Volume 45.

Tahoka, Lynn County, Texas, Friday, April 29, 1949

Number 30

Tahoka Team Opens Oil Belt League Play

Lynn county's baseball team was defeated by Post 9 to 7 in the opening game of the Oil Belt League at Post last Sunday afternoon, but the local team, the newest entrant in the league served notice by the close score that it may give the other teams some hot competition this season.

In other league games, Levelland defeated Brownfield 10 to 5, Slaton edged Seagraves 4 to 3, and Sundown won over Denver City 9-7.

Next Sunday at 2:30 p. m. Tahoka meets Brownfield at Brownfield. The first home game will be with Denver City here on May 15. Last Sunday's game was originally scheduled for play here, but was moved to Post due to the fact that the local field is not yet in shape for play.

Dale Thuren, player coach had done an excellent job in getting together a team in a brief time, and the Post game, outside of a few little rough spots, was an excellent one.

Tahoka loaded the bases the first time at bat, but the Post pitcher managed to get the inning over without a score. Each team scored in the second. Post went ahead 2 to 1 in the fourth, each scored once in the fifth, and in the top of the seventh, Tahoka scored three runs, but Post came right back to score four runs in the bottom half, and that was the ball game—7 to 5.

Bill Holcomb did a good job on (Cont'd on back page)

Tahoka Second In Area Judging

Tahoka's FFA judging teams last week end participated in the annual Texas Tech contests, tying with Seminole for second place in sweepstake awards, Plainview winning first, in competition with teams from 79 West Texas schools.

Competition was so keen that Tahoka and Seminole finished only one point behind the winner, Plainview.

In dairy judging, Tahoka team, composed of John Henry, Delwyn Tunnell, and Dwayne Townsend, won fourth place. Henry was the second high individual in the entire contest. A total of 89 teams of 195 boys were in the event.

The Dairy Products team won second place, the team being composed of Jimmy Small, Gerald W. Tippit, and Robert Adamson. Each of the three boys was in the top ten individuals. Adamson was second high man in milk judging and third high in the entire contest. Tippit was third high in milk judging and fifth in the entire contest. Small was tenth in the entire contest. There were 14 teams competing.

Crop judging team, composed of Dale Wilhoit, Bland Draper, and J. W. Phillips, won eighth place among 35 teams. Wilhoit was first in grain grading and third in grain judging.

The Poultry judging team, composed of Wayne Martin, Wiley Curry, and Jimmy Uzzle, failed to place, but gave a good accounting among the 40 teams entered.

V. P. Carter, vocational agriculture teacher, coached the boys.

Congratulations:

Mr. and Mrs. Leonard H. Nettles of Route 4 on the birth of a son weighing 7 pounds 3 ounces at 5:18 a. m. Monday in a Lubbock hospital.

Mr. and Mrs. John Boyd of Galveston on the birth of a son last Friday at El Campo weighing 8½ pounds, named Alan Randolph. The new arrival is the grandson of Mr. and Mrs. W. S. Anglin of Tahoka.

To Mr. and Mrs. R. J. Seasums upon the birth of a son in the Seale Hospital on Friday, April 22, weighing seven pounds. He has been named James Farmer Seasums.

LATVIANS WHO WILL SPEAK HERE NEXT SUNDAY

Recently returned from behind the "Iron Curtain," Rev. and Mrs. George Lamberts will speak at the First Baptist Church here next Sunday, at both the Morning and the Evening services. The Lamberts and their son Andria have been enrolled in Wayland College, Plainview. (See Story).

Former Sheriff Died Saturday

Funeral services for James Westley Simpson, 66, who died early Saturday morning, were conducted at three o'clock Sunday afternoon at the Norton Methodist Church. He was a prominent farmer in the Norton community.

The Rev. B. M. Gillis officiated. Burial followed in the Wilmeth Cemetery with Spill Funeral Home in charge of arrangements.

Born June 15, 1882 at Samantha, Ala., he came to Texas in 1893 with his parents.

Mr. Simpson came to Runnels county in 1905 and settled in the Wilmeth community where he lived until 1916. He was married to Miss Oran Turner on February 16, 1908. Eight years later the couple moved to Lynn county where they lived 20 years.

He was sheriff of Lynn county from 1925 until 1929. He died at the Winters Municipal Hospital after an illness of several weeks.

Surviving are the widow; two daughters, Mrs. Josephine Herring of Miles, and Mrs. Edna Simpson Harkins of Big Spring; one son, Dudley Simpson of Norton; four sisters, Mrs. A. F. Harkins of Wilmeth, Mrs. Roy D. Clift of Corpus Christi, Mrs. Scott Poe of Burbank, California, and Mrs. W. E. Simpson of Yuma, Arizona; one brother, B. V. Simpson of Amarillo; and seven grandchildren.

Rotary Club Has Ladies' Banquet

Tahoka Rotarians were holding a Rotary Ann's night banquet at The News went to press Thursday night. Jack Sisco of Corsicana was the principal speaker on a program arranged by Bill Strange Sr.

Last Thursday, W. D. "Dub" Rogers, Lubbock business man, spoke before the club on the dangers of "Socialized Medicine" as advocated by the national administration. The speaker made a strong case against the proposed medical acts.

Sheriff Confiscates Cache of Liquor

Sheriff Roland Clem captured eight pints of whiskey and a small quantity of beer out at a farm house about six and a half miles north and a mile west of Tahoka on Thursday of last week. Buck Baugh was arrested and a complaint was filed against him charging the unlawful possession of intoxicating liquor. He made bond and was released pending trial of the case in county court next week.

Sheriff Clem reports that the whiskey had been buried.

L. B. "Red" Curtis, who lived here for many years, was a Tahoka visitor the first of the week. He is now farming at Plains, Yoakum county.

New Oil Test South of Town

Lynn county is to have another wildcat oil test immediately.

The Ransdall Oil Company of Tulsa and Midland has staked a 10,000-foot test of Pennsylvania lime to be made on the Billie Williams tract about five miles southwest of Tahoka. Building of the rig started Tuesday and the driller expects to spud in next Monday.

The location is given as 660 feet from the north and west lines of Sec. 2, Block 8, E. L. and R. R. Survey; 2,970 feet north of the 7, 500—Lonnie Williams No. 1 drilled 1945.

On Tuesday, the Sinclair No. 1 Lindy about 1 mile northeast of O'Donnell had reached a depth of a little more than 8,300 feet.

Softball League Meeting Called

A meeting of all softball team managers who wish to field a team in the Lynn County Softball League this summer has been called for Friday night of next week at 8:00 o'clock in the AAA building. Plans for league play and the election of officers are on the card.

This year, trophies will be presented first and second place winners by the Tahoka Chamber of Commerce, which finances the summer softball program, according to Clint Walker, secretary.

School Classes Are Staging Their Annual End of School Events

Though the Tahoka Schools will not close until May 20, the end-of-school activities are already under way.

Last Friday night, the Seniors presented their annual class play, "Wedding Spells," before an appreciative crowd that nearly filled the school auditorium.

Thursday afternoon of last week the Junior class held its annual class picnic.

Tonight, Friday, the Juniors are giving their annual banquet honoring the Senior Class at the Legion Hall.

Boy Scouts Will Have Pie Supper

Tahoka Boy Scouts and Girl Scouts are sponsoring a pie supper at the Tahoka gymnasium on the night of Friday, May 6, according to E. B. Gaither, Scoutmaster.

Everyone in the county is invited to come out, enjoy the evening, and help the local Scouts.

The News received a card a few days ago from Edwin (Tiny) Jolly stating that he was working for the Continental Gin Company in Dallas. Of course he wanted The News sent to his address.

Romeo's family name was Montague.

Light Rain Adds Season To Soil

Damp and misty weather has prevailed much of the time this week but very little rain has fallen. Only .21 of an inch has fallen in the two or three little showers that have visited Tahoka. Perhaps more has fallen in spots.

Farmers generally are waiting for the weather to clear up to begin planting operations. Some have already begun planting. Crop prospects on the whole are very fine at this time.

Warning Given Traffic Violators

Tahoka citizens and others driving motor vehicles on the streets of Tahoka are being warned that the city's traffic laws will be more stringently enforced in the future.

Tahoka's new chief of police, "Alley" White, warns the flagrant violators of safe driving laws and parking regulations may expect to have to pay the penalty.

There has been too much reckless driving on the street, too many people running stop signs, and too many parking carelessly.

Painters have been busy this week painting parking and no-parking zones, and vehicle drivers must heed these, too.

Parallel parking is being initiated on two streets to give more room to passing cars. In the future, all vehicles will park parallel to the curb on Lockwood Street, the Post, Brownfield highway, in area beginning at the Baptist parsonage, Ave. L, and McCord Motor Co., Alley St. Also, on Harper street from Sweet (J) east the two short block to Alley St., from the Piggy Wiggly corner east past the Wallace property.

The school street and residential areas, are also being patrolled, and citizens are expected to obey the law in the residential area likewise.

It is hoped that all good citizens will try to obey the traffic regulations a little better in the future in this effort to have better regulated traffic and fewer smashes and less threat to life.

Correction Made In Story of Earl Curtis Family Tragedy

Last week's News, in reporting the tragic death of Mr. and Mrs. Earl Curtis, contained some misleading statements, according to L. B. Curtis of Plains, formerly of Tahoka and a brother of Earl.

The News said a few years ago one of Earl's sons killed himself. In the same room with the same gun, without explaining that the act was accidental. We were merely calling attention to the oddity of the two tragedies. The fact is, his death was accidentally. L. B. says the coronor's verdict showed. He says Earl was not an habitual drinker, as the News was informed. Furthermore, he had been a member of the Methodist Church since boyhood.

It is not The News intention to unjustly cast reflections on any person or his family, and the publishers wish to apologize in this case if its statements harmed them in any way. The paper could not easily contact relatives, and most of the information came from investigating officers.

As said elsewhere, the Curtis family has long been a prominent and respected family here.

Local Masons Take 32nd Degree Rites

Four Tahoka men became 32nd degree Masons, the highest man may go in Masonry, except for the honorary 33rd degree, in ceremonies at El Paso last week.

These men receiving the Scottish Rite 32nd degree were: Dr. W. A. Schaal, Lewis Allsup, A. N. Norman Jr., and Jackie Weathers. They were accompanied to El Paso for ceremonies by Jim Applewhite and Roy Stevens, 32nd degree, Masons.

John Ben Shepperd, Gladewater attorney, and former President of the United States Junior Chamber of Commerce, will be the principal speaker at the annual banquet Friday, May 6, of the South Plains Press Association in Lubbock. It was announced by Lois H. Vestal, Secretary. Shepperd is presently touring Europe and this will be his first speaking engagement upon returning to the states.

Students Win At Regional Meet

Several Lynn county students won high honors in the Region 1 Inter-scholastic League meet held at Texas Tech last week end. First and second place winners will represent Northwest Texas in the state meet in Austin next week.

Tahoka High School carried away first place in the Journalism contest with 429 points, followed by Kermit with 334, and Fort Stockton with 275. Margaret Durham was second high individual contestant with 308 points, and Mary Smith was fourth with 121 points. Maradee Wendt, Tahoka Journalism teacher, was their coach.

Wendell Moore of Tahoka won third place in number sense.

Duane Carter tied for first place in the high jump with a Fort Stockton boy at 5 feet 8 inches to win first in the high jump. Duane has jumped 6 feet several times, and may be able to win the state meet with good luck. He is coached by Coach Jim Foust.

In girls' tennis doubles, Pat Edwards and Caroline Middleton of O'Donnell won first place.

Dry Lot Calves New Contest For

A dry lot class will be added to the Lynn County Livestock Show in 1950, according to County Agent Bill Griffin.

Calves showing in this class must be weaned on or before September 1, 1949, according to Griffin. The most desirable calf for this class is a weaned calf purchased in June or July, grazed on sudan or other pasture until Sept. 1, when it should be placed in a dry lot.

Premiums will be set to cover ten places. All weights from 700 pounds up will be judged in the same class. The reason for the one class is that dry lot calves of this description should all be heavy weights.

The first and second place dry lot calves will compete with the first and second place light and heavy milk fed calves for the grand and reserve champion.

Exceptional Children Classes Discussed

A Dr. Roberson of the State Department of Education, Austin, was here Wednesday conferring with Tahoka school authorities on possibilities of establishing a special training class for exceptional children.

A recent survey showed there would be approximately forty local children in this category, and the state department is considering the advisability of special training for these children.

Soil Conservation Field Day Tour Next Wednesday

Lynn county's second annual Field Day will be observed next Wednesday, during which business men, farmers, and anyone else interested are invited to join a caravan of cars which will make a 108-mile tour of the county to inspect various modern agricultural practices being followed by leading farmers.

The caravan will leave Tahoka at 9 a. m. next Wednesday, lunch will be spread at the G. M. Stewart lake at noon, and the party expects to be back in Tahoka by 4:00 p. m.

Those making the tour are requested to carry a paper sack lunch. Free drinks will be served at the lake site by the Chamber of Commerce.

A loudspeaker will be carried on a car to explain the various farm methods at each of twelve stops which will be made.

The Field Day is being sponsored by the Tahoka Chamber of Commerce, the county agent, the AAA, and the Lynn county supervisors of the local Soil Conservation district.

Last year's field day elicited much praise and enthusiasm from the 100 men making the tour, and it is hoped that many more will join the caravan this time. This year, the tour takes another route almost entirely, and an opportunity will be given the participants to view much modern farming in new areas.

Leaving the square in Tahoka at 9 a. m., Johnson grass in bar ditches near the old dam will be inspected.

Stop 2. City farm—bench leveling, irrigated land alfalfa. Stop 3. Tom and Linnie Garrard stock farm, registered Herefords, pasture furrowing.

4. Sam Miller farm, bindweed spraying.

5. G. M. Stewart pasture, lunch. Inspection of tremendous earthen dam, behind which a lake is being formed.

6. Newmoore, deep plowing operations and effect.

7. Gagnat farm, deep plowing in sand.

8. D. W. Hancock, wheat drilled in barrow ditches, improved pastures, small earthen tanks, bench leveling.

9. Jay Moore, irrigation by canvas sleeves.

10. B. A. Morrow, terracing, irrigation, permanent pasture.

11. C. G. Eads, irrigation, alfalfa for hay and for hogs.

12. J. D. Finley, sprinkler irrigation, permanent pasture.

School Baseball Game Today

The Tahoka Bulldog baseball team will meet Post on the local diamond this afternoon, Friday, at 2:30 o'clock. The diamond is located in southwest Tahoka, about seven or eight blocks south of the high school.

Next Tuesday, the Bulldogs will play at Slaton and on next Thursday Slaton will play here.

Tuesday of this week, the Bulldogs lost their first conference game to Post at Post by a score of 15 to 2. Reports are, however, that the game was better than the score might indicate, and this Friday's game could easily be different in the scoring.

Last Thursday, the Bulldogs won the first game they ever played—from New Home there 9 to 8. And the next day Class B New Home returned the game here, the Bulldogs again winning, 8 to 5.

Coach Jake Jacobs reports that the boys have been coming along very nicely considering the fact that they never played hard ball before, and most of them had played very little softball. In each of the three games, the coach gave all 18 or 19 of the boys a chance to play.

Negro School Has Made Improvement

The Tahoka Colored school last week observed Negro Health and Clean Up Week with special programs at the school each morning. Cleanliness and disease prevention were emphasized in the programs, on posters made by the children, and the premises of many homes were cleaned up.

Many Tahoka people do not realize it, but Tahoka has one of the best Negro schools in this area. The three-room building is neat and clean, and Supt. Vernon Brewer states that the teachers and students are doing a good job.

Daniel L. Johnson is principal of the school, and Miss Panalee Sayles and Mrs. Alice Rutherford are the other two teachers. The total enrollment this year has been 106, and attendance has been around 90. This not only reflects a growth in the Negro population here, but also a great increase in number of Negro children who are availing themselves of the opportunity for an education.

An extra room and an office were added to the building last summer. Classes are taught through the tenth grade.

The school is also stressing ex-

Joel Locke Shows Up Well At Lamesa

Joel Locke, Tahoka, a rookie pitcher on the Lamesa baseball team of the West Texas-New Mexico League, is doing all right for himself and his club, according to the daily press.

In his initial debut last Thursday against Albuquerque, he went in as a relief hurler, and the Lamesa Reporter said he "looked surprisingly good." The Lobos have a pretty fair rookie.

Again, Saturday he went in as relief against Amarillo in the fifth and finished the game. The Reporter says: "Joel Locke, rookie righthander finished the game for Lamesa and other than giving Lewis a long homer, he turned in an excellent job. Locke also connected with a long triple to right field in his only official time at bat. The rookie had steady control all the way."

The Amarillo News reporter said was "quite impressive."

Blue and yellow are the primary colors which make green.

Extra-curricular activities this year. The boys' basketball team recently won second place in the district tournament at Lubbock.

If you think Sunday observance laws in this country are too strict, you'll be interested to know that the Chief Rabbi in Jerusalem has ruled that lighting an electric bulb on the Sabbath constitutes a profanation.

Tin cans, bottles and other vessels that hold water draw mosquitoes. Shallow pools in the yard should be drained or treated with oil.

A dauphin was the eldest son of the King of France.

Queen Elizabeth was known as England's virgin queen.

St. Augustine, Florida, is the oldest town in the United States.

Hunting Season Accidents

According to the National Safety Council, three causes lead to almost two-thirds of the accidents reported during the hunting season. They are: Human beings in line of fire, mistaking another hunter for game, and hunting with the safety catch off. The good sportsman uses common sense in handling guns and shows consideration for others. He uses the right gun for the right game, hunts only in season, and does not take the limit unless he can use the meat or trophies. For bird hunting, he takes a trained dog to retrieve cripples. He puts out cigarettes carefully and breaks matches before dropping them.

Simple Clothes for Baby

Dressing up baby in fancy trills may be fun for mother, says Levice Ellis, API extension clothing specialist, but baby's comfort and freedom for exercise and growth should be considered. She recommends that clothes be short, lightweight, and loose in style. For daytime wear, use simple slips rather than dresses. Slips should be no longer than toe length to allow the baby to kick and develop leg and body muscles. Roomy raglan-style sleeves give freedom for arms and shoulders. Miss Ellis emphasizes the fact that simple clothes with few seams are both becoming and comfortable for babies.

TAPSCOTT AND CLEMENTS SPEAK AT BAPTIST BROTHERHOOD MEET

L. H. Tapscott of Dallas, State Brotherhood secretary, and Stansell Clements, district attorney of this judicial district and president of the Baptist Brotherhood of District Eight, were the principal speakers at the quarterly meeting of the Brownfield Baptist Association held in the Wilson Baptist Church Tuesday night.

Prior to the program a Barbecue feast was enjoyed by the 118 men and boys in attendance, served by the Wilson Brotherhood. W. A. Reddell of Tahoka is president of the Associational Brotherhood and presided. Fourteen members of the Tahoka Brotherhood and five Tahoka boys attended. Delegations were also present from O'Donnell, Redwine, Central, and New Home in Lynn county, and from Brownfield, Gomez, and Meadow, Terry county.

Two splendid musical numbers were given by a quartet composed of two men from Gomez and two from Brownfield.

Mr. Tapscott gave a most encouraging report of Brotherhood work being done throughout the state, and Mr. Clements took for his subject, "Standing in the Gap" suggested by an Old Testament passage of Scripture, and he discussed the many different ways in which the Brotherhood may help, locally and throughout the country.

The next quarterly meeting will be at Meadow the last Tuesday night in July.

BROWNFIELD ASSOCIATION YOUNG PEOPLE'S QUARTERLY MEETING

The Young People's quarterly meeting of the Brownfield Association was held at New Home Baptist Church Monday night, April 25, with Louella Johnson of Brownfield presiding. A song service was led by Eura Lee Burns of Gomez, with Valerie Wells of Tahoka, at the piano. The devotion was brought by Ann Cowan of New Home. Special music was rendered throughout the program by the following:

Misses Margaret Sue Roberts and Wanda Faye Smith of Tahoka, accompanied by Miss Wells.

Misses Constance Huckabay and Pat Swartz, accompanied by Betty Swartz of Meadow.

Misses Eura Lee and Betty Burns of Gomez, accompanied by Bobby Brian of Brownfield.

Mr. B. J. Fallon, Principal of the High School at Brownfield, accompanied by Miss Brian.

A total of 180 were present from the following nine churches: First Baptist Church, Brownfield, Westside Baptist Church, Brownfield, Johnson, Gomez, Lakeview, New Home, Tahoka, Meadow and Wilson. The attendance banner was won by the Wilson Church, with a total of 35 present. Tahoka made a close second with a total of 34 present. 76 of the 180 present were enrolled in one of the organizations, Junior Girl's Auxiliary and Royal Ambassadors, Intermediate Girls' Auxiliary and Royal Ambassadors and the Young Women's Auxiliary.

Echoes from the Y. W. A. House Party at Wayland College, April 8-9 were heard from eight of those who were present.

An inspiring pantomime, 'A Story of Two Pictures,' was presented by the Young People of the New Home Church.

After the benediction by Rev. Strickland, pastor of the host church, a social hour was enjoyed. The women of the church served punch and cookies.

Clay Bennett, B. L. Parker and Skinner Connolly went down to Possum Kingdom Sunday and returned Wednesday night, where they did some fishing.

ANNUAL CO-OP MEETING HELD

Lubbock-Avalanche, April 27.— Approximately 400 persons attended the annual meeting of the New Home Co-operative Gin, held there Tuesday night at the New Home school. The meeting was preceded by a barbecue.

A highlight of the meeting was the distribution of some 453 checks totaling approximately \$11,000, which went to patrons and stockholders of the gin.

Of the \$11,000 total, approximately \$4,300 was in retirement of old stock while \$4,500 distributed was new stock, and the remainder was interest.

Edwin Merriman, of the Lubbock firm of Merriman and Merriman, accountants, presented the annual audit of the co-operative gin. In it, the gin's total assets stand at \$78,271.33, and total liabilities are \$3,321.22. Total patrons equities in the co-op stand at \$74,950.11. Of this, \$1,920 is common stock, while \$73,030.11 is in other equities, book credits, reserves, and the like.

The co-op paid \$675.80 in taxes, including state, county, and school assessments. The co-op this past year netted a grand total of \$17,520.

The dividends which were distributed last night were returned to stockholders and gin patrons in proportion to the amount which each producer had expended with the co-op.

Wilmer Smith, president of the board of directors of the co-operative gin spoke briefly.

Members also elected two new directors to fill two posts which became vacant this year. Elected were Clyde Ashcraft, Jr., and Harlan Dean, who will replace A. C. Fillingim and C. B. Harsan.

Other directors include Smith, who is president; Roy Lee Williams, secretary; and B. A. Morrow, Lee Savage, and Winfred Carpenter.

NAN BETH PENNINGTON ON B. S. U. COUNCIL

Nan Beth Pennington of the Texas Tech, daughter of Mr. and Mrs. Willis Pennington of Tahoka, has been honored by being placed on the B. S. U. Council, and with eleven other Tech students she attended a meeting of Executive Council members at East Texas Baptist College at Marshall last Friday and Saturday.

About 500 college students from over the state attended.

Mrs. Mary Schroder, the former Miss Mary Preston, who now lives at McNary on the Rio Grande River, visited relatives and many friends here over the past weekend. She was a resident of Tahoka and vicinity for a long period of years.

MRS. S. L. WILLIAMS SUFFERS FRACTURE OF ARM

One windy day recently when Mrs. S. L. Williams of Lakeview ran her car out of the garage, the high wind slammed the door and caught her arm. It soon became very sore and on Wednesday she consented for her husband to bring her down to the Tahoka Clinic for an examination. The examination revealed that one of the bones of the left fore-arm had been broken. It was set and dressed, and Mrs. Williams hopes that it will heal quickly. In the meantime she lets Mr. Williams do the driving.

Mr. and Mrs. B. R. Tate returned home Sunday from a ten day visit at the bedside of his father, J. H. Tate, who is in the Comanche Hospital.

DISTRICT V. F. W. AUXILIARY PRESIDENT COMING

The District President of the V. F. W. Auxiliary, Christine Moore, and her staff of officials for the installation of officers for Units will visit the Tahoka V. F. W. Auxiliary No. 3905 on Monday evening, May 2, to put on the work for this Unit.

This will be an open meeting, held in the American Legion Hall, and everyone is invited to sit in on the occasion.

The following officers are to be installed: President, Thelma Oliver; Senior Vice President, Eloise Griffin; Junior Vice President, Frances Dunagan; Treasurer, Dolly Clem; Chaplain, Eulalie Richardson; Conductor, Pauline Smith; Guard, Kathleen Holtwick; Trustees, Mrs. Mrs. Lutzell, Melvana McGlaun, and Avis Buchanan; Secretary, No-vice Curry; Color Bearers, Ann Uzle, Mildred Curry, Avis Buchanan, and Abbie Dodson; Banner Bearer, Bobby Jean Ratliff; Patriotic Instructor, Helen House; Flag Bearer, Melvena McGlaun; Historian Mozelle Nolen; Musician, Eulalie Richardson. —Tahoka V. F. W. Auxiliary 3905 Reporter.

V. F. W. AUXILIARY INITIATES NEW MEMBERS

The V. F. W. Auxiliary elected new officers and made their appointments for the coming year in its regular meeting on Monday evening in the V. F. W. Hall.

After the regular business and the election of officers was concluded, refreshments of coffee and cake served to a large group of ladies.

On Tuesday evening, in the home of Mrs. Rafe Richardson, at a called meeting, eight new members were initiated. Coffee and stuffed angel-food cake were served to the officers and new members. —Reporter.

"Kirma," the man who calls himself the world's greatest psychologist, will appear in person on the stage of the Rose Theatre from May 29 through June 3.

MARTHA SHERROD S. S. CLASS HAS PARTY

Mrs. G. B. Sherrrod was hostess to the regular monthly meeting of the Martha Sherrrod Sunday School class, of the First Baptist Church.

Mrs. Borden Davis presided over the business session, and Mrs. Jewel Connolly brought the devotional thought.

Mrs. C. T. Aly, Fellowship Vice-President led the group in some games, after which refreshments of sandwiches, olives, and cold drinks were served to the following: Mesdames Minnie Conwill, Winnie Willett, Jewel Johnson, Jewel Connolly, Loyce McMahan, Beula Atkins, Borden Davis, C. T. Aly, N. E. Wood, J. F. Toyler, G. B. Sherrrod, and Miss Floyce Sherrrod. Mrs. N. E. Wood is teacher of the class.

Guiseppe de Verdi composed 27 operas.

Anthracite is hard coal.

 Mortimer Smythe-Kersey—Vivian's brother. —Speedy Warren.

If you want a good laugh come see who Charlie is. Admission 15c, 35c, and 50c.

BAPTIST NEWS NOTES

Rev. C. T. Aly left Monday for Fabens near El Paso to conduct revival services throughout the current week.

Rev. and Mrs. George Lambert, students in Wayland College from Latvia, Northern Europe, will speak at the 11:00 o'clock hour here next Sunday. He has been doing missionary work in Latvia and is preparing for pastoral work in this country.

Next Sunday will be observed as Baby Day at this church and it has been announced that there will be a Baby Parade between the Sunday School and the Worship hours. "Every baby enrolled in the Nursery and Cradle Roll Department is invited to bring their parents and come for a great day," is the invitation that has been broadcast.

Last Sunday was observed as Intermediates Day. The Intermediates met early at the Church for a sunrise breakfast and a devotional program and then carried out a visitation program before the Sunday School hour. The result was 374 in Sunday School against 341 on the preceding Sunday.

Twenty-seven members of the Tahoka Sunday School attended the Zone meeting at Central Church at 2:30 Sunday afternoon. Other churches well represented included Lakeview, Petty, Wilson, Redwine, and Wells. Petty, the smallest Sunday School in the Zone, took home with them both the Efficiency and the Attendance banners. Efficiency is figured on a percentage basis as reported by each local Sunday School and attendance is figured on a mileage basis.

At 7:30 Monday evening, an association-wide Young People's meeting was held at New Home. A good attendance and a good program were reported. Quite a group of Tahoka Young People attended.

Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

DDT for bedbug control may be used in the form of a dust, as an emulsion, as a solution dissolved in a light oil or as a suspension in water. A dust containing 10 percent DDT is fully effective. It should be dusted well into cracks and crevices of walls and baseboards of infected rooms, and over the surfaces of bedsteads and mattresses.

Take good care of electric cords. Repair frayed or worn cords, and if they are beyond repair, throw them away. Protect cords from friction or injury, and avoid overloading them.

If you have a home-made grease trap, it's a good idea to skim the grease off at least once every six months.

Now...12% Faster Growth

WITH PURINA'S NEW STARTENA CHECKER-ETTS

- 1 NEW CRACKED GRAIN SIZE
- 2 CHICKS LIKE 'EM BETTER
- 3 EASY TO POUR
- 4 LESS FEED WASTE

If you were one of the many thousands of chick raisers who started your chicks on Purina Startena last year — you probably thought it couldn't be improved for life and growth.

Well, Purina Research has done it again! New Purina Startena Checker-Etts grow chicks 12% faster in Purina Research tests. Amazing, yes!

Checker-Etts are tiny particles varying from mash to bite size. Chicks eat faster — grow faster because of this new form. And the new stepped-up formula speeds growth, too. 2 lbs. per chick does the job. Be sure your chicks get Purina Startena Checker-Etts — see us today for all your chick needs.

Among the names of students listed is Miss Nan Beth Pennington, daughter of Mr. and Mrs. Willis Pennington, Tahoka; arts & science.

BOOK REVIEW GIVEN

Mrs. Pete Hegl of Tahoka, reviewed the book, "The Big Fisherman," for our Country Club of New Home, in the Methodist Church, Wednesday, April 20th. Refreshments of punch and cookies were served to club members and guests by the hostesses, Mrs. D. D. Renfro, Mrs. Joe D. Unfred, Mrs. Aubrey Smith and Mrs. Clyde Ascraft. A short business meeting was held following the review. Mrs. Glenn Allsup, delegate to the district convention at Lubbock, gave a very interesting report. The Club presented two lovely gifts to Mrs. Leonard Nettles and Mrs. Joe D. Unfred. The next meeting will be in the home of Mrs. Roger Blakney, with Mrs. Joe Mack Armontrout as co-hostess, May 18, 1944. —Reporter.

DEMOCRATS TO GATHER IN LUBBOCK MAY 7TH

Lubbock, Tex., April 21.— The largest gathering of Democrats in Texas is expected here Saturday, May 7, for the Bib Democratic \$10. a-plate barbecue at which Secretary of Agriculture Charles F. Brannan will be principal speaker. The barbecue will be the third of the party's fund-raising events to be staged in Texas, \$25-a-plate dinners have been previously staged at Austin and Corpus Christi. "It's going to be a typical West Texas affair and we want everybody to come out here prepared for a big time in 'country style,'" says Arch S. Underwood, West Texas Compress and Warehouse owner, who is chairman of the barbecue. Underwood has long been a leader in party politics.

Members of the local arrangements committee are planning for an attendance of 1,000 or more persons. The barbecue will be served by the Lubbock Lions Club in the beautiful Aggie Grove on the campus of Texas Technological College. Tickets are now being offered by chairmen throughout West Texas with various towns and communities pledged to send good delegations.

Odessa alone has pledged \$1,000 worth of tickets. Chick Gardner, prominent Odessa Business man, said here this week.

As Secretary Brannan's new national farm program was only recently introduced in Washington, his talk here is expected to attract widespread interest because it will be on an explanation of the farm program.

In addition to Secretary Brannan, at least five and maybe seven Texas Congressmen will come here for the barbecue. Arch S. Underwood, local compress owner and chairman of the barbecue committee, has announced.

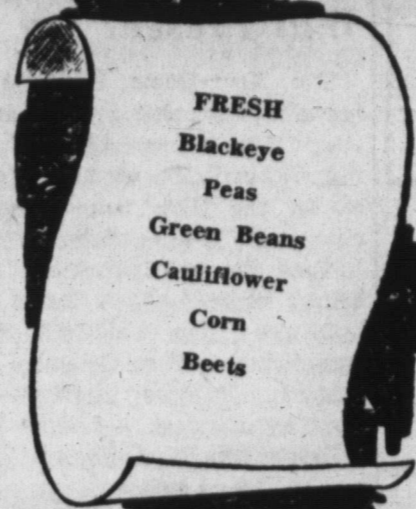

Congressmen who have already accepted invitations are: Geo. Mahon, Colorado City; Bob Poage, Waco; Gene Worley, Shamrock; Ken Reagan, Midland and Wingate Lucas of Fort Worth.

Howard Davison, Lubbock Attorney, is chairman of the local arrangements committee and members include C. T. McLaughlin, Snyder; Clarence Whiteside, Homer D. Grant, Geo. S. Berry and former State Senator G. H. Nelson, all of Lubbock.

J. R. Strain of New Home was to be released from the West Texas Hospital Thursday after having been under treatment there for a couple of days. He had been stricken on Tuesday afternoon with an acute illness while shopping in Lubbock. His trouble was diagnosed as ptomaine poisoning.

Mrs. Lum Haney returned Friday, after taking her daughter, Frances Marion, back to Austin, where she is attending the University. Mrs. Haney's mother, Mrs. H. Stone of Raymondville accompanied Mrs. Haney home for a visit.

Formers Co-op Has Annual Meeting

A crowd estimated at 500 enjoyed the barbecue feast served in the exhibit building of the Lynn County Fair Association at noon, Thursday, by the Farmers Cooperative Association No. 1, and many of them heard the program which was rendered at the meeting preceding the barbecue.

The meeting was opened with prayer by Ernest West, Minister of the Church of Christ, and this was followed by a welcome address delivered by H. P. Caveness, President of the local Cooperative.

Visitors were given recognition by W. T. Cook.

Resolutions in commemoration of members of the organization who have died during the past year were introduced by E. J. Cooper and were adopted.

Minutes of previous meetings were read by Cleve Littlepage, a report by the auditor, Edwin Merriam was heard, R. C. Carroll Jr., Manager, gave his report and other items of business were transacted.

Several addresses were also made. Among the speakers were: Dor. May of the Consumers Cooperative Association of Amarillo; Tom Brown of the Lubbock Cooperatives; Frank Triplett, Manager of the Plains Oil Mill; W. N. Stokes, president of the Houston Bank for Cooperatives; and Roy Meacham, Field man for the Producers Grain Corporation.

Upon recommendation of the nominating committee W. T. Cook and E. J. Cooper were re-elected as

Ernest Wood Hurt In Peculiar Way

Ernest Wood, who operates a tin shop near the Higginbotham-Bartlett Lumber yard sustained a very painful injury in a rather unusual way two weeks ago that has kept him in the Seale Hospital trying to recover ever since.

While walking along the sidewalk alongside a business building while a high wind was blowing one day about two weeks ago, a piece of the furnishings which had been removed from a store and was leaning up against the brick wall was caught by the wind and slammed against Mr. Wood's leg with considerable force. Only bruises of the leg were sustained, no bones being broken, and the injury appeared to be slight, but Mr. Wood was taken to the hospital for treatment and the bruise has healed very slowly, indicating that it was more serious than was at first thought.

Mr. and Mrs. Jerry Jacobs of Canyon spent last week end here visiting his brother, Coach Jake Jacobs and wife.

Holdover directors are Cleveland Littlepage and J. C. Wells.

Officers are: President, H. P. Caveness; Vice-President, L. D. Howell; Secretary, G. B. Sherrod; Manager-Treasurer, R. C. Carroll Jr.

J. C. Wells was in charge of the "Barbecue Arrangements."

FARM HOUSE DESTROYED BY LIGHTNING

The home of Mr. and Mrs. Erwin Sander near Wilson was struck by lightning during a shower Wednesday afternoon and burned to the ground. The building and contents were a total loss.

Fortunately, the family was away from home at the time and suffered no physical injury.

Hernando de Soto, a Spanish explorer, discovered the Mississippi River.

Sam Garrard Will Receive Law Degree

Sam Houston Garrard, son of Judge Tom Garrard of Tahoka will graduate from the University of Texas Law School on May 30, according to information sent The News from the University.

Sam is a graduate of Tahoka High School. He spent several years in the Army during the war.

There are 117 students, including four women, in the law graduating class at the University this year.

Travis Shelton New Lubbock Attorney

Travis D. Shelton, son of Mr. and Mrs. S. L. Shelton of this city, who received his law degree at the University of Texas last year, has been appointed assistant county attorney of Lubbock county.

Last Sunday's issue of the Avalanche-Journal stated that he had prepared and filed the complaints and otherwise represented the State in four pleas of guilty in the county court last Saturday to the offense of drunk driving. One Lubbock man

two Lamesa men, and one whose address was not given were the four offenders. Each pleaded guilty to the charge and each was fined \$75 plus costs. Their driver's licenses were suspended for a period of six months.

Shelton is a graduate of the Tahoka high school, took his pre-law work in the Texas Tech, and served for some time in the U. S. Army during the recent World War. Many Tahoka friends are wishing for him much success in his chosen profession.

RECOGNITION SERVICES TO BE HELD AT TEXAS TECH

Recognition service for 178 outstanding scholastics at Texas Technological College is scheduled for May 1, in connection with annual Parents' Day on the campus. This year 168 students have qualified. The upper three percent of each class (freshman, sophomore, junior, senior) in each of the five divisions, arts & science, home economics, engineering, business administration, agriculture, is included in the recognition are listed below in the services. Among the names of students listed is Miss Nan Beth Pennington, daughter of Mr. and Mrs. Willis Pennington, Tahoka; arts & science.

BOOK REVIEW GIVEN

Mrs. Pete Hegl of Tahoka, reviewed the book, "The Big Fisherman," for our Country Club of New Home, in the Methodist Church, Wednesday, April 20th. Refreshments of punch and cookies were served to club members and guests by the hostesses, Mrs. D. D. Renfro, Mrs. Joe D. Unfred, Mrs. Aubrey Smith and Mrs. Clyde Ashcraft. A short business meeting was held following the review. Mrs. Glenn Allsup, delegate to the district convention at Lubbock, gave a very interesting report. The Club presented two layette gifts to Mrs. Leonard Nettles and Mrs. Joe D. Unfred. The next meeting will be in the home of Mrs. Roger Blakney, with Mrs. Joe Mack Armontrout as co-hostess, May 18, 1949. —Reporter.

A total of 78 different designs were submitted for the Navy's 65,000 ton aircraft carrier USS United States, before one was accepted.

DEMOCRATS TO GATHER IN LUBBOCK MAY 7TH

Lubbock, Tex., April 21. — The largest gathering of Democrats in Texas is expected here Saturday, May 7, for the Bib Democratic \$10. a-plate barbecue at which Secretary of Agriculture Charles F. Brannan will be principal speaker. The barbecue will be the third of the party's fund-raising events to be staged in Texas, \$25-a-plate dinners have been previously staged at Austin and Corpus Christi. "It's going to be a typical West Texas affair and we want everybody to come out here prepared for a big time in 'country style,'" says Arch S. Underwood, West Texas Compress and Warehouse owner, who is chairman of the barbecue. Underwood has long been a leader in party politics.

Members of the local arrangements committee are planning for an attendance of 1,000 or more persons. The barbecue will be served by the Lubbock Lions Club in the beautiful Aggie Grove on the campus of Texas Technological College. Tickets are now being offered by chairmen throughout West Texas with various towns and communities pledged to send good delegations.

Odessa alone has pledged 1,000 worth of tickets, Chick Gardner, prominent Odessa Business man, said here this week.

As Secretary Brannan's new national farm program was only recently introduced in Washington, his talk here is expected to attract widespread interest because it will be on an explanation of the farm program.

In addition to Secretary Brannan, at least five and maybe seven Texas Congressmen will come here for the barbecue. Arch S. Underwood, local compress owner and chairman of the barbecue committee, has announced.

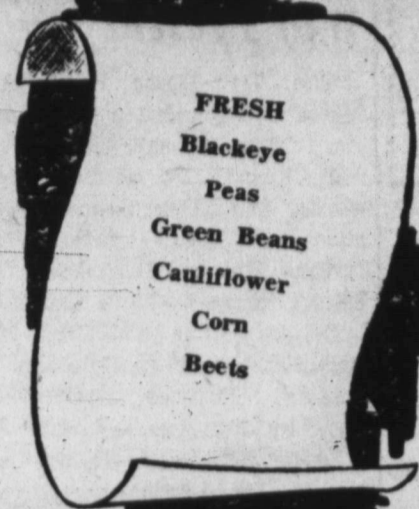

Congressmen who have already accepted invitations are: Geo. Mahon, Colorado City; Bob Poage, Waco; Gene Worley, Shamrock; Ken Reagan, Midland and Wingate Lucas of Fort Worth.

Howard Davison, Lubbock Attorney, is chairman of the local arrangements committee and members include C. T. McLaughlin, Snyder; Clarence Whiteside, Homer D. Grant, Geo. S. Berry and former State Senator G. H. Nelson, all of Lubbock.

J. R. Strain of New Home was to be released from the West Texas Hospital Thursday after having been under treatment there for a couple of days. He had been stricken on Tuesday afternoon with an acute illness while shopping in Lubbock. His trouble was diagnosed as ptomaine poisoning.

Mrs. Lum Haney returned Friday, after taking her daughter, Frances Marion, back to Austin, where she is attending the University. Mrs. Haney's mother, Mrs. H. Stone of Raymondville accompanied Mrs. Haney home for a visit.

Formers Co-op Has Annual Meeting

A crowd estimated at 500 enjoyed the barbecue feast served in the exhibit building of the Lynn County Fair Association at noon, Thursday, by the Farmers Cooperative Association No. 1, and many of them heard the program which was rendered at the meeting preceding the barbecue.

The meeting was opened with prayer by Ernest West, Minister of the Church of Christ, and this was followed by a welcome address delivered by H. P. Caveness, President of the local Cooperative.

Visitors were given recognition by W. T. Cook.

Resolutions in commemoration of members of the organization who have died during the past year were introduced by E. J. Cooper and were adopted.

Minutes of previous meetings were read by Cleve Littlepage, a report by the auditor, Edwin Merriman was heard, R. C. Carroll Jr., Manager, gave his report and other items of business were transacted.

Several addresses were also made. Among the speakers were: Dor May of the Consumers Cooperative Association of Amarillo; Tom Brown of the Lubbock Cooperatives; Frank Triplett, Manager of the Plains Oil Mill; W. N. Stokes, president of the Houston Bank for Cooperatives; and Roy Meacham, Field man for the Producers Grain Corporation.

Upon recommendation of the nominating committee W. T. Cook and E. J. Cooper were re-elected as

Ernest Wood Hurt In Peculiar Way

Ernest Wood, who operates a tin shop near the Higginbotham-Bartlett Lumber yard sustained a very painful injury in a rather unusual way two weeks ago that has kept him in the Seale Hospital trying to recover ever since.

While walking along the sidewalk alongside a business building while a high wind was blowing one day about two weeks ago, a piece of the furnishings which had been removed from a store and was leaning up against the brick wall was caught by the wind and slammed against Mr. Wood's leg with considerable force. Only bruises of the leg were sustained, no bones being broken, and the injury appeared to be slight, but Mr. Wood was taken to the hospital for treatment and the bruise has healed very slowly, indicating that it was more serious than was at first thought.

Mr. and Mrs. Jerry Jacobs of Canyon spent last week end here visiting his brother, Coach Jake Jacobs and wife.

Directors. Holdover directors are Cleveland Littlepage and J. C. Wells.

Officers are: President, H. P. Caveness; Vice-President, L. D. Howell; Secretary, G. B. Sherrard; Manager-Treasurer, R. C. Carroll Jr.

J. C. Wells was in charge of the "Barbecue Arrangements."

FARM HOUSE DESTROYED BY LIGHTNING

The home of Mr. and Mrs. Erwin Sander near Wilson was struck by lightning during a shower Wednesday afternoon and burned to the ground. The building and contents were a total loss.

Fortunately, the family was away from home at the time and suffered no physical injury.

Hernando de Soto, a Spanish explorer, discovered the Mississippi River.

Sam Garrard Will Receive Law Degree

Sam Houston Garrard, son of Judge Tom Garrard of Tahoka will graduate from the University of Texas Law School on May 30, according to information sent The News from the University.

Sam is a graduate of Tahoka High School. He spent several years in the Army during the war.

There are 117 students, including four women, in the law graduating class at the University this year.

Travis Shelton New Lubbock Attorney

Travis D. Shelton, son of Mr. and Mrs. S. L. Shelton of this city, who received his law degree at the University of Texas last year, has been appointed assistant county attorney of Lubbock county.

Lart Sunday's issue of the Avalanche-Journal stated that he had prepared and filed the complaints and otherwise represented the State in four pleas of guilty in the county court last Saturday, to the offense of drunk driving. One Lubbock man

two Lamesa men, and one whose address was not given were the four offenders. Each pleaded guilty to the charge and each was fined \$75 plus costs. Their driver's licenses were suspended for a period of six months.

Shelton is a graduate of the Tahoka high school, took his pre-law work in the Texas Tech, and served for some time in the U. S. Army during the recent World War. Many Tahoka friends are wishing for him much success in his chosen profession.

Latvian Couple Will Speak Here

Baptists and others who may choose to attend the services at the First Baptist Church here next Sunday will have the rare opportunity of hearing a couple of Latvian refugees, Rev. and Mrs. George Lamberts, who fled from Russia to Latvia and thence to Sweden before coming to the United States, to escape from religious persecution. From Sweden he had come to Copenhagen, Denmark, where he was directing a choir of Latvian refugees when he was offered study and teaching work at Wayland College, Plainview, and he accepted.

In relating his experiences, Rev. Mr. Lamberts is quoted as saying: "I have been for many years a Baptist missionary in Leningrad, Ukraine, Moscow and Latvia, Estonia and Sweden, and God blessed me with great revivals and salvation of many souls. In this work I have suffered much, was three times arrested by the Bolsheviks, have gone through two wars, and, in order to escape from the godless Communists, I had to flee with my wife and two children in a small fishing boat across the Baltic Sea to Sweden. God has given me a message about my experiences in Russia and other countries, which I would be glad to communicate to the churches of America."

The Lamberts will be here upon the invitation of the pastor, Rev. C. T. Aly, who is now and on Sunday will be conducting revival services in Fabens, near El Paso.

Set a ladder firmly at a safe angle; the base should be one-fourth of the ladder's height away from the wall. Use a ladder for climbing. Boxes, tables, chairs and machinery make poor ladders and often cause injuries.

Asia occupies one third of the total land area of the earth.

PROTECT YOUR FAMILY FROM THE DANGEROUS FLY

Austin, Tex., Apr. 21.—Countless thousands of lives are lost annually throughout the nation, from diseases that are transmitted by the common housefly. Dysentery, diarrhea, typhoid fever, tuberculosis and many other disabling and even fatal diseases are spread by flies, and the control of houseflies becomes of great importance when considered in the light of public health.

Dr. Geo. W. Cox, State Health Officer, says that in order to protect our families we should make sure our homes are fly-proof through proper screening, and then concentrate on eliminating filth, garbage, and other breeding places for flies. "See that your windows, doors, and porches are screened so that the stung flies from some careless neighbor cannot molest your family," Dr. Cox said, "and make sure that your grocer observes proper sanitation standards and keeps your meat, and vegetable supplies screened from flies."

"Then direct your efforts to eliminating all fly breeding places such as open garbage pails, open privies and other filth that offers the fly proper warmth, moisture and food. Flies thrive on filth, and inasmuch as one female housefly will lay from 600 to 1000 eggs per season, it can easily be seen that one breeding place left available in a community, can be responsible for a tremendous horde of flies."

Dr. Cox recommended organized community efforts as being effective in ridding a community of flies, and emphasized that no matter how clean one family's home and premises are, they are still not safe if another home down the street leaves exposed filth where flies can breed.

The miscellaneous causes of farm fires are explosions, sparks from passing locomotives, trash fires, ignition of grease and oil, hot irons left on, gas, fireworks, and defective flues.

TEXAS LEADS IN FIGHT ON CANCER

Houston, Tex., Apr. 19.—Texans are taking a leading part in the 1949 educational and fund-raising drive of the American Cancer Society, Clark Sudduth, state campaign director, has announced.

State campaign chairman is Karl Hobbittzelle of Dallas, well-known philanthropist. Frank C. Smith of Houston is president of the Texas Division of the Society, Tom Branniff of Dallas chairman of its board, and Dr. E. W. Bertner of Houston executive committee chairman.

National vice-chairman of the 1949 drive is Mrs. Ovetta Culp Hobby, wartime WAC commander and wife of former Gov. W. P. Hobby, who was the 1948 state campaign chairman.

In the nation's capitol, Congressman Lindley Beckworth, Democrat, Texas, is one of a group of senators and representatives pledging support to the campaign. He is a member of the Congressional Cancer Campaign Committee.

The state advisory committee is composed of R. J. Groeger of Harlingen, John Ben Sheppard of Gladewater, E. H. Perry of Austin, DeWitt Ray of Dallas, Morris Roberts of Victoria, J. W. Newton of Beaumont, W. L. Stewart of Fort Worth, M. C. Ulmer of Midland, Ted Dealey of Dallas, J. H. Frost

of San Antonio, Walter R. Humphrey of Fort Worth, A. D. Simpson of Houston, Former Gov. Hobby of Houston, Dr. G. V. Brindley of Temple, Dr. Tate Miller of Dallas, Frank W. Mayborn of Temple, John D. Mitchell of Odessa.

ROTARY HOE Controls Weeds in the row

REDUCES HAND HOEING

Quoting Mr. D. L. Jones, superintendent, Texas A & M Experiment Station, Lubbock: "At present, this is practically the only tool that will control weeds in the drill row before close sweep cultivation is possible."

Here are some advantages of the rotary hoe:

1. Uproots weed seedlings in the row; allows topsoil to dry, preventing further weed growth.
2. Works best at high tractor speeds, without damage to cotton or corn plants—up to 60 acres per day.
3. Definitely stimulates young crops.
4. Breaks soil crust, helping crops to come up.

Allis-Chalmers rotary hoes are front-mounted, where you can watch them easily without turning your head. You can keep the teeth exactly on the row, getting rid of the weeds that cause the most trouble.

See us right away about an Allis-Chalmers Rotary Hoe for your farm.

CITY OF FLAMING ADVENTURE

Although San Antonio is the most historic city in Texas and one of the four most distinctive cities of the United States, the first full-length history of the "Cradle of Texas Liberty" is just now about to appear. "City Of Flaming Adventure" - The Chronicle of San Antonio has just been released by the Naylor Company.

To Boyce House, the author, the book is the realization of a dream cherished for a long time and when he settled down to the task of research, he read more than a hundred books, as well as numerous magazine articles and unpublished memoirs.

The result is a volume of 80,000 words, profusely illustrated. The charm and romance of Spanish days, the struggle for the freedom of Texas from Mexico, the stirring days of the Texas Republic, the Civil War, the cattle drives up the trail and thrilling gunfights are related. Such picturesque figures as "Bet-a-million" Gates, Sidney Lanier, Robert E. Lee, "Big Foot" Wallace, Sam Houston, Judge Roy Bean, "Shanghai" Pierce, Col. Ike Pryor, "Ike" Eisenhower, Douglas MacArthur, Samuel Maverick and many more have a part in the story of the most fought-over city and the greatest military center in the United States.

House is the author of nine other books, of which the best known are "I Give You Texas!", "Tall Talk From Texas" and "Cowtown Columnist."

DIXIE H. D. CLUB NEWS

The Dixie Home Demonstration Club met with Mrs. A. L. Dunagan on Wednesday, April 20.

Miss Graham Hard gave a very interesting discussion on floors and floor coverings, painting and varnishing was also discussed.

Mrs. Lee Holden and Mrs. Buel Draper directed games that was enjoyed by all. Refreshments of cookies and punch were served to visitors. Mrs. J. W. Lowrey, Tahoka, and Mrs. R. R. Hoyle, Carlsbad, New Mexico.

Members, present were Mesdames Lonnie King, T. D. Lishman, Dick Mitchell, Elmer Sproles, Henry Berry, Buel Draper, Elmer McAllister, B. C. Aycox, E. R. Tunnell, Lee Holden, A. C. Aycox, Misses Hard, Virgia Cobb and the hostess. The next meeting will be on May 4th with Mrs. Buel Draper. -Reporter.

DECORATION HOLDERS MAY GET CERTIFICATE

Holders of World War II military decorations have been slow to apply for certificates that attest their awards according to information reaching Major Harold Fulghum in charge of the U. S. Army and U. S. Air Force Recruiting Station at Room 203 Postoffice in Lubbock.

Medal winners are receiving certificates of the diploma type which bear a replica of the particular decoration.

"Nearly 1,000,000 servicemen and women decorated during the war have not yet received the certificates to which they are entitled," said Major Fulghum. "It is estimated that 4,300 are authorized to receive certificates for the Distinguished Service Cross, 73,000 for the Silver Star, 19,000 for the Legion of Merit, 12,000 for the Soldier's Medal, 360,000 for the Bronze Star and 568,000 for the Purple Heart."

Winners of decorations should address their requests for certificates to The Adjutant General, Department of the Army, Washington 25, D. C., indicating the number, date and headquarters of the general orders that awarded the decoration originally and inclosing copies of the general orders and of the complete citations, if available. In the case of decorations awarded posthumously, the next of kin may obtain the certificate.

LEVELLAND COURTHOUSE WILL BE DEDICATED

Levelland, Tex., April 27. -Hockley County Judge LaVern I. McCann announced today that plans are underway for dedication of the new courthouse annex on May 30.

In addition to the building dedication, Levelland's Wm. E. Evans post of the American Legion will decorate graves of veterans in the local cemetery.

A wreath will be placed on the Memorial Marker on the courthouse lawn by Jack Thomman, past district commander and a past Fifth Division commander of the Legion. Mr. Thomman was division commander at the time the memorial mark-

er was erected as a memorial to William E. Evans, for whom the local Legion post was named.

A memorial service is scheduled in the County Library in the new building for Gold Star parents, wives and relatives.

Dedication of the courthouse annex is scheduled for 10:30 a. m. The Commissioners' Court and American Legion have secured ser-

VICES of the Fourth Army Band of Fort Sam Houston for the occasion. Honorable John Winters of the State Department of Public Welfare has been invited to be the main speaker.

Mr. Winters is well-known to Hockley-countains. He was commissioner and later county judge from Potter county before his appointment to the Welfare Department.

The Memorial Day program by the American Legion is being arranged by Sam Blair and Burnie R. Caraway.

Mr. and Mrs. Dannie Van Dyke who were moving from Flippin, Arkansas to Espanola, New Mexico, visited his parents here recently. Danny is a foreman with Brown and Root Construction company.

 the mound by Tahoka, and was given relief in the fifth by Robt. Harvey, who also looked good. Tahoka batters garnered 11 hits to Post's seven, but committed four errors to Post's one.

Last Sunday marked the first time in nearly twenty years that Tahoka, once a strong baseball team, had seriously attempted to field a ball team.

School Baseball . . .

(Continued from page 2)
 Tahoka, Slaton, and Post are the only teams playing baseball in the south half of this district in this, the first year of official Inter-

scholastic League competition, and the winner of the south half will play the winner of the north half, the Leveland area, for the district championship. Post has already defeated Slaton twice, and a victory over Tahoka today would assure that team the right to advance.

Local boys playing are: Billy Burt Stevens, James Ray Bennett, and Charles Brookshire, pitchers; Paul Hill and Alman Crowell, catchers; Ronny Gurley and Trav's Morgan, first base; Lynn Halamick and Don Brice, second; Bennett and Punk White, third; Bennie Brookshire and James Foster, shortstop; and outfielders, Bob Boyd, Charles Ray Polk, Beryl Tippit, Dan Martin, Wayne Tekel, Horace Strickland, and Jackie Slover.

Uniforms donated by Bill Strange Motors to the American Legion for its summer Junior baseball program are being used by the school. The Legion hopes to take up where the school leaves off at the end of the school term, and field a Junior team this summer.

STRUCK BY LIGHTNING GOES BACK TO WORK

L. E. Thompson, one of the line men for Lyntegar Cooperative, while he was on top of a pole north of Wilson Wednesday, was burned on the left chest by a charge of lightning coming over the wire while the Lyntegar's electricity was off. The charge passed through his body and left a blister on one foot. He was able to descend and after examination and treatment by a physician he went back to work. The blister is healing.

The Navy used a quarter of a million board feet of high quality lumber during 1948.

TAHOKA HIGH SCHOOL ANNOUNCE HONOR ROLL

The following names listed below were on the honor roll for the fifth six-weeks period of the Tahoka High School.

Students having an average of A are:

Elna Dunagan, Patsy Locke, Josephine Raindl, Katherine Hickman, Joan Slover, Joann Bennett, Minnie Lou Staley, Sue Findi, Wendall Moore, John Sheppherd, Jimmie Small, Gerald Wayne Tippit, Wanda Faye Smith, Marjorie Clinton, Edith Aldridge, Velma Ruth Howell, Delwyn Tunnell, and Margaret Durham.

Students having an average of B and 3 A's are:

Belva Dee Lowrance, Myrla Holcomb, Eunice Sheppard, Ripple Venable, Bennie Pridmore, Jan Edwards, Sue Carpenter, Betty Jane Henderson, Wanda Fleming, Dale Wilhoit, Douglas McNeely, Melba Johnson, Jerry Mac Stevens, Nancy Cobb, Mary Draper, Jolene Bragg and Geneva Marlin.

GRAND JURY CONVENES AGAIN TUESDAY

District Clerk Skip Taylor reports that the Grand Jury which was empaneled in February will re-convene on Tuesday of next week. It is not expected that the body will be in session more than a day or two, however.

"Rocks and Shoals," officially the Article for Government of the Navy, were written by John Adams in 1775.

Fleet Admiral Ernest J. King, wartime Chief of Naval Operations, is President of the Naval Historical Foundation.

Pythian Sisters Have Busy Meet

The Pythian Sisters of Lynn Temple No. 45 met Tuesday, April 19, at 7:30 p. m. for their second regular meeting of the month. All officers were in their stations except one; she was out of town.

During the meeting the new coffee urn was presented and admired by all.

Plans were presented and discussed to have a banquet at our next initiation, which will be in June. Invitations are to be sent to neighboring temples to attend. A committee was appointed to take care of the details, consisting of Elnora Curry, Tommye Terry, Lou Calvery, Ora Curry, and Verl Carter.

A very touching and lovely Memorial Service was presented by six of the members just before the meeting was dismissed. These were Myrl Mathis, Novice Curry, Pauline Warren, Helen Ellis, Mildred Sherrill, and Elnora Curry. The lovely

The American Way!

"Ouch!"

flowers used in this service were to be taken to the cemetery and placed on the grave of one of our departed members.

After the meeting was closed, a White Elephant sale was conducted with Tommye Terry as auctioneer. Much fun was had from this and quite a bit of money was made. The sale was a big success and the Ways and Means committee was quite proud of it.

After the sale, lovely refreshments were served to the 21 members present. The refreshments committee consisted of Fannie Lee Server, Lottie House, and Millie Hill.

The next meeting will be May 3 at 7:30 p. m., and every member is urged to attend.—Reporter.

Patch budding of pecans may be done at any time when the bark will slip freely. The best time is in spring, April and the first part of May, or during the latter part of the summer in August, September or October.

When Macon, Ga., officials built a new city jail, they wondered what could be done with the old jail. But not for long. They gave it away—to the Calvary Baptist Church which was looking for a place to worship. The city fathers now hope that the church can install enough religion from the old jail to make the new jail unneeded.

ASSISTANCE AVAILABLE FOR CHILDREN OF VETERANS OF WORLD WAR I AND II

The American Legion and Legion Auxiliary has a goal of "a square deal for every child."

As a part of its work toward a better community, the local Auxiliary, headed by Mrs. Bill Woods, has a committee which is seeking to improve conditions for all children of veterans of World Wars I and II. Mrs. F. E. Seale is chairman of this committee.

The Auxiliary is offering valuable assistance to all such children who are in need in any way, especially those needing medical care. Anyone desiring such aid or knowing of any child in need, should consult Mrs. Seale of the Legion Auxiliary of Marion G. Bradley Post 250.

"AMERICA REMEMBERS" PROGRAM ON MAY 2

On Monday, May 2, there will be a radio program over the American Broadcasting Company network which should be of interest to everyone, "May—The Month of Remembrance—And America Remembers." The program may be heard in this area over KFYO, Lubbock.

The program will feature Bert Lytell, star of stage and screen, and Harold Russell, star of "The Best Years of Our Lives," and ABC's studio orchestra.

The program is sponsored by the American Legion Auxiliary as a public service.

The symbol of rugged strength is the oak tree.

Juliet's family name was Capulet.

Amparo Iturbi, distinguished concert pianist, radio and movie artist, and a native of Valencia, Spain, will be guest artist of the Lubbock

JOE STOKES H. D. CLUB NEWS

The Joe Stokes H. D. Club met in the home of Mrs. Harlan Dean Monday, April 18. Mrs. Maeker reported on the District T. H. D. A. meeting which was held at Floydada April 16.

After the business session, Miss Hard gave an interesting demonstration on wood work and floor finishings.

A delightful plate was served to ten members and our agent. The next meeting will be at Mrs. Alvin Shambeck's home, April 26, for a study of lamp making.—Reporter.

AMERICAN BANKING IN ACTION

JOIN THE ALL-AMERICAN TEAM

Millions of American families have on deposit in American banks more than 53½ billion dollars of savings. In this way, these families have demonstrated their faith in America... their confidence in American institutions operating under our free enterprise system. The strength of our nation lies in the determination of our people to work and save for the things they want. When you bank with us, you are part of this all-American team. We invite you to come in now and start your account here.

THE First National Bank

OF TAHOCA, TEXAS
Member of F. D. I. C.

Bright sun shining—new greenery showing—soft breezes calling you onto the highway—this is the season that Buick of yours was made for!

This is the time when you'll want to hear the sweet hum of its eager power, feel the lazy comfort of its easy stride, get the springtime feel of its thrilling action.

And you can have all that—with just a little attention to some simple things to shake the winter out of its bones.

For instance—the rusty sludge that has accumulated in your radiator should be cleaned out. Transmission and rear end may be low on lubrication, and should be checked. Crankcase oil should be changed to a summer grade.

The underside of your car has taken a lot of splashing on wet roads. Some of the chassis grease has been washed out, some of it fouled with mud and grit.

Time to Spring Clean your Buick too!

Check your car— Check accidents!

Driving is twice the fun when you have complete confidence in your car—when you know that tires, brakes, steering, lights and the like won't let you down.

Altogether, there are 10 points to be checked for safety on any car. Bring your Buick in to us for a thorough going-over before setting off on your spring affairs. We'll take the worry and fuss off your hands—so you can be carefree at the wheel.

So it's time to drain out the dregs of winter. Time for a little of the knowing, loving care every Buick gets at the hands of our Buick-trained men, armed with Buick-developed tools, Buick-established methods, Buick-engineered parts.

It doesn't take long, doesn't cost much. But it goes a long way toward making old Buicks step out again like lively spring colts. How about stopping in—this week—to see about a spring rejuvenation for your faithful Buick?

RED LIGHT WARNING
(The Houston Post)

The decline in state revenues, which has caused Comptroller Calvert to reduce his department's estimate of the next two years' income by \$22,000,000, is a red light warning that the peak of post-war flush business probably has passed and that the leveling-off and settling down process is likely to continue. Other signs and omens tend to bear out this indication. Certainly it all provides sufficient warning to impel the Legislature to stop, look and listen.

Since the war we have been riding the swelling crest of inflation. In 1947 the Legislature doubled the general appropriations of the pre-

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.
BUEL DRAPER, W. M.
H. G. HODGES, Secretary.

ceding biennium, and already they had vastly increased over the preceding seven years. The budget recently submitted by Governor Jester would redouble them—pyramiding the spending several times since 1941. Appropriations, like everything else, have been inflated, and if there is to be deflation or "disinflation" as the federal administration economist delicately puts it, outgo should be disinflated along with income.

True, Texas is growing rapidly, and necessary expenses of state government are increasing proportionately. The Fifty-first Legislature faces the real need of various extraordinary expenditures, for such things as buildings, salary increases for underpaid state employees, education, and rural roads. But it should consider seriously whether enough non-essentials cannot be omitted to keep appropriations within prospective revenues. Taxes already are oppressive enough even during the boom; a heavier burden in slack times would be dangerous. It is not sound business to expand expenses when the economy shows signs of contracting.

Lieutenant Governor Allan Shivers has suggested that it might be a good idea for the legislators to take a two weeks' recess to find out what the taxpayers at home think about it. It is doubtful that his suggestion will be adopted, but they should know pretty well already the taxpayers' sentiments on the question of increasing taxes. To make sure, the taxpayers should make it a point to inform them.

Sooner or later, Lynn county will have to do something about its jail. A member of The News force recently had occasion to inspect the jail (voluntarily), and we can assure our readers that it is no decent place for any human to be confined. The jail is dirty, impossible to keep clean, poorly arranged, has been much mutilated by prisoners, is a threat to the health of anyone incarcerated in

it. Too, arrangement of the jail is such that it is dangerous for an officer to enter it when potentially dangerous criminals are housed in its confines. Even criminals deserve a decent place for confinement. It's something for our citizens to think about. We don't like added taxes, but such may be necessary if Lynn county ever has a safe and sanitary jail.

NOTICE TO BIDDERS
STATE OF TEXAS:
COUNTY OF LYNN:
Pursuant to an order of the City Council of Tahoka, Texas, passed on the 19th day of April, 1949, Notice is hereby given as required by Art. 5400A, of the Revised Civil Statutes of Texas, that at 10:00 A. M., on the 14th day of May, 1949, at a meeting of the City Council, in the City Hall, at Tahoka, Texas, bids will be received for the leasing for oil, gas and other mineral purposes, of the following described land owned by the City of Tahoka, and located in Lynn County, Texas, to-wit:

TRACT ONE—200 acres out of SW corner of Section 509, Block 1, E. L. & R. R. RR. Co. survey, described by metes and bounds as follows: Beginning at the SW corner of said Section 509; Thence N 90.3 varas; Thence E 135.8 varas to a point in the West line of P. & S. F. RR. Co. right of way; Thence S 14 deg 24' W along said right of way line, 939 varas to a point in the South line of Section 509; Thence W 1125 varas to the place of beginning.

TRACT TWO—The South 40 acres of the West 200 acres of the E/2 of Section 488, Block 1, E. L. & R. R. RR. Co. survey, described by metes and bounds as follows: Beginning at the SW corner of said E/2 of Section 488; Thence E 594 varas; Thence N 380 varas; Thence W 594 varas; Thence South 380 varas to the place of beginning.

Such bids will be received for a ten year primary term Texas Commercial Revised 88 lease covering the above described property, providing for the usual 1/8th royalty and for

delay rental payments in lieu of drilling operations of One Hundred Twenty and No/100 Dollars (\$120.00) annually. Said lease will be awarded to the highest and best bidder submitting a bid therefor, provided that if the highest and best bid submitted does not represent the fair value of such lease, the City Council, at its discretion, may reject same.
GIVEN under my hand and seal of office, this the 19th day of April, 1949.
K.R. Durham, Mayor. 29-3tc
