Tahoka, Lynn County, Texas, Friday, August 27, 1948

Number 47

Selective Service Registration Will Begin On Monday

Registration of all persons subject to the new Selective Service law will begin next Monday. In Lynn county, registrations will be made at the American Legion Hall in Tahoka, according to announcement made by County Judge Tom Garrard.

A proclamation issued by Governor Beauford Jester in accordance with a previous proclamation issued by the President of the United States, copies of which were delivered to Judge Garrard, set out fully classes of persons who must register and the regulations governing registration.

All male persons from 18 to 25 years of age inclusive must register, except certain classes set out in the proclamation.

Persons born in 1922 after August 30, 1922, shall be registered on Monday, August 30, 1948.

Persons born in 1923 shall be registered on Tuesday, August 31, or on Wednesday, September 1.

Persons born in 1924 shall be registered on Thursday, September 2, or on Friday, September 3.

Persons born in 1925 shall be registered on Saturday, September 4, or on Tuesday, September 7.

Persons born in 1926 shall be registered on Wednesday, September 8, or on Thursday, September 9.

Persons born in 1927 shall be registered on Friday, September 10 or on Saturday, September 11.

Persons born in 1928 shall be registered on Monday, September 13, or on Tuesday, September 14.

Persons born in 1929 shall be registered on Wednesday, September 15, or on Thursday, September 16.

Persons born in 1930 before September 19, 1930, shall be registered on Friday, September 17, or on Saturday, September 18.

Persons who were born in 1930, on or after September 19, shall be registered on the day they become 18 years of age or within five days thereafter.

Persons subject to registration are instructed to appear on the proper day between the hours of 8 a. m. and 5 p. m. at the place designated.

Persons who are prevented from appearing on the day appointed by conditions beyond their control shall appear for registration at a later date.

Football Squad Home Tomorrow

Tahoka's 1948 prospective Bulldog football squad will return home Saturday from Fort Stockton, where they have spent nearly two weeks getting in condition for the coming Class A football competition.

The boys have spent the two weeks in strenuous drills, calisthenics, and swimming under the direction of Coaches Jim Foust and Jake Jacobs.

Last Friday afternoon and Saturday morning, they scrimmaged the Fort Stockton Pioneers, and gave a good accounting of themselves.

This year's team will be young and inexperienced, but they are capable of playing excellent ball, and only the future can reveal the strength of this year's team. The boys as a whole are eager and willing, and should win their share of the games this fall.

Tom Chambler, back, received a painful injury to his shoulder in the scrimmage Saturday, and returned home Sunday. The doctor said he would be ready to play again in two or three weeks. The other 36 boys are reported as doing fine except for bruises, blisters, and homesickness.

They will be working out on the home field next week.

Local business men and fans contributed about \$300.00 to help pay expenses of the Fort Stockton trip.

Mr. and Mrs. Melvin Lankford and two children of Electra are here this week visiting her parents, Mr. and Mrs. A. W. Hatcher, and his mother, Mrs. Jennie Lankford.

Taxi Service Is Started In Tahoka

Kenneth C. Ross has started a taxi service here. A taxi meets all buses and takes passengers to any point desired in this area. Charges, of course, are made in accordance to the distance.

The office is located at Ross Brothers Service Station situated a block east of the traffic light at the highway intersection.

Wilson Is Softball League Winner

The Wilson Lutheran Church team won the Lynn County Softball League championship last Friday night by defeating the White Auto team of Tahoka by a score of 15 to 10 in the Shaunessey play-offs.

Each team had previously won two games each in the playoff.

Great crowds attended the playoff series. Hot competition on the part of the players and intense interest on the part of the hundreds of fans marked this as the most successful football season ever held here.

The cool-headed Wilson boys, though closely pushed by other teams, exhibited their championship calibre in the play-offs, and are due congratulations from the county at large.

Tuesday night, a local team made up principally of Rutherford players lost to the Asbury Church team of Lubbock 14 to 8.

Tonight, Friday, the Senior Scouts will play here the Dodge-Plymouth team from Snyder.

Farmers Warned of Storage Shortage

Action will have to be taken at once to provide storage for some of the grain sorghum crop that is being produced this year, according to Clarence Church, Chairman of the Lynn county ACA committee. Commercial storage facilities will not be able to take care of all the grain the Nation has produced, and the farm storage space seeds to be increased at once if the grain yet to be harvested is properly taken care of.

According to the best estimates available the total grain production this year will be about 6½ billion bushels. This is almost one billion bushels more than there is storage room for. The feeding is slower this year because of a lower number of livestock on farms. It all adds up to the fact that grain harvested late in the year will find storage space all taken. The only solution is for farmers to provide additional storage space on farms, and that action should be taken immediately.

The chairman also pointed out that lack of storage space may cause farmers a loss of income from their crops because price support programs cannot operate effectively unless the grain can be taken care of. "Temporary storage may furnish a part of the answer to the problem," Church said. "However, farmers should look ahead to the need for storage of crops to be produced in later years, and take care of their own needs as far as possible. We cannot depend on country and terminal elevators taking care of all our grain in years of high production."

MRS. J. L. REESE RELEASED FROM HOSPITAL

Mrs. J. L. Reese, who recently underwent an operation in a Lamesa Hospital, was released and brought home last Sunday. Her recovery has been most satisfactory.

Her daughter Lorene and husband Jack Keyser and two friends arrived Tuesday from Huntington, West Virginia, to spend a few days here with her parents. M. S. Reese of Dallas, a son, was expected to come out Thursday.

Johnny Michall of Rochester is leaving for home today, after a week's visit here with his friend, Lee Edward Holden.

Mr. and Mrs. W. G. Lyons of Galveston and Mrs. Alvin Koehler of Houston are visiting Dr. and Mrs. C. S. Thomas.

Interest Grows In Second Primary Election Saturday

All things are now ready for the Second Democratic Primary election which will be held throughout Texas Saturday to determine whether Coke Stevenson of Junction or Lyndon B. Johnson of Johnson City will represent Texas as United States Senator for the next six years.

This election will also determine whether Senator Sterling J. Parrish of Lubbock will continue to represent the 30th senatorial district in the Texas Legislature or will be succeeded by County Judge Kilmer B. Corbin of Lamesa.

In Lynn county there is a runoff for county commissioner from precinct No. 4 between Donald C. Caudle and G. W. (Dick) Turner.

Also the voters of the O'Donnell election precinct will determine whether B. M. Haynes or E. T. Wells is to serve as Democratic precinct chairman for the next two years, and the voters of the Wilson precinct are to determine whether S. A. Cummings or Robert J. Maeker shall be Democratic chairman there for the same period of time.

Out at New Home and through. (Cont'd. on last page)

Crowd Attends Scout Jamboree

The Boy Scouts of Tahoka joined by the Girl Scouts, parents, and friends, had a great jamboree out on the Scout grounds just north of the Woodmen Hall on last Monday night.

Scoutmaster E. B. Gaither served as chairman and presided over a program that kept the crowd interested and alert.

Of course there was a "feed" and what a feed! Barbecued meat and all the trimmings and then some pies and cakes and things. About 325 people were present to partake of the viands and to enjoy the program.

Dr. E. Phohl acted as general announcer and scotcher for the chairman and made frequent use of the microphone just to keep things lively.

Several brief addresses were made, some of them by prior arrangement and some of them extemporaneous, apparently so at least. Rev. C. T. Aly and Rev. C. A. Holcomb Jr. led off. Other speakers included A. R. Milliken, former Scoutmaster, Dr. Phohl, and Bill Strange.

Recognition was given to Walter Anglin and Happy Smith as the two men who first put Boy Scout work on the map in Tahoka. They organized the first Boy Scout troop here. A. R. Milliken and E. B. Gaither were also given a hand for their outstanding work.

Dr. Phohl insisted that not enough interest is shown and not enough publicity is given Scout work here. For example, he cited the fact that one Boy Scout in Lubbock last year attained the rank of (Continued on back page.)

NEWMOORE, SHOOL WILL OPEN ON SEPTEMBER 6

Newmoore Grammar School will open on September 6, and the bus will run on that day. Lunches will be served, beginning Tuesday at noon for 20 cents.

Mrs. Ruth Ingram is principal and grade teachers, and Mrs. Ruth Jolly of O'Donnell is the primary teacher.

Leo Martin, who is a senior student in the University of Texas, came home Friday to spend a month's vacation. He will return to the University at the beginning of the next semester in September. He is the son of Lee Martin who resides out east of Tahoka.

Mrs. E. E. Callaway of Abilene left for her home Wednesday after having spent several days here attending to business and visiting friends.

Mrs. Veda Davis is up from Abilene this week visiting her mother, Mrs. E. S. Davis.

Chrysler Executives Visit In Tahoka

Roger Welch and Maurice Harris, Chrysler executives from Detroit, Michigan, were week-end guests of Rollin McCord, local Chrysler dealer.

They had just conducted a two-weeks school in Amarillo for Chrysler dealers, which Mr. McCord with many other dealers had attended, and they left here for Sweetwater, where they were to conduct another school.

First Bale of 1948 Cotton Is Ginned

The first bale of cotton raised in Lynn county this year was ginned at the Farmer's Cooperative gin in Tahoka Tuesday. It was raised by K. E. Williams on his farm six miles east and 4½ miles south of Tahoka and was gathered from about 15 acres of land. The seed cotton weighed 2,000 pounds, and the bale of lint cotton tipped the scales at 533 pounds. The seed weighed 830 pounds. The hulls, stems, and other trash accounted for the remaining 630-odd pounds.

Mr. Williams was presented a premium of \$50 by the Tahoka Chamber of Commerce, and the bale will be sold at auction at about four o'clock Saturday afternoon in front of the First National Bank, with Judge G. C. Grider acting as auctioneer.

Mr. Williams is a lucky man. He brought in the first bale of Lynn county cotton last year.

Lynn County Gets Good Publicity In Sheriff's Magazine

In the July issue of the Texas Sheriff's Magazine, write-ups of several of the counties of Texas are to be found including pictures of Sheriffs, Deputies, and other county and district officers, public buildings, etc. Lynn county is one of the number and is one of the best.

On page 65 is a good write-up of the county, its agricultural, mineral, and other resources, and most of the officials.

More than half the page is taken up with photographs, and they are good ones. One group contains practically all of the county officials and deputies except Judge Garrard and Mrs. Tunnell. Then there is a photograph of Charley Doak of O'Donnell, first sheriff, of Lynn county. Another picture is Sam Floyd, the present sheriff, with a grim, determined look. Next to him is handsome Calloway Huffaker, district attorney, also grim. Then there is Chief Deputy Tom Hale, about whom the writer says, "We'd bet he could lick his weight in wildcats." Typewriter Deputy Mrs. Marie Sanders, "not a bit hard on the eyes;" and Deputy Dee Sanders, dressed up "in pressed pants and a sparkling clean shirt." Up in the corner is R. E. Harmon of the Texas Liquor Control Board and his two little daughters. And at the bottom is a rather poor showing of the new REA building here.

On page 67 are two fine pictures of the gin district, the cotton field of J. W. Link—and it is some cotton too; the Tahoka Baptist Church; a photo of Judge Tom Garrard showing the keen cut of his eye and the hint of a smile; and to his left, the prize-winning pig at a recent Lynn County Livestock Show.

On page 69 is a field of Martin maize on the Alvin Shambeck Seed farm near the north line of Lynn County, and below it a field of Macha Storm-Proof cotton. The feed is fine, and apparently a bale of cotton per acre is open on the stalks in the Macha field.

It all looks fine—cotton, maize, pigs, officials, and particularly the lady deputies.

Johnny Frazier and wife, Lucille, who operate a photograph studio at some point in Wyoming, were brief visitors here Wednesday with their friends, Mr. and Mrs. C. C. Dwight.

Mr. and Mrs. Rex Marshall and family of Friona and Mrs. James E. Brown and little son Larry of Muleshoe visited Mrs. Susy Prater Sunday.

Tahoka Schools Opening September 6, Registration of Students, However, Will Be On Following Day, Brewer States

Applewhite Named Dealer For Buick

Announcement is being made this week of the appointment of the J. K. Applewhite Company as Tahoka agent for Buick automobiles. The automobiles will be on display at the local firm in the near future.

According to Buick publicity, the "Buick alone has all these features: Dynaflow drive, taper-thru styling, vibra-shielded ride, hi-poised fireball power, safety-ride rims, quad-reflex coil springing, flex-fit oil rings, road-rite balance, rigid torque-tube, sound-sorbed top lining, duomatic spark advance, ten smart model, and body by Fisher."

James Applewhite, manager, says the firm will carry a line of Buick parts and maintain a service department.

Horace Hale, 83, Died of Injuries

Death came at 11:48 a. m. Sunday in the Lubbock Memorial Hospital to Horace W. Hale, of Tahoka, 83, who had been attacked and fatally injured by a bull late Tuesday afternoon of last week out at the farm home of his son, Deputy Sheriff Tom Hale, which is occupied at the present time by his son and daughter-in-law, Mr. and Mrs. Tom Hale Jr.

The aged man was rushed to Tahoka, where first aid was given, and was then taken on to the Lubbock hospital. Blood transfusions were given and physicians did all that was possible to save the injured man's life, but found it impossible to do so.

The body was brought to Tahoka and prepared for burial by the Stanley Funeral Home, and funeral services were conducted in the First Baptist Church here at two o'clock Monday afternoon, Rev. C. T. Aly officiating. Burial followed in the Tahoka cemetery.

Pallbearers were Terry Noble, Claud Wells, Sam Floyd, Marvin Wood, Charles Nelms, D. D. Renfro, Honorary, G. W. Small, J. H. Henderson, R. H. Rusk, J. B. Reese, B. H. Robinson, T. R. Cathcart, P. H. Ren. R. C. Wood.

The aged man is survived by three sons and a daughter: Tom N. Hale of Tahoka; Mrs. Margaret Hale Dailey of Berkeley, California; Edward R. (Jack) Hale of Corpus Christi; and Horace A. (Bill) Hale of Hot Springs, New Mexico.

He is also survived by three sisters, Mrs. Sam W. Sanford of Tahoka, Mrs. J. D. Brown of El Paso, and Mrs. Ross Simpson of Lamesa; and by two brothers, Henry H. Hale of Higgins, and J. R. Hale of Corpus Christi.

Eight grand-children and five great-grandchildren also survive.

Horace Wheat Hale was born on September 10, 1866, at Lockhart, Texas. He came from Lockhart to (Cont'd. on last page)

REV. C. T. ALY TO CONDUCT REVIVAL AT GRAFORD

Rev. C. T. Aly and family are leaving this morning, Friday, to be gone until the end of next week. He will conduct revival services at Grafard in Palo Pinto county while the family will visit relatives in Waxahachie.

Rev. Ira Harrison of Lubbock will fill the Baptist pulpit here next Sunday at both the morning and evening hours.

Mr. and Mrs. Harold Smart and two daughters, Virginia and Helen, of Waxahachie were visitors here Wednesday and Thursday in the home of Rev. and Mrs. C. T. Aly. They were returning from a vacation spent in California. Mr. Smart is a brother of Mrs. Aly.

Mrs. J. B. Lowe of Carlton and Misses Emma and Mattie Hickerson of McGregor are here visiting their brother G. W. Hickerson and Mrs. Hickerson. Having come Wednesday, they expect to leave for home Monday.

Superintendent Vernon Brewer this week announces that plans are about complete for the opening of the Tahoka schools on Sept. 6.

Though school officially opens on Sept. 8, no students will come to school until the next day, Tuesday, Sept. 7.

There will be a general faculty meeting in Room 6 of the High School building at 9 a. m. Monday, Sept. 6, followed by a High School faculty meeting at 10 a. m. in the same room and a Grade School faculty meeting in Room 1 of the Grade School building.

Tuesday is the day of registration for all students. Students who will be in the 11th and 12th grades, will register at the High School from 9 to 12 a. m., and 8th, 9th, and 10th grade students will enroll from 1 to 4 p. m.

Town students will come to school only during the hours set aside for their registration. Bus students will ride the bus into town in the morning and stay all day, or, if they have other means of transportation, may come at their designated time for registration, either 9:00 or 1:00.

All Grade School students will come to the Grade School at 9:00 a. m. Tuesday, and meet in the gymnasium for instructions. They will be registered during the hours of 9 to 12 a. m. From 1 to 2 p. m., students will be assigned to home rooms, and from 2 to 4 p. m. they will be issued books.

All buses will be run Tuesday morning and evening.

Lunch will be served in the cafeteria Tuesday at noon.

H. A. Patterson Died Saturday

M. A. Patterson, 79, a resident of Lynn county for the past 34 years, died at 3:40 p. m. Saturday in the Tahoka Clinic, where he had been a patient just one week. He had been seriously ill for many weeks, however, at his home east of Tahoka. He was brought to the Clinic on Saturday, August 14.

Funeral services were conducted at two o'clock Sunday afternoon in the First Methodist Church here, with the pastor, Rev. C. A. Holcomb Jr. officiating, assisted by Rev. Ben Hardy a former pastor, Rev. C. T. Aly, pastor of the First Baptist Church and Rev. R. A. Ferguson, Baptist pastor at Slaton.

Members of the Masonic fraternity served as pallbearers, and he was buried with Masonic honors. The Stanley funeral home prepared the body for burial and had charge of funeral and burial arrangements.

Mr. Patterson had long been a member of the Methodist Church and was active in its work until failing health made this impractical. He served the church here as a steward for some time and also worked in other capacities. He was also a faithful member of the Masonic Lodge and was a devoted attendant upon its meetings until his health failed a few years ago.

He leaves as his survivors his aged companion, Mrs. Julia A. Patterson; four sons, D. E. Patterson of Seymour, W. E. Patterson of Phoenix, Arizona, J. O. Patterson of Tahoka, and J. E. Patterson, whose residence at the present time is unknown here; one daughter, Mrs. Clyde Shaw of Wilson; one sister, Mrs. J. W. Rodgers, who lives in Alabama; ten grandchildren, and twelve great-grandchildren.

Hardin Alexander Patterson was born on December 26, 1868, in Alabama. He was married in the same about two years later, 1891, and state in 1899 at the age of 21. He and Mrs. Patterson came to Texas settled in Cooke county. There they remained until 1914 when they and their children moved out to Lynn county. He and Mrs. Patterson and some of the children have resided here ever since.

He was a kindly, Christian gentleman and a good citizen. His friends were legion and he probably had not a personal enemy on earth. A good man has gone to his reward.

REDWINE PASTOR AND FAMILY VISIT IN ARIZONA

Rev. and Mrs. T. L. Pond and family returned early this week from a week's visit with the J. R. Montgomery family in Arizona. They were accompanied home by Ruth and Pat Montgomery, who are visiting among friends and relatives here.

Mrs. Pond states that Mr. Montgomery, who removed from the Redwine community out to Arizona last year, has a wonderful prospect for a bumper cotton crop this fall. They like Arizona but still claim that Texas is their home.

While out at Montgomery's, both the Montgomery and Pond families went to see the Grand Canyon, and Mrs. Pond says it is quite a gully.

Mrs. Pond announces that her husband, Rev. T. L. Pond, is conducting a revival meeting out at Lehman beyond Morton in Cochran county this week.

Youthful Carroll T. Aly of Tahoka filled the pulpit at Redwine Sunday morning in the absence of the pastor, and Rev. A. T. Nixon preached Sunday night.

CARD OF THANKS

This is to express our appreciation of the acts of kindness, words of condolence, and the flowers, upon the passing of our beloved wife and mother, Mrs. T. J. McDonnell. We appreciate the kindness of Dr. F. E. Seale and the nurses who cared for her in her illness. Our trust is that you may have such good friends in time of sorrow. —T. J. McDonnell and family.

RELATIVES VISIT N. E. WOOD FAMILY HERE SUNDAY

Mr. and Mrs. R. D. Nowlin and their four children of Clovis, New Mexico, and Mrs. Luther Watkins of Taiban, New Mexico, and Mr. and Mrs. P. A. Nowlin and children Peggy and Nancy of Brownfield visited the N. E. Wood family here Sunday.

R. D. Nowlin is a cousin of Mrs. Wood and Mrs. Watkins is an aunt. She had not seen her cousin and his family for many years.

SMITHS RETURN FROM VISIT IN EAST TEXAS

Mr. and Mrs. D. V. Smith returned Monday from a week's visit with relatives and friends at Clarksville and other points in Northeast Texas.

They were accompanied home by Mr. Smith's sister, Mrs. Taylor White of Gilmer, who is visiting here for a few days, and by Mrs. W. O. Robertson of Mt. Pleasant, a former neighbor of the Smiths here, who came to visit her daughter, Mrs. Elwayne K. Nevill.

ARIZONA RELATIVES VISIT SHERROD FAMILIES

Mrs. Ella Gobble and her daughter and the latter's son, all from Glendale, Arizona, were here recently visiting the Sherrod families. Mrs. Gobble being a sister of the late Mrs. Sherrod.

While here they visited with one of her sisters at Littlefield. They also made a trip to the Carlsbad Caverns, accompanied by Mr. and Mrs. G. B. Sherrod and Peggy Pat.

CARD OF THANKS

So many kindnesses were shown us during the closing days of the life of our beloved father and grandfather, Horace W. Hale, that we find it impossible to express our thanks fully. We especially thank those who tendered their blood for the blood transfusions, the South Western Associated Telephone Company that gave such good and prompt service, the women who provided the dinner, those who gave flowers and did innumerable other things to comfort and help us in our time of sorrow. —The Hale Families and other relatives.

CARD OF THANKS

We wish to express our gratitude to the many friends who did so many acts of kindness during the long period of illness and suffering which our companion and father underwent during his last illness and for the words of affection and sympathy spoken following his death, for the flowers given, and every thoughtful word and deed. May God bless you all. —Mrs. H. A. Patterson and the children.

Mr. and Mrs. D. O. Gray of Winters were here Sunday visiting Mr. and Mrs. Coy Fielder and daughter.

Mrs. Gray and Mrs. Fielder are twin sisters.

CARD OF THANKS

We are sincerely grateful to our Lynn county friends for their expressions of sympathy and the comfort they sought to give us in the time of our recent sorrow. So many of you proved to be friends indeed and we shall not soon forget your friendship and loyalty. May such a tragedy as befell us never come your way. —Sam Weathers and the family.

ATTEND FUNERAL OF MISS MCLEROY'S FATHER

Mrs. Garland Pennington, Mrs. W. A. Reddell, Mrs. Joe Bob Billman, and Mrs. Belton Howell attended funeral services for Mr. C. J. McLeroy, father of their friend, Miss Nellie McLeroy, which were conducted at 4:30 o'clock Tuesday afternoon in the First Baptist Church in Brownfield by Rev. A. A. Brian, the pastor.

Mr. McLeroy, 69, and a resident of Gomez community just west of Brownfield, died suddenly at his home Sunday morning. He had been a resident of Terry county for twenty-seven years.

His daughter, Miss Nellie McLeroy, was a teacher in the Tahoka public schools for two or three years just a few years back and has many friends here.

She is one of the seven surviving daughters of the deceased. There are also three surviving sons.

DEAR JOHN

Tahoka, Texas
August 27, 1948

Dear John: This is an invitation to have you come in and "get acquainted." You will find that everyone in our organization is working as a "team" to give you courteous, efficient and skillful attention.

Right now, our skilled mechanics are studying to become Master Technicians by actually "going to school" in a practical down-to-earth technical course, sponsored by the factory. This is in line with our policy that our specially designed Chrysler-Plymouth tools and equipment be placed in the hands of highly skilled workmen, in order to accomplish their rightful purpose. Yes John, when we say "going to school," we mean that we have invested several hundred dollars in a "talking motion picture machine" in which films produced by the Chrysler Corporation describe the proper ways and methods to properly service and repair your car. Each mechanic spends from four to six hours each week in this course of training in our own establishment.

Our mechanics agree with us and take great pride in their knowledge of your car and the skill with which they service it. Their extra training gives our service department the "PLUS" that sets it above the average. But there is no "plus" involved in the cost to you. In fact our "teamwork" saves your car and saves you money. John bring your car in and let us prove this.

Sincerely yours,
FLAINS MOTOR CO.

GOSSETT OFFERS THE REMEDY
In a red-hot editorial last week, Jack Stricklin of the Terry County Herald goes to the mat with both the Republican and Democratic parties. Among other things he declares:

"Both parties are viewing each other to kill the US Constitution and the Declaration of Independence. The safest course will be for liberty loving people to black both party nominees, and if the dictators down at Austin won't permit Thurmond and Wright to be placed on the ticket, then write them in. A protest vote this fall is a vote for a free nation. The masses of

Purrrhea May Follow Neglect
An Astringent and Antiseptic that will please the user or DRUGGISTS would money if first bottle of LENO'S fails to satisfy.
WYNNE COLLIER, Druggist

people are almost ruled right now by minority groups."

The trouble with your suggestion, Jack, is that the name of neither Truman nor Dewey will be on the ballot. We will have no chance to black either party nominee. And the names of Thurmond and Wright should be written in on the ballot by the voters it would not amount to a thing in the world. Such an attempted vote for them could not be legally counted. We just don't vote for Presidents in that way. We vote for sets of electors named by the different parties. The best that can be done for Thurmond and Wright is for their supporters to get organized into a party and then comply with the legal requirements to get the names of said party's electors printed on the official ballot at the November election. If such party should fail to do that, then the voters could write in the names of electors, possibly, in the Independent column, but who would make the trouble to write in 23 names? It would be about the most impossible and senseless thing that could be attempted.

Two remedies for all this have been suggested. One is that the names of the candidates of the various parties be printed on the ballot and that the President and Vice-President be elected by popular vote. Some objection has been made to this in times past by "States Rights" Democrats, and so Congressman Ed Gossett of Wichita Falls has proposed a Constitutional amendment embodying a slightly modified form of election by popular vote. His proposal is for the names of electors to be printed on the ballot as heretofore but that the electoral vote in each state be divided in the same proportion as the popular vote.

The effect of this would be to eliminate the enormous, abnormal power of the minority groups of which you speak. A vote dictated by labor bosses in New York or Penn-

sylvania or Illinois or Michigan or Massachusetts would count for no more in the election of a President than would a vote in Texas or Mississippi or Georgia. That is not true under the present system. A thousand Negro votes in New York City under our present system may swing New York's entire block of 47 electoral votes to Dewey or Truman as they may choose and thereby elect the man of their choice. The same is true as to the labor bloc, the Catholic bloc, the communist bloc, or any other old bloc properly organized and with an axe to grind.

Jack, you and your "Dixiecrat" friends and the people of all parties everywhere in this country should get in behind the Gossett proposal and kill forever the abnormal power of these minority groups.

A brief news story dated August 21 and appearing in the daily press stated that a new all-time record in pari-mutuel wagering on harness racing was established at Roosevelt raceway in Westbury, New York, that night when 27,799 spectators wagered \$1,010,774 on an eight-race program. This shattered the former high of \$1,004,330 established at Roosevelt raceway on August 14. It does seem that it is about time for those statesmen who have been busy throwing "states' rights" to the winds and demanding the passage of federal laws regulating just about everything to turn their attention to the passage of a federal statute out-lawing pari-mutuel gambling. This kind of gambling, they tell us, is just about the greatest possible fraud being practiced today by the race-track slickers on the American public. Just enough folks can make big winnings to keep the appetites of thousands of others keenly whetted for a trial at the game. The operators are the only sure-shot winners and their winnings over any given period of time are enormous. Bucking the game leaves a trail of disappointment, financial calamity, crime, and tragedy, as the fate of those who buck the game long enough. A government that has the power to block the ordinary lottery ought to have the power and the determination to block this much more serious evil. Why don't some of our Southern statesmen turn the tables on these Northern and Eastern gamble-mongers and propose a federal law?

STATED MEETINGS of Tahoka Lodge No. 104, the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.
Ed Hamilton, W. M.
Chas. B. Townes, Sec'y.

CARD OF THANKS

Please accept our thanks for all the kind things done and for the donation made to us during and after our long spell of sickness. Our friends of Wilson even cleaned up and beautified our yard, which had grown up in weeds. For this and many other kindnesses, we wish to thank you again and again. We are also pleased to state that Mr. Hancock is improving. —Mr. and Mrs. W. J. Hancock and family.

You can add that room you need and pay for it by the month at Shamburger - Gee Lumber Company. Phone 313. Adv.

Girls Forget Fears, Thanks To 2-Way Help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI's 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

"Lubri-tection"!*

I'll Know You're Talking About
The Product That Makes Me Proud —
Phillips 66 Premium Motor Oil!

Man this "Lubri-tection" is something to boast about! It means the two things you get with Phillips 66 Premium—lubrication plus protection! Here's a motor oil with all the great lubricating qualities you just naturally get from fine base stocks and expert refining, plus additives and inhibitors that protect by helping to lick sludge, carbon and varnish deposits. That's a lot in one quart of oil but Phillips 66 Premium's got it! Why don't you switch to "Lubri-tection" today!

Make these 4 comparisons before you buy any car

COMPARE THE VALUE
Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY
You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES
Only Chevrolet combines the Unitized Kneecap Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for taste and beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-around safety protection!

COMPARE THE PRICES
You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in the field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES... that's why
CHEVROLET—and Only CHEVROLET—is FIRST!

BEN MOORE GIVES LOWDOWN ON FIRST COTTON RAISED ON THE PLAINS

The following bit of history respecting the beginning of the cotton industry on the South Plains, written by Ben Moore of O'Donnell, was published by THE PROGRESSIVE FARMER in its current issue, September, 1948. Ben usually knows his West Texas history, and this must be correct.

First Cotton On Plains

When was the first cotton planted on the High Plains? People in Lubbock county say that the late W. P. Florence grew the first cotton on the South Plains in 1901. Farther south, the people of Lynn county claim that the first cotton was grown in that county. And both counties are probably honest in believing their claims.

But not many folks knew when J. B. Hancock and his nephew, Walter Hancock, left Morgan Mills in Erath county for the Plains. They built their sod dugout near the present town of Petersburg in Hale county. J. B. Hancock believed the area was a good farming section. So, in 1889 he and his nephew planted a small plot of cotton. The cotton produced about a bale. They hauled the cotton to Childress—a distance of about 100 miles—to be ginned. They kept the seed and hauled it back to their sod dugout. But they didn't plant any cotton the next year. In fact they decided that they "were most too far from anywhere," and moved back to Morgan Mills.

However, the "plains bug" had bitten them. They moved to O'Donnell, Texas, close to the south boundary of Lynn county, in 1922. J. B. Hancock and his nephew, Walter, are both buried at O'Donnell. Descendants of their family live at O'Donnell today.

Ben Moore, Sr.

REDELLS REPORT THE MIDDLE WEST PROSPEROUS

Mr. and Mrs. W. A. Reddell arrived home Monday after having spent last week in St. Paul attending the convention of the National Rural Letter Carriers' Association. They report that the attendance at the convention was the largest in the history of the organization and that the meeting were excellent.

Going and coming in their own car, the Reddells greatly enjoyed the trip both ways. Mr. Reddell says that in the corn belt, through which they passed and in which are included in the states of Kansas, Missouri, Iowa, and Minnesota, they were raising the finest corn crop this year in the history of the region. It was corn, corn, corn everywhere, and the ears were large and fine.

Arriving in the city of St. Paul on Sunday afternoon and getting settled down in their hotel room, the Reddells decided to attend services at the First Baptist Church that night. But they found the church dark and a note posted on the door stating that the congregation was meeting that night with a Presbyterian Church whose location was given. So, they went over to the Presbyterian Church and both congregations merged did not exceed 100 persons.

Mr. Reddell thinks that religion is at a low ebb in the North.

About the most discouraged person we've ever seen was the fellow who had written a long over-due letter, and then lost it before getting it mailed.

Miss Joretta Palmer of Tullia spent last week here with her grand-parents, Mr. and Mrs. T. B. Burrough.

You're likely to get shocked when you step on anybody who is a live wire.

BETTY LOU FRAZIER WEDS MELVIN BROOKSHIRE

Mr. and Mrs. Lawrence Frazier are announcing the marriage of their daughter, Miss Betty Lou Frazier, to Mr. Melvin Brookshire, son of Mr. and Mrs. W. Brookshire, which took place Friday, August 20, in the study of the First Baptist Church in Tahoka.

The single-ring ceremony was read by Rev. C. T. Aly at high noon. The bride was dressed in a white suit of wool gabardine with cocoa brown accessories.

Following a wedding trip in New Mexico, the couple will be at home in Tahoka, where the bride, a graduate of the Texas Technological College, is a teacher in the public school system, and the groom is engaged in farming.

ATTEND HARRISON REUNION

Mrs. G. R. Milliken and Mrs. Gladys Stokes of Tahoka and Mr. and Mrs. E. J. Bean of O'Donnell attended a reunion of the Harrison families Monday in Mackenzie State Park, Lubbock. Mesdames Milliken, Stokes, and Bean are descendants of Mrs. Laura C. Harrison who lived in this county so long and who passed away several years ago.

The majority of the group attending the reunion were the children and other descendants and relatives of the late Mr. and Mrs. L. C. Harrison of Seymour. Two sons, Rev. Ira Harrison and A. F. Harrison live in Lubbock, and their brothers and sisters who joined in the celebration were W. E. Harrison and Mrs. L. D. Miller of Seymour, Mrs. Era Cline of Houston, Mrs. W. C. Harrison of Odessa, and W. B. Harrison of Waco.

Other relatives present included Homer Harrison of Lubbock, formerly a resident of Tahoka; Mrs. Donna Sue Gardner, daughter of Mr. and Mrs. G. R. Milliken of Tahoka, who was born and reared here, and her little son, now residing in Lubbock; Mr. and Mrs. Theibert Miller and children, Mrs. Ira Harrison, Mrs. A. F. Harrison and daughter, all of Lubbock; Olin Miller, Mrs.

RENA LEE BROOKS WEDS ED ISAACS

Miss Rena Lee Brooks, daughter of Mr. and Mrs. Tilman Brooks of New Lynn, became the bride of Ed Isaacs, son of Mrs. Guy Davis of Post, in a single ring ceremony read at 7:00 o'clock Friday evening, August 20, in the Baptist Parsonage at Slaton, by the pastor of the First Baptist Church there, Rev. R. A. Ferguson.

Both Mr. and Mrs. Isaacs attended school in Post, and they have a host of friends in Tahoka and Post who wish them much happiness.

Mr. Isaacs served two years in the U. S. Navy.

After a wedding trip to points in Mexico, the couple will be at home in Hobbs, New Mexico.

MRS. BILLY LEE REED

MISS MABEL GREEN BECOMES BRIDE OF SLATON MAN

Miss Mabel Rosella Green, daughter of Mr. and Mrs. Oliver W. Green of Tahoka, and Billy Lee Reed, son of Mr. and Mrs. C. T. Reed of Slaton, were united in marriage in a double-ring ceremony read by Minister Joe Chisholm at 8:00 o'clock last Friday night in the home of the bride's brother-in-law and sister, Mr. and Mrs. William Zachary, at 503 North Second Street, Brownfield.

The bride was dressed in a dark blue street-length dress with deep yoke embroidered with silver sequins and she carried a white Bible. Her sister, Mrs. Zachary, served as matron of honor and Mr. Zachary attended the groom as best man.

A reception followed, at which punch and wedding cake were served.

Following a short wedding trip, the couple were to be at home in Slaton, where the groom is engaged in business and had their residence already furnished and ready for occupancy.

A girl may wear a golf outfit when she can't play golf, and a bathing suit when she can't swim, but when she puts on a wedding gown she knows what she's doing.

Every day when we arise we're more surprised than ever—when we raise the shades, look out the window, and find the world is still present.

I. I. GATTIS IMPROVING AFTER A HEART ATTACK

I. I. Gattis returned last Friday from Dalhart, where he had been sick for several weeks. He went to Dalhart on business on June 28 and suffered an attack of heart trouble the next day. Mrs. Gattis was with him and both remained until last Friday, Mr. Gattis being under the care of a physician during that entire time. He is now able to be up.

Mr. Gattis reports that plenty of rain has visited that area this summer and crops and grass are fine.

Mrs. Clyde Jones returned Tuesday from visiting her sister at Colorado Springs, Colorado.

A report is being circulated that a 60-year old man has a new tooth. But it may be false.

One reason why every woman tells her troubles to her husband is because they are him.

HEALTH NOTES FROM STATE HEALTH OFFICE

Austin, August 25.—The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. George W. Cox, State Health Officer to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

The State Health Department is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for safe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments.

"The public should be aware of these sanitary rules and regulations and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons; also, Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered cap and a legal label," Dr. Cox advised.

"Obviously," he said, "the best in sanitation can be had only by close co-operation between the public and the investigators of the State Health Department."

All men, including statisticians are interested in figures.

H. C. Story, former county clerk of this county and an employee in the State Comptroller's office in Austin since going out of office here, is spending his vacation with his brother-in-law, J. D. Martin, at the farm near Draw.

Singing increases the blood pressure, says a southern doctor, but he neglected to say whose.

FRIENDS TELL FRIENDS... ONLY SERVEL GIVES YOU A TEN-YEAR GUARANTEE... BECAUSE

Only the **GAS Refrigerator**
STAYS SILENT
LASTS LONGER

IT'S TEXAS' GROWING FAVORITE!

Like all good news... it gets around! There's one different, simpler refrigerator that actually guarantees no noise or trouble for ten years. No wonder more and more Texas families prefer the Servel Gas Refrigerator.

Only Servel can afford to guarantee performance for ten years, because only Servel has a different, simpler freezing system—without a single moving part! There's no motor, no machinery. Just a tiny flame of natural, butane or propane gas makes ice and cold. That's why many of Servel's more than two million owners are still enjoying theirs after 18 and 20 years.

You'll say the new models are beauties, too. Plenty of room for frozen foods, lots of ice cubes, moist and dry cold for fresh foods are features you'll enjoy. Come choose your silent Gas Refrigerator today.

Operates anywhere

AAA PERSONNEL ATTEND GRIN MEETING IN LUBBOCK

On Tuesday of this week three members of the Lynn county ACA and others attended a meeting in Lubbock for the purpose of discussing the dire shortage of grain storage facing farmers of the South Plains. Clarence Church and N. S. Parker, members of the County committee and Clint Walker, Secretary of the Association, attended the meeting and they report that the situation is critical. Under the present price support program farmers can participate in a government loan of \$2.28 per hundred on No. 2 grain sorghums providing they have storage for the grain, either on the farm or in a government approved warehouse.

This price support program will be of little value to the farmer unless he provides storage for the grain and, while the dry weather has sharply curtailed the crop in this county, Lynn county farmers stand to lose thousands of dollars by not having ample storage facilities.

Congressman George Mahon attended this meeting and pointed out that such a meeting serves as a warning that a real problem exists, and that unless the storage problem is solved, farmers will be heavy losers.

Lynn county farmers are urged to check their storage needs and avail themselves of this price support program. The AAA office in Tahoka has full information on the loan program and the purchase a-

greement program and will be glad to assist farmers in every way, Walker says.

A committee was appointed to check into the possibility of obtaining buildings at the South Plains Army Air Field for grain storage. This committee is composed of John Gamble, District Field man for Production and Marketing Administration, and Walter Wells of Lubbock. Ray McIntyre of Floydada, and Clint Walker of Tahoka, the latter three being county administrative officers of PMA.

Copper GI

In the peak of Mount Washington, N. H., 6,288 feet above sea level, stands the grotesque figure of a man. This pedestal-mounted, rope-braced figure is a copper soldier. He is clad in the latest scientifically designed Arctic clothing and is filled with an intricate system of electric wiring and electronically-controlled heating elements. The copper GI is answering questions that no human being has been able to answer with any degree of accuracy, namely, "How cold does it feel up there?" The copper soldier will be able to tell quartermaster corps research technicians for example, which is the more chilling—zero weather with a 20-mile an hour wind or 20 degrees below zero without any wind. And he will indicate with exact precision how fast a body loses heat at different temperatures and under varying conditions of humidity and wind with each type of clothing assembly under test.

Through the years since 1924

A collection of your electric service bills from Southwestern Public Service Company since this company was started in 1924 would tell an interesting story. For example, you'd see that today your electric service costs just about one-half what it did a few years ago. Your electric service statements would tell a story of increasingly better living. You'd probably remember when you purchased your first radio, your electric refrigerator, started depending on electric service to make household tasks easier, and remember too how much more low cost electricity you're using today for better living—everyday. Our 24-year story is a story of growth on our part, but more than that, it is a story of ever increasing benefits, in the way of better living, to all the folks we serve in the Panhandle Plains, Pecos Valley area.

SOUTHWESTERN PUBLIC SERVICE COMPANY
24 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Election . . .

(Continued From Page 1)
 out that commissioners precinct much interest has developed in the commissioners race. In the first primary there were three candidates. County Commissioner, Thad Smith received only 126 votes and was eliminated. That left the final contest up to Donald C. Caudle, who received 152 votes in the first primary, and G. W. Turner, who received 208 votes.

In the state senatorial race there were four candidates, Corbin of La. mesa, Parrish of Lubbock, and Brock and Dudley Brummett also of Lubbock.

Unofficial and slightly incomplete returns gave Corbin a lead, with 17,341 votes; Parrish was second, with 15,832; Brock ran close upon Parrish's heels, with 15,117 votes; and Brummett trailed with 11,854. The two leading candidates, it will be noted, received only 6,202 more votes than the two eliminated can-

didates. A total of 60,144 votes were cast in the contest. Anything could happen in this race between Corbin and Parrish Saturday.

In the contest for the United States Senate, incomplete and unofficial returns as gathered by the Texas Election Bureau and published in The News on August 6, gave Stevenson quite a decided lead over his closest opponent, Lyndon B. Johnson. There were three leading candidates and a lot of minor candidates in that contest. The report published on August 6, gave Stevenson 457,709 votes; Johnson 393,130; Peddy 231,308; all others, 79,938.

So, it will be seen that Peddy and the eight minor candidates received a total of 311,246 votes, which, if cast Saturday, will be divided between Stevenson and Johnson. Since Stevenson led Johnson by 64,579 votes, and if each should receive all the votes each received respectively in the first primary, Johnson will have to win 188,247 of these votes, while Stevenson would

have to win only 123,668 of them. It could be a horse race.

However, it is a foregone conclusion that the vote next Saturday will be very light as compared with the July primary vote.

Crowd Attends

(Continued from Page 1)
 an Eagle Scout and was given about a half-page boost in the Avalanche, while there were four boys in Tahoka who attained this rank and not much was said about it. These four, according to Scoutmaster E. B. Gaither, are Kenneth Weaver, Kenneth Farr, Wayne Sherrod, and Roy Anglin. Two Scouts had attained that rank theretofore, Edwin Jolly and Doyle Akin.

The local committee directing Boy Scout work in Tahoka is composed of the following citizens: L. A. Forsythe, A. L. Weaver, Fred McGinty, George Akin, Walter Anglin, and J. D. Adams.

A majority of the district commissioners are also Tahoka men. These are A. R. Milliken, Bill Strange, Jack Alley Robinson, Fred McGinty, and Everton Nevill. The district comprises Tahoka Grassland, Post and Slaton.

Girl Scout leaders were also given recognition Monday night. There are four troops of Girl Scouts here.

Mrs. John Slover is the leader and Mrs. Fred McGinty the co-leader of the Senior Girl Scouts, troop No. 1.

Mrs. Roy Edwards is the leader and Mrs. Sam Floyd the assistant leader of troop No. 2.

Mrs. Emil Prohl is the leader and Mrs. Douglas Finley the assistant leader of troop No. 3.

Mrs. Coy Fielder is the leader and Mrs. Charles Nelms the assistant leader of troop No. 4.

The Girl Scouts also had a place on the program Monday night. Pat-sy and Mariana McGinty directed a couple of singing games that proved to be the hit of the evening.

There is also a troop of Cub Scouts here, with Perry Walker, Jess Gurley, Happy Smith, Hick Gibson, Truett Smith, and Fred B. Hegi as the committee and Alfred Ratliff as the new Cub-Master.

Den mothers are Mrs. Truett Smith, Mrs. R. H. Gibson, Mrs. Neely Brooks, and Mrs. Alton Cain.

Mrs. Helen Ellis and Stephen are visiting her mother-in-law, Mrs. T. M. Ellis, at Christoval while on her vacation.

Judge and Mrs. B. P. Maddor visited in Floydada last Sunday.

One of the easiest things in the world to meet is expenses. You run into them every place you go.

There's a Wide selection of Wall Paper at Shamburger-Gee Lbr. Co. Phone 313. Adv

Hale Dies . . .

(Continued from Page 1)
 Gall, Borden county, in 1888, and had been a resident of this section of the state for sixty years.

This was a land of open range at that time. The buffalo and the Indian had scarcely disappeared, but long-horn cattle and Spanish ponies even then were plentiful. There were no railroads and no highways penetrating the Plains. Only cow trails and now and then a wagon or stage road wound way from one frontier trading point to another. There was a mail route from Colorado City to Gall, and from Gall up into the south plains. Horace Hale for several years in these pioneer times drove the mail back from Colorado City to Gall and thence to Grassland first perhaps, and later to Tahoka.

In 1908 he moved from Gall up onto the caprock and worked on a ranch.

In 1893 or thereabout, he was married to Miss Alta Rhoads at Lockhart, some five years after he had come out to Gall.

This was a real "Wild West" country, but somewhere back in those hectic days, he was converted and united with the Baptist Church and retained his membership throughout the remainder of his life.

He was an honest, frank, up-standing man of the old pioneer type and enjoyed the perfect confidence and the high esteem of all who knew him. It seems a little incongruous that he should have been killed by a bull, but nothing except something vicious would ever have harmed a hair of his head.

B. T. Smith Writes From Old Mexico

Jess Gurley received a letter the first of this week from B. T. Smith, who was reared and who lived in this county for years but now calls Lubbock his home, in which he tells the story of his attempt, with others, to climb to the top of Mt. Popocatepetl, highest peak in old Mexico.

B. T. is a very resourceful and adventurous gent, and he can drive a car or pilot a plane with equal facility. Jess turned the letter over to the News for publication if we deemed it of sufficient interest. We are sure many of our readers will enjoy it. The letter is not dated but was written recently from Mexico.

Dear Jess:

I wished for you down here yesterday, knowing you like the wide open spaces and mountains. I floundered one of my life-long ambitions by less than 1,500 feet. Five of us started out to make the top of Popocatepetl. The last 4,000 feet is snow and ice. Of the five, there were two boys and two girls besides me, but one boy fell out at 14,000 feet and had to turn back. He became quite dizzy at times and his old kicker was beating too fast, so we sent him back. The boy smokes heavily, and smoking and mountain-climbing don't seem to parallel.

(Continued last page, Sec. 2)

PVT. BILLY E. ANDERSON WITH EIGHTH ARMY IN JAPAN

With the Eighth Army in Camp Younghans, Jinamachi, Japan, Private First Class Billy E. Anderson, 18-year-old paratrooper from Tahoka, Texas, is serving with the 11th Airborne Division in the occupation of Japan. He is presently assigned to the 675th Glider Field Artillery Battalion in Camp Younghans, Jinmachi, Honshu, Japan. His parents Mr. and Mrs. Joe B. Anderson, are residing at Tahoka, Texas.

Private First Class Anderson enlisted in the Army May 21, 1947 at Fort Bliss, Texas. He then went to Fort Ord, California for 13 weeks of basic training. Upon completion of basic training, he left for Fort Benning Georgia, where he qualified as a parachutist and gliderist November 22, 1947. Private First Class Anderson has been assigned to his present organization since February 10, 1948.

CARD OF THANKS

I wish to thank my friends for the lovely flowers, the nice cards, and other tokens of affection sent to me, for the prayers offered in my behalf, while I was a recent patient in the Baylor Hospital in Dallas. May God bless you all. —Mrs. Pat Campbell, Wilson.

If you spend a dollar in your home town, you have some hope of getting it back; if you don't, you just spend a dollar.

CHAPLAIN'S BEDSIDE VISIT—The soldier who is ill or is suffering from wounds is soled by the visit from the chaplain who goes wherever the men in the ranks may need his ministrations and counsel.

JOHN ROBERTS AND FAMILY ATTENDING BLOYS REVIVAL REGISTRATION DAYS ARE SET AT TEXAS TECH

Mr. and Mrs. John A. Roberts and daughters have been at Fort Davis several days attending the Bloys revival, which is being held near that town. This is an annual inter-denominational revival which has been held there in one of the summer months for many years. It is supported mainly by the cattlemen and cowboys of the trans-Pecos region and its fame has spread far and wide, and it attracts many people from long distances.

The Roberts family also expected to visit the McDonald Observatory near by while in that area.

Lubbock, August 23.—Registration for the 1948-49 school term at Texas Technological college will begin Thursday, Sept. 16.

W. P. Clement, registrar, said September 16, 17 and 18 will be devoted to registration. Classes will begin September 20.

Mr. and Mrs. Charles Kennedy came up Thursday from Waco, where he had been a student in Baylor University, to visit her parents, Mr. and Mrs. L. M. Nurdyke. They left here Saturday morning for Hobbs, New Mexico, to join his parents on a trip to California.

ANNUAL W. M. U. MEET TO BE AT REDWINE

The annual meeting of the Brownfield Associational W. M. U. will convene with the Redwine Church at 10:00 o'clock a. m., September 9.

All women of Baptist W. M. U.'s and the pastors are invited and urged to attend. A good program has been arranged and lunch will be served. A nursery for small children will be provided. —Mrs. Henry Heck, President.

Mr. and Mrs. J. F. Stuart and son Frankie made a pleasure trip up to Ruidoso and spent a day or two there last week.

It's an ill wind that blows skirts high and dust in a man's eye.

ELECTRIC SCOREBOARD TO BE ERECTED AT TECH STADIUM

Lubbock, August 23.—Full credit for erection of a new electric scoreboard in the Clifford B. and Audrey Jones stadium at Texas Technological college will go to the graduates of 1943.

The class of '43 left as its parting gift \$1,000 in bonds to be applied on a scoreboard. The '43 summer class added \$50. The board of directors voted recently to make up the difference from college funds and "let the class have full credit."

Kenneth W. Robbins, of Houston, Tech halfback letterman, was president of the class and will have charge of dedication plans scheduled for sometime this fall.

Talk is not idle here

Talk is our business—and never before have we carried such a tremendous volume of it. Both local and long distance telephone traffic is at a new high in spite of continued shortages of skilled workers and necessary materials. We've talked a lot about our expansion program, too, and this talk has not been idle.

During the past few years we have made rapid progress in this program.

Our expansion will continue until we have provided efficient telephone service for every person desiring it.

MEET THE NEW

BUICK DEALER

IN TAKOKA, TEXAS

J. K. Applewhite Co.

Northeast Corner of Square

Phone 14

THERE'S a big welcome mat at the door of your new Buick Dealer. And we hope you will use it.

For you will meet up with an organization built on friendliness, courtesy and the kind of consideration you like to have shown to you.

It's an organization headed up by men who know cars—and Buicks in particular—from tire tread to Turret Top.

It's an organization with a most complete stock of proper service parts, and with specialists skilled in factory methods.

And, of course, it's your near-by place to see the new fashion-plate Buicks that match superb beauty with the greatest

engineering advances of the year—including the Vibra-Shielded ride, and the fabulous new Dynaflo Drive.*

This organization has one thought foremost: to serve you well. We hope you'll drop in soon and say hello.

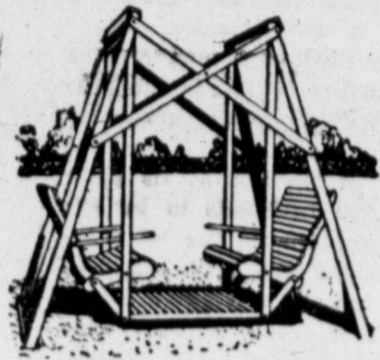

*Optional at extra cost on Roadmaster models.

BUICK alone has all these features

DYNAFLOW DRIVE • TAPER-THRU STYLING • VIBRA-SHIELDED RIDE • HI-POISED FIREBALL POWER • SAFETY-RIDE RIMS • QUADRIFLEX COIL SPRINGING • FLEX-FIT OIL RINGS • ROAD-RITE BALANCE • RIGID TORQUE-TUBE • SOUND-SORBER TOP LINING • DUOMATIC SPARK ADVANCE • TEN SMART MODELS • BODY BY FISHER

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

**New Way to Construct
An Old-Fashioned Swing**

DO YOU want to bring back happy moments you've long since forgotten? For fun in the sun or a pleasant place to spend a quiet period of relaxation under the stars, we recommend this modernized version of an old fashioned lawn swing. It's a hit with grownups as well as children. There's room for four in the form fitting seats.

The lawn swing is easy to build. No special tools or skill are required. The full size pattern offered below provides all the information needed to buy the materials, cut and assemble the swing. All materials specified are stock size and are now readily available at most lumber yards.

It's as easy as that. The pattern provides a full size, printed paper outline of each component part of the swing. Trace each piece on the lumber specified, saw and assemble. Wherever the pieces are joined, their exact location is shown on the pattern. All bolt and screw holes are also shown. You'll have fun building this swing and lots more fun using it.

Send 50c for lawn swing pattern No. 155 to East-Bro. Pattern Co., Dept. W., Pleasantville, N. Y.

WEEKLY NEWS ANALYSIS

Bumper Crops Due This Year, May Crack High Cost Living; Spy Probe Confusion Mounts

By Bill Schoentgen, WNU Staff Writer

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts, and not necessarily of this newspaper.)

SIDETRACKS . . . Two potential witnesses who were expected to add some information to the Washington Red spy hunt were Mrs. Oksana Stepanovna Kosenkina (left) and Alexander Koral. Neither did, however. Mrs. Kosenkina, who taught children of Russian U. N. officials in New York, made headlines by leaping from a third-story window in the Soviet consulate where she allegedly was being held against her will. Koral, billed as a "mystery witness" and accused of being a paid courier for the wartime Communist espionage ring, refused to tell anything he might know on the grounds that he would be incriminating himself.

CROP REPORT: Momentous

There was momentous news from the nation's farms: In the cards for 1948 was a record-setting corn crop, the second largest wheat crop and substantial increases over last year in oats, barley and rye.

Government estimates, as of August 1, of this year's grain production read like a statistical fantasy of the promised land. Bureau of agriculture economics reported that a corn crop of 3,508,363,000 bushels is indicated this year, far above 1947's small, weather-plagued crop of 2.4 billion bushels.

An approximate 1,284,323,000 bushels of wheat will be forthcoming this year. Other crop estimates were: Oats, 1,470,444,000 bushels; barley, 313,139,000 bushels, and rye, 26,684,000 bushels.

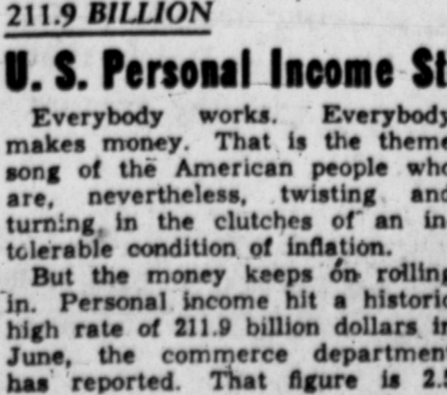

Trouble grew out of the fact that, although the huge crops are welcome this year, they may set the scene for huge postwar surpluses, mostly of corn and wheat. Officials contend that there simply aren't enough animals left on the nation's farms to take care of the kind of production being achieved this year, particularly the corn output.

Immediate result of this sudden condition of oversupply probably will be the government's starting to support corn prices as soon as the crop starts moving. Other grain supports are likely to be evoked later.

Grain exports will be pushed, of course, but the export market is almost certain to fall off in a year or so because other nations also are intensifying their farm production with considerable success.

Deflation?

Brighter side of the crop situation is the fact that it promises the consumer almost certain relief from inflated food prices sooner or later, since grain supplies and prices are basic in determining cost of living at the household level. Prices of most grains, as a matter of fact, already have broken. Corn was down to \$2.02 a bushel

work for farm gluts that would be followed by costly subsidies in the form of farm price supports.

Should another year of heavy crop yields follow this one, and should there be a recovery of agriculture abroad, tremendous surpluses in grains would result. Thus, U. S. taxpayers would stand to lose in the cost of price supports a good deal of what they might save in food prices.

CONFUSION: And Spies

America's current top thriller, the Russian spy sensation, had developed more facets than a cylindrical lens in a lighthouse and each one was blinding to the eye of the beholder.

The motley group of persons called to testify before congressional investigating committees was growing and growing. It was getting to the point where even the witnesses had witnesses.

A sensational offshoot of the original spy investigation temporarily stole the spotlight from the main event. This was the battle of the schoolteachers—Mikhail I. Samarin and Mrs. Oksana Stepanovna Kosenkina, both U. N. personnel.

The going on over this pair of Russian pedagogues seemed to be fairly complicated, but they could be boiled down to a sophisticated international game of run sheep run.

Both Samarin and Mrs. Kosenkina had appeared on the scene as potential witnesses in the congressional investigation. Then things started to happen.

First Mrs. Kosenkina disappeared for a few days. According to the official Soviet version, she had been "captured" by a group of anti-Communist White Russians and held prisoner. Then she was "rescued" by loyal U. S. S. R. subjects. A few days later she leaped from a window in the third story of the Soviet consulate in New York where, she said, she had been held captive. Driven to desperation by fear, she was seriously injured when she took the only way out.

On top of all this the other school teacher, Samarin, also disappeared. He, too, was supposed to be in custody of anti-Commie White Russians. However, information leaked out from the Samarin camp: He wanted to testify; he liked the U. S. and revolted against going back to Russia.

ACCIDENTS: 100,000 Deaths

Possibly the most shocking set of statistics compiled year in and year out in the U. S. is that dealing with the nation's accidental death rate. In 1947, National Safety Council has disclosed, about 100,000 persons died accidentally. The full accident toll was approximately 2,000 deaths higher than in 1946.

More Money Spent During 1948

Americans during 1948 are buying houses and automobiles faster than they can be produced and indebtedness is increasing, according to the Federal Reserve Board's 1948 survey of consumer finance.

Fewer folk are saving in 1948 than the year previous. Some 3 million consumers who had savings bonds in 1947 didn't have them the first of 1948. Consumers are doing more of their paying on a credit basis than a year ago. Because buying has increased, they're using more of their savings than before.

It is expected that about one-fourth of the consumers will spend beyond their income in 1948 as they did in 1947.

ASK ME ANOTHER?
A General Quiz

- How many bones are there in the body?
- What state occupies the geographic center of the U. S.?
- Is it true that the hairs of the head are similar to fingernails?
- How much ice is there at the South Pole?
- When were red and green lights first used as traffic signals?
- Will moths attack nylon?

THE ANSWERS

206. Some anatomists name 306 by including the ossicles of the ear.
- Kansas.
- Yes. There's a likeness of material between hair, scales, feathers, the beaks of birds and the horns of cattle.
- Antarctic region has enough to cover world with a layer 120 feet thick.
- In 1868 in London, England.
- Nylon is moth-proof.

HOUSEHOLD MEMOS

by Lynn Chambers

Simple Enough for Youngsters to Make (See recipes below)

For Amateurs Only
ARE YOUR CHILDREN shy and awkward in the kitchen or can they don an apron and turn in a creditable performance as a cook?

Mothers who give their children the run of the kitchen occasionally deserve a bouquet of orchids because they are helping to turn out well balanced, healthy children. And it does mother good, too, if son or daughter occasionally can whip up a batch of good cookies or cake, or prepare a tasty salad.

There are days when youngsters just simply are bored with their usual pursuits and then they tend to wander around the house without anything to do. Perhaps it's too stormy to play outside or maybe all their friends are on vacation. This is the psychological moment to suggest they try their hand at being an amateur chef.

Give them a few pointers beforehand if they need it so food will not be wasted, and help only if it's requested once they start their culinary adventure so you won't spoil it by being the "extra cook in the broth." Have it understood, too, that the kitchen is to be cleaned after they finish.

I'VE OFTEN SAID that anyone who can read, can cook. But here are simple recipes that involve no complicated procedures. Let the children try these recipes so especially designed for them that they will really have a wonderful adventure on their day in the kitchen.

Boys and girls alike will enjoy making these hamburgers, and they are so easy, you simply won't have any failures:

***Hamburgers De Luxe (Serves 6)**
1 pound ground beef
2 eggs, unbroken
1 tablespoon flour
1/2 onion, grated
1 teaspoon salt
1/4 cup catsup
Bacon
Fried onions

Mix the meat with eggs, flour, onion, salt and catsup. Beat the mixture thoroughly with a large fork or spoon. The longer the mixture is beaten the better. Form into thin cakes. Spread a layer of fried onions between two cakes and press the edges of the meat together. Place a strip of bacon around the hamburger, fasten with a toothpick and fry in hot fat or place in the broiler. If using broiler allow cakes to brown six to eight minutes on each side. If frying, allow a little more time for hamburgers to cook.

BOYS AND GIRLS alike will enjoy making a salad and tossing it together with a fork and spoon the way real chefs do:

***Tossed Green Salad (Serves 6)**

1 head of lettuce, cut in quarters
4 tomatoes, quartered
1 bunch watercress, if desired
1 cucumber, peeled and sliced
1 bunch green onions, cleaned
1 green pepper, sliced thin
1 bunch celery, sliced
1 bunch radishes, sliced
Lettuce cups
French dressing

Chill the vegetables thoroughly after preparing. Place all in a large bowl. Add French dressing and toss.

LYNN SAYS:
Use Proper Methods When You Cook

Do you use neat methods when you cook or is everything a jumble when you get into the kitchen? First check the recipes you use and see if you have all ingredients on hand.

While the food cooks, wash all the dishes you have soiled. In this way, you never will have an accumulation of dishes in the sink when you get ready to eat.

LYNN CHAMBERS' MENU

*Hamburgers Deluxe
Potatoes Au Gratin
Corn on the Cob
*Tossed Salad
White Bread or Butter
Plum Pie Beverage
*Recipe Given.

lightly with fork and spoon. Serve in lettuce cups or from a bowl.

YOUNGSTERS LIKE to make cooling beverages. Let them do these simple things on hot afternoons:

Chocolate Milk Shake (Serves 2)

2 cups milk
1 teaspoon vanilla
4 tablespoons chocolate syrup
2 ice cubes

Place all ingredients in a quart sized glass jar or shaker with cover. Shake until fluffy. If desired, 2 tablespoons of chocolate or vanilla ice cream may be added before shaking.

Root Beer Shake (Serves 2)

2 scoops vanilla ice cream
2 cups root beer

Place together in a glass and stir. Serve at once.

Lemonade

6 lemons
1 quart water
1 cup sugar syrup
1/2 cup maraschino cherry juice
Squeeze lemons and strain juice. Mix with sugar syrup and water. Add cherry juice. Chill thoroughly.

SIMPLE TYPES of cookies may be made by the youngsters. Neither of these types requires tedious creaming of ingredients.

Brownies

1/2 cup flour
1/2 teaspoon salt
1/4 cup lard
1/2 cup chopped nuts
2 squares chocolate
2 eggs
1 cup sugar
1 teaspoon vanilla

Sift flour, then measure. Add salt and sift again. Melt lard with chocolate in saucepan. Beat the eggs until fluffy, then add sugar and beat again. Mix eggs and sugar with chocolate and lard. Add flour, nuts and vanilla.

Bake in a shallow pan which is greased, in a moderate (350 degree) oven for 25 to 30 minutes. Cool. Cut into squares.

Drop Cookies

1 cup brown sugar
1/2 cup white sugar
1/2 cup lard, melted
1 teaspoon nutmeg
1 teaspoon cinnamon
1/2 teaspoon cloves
1 teaspoon soda in 1 tablespoon hot water
1/2 cup raisins
1/2 cup nuts

3 cups flour or enough to hold shape when dropped

Combine ingredients in order given. Drop by teaspoonfuls on greased baking sheet. Bake in a moderate (350 degree) oven for 10 to 15 minutes.

Released by WNU Features.

Most dishes are easy to wash after they have been soaked. Have a pan of suds ready so that dishes, cups, measuring spoons and other utensils can be placed in the water to soak as soon as you finish using them.

Paper toweling should be used to wipe greasy pots and pans before washing so that grease does not accumulate in the drain pipe.

Never let silverware which has egg on it stand without drying. Egg tarnishes silverware.

SEWING CIRCLE PATTERNS

Two-Piece Has Youthful Lines A Flattering Style for Women

8293
12-20

Popular Froek

THE ever-popular two piece frock shown here is a fresh, youthful version. The slanted closing on the blouse is accented with a bright novelty button and the peplum flares out neatly above a slim skirt.

Pattern No. 8293 comes in sizes 12, 14, 16, 18 and 20. Size 14, 4 yards of 39-inch.

HERE is a graceful afternoon style for the woman of slightly larger figure. Note the soft yoke treatment, the flattering gored skirt. You can have brief sleeves, or a longer length, if you wish.

Pattern No. 8336 is for sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 38, short sleeves, 4 1/2 yards of 39-inch.

AROUND THE HOUSE

To make plate rails so that dishes will stand safely, nail a flat-type curtain rod along the back of the shelf and stand the plates behind it.

The patent-leather covering on heels can be prevented from cracking if you coat it with colorless nail polish.

This helps keep mosquitoes away from your bed: five drops of spirits of camphor on a lump of sugar placed on your nightstand.

When you run out of hair curlers use the little wires from around the tops of milk bottles.

If the ticking of your alarm clock is too noisy, set it on a blotter or piece of felt.

When you hang slacks out to dry turn them inside out and pin them to the line by the pockets. It will avoid getting them out of shape.

Three ounces of peroxide in two gallons of water will change yellowing woollens back to their original whiteness.

Use cold water first on egg stains. Hot water may "set" the stain.

To take the excess electricity out of a taffeta dress, try steaming it in the bathroom.

FIRST AID to the AILING HOUSE

by Roger C. Whitman

QUESTION: I have bronze screens that have been discolored because someone rubbed yellow soap all over them. This has made them green. I have tried to clean them by washing them and also used kerosene, but this has not helped. I would appreciate any suggestions.

ANSWER: I believe wiping the screens with a cloth dampened with ammonia would take off the green discoloration. Be careful of ammonia fumes. If this fails, try a good metal polish. An alternative would be to wash with ordinary vinegar, in which has been dissolved as much salt as will be taken up; then rinse well with clear water. The solution can be made into a paste by the addition of flour.

B. T. SMITH WRITES BACK FROM POPOCATAPETL

(Continued from Page 1, Sec. 2)
I was a little afraid to take those girls and one did hang on the rope quite a bit but the other turned out to be a barrel of energy. We were advised to get a guide, but I spent about two days studying relief maps of the mountain and we took off and reached well above 16,000 feet in about seven hours. We hit the snow just under 14,000 and going really got rough. We would climb about 10 minutes and rest 10 minutes. We carried sandwiches and chocolate bars and ate snow for water. The weather turned against us with a strong wind over the top and clouds below. The snow was hard glazed over and really slick. We followed along under the cliffs as much as we could and there were icicles by the ton.

During the warm part of the day, some of the snow would melt, run over the cliffs, and build up in the form of huge icicles. It didn't seem so cold when we were climbing or when stopped out of the wind.
We finally gave up, started back, and when we got in the clouds we hit the wrong canyon and had to back-track about 1,000 feet to find the right way down. The valley sure looked fine when we finally broke out in the open at the bottom of the clouds. The rim of the crater is just under 18,000 and we sure hated to turn back at a little over 16,000.

We are waiting for the weather to break, and one of the girls and I are going to try it again. The others said they are through with the mountains, other than standing off and looking at them. Hop down and go along; you'd enjoy it, I'm sure. It is sure a pretty sight to look through the gaps in the clouds below. On this second attempt we plan to start about midnight so we will hit the snow about daylight and hope to be at the crater rim by noon.

This is a great country for the great wide open spaces, if one likes rough mountains, rivers, etc., and I surely do. I have taken more than ten packs of 4 by 5 films and believe I will have some good pictures when I get back and finish them.
Will see you some time next month.—B. T.

After having undergone two operations and been a patient in Baylor Hospital, Dallas, for three weeks, Mrs. Pat Campbell, wife of the Wilson postmaster, returned to her home last week with prospects that the operation would prove to be entirely effective. One of the big nerves at the neck had been seriously affected.

NOTICE
NOTICE IS HEREBY GIVEN that the Commissioners' Court of Lynn County, Texas, will pass an order on the 13th day of September, 1948, authorizing the issuance of \$120,000 LYNN COUNTY ROAD AND BRIDGE REFUNDING BONDS OF 1948, bearing interest at the rate of 2 1/2% per annum, maturing serially, the maximum maturity date to be March 1, 1958, for the purpose of refunding, cancelling and in lieu of a like amount of legally issued and now outstanding Lynn County Road and Bridge Warrants, dated March 1, 1948, authorized to be issued by an order of the Commissioners' Court of Lynn County, Texas, which is duly recorded in the Minutes of said Court.

This Notice is given in pursuance of an order passed by the Commissioners' Court of Lynn County, Texas, on the 9th day of August, 1948.
(Signed) Tom Garrard, County Judge, Lynn County, Texas.
PASSED AND APPROVED this 9th day of August, 1948.
Tom Garrard, County Judge, Lynn County, Texas.

Going away for the holiday?

To make sure yours will be a carefree holiday, let your Conoco Mileage Merchant check and service your car. Above all, be sure he drains out contaminated old oil and refills with fresh, clean Conoco Nth Motor Oil.

That's the surest way we know to leave worry behind. Because the moment Nth Oil (Patented) enters your engine, an extra, added

film of lubricant fastens itself so closely to metal that cylinder walls are actually OIL-PLATED! Because OIL-PLATING stays up... won't all drain down, even overnight, you're extra-protected against destructive "dry" friction, against metal-eating combustion acids, against power-choking sludge and carbon due to wear.

For an extra-happy holiday...

Make a date to OIL-PLATE!

Everywhere it goes
Everybody goes...for

FUTURAMIC!

Hydra-Matic Drive, white sidewall tires, optional at extra cost.

Good news travels fast... and the talk of every town these days is the new Futuramic Oldsmobile! People everywhere are passing the word along about this spectacular new 1948 model. Wherever it goes, people just naturally gather 'round for a better view. It's the Futuramic appeal of this exciting new Oldsmobile! They like its new "Futuramic" look—the dramatic sweep of its ultra-modern lines... the striking

simplicity of its interior design. And they go for its Futuramic performance, too... thanks to Hydra-Matic Drive's "no-clutch, no-shift" driving ease and the thrill-filled action of WHIRLAWAY. Everyone's spreading the good news about this great new Oldsmobile—for everywhere the Futuramic goes, everybody "goes for" the Futuramic! No wonder more and more people are saying—"It's SMART to Own an Olds!"
