Tahoka, Lynn County, Texas, Friday December 16, 1949

Number 11

Cold Weather Slows County's Cotton Ginning

The cold damp weather last week-end sent most of the Mexican cotton pullers in this county scurrying back to the south whence they came. As a result, cotton pulling has slowed down a bit this week but the gins have been kept just about as busy as usual, for all of them were behind and many farmers had gathered and piled many bales of un-ginned cotton in their fields.

Ginnings in Tahoka this season had climbed to a total of 23,625 bales up to 9:00 o'clock Thursday morning, which would indicate that 2,304 bales had been ginned since the preceding Thursday morning.

Up to noon or shortly thereafter on Tuesday of this week the three gins in Wilson had turned out a total of 12,064 bales, and on one of the gin yards there, the Farmers' Coop., 88 bales were waiting in trucks on the yard to be ginned. Many bales were waiting on the other two gin yards also. D. C. Newsum, manager of the Farmers' Co-op there, estimated that close to 15,000 bales will have been ginned there by the end of the season.

The News has no accurate statistics as to the number of bales ginned in the county up to this time but the County Agent Bill Griffin thinks that an estimate of 125,000 to 130,000 bales would not miss the mark far. Some have estimated the number at 135,000 or more.

Rotary's Free Picture Shows Prove Popular

The free Christmas picture show for Lynn county children which will be presented at the Rose Theatre Saturday morning, Dec. 24, is the tenth year the event has been staged by the Tahoka Rotary Club in cooperation with local theatres.

Since that time, several other Rotary clubs of the area have inaugurated the idea in their programs of community service. And Wallace Blankenship, owner of the Wallace Theatres has extended the free Christmas show to include all ten of the towns in which he operates theatres.

Grand Jury Held Session On Thursday

The Grand Jury was in session here Thursday but the News at the time of closing its forms was not advised as to any action it may have taken in any case. There were just a few matters, we understand, demanding its attention.

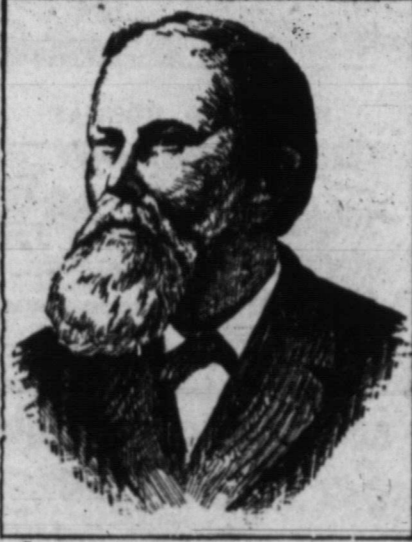

Revolution Is Taking Place Here In Harvesting of Big Cotton Crops

Somebody coined an old adage long ago that says that "Necessity is the Mother of Invention." It is true. Necessity has brought about the development of machinery that is at least a marvelous partial success in harvesting cotton.

There are many perils that a cotton farmer in this area must face during a cotton-growing and cotton harvesting season.

The soil here is wonderful, but droughts and high winds in the spring or heavy rains and hail storms a little later on makes the growing of an early crop almost impossible. He can never count on getting a crop up and really started to growing until cotton in other parts of Texas is up and far advanced.

Consequently harvesting rarely begins on a large scale before the first of October. Then, before the crop can be gathered the old hard way, by hand pick-

Mrs. George T. Veal (top) of Dallas, daughter of the late Colonel C. C. Slaughter (artist's drawing below), has contributed a dining hall to Wayland College, Plainview, ground breaking ceremonies for which were held Monday in memory of her famous father.

January 31 Closing Date Grain Loans

The closing date for accepting grain loans and purchase agreements on the 1949 grain crop is January 31, 1950, according to Clint Walker, Administrative Officer of the Lynn County PMA.

Baptist Cantata Sunday Night

A Christmas Cantata entitled "The Music of Christmas" by Ira B. Wilson will be presented by the choir of the First Baptist Church at 7:30 o'clock next Sunday night, December 18.

The choir will consist of about 25 voices, according to Rev. Sheldon Russell, the director, and a great musical feast is promised.

J. F. Millman suffered an attack of heart trouble a few days ago, according to a report given to the News, and has since been under the treatment of a physician.

4-H Club Boys Named Winners District Contest

Two Lynn county 4-H Club boys won places and cash awards in the District 2 4-H Club Poultry contests, according to information received by County Agent Bill Griffin from College Station.

Leroy Edwards of Tahoka, R. 1, a member of the Wilson 4-H Club, placed third in the district poultry contest, and was awarded \$32.00 in cash to be spent on poultry equipment.

Gilbert Steinhauser, of Rt. 2, Wilson, a member of the Wilson 4-H club also, placed eighth and received \$21.33 in cash to be used in improving his poultry program.

Judging was done by a district committee on the boys' annual poultry programs.

VFW Gives Aid To Afflicted

Tahoka Post 3905 Veterans of Foreign Wars is sponsoring a public service to the sick and afflicted of Lynn county according to Frank McGlaun Jr.

Hospital beds, crutches, and wheel chairs, he explains are purchased with proceeds to subscriptions to the Southwestern Crop and Stock magazine. This equipment is loaned free of charge to Lynn county citizens needing any of these articles. But please do not give any donations, he asks, to any representative of this magazine or any other magazine or agency, as donations are not being asked by the V. F. W. If any one solicits a donation for this organization, please contact promptly some resident member of the organization.

Also the Veterans of Foreign Wars are sponsoring a Blood Bank, Mr. McGlaun states. Any one needing blood or any one desiring a loan of any of this equipment may contact Frank McGlaun, Jr., at the County Tax Office, in the Courthouse.

Also, any one who has a hospital bed, crutches, or wheel chair which he desires to loan to the V. F. W. is requested to contact Mr. McGlaun or some other member of this organization.

Mr. McGlaun also states that blood donations are needed and would be appreciated.

Girl Scouts Decorate Big Christmas Tree

All troops of the Girl Scouts and the Boy Scouts are decorating a huge Christmas tree on the courthouse square under the direction of Mrs. Emil Prohl.

For a week, the Intermediate Girl Scouts have been making ornaments of aluminum which they and the Boy Scouts will hang on the tree.

This big tree has been beautifully lighted by the members of Chamber of Commerce.

All troops of the Boy Scouts and the Girl Scouts will help the different organizations of the town provide for the needy children of Tahoka.

The Intermediate Girl Scouts are sponsored by Mrs. Charles V. Nelms, Mrs. Wynne Collier, and Mrs. Emil Prohl.

Recently a Girl Scout Association was formed in Tahoka. If a sufficient number of Scouts join the organization, a charter will be granted this association.

Garland Pennington has been under medical treatment in the Tahoka Hospital since Sunday, having become ill the latter part of last week. He was reported Wednesday to be improving.

Rough preparation of cotton at the gin is costly to both the ginner and farmer. Cotton picked green or wet and taken directly to a gin not equipped to handle such cotton may be reduced in value from \$5 to \$35 per bale.

Christmas Lighting Prizes Announced

The Tahoka Chamber of Commerce will again offer cash prizes to the most attractively decorated homes and business houses during the Xmas season.

For the most attractive display among the residences the first prize will be \$15.00; second prize, \$10.00; and third prize \$5.00.

The awards to the business section will be the same: First prize, \$15.00; second prize, \$10.00 and third prize, \$5.00.

Judges of the contest will consist of three members of a ladies club in Tahoka.

Two Plead Guilty In County Court

There were two pleas of guilty entered in the county court here Monday morning one by a white man whose home is elsewhere but who is a temporary resident of the county, who was charged with the offense of unlawfully carrying a pistol; and one by a Mexican, who was charged with the possession of intoxicating liquor for the purpose of sale.

Each was fined \$250.00 and costs.

The Mexican was caught in O'Donnell Saturday night with a case of whiskey in his possession.

Rabbi Speaks To Rotarians

Rabbi Julian Kerman of the Lubbock Jewish Synagogue was the principal speaker at the Rotary luncheon here Thursday of last week.

The Rabbi just recently returned from an eight weeks' visit in Palestine, the world's newest nation set up by the Jewish race, with encouragement from the United States and England.

His very interesting talk was both informative and entertaining. He declares that the Jews, Arabs, Catholics, and Protestants within the area are congenial and are working out their problems to their mutual benefit. The principal squawking and trouble come from Arabs outside Palestine.

He cited the great progress that is being made in the old area of Biblical history, which many had believed was a worn out land, incapable of supporting its people. He says many modern buildings have been erected and electricity has come to the cities. Ingenuity and hard work is also showing results. By institution of modern irrigation methods, much land is now producing fruitful crops that was heretofore considered impossible of restoration. Desert and wasteland is being planted to cropland, and many fine orchards are growing again.

Next Tuesday, the Lorenzo boys A and B and girls teams will play here. The conference season opens on January 6 with Seagraves here.

Christmas Services Methodist Church

Rev. C. A. Holcomb Jr. announces the following series of services to be held at the Methodist Church this Christmas season.

Preaching Services next Sunday morning at 10:55.

Sunday School at 9:45.

Christmas Carol Candle-Light Services at 7:00 next Sunday evening.

Christmas Tree, Santa Claus, and Program Friday, December 23, at 7:00 p. m.

Christmas Day: Sunday School at 9:45 a. m. Preaching service at 10:45 a. m.

Christmas Communion from 7:00 to 8:00 p. m.

C. A. Holcomb Jr., Pastor.

Bulldog Letterman Name Omitted

Last week The News carried a news story furnished by the Tahoka schools concerning the 23 1949 Bulldog football players who will be awarded letters.

Somehow, the name of one boy was left off the list. He is Billy Bert Stevens, center and co-captain of the team. Billy Bert is lettering for his third straight year. He is a Senior and expects to graduate this spring.

Mrs. J. M. Scott, who underwent major surgery in West Texas Hospital on December 1, returned home Friday, where she is reported to be recovering nicely.

School "Cage" Team Showing Improvement

Tahoka High School's Bulldog basketball team this week end is playing in the annual Level-land tournament. They were to meet the powerful Brownfield Cubs in the first game Thursday night, and will play again on Friday night.

The Bulldogs have yet to win a game, but they are showing improvement in every game in the pre-conference warm-up schedule against some of the better teams of this area.

Monday night they lost a close scoring defensive battle to the Seminole Indians in a game played here 13 to 9. Each team's defense was too tough for the other to crack, and when they did break through, the boys had trouble finding the basket. Tahoka led 2 to 0 at the first quarter, were behind 4 to 5 at the half, and had evened the score at the three quarter mark, with the visitors scoring 4 points in the final quarter. The B team played the visitors a close game for three quarters also.

Tuesday night, the Bulldogs were hosts to Gano Tubb's classy Level-land team. Though the local boys played well, the visitors ran away with the game 57 to 19. Halameck was high point man for Tahoka with 8 points. The visitors won the B game 51 to 18.

The local boys, all of whom are Juniors, Sophomores and Freshmen, are inexperienced, no regulars being present from last year's team, and have had little and, in some cases, no previous basketball experience. The boys are a hustling bunch, and should be the basis for some good ball teams in the future.

In a team games, Coach Jacobs has used Lynn Carl Halameck, Don Brice, Ronnie Gurley, Jackie Slover, Morgan Howle, Bill Short, Wayne Tekel, James Foster, and Conrad Ratliff. On the B team he has been using some of these boys and also Richard Havens, Joe Brooks, Bennie Brookshire, Steve Slover, Charles Hyles, Richard Carter, James Uzzle, Charles Glen Jones, J. M. Freeman, Huffaker, and others.

Next Tuesday, the Lorenzo boys A and B and girls teams will play here. The conference season opens on January 6 with Seagraves here.

Garden Club Will Meet December 21

Because of change of plans the Tahoka Garden Club will meet on Wednesday, December 21 instead of Tuesday, December 20 as originally planned. The Club meets at the R. E. A. building, at 4:15 p. m. Membership is still open to ladies interested in becoming members, according to Mrs. L. C. Haney, President.

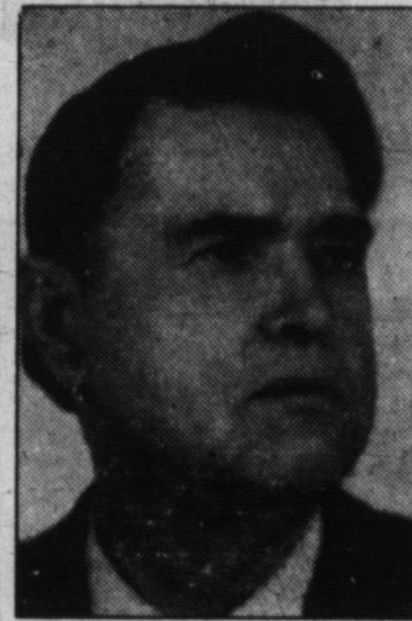

Christmas Greeting Edition Next Week

Next week The News will publish its annual Christmas Greeting Edition, in which most of the business firms will carry their messages of Christmas cheer to our readers.

An attempt has been made to contact everyone, but a few have been missed. Anyone wishing greetings in this issue is requested to call 35 not later than Monday.

Also, The News must ask all correspondents to get us their news a day or two earlier than usual.

This year's Greeting edition gives promise of being the largest and best The News has ever published.

C. H. Doak of O'Donnell, who died last week in California. The above "cut" was made a number of years ago, when Mr. Doak was one of outstanding leaders of this area.

Chas. H. Doak, County Pioneer, Died Thursday

Charles H. Doak, 76, Lynn county's first sheriff, and one of its leading citizens and boosters, died at 7:30 p. m. Thursday, December 8, at the home of his daughter, Mrs. Major Rodgers, in Vista California.

Funeral services were held in that city Saturday.

Mr. Doak came to Lynn county in 1901 or 1902, and when the county was organized in the spring of 1903 he was elected its first sheriff. He built the first substantial residence in the new little city of Tahoka, which was located on east First Street, the "depot street".

He engaged in the real estate business, and had a big hand in the development of the South Plains. When the Santa Fe built across the Plains from Sweetwater to Canyon City through Slaton, Lubbock, and Plainview, Mr. Doak became interested in a branch line that would come to Tahoka. He became associated with Ed Baldrige and a man by the name of O'Donnell from Chicago in the promotion of such a branch line. After working up the route, they interested the Santa Fe in building the line from Slaton to Tahoka and Lamesa, which was completed in 1910.

The railroad resulted in the establishment of Wilson and O'Donnell, with Messrs. Doak and O'Donnell promoting the development of the town which bears Mr. O'Donnell's name.

Mr. and Mrs. Doak moved to O'Donnell, and have called that their home ever since. While a citizen of that town, Mr. Doak continued to boost the Plains and deal in real estate. For a number of years he was mayor of that city, and also he served as president of the bank for a number of years.

For several years he had been in bad health, and two or three years ago went to live near his daughter in Vista, Calif.

He is survived by his wife; two daughters, Mrs. Morris Sanderson of Seagraves, and Mrs. Major Rodgers, mentioned above; two brothers, Ira S. Doak of Lubbock and T. S. Doak of Seminole; and one sister, Mrs. Z. E. Sample of Pharr.

Announcement has been made that Alton Fleming has bought the interest of his father, P. K. Fleming, in the Phillips Service Station at the highway intersection in Tahoka. The two have been associated in operating the business the past year.

The News has no announcement as to the elder Mr. Fleming's plans for the future. The two have been doing an excellent business and Alton solicits a continuation of the same.

Alton Fleming Buys Out Father

Mr. and Mrs. J. C. Gandy, on the birth of a daughter weighing 7 pounds and 11 ounces on Monday, November 21, in the Tahoka Hospital, who has been named Elma Denise.

Mr. and Mrs. McNabb, who are also the proud parents of a daughter born on Wednesday, December 14 in the Tahoka Hospital weighing 5 pounds and 14 ounces. She has been named Karen Lee.

Mr. and Mrs. R. A. Williams, to whom the Stork brought a son, Tuesday morning at 9:05 o'clock in the Seale Clinic. He was named Roger Dale.

To decorate the top of your fruit cake, place nuts and fruits on the top of the cake for the last 30 minutes of baking.

Tahoka FFA Chapter Conducting Teams Take Both District Awards

Tahoka Future Farmers of America Chapter conducting teams carried away top honors in the district contests held here Wednesday of last week.

Both Tahoka Senior and Junior teams placed first in their respective contests, according to V. P. Carter, local Vocational Agriculture teacher, and FFA sponsor. Other teams competing were: Brownfield, Wellman, Wilson, Plains, O'Donnell, Meadow, and New Home.

Both Tahoka teams will now compete in the Area contests to be held at Seymour on December 17th. Last year's Tahoka Senior team won the area contest, but lost in the State event.

Last week, Tahoka's Senior teams scored 923 points in taking first place, with Brownfield the nearest competitor with 755. The other places were: Wellman, third; Plains, fourth; O'Donnell, fifth; and Wilson, sixth.

Officers of the Senior FFA are: Dan Martin, president; Bland Draper, vice president; Dale Wilhoit, secretary; Glen Evans, reporter; Bill Short, treasurer; Wayne Martin, second vice president; Wiley Curry, third vice president; Parker Blair, sentinel; Wayne Tekel, historian; John Shepherd, parliamentarian; Conrad, Ratliff, delegate.

The Junior team was first with 930 points, and Brownfield was second with 790. Meadow placed third; New Home, fourth; and O'Donnell, fifth.

Tahoka Junior team officers are: Richard Carter, president; Richard Havens, vice president; John Curry, second vice president; Joe Brooks, third vice president; Charley Schulz, secretary; Harley Schulz, treasurer; T. D. Dunlap, reporter; Steve Slover, Sentinel; Charles Jones, historian; and Charles Hyles, parliamentarian.

Archaeologists believe that natives of the Philippines spent 2,000 years building the ancient Ifugao rice terraces; they cover 250 square miles high up on the mountainsides and are considered one of the wonders of the world.

American agriculture has never come out winner from wartime inflationary periods. It has been the same story after each war; prices paid farmers have gone down faster and lower and stayed longer than the prices for things the farmers had to buy.

Canadian Dam Project Is Making Progress

Information has been received from E. V. Spence, Canadian River Compact Commissioner for Texas, that Governor Allen Shivers has received a letter from Governor Thomas Mabry of New Mexico stating that he will immediately confer with the New Mexico Interstate Stream Commission and will name a Compact Commissioner for New Mexico in the near future, according to an announcement made by A. A. Meredith of Borger, Texas. Congressman Eugene Wray of Texas succeeded in passing a bill during the first session of the 81st Congress authorizing and directing the Governor of Texas, to appoint an Interstate Compact Commissioner on the South Canadian, Red and Sabine Rivers. The late Governor Beauford H. Jester appointed E. V. Spence of Austin, Texas, to this position, and he has entered upon his duties. It is understood that the Oklahoma Planning and Resources Board is authorized to act for that state.

According to Meredith, Chairman of the Compact Committee for the Panhandle Water Users Organization, who conferred with E. V. Spence at Austin, November 29, Spence plans to have a meeting of the Compact Commissioners and their technical help to plan future studies on the South Canadian River just as soon as Governor Mabry appoints the Commissioner for New Mexico.

At a recent meeting of the Executive Committee of Panhandle Water Users, a State Legislature and Water Compact Committee was appointed, consisting of the following: A. A. Meredith, Borger, Chairman; Ray Pritchett, Plainview; Lawrence Hagey, Amarillo; R. O. Stark, O'Donnell; E. O. Wedgeworth, Pampa; Preston Smith, Lubbock. The purpose of the Committee is to work with the Compact Commissioners and Representatives in the Legislature in formulation and approval of the tri-state water compact on the South Canadian River.

Wilson School Honor Roll

The following students of the Wilson Schools made the second six weeks honor roll by making an average grade of 90 percent or above:

- Seniors: Bessie Kindrick.
- Juniors: Thomas Mason.
- Sophomores: Joe Wayne Moore and Shirley Bartlett.
- Freshmen: Charlene Lackey and Evonne Preston.
- Eighth grade: Marvin Umlang, R. J. Bednarz, Barbara Montgomery, and Orta Ehlers.
- Seventh grade: Evelyn Gincant, Javan Schneider, and Don Evelyn Joines.
- Sixth grade: None.
- Fifth grade: Eunice Buxkemper, Dixie Hewlett, Mary Lou Lichey, Larry Maeker, Ida Pearl Mason, and Pa'sy Spears.
- Fourth grade: Martha Pair, Joyce Church, Phyllis Doggett, Jane Williams, Sue Tubbs, Wayman Templin, and J. L. King.
- Third grade: Barbara Crowson, Willie Pat Blakely, Elizabeth Parker, Sue Oats, Jimmy Blankenship, Ronnie White, Aubrey Klaus, Tommy Galneau, and Jeannette Schneider.

Second grade: Jerry Swope, Sue Campbell, and Linda Roper. First grade: Robert Marcom, Jeanette Buxkemper, and Gary Houchin.

Livestock numbers should be adjusted to fit the grazing capacity of the range and this should be based on the number and amount of good grasses present. Low producing and poor quality animals eat more than their share of the range vegetation. They should be replaced with quality livestock.

Not meats and a small amount of whipped cream combined with bits of jelly and whipped until light makes a delicious sauce for puddings and ice cream.

STATED MEETINGS of Tahoka Lodge No. 1641 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome. L. A. Forsythe, W. M. E. A. Hamilton, Sec'y.

Santa Claus Letters-

Dear Santa: I am a little freckled-face boy. I am eight years old. I'm not a good boy all the time. I sure would like to have two guns and holsters for Christmas. Could you please bring me these things. I have a little sister that wants a set of dishes. Thanks a lot. — Billy Dale Tomlinson.

Dear Santa: I am a little boy six years old.

I live at New Home. Will you please bring me an airgun, Doctor's kit, a wagon, and an electric train.

Please don't forget my little sisters, Nelda and Myrna. Your little friend, Ronnie Mac Botkin.

To store fruit cake—when stone cold, place in a crock or can with a few pieces of raw, unpeeled apple to help keep cake moist. Then cover tightly and keep in a cool place.

Former Tahokan Has Good Luck

The News was furnished a clipping this week from the Shreveport (Louisiana) Times of last Sunday relating a story of good luck that had just come to Mrs. Ralph Garrett of that city, a former resident of Tahoka and a sister of Leo Kennedy here, who with her husband and children, had removed from Tahoka to Shreveport in about 1942.

exceedingly bad luck before the piece of good luck showed up however. Three months ago the residents of the Garretts was totally destroyed by fire, as was practically all of the contents. They carried insurance on the house but none on the furniture. With the insurance on the house they had begun the construction of a new home, but they had no money with which to buy furniture and were using some borrowed from neighbors. But we will let the Shreveport Times tell the rest of the story.

"The Times, at the request of

neighbors," it states, "last Sunday issued an appeal for furniture to replace that lost by the Garrett family in the blaze.

"Mrs. Garrett, mother of five children, was declared the winner of one of the 11 Shelvador refrigerators given away Saturday by Shreveport and Bossier City dealers in the nation-wide \$2,000,000 Crosley contest. The new Shelvador will be the first electric refrigerator she has ever owned in 20 years of married life.

"When informed of her good fortune, Mrs. Garrett, who was helping her husband at the site of the new home they were constructing, was greatly surprised. 'I just can't believe it,' she repeated over and over; 'never won anything in my life; and I never could have won anything that I needed more.'

BAPTIST NOTES

The signing of pledges to meet the budget for the ensuing year was begun at the service Sunday morning at the First Baptist Church and by the close of the service that night there were 99 signatures. Many others are expected to sign by the close of next Sunday.

On Sunday evening, just before the preaching service, Frank McGlaun made a most interesting talk on India, giving much information as to the economic conditions, the social customs, and religious beliefs and practices of the people. He pictured the country as a very needy mission field.

On Monday, Rev. and Mrs. C. T. Aly attended the groundbreaking ceremonies for the construction of a commodious dining hall to be erected on the campus of Wayland College, the funds to be furnished by Mrs. Veal, a daughter of the late Col. C. C. Slaughter, who owned vast areas of West Texas ranch properties and who himself made large contributions to Baptist causes in this state.

There was a program in the morning, in the afternoon, and at night. Dr. and Mrs. K. R. Durham, Mr. and Mrs. Pat Hutchison and Mr. and Mrs. J. A. Biggestaff attended the sight program.

CARD OF THANKS

I take this means of thanking my friends and neighbors for the flowers and the cards and for the visits made while I was in the hospital. Also, I sincerely thank Dr. Prohl, Dr. Thomas and the nurses, and I do want to thank all the good people for their prayers. May God bless you all. —Mrs. J. L. Reese and J. L. Reese.

ESTHERIAN S. S. CLASS HAS CHRISTMAS PARTY

The Estherian Sunday School Class of the First Baptist Church met December 13 at 7:30 p. m. in the home of Mrs. Jennie Allen, teacher of the class, for its regular monthly business and social meeting.

Since there was no business to be attended to, a program was offered. Ann Uzzle read the Christmas story from the Bible and lead the class in singing

The lives of thousands of children could be saved every year if parents took the same precautions to prevent fires as are taken in most of our schools.

Lay Caliche On Road Between Slaton - Idalou

George Green, Commissioner for precinct 2 of Lubbock county, reported this week that considerable progress has been made on the construction of the farm to market road that will connect Slaton and Idalou by tying in with the farm to market road No. 400 which is now hard surfaced two miles North from the cemetery at Slaton.

When completed the new road will give an all winter hard surfaced road from Slaton to Idalou. And will also cut off about one mile distance. A new road will be built through the canyon which will tie into the roads now in use on both sides of the depression.

To date the road has been graded up from Idalou to the canyon and Commissioner Green said that if weather permits he expects it to have caliche on it by the first of the year. When this has been graded down it will be about all that can be done on the road until late spring as it cannot be hot topped until warm weather nor can the grading be done in the canyon on the part of the road that will be new construction until summer. The old road through the canyon will be still available for use while the new road is being built. When the caliche is put on the road from Idalou to the canyon it will be available although it is not usable until that is done.

"We consider that the work done so far has progressed very satisfactorily," said the Commissioner, "and we feel that when the road is completed it will be of considerable benefit to Slaton, as it will give a direct route from Plainview through Slaton to points in the South and will enable motorists to get off the heavily traveled roads that are becoming more congested daily. The new road will also attract more people who live Northeast of Slaton to come to Slaton to trade as it will give an all weather road to Slaton and will enable the farmers and people living in the Slaton territory to shop here much quicker than they can do so in Lubbock. We feel that the new farm to market road, when completed, will be a real convenience to this area." —Slaton Slatonite.

Prepare your fruit and nuts the day before making your fruit cake—the making of the fruit cake will be much easier.

Honest East Texan Visits In Tahoka

R. A. BuBose, who operates the Dubose Service Station at the highway intersection in Tahoka, does not doubt but that there are oodles and oodles of honest men over in deep East Texas but he knows that there is at least one.

And here is why. One day recently a tourist stopped at his place of business, bought and paid for some gasoline, and when he got ready to leave he bought a cold drink. Then he hopped in his car and was gone without paying for the refreshments.

Last week Dubose received

the following communication: "Hello—Did not really mean to spy you out of a dime for a drink and cheests on November 19 when I bought gasoline from you—just forgot."

"Enclosed is a dime. Sorry, C. J. Morton, Box 612, Overton, Texas."

All pork, regardless of the cuts should be cooked to the well-done stage. For the large cuts of pork such as hams, etc., one-half hour of cooking time per pound is a good allowance.

It is better poultry management to sell the extra pullets than to put them into an overcrowded house.

BESSIE BRASHEAR SUNDAY SCHOOL CLASS

Mrs. Clyde Jones, assisted by her little grand daughter, Betha Ann Cathcart, was hostess to our Christmas social. The meeting was opened with singing our Class song "Help Somebody Today," followed by a devotional given by Mrs. W. D. Smith and prayer by Mrs. Fenton. A short business session was held. Plans were made to get our Christmas box to the Methodist Orphanage mailed right away.

A delightful social was then enjoyed at which time gifts were exchanged and a "Holiday" refreshment plate was served to the thirty members present. —Reporter.

Mr. and Mrs. E. M. Server and their son-in-law and daughter, Mr. and Mrs. Gene Rowe and two children, who live at Rochester, Haskell county, were visitors of Judge and Mrs. P. D. Server and daughter, Mrs. Best,

on Friday and Saturday of last week. E. M. and P. D. Server are brothers.

Do your Christmas shopping with your home town merchants.

Merry Christmas

The season of glad cheer and good fellowship is with us once again—and everywhere we go we see as well as hear and feel this wonderful spirit! We see it in the gaily adorned shop windows... the colorfully lighted trees... and on the smiling faces of the people about us. We hear it in the well-wishing greetings of friend to friend... stranger to stranger... in the church bells resounding magnificently through our community. We feel it in our every activity—be it home or business. And we extend it also in our own sincere heartfelt wishes to you our friends and patrons—that this may be a truly memorable Christmas and a happy, happy New Year!

Cotton

(Cont'd. From Page 1)
 chinery. Several makes of such machines have appeared on the market. They were introduced into this South Plains country a few years ago. But the main thing that has prevented their general use is the fact that they can not be used until after frost or a killing freeze and all of the cotton has opened.
 On that account, farmers have continued to hire Mexicans and Negroes to gather their crops, beginning as soon as it begins to pop open. They have found it profitable to use machines only

when large portions of their crops were ungathered when winter came and the Mexicans left. Mexicans are now leaving in great numbers and there is still much ungathered cotton in the fields. So quite a good many harvesting machines are being brought into use again.

The writer has had many opportunities to observe these machines at work in the fields but had never done so until Monday afternoon of this week.

In company with Judge Tom Garrard, we stopped at the end of a field where one of these machines was being operated—the field of Alfred Gozales situ-

ated on the highway between Wilson and Slaton.

That name Gozales sounds like Spanish, but apparently he has no Spanish blood in him. His appearance and his speech would indicate that he is of pure Anglo-Saxon descent or at any rate a descendant of some of the natives of northern or northwestern Europe.

Well, Judge Garrard stood on the machine beside the seat of the driver and The News man stood in the big cotton trailer into which the machine dumped the cotton. The machine is very simple in its construction and very interesting to watch, but the thing that interested us most was the vast amount of cotton that the machine could harvest in a day. In good cotton that was fairly uniform in size, it could harvest three bales per hour, Gozales stated. A part of his field lay in a lake and the cotton there was very rank with large spreading limbs that are still tough because there have yet been no hard freezes. These big limbs in that rank cotton would frequently choke up the machine and have to be cleaned out by hand, which delayed the process of harvesting. The cotton outside of the lake, however, was being harvested beautifully and without any stoppage.

These machines will never supplant hand-picking or pulling entirely for the reason that they would utterly destroy green stalks and immature cotton; they will be of use principally in finishing up crops that are left in the field after the cotton-pulling laborers have gone.

Another serious objection to their use is that they strip all of the foliage and smaller limbs off the stalk and take most of it out of the fields, thus reducing the fertility of the soil.

But further improvements and developments in cotton harvesting machinery doubtless lie ahead of us yet. The cotton-picking machine will likely be perfected soon for use on Plains cotton. It would be interesting to know what additional progress will have been made ten years hence.

Many farmers in Lynn county declare that next year they intend to plant stormproof cotton and have it gathered with machines and thus avoid the heavy expense of having it gathered by hand.

By charging extortionate prices for pulling this year, Mexicans are unwittingly killing the goose that lays the golden egg.

Couple Celebrate 50th Anniversary

On last Sunday Mr. and Mrs. D. C. Davis quietly observed their Golden Wedding anniversary in their home, with all of their children present and all of their grand-children except the eldest grand-daughter, Lucille, daughter of Mr. and Mrs. J. O. Tinsley, who with her little son resides in Los Angeles, California.

Mr. and Mrs. Davis had repeatedly requested of the children that the time of the observance be kept quiet; therefore very few friends and neighbors learned of it. A few did learn of it though, Mrs. Bert Dollins told The News, and dropped in for a few minutes on the happy group, consisting of father, mother, children, grand-children, two great-grand-children, nieces, nephews and their children and "in-laws."

They had also requested that no one bring gifts, but Mrs. Dollins declares that they were as excited and thrilled as two children as they viewed the lovely gifts, remembrances, cards, and letters they received. But, as much pleasure as they got from the gifts, they enjoyed even more the visits of the ones who dropped in unexpectedly.

One interesting fact came to light while Mr. and Mrs. I. M. Draper were visiting with them: That they are all about the same age and married near the same time, and the Drapers will soon observe their golden wedding anniversary. A picture was taken of D. C. and Mr. Draper as they sat side by side discussing the occasion.

One unusual thing happened during the short program that would have caused any one to marvel—that was the fact that Dave, as he is usually called, read a rather lengthy poem, entitled "Oh Why Should the Spirit of Mortal Be Proud?", without the use of glasses while much younger persons present could not have done so.

Mrs. Turner (Euella) Rogers and Mrs. (Wanda Lee) Lumsden, granddaughters of the couple, presided over the punch bowl and the cake and Mrs. Dee (Lynette) Davis presided over the guest book.

Mr. and Mrs. Sam Reid will leave next Wednesday for San Antonio, where they will pick up Mr. and Mrs. Kenneth Reid and daughter, and return to Fort Worth, where they expect to spend the Christmas holidays with their daughter and husband, Mr. and Mrs. W. D. Smith and daughter, and with Mr. and Mrs. Cline Thompson, parents of Mrs. Kenneth Reid.

Roy Nettles Is PMA Chairman

Mr. Roy O. Nettles, farmer, from Lakeview, was named today to head the Lynn County Production Administration Committee during 1950.

Other members of the county PMA Committee for the coming year are Mr. C. B. Earley, farmer from Midway, vice-chairman, and Mr. R. A. Kahllich, farmer of Wilson, member. Alternates who serve in the absence of a member of the committee are Mr. Bertice Askew, from Wells, and Mr. Maurice Small, from Tahoka.

The new committee was chosen Thursday by a county convention of farmer-delegates from each of the county's four agricultural communities. Delegates to the convention were elected by the farmers in each community who are participating in one or more of the Federal farm programs administered locally through the county and community PMA committees.

The new committee will take office January 1, 1950.

County and community committees of the Production and Marketing Administration are responsible for the local administration of such farm programs as Agricultural Conservation, price-supporting loans and purchase agreements, acreage allotments, and marketing quotas for cotton, and wheat, the Sugar program and Federal Crop Insurance.

Mc. W. B. Griffin, county agent for Agricultural Extension Service is an ex-officio member of the committee.

Odds & Ends

(By E. I. The Elder) Everybody is thinking and talking of Christmas.

The Christmas chimes are sounding from innumerable churches. Christmas carols are being sung by many a sweet-voiced choir. The bright lights have been swung across the streets, of many a village and town, and the windows of our business houses have been decorated with bright-colored toys and other beautiful wares. Children's eyes are peering into the windows and scanning with expectation and delight the toy-laden stores—some of them are; others scan them with longing eyes and wishful-thinking hearts and pass on with a sigh.

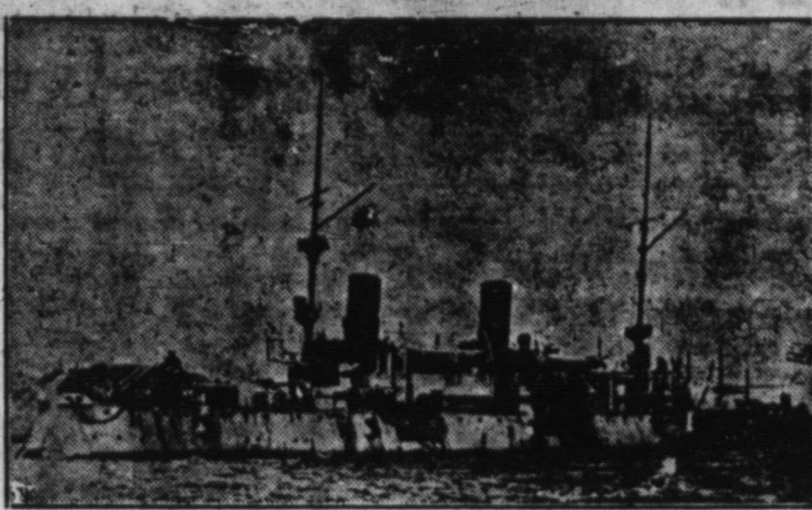

Of course, we will give gifts to our loved ones, but let us not forget the friendless and the needy, either.

Let us remember that He whom we are supposed to honor during these days, commanded us while He was here in the flesh not to make a great dinner and call only our friends and our kind-folks and our rich acquaintances to the feast. "But (Quote) when thou makest a feast, call the poor, the maimed, the lame, the blind; and thou shalt be blessed; for they can not recompense thee."

But, in this column, we wanted to think this week a little bit about the back-ground and the beginning of this great international holiday that most people in all Christian lands observe in one way or another, in celebration of the birth of Christ.

And that carries us back to Bethlehem and the beautiful accounts given by Matthew and Luke respecting the birth of the child Jesus.

These accounts differ greatly one from the other though they do not necessarily conflict. Matthew merely asserts the virgin conception and birth of Jesus, enters into no explanation as to the occasion that took Joseph and Mary to Bethlehem, but

U. S. S. OLYMPIA, DEWEY'S FLAGSHIP, STILL ACTIVE—The old grey fighter, which just 50 years ago returned in triumph from the victory of Manila Bay, lies peacefully at her slip in the Philadelphia Naval Base where she receives homage as an "eagle of the sea" that escaped plucking by the "harpies of the shore." Twenty-eight years ago she brought to the United States the body of the First World War's Unknown Soldier, and a year later was ordered to be scrapped. There was no eloquent Oliver Wendell Holmes to write another "Old Ironsides" that saved the frigate Constitution a century before, but the protests of the patriotic citizens of Olympia, Washington, forced the cancellation of the scrapping order. She's a proud ship still—just as trim and span as on that May morning in 1898 when she led Admiral George Dewey's squadron into Manila Bay. She was rated a light cruiser of 4,500 tons and was commissioned January 2, 1894, and looks young for her 55 years. The illustration is from a photograph made when she participated in the Dewey Day exercises in New York harbor September 29, 1899. Today tens of thousands annually visit the U. S. S. Olympia.

proceeds immediately to recite in some detail the visit of the Wise Men from the East. He probably wrote his account about A. D. 37 soon after the crucifixion of Christ and his main purpose seems to have been to convince the Jews that Jesus was in fact the Messiah and quoted several prophecies of the Old Testament in support of that contention. He omitted all mention, however, of the announcement made by the Angel of God and a heavenly host to the shepherds who were tending their flocks out on the hills near Bethlehem on the night of the babe's birth. But he did stress facts and circumstances to prove God's care and preservation of the newborn child.

..... Luke, who probably wrote his Gospel between A. D. 63 and 68 after having had long association with Simon Peter, Paul, John Mark and Mark's mother Mary,

and many other disciples, went into much greater detail concerning the conception and birth of Jesus. Strangely enough, he did not mention the visit of the Wise Men but he recited in detail the visit and the announcement made by the Angelic host to the shepherds on the night of the child's birth. Furthermore, he went further back than that giving the story of the miraculous conception and birth of John the Baptist as well as of Jesus himself; tells of the meeting of Mary, mother of Jesus, and Elizabeth, mother of John the Baptist; and preserves the Magnificat, or psalm of praise, uttered by Mary on that occasion.

..... There are those, even professing Christians, who scoff at the idea of the virgin birth.

The virgin birth is no more mysterious than the resurrection. (Cont'd. on Editorial Page)

Borden County Gets More Oil

Press reports recently brought news of a major oil strike on the Nolen C. Von Roeder farm in southeast Borden county. Von Roeder is the man who owns the big fruit farm and also specializes in fine cotton. He has often visited in Tahoka and is well known here.

The Amerada made the strike and reports 90 feet of pay dirt. Operators entered the pay at 7-100 feet. The well, according to field reports, flowed at the rate of 60 barrels of pipeline oil hourly. Total depth is given as

7,190 feet. The bringing in of this well means an extension of the great Snyder field.

This is the second and by far the best oil well in Borden county. The first well brought in lies in the northwest portion of Borden county up on the caprock and was brought in several months ago.

Do your Christmas shopping with your home town merchants. They support your home town institutions.

Bake the fruit cake at a temperature of 250 degrees and allow about 45 minutes of baking time for each pound the cake weighs.

LOOPHOLES in the Law

By WILL WILSON

District Attorney of Dallas County

Fred, accompanied by a friend, was driving an automobile on a public highway. He had a collision with another car in which John and a companion were riding. John's car turned over and John was injured. Fred and his friend did not stop to offer help. Instead, they hurriedly drove away.

Brotherhood Plans Meeting Monday

The Brotherhood announces the following program to be rendered by members of the local organization at its regular meeting next Monday night.

My Idea of an Ideal Christian.

Urban Brown;

My Plans for Increasing the Membership and Attendance at our Meetings in 1950, by the Membership vice-president, M. H. Brasher;

Some things our Brotherhood should Accomplish in 1950, by the Activities vice-president, Dub Kenley.

The Help to be Derived from Attending our Study Courses in 1950, by the pastor, Rev. C. T. Alv.

It is believed that this will be another excellent program.

The program at the last meeting was rendered entirely by local talent and was generally pronounced by those present as one of the best ever presented here.

Every member of the local Brotherhood is urged to be present and every boy who is a Royal Ambassador is invited. In fact any boy will be welcome at this and all other Brotherhood programs.

Supper will be served free of charge. Every time a criminal dies free of punishment, liberty dies a little.

Fred was charged with failing to stop and render aid, an offense for which he could be sent to the penitentiary for as much as five years. The indictment against Fred alleged, in legal language, "that the said Fred, on or about the 18th day of April, 1931, was then and there the driver and the person in control of a motor vehicle, to-wit, an automobile upon a public highway, and that the said motor vehicle did then and there strike and cause injury to a person, to-wit, John."

Fred was convicted.

But the decision was reversed on appeal. The higher court ruled that, although trial testimony showed that Fred's automobile collided with John's automobile, there was no proof that Fred's car actually struck the person of John. Therefore, said the higher court, the charge in the indictment was not proved.

So long as legal loopholes exist, criminals will take advantage of them. That is why the State Bar is working to bring about revision of Texas' criminal

charge, but any donations that members may wish to make, voluntarily, to help pay the expenses will be appreciated.

E. A. Thomas of Grassland is able to be up again after suffering an attack of lobar pneumonia recently.

Again in 1949

MORE PEOPLE HAVE BOUGHT CHEVROLETS than any other make

—just as they have done during the total 19-year period, 1931 to date!

THE men and women of America know value when they see it!

Consequently, they are purchasing more Chevrolet passenger cars than any other make... and more Chevrolet trucks than the next two makes combined... thereby placing Chevrolet first in sales this year, just as they have done for the total 19-year period, 1931 to date.

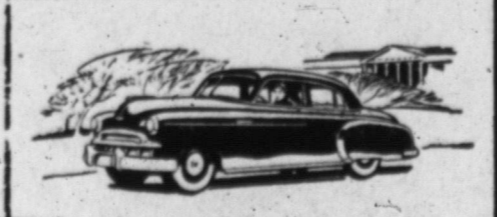

Naturally, we and all Chevrolet dealers are deeply appreciative of this overwhelming tribute of preference; and we join with Chevrolet in pledging to do everything possible to give you greater and greater value in the months and years to come.

FIRST in passenger car sales for '49*

FIRST in truck sales for '49* (Outselling the next 2 makes combined)

FIRST in passenger car sales for all postwar years

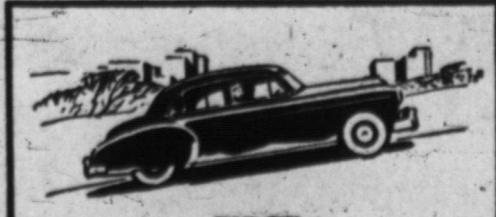

FIRST in truck sales for all postwar years

Certified DOESN'T MEAN A MORE EXPENSIVE LAMP

IT MEANS A Better LAMP

In looking for lamps which bear the all-important "Certified" tag, you'll be surprised at the wide range in prices. You will find that this tag is not granted only to the makers of expensive lamps, but also to the makers of lamps which sell at popular prices.

The Certified tag means that the manufacturer of that lamp, regardless of its selling price, has met 105 specifications in its construction.

See these modern lamps soon at your favorite store. They're built to exacting "Certified" standards in a wide selection of sizes, styles and colors.

They're built, too, to bring more light into your home, because the new type reflectors are constructed to give you direct and indirect light at the same time!

When next you buy a lamp, make sure it is "Certified." Inquire at your favorite store for this new lamp.

Republicans in a New Jersey district elected J. Parnell Thomas as their Representative, in Congress for several successive terms. He was honored the past few years by being placed on the Un-American Activities Committee, whose business it was to investigate the activities of spies and other foreigners in this country whose operations were inimical to America. Then Thomas began indulging in one form of Un-American activities himself—he began swindling the Government which he was supposed to serve. He padded his pay roll by placing the names of two women on his staff who were to do no work but were to kick back to him the major portion of their pay checks. In this way he had cheated the Government out of more than \$8,000 when the law caught up with him. The other day he pleaded guilty in a federal court and the Judge assessed his punishment at 12 to 18 months in jail. He tendered his resignation as Congressman to take effect on January 1, and

while on his way to jail his wife announced that she would become a candidate for Congress to fill the vacancy. On or about January 1, Thomas will draw his salary as Congressman for the time he will have spent in jail, amounting to about \$1200, not a cent of which he will have earned—which would indicate that as yet he has neither repented nor reformed. At the same time, his wife will be entering upon her campaign for Congress on a sympathy plea. A lot of people will feel sorry for her, and it would be just like tender-hearted Americans to elect her. If she would spurn to take that \$1200 that her husband will get as a Congressman while lying up in jail and would see to it that that amount of money is refunded to the Government, then she might be in position to run on a sympathy platform—but not till then.

"When thieves fall out then honest men get their dues," and when Communists or "fellow travelers" get to knifing one another then we find pretty soon a lot of loud-smelling carcasses messing up the landscape. When Whittaker Chambers got mad at that polecat Alger Hiss and exploded his stink-bomb, Hiss came back with the worst he had in stock; and that set the FBI hot on the trail of a lot of that ilk. A lot of them have been under fire in the courts. Gerhart Eisler, one of the most offensive of the skunks, recently made his getaway, and Noel Field, a former employee in the State Department as a spy for the Reds, also mysteriously disappeared in Europe and is supposed to be safe somewhere behind the Iron Curtain. Mrs. Hede Massing, former wife of Eisler, who had already been the wife of two other men, testifying as a Government witness the other day, told of a meeting she had had with Hiss at Noel Field's home on one occasion, when the two

had a clash, both of them Communist spies. We are saying all this just to remark that somebody up at Washington has been terribly careless in permitting so many of such skunks to procure jobs in some of the departments where they might and did obtain and furnish valuable information to the enemies of our Government and our democratic way of life. Yes, and we can remember the time when those highest up in our Government wanted to fire the Martin Dies committee whose members stood like watchdogs in spite of the beatings they got to guard our country against the un-American activities of such skunks as those who are now messing up our courts.

General "Ike" Eisenhower came off down here to Texas last week on a fishing expedition, but some think that he was fishing for votes rather than for the animal life that abounds in the waters of the Gulf at Rockport. At any rate he made a couple of speeches himself on the "state of the nation" before he ever got to Rockport, in which he took a few whacks at President Truman's way of running things in Washington, or rather of running things all over the country from Washington. That brought Harry to his feet, who was over at Key West, Florida, doing a little fishing on his own hook, or rather with his own hook, presumably. Any way he said that he regarded "Ikey" as a great general but a very poor fisherman for votes. Yes, he thinks "Ikey" will be a candidate all right—is already running—but he assumes an air of being utterly undisturbed. So, it looks now as if the battle lines are already being formed. Oh, well, 1952 is yet a long way off and lots of things could happen to change the political picture in the next two years. We'll have a lot of hot politics in state affairs down here in 1950. Better come in and pay your subscription to The News, boys and gals, so you can read about it.

Smith or Dick Brown or Jack Scroggins that you have probably known somewhere. He doubtless went to the synagogue on the Sabbath day, as a rule, but we doubt if he ever got out of the seventh grade, or the equivalent of the seventh grade.

Right here is where this story really becomes interesting, but we do not have room here to tell it.

It is sufficient to say, perhaps, that this same rough fisherman and his three partners in the business, his brother Andrew and James and John Zedebee, every one soon became ardent disciples of that strange, great prophet, John the Baptist, and through him became still more ardent disciples of Christ himself. They followed and studied and trained under him for three years, and even though Jesus was tried and convicted and insulted and spat upon and crucified on a cruel cross as a criminal, bringing despondency and despair to his erstwhile followers, they later witnessed whatever happened 3 days later and again nearly fifty days later at Pentecost and came up the most confident and courageous crusaders any man, living or dead, ever had.

They went everywhere testifying that he had, of his own volition submitted to death on the cross, that he had triumphantly risen from the tomb, that they had conversed with him and received a commission from him, and thousands of them went to their death themselves rather than to renounce their faith. Peter himself is said to have been crucified with his head down rather than to recant.

They had a better opportunity than anybody else to know whether Jesus was the Son of God or an imposter, and their faith and endurance should strengthen and fortify every one of the rest of us.

But of all witnesses to the genuineness of Christ and his gospel, the Apostle Paul was the greatest of them all.

Dad's a popular guy,
he suggested—
home for Christmas!
on the Santa Fe

It's a real gift to the whole family! A Santa Fe trip home is the best of all for Dad, Mom, and the kids too.

Remember, Santa Fe is the economical way to travel. Children under five ride free with an adult passenger, and big sister or brother, under twelve years, ride for half fare.

Make your plans with confidence—the Santa Fe will take you home and bring you back in any kind of weather. See your Santa Fe ticket man for full information on schedules and fares.

Gift Tickets! It's easy to send a Santa Fe gift ticket to a relative or friend. Ask the Santa Fe ticket man for details.

ODDS & ENDS—
(Contd. from Page 1, Sec 2)

It is no more mysterious than the raising of the dead. It is no more mysterious than the origin of life. It is no more mysterious than the power of the atomic bomb. It is no more mysterious than the attraction that any and every particle of dead matter in the universe has for every other particle. Explain to me how gravitation that pulls other bodies to the earth with mighty power is overcome by capillary attraction which pulls moisture up between the fibers of a tree and causes the tree to live and to grow, and I will explain to you any one of the miracles recorded in the Bible. Explain how this universe, in which the scientists tell us that there are countless millions of bodies, many of them millions of times larger than the earth, each exerting its pull on every other body, has held together without a serious crash-up for millions of years, without being held in leash and in proper balance by some marvelous power that we call God, and then I will explain to you just how that same power could have brought a human being into the world in a supernatural way.

If men believe that there is a supreme ruler of the universe, why can't they believe that he can bring about a little thing like a virgin birth?

Even down here in our little human sphere, the power of mind over matter has never been explained.

If there isn't a God, we can't begin to explain one single atom of this Universe. If there is a God, why should anybody balk at the idea of a virgin birth or a resurrection?

.....

Aside from all the things said above, there is one convincing reason from a human standpoint for believing that Jesus was Divine and that he was all that he claimed to be.

That reason is that so many men who were intimately associated with him during his stay on earth believed in him, and they believed in him so strongly that they were ready to die for their beliefs. We have room to mention only two or three.

Take Simon Peter, Simon Peter was just an unlearned fisherman who lived at Bethsaida and later at Capernaum on the western and northwestern shore of the Nile lake of Galilee. He fished for a living, just like you and

50 ways new for '50

White sidewall tires available at extra cost.

Ford is 50 ways new for '50... sound-conditioned "Lifeguard" Body, packed with improvements that make it the fine car of its field. For Ford brings you an even smoother "Mid Ship" Ride on new foam rubber front seat cushion with new non-sag springs... a new silent ride in Ford's 13 ways safer, Power such as you've never felt. It's 100 h.p. and it's a V-8—the engine type used in costliest cars—for hundreds less than most "Sixes". It's so quiet you can talk in whispers at highway speeds. Try it today.

New Tahoka-Wilson-Slaton Road Will Prove To Be Beautiful Drive

"I was greatly surprised a few days ago to find that the new Tahoka-Wilson-Slaton highway is going to present to the traveler so many attractive views of the country through which it passes," County Judge Tom Garrard stated to a representative of The News Monday.

He had been over the new road that morning, in fact, and then stated that he was going out to Wilson again later in the afternoon, and invited the writer to accompany him.

We accepted and soon found ourselves out with the Judge speeding over a section of the road we had never traveled that portion leaving Highway No. 84 two miles north of Tahoka and striking out across the farm lands, passing near the City wells, and finally lining up alongside the Santa Fe right-of-way at the northeast corner of

the B. L. Parker tract of land. This carries one through, or over, rather, the sand beds which for so long have barred traffic from Tahoka to the north east. Just last week the spreading of the caliche over this stretch of the road was completed, and already the roadbed seems as solid as the Rock of Gibraltar. And the view of the country on either side of this stretch of road, as the Judge observed, is superb.

At the Parker corner began a two mile segment of the road on which the caliche was still being delivered by trucks working from each end. It was the opinion of the Judge that the gap would be closed the next day, if the weather remained favorable. Then the spreading of the caliche over that segment of the roadbed would begin and would be accomplished in a very short

time. The hot top cannot be placed on any of the road until next spring but it will soon be open to traffic throughout the length of the road. from Tahoka to Wilson and from Wilson to the county line near Slaton. More than a half mile of the road is already paved through the town of Wilson, a short segment of paving which was done with funds obtained through the county bond issue, three years ago.

The spreading of the caliche from Wilson to the Lubbock county line, where connection is made with Lubbock county paving, was completed several weeks ago and is ready for the hot top as soon as Spring returns.

One thing that kept most people in the dark as to the possibilities of building an attractive road along this route was the fact that the winds had kept the old dirt road so whipped out that not much but sand and tumbleweeds and rocky soils and scrubby mesquite could be seen from the road no matter in what direction the traveler looked. But the building of a new roadbed overlaid with six inches of caliche has raised the level of the highway from a few inches to several feet in places and gives the traveler an outlook that is surprisingly broader than he could get from the old dirt road.

Furthermore, the right-of-way is 120 feet wide, is perfectly straight except for a couple of long, gentle curves, and places the traveler above practically all local obstructions. Looking to the west and northwest his vision reaches far across apparently lower lands that lie in the direction of Dixie and New Home. Looking to the east and northeast across Tahoka Lake, he can today get a clear view of the water that covers the bottom of that strange depression and of the great stretch of fine farming lands that rise above it east of Wilson and north of New Lynn.

Incidentally, one can vision the time when Tahoka and Wilson will join in building a common park, possibly at a point on the highway a little more than three miles this side of Wilson where the highway crosses a draw that leads down into Tahoka Lake, or possibly in the vicinity of some of the springs that feed Tahoka Lake from its west banks.

Anyway, this is going to be an attractive highway and Judge Garrard remarked to this writer Monday that within a few years, the State would probably make it into a major highway.

Mrs. A. R. Hensley of Draw, who underwent surgery at Temple on November 25, came home Sunday and is able to see her friends, the relatives report.

C 653—Notice of Sheriff's Sale—Real Estate—For Publication. SHERIFF'S SALE

THE STATE OF TEXAS) COUNTY OF LYNN) NOTICE IS HEREBY GIVEN That by virtue of a certain execution issued out of the Honorable 93rd District Court of Hidalgo County, on the 17th day of November, 1949, by K. C. Boyesen, District Clerk of said Court for the sum of Four Thousand Five Hundred Seventy-five and 45/100 (\$4,575.45) Dollars and costs of suit under a judgment in favor of Edinburg State Bank and Trust Company in a certain cause in said Court, No. 7549 and styled Edinburg State Bank and Trust Company Vs. G. O. Newman, J. J. McCook and Mrs. L. M. Knox, placed in my hands for service, I, Roland W. Clem as Sheriff of Lynn County, Texas, did, on the 5th day of December, 1949, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit:

An undivided 1/2 interest in and to the oil, gas and other minerals, in, on and under all of the West 1/2 of Section No. 22, in Block H, Certificate No. 20, E. L. & R. R. R. Company, in said Lynn County, Texas,

and levied upon as the property of G. O. Newman and Ghat on the first Thursday in January, 1950, the same being the 3rd day of said month; at the Court House door of Lynn County, in the Town of Tahoka, Texas between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said J. J. Newman.

And in compliance with law, I give this notice by publication, in the English language, one a

MISS SUE COOLEY AND LEROY MENSCH TAKE MARRIAGE VOWS

Miss Sue Cooley, daughter of Mr. and Mrs. B. K. Cooley, and Leroy Mensch, son of Mr. and Mrs. S. A. Mensch, both of the Draw community, were united in marriage in a double ring ceremony read by Rev. G. H. Isbell in his home on Friday, December 9th.

The bride wore a grey suit week for three (3) consecutive weeks immediately preceding said day of sale, in the Lynn County News, newspaper published in Lynn County.

Witness my hand, this 6th day of December, 1949.

Roland W. Clem, Sheriff, Lynn County, Texas. 10-3tc

DOCTORS DISAGREE ABOUT ARTHRITIS!

Some claim it is incurable—yet sufferers who have tried REUMA-RUB tell us that this new liquid analgesic gives them wonderful relief from pain and discomfort. REUMA-RUB is a pleasant-to-use Alcoholic Rub that penetrates and stimulates sore aching muscles and swollen joint areas and gives welcome relief. And Remember: You must find that REUMA-RUB gives more relief from pain of Arthritis, Lumbago and Rheumatism than any external remedy ever used—or your money refunded. A large bottle of REUMA-RUB costs only \$1.25 of your money.

WYNNE COLLIER DRUGGIST

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

with brown accessories and carried a white Bible and a pink carnation corsage. The bridesmaid was Mrs. Wayne Bradshaw, sister of the groom, and Mr. Dwayne Brad-

shaw served as best man. Also attending was the bride's brother, Kenneth Cooley. After a short trip to Carlsbad, New Mexico, the couple will make their home in O'Donnell.
