County Pioneers Are Making Plans For Big Reunion

Plans are under way for the annual reunion and barbecue of Lynn county pioneers, which will be held in Tahoka City Park on Thursday, June 24.

J. K. Applewhite is president and Mrs. Jack Penton is secretary and treasurer of the Lynn County Pioneers Association, sponsors of the reunion.

The organization will open its meeting in the morning. At noon there will be barbecue and "all the trimmings" for pioneers—those who resided in Lynn county 30 years or more ago.

In the afternoon, there will be a program, to which the general public is invited to attend.

At night, there will be an old-fashioned "Square Dance" jamboree. There will be a string orchestra to play for square dances, waltzes, and polkas, and everyone attending will be asked to dress in pioneer costumes.

"Everyone come and let's make this an enjoyable get-together for the old-timers," is the invitation of the association officers.

Organ Installed At Methodist Church

Completing a project undertaken several weeks ago by the Woman's Society for Christian Service, of which Mrs. Roger Bell is chairman, a Hammond electric organ was installed in the Methodist Church here Tuesday by the Jenkins Company of Amarillo.

As stated in a previous issue of The News, the organ is connected with chimes to be heard both indoors, and out-doors. Out-doors, it is stated, they may be heard for a distance of a mile under certain conditions.

Mrs. J. M. Small and Mrs. C. G. Franks constituted the finance committee which raised the funds for the purchase and installation of the organ.

A dedication program is planned for a date yet to be announced.

New Home Seniors Visit In Colorado

A party of New Home High seniors and their chaperones returned home last Sunday from a ten-day vacation and sight-seeing trip to Colorado and New Mexico, and some of those who made the trip told The News the experience was one of the most educational events of their lives.

The party made the first sight-seeing stop at Colorado Springs, where they visited the Garden of the Gods, Seven Falls, the Will Rogers Shrine, the zoo, and enjoyed their first attempt at ice skating in the Ice Palace at the famous Broadmore Hotel.

At Denver, they visited the Museum of Natural History, the Art Museum, and the zoo at City Park; the U. S. Mint; and Elitch's Gardens and Lakeside amusement parks.

From Denver, the tour led back over the mountains, among the peaks visited being Golden, Lookout Mountain and Buffalo Bill's grave and museum, the mining town of Idaho Springs, the 11,000-foot Loveland Pass and the snow-fields, and Royal Gorge. They also went through the state penitentiary at Canon City.

On the return trip, the party visited historic Santa Fe and Albuquerque, New Mexico.

Those making the trip were: Supt. A. L. Pace, Mrs. Bill Balch, Carl Arms, Melba Arms, Don Smith, J. A. Godfrey, Fernova Bligh, Jewel Dean Harmonson, Joe Huey, Mary Davis, Martha Ruth Poston, Peggy Murray, and Russell Balch.

Mrs. Mary K. Woods and Mrs. Terry Thompson went to San Angelo Wednesday and returned Friday accompanied home by Mrs. Thompson's daughter Sylvia, who had been visiting relatives there since school closed.

Rev. C. T. Aiy, new pastor of the First Baptist Church of Tahoka, who will begin his work here soon.

New Ford Dealer Is Named Here

Formal announcement is made by the Ford Motor Company in The News this week of the appointment of Bill Strange Motors as the new Ford dealer here.

Mr. Strange, who with his son, W. B. Strange Jr., are now operating the agency, come from Itasca to Tahoka. Mr. Strange also owns the Ford agency there and another in operates it.

The new owners recently acquired the Tahoka Motor Company from Mrs. W. L. Burleson, Billie Lee, and W. L. Jr., who have operated the business since the death a few weeks ago of W. L. Burleson. The Burlesons have a host of friends who regret that they are severing their connections with the business, but gladly welcome the new business men to this town.

Bill Strange spent 25 years with the Ford Motor Company before entering business for himself. At Itasca he was active in various civic affairs, being president of the Chamber of Commerce, a director of Itasca Rotary Club. He is a York Rite Mason, and a member of the Hella Temple Shrine, Dallas. Also, he is president of the Dallas District Ford Dealers Advertising Fund Inc., serving his second term. The body is composed of 200 dealers in 118 Texas counties.

Bill, Jr. was discharged from the Army Air Forces several months ago after serving several years during the war. He and his wife have already moved here, and Bill Sr. and his wife expect to establish their home here as soon as they can find a house or apartment.

The elder Mr. Strange entered service with Ford Motor Company in 1916 with the old Fort Worth (Cont'd. on last page)

Carroll New Manager At Farmers' Co-op.

R. C. (Bobby) Carroll Jr., became manager of Farmers Co-op association of Tahoka Tuesday, June 1, succeeding C. E. McKnight, who tendered his resignation to the organization last February effective on the latter date. Mr. McKnight has not announced his plans for the future, but hopes to remain in Tahoka.

Carroll has been with Farmers Co-op the past two years, and previous to his service in the Army, he was in the gin business at O'Donnell for three years.

According to Mr. H. P. Cavness president of the co-operative, it was with great reluctance that the board accepted Mr. McKnight's resignation, since he has been with the organization nine years, several in which he served as the efficient manager. Mr. Carroll likewise has a good record and the board feels he is deserving of the promotion to manager.

Mr. McKnight told The News he had thoroughly enjoyed his work with this fine organization, but was giving up the work for personal reasons.

LIONS CLUB HEARS PROGRAM OF READINGS

Last Tuesday evening at its regular meeting, Tahoka Lions Club was entertained by Miss Lena Williams and Clayton Carter, each presenting several entertaining and amusing readings.

New officers of the club will be installed at a special ladies' night meeting the last Tuesday in this month.

San Angelo Man New Pastor Of Baptist Church

At a conference held by the First Baptist Church here last Thursday night, Rev. C. T. Aiy of San Angelo was unanimously called as pastor. He gave his answer to the Church Sunday, accepting the call. He made it clear, however, that unfinished work there would prevent his removal to Tahoka until after the first of July.

This call comes as a result of painstaking work on the part of the pulpit committee, whose members were determined to present to the church for consideration no minister until the committee had thoroughly satisfied itself as to his ability, consecration, and fitness from every standpoint.

His name, together with the names of a number of other men of high character and good ability, had been mentioned to the committee soon after Rev. Levi Price resigned, and he was in fact the second man that the committee undertook to interview, but it happened that he was out of town (Cont'd. on back page)

Softball Play Is Under Way

Besides the rain, softball has been about the biggest topic of conversation in Tahoka the past ten days, the season having opened Monday night of last week for the Lynn County Softball League.

Game results since opening of the season are as follows:
New Home 15, White Auto 2.
Rutherford 6, Davis Humphries 1.
New Lynn 10, VFW 8.
Wilson 35, Senior Scouts 6.
Rutherford 11, Wilson 10.
White Auto 18, Senior Scouts 15.

Tri-County Hospital Meeting Is Planned

The Tri-County Hospital Association of O'Donnell has called a public meeting for Thursday night, June 17, at 8:30, at which building plans and organization matters will be discussed.

Site for the proposed hospital has been secured, and negotiations are under way for Federal aid and for some Army surplus buildings.

The News will carry further details on the co-op hospital plan in its issue of next week.

LEHMAN WILL GRADUATE

It will be Doctor Joseph Mann (Jo-Jo) Lehman next Monday, June 7, for on that date he will receive his medical degree and subsequently his license to practice medicine, from Southwestern Medical Foundation in Dallas. Following the graduation, he will spend a year as intern at Baylor University Hospital, Dallas.

Mr. and Mrs. Al Lehman, his parents, and Bobby, will attend the graduation exercises, while Irwin will remain here to run the store.

BLACK CATS WIN

Tahoka Black Cats snowed under Brownfield 18 to 3 in a baseball game played here Sunday, with Williams pitching for Tahoka.

Loveland will play here next Sunday afternoon at 3 o'clock. The Loveland club is said to be about the strongest Negro Club in this area.

RECITAL TO BE HELD AT METHODIST CHURCH

Mrs. Myrtle Dunn Short will present Frances Marion Haney in a Senior High School piano recital, Sunday, June 6, 1948, at five o'clock p. m. in the First Methodist Church of Tahoka, Texas. The public is invited.

New Methodist Pastor Is Coming To Local Church

Rev. C. A. Holcomb Jr. has been assigned to Tahoka as pastor of the Methodist Church for the ensuing year, and he and his family moved down Thursday from Miami in the Panhandle, where he had served as pastor for the past four years. He will fill the pulpit here for the first time next Sunday morning.

Rev. Holcomb is a young man, but is said to have a most excellent record as a pastor. During his pastorate at Miami, his church added 100 new members, improved the church property, and installed an organ.

Rev. John A. Roesburg, pastor here for the past year and seven months, was sent to Miami. Other appointments affecting this county as read out by Bishop C. C. Seaman last Sunday night were as follows:

Rev. Alby J. Cockrell was retained as pastor at O'Donnell; W. R. Fleming at New Home; and J. E. Peters at Grassland. Wilson has a (Continued on back page.)

Mrs. A. E. Ware Is Taken By Death

Culminating a long period of ill health, Mrs. Edna Lois Ware, wife of A. E. Ware, died at 7:45 o'clock Saturday morning in a Lubbock hospital. Her condition had been critical for only a few days.

Funeral services were conducted at four o'clock Sunday afternoon in the Methodist Church here, in the presence of a great concourse of friends and loved ones, by the pastor, Rev. John Rosenberg, and a former pastor, Rev. H. A. Nichols of Strassford.

Burial was under the direction of the Stanley Funeral Chapel here in the Tahoka cemetery. Pallbearers were N. E. Wood, Sam Boyd, John Slover, Marvin Munn, Paul Walker, and W. H. Palkerson. Survivors are the husband, A. E. Ware, two sons, Billy Ed and Charles A. Ware, and one daughter, Martha Fane Ware, all of Tahoka; her mother, Mrs. M. A. Godfrey; a sister, Mrs. H. D. Hoyer of McAllen; and two brothers, Ralph and Roy A. Godfrey of Crescent City, Oklahoma. One son, Donald K. Ware, died on October 17, 1946.

Mrs. Ware, whose maiden name was Edna Lois Godfrey, was born at Newkirk, Oklahoma, on June 22, 1906, and was therefore 41 years, 11 months, and 7 days old at the time of her death. She was the daughter of Mr. and Mrs. M. H. Godfrey. She was married to A. E. Ware on September 27, 1931, at Newton Kansas. She and her husband and their children came from Yukon, Oklahoma, to Tahoka in October, 1942.

Mrs. Ware was a devout and very active member of the Methodist Church here and was highly esteemed and greatly loved for her good works. She was one of the most useful members of her Church and one of the finest Christian characters in Tahoka. She was also a member of the Pythian Sisters here and was held in high regard by her sisters in that organization.

The bereaved husband and children have suffered an irreparable loss, and they have the sympathy of hosts of friends in this hour of deepest sorrow.

Singing Sunday At Church of Christ

The local Church of Christ extends to all an invitation to attend the regular First Sunday Singing to be held at the Church June 6th at 3:00 o'clock p. m.

Visitors are expected from all of the surrounding Churches as well as others who enjoy Gospel singing.

Come be with us and enjoy the good singing and fellowship with your fellowman.

Mr. and Mrs. D. F. Reddell spent the week-end here with his parents, Mr. and Mrs. W. A. Reddell.

Contour Listing Must Be Reported At An Early Date

The Lynn County Agriculture Conservation Committee has set a date, June 15, 1948 as the last day for reporting performances for practice 14-b, Contour Listing. This practice must be reported by this date or the committee will assume the producer has not carried out the practice and will cancel the prior approval.

Contour listing must be done with a lister, a shovel-type implement or other implements accomplishing similar results, and must be done with the contour of the land, following guide lines not to exceed twice the normal terrace interval, or following terraces.

Mrs. R. L. Pirtle Is Buried Here

Following an illness of four years Mrs. Annie Pirtle, 59, wife of R. L. Pirtle, died at her home in Lubbock at 7:45 p. m. last Thursday, May 27.

Funeral services were conducted at 2:30 o'clock Saturday afternoon in the O'Donnell Church of Christ after which the body was laid at rest in the Tahoka cemetery. Services were conducted by Arthur L. Golden, Minister of the Church of Christ at O'Donnell, assisted by Carl Spain, Bible Chair Instructor at the Texas Technological College, the music being directed by Horace Coffman, assistant Minister of the Broadway Church of Christ, Lubbock.

Survivors include the husband, her son, Julian W. Pirtle of Rt. 3, Tahoka, one daughter, Miss Sibyl Pirtle, head of the Circulation Department of the Library at the Texas Technological College; one little grand-daughter, Kathy Pirtle, age 3; five brothers, Grover Hornsby of Brownwood, Arlo de Leon, Moses of Comanche, and Joe and Will of De Leon.

Mrs. Pirtle, whose maiden name was Annie Hornsby, was the daughter of Mr. and Mrs. Dowd Hornsby. She was born in Alabama on April 12, 1889, came with her parents to Texas and was married to R. L. Pirtle in Comanche county in 1915. She and her husband moved to O'Donnell in Lynn County in 1921, moving later to Draw. They continued to make their home there until about six months ago, when they (Continued on Back Page)

Mr. and Mrs. B. L. Stanley upon the birth of a boy weighing seven pounds and four ounces on May 23. He has been named Steven Lewis.

Mr. and Mrs. Roy Blevins, Rt. 4, Tahoka, upon the birth of a girl weighing nine pounds, on May 31. The parents have named her Lynda Jo. Mrs. Blevins is the former Willette Smith of Rt. 4, Tahoka.

Mr. and Mrs. Nathan Woosley upon the birth of a little son at 6:30 o'clock Tuesday morning in the Seal Clinic, whom they have named Alan Hughes. The youngster tipped the scales at 7 pounds.

YOUTHS REVIVAL TO BE HELD HERE

Plans have been perfected for the holding of a Youths Revival at the First Baptist Church here, beginning on Sunday, June 13 and running through Sunday June 20.

Three state workers will be here through that period to conduct the services, according to Educational Director Sheldon Russell, but their names are not available.

GEORGE MAURICE SMALL FILLS PULPIT HERE

Rev. George Maurice Small filled the pulpit at the Methodist Church here Sunday in the absence of the retiring pastor, Rev. J. W. Rosenburg, who was attending Conference in Lubbock.

The youthful young preacher's many friends and former school-mates are always delighted when he is called upon to fill the pulpit here.

Continued Rains Soak the Soil For Prospective Crop

At last the welcome rains have come and farmers are frantically busy planting their crops.

Showers visited all parts of the county early last week, heavy rains in a few localities, but the rain that one writes home about came on last Saturday afternoon. Other showers fell each day thereafter for three or four days, and it was Thursday of this week before planting began on a large and general scale.

The rain last Saturday afternoon covered a large part of the county. It was exceedingly heavy in some localities. In the New Home area as much as four inches of water is reported to have fallen in a little more than an hour. First reports were that 7 to 10 inches had fallen in some areas out there. At any rate it was a terrific rain that filled the lakes. Exceedingly heavy rains were also reported from Midway and Redwine communities. In Tahoka Saturday afternoon, a very heavy rain fell but the Government rain gauge kept by the News registered only .93 of an inch.

Heavy hail accompanied the rain in some localities, damaging roofs and car tops.

Along the west line of the county, however, all the rains have been light and farmers complain that they have received barely sufficient moisture to bring up the crops. The rains have also been light in the northeast part of the county, according to reports given to the News.

The rainfall at Tahoka probably represents a fair average of the county. Up to publication day last week, Thursday, Tahoka had received 1.51 inches of rainfall. Since then, beginning with the rain Saturday, Tahoka has received 1.33 additional inches, making a total of 2.84 inches for two weeks period.

Cotton seed being planted now will probably germinate and come up—just in time to make a normal crop if not damaged too much hereafter by hail, drought, or insects.

Church of Christ Will Have Meeting

A combination Bible School and Revival will be conducted at the Church of Christ here throughout next week, beginning next Sunday and continuing through the following Sunday, according to announcement made by Minister Luther Norman.

The Bible School will be conducted each morning from 9:00 to 11:00, Monday till Saturday. All children ranging in age from 4 to 19 are invited to attend.

Gospel sermons will be delivered on Sunday and at night through the week by Arthur Golden, Minister of the Church of Christ at O'Donnell.

The general public is cordially invited to these services.

Attendance At Bible School Running High

The attendance at the Vacation Bible School being conducted at the Baptist Church this week is regarded as excellent in spite of the rain and muddy streets and the lack of a pastor. Daily attendance is running about 135.

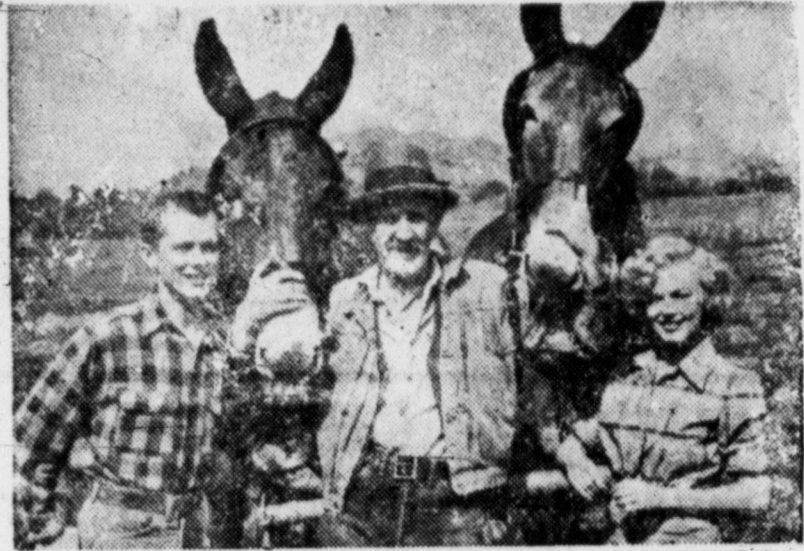

Educational Director Sheldon Russell has been in charge as general superintendent, and Mrs. Russell having moved to Tahoka from Plainview on Thursday of last week, and he has been working at the job.

Miss Beatrice Loyd is general secretary.

Directors of the various departments are as follows: Juniors, Mrs. Paul Cox; Intermediates, Mrs. Garland Pennington; Primaries, Mrs. H. P. Cavness; Beginners, Mrs. A. L. Smith.

Parents and friends are invited to inspect the work of the children Friday night.

RALPH BROCK ISSUES STATEMENT ON RACE

Ralph Brock, Navy veteran and former County Attorney of Lubbock county, Texas, today opened his active campaign for the office of State Senator for the 30th senatorial District with the following statement:

"I take this means of submitting to the people of the 30th Senatorial District, my candidacy for office of State Senator. With the realization that this is one of the most important offices within the gift of the people, I feel that I should give to every voter certain information concerning my back-

ground, experience and program in order that they may have a basis on which to determine their choice.

"I was born on a farm in Crosby county, Texas, December 2, 1915 and I have been a lifelong resident of this district. I received my education in the Lubbock public schools, Texas Tech and the University of Texas Law School where I graduated in 1938 and was licensed to practice law. In 1940 the people of Lubbock county honored me by electing me their County Attorney in the first primary over two opponents. They re-elected me in 1942 without opposition.

"In 1942 and soon after Pearl

Harbor, I waived my deferred classification and volunteered as Apprentice Seaman in the V-7 program of the Navy. I resigned the office of which I was elected and relinquished my legal right to the salary thereof. I was on active duty for forty months and spent twenty months in the Pacific aboard a sea-going tug where I advanced to the rank of Lieutenant and was recommended for command.

"Upon my separation from service I returned to my home town of Lubbock and resumed my practice of law.

"To the end that you may better understand me and the things I propose to do, I submit the following statement:

BELIEFS AND PROGRAM

"I believe that your Senator should be a fighting Senator. Although the legislative process sometimes makes it necessary to trade and to compromise, I will never trade my vote in the Senate for personal gain, nor will I compromise against sound principles, good morals or the interests of those who have, by their faith in me, elevated me to this high and important office. But, when all honorable efforts at compromise have failed to bring about a fair results for our district and the battle line is drawn, I believe that your Senator should have the ability and the courage to stand on the floor of the Senate and with vigor and with fire prosecute and defend the rights of the people he represents.

"I believe that your Senator should fight for fair and equal representation.

"I believe that your Senator should have the ability to wage a strong battle to keep our underground water under local control and away from state control. We want a man who will do more than vote against this dangerous measure; we want a man who can and will fight against it.

"I believe in and will fight for Texas Tech, the Schools and Teachers. Their operation and work should not be hampered by inadequate appropriations and salaries. Continued discrimination against Texas Tech must be vigorously challenged.

"I believe that your Senator should introduce a resolution for submission of a constitutional amendment to nullify and repeal the recent 'College Building Amendment' which threatens to throttle the growth and development according to need of Texas Tech and other State Colleges unless it be ruled invalid by the courts.

"I believe in and will work for an adequate system of farm to market roads and soil conservation.

"I believe in and will work for liberal old age assistance, justly

administered, and for adequate support of our Eleemosynary Institutions.

"I believe that the time limit on and infrequency of legislative sessions is the reason for hasty, poorly considered legislation—such as inadequate appropriations for rural aid to schools and the law, recently repealed forbidding husband and wife to teach in the same college—or the lack thereof—such as redistricting. I believe that the legislature should convene every year and stay in session until the people's business has been properly disposed of. The best guarantee of a government of the people is a legislature that stays in session long enough to know and to feel the force of the people's will."

If you believe that I am the type of man that you want for your State Senator, I will deeply appreciate your vote and active assistance in this campaign.

Never too late...

Whatever its birth date... your car will live a longer life if you regularly drain out old oil and OIL-PLATE with Conoco Nth.

And here's the reason why. The moment Nth Motor Oil (Patented) enters your engine, a special added ingredient fastens an extra film of lubricant so closely to metal that cylinder walls and all working parts are literally OIL-PLATED!

This protective OIL-PLATING stays right up there... won't all drain down to the crankcase, even with your engine idle over night! That's why Nth Motor Oil extra-protects from "dry-friction" starts... from metal-eating combustion acids... from sludge and carbon due to wear!

Nancy Nell Wyatt Attends National Aquatic School

Miss Nancy Nell Wyatt, daughter of Mr. and Mrs. N. M. Wyatt, left Wednesday of last week for Camp Fern, Marshall, to attend the National Aquatic School, sponsored by the American National Red Cross, opening last Saturday May 30, and scheduled to run through June 9. It is the only such school held in Texas. The Lynn County Red Cross Chapter is sponsoring Miss Wyatt's trip.

Miss Wyatt will receive her First Aid and Accident Prevention Instructor's Certificate at this school. She is expected to teach a First Aid course here in Lynn county this summer.

Miss Wyatt has been attending McMurry College in Abilene for the past two and one-half years. She was a member of the McMurry Indian Band, which recently toured the Panhandle of Texas, Oklahoma, and Kansas. She is a member of the Delta Beta Epsilon sorority and the Women's Athletic Association.

While attending McMurry College she taught Physical Education at St. Joseph Academy, a private school in Abilene. She also taught physical education at McMurry which included classes of basketball, volleyball, archery, and tennis. Miss Wyatt expects to return to McMurry on June 14 and attend the first semester of summer school.

The bridegroom attended the Brownfield high school, and has served with the Army Air Force for the past 18 months. He is now stationed at Dow Field, Bangor, Maine.

South Plains Press Body Is Organized

The South Plains Press Association effected permanent organization at a pre-announced meeting held in the Hotel Lubbock last Saturday afternoon, following a luncheon provided by the Lubbock Chamber of Commerce and the South Plains Fair Association.

A temporary organization had been effected on March 23, at which time, E. I. Hill, editor of The Lynn County News, was elected president; H. O. Richards, editor of the Anton News, vice-president; and Lois H. Vestal of the Hockley County Sun, Levelland, as secretary-treasurer.

At Saturday's meeting the temporary officers were made the permanent officers of the organization, but the offices of secretary and treasurer were separated and A. M. Jackson of the Stantonite, Stanton, was elected treasurer. A second vice-president was also elected, Charles W. Roberts of the Andrews County News being named to this position.

These and three others, A. J. Herald, W. J. Hale of the Yukum Stricklin Jr. of the Terry County County Review, Plains, and C. W. Ratliff of the Avianche-Journal publications, Lubbock, had previously been elected as a board of directors.

A Constitution and By-Laws was also adopted.

Forest Weimhold of the Hockley County Herald and Cecil Horne, head of the Department of Journalism in the Texas Technological College, made brief addresses, and C. W. Ratliff and Lois H. Vestal led round-table discussions.

More than twenty South Plains newspapers were represented in the organization, which was very gratifying. It is believed that the number will grow rapidly, as this first meeting firmly established the organization as a live and going concern.

HOW DO YOU STAND?

From what we heard at the organization of the South Plains Press Association in Lubbock last Saturday, we surmise that candidates for governor, lieutenant governor, and possibly other state offices are going to be confronted with some blunt and searching questions when they visit this section of the state this summer. "How do you stand on re-submission of the college amendment?" is one of the questions that will be propounded if the supreme court sustains the legality of procedure in the first submission and election, which the court probably will do.

"How do you stand on redistricting the state?" will be another question that these candidates will be asked to answer.

"How do you stand on the proposed to control and limit the use of underground water for irrigation purposes?" There is a move on foot to enact a law to do that very thing on the alleged grounds that irrigation wells on the Plains will materially reduce the supply further down state, to the detriment and hurt those people. Plains people do not believe that there is anything to this claim, but even so they believe that, as a general proposition, every land owner has a

right to the water underlying his land. To them it seems like a case of old Rover objecting to eating hay by old Dobbin because old Rover can not eat it himself. Newspaper men in this area are going to find out how candidates for state offices living down Austin way feel about this matter.

"How do you stand the so-called Fair Trades Act?" The Fair Trades Act would enable manufacturers to fix the prices in which retailers would be compelled to sell their products. It would therefore virtually annul the anti-trust laws of this state, destroy competition among retailers in the sale of these products, and rob the consumers of Texas of countless millions of dollars annually.

Newspaper men would suffer along with other consumers by reason of these facts and they would also have the special grievance that it would destroy the incentive for businessmen to advertise these products. They therefore have special reasons for opposing this proposed legislation, though selfish it may be, but all the consumers of Texas have reason to oppose it.

Newspaper men therefore are going to find out how candidates for the legislature and for the governorship stand on this important matter. They are going to ask more questions of these candidates this year than ever before in history.

For years, the News has advocated the proposition that a substantial tax should be collected on our natural resources as they are mined, dug, pumped, or otherwise extracted from Mother Earth. Untold billions of cubic feet of natural gas and countless thousands of tons of sulphur and other minerals are mined within the boundaries of Texas each year and are piped or shipped to other states of our own country and to other nations of the world without the payment of more than a mere nominal tax into our state treasury. They get away from us practically tax-free. Just a very reasonable tax collected from this almost boundless wealth that lies beneath our soil would enable us to abolish entirely the store ad valorem tax and thus take the burden from the shoulders of the millions of Texans who are struggling day by day and year by year for a live-

hood. Our present governor is against a natural resources tax. He is opposed to lifting this burden from the shoulders of those who are scarcely able to pay and placing it on the shoulders of those who are fabulously rich. Roger Q. Evans of Denison announced as a candidate for governor a few days ago on a reasonably good platform but he said nothing about a tax on natural resources. Case March of Waco, who ran for governor two years ago, ran on a platform in which a tax on natural resources was one of the main planks. He ably discussed the proposal but started out as an "unknown" and had no chance to be elected. He is now a professor of law in Baylor University and is being boosted by thousands of Democrats of Texas to enter the race. If he does so, he will likely stir up a lot of trouble for the present occupant of the Governor's Mansion. We look for a hot summer, folks.

The nation was shocked last week when it learned that the radio broadcasts entitled The Voice of America being sent out to the world and directed particularly to Russia and other communistic nations under the auspices of the State Department at Washington, for the purpose of setting forth truthfully and forcefully the benefits to be derived from our democratic way of life, had been prostituted to the treacherous and detestable business of slandering certain portions of our country and bringing into disrepute our democratic form of government. If the State Department, which sponsors these programs, can not protect them against the wiles of the traitorous and insidious enemies of our country, then the so-called "Voice of America" should be squeezed within the twinkling of an eye. The assertion which some devil incarnate, recently broadcast to the world through "The Voice of America" stating that New England was born in hypocrisy and Texas in sin, was intended and calculated to discredit democracy and our way of life. It could have been made by no one except a communist or a communist sympathizer. We still think that all communists and their fellow travelers should be weeded out of all our government departments, bureaus, and offices. The quicker the better.

By BILL GREFFIN, Count Agent
The Spring garden is about to become a summer affair or at least it should if we are doing our part in the growing of a good supply of vegetables for fresh use, for canning, and for quick freezing. The parade of greens should not be boreome on any family table. We usually start the early season with mustard or turnips, perhaps English peas, or cabbage. Yes, these are all green. It gives an oppor-

tunity to have a variety on the table with about the same vitamin contribution throughout the week. Later in the season we may get a little tired of eating these same four vegetables, so Mother Nature has planned warm season things such as leaf lettuce, green beans, fresh snap green peas, and other vegetables of this type that also go to make up additional members of the green family. A good gardener does not overload the family with beans every day in the week and the same would hold true for any

of the other vegetables—he arranges his planting so that they will be coming along to their seasonal adaptions and extending well into hot weather.

Let's take a check-up of your garden. There should be an early planting of Irish potatoes, sweet corn, beets, mustard, carrots, English peas, and perhaps Swiss chard or spinach which is beginning to go to seed. No doubt the head lettuce is also beginning to go to seed. Radishes have long since become pithy. As soon as any vegetable begins to show that it has passed its peak of quality, remove it and replant with a vegetable that will tolerate and thrive in hot weather. From this list of warm weather vegetables you can make your choice okra, egg plant, bell pepper, butternut, peas of various types including cream, black-eye, purple hull, or crowder, according to your fancy. Incidentally, purple hulls are the easiest to shell and have therefore become a favorite with many housewives. This may become a rather important item if there is a supply to be put up in cans.

Now for some other things which may be replanted in order to extend the season in which they will be available: a second or even a third planting of green beans is now in order and a second or third planting of squash can be made. Somehow I like the yellow crook neck best because the yellow part contributes character to the diet and this particular form of vitamins along with carrots and yellow sweet potatoes are outstanding in their contribution of Vitamin A. Under farm conditions it is about time cushaws, pumpkin, and summer squash should be planted. The small sugar variety of pumpkin is high in quality and will make pumpkin pies available throughout late summer and fall. Of the summer squash varieties the Fork Hook and Golden Queen are the most desirable.

BUGS and SQUASHES: Squash bugs will certainly get the late squash planting unless you do something about it. When these pests first appear on the squash leaves, it is time to get out the dust gun, secure a supply of sabadilla dust, and make dust applications every 5 to 7 days to prevent damage. In some cases the squash bugs will destroy the squash, then go over to the tomatoes to do damage of them, and later damage the immature green peas. They do inflict a great deal of damage to most gardens unless we keep them under control. Remember that this same sabadilla dust will also take care of the green stink bug which works in about the same manner as squash bugs.

Yes, "the garden is a little spot where you sow some good seed and should harvest a lot."

CARD OF THANKS

Words are inadequate to express our most sincere thanks and appreciation to the many good people who have helped and comforted us in our hour of bereavement at the loss of our dear one. Space will accept this method of expressing our gratitude for we truly appreciate every act of kindness and every word and thought of sympathy, the beautiful flowers, the food and help so generously extended us and the many heartfelt prayers we know were offered. May God bless you each and every one. — A. E. Ware and children, Mrs. M. A. Gaffney and family.

While in Wilson last Friday, the News man was told that W. J. Hancock of that place was in a Lubbock hospital in serious condition. He was being given blood transfusions with the final outcome still doubtful.

GARRARD ELECTED DELEGATE TO NATIONAL JUDGES MEET

County Judge Tom Garrard was notified recently that he had been elected as one of the delegation from the state of Texas to represent this State at the convention of National Association of County Officials to be held in Jacksonville, Florida, on June 21, 22, and 23.

Judge Garrard states that if it is possible for him to leave business he wants to attend this meeting. These national meetings, he says, are for the purpose of discussing state and national problems, among which is the building of farm-to-market roads in which he is much interested.

Judge Garrard was also requested last week by the president of the Texas County Judges and Commissioners Association to assist in drafting proposed legislation to be presented to the next legislature for passage in the interest of the farmers of this state. He will comply with this request.

ATTEND COOPERATIVE BANK MEETING IN GALVESTON

Claud Wells and Bobby Carroll were in Galveston last week attending a meeting of the stockholders and directors of the Cooperatives Bank, where a total of 147 representative citizens of Texas registered.

Of course, Claud had to talk politics a bit and he says he found sentiment for Lyndon Johnson growing pretty strong with the people among whom he circulated.

Rutherford & Co. Has New X-Ray To Aid In Fitting of Footwear

Rutherford & Company has added a new, modern X-ray machine to their up-to-date store. This machine reveals any deformity of the bone structure of the foot and it not only helps to select the proper shape shoe but it also determines if the shoe fits properly as to width and length. The machine is adjusted for three degrees of penetration, low for children; medium for women and high for men. In this new X-ray machine the flesh as well as the bone is shown so that it is absolutely impossible to fit shoes too short.

This is especially important to children, because short or improperly fitted shoes can greatly damage the soft, pliable bones of a child's foot. It eliminates guessing when fitting children's soft feet for it is well known that youngsters may not know "how the shoes feel" nor be able to express their opinions. This X-ray machine permits you actually to see the fit of shoes before they are purchased and worn, thus eliminating the damaging effect of misfit shoes.

Rutherford's extends an invitation to everyone in this area to come in and see for themselves if their shoes are properly fitted. No obligation, of course.

MARTHA SHERROD CLASS COMMITTEE REPORTS

The Martha Sherrod Sunday School class of the Baptist Church in Tahoka attended their regular social and business meeting in the home of Mrs. Jarrell Cox Tuesday night, May 25.

The president, Mrs. H. R. Tankersley, presided over a brief business meeting. Reports of various committees were called for and a letter from Miss Lillie Hundley, missionary to China, was read. Mrs. J. P. Akin, whose home was recently damaged by fire, was the recipient of a linen shower.

Members and associate members were as follows: Mesdames Willis Pennington, L. M. Nordyke, N. L. Bentley, Hubert Tankersley, N. E. Wood, George Akin, Hattie Garrett, L. D. McKee, W. A. Hardt, T. B. Burroughs, J. P. Akin, Onis Lee, Carl Hall, Jarrell, Cox, Garland Pennington, and Misses Lola McWhirter, and Clara Harper. Visitors were Cal Womack, Mesdames Ivan McWhirter, W. R. Kent, and Misses Willa Faye Akin, Wanda and Geneva Marlin, and Mary Ann Tankersley.

CARD OF THANKS

With sincere gratitude, I wish to thank all of my friends and the Euzelian Class for the lovely flowers, the sweet cards, and the cheer, it's visits which helped so much to pass off the long hours since I have been crippled. I hope to be back in church and Sunday School soon. May God bless you all.— Mrs. Cora Bennett.

CARD OF THANKS

We wish to thank our friends and neighbors of the Grassland community for the good donation to help wire our home; also for the kind hands that have helped to care for our father in his long illness.— S. Hodo, Lola Hodo, Rich, and Hodo.

CARD OF THANKS

I wish to thank my friends and the Petty Baptist Church and also Dr. Thomas and all the nurses at the Tahoka Clinic for their kindness shown me while I was there. May God bless each and every one. John Martin and family.

THE EDITOR MEETS OLD FRIENDS

This is not news, folks. It is not even editorial stuff. It doesn't belong on the front page nor on the editorial page, and maybe not in this newspaper. It is just a brief glance backward over our shoulder which we enjoyed and which may call up pleasant memories for some of you. Some weeks ago a Sweetwater friend wrote us a letter asking that we set a date when we could come down and meet with him and two other gentlemen just for the purpose of reviving old memories and having our pictures taken together. Not being able immediately to set a date, we did not answer him promptly, and so he drove by Tahoka later while on his way to Lubbock to interview us personally. We assured him that we would be coming down soon. Last Friday, a impatient for our delay, he called us over the telephone for a definite date. So, we drove down Sunday. You may think the occasion trivial. It probably will not be of much interest to any of you. BUT—

Twenty-four years ago one of the leading churches in Sweetwater

constructed a new building. Four men constituted the building committee, a banker, two prominent business men, and, for some reason that nobody could understand, your humble servant. Our names are carved upon the corner stone. Since then, "lots of water" has run under the bridge," the Banker mused Sunday. The years have been fleeting by. The finger of Time has fished wrinkles in the faces of most of us. A few weeks ago, the banker became reminiscent, and not knowing when any of us might reach the sunset, he importuned another member of the committee to get the humble editor to come down and let us all have our pictures taken together in front of the corner stone of the handsome church.

We did so, and now Banker Brand is ready for the Sunset and evening star.

Since we have said this much, just another word about the three fine men associated with us in that building enterprise.

E. C. Brand, banker, is a native of Kentucky, but his parents brought him to Texas and reared him at Blainville, Denton county, when he was only a year old. There he grew up, married Miss Sophie Mae Sherrill, as fair as any Kentucky belle, before he was twenty-two, made money and engaged in the banking business four years, moved out to Hamlin in 1912, where he was at the head of a bank till 1918, and then went to Sweetwater as president of the Citizens National. He has lived there ever since. He became state banking commissioner in 1933 and served two years. He has long been a leader in civic, religious, and political life of that city and area.

C. R. Simmons, the man who visited the editor here, was born in Round Rock less than two years after the notorious Sam Bass died there with his boots on. He could tell you many a story of the noted bandit but he imbibed none of the bandit spirit. He grew to manhood as an industrious, honest youth, joined his brother-in-law in the laundry business in Merkel, in 1907, engaged in the same business in Cole man for twelve years, and came to Sweetwater in January, 1922, where he prospered greatly and built up an immense business. He sold out six years ago and now devotes almost his entire time to the services of his church, the First Baptist, as its treasurer.

Will Jobe, now of Cisco, is a native of Comanche, but he has spent most of his life in Sweetwater. He was the first manager of the branch house of the J. M. Redford Wholesale Grocery Company which was established in Sweetwater in 1901. During the years, he has acquired considerable business property in Sweetwater, but retired from active business several years ago.

By comparing notes, it was found that the News man is the oldest and the poorest of the bunch. But we feel rich in having such friends—rich in the memories of other days, when we and they were fellow-workmen in the most important affairs of life.

J. L. Hyde of Wilson recently underwent an operation in the Mercy Hospital, Station, for appendicitis. He was recovering nicely.

Ex-Bell Countians Will Hold Meeting At Buffalo Gap

The fifth annual picnic of the ex-Bell county residents who now reside in West Texas will be held at the Presbyterian camp ground at Buffalo Gap on Sunday, June 20, according to announcement made by Judge E. T. Brooks of Abilene, president of the organization.

Buffalo Gap was the first county seat of Taylor county and is situated about 13 miles south of Abilene on the Santa Fe railway. The Camp Grounds consist of a large and beautiful grove. There are no membership dues. The only requirement is that you once lived in Bell county and now live in West Texas.

Judge Brooks says that it is expected that this year's meeting will be the largest gathering we have had, possibly 2,000 or more. It will begin at 10:00 a. m. with a basket picnic lunch spread at the noon hour. The meeting will be entirely informal. "Come and spend the day and meet old friends and neighbors that you have not seen for thirty or forty years," is the invitation which Brooks broadcasts.

CONNOR'S WILL GIVE CURB SERVICE

The Connor's Quick Lunch Cafe has just recently installed flood lights and will begin giving curb service Friday, June 4.

Mr. Connor reminds the public that plenty of parking space is available.

LYNN COUNTY OVER THE TOP IN CANCER FIGHT

Lynn County has gone over the top and then some in the fight against the death-dealing cancer, according to figures furnished to the News by Fred B. Hegi, county chairman.

The county's quota was \$460.00. Mr. Hegi reports that a total of \$601.75 was raised. Broken down by communities, the figures are as follows: Tahoka, \$440.50; Wells, \$47.50; New Home-Petty, \$32.50; Grandland, \$18.00; Dixie, \$27.00; New Lynn, \$13.25; and West Point, \$23.50.

BASEBALL TEAM BEING PROMOTED

A movement has been started here to organize a baseball team. A game with Seagraves is already booked for Sunday afternoon if the promoters succeed in organizing a team, with a second game here with Seagraves the following Sunday.

CARD OF THANKS

Our sincere appreciation and grateful thanks are extended to the many friends who so faithfully showed their sympathy with us during the long illness, and loss of our dearly beloved wife and mother — The R. L. Pirtle family.

Mrs. Doris Jane Roberts, daughter of Mr. and Mrs. John Roberts, who has been a student in the Mary Hardin-Baylor College at Belton the past nine months, visited her parents here a few days and returned to Belton Tuesday to enter Summer School.

Mrs. Jarrel Cox reports that her daughter-in-law, Mrs. Jimmy Cox, who recently underwent major surgery in Jacksonville, Texas, is now back home in Athens. Jimmy formerly lived here, being employed for some time at the Piggly-Wiggly store.

You can add that room you need and pay for it by the month at Shamburger - Gee Lumber Company. Phone 313. Adv.

Methodist Pastor Is Highly Commended

The News had expected to run this week, the cut of Rev. C. A. Holcomb Jr., who arrived Thursday to take up his duties as pastor of the Methodist Church here, but Bob Haynes, editor of the Miami Chief, decided that he wanted to run the cut this week and promises to send it to us Friday or Saturday.

In his communication about the cut, Mr. Haynes had some good words about the preacher, which we quote.

"You will like Charley Holcomb, Jr., fine, I know," Haynes wrote. "He is well liked up here and at Higgins, from where he came to Miami. . . . Holcomb has built up a strong church here, which is the largest membership in Miami. He has taught in the public schools as a substitute the past two years owing to the shortage of teachers."

Mr. Haynes also stated that the Methodist Church there is installing an electric organ this week, just as the Methodist Church here has done. Both are Hammonds.

MISS FAYE NORDYKE GIVEN DINNER PARTY

To compliment Miss Faye Nordyke, daughter of Mr. and Mrs. L. M. Nordyke of Tahoka and a senior in Texas Technological College, Mrs. Mabel Chapman of Lubbock entertained with a dinner at the Hilton Hotel recently. The honoree and Charles E. Kennedy of Kermit are to be married on August 1 in the First Baptist Church of Tahoka. The prospective bridegroom is a Ministerial student in Baylor University.

Guests at the dinner were young women who are to be members of the bridal party: Misses Zoe Elliott, Nina Potts, Norma Grace Reid, Nell Barley, and Mrs. Mabel Wilkinson.

YOUTHFUL GEORGE M. SMALL ENTERS S. M. U.

After spending a few days here with parents and other relatives following the close of school at McMurry College, where he has been a student the past two years, George Maurice Small left Sunday for Dallas to enter Southern Methodist University.

His mother, Mrs. J. M. Small, his grandmother, Mrs. D. B. English, and his friend, Miss Willie Ellen Williams, accompanied him to Dallas. They returned here Wednesday.

TONSILLECTOMIES

Barbara Waltrip 8-year old daughter of Mr. and Mrs. Joe Waltrip, had her tonsils removed Tuesday at the Tahoka Clinic.

Ita James, 17-year old daughter of Mr. and Mrs. M. L. James of Wilson had her tonsils removed Monday at the Tahoka Clinic.

Mr. and Mrs. W. E. Pierce and family visited O. C. Mengoh and C. A. Walker and families down at Ben Bolt in Jim Wells county last week. Mr. Mengoh is a brother of Mrs. Pierce.

MUSICAL RECITAL AT REDWINE

Recital by Alline Autry, assisted by other pupils of Mrs. Rafe Richardson, was given at Redwine Baptist Church Monday night, May 24, at 8:00 p. m.

Piano solos were given by Patsy Patterson, Doris Jean Pond, Sue Patterson, Peggy Halamick, and Joyce Patterson; Vocal numbers by Alline Autry, four selections; Readings, Don Ward, two selections, Clayton Carter, one selection; song, Clayton Carter and Don Ward.

The program was enjoyed by a number of friends from surrounding community.

NEW HOME SOFTBALL TEAM CHANGES NAME

Members of the former New Home Softball team have made request that the News announce this week that it has changed its status and its name.

It is to be sponsored by Smith's bottling works here and is to be known hereafter as Hopp's bottling Works team.

Needless to say, that team is going to be right in there doing its stuff from now on.

Mrs. E. S. Davis returned home Monday from a visit with two sisters-in-law residing at Knox City and Munday and with her daughter, Mrs. H. C. Davis, in Abilene. Her daughter accompanied her to Tahoka for a few days visit here.

There are lots of places in your home where an electric fan will bring cooling comfort, but none more important than the sick room.

There, during the hot summer days, a quiet electric fan will bring immeasurable comfort to the ill. You'll want to move the same electric fan to other rooms too, for there's nothing to stir up a cooling breeze on a hot summer day like an electric fan. Get yours NOW...and let cheap electricity bring more cooling comfort to you and your family this summer.

We have nothing to sell but good electric service. You'll find a wide variety of electric fans on display at your favorite appliance dealer.

Baptists . . .

(Cont'd from page 1)
when the committee first called at his church.

Pressing invitations then came to make investigations of other worthy Ministers and the committee did not really get back around to the San Angelo pastor until Sunday, May 23. Four members of the committee went to San Angelo that day, heard him preach, had an interview with him, and invited him to come up and meet with the full committee the next day. He came, surveyed the church plant and the whole situation, conferred with the full committee and others, and agreed to come back and preach Thursday night. He did so, and his sermon was so able and his personality so pleasing that when the vote was taken by secret ballot, there was only one dissenting vote

and one who wrote "undecided." These readily assented and joined with the others to make the call unanimous. A large and very representative congregation was present.

For three years, the Rev. Mr. Aly has been pastor of the Park Heights Baptist Church in San Angelo, the second largest Baptist Church in the city, perhaps. He has done a wonderful work there. Prior to the War, he was Baptist pastor at Kermit. During the War, he volunteered for service as a Chaplain, and served in that capacity until it became necessary for him to go to a hospital. Following his release from the hospital about three years ago, he was called as pastor of the Park Heights Church.

His family consists of the wife, one son 14 years old, and one daughter, 11.

Mrs. Pirtle . . .

moved to Lubbock, 2219 16th Street.

Mrs. Pirtle spent a number of years as a teacher. Soon after moving to this county she taught at Pleasant Valley. Later she taught for five years at Draw and then for some time at O'Donnell. Also she had taught in Comanche county before moving to the Plains.

She was a very faithful and devoted member of the Church of Christ and was highly esteemed by her neighbors and friends.

For the last four years of her life, she was confined to her bed suffering from a complication of asthma and heart trouble but she bore her suffering with great Christian fortitude.

The members of the family and especially the husband, who was a faithful and almost constant attendant at her bedside, have the sympathy of hosts of friends.

branch, and was transferred to the Dallas branch in 1918. In 1923, he transferred to the Cincinnati, O., branch, where he served as comptroller and wholesale manager until 1932.

He was called to the Home office in Dearborn, Mich., in 1932, as an organizer of the Business Management Department of Ford Motor Company. However the next year he got a chance to return to Texas, and this he did, returning to the Dallas branch, where from 1933 to 1942 he served successively as zone manager, wholesale manager, sales manager, and finally as assistant manager of the Dallas plant.

The Dallas plant closed in 1942 when production was discontinued on account of the war, and he became head of planning and production control in the B-24 bomber at North American Aircraft, Grand Prairie, and later he was assistant regional information executive of OPA regional office at Dallas.

Following this, Mr. Strange operated his Hill county stock farm until he bought the Itasca Ford agency in 1946.

Mr. Strange says he is familiar with West Texas people, towns, sandstorms, and droughts, he having traveled this section as various periods for many years. He has great faith in the future of the Plains and thinks its development is still in its infancy.

He says he is making definite plans for the future in the way of increased facilities for serving the public. He is already increasing the stock of parts and accessories, and his shop is in process of improvements in order that careful service can be given all makes of cars. He expects to get his full share of new automobiles for distribution in Tahoka's trade territory.

Mr. Strange returned last week from a meeting of Ford dealers of six districts held in Oklahoma City, where a full line of the new 1949 Fords was presented.

"All I can say, now," Mr. Strange told The News, "is that, after viewing the 1949 Ford line, I am very enthusiastic over the new car. There is no question but what Ford products for 1949 are the most outstanding ever produced by the Company, and will be the only completely new car in the low price field, there is as much difference between the 1949 Ford and the 1948 as there was between the Model A and the Model T."

Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

Thank You, Friends!

We sincerely appreciate the fine patronage you have given the Tahoka Motor Company both before and after the death of Mr. Burleson. We'll long have a warm place in our hearts for you—our friends and neighbors. We have enjoyed doing business with you, sharing your trials, hardships, prosperity — and only hope that our relations have always been such that you will ever look to us as friends.

We commend to you our successor, Bill Strange Motor Co., the new Ford dealer, as deserving your continued patronage.

Again we thank you.
