

New Piggly-Wiggly Supermarket To Be Built On Clovis Highway At 4th

Davis & Humphries, Inc., owners and operators of Piggly Wiggly Super Markets and D & H Super Markets in West Texas, today announced details for construction of a new super market in Muleshoe. The new store will be located on the Clovis highway between Avenue B on the south, and 4th street on the east. It will be an all-new replacement for the present quarters of the firm. When completed the new Piggly Wiggly Super Market will be the largest one stop shopping unit in the Muleshoe area. The building will have some 16,000 square feet and will measure 140 X 118 feet. It will be bordered by a parking lot in front which will be paved, marked and mercury vapor lighted. The parking lot will accommodate 135 cars. Described as ultra-modern, and of fireproof design, the building will be built by Tidmore Construction Co. of Lubbock. H. L. (Doc) Wilhite is the owner of the property. The building is expected to be completed within 150 days.

Among the other unusual features of this building are the sound system, for store-wide paging and the mechanical air conditioning which will produce a comfortable atmosphere the year round. The latest in store fixtures and store decorations will be used to produce the most beautiful shopping area in the West.

Giant-sized gondolas will provide display space for wider selections of food in given areas, yet they are not too high for convenient reach. Store officials point with pride to their meat department which has been designed to combine the ultra-modern with the old-fashioned. It's designed to please the whim of every shopper.

For those who want self-service, there are 61 feet of refrigerated fresh meat cases that will be filled with attractively packaged fresh meat cuts. For those who want to buy directly from the market man or discuss

with him a special cut, he will always be just across the case, in speaking distance "just like the good old days". The cutting and packaging room is in full view of shoppers which will mean that they may watch the processing of fresh meats into individual packages.

Frozen Food Department
The frozen food department, which includes a large variety of frozen meats, fish and poultry is 100 feet. Twenty-one feet of ice cream displays, 50 feet of dairy foods, and 40 feet of refrigerated fresh fruits and vegetables will make up the self-service department on the opposite side of the store. All of the refrigerated cases will be in pastel colors to add to the beauty of the different departments.

A full corner of the new store will contain displays of health and beauty aids, household needs, hardware, and soft goods. This department will occupy 85 feet.

As customers enter the store

they will find a special station where they may check empty bottles and collect for them before shopping.

Six Check-Out Stands
Six motorized check-out stations will provide faster than ever service for shoppers. A continuous belt moves the groceries out of the way of the checker down to the boys who sack them and take them to the car.

Covered, lighted walkways along the front of the building provide protection from the weather and add to the exterior beauty.

A Kiddie-Korner equipped with television will keep the children happy while mothers shop.

A special fire proof room will be provided for trash so that the outside area will not have the beauty marred.

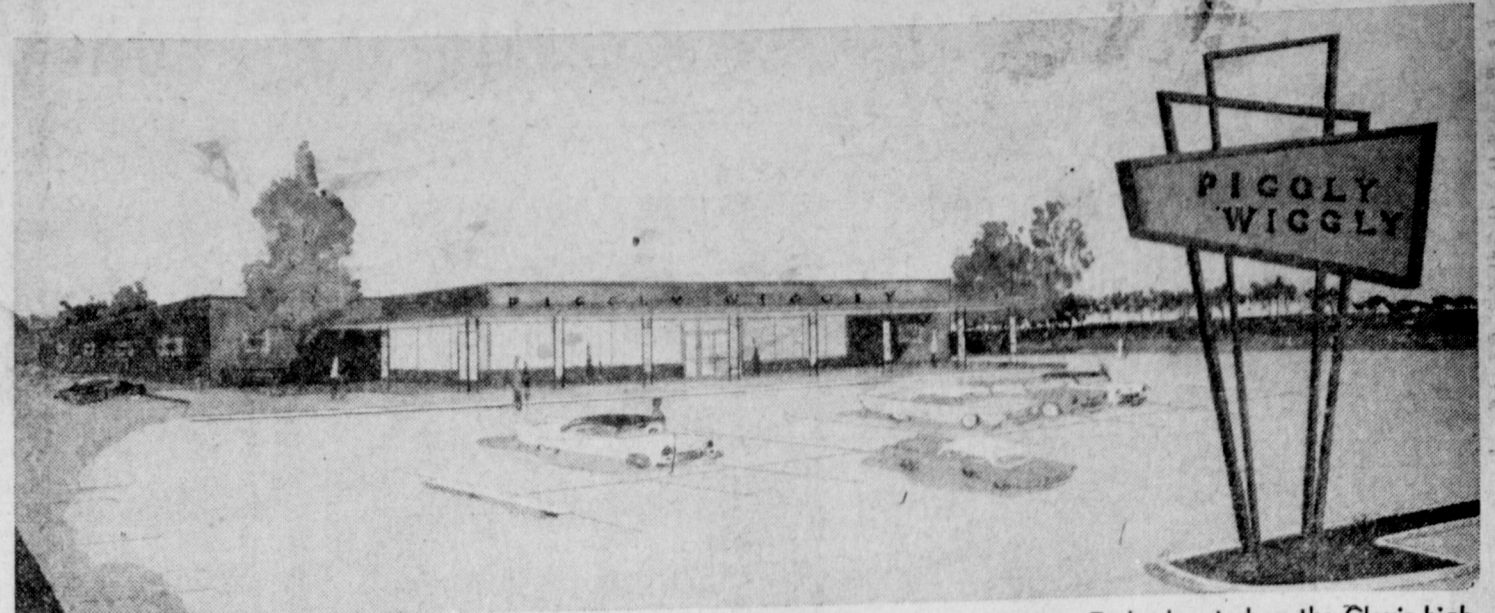

The present management of the store will continue in the new quarters. M. E. (Red) Simmons is store manager and Carl Ellington is manager of the market.

Piggly-Wiggly Building Sold To Johnson-Pool

Myron Pool of Johnson-Pool Tire and Appliance told The Journal Tuesday afternoon that the firm has purchased the building soon to be vacated by Piggly-Wiggly.

Pool said future plans for use of the store are completely indefinite at this time, but that a full story on probable use of the building will be released as soon as they are formulated.

He also said that the firm presently has intention of continuing to occupy their store on main street, in addition to the Piggly-Wiggly building.

THE NEW PIGGLY-WIGGLY STORE in Muleshoe is shown here in architects drawing. To be located on the Clovis highway at West 4th street, it will encompass a full half block, with more than 16,000 square feet of floor space, and adequate parking facilities.

Clearing Skies and Dry Weather Puts Area Harvest Back Into Full Operation This Week

Iris Rhizomes On Sale By Church Choir

Hybrid iris rhizomes of varieties retailing for as much as \$1 each, are on sale now and for the next two weeks at two for 25 cents, with all proceeds to be used for choir robes for First Methodist Church.

The iris rhizomes may be purchased by calling Elizabeth Hardin at the church office, or Mrs. Jackson at the Home Demonstration office in the courthouse.

Combined Deposit Of Muleshoe Banks Is \$6,622,052.37

Weather conditions once again have influenced the statements of conditions of the two Muleshoe banking houses, and while both assets and deposits of the two banks are about the same as for the same period in 1957, the combined assets and deposits show a slight decrease for the corresponding quarter.

The combined assets of First National and Muleshoe State banks for the period ending September 24, 1958, totaled \$7,522,322.05, and the combined deposits amounted to \$6,622,052.37.

Combined assets of October 11, 1957, were \$7,535,391.80, and combined deposits totaled \$6,683,487.70.

First National Bank showed total assets of \$2,477,823.58, and deposits of \$2,129,683.25. Muleshoe State Bank's assets were \$5,044,498.47, and deposits totaled \$4,492,369.12.

Combined assets of the two banks were off \$13,069.75 from last October, while deposits were down by \$71,596.33 from the same period.

"As far as lowering of grade or loss of quantity of cotton and feed, we wouldn't be able to tell it rained, given three days of sunshine", a veteran farm observer told the Journal this week, commenting on what possible damage recent cold and wet weather might have had on the current crop situation. Starting with a slow rain last Thursday, weather conditions have been unfavorable most of the time since, with some clearing skies on Monday, moisture again on Tuesday, and feeble sunshine on Wednesday.

A lot of farmers were back in the fields Wednesday, pulling bolls and cutting grain also. It was noted, despite some fields still being rather wet, full scale harvesting is expected by the weekend, providing the weather stays reasonably clear and dry.

Rainfall in Muleshoe last week measured 2.27 inches, making the September moisture total 4.18 inches, and the rainfall for the first nine months of 1958 totals 17.96 inches. Rainfall in 1957 totaled only 18.27 inches.

Unusually high yields are expected of both the cotton and grain sorghum crops in this area this fall, which will do much to offset the catastrophe of last harvest season, plagued by rains.

High yields are reported also from the tomato crop this year, which started out on a note of pessimism. Growers, shippers, canners and processors alike report vines literally loaded with tomatoes, with quality equalling quantity in many instances.

Barrett Produce has done a lively business in selling from the fields, while the Muleshoe Cooperative Growers have continued their packing and shipping schedule. Muleshoe Cannery has been operating with a full day-time crew, canning tomatoes for an Arkansas buyer.

Frost predictions for Tuesday night failed to materialize. Usual frost date for this area is around October 10 to 15. Frost damage to immature bolls, and tomato vines would curtail anticipated output somewhat at this date, but is expected within the next 10 days to two weeks.

New Christmas Decorations For Street Lighting Ordered By Chamber Commerce

Christmas street decorations for the 1958 holiday season have been chosen and ordered this week. Senn Slemmons, manager of the Muleshoe Chamber of Commerce said Tuesday. The new decorations will be used in addition to the decorative material put up last holiday season, to increase the overall decorative effect, Slemmons said.

Thirteen units, each of a lighted foil streamer across the street, with three lighted decoration units in the center, will be put

Violations Of Traffic Laws Clog JP Court

Traffic violations made up the bulk of charges filed in Justice Joe Vaughn's court this week, and also constituted a portion of charges for which jailings were recorded.

In JP court the following charges were presented and trials held: two speeding, two allowing unauthorized driver, following too close, running stop sign, drunk, failure to signal, defective tail light, illegal passing, and driving on wrong side of road.

In jail were prisoners on the following charges: forfeiture of bond, two drunk, and two traffic violations.

Sheriff Dee Clements returned two prisoners to face charges of forgery, one from Huntsville, and one from Anson.

Evangelist Is Speaker At Lions Luncheon

Rev. Harlan Harris, evangelist now conducting a revival at First Baptist Church, was guest speaker at the Wednesday noon luncheon of the Muleshoe Lions club.

Rev. Harris, who was introduced by program chairman T. W. Goar, spoke on the spiritual qualities of service.

Rev. E. K. Shepherd was a guest also.

Rare Rolls Royce Stops Traffic Here Sunday

One of the rarest and most unique cars in automotive history was in Muleshoe Sunday afternoon, and quite a number of local folks had a chance to inspect the classic example of automobile art.

The car, a 1937 Rolls Royce, was in itself an example of acute interest, but the owners, Mr. and Mrs. E. B. White, were of more than passing interest also.

White, who is an engineer for the government, purchased the Rolls in England in 1937 for what was then \$32,000 at the going rate of exchange. He was subsequently sent to Japan on a project and took the car with him. There he married a Japanese girl, and when in Muleshoe Sunday, was driving the car to Florida, from San Francisco.

The Rolls is considered the epitome of fine cars all over the world, and this one was no exception. It featured a hand made aluminum body, as do all Rolls cars, and the traditional walnut panelling, built in bar, leather upholstery and all the luxury items which are Rolls trademarks, including automatic jacks on all four wheels.

Each Rolls Royce is hand-crafted, and the engines "run in" before delivery to a customer. Each customer must take a course in driving and caring for the car before sale is completed, all furnished by the factory, of course.

The 12-cylinder car seen here was perfectly noiseless except for a fan belt which one could hear. Mr. White said he gets about 10 miles per gallon in road travel.

But if you can afford a Rolls Royce, who worries about gas mileage.

Bailey County Bond Sales 74.6 Per Cent Of 1958 Quota

"Savings Bonds sales for the first eight months of 1958 totaled \$91,777", Mrs. Inez Bobo, chairman of Bailey County's Bond Committee reported today. "Our county has now reached 74.6% of its 1958 goal of \$123,000. August sales were \$3,096."

Texas sales through August 1958 were \$118,503,413 which was 5% greater than the same period in 1957.

Every American investing in U. S. Savings Bonds gets an extra dividend — the satisfaction of knowing that his savings are strengthening America's Peace Power", stated Mrs. Bobo.

Soil Survey By SCS Technicians Begun In County

At 6 p.m. Tuesday, October 7, at the Maple Co-op Gin, an election for supervisor of Zone 5 of the Blackwater Valley SCD will be held.

Each year, one of the five positions on the board of supervisors is to be filled. Thus a term as supervisor is for five years.

The board of supervisors are elected by farmers and are responsible for the functions and program of the district. The Blackwater Valley Soil Conservation District was voted into existence by Bailey County farmers in 1941. The district is a legal subdivision of the State of Texas.

The present board is composed of Virgil Nowell, Zone 1; Sherman Inman, Zone 2; Dan Darsey, Zone 3; E. N. "Shorty" McCall, Zone 4; and W. H. "Bill" Eubanks, Zone 5. These men serve without salary, receiving only \$4 a meeting each month for expenses plus car mileage. They have numerous other district duties for which they receive no pay.

Any landowner residing in Zone 5 is eligible to vote in the election, and is eligible to hold the office.

Major Traffic Accidents In Area Injure Nine; Two Fatally Injured

County and highway patrol officers have investigated four major traffic accidents in this area within the past week, one of which resulted in the deaths of a Friona farmer and a Littlefield high school football player and student. Considerable property damage was sustained in all four accidents, and several persons were injured.

The first accident happened at 11 a.m. on September 25, nine miles west of Muleshoe on U. S. 84. Mr. and Mrs. Paul Anderson of Winnboro, Texas, driving a 1955 Plymouth, attempted to pass a truck and trailer. Officers said the Anderson car went out of control on the wet pavement in the rain, and overturned in the barrow ditch. The truck was driven by Cecil E. Howard of Bonham, Texas.

Mrs. Anderson was taken to West Plains hospital where her condition was declared not critical. The Anderson car was judged a total loss by officers.

No charges were filed.

Saturday morning a pickup truck driven by Catarino Luna of Muleshoe, slid into the traffic lane of a 1955 Chevrolet station wagon driven by Robert L. Hobbs, 70, of Muleshoe, causing about \$485 damage to the station wagon.

Investigating officers said Luna was following a third car, which made a left turn, and when Luna applied his brakes, the truck slid into the opposite lane where it was hit by the Hobbs vehicle.

No one was injured, although officers filed charges against the owner of the truck for allowing an unlicensed driver to operate, and against Luna for following too closely.

The third accident occurred at 4:55 p.m. Sunday, and involved collision from the rear between vehicles driven by Barney A. Scheller, 28, of Earth, and William C. Holt, 44, of Levelland.

Deputy sheriff Joe Hodge, who investigated the accident, said Mr. and Mrs. Holt and their two children, in a 1955 Chevrolet, had stopped to make purchases at Martins Fruit Stand, west of Muleshoe on U. S. 84. They had pulled back onto the highway and were about 75 yards away when the Ford station wagon driven by Scheller, and pulling a boat and trailer, rammed them from the rear.

Both vehicles sustained some damage, and Mrs. Holt was taken to a Levelland hospital for treatment after receiving emergency treatment in Muleshoe Hospital. Scheller was charged with failure to control his speed.

The fourth, and most serious accident happened Monday at 2 p.m. six miles east of Littlefield on U. S. 84. Ben Wayne Jordan, 23, a Friona farmer died shortly after being injured, and Dale Wayne Rhodes, 18, a Littlefield high school student was killed instantly when the two cars collided head on.

Highway patrolman Bill Angel, who investigated said Rhodes, accompanied by Arden Fields and Nathan Hutson and Gene Askew, also high school students at Littlefield, were returning from the fair in Lubbock to practice football. Jordan with his wife and two small children were proceeding east when the two cars collided almost head on.

All passengers in the Rhodes car were injured, as was Mrs. Jordan and her two year old daughter, Beth. Angel said Mrs. Jordan and 11 months old Jay were thrown from the car along the highway for a considerable distance, but Mrs. Jordan held the child in her arms, and he was unhurt.

Price War On Haircuts At Some Shops Here

There's a price war on. Not gasoline this time, but haircuts.

They're just six bits in two Muleshoe barber emporiums, as compared to \$1.25 in the remaining tonsorial parlors.

A spokesman for the two shops which lowered their prices this week, said in answer to a question of why prices were lowered, "competition."

Another barber in a shop still maintaining the \$1.25 price said, "you may see a sign saying 'haircuts 50 cents', but you won't see one for 75 cents."

So, you may get clipped for just about any price you choose to pay, and if you wait long enough, maybe even less than that.

First Methodist Church Begins \$54,000 Roy Farrow Campaign For 1958 Budget

Committee chairmen, under the direction of general chairman Noel Woodley, have been named for the First Methodist Church of Muleshoe's Roy Farrow campaign will not begin officially until the church budget and the building fund, the campaign to close with a victory dinner on October 29, when all final reports will be given.

Although preparations and preliminary meetings are being held daily by committees, the campaign will not begin officially until the evening of October 20, when a kickoff dinner will be held in the church Fellowship Hall. Interim reports will be made at report breakfasts scheduled for October 23 and 27.

The campaign is divided into three sections, education, headed by Senn Slemmons; solicitation, with Sam Fox as chairman; and mechanics, under the general direction of M. D. Gunstream.

Chairmen of the various committees include: newspaper, Connie Dale Gupton; church bulletin, Mrs. Gil Lamb; signs, J. O.

Lumsden; direct mail, Nina Bishop; speakers, Elizabeth Woodley; church paper, Ruby Cox.

Evaluation, Wilbur LeVeque; solicitors, Ralph Douglas; memorials, A. C. Gaede; audit, Bill Moore; progress, Pat Bobo; food, womens circles, telephone, Mrs. M. D. Gunstream; and office help, Elizabeth Hardin.

Closing Date Of New Directories Is On October 24

"It won't be too long before all telephone users, residential and business customers alike in Muleshoe, Earth, Bovina and Friona will receive new telephone directories for 1958", R. E. Saunders, district manager for the General Telephone Company of the Southwest announced today. "Correct initials, names, and addresses are necessary to assure complete and adequate representation in the alphabetical section and the Yellow Pages as well", he said.

The final closing date for making changes or adding new listings to the new telephone directory will be October 24, 1958.

Saunders urged that all subscribers wishing to make any changes should call the business office in Littlefield as soon as possible to enable the telephone company to make the corrections or additions before the new directory is printed.

Shiffett-Clevenger Vows Exchanged Tokio Church On September 21

Wanda Shiffett and Mr. Alvin Clevenger were married 11:30 a.m. Sunday, September 21, at the First Baptist Church at Tokio, Texas, with the pastor of the church officiating at the wedding ceremony.

The bride is the former Miss Lucy Mae Yarnell, daughter of Mr. and Mrs. Fremont H. Yarnell, Anadarko, Okla. The bridegroom is the son of Mrs. Pearl Jennings, Muleshoe and L. C. Jennings, 905 Milam, Amarillo.

O. E. Lumsden Is Guest Speaker At Study Club Meet

The Muleshoe Study Club met September 25 in the home of Mrs. Alex Williams. The members were pleased with the enlightening talk of their guest speaker, O. E. Lumsden, who spoke on the "Test and Measurements program in our Muleshoe Schools".

Any group of people who would be interested in seeing the "New Look in Education" would be wise to invite Mr. Lumsden to speak to them. O. E. Lumsden is the supervisor of guidance and testing in the Muleshoe schools.

Following the short business session, Mr. Lumsden was introduced by Mrs. Gilbert Lamb, who presided in the absence of president, Mrs. Thurman White, and vice-president, Mrs. Glenn Dunn, who were attending the Texas Federation of Women's Clubs state board meeting in Denton.

Mrs. Lee Pool, immediate past president of Muleshoe Study Club is a member of the 7th District Board and will attend that meeting in Lubbock on October 9. Mrs. White also plans to attend the meet in Lubbock.

Plan Yearbook For 4-H Club

Saturday afternoon Mary Gross and June Gray met with Mrs. Harriett Jackson to plan the 4-H club yearbooks.

The program for next year will include records, grooming and crafts. Plans are being made for a bake show and cherry pie contest.

M'shoe Study Club Meets October 9

Muleshoe Study Club will meet October 9 for a study of the traffic problem.

The subject is "Service Through Safety". There will be a film shown during the program which will be held in the home of Mrs. W. B. Wagoner.

SANDRA ALLISON, center, daughter of Mr. and Mrs. Alvin Allison, was installed Thursday evening as Worthy Advisor for the Order of Rainbow for Girls. With her are her officers.

WMA Meeting At O. A. Nowell Home

A business meeting of the WMA of Main Street Baptist Church was held Tuesday afternoon in the home of Mrs. O. A. Nowell with 12 members present.

Mmes. Kay Kimbrough, Joyce Shafer, and Glen Splawn were chosen as messengers to the district WMA meeting in Lubbock.

The program was on church mathematics, with the devotional by Mrs. Glen Splawn. Taking parts on the program were Mmes. Roy Atchinson, J. C. Shanks, Kay Kimbrough, Ruth Kimbrough and Paul Robinson.

MRS. THOMAS APPOINTED TO FHA POSITION

Walter T. McKay, State Director, Dallas, has announced the appointment of Mrs. Lena B. Thomas as Assistant County Office Clerk for emergency loans in the local Farmers Home Administration Office. Mrs. Thomas entered upon her duties Wednesday, October 1.

Mrs. Thomas is a longtime Muleshoe resident. Since her graduation from Muleshoe high school, she has worked locally as Clerk for the P. & S. F. railroad, file clerk for the Muleshoe State Bank, and proof operator for the First National Bank.

GIRL SCOUTS WORK TOWARD SKATERS BADGE

Girl Scout Troop No. 68 met October 1, with 11 members present. Final plans were made for work on Skaters Badge.

Next meeting will be at Pictorial Roller Rink Wednesday, October 8. All girls are urged to be present as we will be in combined meeting with another troop and Mrs. Roberts has offered to come and teach us the necessary steps. Refreshments were served and meeting was closed with taps.

ADDING MACHINE paper all standard widths. Visit The Journal office for your office needs.

Sandra Allison Installed Thursday As Worthy Advisor To Rainbow Girls

Sandra Allison, 17, daughter of Mr. and Mrs. Alvin Allison, and a senior in Muleshoe high school, was installed last Thursday evening as Worthy Advisor of the Order of the Rainbow for Girls, No. 161, in Muleshoe Masonic Hall.

Opal Boothe is Mother Advisor, and other officers include: Sherry Allison, Worthy Associate; Nelda Redwine, Charity; Dolores Waggoner, Hope; Kay Brown, Faith; Pat Thompson, chaplain; Jana Goodwin, drill leader; La Nell Boothe, recorder; Rhonda Johnson, treasurer; Roxanna Hart, confidential observer; Marilyn Green, outer observer; Janie Sanders, musician; and Janet White, choir director.

Sandra chose brown, gold and white for her colors, and her theme is "Loyalty". Her motto is "By Courage and By Faith."

The hall was decorated with bronze mums and autumn leaves. Sandra has attended school at Muleshoe for 12 years and served on the Student Council her sophomore, junior and senior years, and was an officer in her sophomore year. She was a delegate to the state SC convention twice, and has lettered two years in basketball, presently serving as captain of the Mulettes.

In her senior year, Sandra is class president and co-editor of the 1959 annual. She plans to attend the University of Texas after graduation, but has not yet chosen her major subject.

BOOKKEEPING books and bookkeeper's supplies at The Journal.

COOL AND CLASSY—Manhattan designed this shirt for a smart, well-groomed look in long-staple Supima cotton with a novelty handblock print panel on solid ground.

At Home After Trip To Nassau

Mr. and Mrs. Ewell Jennings have recently returned to their home in Fort Worth following a wedding trip to Nassau in the Bahamas. They were married recently in Dallas.

The bride is the former Miss Lucy Mae Yarnell, daughter of Mr. and Mrs. Fremont H. Yarnell, Anadarko, Okla. The bridegroom is the son of Mrs. Pearl Jennings, Muleshoe and L. C. Jennings, 905 Milam, Amarillo.

For her wedding the bride chose a dress of Rosepoint lace over taffeta, styled with molded bodice encrusted with sequins and seed pearls.

Prior to her marriage Mrs. Jennings was assistant professor of business West Texas State College, Canyon. A graduate of the University of Oklahoma, she has been active in many professional, business, education and secretarial groups and is now president of the West Texas Business Teachers Association.

Mr. Jennings attended Texas Technological College and is a graduate of the Woodard School of Photography. While in Amarillo, he was active in the Jaycees organization. He is a past president of the Panhandle Professional Photographers Association.

Presently, he is employed by Chance Vought Aircraft Corporation, Grand Prairie, and Mrs. Jennings is assistant professor of office administration in the Texas Christian University School of Business at Ft. Worth.

MHS Outstanding Boy, Girl Picked

Starting this year the Student Council is sponsoring, each month, the most outstanding boy and girl in M. H. S. Each first period class elects a boy and girl from their room then the teachers pick the most outstanding from this group. We are happy to announce that Gwen Williams and Larry Dunham were picked as the most outstanding boy and girl for the month of September.

This is another step in this year's program to improve student-teacher relationship.

Our pep rallies and bonfires are going fairly well this year. We have had a pep rally before each football game and we will continue this all season. The first bonfire of the year was held before our first game which was

Malcolm Hickman Pre Vet Student At A&M College

Malcolm Earl Hickman, Jr., son of Mr. and Mrs. M. E. Hickman, of Rt. 2, Muleshoe, is a pre-veterinary medicine student at Texas A. and M. College.

He is recording secretary of the Pre-Veterinary Society and YMCA reporter, and is also a member of the cadet corps.

Hickman graduated from Ralls high school.

Rev. Harris Gave Talk For Rotary

Rev. Harlan Harris, pastor of the First Baptist Church of Boulder, Colo., now conducting revival services at the First Baptist Church here, delivered an inspirational talk before the Rotary Club here at its Tuesday noon meeting.

Winfred Walker, of Amarillo, who is conducting the singing for the revival; E. K. Shepherd, church pastor, and T. W. Goar, educational director, also were guests of the club. John Miller had charge of the program.

Norman Thomas was formally welcomed into the club. Plans were made for a good attendance at the annual inter-city Rotary meeting in Lubbock October 16.

REPORT OF CONDITION OF THE FIRST NATIONAL BANK OF MULESHOE

Mission Society Story Told At W. S. C. S. Meet

The Y. L. W. S. C. S. met September 25 in the home of Mrs. Gladys Moore with nine members and six visitors present.

Clayton Moore presided at a brief business session, and Mrs. Hughes gave the optional on Stewardship, telling of the importance of the subject.

Mrs. Mildred Head, secretary of the Missionary Education, gave information on the first Missionary Society, founded in 1792 by William Carey. Twelve societies were formed in America and Great Britain.

In 1810, foreign Missionary Societies were formed by the Congregational Church, and in 1819, the Methodist Missionary Society began with the formation of the Missionary and Bible Societies.

Now the Woman's Society of Christian Service, organized in 1840, has a million and a half members in more than 31,000 societies, 5,000 guilds, and an annual budget of more than \$8 million.

Mrs. June Buhrman, secretary of the W. S. C. S., showed how to have a sacred obligation far beyond the human capacity. We would fail but with the line resource and presence missed us we can accomplish work of God gave us to do. Refreshments were served following the program.

News Briefs From Muleshoe School

By Eugene Howard

Mary DeShazo School
According to Fred White, principal, pictures will be made at Mary DeShazo school Monday and Tuesday. Mr. White also announced that O. E. Lumsden will administer the Primary Mental Abilities tests to the fourth grade on Monday and Tuesday of next week.

The tests will be used only to determine an intelligence quotient for each student, and the results will not be made public. Parents can see their child's score by contacting Mr. Lumsden at high school.

Junior High
E. E. Everett said that the staff has been completed under the sponsorship of Mrs. John Watson and that the school newspaper, the Feed Box Information (FBI) will be published every second week, beginning October 3.

High School
School began at 8:00 Monday morning and was dismissed at 12:00 in order that students might have an opportunity to attend the South Plains Fair at Lubbock. A high percentage of

students attended. Plans are underway for the Muleshoe High School Homecoming which will be October 17. There will be a pep rally and a bonfire before the game. All exes are welcome. The homecoming game will be played against the Otton Mustangs at Benny Douglas stadium. Game time is 8:00 p.m.

Band and Chorus News
Paul Summersgill, band director, announced the completion of the forming of MHS stage band. The members are: saxophones, Rhonda Johnson, Dixon Ray, Sandra Darsey, and Lynn Lenau. Trumpets, Jack Roubinek, Paul Shepherd, Zona Millen, trombones, Linda Millen, Bob White, and Don Finn, piano, Jean LaRue; Drums, Cathy Phillips; bass, Cleotis Davis.

The stage band will collaborate with the MHS choir to present a Teenage Musical Revue to raise funds for new robes. The choir, under the direction of Fawayne Murphy, has already begun rehearsals in earnest for the Revue, which will be the kickoff in the fund raising campaign for new robes.

LEE ROY CORRALEZ PICKS YARDAGE AGAINST SPRINGLAKE

LEE ROY CORRALEZ, fleet-footed Muleshoe halfback, lugs the pigskin around left end after taking pitchout from Derrell Olin. Corralez carried down to the Springlake 20-yard line. No. 36 for Muleshoe is big Bob Camp, 190 pound tackle, set to do some blocking. No. 29 for the Wolverines is Curtis Walker, who made the stop on Corralez.—Staff Photo

Methods will be determined whereby cropping systems can be established that will increase farm income and improve soil productivity.

The survey is scheduled for completion by late 1959. Information from the survey will be available at all times to farmers who are interested in their soil types and estimated capability. Other government agencies will use the information in road construction, land evaluation, and estimating the potential for crop production in the county.

It is the hope of the SCS that the farmers will want and use this information to perpetuate successful farming by learning what the capabilities of their farms are and what conservation practices can be used on each acre of land for proper protection and improvement.

The surveyors will appreciate any information the farmer may be able to give them when the survey is made.

Little League Financial Report

The Muleshoe Little League baseball club ended the season with a balance of \$161.81, after paying operating expenses of more than \$1500. League secretary Lyndal Murray has announced.

The league had donations from sponsors totaling \$1275, plus other collections and donations making the total income of \$1493.21.

Sponsors of teams included the Jaycees, Lions, American Legion, Rotary Club, Lenau Lumber and Piggly-Wiggly.

Major items of expense were \$792 worth of uniforms, and \$492 worth of equipment to outfit the teams.

He was the great lover of his time... the ideal of millions of women. From his slick black hair to his flashing eyes and brilliant smile, he was the average woman's idea of a dream come true.

Through the series of smash hit movies he made... like "The Four Horsemen of the Apocalypse" and the famous "The Sheik"... he portrayed dashing lovers, fearless officers and flashing-eyed Arab chieftains. And he made women swoon.

Then, at the peak of his career, tragedy struck. Black became the gown of the year for women all over the nation. Thousands came and mourned when he was laid to rest. There were many who never forgot him, the silver screen's most famed romantic idol. Few women who were moviegoers then, and few of their husbands, will fail to recall the time when Rudolph Valentino died.

Remember the year?

People admired the sleek good looks of the new cars that year, too... and it was a big buying year. Still, most people looked for savings when they bought, and they got them.

The year was 1926.

If you're looking for real savings this year on a new car, come in and see the new CHEVROLET! Let us give you an appraisal on your present car. You'll be surprised how much we can save you... and how little it costs per month to step up to a new 1958 CHEVROLET!

To Milwaukee

ALLEN BERRY

Robert Allen Berry has reported for duty at the Army installation, Milwaukee, Wis., after having finished his basic training at Fort Carson, Colo. He visited here for a time with his parents, Mr. and Mrs. T. W. Berry, before going to Milwaukee, where he will take training in missiles and telephone communication for several months.

He is a graduate of Muleshoe high school and attended Southwestern State at Weatherford, Okla., for a year prior to entering the service.

"Never before has the American dollar had such good-byeing power."

Col. Inez Haynes Tours Japan On Inspection Trip

ZAMA (HQ, U. S. ARMY, JAPAN) — Colonel Inez Haynes, Chief of the United States Army Nurse Corps left Japan recently following a three-week tour of Army medical facilities in Japan, Korea and Okinawa.

While in Japan, Colonel Haynes visited the U. S. Army Medical Center at Zama, thirty five miles southwest of Tokyo, Japan's capital city; the dispensary at Yokohama; and medical facilities in the southern Japan district of Kure, and the northern section of Chitose, in the interests of Nursing Service activities of the Army Nurse Corps, Office of the Surgeon General.

Colonel Haynes, the daughter of Mr. and Mrs. Floyd Haynes, Muleshoe, has been Chief of the Nurse Corps since 1955. She is a graduate of the Scott and White Memorial Hospital School of Nursing, Temple, Texas, and holds a Bachelor of Science degree in Nursing Education from the University of Minnesota.

During the second World War she served at Walter Reed General Hospital in Washington, D. C., in the European Theatre of Operations, and in Japan with the Eighth U. S. Army occupation forces.

Her trip to the Far East marked her third visit to the Pacific. Colonel Haynes' first Far Eastern trip was also her overseas assignment—to Sternberg General Hospital in Manila in 1939.

They will be given to students of the Mary DeShazo school Monday and Tuesday. Mr. Lumsden wishes to reiterate that the results will not be made public and that parents must contact him to see their child's score.

BURL MARKDIS, 16, son of Mr. and Mrs. Harold Markdis of R. 2, Muleshoe is shown here with two Southdown lambs which with five acres of cotton are his FFA projects this year. He is a junior at MHS and Student Council representative from the FFA chapter, and vice president of his class. Burl won grand champion with his Southdown lamb at the county show last March. His hobbies are calf roping events in rodeos. —Journal Photo

Pleasant Valley Views

by Mrs. Norman Hodges

Norman Hodges is in the Methodist Hospital at Lubbock. He was much better Sunday, but still isn't allowed to have visitors.

Mr. and Mrs. Harold Allison and family attended the parade Monday, then went on to the fair

at Lubbock and spent the day.

Mrs. E. K. Angeley and daughter, Patsy, spent Saturday night and Sunday in Morton, visiting with their grandmother, Mrs. J. E. Crow and with Mr. and Mrs. W. E. Angeley. Mrs. Jewel Crow returned home with them. She had been visiting there about a week.

Mr. and Mrs. E. K. Angeley, Ken, Tubby, and Patsy attended the Amarillo Fair last Monday.

Mr. and Mrs. John West, Johnny, Butch, and Catherine spent the weekend in Borger with Mr. and Mrs. A. F. West.

Dennis McIntyre of Spearman spent Thursday and Friday at

the home of Mr. and Mrs. John West.

Ken and Tubby Angeley, Phyllis Milligan, Henry King, and Judy McCray attended the Lubbock Fair Monday afternoon.

The Pleasant Valley Social Club was cancelled Thursday night because of the rain. The next meeting will be the second week in October.

Billy Free, who is working in Morgan City, La., was home over the weekend.

Mr. and Mrs. Billy Free and children spent Sunday in Earth with Mr. and Mrs. Melvin Bock. Also visiting in the Bock home was Mrs. Free's parents, Mr. and

Mrs. A. F. Wedel of Littlefield, and two of her brothers, Harold and Gerald Wedel, also of Littlefield.

Gerald, Oscar, and Harold Allison were in Ft. Sumner, N. M., on business part of last week.

Visiting in the Norman Hodges home while Mr. Hodges is in the hospital, are Mrs. Hodges' parents, Mr. and Mrs. W. W. Mc-Bee of Brady.

Two New Employees At Johnson-Pool

Two new employees have been added to sales and service staff

of Johnson-Pool Tire and Appliance, it was announced this week.

They are Bill Claybrook and Ray Stewart, both formerly of Plainview.

Claybrook is in the tire department. He is married and has two children, Janice, who is four, and Rickey, who is one month. The Claybrooks reside at 213 Birch street.

Ray Stewart is in the appliance sales division of the store. Stewart and his wife and one daughter, Barbara who is five, live in the Lenderson apartments.

CREPE PAPER all colors. See at The Journal Office. Phones 5400 and 7220.

VISITORS FROM FARMINGTON, N. M. Mr. and Mrs. Winston Burkhardt and family of Farmington, N. M., visited Sunday in the home of Mr. and Mrs. A. H. Owen.

Totally Redesigned Oldsmobile For 1959 On Display At Johnson and Nix

Full details of the totally new 1959 Oldsmobile with brilliant, distinctive exterior and interior styling and two new family-sized body styles, were announced today by Fred Johnson of Johnson-Nix. Olds dealers in Muleshoe.

Johnson stated that the 1959 Oldsmobile will feature increased passenger and luggage space, two completely new and more efficient Rocket engines, more responsive power steering, new Air-Scoop brakes on all four wheels and a host of other engineering and accessory advancements. The car is now on display

at Johnson-Nix. "Oldsmobile for 1959 represents the most outstanding product in Oldsmobile's history in styling, quality and value," Johnson stated. "And our two new Holiday hardtops introduce an entirely different trend in passenger car design," he added.

The Holiday Sports Sedan is a sporty four-door family-size car. The two-door Holiday Scenic Coupe has an entirely new silhouette, a snappy appearance and exceptional visibility in all directions. The two new styles will be available throughout the Oldsmobile line.

An extra large, heat-resistant rear window on the Holiday Scenic Coupe curves high into the roofline to give unparalleled visibility. Rear window glass area on this model measures a big 1792.5 square inches. On the Holiday Sport Sedan the rear window wraps around beneath the extended rear edge of the roof.

Total glass area in all models has been increased up to 36 percent to give increased visibility in all directions. The new "Vista-Panoramic" windshield has up to 570 square inches more glass area and contours deep into the roofline offering an unobstructed view of overhanging traffic signals. Electric windshield wipers, with a wider cleaning area, are standard equipment.

Enochs News

by Mrs. J. J. Brackman

Mr. and Mrs. Joe Don Phillips of Lubbock spent Saturday night and Sunday with her parents, Mr. and Mrs. L. G. Harris.

Mr. and Mrs. E. P. McCall and family visited in Morton Sunday with her parents, Mr. and Mrs. Nath Crockett.

Bula school turned out Monday for the opening day of the Fair in Lubbock.

Ellen and Gail Cash of Friona visited from Sunday until Wednesday with their aunt and uncle, Mr. and Mrs. H. H. Snow.

Visiting in the Doyle Fowler home over the weekend were their daughters, Mr. and Mrs. Don Morgan and Miss Peggy Fowler, all of Dallas. Also Buddy Cook of Morton, now serving in the Navy.

Mr. and Mrs. Zed Robinson spent the weekend in Dallas with Mrs. Robinson's mother, Mrs. Malvina Moore and a sister, Miss Irene Moore.

Mrs. Carl Hall was hostess Friday afternoon to a products party in her home. Mrs. J. J. Brackman was lucky lady for the day. Donuts, Cokes and coffee were served to Meses Brackman, R. P. Call, V. P. Whitfield, J. E. Layton, J. M. Angel and hostess, Mrs. Carl Hall. Mrs. H. H. Snow was the demonstrator.

Mr. and Mrs. Bob Newton and boys visited in Pettit Sunday with Mr. Newton's father, J. M. Newton.

CONVENTION SPEAKER—Wm. B. Paul, Jr., Wilmington, Delaware, immediate past president of the National Consumer Finance Association, will be the luncheon speaker at the annual convention of the Texas Consumer Finance Association Oct. 17 in Fort Worth. An attendance of 200 from all parts of Texas is expected.

A TRIBUTE TO THE LIONS CLUB

We have in this city an aggressive group of men whose business and social ideals are of the highest. Their goal is to fraternize with one another . . . to meet weekly for an interchange of helpful ideas . . . to promote themselves by promoting all American business. These Lions represent some of the finest men in our community. Their families are some of the best in our city. Let's look upon the Lions' Club as a vital factor in the advancement of everybody's interests and give them the support they richly deserve. We proudly salute their organization and their splendid achievements!

Three Way News

by Mrs. Frank Griffith

A study in the Book of Hosea was begun by members of the Goodland Bible Study Club, September 23 at the meeting with Mrs. L. W. Chapman.

Following the study and business meeting refreshments were served.

Bailey Griffith was on the sid list the first of the week.

Patsy Sowder was able to b back in school last week.

Mr. and Mrs. W. C. McCelvey and Gayle spent the weekend in Lubbock visiting relatives.

Mr. and Mrs. Bill Davis attended the fair at Portales Friday.

Football Friday Night

Three Way defeated Snyder in an 8-man football game at Snyder Friday evening. The final score was 16-0.

Three Way plays Spade at home Thursday, October 2. Kick-off time is 8 p.m.

Following the game the mothers of the football boys and members of the pep club will serve refreshments to the guest team and pep club and the home team and club.

Mr. and Mrs. Joe Chamberlain have moved to the community from Lambasas. They will be engaged in farming on the Horace Hutton farm northwest of Stegall, where the late Mr. James Pruitt and his wife resided.

Jake Scott of Causey, N. M. visited Bob Klutts Monday afternoon.

The grade school football team defeated Bula Tuesday evening at Three Way 22-0. The team has a game with Pettit soon.

To State Fair

The FHA girls and their sponsor, Mrs. Adams plan to leave Friday morning for Dallas to attend the State Fair. Several mothers plan to make the trip with the girls.

Mrs. Elmer Baiteas visited her daughter, Bonnie, at Wayland College in Plainview Monday.

Mrs. Florence Bailey fell Thursday morning and bruised her face, hand and hip and pulled some muscles in her leg. She is able to get about with the help of a cane. Mrs. Bailey is 79.

Relatives from Levelland visited in the Lewie Jordan home Sunday.

Fall Pastures May Be Improved With Nitrogen

The application of nitrogen fertilizer at seeding time in the fall will increase the grazing value of small grains and step up their forage production during the fall and winter months. Too, says W. F. Bennett, extension soil chemist, the quality of their forage will be improved.

Nitrogen needs will vary, points out the chemist. Some soils will require no additional nitrogen while others will need from 20 to 40 pounds an acre.

Phosphorus is another plant food that is often needed by fall sown small grain. The amount may vary from none to 40 pounds an acre. On sandy, light textured soils, potash may also be needed, says Bennett.

If fall seeded small grains are

Trinity Baptist Young People Elect Officers

Kenneth Phipps was elected president of the Young People's department of Trinity Baptist Church on Sunday, September 28.

Other officers are Virgil Maxwell, vice-president; Virginia Hickman, secretary; Betty Ogletree, program chairman, and Dorothy Hickman, reporter.

Ten members attended the youth rally held in Parkview Baptist Church of Littlefield last week, and won the attendance banner. Virginia Hickman is secretary of the Youth Rally.

Lawns Need Fall Attention For Better Grass

Now is the time to start thinking about the fall care of lawns, reminds E. M. Trew, extension pasture specialist.

Fertilization should be emphasized, points out Trew. Properly fertilized lawn grasses will go into the winter in a vigorous condition and will remain green longer in the fall and will grow off earlier next spring.

to be used for grain production and not grazed, Bennett says nitrogen should not be applied at seeding time in the areas north of Waco, because of the possibility of winter killing. An early spring application of nitrogen is recommended for these areas.

In order to determine the exact fertilizer needs for a particular field, Bennett recommends soil testing. Complete details on how to take soil samples and prepare them for mailing to a soil testing laboratory may be obtained from local county agents, he says.

Fertilizer should be applied about a month before the first expected frost, advises Trew. If summer grass is pushed into lush growth by late fertilization, it may be damaged by a hard freeze. Applying fertilizer too late prevents grass from getting the most out of it before going dormant.

Apply a complete fertilizer with a 2-1-1 or 1-1-1 ratio at a rate to supply two pounds of actual nitrogen per 1,000 square feet of lawn, recommends the specialist. This amount of nitrogen would be found in 20 pounds of 10-5-5 or 10-10-10, or in 25 pounds of 8-8-8.

After fertilizer has been spread, Trew advises watering it down. Soak the soil to at least six inches deep. Plenty of moisture is necessary, for plants can't use fertilizer until it is dissolved. If the soil is already wet, just wash the fertilizer off the grass and onto the soil.

Ryegrass is sometimes overseeded on Bermuda to give green color during the winter, but Trew says, this is sometimes harmful to the Bermuda. Ryegrass is usually growing in the spring when Bermuda should start and unless the ryegrass is kept closely clipped, it often gives Bermu-

da a serious competition for light, moisture and plant food. If ryegrass is seeded in a Bermuda lawn, Italian or annual ryegrass should be used for they die in the spring. Ryegrass should not be overseeded on grasses other than Bermuda.

For additional information, Trew suggests getting B-203, "Home Lawns", from county agents or the Agricultural Information Office, College Station, Texas.

And these words, which I command thee this day, shall be in thine heart; And thou shalt teach them diligently unto thy children...

—(Deuteronomy 6, 6-7.)

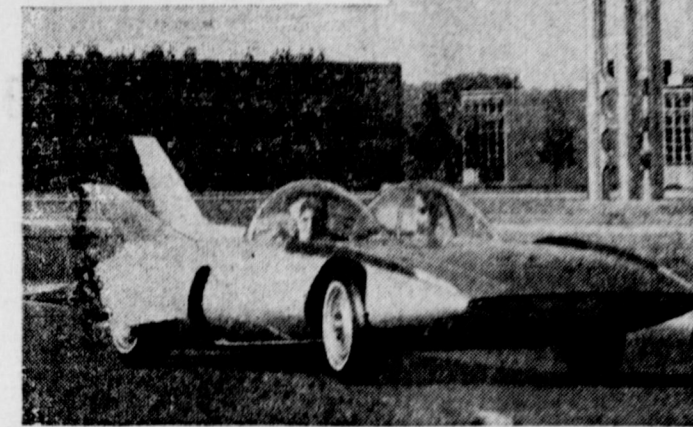

The God of the Hebrews, the same yesterday, today and forever, makes clear the duties of all parents. Juvenile delinquency is but the result of the shirking of parental responsibility.

Space Age Car Stars In Motorama

DETROIT—Firebird III makes a final test run at the General Motors Technical Center before leaving for New York and Boston to star in GM Motorama of 1959.

GM's newest experimental gas turbine car is guided by a single stick located between the two passengers which takes the place of conventional steering wheel, brake pedal and accelerator.

Missile-like in appearance, it has two engines and uses space age electronics and transistors. It will team with GM's 1959 cars in the Motorama to show the public the latest in automobiles of today and tomorrow.

VISITING J. H. SAIN

Mr. and Mrs. Oscar Simmons, from San Jose, Calif., are visiting in the home of her mother and father, Mr. and Mrs. J. H. Sain.

Mulshoe Mules Meets Tough Dimmitt Eleven Friday Night

The tough Mulshoe Mules face their toughest opposition tomorrow (Friday) night of the season so far, as they travel to Dimmitt to tackle the potent Bobcats.

The tough Dimmitt eleven had never had their goal line crossed until last Friday night when the Abernathy Antelopes turned the trick twice, in winning 14-6.

The Mules meanwhile had little difficulty in stopping the Springlake Wolverines by a score of 36-0, while not showing too much of their offense. The second team was run in early in the third quarter to give them some experience and give the first stringers a breather.

The Mules will be out to even things up with the Bobcats, who beat them out for district honors last year in a hard fought battle last year. The Dimmitt eleven edged the Mules by a five

point margin.

The Mules will depend heavily on Shafer, the little scat-back who didn't carry the ball but two or three times last week. Also Derrell Oliver, the versatile quarterback, who has proved that he is as good as any back in the district with his bonk crushing rushes and deadly tackling. Gerald Shanks, the plunging fullback, can hit the middle for needed yardage, and is a little speedster when out in the open. Lee Roy Corrales, in other halfback, came into his own in last week's game against the Wolverines. He is a deceptive runner and has a lot of power for a halfback. He is also a hard boy to catch when he gets beyond the line of scrimmage.

The Mules will be trying every trick in the bag Friday night in what should prove to be the best game of the season against the Abernathy Antelopes, who are picked to win the district race.

Let's all go to Dimmitt Friday night and show the boys we are behind them all the way. We think we have a possible district winner this year, and with a lot of backing could be District champs for 1958.

Bula Bulldogs Beat Spade 41-20

The Bula Bulldogs came to life in the last three quarters as they downed Spade, 41 to 20, in a six-man football game Friday night.

Spade jumped off to a 6-0 lead in the first quarter. Another touchdown was added in the third period.

Bula jumped into the second quarter by pushing across three touchdowns. Two more were added in the third and another in the final period.

Norvell Roberts was outstanding for Bula with a 62-yard TD in the third quarter. Roberts also scored on a four yard sprint in the second. Lee Pearson had set up the touchdown on a 64-yard scamper.

District 2AA Teams Win 3 of 5 Games

In the "Game of the Week" of AA South Plains teams, the Dimmitt Bobcats and the Abernathy Antelopes met head on last Friday night with Abernathy edging out the Bobcats 12-6.

Not only was this the first loss for Dimmitt, but it was the first time their goal line had been crossed all year. In winning this game, the Antelopes kept their slate clean, as they have won four games in a row.

The Mules meet the Bobcats Friday night at Dimmitt, in what should prove a thriller and

also how the Mules may fare in the district outcome. The Muleshoe eleven also meets Abernathy in the last game of the season on November 14, in a game which should decide the District 2-AA winner.

The Friona Chiefs of District 1-AA also rolled to their fourth win of the season as they dumped the Whiteface Antelopes behind quarterback Jim Roy Clements, 20-0. The Mules will invade the Chief's territory on October 3 for their final game before District play begins. The Friona squad has been showing more power as the season rolls along and should make it mighty rough in Conference 1-AA.

The Olton Mustangs came alive Friday night to down the Hale Center Owls, 34-8, a team which the Mules only beat 36-20 two weeks ago. Halfback Royce Bodkin scored four of the five touchdowns for Olton. Olton will meet the Hereford Whitefaces at Olton Friday night.

The Morton Indians fell to the onslaught of the Farwell Steers Friday night 48-0. The Morton team has had a rugged year, as they have won two games and lost two games for a 2-2 record early in the year.

Morton, who the Mules have been playing every year, was moved up into the 2-AA bracket this year with the Mules. They lost heavily from last year's powerful eleven and haven't been able to find the winning combination. Morton meets Muleshoe here on October 31.

The second 2-AA team to lose over the weekend was the Lockney Longhorns, as they fell before the Ralls Jackrabbits 15-0. The Longhorns and the Mules tangle on November 7 at Lockney in another District game.

Wilcy Moore Back On Job Here and Is Mighty Glad

Wilcy Moore is home from the baseball wars and mighty glad to be back in old Bailey County and back on his job. Wilcy is foreman at the Muleshoe plant of Union Compress Company where his brother, Don, is manager.

Hurt while playing with Portland of the Pacific Coast League earlier in the season, Wilcy was sold to Rochester of the International League. It took him some time to get back into playing condition, but he got into the line up for the last 15 games of the season.

Rochester was in the play-off for the pennant, lost out to Toronto, which club is now in the "Little World Series" with Montreal.

Mulshoe Mules Roll Along Defeat Springlake 36-0 Friday Night

SECTION TWO - 8 PAGES
The Muleshoe Journal
 MULESHOE, TEXAS, THURSDAY, OCTOBER 2, 1958
 Editorial Page - Features
 Farm News - Sports

The Mules walloped the Wolverines here Friday night 36-0 before the smallest crowd this year at Benny Douglass Stadium.

The Mules took the opening kickoff on their own 46 and marched 54 yards for a TD behind the running of fullback Gerald Shanks and halfback Lee Roy Corrales. Derrell Oliver ran the remaining one-yard for the first Mule touchdown. The extra point try was no good.

The Wolverines couldn't move the ball for much yardage after the Mules kicked following their touchdown, and they punted out on the Mules 40. On the third play from scrimmage Oliver spotted Shafer behind the Springlake deep men, hit him with a beautiful pass and Shafer went over standing up. This time Oliver ran the extra point over.

Shanks started things off right on the first play in the second quarter, running the ball from the Springlake 30-yard line down

to the 10. From 2 yards out Corrales scored his first touchdown of the year around left end. Oliver again ran the extra points over.

In the third quarter Derrell Olive intercepted a Wolverine pass on Muleshoe's 40-yard line and ran it back to the Springlake and ran it back to Corrales again 10. Lee Roy Corrales again showed his old form as he ripped the remaining 10 yards for the third Muleshoe touchdown. Oliver again ran for the extra points.

Coach Mantooth ran his second unit out onto the field early in the third quarter to relieve in the first squad. They showed a lot of hustle as they held the Wolverines at bay. Marlon Mills, reserve quarterback, punted from the Springlake 35, the ball rolling out on the Wolverine's 2-yard line. From here the Springlake eleven managed to work it out to the 4 before they punted. The Mules worked the ball down to the 4-yard line from where Marlon Mills plowed through for another Mule touchdown. The try for extra point was no good.

Shanks and Corrales kept the Wolverines offside with their fast breaking and power driving. Both these boys carried the brunt of the Mules' attack and showed good power and break-away running. Corrales, who has been hampered with a bad ankle all season, showed his 1957 form as he scored twice for the Mules and picked up consistent yardage.

Kress Kangaroos Defeated The Lazbuddie Longhorns 14-6 Friday

The favored Kress Kangaroos defeated the Lazbuddie Longhorns Friday night 14-6.

The game was played at Longhorn Field which remained muddy from two days of rains that reduced attendance to 150.

Lazbuddie scored first in the opening quarter when Derrell Jennings passed to Ronnie Briggs

who scored from six yards out. Neither team scored in the second quarter. The Kangaroos finally reached pay dirt in the third quarter when King ran for a touchdown on a 35-yard dash. King scored again in the fourth quarter on a 20-yard scamper, two extra points.

TOP TEN

The Black Knights of Muleshoe jumped from eighth to fifth place in this week's Amarillo Daily News Top Ten football teams on the South Plains, after the thrashing they administered to the Wolverines last week.

They were also picked way ahead of the Dimmitt Bobcats, who they will meet at Dimmitt Friday night.

The Top Ten selections are as follows:

Team	Record
1. Perryton	(3-0)
2. Abernathy	(4-0)
3. Floydada	(4-0)
4. Quanah	(3-1)
5. MULESHOE	(3-0-1)
6. Friona	(4-0)
7. Tulia	(2-2)
8. Dimmitt	(3-1)
9. Canyon	(2-2)
10. Lockney	(2-2)

TV Stars To Shine At Prison Rodeo

With five big-name stars added to the usual thrilling regular events, the Texas Prison Rodeo—now in its 27th year—offers the greatest entertainment feature in its colorful history.

On four successive Sundays in October, the Texas Prison Rodeo will feature top-flight television western stars, in addition to Tommy Sands, the singing idol of millions, who will appear on October 26.

Richard Boone of "Have Gun—Will Travel", comes to Huntsville on October 5; Dale Robertson, "Tales of Wells Fargo" on October 12; Ward Bond, "Wagon Train", on October 19, followed by Robert Culp of "Trackdown" on October 26, along with Sands.

"This is a chance in a lifetime to see such a galaxy of stars", commented H. H. Coffield of Rockdale, chairman of the Texas Board of Corrections.

Coffield pointed out that each star has agreed to make a benefit personal performance in order to help swell the prisoners' welfare fund which provides necessary services not furnished by the state.

Although ticket sales for each performance are brisk, Coffield said there are plenty of good reserved seats available and arrangements are being made to assure everyone a seat in the prison's \$1 million stadium.

"Our 'shower of stars' plus the performance of devil-may-care inmate riders", Coffield added, "assures rodeo fans of a show they'll not find elsewhere."

Reserved seats are \$2.40 and \$4.40 each and may be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

National Newspaper Week

OCTOBER 1-8, 1958

National Fire Prevention Week Set For Observance From October 5 - 11

Fire prevention is the best defense against fire. By not giving a place to start, reports the Texas Farm and Ranch Safety Council, the nation's annual farm fire losses of about \$150 million can be cut in half.

First, they say, use foresight and care to avoid all needless fire hazards in building, equipping, maintaining and using farm property. Management of the farm and woodlands is included in this suggestion.

Secondly, they warn that farm families should be prepared to fight a fire as soon as it is discovered. Prior training for all members of the family in the use of safe and effective fire fighting equipment is suggested by the councilmen. Fire extinguishers should be checked regularly and kept in readiness wherever needed—in and near the home and other buildings, and on

trucks and tractors. Thirly, they suggest organizing to provide community fire protection with trained men and equipment sufficient to put out or control large fires. Such a community effort makes for more protection of life and property and better fire prevention, they say.

Finally, the state safety group advises all farm families to do some hazard hunting in their homes and on their farms. Since approximately one-third of all farm fires start from defects in heating and cooking systems, they suggest that flues, chimneys, spark arresters and cooking equipment be checked first. Then check for inadequate, defective and misused electrical wiring systems or appliances. Give the fuel storage facilities a close check and make sure the storage area is neat and arranged for fire safety. All lightning rods should be checked to see that they are grounded and securely connected and surge arresters at electrical entrances should be checked.

steps at a time. Without that light I might have run against trees or stepped in water. I might even have lost the way.

We all are wanderers along the path of life. Those who spend their lives without paying any attention to the Bible may be compared with a wanderer in the dark and having no light. Whoever chooses God's Word for his guide goes his way in the light, for God is light. The Bible teaches us to walk in the light.

God's Word guides us to knowledge of truth and righteousness. By reading the Bible frequently, the Word opens to us. It gives light and understanding to the simple-hearted, to those who have childlike faith.

PRAYER

Dear Father, we thank Thee for Thy holy Word. Help us to find in it inspiration, strength, and light for the living of this day. Give us the taste for Thy Word, so that we may be able to acquire strength and light from it. Use us to spread the light of Thy Word to others; through Christ, Thy dear Son, Amen.

THOUGHT FOR THE DAY

God makes our steps firm through His Word.
—Ensis Lehtonen (Finland)

ATTEND TEA

Mrs. Thelma Gage of Circleback, International president of LAMP, was honored with a tea in the Sudan community building Sunday afternoon.

Those attending from Muleshoe were Mr. and Mrs. Tom Berry, Mr. and Mrs. Arlie Thomas, and Mr. and Mrs. A. H. Owen.

Make Your Dollars Perform

SHOP \$ DAY MULESHOE MONDAY

God is our refuge and strength, a very present help in trouble.—(Psalm 46, 1.)

There are times when even the most aggressive, forceful, self-assured among us must know, in their secret hearts, that their human strength is not enough—that God alone can help them in their trouble. Those who humbly, truly, live within Him "will not fear," though the earth be removed."

BABSON DISCUSSES AFRICA

Babson Park, Mass., Oct. 2 — When you read this column I expect to be on the high seas heading for Africa. You probably think this is a foolish thing for me to do, but following are some good reasons. In view of what I have said in these columns about gold, copper, uranium, oil, wool and other metals, I am determined now to get first-hand facts. After so doing I will either correct my statements or confirm them through these columns. Africa is the best place to obtain such definite information today.

Outlook For Gold

I have made reference in these columns to inflation and to investment in gold stocks at this time. If we enter into real inflation, gold stocks will go up. They have already made advances; I will, however, be able to talk

with men who do know the gold mines of Africa. Furthermore, these men will talk personally to me when they will not write frankly. If our country continues on its crazy spree of spending, some of these gold stocks should present a good chance to make an honest dollar.

Outlook For Copper

Are copper stocks now a bargain? Copper as a commodity has fallen in price during the past two years from around 40 to a present price of about 26. Sometime during this current crisis in the metal, copper stocks will reach their low point, if they have not already done so. My favorite stock is Phelps Dodge. This stock, however, has only declined from a price of 76 to around 55 today. Africa is a large producer of copper and may ultimately determine the price of the metal, and hence when to buy copper stocks.

I am taking with me a column on copper which I have already written and will correct while in South Africa; and I will then mail to Babson Park a corrected copy to be released therefrom. Let me add that three African copper stocks are already listed on the N. Y. Stock Exchange.

Uranium and Oil In Africa

There are a few good uranium investments in properties located in the U. S. on the Colorado Plateau; but most good uranium mines on this continent are in Canada. Your broker should be familiar with such properties. The greatest amount of uranium however, is now coming from Africa. Your broker probably knows African uranium mines only by hearsay. I expect to get the actual facts.

Certain large corporations are now frantically drilling for oil in the Sahara Desert as a hedge against Near East losses. I must visit Africa because the African uranium is largely in the tailing dumps of existing gold mines. They do not have real uranium mines such as exist in Colorado and in Canada. I do not intend to visit these dumps or the very interesting diamond mines. However, I will be able to talk personally with men who do know the prospects for both African oil and uranium.

Watch DeGaulle Operate From Paris

If France did not have large oil and mineral holdings in Africa, de Gaulle would never have accepted the great responsibilities which he has assumed. He knows that Africa has become the great storehouse of the world. He believes that the nation which properly controls and develops Africa will be the world's greatest nation. De Gaulle plans on having the Paris Bourse take the place of the London Stock Exchange in connection with these mining and oil developments. I know Paris, and in fact once had an office there. One mission of my present trip to Africa is to ascertain how de Gaulle will succeed in his magnificent program and with what financial institutions he will work. He today is probably reading the life of Cecil Rhodes, which I have just finished reading.

Yours faithfully,
J. A.

Sandhills Philosopher Up In Arms Over Scientist Who's Glad He Escaped Becoming A Farmer

Editor's note: The Sand Hills Philosopher on his Johnson grass farm seems a little riled up this week. He'll get over it. Dear editor:

There are some days when I'd just as soon not have seen a newspaper.

Yesterday I was reading along fairly contentedly, some people get excited over world events but they've been going on so long I've gotten used to them, when I ran into a statement that flabbergasted me.

A famous scientist was leaning back in his chair recalling his early days and he said a school teacher was responsible for his being a scientist.

"If it hadn't been for her, why I probably would be farming now," he said, with considerable self-satisfaction, as though he'd escaped ditch-digging or the penitentiary.

As I understand this, the better the teacher you have, the less likely you are to become a farmer, and I'll admit that at first this made me mad. One of the loudest arguments I ever heard for improving the teaching profession. Then I began to ease up a little.

Maybe some farmers had rather be scientists than farmers, and maybe some teachers mea-

sure their failure by the number of their pupils who fall into farming, but I don't believe I'd be willing to swap. I haven't won any gold medals for scientific achievement, but on the other hand you can't pin the hydrogen bomb on me. I haven't sailed a submarine under the ice at the North Pole, but on the other hand I've spent some mighty comfortable times under a tree in the shade on this Johnson grass farm. Every man to his own taste, and if every teacher had been as good as that scientist's teacher, and there weren't any farmers left, a lot of scientists would be getting mighty hungry.

On the other hand, I don't mind if this scientist figures he escaped a terrible fate because he had a good teacher. After all, if I'd had a different set of teachers when I was in grammar school, maybe I wouldn't be farming now. No telling what I might be doing. Might be a banker, a lawyer, a store keeper, an insurance salesman, why I might even be editing a newspaper or even teaching school. I'll tell you, a man never knows what a debt of gratitude he owes his teachers.

THIS WEEK —In Washington With Clinton Davidson WASHINGTON RED INK

We Americans have become distressingly blasé about the rate at which the Federal government is spending our money and sinking us deeper and deeper into debt.

A statement by the Bureau of the Budget that Federal spending this year will exceed income by more than a billion dollars a month caused no more than a mild ripple of public interest.

Maurice H. Stans, Director of the Budget, tells us that Uncle Sam is spending at a peacetime record rate and that by the end of this fiscal year the public debt will reach a new all-time record of \$283 billion.

For each \$350 the average American—man, woman and child—pays in Federal taxes, either directly or indirectly, Washington will spend \$420.40 during the fiscal year that ends next June 30.

Your Owe \$1,645. Your share of the Federal debt, by next June 30, will amount to a record total of \$1,645. That will be the per capita national debt, and it will be an increase of \$70.45 from last June 30.

You may never pay off that debt, but you can't escape paying your share of the interest on it, amounting to \$42.50 a year. It costs the Treasury Department \$7.3 billion a year to pay the interest on the debt.

Congress either appropriated or authorized \$79.2 billion to be spent this fiscal year by Federal agencies. That is \$12.2 billion more than estimated tax collections of \$67 billion.

The record peacetime deficit is in sharp contrast with the official estimate last January that the

government would end this fiscal year with a "net surplus" of \$500 million in income over outgo.

Mr. Stans explains this "mistaken estimate" by pointing out that (1) Congress okayed spending of \$5.3 billion more than was budgeted, and (2) tax collections now are expected to fall \$7.4 billion below the earlier estimate.

Where Your Money Goes

The biggest slice of your tax dollar, as well as the increase in debt, goes for items under the general heading of national defense. Defense spending will set a peacetime record of \$40.8 billion.

Interest on the national debt at \$7.3 billion is second, farm aid is third and foreign aid is fourth. The largest increase over the January budget was an added \$1.6 billion for the Department of Agriculture.

The Post Office Department, despite increased mail rates, expects to spend \$735 million more than it collects in stamp sales. That is due to the increase in wages voted postal employees by Congress, Mr. Stans explains.

Other increases over last year include \$225 million for Health, Education and Welfare Department public assistance grants and research; \$199 million more for the Export-Import Bank; \$225 million for surplus sales of farm products, and \$92 million for the newly authorized Small Business Administration loan program.

We asked both the Republican and Democratic national headquarters for a list of what they consider the major political campaign issues. Neither mentioned Federal spending or the public debt.

News Of Men In Service

COMPLETES COURSE FORT CHAFFEE, ARK.—Army Pvt. Harold L. Jones, 21, son of Mr. and Mrs. Lee A. Jones, Rt. 1, Farwell, recently completed the eight-week administration course at Fort Chaffee, Ark.

Jones received instruction in typing, filing and Army clerical procedures.

Jones is a 1955 graduate of Farwell high school, attended Eastern New Mexico University and attended West Texas State College. He was a farmer in civilian life.

BEIRUT, Lebanon — Carl L. Houston, boatswain's mate third class, USN, son of Mr. and Mrs. Ike Houston of Rt. 5, and husband of Mrs. Faye L. Houston, all of Muleshoe, is serving aboard the amphibious force flagship USS Poccano attached to the U. S. Sixth Fleet off Beirut, Lebanon.

The Poccano, flagship for the Commander of Atlantic Fleet Amphibious Group Four, has been in the Lebanon area since heading the amphibious and Marine Force landings in mid-July.

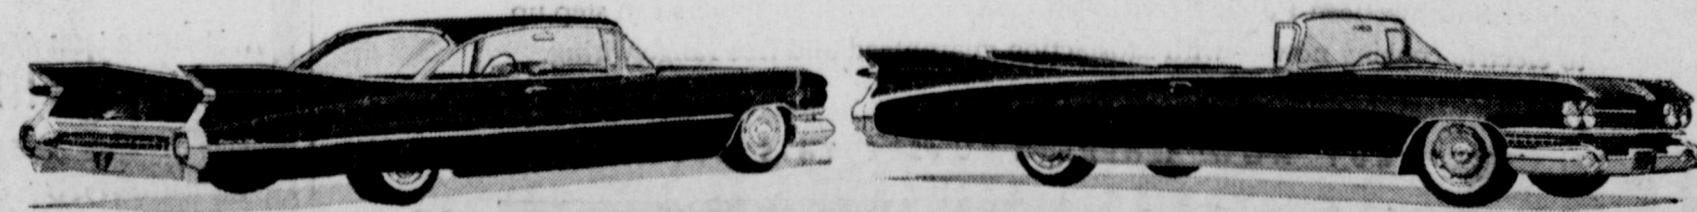

PROUDLY PRESENTS FOR 1959 A DRAMATIC NEW REALM OF

Cadillac Motoring Majesty

A single glance tells you, beyond any question, that these are the newest and most magnificent Cadillac cars ever created. Dazzling in their beauty, enchanting in their grace and elegance, and inspiring in their Fleetwood luxury and appointments—they introduce a new realm of motoring majesty. And a single journey at the wheel will reveal another unquestionable fact—that these are the finest performing Cadillacs ever produced. With a spectacular new engine, with a more responsive Hydra-Matic drive, and with improved qualities of ride and handling, they provide a totally new sense of mastery over time and distance. This brilliant new Cadillac beauty and performance are offered in thirteen individual body styles. To see and drive any of them is to recognize a new dimension in automotive quality and goodness. Why not do both—soon? Your Cadillac dealer invites you to visit his showroom at your earliest opportunity.

By appointment to the world's most discriminating motorists!

Cadillac's noblest advancement in styling and engineering!

LAZBUDDIE NEWS LETTER PTA Sets Meeting 7:30 PM Monday Eve

Mr. and Mrs. Alford Scott will be celebrating their 50th wedding anniversary, Sunday, October 5. Their children, Mr. and Mrs. Hubert Elliott, Mr. and Mrs. Leonard Elliott, and Mr. and Mrs. Glen Scott are honoring their parents, on this day with "open house" at the home of Mr. and Mrs. Hubert Elliott. They wish to invite all friends, relatives and neighbors to drop by for a chat, beginning at 3 p.m.

P-TA Meets Monday
The Lazbuddie P-TA will meet Monday evening, October 6. The time has been set up to 7:30 in order that the children will not be kept up too late. A short musical program will be presented. The membership committee wants to urge all the people of the community to join the P-TA and get their dues in at this

meeting.

Wilson-Lazbuddie Game
The football game between Wilson and Lazbuddie will be played here, Friday evening and this will be the last home game until November 7. Don't forget the P-TA sponsored concession booth.

Mrs. Ira (Jeanine) Wimberley is reported to be in good condition, following major surgery in the Friona hospital last Tuesday.

Practically all of the high school students attended the Lubbock Fair on Monday. Also a number of parents were seen at the fair on Monday and more were expected to go as the week progressed.

Miss Della Stagner from Here-

ford spent the weekend with Miss Grace Paul. Della and Grace are former school and roommates.

Homecoming October 4

Don't forget the Homecoming for all the ex-students and teachers at the school cafeteria, Saturday, October 4 with a barbecue supper being served. This is sponsored by the athletic department and the public is invited.

Mr. and Mrs. O. M. Jennings spent the weekend in Friona with the Elvie Jennings family.

Mr. and Mrs. Rufus Carter left Tuesday morning for a few days visit at Mangum, Okla., with his mother, Mrs. S. A. Carter, a hospital patient.

Mr. and Mrs. R. L. Forrester spent the weekend in Levelland with their daughters and families. Little Ronnie Crabtree came home with them to visit this week. On Monday, Mr. Forrester's cousin, Mr. and Mrs. Lewis Klesling from Levelland visited in the Forrester home.

Mr. and Mrs. Gene Phillips, Mr. and Mrs. Clayton Ray Graef and James Welch spent the weekend at Palo Duro Canyon as sponsors of a church youth retreat. While the Phillips were gone, Sandy and Chuck visited with their grandmother, Mrs. Hazel Phillips in Portales and Jerry and Bobby stayed with the C. C. Graefs.

Mrs. W. S. Menefee went to Hereford last Wednesday and visited the rest of the week with the Sam Long family. On Thursday she attended the annual WMU meeting in Canyon.

Attending the WMU meeting in Canyon last Thursday were Mmes. Wesley Barnes, Claude Heath, Bill Curry and F. W. Greene.

Sunday visitors in the C. A. Watson home were Mr. and Mrs. Forrest Collins and Johnny from Springlake and Mr. and Mrs. R. C. Cline from Muleshoe.

Mrs. J. H. Brown from Slaton is visiting this week with her son, Mr. and Mrs. Andy Brown and daughter. The elder Mrs. Brown is recuperating from recent surgery.

Dinner guests in the Alfred Steinbock home Sunday were Mr. and Mrs. Judd Clark, Emil Hansen and Mr. and Mrs. David White and twin babies.

Mr. and Mrs. Howard Carpen-

ter and daughters, Jimmie and Sussie visited Saturday in Lubbock with another daughter, Mr. and Mrs. Neil Ross. On Saturday night Jimmie and Sussie attended the Tech-West Texas game.

The J. B. Young family attended the fair in Amarillo Saturday. While there Cooper attended a district 4-H council of which he is vice-president.

Sunday visitors in the Jackie Brown home were Mr. and Mrs. Glen Splawn, Muleshoe; Mr. and Mrs. Woodie Splawn, Whiteface, and Mr. and Mrs. C. M. Splawn.

Mr. and Mrs. J. L. Shuping from Kress spent the weekend with her sister, the Willie Steinbocks. Other visitors in the Steinbock home on Sunday were her mother, Mrs. Annie Vaughan and Sheila Vaughan.

Mr. and Mrs. Frank Hinkson and boys attended the fair in Amarillo on Tuesday.

Mr. and Mrs. J. B. Thomas and family had as their Sunday guests, Mr. and Mrs. Vaughan Keith, Farwell and Mr. and Mrs. Virgil Echols from Clovis.

Sunday visitors in the Bill Lancaster home were Mr. and Mrs. Pete Lancaster from Slaton and Mr. and Mrs. Bobby Donaldson, Clovis. The Lancasters also brought along their new grandson, Bobby Teffertiller to show to the great-grandparents.

Mr. and Mrs. Ed Little and boys from Muleshoe were Sunday visitors in the J. R. Harris home.

Mr. and Mrs. John Agee and Mr. and Mrs. Walter Steinbock spent last week at Hot Springs, N. M.

Mr. and Mrs. Lacy Hardage were in Las Vegas, N. M., on Sunday.

Visiting with Mr. and Mrs. Frank Hunt on Sunday were Mrs. Gene Briggs, Vicki and Ricky from Lubbock, Mr. and Mrs. Billy Hunt and Mike, Muleshoe, and Mr. and Mrs. Donald Dean, Littlefield and Donnie, Vicki Briggs stayed this week with her grandparents for a visit.

Mr. and Mrs. Paul Zahn spent the weekend with the John Zahns in Farwell.

Mr. and Mrs. Y. B. Mayfield have moved back in their home, and Mr. and Mrs. Bob Grissom from Anson are staying with them.

Mr. and Mrs. Junior Stout from Plainview and Mr. and Mrs. Donald Runyon from Earth visited Sunday in the Barney Floyd home.

Mrs. Emily Smith from Le-flores, Texas, spent last week visiting her daughter, Mr. and Mrs. Tice Hugg.

Dee Chitwood and Eugene Redwine spent the weekend fishing at Conchas.

Dinner guests in the home of Mr. and Mrs. Max Steinbock on Sunday were Mr. and Mrs. Gene Smith and son, Mr. and Mrs. Ted Treider and children, Mr. and Mrs. Beardean Broyles and Becky, and Mr. and Mrs. Jimmie Black and Timmie.

Mr. and Mrs. Finis Jennings visited Saturday night in Farwell with the Billy Watts.

Rally Day At Church
Rally day was held at the Methodist church Sunday with a basket lunch being served at noon following the morning service. Special services were conducted in the evening with the youth taking part.

Kirby Carrell from Lubbock spent the weekend at home with his parents, the Thomas Carrells.

Entertain Football Squad
Following the Lazbuddie-Kress game Friday night, a group of ladies served sandwiches, cookies, potato chips, tea and milk to the local ball players, and also to the pep squad. Hostesses for the affair were Mmes. Purl Tiptie, Harold Wilson, Duane Darling, J. G. Ward, Neil Bradshaw, Dalton Mimmis, John Bond, Roy Daniels, J. J. McDonald, Albert Clark, John McGehee, John Gammon and Pete Mimmis.

FFA Elects Officers
The FFA boys met last Monday afternoon and the following officers were elected:

President, Duane Teague; vice-president, Clyde Redwine; secretary, David Tarter; treasurer, Roy Max Miller; reporter, Billy Hardage; sentinel, Norman Brantley. The week before, the boys, accompanied by Mr. Black, attended the barbecue supper and visited the research station at Halfway.

Rex Steinbock and Ralph Broyles were in Farmington, N. M., the first of the week, completing the move of the Ralph Broyles family to Lazbuddie. The Broyles are former residents of this community and they have four children.

**COTTON is a
Major Factor In Bailey
County's Economy**

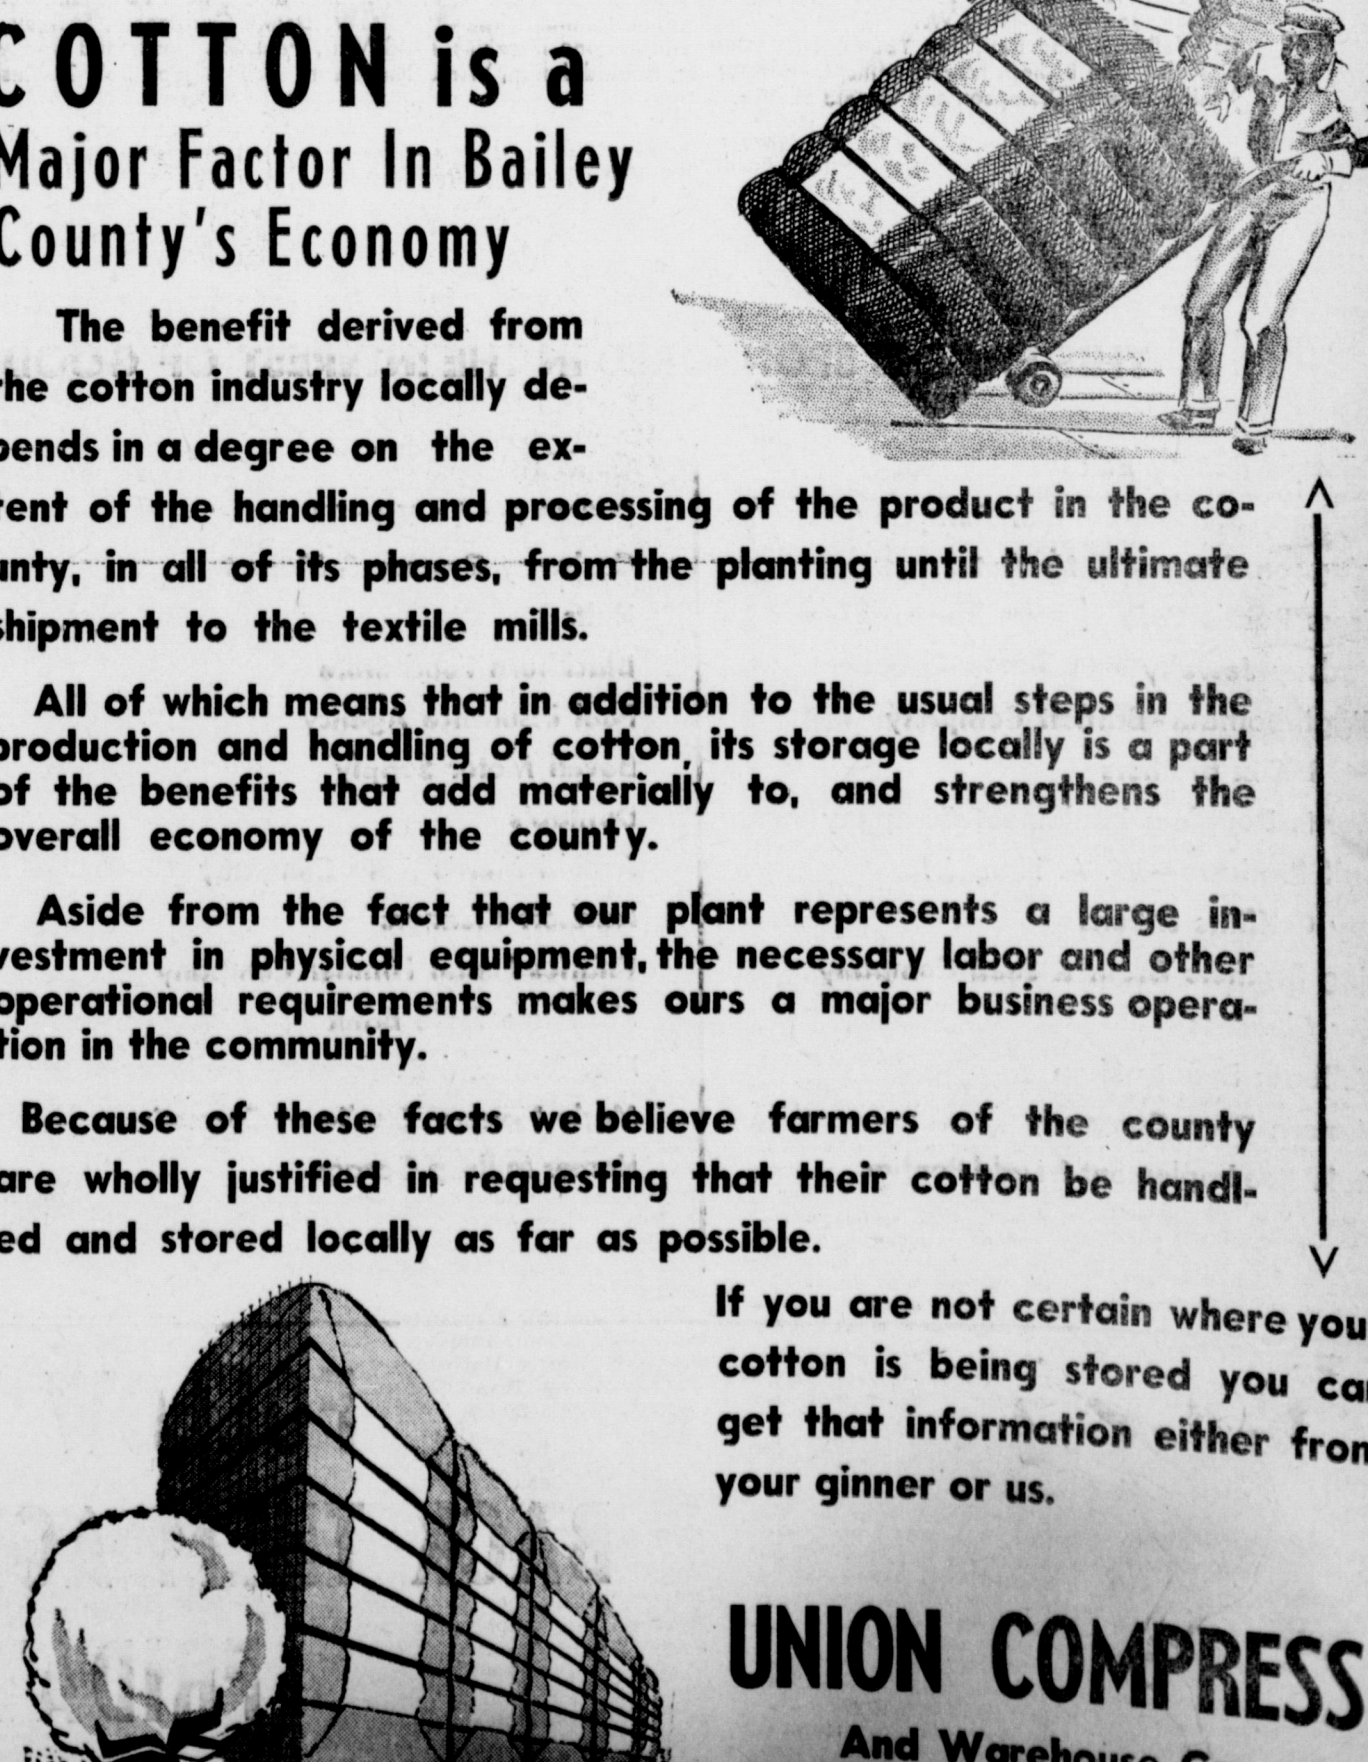

The benefit derived from the cotton industry locally depends in a degree on the extent of the handling and processing of the product in the county, in all of its phases, from the planting until the ultimate shipment to the textile mills.

All of which means that in addition to the usual steps in the production and handling of cotton, its storage locally is a part of the benefits that add materially to, and strengthens the overall economy of the county.

Aside from the fact that our plant represents a large investment in physical equipment, the necessary labor and other operational requirements makes ours a major business operation in the community.

Because of these facts we believe farmers of the county are wholly justified in requesting that their cotton be handled and stored locally as far as possible.

If you are not certain where your cotton is being stored you can get that information either from your ginner or us.

Get Ready To Store Summer Clothes
Soon it will be time to put away some of those summer clothes, and bring on the fall and winter garments.
Start now to store some of the lighter things. Right storage will increase the life of summer clothing, and make all garments more wearable for the next season.
Mend any ripped seams, tears, loose buttons or other damages. A few stitches can save the life of a garment.
Wash or dry clean all garments before storing.
Store cottons and linens unironed. Make certain all starch is removed. It can cause fabric to deteriorate and may attract silverfish.
Dry garments thoroughly and store them in a dry place to prevent mildew.
Store in large boxes or trunks to make room in closets for fall clothing.
Start School Year With Better Breakfasts
September—and the opening of

school—means a "fresh start" for most family members in one way or another. It's also the time when eating habits are re-established for the school and work days ahead. It's a fine time to establish good breakfast habits for every member of the family.
Eating a good breakfast pays off in efficiency, alertness and better health. There's lots of proof for that statement. Research has shown that breakfast skippers rob themselves of potential alertness and efficiency during late morning hours, and that dieters are wrong if they think missing breakfast is a practical way to lose weight.
Aim for an adequate breakfast. That means one that will provide one-fourth to one-third of the day's total food requirements in calories and nutrients. It should include these basic foods—fruit or fruit juices, cereal or eggs and meat, or both, whole or enriched bread, butter or margarine, milk and coffee.
Be a better breakfast booster—start with yourself and other family members to help improve breakfast eating habits of all age groups.
Washer Itis
Overloading a washing machine is a common cause for

CAP SQUADRON RECEIVES CHARTER

Lectureship At LCC Begins Sunday

The second annual Biblical lectureship of Lubbock Christian College will begin Sunday night, October 5, with a mass meeting at the Lubbock Municipal Auditorium and continue through Wednesday, October 8. Dr. George S. Benson, president of Harding College, Searcy, Ark., and a well-known lecturer, will be keynote speaker at the opening meeting. His topic will be "God Calls us to Great Service."
On Monday morning the program will shift to the new administration building of Lubbock Christian College, with classes beginning daily at 9 a.m. Eight classes, covering a wide range of church activities, will be offered by teachers and ministers of Lubbock and vicinity. A chapel program for students and visitors will be conducted each morning at 10, followed by missionary reports at 11 o'clock.
Panel discussions, lectures and a second series of classes will fill the afternoon program. Six classes will be offered at 4:15 p.m. daily.

Water Study Set By High Plains Farm Advisory Council

A new water study program will be included in the 1959 research program at the High Plains station of the Texas Research Foundation at Halfway. This program proposed at the June meeting of the advisory council received the final approval of their Fall meeting during the second annual field day, September 17. A new staff member, to be added January 1, will have charge of the research on irrigation, the recharge well, saving of surface water by use of a centrifugal pump for irrigation or recharge, conservation of tail water and relationship of irrigation to fertilization and to crop quality yield. Some of these projects, already in operation, will receive more intensive study with the employment of the new staff member.

The research program for 1959 and the budget to make the program possible were established at the council meeting.

C. H. Janeway, field representative, who has been on temporary assignment at the High Plains station from the Texas Research Foundation was made a full time member of the High Plains staff by action of the advisory council and Dr. C. L. Lundell, director of the Texas Research Foundation.

Parmer County FB Convention At Hub October 6

KGNC's farm editor, Cotton John, will be among the first on the program at the tenth annual Parmer County Farm Bureau convention at Hub community building, Monday night, October 6, 8:00 o'clock, says Gilbert Kaltwasser, president of the local organization. Cotton John will report on his recent tour of Europe, and show the new film, "Tenderfoot in Europe", documenting events of interest on the trip. Every Parmer farmer and his family is invited and urged to attend.

The most recent farm program, which gives the cotton farmer for 1959 a much brighter outlook for his industry in the immediate future is one result of Farm Bureau organization and legislative activity. More than forty telegrams to Senator Johnson and Congressman Rayburn, from Parmer County Farm Bureau leaders in the last days of the session were credited with final passage of the legislation which gives cotton farmers a choice in their operation, said Kaltwasser.

Over a thousand telegrams went from Texas the day before action was taken. Subjects prepared by the resolutions committee for discussion and action are: Farm to Market road program — (a recent survey conducted by Farm Bureau reveals that there are over 2,000 miles of school bus and mail carrier roads still unpaved in the county); appropriations for State Extension Service, Experiment Stations and Forestry Services; animal health and disease control laws; compulsory re-districting of county commissioner's precincts; natural resources tax to meet revenue needs of the state; exemption of farm trailers from licensing, regardless of weight; corrective Rural Electric Co-Op legislation; milk labeling legislation; state permanent school fund; relation of "speed-lock" devices to highway accidents; formation of a women's auxiliary for FFB; right to work legislation, and water development and conservation.

Resolutions of a national scope include Anti-Trust Exemptions for labor unions; Minimum wage for agricultural employees; Federal aid to education; compensatory payments to farmers for commodities they produce, and wheat legislation.

Other subjects on the agenda include election of a president and five directors. Although the nominating committee will have ballots prepared with suggested candidates, members are urged to consider men of their area that they would like to have serve as directors, or as president. Such nominations will be welcomed from the floor, and their names will be placed on the ballot before voting takes place. Directors will be selected from the following areas: Black, John Henderson, incumbent; Farwell, M. T. Glascock, incumbent; North Fri-

INSPECT SESAME AT FIELD DAY

DR. J. O. CULBERTSON, head of the oilseed division of the research branch of USDA, Clarence Mason, Allen Haley, Robert Parker, and Albert Roach, president of Texas Sesame Growers, Inc., inspect field tests at the Muleshoe Sesame elevator and warehouse during the field day held last week.

Parmer County Farm Bureau News

Monday night, October 6, eight o'clock, Hub community building. That is the time and place of the tenth annual Parmer County Farm Bureau convention. This is where policies are made by the membership, by discussion and vote. Your vote will be counted if you are there to vote, for or against the issues discussed. Subjects prepared for discussion and action by the resolutions committee are being submitted for publication. If you know of others that should be introduced, bring them up on the floor.

Farm Bureau is proud that the runner-up in the Farm Bureau Queen contest was winner in the Maize Days contest last week. We are also proud to have won second on the FB float in its class, with our queen, Mary Ann Stacy gracing the throne. Farm Bureau wishes to extend its thanks to those who worked so faithfully in preparation of the float. Mrs. Leona Wolf, the Stacys, D. G. Hands, Hamiltons, Roy V. Millers, John S. Thompssons, Clyde Renner and the Jack Pattersons.

Wheat farmers are facing a great problem in future allotment and support programs. We don't know all the complications involved, but some Parmer County men went to Amarillo Tuesday to get information on the subject. Dr. Warren Collins, American Farm Bureau's assistant commodity division director was there to talk on the future of wheat farming to Panhandle wheat growers. There will be a report on this meeting next week. Attending from here were Clarence Dixon, Harry Hamilton, Roy V. Miller and John Henderson. Remember CROP. Christian

ona, Ernest Anthony, incumbent; Lazbuddie, J. D. White, incumbent; Oklahoma Lane, Donald Christian, incumbent. Coffee and donuts will be served at the conclusion of the meeting.

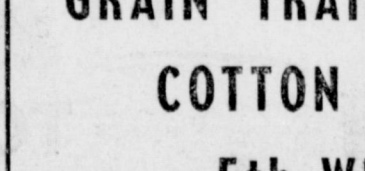

LONE STAR AGRICULTURE

Texas Grain Sorghum Boom Sparks Increase In Storage Facilities

The five-year boom in Texas grain sorghum production is reflected in new grain warehouse licenses and the upsurge in construction of additional grain storage facilities over the state. A total of 691 warehouses have been licensed by the Texas Department of Agriculture in the first months of the current licensing year which began June 1. This compares with only 589 licenses issued during the entire 1957-58 period and 200 licenses for the first year the Texas Grain Warehouse Law became effective in 1953.

Storage space has always been scarce during harvest, resulting in millions of bushels of grain being poured on the ground at a great risk to owners. Licensed

Texas warehouses to date have a capacity of 322,460,671 bushels and more space is needed for the coming season.

Preliminary estimates show a harvest of 427,906,400 bushels of grain this year, most of which will require storage for varying periods of time. To meet this demand, the number of license warehouses in the state will likely increase to about 775 before the year's end, upping our storage space to over 400 million bushels.

The big boom for grain sorghum crops was partly triggered by cotton acreage restrictions which drove farmers to find new ways to utilize their soil. In addition, the high cost of cotton production has caused many farmers to switch to the less expensive and troublesome grains.

Prospects for a continued increase in grain production in coming years have caused more than 200 Texas warehousemen to double their storage capacity in the past 12 months.

The Texas Grain Warehouse Law, which requires in part that warehouses be licensed by the Texas Department of Agriculture and be bonded to protect farmers against theft and other losses, was enacted following national scandals surrounding misappropriation of stored grain. A force of 17 TDA inspectors constantly check licensed warehouses and receipts to assure compliance with the law.

Annual Field Day October 8 At Lubbock Station

The annual field day of the Texas Agricultural Experiment Station at Lubbock will be held starting at 8:30 a.m., October 8, Charles Fisher, superintendent, has announced.

The field day is a cooperative program between the Experiment Station, Texas Extension Service and Texas Tech College. Guided tours over the station will be conducted by county agents and research specialists from 8:30 to 10:30 a.m.

At noon a barbecue lunch will be served at \$1 per person and the afternoon program will deal with questions and answers on research developments in cotton and sorghum breeding, fertilizer uses, crop rotation, grass seed production, mechanization, new

Dimmitt, Tex., Man Reports—

"Ammonia makes a big difference in my wheat"

Frank S. Wise, who farms 960 acres near Dimmitt, says: "I know from experience that Phillips 66 Agricultural Ammonia makes a big difference in my wheat yields. I figure I'm getting an average of 20 bushels more to the acre by putting down 80 to 100 pounds of Phillips ammonia pre-plant."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

WMU MET

The WMU ladies met September 28 with six members for a business meeting with business chairman, Mrs. Mary Marrow.

The devotional was brought by Mrs. C. A. Bishop. Mrs. J. J. Redwine read the prayer calendar for the missionaries.

Billie Eason of Amarillo is visiting at home with his parents, Mr. and Mrs. E. F. Eason and brother, Bobby.

Mr. and Mrs. R. M. Gibson attended the Tri-State Fair at Amarillo this past week, and went on to McLean to visit one of their daughters and family.

Guy Walker is quite ill and spent several days in a Muleshoe hospital.

Mr. and Mrs. Ralph Adams of Vernon visited last week with Mr. and Mrs. Sherman Sweetman.

Also visiting in the Sweetman home this week is Mrs. Sweetman's mother, Mrs. A. J. Wall and a sister and brother-in-law, Mr. and Mrs. Byron Phillips, all of Vernon. They also visited their granddaughter and niece and family. Mr. and Mrs. Jimmie Presley and son.

Mr. and Mrs. Hershel Arnold and children of Clovis, N. M., visited her brother and wife, Mr. and Mrs. O. M. Self Sunday.

Mrs. J. R. Walker, Sr., was dismissed from the West Plains Hospital Saturday.

Mr. and Mrs. E. J. Abney and sons of Ropesville visited her brother and family, Mr. and Mrs. M. L. Shipp Sunday. Also visiting the Shipp Monday was his brother, Henry Shipp of Lubbock.

Mr. and Mrs. Eugene Black and children visited Sunday with friends near Lubbock.

Mr. and Mrs. Wayne Wright and children of Levelland spent the weekend visiting his parents, Mr. and Mrs. Opal Myers and sister, Deean.

Mr. and Mrs. Frank Sinnacher of Pep spent Monday visiting their sister-in-law, Mrs. Elizabeth Sinnacher.

Mr. and Mrs. Jimmie Presley and Sherman Weldon visited Jimmie's sister and family, Mr. and Mrs. Eugene Leath at Cordell, Okla., and they all visited the fair in Oklahoma City.

TO ATTEND C. A. P. REGIONAL CONFERENCE

Howard Cox and Wayland Harris will leave Friday to attend a regional Civil Air Patrol conference in Phoenix, Arizona. They expect to return home Sunday.

VISITS IN KANSAS AND OKLAHOMA

Miss Esther Schroeder of Muleshoe was in Oklahoma last week visiting her brother, Gus Schroeder, and went on to Kansas for a visit before returning home Friday.

Inspection For 59 Safety Stickers Begun September 1

On September 1, Texans began having their vehicles safety inspected for the 1959 inspection period. Captain Alan Johnson, of the Motor Vehicle Inspection Service, Texas Department of Public Safety, reminded motorists that there are over 4 million vehicles registered in Texas, and 4,149 vehicles registered in this county which must be inspected, approved and bear the new inspection sticker prior to midnight, April 15, 1959.

Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items as required by law. Due to the fact that in 1957, 5 out of every 100 accidents were caused by a mechanical defect, motor vehicle owners are urged to have their vehicles inspected as soon as possible, to be sure their vehicles are as safe as possible.

Letter Writing Week October 5

International Letter Writing Week will be celebrated in Muleshoe during the week of October 5 to 11. Postmaster Arnold Alcorn announced today.

Twenty-one years ago, realizing the importance of written communication, the Post Office Department joined in the observance of an annual letter writing week—an event celebrated to emphasize the meaning and value of letter writing as a link between people throughout the world.

Postmaster Alcorn explained that by participating in both International Letter Writing Week and National Letter Writing Week this worthwhile objective is promoted between all peoples everywhere.

"As we all know so well," Mr. Alcorn said, "a personal letter is next to an actual visit, the most intimate means we have to communicate with our fellow human beings. Letters between our citizens and between peoples of different nations are a sure method of establishing friendly relationships and understandings."

"I urge all citizens of Muleshoe to join in this celebration of International Letter Writing Week. And at the same time, don't overlook your friends and relatives in America. Write them a letter too."

There are four inspection stations in this county at which owners can get their vehicles inspected now, without having to wait in line as thousands of motorists did as the deadline neared at the close of the last inspection period. Motorists arrested for not displaying a current inspection sticker on their motor vehicle are subject to a fine up to \$200 and cost of court.

Bob Hope Coming To Lubbock Nov. 21

One of the world's greatest comedians—Bob Hope—has been signed by Civic Lubbock, Inc., as a special attraction at the Lubbock Coliseum for one night only, November 21 at 8:30 p.m. The "Bob Hope Show" at the Coliseum will follow the Texas Tech Homecoming Pep Rally, which is tentatively set for 7:00 p.m. on the Tech Campus.

Hope, who is well known in every media of the entertainment world and has probably brought more enjoyment to people throughout the world than any other single performer, will be making his first appearance in Lubbock.

Often referred to as "Hollywood's Number One Messenger of Good Will," he has travelled all over the world spreading good humor and idealizing the American way of life. It is difficult to describe his many talents, but someone once wrote, "He is that slick package of all the best in vaudeville; a triple-threat song and dance and ad-lib man."

Although the rest of the show to be featured around Bob Hope has not been announced yet and ticket prices have not been set, the Mail Order sale is scheduled to begin October 27, and the over-the-counter sales will begin in the Auditorium Box Office on November 3.

Social Security Representative Here October 9

To those people receiving social security benefits, the Federal Government has certain obligations. Among the more the obligations to get the right monthly benefit check to the right beneficiary at the right place and right time.

The Social Security beneficiary has no control over getting his check in the right amount, but he does have return obligations to his Government in seeing that he gets the check at the right place and right time.

To be certain you get your checks promptly, be sure to notify the Social Security Administration of any change in your mailing address. Use the post-card form you received when you filed for your benefits or call at your local social security district office to report any changes.

If you notify the Social Security Administration promptly of any change you cannot only return your obligation to your Government, but assure yourself of receiving your benefit checks with no delay.

Whenever you contact the Social Security Administration about a change in your mailing address, be sure to always show your social security claim number. This will assure a speedy change in your records.

A representative of the Lubbock Social Security Office will be in Muleshoe on October 9, at 9:30 a.m. at the Courthouse and will be glad to assist in all matters pertaining to Social Security.

CARD OF THANKS

I want to thank all my friends and neighbors for the visits and many kindnesses shown me while I was ill and in the hospital.

Mrs. Eva Dee Ivy
Itp.

Return Of Longhorn Cattle To Carib Isle Completes Saga Of 437 Years

When three longhorn cattle from the Wichita Mountains National Wildlife Refuge arrived "home" in Santo Domingo recently, a cycle which began 437 years ago was complete.

The longhorn as such is not an imported animal. Rather it is the result of what Texas did to some small black Spanish cattle with sharp horns which ran away from their owners to live their own lives in the great open spaces.

It was in 1521 that Gregorio Vallalobos, Governor of New Spain, brought the little Spanish cattle from Santo Domingo to what is now the Southwest. Some Spanish cattle came into the Southwest with Coronado and others.

Many of these got away from their owners and nature took over—developing a race of wild cattle which later crossed with lost or strayed cattle, many of them, of all things, shorthorns, which had escaped from American pioneers. The result was the longhorn, 10,000,000 of which were sent to market in the three decades which followed the Civil War.

The sending of the three longhorns to the Dominican Republic was an act of courtesy by one country to another. The Dominican Secretary of Agriculture wanted the three animals and the United States Fish and Wildlife Service, Department of the Interior, obliged. The animals were rounded up by personnel of the Bureau of Sport Fisheries and Wildlife and turned over to the Dominican consul at New Orleans.

The Wichita Mountains longhorn herd was established in 1927 by congressional action. It was established to assure the continuance of a type of cattle which played a brief, important role in the American scene and then gave way to other breeds.

On January 1, 1958, there were 280 longhorns on the Wichita Refuge and 99 on the Fort Niobrara National Wildlife Refuge in Nebraska. This was after the fall sale and before the calf crop. The Wichita herd usually peaks at about 375 and the Niobrara herd at about 125. There are some longhorns in parks and zoos and others on some of the large ranches in the western United States and in Mexico.

Promotion Day At YL Sunday School Observed Sunday

The Sunday School of the Y. L. church observed Rally and Promotion Day Sunday.

In general assembly, Marshal Head presided, and each class sat with their teacher, who handed out the certificates of promotion to students.

BULA NEWS BRIEFS

Class Officers At BHS Are Elected

by Mrs. John Blackman
 WSCS met Wednesday, September 24 at 2:30 in the church auditorium with eight ladies present.
 Mrs. Johnson had charge of the lesson, bringing the third chapter from the church-wide study book "Alaska and Hawaii".
 Present were Mmes. Paul Young, B. L. Blackman, D. T. Johnson, F. L. Simmons, H. W. Kille, Billy Bradford, Jimmy Cannon and W. L. Clawson.

Seventh Grade Class Officers
 The seventh grade class recently met for their first class meeting of the year. Class officers were elected at this meeting. They are: president, Dennis Medlin; vice-president, Roger Jones; secretary-treasurer, Linda Pearson; reporter, Curtis Archer; sergeant-at-arms, Gene Autry; and sponsor for the class, Mrs. Ruby Reid.

Eighth Grade Officers
 The eighth grade class also met and elected their class officers. President, Larry Archer; vice-president, Jerry Whitfield; secretary, Georgia Bahlman; treasurer, Sarah Jones; reporter, Donna Spence; and sponsor of the class, Mrs. Rosslin Duke.
 Tuesday night at the grade school football game with Three Way, the eighth grade class sold Cokes and candy in the concession stand and cleared \$17.27.

Tuesday night Bula's first grade school football game for this season was played on Bula's field. The boys played a good game but were defeated by the Three Way Eagles. Better luck next time boys.
 Lana Gibson, daughter of Mr. and Mrs. Rolan Gibson was absent from her classes two days last week with a broken arm.

Lana is back in school now and writing very well with her left hand. Lana is a second grader.

Annual Staff Chosen

The senior class have selected their annual staff. They are: sponsor, Melvin Howard; editor, Judy Young; co-editor, Sandra Angel; sports editors, Keith Fred and Shirley Cox; advertising managers, Lennell Claunch and Kathy Archer; business manager, Sandra Angel; photographer, Marie Swinney and Bobby Carlisle; subscription managers, Sammy Reynolds and Darnel Williams; art editor, Francis Taylor.
 Tuesday the seniors met and chose their annual cover, division poses and various other things needing to be decided.

Attend TSTA Meeting

Teachers attending the county T. S. T. A. meeting in Muleshoe Thursday night were Mrs. Bernice Swinney, Mrs. Hugh Cook, Mrs. Ruby Reid, Mr. Melvin Howard, Erwin Morris, Jimmy Moore, and Supt. H. A. Reynolds.
 Company Sunday in the P. W. Black home were Mr. and Mrs. B. H. Black and Mrs. A. W. Black of Muleshoe.

Mr. and Mrs. Raymond Lancaster and children, Jerry and Gale, spent the weekend here in the homes of their parents, Mr. and Mrs. Sam Clevenger and Mrs. P. M. Lancaster.

Craig Harper, son of Mr. and Mrs. T. L. Harper, spent the first of the week as a patient in the West Plains Hospital at Muleshoe.

The sophomore class completed their magazine sales campaign Wednesday, September 24. The total sales were \$464.50. The high salesman was Larry Pollard, who sold \$140.35 worth of subscriptions.

Larry received a prize for being top salesman. The runner-up was David Williams, with subscription sales amounting to \$134. The class will net \$159.05. The money from the project will be used to finance the football banquet.

The fifth and sixth grades held their first regular class meeting Friday morning for the purpose of electing officers for the new year. Elected were the following: President, Jo Linda Robertson; vice-president, Linda Grusen-

dorf; treasurer, Pat Edinger; secretary, Beverley Clawson; reporter, Gerald Reid; sergeant-at-arms, Lamar Pollard.
 Mrs. Risinger is the home room teacher. Twenty-five pupils are enrolled in the two grades. Tommy Forbes, son of Rev. and Mrs. Forbes of the Enochs Methodist church, is the only new student.

Sunday guests in the W. B. Adams home were Mrs. Adams' brother, Mr. and Mrs. Raymon Jaynes and three girls from Lubbock.

Student Council Meets

The student council met Monday, September 22 at 1 p.m. with their new sponsors, Mr. and Mrs. Irwin Morris.
 All officers and class representatives were present.
 Several topics were discussed, but no definite plans made. Friday morning at 8:30 was date set for next meeting.
 Freddie Plaz, freshman representative, Betty Holt, sophomore representative, and Sandra Seagler for the junior class.

Mrs. A. C. Archer was hostess Tuesday afternoon at 2:30 to a product party. Mrs. H. H. Snow was demonstrator, with six ladies present.

Games led by Mrs. Snow, was enjoyed by the group, and refreshments of Cokes and cookies were served by the hostesses to Mmes. R. P. McCall, Archie Mc-Bee, A. P. Fred, John Vandeventer and Mrs. Archer and Snow.
 Mrs. Fred's name was drawn as lucky lady for the party and Mrs. R. P. McCall guessed the sales. Each were given a prize by the demonstrator.

Mr. and Mrs. Bradley Robertson and children spent the weekend in Albuquerque, N. M., as a guest of Mrs. Robertson's sister and family, Mr. and Mrs. Jimmie Crockett.

Mr. and Mrs. Dee Parkman and girls of Pep were Sunday visitors of his parents, Mr. and Mrs. C. W. Parkman.

Mrs. H. H. Snow of Enochs was demonstrator for a product party Monday afternoon at the home of Mrs. Nell Frowaberger at 4:30 p.m.

Mrs. Bernice Swinney was lucky lady with Mrs. John Blackman as sales guesser.
 Hostess served assorted cookies, coffee, lemonade and Cokes to Mmes. B. L. Blackman, Lula

Harlan, Hugh Cook, Bernice Swinney, Ruby Reid, Melvin Howard, Jimmy Moore, John Blackman, and Misses Opal Bogard, ackie Risinger, Marie Swinney and Ellen Cash.

Driving to Ralls Sunday to help Mr. and Mrs. Elmer Bryan observe their 50th wedding anniversary were Mr. and Mrs. Eugene Bryant and Mr. and Mrs. Bennie Claunch and boys.
 The reception was held in the reception room of the new Security State Bank in Ralls.

Mr. and Mrs. Avon Rushing and children Debbie and Randy visited first of the week here with their father, Mr. Raymon Teston.

Mrs. Melvin Howard is helping out in the school lunch room this week while Mrs. J. D. Bayless is recuperating from minor surgery she underwent at the Muleshoe Clinic Saturday of last week.

Mr. and Mrs. W. C. Risinger received word Monday afternoon that Mr. Risinger's mother, Mrs. C. W. Risinger of Floydada, was seriously ill. The Risingers left immediately after school hours to be with her.

All grades of the school except the first four grades attended the fair Monday in Lubbock.

Cecil Jones spent the weekend in Fort Worth with his daughter and husband, Mr. and Mrs. Murry Alexander.
