Number 37

School Students Show Increase In Lynn County

Lynn county school will gain approximately 200 students this next school year, according to Mrs. Le-nore M. Tunnell, county superintendent, who recently completed the scholastic census.

Tahoka's scholastic population is over 1,000 mark for the first time. A total of 1089 scholastics are in the Tahoka district this year as compared to 926 last year.

O'Donnell likewise showed an excellent increase, having 794 this year, compared with 630 last year.

Wilson also showed a gain, 465 this year, 418 last year.

New Home had a small loss, 360 this year as against 376 last year.

Grassland has 85 this year, compared with 94 last year.

At Midway, there are 57 this year, 52 last year.

Newmoore has 75 scholastics this year and had 76 last year.

These figures will be revised by the State Department of Education and are not final.

Last year, Lynn county had 2726 scholastics after final revision, this year there are 2925.

Mr. and Mrs. D. F. Reddell moved to Dallas Tuesday of this week, where he will be employed by the Southwestern Bell Telephone Company. Mr. Reddell received his degree at Tech the first of June.

Bray Chevrolet Co. Opens Service Dept.

Bray Chevrolet company, Maurice Bray owner, this week is announcing the opening of its new service and parts department.

Jack Brice, who is moving here from Coleman, is the new service manager, and Clarence Jones of Tahoka is in the mechanical department. Both are skilled mechanics with many years of experience in the servicing of all makes of cars and trucks.

The new Bray Chevrolet agency is located in the building just west of Farmers Co-op. gth.

Congratulations:

Mr. and Mrs. Jack Alley Robinson on the birth of a son at 7:19 Monday afternoon in the West Texas Hospital in Lubbock. The young gentleman weighed 8 pounds and 3 ounces and has been named George Britton in honor of his two grand-daddies. Bud Milliken's name is George and Hall Robinson's is Britton. The mother is the former Jo Belle Milliken.

Mr. and Mrs. Leroy Akin, who are the parents of a son weighing 8 pounds and nine ounces born in a Brownfield hospital Sunday. Leroy is the son of Marshall Akin formerly of Tahoka, and Mrs. Akin was the former Miss Gwendolyn Gasher, daughter of Mr. and Mrs. E. B. Gasher of this city.

Mr. and Mrs. Roy Miller out on Route 2 are entertaining a new member in their family. He arrived nearly two weeks ago, at 6:20 a. m. on Saturday, June 5, to be exact, making his first appearance in the Tahoka Clinic. He weighed 9 and one half pounds on arrival and will bear the name of Milton Roy.

Little Neida Jo Williams, weighing 6 pounds and 8 ounces, also made her appearance in the Tahoka Clinic a few days ago, about 6:15 p. m. on Friday, June 11. She is the daughter of Mr. and Mrs. Luther Williams, who also live out on Route 2.

Richard Wayne Williams, a bouncing boy weighing 12 pounds and 4 ounces, saw the light of day for the first time at about 5:06 o'clock Sunday morning, June 13, in the Tahoka Clinic. He is the youngest son of Mr. and Mrs. Carl Williams of Tahoka.

Mr. and Mrs. Jack Dandel on the birth of a son, weighing eight pounds, in the Tahoka Clinic at 8:30 Thursday morning. The little fellow will answer to the name of Phillip Gary. The father is employed at the Davis-Humphreys Gro.

MATERIEL INSPECTION

(Official Navy Photograph) Once Over, Heavily, for Old Cannon—American sailors on liberty in Malta from the super-aircraft carrier USS Franklin D. Roosevelt seem impressed by the ancient firing piece on Kingsway, Valetta, Malta, despite their familiarity with the mighty 16-inch rifles on their Navy's battleships.

Youth Revival Under Way Here

Youth revival services at the First Baptist Church will continue through Sunday night, June 20, it has been announced, with all the young people of the town regardless of religious affiliation invited to attend whenever possible.

Sponsored and presented by the youth of the church, the revival is youth-centered but is not limited to young people, it was emphasized. Large crowds of adults have been attending along with the boys and girls.

Featuring a youth choir led by Stanley Howard of Waco, a song period precedes the message brought by one of the youth evangelists each evening. Bob Mitchell of Cleburne and Ralph Phelps of Fort Worth are doing the preaching, alternating at the evening services.

Before the worship services at 8:00 o'clock p. m., the Juniors are meeting for a booster band, and the Intermediates and young people are having a group discussion on "Marriage and the Christian Home." Growing crowds have been attending each evening.

Visitors from other towns have been present nightly. On Monday evening a group of 25 from Lamesa attended.

Services will be held Saturday night but will not be held Saturday morning, it was announced.

Baseball Team Wins First Game

Tahoka defeated Loop 16 to 10 here Sunday afternoon in the opening game of the new Cotton Belt Baseball League. Other members of the new league are Seagraves, Union, Welch, and O'Donnell.

Next Sunday, Tahoka plays Seagraves at Seagraves.

The game here Sunday was played on a muddy field, and was not as smooth a game as it might otherwise have been, but those who saw the contest claim it was more interesting than many of those being played in the West Texas-New Mexico League this year.

Loop took the lead in the first inning, scoring five runs, but Tahoka caught up in the third, went ahead, and never again was headed by the visitors. G. W. White started on the mound for Tahoka, and was relieved in the fifth by E. L. Short, acting manager.

Sunday, the team held its first business meeting and elected Vester Botkin and C. E. (Bert) Short to manage the organization. The team has acquired new uniforms, and they hope the fans and business men will help pay for them.

LOYD GRIDER AND FAMILY VISIT HERE

Lt. and Mrs. Loyd Grider and their two children of Houston left for their home Tuesday after a week's visit here with his parents Judge and Mrs. G. C. Grider.

Lt. Grider, who is in the Air Corps, expects to be sent to Japan about the first of July. Just four months ago he returned to the homeland from Germany, where he had been stationed with the U. S. occupation forces for eight months.

Walker Attends Navy Flying School

Clint M. Walker, Lynn county AAA secretary, wife, and baby, returned Sunday from Dallas, where he has been taking a two-weeks refresher course in flight training at the Dallas Naval Air Station. Walker is a lieutenant in the U. S. Naval Reserve. During the war, he spent four years in Naval Aviation, much of the time in the Pacific Theatre of Operations flying a Liberator.

Plan Improvement Of Highway 87

T. R. Vinson, general superintendent of General Construction Company of Fort Worth is here this week making preliminary arrangements for start of the resurfacing of U. S. Highway 87 from Tahoka to O'Donnell and the Dawson county line. He said actual work on the stretch of road would begin in about two weeks.

The highway will be leveled and resurfaced with "hot asphaltic concrete," Mr. Vinson told The News. This is said to be the best known type of surfacing.

The same company holds the contract for resurfacing of No. 87 from the city of Lubbock south to the Lynn county line.

The State Highway Department maintenance force will do the work of improving the shoulders on both of these segments of Highway 87 itself.

It is presumed that the State Highway Department will advertise for bids soon on the improvement of the segment between Tahoka and the Lubbock county line.

Miles Is Candidate For Public Weigher

On Thursday morning came in a request that announcement of B. M. Miles of Wilson, candidate for public weigher of Precinct No. 2, be published. His name will accordingly appear among the list of candidates next week.

Mr. Miles operates a filling station in Wilson, but for sixteen years he was engaged in the grain business and in cotton yard work at Tehuacan near Mexico in Limestone county. He knows the cotton business from A to Z and feels that he is well qualified to serve in the office for which he is asking. He is a married man, is strong and healthy, and is able to do strenuous work. He will appreciate your vote on July 24.

MEETING OF TAHOKA 4-H CLUB GIRLS ANNOUNCED

There will be a meeting of the Tahoka 4-H Club Girls on Friday, (today) June 18, at 2:30 o'clock p. m. in my office in the basement of the courthouse.

Bring sewing equipment and a piece of white cloth that is approximately 12 inches square. A coarse sock or muslin will be suitable material.—Graham Hard, County Home Demonstration Agent.

Let your nerves relax when you drive—if fear from a near accident has shaken you, stop and wait until your nerve comes back. If grief has caught you, be especially careful at intersections and avoid emergencies.

Junior Baseball Will Be Sponsored By Legion Post

Tahoka is entering a team in the American Legion Junior Baseball league, and in the future hopes to present some serious competition.

Bill Strange Motors, local Ford dealer, has ordered 15 new white and blue uniforms, costing about \$300, which is this firm's contribution to the team.

The local team will compete with other junior teams in this district, which includes Morton, Lubbock A and B teams, Spur, Littlefield, Slaton, Post, Brownfield, Plainview, Muleshoe, Post, and Tahoka. The winner from this district will play in the state tournament, and the winner there will play in the national tournament. However, due to Tahoka's late entry this year, it will not be eligible for state play, even if it could win the district.

Lynn county boys will have an opportunity though to learn this popular game and get some valuable training for the future.

This summer baseball program is sponsored on a nation-wide scale, according to Clint Walker, of the local Legion post. Any boy in Lynn county who did not become 17 years of age prior to January 1, 1948, is eligible and is invited to participate in the program.

Two games will be played each week with other teams of the south division of the district, these being Lubbock A, Spur, Slaton, Post. The team will open the season this afternoon at 5 o'clock here in a game with the Slaton Juniors.

Wade Hilland is acting as team manager and has already contacted a number of youthful prospects, but needs some more boys. If you can play ball, or would like to learn the game, contact him, or come on out to the game.

Forgery Suspect Is Brought Here

Deputy Sheriff Tom Hale went to Waxahachie this week and brought back to Tahoka a man who is charged with having committed two forgeries in this county two years ago.

The man, who goes by the name of Odie Clark, forged two checks on Lon Light of Newmoore, for whom he had been working back in 1946, according to indictments returned by a grand jury soon thereafter. One of the checks was made out for the sum of \$85 and the other for \$88. He passed on of them at Wells and the other at Newmoore, according to Deputy Sheriff Tom Hale.

Soon thereafter he was convicted of forgery in Oklahoma and was sent up for two years. He was released this year and last week was convicted on another forgery charge at Waxahachie, drawing a sentence of two years, in that case.

Thereupon he was turned over to the sheriff of Lynn county for trial here. After trial here, he must face another forgery charge in Kansas, Mr. Hale says.

This man seems to be a confirmed criminal and doubtless expects to spend most of his remaining life in prison. He is said to be 36 years old.

Soil Conservation Meeting Today

There will be held in Tahoka this morning, Friday, at 9 o'clock a meeting of representatives of the various agricultural agencies to discuss Lynn County's Soil Conservation needs, and to discuss plans for the future program.

John Gumble, district AAA field man, will lead the discussion. The meeting will be held at the county agricultural building.

W. A. Reddell reported Wednesday night of this week that his mother, Mrs. Emma Smith of Idolou, who has been critically ill the past several weeks, seemed to be slightly improved.

Mrs. Oscar Cousins of Amarillo has been here this week visiting his niece, Mrs. Alice Fortenberry.

Clean-UP Drive Will Be Continued

In keeping with the City's summer clean up campaign, trash trucks will cover the entire city of Tahoka next week beginning Monday, to pick up garbage, trash, and other junk.

Citizens are asked to place their trash in barrels, boxes, or sacks not too large and heavy for convenient handling, and the trash man will be by and pick up the same.

With a little cooperation from the trash man will be by and made a much healthier and a much cleaner town.

Newmoore Child Burns To Death

Tragic and heart-rending was the death of little Patricia Gail Crutcher, 17-months-old child of Mr. and Mrs. A. G. Crutcher Jr. of the Newmoore community, which occurred in a Lamesa hospital at 4:55 o'clock Sunday morning as the result of burns sustained at the family home at about seven o'clock Saturday evening. The tragedy occurred when a can of gasoline exploded near the child while the parents were trying to eradicate an ant bed in the yard. The can of gasoline was sitting at what was believed to be a safe distance from the small blaze which had been lighted in the ant bed when it unexpectedly exploded.

The child was hurried to the Lamesa hospital for treatment but the burns were found to be so severe that the little victim was unable to survive.

The body was brought to the Stanley Funeral Home here, where it was prepared for burial, and funeral services were held in the Chapel at two o'clock Monday afternoon, Rev. W. P. (Ted) Brain of Wells officiating. Burial followed in the Tahoka cemetery.

Survivors include the parents, one brother, John A. Crutcher of the family home; four grand-parents, Mr. and Mrs. N. C. Crutcher and Mr. and Mrs. J. G. Rogers, all of Newmoore; five of the great grand parents, Mrs. Maggie Wilson of Kemp, Texas, Mr. and Mrs. J. F. Rogers of Newmoore, and Mr. and Mrs. R. E. Seay of Bryan, Texas. Four uncles and one aunt also survive.

Huge Haul Of Liquor Taken

Sheriff Sam Floyd and Deputy Dee Sanders Thursday morning confiscated a large quantity of liquor—80 cases of beer and 32 pints of whiskey and gin—the unloading of which at the courthouse caused considerable excitement around the square.

The intoxicants were found cached in some mesquite bushes in a pasture northwest of town. No arrest had been made up until noon Thursday.

HUFFAKER BREAKS FOOT

District Attorney Calloway Huffaker had the misfortune of breaking the bones in the instep of his right foot early Monday morning. He was helping load some farm tools in a dump truck, and the heavy ingate, weighing about 300 pounds, fell on his foot.

UNDERGO MAJOR OPERATION

B. Novian, a long-time citizen of Tahoka, underwent a major operation in the Tahoka Clinic Monday.

Clarence Dinky, colored, underwent an operation for appendicitis in the Tahoka Clinic one day last week. He is said to be making satisfactory recovery.

TWO LITTLE SONS UNDERGO TONSILLECTOMY

Billy and Gene Ingle, the two little sons of Mr. and Mrs. C. T. Ingle, who live on Route 3 out of O'Donnell, underwent tonsillectomy in the Tahoka Clinic on Tuesday of this week.

They stood the ordeal well and were released from the Clinic on Wednesday afternoon.

County Pioneers Will Hold Annual Reunion Thursday

Next Thursday, June 24, is the big day for Lynn county pioneers—people who lived in this county 30 or more years ago.

On that day the Lynn County Pioneers Association will hold its annual reunion in the City Park here in Tahoka. A large number of visitors are expected from surrounding counties and quite a few are expected from a great distance.

An informal program and visiting will take place all during the morning. At noon, a barbecue lunch will be served on the grounds to those who can qualify as Lynn County old-timers, together with their immediate families.

Following the barbecue, there will be a program that should be of interest to everyone interested in these old-settlers and the pioneer times. This program is open to the public, and everyone has an invitation to attend. Obviously, the Pioneers cannot invite outsiders to their barbecue because of the tremendous expense that this would involve.

On the afternoon program will be Andy Jack Stricklin, the famous and infamous editor of The Terry County Herald, who has been "the Old He" of that publication ever since it was founded away back in the early part of the century.

At night, there will be an old time square dance at the Legion Hall.

J. K. Applewhite is president of the association this year, and Mrs. Jack Fenton is the secretary and treasurer.

Buster Fenton has been working as Finance chairman, and Norvel Redwine and Bud Milliken will prepare the barbecue.

G. C. Grider Is Judge Candidate

Judge G. C. Grider authorized the News Thursday morning to place his name in our political announcement column as a candidate for county judge of Lynn county. His name will appear in the column next week and remain there through the campaign.

Judge Grider is well known to the citizenship of Lynn county, having served for two terms as county judge heretofore. His first term covered the two years, 1929-30 his second term, 1931-32. He was elected the first time, therefore just 20 years ago. He feels that he made a good record during those two terms and believes that he can serve most satisfactorily again.

One of the outstanding characteristics of Judge Grider is his friendliness. Seemingly he never forgets a face and rarely ever forgets a name. He probably knows as many people in Lynn county and knows as much about each particular family as any other citizen of the county. He can tell you just where Bill Jones and John Smith live and how many children each of them has in his family. It is this characteristic that makes Judge Grider a good campaigner.

He will probably see you several times already—and he will not fail day—probably has seen you several times already—and he will not fail to let you know that he will appreciate your vote at the July primary.

Black Cats Defeat Levelland Oilers

On last Sunday afternoon at Levelland, the Tahoka Black Cats blasted the Black Oilers by a score of 14 to 5, behind the 3-hit pitched game of John L. Martin, who gave up one walk and struck out ten men.

The Black Cats will play the Mexican Victors of Tahoka at 3 o'clock on Saturday, June 19, Emancipation Day, on the diamond north-east of the Water Tower.

Mr. and Mrs. Coy Fielder and little daughter returned a few days ago from a two-weeks vacation visiting relatives and taking a side-trip to Galveston.

Mrs. O. W. Latson is in Dallas to spend a month with her daughter, Mrs. Rawleigh. Jacqueline Rawleigh of Dallas is here to spend a month with her cousin, Jan Collier.

Rotarians Hear Boy Entertainers

Several young boys furnished the principal entertainment at Thursday's Rotary Club luncheon, the program having been arranged by H. B. McCord.

Mrs. R. Richardson presented two of her pupils, Clayton Carter and Don Ward in a couple of readings each, and a couple of duets by the two boys. Following this, Rollin McCord Jr. and Jerry King, both of whom are members of the choir at San Marcos Academy, where they have been attending school, presented a duet, accompanied at the piano by Miss Betsy Haney.

Preceding the program, Wynne Collier welcomed into Rotary six new members, Rev. C. A. Holcomb, Carl Self, Bobby Carroll, Maurice Bray, Dr. Skiles Thomas, and Dale Thuren. Bill Strange, a Rotarian at Itaska before moving to Tahoka, was announced as a new member.

Do not buy enough poultry mash to last over six weeks because long storage periods cause loss of vitamin A content in feeds.

Mrs. W. L. Burleson, Billie Lee, and W. L. have returned home from a trip to California.

Maine Farmer and Wife Refuse to Accept Charity

BOSTON.—A Maine farmer and his wife, trying to live on \$15 until their very ill son recovers at a hospital, refused to accept help.

Residents of Boston deluged them with offers of food, clothing, money and transportation. But Lawrence Leeman, 31, and his 30-year-old wife, Marilyn, of Dover-Foxcroft, Me., responded with a firm "no thanks."

"Didn't know city people could be so nice and neighborly," said Leeman, whose year-old son Victor, is being operated on for malignant tumor at Children's hospital. "Guess these people heard about us spending our money to bring the boy here for treatment. Mighty nice of them, but we still have \$15 left and all we want is for the boy to get well. Guess we can hitch-hike home well enough."

"Our switchboard has been tied up all day," a hospital official said. "Rich people, poor people and just every-day-people have been calling up offering help. Two families who were dispossessed from their homes in Dorchester called to say they'd like to help."

But Leeman, a slow-talking Yankee, insisted he wanted no help. "Not to us," he said. "We're hard-working people. We handle our farming by ourselves and we don't believe in asking other folks to share our burdens."

Mrs. Leeman nodded agreement. "Thank you kindly," she told the hospital officials, "but we don't believe in being beholden to folks. It's just our way of doing things up in Maine. No offense meant."

Mice Perish in 25 Minutes At 35 Degrees Below Zero

WASHINGTON.—Survival time of various warm-blooded animals kept in cages at a temperature of 35 degrees below zero has been determined by the Army Quartermaster corps. The series of tests were conducted in the cold room of Harvard's fatigue laboratory.

Mice succumbed quickest under such an exposure, dying in less than 25 minutes. Canaries were next, surviving for only 36 minutes. White rats lasted between 45 minutes and 2 hours. Some rabbits died in three and a half hours while others not for six and a half hours.

Some white leghorn chickens perished in less than three and a half hours while others managed to stay alive for twenty-nine and a half hours.

Army carrier pigeons put up the greatest resistance to the frigid temperatures. None died in less than 22 hours, and one lived for 76 hours. This hardness may provide clues to the high survival of half-wild park pigeons under tough city conditions.

None of the animals hopped or fluttered about in an effort to keep warm. Instead, they hunched themselves up as compactly as possible, presenting a minimum body surface to the cold.

Classified Ads Save You Money.

Miss Deenie Edwards and cousin, Billie Jo Cryer, of Bartlett, recently came out and enjoyed a trip to Santa Fe, New Mexico, with their Aunt, Miss Bernice Edwards of Brownfield.

Mr. and Mrs. Wade Howell of Midland visited his parents here Sunday, Mr. and Mrs. H. B. Howell.

Mrs. Fred McGinty visited in Houston and Galveston a few days ago.

Mrs. Wynne Collier is happy over the arrival of twin sons, Don and Dan, in the home of her sister, Mrs. Rawleigh of Dallas, last week.

RUPTURE

Rupture Appliances Specialist, HARRY G. HIGGINS, of Minneapolis, Minn., will give a free demonstration of his "Guaranteed Rupture Shield" for men, women, and children, in Lubbock, Texas, at Hotel Lubbock, on Friday, June 25th, from 9 a. m. to 2 p. m., or the evening before, after 7 p. m.

I have fitted hundreds of satisfied customers in the middlewest and southwest, during the past many years.

Mrs. J. S. of Ogallah, Kan., says: "I cannot speak highly enough for it. I have tried a good many other makes but found your make the best." Mr. R. C. of Atlantis, Ia., says: "I had a very bad scrotal rupture, and in two month's time after being fitted with your appliance, I have no ur-trussion at any time."

DO NOT EXPERIMENT LONGER: If neglected, rupture may cause gas pains, backache, weakness, nervousness and general "run-down" condition. Special attention is given to persons having ruptures recurring after surgical operations or injection treatments.

If you want the complete relief you can obtain, come in for free demonstration, or if you are unable to see me at this time, write to:

Lion Tamers Shun Common Colds But Get The Shivers

MEMPHIS, TENN.—If you are bothered with troublesome colds get a job as a lion tamer. Your colds will disappear but in their place shivers will run down your back.

Capt. Dick Clemens, veteran lion tamer, explained that men who work with lions never get colds.

"I haven't had one in 20 years," he said, "and all the other lion men I know are the same way."

He doesn't know how to explain it—it's just a fact.

It's the same way with wounds healing. "A lion gets all torn up today and he's healed tomorrow. I'm the same way. I got a bad tear not long ago, but it was well in a few days. You never get any infection. A scratch is more dangerous than a bite, because the lion may have gotten something on his claws walking about. We never sew up a lion wound."

His Worst Mishap

His worst mishap was in Minneapolis about four years ago.

"You can't call it an accident, though. Any darned fool can get hurt in a lion cage, but there aren't any accidents. If you get hurt it's your own fault."

"I had a new lion, Nero, that I just got from a zoo. It makes all the difference in the world in what order they come into the arena out of the chute.

"I was getting a lot of applause and was bowing to the audience. I was thinking, 'Boy, am I ever going over here,' and then I turned around and saw Nero coming toward me. It should have been Tyrone, my boss lion. Every lion act has a boss lion."

I shouted, 'Wrong lion,' but my helper must have thought I yelled, 'Come on, lion,' because he opened the chute door and let another one in. I'd been paying that man good money for a couple of years, too.

Falls Over Prop

"Nero was coming at me and as I backed away I fell over a prop. I threw my leg up to protect myself. They always grab for the stomach. The lion grabbed my leg. He bit it all the way through twice and dragged me around the arena, with the shifters firing blanks at him all the time. He opened his mouth to get another bite and I got away. My wife held him off with blanks while I got out the door."

Clemens said he lost all sensation while the lion was mauling him. When he got out of the arena his leg gave way beneath him—broken. He was white with rage, sweat popping out of him.

He went back in the cage, broken leg and all, and finished his act. The audience thought it was part of the show. Then he went over to the handler who let the wrong lion in and hit him so hard he broke all the knuckles on his right hand.

Fear is always with him, he admitted. "Even today I worry every time. Once a trainer gets where he has no fear, no sensation, while working lions, he's gone."

Medical Journal Asserts Doctors Dodge Late Calls

CHICAGO.—"Many physicians do dodge the making of calls on patients in the late hours of the night or early morning."

The Journal of the American Medical Association made this accusation in commenting on recent complaints of this nature from "many sections of the country."

Some cities, the Journal reported, have set up machinery for meeting the demands for emergency medical services 24 hours a day through a physicians' telephone exchange.

The exchange maintains a list of physicians willing to make calls at night or to respond to the calls of persons unknown to them.

"Actually, comparatively few 'night calls' are so urgent that harm would result from postponing responses until morning," the Journal said. "Nevertheless, the patient who suffers pain or the mother who is frightened over a condition in her child that she does not understand is little interested in explanations as to the percentage of emergency calls that are not really emergencies."

The Journal quoted the principles of ethics which read:

"A physician is free to choose whom he will serve. He should, however, always respond to any request for his assistance in an emergency or whenever temperate public opinion expects his service."

Country Folks Live Longer Than City Residents

NEW YORK.—If you live in the country, your chances are much better of living longer than a city dweller, according to statisticians of the Metropolitan Insurance company. City life, moreover, is relatively harder on men than on women, they say.

"The death rate in cities and towns is higher than in rural areas by about one-fourth among white males and by only one-eighth among white females," the statisticians say. "Almost every cause of death shows a higher mortality among city dwellers."

Good wiring and lighting in out-buildings contribute to safety and efficiency in doing chores after dark.

Every candidate for the State Senate and for Representative in the lower house of the legislature should be questioned by the voters regarding his position on the proposal to tax our natural resources as they are taken from the soil. For these many years, this underground wealth, which in a sense belongs to all the people but from which only a lucky few reap all the profits, has been going virtually tax-free. The lucky few have been extracting it from the soil and selling it to consumers inside and out side of Texas alike, reaping great profits therefrom, but paying to

the State only nominal taxes. We are thus permitting these natural resources to be exploited by private individuals and possibly to be exhausted eventually, without getting adequate returns therefrom for the benefit of all the people. Let's be sure that our representatives in our legislative bodies and our servants in executive positions are committed to the proposal to levy and collect substantial taxes on these natural resources as they are extracted from the soil.

We believe that candidates for the state senate should express their views clearly and concisely, in some public way, on certain matters that are likely to come before the next legislature. Among these matters may be included the so-called Fair Trades Bill, pari-mutuel horse-race gambling, various provisions of our liquor-control laws, proposed taxes on our natural resources, and others. Of course it is presumed that all west Texas candidates favor legislative redistricting and most of them favor another submission of a constitutional amendment which would give to the state colleges a portion of the funds now derived from University oil lands. Candidates for the Senate should make their positions clear on all these matters. A few public discussions over the district would help to clarify matters.

It pays to plant pure, sound, disease free seed of varieties best adapted to local conditions.

REA recently approved a loan of \$150,000 for 136 miles of electric line for Hidalgo county.

ARE YOU SALTY ENOUGH?

Austin, Texas, June 7.—There is little doubt that summer is here. If you don't think so, take a quick look at your thermometer or feel your shirt or blouse—chances are that it will be wet and salty with sweat.

Excessive sweating means the loss of body salt, and Dr. George W. Cox, State Health Officer, advises the use of salt in drinking water as a means of avoiding heat cramps.

"Salt is a prominent constituent of sweat," says Dr. Cox. "On days when the thermometer goes to 90 degrees or above, as it has recently, the body may lose as much as fifty grams of salt. Laborers, farmers, and even white-collar workers should be especially watchful of heat cramps."

Heat cramps are characterized by pains in the stomach, headaches, and sometimes nausea and vomiting. The danger comes because the loss of the salt may occur without the knowledge of the individual until the deficiency causes cramps or heat fags.

Salt tablets may be purchased commercially. If they are not available, a pinch of table salt will serve the same purpose.

"Drinking milk is an excellent method of replacing body salt lost through perspiration," Dr. Cox says, "but alcoholic drinks should be avoided."

FARRISH TAKES STAND

State Senator Sterling J. Parrish has asked The News to make clear his opposition to the so-called Fair Trades Act. He voted and worked against the proposed act in the Senate, and opposes it now.

"It is my sincere belief," he writes, "that the passage of this proposed act would cause an almost immediate increase in the prices of merchandise to the consuming public, thereby raising the cost of living and contributing to further inflation. My obligation, both as a citizen and as State Senator, to the general public of this district impels me to fight this legislation."

Mr. and Mrs. Bill Polk and son, Mr. and Mrs. Ray Polk and daughter and a friend, Wayne Tyrone Polk of Stanton, spent Sunday with Mr. and Mrs. Dennis Polk and family.

Recently a Texas farmer was asked what was the best part of his farm. And his sad reply was, "The part down in the Gulf of Mexico."

You can add that room you need and pay for it by the month at Shamburger - Gee Lumber Company. Phone 313. Adv.

STATED MEETINGS OF Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome. Ed Hamilton, W. M. Chas. B. Townes, Sec'y.

FORMER TAHOKA BOY ADVANCES IN MINISTRY

The News has received the following clipping from the weekly newspaper published at Alex, Oklahoma, giving the low-down on a Tahoka-raised boy, Rev. John P. King, son of Mr. and Mrs. J. O. King of the Dixie community, who started out on his ministerial career a number of years ago after graduating from the Tahoka high school. The Alex newspaper also carried a picture of the minister, but the cut is not available to The News at this time.

Dr. Ralph Mills, a medical missionary, brought a handful of Korean lespedeza seed to the United States in 1919. The plant was growing on 40,000,000 acres of U. S. farm land last year.

ERNEST O. NORTHCUTT

Candidate For Associate Justice of the Court of Civil Appeals

Ernest Northcutt became interested in law at an early age, worked his way through law school, received his law degree and entered private practice in Amarillo in 1919. Judge Northcutt practiced law in Amarillo until he was elected County Judge of Potter County in 1940. He is now serving his fourth elective term. Ernest Northcutt has tried cases in all Courts over the Panhandle. His trial work carried him into the State and Federal Courts, State and Federal. He is familiar with the duties of the Office of Associate Justice of the Court of Civil Appeals. He has tried hundreds of Civil cases. THERE IS NO SUBSTITUTE FOR EXPERIENCE. Judge Northcutt is 56 years old, married and has three children. He is active in civic work, a member of the Baptist Church and was President of the West Texas Judge's and Commissioner's Association in 1947.

Your Vote and Influence Will Be Appreciated
 Subject to the Democratic Primary July 24th

Heart Disease Incidence On Increase Among Women

Smoking may have something to do with the higher incidence of coronary thrombosis among women in the past 30 years, according to Hygeia, health magazine of the American Medical Association.

Four groups of 1,000 patients each (smokers, non-smokers, coronary thrombosis and non-thrombosis) were subjected to statistical analysis. On the average, smokers were found to get coronary thrombosis 10 years earlier than non-smokers. Although not a cause of the disease, smoking is considered by many heart specialists to be a factor.

In coronary thrombosis a clot forms in one of the coronary arteries, and a portion of the heart muscle is deprived of blood for a length of time sufficient to do damage.

Probably as many as one man in 80 and one woman in 90 over 40 years of age will suffer an attack of coronary thrombosis this year, the article states. Thousands of men and women who have had coronary thrombosis may reasonably expect to live many more years and lead comparatively normal, useful lives. Rest and reassurance are two of the most important forms of treatment.

The fifth day after the attack is the most worrisome. All the area of the heart supplied by the closed artery and its branches is incapacitated. But if the patient gets past the first week, complete healing can be expected within six or eight weeks.

Cyprus, Aphrodite's Isle, Slated for Development

The new plan to develop Cyprus as a British bastion of the eastern Mediterranean is a reminder that this is a land that many nations forgot, and then, at dramatic moments of history, remembered with a will.

For more than 30 centuries the big island off the coast of Asia Minor has played a periodic but significant role in world events. Today as in the time of the pharaohs and the crusaders, geography has placed it in a key position along route to the Middle East. Its barren, fuddy mountains rise more than 40 miles from the Turkish shore. Syria and Palestine are, respectively, only 65 and 140 miles distant.

The overwhelming majority of the Cypriotes are Greeks, descendants of ancient colonists. In the total population of more than 450,000 there is a sizable Turkish minority, plus smaller groups of Armenians, Syrians, Egyptians and Arabs.

In World War II Cyprus was the first of Britain's overseas possessions to send troops—the Cyprus Muleteer corps—to the European front.

British administration of the island began in 1878, when England leased Cyprus from the Turkish empire to guard the new Suez canal route. On the outbreak of World War I, the island was annexed.

Brucellosis Perils Farm Workers

Brucellosis is one of the most widespread and costly diseases of cattle and swine in the United States, and is known to affect other species of animals as well. Thousands of cases occur in human beings each year as a result of contact with infected stock or from consuming unpasteurized milk. There is no evidence that the disease can be transmitted from person to person but it is readily transmitted from one animal to another. People who find it necessary to assist animals at farrowing and calving time or who handle animals being slaughtered for meat purposes are advised to take the following steps to safeguard themselves against this serious disease. (1) Wear rubber gloves. (2) Wash and disinfect hands and arms thoroughly after handling livestock. (3) Wear goggles or other protective devices over the eyes.

Travel Dangerous in Tibet

Properly called the roof of the world, Tibet is located in the very heart of Asia. With an area approximately that of Mexico, the whole of it is more than two miles above sea level. Travel on this windswept plateau is discouraging. Expeditions must be fitted out with scores of pack animals to carry supplies sufficient to last for many months, with a sizable complement of natives to attend them. Mountain passes must be crossed, sometimes at elevations of 15,000 feet, where the air is so rare that breathing becomes difficult. It is scorching hot by day and freezing cold by night. Bandits overrun the country, especially in the nomadic central and northern parts of the country, where nearly every stranger one meets is a potential bandit.

Origin of Peanut

Peanuts came to the United States in slave ships. They grew from a few bags used as forage into a crop that last year totaled 1,126,000 tons. Peanuts had their origin in Peru. The conquistadors found the Incas munching them between meals. The Spaniards took them in their galleons to Spain, where they flourished. Then they took them to Africa where they got tied up with the slave trade. The slavers fed them to the natives and later crammed the natives into the ships' holds and began the journey to America, where peanuts were used as slave food. The slaves planted peanuts near their cabins, and gradually peanuts spread through the South.

JOE STOKES COUPLE WED RECENTLY

Mr. and Mrs. C. L. Murray of Lubbock, Route 6, Joe Stokes community, are announcing the recent marriage of their daughter Peggy to Howarth Summers, son of Mr. and Mrs. D. R. Summers, also of Route 6.

Rev. T. F. Suttles of Levelland performed the single ring ceremony in the home of the bride's parents, which was decorated for the occasion with pink and white carnations and snapdragons.

The bride wore a white crepe suit with white accessories and carried a bouquet of white, gardenias and red roses on a white Biile.

A sister of the bride, Norma Murray, served as maid of honor. She wore an aqua crepe dress with white accessories, with a pink gladiolus corsage.

A brother of the bridegroom, Olen Summers, served as best man to the groom.

Miss Bernadine Rudd of Ropesville sang "Always," accompanied at the piano by Norma Murray. Bonnie Murray played the wedding march.

At a reception following the ceremony, Mrs. H. D. Dean and Mrs. Tom Russell served at the table, which was decorated with pink and white carnations and snapdragons. The table was covered with a white cloth, which held the two-tiered wedding cake topped with a miniature bride and groom.

Misses Bonnie Murray, Faye Summers, and Bernadine Rudd presided at the bride's book.

The bride is a graduate of New Home High School and the groom is a graduate of Cooper high school.

The couple will be at home in the Joe Stokes community after a short wedding trip to Ruidoso, New Mexico.

For traveling, the bride chose a corded rayon suit dress and wore a white gardenia and pink rose corsage.

Mr. and Mrs. Gordon King and two children left Monday afternoon following a few days visit here with Mr. King's mother, Mrs. M. L. Henry, and other relatives. Mr. King was formerly a teacher in this county. He is now employed in the post office in Houston.

Dr. J. A. Hill Will Be Honored By Area Educators

Canyon, June 16. (Special)—Dr. J. A. Hill, for 30 years president of West Texas State College, will be signally honored here July 4, 5, and 6, during an education conference. Dr. Hill will retire September 1 after 38 years at West Texas State (he was a member of the faculty in 1910 when the institution opened its doors.) He will be succeeded by Dr. James P. Cornette, former Dean of Baylor University, who has been vice-president of West Texas State since January 1.

The conference honoring Dr. Hill is sponsored by the Texas State Teachers College Board of Regents and the presidents of the other six teachers colleges in Texas.

The sponsors decided upon an education conference as the best proposal in their search for something "worthwhile in paying tribute to Dr. Hill."

Dr. Melvin C. Eldson of the First Baptist Church, Austin, and a board member, will preach a sermon here Sunday night, July 5. This will be the first event in connection with the conference.

The conference will start official since January 1.

by Dr. Charles V. Dunham, Dean of Men, University of Texas.

Dr. G. W. Diemer, Warrensburg, Monday morning with an address the American Association of Teachers Colleges, will deliver the opening address at the first general session on Monday, July 5. Second address of the first assembly will be by Dr. A. L. Crabb, faculty member of the George Peabody College for Teachers, Nashville, Tenn.

A testimonial dinner honoring Dr. Hill will be held in the College Cafeteria Monday night. William L. Kerr, Midland, president of the Texas State Teachers College Board of Regents, will be chairman of the testimonial program.

Speakers will include V. A. Collins, Livingston, Texas, board member and past president; Dr. J. W. McConnell, president North Texas State College, Denton; David M. Warren, Panhandle, vice-president of the University of Texas Board of Regents; Clyde W. Warwick, publisher of the Canyon News and a former state legislator; Grady Hazlewood, Amarillo, state senator and a graduate of West Texas State; Floyd Studor, Amarillo, Director of the Panhandle-Plains Missouri, immediate past president of Historical Society's Museum; Dr. H. W. Morelock, president-emeritus of Sul Ross State College; Alpine; Dr. D. A. Shirley, dean of West Texas State College; and Dr. Hill.

The second general session will be held on Tuesday, July 6. Chairman will be Dr. Paul L. Brynton, president of Stephen F. Austin State College, Nacogdoches. The program will include a panel discussion on "Crucial Problems in Teachers' Education" and an address by Dr. Lawrence D. Haskew, dean of the College of Education, University of Texas.

Faculty members of West Texas State will be hosts to guests at a picnic in Palo Duro State Park Tuesday afternoon.

The conference will close Tuesday night with a concert by the nationally-known Deep River Singers, a Negro quartet.

Although the conference has been planned to benefit teachers, the general public may attend all the sessions.

WEEK-END CAMPAIGNER

Austin, June 16—For a "weekend campaigner," Associate Justice James P. Hart, of the Texas Supreme Court has been covering a lot of ground these last three months.

Running for his first State office and his first elective term on the Supreme Court, Judge Hart has campaigned in more than 85 counties and made speeches in some 25 Texas cities.

Meanwhile he has attended every formal session of the Supreme Court, when arguments are decid-

ions handed down his appointment to the bench last October.

PYTHIAN SISTERS

Twenty-one officers and members were present at a routine business meeting of Lynn Temple, Pythian Sisters, on Tuesday night. Iced punch and cookies were served during a social hour.

Miss Mildred Cox, secretary for the Ross Avenue Baptist Church in Dallas, will spend this week-end with her parents here, Mr. and Mrs. Jarrell Cox.

TRAVEL DELUXE ON 'THE ROCK'

(Official News Photograph)
From Ship to Shy—American sailors from the giant aircraft carrier USS Midway on shore leave in Gibraltar see the local sights in the famed British bastion from a native horse-drawn carriage. Great Britain's formidable stronghold was one of many ports of call the Midway crew members visited in a tour of the Mediterranean.

Lubbock Masons Plan Ceremony

All Masons of Lynn County and of Tahoka have been invited to attend services Monday afternoon, June 21, in connection with the laying of the Cornerstone of the \$225,000 Masonic Temple under construction just north of Lubbock Hotel, in Lubbock.

Letters of invitation have been received by Ed Hamilton, Worshipful Master, of the Tahoka Lodge and Charles Townes, Secretary.

The Cornerstone will be leveled at 4 p. m., by Most Worshipful Horace K. Jackson of Gatesville, Grand Master of Texas Masons, assisted by his officers, after he

opens a Representation of the Grand Lodge of Texas in the Masonic Hall atop Citizens National Bank building in Lubbock.

A barbecue for all Masons in attendance will be given at 6 p. m. in McKenzie State Park, and an area meeting will follow there.

Other special guests from throughout Texas are expected, including officials from the Grand Royal Arch Chapter and the Grand Commandery.

H. B. Bryan, of Lubbock, Eminent Grand Senior Warden of the Grand Commandery, will be Master of ceremonies at the park program. Burton S. Burks, former district attorney, will be orator of the cornerstone ceremony.

Not less than 1,000 Masons are expected, said Hugh J. McClellan, secretary of Lubbock Masonic bodies who are financing the new Temple.

Mr. and Mrs. Winston Wharton and daughter Ann, accompanied by her parents, Mr. and Mrs. Morrow of Post, are away on a tour of Northern and Eastern states. Leaving almost two weeks ago, they expect to be gone about a month. Washington, D. C., New York City and places in Kentucky, as well as many other cities, were on their list of cities to be visited.

Members of the Al Lehman family will be in Dallas Sunday for marriage of Mr. and Mrs. Lehman's son, Dr. J. M. Lehman to Miss Sylvia Moss of that city.

TWO BABIES RECEIVE TREATMENT IN TAHOKA CLINIC
Little Cieta Massey, the one-month-old daughter of Mr. and Mrs. D. C. Massey, who live out on Route 3, has been a patient in the Tahoka Clinic since last Friday, June 11.

Karon Dean Cave, 8-weeks-old daughter of Mr. and Mrs. Barron Cave, who live on Route 5, has been a patient in the Tahoka Clinic since Monday of this week.

The News did not find out the malady from which either of these children is suffering.

Mrs. Ida Briggs of Kansas City visited Mr. and Mrs. D. W. Gaignat and their daughter, Mrs. Charles Verner, here last week. Mrs. Briggs is a sister of Mr. Gaignat.

Mr. and Mrs. Claude Thomas, Joan and Billy Laurin, and Jean Henderson left last week for a tour of New Mexico and Colorado. They expect to be gone about three weeks.

Mrs. J. F. Stuart is able to be out again after undergoing another serious eye operation.

Mr. and Mrs. Clay Bennett and Joan and Mr. and Mrs. Grady Lankford returned last Friday from a short vacation trip, which included visits to relatives at Whitney and Denison.

Mrs. Billy Hill and daughter, Marion Lee, returned to their home in Andrews Sunday after a few days visit with friends and relatives here.

They Will Tell Press About Public

SPOTLIGHT BRIGADE

The newspaper's broad appeal to the public, through editorial policy, classified advertising, display advertising and circulation, will be stressed when Texas publishers convene for their 69th Annual Convention in San Antonio, June 18 and 19. Pictured above are four of the men who will address the convention. Left to right, they are: Ralph Nicholson, publisher of the New Orleans Item, who will deliver a luncheon address on the importance of an unbiased editorial policy, W. H. Conrad, published of the Medford (Wis.) Star-News will share with the Texas newspapermen, ideas on classified advertising which have made that department of his weekly newspaper one of the most successful in the country, Walker Sausy of New Orleans, head of one of the largest advertising agencies in the South, will talk about display advertising in an address titled, "Where Do We Go From Here," and E. H. Pierce, publisher of the Jasper (Ala.) Mountain Eagle, and president of the Alabama Press Association, will explain the method of building newspaper circulation which has gained readers by the score for his publication.

Competition Keen In Lynn County Softball Loop

The softball season opened with the surprise of the week in Lynn County Softball League play Thursday night by defeating the league-leading Rutherford's team by a score of 18 to 15.

New Home also was undefeated in League play until last Friday night, when they went down before Wilson 12 to 3.

Thursday night, White Auto defeated Davis & Humphries by the score of 10 to 3.

Tuesday night of this week, VFW lost to Davis & Humphries by the score of 5 to 17.

Games for the next week are: Thursday, June 17, White Auto vs. Wilson.

Friday, tonight, New Home vs. New Lynn.

Monday, White Auto vs. Rutherford's.

Tuesday, Senior Scouts vs. New Lynn.

Thursday, June 24, Davis-Humphries vs. New Home.

Friday, June 25, Wilson vs. VFW.

Standing of the teams through Tuesday night were:

Team	Won	Lost	Pct
Rutherford's	3	1	.750
New Home	2	1	.666
Wilson	2	1	.666
White Auto	2	1	.666
Senior Scouts	2	2	.500
Davis - Humphries	2	2	.500
New Lynn	1	2	.333
V. F. W.	0	4	.000

Jack Brice, who is head of the service department of the Buick Chevrolet Company, is moving his family from Coleman to Tahoka Saturday.

Associate Justice Visits In Tahoka

Judge James G. Lumpkin was a visitor in Tahoka on Monday in the interest of his candidacy to remain as an Associate Justice of the Court of Civil Appeals at Amarillo.

Judge Lumpkin is a native of Amarillo. He graduated from the New Mexico Military Institute and the University of Texas. Prior to practicing law he taught four years at Amarillo College.

At the time he entered the military service in 1940, he was an assistant district attorney at Amarillo. After serving with the 36th Division, he returned home and was three times elected district attorney. Judge Lumpkin has been on the Court of Civil Appeals for more than a year. He is a member of

the Vestry at St. Andrews Episcopal Church and is a member of the Amarillo Lions Club.

Judge Lumpkin said he expected to call on as many voters as possible between now and the July 24 primary. The court on which he serves has jurisdiction in civil cases over 46 Northwest Texas counties. It is composed of three members, one chief justice and two associate justices—Judge Lumpkin is one of the associate justices.

Mr. and Mrs. Curtis Stevens and Mrs. A. G. Crutcher, Mr. and Mrs. Jerry and Jack, spent last week visiting relatives in Houston, Rodgers.

CARD OF THANKS

We wish to thank all our neighbors for their expressions of sympathy and their deeds of kindness and all their efforts to make our burden just a little lighter in the great bereavement which we have just suffered. Especially do we thank Rev. W. P. Brian for his message of sympathy and consolation and Neil Stanley of the Funeral Home for the kindness and courtesies which he extended us. May God bless you all.— Mr. and Mrs. A. G. Crutcher, Mr. and Mrs. N. C. Crutcher, Mr. and Mrs. J. G. Rodgers.

An Old Friend Visits The News

A few days after the close of the Northwest Texas Conference held in Lubbock recently, and old-time friend dropped into the News office and said "Hello, there."

We had to take a second-seeing look at the gentleman before recognizing him as our old-time friend, Rev. John W. Hawkins, pastor at Roscoe for a year or two away back when— For some reason Hawkins looks just a bit older than he did then.

If people of the Draw have not already found it out, we would like to ease the News to them that Bishop Selcman certainly was kind to them in sending Rev. John W. Hawkins down there as pastor. He is a good preacher and a real man with convictions and the courage to express them. Stay with him, folks, and he will do you good.

New 1949 Ford Is On Display

The 1949 Ford, which reveals a radical departure from traditional Ford styling and engineering, is on display for the first time today at Bill Strange Motors in Tahoka, and at Ford dealers everywhere.

The new Ford is made possible by the expenditure of \$37,000,000 in retooling at Ford Motor Company, to set new standards of beauty, comfort, economy and performance in the 1949 passenger car.

New styling presents a modern design with a long, low, sweeping silhouette. The grille is distinctive, the hood massive but shorter and the body so wide the rear fenders

have been eliminated.

The car features more room and comfort. Front seats are six inches wider, and rear seats are eight inches wider. The body is moved forward five inches with the seats cradled between axles for a much smoother ride. It has hydra-coil springs, and airplane type shock absorbers.

Engine vibration and road noises have been greatly reduced.

A new heating system brings gear around comfort. Fresh air is scooped into the car through large intakes just behind the grille. The system has automatic temperature control and can be used as a fresh air ventilator—a fresh air heater.

The car has been built for more efficient fuel consumption, has a new intake manifold, new equa-

flow cooling system, and improvements have been made in the ignition system. The optional overdrive achieves as much as 25 per cent improvement in gasoline consumption.

New standards of safety have been set in the rugged construction of chassis and body. Though lighter the all-welder box-type frame is lighter but 59 per cent more rigid. Overall height is four inches lower, with a lower center of gravity. The windshield is larger, and the rear window has "picture window" visibility, larger than the ordinary windshield.

Many, many other changes have been made in the completely new Ford that should pleasantly surprise all those who view it.

WYATT'S HONORED ON FIFTIETH WEDDING ANNIVERSARY

Sunday was a great occasion for Mr. and Mrs. J. R. Wyatt, who live in a modest but neat little home down in south Tahoka. It was June 13; and it was June 13, 1898, that the couple were married. Yes, Sunday was their golden wedding anniversary, but they had no other thought than to spend the day quietly and pleasantly. They did spend it pleasantly.

Early in the morning, to their surprise, the kin folks began to pour in. By noon the house and yard were full of 'em.

They had prepared and brought along basketfuls of food, and so a great feast was enjoyed at the noon hour.

Children and the in-laws present included Mr. and Mrs. C. H. Reagan and Mr. and Mrs. A. W. Reagan, of Portales, New Mexico; and Mr. and Mrs. Richard Wyatt, Mr. and Mrs. Vernon Wyatt, and Mr. Milmes Wyatt, all of Tahoka.

Grand-children and their in-laws, included Mr. and Mrs. Doyle Reagan, Mr. and Mrs. Troy Lee Williams, Mr. and Mrs. Leonard Reagan, William, Kenneth, Osa Lee, and Janette Reagan, all of Portales, New Mexico, and Mr. and Mrs. Oscar Roper, and Mr. and Mrs. Herschel Reagan, all of Lubbock, Mr. and Mrs. Delbert Webb of Wichita Falls; and Vona Lou Bailey and Ronald Wyatt, of Rt. 4, Tahoka.

Great-grandchildren were Cecil Lee and Lois Bailey Williams and Wayne Reagan of Portales, N. M., Travis and Sandra Roper of Lubbock.

Brothers and sisters and their families were as follows: Mrs. Susie Morrison of Cleburne, Texas; Mr. and Mrs. D. S. Rodgers and son Luther of Houston, Henry Rodgers of Corsicana, and his mother, Mrs. Ellen Wyatt of Itasca.

Numerous friends called in the afternoon.

MONAHANS COUPLE VISIT HICKERSONS HERE

Mr. and Mrs. H. T. Ellis of Monahans left for home Tuesday morning after a visit here with her parents, Mr. and Mrs. G. W. Hickerson.

Mr. Ellis is in bad health and had a check-up by a Lubbock physician Sunday. He left here expecting to go to Dallas for treatment soon. He is a son of the late Sam Ellis, who lived here many years and died at Christoval.

Mrs. J. E. Magberry reports that her daughter, Miss Clara Gene Scruggs, who recently purchased a motion picture show at Edgewood, the business is thriving. She says Van Zandt county, reports that the chat patronage of the theatre has increase wonderfully since she took charge and she is delighted with her venture. Her operator is also a Tahoka girl, Miss Billie Drager.

Now graduate...
For protection "to the N# degree," OIL-PLATE your engine with Conoco N# Motor Oil! Drain out old, worn-out oil... and refill with new, fresh Conoco N#!
N# Oil (Patented) contains an added ingredient that fastens an extra-film of lubricant so closely to metal that working parts are OIL-PLATED! And because extra OIL-PLATING clings to cylinder walls... won't all drain down, even overnight... you get extra protection from "dry-friction" starts... from metal-eating combustion acids... from power-clogging sludge and carbon due to wear!
For full-time protection and more miles per quart, smart motorists will now graduate...
...to an OIL-PLATE!

Copyright 1948, Continental Oil Company
Winston C. Wharton
Conoco Representative

The smooth, flowing lines of the 1949 Ford passenger cars are accentuated by the simplicity of the air-scoop grille. Fresh air for the pressurized ventilation system also enters through the grille.

HARTER CHILDREN HAVE FAMILY REUNION

Mrs. H. C. Harter Sr. of Big Spring, formerly of Tahoka, was happy to have all of her children to gather last Sunday in her son's home in Big Spring.

The following were present: Miss Lola R. Harter of Hollywood California; Mr. and Mrs. Gene C. Lawson and four children of Portsmouth, Virginia; Mr. and Mrs. Len Browning and five sons of Tahoka; Mr. and Mrs. K. H. Harter and son of Amarillo; Mr. and Mrs. H. C. Harter Jr. and son of Tahoka; Mr. and Mrs. R. H. Harter and

two sons of Big Spring; Mrs. Ariene Bates of Lubbock, a guest.

A picnic was served on the lawn. They plan another gathering Sunday, June 20, in the home of Mr. and Mrs. Len Browning.

TEXAS DEPARTMENT OF PUBLIC SAFETY

During the summer months of June, July, and August, between 10 and 15 children will be crushed to death beneath the wheels of family cars as parents and neighbors back out of or enter their driveways. That was the forecast of the Texas Department of Public Safety.

Director Homer Garrison Jr. stated that children will spend a lot of time playing out of doors during these months and it is difficult for the driver to see them while looking through the rear glass of an automobile. Vision also will be somewhat obscured from the front of the vehicle as the motorist enters the usual driveway. By using caution upon entering or backing out of the driveway, the lives of 45 children can be saved during this period.

British Flood U.S. Car Market With New Autos

NEW YORK.—The British are invading America again—this time with automobiles.

At least nine British manufacturers offer immediate delivery on cars selling from \$1,500 to \$150,000. In addition, a half dozen French and Italian makes are offered in small numbers.

Never before have the British come into the American market with such high hopes of gaining coveted dollars. Never before have they had such an opportunity to go home with a comparatively fat pocketbook.

The latest bidder is Sir William Rootes with the Hillman Minx. Rootes introduced his 40 horsepower car to America in the ballroom of a swank hotel facing Central park. Sir William said dealers from 39 states had made inquiries. His car sells for between \$1,800 and \$2,000.

Build Dealer Organization The Austin Motor Company with a 40 horsepower car selling for as low as \$1,500, entered the American field and built up an organization of 90 dealers.

The British affiliate of the American Ford Motor Company also is entering the United States with a low horsepower, low mileage car selling at about the same price as its American cousin.

In addition to these three popular priced cars, the British are exporting the Rolls Royce, Bentley, M. G., Standard, Jaquard and Daimler. Some of these are the familiar handmade, gold plated jobs with solid gold prices.

American motorists are attracted to British automobiles for the same reason American GI's were attracted to British girls during the war. There isn't anything a British car hasn't got that an American car doesn't have. But the British car has it here.

Hope to Gather Dollars

Before the long waiting lists for American makes get back to normal, British manufacturers hope to woo away many millions of dollars. Britain needs the dollars with special urgency now on the eve of the beginning of the Marshall plan aid. Austin says it is shipping 1,000 cars a month to American dealers. Henry-Ford II said British Ford would ship 8,000 cars to the United States.

The acceleration of shipment is dramatic. The United States department of commerce reported England exported 930 automobiles during all of 1947 to the United States. In one month this year, total expanded to 4,250.

Mr. and Mrs. R. C. Wood, who have resided at Ruidoso, New Mexico, the past year, have decided to make Tahoka their home again. Already they have been here several weeks. Mr. Wood is one of the old-time citizens of the town. It is good to see him and his good wife back.

Mr. Howard Henderson and daughter, Mrs. Marvin Wood, and the latter's son Floyd returned Tuesday from a two weeks visit with relatives in California.

Dale Thuren Farm Store
FEEDS — SEEDS — PRODUCE

WE'RE DEAD FLY HEADQUARTERS

Let us solve all of your fly problems. We have researched Purina sprays for every type of fly control. Make one stop here and get everything you need.

FOR COMPLETE OVERALL FLY CONTROL

Experience shows that the most effective fly control program includes spraying cattle and the interiors of all farm buildings housing animals. Purina Fly Spray for Farm Buildings and Stock Cattle does the complete job. It contains DDT — plus a new ingredient, V-15 (Chlorinated hydrocarbons) to make it even more effective. V-15 kills flies quicker than longer-lasting DDT... And sticks to barn walls and animals' hides, holding DDT longer.

For DAIRY COWS at Milking Time
(Where Complete Program is not used)

When your cows are bothered at milking, spray them with Purina Dairy Spray. This efficient fly-killer contains no DDT. But it knocks flies down quickly and its killing effect lasts for many hours.

For INSECT CONTROL in the Home
(Kills Flies, Mosquitoes, Roaches, Ants, etc.)

Purina Fly Spray for the Home contains 5% micron-sized DDT — finely pulverized DDT to cover more surface more thoroughly. Spray it into rooms for quick kill. Spray walls and ceilings, paint on screens, window sills — for effective protection.
