in Galveston in 1942. He took his interne work at the Jefferson Davis Hospital in Houston, served three years as an army physician in the Pacific area, and has just completed two years special work in obstetrics and gynecology.

He has a wife and two children, and he is having a handsome home built in North Tahoka. His wife and children expect to join him here in May after the new home is completed. He himself will begin practice here early this month.

## Bolch Candidate For Commissioner

The News has received the following announcement from Hulon Bolch of Wells as a candidate for commissioner of precinct No. 3. Son of D. J. Bolch, he has a fine family background and is said to be a most excellent young man. His statement to the voters follows.

TO THE VOTERS OF PRECINCT NO. 3:  
I take this means of announcing to you my candidacy for Commissioner of Precinct No. 3. After much deliberation and many urgent requests that I run, I decided to place my name before the voters of my precinct.

I am twenty-eight years old, married, and have one child. I have lived in Wells community 22 years. I graduated from O'Donnell high school and have had one year of business college at Draughn's in Dallas, Texas. I served four years in the U. S. Army, and of that time, I spent seventeen months in the Italian-German campaigns. I have farmed and lived on a farm all my life and I sincerely believe that I am qualified to know what the average farmer wants of a commissioner. If I am elected I shall endeavor at all times to look after the interests of O'Donnell and the southwest part of Lynn County. I want to serve the interests of the LYNN COUNTY people.

I am soliciting your vote and influence, and I ask that if you do not know me, please investigate my qualifications. Your vote for commissioner of Precinct No. 3 in the July Primary will be greatly appreciated by—Hulon Bolch.

## ATTEND CONVENTION

Mr. and Mrs. Elmo Jeter returned recently from a two-day convention of Culligan Soft Water Service Operators, held in Dallas.

Mr. Jeter is planning to improve and to enlarge his service here and will soon introduce a new service to his customers here. This new service is the elimination of "red water" caused by rust in the water lines. This new service will be on the same basis as the water softening service.

## Dairy Meeting To Be Held Here

A meeting of interest to all dairymen of Lynn county will be held at 10 a. m. Tuesday April 6 in the county court room here, according to County Agent Bill Griffin.

At this meeting the principal matter to be discussed will be the Artificial insemination of dairy cattle and the purpose will be to lay plans for a county program.

N. C. Fine, Professor of Animal Husbandry at the Texas Tech. and Mr. Burleson of the Texas A. & M. College will be the speakers.

## Rev. Levi Price Leaving Tahoka

After having served the First Baptist Church here as pastor for the past three years and eight months, Rev. Levi Price rendered his resignation at the close of the service last Sunday night to accept the pastorate of the First Baptist Church at Coleman.

The resignation was accepted with deep regret on the part of the membership generally, although they felt that greater opportunities were opening to him at Coleman. The little city of Coleman is much larger than Tahoka and the church there is said to have a membership of about 1,400.

The Tahoka church has greatly prospered and has taken a number of far-reaching advance steps during his pastorate. Contributions, have doubled and the membership has greatly increased. He has been preaching regularly to vastly larger crowds than any other pastor.

## Chamber of Commerce Sponsoring No One

Officers of the Tahoka Chamber of Commerce learned early this week that a report had gotten started to the effect that this organization was sponsoring or backing a certain candidate for office in Tahoka.

Nell Stanley, president of the Chamber of Commerce, stated to the News that there is no foundation in fact for such a report and Chamber of Commerce officials deeply regret such a report got out.

The Chamber of Commerce is made up of men of varying political beliefs and it does not dabble in politics. It does not endorse nor oppose any candidate for office. Furthermore, officials of the C. of C. do not believe that either of the candidates involved are in any degree responsible for the circulation of the report, he stated.

## Grassland Church Postpones Revival

Revival services at the Church of the Nazarene at Grassland did not begin Wednesday night as had been previously announced for the reason that the evangelist, Rev. John R. Ferguson of Atlanta, Texas, who was to be there to do the preaching, had suffered a heart attack and was not able to be here at that time.

Rev. S. R. Brannon requests that the News state that the meeting was postponed to begin on Wednesday night, April 14, and to continue through Sunday, April 25. Brother Ferguson will be here to do the preaching if not providentially hindered.

## FORMER NEWS EMPLOYEE LOOKS IN ON THE OLD SHOP

Martin Sylvester Reese, now a teacher in the Journalism department of the Southern Methodist University, spent Easter here with his parents, Mr. and Mrs. J. L. Reese.

On Saturday afternoon Sylvester called at the News office just to meet the "force" again and to take a look at the shop. Most of the old machinery was still there and everything looked very natural. Sylvester spent several years in the News office, most of the time as a part-time employee before going to college.

Maybe he got some new ideas here for his classes—who knows!

## Storm Tuesday Most Severe One In Several Years

The worst sandstorm which has visited this area in nine or ten years swept the Plains and other portions of West Texas Tuesday.

A straight, high northwest wind began early in the morning to pick up the dust and soon dense clouds of dust and sand were filling the heavens and obscuring the sun.

At Lubbock, the wind velocity was reported to be about 52 miles per hour with frequent gusts making 60. It was doubtless about the same over this entire area. Some damage to property was done here and there, and according to County Agent Bill Griffin much of the wheat in the county was "blown out."

The winds "tore up" the large cotton warehouse of Thomas Brothers at Draw and partially wrecked the home of the Jackson family there, it is reported.

There was considerable soil erosion on very sandy land and in fields that had not been broken up, but most of the land had been plowed and not much general damage to the soil was done.

The wind blew from the north all day Wednesday also and there was much sand and dust in the atmosphere, but it was a lovely day as compared with Tuesday.

## Farmers Discuss Farm Program

County and community committees are meeting in the A. A. A. office Friday morning April 2 for the purpose of making recommendations to the 1949 Farm Program.

This information was transmitted to the News by Clarence Church of Wilson, chairman of the County Committee. Recommendations made at this meeting will be taken to a district meeting in Lubbock next Wednesday by the county committee. The meeting in Lubbock will in turn make recommendations to the State Committee and then on to the National officials for final drafting of the 1949 Farm Program.

## Geo. Mahon Asks Re-election To Office

Hon. George H. Mahon, Representative from this the 19th district, has authorized the News to place his name in our political announcement column as a candidate for re-election.

Mr. Mahon needs no introduction to the voters of this district. He is known personally to most of them. He has made an excellent record in Congress and so far he has no opponent. The general opinion seems to be that there is nobody in the district who could defeat him.

He will appreciate the vote of every one of you in the July primary election.

## Wilson Storage Plant Is Opened

Saturday is going to be a big day in Wilson. Pat Campbell is going to have his formal opening of the new and commodious cold storage plant which he has just completed there, and he invites everybody, Tahoka people included, to come in and be shown through.

To add interest and zest to the invitation, he announces that he will serve a free barbecue.

There are a lot of small towns in Texas that this editor has never visited and knows little about, but we doubt if there is another one in Wilson's size class that has a cold storage locker plant equal to this one. In addition to being postmaster, Pat Campbell is a jam-up good citizen, progressive and public-spirited.

Now pass the gravy, please, Pat.

R. N. Ensor of Petty has been in the Seale Clinic this week under treatment for an affection of the throat, which seems to have become somewhat an epidemic in this area.

## City Election Will Be Held Here Tuesday

A city election that will probably attract a comparatively large vote is that which is to be held here next Tuesday.

The terms of two members of the city council, H. B. McCord and S. S. Bartley, will expire, and to fill the two places for the next two years, the names of four men appear on the ballot as candidates, as follows: H. B. McCord, W. C. Wharton, Clay Bennett, and Ivan Gathcart. Only two of the four can be elected.

To fill the unexpired term of Fred Bucy, who resigned and moved to Brownfield, three names will appear on the ballot, A. N. Lehman, Lee Roy Knight, and B. L. Parker.

Two candidates for city secretary will appear on the ballot, Miss Rosemary Neims and Mrs. Marie Sanders.

## Rotarians Attend District Meeting

Several Tahoka Rotarians and their wives attended the annual 127th district Rotary Conference held in Big Spring Sunday, Monday and Tuesday at which L. C. Haney appeared on the Vocational Service program, and Dr. E. Prohl acted as song leader and Miss Sissy Haney as accompanist at the International Service meeting.

Among those attending from here were Messrs. and Mesdames L. C. Haney and Miss Sissy, Vernon Brewer, Dr. Prohl, Fred McGinty, and Alton Cain.

At Thursday's Rotary luncheon Mrs. M. Brewer discussed the proposed school tax rate increase to be voted on Saturday.

Junior Rotarians for the month are Billy Thomas and Elmer Rash.

## New Manager For Davis-Humphries

C. W. Conway is the new local manager of Davis-Humphries grocery and market, succeeding W. W. Stout, who has been transferred to the Littlefield store as manager.

C. W. has been assistant manager of the store since Davis-Humphries bought the business from A. L. Smith two years ago. He has had about nine years experience in the grocery business here.

## Cub Scouts Will Hold Pie Supper

Tonight a pie supper will be held by the Cub Scouts at the school gymnasium beginning at 7:30.

A program which has been rated as one of the best in this section of the country will be presented by the Slaton Boy Scouts.

The Slaton troop has put on their "Indian Lore Dance" at other places and have been highly complimented as the best Indian Lore Dancers that have ever been seen in this section of the country.

The public is invited to attend this pie supper and to enjoy the fine program which is being sponsored by the Den Mothers of the Cub Scouts of Tahoka.

## YOUTH REVIVAL AT O'DONNELL NEXT WEEK

Rev. J. M. Hale, pastor of the O'Donnell Baptist Church, announces that there will be a Youth's Revival in his church next week, April 4-11.

The O'Donnell young people will have charge of all services Sunday morning, beginning at 10 o'clock. Wayne Vandiver will be the preacher at the 11 o'clock hour.

Two young men from Hardin-Simmons University are expected to conduct the services through the week. Rev. D. W. Ward will be the preacher and Roland Gregory will lead the singing. The people of neighboring communities and also of Tahoka are invited to attend.

Mr. and Mrs. Charles Freeman and Mr. and Mrs. Harold Fleming of Crosbyton visited Mrs. Freeman's mother, Mrs. Florence E. Cowan, here Sunday night.

## Red Cross Drive Exceeds Quota

Jarrel Brown, chairman of the Red Cross drive for funds in this county, made the final roundup Thursday and reported before the end of the day that total funds collected amounted to \$2,091.73, which was \$243.78 more than the county's quota, which was \$1,848.00.

Half of the total collected will be kept in Lynn county.

Mr. Brown promises a more detailed report next week.

## N. H. Nash Died Easter Sunday

Funeral services for N. H. Nash, 59, who died at his home here at 2:10 o'clock Easter morning, were conducted in the chapel of the Stanley funeral home by Rev. Levi Price at 2:00 o'clock Monday afternoon, followed by burial in the Tahoka cemetery.

Pall bearers were Ernest Herring, Lee Sanders, Pat Healy, Borden Davis, Irving Stewart, and Buster Penton.

Survivors include the widow; four sons, Harry, Leonard, and Herbert Nash, all of Tahoka, and Cleo F. Nash, who is with the American occupation forces in Germany; four daughters, Mrs. Joe Lively and Mrs. Harriet Birdsong of Red River county, Mrs. Dorothy Brown of Tahoka, and Mrs. Marie Halgrod of Lubbock.

Also surviving are three brothers, Marion and Willard Nash of Clarksville, Texas, and Cleo Nash of Arkansas, together with other more distant relatives.

Mr. Nash was born on January 22, 1889, in Morgan county, Arkansas. He was twice married.

## Parsons Opens New Cafe In Tahoka

A new cafe was opened for business Saturday in a new building facing west on South Main Street—the O'Donnell highway—on the first block south of the courthouse square.

It is owned and operated by R. C. Parsons who for a year and a half operated the local airport just outside the city limits on the south. For two years he operated the Post Dairy.

Claude Lawrence recently came from Dallas to serve as cook for the new cafe. He has had twenty years experience as a cook and in operating or working in cafes and restaurants.

Both men are married and Mrs. Parsons will assist in serving customers.

Mr. Parsons expects to have a formal opening of the cafe just a little later. Also he expects some time soon to begin giving curb service.

## Foreign Students Visit In Tahoka

Mr. and Mrs. Lee Savage of New Home had the pleasure of entertaining on Easter their daughter, Miss Chattie Mae Savage, who is a Senior student in Abilene Christian College, and three of her friends, who are likewise A. C. C. students, two of them, Mr. and Mrs. Bob Beamer, from Vancouver, British Columbia, on the west coast of Canada, and one, Miss Rona Classen, from Bulawayo in faraway South Africa.

Miss Classen is of English descent, however, as most of the inhabitants of South Africa are, and she speaks the mother tongue just as correctly and as fluently as the people of the mother country do.

It was a most pleasant occasion for Mr. and Mrs. Savage, with these two visitors from the far Northwest and the other from the farther-distant Southeast, all of the Christian faith, in their home out here on the Plains of Texas on Easter day.

Mrs. Marjorie Kemp and daughter Sandra were here from Fort Worth visiting her parents, Mr. and Mrs. Claud Wells, during the Easter holidays.

## Trustee Election In Lynn County This Saturday

School trustee elections are to be held in all the school districts of Lynn county on Saturday of this week, April 3.

Up to Wednesday the names to be placed on the ballots as candidates in the Wilson, New Home, Grassland, Midway, Newmoore, and Tahoka districts had been furnished the News, and are as follows.

On the Wilson ballots are to appear the names of Ben Brieger and Newman Bartley, as candidates to succeed themselves on the board, no other names having been filed.

On the New Home ballots are to appear the following list of names: C. L. Murray of New Home, Roy Lee Williams of New Home, Wayman Smith of New Home, C. B. Harston of Joe Stovall, Adrian Evans of Lakeview, and H. L. Cowart of Petty.

In the Grassland district, names will appear on the only two to be elected. The appearing on the ballot will be A. L. Norman, C. E. Short, C. O. McCleskey, H. E. Huffaker, Leroy Davis, C. W. Roberts, and O. C. Harrison.

At Midway there will be five names on the ballot, the terms to expire in 1951. The names are as follows: C. B. Early, Gilbert Gandy, G. A. Henry, C. D. Jackson, and J. L. Carlisle.

At Newmoore five names will appear on the ballot, only two to be elected. The names printed on the ballot will be: N. S. Parker, Will Wilson, Ben Moore, Ted Rogers, and C. L. aylor.

In the Tahoka district seven trustees are to be elected, due to the fact that a consolidated district including the former Tahoka district and the West Point, and Three Lakes districts has been created since the last school trustee election.

Two of the present trustees, E. R. Edwards and Maurice Small, declined to have their names placed on the ballot. The names of the other five have been filed together with two additional names to take the place of Edwards and Small, the new names being those of Alton Cain and Ross Smith. The ballot therefore will look about as follows:

For the one-year term, H. O. Hargett and Fred McGinty.

For the two-year term, R. H. Gibson, Weldon Martin, and E. R. Tunnell.

For the three-year term, Alton Cain and Ross Smith.

## RATE RAISE PROPOSED

Also to be voted on Saturday in the Tahoka district is a proposal to raise the school tax rate from \$1.00 to \$1.50, as has already been done in most schools of the area. Possibly \$1.15 to \$1.25 of the amount would be used, the raise being necessary because of rising costs and because of failure of the legislature to provide sufficient funds.

By increasing the tax rate instead of increasing assessed valuations, the amount of state aid the school gets will not be affected, while to raise the valuation would definitely decrease the total state aid. As a matter of fact, by increasing the rate, the local schools would receive just twice as much added funds as if the valuations were raised, at the same cost to taxpayers.

## SINGING AT NEW HOME CHURCH OF CHRIST

There will be singing at the Church of Christ at New Home beginning at 3 o'clock Sunday afternoon, according to Lee Savage of that place.

He also announces that this will be followed by a singing school taught throughout next week by A. C. McElroy of Meadow.

You are invited.

Miss Bobby Lynch, a 1947 graduate of Tahoka high school, who is now attending school in Dallas, spent the Easter holidays here with her grandmother, Mrs. Amelia Turner, and her great-grandmother, Mrs. L. E. Waldrop.

**REDWINE BROTHERHOOD**

H. M. Patterson of Redwine dropped into the News office Saturday for a chat.

He stated that they had a live meeting of the Baptist Brotherhood out there the preceding night. Rev. Boyce Evans of Abilene was the inspirational speaker and made a fine talk, he said. Leonard Autry is the Brotherhood president and a live wire, he avers.

Two of the main objectives of the Brotherhood this year are the Man-and-Boy movement and the sponsoring of boys' attendance upon the South Plains Assembly encampment near Floydada this summer. He says they expect to make it possible for every one of the Redwine boys to attend.

The new addition to the Redwine Church was just about completed and they were expecting to have a sunrise Easter service Sunday morning.

**THE SMITHS  
STILL HAVE IT**

In an address in Lubbock last Friday in connection with the dedication of the new V. A. Building, Assistant Administrator Omar W. Clark of Washington, D. C. stated that in the V. A. files are listed 217,000 Smiths, of whom 12,500 are John Smiths; 170,000 Johnsons, 130,000 Joneses, and 100,000 Browns, 6,700 of the latter being named John Brown.

Capt. John Smith of Jamestown seems to have a host of kinfolks and old John Brown's body still goes marching on. The Browns can't keep up with the Joneses, however, but the Johnsons can. They seem to constitute the second largest family in the United States. The Williamses are as thick as hops in Lynn county but the Washington gentleman didn't give us the low-down on them nationally.

Mr. and Mrs. George Small went to Fort Worth Monday to visit her 80-year-old brother, Dr. Wright, who recently fell and broke an arm. He was suffering much from the injury.

### South Plains Press Ass'n. Organized

A number of South Plains newspaper men who were guests of Charles A. Guy, president of the Panhandle-South Plains Fair Association, and A. B. Davis, manager, at a luncheon given last Friday in the Hilton Hotel, entered into the organization of the South Plains Press Association. Temporary officers were elected and it is planned to have another meeting within the next thirty days at which a much larger number of newspaper men from this area are expected to be present and to make the organization permanent. Temporary officers elected were:

president, E. I. Hill, editor of The Lynn County News; vice-president, H. G. Richards, editor of the Anton News; secretary, Lois H. Vestal of the Sun News, Levelland.

Other Newspaper men present and participating in the organization were Charles A. Guy, editor and publisher of the Avalanche-Journal publications, and C. W. Ratliff, managing editor; Neil C. Vanzant, editor of the Gaines County News, Seagraves; Forrest Weimhold, editor of the Hockley County Herald, Levelland; Mr. and Mrs. Carl England, editor and assistant editor of the Morton Tribune; Buford Davenport, editor of the Abernathy Review; M. I. Hall, editor of the Mailbox, Lubbock. Present as a visitor was T. E. Johnson, editor of the Amarillo Times.

Charles A. Guy, editor of the Avalanche and president of the Panhandle South Plains Fair, acted as master of ceremonies at the luncheon and stated to the newspaper men that they had been invited to attend the luncheon not only as a gesture of good will but in order that he might discuss with them a suggestion that one day of the approaching Panhandle South Plains Fair might be set aside as Press Day and that he might get their views as to what day would be most suitable.

In the round-table discussion that followed, somebody suggested the need for a South Plains press association. The suggestion met with instant approval by all newspaper people present and the organization followed.

The time for the permanent organization meeting will be set soon and all newspaper people in the area will be notified.

The supreme court was probably right in its recent decision that the teaching of religion or the Bible in the public schools is in violation of the Constitution of the United States, although the decision seems to have been a little more drastic and sweeping than what many lawyers think it should have been. It is hard to guard thoroughly the principle of separation of church and state. But we believe that it is still more important to guard against the opposite, and if our Constitution and laws do not likewise prohibit the teaching of atheism and disparagement of the Bible in the public schools, and the state-supported colleges and universities of this country, then the Constitution and laws should be amended so as to

do so. A teacher certainly has no moral right to teach atheism, ridicule Christianity, cast sneers at the Bible, and break down the faith of godly boys and girls in schools maintained with state funds and whose teachers are paid out of the public treasury. If the atheist and the infidel feel that they just must teach their scornful and blighting ideologies to the youth of the land, let them provide their own funds or get it from private sources and build their own schools as many church denominations do, but let them not reach their hands into the public treasury and support themselves with the people's money while they tear down the faith and the character of the boys and the girls who have been entrusted into their keeping by God-fearing and God-loving mothers and fathers. If Church schools must not be supported in whole or in part with public funds, and they must not be—neither should atheistic schools or teachers be so supported. Is there any thing wrong with that logic?

How tragic was the news that came on Easter Day that war clouds were hanging low over Jerusalem and that there was danger that holy places revered by Christians throughout the world were in danger of being demolished by Arab violence. Gunfire swept the city just a few hours before Easter church bells were scheduled to ring, and Christian worshippers were being guarded while they reverently followed the path that Jesus followed nearly 2,000 years ago as he trudged his way from the heart of the city to Mount Calvary to be crucified. In their war with the Mohammedan Arabs, Jews dropped bombs on Arab concentrations just south of

Bethlehem, the little town where Christ was born in a manger. The country where Christ lived is less Christian today than it was when he lived and taught and founded his church there. But the Christian message has spread westward and transformed other peoples and made America largely what she is. In our opinion it will take the reign of Christ in the hearts of men in many nations to banish the menace of war and to assure the world of genuine and lasting peace.

We should not permit the drive being made by politicians and pressure groups in the North for what they call the "civil rights" program of proposed legislation to stir up racial prejudices in our breasts. While most of us strongly resent the proposal to compel the people of the South to ignore altogether racial lines in business and school and transportation, we should not permit this to so inflame us as to discriminate unjustly against people of other races is our midst. We certainly owe a duty to these inferior or underprivileged races. We owe them the duty of giving them better educational opportunities, better working conditions in many instances, and more help in many respects. We believe that good public schools, good churches, and good living conditions will make better citizens of Negroes and Mexicans just as they make better citizens of Anglo-Americans. Let's be generous and helpful in our attitude toward these peoples regardless of the provoking demands being made of us by selfish or uninformed groups of people in other parts of our country.

This may be a bad crop year but we are not frightened yet. It doesn't often rain much in the spring until April or May, sometimes June. There have been years when it remained very dry until June and then the rains came and people made bumper crops. Besides, better crops are made now than in years past for the reason that better farming methods are used. The coming of the tractor drove many tenants off the farm but it improved the crop yield because tractor drawn plows go deeper into the soil. Experience has proved that when the soil is broken deep, the rain that falls goes into the ground better and the moisture that sinks in is better preserved. Yes, this is a better farming country than it used to be.

Newspapers and radio have brought reports of overcrowded churches all over the country on Easter. Many, of course, were attracted by the ritualism and the glamor that characterized the services in many places; many women went to show their finery and many went through curiosity; but millions of others went to worship or to seek God. Thoughtful men in these troublous times are beginning to realize again that there is truth in that great Biblical pronouncement that "Righteousness exalteth a nation, but sin is a reproach to any people."

**how much is enough?**

We wish we knew. In spite of our best efforts, the demand for telephone service continues to exceed the supply of materials necessary to provide it. We have already installed a record number of telephones, but still more applications for new service continue to come in. All of our efforts are aimed at "balancing the scales"—to have installations keep pace with new applications. It takes time and money, but we hope before too long to keep up with this tremendous demand.

**PRECISION CULTIVATING 8 ROWS EVERY ROUND**

With the MM Universal U tractor and 4-row power-lift cultivator, you can do a precision job of cultivating. Accurate adjustment of cultivating depth and distance of shovels from the plants allows correct cultivating during the entire season. MM Visionlined design of tractor and cultivator and location of the gangs just behind the front pedestal assure better vision without straining and easier dodging to protect plants which may be out of row.

- Excellent clearance.
  - Positive, even-depth penetration.
  - Cultivates all crops planted in rows from 34 to 44 inches.
  - Cultivator gangs can be removed from the tractor without disturbing spacing.
  - Choice of shovels, sweeps or spring-tooth attachment.
- See us for complete information.

**VISIT IN ARKANSAS**  
Mr. and Mrs. T. I. Tippit and Mr. and Mrs. Vester Botkin left last Friday morning in the midst of one of the most furious sandstorms of the season for the piney woods of Arkansas. They had a lot of help going east for the wind was coming right out of the west and seemed to be in a great hurry. T. I. thought that if the wind changed they might muster up enough courage to come back about the last of this week. Be prepared, you fishermen, for some great fish tales.

Mrs. G. C. Shaffer left Sunday for Madisonville for a two weeks visit with her son, G. C. Jr. and family.

**How women and girls may get wanted relief from functional periodic pain**

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

LOOK INTO this 2-way help!

Try Cardul. If it helps, you'll be glad you did.

**IMOGENE HARGETT WEDS  
W. T. HINES EASTER DAY**

Marriage vows were read for Miss Imogene Hargett, daughter of Mr. and Mrs. H. O. Hargett, and W. T. Hines, son of Mr. and Mrs. G. H. Hines, all of Tahoka, Easter Sunday morning at sunrise in the home of the bride's parents, Rev. Boyce Evans of Abilene officiating.

The bride was given in marriage by her father, and Mrs. Boyce Evans of Abilene attended her sister as matron of honor.

The groom's father served as his best man.

Candles were lighted by Mrs. Dan Brookshire.

Traditional wedding music was played by Miss Nan Beth Pennington, and she accompanied Miss Nan Weathers as she sang "Because."

A reception followed, and the couple left for a trip to New Mexico.

Eddie Lee, nine-months-old son of Mr. and Mrs. Eual Akin, has been in a Lamesa hospital since Sunday rather seriously sick of a throat infection. The mother is the former Miss Katie McMillan.

Issues Statement**

To the voters of the city of Tahoka:

I want to take this opportunity to bring to your attention the city election of April 6.

I will greatly appreciate your vote and support. I have made a house to house canvass trying to see each and every one but some have not been at home. If I have missed any one it was not intentional.

If you elect me I will gladly strive to serve you at all times to the best of my ability. My time and services will be at your command.

Thanks to each and every one of you for your courtesiousness and kindness to me during the campaign and election.—Mrs. Marie Sanders.

**OLD-TIMER VISITS HERE**

Brown Bradley of Odessa came up last Friday to spend the Easter season with his mother, Mrs. Mattie Bradley, his brother Don, and his sister and her husband, Mr. and Mrs. N. W. Alphin.

On Sunday they all went to Clovis, New Mexico, to visit the oldest of the Bradley brothers, Victor, and his family.

Brown formerly resided in Tahoka but usually comes back at least once a year to visit the home folks and friends, and he still has many of them here.

**Be Quick To Treat  
Bronchitis**

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

### Rev. Price . . .

(Continued From Page 1)  
Tahoka has ever had. Next Sunday night he will hold his last service here and will leave for Coleman either Monday or Tuesday.  
In view of the fact that the Church would be without a pastor for possibly several weeks, it was decided by the Church to cancel the revival meeting scheduled to be held here from April 11 to April 25 as a part of the simultaneous revival campaign to be conducted throughout this area.  
Following the acceptance of his resignation, the Church also elected

a pulpit committee to seek a new pastor and to make provision for regular services in the church in the interim.

The pastors and churches of District Nine, covering about 20 South Plains counties and embracing 174 cooperating Baptist churches, had come to recognize Levi Price as one of the ablest and most dynamic preachers among them and will generally regret his removal.

The best wishes of thousands in the area go with him and Mr. Price to their new field of service.

### Nash . . .

(Continued from Page 1)  
was married the first time in 1909 to Miss Virgie Good in the state of Arkansas. Of this marriage two children were born, Herbert Nash and Mrs. Joe Healy.

His first wife dying, he was married the second time in 1915 to Miss Martha Tacket, also in Arkansas. Of this marriage the other six children were born.

Mr. and Mrs. Nash and the unmarried children came to Lynn county from Red River county in 1941 and most of them had continued to live here since.

He was a farmer by occupation but had retired on account of ill health.

Mr. Nash united with the Baptist Church in boyhood but had never transferred his membership to Tahoka. Those who knew him intimately declare that he was a very fine man and a good citizen. The many friends of the family deeply sympathize with them in their great bereavement.

### CRAWFORD HERE

Virgil Crawford of Brownfield, candidate for District Attorney was in Tahoka Saturday afternoon meeting the people. So far he has no opponent but he is soliciting votes just as if he had a cow-pen full of opponents. Virgil served a while as county attorney of Terry county, then resigned and went to whip the Japs, came home when that job was finished, and took back his old job. Now he is asking for a promotion.

Little Jimmie Stanley Rinfroe, 8-weeks-old son of Mr. and Mrs. Dlin Aenroe, was brought home Monday from a Lubbock hospital, where he had been under treatment for a respiratory infection. He is improving.

### CARD OF THANKS

We wish to thank our many friends for their thoughtfulness, kindness, and sympathy shown us upon the tragic death of our loved one, Charlie Henderson. Every kind word and deed will be held in grateful remembrance by us. Mrs. Charlie Henderson and children, Mr. and Mrs. H. J. Henderson, the parents, and all his brothers and sisters and their families.

Clyde Briley was up from the State University during the Easter holidays to visit his mother, Mrs. Terry Noble, and other relatives.

Miss Lou Nelle Peters, one of the teachers in the public school here, visited home folks in Rogers over the Easter week-end.

Misses Dorothy and Jeanette Kidwell spent the Easter holidays in their former home town of Rochester.

The Railroad carried the average ton freight nearly 24 miles farther for \$1 in 1946 than they carried it in 1921.

# Controlled: Quality, Price, Construction

are yours in these THREE GREAT CO-OP TIRES

### CO-OP PREMIUM

Here is truly a premium tire and a tire that in our opinion is the best that money can buy. It costs you only a little more than ordinary tires, but gives you far greater features. Deeper non-skid tread, longer life, due to exceptionally powerful cord solidly embedded in rubber insulation, greater mileage and a special feature of shoulder traction because of the tread design built into the side of the tread.

Price . . 6:00x16—4 ply . .

**\$16<sup>70</sup>**  
Plus Tax

### CO-OP DELUXE

Here is an outstanding tire selected by Co-op for its exceptional value—it has extra stopping power because of its 6,340 saw tooth edges on the tread. It is one of America's most modern tires because of its broad, flat tread that puts more rubber to work to share the wear and adds miles of safe, dependable service. The Co-op Deluxe features greater strength through the strong construction resulting from cord insulated and bonded in liquid latex. It runs cooler, another great protection against blowouts.

Price . . 6:00x16—4 ply . .

**\$13<sup>75</sup>**  
Plus Tax

### CO-OP HEAVY DUTY

This popular all-purpose tire was a great war-time favorite with thousands and thousands of Co-op users. Now with higher natural content and improved stronger construction, it's even better than ever. The rugged tread assures good mileage and the rubber is especially compounded to withstand wear and weather. This tire's strong carcass construction makes it ideal for general service over all types of roads.

Price . . 6:00x16—4 ply . .
