Volume 44.

Tahoka, Lynn County, Texas, Friday, May 7, 1948

Number 31

Cornerstone Laid On New Lyntegar Office Building

Since the construction of the Lyntegar Cooperative building on North Main Street is nearing completion, the cornerstone was placed at 8:30 o'clock Monday afternoon in the presence of a number of Lyntegar officials and employees and a few visitors but without ceremony.

Formal opening and dedication of the building will be made at the annual meeting of the members and board of directors in August, when an all-day meeting with a barbecue at the noon hour will be held. It is planned to have an immense crowd of people here at that time and to make it a red-letter day for Tahoka.

Among those present at the cornerstone laying Monday afternoon were John Heck of Wilson, president of the board of directors; Frank Harris of Lamesa, vice-president; G. Q. Hensley of Tahoka, secretary-treasurer; J. S. Smith of Brownfield, J. F. Maxey of Post, and W. H. Moore of Lamesa, directors; Garland Pennington of Tahoka, manager; E. P. Price of the firm of Price and Hawk, Lubbock, consulting engineer; Tom Garrard of Tahoka, Attorney; Miss Robbie Milliken and Mrs. Loyce McMahon of the office force; and a few visitors, including a representative of the News.

The new building is a handsome and commodious structure. It has been erected at a cost of approximately \$60,000. D. D. Humphries of Lubbock being the contractor. It will serve the purpose of the Cooperative for many years and is a credit to our town. It is expected to be ready for occupancy by the end of this month or early in June.

Ed Sanders Is Buried Here

Final funeral rites for Edgar (Ed) Sanders, 52, Texas Ranger and a resident of Lynn County for many years, were conducted at the Stanley Funeral Chapel here at four o'clock Sunday afternoon. Rev. John Rosenberg, pastor of the First Methodist Church, officiated, reading the Scriptures and offering prayer, but the funeral discourse was given by Rev. Boyce Ewins, now a student in Hardin-Simmons University but a long-time resident and a friend and admirer of the deceased from his boyhood days.

Funeral services had been previously held at 10 o'clock in the morning at Sweetwater where Mr. Sanders lived at the time of his death. He died in a Sweetwater hospital at four o'clock Saturday morning.

Pall bearers were Texas Rangers of Company C, composed of Captain R. A. Crowder, commanding officer, Raymond Waters, and W. E. Renfro, all of Lubbock, Frank Probst of Amarillo, J. C. Paull of Abilene, and J. L. Rogers of Lamesa. Also present and attending the services were Leroy Duncan of Harlingen, former Ranger of Company C, Joe S. Fletcher, assistant director of the Texas Department of Public Safety, Rangers M. T. Gonzales and Ernest Daniel, a number of the Texas Highway Patrol, and other peace officers from this and other sections of West Texas.

Also present was a great concourse of friends from various portions of Lynn County and some from neighboring counties.

A son of Mrs. Brown Bishop, now of San Angelo, Mr. Sanders had been a resident of Lynn County most of the time since 1903. He was a nephew of the late P. E. Redwine, a pioneer citizen and well known peace officer of Lynn County who was murdered by a negro prisoner some fifteen years ago. He was therefore a cousin of Norvell and P. E. Redwine Jr. of Tahoka, and of Mrs. Jewell (Rush) Dugan and Mrs. Elwayne (Clarence) Gaugoin, well known here. Ernest Sanders of Wilson is his only brother and Delbert, of Wilson his only

(Cont'd. on last page)

Tahokans Leave For State Meet

A party of Tahoka people left Thursday for Austin to attend the State Interscholastic League meet to be held at the University of Texas today and Friday.

Attending the meet are: Miss Nan Beth Pennington, region winner in extemporaneous speech, and Duane Carter, regional winner in the high jump; Joe Don Minor, who will make arrangements to enter the University of Texas next fall; Coach and Mrs. Jim Foust and son, Jimmy, and Miss Lou Nelle Peters, high school teacher.

Father And Son Banquet Held

The annual Tahoka Chapter Future Farmers of America Father-Son banquet, held in the school cafeteria Tuesday night was declared the best ever held in the history of the local organization.

The crowd of 96 boys, dads, and a few other guests enjoyed two full hours of eating, fellowship, and a most excellent program.

The principal address was to have been made by O. T. Ryan of Texas Tech, area supervisor of the Vocational Agriculture set-up, but he could not be present, and District Attorney Calloway Huffaker brought an address in his stead that was filled with humor and a lot of witty remarks that fit the occasion. His speech was enthusiastically received by both men and boys. Supt. Vernon Brewer introduced the speaker.

The meeting was opened as a standard FFA meeting is opened, with officers of the high school boys' club explaining their respective duties and the purpose of the organization.

The welcome address was made by Gerald Wayne Tippit, the FFA president, who acted as toastmaster with the poise of a veteran.

Fred McGinty pronounced the invocation. Each boy introduced his dad or man guest, and V. P. Carter, the sponsor and teacher of vocational agriculture in Tahoka High School, introduced school board members, men faculty members, and several other special guests.

Jimmie Small spoke on "What is FFA and What Does it Mean to Me?" Duane Carter told of "Our Accomplishments." Gerald Wayne Tippit delivered his Soil Conservation talk which won first place in the recent FFA district contests and which he will soon deliver in

(Continued on back page.)

Congratulations . . .

Mr. and Mrs. H. L. Eimore of Wilson upon the birth of a daughter at 1:40 a. m., Sunday, May 2, in the Tahoka Clinic, weighing six pounds and eight ounces. She will bear the name of Ruby Faye.

Mr. and Mrs. D. C. Massey, Rt. 3, Tahoka, upon the birth of a daughter in the Tahoka Clinic at 11:04 a. m. Monday, May 3. She weighed six pounds and has been named Cieta Fae.

Water in the bottom of a ship is called bilge water.

Rev. J. R. Ferguson Jr., who will be the speaker at the Revival of the Grassland Church of the Nazarene May 7, 8, and 9, services at 7:45 p. m. Everyone is invited.

W. E. Johnson Is Accident Victim

at 4:00 o'clock Thursday afternoon in the Stanley Funeral Chapel here for William Earl Johnson of Lubbock, 42, who was found dead beneath his truck early Wednesday morning 14 miles south of Morton Cochran county, on the Morton-Plains highway. Rev. John Rosenberg, pastor of the First Methodist Church here, officiated. The body was buried in the Tahoka cemetery.

Survivors include his wife, a 14-year-old step child, Jimmy Craddock; his father, George Johnson of Paris, who resided here for several years; and two sisters, Mrs. Floy Rogers of Bairdstown and Mrs. Irene Simpson of Seminole, and one brother, T. C. Johnson of Seminole, who also formerly resided here.

Johnson's body was found under his three-ton truck, and his head had been crushed. Officers who investigated said that they believed he had been working on his truck, which had been stopped on an incline on the highway, and that one of the rear wheels had rolled over him.

Johnson was an employee of the Plains Transport Co., Inc. of Lubbock, and had been at work for the company only four weeks. He had just recently returned from Alaska. It is stated, where he worked on the Alcan highway for three or four years.

D. R. Adamson Died Last Week

Funeral services for Delbert R. Adamson, 62, a prominent citizen of the Dixie community in this county, who died at his home at about eight o'clock on Thursday morning, April 29, were conducted in the First Christian Church in Post at three o'clock last Friday afternoon.

Death came to Mr. Adamson after a prolonged illness.

The body was prepared for burial by the Stanley Funeral Home and burial was under its direction.

Survivors include the wife, Mrs. Bonnie Adamson, four daughters and three sons. The daughters are: Mrs. J. A. Cornelius of Falls, Mrs. H. C. Hoover of Crosbyton, Mrs. Roland Clem of Tahoka, Miss Mary Adamson of the home. The sons are: D. R. Jr., Donald and Robert Dean, all of Dixie.

Pall bearers were: Jesse Ray Adams, Dwight Townsend, Winfred Carpenter, Robert, Dwayne and Billy Jack Warren.

Mr. Adamson was born in Collins county on November 18, 1885. There he grew to manhood and married, and in 1918 he and his little family removed to Garza county. In 1942 they moved over into Lynn County, where they had resided since.

Mr. Adamson was a highly respected citizen and had made many friends in the communities in which he had lived.

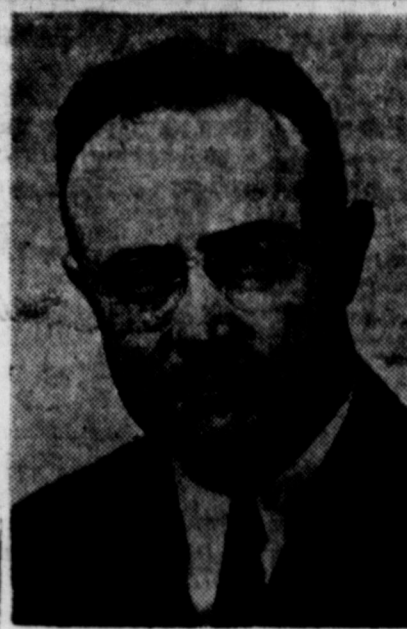

The News joins in condolences to all the bereaved.

New Homes Are Being Built Here

In addition to the Wiley Curry home recently built and the Judge J. W. Elliott residence next door, just now being completed, and the Dr. Skiles Thomas home nearing completion, a number of other handsome homes are now in various stages of construction out in North and Northwest Tahoka.

Among these are the Bud Milliken home, the Albert Curry and the Maurice Small homes, the splendid residence which Condy Carmack has just started, a residence being built by C. C. Stephens, the nice V. J. Lowrance 6-room house, and others recently built or still under construction. They have been too numerous for the News to make timely mention of all of them. One or more nice homes have been under construction practically all the time for the past year out in the Roberts addition, as well as others in various sections of the town.

Head the Classified Ads.

State Representative Preston E. Smith of Lubbock, who is seeking return to the Legislature. See story on editorial page of this issue.

Closing Programs At New Home

The New Home Grade School will have their program for the end of school Friday, May 7th. This program will be made up of the first through the fifth grade.

These grades will have a May Queen with Danish, Spanish, Indian, and American drills. The May Queen will be Kathryn Chancellor. The third grade will present a play, "The King Who Was Sad," and a song, "Vacation Days" by Silvia Edwards. Mary June Harrison, Ruth Lee Crabtree, Barbara Sue Taylor and Foy Jones, and Mary Emily Barnett.

The senior class will have its baccalaureate exercises Sunday, May 9 in the gym. Rev. E. C. McDonald of Wilson, former pastor of the New Home Baptist Church, will give the address. Invocation will be given by Henry Heck and benediction by Rev. J. E. Stevens. Songs will be led by Boswell Edwards and music by Mrs. R. R. Daughtrey.

Commencement exercises will be Friday night, May 14th. The speaker will be Dr. D. D. Jackson, professor of education and psychology at Texas Technological college.

The Grade School graduation and the sixth, seventh, and eighth grade program will be Tuesday night, May 18th. School will close May 20.

The seniors are planning a trip through Denver and the Rocky Mountains as soon as school is out.

Fire Damages Akin Residence

Fire which spread from burning trash Tuesday afternoon ignited the family garage of Mr. and Mrs. Frank Akin down on Depot Street, and the building was completely destroyed.

The garage was situated near their residence and some damage was done to it, but the Fire Department arrived in time to save it from destruction or serious damage. Kitchen windows and the roof over that part of the house were destroyed or badly damaged, however.

Most of the furniture and personal effects of the family were removed from the building and suffered little damage.

There was no insurance either on the residence, the furniture, or the garage.

Rev. and Mrs. Donald Walker of Westfork, Ark., who are conducting revival services at the Assembly of God Church here.

Lions Club Drive Is Big Success

Tuesday night's Lions Club program consisted of a report by Pete Hegi on the success of the Club's part in the American Security Loan fund drive. The Tahoka club was directly responsible for the sale of \$25,000.00 worth of bonds to citizens of Lynn County.

Also, a plaque was presented to Otis Spears for his fine work in the recent membership contest.

Baptists Call Kingsville Man

The First Baptist Church in regular conference Wednesday night unanimously called Rev. H. E. East of Kingsville as pastor. He had not indicated Thursday whether or not he would accept the call but it is believed that he will do so. He preached here Wednesday night preceding the call. A large mid-week congregation was present and 167 ballots were cast, practically all of them for the visiting preacher, and then the action was made unanimous.

Rev. Mr. East is well and favorably known throughout northwest Texas. A native of this section of the State, he has served as pastor at Hamlin, and Tulsa. He was prominent throughout this area in general denominational work and was remarkably successful and popular as pastor wherever he served. About a year ago he left the Plains and went to Kingsville as pastor of the First Baptist Church there. He is a graduate of Simmons University and of the Southwestern Baptist Seminary, Fort Worth.

He promised the Church it would have his answer soon.

Wilson Builds New Church

Contract has been let and material is being assembled for the construction of the superstructure of a handsome and commodious brick church building for the Wilson Baptists.

A very substantial brick basement was built some twelve or fifteen years ago but before the Church was prepared to build the superstructure the war came on and the building has remained uncompleted. Recently, however, the need for an auditorium and additional Sunday School rooms has become acute. A considerable amount of money has been in the building fund for years but recently it has been greatly increased. With more than \$37,000 in the church treasury the church recently let the contract for the completion of the edifice to a Lubbock contractor for the sum of approximately \$42,000.

It is hoped that the new building will be completed within a few months, and Wilson Baptists will then have one of the really handsome and substantial church plants that are becoming numerous on the South Plains.

The condition of Mr. H. P. Caviness, who has been very unwell for several weeks, had so improved that he was able to attend church Sunday but went back to the Tahoka Clinic for the night.

Soil Conservation Field Day Trip Is Big Success

Lynn County's first Soil Conservation Field Day tour, held all Tuesday of this week was an eye opener to the more than 100 men and a few women participating. Practically every type of soil conserving practice and every type of irrigation used on the plains of Texas was viewed by the group on the visit to 15 Lynn County farms.

The trip was primarily designed to acquaint the business men with modern farming methods being developed in this county. The day was sponsored by Tahoka Chamber of Commerce. Already many people are asking if the tour will be an annual event, and doubtless it will.

Participants in the tour not only viewed a few of the better examples of Johnson grass control, terracing and contouring, pasture improvement, irrigation, and deep plowing, but they learned that a total of 7,000,000 feet of terraces have been built in this county in the last five years, that 280,000 acres is being contour farmed, that Lynn County has approximately 300 irrigation wells with more going down every day, that some land too sandy for farming is being reclaimed by deep plowing, and other sandy land is being seeded to grass to prevent blowing and furnish pasture, and that some farmers are irrigating pasture land.

If no other benefit was derived from the trip, the fact that the 80 Tahoka business men on the tour got a good look at up-to-the minute farming and were convinced that Lynn County is a mighty fine county and has the most progressive farmers on the plains, was worth the effort.

Leaving Tahoka a few minutes after 9, there were 19 cars loaded with trippers at the first stop, but an hour later there were 25 cars and never was there less than that number again, others joining the party at noon.

First stop was at the Belton Howell farm, formerly owned by Bill McNeely, where the trippers saw a large patch of Johnson grass on the south side which was almost completely exterminated by one spraying with Atlastoc in August of last year.

(Cont'd. on last page)

Demo Meeting Mild Affair

The Democratic county convention held in the courthouse here Tuesday afternoon was a calm and colorless affair, in striking contrast with the boisterous and hectic fights that developed in many of the county conventions in the state.

Although there were widely varying and possibly antagonistic sentiments held by delegates to the convention, all seemed to have avoided the proposal of any action that might precipitate discord. Resolutions were adopted but they were neither radical nor very positive respecting any controversial matter. One paragraph contained a mother-hubard approval of the Truman administration and praised some of his accomplishments, but the next paragraph expressed disapproval of the proposed "civil rights" program. An uninstructed delegation to the state convention at Brownwood was named. There were eight delegates and six alternates in the list approved.

The regular delegates named are as follows: J. W. Elliott, C. H. Cain, A. L. Dunagan, Bill Thompson, Truet Smith, Calloway Huffaker, E. W. Turnipspeed, and B. M. Haymes.

Alternates: Herman Reid, George Small, H. D. Gartman, Harley Henderson, W. S. Anglin, and Ray Weather.

Chairman of the convention was Judge J. W. Elliott; Secretary, W. S. Anglin.

Delegates to the county convention had been selected in poorly attended and uneventful precinct conventions held in various voting precincts Saturday afternoon or night.

Baseball

(Cont'd from page 1)
young ball players, besides a lot of fellows are too old for the game. Admission to games would be free this summer, if their plan is carried out, and everyone far and near urged to attend.
This, they hope, would build interest. Then, by next year, Tahoka might, if planning were started soon, have a modern ball park and ask admission to the Oil Belt League.
Post has recently done a magnificent job in building an excellent ball park that is almost as good as some of the West Texas-New Mexico League parks. They have built a permanent park, with a good fence, covered bleachers for about 500 fans, public address system, and lights for night play. The drive for the park was started last

all by Walter B. Holland and others, and it is now almost complete.
Anyway, the above named gentlemen have asked all the baseball players in Lynn county to meet them at the softball park in Tahoka this afternoon, Friday, at 4:30 o'clock, or as soon thereafter as possible, for the first work-out. If interest is sufficient, work-out will be held Monday, Wednesday, and Friday evenings, and Messrs. Short and Botkin will be there to help. They urged other old ball players and fans to join them in the move.
They think Lynn county men and boys need and deserve some summer recreation and that baseball is one of the best. If it keeps only a few away from the honky-tonks it would be well worth the cost and effort expended.

THIRD INFANTRY COLOR GUARD IN OLDFIME REGIMENTALS This photograph was made in Germany when the Third Infantry, oldest regiment in the U. S. Army, mustered for a ceremonial. The flag bearers wear the uniform of the Army in 1784 when the regiment was organized. The Third is still a crack unit with a record in all wars including the Revolution, and its soldiers of the present day received distinction on Army Day, 1948. (International News)

Fleet Admiral Chester W. Nimitz, USN, has been made "Chief of Naval Operations" in the Texas Navy.
The Navy destroyer USS James C. Owens recently visited 15 ports in five countries and cruised 15,785 miles in four months.
A league of German towns from the 13th to the 17th century was called the Hanseatic League.
The lower house of the Irish Parliament is called the Dail Eireann.

CHANGE IN DATES OF POST ANNUAL RODEO

POST, TEXAS, May 6, The dates of the 1948 Post Stampede and Rodeo have been set up to May 20-23 inclusive to avoid a second annual conflict with the professional rodeo sponsored by the American Business Club in Lubbock.

The sudden enforced change of dates found the Post Citizenry ready to pitch in and make the 1948 show "the biggest and best in the history and truly the Fastest Show in the West."

Merchants started putting welcome banners on their building fronts on Thursday and by this week the town was fully decorated in rodeo regalia. Booster trips by chartered bus are being scheduled to begin in the near future.

This year's show will introduce several features never before included in the Post Stampede. A dance pavilion is now under construction and will be ready Saturday May 8th for the first free pre-rodeo dance. Another free dance will be given Saturday May 16th, at the pavilion on the rodeo grounds. On Wednesday night, May 19, the regular rodeo dance will get under way. DANCES will be given also the nights of May 20, 21, and 22.

Lewis Blair, well known bull-fighting clown who travels with the Bill Lyons rodeo stock, has been engaged for the rodeo performances.

Bill Lyons' stock, said to be the widest ever, will be fresh from a winter's rest and in shape to tussle with the toughest of cowboy contestants.

Three thousand dollars will be given to winners of rodeo contests. Each evening performance through Saturday, and the Sunday afternoon performances, May 23, will be preceded by a parade. A highlight of the show, as always, will be the Cowgirl Sponsor Contest.

Mrs. E. B. Terry visited last week with her aged friend, Mrs. A. O. P. Nicholson, in Lubbock. Mrs. Nicholson, now more than 90 years of age, resided in Tahoka for a number of years, and although in feeble health she still retains a keen interest in her many Tahoka friends and asked about them, Mrs. Terry reports.

Mr. and Mrs. E. M. Server of Haskell were week-end visitors of Mr. and Mrs. P. D. Server and Mrs. Florine Best of Tahoka. The two men are brothers and their wives are sisters.

Mrs. W. P. Inman of Snyder spent a few days here this week in the home of her daughter, Mrs. Florence Cowan.

Every year is Leap year in Garo Hills, a district of British India. The marriage proposal is made by the woman who, if accepted, lives for a time in the bridegroom's house on probation. Marriage is further complicated by polygamy and compulsory cross-cousin marriage coupled with a rule requiring a man to marry his wife's father's widow.

SCHOOLS OPEN TO HIGH SCHOOL GRADUATES

S. L. Irwin, ENC, U. S. Navy recruiter, announced this week that this recruiting area has received a new quota which includes a number of new schools which are open for high school graduates.

The schools now open for this area are co-military men, electricians' mates, I. C. electricians, electronics technicians, fire control men, engine men, metal smiths, radar men, radio men, sonar men, store-keepers, disbursing clerks, yeomen, basic submarine, airman, and aviation electronics technician.

Additional information on these schools may be obtained from the U. S. recruiter, who will be in Tahoka every Tuesday at the Post Office from 8 a. m. to 12:30 p. m.

Malaria is spread by the anopheles mosquito.

You can add that room you need and pay for it by the month at Shamburger - Gee Lumber Company, Phone 313. Adv.

CO-OP HEAVY DUTY

CONTROLLED: QUALITY — PRICE — CONSTRUCTION

This popular all-purpose tire was a great war-time favorite with thousands and thousands of Co-op users. Now with higher natural content and improved stronger construction, it's even better than ever. The rugged tread assures good mileage and the rubber is especially compounded to withstand wear and weather. This tire's strong carcass construction makes it ideal for general service over all types of roads.

SOUTHWESTERN
PUBLIC SERVICE COMPANY
23 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Bill Woods Gets U. Of T. Honor

Bill Woods of Tahoka has again been honored by the University of Texas College of Pharmacy, from which he graduated with high honors a few weeks ago.

A few days ago he was notified that he had been awarded the Lehn & Pink Gold Scholarship Medal by the school, awarded each year "to the pharmacy student, candidate for graduation, who has made the highest general average during undergraduate years."

Woods served as president of the Senior Class, numbering 160, and was honored with membership in Rho Chi honorary fraternity.

Graduating last semester, he is now pharmacist-at Wynne Collier Drug Store.

ASSOCIATIONAL BROTHERHOOD MEETS HERE TUESDAY NIGHT

Preparations are being made for entertaining the Associational Brotherhood which will meet in the First Baptist Church here on Tuesday night of next week, May 11th.

Some of the men from over the Association have indicated that they expect to bring a few of the boys along, and there may be quite a group of youngsters present.

Rev. Ted Brain of Wells will bring the inspirational address, which will be preceded by a musical program.

Any man or boy who desires to come will be heartily welcomed regardless of his place of residence or his church affiliation.

A light meal will be served.

TAHOKA CLINIC NEWS

Mr. L. A. Forsythe of Tahoka underwent emergency appendectomy on Tuesday May 4. His condition is reported to be good.

Mrs. S. E. Owens of Wilson underwent major surgery at the Tahoka Clinic on Tuesday, May 4. Her condition likewise is reported good.

Connie Lewallen, 15-year-old daughter of Mr. and Mrs. G. A. Lewallen of Wilson, is a patient in the Clinic the past week under treatment but has been discharged and is better.

JIM WHITE WILL MOVE TO LUBBOCK

Jim White, who has been the capable and very proficient service man for the Southwestern Public Service Company here for the past three years, has resigned his position and will move to Lubbock.

Mr. White will go into business with his brother, Dyer White of Lubbock, in the irrigation well service. The demand for this kind of service is already heavy and is increasing rapidly.

W. S. Anglin, local manager of the Southwestern Public Service Company, is not yet able to announce who will be Mr. White's successor here.

POST BOOSTERS COMING TO ADVERTISE RODEO

Approximately 75 boosters advertising the 1948 Post Stampede and Rodeo dates for which recently were set up to May 20-23 inclusive to avoid a second annual conflict with the Lubbock A B C Club's professional show, will be in Tahoka at about 8:35 o'clock for approximately 30 minutes to present a brief program and extend an invitation to the people of Tahoka to attend their show.

The trippers will be traveling in two 37-passenger busses and some private cars.

J. A. SOUTH GETS FINGER CUT OFF

While J. A. South was doing some carpenter work at a lumber yard here on Tuesday of last week, the fore-finger on his left hand accidentally got in the way of his saw and almost as quick as lightning it was clipped off just back of the first joint.

He was in the Tahoka Clinic for a day or two and then returned to his home, but he thinks it will take a long time for the injury to heal.

Jack Kennedy and family of Kermit were here last Sunday visiting Mr. and Mrs. Levi Nordyke. Mr. and Mrs. Kennedy are the parents of Charles Kennedy, Ministerial student in Baylor University, finance of Miss Payne Nordyke. Charles and Miss Payne, who is to receive her degree at Texas Tech soon, also spent the day here.

The News is informed that Mrs. W. D. Neve's, who suffered the fracture of several small bones in one of her feet some two weeks ago, was released from the Lubbock Memorial Hospital in Lubbock Wednesday but is still confined to her bed in the home of one of her daughters in Lubbock and probably will not be able to use the injured foot for many weeks.

Hick Gibson, Calloway Huffaker, Clyde Ashcraft, and Layton Lawson returned last Saturday from a week's fishing trip to Don Martin lake down in Mexico. However, they report fishing was none too good. It is getting a little late for good fishing in that lake, they were told.

BAPTIST HAVE S. S. MEET IN O'DONNELL

Baptists from churches in Lynn and Terry counties comprising the Brownfield Association met in a quarterly Sunday School conference in the Baptist Church in O'Donnell at 8:00 o'clock Tuesday night, with Rev. Ted Bidian of Wells acting as chairman.

Using many of those present as pupils, he gave a demonstration in methods used in conducting a vacation Bible School.

Following this program, Rev. Emmett Brooks of Wilson brought an inspiring sermon.

Representatives of the various Sunday Schools present were 88 in number. Only four of them were from Tahoka.

CHANGE IN DATES OF POST ANNUAL RODEO

POST, TEXAS, May 6, The dates of the 1948 Post Stampede and Rodeo have been set up to May 20-23 inclusive to avoid a second annual conflict with the professional rodeo sponsored by the American Business Club in Lubbock.

The sudden enforced change of dates found the Post Citizenry ready to pitch in and make the 1948 show "the biggest and best in the history and truly the Fastest Show in the West."

Merchants started putting welcome banners on their building fronts on Thursday and by this week the town was fully decorated in rodeo regalia. Booster trips by chartered bus are being scheduled to begin in the near future.

This year's show will introduce several features never before included in the Post Stampede. A dance pavilion is now under construction and will be ready Saturday May 8th for the first free pre-rodeo dance. Another free dance will be given Saturday May 15th, at the pavilion on the rodeo grounds. On Wednesday night, May 19, the regular rodeo dance will get under way. DANCES will be given also the nights of May 20, 21, and 22.

Lewis Blair, well-known bull-fighting clown who travels with the Bill Lyons rodeo stock, has been engaged for the rodeo performances.

Bill Lyons stock, said to be the widest ever, will be fresh from a winter's rest and in shape to tussle with the toughest of cowboy contestants.

Three thousand dollars will be given to winners of rodeo contests. Each evening performance through Saturday, and the Sunday afternoon performances, May 23, will be preceded by a parade. A highlight of the show, as always, will be the Cowgirl Sponsor Contest.

Mrs. E. B. Terry visited last week with her aged friend, Mrs. A. O. P. Nicholson, in Lubbock. Mrs. Nicholson, now more than 90 years of age, resided in Tahoka for a number of years, and although in feeble health she still retains a keen interest in her many Tahoka friends and asked about them, Mrs. Terry reports.

Mr. and Mrs. E. M. Server of Haskell were week-end visitors of Mr. and Mrs. P. D. Server and Mrs. Florine Best of Tahoka. The two men are brothers and their wives are sisters.

Mrs. W. P. Inman of Snyder spent a few days here this week in the home of her daughter, Mrs. Florence Cowan.

Every year is Leap year in Garo Hills, a district of British India. The marriage proposal is made by the woman who, if accepted, lives for a time in the bridegroom's house on probation. Marriage is further complicated by polygamy and compulsory cross-cousin marriage coupled with a rule requiring a man to marry his wife's father's widow.

Most of the countries of Europe together with our own great country are living in constant fear of Russia. We are afraid that she will precipitate a war that may wipe out millions of our own people even if she herself should be more completely destroyed. But this is only a fear of what may happen. We have an enemy already at work throughout our country which is slaying hundreds of thousands of our people and crippling hundreds of thousands of others each year and yet, instead of fighting it as an enemy, we are protecting it as if it were a cherished friend; we are even hugging it to our bosoms and caressing it as a favorite child. This enemy is the demon Alcohol. It does its destructive work in many ways. Thousands of its victims are those who meet sudden

Death on the highways. Other thousands are those who are crippled or injured for life. Coming into the homes of our people through the magazines and over the radio as an angel of joy and cheer it gradually lures thousands and thousands of our young people each year into its realms of conviviality and intoxication until they suddenly find themselves to be its helpless slaves. It comes leading through our country as a majestic force of light and joy, but it leaves behind it wake countless multitudes of blighted lives, broken hearts, and broken homes. Strange that we refuse to outlaw the monster but continue to coddle it and welcome it into our homes. We at least should make it unlawful for it to use the radio and the printed page to spread its deceitful propaganda.

We sincerely sympathize with the purpose and work of the organization known as "Alcoholics Anonymous," but the fact that such an organization has become necessary to overcome the liquor habit in its addicts is proof that liquor is a habit-forming drug. Its promiscuous sale therefore should be prohibited just as the promiscuous sale of any other habit-forming drug is prohibited. The liquor addict is just as much a slave to the liquor habit as the "dope fiend" is to any of the narcotic drugs. We should no more permit the alluring and deceptive advertisements of it in the magazines and newspapers or over the radio than we would permit such advertisements of opium, morphine, cocaine, or heroin.

Ludwig II was called the Mad King of Bavaria.

Ambergris is used in the making of perfumes.

PRESTON E. SMITH ASKS RE-ELECTION

Preston E. Smith, Lubbock theatre man and state representative from the 119th district, made formal announcement of his candidacy for re-election to the post.

"In announcing for re-election to the Legislature, I feel that I can render the people of this district much greater service than during the past," Smith's statement said.

"The state government is the largest business operated in Texas with annual expenditures in excess of \$300,000,000 and I believe we ought to have qualified men in Austin to make decisions on the spending of this huge sum.

Smith listed redistricting, re-appointment of the permanent university fund income to the State's 16 state supported colleges, farm-to-market road improvement and improvement of the plight of Texas Schools and School teachers as problems confronting the legislature.

"One of the most important functions of our government is the education of our school children," Smith's statement pointed out. "To accomplish this we must have well qualified teachers. To get these teachers we must realize that they are important to our future citizens and should be paid according to their important contributions they are making to our society. I will continue to support those measures that will benefit our school teachers; also those measures strengthening safety for our school children."

"The farm-to-market roads in this state, in many areas, are in a deplorable condition. There is much legislation that the legislature could pass to help get the farmers on good roads with their farm products. At the same time this would be beneficial to those rural schools which carry their students to and from school daily. I have always supported measures that would improve farm-to-market roads and will continue to do so if re-elected."

Regarding redistricting, Smith said: "Our present governor, if he would carry out his constitutional oath of office, would immediately call the legislature into session and redistrict this state.

"Year after year, the Constitutional mandate that this state shall be redistricted after each federal census has been ignored, but there is nothing in the Constitution to prevent the governor from calling a special session on redistricting. Every time the state has been redistricted, it has been at a special session and this was accomplished the last time by Governor Pat Neff back in 1921.

"Without representation, which is the only defense we have in the legislature, West Texas is at the mercy of the majority members who have repeatedly voted their oaths of office and thwarted every move to redistrict the state. Actually the plight of West Texas, by the state not having been redistricted in the past 27 years, has been taxation without representation, as we are always taxed and since 1900 this section has not had the proper representation at Austin.

Smith, who was one of the leaders the past two sessions in a movement to apportion income from the permanent university fund among the state's 16 state colleges, said he would continue to work for a redistribution of this income to all state colleges on a per capita basis for building purposes only.

Mr. and Mrs. Jarrell Cox spent a few days this week in East Texas where they went to return her mother, Mrs. G. C. Burks, to her home at Van Alstyne after a two weeks visit here in the Cox home.

Political Announcements

BLACK-DRAUGHT

Dear Ann:

So sorry to hear about your having to take off in order to rest, but hope you'll be back at work soon.

Do you recall that I told you to be on the lookout for Mrs. V. S. with her new pinks Dot? Saw her in P. O. yesterday and as usual she looked beautiful.

Have you seen those new 4-in-hand beaded ties Walker's have just received? All colors too!

First thing you know you'll be seeing R. J. of (Collins Drug) in her new bustle Sun Play Suit.

I guess you've seen those new blouses at Walker's by now? F. J. (Frank's Electric) was so entranced that she bought 2.

Mrs. J. G. (the beautiful blackhead) had one of the new type belts and buttons made last week—Gold with Gray B. L. F. (High School Faculty) Chemistry.

Always looks so nice with her tailored covered belts and buttons.

Mrs. S. at the Clinic has just had a beautiful grey Stetson-Cloth suit, with a gold balmine skirt and a short jacket lovely! Mrs. L. F. (grade school faculty) is wearing one of the new Jo-Burt's Cotton—you know Jo-Burt's are made of Dan River Fabric and you know how nice they are.

Have you seen those beautiful Linen Dresses at Walker's.

I was in there last week and they say that it is sure hard to keep sizes 18 and up.

Lots of people doing lots of sewing, you should see Walker's new trims 'Inexpensive' too.

Mrs. G. B. out east of town was in last week having a white Pique Tailored Belt made for a white dress. One that she was making—She saw the original which was \$49.75. Her total cost including the belt was \$8.00. Some saving?

Stop by and see the new FITCHENE Lawn Blouses all colors—

Take a look and a second one new Pussu Jo—that neat Mrs. L. B. (McCord's Chrysler and Plymouth) is always wearing.

Always, Love Sue.

P. S. Saw the new bookkeeper at (Bray's Chevrolet) Mrs. K. L. R. in Connor's lunching Monday. She was wearing a new yellow Chambry, purchased at Walker's. Incidentally she's from Oklahoma City.

AUTOMOBILE DEALER IS KIND TO PREACHERS

There is a Chevrolet dealer in Q'Donnell who has a tender spot in his heart for preachers generally, regardless of denomination.

Noting that some of the pastors of his town were in dire need of a car in which to travel about and look after the spiritual welfare of the members of their respective congregations, he promoted a movement whereby each of the three leading congregations of his town raised the money and bought each of them a new Chevrolet.

He started the ball to rolling by cutting the price down to the regular listed price and then chipping in \$75.00 himself on the price of each car. He got a committee appointed in each of the churches to raise the remainder of the money; and each of the preachers is today driving a new Chevrolet. One of the cars was delivered several weeks ago, but the other two were delivered on Monday and Tuesday of this week.

The kind-hearted dealer is John Ellis. The three pastors who are the object of his generosity and the generosity of their respective churches are Arthur Golden, Minister of the Church of Christ; J. M. Hale pastor of the O'Donnell Baptist Church; and A. G. Cookrell, pastor of the Methodist Church—three grateful and happy men. And each of them, doubtless, has been worth far more to his church and his town than the price of many new Chevrolets.

Mrs. C. C. Dwight was called to Lubbock Tuesday by the serious illness of her father, H. K. Porter, 85, long-time resident of Lubbock county.

CARD OF THANKS

We sincerely thank the Fire Department, our neighbors, and our friends for the effective work which they did Tuesday afternoon in saving our residence and its contents from total destruction or serious damage by the fire. We thank you every one.—Mr. and Mrs. Frank Akin and family.

Mr. and Mrs. R. C. Wood are now here from Hollywood, New Mexico. Mr. Wood was brought here on Wednesday of last week following treatment for a week in a Lubbock hospital for a heart ailment.

COCHRAN COUNTY SHERIFF KILLED IN ACCIDENT

Mac Wealey Hancock of Morton, sheriff of Cochran county, was instantly killed on the highway six miles west of Leveland at about four o'clock Monday afternoon when the car he was driving crashed into the rear of a heavy road maintainer.

Hancock was returning from Huntsville after delivering two prisoners to the penitentiary and was in his car alone. The driver of the maintainer was unaware of Hancock's approach until his machine was struck from the rear. It is believed that Hancock had fallen asleep while driving along the highway.

Mr. Hancock was a veteran peace officer. He was serving his second term as sheriff of Cochran county and was a candidate for a third term. Altogether he had served 22 years as a peace officer. Before moving to Morton in 1941, he had

been a resident of Dawson county for 40 years.

Funeral services were held at Hancock school house six miles north of Lamesa on Wednesday afternoon.

CPL. HOPE HARDT VISITS PARENTS HERE

Cpl. Hope Hardt, who is here on a 30-day furlough visiting his parents, Mr. and Mrs. W. A. Hardt, expects to leave next Monday to return to his post of duty.

Cpl. Hardt has been stationed for some time at Fort Richardson, Alaska, but upon his return he will be stationed at Fort Ord, California. His furlough was dated April 18, and he must report for duty prior to May 18.

Mrs. Lee Poir left Thursday of last week for her home in Abilene after having spent a few days here with relatives. She formerly resided near Tahoka.

Investiture Held For Girl Scouts

At a well-planned and well-rendered investiture program given in the school gymnasium last Friday night, 56 girls comprising four troops were inducted into the order of Girl Scouts and presented with their Tenderfoot badges, which are their Girl Scout pins.

Mrs. Emil Prohl presided and introduced Mr. Jack Griggs of Brownfield, president of the Southwest Plains Area of Girl Scouts, who spoke briefly but happily to the gathering.

A number of the parents and other relatives and friends of the girls were present and witnessed the proceedings.

Each leader and assistant leader and each girl who had been assigned to perform a special part on the program did their parts perfectly, and apparently there was not a tumble from start to finish.

The troops and their leaders and assistant leaders are given as follows:

Troop 1: Leader, Mrs. John Slover; assistant leader, Mrs. Ed Hamilton; members, Jo Anne Bennett, Wanda Fleming, Mary Anne Paris, Patsy McGinty, Margaret Sue

Troop 2: Leader, Mrs. Roy Edwards; assistant leader, Mrs. Sam Floyd; members, Betty Williams, Joy Tomlinson, Patricia Inman, Jane Taylor, Hazel Johnson, Shirley Floyd, Wanda Lowrance, Sue Dollins, Carolyn Henderson, Deanie Edwards, Sue Beth Cowan, Eva John Sparks, Anita Rochelle, Patsy Smith, Bonnie Pearl Barnett.

Troop 3: leader, Mrs. Emil Prohl; assistant leader, Mrs. Douglas Finley; members, Bettie Carroll, Bobbie Carroll, Bobbie Ruth Draper, Barbara Ann Finley, Barbara Lewis, Billie Clara Moore, Bobby Joyce Polk, Martha Ann Prohl, Sara Sue Rochelle, Nancy Sue Sargent, Carol Sue Smith, Yvonne Tomlinson, Elva Glen Williams, Sylvia Thompson, Darline Harris, Juanelle Mayberry.

Troop 4: Leader, Mrs. Coy Field; assistant leader, Mrs. Charles Nelms; members, Betty Grace Akin, Celesta Carter, Margie Ann Curry, Phyllis Ann Fielder, Othelda Freeman, Carolyn Howell, Jeraldine Hyles, Amedea Lowrance, Mariana McGinty, Ida Pearl Matthews, Sarah Beth Nelms, Linda Lou Polk, Ann Wharton, Sue Williams.

While a high north wind was sweeping the Plains Monday afternoon, tornadoes were playing havoc in a number of North Texas communities, one of which struck McKinney in Collin county and the neighboring town of Thornton, killing three persons, injuring more than fifty others, and doing much damage to property. Tornadoes were likewise reported from five other states, taking the lives of at least 20 persons and injuring many others.

Mrs. C. T. Tankersley and grandson, Jerry Bragg, left Saturday for Waco for a few days visit there with her daughter, Mrs. Pansy Roy Rutland and family.

Pennsylvania Avenue is the street between the U. S. Capitol and the White House.

Personna non grata is a latin phrase meaning person not acceptable.

Boy Scouts Have Hilarious Time

Some thirty-five boy scouts together with their leaders, parents, friends, a few girl scouts, and other visitors crowded into their regular meeting place, the W. O. W. Hall, on Monday night and enjoyed what may be most aptly described as a lambaree.

There was an informal and largely extemporaneous program given by the Scouts consisting mostly of fun, frivolity, and hilarious stunts.

E. B. Gaither, Scoutmaster, had charge of the evening's entertainment, and he proved that he was thoroughly on to his job. He called upon "Tiny" Jolly to give a report of a regional scout meeting at Abilene recently which Jolly and four other Tahoka Scouts attended, and in keeping with his name Jolly gave a mirth-provoking report. He also called upon his four companions to give their version of the affair and Kenneth Weaver and Wayne Sherrod responded most happily. The other two attending the Abilene meet were Bobby George Oliver, and Bernard Ward.

Jack Jackson of Lamesa, Scout Field Executive, was present and assisted with the program, staging the stunts and otherwise adding to the gaiety of the occasion.

Marvin Standerfer, assistant Scoutmaster of Lamesa, and Fred Widmoyer, neighboring Scout commissioner of Lubbock, were other visiting Scout officials who enjoyed the festivities.

Just preceding the stunts, ice cream and cake were served to the 103 persons present.

Mr. and Mrs. E. R. Edwards were called to Temple last Friday to attend the funeral services for her brother-in-law, who had died there.

Roshester, New York, is known as the Kodak City.

There's a Wide selection of Wall Paper at Shamburger-Gee Lbr. Co. Phone 313. Adv.

BOOK REVIEW TO BE GIVEN BY MRS. FRED P. HEGI

The Phebe K. Warner Club announces that a book review will be given by Mrs. P. Hegi Tuesday afternoon, May 11, at 4:30 o'clock in the First Baptist Church. "Come A Cavalier" by Mrs. Frances Parkinson Keyes is the book to be reviewed.

Mrs. Hegi has given other book reviews here, and her reviews are always greatly enjoyed.

This review will be open to the public and everybody is cordially invited. Special invitations are given to members of other study clubs.

Mrs. P. D. Server has been in Temple this week attending the sessions of the Grand Temple of the Pythian Sister, which were to begin Sunday and close Thursday. She went as a representative of the Lynn Temple of Tahoka. She is expected home today.

Ann Cowan, daughter of Mrs. Florence Cowan, has been under treatment at the Tahoka Clinic for several days but is now back at her home. She is suffering from fever which is said to be caused from an infection of some of the glands, an unusual ailment.

TAHOKA-PLAINVIEW PAVEMENT TO BE COMPLETED THOROUGH SLATON

(Slaton Slatonite)
 What promises to be the culmination of one of the most cherished hopes of J. S. Edwards of Slaton will be reality in the near future if the farm to market road is authorized from Slaton to Idalou and from Lynn County to the Lubbock county line.
 Mr. Edwards and others have been proposing a road of this kind for the past twenty years.
 In recent a trip to Austin, Ben Mansker, Otis Isom, and R. O. Short, Lubbock County Commissioners, County Judge Walter Davies and County Clerk Louie Moore together with the Lynn County Commissioners made an appeal to the State and National authorities for the completion of a highway that would connect the unfinished parts of the road from Plainview to Tahoka. A telegram from the Hale County Commissioners court was also sent appealing for the completion of the road.
 It was authorized to be constructed from funds received from the next appropriation by the United States Government and the State. There is a present pavement from Slaton three miles out on the proposed road and it is paved from the north from Plainview to Idalou leaving 14 miles to be finished in Lubbock County.
 Commissioner Ben Mansker of Precinct 2 reports that the right of way through he W. H. Long ranch has been secured and that the right of way is all secured except through the property of W. E. Smart and A. R. Brandon.
 While the road will be known as a farm to market road it will be in reality a highway in every sense of the word.
 Mr. Mansker reports that the completion is the No. 1 project of the year from the Lubbock County Commissioners and that if it is at all possible the road will be put through this summer.

SUFFERS BURNS ON FOOT
 Mrs. Garland Pennington suffered severe burns on one of her feet early Friday morning when grease in a frying pan on the cook stove ignited and her son-in-law, J. C. Womack, picked up the pan and was hurriedly taking it out at the kitchen door into the yard. Mrs. Pennington had flung the kitchen door open for him to pass through and in his hurry some of the burning grease was spilled out onto her foot. She was taken to the Tahoka Clinic for treatment.
 The burns were said to be rather severe but they had healed sufficiently for her to be released from the Clinic and taken back to her home on Sunday.

PENTECOSTAL CHURCH TO HAVE FELLOWSHIP MEETING
 The united Pentecostal Church will have a fellowship meeting to begin at 7 o'clock p. m., Monday, May 10.
 Visiting Ministers and singers are to be present.
 Everyone is invited to attend this meeting.—Mrs. Rosa Davis is acting pastor.

REVIVAL IN PROGRESS AT ASSEMBLY OF GOD CHURCH

A revival meeting is in progress at the Assembly of God Church, with Rev. Donald Walker doing the preaching. Mrs. Walker is conducting a children's service at 7:45 p. m. in connection with the regular evangelistic services. The Walkers are well known as evangelistic workers, coming here from Arkansas.
 Rev. W. M. Roseman, the local pastor, sends out a sweeping invitation to everybody to attend these services.
 The meeting began last Sunday and is scheduled to last two weeks or longer.

Mrs. Jewell Connolly arrived home Tuesday after a three weeks visit in California with her brother, Carl Sherrod, and family at La Habra and with Mrs. Ruby Fields and Mrs. Mildred Schooler in other coast towns in the vicinity of Los Angeles. She was accompanied on the trip by Mrs. Vera Davis of Abilene, sister of Mrs. Fields and Mrs. Schooler.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite and digestion, thus help build resistance for the "time" to come. Started a few days before "your time," it should help relieve pain due to purely functional periodic causes. TRY IT!

Of 900,000 people eligible for Social Security, only 288,000 have applied because they cannot afford to retire and live on Social Security.

—Henry Morgenthau.

WOULD YOU WORK 5 YEARS for \$6.15 a month?

If you are now age 35 and have earned and continue to earn at least \$3,000 a year under Social Security, at age 60 you will be entitled to a benefit of \$50.25 a month. Payments will begin when you are age 65. If you continue to earn \$3,000, and work right on until you are 65, you will get \$6.15 a month more from your Social Security. But would you work five years longer for \$6.15 a month more?

Chances are, you couldn't live on \$50.25 a month—or \$56.40 either, for that matter. Chances are, you couldn't afford to quit. But you can afford to quit when you are 60 if you supplement your Social Security now, while you are earning a steady income. Which would mean the most to you—five more years of labor, or five years sooner in which to start taking life easy?

You can supplement your Social Security benefits with Southwestern Life Insurance to guarantee yourself an income of \$100, \$150, \$200 a month—or for any amount you wish—and quit when you are 60! There's a Southwestern Life retirement plan to fit every pocketbook. Let me show you today how to combine your Social Security benefits with Southwestern Life Insurance. The sooner you hear the facts, the more you will know about how easily and conveniently you can combine life insurance with Social Security.

NEW HOME SENIORS, FACULTY, ENTERTAINED WITH BANQUET

The New Home Baptist Missionary Society entertained the high school seniors and faculty with a banquet last Tuesday night. The theme of harmonious living was carried out in table decorations and in the program.

Mrs. C. E. Strickland acted as toastmistress; Mrs. Boswell Edwards, president of the WMS gave the welcome. Before the banquet a prayer was offered by Rev. C. E. Strickland. Donna Moore, Flora Flavor from Wayland College sang several musical numbers including "Now Is The Hour," the senior class song accompanied by Miss Eulala Burke, a music instructor from Wayland.

Mrs. J. B. Harlin of Wayland drew a picture displaying a harmony of colors. Dr. Cranfill, registrar of Wayland college delivered the dinner speech on the subject of living a harmonious Christian life. Mrs. S. E. Cranfill, sociology instructor at Wayland gave the benediction.

The candlelit table was decorated with pincushions, ivy, fiddlers, bows, French Harps, and the programs also carried out the harmony theme.

Let us figure your Material bills. Shamburger-Gee Lumber Company. Phone 313. Adv.

D. W. Murphy and J. L. Parrish and families, who moved from Lynn county to Durenville near Goldthwaite in Mills county early last winter, recently sold their garage business there and returned to Lynn County. They had not fully decided early this week just where they would locate.

SOFTBALL MEETING

A meeting of all managers of Lynn county softball teams will be held in the AAA office in Tahoka Monday night at 8 o'clock, to arrange schedule, made rules, and otherwise plan the summer program.

Mrs. Beryl Robinson and her baby Jan Lowrey of Washington, D. C., have been here this week visiting her sister, Mrs. Edith (Elwayne) Nevill, her husband and baby. Mrs. Robinson and Mrs. Nevill are daughters of Mr. and Mrs. W. O. Robertson, who resided here for a number of years.

Mr. and Mrs. Joe Allen Webb, students in Howard Payne College, were visiting relatives here and at Grassland over the week-end. They formerly lived here. Mrs. Webb being the former Deloris N. Webb is a ministerial student.

Yosemite National Park is in California.

JUNE BURKHART WEDS BROWNWOOD MAN

Miss June Burkhardt, daughter of Mr. and Mrs. Grady Burkhardt of Tahoka, was married in Portales, New Mexico on Wednesday, April 28, at 4:00 o'clock p. m., to C. A. Standridge of Brownwood, Texas.

Mr. and Mrs. Standridge left immediately on a wedding trip and expected to visit the bridegroom's parents while away, then return to Lubbock, where the groom will finish his engineering course at Texas Technological College at this term of school.

Mrs. Standridge is a graduate of the Tahoka High School and attended Texas State College for Women in Denton last year. She formerly was employed by Dun & Bradstreet in Houston.

MRS. J. E. MORGAN'S NEPHEW DIES IN LEVELLAND

Funeral services were held in the First Baptist Church of Levelland at 2:00 o'clock last Sunday afternoon for Hugh Hendrix, 45, who died in a hospital in Levelland on Friday afternoon after a two weeks illness.

Mr. Hendrix was a nephew of Mrs. J. E. Morgan of the Garmolia community in this county and of E. J. Hendrix who formerly resided here but now lives in Oklahoma. Mr. Hendrix was an employee of an oil drilling company and had a number of friends in this county.

He was buried in the cemetery at Levelland with Masonic honors.

Survivors include the wife, three daughters and a son, all of Levelland; his mother, Mrs. Tennie brother, Herman Hendrix of Wichita Falls.

It's time to paint up. We have the paint. Shamburger-Gee Lumber Company. Adv.

A "star" in any car!

If you're "shooting" for smoother engine performance... for less added oil between drains... make a date, today, to OIL-PLATE... with Conoco Nib Motor Oil!

You see, Conoco Nib (Patented) contains a special, added ingredient that fastens extra lubricant so closely to metal that working parts are OIL-PLATED.

This extra OIL-PLATING stays up on cylinder walls, won't all drain down, even overnight! That means your engine is extra-safe from harmful combustion acids... extra-safe from "dry-friction" starts... extra-safe, too, from sludge and carbon caused by wear.

For "star" performance... extra protection, more miles per quart...

Make a date to OIL-PLATE!

Copyright 1948, Continental Oil Company

Conoco Representative

Field Trip

(Continued from Page 1)

At his Fred McGinty farm south of town the group saw earthen tank which has held stock water since 1944 when it was built, also terracing and 430 acres of pasture land contour furrowed in 1940.

In the Redwine community, a stop was made at the W. P. Thomas and J. P. Stuart farms an example of two farms terraced under one system.

The fourth stop was at the site of the old Mooar's Draw tank, a watering place of pioneer days, where G. M. Stewart has built one of the largest earthen dams in all this section, and if it ever rains, will impound a lake covering about 70 acres. The dam is 50 feet high, 200 feet thick at the base, and contains 47,536 cubic yards of dirt. It has a watershed of 6,000 acres.

Leaving Mooar's Draw, the party visited farms around Grassland belonging to Price, Luther, Claude, and Aubrey Thomas, who have long been considered among the outstanding farmers of the South Plains, who are constantly experimenting the latest agricultural methods. All their land is terraced or contoured, and they operate a number of irrigation wells, using

different types pumps and power. On one farm water is piped 1480 feet underground through an 8-inch pipe to a concrete ditch 1030 feet long. At another, the party saw siphon tubes being used to run the water from ditches to rows. On another project, water is forced uphill through underground pipes 2900 feet from well to farm.

The party ate lunch in the M. L. and W. P. Thomas deer pasture. Here is a large fish pond, a picnic ground under the trees, and there are about 18 head of deer in the enclosure.

After lunch, the party drove north on the new farm-to-market road to Gordon. Two miles west of Gordon is the 700 acre Lewis Manley farm, a phenomenon on the Plains. Much of Mr. Manley's land is in a long lake and draw, in which the water strata is only 3 1/2 to 8 feet from the surface, and to prove it, Mr. Manley had two wells to show the visitors. He has 40 acres of alfalfa on which the roots of the plants reach to water and do not require any other irrigation. He grazes the alfalfa, and in addition cuts hay from it. Last year he made three cuttings, but some years he has made five. Also, he has more than 60 acres of sub-irrigated grass that is as green as spring wheat and on which he is

grazing an unbelievable number of cattle.

West of Manley's, a stop was made at the Elton Smith farm, where an entire section is irrigated from four wells.

North of Wilson, the party saw the 160-acre J. H. Sander farm, which is doubtless one of the best and is farmed by one of our best farmers. Mr. Sander irrigates the farm from one well, which tests 134 gallon per minute. Last year, he produced 96 bales of cotton on 10 acres and 2800 pounds per acre of maize on 60 acres, watered three times. Six acres of alfalfa produced 1200 bales. He irrigates a garden and fine orchard. Last year he had 5 1/2 acres of permanent pasture that grazed 10 head for 10 months, and he also cut 100 bales of hay from it.

Next stop was at the Jasper Campbell farm and at the Pat Garland, and Jiggs Swann farm. Campbell can irrigate 220 acres from his one well. Last year he had 10 acres of certified maize that produced 2690 pounds per acre, 90 acres non-certified that produced 1900 pounds. Alfalfa had just been cut on the Swann farm, which last year produced some 3500 pounds of maize.

On the R. W. and E. R. Blakney farm, the party saw waist high rye, a nurse crop to his irrigated winter legume crops of Austrian winter peas and hairy vetch, also alfalfa and permanent pasture.

Northwest of New Home, a stop was made at the J. E. Portenberry farm to view the 1800-foot elevated ditch, which is six feet high in one end, necessary to carry water to the land he wants to water.

A different type of irrigation was seen at the next stop, the Douglas Finley farm. He has four conventional type wells, but this day he was using the sprinkler system, the first in Lynn county, to irrigate a permanent pasture he is seeding on 40 acres of sand not suited to farming. Also, from this well water is piped under ground 2295 feet to high point on northwest corner of field. He has seeded the sand to a mixture of crested wheat grass, brome, perennial rye, hubam clover, and possibly others.

Due to the dry weather, the Terry Noble and Alice Portenberry farms were not visited, but instead the deep plowing operations on the Rebel Thomas and Vernon Wilhoit farms just north of town, where an attempt is being made to rehabilitate sandy land by plowing sufficiently deep to bring about a mixture of clays and other tighter soils.

The tour arrived back in Tahoka at 5 o'clock.

BOY SCOUTS COURT OF HONOR MONDAY NIGHT

E. B. Gaither, scoutmaster, announces that there will be a Boy Scout Court of Honor in the school gymnasium Monday night, May 10. Cubs and Girl Scouts will also be present and participate to some extent in the exercises of the evening.

The Public generally is invited.

Sanders

(Continued From Page 1)

nephew, Mike Redwine, a resident of Lynn county for many years, who now resides at Batesville, Arkansas, was an uncle. Edd was married at Snyder on February 8, 1947, to Mrs. Louise C. O. H., daughter of Jack White, a former citizen of Lynn county, but he had no children. His wife and his mother and the other relatives mentioned above are the only survivors.

Edd was a child only a few years old when he came with his mother and other relatives to Lynn county. In 1908 his widowed mother married Brown Bishop, a well-known teacher of this county at that time. Edd went to school to his step-father, Mr. Bishop, at a number of places in this county, including Redwine, Wilson, and O'Donnell.

After his public school days, he worked chiefly as a ranch hand for several years. For some time he served as deputy sheriff under Wade Hardy, sheriff of Lubbock county. Later, he served as a deputy under Sheriff B. L. Parker of Lynn county.

In 1941 he joined the Texas Ranger force and had been in the service ever since. His health failed about a year ago but he remained reasonably active until a few days prior to his death. About the middle of last week he suffered a heart attack. Death came to him at about four o'clock Saturday morning in a Sweetwater hospital from a hemorrhage, it is said.

Edd Sanders was recognized as a fearless and efficient officer, and he had hosts of friends in this county and throughout West Texas.

Banquet

(Cont'd from page 1)

The West Texas area contests. Each of the boys had something to say that made their elders sit up and take notice.

Officers of the chapter are: Tippit, president; Farris Botkin, vice president; Duane Carter, secretary, and also district secretary; Robert Dean Admison, treasurer; Billy Ray Kelly, reporter; Don Cowan, sentinel; and V. P. Carter, adviser and instructor, also district chairman.

A delicious meal was served the group, the main dish of which was

a half of a fried chicken on each plate. The chickens were raised by the club for the occasion. Every adult went away fully

satisfied that the Tahoka schools are preparing some excellent young farmers to step into their dad's shoes.
