Summer Play Program Started Monday This Week

The Summer Recreation program sponsored by the various civic groups of the town and the City of Tahoka, got underway Monday morning of this week. Due to the rainy weather, however, the number of children participating has been a little light.

Coch J. Jacobs, who is directing the program this summer, reports an average of about twenty-five present at each morning and each afternoon play period, and about twenty at the baseball period. Directed play periods in the City Park are from 9 to 11 a. m. and 2 to 4 p. m. daily, except Saturday and Sunday, and Junior baseball is played at the ball park from 4 to 6 p. m.

In addition to group games, there are facilities for croquet, table tennis, horseshoes, volleyball, shuffleboard, etc., and swings, saws, etc.

All children of the county are invited to participate in the program.

Baseball Team Is Winner Sunday

Tahoka pounced on Levelland early in the game here Sunday afternoon to score eight runs in the first two frames on eight hits and two Levelland errors, scored three more in the third and three in the eighth for protection to take an easy 12 to 6 Oil-Belt League baseball victory.

The game was Tahoka's third victory in seven starts in this its first year in the league.

Bill Holcomb was the winning pitcher for Tahoka, and pitched a better game than the box score indicates. Several of the hits charged against him were due to the high wind which prevailed and misjudgment of the fielders.

The game at Post Thursday night of last week was rained out. As the News went to press Thursday night the Lynn county team was scheduled to meet Sundown at Sundown under the lights.

Next Sunday, Tahoka will meet Post at Post, although the game was originally scheduled to have been played here. The league president, Joe Holms of Lubbock, has announced that games missed because of bad weather will be made up later in the season.

Bain Fruit Stand Burglarized Monday

L. H. Bain reported to the Sheriff's office Tuesday morning that thieves had broken into his fruit store on Main Street near the highway intersection Monday night and stolen about \$300.00 in money and two automatic pistols and had made way with several hundred dollars worth of uncollected accounts.

Entrance had been effected by prying off two planks of the back wall.

Rain had fallen during the night and if the thief or thieves left any tracks or other clues as to their identity these had all been obliterated by the rain or other causes. The sheriff had little information on which to base an investigation, except the stolen pistols.

W. R. Bartley Is Taken By Death

W. R. Bartley, a long-time citizen of this area, died Thursday, June 2, in a Big Spring Hospital, after having undergone a major operation a few days before.

A resident of Slaton for the past twenty years, Mr. Bartley's body was taken back to that city for burial. Funeral services were conducted in a church there last Saturday afternoon by Rev. M. E. Robinson of Muleshoe, formerly pastor of the Baptist Church at New Lynn while Mr. Bartley was a resident of that community.

Mr. Bartley was born June 6, 1869 in Kentucky and was married in that state to Miss Parnelia Frances Smith February 7, 1892 moving from that state to North Texas some years later. He moved with his family from Cooke to Lynn county in 1917, settling in the New Lynn community.

Surviving him is Mrs. Bartley and the following sons and daughters: Mrs. D. E. Patterson of Seymour, Texas; S. F. Bartley, of Madera, Calif.; Mrs. T. H. Murrain of Muleshoe, Texas; S. S. Bartley of Tahoka; Mrs. A. L. White, Tahoka; Mrs. C. M. Duke and L. N. Bartley, Madera; C. E. Bartley, Brownfield; Mrs. S. J. Harrell, Cleburne; C. M. Bartley, Madera; and W. F. Bartley Tahoka.

Softball Games Delayed By Rain

Several games in the Lynn County Softball league have been postponed because of rain, but on last Monday night White's defeated Rutherford's 7 to 6 in a six-inning thriller. The game was called in the seventh when a rain cloud interrupted.

Games played so far this season have ended as follows: Wilson 13, White 7, New Home 18, Davis and Humphries 9; Wilson 10, Gray 4; White 12, Grassland 15; Rutherford 14, New Home 15 (10 innings) Gray 4, Grassland 9.

Scheduled for Thursday night were Grassland and D&H; Friday, White and Gray; Monday, Rutherford and D&H; Tuesday, Wilson and Grassland.

Local Man Receives Broken Jaw Bone

Connor Parsons, operator of a Cafe on South Main Street in the first block south of the public square, suffered a severe break of the jaw bone a few nights ago and had to be taken to a Dallas Hospital, the News is informed, for treatment.

The matter had been reported to the Sheriff but he explained that personally he did not know just how the injury was sustained. It is said that he was out with another citizen of Tahoka at the time. said that Parsons was out with an other citizen of Tahoka at the time.

Misdemeanor complaints have been filed against Dr. F. E. Seale.

A feature story in the Denver Post (4/8/49) says that there are 400 skid-row alcoholics in Denver.

Lynn County Farmer Will Be Honored By Cotton Seed Crushers At Houston

Kay K. Moore of New Home left this week for Houston where he is one of three young Southern veteran farmers being honored by the Texas Cottonseed Crushers Association at its meeting in the new, fabulous Shamrock Hotel June 12 through the 14. Kay's expenses on the trip are being paid by the association.

While at the meeting, Moore will participate in a forum, "Safeguarding the Future of Texas Agriculture," and make a talk on "Mechanized Farming."

Moore is a leader in using improved farming practices. He attends the Veterans' Vocational School at New Home taught by Billy Hancock, is a Soil Conservation District supervisor, and is a director in the Lynn County Farm Bureau. He owns 160 acres, rents 180 more, all of which is contoured and terraced.

He served in the Army 1931 to 1936, and reentered in 1942 for service during the war. First a Cavalry instructor, he later became a second lieutenant, served in the European Theatre, was cited for bravery and presented the Bronze Star for bringing his platoon across open fields under fire and destroying an enemy observation post without casualty. On April 12, 1945 he was wounded while leading an armoured tank force in Germany. His car suffered a direct hit from anti-tank gun and Moore was the only survivor of the unit. He was retired from the Army with the rank of captain.

Prohls Attending Rotary Meeting

Dr. Emil Prohl, president-elect of the Tahoka Rotary Club, and Mrs. Prohl left Thursday morning for New York City, where they will attend the annual convention of Rotary International, which will be held in Madison Square Garden in that city June 19-23.

They left Tahoka by automobile, but at Fort Worth they will board a Texas Rotary special train at 5 p. m. Thursday. The train will stop over in Chicago Friday night for a big Rotary dinner. During the night Friday the train will move on to Toronto, Canada, where the Texas delegation will be entertained, with a luncheon Saturday noon in the King Edward Hotel. The delegation will visit Niagara Falls, attend an evening Rotary meeting in Niagara, and proceed to New York, arriving there at 10 a. m. Sunday.

The Prohls expect to visit relatives in Chicago en route home.

Tahoka Girl Going To New York Camp

Miss Jo Ann Henderson, daughter of Mr. and Mrs. Harley Henderson, has been invited to teach arts and crafts in Camp Brady, a Girls Scout Camp on Long Island this summer. She will leave Tahoka for New York City on June 26 to accept the position.

She will be unit leader and teacher of arts and crafts for approximately 175 girls. During the camp period, visits will be made to Niagara Falls and other places of interest.

Accompanying Jo Ann will be Miss Marjorie Previt of Rails, her roommate at Texas Tech, who will act as a camp business manager. They will be in New York until September.

Jo Ann is a Junior student majoring in art at Texas Tech.

ENTERTAINMENT AT MIDWAY

There will be a community get together at Midway schoolhouse Friday night, June 10 to which the public is cordially invited.

There will be entertainment and refreshments.

A hint to manufacturers: Put on a campaign that reduces drinking among your employees and you will gain a substantial reduction in absenteeism and accidents.

Bartley Infant Was Buried Here Monday

Little Susan Kay Bartley, who was born to Sears and Rachel Bartley of New Lynn in the Tahoka Clinic Saturday night, died on Sunday morning.

Funeral services were conducted in the Stanley Funeral Chapel early Monday afternoon, with Rev. M. E. Robinson of Muleshoe officiating. He was formerly pastor of the New Lynn Baptist Church.

Burial followed in the Tahoka cemetery.

The bereaved parents have the sympathy of a large circle of friends.

Mrs. Ruby Gibbs Death Victim

Funeral services for Mrs. Ruby Gibbs, 27, were held in the First Baptist Church in O'Donnell at 3:00 o'clock Tuesday afternoon. Rev. E. L. Jones of Lamesa officiated and burial was in the O'Donnell cemetery.

Mrs. Gibbs, whose maiden name was Rathiff, lived in the vicinity of O'Donnell for a number of years but at the time of her tragic death and for some considerable time before, she had been residing in Lubbock.

Mrs. Gibbs was fatally injured near Ruidoso, New Mexico, Sunday when the car in which she was riding and which was being driven by W. B. Hogan Jr. of Lubbock failed to make a sharp curve and crashed into the corner of a house near the road. Hogan also was seriously injured. Both were taken to a hospital in Ruidoso immediately after the accident and Mrs. Gibbs lived only a few minutes after arrival.

Mrs. Gibbs is survived by a little son, 6, her mother, who resides in Lubbock; a sister, who lives in Lamesa, and four brothers.

Lubbock Citizens Killed In Wreck

Robert F. Brewer, 34, a resident of Lubbock was instantly killed and Jesse Franklin Bumpass, 56, a Lubbock Laundry owner and operator, was fatally injured when the car in which they were returning from Big Spring with Bumpass as the driver, turned over several times at the curve on the Tahoka-Lubbock highway at Woodrow ten miles south of Lubbock last Friday night. Two Negroes riding on the back seat of the car were only slightly injured.

The men had been to Big Spring where the two Negroes, J. B. Brown and Allen Williams, had taken part in a boxing match.

Funeral services for Brewer were held Monday afternoon in the Asbury Methodist Church in Lubbock, followed by burial in the Lubbock cemetery.

Bumpass died at 1:50 a. m. early Tuesday morning in the West Texas hospital where he had been in critical condition since the crash occurred. Funeral services were conducted at 2:30 Tuesday afternoon in Central Baptist Church, Lubbock, with burial in Lubbock cemetery.

Bumpass had been a resident of Lubbock for about 32 years. Brewer had lived there for a much briefer time.

YOUTH ALMOST LOSES HAND IN ICE CRUSHER

Howard Wood, son of Mrs. Jessie Wood, was the victim of a painful accident Saturday while working at the ice crushing machine at Pik and Pack. His forefinger of the right hand was almost completely cut off. However, he was given prompt medical attention, and it is believed the finger will be saved.

Howard had cut the machine off, and thinking that it had quit rotating stuck his hand into the grinder. The bone was cut in two, and the finger left dangling by a portion of the flesh.

Equipment Taken From Well Pump

Carence Church of Wilson reported to Sheriff Roland "Slick" Clem had taken a Delco battery, starter, and generator from a pump at his irrigation well near Wilson one night recently. The stolen property is said to be worth about \$75.00.

The News is not informed as to whether the owner and the officers have any clue as to the identity of the thief.

County Pioneers Plan Reunion

Pioneers of Lynn county—people who came here thirty or more years ago—are completing plans for the annual reunion which will be held in the City Park all day Friday, June 24.

Talks, music, and visiting will be the principal order of the day, with a barbecue dinner at noon and a brief business meeting late in the afternoon.

A number of pioneers are expected from a distance, according to Mrs. Jack Fenton, secretary of the organization. Truett Smith is president this year.

Ernest West Is Rotary Speaker

With Dale Thuren presiding in the absence of President Vernon Brewer and M. A. Bray in charge of the program, Ernest West, Minister of the Church of Christ, was the speaker at the Rotary Club Luncheon Thursday noon.

He had been assigned the subject of "Souls and Soils," or Soil Conservation, and he spoke there on the relationship existing between God and his creation, the Soil, and Man's duty to conserve it, citing a number of Scripture passages as a basis for the conclusion which he drew.

University Students Home For Summer

Most of the Texas University students who live in Lynn county are back at home now for the summer.

Miss Frances Haney, who entered the University early last fall, has been home now for more than two weeks.

Miss Rita Pettigrew, who will be a Senior in the University next year, came in home on Wednesday of last week.

Irwin Lehman arrived home two weeks ago. He will be a Junior next year.

Paul Halarick II. is also back home for the summer.

Clyde Briley, after a visit here, has gone back to the University for the summer term. He expects to graduate in February of next year possibly.

Joe Don Minor, who has spent one year in the University, is also at home for the summer.

There are others in the county who have been attending the University about whom we have had no report.

POST DISPATCH EDITOR UNDERGOES OPERATION

Eddie Warren of Post, editor of the Post Dispatch, underwent an emergency appendectomy at about 8:30 p. m. last Friday in the West Texas Hospital, Lubbock.

News from the Hospital was that he was improving satisfactorily and it was expected that he would be home this week-end.

COLEMAN FAMILY MOVING TO TAHOKA

Marvin Green of Coleman, Texas, has been employed by the Bray Chevrolet Company, as assistant parts manager.

Mrs. Green is to join him here next week.

Mr. and Mrs. Billy Hill and little daughter Marion Lee of Muleshoe were here Sunday visiting the News families and also her parents, Mr. and Mrs. W. M. Flint. Billy is Linotype operator for the Muleshoe Journal.

Rain, Hail Storm Destroy Most Of County's Crops

Heavy rains that fell on Thursday night of last week and that have fallen every day or night this week in some portion of the county have destroyed the major portion of the cotton that had been planted, much of it for the third time. Hail has been heavy in some localities. Both rain and hail have been comparatively light in Tahoka.

Rainfall in Tahoka for the preceding 4 days and nights up to Thursday morning measured 1.16 inches. A few hailstones had fallen but neither large enough nor numerous enough to cause damage.

It is a different story for other large areas in the county, however. It all started on Thursday night of last week while the last run of The Lynn County News was being made. A terrific rain and hail storm visited the New Lynn, Edith, Central Baptist Church, and Gar-nolla communities, east and northeast of Tahoka, practically destroying all cotton and feed that had already come up and making it impossible for that which had just been planed to come up.

Another area hard hit by a heavy rain that night was the Wayside and Wilson area, destroying much acreage and making necessary the replanting of much other acreage where the storm was heaviest.

On Monday night destructive hail storms swept the West Point and Petty communities. Three lakes was also pretty hard hit. Another hail and rainstorm struck a portion of the same area the next night. The storm on Tuesday night swept through the New Home community, extending onward in a northeasterly direction into Lubbock county, destroying crops in a large area of undetermined extent.

Probably 75 percent of the farmers in Lynn county have been compelled to plant their cotton crop over at least once and some of them two or three times this Spring, and most of them will have to start from scratch again now. Counties to the north are in the same or a worse plight, while counties to the South and West have been more fortunate.

Wheat acreage in Lynn county is never large but it is probably larger this year than ever before. Not much damage apparently has been done to this crop.

Former Resident Of Tahoka Dies

Funeral services for L. P. Jeffreys, 72, a former resident of Tahoka, who died in an Austin hospital last Friday, were conducted at 3:00 p. m. Sunday in the First Baptist Church in Lubbock, with the pastor, Dr. J. Ralph Grant, officiating. Burial was in the Tech Memorial Park.

Mr. Jeffreys and family were residents of Tahoka for several years, moving to Lubbock some twelve or fifteen years ago.

He was a member of the Baptist Church, the Masonic order, the Scottish Rite Club and the Shriner's. Surviving are the wife, four daughters, Miss Dorothy Jeffreys, Mrs. Lois Jenkins, and Mrs. L. S. Everett, all of Austin, and Mrs. Alvin Haag of Midland; two brothers, three sisters, and other relatives.

Two of the daughters, Estelline and Evelyn were twins and were unmarried while they lived in Tahoka. The family had many friends here.

Mr. Jeffreys owned considerable property in Lynn county at that time and traded in real estate quite a bit. The family resided for some time in the house which was later purchased and occupied by W. S. Anglin as a home and which he vacated Monday.

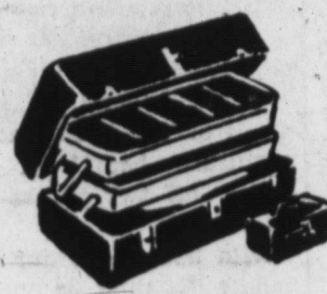

James Ray Bennett, nephew of Clay Bennett, recently returned to his home at Kanapolis, North Carolina, after having spent the past nine months here. He was a student in the Tahoka high school.

W. S. C. S. BEGINS NEW COURSE OF STUDY

The Woman's Society of Christ'an Service met at 4:00 p. m. Monday in the home of Mrs. V. F. Jones for the beginning of the new study, "The Bible and Human Rights." This proved to be a very interesting meeting as the leaders of the Study brought out many good points, and a very lively discussion followed. Mrs. Bray and Mrs. Bell gave the study.
 Mrs. W. W. Rowland brought a very inspiring devotional preceding the study. This was based on some writings by E. Stanley Jones in his book, "The Way."
 During the business period it was decided to postpone having the Caravan Group here until a later date.
 It was not decided where the W. S. C. S. will meet next week. The meetings in the homes are due to the re-decorating of the Methodist Church.
 After the meeting, lovely refreshments were served by Mrs. Jones to those present. Two visitors were recognized and some old members were back.—Reporter.

Baptists Attend Meadow Meeting

Many Lynn county Baptists attended the quarterly Baptist Training Union meeting of the Brownfield Baptist Association held in Meadow Monday night.

H. M. Patterson of Redwine is the president of the organization and presided over the general assembly.

Rev. C. T. Aly was in charge of the Pastors and Directors conference. Sheldon Russell had charge of the Adult department; Mrs. B. B. Huckabay of Meadow, the Young People's department; Mrs. Truett Hodnett of O'Donnell, the Intermediate; Mrs. Kelly Sears of Gomez, the Juniors; and Mrs. Harris Ray of Redwine, directed the story hour for the little folks.

Alton Webb of Gomez led the song services and Mrs. Ross Harmonson of Lakeview conducted the devotional service.

"Faithful in Leadership" was the theme of a discussion by Mrs. Carl Grider of Wilson, and Rev. J. H. Johns, the new pastor at O'Donnell, discussed the subject, "Faithful in Stewardship."

Wilson won the Attendance Banner with 34 B. T. U. members present. Other Lynn county churches represented were Lakeview, Petty, New Home, Redwine, O'Donnell, and Tahoka.

The Tahoka group consisted of Rev. C. T. Aly and daughter Jo Helen, Mrs. Fred Lambert, little Paula Jan Brock, Sheldon Russell, Mrs. W. P. Hutchison, Mrs. K. R. Durham, Mrs. L. M. Nurdyke, and Mr. and Mrs. E. I. Hill.

Refreshments were served following the program.

Rev. B. B. Huckabay was the host pastor.

The conferences were held, of course, in Meadow's commodious and well-equipped new Baptist Church, the main auditorium having a seating capacity of about 400, with a number of well-appointed Sunday School rooms, pastor's study, kitchen, dining room, etc. It was built last year.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

SHAWNEE MAN GETS TERM FOR ROBBERY

Shawnee, May 25—(Special)—John Rawls, 36—Shawnee, Tuesday was sentenced to 15 years in the state prison for the armed robbery of an aged fruit stand operator April 4.

He pleaded guilty before District Judge J. Knox Byrum, withdrawing his former plea.

Victim of the attack and robbery, A. E. Dwight, 65, of Shawnee, died Friday. He had recovered from injuries received in the assault, however.

About \$60 was taken off Dwight after he was slugged with pop bottles. He suffered six severe head gashes.

Rawls was arrested by city police in a beer tavern near the fruit stand three hours after the attack. Bloody clothes were found at his residence.

Editors Note:
Dwight mentioned in the above news story was a brother of C. C. Dwight of Tahoka. The News carried a report of the robbery soon after it occurred and also a story in our issue of May 27 of Mr. Dwight's death.

MRS. LONNIE KING IS HOSTESS TO DIXIE H. D. CLUB
The Dixie Home Demonstration Club met on Wednesday, June 1, in the home of Mrs. Lonnie King.

The program was on Making Aluminum Trays. Mrs. Clinton Hamilton made an interesting talk on Making the Trays, which was enjoyed by all.

Refreshments of bottle drinks and cookies were served to Mesdames A. L. Dunagan, Troy Copelin, E. R. Tunnell, Charlie Lichey, T. D. Dunlap, Charlie Schulz, Henry Berry, Elmer McAllister, J. R. Dunlap, C. Aycox, J. O. Allen, Dick Mitchell, Elmer Sproles, Clifton Hamilton, T. D. Lishman, E. J. Cooper, Elsie Shambek, Misses Edna Van Dyke and Virginia Cobb.

Mrs. Charles Lichey will be hostess to the next meeting at 2:30 p. m. June 15 in her home.

If you could "x-ray" your telephone, you'd find a surprisingly complicated instrument. Yet, making a telephone call is just about the easiest thing in the world to do. Proof of the simple convenience of telephone service is the fact that both local and long distance telephone traffic are at an all time high. This naturally means that the complicated mechanical and human operations necessary to provide telephone service are under their heaviest pressure. Your cooperation and friendliness are helping us greatly in our efforts to serve this traffic as efficiently as possible.

**METHODIST S. S. CLASS
RECEIVES LETTER
FROM CHINESE BOY**

The Friendship Sunday School Class of the local Methodist Church adopted a Missionary plan a year ago last November and early last year sent a sum of money to China to support an orphan in a Missionary school there.

Since then letters have been exchanged between two missionaries there, the Rev. and Mrs. George W. Hollister of Hingwa, Fukien, China, and Mrs. Ted Terry here, and presented to the Class.

Since "adopting" this Chinese orphan boy no word had come direct from him until today, Tuesday, June 7, when Mrs. Terry received a letter from him. It was written in Chinese by the boy, then translated by the Hollisters, and typed in English. The letter is as follows:

"Dear Friends:
I have been in the Orphans School for two years. I am 15 years old and in the fourth grade. I often thought of your great kindness. Your kindness is copied from the example of Jesus Christ, therefore you often sent me the money and the gifts. I thank you very much. I am determined to be a true Christian and a physician. I hope you will often write and encourage me to fulfill my ambition in future. Peace to you.

Your Brother,
Na Ci Long."

Receiving this letter means much to the Friendship Class, as the members who have contributed to the Missionary fund have a vital interest in where and how their money is being used. It also means much to the ones on the Committee, who have worked so faithfully in getting this fund together. Assisting Mrs. Terry have been Jess Gurley and Mrs. Jim Ward in the gathering of funds for the 1949 drive.

Truly the Friendship Class, as a whole, feels their work has not been in vain, Mrs. Terry declares.

CARD OF THANKS

We want to thank the Doctors and all the nurses at the Tahoka Clinic for being so nice to me while I was there. We want to thank all of our friends and neighbors for planting our crop for me while I was at Lubbock. I am at home and recovering from my operation. May God bless all of you. —Frank Decker and family.

MISS NANCY NELL WYATT IS WED TO GEORGE C. MORRIS IN ABILENE RITES

Nancy Nell Wyatt, daughter of Mr. and Mrs. N. M. Wyatt of Snyder, Texas, formerly of Tahoka, and George C. Morris, son of Mr. and Mrs. O. A. Morris of Kerrville, were united in marriage in the First Methodist Church in Abilene, June 4th at 10 o'clock a. m. Rev. H. C. Smith of Abilene read the double ring ceremony.

The bride wore a sky blue street length dress with brown accessories. She wore a corsage of yellow roses and the traditional something old, something new, something borrowed and something blue.

Her matron of honor was her sister, Mrs. Richard Young. Mrs. Young wore a white dressmaker suit with blue accessories, and a pink carnation.

The best man was the bridegroom's brother, Charles Morris of Kerrville.

The bride is a graduate of Tahoka high school and is a summer graduate of McMurry College. She was a member of the McMurry Indian Band and Delta Beta Epsilon. She worked two years as an assistant instructor in girl's physical education at McMurry.

The groom is a graduate of Tivy high school of Kerrville. He served four years in the Army Air Force, two of which were overseas. He is now a senior in McMurry College and is a member of Alpha Chi, National Honor Society and is a member of the baseball and track teams.

After a brief trip the couple plan to make their home in Abilene.

Those attending were Mr. and Mrs. N. M. Wyatt and Mark of Snyder, Mr. Stanton Morris of San Antonio, Mr. and Mrs. Richard Young and Dick, Mr. and Mrs. Gregg Bell and Carla all of Lubbock, and Mrs. Harvey Line and La Moyne Line both of Abilene.

MRS. BURNES RECOVERING AT HOME OF HER PARENTS

Mrs. R. V. Burnes has been released from the West Texas Hospital, where she was a patient for several days, and is staying at the home of her parents, Mr. and Mrs. J. R. Mathis, Post, Rt. 1, until she becomes able to return to her home north of Idalou.

She was suffering from injuries resulting from a fall. Her condition is now much improved, according to her mother.

You ought to be driving a **'49 PONTIAC**

Two of America's Most Popular Motor Cars

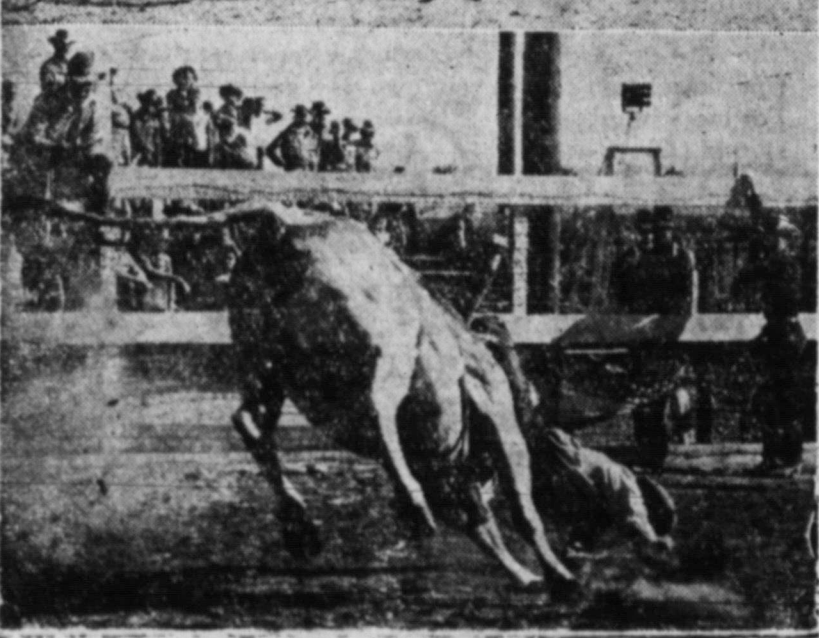

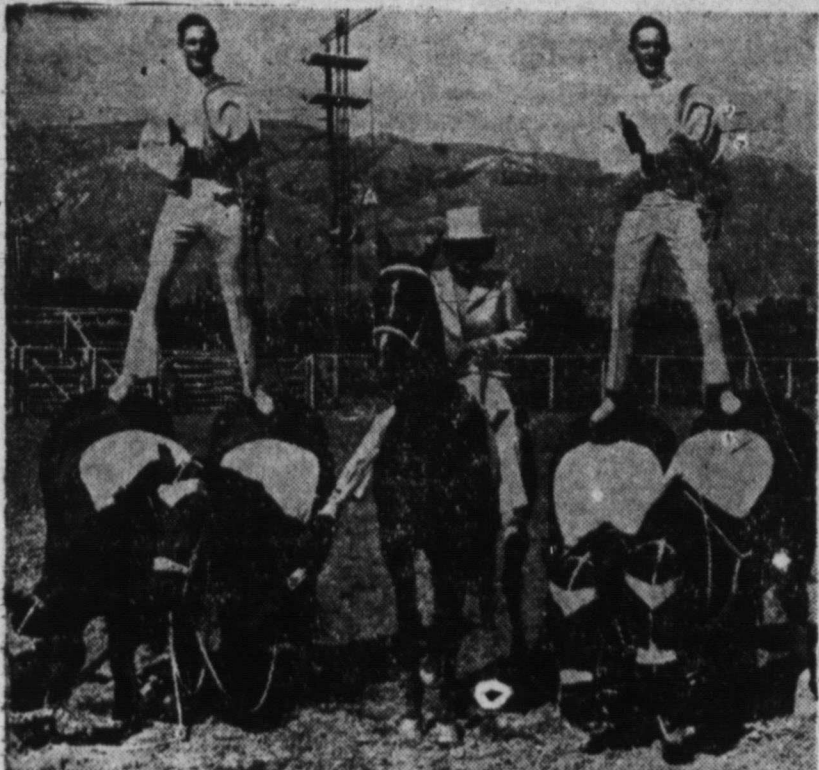

Pictured above are typical examples of the two smart and separate lines of cars which bear the current imprint of Pontiac goodness—the Streamliner and the Chiefain De Luxe Sedan Coupes. Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS! While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both

are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion. Finally, both represent unusual values—a very fine product at a very low price. Either one you choose will make you mighty happy.

Hydra-Matic Drive, white sidewall tires, bumper spring guards and fender shields available at extra cost.

CLOSING EXERCISES TONIGHT FOR VACATION BIBLE SCHOOL

Closing exercises are to be held in the Baptist Church tonight for the Vacation Bible School which has been in session last week and this.

The attendance has been much larger than was expected and interest has been keen from the very start. There is a faculty of more than forty teachers and officers and up to last Saturday there had been an enrollment of 258 students. That number has increased slightly this week. Average daily attendance throughout last week was 228.

Mrs. C. T. Aly has been the general director and her work as such is generally praised as very fine.

Sessions each day, for five days in the week, begin at 8:00 a. m. and close at 11:00 a. m.

This gives each student 30 hours of study and training, which is equal in time to more than thirty Sundays of Sunday School work.

The children are not only taught lessons from the Bible and given religious training but are also trained in a wide variety of handicraft work.

Their work will be displayed and a most interesting program given in the church tonight.

The public is cordially invited.

Judge J. Callan Brooks of Charlottesville, Virginia, recently remarked in fineing a student for a traffic violation, that in the horse and buggy days, the horse was always sober and substituted horse sense for the missing wits of a drinking driver; "but today, the automobile can't think for us at all."

SGT. L. D. MOORE EXTENDS OVERSEAS DUTY TILL 1950

With the Eighth U. S. Army in Tokyo, Japan. — Sergeant First Class Lonnie D. Moore, son of Mr. and Mrs. L. D. Moore, Tahoka, has extended his overseas tour of duty until January 1950.

Sergeant First Class Moore was scheduled to return to the United States in July of this year for re-assignment but extended to complete a 30 months overseas tour of duty.

Sergeant First Class Moore is stationed with Headquarters and Headquarters Company, 15th Medical Battalion and works as motor sergeant for Headquarters Company.

"SWEET" ROSE —

A rose fresh with the morning dew may sound more poetic than one plucked in the afternoon, but the tea-time rose will last from 8 to 10 hours longer than the rose cut for your breakfast table. Cos-

opolitan magazine explains that the sugar-content of a rose's leaves and petals is highest at about four o'clock (4:30) P. M., after a day's exposure to the sun. And the more sugar, the longer life of the cut plant.

AMERICAN BANKING IN ACTION

THE MORE WE PRODUCE THE MORE WE CAN SHARE

Everybody benefits under our American way of life. We produce twice as much today as we did in 1910. And income per household has jumped from under \$2400 to about \$4000 (in dollars of similar purchasing power). But it takes labor, plus management, plus bank credit, to get these results. By pulling together under our free enterprise system—workers, businessmen and bankers can make production hit a new peak.

More Smiles per Gallon with Dynaflo Drive

White sidewall tires, as illustrated, available at extra cost.

THERE'S the smile when you slip the selector lever into Driving notch—and realize that's all there is to do.

There's the smile when you swing smoothly up to cruising speed without halt or check or break of stride. There's the smile at traffic lights when you halt, wait, then move away with never a thought about shifting.

But the broadest grin of all comes at the end of a long day's drive and you find you've covered more miles more easily. Even your treadle-foot—so likely to become tired and cramped maintaining an even speed in direct-drive cars—appreciates the fluid ease of Dynaflo.

For Dynaflo Drive is not merely a new transmission. It's a new experience—a new luxury in driving. In ten minutes you are handling it

like a veteran—in two days you wouldn't be without it.

Small wonder, then, that Dynaflo is the drive with which all new developments in transmissions are compared.

Not merely "something better," it is something entirely new, the first exciting chapter in a whole new book.

Go learn for yourself how abundantly rich in pleasure every gallon becomes when you have Dynaflo.

Your Buick dealer will be glad to demonstrate—glad to quote delivered prices—glad to talk terms of as fine a deal as you could want.

And you'll find glad surprise in the delivery dates he is now mentioning.

Here is an article on the man who drinks too much. How much is "too much"? Enough to slow his reactions and involve him in an automobile wreck? Just enough to depress the higher functions of the brain and be responsible for a military disaster or diplomatic folly?

A headline in a Richmond paper shows the picture of a little boy smoking a pipe. The head over the story reads: "Boy, Three, Apes Dad with Pipe." Well, for good or bad, kids will ape Dad and Dad will have to shoulder the responsibility in the end there-of.

If one would look around just a bit he could see that education depends far more on the individual than on the school he or she attends. Some kids go through high school and come out at the end of ten or twelve years still wondering what it is all about. Others come out intelligent, cultured, capable, and prepared to make a good showing and do a good job in almost any situation that faces them. We have some fine, high school girl graduates here in Tahoka who seem always to be at ease on the floor and who can acquit themselves in serious discussions in a manner that should make most of us older folks ashamed of ourselves. They have taken advantage of all the opportunities, it seems, that both the school and the church offer. Something depends on the teacher, of course. There are great teachers and poor teachers. All teachers may be improved by study and training, but in a large sense, teachers "are born, not made." We believe that outstanding teachers in the public school and in the church are just as truly called to the work they do as is the preacher who stands in the pulpit.

We notice that every Communist in this country who is arrested and placed on trial for treasonable activities vehemently and sometimes violently lays claim to every right accorded him under the Constitution and laws of our country. O yeah! But if he were in his beloved Russia and were accused of disloyalty to the dictator or bunch of dictators who happened to be ruling at the time, he would have no rights. There would be no Constitution guaranteeing him any rights of any kind. If he were to undertake to assert any such rights, he would not even get to first base. He would be landed in a concentration camp or shot somewhere behind the Iron Curtain. We note that even a Negro Communist, who probably never heard of Russia until a few years

ago, and who was arraigned for trial in a Boston Court the other day, even joined with others in staging a riot right in the court room. Yet there are few college professors and a few swivel-chair employees of our Government who have no better sense than to advocate Communism, secretly, if not openly. Blind Fools!

At long last that highway from Tahoka to Wilson is to be built. Incidentally, the Wilson-Sinton end of it is to be built also. A notice for bids appears in this issue of the News. This road has been a dream of the News editors for many years. A little sand belt between Tahoka and Wilson has been the excuse for years for not building a good road between the two towns. It is now sixteen miles from Tahoka to Wilson over a decent road. It will be only 11 miles when the new highway is built. Possibly the most-needed farm-to-market road in the county today is that road that leads from Dixie to Petty. Just a dirt road that is too rough to travel much when it is dry and too muddy to travel when it is wet. When all the other needed roads leading in the direction of Lubbock are built, maybe that district engineer can discover the Dixie-Petty road.

Editor Neil C. Vanzant of the Gaines County News, Seagraves, is off on his vacation this week, and next, Vanzant is still a member of the Navy Reserve, it seems, and he has gone out to Monterey, California, to do a little cruising for Uncle Sam. "Bo" Bohenek of the Childress Index is pinch-hitting for Neil in his absence. By the way, we should like to break into the Navy for two or three weeks ourselves, but guess there is no chance. We understand that Uncle Sam doesn't accept new recruits over 90.

Ernest Joiner of the Rails Banner says that he is strictly in favor of Father's Day. He doesn't think Pa gets a square deal in this old world of boo leggers bridge parties, Sunday Christians, and other saintly sinners. "No animal is less respected than the American father," he declares. Mother and the kids get all the breaks. He wants a new deal for Pa. Poor old pa, who takes all the blame and pays all the bills. Ernest should have a good time celebrating Father's Day.

J. G. Richards, editor of the Anson News, reported last week that he and his wife had spent the preceding week-end down at Tyler, where he preached four sermons for a church down there—but his wife went off and locked at the roses. Who could blame her, J. G.?

When you see a liquor ad, just remember that your children are probably going to see it too. They are being told that liquor makes a man distinguished; beer makes a girl beautiful; and that everybody's doing it and if they don't too they will be out of line.

Odds & Ends

(By E. I. The Elder)
On account of some misplaced lines in this column last week, some of the things we tried to say about Early Lee Lawson were wholly unintelligible, and we guess that Early Lee and other readers, if any, wondered what that crazy columnist was trying to say anyway.

Well, no use to cry over spilled milk. Maybe most of the puzzled readers got the idea that we were trying to say something nice about Early Lee—which we were—and that we regard him as a pretty good boy—which we do.

There are a lot of other good and deserving colored folks in Tahoka, however, and maybe some day we will take time out to say some nice things about them. There are the Sayles sisters, for example, who as teachers and religious workers are doing much for the members of their race in Tahoka. These good colored people rarely ever get their names in the paper and we feel that they deserve a mention now and then.

The writers of the books of the Bible, by the way, did not fail to mention outstanding members of the Negro race, when they figured prominently in public affairs. One of them, you remember, was drafted to bear the cross up Calvary's hill when Jesus fainted under the load. His name was Simon and he was a native of the City of Cyrene on the north coast of Africa. He was in Jerusalem at the time and happened to be passing along as the mob was doing its worst. Because he was obviously strong and muscular, no doubt, and possibly also because of his color, he was drafted to take up that cross and carry it to the top. Many another Negro, through all the years since, has been compelled to carry many another cross up many another rugged hill.

And then there was that Ethiopian Eunuch who had come all the

way from the palace of the Queen of Ethiopia up on the headwaters of the Nile more than 1,500 dreary miles away to worship the God of the Jews.

As he was returning home, puzzled and unsatisfied as he read the Jewish Scriptures, the Lord sent Philip a hundred miles or so, over burning sands and rocky slopes, to intercept the disappointed son of Ham and teach him the way of life. The Lord must have really loved that Negro.

Did you ever read that story about Ebed-melech? What a name! Never mind the name; it is an outlandish one that the Jews pinned onto him. But he was a good old Negro, just the same; like Old Uncle Ned, or Old Black Joe.

To be specific, Ebed-melech was a "chamber-maid" in the Palace of old Zedekiah, King of Judah, who reigned in Jerusalem about six hundred years before Christ. That was a long time ago, but human nature then was just about what it is today. And some of those old guys were interesting characters.

Zedekiah was really just a puppet king. Old Nebuchadnezzar, King of Babylon, was the Hiler of his day. He had brought his armies up from Babylon several years before and conquered Jerusalem. But he did

not make it too hard on the folks. He chose rather to cultivate their friendship so that they would be more easily controlled and that he might therefore the more easily exploit them. So, he appointed one of their number as king, giving him a good deal of independence

and liberty as long as he would take orders from old Neb.

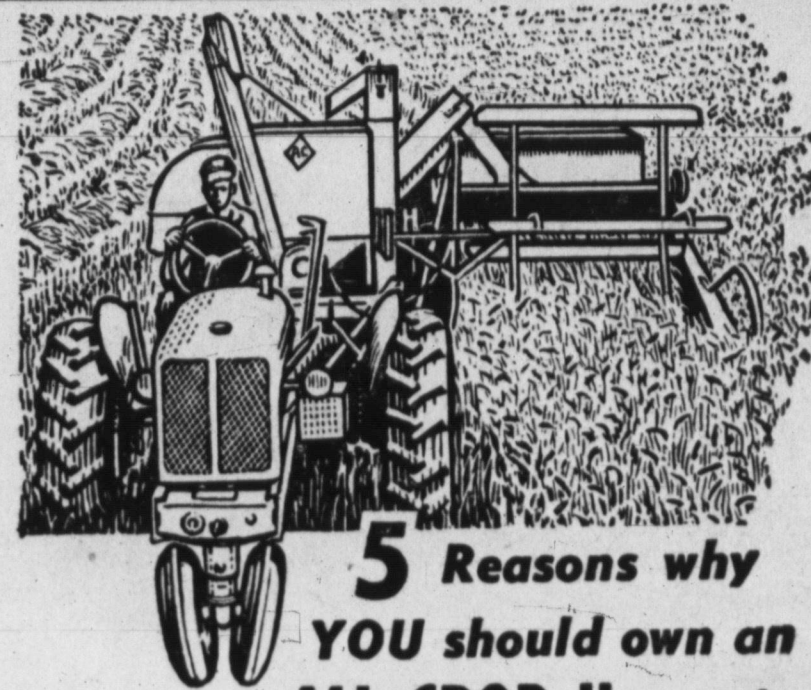

But Egypt was still a mighty nation herself, and she had now risen again to challenge the power and the rule of old King Nebuchadnezzar (Con'd. On Back Page)

"PACKS THE SOIL WITH POWER!"

NOW... a new nitrogen from a new plant to make fertilizing easy and profitable! The Rowland Company's new Plainview NITROW plant, shown above, is the answer to this area's nitrogen fertilizer shortage. For the soil's basic nitrogen needs, liquid NITROW contains 25% nitrogen. It is manufactured by combining 83% Anhydrous Ammonia with water, by the process shown above, and is being distributed to irrigation area dealers in 50 gallon steel drums. The price of NITROW is 45c per gallon, plus a drum deposit.

The Flow of NITROW down your rows is easy to check, for it gives irrigation water a milky color, and gives off an ammonia odor. You see where your fertilizer is being distributed when you channel NITROW liquid nitrogen fertilizer into your rows. YOU CAN SMELL IT! YOU CAN SEE IT!

The Rowland Company's NITROW is the equal of the best in increasing yield and quality of cotton, maize, wheat, truck and other crops. From a few drums used on maize last season by a West Texas farmer, yield was so multiplied that 8 rows filled a harvest hopper which took 14 rows to fill without the help of liquid nitrogen. Near Las Cruces last year, cotton that ordinarily made a 2 bale-per-acre stand, made another one-fourth bale when strengthened with nitrogen in the NITROW form. Call or visit us for NITROW today!

ODDS AND ENDS . . .
(Cont'd. from Editorial Page)

and his Chaldean hosts. The princes and other high Moguls in Jerusalem were siding with Pharaoh. So that placed puppet King Zedekiah between a rock and a hard place. He saw that he was going to have to take sides one way or the other and that if he guessed wrong it would be just too bad for him.

So, that is where the old Prophet Jeremiah comes in. He was one of those honest and rugged Jewish preachers, very few in number just then, who hewed to the line, let the chips fall where they may. Being in constant touch with the God of Heaven and perfectly submissive to his will, he could peer into the future and tell just about what was going to happen among the nations tomorrow, next year, or a hundred years down the line. If he were living and preaching today, they would accuse him of being a "political preacher" and of "Dabbling in politics."

But old Parson Jeremiah knew what he was about. He warned and warned the Jews that if they rebelled against Nebuchadnezzar and lined up with old Pharaoh, old Neb would come down upon them like a ton of brick, tear down the walls, burn the city of Jerusalem, and wipe the population off the face of the earth. That was too pessimistic a prophecy for the princes and the petty potentates to countenance for a moment. "Treason! Treason!" they cried and had old Parson Jeremiah arrested and thrown into prison.

The prison was a deep, dark dungeon, or pit, a sort of old cistern dug out under the palace or maybe in the King's back yard. It had no usable water in it but in the bottom of it was a lot of old filthy slush and mud, possibly several feet deep. Of course when the brave but helpless old Jeremiah was cast down into that dungeon, he just sunk down into the mire.

Ebed-melech the Ethiopian—or old servant as we would say—knew just what was happening, and his sympathetic old heart burned with indignation. The more he thought about it the madder he got. He was just a poor Negro servant and the "gentlemen" who had caused Jeremiah to be lowered into that filthy place were the "big bugs," the elite, the aristocrats, the ambitious self-appointed political bosses of the city, and he knew that if he offended them he might be thrown into that dungeon himself with old Jeremiah. But something had to be done, and done quick; so he hurried down to the city gates to see King Zedekiah, who was spending most of his time there, pursuing a policy, it seems, of watchful waiting.

Ebed-melech didn't even stop to get his breath. He commenced telling the King about Jeremiah's plight. "Dem old Princes has just put him down in dat dark hole to die; and sho-nuff he is going to die. Dey ain't no more bread in town, and we can't get none, and Massa Jeremiah is bound to starve to death." His eyes were flashing anger and the tears were rolling down his cheeks; and old King Zedekiah

heard his cry and his prayer. "Ebed," he said, "you go and get thirty men to help you and you draw that good old preacher up out of that well and hide him there in the court of the palace."

Ebed-melech did as he was directed, and he went into the King's old clothes closet and got some old rotten rags and old-cast-off clothes and some strong cords and he and his thirty helpers let this equipment down to Jeremiah who placed the old clothes and the rags under his armpits, that the cords would not be painful, and with the cords the men drew the prophet up out of the pit.

In due course of time King Nebuchadnezzar did come with his mighty army and took the city. Zedekiah and the princes fled from the city but the hosts of Nebuchadnezzar pursued and captured them. They slew the princes and the sons of Zedekiah. They permitted Zedekiah to live but put out his eyes. Jeremiah and Ebed-melech they protected and saved, conveying Jeremiah to his home. Ebed-melech lived on with the satisfaction that he had done the right thing, and we guess that he enjoyed from that day on out to the end his inalienable right to life, liberty and the pursuit of happiness.

UP TO \$9.32 EACH FOR YOUR OLD TIRES

FOR CHEVROLET, FORD, AND PLYMOUTH (larger cars proportionately more on WSW Royal Master)

COMPARE THESE ADVANTAGES WITH ANY OTHER TIRES YOU HAVE EVER USED

1. The tires that perform with more air and less air pressure.
2. The only tires of low air pressure with especially designed tread for easier steering.
3. The tires that absorb the road they travel on.
4. The tires that fully cushion every shock and road strain.
5. The tires that radically influenced modern automotive engineering.
6. The tires that have been copied and imitated but neither equalled or duplicated.
7. The tires without any excess rubber—run cooler and, therefore, wear much longer.
8. The tires that make old cars feel like new.
9. The tires that outsell because they deserve to outsell.
10. The tires that pay for themselves in pleasure, protection and long wear.
11. FIRST CHOICE FOR THE FINEST OF THE NEW CARS.
