Tahoka, Lynn County, Texas, Friday, October 15, 1948.

Number 2

Bulldog Meet Post Antelopes There Tonight

Tahoka Bulldogs have for the past two weeks been training for their annual battle tonight at Post with the powerful Antelopes of Post High School. Game time is 8 o'clock. A large crowd of Tahoka fans will follow the team, and one of the largest crowds of the season in this Class A district is expected.

Last year, the Bulldogs defeated Post here 13 to 6 for the district championship, and the Antelopes, rated as one of the better Class A teams on the Plains this year, will be out for revenge. So far this season, the Antelopes are undefeated, and possess a bunch of versatile boys. They have a fast charging line, a fast, dangerous backfield, and good blocking and tackling.

Last Friday night, they defeated strong and persistent O'Donnell 32 to 0, while the Bulldogs had an open date.

Tahoka boys have been looking in workouts the past few days. However, they have lost to Sunday, Crosbyton, and Slaton, and won only from Rails. However, they are potentially a strong team if the boys make up their minds to play sixty minutes of football, and can make their blocks and tackles stick.

Tahoka's team, for the most part is young and inexperienced, while Post boasts of a smart, experienced bunch of football players. The Bulldogs have demonstrated, on occasions that they can go when all eleven boys on the field want to, though, and if they play like they are capable of playing, the game could be an upset. There have been better teams than Post upset.

Juniors Split Wins With O'Donnell

Tahoka's two junior football organizations, the Bullpups and the Bullpuppies won a split decision with two O'Donnell junior Eagles here Friday night in their first games of the season.

The Eighth Grade Bullpups won by a 7 to 6 score, though the difference was greater than that. Two touchdowns were called back because of off-sides infractions. The Pups presented a display of ball-carrying, line play, blocking and tackling that was heartening to fans. The Pups are coached by Coach Jim Foust.

With the Bullpuppies it was a different story, however. These sixth and seventh grade boys, who had never played before, were out-weighted and out-played by the visiting Eagles, and lost 7 to 0. However, several of the boys looked good and are due to go places on the Bulldog team in a few years. Their coach, Coach Jake Jacobs, was not present, due to the fact basketball coaches in Leveland that night, and Duane Carter of the Bulldogs, was in charge of them.

Members of the Eighth Grade team are: Wayne Tomlinson and J. N. Freeman, left ends; Richard McNeely and Steve Slover, left tackles; Charles Jones and Duane Lee, left guards; Howard Wood and Harley Schulz, centers; Wadell Owens and John Curry, right guards; Dewey Nash and Richard Carter, right tackles; Robby Dorman and Roy Jolly, right ends; John Foster and Charley Schulz, right halves; Mario Davis and Richard Havens, fullbacks; Charles Hyles and Brownie Williams, right halves; and T. D. Dunlap and Wayne Brasher, quarterbacks.

Members of the Sixth and Seventh Grade team are: Carlos Perez, Eugene Dale. (Cont'd on back page)

Congratulations:

Mr. and Mrs. W. B. Strange Jr. on the birth of a son weighing 7 pounds and 6 ounces at 1 a. m. Tuesday in West Texas Hospital. He has been named William Bryan Strange III, and the daddy says he has strong lungs, long fingers, and may be expected to become a candidate for Bulldog quarterback in about fifteen years.

Picking Delayed By Good Rain

At ten o'clock Thursday morning, 1730 bales of cotton had been ginned in Tahoka, 658 at New Home, and 230 at West Point.

In Tahoka \$70 per ton was being paid for seed.

The all-day rain of last Saturday halted picking somewhat. Too late to help the cotton crop very much, the rain was fine on pastures and the small wheat acreage in the county. In Tahoka, the precipitation amounted to 1.25 inches. It was a little heavier in some parts of the county and a little lighter in others.

Burglar Caught By Tahoka 'Law'

There is something new under the sun after all. A thief burglarized a newspaper office. He certainly used poor judgment; the office burglarized was that of The Lynn County News. All that has been missed is a radio and two or three dollars in money. The same culprit broke into the Woodworth barber shop here the same night—Tuesday night—but nothing was missed from the shop.

The guy's bad luck resulted, doubtless, from the fact that he had been drinking. After making the two practically fruitless hauls, except for the radio which he took, he climbed into his car and stepped on the gas, headed south. Down the road, he lost control of his car, ran it into several guard posts on a curve, and wrecked the vehicle.

The missing radio was found in the car. When arrested, the thief had one glove on but he had left its mate lying on a desk in the News office. In the car was also found another radio, some old clothing, and two tires. Deputy Sheriff Dee Sanders made the arrest.

The man gave his residence as Lubbock. Three burglaries were committed there the same night, and the same man is accused of those offenses.

A complaint has been filed in the Justice Court here charging burglary of the News Office.

County Pioneer Died Wednesday

Funeral services were conducted at 3:00 o'clock Thursday afternoon in the Baptist Church, at O'Donnell by the pastor, Rev. J. M. Hale, for Herman Owen Vaughn, 49, who died at one o'clock Wednesday morning in the Tahoka Clinic. Burial was in the O'Donnell cemetery. Pall bearers were: Ira Page, Herman Ballew, Charley Cathey, R. D. Ledbetter, Virgil Phipps, Alton Hobby, Will Ed Treadway, Terry Hunt, Otis Harry and Levi Gray.

Deceased had been a resident of the Vaughan farm and ranch five miles south of O'Donnell for 42 years.

Surviving are his parents, Mr. and Mrs. G. C. Vaughn; two sisters, Mrs. J. M. and Miss Effie Vaughn; one brother, H. D. Vaughn; and four nephews and a niece; all of O'Donnell.

ALL PARENTS INVITED TO P.T.A. OPEN HOUSE TUESDAY

All parents, teachers, and anyone else interested in the schools are invited to the P.T.A. open house which will be held in the Tahoka school gymnasium Tuesday night, Oct. 19, from 8 to 9 o'clock.

Supt. Vernon Brewer will introduce the teachers, the High School Chorus, directed by Mrs. Brookshire, will present a program, and refreshments will be served.

O'DONNELL GIRL CHOSEN FARM BUREAU QUEEN

Miss Ina Merle Harris of O'Donnell was selected the Lynn County Farm Bureau Queen at the county fair here this week.

The News hopes to run her picture next week.

Mr. and Mrs. Ervan Newberry of Somerton, Arizona, visited his sister, Mrs. O. L. Kidwell and the family here Tuesday and Tuesday night.

Famous African Big Game Show Coming Soon

Spectacular, in brilliant colors found only in the jungle, the W. G. McMillan film, "African Adventure," will be presented at Tahoka High School auditorium, Thursday night, Oct. 21. The Lubbock contractor, his wife and son made the pictures last year, and the show has been acclaimed the best ever filmed.

The show is being brought here by the Methodist WSCS.

Children will gasp when they see topi fighting each other and trying to get a throat-hold with their long sharp horns; when they see swarms of African vultures, swooping down; the hippopotamus or river-horse closing its port-holes and preparing to submerge; charging lions and cape buffalo; the cowering baboons, the prowling leopards, majestic elephants wearing up to 200 pounds each of costume jewelry (done in ivory).

Daddy will watch with interest the technique of pitching, 14 different camps in most unlikely places, and the skill of natives in casting spears, and the impressive parade of 100,000 migrating animals hustling pell-mell across the plains; nor will he miss a moment of the stalking and capturing of game.

Mother will admire the beauty of green forests, yellow sands, foaming waterfalls along the rivers, and gorgeous tropical flowers cultivated on the 75,000-acre Cole ranch, in the heart of British East Africa. She will like the bright feathers of birds which young native boys collect for adornment. She may tremble at some of the brutal behavior of the wildest beasts on earth. But she will adore the maternal lioness which acted as baby-sitter to 15 cubs while five other lioness mothers went shopping for food at the local A & P—only, they trotted off in the opposite direction from the A & P.

Is there a dentist in the house? He will look twice when out comes the gigantic nerve in the (dead) elephant's tusk. What a colossal toothache a big elephant might have! Oh, my! Oh, my!

Mr. and Mrs. Newt Barham and Garner and Mr. and Mrs. Hubert Tankersley went down to Seymour last week end, where they were met by H. R. Tankersley, a cadet-student in John Tarleton College, and spent a couple of days out at Lake Kemp fishing. They report that H. R. likes his work at John Tarleton.

Ira E. Woods

Dr. Ira E. Woods, Governor of the 127th district of Rotary International, of Littlefield, will make his official visit with local Rotarians Wednesday and Thursday of next week.

Junior C. Of C. Planned Here

Organization of a Junior Chamber of Commerce will be considered at a meeting of young business men of Tahoka which will be held Tuesday night in the county court room. Ralph Krebs, extension director of the Lubbock Jayce organization, and about ten other men from that city will be here to discuss the organization with Tahoka men.

Men between the ages of 21 and 35 are urged to attend. Many Tahoka people believe the time is here when there is most useful work for such an organization.

DAN CARPENTER ILL

Dan Carpenter, who suffered a nervous breakdown last week end, is reported to be much improved. He was taken to Tahoka Clinic for treatment Saturday night, and was reported Sunday to be seriously ill. However, on Monday he was able to be carried home.

Jim Burleson is now under treatment in a hospital in Dallas and is said to be doing fairly well. However, he had not taken a sufficient number of treatments up to the first of this week for physicians to determine how well he might respond to it. Mrs. Burleson is down here also.

Mrs. O. L. Kidwell was brought home Tuesday from the Lubbock Memorial Hospital, recovering nicely from some minor surgery.

Body Of Soldier En Route Home

The body of Corp. William B. Cook, son of Mrs. Ed Cook of Wells, who died in France on June 16, 1947, from injuries sustained in the Air Transport Service, is expected to arrive in this country soon for re-burial in this county.

Pvt. Cook enlisted in the service on October 27, 1942. He was sent from this country to Ireland in September 1943, thence to England, and later to France.

The News will give more definite information as to the time of his expected arrival in this county in a later issue of this paper.

Mrs. J. K. Callaway Died Tuesday

Mrs. J. K. Callaway, lacking just 16 days of being 80 years of age and a long-time resident of Tahoka, peacefully passed away at 3:35 o'clock Tuesday afternoon in the Tahoka Clinic after having been a patient in that institution for several weeks except for short intervals when she insisted on being taken back to her residence here. Her death followed that of her husband, "Uncle Joe" Callaway, by just a little more than two years, he having died on June 28, 1946.

Following funeral services here at 4:00 o'clock Wednesday afternoon, her body was laid to rest in the (Cont'd on back page)

Mail Schedule Changes Made

The public is informed that the mail schedule in Tahoka has been changed, temporarily, at least. Mail heretofore coming in via Post at 8:30 a. m. will arrive hereafter at about 10:30. Mail coming in via Big Spring, consisting almost solely of parcel post packages, heretofore due at about 9:30 a. m. will not arrive hereafter until about 10:30.

This information has been given to the News by the post Office here and the public is requested to be governed accordingly in calling for mail. No need to be inquiring about the mail before the above named hours.

B. J. Emanuel Dies In Oklahoma

The News received a telephone call from Primrose Funeral Home at Norman, Okla., Thursday at noon, advising that B. J. Emanuel, 70, a long-time citizen of Lynn county had died there Wednesday morning, and that funeral services were to be held there at 1:30 p. m. Friday.

Surviving are the widow, two sons, B. J. Emanuel Jr. with the U. S. armed forces in Germany, and Capt. Clarence Emanuel of Wichita, Kansas; three brothers, one sister, and a grand-daughter.

Mr. Emanuel was a resident of the Magnolia community near Central Church for 25 years and was one of Lynn county's most progressive and highly esteemed citizens.

Farm Bureau Holds Membership Drive

Lynn county Farm Bureau will participate in the annual state-wide membership Round-Up Week, October 21-28, it has been announced by Tom Garrard, president, who attended the district meeting at Lubbock on Wednesday with a group of Lynn county farmers. Approximately 50 workers will be soliciting Farm Bureau membership in this county during Round-Up week, Garrard said.

Round-Up Week will be launched on the evening of October 21 when J. Walter Hammond, president of the Texas Farm Bureau Federation, addresses Texas Farmers over the Texas Quality Network.

A farm-to-market road program for Texas and the future national farm program were topics which came under discussion at the district meeting.

Winners In Fair Named; Exhibits Of High Quality

There was a considerable number of cattle and hogs exhibited in the county fair here on Tuesday and Wednesday of this week. Though the number was not as large as might have been desired, the quality, almost without exception, was good.

Also there were a few agricultural and horticultural products, canned goods, and ladies hand work on exhibit, which merited much praise.

The attendance, however, was disappointingly small. County Agent Bill Griffin, the women's clubs, the 4-H and other clubs of the county, should have had better support on the part of the general public.

Some of the hogs and other livestock exhibited was just about as good as any that may be seen at the larger fairs.

Below is a list of the winners as furnished the News by County Agent Bill Griffin.

Claud Wells: Champion Hereford bull;
Mrs. Tom Garrard: Champion Hereford heifer;
Cleveland Littlepage: Champion Jersey heifer;
R. W. Cook of Wilson: Grand boar;
Elton Childress of O'Donnell: Grand Champion sow;
Roy Botkin of Tahoka: Champion Berkshire boar;
Dale Wilhoit of Tahoka: Champion Berkshire sow;
Ward Eakin of Tahoka: Chester White sow;
Edward Taylor: Champion Poland China boar and sow;
R. W. Cook: Champion Duroc boar;
Elton Childress: Champion Duroc sow.

The judges were: Jack Cleveland of Brownfield, county agent, hogs; Dave Sherrill, county agent, Lubbock, Hereford cattle; Leroy Colgan, assistant agent, Lubbock, Jersey cows.

George Bovell Of Crowley Dies

Joe Bovell and others were called to Crowley, Tarrant county, on last Saturday by the sudden and unexpected death of his brother, George M. Bovell, 61, which occurred at about three o'clock that morning. Mr. Bovell reports that his brother called his wife and told her that something was the matter with him, and before she could even attempt to do anything about it, he was dead. Death is supposed to have resulted from a heart ailment from which he had been suffering.

Funeral services were conducted at 2:30 Sunday afternoon in the Crowley Presbyterian Church, of which deceased was a member. Attending the services from Tahoka were Mr. and Mrs. T. J. (Joe) Bovell and John Evans, and from Milesheo, W. T. Bovell and two daughters Jacquelyn Ann and Tommy Lee.

Deceased was a resident of Lynn county for about five years. He and his family moved out here in 1934 and during the next several years resided on the Joe Bovell farm six miles north of Tahoka, now owned by M. B. Brasher. They moved back to Crowley in the fall of 1938. They made many friends here while living in Lynn county, who are grieved to learn of his untimely death.

Women Attending State H. D. Meet

County Home Demonstration Agent Miss Graham Hard and Messames Tom Russell, J. W. Lowrey, and T. D. Lishman, representing the home demonstration club members of Lynn county, left Wednesday by bus in company with many other women from the other seven counties of district No. 2, to attend a state-wide meeting of the home demonstration women of Texas to be held in Temple on Thursday and Friday of this week.

Miss Hard indicated that the party might come back by Dallas and visit the State Fair of Texas.

ORPHAN OF THE VELDT—William G. McMillan and a baby giraffe rescued after being badly bitten by a cheetah, the fastest animal in Africa. Mr. McMillan will show his African adventure pictures in Tahoka next Thursday.

Irrigation Growing In Popularity Here

With the bringing in of several good irrigation wells in the north-east portion of Lynn county during the past few weeks, Lynn county's irrigation area is being steadily increased. Thrilled by the enormous flow of water being pumped from several of these wells, County Judge Tom Garrard induced a number of citizens of Tahoka to visit some of them last week.

On Thursday afternoon he took in his car Superintendent Vernon Brewer of the Tahoka Schools, a representative of the News, and C. C. Dwight, a photographer, and drove out to the Sam Martin farm situated at the east end of the Wilson farm-to-market road on the line of Lynn and Garza counties, where Mr. Martin recently brought in one of the finest irrigation wells in Lynn county. That well was not pumping when the visitors called but another well, even nearer to Mr. Martin's residence, situated on the land of his son-in-law, Herman Dabbs, just over the line in Garza county, was pumping and throwing out an eight-inch stream of water with such force as to almost knock a man down. It was said to be pumping 1,200 gallons per minute. A veritable little river of water was flowing down a ditch out through the quarter section of land and the area immediately surrounding the pump looked somewhat like a Louisiana swamp.

The Martin well itself had also been pumping an estimated 1,200 gallons per minute.

A half-mile southwest of the Martin home, on the Hubert Taylor place, almost due west of the Hackberry gin, was another well almost as good, under the pump. Three quarters of a mile east of the Martin

residence, is the J. W. Scott well, which was said to be good for about 800 gallons per minute. One mile north and three-fourths of a mile east of the Herman Dabbs well is the J. R. Wood well, producing some 600 gallons per minute. On the Cliff Johnson place east of Hackberry are two wells with a somewhat weaker flow.

Now and then a dry hole is encountered, but a sufficient number of good producers have been brought in to insure a lot of irrigation when needed in that area hereafter.

The Martin well is 140 feet deep, the Herman Dabbs well 132 feet, the J. R. Wood well 144. The other wells in the community are about the same depth. Mr. Martin is of the opinion that his well is capable of irrigating the whole quarter section. He has been living on that place for almost 25 years, having settled there in December, 1923. He says he has been sitting there just above this underground stream of "flowing gold" all these years, suffering severely at times from drouth, but never had faith nor courage enough to spend the money necessary to drill a well. Of course he is thrilled.

These new wells simply extend the irrigation area further east and south. There are a number of wells north and west of Wilson that are probably pumping as much water as these wells in the Hackberry area and still other wells further west in the New Home vicinity. It is said that there are about 250 irrigation wells now in Lynn county, pumping vastly varying amounts of water, say from 250 gallons up to 1,000 or 1,200 gallons.

C. C. Dwight, the Tahoka photographer, took several photographs of the Dabbs well, and at least one of these pictures will probably be run in The News a little later.

Mr. Martin has not yet gotten over the thrill of having a farm-to-market road built right up to his front door, either. He says he sat out there in the mud a long time for almost a quarter of a century—that is, when he was fortunate enough to get an ample supply of rain—never thinking that he would ever be able to drive out of his front gate onto a paved road that would take him to Tahoka, Lubbock or even to Los Angeles or Washington, D. C., if he ever had business in either of those burghs, without getting stuck in a single mudhole. He says he is proud he lives in Lynn county.

Mr. and Mrs. C. M. Finch, who have lived for many years in the Edith community, have purchased lots east of the J. L. Reese residence, facing south on Lockwood Street (Brownfield highway) and have commenced the erection of a home thereon. Mr. Finch was a successful farmer until his health failed a few years ago.

FIRST BAPTIST W. M. S. HAS ALL-DAY MEETING

A mission program from "Royal Service" on the subject "The Jew Today" was given by the Sallee Circle at the Church Monday, the program and the covered dish luncheon being attended by thirty-two women and the pastor.

Mrs. A. N. Lehman was a guest of honor and in response to questions at the afternoon session she gave much interesting information concerning the Jewish people and their beliefs and customs. She was presented with a corsage by Mrs. Garland Pennington, president, representing the W. M. S. members. Those attending included Mmes: W. H. Kenley, Cornelia Kelley, L.

M. Nordyke, Garland Pennington, so, W. M. Harris, Jarrell Cox, W. F. C. T. Aly, Dave Polk, E. J. Cooper, Cox, A. N. Lehman, V. A. Botkin, E. I. Hill, J. L. Reese, Ott Patterson, L. W. Sanford, D. V. Smith, J. L. Coy Fielder, Glenn Fuller, M. L. Nevill, Everett Nevill, H. G. Hodges, Bentley, K. R. Durham, W. H. Luck G. B. Sherron, J. H. Kuykendall, of Minden Louisiana, H. P. Cave- J. B. Billman, Alice Fortenberry, ness, Frank Greathouse, Lyda Kel- and Rev. C. T. Aly.

Sister Of Judge Tom Garrard Dies

Judge Tom Garrard was called by physicians Saturday to Mexico, where his sister in a hospital there was said to be in critical condition that life was a matter of only a few hours. He hastened down to her bedside and sent a message back to his wife early Monday morning that she had passed away at 1:00 a. m.

The sister, whose name was Mrs. Howard Henderson, had suffered for some time from a hardening of the arteries and had been a patient in a hospital for months. Her home until her condition became serious was

at Pontotoc, Mississippi, and so her body was shipped back to that place for burial. Of course it was necessary for the Judge to go also, and it was not expected Tuesday that he would be back home until Thursday.

The Judge has one living sister, Mrs. May McKinney of Cooper, the wife of a physician there.

CARE OF THANKS

We wish to thank our friends who visited, phoned, and offered help during Mr. Carpenter's illness in the hospital. We deeply appreciate your kindness and friendship.—The Carpenter family.

Aged Brother Of D. C. Davis Dies

W. L. "Bill" Davis of Wichita Falls, 91, oldest brother of D. C. Davis of this city, died at 10:00 o'clock on Wednesday night of last week at the home of his daughter, Mrs. Minnie Shank, in San Angelo, and his body was shipped to Wichita Falls, where he had lived for the past 37 years and where funeral services were conducted in the Methodist Church at 3:00 o'clock Friday afternoon. The aged man "Just got tired and went to sleep," D. C. was told.

Accompanied by his grand-daughter and her husband, Mr. and Mrs. Turner Rogers, D. C. left for Wichita Falls at a very early hour Friday morning to attend his brother's funeral.

The aged man was one of eight brothers. With his death, only two of the brothers are still living, D. C. Davis of his city and Wade H. Davis of Hamlin. Three of the deceased brothers are buried here; he late E. S. Davis, Scott Davis, and Jack Davis, the last named having died here in 1920.

Two sisters also survive, Mrs. Margaret Wharton and Mrs. Martha Denton, both of whom live in Knox county, but who were unable to attend the funeral. Wade H. Davis of Hamlin did attend.

COUPLE TO OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. D. A. Kirkland, who have lived in Lynn county off and on for 32 years, are celebrating their Golden Wedding anniversary on Sunday afternoon, October 17, from 2:30 to 4:30 o'clock, in their home here.

Hosts and hostesses at the open house will be their eight children. Their many friends are invited.

The children are: G. D. Kirkland of Brownfield; Mrs. J. G. Northam of Meadow, C. L. Kirkland, Mrs. J. Q. Melton, and Mrs. Pat McKibben of O'Donnell; Mrs. G. C. Manness, Mrs. R. K. Curtis, and Mrs. M. E. Ellis of Lubbock. There are 37 grandchildren and eight great-grandchildren.

C. T. TANKERSELY UNDERGOES EYE OPERATION

Suffering from a cataract on one of his eyes, C. T. Tankersley was taken to the Lubbock Memorial Hospital on Wednesday of last week, and on Thursday surgeons operated to eliminate the trouble if possible to do so.

On Wednesday of this week it was thought that he was getting along nicely but surgeons stated that they could not determine how badly the other eye might be affected until the next day or later.

Henry Wallace is scurrying about over the country making speeches and imagining that he is running for President. We listened to one of his harangues the other night, and we concluded that in his mind there are no people that deserve any consideration on the part of the Government except members of the labor unions. Almost his entire speech consisted of denunciation of Truman for his alleged betrayal of Labor and of Dewey whom he dubbed as no friend of Labor. We never heard one word about the farmer or the little business man. He mentioned "big business" only to denounce it. And there, was evidence of vengeance in his heart, venom in

is voice, vituperation on his tongue, venom in his entire attitude toward men and measures. He cried out for peace but not one word of denunciation of the Russian dictators who were that moment threatening to catapult the world into a war which would necessarily be more destructive and horrible than any other war that has been fought since time began. With his line of talk, he may expect to get the votes of the Communist and the crackpots of this country but not many others.

This may be out of date before it appears in print but as it is written Russia seems bent on war, unless Uncle Sam and all western nations back up their grips and run. As terrible as the last war was and as inconceivably terrible as another one would be, it does seem that Russia would use some common sense and go slow in bringing another one on. She either must have the secret of the atomic bomb and a supply of them already made or some other weapon or means of destruction which she regards just as deadly. She knows that the United States is prepared to use the atomic bomb in another war if one should be brought on, and she knows that it would be many times as destructive now as it was when Uncle Sam brought the last war to a sudden close by its use. And she should know that Uncle Sam is not going to run and thus clear the way for her, to rule the world eventually. It is hard to understand the mental operations of dictators.

There are two kinds of voters: the ignorant ones and the ones who vote for your candidate.

A press dispatch coming out of Austin last Friday stated that a compromise agreement had been reached respecting proposed legislation for the control and conservation of underground water in this state at a convention in that city of the Texas Water Conservation Association. The agreement is said to have been approved unanimously by opposing factions and a bill embodying the proposals in the agreement is to be introduced in the legislature soon after it meets in January. This bill will provide for the creation of local water districts throughout the state, each district to be controlled by the voters living therein. The local option proposal, it is said, was made by delegates from the high plains. So, it seems that this highly controversial issue has been settled temporarily at least; that is, if the legislature enacts a bill drawn in compliance with this agreement.

We do not know just how acute the crisis is that caused Secretary Marshall to hurry home for a conference with his chief, President Truman. We do not know what was said at that conference, but we imagine that the two agreed upon what should be done immediately if Russia should make an attack upon our forces in Berlin; and we imagine that they agreed that something very effective would be done very quickly. It's all up to Russia now, we imagine.

THE STATE OF TEXAS
TO: CLEO KNIGHT,
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of November, A. D., 1948, at or before 10 o'clock A. M. before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 13th day of October, 1948. The file number of said suit being No. 1836.

The names of the parties in said suit are: Mary Lee Knight, as Plaintiff, and Cleo Knight, as Defendant. The nature of said suit being substantially as follows, to wit: That Plaintiff is and has been a bona fide inhabitant of the State of Texas for a period of more than twelve months, next preceding the filing of this petition, and is and has been a resident of Lynn County, Texas, for a period of more than six months, that plaintiff and defendant were duly and legally mar-

ried in Tahoka, Texas, on or about March 9th, 1947, and continued to live together as husband and wife, until on or about June 1st, 1947, at which time Plaintiff left the Defendant, fearing for her life, health and safety and has not resided with the defendant at any time since such date; That there has been born of this marital union three children, namely, Una Fay Knight, a girl, approximately three years old, and Luna Fay Knight, a girl, approximately three years old, being twins, and Willie Charles Knight, a boy approximately eighteen months old, which said children reside with Plaintiff in Lynn County, Texas. Plaintiff would further represent and show the Court that shortly after Plaintiff and defendant married, defendant commenced a course of cruel, harsh and tyrannical treatment which continued with slight intermissions, during which time the defendant on many occasions struck and abused Plaintiff; Plaintiff prays she have judgment for divorce, annulling, setting aside and holding for naught the marital relations heretofore existing between them, etc.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 13th day of October A. D., 1948.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 13th day of October A. D., 1948.

—W. S. Taylor, Clerk of District Court, Lynn County, Texas. 2-4tc

Everybody in favor say— "Lubri-tection!"*

That's the word that brings you one of America's greatest motor oils — Phillips 66 Premium Motor Oil!

What does "Lubri-tection" mean? Brother, it means just exactly what it says! It means lubrication plus protection.

Yes, with Phillips 66 Premium Motor Oil in your crankcase your engine gets both lubrication and protection. Here's how. Phillips 66 Premium Motor Oil is expertly refined from high quality crude to give you fine basic lubrication. But that's not all it does! Certain additives and inhibitors in this oil go to work in your engine to help fight against sludge, varnish, and other harmful deposits. Next time you need oil, ask for "Lubri-tection"... at the sign of the famous orange and black Phillips 66 shield!

PHILLIPS 66 PREMIUM MOTOR OIL

* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

DALES CELEBRATE GOLDEN WEDDING

Rev. and Mrs. George A. Dale of Lubbock, formerly of Tahoka, celebrated their golden wedding anniversary at the home of their son-in-law and daughter, Mr. and Mrs. James C. Edwards, in Lubbock last Saturday evening from 7:00 to 10:00 o'clock. In spite of the rain and the wet condition of the streets, more than a hundred guests called, a number of them from Tahoka, and many others sent gifts. One of the nicest and most valuable gifts sent was one from the First Baptist Church here, of which Rev. Mr. Dale was the pastor for a period of eight years. It was made possible by the voluntary contributions of members.

Children of the honored couple joined their parents in the receiving line. In-laws and grandchildren made up the house-party and furnished music during the evening. Malcolm Edwards, grandson, presented a number of vocal selections including "When You and I were Young, Maggie," "Silver Threads Among the Gold," and "When I Grow Too Old To Dream."

Mrs. Troy Dale greeted guest at the door and presented them to the receiving line. Suzanne, Marilee, and Bud Dale directed guests to the gift room presided over by Mrs. D. C. Kennedy and Mrs. W. C. McManus. Mrs. George T. Dale registered guests. Mrs. Paul Dale poured punch, and Mrs. E. E. Dale served cake. Dorothy Dale Kennedy, Ann Edwards, and Sunne Dale also assisted in the dining room.

The couple grew up and were married in Collin county. Their sons and daughters are E. E. Dale, Dallas; Paul Dale, Houston; Rev. Troy Dale, Lamesa; George T. Dale, Mrs. James C. Edwards, and Mrs. G. R. Kennedy, Lubbock.

Rev. Dale served in the ministry 45 years and was pastor of the Tahoka Church from September, 1934, till January, 1943.

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

FARMERS MOVE THE EARTH

Power machinery is doing much to increase earth-moving soil and water conservation practices, says Clarence Church, Chairman of the Lynn County Agricultural Conservation Committee. Through the use of bulldozers, carry-alls, and other big earth moving equipment, farmers are able to build dams, terraces, level land and carry out other effective conservation measures. The conservation work that would have required days of hand labor or man and team labor can be completed in a few hours.

Progress of this kind is an important factor in conservation work since time is a real consideration, says Church. Already we have lost more soil than we can afford to lose and it is "Later than we think." Heavy equipment now available for dirt-moving enables farmers to build quickly the terraces needed to keep fields from washing away. Dams for the control of erosion and for livestock water are now constructed in a short time, the use of the dam is speeded up and the benefits from better distribution of livestock are quickly apparent. Improved equipment for land-

leveling is helping to make more effective use of the limited irrigation water and checking soil losses due to improper irrigation.

Only the Servel GAS Refrigerator STAYS SILENT LASTS LONGER

Only Servel GIVES YOU TEN-YEAR GUARANTEE

THAT'S WHY MORE AND MORE TEXAS FAMILIES PREFER SERVEL

All over Texas you hear, "It's the Servel Gas Refrigerator for our next!" For Servel alone brings you a ten-year guarantee of silent, trouble-free performance.

The Gas Refrigerator is the only one with a different, simpler freezing system. Instead of moving, wearing parts, a tiny flame of natural, butane or propane gas does the work. So every Servel stays silent, permanently. Lasts longer, too. Actually many of Servel's more than 2,000,000 owners are still enjoying theirs after 18 and 20 years of constant use.

But absolute silence and longer life are just part of the reason Texas is swinging to Servel. The new models are beauties, too. They've every new feature you're looking for. Come see the famous Gas Refrigerator today. It's first come, first served.

Operates anywhere ON NATURAL, BUTANE OR PROPANE GAS

STAYS SILENT...LASTS LONGER

\$34,000 Given Man Injured In Wreck

Calloway Huffaker and Truett Smith, local attorneys, last week in Corpus Christi won a \$34,000 judgment for a client, Benjamin Gilbert, 22, of Bronte.

Gilbert was critically injured and permanently crippled last Nov. 22, when the six wheel cattle truck he was driving crashed into the rear of a Transportation Company of Texas truck on the highway eight miles north of Tahoka. Gilbert received two broken legs and spent more than four months in a hospital.

Suit for damages was filed here but was transferred to Corpus Christi on a plea of privilege.

Besides Huffaker and Smith, witnesses from here who attended the trial were Sheriff Sam Floyd, C. H. Nelson, and Ernest Walker. Testifying by deposition were J. A. Tubbs

and Willie Schneider.

Calloway says the judge hearing the case was Judge Jack Pope, who asked to be remembered to friends he made here when he addressed the Knights of Pythias- lodge in Tahoka last year.

TAHOKA YOUTH EXPECTS TO BE SENT TO JAPAN

James Bernard Ward, son of Mr. and Mrs. Jim Ward of Tahoka, a new recruit for service in the army, who recently completed his basic training at Fort Ord, California, has been here since last Friday on furlough visiting his parents.

He expects to leave on Tuesday of next week for Lawton, Oklahoma, and to be sent shortly thereafter from Lawton to Japan.

Pay your state and county taxes in October and save 3 percent—Frank McGlaun, Tax collector. 1-31c

BAPTIST CHURCH EMPLOYS FULL-TIME SECRETARY

Mrs. Fred Lambert and infant and Mrs. McMillan, her mother, moved from Lubbock to Tahoka Monday and are living in an apartment at the intersection of North First and Kelsey Streets.

Mrs. Lambert has been employed as full-time secretary of the First Baptist Church here, succeeding Mrs. C. T. Aly, who resigned recently because of a multiplicity of other duties.

Mrs. Lambert's husband, who was pastor of one of the churches in Lubbock, was fatally injured early in September, it will be remembered, when his car was struck by a train at a railway crossing in Lubbock, and he died a few days later. Before moving to Lubbock early this year, he had been pastor of the Gomez Baptist Church near Brownfield for several months and before that had served for two and a half years as pastor at Melvin, McCulloch county.

Before her marriage a few years ago, Mrs. Lambert was a county court reporter in Oklahoma. She has therefore had much clerical work in the courts.

CLEMENT IS SPEAKER AT FELLOWSHIP MEETING

The men's Fellowship of the Methodist Church met around a banquet table in a room on the lower floor of that edifice on Monday night of this week for a program of entertainment and inspiration.

With District Attorney Calloway Huffaker acting as master of ceremonies, Stansell Clement of Lamesa, district attorney-elect, brought the inspirational address. His deliverance was highly praised by his auditors.

A. C. Weaver was program chairman, and he declared that the meet was a very enjoyable affair. He says that the toast-master and the pastor, Rev. C. A. Holcomb Jr. indulged in quite a bit of good-humored thrusting each at the other, which the crowd thoroughly enjoyed.

About thirty men were present. It is understood that other Fellowship meetings will follow.

FILIPINO GIRL HERE SPEAKS IN DALLAS

Accompanied by Mrs. E. B. Gaither and Mrs. Beulah Davis Atkins, who went to visit a sister, Mrs. C. T. Aly on last Friday took Miss Lydia Bravo, now a student in Wayland College, to Dallas to speak Sunday in the Forest Avenue Baptist Church, some members of which are partly responsible for the Filipino young woman being in this country to prepare herself to become a medical missionary to her own people.

The Tahoka party and Miss Bravo went down Friday and returned home Sunday night.

Mrs. Aly states that Miss Bravo's talk thrilled the Dallas people and the Church contributed more than \$400 to assist in her education. Miss Bravo's home is with Rev. and Mrs. Aly here, and the Tahoka pastor, who met her in the Philippines while serving as an army chaplain, is chiefly responsible for her being here and in Wayland.

PETTY H. D. CLUB HAS MEETING IN TAHOKA

The Petty H. D. Club met on Wednesday, October 6, in the home of Mrs. John Martin in Tahoka. There were six members present and one visitor, Mrs. Jolly.

The following club officers were elected for 1949: President, Mrs. John Schuknecht; vice-president, Mrs. Zoe Lowrey; secretary-treasurer, Mrs. J. W. Lowrey; reporter and council delegate, Mrs. John Martin.

Miss Hard gave a demonstration on Closets and Cothes Storage, which was very interesting.

Refreshments were served to Mrs. Jolly, Mrs. Zoe Lowrey, Mrs. J. W. Lowrey, Mrs. N. H. Cromer, Mrs. J. W. Schuknecht, and Mrs. John Martin. —Reporter.

REDWINE H. D. CLUB MEETS WITH MRS. WATSON

The Redwine H. D. Club met in the home of Mrs. G. C. Watson on Thursday, October 7 with fourteen women present.

Miss Hard discussed "Storage and Storage Accessors for the Bedroom."

Six new members were enrolled: Mesdames Howard Venable, T. I. Tippit, J. T. Owens, T. L. Pond, J. A. Miller, and W. R. Traweck.

The hostess served delightful refreshments.

The Club will meet with Mrs. E. F. Carpenter on November 14. —Reporter.

CARD OF THANKS

We wish to sincerely thank all the faithful friends who helped us "shovel sand" when our irrigation wells "came in."

We are really proud of our wells and we are also proud of all who proved their friendship by being a "friend in need." —Mr. and Mrs. S. D. Martin and Harley, Mr. and Mrs. Hubert Taylor, Mr. and Mrs. Herman Dabbs.

SMITH ATTENDS BAR MEET IN AMARILLO

Accompanied by Mrs. Smith and the children, Truett Smith went to Amarillo early last Friday morning, where he attended a meeting of the directors of the State Bar Association.

Following th's meeting, the Smiths visited her parents, Mr. and Mrs. J. K. Hunt, at Claude, and off Monday Truett argued a case pending in the court of civil appeals, Amarillo. They returned home Monday night.

During last week Mr. Smith and Calloway Huffaker were engaged in the trial of a case in Corpus Christi. Sheriff Sam Floyd also appeared in the case as a witness.

Mrs. J. K. Hunt, at Claude, and off Monday Truett argued a case pending in the court of civil appeals, Amarillo. They returned home Monday night.

NAVARRO COUNTY SISTERS VISIT THEIR SISTERS HERE
Henry Douthit dropped into the News Office Wednesday and

here revealed that his wife and her sister, Mrs. Surie Prater, had recently had a visit from three other sisters who reside in Navarro county.

"Give Me a Quart of that 'Mobiloil' son—and fill'er up with 'Mobilgas'

We sure will, mister! Mobiloil is just one very important phase of getting your car ready for winter. Another is the proper lubrication. A third is attention to your battery. Why not come in for one of our COMPLETE but economical winterizing service jobs and be safe.

P. S. Why not let US wax your car and WATCH IT SHINE!

ty. There were five in the party of visitors, who included two daughters of two of the visiting women. The party consisted of Mrs. Mattie Bills and Mrs. Leona Smith of Dawson and Mrs. Ruth French of Purdon, sisters and Misses Sarah Helen Bills and Lurene French, daughters of Mrs. Bills and Mrs. French respectively.

They also visited the John Price family here, Mr. Price being their cousin. On the last Sunday the visitors were here, all of them together with Mrs. Douthit and Mrs. Prater also visited Mrs. Douthit's daughter, Mrs. Henschel (Gladys) Collings in Lubbock.

Mr. Douthit says that it was the first time the five sisters had been together since 1937. They had a wonderful time.

Mrs. Calaway

(Continued from Page 1)

Tahoka cemetery beside that of her late husband.

The funeral services were conducted by a personal friend of long standing, Don Morris, Minister of the Church of Christ and president of Abilene Christian College, assisted by Garnie Atkisson, former Minister for the Church of Christ here, and Arthur Golden, Minister of the Church of Christ at O'Donnell.

Pall bearers were Truett Smith, Wynne Collier, Roland "Slick" Clem, Reid Parker, B. L. Hatchell, and Granville Johnson.

Mr. and Mrs. Callaway had no children. Survivors include one brother, W. L. Carley of Fort Worth; a grand-niece, Mrs. O. C. Sikes of Tahoka; Mrs. G. W. Forsythe of Tahoka, a cousin; and a number of other distant relatives. Mrs. S. V. Woodward is a niece of her late husband "Uncle Joe" Callaway.

Mrs. Callaway, affectionately known as "Aunt Beanie" and whose maiden name was Carley, was born near where the city of Teague now stands in Freestone county, on October 28, 1868. She was married to J. K. Callaway in the fall of 1886. They lived in Freestone and Limestone counties until October, 1923, moving from Coolee to Tahoka during that month.

Industrial and frugal, she and her husband accumulated quite a lot of property during their lifetime, and she was a very liberal contributor to causes which she loved and deemed worthy, particularly to Abilene Christian College. She had long been a devoted member of the Church of Christ and faithfully attended its services here. She will be greatly missed in Tahoka.

WILSON BOYS ORGANIZE 4-H CLUB RECENTLY

The Wilson Boys 4-H Club met for the first time on Wednesday, October 6, with County Agent Bill Griffin.

FRIDAY, OCTOBER 15, 1948

ANCIENT FINGERPRINTS FOUND IN O'DONNELL CAVES
Lubbock, Texas, October 11, 1948
—A report of an advanced class in archeology at Texas Technological College on the findings in Finger-print Caves, eight miles southeast of O'Donnell, will be a highlight of the October 23 meeting in Austin of the Texas Archeological and Paleontological society.
The archeology class, under the leadership of Dr. W. C. Holden, head of the Department of Anthropology at Tech, uncovered evidence

in the caves of a prehistoric culture, which before had been thought to exist only in the Big Bend area.
Ernest Wallace, assistant Dean of Arts and Sciences at Tech, is secretary-treasurer of the society. Dr. Holden is editor of the annual bulletin published by the society, the only publication devoted to Texas archeology, and which has a large international circulation in Europe and South America.

English streetcars are known as trams.

UNCLE SAM'S SOLDIERS 100 YEARS AGO—When they appeared in dress uniform the men of the United States Army made an imposing appearance.

El Paso and presented to the Army. Thousands of visitors from all parts of the country are expected to attend the ceremonies.

H. A. Ogden, an artist engaged by the Quartermaster General, depicted a section of a frontier post when the postman arrived. The period is 1845-55 when brilliant uniforms were in fashion.

When the centennial anniversary of Fort Bliss is held at El Paso, Texas, next November 5-7, it is probable the old gaudy regimentals will be worn again by some of the soldiers and it will give added realism to the scene. Old Fort Bliss, established in 1848, has been restored by the citizens of

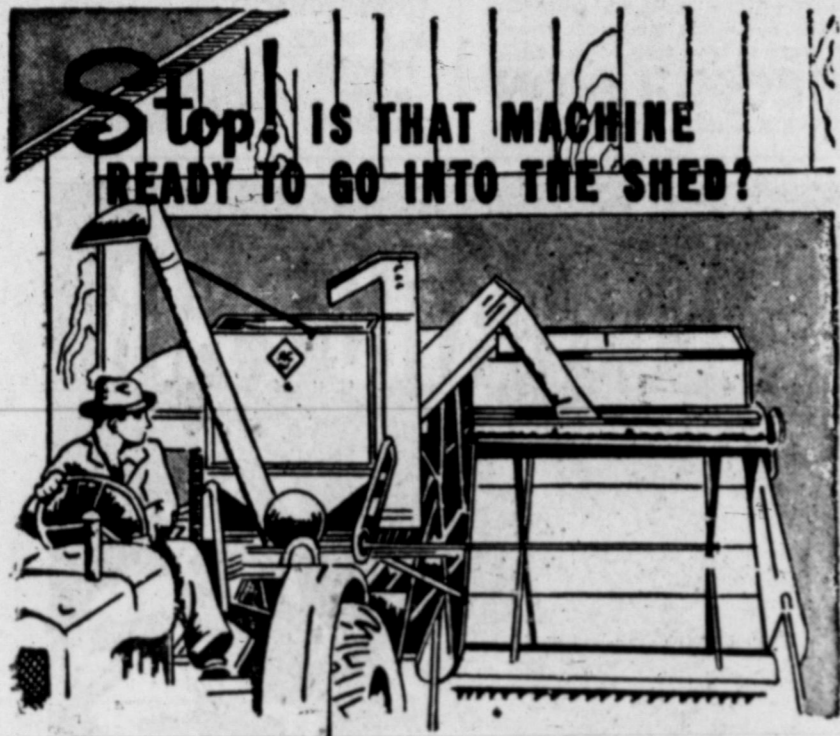

Captain Frances Scott of the Army Nurse Corps, who recently visited her parents here, Mr. and Mrs. J. M. Scott, and her sister, Mrs. J. C. Redus and family of Amarillo, has returned to her station at Rapid City, South Dakota.

Mr. and Mrs. W. H. Luck and their niece, Mrs. J. W. Reeves, all of Minden, Louisiana, came Friday to spend a few days with their daughter, Mrs. Pat Hutchison, and her family.

PFC. BILLIE J. GRIDER COMPLETES SCHOOLING

Pfc. Billie J. Grider, stationed at the 43rd M & S Davis Monthan Air Force Base recently completed an eight-week specialist course for Army and Air Force Meat-Cutters at Food Service School, Fort Sam Houston, Texas.

The girl down the street says it doesn't make much difference to her whether she marries for love or alimony.

Stop! IS THAT MACHINE READY TO GO INTO THE SHED?
"I've got to have a little work done on that machine before next spring."
You've probably said that more than once. Thousands of farmers have. But after the machine is in the shed for winter, it is often neglected until it's time to take it back into the field.
Here's a suggestion that will save you time and money. As soon as you finish this year with your All-Crop harvester,

implements and tools, check them over. If any repairs or adjustments need to be made, bring them to us.
Our shop is well equipped to handle all kinds of repair work, from a simple welding job to complete overhauling. Our mechanics have the knack of doing first rate work at the lowest possible cost to you.
Let's get your equipment in shape while there's time to do a good job.

DIXIE H. D. CLUB ELECTS OFFICERS

At the meeting of the Dixie H. D. Club on Wednesday, October 6, in the home of Mrs. Elsie Shambeck, officers were elected for the ensuing year: President Mrs. T. D. Lishman; vice-president, Mrs. E. R. Tunnell; secretary-treasurer, Mrs. Dick Mitchell; reporter, Miss Virginia Cobb; council delegate, Mrs. G. B. Sherrod.

A council report was given by Mrs. Buel Draper. Four members, Mesdames Tunnell, Dunagan, Draper, and Lishman, were named to go to the Stencil School which will be held at a later date.

Refreshments of punch, cookies and mints were served to ten members and one visitor, Mrs. Theo Campbell of Wilson.

The time of the next meeting will be Oct. 20 at 2:30 p. m. with Mrs. G. B. Sherrod. Miss Hard will give a demonstration on "Storage and Storage Accessories for the Bedroom."

Pay your state and county taxes in October and save 3 percent—Frank McGlaun, Tax collector. 1-31c

We write new subscriptions or renewals at bargain rates, for your favorite daily paper. —Mrs. E. I. Hill at Lynn County News office.

JOHN MCKAUGHAN WINNING PRAISE AS AN ARTIST

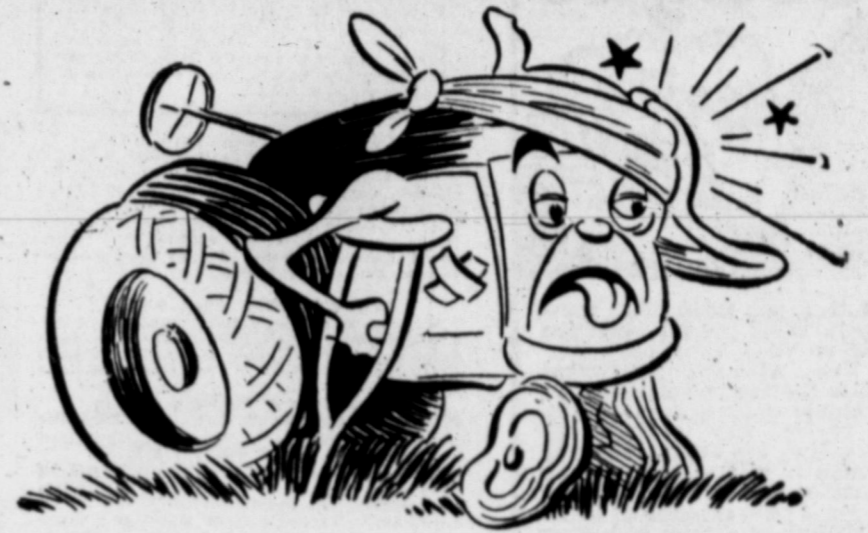

John McKaughan, son of Mr. and Mrs. J. S. McKaughan of Tahoka, who is a junior commercial art student in the Texas Technological College, seems to be winning quite a bit of local fame as an artist, according to a story appearing in the Lubbock Avalanche-Journal Sunday, which also carried a picture of the youth.

A number of McKaughan's paintings were included in the group of pictures exhibited by the Texas Technological College in the Panhandle-South Plains Fair recently.

These paintings are done in addition to his work as a student in commercial art. In fact he puts in most of his spare time, it is said, in painting just for pleasure. He has painted many pictures since he has been a student in the Tech, in oils, watercolors, and pastel, which are greatly admired. His work shows much originality and his instructors say that he has developed a technique all his own, which enables any artist to readily identify one of his paintings.

Mrs. W. E. Ward of Hammond, Indiana, is here visiting her mother, Mrs. L. A. Drager, and her brother, Ernest Drager and family, this week.

SERVICE TODAY KEEPS BREAKDOWNS AWAY

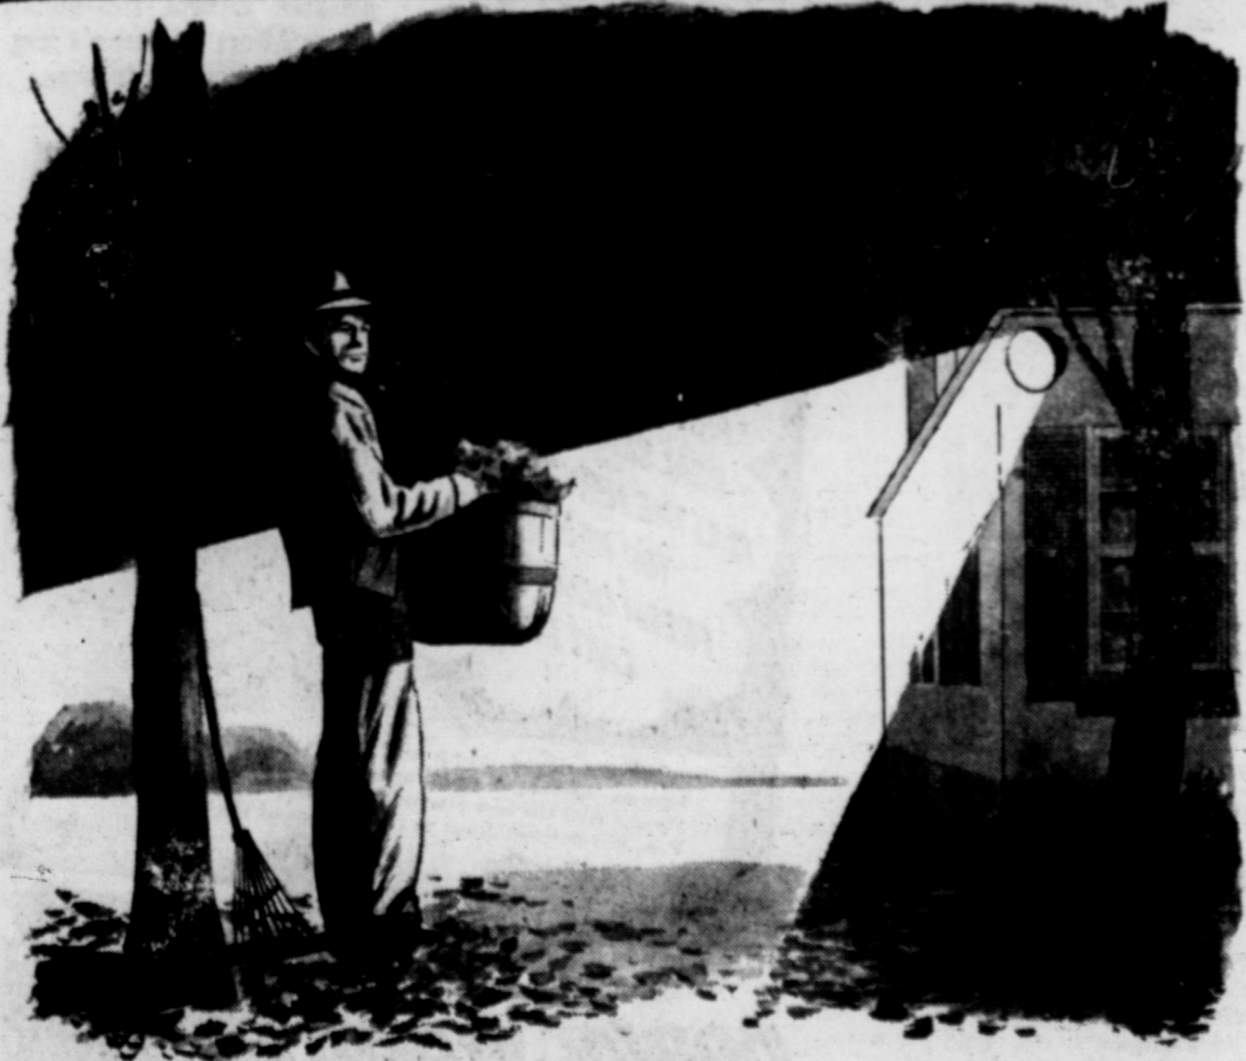

Guard your farm machinery against costly breakdowns which may come just when a machine's top performance is needed most. Not just tractors and trucks—but any of your equipment in need of fixing can be put in A-1 shape for you at our service shop.

Play safe—schedule repair work for each machine during its idle season... ahead of the busy season. Drop in or call us today for a shop date.

SOUTHWESTERN PUBLIC SERVICE COMPANY
34 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

The most valuable asset in your business is the human asset—the personal skill, judgment and driving force of your key personnel. The human asset is the factor that makes it possible for your business to show a profit—or a loss.

GIVE YOUR BUSINESS a Stronger Foundation

Your business is based on three foundation pegs—Capital, Labor and Management. You probably have your property insured against the hazard of fire. Your labor is protected by compensation insurance. But what about you, and the key men who administer your business?

If you haven't protected your business against the risk you face every day of the possible loss by death of the brains that guide the destiny of your business—you need Southwestern Life Insurance.

You can establish a sound emergency fund with Southwestern Life Insurance at an investment surprisingly low. It will be an asset to your business, strengthening the financial structure that undergirds it. And the day the need arises, forcing you into the competitive market seeking an executive with the know-how, you will be prepared. A full discussion of this Southwestern Life Insurance plan, without obligation, is yours upon request. Let's discuss it now.

CHANGE of LIFE?
Are you going through the functional "middle age" period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, highstrung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

HOUSEHOLD MEMOS... by Lynn Chambers

Families Enjoy Variety in Desserts!
(See Recipes Below)

Dessert Patterns

"MY FAMILY CAN enjoy the same meat and vegetable dishes," says a homemaker, "but they really want variety in their desserts. It's hard to keep enough good, easy to make things on hand to satisfy them."

Well, our hunger patterns are usually satisfied by the time we get to the "frosting" of the meal, and we all like something special. We may want to save or the main course, but we like surprises for desserts.

The woman who is busy with many household duties might like to skip dessert just because she can't think of something new, or because desserts are a bit too complicated to prepare, or so she thinks. How about some easy but sure to be good desserts for family or company dinners?

YOU'LL WANT to choose a light, fluffy gelatin or fruit dessert when the meal's been substantial. If, on the other hand, the meal has been a hurry-up affair then give the folks a nice, rich, baked dessert which will really stick to the ribs. Above all, make them picture pretty, gay, colorful and breath-takingly good like those in the column today.

Cranberry Log

- 1/2 cup sifted cake flour
- 1/2 teaspoon baking powder
- 1/4 teaspoon salt
- 3 egg yolks
- 3 egg whites
- 1/4 teaspoon cream of tartar
- 1/2 cup sugar

Beat egg whites until frothy. Add cream of tartar and beat stiff. Add 1/4 cup sugar and beat until points are formed. Add remaining sugar to egg yolks and beat until thick and light-colored. Fold carefully into egg white mixture. Then fold in sifted dry ingredients. Pour into a shallow pan, 9 by 12 inches, which has been greased and lined with waxed paper. Bake 20-25 minutes at 350 degrees. Have ready a strip of waxed paper cut about 15 inches longer than the cake. Sprinkle thickly with powdered sugar the section on which the cake will be turned. Roll up 15 inches of paper to form a thin roller which will make center for the rolled cake.

When cake has baked, turn out on powdered sugar. Remove paper from cake. Then, starting with roller, roll up cake like a jelly roll. Cool.

Unroll cake when cool and spread with softened cream cheese and reroll tightly.

Cherry Cream Pudding (Serves 6-8)

- 6 eggs, separated
- 1 1/4 cups sugar
- 1/2 cup boiling water
- 1 cup sifted cake flour
- 1 teaspoon cream of tartar
- 1/2 teaspoon vanilla
- 1/2 teaspoon almond extract

Slowly boil sugar and water until it threads when dropped from the end of a spoon. Beat the whites stiff. Pour hot syrup over whites slowly, and beat until cool. Beat egg yolks until thick and lemon-colored and blend in egg white mixture. Add

LYNN SAYS: Provide Hot, Hearty Meals on Cold Days

Give pork chops a new and different flavor by breading them, and then baking in tomato juice with slices of lemon.

All fruit salads may be made to appear richer when made with fruit flavored gelatin and sieved cottage cheese, and then molded.

If you're afraid that dinner won't fill appetites well enough, add a hot cream soup or chowder to the menu.

LYNN CHAMBERS' MENU

- Swiss Steak with Brown Gravy
 - Baked Potatoes
 - Green Peas with Onion
 - Tossed Vegetable Salad
 - Rolls Beverage
 - *Orange Spanish Cream
 - Cookies
- *Recipe Given.

flavorings, then sifted dry ingredients. Bake in an ungreased tube pan—in a moderate (350 degrees) oven until golden and done, about one hour. Cool and fill center with one can (No. 1) of black, pitted cherries which have been folded in two cups sweetened whipped cream.

Molded Rice Pudding (Serves 6-8)

- 2 cups cooked rice
- 1 No. 2 1/2 size can apricots
- 2 tablespoons gelatin
- 1/2 cup cold water
- 2 slices pineapple, cut up
- 1 cup whipping cream
- 2 tablespoons sugar
- 1 teaspoon vanilla

Add the juice from the can of apricots to the cooked rice. Stir over a low flame until rice has absorbed the juice. Soak gelatin in cold water. Stir into hot rice. Add all except a few apricots (saved for garnish) which have been rubbed through a sieve. Mix in pineapple. Mix lightly so as not to mash the rice. When mixture begins to set, add whipped cream which has been mixed with sugar and vanilla. Pour into a cold rinsed mold and allow to chill. Turn out onto platter and garnish with apricot halves and additional whipped cream, if desired.

HERE ARE EASY variations of an unflavored gelatine and orange juice dessert. You also may use any other fruit juice you prefer to unlock even more possibilities for you.

Basic Clear Orange Gelatine (Serves 4)

- 1 envelope unflavored gelatine
- 1/2 cup cold orange juice
- 1 1/4 cups hot orange juice
- 1/2 cup sugar
- 1/2 teaspoon salt

Soften gelatine in cold orange juice. Add hot orange juice, sugar and salt; stir until dissolved. Pour into molds and chill until firm.

ORANGE WHIP: Use basic recipe with following change. Chill gelatine mixture until slightly thicker than unbeaten egg whites; beat with rotary beater until light and fluffy. Turn into molds and chill until firm.

*ORANGE SPANISH CREAM: Use basic recipe with following changes. Soften gelatine in one cup cold milk in top of double boiler. Place over boiling water. Add sugar and salt and stir until gelatine and sugar are dissolved. Beat two egg yolks slightly. Pour a small amount of the hot mixture over egg yolks. Return to double boiler and cook over hot, not boiling, water, stirring constantly until mixture coats the spoon. Remove from heat; cool. Stir in three-quarter cup cold orange juice; chill until thickened. Beat two egg whites until stiff. Fold in gelatine mixture and chill until firm in mold.

Released by WNU Features.

Serve hot breads with plenty of sweetened spreads such as jam, jelly, marmalade or fruit butters to add calories to otherwise slender meals.

Ham, broccoli and cheese baked in ramekins provide a tasty and nourishing cold weather main dish. Use a cream sauce to bind all ingredients together.

The addition of chopped eggs to salad dressings for vegetable or main dish salads is an excellent way of getting your daily quota of this fine protein food.

You Build It
Handy Rack for Family Clothes

IF YOU will spend an evening's time making this rack you can help eliminate many family arguments. With this handy rack available, stockings, lingerie and other personals will not have to be hung up in the bathroom. While small, this rack provides ample space for drying everything from the children's clothes to whatever else you've got to wash in a hurry. Place it next to a radiator when

you need it or in a closet when not in use.

The pattern offered below provides the quickest method of building the rack illustrated. The pattern is traced on wood which the pattern specifies. Each part is then sawed and assembled exactly as step by step directions indicate. No special tools or skill are required. The small pieces of lumber and dowels which pattern specifies can be purchased at small cost from your local lumber dealer.

So for peace in the family, a convenient drying rack and the relaxation you'll get making it, send 25 cents for Pattern No. 29 to Easy-Build Pattern Co., Dept. W, Pleasantville, N. Y.

More than just a TONIC— it's Powerful nourishment!

Recommended by Many DOCTORS

PARTY-LUNCH SPECIAL: Cheese Bran Muffins
Make 'em in a Jiffy... Serve 'em Hot!

Crunchy toasted Kellogg's All-Bran muffins laced with cheese... you'll get "raves" on these every time!

- 2 tablespoons melted shortening
- 1 egg, slightly beaten
- 1/4 cup milk
- 1 cup Kellogg's All-Bran
- 1 cup sifted flour
- 2 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1 cup grated American cheese

1. Combine shortening, egg and milk; add All-Bran and let soak for five minutes.

2. Sift flour with baking powder and salt; add cheese. Add to first mixture and stir only until combined.

3. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400° F.) about 25 minutes. Yield: 9 muffins (2 1/4 inch size).

America's most famous natural lactative cereal—try a handful tomorrow.

Winston-Salem, North Carolina

THIS TEST REVEALED NO THROAT IRRITATION DUE TO SMOKING CAMELS!

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week their throats were examined by noted throat specialists—a total of 2470 examinations—and they found not one single case of throat irritation due to smoking Camels.

CHRISTIAN RURAL OVERSEAS PROGRAM TO ORGANIZE IN LYNN COUNTY

Monday morning, October 25, at 10 o'clock all citizens of Lynn county who are interested in setting up a Christian Rural Overseas Program county-wide committee for Lynn county will meet in the Tahoka High School Auditorium according to Bill Griffin, county agent.

Christian Rural Overseas Program, familiarly known as the nation as CROP, is an organization of all the religious denominations—Protestant, Jewish and Catholic—and other interested civic, business, agricultural and educational groups set up to receive and distribute gifts in kind to the hungry and needy war victims in Europe and Asia.

B. F. Gray, state campaign director, or one of his three assistant state campaign directors, will be present at the meeting to explain CROP and to help perfect organization of a county committee for Lynn county.

CROP receives gifts in kind from farm and ranch folks who have not heretofore had an opportunity to contribute to war relief funds. Most of the people living in the larger cities of Texas have already made donations in the form of cash. Now, CROP is asking our rural people to give gifts in kind, such as a bale of cotton, a ton of wheat or combine maize, a good beef calf, or whatever gift in whatever amount the rural citizen wants to participate in CROP's war relief program.

As one illustration of what rural folks in other states have already done, over 5,000 dairy heifers have been donated and shipped to Japan, China, Italy, Austria, Czechoslovakia, and other countries of both Europe and Asia.

The CROP program was launched in Texas on September 1, 1948, when Governor Beauford H. Jester urged the rural people of Texas to give gifts in kind "from the bounty of their fields and the fullness of their hearts."

Mr. Griffin urges all interested parties, along with leaders of all clubs, newspaper people, and church representatives to be present at the meeting.

Kansas had an anti-cigarette law until 1927.

Pvt. Harold Crotwell, who has been in training at Fort Belvoir, Virginia, has completed his course in heavy engineering, and is here visiting his parents, Mr. and Mrs. O. A. Crotwell. He is to leave next Sunday for Fort Stoneman, California, with prospects of being sent to Japan.

Women now find 2-way help for old problem

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI's 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

Auction Sale!

This Rich, Irrigated West Texas FARM LAND At Your Own Price!

Oct. 21, 22, 23

SALE WILL BE HELD ON THE SITE OF THE LAND IN SWISHER AND CASTRO COUNTIES IN THE TEXAS PANHANDLE

4,000 Acres in Two Tracts

I. C. LITTLE FARMS

Land Divided Into 160-Acre Units

TRACT NO. 1

3200 acres located 15 miles west of Kaffir, Texas. Kaffir is on Highway 87 midway between Happy and Tullia. The tract includes 1690 acres of excellent wheat; 1107 acres cultivated land ready to plant; 50 acres of alfalfa; 353 acres of good pasture; 4 irrigation wells and a large reservoir; 8-room modern house with 3 barns, sheds, tool-house, bunk house, silos, windmills, etc., and a 6-room modern house with barn, granary, cellar, orchard, windmill, etc.

TRACT NO. 2

800 acres located 5 1/2 miles east of Highway 87 from a point approximately midway between Tullia and Happy, Texas. This tract includes 130 acre alfalfa which yields a ton per acre per cutting; 400 acres of good wheat; 70 acres of pasture with natural lake; 200 acres cultivated land; modern, newly-remodeled 6-room house with nice trees; 5-room semi-modern house; windmill and irrigation wells.

This is level land, ideal for irrigation. It is rich and easily farmed. Last season it produced 40-bushel wheat, and 80 to 90-bushel grain, on the average. The irrigation wells average 180 ft. in depth and produce 1200 gallons of water per minute indefinitely without falling off. This season much of the crops have not needed irrigation.

ALL FARM MACHINERY AND EQUIPMENT TO BE SOLD AT AUCTION

8 Tractors, combine, ditcher, floats, feed chopper, plows, 4 trucks, binder, drills, engines, hay baler, mower, rake and various other items of farm machinery and equipment.

ORDER OF SELLING

Sale will begin at 2 PM on October 21 and continue daily at 2 PM through October 23, or until everything is sold. All sales will be held at headquarters on Tract No. 1. Come early October 21, inspect the land and machinery—be ready to bid when the sale starts.

HOW TO GET THERE:

Tract No. 1: Drive from Happy south 8 miles, or Tullia north 7 miles, to Kaffir elevator. Turn west on Farm Road No. 214 and drive 10 miles, then north 1 mile and then west 4 miles.
Tract No. 2: Drive from Happy south 7 miles, or Tullia north 8 miles, and turn east 5 miles then south 1/2 mile.
FOR THOSE WHO WANT TO FLY: There is a level turf landing field with a wind sock adjacent to headquarters on tract No. 1.

Best bet yet!

If you're shooting for extra engine protection this fall, let these two pointers show you why you should switch to winter-grade Conoco Nth today...
Pointer number one: Nth Motor Oil gives you extra protection because Nth contains a special, added ingredient that fastens an extra film of lubricant to your engine's working parts... actually OIL-PLATES them. What's more, this OIL-

PLATING stays up on cylinder walls... won't all drain down... even overnight.
Pointer number two: Free-flowing, winter-grade Nth saves battery drain and nerve strain because it's specially refined to give you faster starts when the temperature drops. So, your best bet yet for double protection is to get set for winter today! Train your sights on the nearest Conoco Mileage Merchant and...
