Number 19

Citizens Discuss Civic Problems At Meeting Here

Some definite action and discussion of a number of projects for the good of Tahoka came from a meeting of Tahoka civic club leaders Monday night at the Lyntegar building.

The meeting was attended by 24 citizens representing the Chamber of Commerce, the Jaycees, Lions, Rotary, the Schools, PTA, Child Guidance, Boy Scouts, American Legion, VFW, Lynn County Fair Association, and possibly other organizations.

The PTA and Child Guidance club took on a project that needed immediate attention, the clothing of some destitute Mexican children living in the town.

Those present decided to make the organization a permanent one, meeting monthly on second Monday and Clint Walker was elected chairman and Mrs. Fred McGinty secretary for a six months period. Every citizen of Tahoka interested in improving the town is invited to attend these meetings, but the secretary and president of each Tahoka organization is especially desired.

Purpose of the meetings is to permit a round-table discussion of any and all projects that might be for the betterment of the community. This was the second such meeting, the first having been held before Christmas to plan a Christmas program with all organizations participating.

It is believed that such round-table discussions will permit a better understanding among clubs, the members, and other citizens, and avert duplicity in work on community projects.

A name for the organization, if it may be called an organization, will be selected at the next meeting. Among the suggested names are: Tahoka Forum, Town Hall, and Civic Clubs Federation. There are no membership fees or dues, and the meetings are open to all who wish to see Tahoka progress.

Among other projects discussed, was the needed improvement of the City Park, and the Lions Club has agreed to see what can be done along this line. Another is completion of the Legion Hall. Also discussed briefly were: A city paving project, including paving adjacent to the High School, curb, gutter and paving on the two highways, on which the City is working, proposed improvement of the Lynn County Fair grounds, more recreation for children during summer months, and other projects.

Much constructive work could come from such meetings, and most of those attending the two sessions held so far have come away enthusiastic about the minor results accomplished so far.

High School Honor Roll Is Announced

Principal Otis Spears of Tahoka High School announces the following students made the first semester honor roll, minimum requirement for which is three A's and one B in grades:

Seniors: Bobby Boyd, Duane Carter, Mary Draper, Elsie Haven, Myrla Holcomb, Velma Ruth Howell, Belva Dee and Elva Lee Lowrance, Joan Slover, Jimmy Small, Wanda Faye Smith, Gerald Wayne Tippit.

Juniors: Carrol T. Aly, Lewis Cowan, Geneva Marlin, Margaret Redman, Delwyn Tunnell, Jolene Bragg.

Sophomores: Jo Ann Bennett, Harlan Cook, Bland Draper, Elms Dunsagan, Sue Findt, Patsy Locke, Wendell Moore, Margaret Roberts, Emily Slover, John Shepherd, Minnie Lou Stanley, Jerry Mac Stevens, Dale Wilhoit.

Freshmen: Marjorie Clinton, Mary Fenton, James Foster, and Eunice Shepherd.

Eighth Grade: Edith Aldridge and Josephine Rindl.

Mr. and Mrs. W. S. Anglin made a business trip to Mineral Wells Tuesday.

March Of Dimes Is Nearing Goal

Total collections for fighting Infantile Paralysis is still considerably below the mark reached last year, according to Terry Thompson, who is heading the drive.

Not having thoroughly checked up the total and not including some individual contributions, he gave the following figures to the News Tuesday soon after noon.

Tahoka Jaycees	\$112.90
Tahoka Schools	55.33
O'Donnell Schools	60.50
Child Guidance Club of Tahoka	15.00
Church of Christ of Tahoka	34.84
First Baptist Church of Tahoka	95.11
Presbyterian Church of Tahoka	5.00
Methodist Church of Tahoka	75.00
Methodist Church of O'Donnell	17.00
Methodist Church of Draw	34.78
Wallace Theatres of Tahoka	178.34
Total from organizations	\$684.30

Tahoka Plays At O'Donnell Tonight

Tahoka Bulldogs play the O'Donnell Eagles tonight at 8:00 o'clock at O'Donnell in a game that could be the contest of the season for the local basketball team. A victory for Bulldogs would give them a possible chance at the district title.

O'Donnell already has clinched a place in the play-off, but a victory for Tahoka would put the Bulldogs in a tie with Post for the second entry from District 4-A South Hill to play against the North Hill.

Coach Jacobs' Bulldogs have been improving with each game, and are hardly recognizable as the same inexperienced team which started conference play early in January.

Since last week, the Bulldogs have looked impressive in defeating Slaton and Seagraves in district games and Seminole in a non-conference game.

Last Thursday night, in a game played here, the Bulldogs outscored Slaton 52 to 20, a team which had early in January defeated Tahoka at Slaton. On the same night the B team won a 27 to 15 victory over the Slaton B team.

Friday night, in Seminole's new \$550,000 high school, Tahoka again came out victorious 37 to 23. The B team, however, lost a hard fought 22 to 29 game.

Tuesday night, the Bulldogs put up a tight defense, and won a low score victory here over Seagraves 28 to 10. The visitors scored only three points in the first half, while Tahoka had 16, and the Bulldog reserves played most of the second half.

However, the B game was the one which furnished the thrills of the evening. After trailing all through the game, the Tahoka B team took a two point lead with seconds to go, but a Seagraves boy drove down the court to tie the score at 26-and 5 seconds to play. In the overtime period, Tahoka scored six points, held the visitors scoreless, and the game ended with the score 35-26.

W. T. Clintons Attend Funeral of Relative

Mrs. W. T. Clinton and her son James and his wife attended funeral services in Lubbock Wednesday for Morgan Dickinson, 74, who died Tuesday morning at his home on East Broadway in Lubbock. Services were conducted at the Cumberland Presbyterian Church in Lubbock and burial was in the Lubbock cemetery.

Deceased was a brother-in-law of the elder Mrs. Clinton, his wife and Mrs. Clinton being sisters.

Born in Georgia and having been a resident of Burleson and Milam counties for many years, he moved out to Lubbock in 1920 and had resided there ever since. For some years he was manager of the Lubbock Oil & Gas Company and later engaged in the Drug business. He had many friends in Lynn county.

Driver of the car in the ditch failed to yield the right-of-way, even to an ambulance. He ran through a plainly visible stop sign, directly into the path of the ambulance, and was knocked across the road. Driver was killed, and a passenger was injured. Emergency vehicles always have the right-of-way—but at other times, too, it pays to be courteous at intersections. Failure to grant right-of-way ranked second as a cause of motor vehicle deaths in 1946. National Conservation Bureau advises: when in doubt, always yield the right-of-way.

Card Advertising Tahoka and Lyntegar Brings Response From St. Louis Lady

Recently as the Tahoka Lyntegar party were on their way to a nation-wide REA meeting in New York City, they stopped over in St. Louis for a brief sight-seeing trip over that city. In the party were Mr. and Mrs. W. G. Newton of Lubbock, Mr. Newton being the R. E. A. manager in the Lubbock area.

Garland Pennington, Lyntegar manager, had given to Mr. Newton a little booster card which contained some interesting facts and some "bull" about Tahoka and Lynn county, which he had had printed and was taking along with him for advertising purposes. On one side of the card was a map of Texas showing the location of Tahoka, the Home of the Tahoka Daisy. On the other side was an invitation to visit Tahoka and "See the beautiful Tahoka Daisy, in bloom from April to November," and a lot of other propaganda.

Mr. and Mrs. Newton dropped into a cafe and there met a lady (Cont'd on back page)

G. G. Cline Killed In South Dakota

Funeral services were conducted at 4:00 o'clock Thursday afternoon in Lubbock for Grady Gibson Cline, 33, a former resident of Lubbock and Tahoka, who was killed near Dupree, South Dakota, last Saturday afternoon, in a highway accident.

Cline was ranch foreman for Robert Draper, who was reared here but had acquired a ranch up near Dupree in that state. Cline was driving a pick-up belonging to Draper when it was struck by a big truck on a highway near the ranch. Cline was killed instantly.

Mrs. Cline and a man named Arledge, who were in the pick-up with him, were hurt but it is not believed seriously. Mrs. Cline's baby was virtually uninjured.

Mr. Cline had lived in Lubbock most of the time for more than 20 years. However, after returning from service in the Army overseas in World War II, he resided in Tahoka for a year or more. Later he went with Howard Draper to Hereford, where he assisted Draper with farming and ranching operations, and still later from there to South Dakota.

His parents, Mr. and Mrs. M. F. Cline, and other relatives live in Lubbock and the body was brought (Continued on back page.)

Soil Conservation Checks Coming In

According to Clint Walker, Secretary of the Lynn County A. C. A., Lynn county farmers have received a total of \$11,273.01 in soil conservation payments for practices carried out in 1948. This represents payments on two hundred farms for carrying out such practices as contour listing, terracing, leaving stubble, etc.

Reburial Services For Jack Edwards

Re-burial services for Pvt. Jack L. Edwards, son of Mr. and Mrs. H. W. (Buck) Edwards of Grassland, who was killed in action on June 2, 1945, on Luzon Island, will be held at 3:00 o'clock Sunday afternoon in the First Methodist Church of Post, followed by burial in Terrace cemetery just east of the city, with Mason & Company Funeral Home in charge.

Ministers officiating will be Rev. Jesse Young, pastor of the Robertson Methodist Church; Rev. A. B. Cockrel, pastor of the First Methodist Church at Post; and Rev. J. E. Peters, Methodist pastor at Grassland.

The body will be buried with military honors.

Pall bearers will be E. R. Blakney Jr., W. A. King, Vernon "Skeet" Clem, Harold Cook, Edward Bartley, and Riley Bonner.

Born at Grassland on September 12, 1923, Jack attended school at Grassland and Tahoka, graduating from the Tahoka high school in 1940.

He was married to Miss Jean Bailey on May 3, 1941, and to this union was born one daughter, Cheryl.

He entered military service on October 25, 1944, at El Paso. He trained at Camp Wolters, Texas, and Fort Ord, California, and went overseas April 5, 1945. He was a member of Company B, 126th Infantry Regiment, 32nd Infantry Division.

At the time of his death he had been a member of the Methodist Church for twelve years.

Survivors include the wife and little daughter; his parents, Mr. and Mrs. H. W. Edwards; one brother, Sam Edwards of Grassland; four sisters, Mrs. Roy LeMond of Grassland, Mrs. Huston Hoover of Littlefield, Mrs. John H. Sewell of Jena, Louisiana, and Mrs. Bryan Wright of Lubbock.

LYNN COUNTY COTTON GINNINGS FOR PAST 2 YEARS

J. C. Womack, special agent, has furnished to the News the following report from the Bureau of the Census, Department of Commerce.

"Census report shows that 51,448 bales of cotton were ginned in Lynn county from the crop of 1948 prior to January 16, 1949, as compared with 104,017 bales for the crop of 1947.

The little daughter of Mr. and Mrs. A. M. Bray is reported to be much improved following a siege of pneumonia.

City Election Will Be April 5

One of the important elections to be held in Tahoka this year will be that on Tuesday, April 5, for the election of a mayor and three members of the city council.

Mayor K. R. Durham's term will expire. His name will probably go in the ballot as a candidate for re-election. Aldermen whose terms expire are W. O. Thomas, V. F. Jones, and B. L. Parker. The News is informed that B. L. Parker has definitely decided to permit his name to go on the ballot for re-election; V. F. Jones will probably stand for re-election also. The News is informed that W. O. Thomas is inclined to retire, but has not definitely decided.

At this same election the proposed \$50,000 paving bond issue will also be submitted to the voters.

Boy Scouts Hold Court of Honor

As a part of the Boy Scout activities this week, a Court of Honor was conducted at their meeting place, the W. O. W. Hall, on Monday night. E. B. Gaither is the scout-master, and A. R. Milliken, former scoutmaster, conducted the ceremonies. It was estimated that about 140 people were present, and Mr. Gaither was pleased with the manner in which the program was carried out and with the interest shown by the visitors.

There were only four awards, however, all Tenderfoot. The Boy Scout awards were Roy Riddle, Joe Brooks, Willard Roe, and Jerry Evans.

Mr. Gaither also reports that 23 Scouts attended the services at the Church of Christ Sunday morning and 27 attended the evening services at the Baptist Church. Ernest West, Minister of the Church of Christ, taught the Sunday School lesson in the morning and Rev. C. T. Aly talked to the boys at their meeting in the late afternoon.

Rev. C. A. Holcomb Jr., pastor of the Methodist Church, will teach the Sunday school lesson to the boys next Sunday morning, after which they will attend services at the Methodist Church.

On Tuesday night of this week, A. R. Milliken and Mr. Gaither, with the aid of Scout Roy Riddle, gave what they called a vespers service for the Tahoka Lions Club, in which the Tenderfoot award was given. There were 34 Scouts also in the skating party that night.

There will be other Boy Scout activities throughout the week, closing with Sunday morning's church services.

New Manager At Shamburger-Gee

Erman Heck of Lubbock is the new manager of the Shamburger-Gee Lumber Company here, succeeding H. Eanes Jr. who is leaving with his family today for Shreveport, Louisiana. Mr. Eanes was formerly in the employ of an oil company in that area. He was not prepared to give out any plans for the future before leaving here. He had been here only a few months.

Mr. Heck has been in the employ of the Shamburger-Gee Company in Lubbock the past two years, having come to this area originally from Winters. He is a son of John Heck of Wilson and a brother of Henry, both of whom are well known in this county.

He will not move his family down to Tahoka until school is out in the Spring.

Congratulations:

Mr. and Mrs. Earl Grider on the birth of a son weighing 11 pounds 8 ounces at 10:50 p. m. Sunday in a Lubbock hospital.

To Mr. and Mrs. James Gass of O'Donnell on the birth of a seven pound and 6 ounce boy, born at 4:20 p. m. He will answer to the name of Johnnie Paul. Mrs. Gass underwent a Cesarean section.

An oculist is an eye doctor.

Paving Bonds Of \$50,000 Proposed By City Council

The city council in regular meeting Monday night voted to call an election for Tuesday, April 5, to determine whether or not bonds in the sum of \$50,000 shall be issued for the paving of additional streets in the city of Tahoka.

If the bonds are voted, the city will bear a portion of the expense but individual property owners will bear by far the major part of the expense, according to Dr. K. R. Durham, mayor. While the City will bear only about 10 percent of the actual paving cost, however, it will bear all of the additional expense of laying sewer lines and water lines underground in and across the streets to the curb together with the cost of making repairs of the present paving where needed.

Paving, to start with at least, will be done on those streets where all the owners of abutting property sign contracts for bearing their part of the paving. The City Council figures that it will cost each property owner about \$4.00 per front foot to do the paving on his street. In other words, if he owns a 50-foot lot abutting a street it would cost him about \$200.00 to get the street paved in front of his property. It is contemplated, however, that the payment of this sum would be deferred over a period of possibly three years.

Dr. Durham says that the city council further estimated that a \$50,000 bond issue, together with payments to be made by the property owners, would pave about 60 blocks. That makes a liberal allowance for the expense of laying and extending water lines and sewer lines, along and across streets, where necessary under the paving, and for making necessary repairs on the present paving.

Dr. Durham stressed the fact that the first paving will be done on blocks where all the property owners sign up. Not much if any paving will be done on any block unless and until all the property owners do sign up.

Sixty blocks of additional paving would put most of Tahoka out of the mud, particularly all the thickly populated sections of the town. It is up to the voters to determine whether or not this progressive step shall be taken.

Clyde E. Peddy Is Reburied At Post

Reburial services for Pvt. Clyde Elwayne Peddy, son of Mr. and Mrs. J. T. Peddy of Post, formerly of Tahoka, were held in the First Baptist Church in Post at 3:00 p. m. Thursday afternoon. Pvt. Peddy had been killed on Okinawa, April 1, 1945.

Rev. A. C. Hardin of Sundown, former pastor both at Post and at Tahoka, conducted the services, assisted by Rev. L. D. Walker of the Parkdale Baptist Church of Lubbock, who was also former pastor of the Calvary Baptist Church at Post.

Pvt. Peddy entered the service from Tahoka in March, 1944, and was killed during the invasion of Okinawa. He was born April 21, 1926, in Hill county and attended the public schools at Post and Tahoka.

A member of the First Marine Division, Pvt. Peddy was in the Asiatic-Pacific area from November 12, 1944, until the time of his death. He was awarded the Purple Heart, the Presidential Unit Citation ribbon with star, the Asiatic-Pacific campaign medal, and the World War II Victory medal.

Survivors in addition to the parents include a brother, A. B. Peddy of Houston, and four sisters, Mrs. Dale Stone of Post, Mrs. Mary Hudman of Big Spring, Mrs. A. A. Porter of Big Spring, and Mrs. K. E. Young of Odessa.

The body was re-buried with military honors.

Pall bearers were: Buddy Bailey, Joe Duren, A. C. Thomas, W. C. Harvick, Robert Harvick, James Wells, Wayne Shawn, Bob Poole.

A SUBSTITUTE FOR THE POLL TAX PROPOSED

Representative Oltorf of Marlin has introduced in the lower House of the legislature a bill providing for the registration of voters in this state if and when Congress passes a law abolishing the necessity of paying a poll tax as a prerequisite to voting in federal elections or if the poll tax payment should be eliminated by a vote of the people of Texas.

A registration board would be set up for cities containing a population of more than 10,000 consisting of the county judge, the city clerk or secretary, and the superintendent of schools. The county clerk would be the registrar for all other voters in the county.

Voters would be required to register at least three months prior to any election in which they intend to vote and provision is made for the transfer of voters who move from one voting precinct into another. One registration for each voter, however, would be valid and sufficient for the remainder of the voter's life.

Each voter would be required to give his party affiliation at the time he registered and he could not thereafter vote in the primary election of any other party. So states the news story explaining the provisions of the bill sent out by the Austin staff correspondent of the Fort Worth Star-Telegram and published last Sunday, and if that statement is perfectly accurate, it would seem that it would be impossible for a person to change thereafter his party affiliation in so far as voting in the primary elections is concerned. Once a Democrat, always a Democrat; once a Republican, always a Republican; once an Independent, always an Independent. Surely any such provision as that in the bill will be changed. Certainly it would be liberalized so as to permit any voter to change his party affiliation preceding any primary election after the first one in which he participates.

Otherwise, the bill seems fair enough according to the brief explanation of its provisions published Sunday.

Nothing is said, however, about a registration fee. If no provision is made for one, amendments doubtless will be offered providing for such a fee, otherwise the State would not only lose the decrease in revenue now derived from the collection of poll taxes but presumably it would be compelled to pay

a large part if not all of the expenses for the holding of party primaries. Certainly there would be heavy bills for printing registration forms and transfers, extra pay possibly for registration boards and county clerks, together with election officers, whose number would doubtless be greatly increased on account of the increased number of voters.

If the poll tax requirement is abolished and a registration law passed as a substitute therefor, two far-reaching results will follow.

First, the public schools of Texas and other funds into which the poll tax goes will lose a considerable sum of money each year; and second, the voting bars will be thrown down to hundreds of thousands of unintelligent and unconscionable persons in this state who will be used by unscrupulous politicians to further their own financial and political interests. We grant that there are some Mexicans and many Negroes who are capable of voting intelligently and patriotically but there are hordes of others who would become the mere pawns of corrupt white men whose power is already too great for the good of the people as a whole.

If the poll tax requirement must go, we believe that it should be atoned for in part by the collection of a registration fee out of which the expenses of conducting elections could be paid.

Is the old-time saloon coming back? If the liquor interests have their way, it is. Representative Vale of Rio Grande City has introduced a bill to permit the sale of liquor in this state by the drink. The alcoholic content of liquor thus allowed to be sold would not exceed 50 percent, according to the bill, but that would let in most grades of whiskey. In practice, it would doubtless let in all grades, for how could officers induce juries to convict a man for selling whiskey containing 51 percent alcohol while turning another man loose who sold whiskey of 49 percent alcoholic content? Just as well put it 75 percent or 99 percent. The exact percentage is of little importance. The purpose and effect of the measure would be to bring back the old-time saloon. The old-time saloon in fact is worse than the package store in that it affords a place for "social" drinking, which the wets have been claiming was the vice of the old-time saloon not possessed by the present package house. Furthermore, the old-time saloon in many instances, was the rendezvous of the underworld, the habitue of the criminal. Frequently a gambling house was upstairs and a bawdy house close by. Many of them also

BUEL DRAPER, W. M.
H. G. HODGES, Secretary.

had "bull pens" in the rear for the dead drunks. That was the all-time saloon. If it is not the liquor interests who are seeking to bring it back, who is it? Why would a legislator wish to bring it back unless he is acting in the interest of somebody else? Who else? The people of Texas should watch this movement and mark well those who support it.

PHEBE K. WARNER CLUB

Mrs. Neal Stanley entertained the Phebe K. Warner members and their guests with a seated tea in the conference room of the REA building Tuesday afternoon. Following a Valentine motif, tea and cakes of pink and green were served from a beautiful table covered with a white damask cloth, and centered with a lovely white valentine surrounded with pink carnations and ferns.

Mrs. Emil Prohl had charge of the program. The guest speaker was Mrs. Millard Swartz, who spoke on the growing and caring of Dahlias. Out of town guests included Dr. Chloe Farron and Mrs. James Samson, members of the Lubbock Dahlia Club.

El Dorado was the fabulous city of gold which early Spanish explorers sought in South America.

Local People Attend National REA Convention

Mr. and Mrs. Garland Pennington, Mr. and Mrs. G. Q. Hensley, Tom Garrard, Frank Harris, Earl Houx, Robbie Milliken, and Mrs. A. R. Hensley have just returned after attending the largest convention of rural electrification leaders in the country, held in New York City on January 31st to February 3rd. A special train carried 300 delegates from Texas to the convention.

Secretary of Agriculture, Charles F. Brannan, Secretary of Interior, Julius A. Krug, Assistant to the President John R. Steelman, and REA Administrator Claude R. Wickard, were among the top Government officials who spoke to the 4000 National Rural Electric Cooperative Association members at the 4-day session of panel discussions, open forums and business meetings. Senator George D. Aiken (Vt.), Rep. W. R. Poage (Tex.), and Senator Estes Kefauver (Tenn.) also spoke to the delegates.

Dr. Steelman, speaking at the banquet held on February 1, read a special message from President Truman: "It will continue to be the policy of this administration to provide loans as rapidly as funds are required to extend electrification to rural areas of our country, through the creation and extension of cooperatives on a sound basis," the President said. "and thus to extend the benefits of our democratic way of life." Dr. Steelman stated that the President has a deep interest in speeding up electrification of rural areas "because he knows that where the power lines stop, progress come to a dead end. He knows that the electric lines which carry power across the nation are pumping life-blood into our democratic, free-enterprise economy."

The assistant to the President recalled that in the mid-thirties the United States was one of the most backward of the major nations in the vital matter of extending electricity to rural areas. "Only one farm out of 9 in the United States had central electric service. . . . Today we have only 3 farms in 10

without it." Garland Pennington, Manager of Lyntgar Electric Cooperative, pointed out that only on farm out of 10 in the area served by this cooperative is without electric service.

Congressman Poage spoke out strongly for Federal aid in extending telephone lines to rural areas, recommending that it be done similar to the way rural electric lines have been built with the aid of loans from the Rural Electrification Administration.

Senator Aiken, paying tribute to TVA, Hoover and Bonneville Hydroelectric developments told delegates he hated to think of what would have happened if we had not had those projects during the last year. "God forbid that we should be plunged into another war, but if that should happen we must not be caught short of power," he said. "Our ability to produce is the key to our future success; and safety of a nation; and electricity, in ever-increasing volume, is the vital force needed to turn the wheels of an expanding economy. Our failure to develop and use our inexhaustible resources such as the St. Lawrence River, is just as short-sighted and just as wasteful as it is to squander our exhaustible natural wealth."

Secretary of Agriculture Brannan referred to cooperative rural electrification as an integral part of the national farm program through which farmers themselves are "employing the home-spun brand of private enterprise to improve their living and working conditions."

REA Administrator Wickard, referring to the problems which pertain directly to the bringing of service to every community, told delegates: "Materials are needed in larger quantities. The availability of aluminum conductor is the controlling factor in construction for many REA borrowers. The supply situation on other types of conductor has been tightening. The Wisconsin Electric Cooperative's contract with the Reynolds Metals Company for aluminum conductor offers a bright ray of hope on what otherwise is a darkening picture in this field."

Senator Kefauver, discussing TVA and the Government power policy, submitted that TVA is the "greatest political-economic invention since our Bill of Rights. And, as our Bill of Rights, it is subjected to fiercest opposition. Because it meets the specifications of a democratic people, it is destined to succeed. Because it is likely to succeed, it is destined to be tried elsewhere. Because it must be applied elsewhere, the valley authority will sound the death knell to private privilege and to the vested interests in a scanty economy. No wonder the TVA is attacked by those who enjoy the fruits of unrestrained monopoly and irresponsible corporate enterprise."

The Texas Delegates, as well as some from other states, had the privilege of visiting the TVA Project on their return trip.

Among resolutions passed by the convention were those calling for Congress to authorize \$450,000,000 for REA loans during the next year and development of the nations' rivers with hydroelectric dams. The resolution supporting public power called attention to the widespread shortage of adequate amounts of electric generating capacity necessary for dependable service.

WELLS H. D. CLUB MEETS WITH MRS GROGAN

The Wells H. D. Club met on February 1, in the home of Mrs. R. G. Grogan.

The roads were so bad that our agent couldn't be with us.

Each lady present brought something from home to work on, such as piecing quilt top and crocheting. A very enjoyable evening was spent working together.

Refreshments were served to Miss Ina Ledbetter, Mrs. T. B. Barton, Mrs. M. L. Webb, Miss Myrtle Ledbetter, Mrs. Buster Phipps, Mrs. R. G. Grogan, and a visitor, Mrs. Granville Grogan.

G.A. Holds Mother-Daughter Tea

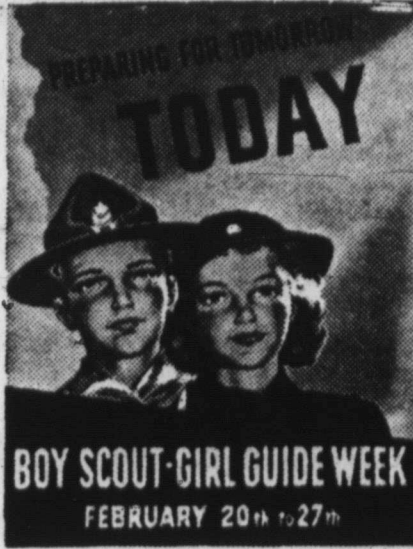

The G. A. of the First Baptist Church entertained their mothers Sunday afternoon with a Program Tea. The guests were greeted at the door by the two G. A. Counselors, Mrs. K. R. Durham, Lottie Moon G. A., and Mrs. C. N. Woods, Hutchison G. A., and the two presidents, Miss Jeanene Reid and Miss Joy Tomlinson.

The program began with everyone singing the Girls Auxiliary Hymn, "We've a Story to Tell to the Nations" led by Bro. S. H. Russell and accompanied by Mrs. C. T. Aly. Each of the girls were asked to introduce themselves and their mother, and Mrs. Fred Lambert, Young People's Secretary, introduced the other guests. Dorothy Durham welcomed the mothers and expressed the desire they would enjoy themselves. Mrs. Clay Bennett graciously responded and expressed the mother's appreciation for them. Mrs. W. F. Hutchison lead in prayer. Three of the Lottie Moon G. A. members, Frances Murray, Willie Mae Polk and Kathleen Lawson, sang "Ready." Jo Helen Aly then played a piano solo entitled "Phillipino." Mrs. W.

H. Kenley, Secretary of the W. M. S., having been presented with a beautiful corsage of yellow jonquils gave the inspirational message, "Winning Hearts to Christ" and in closing gave a parable on soul winning. Mrs. S. H. Russess then lead in prayer.

The G. A. Colors, green, gold and white, were carried out in the color scheme. The room being decorated with yellow jonquils, fern and white bows. The refreshment table was laid with a lace table cloth, the yellow jonquils, and green candles. The green punch was served from the crystal punch bowl by Margare Durham, and guests were assisted in being served cookies and mints by Marilyn Fuller and Wanda Faye Smith, who are Y. W. girls. While everyone was enjoying their refreshments, Wanda Faye Smith sang very beautifully "Mother Knows" accompanied by Mrs. S. H. Russell, Y. W. A. Counselor.

This week, February 6th-12th, is G. A. Focus Week and the girls are seeking to do something as an organization each day. They sat together in the morning Church Service last Sunday and were recognized by the pastor. Monday afternoon the girls served the Sunbeams,

which is a younger missionary organization. Wednesday they made Valentines to be given to the Extension Department of the Sunday School. Thursday and Saturday they are to deliver Church Calendars for the Church. Friday there will be a Home Mission book taught immediately after school. The Girls Auxiliary gives the insight of the importance and value of mission work and is an auxiliary of the W. M. U. of the Baptist Church.

MRS. CALLOWAY HUFFAKER IS HOST TO W. S. C. S.

The Methodist W. S. C. S. met Monday at 12:00 o'clock, noon, in the home of Mrs. Calloway Huffaker for a luncheon and business meeting.

Mrs. Slover brought an inspiring devotional to 20 members and two visitors.

A lovely luncheon and social hour was enjoyed by all those attending. The Society will meet in the basement of the Church promptly at four o'clock. All women of the Church are cordially invited to attend.

GIVEN FAREWELL PARTY

A farewell party was given for Mrs. Ailene Rouse Wednesday night at the home of Mrs. Clovis Honeycutt.

Mrs. Rouse is the former Miss Ailene Bartley and has been employed for the last six months as supervisor of Nurses at the Tahoka Hospital. Mrs. Rouse and her 22-months old son Jerry, are leaving today for San Francisco, where she will go by ship to Sangley Point in the Phillipine. Mrs. Rouse is to join her husband who is a Chief Petty Officer in the Navy.

King George V bestowed the title of knight upon Harry Lauder, a comedian.

A tourniquet is used to stop the flow of blood in an artery.

Rome is divided by the Tiber River.

Pioneer of Plains Dies at Lubbock

Another well-known pioneer citizen of West Texas passed on last Saturday in the death of J. J. Dillard, 79, who had been a resident of Lubbock for more than 52 years. Funeral services were conducted by Elder Liff Sanders at 2:30 p. m. Monday in the Broadway Church of Christ, followed by burial in the Lubbock cemetery.

A native of Mississippi, Dillard came to Texas with his parents when he was a boy of seven in 1876, and the family located in Montague county. In 1896, he came on out to Lubbock, where he worked on ranches until May, 1904, when in partnership with Thad Tubbs he established a newspaper and called it the Lubbock Avalanche.

Previously, however, in 1898, he had been licensed to practice law, but found that there was little for a lawyer to do. He was elected as school trustee for the Lubbock school district, however, and was made secretary of the body. As such he prepared the transcript of the first school bond election, which authorized an issue of \$25,000.

In 1910 he was elected to the legislature, when the district included 27 counties, including Big Spring and Sweetwater. He served only one term and then again hung out his shingle as an attorney at law. He served as justice of the peace and practiced law till 1936, when he was first appointed and then elected county judge of Lubbock county, serving until 1941. He then retired from active life.

Lady Godiva rode naked through the streets of Coventry to protest onerous taxes on her husband's subjects.

Aborigines of America are called Indians because Columbus and his men thought they had circled the globe and reached India.

In 1906, the San Francisco earthquake claimed a thousand lives and caused \$400,000,000 in property damages.

Farmers Co-op Hold Meeting

Amarillo, Texas, Feb. 9.—More than a thousand farmers and their families representing 307 farm cooperatives in the southwest are expected to convene in Dallas on February 14 and 15 for the annual meeting of shareholders of Consumers Cooperatives Associated and to observe Texas Farm Cooperative Week. This two day meeting will be held in the Baker Hotel.

Speakers on the two-day regional wide farm program will include Jerry Voorhis, executive secretary of the Cooperative League, Chicago; J. Walter Hammond, president, Texas Farm Bureau Federation, Waco; Howard A. Cowden, president, Consumers Cooperative Association, Kansas City, Mo.; and Leonard F. Cowden, executive vice-president, Consumers Cooperatives Associated, Amarillo.

More than 100,000 farm families in a seven-state area, including Texas, Oklahoma, Colorado, New Mexico, Arkansas, Louisiana and Mississippi, make up the membership of the farm cooperatives that will be represented at this meeting.

A special luncheon for ladies will be held at noon on February 14th featuring an address by Miss Helen H. Swift, sociologist for Rural Women's Organizations, Texas A. & M. Extension service, Miss Bobbie Lee Hansford of Little Rock, Ark. "The Co-op Songbird" will render vocal selections on this program.

Tahoka people who are planning to attend this meeting include Mr. and Mrs. Bobby Carroll, Mr. and Mrs. H. P. Caviness, Mr. and Mrs. J. C. Wells, and Mr. and Mrs. W. T. Cook, representing the Farmers Co-op. Association No. 1 of Tahoka.

Mrs. J. F. W. Maeker underwent major surgery at the Tahoka Hospital. Her condition is reported to be good.

Capt. James Lawrence is famous for his dying words, "Don't give up the ship."

WEST POINT H. D. CLUB HAS BUSY MEETING

The West Point Home Demonstration Club met with Mesdames Tom and T. W. Hale Tuesday, February 8th.

The roll call was answered with varieties of vegetables adapted to this area.

Miss Hard conducted a very interesting program on Planting and Foundation Shrubs.

Mrs. A. D. Schaffner, retiring president, who is moving to Lockney soon, was presented with a table lamp by club members.

Refreshments of sandwiches, potato chips, olives, cookies, and cakes were served to Mrs. Otto

Stone, Clayton Lawrence, George Claud Wells, Hubert Tankersley, A. D. Schaffner, Keevil Coffman, John Fulford, Hattie Yates, Elmo Schaffner, and the hostess.

Next meeting will be on March 8 with Mrs. Elmo Schaffner.

In another place in this paper is an item telling of the Cooper family reunion, but the names of Mr. and Mrs. Clifton Hamilton were unintentionally omitted. They were present too.

Davy Crockett, a famous bear hunter and congressman from Tennessee, was killed in the Alamo in 1836.

— RUPTURE —

SHIELD-EXPERT, H. L. HOFFMANN of Minneapolis, Minn., will demonstrate, without charge his "Rupture Shields" in Lubbock, at Hotel Lubbock, Saturday, February 19, 1949. From 10 A. M. to 3 P. M. Please come early. Mr. Hoffmann says:

"I have specialized in the field of Rupture Correction since 1928 and personally fitted well over ten thousand cases. When skillfully done most Rupture openings will contract in a short time. Above all you can go to work immediately without fear or pain. There are many of my satisfied customers right here in this community. Special lady attendant for WOMEN and CHILDREN. Ask for Mrs. Hoffmann."

CAUTION: If neglected, rupture may cause weakness, backache, nervousness, stomach and gas pains. People having these conditions, which have returned after surgical operations or injection treatments, are especially invited. "If you want it done right, don't experiment. See HOFFMANN." If unable to see him at this time address:

Moisture Benefits Large Area Of West, Prevents Erosion

Fort Worth, Tex., Feb. 4.— Good moisture has given western Texas and Oklahoma temporary rest from wind erosion although large acreages are still without enough cover to prevent blowing when the soil's surface dries.

Regional Soil Conservation Service Director Louis P. Merrill pointed out that the principal benefit from the recent rains and snow is that farmers now can produce a crop that, with a good cropping pattern and properly managed stubble, will help to prevent blowing on a large scale next year.

Mid-January reports from soil conservation field men in Oklahoma and Texas show 4,612,934 acres in the two states without good enough plant cover to prevent blowing when the soil's surface dries. Of this, 3,119,853 acres are in Texas. Merrill explained that this two-state figure, which represents the main blow hazard in the United States, can be cut sharply as farmers and ranchers take advantage of the opportunity to get and keep good plant cover on their lands.

Farmers and ranchers who are cooperating with their soil conservation districts already know the measures they need to take to prevent wind erosion next year," Merrill said. "The others can use a few basic practices and aid greatly in reducing the erosion hazard. The supervising boards of soil conservation districts can make good use of this opportunity to get general cooperation among landowners and land operators to cut down next year's blowing. It's a job that must be done a year ahead."

The immediate value of recent rains and snow, Merrill explained, is that farmers are able to list and chisel their lands to offer a cloddy or furrowed surface against possible soil movement. The moisture means in most areas that farmers can prepare their land for spring planting with the assurance that they will be able to get a crop up.

The rain and snow of course will give new impetus to young stands of small grain and in some areas already have assured good soil cover, Merrill said. Grasslands have suffered greatly from drouth and the new moisture will mean good early growth where the more desirable plants are still in good condition and some cover from winter weeds and grasses.

Grass seeding on damaged lands can be speeded up with moisture present to insure germination. A better than usual supply of grass seed will help to speed up this part of the soil conservation program.

On the deep sandy soils a dead cover of sorghum or sudan in which to seed grass is needed. These crops now be planted to give cover for seeding the grass in the spring of 1950.

In row-crop areas soil conservationists are recommending a field strip type of farming, which, when the winds blow next fall, will lessen damage from wind erosion. In peanut and cotton producing areas such a pattern would include strips of sorghum with stalks left high, to protect fields of cotton and peanuts.

Merrill said that reports from field representatives of the Soil Conservation Service show that many soil conservation districts are working hard on campaigns to protect land in their districts next year. Some of these boards are conducting tours to show farmers the value of field strips and residue management practices. They are carrying on information programs through newspapers and radio channels to urge farmers to apply preventive measures.

Reports show that little or no damage has occurred this year on land where stubble and other crop residue has been left on the surface. Merrill pointed out that experiences of the last two year have impressed upon many farmers the value of crop residue management, strip cropping, crop rotations, cover crops and other good soil practices.

"We in the Soil Conservation Service feel much encouraged by the evidence of interest on the part of many farmers who previously had felt they could get along without some of the practices soil conservation districts and SCS were recommending," Merrill said. "I am convinced that wind erosion will not be as widespread even if we do have another dry summer and fall. Farmers are learning that they must leave crop residue on their land until they have enough soil moisture to get another crop up."

THE RODNEY HECKS EXPRESS APPRECIATION

We wish to express our deep appreciation and thanks for the many cards, flowers and many kindnesses shown us during my month's confinement in the Tahoka Clinic. —Mr. and Mrs. Rodney Heck.

CHILD GUIDANCE CLUB HOLDS REGULAR MEETING

The Child Guidance Club met Monday night in the home of Mr. Bob Miller with sixteen members and two guests present. After the regular business meeting, Miss Lola McWhirter gave a most interesting discussion on "What to Read Little Children and When" which was enjoyed by all present.

Refreshments were served to the following members: Messrs. Joe Bob Billman, Herman Renfro, Jeter, G. H. Chestnut, Urban Brown, Ivan McWhirter, Chas. Nelms, Neal Stanley, Dub Kenley, Roy Hicks, Fred Hegl, Alton Cain, June Nevill, Maurice Huffaker, and two guests, Mrs. Bill Griffin and Miss Lola McWhirter and the hostess.

The next meeting will be held on February 21st in the home of Mrs. Joe Bob Billman.

Washington D. C. is on the banks of the Potomac River.

CHANGE IN LOCAL TELEPHONE PERSONNEL

Mrs. Marge Hawkins, chief operator in the Tahoka office of the Southwestern Associated Telephone Company for the past two or three years, left Tuesday morning for Paducah, where she has been assigned a supervisory task that will engage her services probably for several months.

She is succeeded as chief operator here by Mrs. Iva (J. T.) Elliott, who has been an operator here for quite awhile.

Mrs. Hawkins wishes to commend her successor to the public, assuring telephone subscribers that Mrs. Elliott is well acquainted with local problems and is thoroughly capable of handling the work of the office in a satisfactory manner. Take your telephone troubles to Mrs. Elliott and she will be glad to assist you.

Advertising doesn't cost, it pays!

MRS. W. T. KIDWELL HONORED WITH STORK SHOWER

Mrs. W. T. Kidwell was honored with a Stork Shower on Thursday afternoon, January 27, in the home of Mrs. B. C. Dollins.

Miss Karen Kidwell gave a reading, "Baby Brother," which was enjoyed very much.

In spite of the icy weather, a

large number of ladies were present. Refreshments of hot chocolate and individual cup cakes were served.

Many lovely and useful gifts were displayed.

Hostesses were Meses. R. H. Gibson, A. L. White, Clay Bennett, Clyde Spruiell, Frank Greathouse, and B. C. Dollins.

Your tractor and farm machines—you want them fixed in the shop of course, instead of in the field, where breakdowns and delays are expensive. Our shop service will put your farm equipment in tip-top running order, ahead of season. Pre-season servicing is the stitch in time that prevents costly field breakdowns and delays. Saves money, too.

Help us to help you! Call us now, or drop in and arrange a date for us to give your machines our top-quality shop treatment.

You'll get an economical job and an expert job—a job done by trained servicemen using the latest equipment and factory-approved methods.

Call us or see us at once for a date to put your equipment in shape ahead of season.

Can Black-Draught Help Physical Fatigue?

Yes, Black-Draught may help physical fatigue if the only reason you have that listless feeling is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

CLUBS ARE THANKFUL FOR PEOPLE'S COOPERATION

The Parent-Teacher Association and the Child Guidance Club would like to take this means of expressing our appreciation for the fine manner in which the people responded to our drive for old clothing for the needy children in our town. Many warm, useful articles of clothing were joyously contributed. These children will be elad much warmer this week than last, thanks to you.—The Clubs.

It's a sure bet every time that an electrically cooked meal will be a wonderful tasting meal. It's a sure bet, too, that you're coming out of a sparkling kitchen, where no cooking fumes are staining your walls and ceilings. And it will be easy to wash the cooking utensils because clean electric cooking leaves pots and pans sparkling, without a deposit of hard soot.

The man of the house will be smiling too, because wonderful electric cooking is so easy on his pocketbook... electric service bills are so low.

To bring these smiles to your home, visit your nearest dealer and see the new electric ranges... they're wonderful... they're economical... and you'll want one.

SOUTHWESTERN PUBLIC SERVICE COMPANY
24 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Advertise City . . .

(Cont'd from front page)
with whom they fell into conversation. They gave her the Tahoka Daisy card, and when Mr. Pennington and his party arrived home the first of this week he found the following letter, dated February 1, from Mrs. Ethel Satterfield of St. Louis, Missouri, with the Tahoka card enclosed.

Since the letter is interesting within itself as well as from the circumstances that occasioned it, we are glad to publish it in full.
Mr. Pennington,
Tahoka, Texas,
Dear Sir:

No doubt you will be glad and surprised to get this little card returned to you and to know that your ambassadors by the name of Mr. and Mrs. W. G. Newton are doing a fine job advertising the state of Texas and your Co-op Inc. I chanced to have lunch at same table in downtown St. Louis (with the Newtons) and in commenting on our weather I found that they were from out-state, and of course it was my business to convince them that Missouri could and does produce about everything from Presidents on down, good and bad, weather included.

Then I told them I had relatives in Tahoka and immediately this little card was presented to me, when I saw they (my relatives) were in a cotton section and raised cotton on approximately two sections of land and their names were Mr. Josh Burkhardt and son.
Mrs. Burkhardt, aged 90 I believe,

passed on January 20, 1949 burial in Baptist Church in Tahoka. I have always wanted to visit Texas and see the "Blue Bonnets" in bloom, but now I am more anxious than ever to see the Tahoka Daisy too.

I hope that with your good personal advertisers and your Lyngar Co-op Inc. you will keep Tahoka well supplied and that your Tahoka Daisy continues to bloom until I have the opportunity to visit, and see all that is to be seen.

We here in St. Louis have lots of things you Texans would enjoy, the Zoo, beautiful parks, etc. We now have showing at Art Institute the most valuable paintings from Germany, Ice-Capades, etc. Yes, we have a wonderful state too. The Missouri Mule stands ready-harnessed to begin cultivation where progress is needed.

Here's wishing you and all Texan a good 1949 and especially hope you will keep the Tahoka Daisy blooming until I can get a chance to see them.

Very truly your,
Ethel J. Satterfield,
6494 Oakland Ave.,
St. Louis 10, Mo.

Gerrymandering is dividing territory into voting districts so as to give an unfair advantage to a particular political party.

William Dean Howells was often called the Dean of American Letters.

Harrisburg is the capital of Pennsylvania.

Cline Killed

(Continued from Page 1)
back to that city for burial, arriving about noon Wednesday.

In the meantime, Robert Draper had brought Mrs. Cline and the two little children, by plane, to Tahoka, arriving Tuesday, and upon arrival they took rooms at the home of Mr. and Mrs. Hall Robinson formerly operated as the Sunshine Inn. Mrs. Cline's parents, Mr. and Mrs. J. J. Newman of Glen Rose, had also come and were guests of the Robinsons. The Newmans lived in and near Tahoka for many years and were well known here, Mrs. Cline being the former Ina Lou Newman.

Since arriving here, Mrs. Cline has been suffering much from shock and grief as well as from her physical injuries, and it is feared that she is in worse condition than was at first reported.

Surviving Mr. Cline are the widow and two sons, Jerry Michael, 9, and Dennis Fred less than 1; his parents; a sister, Mrs. George T. Allen of Olton; three brothers, W. O. Foy, and W. C., all of Lubbock; and the paternal grandfather, M. L. Cline of Trenton, Texas.

Rev. Ben Hardy Has Story On Sensational Kentucky Robbery

Rev. Ben Hardy, received a few days ago from a sister who lives in Russellville, Kentucky, a clipping from a copy of the Russellville News-Democrat of date of January 20, 1949, containing a reprint of a story which appeared in the Nashville Tennessean of September 30, 1934, which related from the lips of an eye-witness the story of the robbery of the Nimrod Long Bank of Russellville by the noted James Brothers Gang on March 20, 1863.

The eye-witness who related the story was a little woman 75 years of age, Miss Jennie Prewitt, who was a girl of 9 at the time of the noted robbery, and who took refuge in the bank when the James gang rode into town from four directions firing their pistols so as to drive the people off the streets. It was an interesting story, but there are reasons that make it peculiarly interesting to Brother Hardy. He was born at Russellville two and a half years after the robbery, and when his sister recently sent him the newspaper clipping, she wrote this information on the margin:

"The old bank that was robbed was the home that Uncle George Hardy bought years ago. His daughter Nannie (Mrs. McCurdy) lives there now. I was there a few weeks ago, and she showed me the bullet hole in the wall where the bullet lodged when they shot Mr. Long."

Mr. Long was Nimrod Long, president of the bank, and an uncle of Brother Hardy, if we remember him correctly.

The little woman who related the story still lived in Russellville at the time it was published in 1934.

School Principals Are Re-elected

At a regular meeting of the Tahoka school board Tuesday night, Otis Spears was re-elected principal of the high school, and Urban Brown was re-elected principal of the grade school.

Each was given a two year contract with the salaries to be based on the State Salary Schedule.

WINSTON REDWINE IS TEACHING AT UNIVERSITY

Winston Redwine was called to Austin about 10 days ago, where he was offered a job, which he accepted, teaching piano at the University of Texas. He also is doing work toward his Master's degree.

Winston is the son of Mrs. F. E. Redwine of this city, graduated from Tahoka High School, and last spring received his B. A. degree from the University of Texas School of Music. He distinguished himself while in school at Austin as a musician of rare ability.

John Hegl, 7, son of Mr. and Mrs. Pete Hegl received a badly cut left foot last Saturday when he let an axe fall on it. No permanent injury was done to the foot.

CUB SCOUTS MAKE APPEAL

The Cub Scouts have a new cubmaster, Mr. Newt Smith; also four new Den Mothers, Mrs. Allen Fleming, Mrs. James Applewhite, Mrs. Beulah Atkins, and Mrs. Jess Gurley, according to a report made to the News by Mrs. Neely Brooks.

"We are very proud of these people," the report says, "and wish them the very best. We are your boys, the future citizens of your town, so please give these people all the help you can, when you can. The Den Mothers before never had much help. So please, every one, let's help make our cub troop better."

"Come down by Jones' Dry Goods Store and see our display of things we have made this past year."

G. W. Hickerson, who had undergone surgery in Baylor Hospital, Dallas, following the breaking of his hip from a fall on the ice some two weeks ago, was brought home Wednesday in a Stanley ambulance much improved. He was accompanied home by Mrs. Hickerson and Cecil, who had been with him down at the hospital.

THE LYNN COUNTY NEWS

TAHOKA, TEXAS

FRIDAY, FEBRUARY 11, 1949

Rev. W. A. Nicholas Dies At Abilene

Rev. W. A. Nicholas, 94, Baptist minister of Abilene but better known throughout West Texas as the friend and benefactor of homeless children, with a number of grateful and admiring friends in Lynn county, died in his room in the Hendrick Memorial Hospital in Abilene early last Friday morning. Funeral services were held at 3:00 o'clock last Sunday afternoon in the First Baptist Church of Abilene, with another well-known minister, Dr. Millard A. Jenkins, officiating. The body was buried, in accordance with his wishes, in Babyland, a plot of ground given to him years ago in Cedar Hill Cemetery, Abilene. To be used as a burial ground for unfortunate babies who died.

For the past 35 years, Brother Nicholas had spent his time in the finding of motherless and homeless babies and placing them in good homes. Thus he had become the foster father of more than a thousand children, it is stated. He had placed a few children in Lynn county homes.

Thousands of West Texas people at one time or another during these 35 years, had known Brother Nicholas intimately, and they knew him to be one of the most kindly, fatherly, unselfish souls they had ever known.

Paraphrasing a more famous but less worthy man speaking at his own brother's funeral on one occasion; if every person whom Brother Nicholas has done a kindly deed should place a wreath upon his grave, he would sleep today beneath a wilderness of flowers.

Disregarding air resistance, a body will fall 16 feet in the first second after it is dropped.

TOLER'S BROTHER-IN-LAW DIES IN ABILENE

J. F. Toler, proprietor of the former Fulkerson service station here, received a message Sunday morning bearing the news that his brother-in-law, E. W. Burdett, 50, had died at his home in Abilene that morning.

Mr. Toler went down Sunday afternoon to attend the funeral services, which were conducted in the First Baptist Church of Abilene at 10:00 o'clock Monday morning. The body was buried at Dublin, his former home.

Mr. Burdett was the husband of Mr. Toler's sister. He had been an employee of Thornton's Department store for many years but had been in very bad health for the past two years, suffering from heart trouble. His death was sudden but not entirely unexpected.

FORMER TAHOKA MAN WEDS IN ANDREWS

James Anson Coughran, a long-time resident of Tahoka, and Mrs. Stella Thompson were united in marriage at 9:00 a. m. Monday, January 31, 1949, at the home of the groom in Andrews, with Rev. Eugene Brand, pastor of the First Baptist Church of Andrews, officiating.

The bride was attended by the groom's daughter, Miss Ruby Coughran, and Rex McCarley served as the groom's best man.

Guests included Mrs. Pat Beene, Mr. and Mrs. Ray Hart, Mr. and Mrs. L. D. Hargrove, W. W. Walker, Miss Nell Floyd, Buck Walker, Mrs. Opal Herring, and Mrs. Ruth Powell.

Following a brief honeymoon, the couple are making their home in Andrews.

Crayon drawings are known as pastels.

The Thousand Islands are in the St. Lawrence River.

Parcel Post was established in the U. S. in 1913.

BOY SCOUTS OBSERVE 39TH ANNIVERSARY

Happy Birthday Scouts, Cubs and Seniors! The above four Scouts representing the entire Scout Movement of the South Plains Council, Boy Scouts of America extend their greetings to all members of the Scouting Program on the 39th Anniversary of the Boy Scout Movement in America. The boys pictured left to right are James West, Cub Scout, Pack 1, Roscoe Wilson School; Earl Dietering, Jr., Boy Scout, Troop 10, Knights of Pythias Lodge; J. G. Cash, Air Squadron 16, Rotary Club, Post, Texas; Bill Griggs, Explorer Post 10, Knights of Pythias Lodge, Lubbock. These boys represent the 3381 Cubs, Scouts and Seniors in the 20 countries in the South Plains Council.

Mr. and Mrs. Noel Cooper and family of Lamesa, Mr. and Mrs. Andrew Cooper and family of Brownfield, Miss Myrtle Cooper of Lubbock, Mr. and Mrs. P. A. Nowlin, who recently removed from Brownfield to Clovis, New Mexico, and Mrs. and Mrs. Alton Cain and children of Tahoka, gathered in the parental home here Sunday, that of Mr. and Mrs. E. J. Cooper, for a

visit with the parents and with one another.

In the English language, the letter "e" occurs most frequently.

The longest river in Africa is the Nile, 4,000 miles.

Eli Whitney invented the cotton gin.

DR. DURHAM ON DENTAL PROGRAM AT WICHITA FALLS

Dr. K. R. Durham attended a regional meeting of dentists at Wichita Falls Tuesday night where he had been assigned a part on the program. He was accompanied by his long-time friend, Dr. R. F. McCasland of Tulla, who also had a place on the program.

Dr. Durham has long been highly regarded by the dentists of Texas and is frequently placed on pro-

grams for discussion of technical or professional problems. Dr. McCasland is in frequent demand also. These two were room-mates in college, graduated together from Baylor Dental school, came to the West at the same time, one locating here and the other at Tulla, and they have been intimate friends through all these years.

WEEKLY NEWS ANALYSIS Landlords Rebel Over Rent Curbs; Russians Set up Anti-ERP Program; Israel, Egypt Sign End to Fighting

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

REBELLION: Among Landlords

Chest out, muscles flexed, truculent of attitude, members of the American Property Owners' association in 20 cities threatened wholesale eviction of tenants in protest against rental control bills now in congress.

AN OFFICIAL of the organization, composed chiefly of owners of small property, said in Tulsa, Okla., 600 to 1,000 eviction notices would be mailed to Tulsa tenants advising them to vacate within 60 days. Similar action, he said, was expected in Chicago, Houston, Kansas City, Detroit, St. Louis, Fort Wayne, Grand Rapids, Danville, Ill., and other cities.

The eviction notices affected rent-controlled housing and included houses and apartments. Business units are not under rent control.

SPEAR-HEADING the Tulsa movement was a retired Baptist minister, the Rev. Wallace J. Murphy, executive secretary of the 200-member Tulsa property owners organization, and an honorary president of the national association.

The Rev. Murphy termed two rent control bills now before congress "intolerable," and said, "we refuse to operate so long as rental controls are on." Owner of considerable property in Tulsa, the retired clergyman asserted, "we don't intend to serve under slavery which would take away the right to control our property. It is not enough that we must rent our property at a loss—now they want to fine us and put us in jail."

Landlords appeared mainly incensed because pending rent curb measures would be giving the federal housing expediter right to control evictions, extend rent control periods, provide triple damages for overcharges on rent, and permit fines up to \$5,000 and a year in jail for convicted violators.

OBSERVERS WONDERED IF landlords weren't letting their wrath becloud their judgment. For, under existing law, which doesn't expire until late March, landlords are prohibited from doing exactly what the Rev. Murphy and his associates plan to do.

The Tulsa incident was merely fuel to the flame of belief that if rent curbs are not maintained, the question of housing for those who cannot afford to buy homes would become even more difficult than it is at present.

RUSSIANS: Coming to Tow?

Messrs Joe Stalin and the politburo, so long and so vocally derisive of everything the western world has or offers, were subconsciously paying that world the sincerest form of flattery—imitation.

The Russians had come forth with their own version of ERP, alphabetical symbol of the Marshall plan for aid to Europe.

AS THE EAST'S answer to the European recovery plan, Russia had organized the economic council of mutual assistance for cooperation with five of her neighbors, Bulgaria, Czechoslovakia, Hungary, Poland and Romania.

The purpose, as outlined from Moscow, was "the exchange of experience in the economic field, the rendering of technical assistance to each other, and the rendering of mutual assistance in regard to raw materials, foodstuffs, equipment, etc." Russia, with her vast resources, obviously was to be the key nation in the council.

The Kremlin held the door open to other nations. The announcement said, "other countries of Europe that share the principles of the council and wish to participate in broad economic cooperation with the aforementioned countries," may join.

THAT MOSCOW was considering the Marshall plan when its six-nation council was formed was evident in a Russian charge that the ERP interfered with the sovereignty of nations, and that the U. S., Britain, and "certain other countries of western Europe" were boycotting the six nations in trade.

The Russian action may prove to be the vital error in the Soviets' program of expansion. If the system fails to function, it will serve only to spotlight the efficacy of the Marshall plan and the superiority of the western nations in equipment and ability to keep European commitments.

HURRY-UP MEASURE

Priority Ordered for Rent Curb Bill

Speed was of the essence. Rent controls had to be safeguarded swiftly. So, into the senate hopper fell an administration bill calling for broader and tougher rent controls for another two years.

The bill, authorized by Senator Maybank, (D., S. C.) and, in the house by Representative Spence (D., Ky.) would continue controls through March 31, 1951, and would

New Leader

Li Tsing-Jen, China's nationalist vice-president was holding the reins of organized government following Generalissimo Chiang Kai-shek's departure from Nanking to clear the way for a Communist-directed peace.

PEACE DOVE: Hovers in East

Hovering wings of the dove of peace were becoming faintly audible in the Holy Land dispute.

Israel and Egypt signed a permanent cease-fire order and armistice talks were still going on after recent difficulties.

THERE WERE even more significant developments looking toward final peace in the long controversy stemming from the partition of the Holy Land to make the area available as a place of settlement and nationalization of Jews.

Great Britain had capitulated, and with the British lion on its side, the new nation of Israel had the two most powerful nations in the world committed to its support.

Other nations were falling in line to recognize the Jewish state. Indications were that with the trend apparently fully in motion, Arab opponents to the Israeli state would soon be standing completely alone in their opposition.

SHOULD THAT condition eventuate, Israeli seemingly would have nothing to fear, inasmuch as its armies already have proven a match for Arab forces.

Bible students and others religiously inclined would be quick to see in the developments the beginning of fulfillment of the old prophecy that the Holy Land would one day be returned to the Jews, that they would one day become a nation again, with their own flag, their own land, their own government.

SURPLUSES: Curbs Are Sought

Fearful of large surpluses of wheat and cotton, the government was studying moves to prevent this contingency.

Secretary of Agriculture Charles Brannan outlined to a senate agriculture committee plans to hold down this year's cotton and wheat crops.

Brannan's plan called for serving notice on wheat and cotton farmers that the 1949 crops they plant will not be considered part of their average production in figuring any future acreage allotments. This means growers could plant fewer acres without being penalized later by proportionate acreage curbs on their crops.

Under present law, if acreage controls are renewed, the average acreage planted by a farmer in the five previous years is the amount he is entitled to plant.

Many officials felt that might induce many farmers to plant as much as they can in order to have the maximum possible acreage when and if controls are clamped on.

Brannan's plan, assuring the farmer of no restrictive penalties through curtailment of acreage, was seen as a possible curb on any excessive planting.

About as large a winter wheat crop as possible already has been planted and a committee member declared cotton farmers are preparing to plant an "extra large crop" to get benefit of present high support prices.

Chairman Elmer Thomas (D., Okla.) of the committee which heard Brannan, said legislation to back up Brannan's proposal would be offered in congress.

Washington Digest Politicians Settling Down To Practical Things Again

By BAUKHAGE
News Analyst and Commentator.

WASHINGTON. — With the mighty fanfare of the Democrats on inauguration day a fading memory and even the brave words of the Republicans on Lincoln Day less than a whisper out of the past, the practical politicians on both sides of the aisles in the house and senate are hard at their practical politicking.

The sudden re-entrance of Governor Dewey on the political scene was something that took many of his fellow Republicans by surprise. Nevertheless, it would seem that many who don't like him because he lost last November and others who didn't like him enough to help him win last November, are willing to change their minds and really work for his election to the senate in 1950. They think he has a chance for the seat which Senator Wagner has held so long.

Shake-Up Hits Probe Committees

One of the interesting changes wrought by the election was the reorganization of the un-American activities committee. This strange child, born of a desire of one Democratic congressman to check Nazi and anti-Jewish activity in this country back in the days of Hitler had become a problem child for the administration.

The father of the idea (it was a New York congressman), saw his offspring kidnapped at birth. It was seized by Republican Hamilton Fish of New York and later by Rep. Martin Dies of Texas and brought up in quite a different manner from what was intended.

The Democrats were pretty embarrassed with the committee before Dies was through with it, and when he decided to withdraw from the Washington scene they tried to squelch it but failed. It had proved too good a headline-getter for its members. Then along came the Republicans in 1946 and grabbed it, making it one of the administration's number one headaches.

As soon as Democrats returned to power they saw to it that the committee, now an accepted institution, was cleaned up. By one twist and another, they managed to eliminate all of the old members but one, Representative Wood, who is chairman. Membership was limited to lawyers, which was logical enough, for its faults were those which no honest lawyer would condone, and it was reformed to recognize civil rights and to conform to some of the fundamental principles of justice and civil rights with which the original organization scorned to bother. Witnesses are now permitted to give their side of the case, be represented by counsel if they desire.

Nothing has been done to hamper its effectiveness, and it should be able to render a real service from now on. As Rep. John McSweeney (D., Ohio) one of the new members, said: "The spy hunt should be carried to a logical conclusion, but I will not permit innocent men and women to have their names and characters besmirched by unfounded and unsupported accusations."

Commies at Work In Irvied Halls

One of the jobs which the committee under J. Parnell Thomas, was preparing to do was to investigate communism in American colleges. That sent the universities and colleges into jitters for fear academic freedom would be throttled as other freedoms had been by the fanatical members of the old group. However, there is no reason at all why a judicial investigation of this particular subject shouldn't be undertaken.

Canada received a distinct shock recently from Dr. Watson Kirkconnell, president of Acadia university. He made an analysis of the report of the Labor Progressive Party university students conference at Toronto last fall which was published by the SATURDAY NIGHT, a weekly magazine published in Toronto.

The report is a 14,000 word document which presents the Communists' own views on their position, in Canadian universities. It reveals, according to Dr. Kirkconnell, that there are militant Communist "nuclei" on the campuses at McGill, Toronto, Winnipeg, Saskatoon, Edmonton, and Vancouver, all under rigid party discipline.

There are known to be a number of similar groups, doubtless working with the same party techniques, in this country. In some places they are considerably weaker than they used to be.

INAUGURAL COLOR FADES

Back to practical politicking

laying their demands on the line they were somewhat annoyed to find a number of top Democrats' polite, grateful and gracious, but also just a little coy.

Newsmen outside one office door when an A. F. of L. delegation was waiting for members of Senator Thomas' labor and public welfare committee, heard much desk-pounding and one voice was strong enough to penetrate the thick paneling:

"We went up and down the country ballyhooring for the repeal of the Taft-Hartley act. And that's what we want now."

But the practical politicians in the house and the senate knew they were facing the fight of their lives. They knew they could count on some Republican support, but only if they sent down a bill which had something in it beside straight repeal. That is why the administration ordered a "one-package" measure, one that contained certain positive provisions. The unions were willing to let the old Wagner act come back into force, but the administration knew that was the wrong approach since there was considerable popular sentiment against undoing all that had been done in the way of scotching strikes.

Relieve MISERIES OF Chest Colds.

RELIEVES chest, throat and back surfaces like a warm, comforting poultice.

At bedtime rub throat, chest and back with Vicks VapoRub. Relief-bringing action starts instantly... 2 ways at once! And it keeps up this special Penetrating-Stimulating action for hours in the night to bring relief.

**Small Circus Wagon
Will Please Children**

HERE is a gift idea that appeals to everyone. It's a circus wagon plant holder that makes a delightful center piece for the table. Ivy and other small potted plants thrive in this gaily decorated circus wagon. If there is a child in the family, forget its use as a center piece and make several wagons to form a circus. Youngsters love to cage their wild animals and move them about.

The full size pattern offered below offers a quick and easy method of building. No special tools or skill are required. User merely traces the pattern on the wood pattern specifies, saws and assembles. To insure painting with a professional touch, full size decorating outlines are provided. These are traced on the wood and painted the colors pattern suggests. Pattern specifies using small pieces of wood that can be purchased at any lumber yard.

Send 25c for Circus Wagon Pattern No. 46 to East-Elig Pattern Company Dept. W. Pleasantville, N. Y.

Try Soretone for Athlete's Foot. Kills all 5 types of common fungi—on contact!

Hard of Hearing Now Hear Clock Tick

A new device has been developed to give hope for the hard of hearing. Through the adoption of a new miniature electronic tube, science now brings restored hearing to the deafened.

No more cumbersome batteries or battery cords needed. This new device weighs only a few ounces yet so powerful the hard of hearing may now hear whispers.

It is suggested, if interested, for yourself or a friend, write Box 2461, Dallas, Texas.

Watch Your Kidneys!

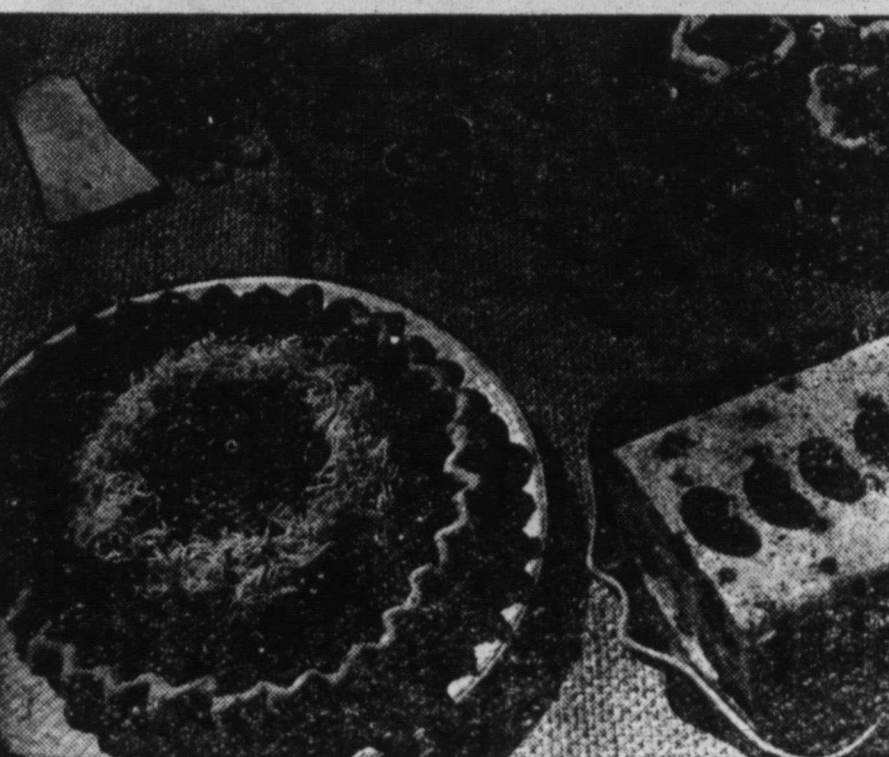

Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, stinging or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Ur Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

HOUSEHOLD MEMOS
by Lynn Chambers

SERVE CHERRIES IN DESSERTS THIS MONTH!
(See Recipes Below)

CHERRY FAVORITES

FOR A MONTH which is short, February has more than its quota of holidays. Just in case you're entertaining for even one of these, I've planned a number of popular desserts from which you can take your choice.

Youngsters and oldsters alike will enjoy colorful desserts whether they're for family diner or a party. You may serve them ice cream, cake or pudding, or pie, if that's your favorite dessert, and it's bound to be a hit.

Here are a number of top-notch cherry dessert recipes which may be used during this month or any other. Starting with a cherry pie filling, you'll find that several other desserts can be made from it. Filled cup cakes, cherry sundae topping or a cherry frozen pudding, all are made using the same, easy basic cherry sauce that is used for pie filling. The sauce may be stored in the refrigerator for later use or for quick snacks when company drops in to call.

YOU'LL FIND that canned cherries are convenient to use and somewhat lower in price than last year. The following recipes call for water-packed cherries. If you use those packed in syrup, reduce the sugar in the recipe to 1/4 cup.

All-Purpose Cherry Sauce
(Makes 2 1/2 cups)

- 1 No. 2 can red sour pitted cherries
- 1/2 cup sugar
- 2 tablespoons cornstarch
- 1/4 teaspoon salt
- 2 tablespoons butter

Heat the drained liquid from the cherries. Combine sugar, cornstarch and salt. Sift into the boiling liquid and cook until thick and clear, stirring constantly. Remove from heat; add butter and cherries.

Cherry Pie

Fill an 8-inch baked pie shell with 2 1/2 cups of the all-purpose cherry sauce. Garnish with 3 tablespoons shredded coconut mixed with 1 tablespoon grated sharp cheese.

Cherry Sundae
(Serves 4)

1 cup all-purpose cherry sauce
1 pint ice cream
Prepare the cherry sauce. Divide the ice cream into 4 servings. Top each with cherry sauce. Serve sauce hot or cold.

Cherry Filled Cup Cakes

2 1/2 cups all-purpose cherry sauce
10 cakes
Prepare the cherry sauce. Cut off tops of cup cakes and scoop out centers. Fill with cherry sauce. Serve with vanilla-flavored whipped cream.

***Frozen Cherry Pudding**
(Serves 6)

1/2 pint whipping cream
2 1/2 cups all-purpose cherry sauce
3 drops almond flavoring
Whip cream until stiff; fold in cold cherry sauce and flavoring. Pour into freezing tray of mechanical refrigerator and freeze until firm but not hard.

IF YOU'RE looking for other cherry recipes with which to celebrate any event, you'll like the following selection. The first is a delicious cookie:

LYNN SAYS:

Food Tricks Make Dishes Appealing

To broil pears, halve and core fresh fruit. Dip in French dressing and sprinkle tops with grated cheese. Broil until brown.

Use the tough portions of broccoli cooked and pureed, mixed with cream sauce and hard cooked eggs for a nice vegetable dish.

Spice apple sauce and serve it with a small scoop of ice cream and a few crisp refrigerator cookies for a simple dessert.

LYNN CHAMBER'S MENU

- Braised Rump Roast of Beef
- Browned Potatoes
- Carrots
- Gravy Onions
- Bread and Butter
- Orange-Onion Salad
- *Frozen Cherry Pudding
- *Recipe Given
- Beverage

Cherry Dainties
(Makes 3 dozen)

- 1/2 cup sweet butter
- 1/4 cup sugar
- 1 egg yolk
- 1 tablespoon grated orange rind
- 1 tablespoon lemon juice
- 1 cup sifted flour
- 1/2 teaspoon salt
- Chopped nuts
- Candied cherries

Cream butter, add sugar and cream thoroughly. Add egg yolk, rind and lemon juice. Mix well; add flour and salt. Mix to a smooth paste. Roll into small balls, the size of marbles. Dip each in slightly beaten egg white and roll in chopped nuts. Arrange on greased baking sheet and press a piece of candied cherry in each cookie. Bake in a moderate (350° F.) oven until golden brown, about 12-15 minutes.

George Washington Cake
(Makes 2 9-inch layers)

- 1/2 cup shortening
- 1 1/4 cups sugar
- 2 3/4 cups cake flour
- 1/2 teaspoon salt
- 1 teaspoon baking powder
- 1/2 teaspoon soda
- 1 cup sour milk or buttermilk
- 1 teaspoon vanilla
- 4 stiffly-beaten egg whites

Thoroughly cream sugar and shortening. Add sifted dry ingredients alternately with sour milk and vanilla. Fold in egg whites. Bake in 2 waxed-paper lined 9-inch pans in a moderate (350° F.) oven for 30 minutes. Put layers together and frost with the following frosting and garnish with maraschino cherries.

Twice-Cooked Frosting

- 2 cups sugar
- 1/2 cup water
- 1/4 teaspoon cream of tartar
- 1/4 teaspoon salt
- 2 egg whites
- 1 teaspoon vanilla

Cook sugar, water and cream of tartar to soft ball stage (236° F.). Add salt to egg whites; beat until frothy. Place over hot water and gradually add sugar syrup, beating constantly. Continue beating until mixture forms peaks.

Cherry Pudding
(Serves 6-8)

- 1 quart hot milk
- 2 cups dry bread crumbs
- 3 tablespoons butter
- 4 eggs, slightly beaten
- 1 1/2 cups sugar
- 2 1/4 cups red, sour canned cherries drained

Pour the scalded milk over the bread crumbs and mix with remaining ingredients in the order given. Pour into a greased casserole and bake in a moderate (350° F.) oven for 45 minutes or until set.

If you desire a sauce for the above pudding, use the cherry juice from the canned cherries, sweeten it to taste and thicken with 2 teaspoons of cornstarch mixed with the sugar. Cook until clear and serve warm or cold.

Released by WNU Features.

Thin pancakes spread with strawberry, raspberry or blueberry jam, then rolled and sprinkled with powdered sugar make a delightful dessert.

Slice liver in strips and cook it with celery, onions and Chinese vegetables. Season with brown and soy sauce and serve over Chinese noodles. It's delicious.

Did you know that a bit of curry powder in corned beef hash will put it in the elegant class? You can stuff green peppers with the mixture for a meal in one dish.

Watch Out For It!
2,4-D, the famous weed killer, will also kill most legumes, most vegetables, garden flowers and shrubbery, says NDAC extension service.

Household Hints

In ironing cotton sheets and pillowcases, use warm water for sprinkling because it penetrates the fabric more quickly than cold water.

Do not use too hot an iron or use too much pressure when ironing the folds of sheets. This results in weakness at the line of the folds and finally causes cracking of the sheet along these lines.

In removing stains from sheets and pillowcases, special methods should be used for the various types of stains. Lipstick usually comes out when bleached in hot, sudsy water. If it refuses to come out, the stained part should be bleached with hydrogen peroxide or Javelle water. If breakfast-in-bedders have spilled coffee or chocolate, the spots will usually wash out in hot sudsy water. To remove fruit stains, pour boiling water through the stain. If it is stubborn, bleach with hydrogen peroxide or Javelle water. To remove iron rust, apply a solution of oxalic acid and rinse thoroughly.

It is not necessary to iron Turkish towels. Ironing may mat the loops and make the towel less absorbent.

To make fudge squares uniform in size, pour the fudge in ice cube trays which have been greased with margarine. The fudge hardens quickly and each piece is uniform.

New towels should be laundered before use for better absorbency and sanitation.

No Longer Constipated

"Since I made ALL-BRAN my breakfast cereal I've stopped taking laxatives!"—Mrs. V. DeBosis, Philadelphia, Pa.

If your diet lacks bulk for normal elimination, this delicious cereal will supply it. Eat an ounce every day in milk—and drink plenty of water. If not satisfied after 10 days, send the empty carton to the Kellogg Co., Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK. Order KELLOGG'S ALL-BRAN today.

This Home-Mixed Cough Syrup Is Most Effective

Cough medicines usually contain a large quantity of plain syrup—a good ingredient, but one which you can easily make at home. Take 2 cups of granulated sugar and 1 cup of water, and stir a few moments until dissolved. Or use corn syrup or liquid honey. Instead of sugar syrup.

Then get from any drugstore 2 1/2 ounces of Pinex, pour it into a pint bottle, and fill up with your syrup. This gives you a full pint of wonderful medicine for coughs due to colds. It makes a real saving because it gives you about four times as much for your money. Never spoils. Tastes fine.

This is actually a surprisingly effective, quick-acting cough relief. Swiftly, you feel it taking hold. It loosens the phlegm, soothes the irritated membranes and makes breathing easy. You've never seen anything better for quick and pleasing results.

Pinex is a special compound of proven ingredients, in concentrated form, a most reliable soothing agent for throat and bronchial irritations. Money refunded if it doesn't please you in every way.

DR. W. A. SCHAAL TELLS OF VISIT TO DAVENPORT, IOWA

Dr. W. A. Schaal returned from Davenport, Iowa, last week. He was accompanied by Dr. S. H. Schaal, his father, from Post. While there they visited the Palmer School of Chiropractic, the largest college of its kind in the world. Dr. S. H. Schaal graduated there in 1921 and had never been back, so it was quite an experience for both of them. Among other things they saw here an Egyptian Mummy over three thousand years old. The mummy was a girl, judged to be between 26 and 28 years old at the time of her death. Although the wrapping had never been removed from the body, the doctors at the school took a full length x-ray of her. The spine was as nearly perfect as could be; the only injury that could be seen was one collar bone broken and dropped down several inches. They figured maybe the girl had some kind of a fall from a high place that probably caused her death.

The theory of the process the Egyptians used to bury their dead is said to be that the brains and all the organs were removed before the embalming solution was put into the body. The x-ray of this girl clearly showed a hole in her skull, probably where the brains were removed, but all of her internal organs were still intact and could be seen as clearly as a live person's. The history of how the mummy happened to be at the college was quite interesting. Someone brought it over to the States from Egypt before World War II and sold it in New York. It changed hands twice more, then was purchased by its present owner. The old Egyptian curse must have still been working as something disastrous happened to the three previous owners. Dr. Palmer, however, hasn't succumbed to the curse yet, and doesn't even believe in it. He thinks it was merely coincidence.

CARD OF THANKS

Sincerely do we thank our friends for the many kindnesses shown us by word and deed during the dark hours through which we have just gone. Especially do we thank Dr. Seale and his staff of nurses for their faithfulness and efficiency. May God's rich blessing be upon each and every one of you.—Mrs. R. B. McCord, Mr. and Mrs. Bascom McCord, Mr. and Mrs. Bert Short, Mr. and Mrs. Claud Thomas, Mr. and Mrs. R. Ilin McCord, Mr. and Mrs. Carl Lee Edwards, Mr. and Mrs. Jim Looker, Mr. and Mrs. Tom Mott and families.

S. M. U. WILL OBSERVE RELIGIOUS EMPHASIS WEEK

Dallas, Feb. 9.—Annual Religious Emphasis Week will be observed on the Southern Methodist University campus February 14-17. Sponsored by the SMU Student Council of Religious Activities, the program has as its theme "Religion, the Great Difference."

Speakers during the week will include Dr. Paul Ramsey, professor of philosophy of religion, Princeton University; Dean William Hawley of the Divinity School, University of Chicago; Dr. Paul Wassenich, University of Texas; the Rev. Clifford Zirkel, director of the Wesley Foundation, University of Texas; and W. F. Howard, executive secretary of Baptist student work in the state of Texas.

SMU students will be dismissed from classes so that they may attend the morning services in McFarlin Memorial Auditorium. The annual program is traditional on the SMU campus.

The largest single military fortification of ancient times was the great Wall of China.

DOCTORS DISAGREE ABOUT ARTHRITIS!

Some claim it is incurable—yet sufferers who have tried REUMA-RUB tell us that this new liquid analgesic gives them wonderful relief from pain and discomfort. REUMA-RUB is a pleasant-to-use Alcoholic Rub that penetrates and stimulates sore aching muscles and swollen joint areas and gives welcome relief. And Remember: You must find that REUMA-RUB gives more relief from pain of Arthritis, Lumbago and Rheumatism than any external remedy ever used—or your money refunded. A large bottle of REUMA-RUB costs only \$1.25 of your Druggist or at

Automatic Gas Ranges

The Only Unbiased Buying Guide of its Kind in the Major Appliance Field

The "CP" trademark indicates that the automatic gas range in which it appears is manufactured by a member of the Gas Appliance Manufacturers Association. These specifications are created by the Association on recommendations made by leading gas range manufacturers, gas utilities and home economists. Not all models bearing the "CP" trademark are alike but all models must be pre-tested by unbiased laboratories before they can bear the "CP" trademark.

ANNOUNCING ANOTHER NEW "FUTURAMIC"...

"88"
THE OLDSMOBILE

The Futuramic Fleet is now complete! The Oldsmobile "98" ... the Oldsmobile "76" ... and now the Oldsmobile "88," the newest Futuramic of them all! It's NEW in power ... with all the brilliant action, unbelievable smoothness, and gas-saving economy of Oldsmobile's high-compression "Rocket" Engine. It's NEW in styling ... with that brand new Body by Fisher whose lower, wider, roomier dimensions and greater visibility have made it an industry-wide sensation. But the Oldsmobile "88" goes further than that. It has an entirely NEW balance ... a NEW "feel" ... an indescribable something that sets it apart from any car ever built. You'll understand this when you drive the car ... and not until. So make a date with the "88." Ask your dealer to demonstrate Oldsmobile's "New Thrill!"
