Tahoka, Lynn County, Texas, Friday, April 16, 1948

Number 28

Plans Completed For Field Day Here On May 4

Plans were completed this week for the Soil Conservation Field Day to be held in Lynn county on Tuesday, May 4, according to Clint Walker, secretary of the Tahoka Chamber of Commerce, which organization is sponsoring the day in co-operation with the Soil Conservation Service, the AAA, and the Extension Service.

Purpose of the day is to acquaint business men and farmers with the many soil improvement practices being carried out in Lynn county.

A caravan of automobiles will leave Tahoka at 9 a. m. for a 100-mile all-day tour of county farms. Anyone is welcome to go on the caravan, carry a paper sack lunch, and enjoy the occasion. At noon, lunch will be spread at the M. L. and W. P. Thomas deer park and lake near Grassland. Free coffee and other drinks will be furnished. A loud speaker will be provided to explain the various soil building practices along the route and the tour will be planned so as to necessitate a minimum of walking by those taking part.

The tour will be completed by 4 p. m., it is planned.

Among the projects which will be shown and explained are: irrigation, elevated ditches and concrete ditches, sprinkler irrigation, terracing and contouring, tanks and dams, cover crops, improved pastures, Johnson grass control, sub-irrigation, deep plowing, and mesquite grubbing by machine. A total of 16 stops will be made.

Aged Citizen Takes Own Life

Tragedy unspeakable came into the W. R. Greer home one mile west of Grassland at about 9:20 o'clock Monday morning when J. C. Bargeley, 96, father of Mrs. Greer, placed a .45 Colt's revolver to his head and pulled the trigger.

The women were busy with their washing in the wash house and did not hear the fatal shot, but evidently only a few minutes thereafter they discovered his dead body still sitting in a chair on the front porch with his dead right hand still clutching the pistol that had sent the bullet through the front and top of his head.

Mr. Bargeley had been in ill health for the past three years and it is believed that his mind had become affected.

Following his tragic death, Sheriff Sam Floyd was called, and he conducted a brief investigation. P. D. Server, justice of the peace here, held an inquest and pronounced the sad affair a case of suicide.

The Stanley Funeral Home here prepared the body for burial and conveyed it to Fisk, a small village 12 or 15 miles south of Coleman, for burial.

Mr. Bargeley was born on September 16, 1861, in Hood county, Texas. He lived for years in Coleman county. He came to Lynn county about five years ago and had since been living with his son-in-law and daughter, Mr. and Mrs. W. R. Greer. He is survived by five daughters and three sons. The daughters are: Mrs. W. R. Greer; Mrs. C. A. Tevis of Arch New Mexico; Mrs. Frank Smith of Bangs, Texas; Mrs. Callie Dreith, who lives in California; and Mrs. Willie Colebank, living in Oregon. The sons are: Charlie Bargeley of Grapevine; Henry of Austin; and Lewis of Spring Lake, Arkansas. One sister survives, Mrs. W. E. Williamson of Austin.

NEW HOME GIRL HAS OPERATION

Gloria Ellen James, eleven-year-old daughter of Mr. and Mrs. Claud James of New Home under, went an operation for appendicitis Sunday in the West Texas Hospital, Lubbock. She is reported to be recovering nicely.

The little girl's grandmother, Mrs. W. P. Inman of Snyder, came up to be with her.

VFW Will Spray City For Flies

Alleys, livestock lots, outhouses, and other breeding places of flies and mosquitoes will be sprayed with DDT again this summer by the VFW, according to Meldon Leslie, post commander.

Members of the organization will start spraying next Monday, using a county power sprayer, and the entire town will be covered. Last year the VFW sprayed the town only once, and there were fewer flies and mosquitos than ever before in the history of the town. This year, they expect to spray at three different periods of the summer.

Last year, the organization furnished both the funds and DDT for the spraying project. This year they are furnishing the labor and trucks, but are asking the City or some civic organization to help them finance this worthwhile civic project.

Tahoka Co-op Holds Barbecue

Nearly six hundred people gathered on the premises of the Tahoka Co-op Gin here Wednesday at noon and enjoyed the barbecue feast served by the gin authorities.

The beef, by the way, was an F. A. Club Boy Calf raised by Leslie McKee, for which the Co-op paid a good round price.

Speakers of the day included Auditor Cameron of Lubbock and Roy Davis, Manager of the Plains Cooperatives Mill in Lubbock. Oil mills at Station and Lamesa were also represented at the big meet.

At a business session a dividend was declared and distribution amounting to more than \$6,000.

Also three of the directors were re-elected: John Price, president, Sam Miller and Carl Spears. Hold-over directors are John Slover and Clint Sikes. H. O. Hodges was re-elected Manager.

Those present consisted largely of stock-holders and their wives and family friends. It was pronounced one of the greatest of the Co-op's annual meetings.

Rotary Planning Ladies Night

Next Thursday night at 7:30 at the Legion hall, Tahoka Rotary Club will hold a ladies night, to which all Rotarians are expected to bring their wives.

Thursday, a group of high school girls, the Senioletes, entertained the club with two groups of songs and a reading. Supt. Vernon Brewer introduced the numbers.

The songs were by Misses Billie Faye Anderson, Bobbie Cowan, Savannah Lou Tunnell, and Nan Beth Bennington, accompanied at the piano by Frances Marion Haney, the club sweetheart and a high school senior. The reading, "Maybe You Didn't Hear About It," was by Miss Lena Williams. Naturally the Rotarians greatly enjoyed the presentations by these talented young ladies.

Junior Rotarians for the month are Billy Loren Thomas and Elmer Rash, high school senior boys.

Pleas of Guilty In Justice Court

P. D. Server, justice of the peace was a busy man Monday.

Two Lubbock Mexicans, who had matched a "scrap" here in Tahoka Sunday night, entered their pleas of guilty to fighting and were each fined \$1.00 and costs, amounting to fourteen bucks in each case.

A lieutenant in the army was also assessed a fine of \$1.00 and costs for "speeding" on the highway. He likewise dug up \$15.00.

Another man was arrested Saturday night for driving a car without a driver's license and was fined \$1.00 and the trimmings.

Still another Lynn county man, a farmer, paid a fine on two charges, one for drunkenness in a public place and for permitting a minor to drive his car without a driver's license.

Rev. and Mrs. W. M. Bozeman, who have moved to Tahoka from Lamesa. Rev. Bozeman is the new pastor of the Tahoka Assembly of God Church, succeeding Rev. Leon Quillen.

Fencing Is Bought For Football Field

Anchor chain fencing for the Tahoka High School athletic field, Foust Field, authorized by the school board several months ago, was recently purchased by Maurice Small, outgoing member and the building and grounds committee chairman.

The fencing is scheduled to arrive immediately, and will be installed this summer.

The fencing is the best available and should last a lifetime. A total of 1658 feet is required to enclose the field. This fencing is of durable chain linking, six feet high, with three or four strands of barbed wire at the top making total height of seven feet. Posts will be of steel and set in concrete. There will be two double gates, one at the north and one at the south to permit entrance and exit of cars, and two small gates.

With some improvement to the playing field, addition of the fence will greatly enhance the appearance of the school grounds, prevent gate-crashing, and give the Tahoka athletic teams one of the best small town football stadiums in this area.

The concrete and steel stadium built early last fall is one of the best in West Texas. It is a little small for major games, but was erected in such a way that it can be added to at some time in the future if necessary.

School authorities have expressed the intention of planting shrubbery inside the fencing at some future date.

Carter Sets New Record At District

Two members of the Tahoka High track team, Duane Carter and Joe Don Minor, qualified for participation in the Region 1 Interscholastic League track and field meet, in the district meet held at Lubbock Saturday of last week.

Carter won first place in the high jump, setting a new district record at 5 feet and 10 inches.

Minor won second in the 440, fourth in the 220, and fourth in the 100 yard dashes.

Winning these places gave Tahoka a tie for fifth place with Levelland, each team scoring ten points.

In the Regional meeting Saturday of next week at Lubbock, Carter will enter the high jump and pole vault, while Minor will concentrate on the 400 and 220 yard dashes.

The two boys will also enter the South Plains Relays at Texas Tech this week end, competing with the best Class AA and A schools of West Texas, according to Coach Jim Foust.

FIRE DEPARTMENT MAKES TWO RUNS

The Tahoka Fire Department was called to Wilson last Saturday, but the truck broke down just about a half a mile west of Wilson. However it was reported that the fire which was in the home of Mr. J. P. Hewlett was brought under control before too much damage was done.

Thursday afternoon the Fire Department made a false alarm run to the residence of Truett Smith.

To supply eggs and poultry products for a family of five, an average of 30 layers should be kept.

Street Markers Will Be Installed By City Officials

One of the last acts of the city council prior to the retirement of three of its members, Fred Bucy, S. S. Bartley, and H. B. McCord was the ordering of 120 street signs to be installed at street intersections in Tahoka, and on Monday preceding the election Alderman H. B. McCord while on a trip to Amarillo, purchased 100 posts on which to mount the signs.

The move to make this improvement had been started several weeks prior to that time however.

Dr. K. R. Durham, mayor, was exhibiting samples of the signs on Thursday of last week. The signs are made of cast aluminum and are large and heavy. They are very substantial and should last for many, many years—in fact they appear to be practically imperishable. The posts will be set in concrete and the project will probably cost \$1,000 or more.

Mayor Durham says that all parts of the city will be covered East Tahoka and South Tahoka as well as West and North Tahoka.

This action of the council will doubtless be heartily approved by most of the citizens of Tahoka.

New Aldermen Are Sworn In

A called meeting of the Tahoka City Council was held at 4:30 p. m. on Thursday, April 8, for the purpose of canvassing the election returns and swearing in the newly elected officials.

For the convenience of the mayor and the public as a whole, the mayor made the following designations and assignments: Clay Bennett as Sewer and Sanitation commissioner; Ivan Cathcart, Park and Police commissioner; B. L. Parker, Farm commissioner; W. O. Thomas, Water commissioner; V. E. Jones, Street commissioner.

If you have any suggestions or complaints, Mayor K. R. Durham suggests that you see the particular commissioner—whose special duty it is to look after the matter about which you may complain.

Will Give Shower For Couple Whose Home Burned

Last Sunday at about 3 o'clock in the afternoon, the home of Mr. and Mrs. Lewis Pierce, who live on the Mrs. E. E. Callaway place three miles southeast of Draw, was totally destroyed by fire. The Piersces lost all their household effects and all their clothing except that which they were wearing.

Mr. and Mrs. Pierce and their two small children were in Lubbock visiting when the fire occurred and no one knows how it started.

Neighbors and friends, headed by Mrs. L. B. Jones and Mrs. Clemmie Meusch, will give a shower for the unfortunate fire victims at the Jones home near Draw Thursday of next week, and anyone so desiring is asked to bring clothing, food, or household furnishings, or anything a family might use, to this shower. If you cannot come, and wish to give a gift, notify Mrs. Jones or Mrs. Mensch.

Boy Scouts Hold Court of Honor

A Boy Scout court of honor was held Monday night in their meeting place, the W.O.W. Hall. A large crowd witnessed the ceremonies.

Advancements were made as follows:

To the Tenderfoot class, John Foster and James Foster; to the second class, Bill Short, John Curry, Wylie Curry, Mark Wyatt, and Lynn Carl Halemick; to first class, E. A. Park; to Star, Leslie McKee; to Life, Bentley Gailther.

Mrs. Callie George is here from South Texas visiting in the home of her son Grayson George and other relatives here.

W. W. Ward, 67, Of Wilson, Dies

W. W. Ward, 67, a prominent citizen of the Wilson area for more than twenty years, died at his home in the old Morgan community east of Wilson at about 9:30 o'clock Tuesday night. He had been in ill health for a long time.

Funeral services were conducted in the Wilson Methodist Church at 2:30 o'clock Thursday afternoon, Rev. C. A. Hartley, the pastor, officiating. Burial followed in the Wilson cemetery.

Deceased was the father of Mrs. Wilma (Vernon) Davis of Tahoka. In addition to the widow, three other daughters and two sons survive: Miss Ruth Ward and Mrs. Roy McGill of Wilson, Mrs. John Meadows of Whiteface, and Glenn and Derel Ward of Wilson. Also surviving are five grand-children.

He was a good man with many friends and will be greatly missed in his community.

Youth Charged With Burglary

Ervin Ross, 17, son of Mr. and Mrs. C. C. Ross of Tahoka, was arrested and placed in jail on Wednesday of last week on charges of having burglarized two places of business here and one in O'Donnell.

Two other boys are alleged to have been involved in these crimes with him. The other two are residents of Lamesa. One of them has been charged as a juvenile offender and the other has eluded the officers thus far and has not been arrested.

Sheriff Buck Bennett of Lamesa and District Attorney Calloway Huffaker of Tahoka assisted Sheriff Sam Floyd and his deputies in the investigations, and young Ross, the News is informed, has signed a statement in the nature of a confession made to Mr. Huffaker.

Ed Hamilton's store and repair shop was one of the places alleged to have been visited by the youthful offenders. A portable radio, an electric drill, a car battery, and other articles of merchandise are said to have been stolen. Entry was made through a back door.

On the same night, the Farmers' Coop station here was entered and two tires and tubes and other articles were taken.

Only a few cigars, cigarettes, candy, and fifty pennies were taken from the Couden Service Station at O'Donnell.

Most of the property stolen has been recovered. The tires and tubes and various other articles had been sold in Lamesa and a can of brake fluid and two cans of auto enamel together with other stolen goods were found beside the highway south of Tahoka.

Ross also confessed to the burglary of the Phillips Service Station operated by Mr. Farmer, a few months ago, at which about twenty-five dollars in money was taken, and to the burglary of the Fulkerson Station about a year ago when the knob of the safe was knocked off in an effort to procure the contents.

New Officers For VFW Are Elected

New officers of the Tahoka Post, Veterans of Foreign Wars, were elected at a recent meeting of the organization.

Bill Griffin is the new commander, succeeding Meldon Leslie; Albert Curry succeeds Griffin as senior vice commander; Deck Dunagan succeeds Kirk Pitts as junior vice commander; Albin Ratliff is adjutant succeeding Frank McLaughlin Jr.; and Jackie Weathers was re-elected quartermaster.

The new officers will be installed at an early meeting. The VFW meets each first Thursday night.

Congratulations...

Mr. and Mrs. Henry Kindrick on the arrival of a son April 10 at West Texas Hospital, Lubbock, weighing 8 lbs. and 11 oz. He was named Joe Wade.

New School Board Elects Teachers For Year 1948-49

Tahoka's school board was re-organized at a meeting of members held at the High School last Tuesday night, at which a dinner was served by the Home Economics department.

Honored at the dinner were the outgoing and incoming members, Supt. Vernon Brewer, and Mrs. Helen Ellis, assessor-collector for the district.

New members Ross Smith and Alton Cain were given the oath of office, succeeding outgoing members E. R. Edwards and Maurice Small, who did not choose to run for re-election. Other members of the board are: R. H. (Hick) Gibson, Fred McGinty, H. O. Hargett, E. R. Tunnell, and Weldon Martin.

Gibson was elected board president to succeed Edwards, and McGinty was elected vice president to succeed Small. Cain was named board secretary. The bus committee will be composed of H. O. Hargett, Weldon Martin, E. R. Tunnell, and R. H. Gibson, and the building and grounds committee of Ross Smith, Alton Cain, and Fred McGinty.

Supt. Brewer, Principals Travis Mason and Urban Brown, and Coaches Jim Foust and Jake Jacobs had been re-elected at a previous meeting of the old board, as has been the custom for many years.

At this meeting the following teachers were re-elected subject to assignment and on condition that they meet the requirements of certification as prescribed by the State Department of Education, principal requirement is that those not holding degrees continue college work leading to a degree:

V. P. Carter, John Roberts, Ivan McWhirter, Mesdames Lucille Ayer, Dorothy Brown, Claude Donaldson, Linnie Finch, Velma Lee Gill, Lottie Jo Hicks, Fieda Howell, Miss Ruth Gibson, Patricia Jacobs, Mrs. Mason, Zula McWhirter, Opal Pittman, Rhoda Robert, Annie Lee Scheler, Alice Irene Spears, Juanita Stephens, Mary Margaret Stewart, Misses Bettie Lou Praxler, Lola McWhirter, Mardell and Unell Middlebrooks, Mrs. Myrl Mathis, and Para Lee Sayles.

Five Plead Guilty In County Court

Judge Tom Garrard had a busy session of the county court Monday. There were quite a number of pleas of guilty entered involving liquor law, drunken driving, drunkenness in a public place, and other offenses.

Eddie Lee Huff of Station, who was arrested on Saturday night on the highway south of Tahoka and charged with the offense of transporting beer, an intoxicating liquor, entered his plea of guilty to the charge and was assessed a fine of \$100.00 plus the costs of court.

He also pleaded guilty to a charge of driving a car on the highway while intoxicated and paid a fine of \$75.00 and court costs in that case.

In the car with him was James Seage, who also entered a plea of guilty to a charge of drunkenness in a public place. Due to the aggravating circumstances, his fine was fixed at \$50.00 and costs.

D. F. Payne was also arrested Saturday night on the highway north of Tahoka for drunken driving, and upon his plea of guilty Monday morning his fine was assessed at \$75.00 plus court costs.

J. P. Wallace, who had been under bond for several months on a charge of stopping on the pavement of a highway and thereby causing a collision which resulted in a serious injury to another person, also appeared and entered his plea of guilty. He was fined \$25.00 and court costs, running the total up to \$58.00.

Upon a charge of "cold-checking" Melvin Ratliff was assessed a fine of \$10.00 and costs, the whole amounting to \$12.10.

National Strength Rooted In Soil

The statement "eternal vigilance is the price of liberty" applies to our soil as well as our national life, says Clarence Church, Chairman of the Lynn County Agricultural Conservation Committee.

"At this time when there is so much being said about increasing our military forces, building more airplanes and developing super atomic bombs, some of us may forget that the real strength of the nation is rooted in the soil.

"From the soil comes food. And without food all the other things have little meaning. Too often and for too long the soil from which we get our food has been taken for granted. Even floods which wash away millions of tons of precious top-soil often interests us

only because of the bridges washed away or the homes destroyed. A \$10,000 bridge washed out attracts attention. \$100,000 worth of top-soil washed away by the same flood may not even be mentioned. And yet, the bridge can be replaced while the soil cannot."

The chairman points out that the thin layer of top-soil which supports life on the earth is getting thinner each year. Only by "eternal vigilance" in checking erosion wherever possible can "we continue to take from our soil the 240 billion pounds of food needed for the people in this country each year. Only by keeping our soil and keeping it productive through the use of conservation practices will we be able to keep our Nation strong."

The Agricultural Conservation Program, he explains, has been set up to help farmers of Lynn County to do their share in building a "stronger Nation by building a stronger soil."

V. A. RESUMES CONTACT SERVICE IN TAHOKEA

Veterans Administration contact services will be resumed in Tahoka effective Thursday, April 22, the VA regional office at Lubbock announced Monday.

Cliff Hunter, VA Contact Representative, will be in Tahoka every second and fourth Thursday's between the hours of 1:30 p. m. to 4:00 p. m. His office will be in the County Courthouse, the announcement said.

All veterans and their dependents who wish assistance in applying for VA benefits, or who desire information relative to benefits to which they may be entitled are invited to contact the VA representative.

Other towns in which the itinerant contact service will be resumed include Brownfield, Crosbyton, Littlefield, Levelland, Floydada, Lubbock (Texas Tech), Muleshoe, Plainview and Post.

Mrs. H. L. McMillan underwent a major operation in the Lamesa General (Frazier) Hospital on Friday morning of last week. She is reported to be recovering nicely but will not be released from the hospital for several days yet.

NEW HOME P. T. A. MEETING POSTPONED

The New Home P.T.A., postponed their meeting which was to have been held April 16 until April 30.

At that meeting the new officers will be installed. They are: President, Mrs. B. A. Morrow of New Home; vice-president, Mrs. L. W. Bledsoe of Petty; secretary, Mrs. McNabb of Lakeview; treasurer, Mrs. Hershel Belew; parliamentarian, Mrs. Algine Brown of Petty; and historian, Mrs. Laurence Taylor of New Home.

Mrs. Henry Heck will install the new officers. Mrs. Lee Shockley and other members of the hospitality committee will serve refreshments. Mrs. Cromer.

DIXIE H. D. CLUB

The Dixie H. D. Club met at the home of Mrs. Henry Berry Wednesday, April 7.

Mrs. Buel Draper gave a report of council meeting. An announcement was made of the "Rug Making" demonstration which will be held April 21.

After the business meeting games were directed by Mrs. Dick Mitchell and Mrs. Buel Draper which was enjoyed by all.

Members attending were: Mesdames Herbert Nash, B. C. Aycox, Dick Mitchell, A. C. Aycox, Elmer Sproles, T. D. Lishman, Buel Draper, Miss Virginia Cobb and the hostess, Mrs. Henry Berry.

The next meeting will be April 21 at 2:30 p. m. with Miss Virginia Cobb.

LAKEVIEW-PETTY W. S. C. S.

Mrs. D. W. Hancock entertained the Lakeview-Petty W. S. C. S. Monday afternoon in her home.

A song and prayer service was held followed by the devotional given by Mrs. S. L. Williams.

A social hour followed with the members playing games and exchanging "Sunshine Gifts".

Refreshments were served to the following: Mesdames H. L. Smith, Bill Copeland, Ione Perry, Murray, Nettles, C. A. Roberts, S. L. Williams, J. W. Hutchinson, Al Davis, Pinkie Hall, Ed. McManus, C. W. Felty, Kay Moore, L. H. Moore Sr., L. H. Moore Jr., Durwood Wheeler, A. M. Fulford, Morris Russel, Robert Puer and Edith Davis, the hostess.—Reporter.

MISS COLLIER ELECTED AS CLUB TREASURER

AUSTIN, April 15.—Charlotte Virginia Collier of Tahoka is the new treasurer of Nursing Education Majors Club at The University of Texas.

Miss Collier, who will take office in May, is the daughter of Mrs. Minnie Collier of Tahoka. She is a sophomore in the College of Education.

An Olympic marathon race is 26 miles and 385 yards.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

**FORMER DRAW MAN WEDS
CORPUS CHRISTI GIRL**

Harold Waller, son of Mr. and Mrs. C. C. Waller formerly of Draw, and Miss Alys Baird of Corpus Christi, were united in marriage on Friday, April 9, according to an announcement sent to the News by the bridegroom's sister, Mrs. O. G. Mensch of Ben Bolt, Texas. The couple are making their home in Alice, Jim Wells county.

The Wallers were long-time residents of the Draw community but moved to Alice about two years ago. His aunt, Miss Emily Waller, still lives at Draw. Harold served in the U. S. Navy four years and saw action in both theatres of the war. He has many friends in this county who will be interested in learning of his marriage.

The production of fat calves is a method of beef production which requires plenty of good pasture and roughage and small amounts of concentrates.

Dear Sue:

Your letter was so nice, you know how I like to hear all about who is wearing what and you really can keep track of all the latest—but I've a hint for you—just watch for R. J. (Collier's Drug) and L. C. (AAA office) in their new, new black skirts and white ruffled blouses.

Speaking of re-doing last summer's wardrobe (you did, you know), I dug to the bottom to see what might be OK to have made new looking, then went to Walkers to look at fashion magazines and the warm days made me want to get things done and the cool days give me a chance to have dresses skirts, blouses ready for the next warm days. Hope I don't hear you say "Times-a-wasting."

By-the-way, the new slacks have finally come in at Walkers, also some more of the larger size dresses, and I got in on the word about the JO-BURT dresses, due in any time... I can hardly wait.

Doesn't F. J. (at Franks Electric Shop) look swell in the yellow linen with gold button trim? Makes those brown eyes of hers sparkle and shine.

Love, Ann

P. S. Forgot to tell you the JO-BURT'S are made of Dan River Fabrics and you know what that means!

**MRS. CORA BENNETT
BREAKS LEFT FOOT**

While scouring her porch on Wednesday of last week, Mrs. Cora Bennett accidentally fell, catching the left foot under her in such a way as to break two bones in the foot.

She was taken to the Tahoka Clinic where the injury was treated and the foot placed in a cast. She returned to her home the next day but will be unable to walk for some weeks.

WEST POINT H. D. CLUB

The West Point H. D. Club met April 13 in the home of Mrs. Kevil Coffman.

Roll call was answered with "Improvement, I wish to make in my walk or drive."

A report was given by a council member.

Miss Graham Hard, the H. D. agent, gave an interesting talk on "Walks and Drives in the Landscape."

Refreshments were served, to eight members, one visitor, and Miss Hard.

The next club meeting will be on May 11 in the home of Mrs. Werner Schaffner.—Reporter.

Little Darla Hickerson, 6, daughter of Mr. and Mrs. Oran Hickerson of Three Lakes, had her tonsils removed Wednesday in the Lubbock Memorial Hospital. She was brought back home Thursday.

Mr. and Mrs. J. L. Tomlinson made a visit last week-end with his sister in Clarendon. They report that the wheat, rye, and alfalfa in that area were looking very fine. They report a very pleasant visit.

Mr. and Mrs. John Thomas Tippit and Mr. and Mrs. Roy Botkin are down at Buchanan Lake this week trying their skill as fishermen.

Rev. and Mrs. George A. Dale of Lubbock spent several days here this week visiting friends.

The \$47 million pounds of fat salvaged by American women and the army and navy during the past five and one-half years would supply every family in the U. S. with a six months' supply of soap.

Joseph Garibaldi did most to bring about the unification of Italy.

The sweet potato crop has been and still is, the most important truck crop in the South.

**PETE ELLIS RECOVERING
FROM PROLONGED ILLNESS**

Mr. and Mrs. T. M. (Pete) Ellis of Brownfield came over Wednesday to visit Mrs. Ellis' mother, Mrs. W. E. Sikes. They were accompanied by Judge L. C. Heath, another former Tahokaite.

Mr. Ellis recently suffered an attack of pleurisy followed by pneumonia and was confined to a hospital in Brownfield for about a month. After being released from the hospital, phlebitis developed in

one leg, and so he is still unable to walk.

Mrs. E. S. Davis was a patient in the Tahoka Clinic from Wednesday of last week until Monday of this week and is now recuperating at her home from a sudden illness.

The main chapel of the Vatican in Rome is the Sistine Chapel.

In yiddish, a goy is a male gentile.

**NEW LYNN CONTRIBUTES
\$81.50 TO RED CROSS**

New Lynn community has contributed a total of \$84.50 to this year's Red Cross fund instead of \$64.50 as reported last week. The News is informed.

This community's contribution would have been even larger but for the fact that the community had just completed a drive to aid one of the citizens of its own city.

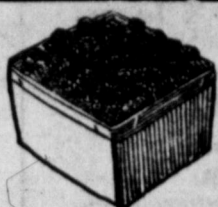

Go to Church every Sunday.

CARD OF THANKS

I wish to thank each and every one for kindnesses shown me during my recent illness, and especially do I thank the nurses at the Tahoka Clinic.—Mrs. E. S. Davis.

It is centrifugal force that throws you off the turntable at the amusement park.

Louis XIV was king of France at the outbreak of the French Revolution.

Not long ago we heard Joe Ma speak to a group of churchmen. Who is Joe Ma? Joe Ma is a young Chinaman who came to this country recently to enter an American college. He is now a student in the Texas Tech—has been there a little more than three months. He was converted to Christianity in China under the influence of American missionaries over there. He is not an eloquent speaker, not even a fluent speaker, but he is intensely interesting—interesting.

SAVE YOUR LAND....PROFIT BY ACTING NOW!

The toll of erosion by wind and water in the United States is 90 billion tons of soil every year. Much of this needless loss of productive top-soil can be prevented by contouring and terracing. If you have not started soil conservation practices on your farm, get in touch with your local soil conservation authorities now and see your MM dealer for the modern power and tools to do the job. Minneapolis-Moline Universal tractors and Universal tractor-attached tools have proved themselves on hundreds of contouring and terracing projects, and MM engineers are constantly keeping pace with new and better methods. If you own an MM Universal tractor, you can take advantage of these developments economically, for new tools are always designed to fit the tool bar of all MM Universal tractors.

TAHOKA IMPLEMENT CO.
J. D. Finley, Propr.

not only because of what he has to say but chiefly because of his genial disposition and his friendly spirit. He has a beaming smile that is contagious and he is keenly intelligent. As we observed him and heard him speak, we marveled at what China would be if all her people were as intelligent and as genial as he. Christianity and education were undoubtedly the main factors in making him what he is. Except for these civilizing and uplifting forces, he probably would be just an uncultured, ignorant pagan as multi-millions of Chinese are. China will be a mighty nation if and when the people become Christianized and as highly educated as Americans are now.

We guess nothing important will be done about the Gossett proposal for the submission of a Constitutional amendment providing for the election of the President and Vice-President of the United States by popular vote until after this year's elections. We hope Gossett takes advantage of every opportunity, however, to keep the matter before the people. We think this proposal embodies the most important step toward the perfecting of our democratic form of government that has been proposed since the Constitution was adopted a hundred and sixty years ago. It equalizes the value of all votes cast, regardless of the state in which any vote may be cast. Under the present system, one prospective vote in New York or any other doubtful state may be worth a thousand votes in Texas. This is not right, and it ought to be changed.

Cornie Mack's real name is Cornelius McGillicuddy.

COLORADO TEACHER WANTS BETTER SCHOOLS

The News editor received the following communication from a colored woman of this county last week too late for publication in that issue of the paper, in which she says:

"Having read your editorial of March 26, I would like to express my sentiments and those, I am sure, of my church friends.

"We do want better educational facilities for our children and are very appreciative of your efforts to aid us in that matter.

In concluding I will say that I am sure all of the far-sighted and intelligent people of my race are for segregation and hundred percent. All we want is equal education and respectable jobs for those trained and reliable.

"Yours for a better happier tomorrow.—Margaret Thompson, P. O. Box 462, O'Donnell, Texas."

We sympathize with those far-sighted and intelligent Negroes of the South who crave better educational facilities for their children. The Whites, we believe, have been too indifferent to the needs and the desires of the colored people of the South in respect to education, but conditions have been gradually improving, and doubtless will continue to improve in this respect. The State is providing the Negroes of today better public schools and higher institutions of learning than they have ever had before. We want the Negroes to have the best in the way of education that they can get or will take.

We seriously doubt the accuracy of Miss or Mrs. Thompson's statement, however, when she expresses the belief that "all of the far-sighted and intelligent people of my race are for segregation one hundred percent."

The Association for the Advancement of the Colored Race, a Negro organization, has as one of its prime objects the prohibition and complete abolition of segregation in all the avocations and institutions of the land. For the past three or four years they have been preaching that doctrine to the Negroes of the South. They would eliminate all racial distinctions and are right now seeking the repeal or nullification of every law in every Southern state that requires different schools for the colored and the white races.

Just last week, the president of Howard College, Washington, D. C. made a speech in Texas in which he declared that there is no such thing as equality of educational opportunity as long as separate schools for whites and Negroes are maintained. He advocated the setting aside of segregation in the schools and colleges.

That is one of the items contained in President Truman's so-called Civil Rights program, and if Margaret Thompson is right in her opinion that the Negroes of Texas as well as the Whites favor segregation, then President Truman, the Association for the Advancement of the Colored Race, and most of the politicians of the North are undertaking to impose upon Texas a school system that neither the Whites nor the Negroes want.

EATS New Kind of CANDY Loses 65 Lbs.

Wears Size 12 Again
Now all you have to do to lose ugly fat is to eat this delicious new kind of candy called AYIS. Once 180 lbs., Dorothy J. Miller, 2003 W. 70th St., Chicago, lost 6 lbs. weekly for 12 weeks, with the remarkable NEW AYIS Candy Reducing Plan and she now wears size 12 again.
PROVE POSITIVE! Eminent physicians supervised clinical tests and report quick and safe losses of 14 to 15 pounds, with over 100 users.
WHY EXPERIMENT?
No exercise. No laxatives. No drugs. Eat all you want. Absolutely Harmless!
You simply take AYIS before meals which automatically curbs the appetite. The result is you eat less and lose weight. Only \$2.99 for a full 15-days supply—possibly more than you will need. Your money refunded on the very first box if you fail to lose weight. Come in or phone.

WYNNE COLLIER, DENTIST

Mister, this Oil gives you "Lubri-tection"!

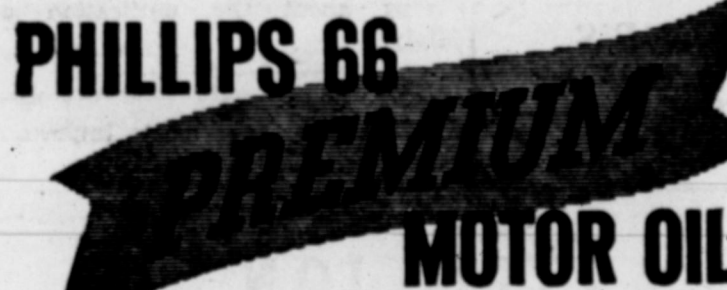

Yes, That's the Kind of Protection You Get With the Great Phillips 66 Premium Motor Oil

RIGHT—you can get more than just lubricating qualities with this fine oil—you get plenty of engine protection, too!

That's why we call it "Lubri-tection"! Because Phillips 66 Premium does more than just oil moving parts. It washes away harmful sludge, helps reduce piston-fouling varnish, protects delicate bearing metal from corrosion. All that in a quart of oil!

Why not give your engine this kind of treatment—it's worth it. Just ask for the new Phillips 66 Premium.

* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

the Treasury Department. Despite the lack of fanfare, the Treasury Department is probably the most relentless law enforcement agency in the country. It is responsible for the convictions of Al Capone, Waxy Gordon, Nucky Johnson, Bruno Hauptmann and other notorious criminals. "Mr. Men," which stars Dennis O'Keefe, is based on a compilation of three actual cases from the files of the Treasury Department and was filmed with the assistance of the law enforcement agency. The film details the operations of a pair of T-Men who go "under cover" to track down a nationwide counterfeit ring. As far as possible, the entire picture was filmed in the actual cities where the original action took place. Camera units were sent to Chicago, Washington, New York, Boston, Montreal and Detroit. Elmer L. Fry, recently retired chief co-ordinator of the various Law Enforcement agencies of the Treasury Department, is featured in the opening and closing sequences in this shock-filled expose of the underworld at work. To heighten the authenticity of Edward Small's production, which is being released by Eagle Lion Films, the Treasury Department gave its permission to film U. S. Currency, liquor stamps and many other items, previously prohibited. Heading the supporting cast of the film are Mary Meade, promising film newcomer; Alfred Ryder, the film are Mary Meade, promising screen veteran character player; John Luckhart, sensation of the current Broadway season, and Charles McGraw, of "Killers" fame.

Farm Bureau To Select Queen

Queenly Farmerettes of Texas this year will be given recognition through the Texas Farm Bureau Federation, according to Tom Garrard of Tahoka, President of the

Lynn County Farm Bureau. Each county in this district will select a queen, Mr. Garrard said, and from this group a district queen will be chosen at the district meeting next fall.

Thirteen district winners will attend the annual State meeting next November, where the State queen of Farmerettes will be selected.

This will be an honest-to-goodness queen contest, Mr. Garrard says. (Not a bathing beauty review). The young ladies are to be judged on grace, poise, charm, vivaciousness, and all other qualities that go to make up winsome American womanhood. The project is to give our fine young ladies in the country recognition.

Young women, 16 to 22 years, and whose father or brother is a member of the Farm Bureau are eligible to participate. Exceptions are the daughters of state directors, employees, county officers, and county directors, who will not be eligible to enter the contest.

The State queen, in addition to the high honors, will be awarded \$500 toward expenses of herself and a matron escort to the American Farm Bureau convention in Atlantic City next December. Lynn County farm young ladies should have a chance at this rich prize and Lynn County Farm Bureau will soon announce the contest plans for the county, Mr. Garrard said.

TAHOKA COUPLE WED IN CALIFORNIA

Alvera Emily Wilke, daughter of Mrs. Emil Wilke of Tahoka, and Willie Ollie Edwards, son of Mr. and Mrs. J. O. Edwards of Tahoka, were united in marriage in a double ring ceremony performed at the home of the Rev. Svend Kjaer, St. Angar's Lutheran Church pastor in Salinas, California, on April 3.

Mrs. Edwards wore a light green suit with white and brown accessories. Witnesses were Mrs. Kjaer and Mrs. Marie McIntosh, a friend of the bride.

Mr. Edwards is now in the service at Fort Ord, California.—Contributed.

Rev. and Mrs. Paul King of Alex, Oklahoma, spent the weekend here visiting his parents, Mr. and Mrs. J. O. King. He is pastor of the Methodist Church at Alex.

It's time to paint up. We have the paint. Shamburger-Gee Lumber Company. Adv. Phone 312

Good tip for any trip!

Take it from those who know travel and travelers best . . . before any trip, drain out that dirty old winter oil and OIL-PLATE your engine with fresh, new Conoco Nth!

Conoco Nth Motor Oil (Patented)* contains a plus ingredient that acts magnet-like to fasten an extra film of lubricant so closely to metal that your engine's cylinder walls and all moving

parts are actually OIL-PLATED!

And because protective OIL-PLATING stays up there where it belongs . . . won't all drain down even when your engine's idle overnight . . . Nth Oil extra-protects from "dry-friction" starts . . . from power-choking sludge and carbon due to wear!

For extra-powerful, extra-cool, extra low-cost miles . . .

Make a date to OIL-PLATE!

Copyright 1948, Continental Oil Company *U. S. Pat. Nos. 1,944,041 and 2,318,122

WINSTON C. WHARTON

Conoco Representative

World Champion Butterfat Producer

FERNDALE, CALIFORNIA—Silken Lady's Ruby of F., a registered Jersey cow owned by the estate of the late J. W. Coppini of Ferndale, has become the official World Champion Lifetime Butterfat Producer of all breeds. Her production of 166,020 lbs. milk and 9,165 lbs. butterfat was recorded under supervision of The University of California and has been officially verified by The American Jersey Cattle Club. Ruby ascended to the championship of the United States a year ago. Her production of 10,032 lbs. milk and 615 lbs. butterfat, during the 12 months intervening, surpasses her nearest rival for official World honors by 103 lbs. butterfat.

If all Ruby's milk had been churned it would have produced approximately 10,782 lbs. of butter. Packaged in standard one pound prints and stacked on end, this would make a tower of butter more than three and one-half times higher than the world's tallest structure, the Empire State Building. At the present rate of butter consumption in the United States, this would furnish a year's supply of butter for a town of nearly 1,000 people.

Organ Concert Presented Here

The Organ Concert given at the Baptist Church here Tuesday night of last week was the outstanding musical event of the season, attracting visitors from Lubbock, Brownfield, and other places.

The organist for the occasion was John M. Josey of Amarillo, one of the greatest organists in the state, the purpose being to show what wonderfully beautiful music can be rendered on one of these Wurlitzer instruments. The organ and chimes were installed in the church recently.

The first number on the program was a Medley of Negro Spirituals. This was followed by a choir number led by Sheldon Russell, the church choir director, entitled "Ring the Bells of Heaven," with organ accompaniment, and it was exquisitely beautiful.

Then came a Trumpet number by Jack Bason, also of Amarillo, with Mr. Josey at the Organ.

An organ medley of Wedding music comprised the next number, followed by a vocal solo, "My God and I," by Mr. Russell.

Another Trumpet and Organ number was rendered by Mr. Bason and Mr. Josey.

The closing number was three hymns rendered on the organ by Mr. Josey.

Among the out-of-town visitors were Rev. and Mrs. A. A. Brian, pastor of the First Baptist Church of Brownfield; Rev. and Mrs. George A. Dale and Mr. and Mrs. G. H. Nelson of Lubbock, all former Tahoka residents, together with visitors from other places.

A. J. MINOR JR.

WEDS AMARILLO GIRL

Mr. and Mrs. Lee O. Patton of Amarillo have announced the marriage of their daughter Lauretta on Wednesday, April 7, to A. J. Minor Jr., who was largely reared here.

The bride is not known here, but the bridegroom is the son of A. J. Minor and grandson of Mr. and Mrs. John W. Minor of Tahoka. He is now in radar service in the Army.

Matthew Vassar, a brewer, founded Vassar College in 1861.

FRED NOLAN TAKEN TO VETERANS' HOSPITAL

Mrs. Fred Nolan took her husband Fred to the Veterans' Hospital in Amarillo Tuesday for treatment and an operation soon.

Fred, it will be remembered, was wounded while serving in the armed forces of the United States in Germany in October 1943. He has been carrying a piece of shrapnel in his right leg just above the knee-cap ever since. Recently it has become swollen and has been giving him much trouble. He was in a hospital in Europe for seven months after receiving the wound but Army surgeons did not undertake to remove the piece of shrapnel for the reason that it was so close to the knee-cap that an operation might have resulted in permanent injury to the leg. Fred remained in England until December, 1945. Since then the wound has become more bothersome and it is now thought that an operation will be beneficial.

SISTER DIES

Mr. and Mrs. H. P. Caveness returned Tuesday from McGregor, where they had attended funeral services on Sunday for Mrs. Frank Lyons, a sister of Mrs. Caveness, who died on Friday of last week.

Mr. and Mrs. Caveness visited her several times recently but had been to Akron, Ohio, to visit their daughter, Mrs. Jeanette (Henry L.) Dixon and family and had just returned when they received a message that Mrs. Lyons was in critical condition. She died before they reached McGregor.

A dud is a shell which failed to explode.

HOWARD WOOD UNDERGOES SURGERY

Howard Wood, son of Mr. and Mrs. Marvin Wood, about 12 years old, underwent an appendicitis operation in a Lubbock hospital last Saturday morning.

He was a very sick boy when taken to the hospital, it is said, but is recovering nicely. He will probably be brought home this week-end.

CARD OF THANKS

I wish to thank everyone who has been so nice to me during my illness, for their kindness, encouragement, beautiful flowers and cards. We shall never forget our many friends, and may God bless you all is our prayer—Mrs. J. T. Owens and children.

A masque is a form of dramatic entertainment.

NEW PASTOR FOR THE ASSEMBLY OF GOD CHURCH

Rev. and Mrs. Bozeman, former pastors of the Assembly of God Church at Lamesa, Texas, have moved to Tahoka to take up their duties as pastor of the Assembly of God Church here, and when you are in spiritual need we will do our best to be a blessing to you. Our telephone No. is 80-W, and we are living in the Assembly of God Parsonage located two blocks west of the Post Office.

The public is invited to attend the services at the Assembly of God Church in the new location on the Brownfield highway. All will find a welcome at this church.

Services are as follows:

W. M. C. meeting Tuesday at 2:30 p. m.
Prayer meeting Wednesday at 7:45 p. m.
Young Peoples Service Saturday at 7:45 p. m.
Sunday School Services Sunday at 10:00 a. m.
Preaching Services Sunday at 11:00 a. m.
Sunday night Evangelist Service at 7:45 p. m.
W. M. Bozeman, Pastor

FAMILY REUNION IN THE FLORENCE HOME SUNDAY

A family reunion was held Sunday in the home of Mr. and Mrs. W. Z. Florence of Draw. A brother and a sister of Mr. Florence were here from South Carolina, this being their first visit in Texas. They say they like our state fine; however, it is a great deal different from their own South Carolina.

Those who were entertained were the following: A brother and his wife, Mr. and Mrs. Obied Florence, of Columbia, South Carolina; a sister and her husband, Mr. and Mrs. G. W. Smith, also of Columbia, S. C.

The Florence children, Mr. and Mrs. Willie Florence and family of Abernathy, Mr. and Mrs. Charles Florence of Lubbock, Mr. and Mrs. J. B. Florence and daughter of Tahoka, and Mrs. A. J. Hackenberg and children of Jersey City New Jersey.

Other relatives: Mr. and Mrs. C. C. Johnson of Draw, Mr. and Mrs. Luther Johnson and Bernadine of Jayton, Mr. and Mrs. Willis Pennington and Nan of Tahoka, Mr. and Mrs. "Pug" Parker and baby of Tahoka, Mr. and Mrs. Charlie Davis of Brownfield, Mr. and Mrs. Ladell McAteer of Stamford, Mr. and Mrs. John Johnson and baby of Jayton, and Mrs. Mamie Hart of Brownfield.

Luther C. Heath of Brownfield was greeting old-time friends here Wednesday. Mr. Heath was former county attorney of this county. After moving to Brownfield some twelve or fifteen years ago, he served a little while in the same capacity over there. Since then he has been engaged in the private practice of law and operating a farm and has prospered. Friends recently prevailed upon him to announce again for the office of county attorney of Terry county and he has done so. He will doubtless be elected.

Good eating means that food should be appetizing and enjoyable, but that it provide, as well, all the substances needed for good health.

Mexican Officials Send Apologies To Tahoka Citizens

Terry Thompson was almost dumbfounded one day recently when he received from Mexican Government authorities profuse apologies for indignities suffered by him and his companions while on a fishing trip in Coahuila, Mexico, accompanied by the return of Thirty dollars in money which they had paid to a Mexican cop to release them from custody, who claimed they had committed an infraction of some Mexican law.

The facts were that Thompson, Jack Applewhite, Winston Wharton, and Hubert Tankersley had been fishing in Lake Don Martin, Coahuila, some 80 or 100 miles from Eagle Pass, Texas, and on their way back a tire blew out. Their spare tire had also gone to the bag and they were running on the rim. The cop picked them up for running on the rim on a highway and held them in charge several hours, threatening to put them in jail. In order to get released, they paid him thirty dollars. In some way the Mexican higher authorities learned the facts in the case and with profuse apologies returned the money. It was a general act on the part of the Mexican authorities, which the Tahoka men greatly appreciated.

The fishermen had enjoyed a great catch at Lake Don Martin, and Hubert Tankersley has been exhibiting a photograph of three of the party, himself and Messrs. Applewhite and Wharton, and the two Mexican guides, all loaded down with fish, as proof of his claims. Thompson is not shown in the picture for the reason that he took it.

Hubert says that they caught 83 fish in one day, weighing from two to five pounds each.

Tuesday of this week Jack and Jim Applewhite, Thompson, Jack Alley Robinson and "Doc" Johnson left for another trip to Don Martin.

TANNERS MOVE BACK

Mr. and Mrs. E. J. Tanner, who moved from Tahoka down to Kilgore in the piney woods and the oil fields of East Texas about two months ago, took the back track and arrived back in Tahoka Saturday night.

In spite of the fact that they are spouting oil down in Kilgore

the Tanners didn't like it and decided that they preferred the frequent sandstorms and the big cotton crops of the South Plains. So they are here for keeps.

An ingot is a piece of molten, cast metal.
