Softball League Play Goes Into Final Play-Off

White Auto and the St. Paul's Lutheran Church teams will battle it out in the best three out of five games during the next two weeks for the Lynn County Softball League championship.

A month ago, it looked like New Home and Wilson in the finals, but White's put on a late up-hill drive to get in the play-off, then defeated New Home 13 to 7 Friday night, and 7 to 4 Tuesday night to gain the finals with the Wilson team, which had won out over Grassland.

Due to various conflicts, the play-off series will not get under way until next Wednesday night. The second game will be on August 26, the third on Aug. 30, the fourth on Sept. 2, and the fifth, if necessary, on a date yet to be set.

Clint Walker, secretary of the Chamber of Commerce and of the League, announces that a team trophy and individual awards have been bought for the winners and runners-up.

Baseball Team Loses to Slaton

Slaton defeated Tahoka 13 to 10 in a close Oil Belt League baseball game here Sunday afternoon before a small crowd.

Eight errors, six of them in the first inning cost Tahoka the ball game.

Jake Jacobs, in the absence of Robert Harvick, who had joined the Lubbock Hubbers on a five-day look, pitched the first game of his career, and turned in a nice performance. Ince and French pitched for Slaton.

Denver City is scheduled to come here Sunday for a double-header but Manager Dale Thuren is considering either moving the game to Denver City or forfeiting due to lack of sufficient support to pay game expenses.

The line scores:
Slaton 402 000 070—13 15 0
Tahoka 210 300 310—10 10 8

Grand Jury Will Meet Aug. 29th

Fifteen citizens of Lynn county have been summoned to appear in the district court here at 10 o'clock on Monday morning, Aug. 29, from which a grand jury may be selected to serve for the succeeding six months, according to District Clerk W. S. Taylor.

A number of alleged felony offenses will be presented to this grand jury when it is duly empaneled, for investigation.

The list of prospective grand jurors who have been summoned is as follows. Twelve men are to be selected: Bertice Askew, Dick Franklin, Levi Gray, Price Seely, Leroy Davis, Clay Bennett, H. W. Carter, John Slover, W. L. Rowe, Graham Hensley, Wayman Smith, J. E. Crooks, R. L. Hagler, J. F. Rogers Jr., Roy L. Williams.

Congratulations:

Mr. and Mrs. M. J. Huffaker on the birth of a daughter weighing 9 pounds and 6 ounces at 11:19 a. m. August 1 in Lubbock Memorial Hospital. She has been named Chloe Jan.

Mr. and Mrs. Bobby Ray Pennington on the birth of a 7 lb. 8 oz. boy at 5:33 p. m. Aug. 15 in Tahoka Hospital. Name, Roger Dale.

Mr. and Mrs. Glenn Beasley are the parents of an 8 lb. girl, named Cornelia Madeline, born Aug. 17.

Mr. and Mrs. Curtis McGuire are parents of a girl weighing 6 lbs. 13 oz., born August 18. She has been named Linda Inez.

Mr. and Mrs. Price Richey and baby Novell of Lamesa spent the week-end with her parents, Mr. and Mrs. Samie Norwood of the Redwine community.

Garnolia Will Vote On Tax Increase

They are having an election over in the Garnolia school district Saturday to determine whether or not the school tax rate shall be raised from \$1.00 to \$1.50 per \$100 property valuations for maintenance purposes.

Garnolia is a county line district, lying partly in Garza county and partly in Lynn county but comes wholly under the jurisdiction of Garza county. We are calling attention to the election for the benefit of those voters in that district who live in Lynn county.

Many school districts in this area and presumably throughout Texas are holding such elections this summer.

Jaycee Head Is Tahoka Visitor

E. M. Kirkpatrick, Jr., state president of the Junior Chamber of Commerce, of Baytown, and Jim St. Clair, state vice-president, of Levelland, were speakers at an informal luncheon in the Club Cafe here Tuesday noon of Tahoka Jaycee officers and committee chairmen.

The visitors spoke on the aims and projects of the state organization, and extended an invitation to all local Jaycees and their wives to attend a bi-regional convention in Plainview beginning at 3 p. m. Saturday afternoon and closing at noon Sunday.

Local Jaycees at the luncheon were: Bill Wood, president; Dale Thuren, vice president; Chas. Reid, secretary; Bill Strange Jr., director; and Dr. F. E. Seale, Dr. W. A. Schaal, Dr. C. S. Thomas, Bruce Reid, Sam Garrard, R. W. Clem, Eldon Gattis, and Otis Winborn, committee chairmen.

Rev Holcomb Away In Revival Meeting

Rev. C. A. Holcomb, pastor of the Tahoka Methodist Church, is in Morton this week conducting revival services in the Methodist Church there.

Although the services will continue through next week and the following Sunday, he will be in his pulpit here next Sunday morning. A layman from Slaton, C. L. Holloman, will fill the pulpit Sunday night.

On last Sunday, on account of the absence of the pastor, members of the Gideon Band of Lubbock spoke at the 11 o'clock service.

Rev. Ben Hardy of Tahoka preached Sunday night.

P. P. BREWER, O'DONNELL, IS SERIOUSLY ILL

Mrs. Andy Anderson reports that her father, P. P. Brewer of O'Donnell, had been seriously ill but on Tuesday was showing much improvement. He is 83 years old and has been a citizen of this county for many years.

On last Sunday he and Mrs. Brewer would have celebrated their 60th wedding anniversary had he not been seriously sick at the time. A few friends called and left gifts notwithstanding his illness.

ANDERSONS MOVING TO BROWNFIELD SOON

Mrs. Andy Anderson came into the News office Tuesday to place their home on the market, stating that they are preparing to move to Brownfield.

Mr. Anderson, who had owned a half interest in the Handy-Andy grocery store over there for some time, recently bought the other half interest, and so they are offering their home here for sale with the intention of making their home in the Terry county capital.

MARTIN RECEIVES DEGREE AT TEXAS UNIVERSITY

Austin, August 18.—Lemuel Leo Martin of Tahoka will receive the Bachelor of Science degree at the end of the summer term August 27 of the University of Texas School of Pharmacy.

There are 110 Seniors in the class of this branch of the University.

Louise Massey, nationally famous star of radio, stage and screen, who will make a personal appearance at the Rose Theatre in Tahoka next Sunday.

Louise Massey Will Play In Tahoka

Louise Massey, the glamour section of the popular "Louise Massey and the Westerners" radio program is to make a personal appearance on the stage of the Tahoka Rose Theatre Sunday, Aug. 21.

This will be one of her first personal appearances in Texas, most of her personal appearances having been in New York and Canada.

Miss Massey was born in Texas and reared in the Ruidoso-Hondo Valley of New Mexico. In 1928, she got her first chance to prove her singing ability in a tour of the United States and Canada, following which she landed in Kansas City, where she played radio shows and night clubs for five years and studied at the Kansas City Conservatory of Music.

From there, she went to Chicago, (Con'd. On Back Page)

BLACK CATS WILL PLAY SHALLOWWATER SUNDAY

John L. Martin reports that his Tahoka Black Cats baseball club will play Shallowater Blue Sox here Sunday at 3 p. m., on the Colored boys' diamond. "We would like for everyone to come and see the Black Cats play to win," he says.

Last Sunday, the Black Cats lost to the Brownfield Bombers 13 to 12. Martin was the losing pitcher, and Polly the winning pitcher.

County, City, School Officials Are Warned on New Publications Law

Texas now has a Mandatory Publication Law. Senate Bill 375 was signed by the Governor on June 8 and became effective immediately. The bill was written by the Attorney General's Office at the request of Senator James E. Taylor of Kerens, under the direction of the TPA Legislative Committee. It was sponsored in the upper house by Senator Taylor and in the lower house by Rep. Phillip Willis of Kaufman.

Provisions of the bill specify that all public officers of the State, Counties, Cities and School Districts who are required by law to publish legal notices or financial statements, make such publication, or pay the penalty set forth in the new law. No statutes already on the book are changed in any way. The Mandatory Publication Law merely puts a penalty upon failure of public officers to comply with laws already passed by the Legislature of Texas. Its primary purpose is to protect

Two Cars Wrecked Here Wednesday

Two good cars were pretty badly smashed up and two drivers suffered severe shock but no serious injuries when their vehicle side-swiped on the highway at the Herring residence just a few minutes before 12 o'clock noon Wednesday.

Truett Smith and his son Gordon were coming south on the highway in his Dodge and George Reid, mail carrier, was going north on his rural route delivering the mail at the farm houses. Herring's mail box is on the opposite side of the highway from his house, but Reid had a package to deliver at the Herring residence and was going across the highway to deliver it. The two cars side-swiped causing the smash-up.

Both Smith and Reid sustained severe shocks and bruises, as did Gordon Smith also, but it was believed that no bone were broken.

B. M. Miles, Wilson, Dies Suddenly

B. M. Miles, 42, service station operator, died very suddenly and unexpectedly shortly after 7:00 o'clock Wednesday morning at his home in Wilson.

Awaking before six o'clock, he complained of an intense pain in his body. His wife thought he was suffering from acute indigestion, and her mother, who was living with the family, suggested that she send for a physician immediately. She did so, calling a Slaton doctor, and he hurried down to Wilson. But there was little he could do for the patient, who died a few minutes after the doctor's arrival.

Funeral services were conducted at 3:30 o'clock Thursday afternoon at the Wilson Baptist Church, of which Mr. Miles was a member. Rev. E. V. Brooks, the pastor, officiating. The body was laid to rest in the Wilson cemetery.

Survivors include the wife and two sons, B. M. Miles of New Home and Charles Miles, unmarried, who still lived with his parents; together with two or three brothers and sisters living in other parts of the state.

Mr. Miles was reputed to be a man of fine character and was highly respected by his neighbors and friends. The widow and sons have the sincere sympathy of a wide circle of friends.

SMALL CROWD AT BROTHERHOOD

Less than a dozen members of the local Brotherhood were present last Monday night, but Dr. K. R. Durham presented an interesting program, motion picture reels of the boys in action at a recent meeting of Intermediate boys at the Baptist encampment near Floydada and the movements of the crowd that attended the dedication of the Baptist parsonage here a few weeks ago.

Pioneer of the "Old West" Visits Here

Jim Parker of Odessa, passing through Tahoka Tuesday, stopped here briefly to visit with his longtime friends Judge and Mrs. Tom Garrard. Dressed in cowboy garb, he really looked the part, no drug store camouflage about it.

And then Judge Garrard gave us the down-down on his visitor. The two had been cowboys together 41 years ago. Parker commenced acquiring ranch land and has kept it up through the years until now he owns a measly 42,000 acres, most of which has been ruined by having oil wells punched all over it. So, now, nobody knows how much Jim Parker is worth.

Announce 1949 Cotton Loan Rate

Lynn county farmers will be eligible for a loan of 29.14 cents per pound of middling 15/16 inches cotton on their 1949 crop. This information was released by Clint Walker, secretary of the Lynn County A.C.A.

This is slightly less than in 1948, the rate for last year being 30.46 cents per pound. This represents the base loan rate on warehouse-stored cotton in this county. Only those clerks approved by the county A.C.A. committee will be eligible to write loan papers.

43 Boys Are Out For Football Team

Forty-three boys reported Monday of this week for the Tahoka Bulldog football training camp being conducted on the local gridiron.

Coach Jim Foust will take the boys on August 26 to Fort Stockton for a week of intensive training.

Most of the boys reporting for training are inexperienced and small, but indications are that Tahoka will field a pretty fair ball team this fall.

Eastland Reunion Is Next Sunday

D. C. Davis, president, and W. S. Anglin of Lubbock, secretary, of the Eastland County Association, announce that the annual reunion of former residents of Eastland county will be held next Sunday, August 21, in Mackenzie State Park in Lubbock.

There will probably be some kind of program in the morning and another in the afternoon.

All former Eastland countians now residing in this area are urged to be present, taking with them basket lunches.

LAMESANS GIVE METHODIST FELLOWSHIP PROGRAM

A group of four Lamesa Methodists, Richard Crawley, Earlee Pirtle, and Mr. and Mrs. H. B. Miller, gave a musical program at the meeting of the local Fellowship Club at the Methodist Church here Monday night.

Forty-three persons were in attendance, and the program was reported to be a real treat.

A. M. Bray is president of the organization.

REPORT OF SERVICES AT DRAW METHODIST

The News received on Thursday morning a report of the recent revival meeting held in the Draw Methodist Church and of other services, which we can give now in only condensed form.

Rev. Thurston of Brownfield did the preaching. Results up to last Sunday were nine additions to the Church.

The pastor, Rev. John W. Hawkins, will be away next Sunday, and Rev. John Sewell, son of Mr. and Mrs. A. Z. Sewell, will preach for him.

Brother Hawkins will be back in his pulpit Sunday, August 28.

Mrs. Bill Woods, the former Miss Tommy Chandler, underwent an emergency appendectomy Aug. 10. Dr. Prohl operating.

School Election This Saturday On Tax Proposal

The recent school election in which the Midway School District was consolidated with the Tahoka district has made it necessary for another election to be held now for assumption by the entire consolidated district of the payment of outstanding bonds previously issued by each of the two districts entering into this latest consolidation.

The election is also for the purpose of fixing the tax rate at \$1.90 per \$100.00 of property valuations. Midway has had a \$1.00 rate, Tahoka has a \$1.50 rate, of which only \$1.25 is being used.

Superintendent Vernon Brewer explains that under the new Foundation program there can be no reduction of the tax rate for two years.

The election Saturday will be held in the courthouse, where all the legal voters in the new consolidated Tahoka Independent district may vote. Mr. Brewer and the board of trustees urge that the people turn out and vote next Saturday. The privilege of voting is one of the important functions of a citizen, and for that reason, both men and women who are or should be interested in good schools should vote at every opportunity, whether any real issues are involved or not.

Of course it is presumed that nearly every citizen will vote for the assumption of the bonds and the fixing of the tax rate for the new consolidated district, as every voter in each of the two districts who went to the polls in the recent consolidation election voted for consolidation.

Donkey Softball Game Tuesday

A donkey softball game will be played Tuesday night at 8:00 under sponsorship of Tahoka Chamber of Commerce on the Jaycee field in South Tahoka.

The Tahoka Black Cats baseball team will attempt to prove their superiority to the Mexican Blue Sox aboard bucking burrows in a game that should be full of fun, thrills, and spills.

The game is staged to raise funds to finance the summer softball program which comes to an end next week. Admission fees of fifty and twenty-five cents will be charged.

Frank Larkin Buys Co-op Locker Plant

Frank Larkin of Larkin Appliance announces this week that he has bought the business and equipment of the Plains Co-op Locker Plant, which for several years has occupied the Larkin building at the southwest corner of the square.

Frank is completely remodeling the interior of the building and cutting connecting arch between his appliance store and the locker plant lobby.

Mr. J. S. Hill, who has been the locker plant manager for two or three years, will remain with him in the business. Besides operating cold storage lockers, the firm will continue to buy cream.

Dr. Seale Gives Rotary Program

Dr. and Mrs. F. E. Seale presented an interesting and educational program at Thursday Rotary Club luncheon, the Doctor speaking on cancer, and Mrs. Seale showing a short sound movie on the same subject. Lum Haney was in charge of the program.

Sheriff "Slick" Clem was a guest and he issued an invitation for the Rotary Club members to visit the Lynn county Jail and view its deplorable condition.

Jan Ann Woods, year old daughter of Mr. and Mrs. Bill Woods, had her tonsils removed Wednesday of last week.

Thelma Romines had her tonsils removed Wednesday, Aug. 17.

FACTS ABOUT THE -

Texas Veterans Land Program

The question and answers reproduced in this Newspaper, were taken from a pamphlet received from Bascom Giles, who received several thousand letters, therefrom taking the following questions.

How To Buy Land

Q. After I have selected the tract of land I wish to buy, what is the next step?

A. Get all the necessary service-record papers together, secure an agreement from the owner to sell at a stipulated price, fill out the forms supplied you by the Veterans' Land Board, and make formal application.

Q. Who will provide me the necessary forms for filing a loan application?

A. Write the Veterans' Land Board, Bascom Giles, chairman, General Land Office, Austin, Texas, and request them.

Q. Must I come to Austin to file my application?

A. No. Registered Mail is a very safe method of application.

Q. Will I have to pay any fees?

A. The Board requires that the cost of examining the title shall be borne by the purchaser, but that this fee shall not exceed \$50.00.

Q. How much money will the board loan a veteran?

A. The Board will make a maximum loan of \$7,125.00 after down-payment has been made.

Q. Do I purchase land from the owner?

A. No. You secure a commitment from the owner to sell to the Veterans' Land Board. The Board will purchase the land from the owner, then re-sell it to you at the same price. Actually, you make purchase from the Veterans' Land Board.

How To Pay For Land

Q. How much down-payment will I have to make?

A. The Board requires a minimum down-payment of 5% of total purchase price. For example, on a tract costing \$7,500.00, a down-payment of \$375.00 will be required.

Q. When is this 5% to be paid?

A. It must accompany your application for purchase.

Q. If for any reason purchase is not completed, due to no fault of the veteran, what disposition is made of down-payment?

A. If loan is not approved, it will be refunded and veteran will be free to make another selection.

Q. Can I buy any type of land I wish?

A. Yes, as long as the price is reasonable and the land will yield an income.

Q. What must the land be suitable for?

A. It can be either agricultural, ranch, stock-farm, poultry farm, or almost anything that will yield a return on the investment.

Q. Do I have to buy only improved land?

A. You may purchase either improved or unimproved land.

Q. How much land can I buy?

A. No loan will be made by the Veterans Land Board on less than

twenty (20) acres. There is no limit on the maximum acreage except that the Board will not expend more than \$7,500.00.

Q. Can I buy a tract of land within a town or city?

A. If it contains twenty (20) acres or more.

Miss Fenton Honoree At Two Parties Here

A shower honoring Miss Mary Beth Fenton, bride-elect of Kenneth Turner, was given by Mrs. James Roberts and Mrs. Charles Verner on Tuesday, the 16th of August. Approximately a hundred guests called from 4 to 6 p. m. at the home of Mrs. Verner.

The table motif was done in yellow and white, the bride-elect's chosen colors.

The Portuguese hand embroidered linen cloth of a cupid design was adorned with silver appointments, and crystal candleabra held yellow roped candles. Yellow summer chrysanthemums and white fever few encircled the crystal punch bowl from which lemonade garnished with watermelon balls and mint leaves was served.

The wedding ceremony of Miss Fenton and Mr. Turner will take place in the garden of the bride-elect's parents, Mr. and Mrs. R. W. Fenton, Jr. at 7:00 o'clock in the evening on the 21st of August.

The couple will be at home in Tahoka.

MISS FENTON HONORED AT BRIDGE-BREAKFAST

Honoring Miss Macky Fenton, bride elect of Kenneth Turner, was a bridge-breakfast given Thursday, August 11, by Mrs. Jake Jacobs at 2001 North Third.

Mrs. R. W. Fenton, Jr., and Mrs. L. S. Turner were breakfast guests, along with Meses. O. C. Elliott, Clint Walker, Elwayne Nevill, James Roberts, Betty Wilson, Oscar Roberts, Eldon Carroll, Odelle King, Ferman Chapman, Skiles Thomas, Charles Stewart, Harley Henderson, Bill Strange Jr., and Misses Savannah Tunnell and Bitsy Haney.

The honoree was presented a hostess gift of a piece of her Sterling silverware. Mrs. Elwayne Nevill and Mrs. Clint Walker received high and second high prizes of wooden dinner and salad plates and in turn presented them to Miss Fenton.

The couple will be married on August 21 in the home of the bride's parents.

Lynn Countians At Bell County Reunion

Only a small number of Lynn county people who formerly lived in Bell county attended the Bell County Reunion in Mackenzie State Park in Lubbock last Sunday. Every one of them who did attend, however, greatly enjoyed the occasion. Former Bell countians were there from almost every town on the Plains from Tulla to Lamesa and from Floydada to the west line of the state. About 140 persons registered, but there will probably be twice that many present next year, as plans were laid for a more elaborate program and for necessary tables and chairs at the next meeting.

There are great flocks of Bell county people in Crosby and Floyd counties, and some in probably every county on the Plains.

E. I. Hill of Tahoka was reelected president of the association and H. M. Homesley of Lubbock was re-elected secretary.

Mr. and Mrs. Frank McGlaun Jr. and Mr. and Mrs. Dub Kenley and their little son Paul Douglas left Saturday for San Saba, expecting to spend their week's vacation there or in that vicinity. They went prepared to do some plain and fancy fishing.

HOUSE JOINT RESOLUTION NO. 6

Proposing an Amendment to Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

At other times, when called by the Governor, the Legislature shall convene in special session.

Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4/5) of the Membership of each House may determine shall be considered."

Sec. 3. The Amendment proposed herein, if ratified by the people, shall become effective January first, A.D. 1945.

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the second Tuesday in November, 1945, same being November 5, 1945, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relating to sessions of the Legislature and to compensation of its members."

"AGAINST the Constitutional Amendments relating to sessions of the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

SENATE JOINT RESOLUTION NO. 4

Proposing an Amendment to the Constitution of the State of Texas, by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof; and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors; provided that the qualification of no person shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of sex."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1945, at which all ballots shall have printed thereon:

"FOR the amendment to the State Constitution qualifying women as grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State the Governor shall issue his proclamation as required by law.

HOUSE JOINT RESOLUTION NO. 20

Proposing an Amendment to Article III of the Constitution of the State of Texas, by amending Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding to said Article a new Section to be designated as Section 24, reading as follows:

"Section 24. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law, and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1945, at which election all ballots shall have printed thereon (or in course using voting machines the said machines shall provide for) the following:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;" and

"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

GENITA NOWLIN HONORED ON 16TH BIRTHDAY

Mrs. C. B. Nowlin honored her daughter, Genita, with a party for her sixteenth birthday on Saturday night, Aug. 13. Games were played, gifts were displayed, and refreshments of birthday cake and punch were served to Joy Wilson and Geniece Renfro of Lubbock; Berniece and Juanelle Peek, Betty and Barbara Brown, Jack, James and Kenneth Huey of Acuff, Willie Neiman, Duane Williams, Clifton and Bobbie Clem, Don Dee Balch, L. W. Goad, Billy Frank Wilson, Dan Cowan, Carlton Davies, Mae Davis, Horace and Lou Ann Walker, Joan, Dale and Sue Fulford, Darrel and Sue Fletcher, Richard and LeRoy Adams and Carolyn Nowlin. Assisting Mrs. Nowlin with the serving were Mrs. L. N. Walker and Mrs. Bill Huey.

Mr. and Mrs. E. B. Gaither and daughter Wanda left Sunday morning for a visit at Clayton, New Mexico. Upon returning, they expect to start a trip down state, since Mr. Gaither has a two weeks vacation.

Tom Cloe brought to The News office Tuesday two of the largest Elberta peaches we have seen this year. He has two two-year old trees that are loaded down with fruit.

HOUSE JOINT RESOLUTION NO. 22

Proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct the election in the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been practicing law for at least four years in this State, or both combined, for four (4) years next preceding his election, who shall reside in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, and who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. The Judge shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary."

"The Legislature shall also provide for the holding of District Court when the judge thereof is absent, or is from any cause disabled or disqualified from presiding."

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under the present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 5, 1945, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law;" and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

HARRISES HAVE MANY EAST TEXAS GUESTS

Mr. and Mrs. W. M. Harris had as their guests from Monday until Friday last week two of his sisters, Mrs. W. H. Morgan of Naples, who operates a general store there, and Mrs. Ouida Milner of Gladewater, who is superintendent of the Gladewater elementary school; also Mrs. Earl Harris of Marietta, Cass county, who also operates a general store. She will be better remembered as Leonard Harris' mother, his father being the one brother of W. M. Harris who died suddenly when W. M. and wife together with Leonard and wife were in South Carolina three years ago.

All of these together with Mrs. W. M. Harris' sister, Mrs. Kelso, went to Lubbock one day to visit some long-time friends who used to live in Cass county, among them Mrs. Anna B. Douglas, an aunt of Douglas Finley of Tahoka. Quite a bunch of friends were there, some from Silverton, and Dr. and Mrs. Walter Shaddix of Lubbock. The only regrettable feature of it was that W. M. Harris was not there. All these people lived in Cass county several years ago and went to school together. Refreshments were served to about fifteen people; and some snap shots were taken of the bunch. All resolved not to wait so long for the next meeting.

The next day Mrs. Dr. Shaddix and Louis Max Ashburn, a nephew of Mr. Harris, came over to Tahoka and had dinner in the Harris home.

Ross Smith and family spent last week down in Kent county visiting relatives.

Pop Key underwent an operation in the Plains Clinic at Lubbock last week, but is recovering nicely.

The Bill Huey family of Acuff visited friends here Saturday night. Miss Bobby Joy Wilson of Lubbock spent the week end with Genita Nowlin.

Martha Goza had her tonsils removed Saturday at Brownfield hospital. She is improving nicely.

Sandra Lou, baby daughter of Mr. and Mrs. Melvin Newman, is still in Tahoka Hospital suffering

from a minor ailment, but will be home soon.

The Baptist revival begins Monday night, Aug. 22, with Bro. G. L. Hodges from Sugarland doing the preaching. Everyone is urged to attend these services.

Mrs. Sallie Godfrey visited her sister, Mrs. Dollie Freeman, in Crosbyton over the week end. Mrs. Freeman has been ill a long time, but she is much better now.

Tennie Williams of Grant City, Illinois, is visiting her brother, E.H. West, and family this week.

J. A. Godfrey entertained Buck

Fudlingim, Orville Ray Pfister, and Bob McAllister at his home with a slumber party Saturday night.

Mr. and Mrs. D. R. Headstream of Batesville, Arkansas, are here this week visiting his daughter, Mrs. Buel Draper. The Headstreams formerly lived over near Ropesville.

Mr. and Mrs. A. D. Schaffner, who have been living out about 11 miles west of Tahoka the past several years, recently removed to Lockney. They will be greatly missed in the West Point community.

Boyd Describes Arkansas Beauty

(By Grady Boyd, Wilson)

I will continue my story by describing Eureka Springs, Arkansas, which is located in the very heart of the Ozark mountains.

The road winds around the mountains and sometimes up and down them, making many steep places to ascend and descend, but this gave us several different viewpoints from where we could observe the scenery. As we wound around this road we noticed that it, had rained a great deal and all the trees on the mountains were green and beautiful. The clouds were heavy and every few seconds the sun would break through to give an entirely different scene. It was very much like a movie to watch the clouds continually shifting all the way through this drive.

These mountains are not towering giants like the Rockies; neither is there a tree line on them because they are not very high, but often you make a turn in the road that leaves you looking down several hundred feet and here is where you get an unusually good view of the valley below. In some places the valley is narrow and there is no land to farm. But there is one very large valley near Eureka Springs that, when you get above it, you can look down and see the tiny farm patches, garden spots, orchards, vineyards, and other small crops. I went with a rural mail carrier two or three times and he told me that many times he was so overcome with the beauty of these mountains and this valley that he would stop his car and get out to feast his eyes upon it as though he had never seen it before. But, just around the curve there was an even greater view awaiting him; so, you never get tired of looking at these mountains and valleys that are continually shifting scenes at each curve in the road or in every movement of the clouds.

The town does not have a very large population but is badly scattered on account of being built on a mountainside. I suppose that it is the most unique place to be found anywhere in the U.S.A. because of the way the streets run and the arrangement of the buildings. The entrance from the gate-

Lawrence Harick had his tonsils removed Thursday of last week.

way is on the west side and is located on top of the hill from where you descend to the beautiful little city below.

The hilltop over-looking the town below was once a small settlement that grew up about a Baptist college but was sold to a Dr. Baker for his cancer hospital. This is the highest point near the town and gives one the most beautiful views of all. This settlement has two or three tourist courts, the city water tower, about three stores and a filling station, which makes it a very desirable location for tourists, since it is always cool on the mountain top.

In telling about the streets, it would be safer to say that there are no streets but just a lot of winding paths over and around the hill that will lead you exactly nowhere, anywhere, or some place that you do not want to go. For a

while I followed the road around this mountain to town that was about two miles long, but later, I discovered that I could come straight up the hill in one place that was only about one-half of a mile in distance. Several times I ventured out to explore the city by some unfamiliar avenue and nearly every time I would wind up at the same spot from where I had started. One day I decided to try a new street, and I soon found myself on an old abandoned road because it was too dangerous to travel. On one side of the car I could touch the ground, and on the other side I was looking straight down a rock wall about twenty-five or thirty feet. The wall holding this road in place was cracked in many places, which made it extremely dangerous to travel. I could not back up or turn around and to go forward was dangerous, but I finally decided to

creep over the danger spot. To my great astonishment, when I got back on another street, I found that it was the same place where I had entered that crazy U street.

Joan Henderson Seeing New York

Miss Joan Henderson, daughter of Mr. and Mrs. Harley Henderson, who this summer is serving as a counselor in a Girl Scout camp in New York state, writes her parents that she is having many wonderful experiences.

Parents of one of her girls gave her tickets to the Paramount in New York City and have invited her to spend a few days with them when the camp closes the end of this month.

She and her chum spent last week end in the big city, "walked all over 42nd Street, 5th Avenue, 7th Avenue, and 50th and 51st Streets," visited Central Park, saw and heard Al Jolson in person at a

theatre, visited the Astor and the Waldorf-Astoria Hotels, and saw President Truman, accompanied by guards and police, pass down the street.

Last week, Joan and her group of girls were entertained on the estate of Dorothy Field (writer of "Mexican Hayride" and "Annie Get Your Gun") spent the night there, took a dip in her swimming pool, and toured the mansion and the grounds.

Naturally, her experiences at the camp are interesting and educational to a young lady from the wide open spaces of the Southwest.

Mrs. Willa Wakeland of the Willson post office force is taking her vacation and spending the week with her daughter in Austin.

REESE SONS VISIT HERE

Martin Sylvester Reese, professor of journalism in Southern Methodist University, and Ernest Carra Reese, who is employed by an airway transportation company at Dallas, and the latter's wife and baby, visited their parents, Mr. and Mrs. J. L. Reese here Sunday and Monday morning. They were called by the serious illness of their father, who suffered the most severe attack of heart trouble on Saturday night that he has yet had. Taken to the Tahoka hospital following the attack, he has been improving since and was able to be returned to his home Thursday.

NOLENS VISIT CALIFORNIA

Mr. and Mrs. Fred Nolen arrived back home on Wednesday of last week after visiting his brothers, Walker and Y. T. Nolen and the latter's wife, who live at Bakersfield, California.

They also stopped and took a look at the Grand Canyon and the Boulder Dam. Mrs. Nolen says the canyon is the biggest gash in the earth she ever saw, and the water in Boulder Lake was more than 500 feet deep, a pretty good-sized swimming pool.

ENTERTAINMENT AT MIDWAY TONIGHT

There will be a community entertainment at the Midway school house on Friday night, August 19, and a good time is in store for all ages.

Everyone is cordially invited.

Much more light may have been shed upon the "freezers" scandal than this paper goes into the mails than is apparent now, and any comment made the first of the week may have been out-moded by the end of the week, but this is the way it looks to us now.

Full light on the matter will doubtless reveal that somebody, crudely or shrewdly, was attempting to "practice influence" on somebody in position to grant official favors. Most, if not all, of the recipients of freezers as gifts were, in our opinion, perfectly innocent. It is inconceivable, for instance, that the wife of the President, or a Justice of the Supreme Court could be corruptly influenced by so puny a gift.

Some private individuals, however, having axes to grind, imagine that every person in office, can be influenced by means of gifts of

things of value and by other kindnesses done them. They thus do favors to those in office hoping later to receive favors.

We have no idea what kind of favors the donors of these gifts expected to receive in return; but that man Vaughn who assumed responsibility for the whole affair, in our opinion, deserves the contempt of the nation. He is evidently attempting to shield or excuse some one else, hence attempts to prevent further investigation by attempting to "plead guilty" of committing an act which he claims was perfectly innocent.

Guys like that should not be allowed to "get away with it."

Something has got to be done and sooner or later will be done with these drunken drivers. In spite of heavy fines often assessed by the courts, they just keep on taking their toll of life week after week. Last week-end one of them hit a shining mark. Margaret Mitchell, famous writer and author of "Gone With The Wind," that everybody was talking about and many were reading a few years ago. Police reported that she was slammed to the pavement and dragged 15 feet by a car driven by a drunk man. She was critically injured. Thousands of telephone calls and telegrams came in making inquiry about her condition. It were better for a drunk man that a milestone be tied about his neck and that he be cast into the sea than that one noble woman or one innocent child should be needlessly murdered by a criminal of that kind. Our opinion is that every man found driving a car on the streets or highways in a drunken condition should be locked up for a period of 40 days to six months following any such offense. Furthermore, he should be ostracized by respectable men and women until he gets on the water wagon for keeps.

Odds & Ends

(By E. I. The Elder)

This column wants to do just a little aching this week for the good of the town.

When Tahoka was much younger than it is now, it enjoyed the reputation of being one of the cleanest and neatest little towns in all the West. Every morning she looked as if she had gotten up early, daintily rouged her lips, tinted her cheeks, and powdered her nose. There was not a touse in her hair—only pretty curls. Tourists complimented her and the home folks were proud of her.

Do you hear tourists praising her beauty now? Not often. There is too much rubbish along the highways. Her hair is all tousled up and there are freckles on her face as big as dishpans. Worse than that, her face is not clean. There are dirty spots all over it. Weeds have grown up on vacant lots and whole blocks like underbrush in a wilderness.

Another ache. We have lost something of our pride in our public buildings, particularly our court house. Just walk into the rest rooms over there, particularly the men's room, at almost any hour of any day, and you will immediately see what I am talking about. We are not criticizing the janitor in particular. He is doing as well as others who have gone before him—except one other. Tom Higgins, who kept the courthouse fifteen and twenty years ago, was the best courthouse janitor we ever saw. He kept the floors and walls almost as clean as a woman's parlor. He used very emphatic—we might say terrific—language on occasion, but he got the job done. Woe to any man whom he caught writing upon or defacing the walls. We merely cite him as a shining example.

Neither are we criticizing the commissioners' court. They have many grave and provoking problems to be-devil them, and possibly do not give much attention to the rest rooms. This is just a hint to them as to what decent men are thinking and saying about the manner in which our rest rooms are kept.

We believe, however, in giving credit to whom credit is due. While we do not often have occasion to take a look-in on the public school rest rooms, we do know that J. W. Jaquess, years ago, was so proud of the high school building, from top to bottom, in and out, that for years after it was finished—not a mark or a defacement of any kind could be found on it. So far as we know the present caretakers are doing an excellent job. The building interiors are being refinished this summer at a great cost, and an effort should be made to keep them clean and beautiful.

However, the school campus has grown up in weeds, and is littered with rocks, cans, and broken glass. The grounds should be cleaned up and further landscaped.

Now, back to the general aspect

of the town. If our town is no longer pretty, what can be done about it. Well, we are not sure that very much can be done about it until a state law is passed or our constitution amended so as to give our city councils more power.

A city, or any incorporated town, ought to have the power and the means to keep itself clean and sanitary. It ought to have the power to regulate the places where junk yards may be operated within the city limits and to enact ordinances otherwise regulating them. It ought to have the power to require owners of vacant lots and blocks within the city to keep them clean and sanitary, or when necessary to clean them up itself and charge expense thereof as a lien upon the property. There are vacant lots in Tahoka that are a menace to traffic because of the bushes, tall weeds, and possibly other plants that have been allowed to grow up on them. Yes, there ought to be a law.

SENATE JOINT RESOLUTION NO. 8
Proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article III of the Constitution of the State of Texas be, and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section 45-d, reading as follows:
"Sec. 45-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:
"FOR The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;" and
"AGAINST The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;"
Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.
Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.
Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

25 YEARS... on the job

This month marks the 25th anniversary of the day we first went to work for the folks in the Panhandle-Plains-Pecos Valley area. We say "went to work" because that's exactly what we did.

Our job for the past quarter-century has been to keep pace with the great strides these folks—our customers—have made... agriculturally, industrially, commercially.

We've really enjoyed our work, and we're looking forward to many more pleasant years "on the job" for the area we serve.

Our 25th Anniversary

In the years to come... as in the past... it is our constant aim to keep pace with the ever-increasing power needs of the vast area we serve... to provide low-cost, dependable electric service for better living—electrically—for everyone.

Mrs. Pearl Callaway Tours Northwest

The News this week received a folder from Mrs. Pearl Callaway of Abilene which was mailed in Vancouver, B. C., Canada. She is on a tour of the great Northwest U. S. and Southwestern Canada. She had just visited the modern industrial town of Ocean Falls, Canada, where newsprint is manufactured.

The News is printed on Canadian newsprint, and the folders which she sent was of special interest to The News force. The News uses a ton of paper every eight to ten weeks.

A big newsprint mill is at Ocean Falls, located on Cousins Inlet adjacent to the Pacific. It cuts timber—hemlock, cedar, Douglas fir, balsam, and Sitka spruce—uses the most suitable logs for high grade lumber, and the remainder is manufactured into groundwood and chemical pulps, and thence converted into 145,000 tons of paper annually, of which 85,000 is newsprint. The town is located in a magnificent setting, where the lofty mountains and forests meet the sea, about halfway between Ketchikan, Alaska and Vancouver.

HOUSE JOINT RESOLUTION NO. 19
Proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:
"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provision of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:
"FOR THE Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people thereof."
"AGAINST THE Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people thereof."
Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.
Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation of said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 23
Proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the promulgation and publication thereof.

HOUSE JOINT RESOLUTION NO. 18
Proposing an amendment to the Constitution of the State of Texas by adding a new Section to be known as Section 48-b, authorizing the Legislature to provide for the establishment of health units, and authorizing a tax in support thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That the Constitution of the State of Texas be and the same is hereby amended, by adding a new Section to Article III of said Constitution to be designated Section 48-b, reading as follows:
"Section 48-b. The Legislature shall have the authority to provide for the organization of county-city health units and the operation thereof, and to authorize counties and cities to provide a tax of not to exceed twenty cents (20c) on the One Hundred Dollar (\$100) valuation of taxable property in counties and cities for the purpose of financing the said county-city health units; provided that no such tax shall be authorized except by a vote of the people residing in the city or county in which said tax shall apply. The foregoing tax shall be levied only on county valuations."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1949, at which election all ballots shall have written or printed thereon:
"FOR THE Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of county-city health units and to authorize counties and cities to vote a tax in support thereof," and

L. C. Keith Raises Huge Mushmelons

L. C. Keith, residing in south Tahoka, dropped by The News office one day recently and, after telling about the wonderful garden that he and Mrs. Keith had grown this year, led us to his car for a peep at an 18 pound mushmelon (mush-melons to ignorant Northerners who compile dictionaries) which was just one of many that had been produced in their garden, he stated.

Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental hardness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. While we are on the subject, we want to say that mushmelon is right, in spite of Mr. Webster. He prints it muskmelon up in the main drive in his big dictionary and puts "mushmelon" down in fine print and brands it dialectical or illiterate. But "mush" as a prefix to melon makes sense, and "musk" melon makes sense, and "musk" Otho Wood.

D. C. Davis Goes Hog Wild At Hogtown

Mr. and Mrs. D. C. Davis and their daughter Lou Ann spent last week-end down at Desdemona, their former home, better known as "Hogtown."

From all reports, D. C. went hog wild while attending a big reunion of some kind down there. He came back home talking about an "old maid" he used to know down in those parts, and he met her again at the reunion. He also told about meeting one of his boyhood chums who is now 93 years of age and who seems to be almost as active and agile as he was when he and D. C. were kids.

D. C. had some lucid moments while in that vicinity, however, and while in that condition went out to his old home place and recalled sweet memories. He also showed Travis the house in which he was born. They also met many old-time friends, and seriously the whole party had a wonderfully fine time.

Lawrence Sanford, who was critically ill for a few days, is still a patient in the Seale Clinic but is reported to be improving.

Support Prices For Cottonseed

The U. S. Department of Agriculture has announced that the Commodity Credit Corporation will initiate a program to support the price of 1949 crop cottonseed at levels to reflect 90 percent of the August 1 parity price, according to Clarence Church, chairman of the Lynn County Agricultural Conservation Committee.

The program will be designed, says Mr. Church, to give producers of cottonseed a minimum price protection similar to that already available to producers of other major oilseeds.

Farm income from cottonseed for the 1947 and 1948 crops amounted to approximately \$350,000,000 for each season. Prices received by farmers averaged \$85.90 per ton for the 1947 crop and \$67.40 per ton for the 1948 crop, as compared with current price range around \$35.00. On the basis of the cottonseed parity level for recent months, 90 percent of the August 1 parity price is expected to be in the neighborhood of \$50.00 a ton.

Details of the program, which will be based primarily upon the customary loan procedure in effect for other farm commodities, will be developed as soon as possible according to Mr. Church. Representatives of the State Production and Marketing Administration farmer committees from leading cotton producing states met with PMA officials in Washington July 28 to discuss and develop program details.

Louise Massey ...

(Cont'd. From Page 1) where she was to realize many dreams. She auditioned for the National Barn Dance, won the contract, and made "Mexican Rose" a hit song from coast to coast.

She signed a contract with the Columbia studios in New York City and recorded the song, "White Azaleas," that started her on the real road to fame. Then came her big chance—an offer to do the biggest show on the air, "Showboat."

Fame had arrived—her name in the lights on Broadway soon let the world know about Louise Massey, the girl from the West.

During the war, Louise played a request performance for President Roosevelt. She went into the movies and was presented the diamond-studded watch by the Radio Guide Court of Honor for making the most progress of anyone in the entertainment world in one year. After this year, Louise starred in the two radio shows, "Reveille Roundup" and "Plantation Party." During the war she did her job by singing in hospitals, benefit shows, and war bond drives.

After the war, Louise slowed down to try her hand at song writing. She wrote the song which rose to the top on the Hit Parade and made every juke box in the country, "My Adobe Hacienda."

After years of hard work, Louise returned to her valley and built her adobe hacienda, the home of her dreams.

(Cont'd. From Page 1) quired by law to publish legal notices or financial statements and who shall fail, refuse, or neglect to make such publications shall be guilty of nonfeasance of office and subject to forfeiture of salary for the month in which such failure occurs. Such officers shall be subject to removal from office upon wilful continuance of such neglect of duty.

"Section 2. Suits to enjoin or recover payment of salary and for removal from office under this law shall be instituted in the proper District Court by the County or District Attorney of the County in which the offending officer resides.

"Section 3. The fact that there is such flagrant violation of laws in regard to the publishing of legal notices and financial statements, by the public officials of this State and that there is no adequate law in this State governing same creates an emergency and an imperative public necessity requiring that the Constitutional Rule requiring bills to be read on three several days in each House be and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

Cottonseed, used mainly for oil and livestock feed, now has another use. It is a synthetic protein fiber, and can be blended with cotton, wool, rayon or nylon to give mixed fabrics more softness or elasticity.

Jaycees Thank Helpers of Club

The Jaycees have just finished one-half year as a new movement in Tahoka. We feel very proud of each and everything we have had part in.

We would like to extend our thanks to the Tahoka School for its cooperation in letting us stage many events in the local gym. Special thanks to Jim Foust, Vernon Brewer, Urban Brown, and Otis Spears for their help. To the Tahoka C. of C., the Rotary and Lions clubs, and anyone else who has helped us get started, we say many thanks!

With this new year, we hope we can count on these clubs, the schools, and each and every person in Lynn county to back the park project we have started. We want to see a swimming pool, tennis courts, small children's playground equipment, a large picnic area, for the summer of 1950.

This is a task to see if the people really want to give a living memorial to our heroes of the past war. This is not a project that will give any one person high glory, but a sincere job for everyone to back. This park will be called the Tahoka Memorial Park, and will honor every gold star veteran from this county. Anyone interested enough in this park can get full information from the Park chairman, Joe Bob Billman. A general layout will be printed in the near future in The Lynn County News.

We want to thank every man that was a member of the Jaycees this past year, and want you to know we are looking forward for your membership for another year. Anyone wanting to join will find plenty of fellows in town ready to sign you up.—Tahoka Jaycees.

Earl Billings, who was a patient in Tahoka Hospital over a month, went home Monday.

new **BEXEL SPECIAL FORMULA**
may do wonders for you.

Lots of people who have no diseases, no infections in their body, still cannot seem to toe the mark, cannot pull themselves out of a nervous, over-fatigued "out-on-your-feet" slump. Is this your trouble? Your condition may be due to the simple fact that you do not get enough B-vitamins and iron in your food. Of course, your condition may be due to some other cause, so it is wise to consult your doctor. But—mild Vitamin B and Iron deficiencies are the origin of your miseries, then Bexel Special Formula may do wonders for you! Everybody knows

the importance of B Vitamins. Everybody knows the importance of Iron in your diet to help your body maintain rich, red blood. Well, just one capsule of Bexel Special Formula a day (that's all you take) gives you not only the important B vitamins, but also 5 times the minimum daily requirement of Iron.

Bexel is a scientific product and is offered with a money-back guarantee. Take Bexel Special Formula for 7 days and if you don't feel definitely better, you may return the bottle—we will refund your money.
