

Annual Jaycee Boxing Contests Are Next Week

The second annual Tahoka Jaycee Boxing tournament will be held in the Tahoka High School gym Wednesday, Thursday, and Friday nights, January 18, 19, and 20, each session starting at 8:00 o'clock p. m., according to Seth Lewis, Jaycee president.

There will be two divisions, open and novice, with trophies offered to winners in all weight classes in the open division. In the novice division awards of miniature Gold Gloves will be given.

Proceeds from the tournament will be split between the High School Athletic Fund and the Lynn County Memorial Park Fund. Admission prices will be the same as last year, 80c for adults and 40c for children.

Entries for the open division have been promised from the Reese Army Air Base and the Naval Reserve Training Center, both of Lubbock, and a number of Lubbock and Tahoka fighters are expected to be entered. The Tahoka High School boxing team and other high school students of the area will enter the novice division.

Those wishing to fight in the tournament should fill in entry blank and leave at White Auto Store in Tahoka. Fighters will begin weighing in and taking their physical examination at 5:00 o'clock p. m. Wednesday.

The boxing program this year promises to be very much better than last, with a full program of well-matched events each evening. An exhibition fight between John L. Martin and Jesse Lawson, local Negroes, will again be presented during the intermission.

Oscar Whitacre is overall chairman of the tournament committee. Skeet Clem, Bill Griffin, and Albert Curry, publicity; Regan Reed, Jimmy Dykes, and Eldon Gattis, contestants; W. T. Kidwell and Chas. Boswell, intermission entertainment; James Lindley and Wilton Payne, tickets; A. V. Barnes and Bill Chaney, concessions; and Charles Reid, gym arrangements.

W. H. Timmons Died Sunday

W. H. Timmons, 60, well known Lakeview community farmer, died at 11 a. m. Sunday in a Lubbock hospital after an illness of about a year.

Funeral services were held at 2 p. m. Tuesday in the First Baptist Church of Meadow, with Rev. P. C. Goza officiating, and burial followed in the Meadow cemetery.

Mr. Timmons came to Lynn county in 1914, and except for a few years at Ropesville, he had lived in the Lakeview community ever since. His home was a mile south and a mile west of Lakeview. He was well known and highly regarded by a great many citizens over the country, as well as in the Northwest area.

He is survived by his wife; two daughters, Mrs. J. T. Byers of Fort Worth and Mrs. Everett McCormick of Lubbock; five sons, Herman of Levelland, Frank of Woforth, Roy of Dumas, Billy of Lakeview, and Wayne, who is high school coach at New Home; a sister, Mrs. J. A. Godfrey of Lakeview; a brother, John Timmons of New Home; and nine grandchildren.

Pallbearers were: Jake Fulford, A. C. Fillingim, Murray Nettles, C. T. Thompson, W. T. Knight, and E. H. West.

Frank McGlaun Jr. Asks Re-election

Frank McGlaun, Jr., county tax assessor and collector, has authorized the News to state this week that he will be a candidate for re-election to the office. His statement to the voters will appear in this paper in an early issue.

Goal Is \$3,500 In Polio Drive

Terry Thompson, who has been selected again as County Campaign Director of the March of Dimes Drive, announces that the goal for Lynn County has been set at \$3,500, which is probably a little less than 30 cents per capita for the people of the county, or about \$1.50 per family. This sum ought to be easily raised, but probably the bulk of it will have to be contributed by a third of the families of the county.

At any rate, it is hoped that everybody approached will contribute liberally, for all the money that can be raised will probably be needed. Lynn county raised only 11 cents per capita for this purpose last year, which was just a little more than half of the average for the state. So, this county should certainly exceed the average this year, to make up for her delinquency in the past.

Polio, or infantile paralysis, certainly is a terrible and far too prevalent a disease. Its ravages among the children can be found in almost every community of any considerable population in our state and throughout the nation. Let's join the fight to stamp it out.

Methodist Youth Meeting Here

The Lubbock District Methodist Youth Fellowship will meet in the Tahoka Methodist Church Saturday January 21 from 5:00 to 9:30 p. m. Representatives from 36 Churches in the district will be present.

Dr. J. O. Haymes, the district superintendent, will preach Sunday morning, January 22, at the Tahoka Methodist Church.

The famous McMurry Chanters will present a program of music at the Tahoka Church on Sunday afternoon at 3:00.

Baptist Men Will Meet Monday Eve

President Frank McGlaun and Secretary Herman Heck wish to remind the members of the local Baptist Brotherhood that it will meet Monday night in a regular monthly meeting. It is hoped that another excellent program will be presented. The last two have been excellent.

It is also hoped that there will be a large attendance. All the men of the Church are invited.

Congratulations:

Mr. and Mrs. James E. Tippit on the birth of a daughter weighing 6 pounds, 54 ounces at 4:00 o'clock p. m. Thursday, January 5, in a Lubbock hospital. The father is a car salesman for Bill Strange Motors.

Mr. and Mrs. Pat Bradley on the birth of a 9 pound and 11 ounce daughter, named Patsy Lavigne, at Seale Clinic last November 23. The News failed to report this important bit of news at the time.

Mr. and Mrs. R. A. Bagby on the birth of a son weighing 8 pounds and 2 ounces at the Tahoka Hospital January 7 at 8:01 p. m. The fellow was named Roger Fredrick.

Mexican Beaten To Death With Club Sunday

As the culmination of a series of quarrels engaged in by two Mexicans here last Saturday night one of them killed the other by striking him with a wooden club. The two parties to the fracas were Victor Rodriguez, who lives on the Albert Curry farm, a few miles east of Tahoka, and Mike Sandoval, who lives a quarter of mile away from the former on the E. S. Tippit farm. Sandoval was the victim and Rodriguez was placed in jail charged with his murder. Both Mexicans are said to have been under the influence of liquor while the trouble was brewing and when the homicide was committed.

The story of the trouble as gathered by the sheriff, Roland Clem, and his deputies seems to have been about as follows.

The two Mexicans had gone to O'Donnell early Saturday night. While there they quarreled but rode home together, probably quarreled on the way, stopped at the home of Rodriguez and there quarreled again. Rodriguez picked up a 1x4 oak plank three feet long and hit Sandoval across the arm with it. Sandoval ran down the road toward his own home and Rodriguez followed him.

Japanese Bishop Is Speaker Here

The importance of foreign missions was stressed by Dr. Yoshimune Abe of Japan at the Tahoka Methodist Church, last Friday evening. Dr. Abe spoke clearly and earnestly to a large congregation, made up of representatives from Draw, Grassland, Post, Southland, Slaton, Lubbock, Shallowater, Wilson, Cooper, O'Donnell and Tahoka.

In reference to his native Japan, he told of his native city and the fact that it was famous for its delicious apples and Christian preachers. The first missionary went to his city 78 years ago. Since, 262 preachers have gone out to preach. Four years ago there were 150,000 Christians in Japan, today there are over 400,000. Dr. Abe told his congregation. Japan provides the greatest opportunity for Christian missions in the world today. The Japanese people are not naturally susceptible to the characteristics of communism and Dr. Abe believes that if there is an adequate response on the part of Christianity to the needs of Japan that communism will be dispersed easily.

Dr. Abe told of his efforts to prevent war between his country and ours and expressed his deep regrets that the military leaders were in power and led the people of Japan blindly into the great catastrophe.

The Northwest Texas Conference of the Methodist Church has chosen Japan as its field of special efforts during the Advance for Christ and his Church period. The Lubbock District of which Tahoka is a part is helping to rebuild a Christian school that was destroyed by one of the atomic bombs and is paying the salary of a missionary and his wife.

New Home Opens Conference Slate

New Home boys' and girls' basketball teams open their conference season next Tuesday night in the home gymnasium against Wellman.

Coach Wayne Timmons has had a rebuilding job to do this year, but the boys are showing much promise, and improvement in the girls team has been wonderful, according to Supt. H. C. Hill.

Wellman is one of the stronger Class B teams in this section. Other schools in the district are Ropes, Union, Whiteface, Smyer, Plains, and Bledsoe.

Lubbock Production Credit Association, which has an office in Tahoka operated by Ross Smith as manager, recently paid the Government the final installment on money advanced the association as capital stock when it was set up in 1933-34. Directors and others are shown above in ceremonies making retirement of the \$250,000 loan. Left to right, C. E. Hicks, Meadow, vice-president; E. L. Carlisle, Ralls, director; E. R. Davis, Lubbock, President; Fred McGinty, director; V. L. Carothers, Abilene, West Texas Field Representative for Production Credit Corporation of Houston; Lee F. York, Lubbock, manager; and A. B. Roberts, director.

County Agent's Report Shows Much Valuable Work Was Done In 1949

The Extension program carried out by the County Agricultural Agent for Lynn County, Bill Griffin, in 1949, included work on noxious weed control, entomology, cotton improvement, grain sorghum storage, dairy cattle feeding and management, pasture development, conservation of natural resources, livestock feeding and parasite control, and 4-H Club work.

The noxious weed control program made progress during the year. Approximately 25 thousand acres of land was sprayed with chemicals to prevent further spreading of Johnson grass. Sixty acres of bindweeds were sprayed with 2-4-D early in the spring. Actual kill was small, but control was very effective.

The cotton program, entomology program, and livestock parasite control were related through insect and parasite control work. About 600 Lynn county farmers followed recommended cotton insect control program. Approximately 130,000 acres were dusted to control cotton fleahoppers and cotton bollworm.

Twenty-seven hundred head of livestock were treated for parasite control by cooperators following recommended control methods. The Lynn County 7-Step Cotton Committee awarded a loving (Continued on back page)

Pridmore Seeking Second Term

To the Citizens of Lynn County, Texas: It has been a great privilege to serve as your county clerk during the past year. I sincerely solicit your support for my reelection to a second term in this office.

If re-elected, I pledge you the most courteous, efficient service possible.

—Mrs. Beulah Pridmore.

They live in a beautiful little apartment overlooking the rent.

—Nugent.

Basketball Team Defeats Slaton But Loses To Seagraves Here

The Tahoka Bulldog basketball team has won one game and lost one in District 4-A competition, and on next Tuesday night will meet their old rivals, the O'Donnell Eagles on the Tahoka court.

Tuesday night, the two boys' teams went to Slaton and came out victorious over both Tiger teams. The A game, a conference contest, was won by Tahoka 23 to 13. The low-scoring ball game was closer than the score indicates, however, until the closing minutes of the game when the boys began to pull away from the Tigers.

The B team won a close 24 to 21 decision over Slaton's B team. The boys played much better

Mexican Dies At Dance Saturday

Jose Rodriguez, 56, dropped dead in a Mexican dance hall near the southeast corner of the square in Tahoka Saturday night. His home was in South Texas, but he had been here for some time as a farm laborer.

The body was carried to Cotulla by a Stanley Funeral car and burial was in the cemetery at that place Monday afternoon.

Donkey Basketball At New Home

There'll be lots of fun at New Home Saturday night.

The New Home Burro-Busters will attempt to tame the Hoop-Ringers in a game of Donkey Basketball. If you've never seen such a game, you can't imagine the fun, thrills, spills—in fact, pandemonium will break loose when the basketball players ride the wild mules onto the court.

The game is being sponsored for benefit of the New Home High School athletic fund, and admission fees of 25, 50, and 75c will be charged.

This is one sports event where the spectator need not know anything about basketball or bronc riding to enjoy the fun.

VFW DINNER MONDAY

The Tahoka Veterans of Foreign Wars and their wives will hold a big feast and social meeting next Monday night at 7:30 o'clock in the School cafeteria.

The dinner is free to all members of the VFW and their ladies.

REDECORATING STORE

Wynne Collier Drug is receiving a fresh coat of paint on interior. The redecorated walls are in ivory and chocolate brown.

Mrs. C. B. Evans Suffers Burns

Mrs. C. B. Evans, who lives in the Midway community, sustained painful and rather serious burns on the face, arms, and hands Monday morning when an explosion occurred in a butane gas stove in their home.

She was brought to the Tahoka Hospital for treatment and it is believed that the burns will heal without any serious permanent consequences.

Mrs. S. J. Harris, Aged 95, Buried

Funeral services were conducted at the Methodist Church here at 3:00 o'clock Wednesday afternoon for Mrs. Sarah Jane Harris, mother of Mrs. C. A. Thomas and grandmother of Dr. Skiles Thomas, who died at the Tahoka hospital here Monday night. Services were conducted by Rev. C. A. Holcomb Jr., pastor of the Tahoka Methodist Church, and the body was interred in the Tahoka cemetery.

The following obituary and sketch of her life has been furnished to the News for publication.

Sarah Jane Smith was born at Dresden, Navarro county, September 1, 1854. She passed away at 11:59 p. m. January 9, 1950, being ninety-five years, four months, and eight days old.

As a child, she had many harrowing experiences during the Civil War. She recalled the work of the slaves in hiding the stock from the Northern soldiers.

On December 8, 1869, she was married to W. T. Skiles. Five children were born to this union. Mr. Skiles died in 1881. On November 8, 1888, Mrs. Skiles married J. L. Harris, and to this union one son was born. Five children preceded her in death. After the death of Mr. Harris.

Boss Johnson Dies In Amarillo

Boss Johnson, about 73, former citizen of O'Donnell, died of a heart attack in Amarillo at about 11:00 o'clock p. m. Saturday, and last rites were conducted in that city Monday afternoon.

Mr. Johnson for a number of years operated a grocery store in O'Donnell in partnership with his brother-in-law, the late J. N. Line, and had a host of friends in this area.

A large number of relatives and friends from O'Donnell attended the funeral services.

He is survived by his widow, Mrs. Lee Johnson, 1014A West 18th, Amarillo; a son, Dr. R. N. Johnson, Amarillo; and other relatives.

V.F.W. Auxiliary Plans Year's Work

Tahoka V. F. W. Auxiliary started the new year off Monday night, January 2, with a very interesting meeting, according to the following report furnished The News.

With the president, Thelma Oliver, and most of her staff in their chairs, many plans were made for the year, such as educational lectures, cancer research programs, the sponsoring of the fey of the colors above our schools and government buildings, and to urge business houses to put out the colors on special days. Each month has a big program.

Also planned are social programs, dinners, games, and guest nights.

Floor work is to be stressed on each business night. Members having stations are requested to make plans to carry out their respective obligations.

Ladies eligible for membership in the Auxiliary are urged to pay their 1950 dues and to help carry on the program for the Veterans.

ADDING MACHINE ROLLS at The News office.

Soil Conservation Practices for 1950 Are Announced

Soil conservation practices that will apply to Lynn county under the 1950 Agricultural Conservation Program have been announced by Roy O. Nettles, chairman of the Lynn County PMA.

According to Mr. Nettles these practices were selected from more than forty practices recommended for the State of Texas and were selected for this county on the basis of their value as soil building and water conserving worth. Lynn county received as their budget for soil-building practices the sum of \$157,000 for 1950. This money will be offered as assistance in carrying out the practices listed below, and any producer who intends to qualify for this financial assistance, must secure written prior approval from the county PMA committee before the practice is started.

Terracing continues to be one of the chief practices carried out in this county. The payment rate is \$79.20 per mile for large ridge type terraces with a minimum of 22 feet wide and 16 inches high. For diversion terraces the payment rate is 6 cents per cubic yard.

Field Strip Cropping is a new practice approved for Lynn county. The payment rate is 50c per acre.

Sub-soiling to permit better penetration of water is again an approved practice for this county. Spacing must be less than 43 inches and the minimum depth of the subsoiler is 8 inches. The payment rate is 65c per acre.

Deep plowing has proven to be a very beneficial practice in the sandy type soil. The land must be broken in a manner that will bring the heavier soils to the top of the shifting sandy layer to prevent wind erosion. For 12 to 15 inches deep, the payment rate is \$2.00 per acre; for 15 to 18 inches deep, the payment rate is \$3.00 per acre; and for plowing 18 inches or deeper, the rate is \$5.00 per acre.

The stubble practice, leaving stalks on the ground as a protection against wind erosion is again 25c per acre.

(Cont'd. On Back Page)

Wm. C. Sauls, 62, Buried Sunday

William C. Sauls, 62 well-known O'Donnell business man and a veteran of World War I, was buried in the cemetery at that city Sunday afternoon. He died Friday in the Veterans Hospital at Temple.

Funeral services were conducted at the O'Donnell Methodist Church at 2:30 p. m. with Rev. Alby Cockrell, pastor, officiating, assisted by Rev. John Johns, Baptist pastor. Taking part in the ceremonies were the American Legion, Oddfellows, and Masons. Mr. Sauls having been a member of these fraternal orders.

Mr. Sauls was born in Gadsden, Alabama. For many years he was connected with the Fuller Gin company which operated gins in Snyder, Fluvanna, Tahoka, O'Donnell, and other towns. He had been a resident of O'Donnell since about 1926, and for the past several years had been operating a feed grinding and sales establishment there.

Bill Sauls was widely known over the South Plains as an intensely honest man, always going about doing good in a most unpretentious manner. Though he had no children of his own, he loved the little folks and they loved him, which trait bespeaks much for any man.

Survivors include his wife, Mrs. Effie Sauls of O'Donnell; two brothers, J. M. and L. F. Sauls of Huston; and five sisters, Mrs. J. F. Thomas of Nacogdoches, Mrs. J. W. Nell of Palestine, Mrs. Julia Phillips of Corrigan, Mrs. Martha Kirkwood of Henderson, and Mrs. W. G. Nest of Amarillo.

This is going to be a political year in state affairs. Officers are to be elected from constable to governor. Remember the poll tax requirement for voting was not repealed. If you are at least 21 years of age and not yet 60, you will have to have a poll tax receipt to vote in any election unless you are exempt on other grounds. That poll tax must be paid before the first of February. It amounts only to \$1.75 cents. Any Negro and any white person sound in body and mind can easily earn or otherwise procure the money with which to pay it. Do not disqualify yourself as a voter through neglect or temporary indifference. You may feel indifferent now and be desperately interested in July or August as to how the election goes. You may be keenly interested in the city election to be held in April or in the school trustee election in the same month. Better pay that poll tax between now and February 1 if you owe one.

Every potential voter should strive to become an intelligent voter. If you are not informed about the character and qualifications of the candidates for any office, you may vote for the wrong person. It is usually easy to become fairly well informed as to local candidates. But it is more difficult to become adequately informed respecting candidates for state offices or district offices who do not reside in your immediate vicinity. The newspapers and the radio can help you to become informed regarding these. It shall be the

purpose of this newspaper to gather and publish such information as its publishers may have the time and opportunity to gather or the space in its news columns to spare for this particular purpose. Sometimes it is hard even for newspaper publishers to get the real "low-down" on candidates residing in distant parts of this expansive state, but we expect to do our best.

In the very beginning of this election year, it is well to remember that it is not every good man or good woman who would make a good official. Neither is it always the best hand-shaker or back-slogger that would make the best official. Sometimes our best friends embarrass us by running for offices which they are not fitted or qualified to fill efficiently. Sometimes we feel that we must vote for these friends who are really unqualified in preference to others who are much better qualified. Theoretically, we should vote for the best interests of our state, our country, and our community. Let us resolve now to do that except at least in the rarest exceptional cases.

Odds & Ends

(By E. I. The Elder)

Although many of us in this country may vitally disagree with that body of Christians calling themselves the "Church of Christ," in some of the doctrines which they proclaim, which recently sent a group of missionaries from the South Plains of Texas to Italy to establish their work and to found an orphanage for homeless and needy children, with the seeming consent of the Italian Government, we feel that all liberty-loving people of our country, regardless of their church affiliations, should now join in a solemn protest to the Italian Government and to the Pope at Rome, against the acts of violence recently perpetrated upon these missionaries by members of the Roman Catholic Church and against the threat and obvious intention of the Pope and the Italian Government to close the orphanage which has been founded by these missionaries and to put a stop to the missionary work which they have been doing in that country.

It seems to us that it would be highly unjust to those who have invested their money in property there and have been permitted to build an orphanage for the care of homeless children, to be compelled now to abandon their

property and their religious work in that country for no apparent reason at all except that it does not conform to the desires of the Pope and of the Roman Catholic hierarchy.

Furthermore, it seems to us that our Government at Washington should also protest against these high-handed acts of religious persecution and injustice being done by the Italian Government itself against citizens of the United States in that country under at least temporary visas granted by a government that must have known that the grantees were intending to establish a permanent work in that country. Such a governmental policy is obviously prompted by no other desire or intention than the suppression of any tendency toward Freedom or Worship in that country.

Since Freedom of Worship is one of the fundamental principles written into our Federal and State constitutions and is being exacted of other countries whenever and wherever we have the opportunity and the power to exact it, we believe that now is the time to exact it of Italy on the strict condition and understand that the Italian Government shall never receive one cent of financial or economic aid from our Government unless and until it does junk this unjust and outmoded theory that one man or one organization of men has a right to compel other men to believe and to worship as such religious dictators or organization may determine.

These acts of persecution and of violence against other people because of their religious beliefs can have no justification whatever either from a moral, a spiritual, or a legalistic standpoint. They are reminiscent of intolerant and wicked Jews of old who stoned the prophets; of the narrow-minded Scribes and Pharisees at Jerusalem whom Jesus denounced as serpents and a generation of vipers and then cried out broken-heartedly, "O Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together even as a hen gathereth her chickens under her wing, and ye would not."

These stonings of the South Plains missionaries in Italy by Roman Catholics in the very shadow of the Vatican are reminiscent of the stoning of Stephen, the first Christian martyr, in the very shadow of the Temple in Jerusalem. They are reminiscent of the murder of James the Apostle in or near the so-called Holy City; they are reminiscent of the assault made upon Paul at the instigation of the Jews at Iconium with intent to stone him to death; of the actual stoning of the great Apostle at Lystra; of the stirring up of the underworld there, and undertaking to capture Paul and lynch him; of the riot which was incited at Ephesus by crooks whose business was being hurt by the preaching of the gospel there; of the attempt later to mob him at Jerusalem; of his imprisonment at Rome and finally his murder perpetrated for no other reason than that he was a Christian, and a mighty preacher of the gospel; of thousands and thousands of other acts of persecution, imprisonment, and bloody murder of so-called religious heretics by the same ecclesiastical organization that now holds forth at Rome and is

still seeking to stamp out religious liberty in that country and in every other country that it can dominate.

A government that will tolerate and even encourage the suppression of religious liberty within its bounds and throughout the world should have no help nor encouragement from us. On the other hand, we should stand up on our hind feet and fight it just like we would fight any other form of totalitarianism.

We are saying this in the face of the fact that we believe that there are many Catholics in this country who are good Christian people. Most of them however, know very little about the teachings of the Bible. They are not encouraged to study the Bible—not even to own one. They are taught that only Catholic priests and other Catholic dignitaries are capable of correctly interpreting the Bible, and that the layman therefore has no business with a volume of it in his hands. They are taught to regard the Pope as the head of the church and therefore as having the power to dictate their religious beliefs, even to the forgiving of their sins and the saving of their souls. The devout Catholic feels that he owes allegiance to the Pope above every other authority on earth. The Catholic organization is strictly a totalitarian organization. It is in no respect a democratic organization. It recognizes no civil government on earth as being of equal authority with itself whenever conflict between the two arises. Many Catholics in this country—nominal Catholics—are probably not aware that this is the teaching of the Catholic hierarchy.

Separation of Church and State is one of the fundamental principles of our Government. The Catholic hierarchy does not believe in the separation of Church and State. It believes in the Union of Church and State, with the Church being the domi-

nating authority in the Union. It is therefore a thoroughly un-American institution.

It does not even recognize the validity of a civil marriage.

It does not recognize the right of the State to educate the children. It claims that the education of the children is the function of the church and the Church alone. It insists on educating its own children in its own way, but is today seeking Government funds to buy textbooks for children attending Catholic Schools and for transporting Catholic children to Catholic schools. In other words, it is asking the Government to help it to educate the children of Catholic families in Catholic schools taught by Catholic teachers and using Catholic text books. Admittedly, it is seeking to make America Catholic and is attempting to use the Government to accomplish that purpose—and who can say that it is not succeeding?

This same Catholic Church objects to the preaching of the gospel or the teaching or the Bible by any non-Catholic person within any land that it controls notably in Italy itself.

And yet, it comes to America asking favors of us not only in the form of loans to the Italian Government and in the form of food and clothing for its people in its own Catholic land.

We would not stop the sending of food and clothing to any people anywhere that need them but we would stop sending money to any Government that would not permit freedom of worship, freedom of assembly, and freedom of speech and of the press, in its own country, just as we know and practice them in this country.

It is time for America to stand for Americanism throughout the world—in Rome just the same as in Moscow.

When some men discharge an obligation you can hear the report for miles around.—Mark Twain.

Pythian Sisters Install Officers

The Pythian Sisters of the Tahoka chapter met Tuesday evening, January 3 for the first meeting of the New Year. All officers but one were in their places.

The main event was installation of the New Officers for the ensuing year. This was done in a very lovely manner by the new installation officer, Florine Best, with Vera Witt and Myrl Mathis as co-workers. After the officers were installed they took over for the evening.

A very sad occasion was draping the Charter for a period of thirty days, for the passing of Mille Hill, who was a Past Chief in the Temple and was dearly loved by all.

Roll call was made and absentees were noted. Novice Curry was absent from her station and was not installed.

There was not much business on hand. Juanita Burkhardt was reported ill and reports were also made on Ueryl Carter and Anna Pennington.

After the meeting lovely refreshments were served by Ora Curry, Myrl Mathis and Elnora Curry.

The next meeting will be on the evening of January 17 at 7 o'clock.

Mr. and Mrs. Harve Henderson and daughter, Miss Belle, have been here this week visiting their sons, Harley and Frank Henderson and attending to business matters. Mr. Henderson suffered a heart attack several months ago, but now is getting along fine. Though they now live at Fletcher, Oklahoma, they still own their old home place in the Redwine community.

R. L. Richardson and Mr. and Mrs. R. C. Wells attended a Philco sales meeting in Amarillo Tuesday.

KEEPS IN TOUCH WITH THE OUTSIDE WORLD

Harvin R. Smith, a Lynn county product, being the son of Mr. and Mrs. Hillery Smith of New Home, is now Agriculture Economist, U. S. Cotton Ginning Laboratory, at Stoneville, Miss., although he gets his mail at Leland in that state, and he writes back as follows, to wit: As the lawyers would say—I receive the News regularly and believe me it's a wonderful contact with the "Outside" world and my own Lynn county. (I think it's me that's outside.)

Well, at any rate, we are both in a cotton country. He is in the old Dixie but we have built us a new Dixie out here in Lynn county, situated right out in Tahoka's back yard. Smith just migrated from the new Dixie back into the old Dixie; and it's the rest of the world that is "outside," Brother.

He gets the News as the compliment of his mother.

GRASSLAND STARTS 4-H CLUB WORK

The Grassland 4-H Club had their first club meeting on November 14, 1949. Mr. W. B. Griffin, the Tahoka County Agent came out to get us started. We have eleven members and elected our officers. They are: Bobby Huffaker, President; Wendell Norman, Vice-President; V. J. Melton, Secretary; and Joe Dockery, Reporter. The other members are Lendell Norman, Malcolm Young, Erwin Young, Hulan Murray, Jerry Pebsworth, Jerry Dockery, and Charles Rich-ey. —Reporter.

Mr. J. L. Hill has been a patient in the Tahoka Hospital for a week with pneumonia. He was dismissed Tuesday, his condition being improved greatly.

Kenneth Apple, 6 weeks old son of Mr. and Mrs. Roy Apple is a patient in the Tahoka Hospital with pneumonia. He is reported to be improving.

CARD OF THANKS

I want all my friends to know I appreciated the many nice things they did for me while I was in the hospital, and after I came home. May I again say thank you. It surely helps to know some one is thinking of you while one is ill. —C. L. Cook.

Ford remains alone in low-price "Eight" field

"Reports were current several months ago that Ford might encounter competition in the low-price eight-cylinder car field. The manufacturer considering such a development, however, apparently has decided against it.

"The temptation to enter competition for this market is strong. Ford derives considerable sales appeal from ability to offer an eight as well as a six in the low cost bracket. Buyers are attracted by the additional smoothness and power performance afforded by the extra cylinders.

"Principal reason why rivals have steered clear of eight-cylinder powerplants is cost. Ford has been able to hold expenses down by manufacturing economies not often duplicated by others.

"In pioneering the low-price V-8, the Dearborn producer had to strike at the heart of the cost problem. The company was the first to evolve a method of making an integral V-block and crankcase casting.

"The Ford Company is noted for excellence of manufacturing technique. Part of the reputation is based on willingness of the management to spend money on work-saving equipment. The Rouge plant foundry, for example, is a model of efficiency. Air-conditioning eliminates some of the disagreeableness common to most foundries, while conveyor systems and automatic machines obviate much of the usual back-breaking and inefficient hand work.

"With the use of advanced production methods the company has been able to hold expenses within reasonable limits. This is true even though use of the larger engine means two more cylinders—with more pistons, rings, 'con' rods, sparkplugs, etc.—for each car produced.

"The Ford production technique involves a high degree of precision. Vendors regard the company as a 'tough customer' because of the rigidity of inspection standards. Suppliers know they must comply closely with specified requirements or face heavy rejection.

"The precision, together with the extra power of the engine, accounts for the unusual performance of the Ford V-8. Ford's ratio of applied horsepower to gross vehicle weight has long been a favored design characteristic. Other manufacturers have found this power plant too difficult to build inexpensively enough for a small car.

"From present indications, it may be a long time before competitors can challenge Ford in the low-priced eight-cylinder field."

PCA Repays Loan To Government

The Lubbock Production Credit Association helped make Texas the first district in the United States to pay back to the U. S. Treasury all of the government money put up in 1933-34 as capital stock, Fred McGinty, Lynn County director said Tuesday.

They make up one of the 12 production credit districts in the nation. The government put up \$80 million to get the associations going, of which about \$8 million came to the Texas associations.

Nine of the Texas associations paid back the last of the government money in 1947 and six in 1948; the other 21 paid back the last cent on December 31, 1949.

"The last order of business for Lee F. York, secretary-treasurer of our association, last Saturday was to write a check for \$5,000,"

Mr. McGinty said. "That was all we had out of the \$300,000 government capital stock we once had on December 31, 1934."

"When we opened our doors for business January 3, 1950 we were 100 per cent owned by our 1,430 farmer-ranchmen members, and from now on we'll be fully self-supporting."

"Not only that, but in paying back the last of the government capital we lost our tax exempt status, so we'll be paying taxes just like any other private business from now on."

Mr. McGinty said he had no way of knowing exactly what the Lubbock Production Credit Association tax bill would be, but he had heard it estimated that the associations in Texas together would pay around a quarter of a million dollars a year in taxes.

The Lubbock Association was organized sixteen years ago with headquarters in Lubbock and later opened branch offices in Tahoka, Brownfield, Levelland and Crosbyton.

"By the end of 1943, we had paid back \$50,000 of the government's money," Mr. McGinty said, "and in the past six years we really got to work on it. We not only raised the \$250,000 to repay the government, but today we have \$530,000 in capital stock and surplus on which to operate."

In the 16 years of operation, the association has made loans totaling \$24,390,100, and has \$450,000 out in loans at the present time.

The Tahoka branch office serves 203 members in Lynn county and is located next door to the News office. It was established in 1941 with Fred McGinty as the first field representative. Ross Smith has been field representative since 1943. Mrs. Mildred Sherrill is office assistant in the Tahoka office.

During 1949 the association made 177 loans for \$797,000 in Lynn county.

R. C. Wood, deceased, was one of a group of 23 South Plains farmers and ranchers who helped organize the association on January 4, 1943. He was elected one of the original directors at that time and remained a member continually until the time of his death.

Baptists Elect New Secretary

On Sunday night the deacons of the First Baptist Church presented a recommendation that Miss Pauline Uxer, whose home is at Tatam, New Mexico, be elected by a vote of the Church. She succeeds Mrs. C. T. Aly in this position, who had been serving temporarily since the resignation of Mrs. Mary Lambert a few weeks ago to get married.

Miss Uxer has had valuable experience in this character of work. She graduated from Way-

land College a few years ago, later at the University of Eastern New Mexico at Portales and has attended the Southwestern Baptist Seminary at Fort Worth for one year. She has served as educational secretary for the First Baptist Church of Quanah for three years. She began work here as Church secretary on Monday Morning.

Billie Deanne Smith, 3 year old daughter of Mr. and Mrs. Rayford Smith was a patient in the Tahoka Hospital recently with pneumonia.

ATTEND EVANGELISTIC SERVICES AT DALLAS
Rev. C. T. Aly and Associate Pastor Sheldon Russell of the Tahoka Baptist Church, and Mr. and Mrs. Amos McMillan and A. J. Barnes of the Wells Baptist Church attended a state-wide

evangelistic conference in the First Baptist Church of Dallas from Monday until Wednesday of this week. The purpose of the meeting was to plan for the Evangelistic Crusade to be launched by Baptists throughout Texas soon.

Wilson Basketball Teams Look Good

The News is informed that the Wilson High School basketball teams are improving as the intensive season gets underway.

Last week end, in the Ropesville tournament, against strong competition, the boys team lost in the preliminaries, but emerged victor over Smyer 50 to 32 to take consolation honors in the finals. Other teams in the tournament included Wellman, the champions. Meadow, Sundown, Plains and others.

The girls, playing in the equally tough girls tournament, defeated Ropesville 27 to 23, also for consolation honors. Meadow took first place, Wellman second, and others included Smyer and Sundown.

Andy T. Wilson, 5 year old son of Mrs. Betty Wilson and grandson of Mr. and Mrs. Oscar Roberts, is a patient in the Tahoka Hospital with pneumonia.

LOOPHOLES in the Law

By WILL WILSON

District Attorney of Dallas County

Old John had a little money saved up, and he was a kindly old fellow. When Slicker Pete came along with a hard luck story, Old John lent him a hundred dollars. It would be just for a few days, Slicker Pete said. He promised to pay Old John back at the end of the week. Sure enough, when the week ended, Pete wrote out a check to the old gentleman.

But when Old John went to cash the check, he found that

Pete not only did not have a hundred dollars in the bank—he didn't even have an account there. It was a worthless check, pure and simple, given willfully and intentionally.

But when Slicker Pete was arrested, and then prosecuted for passing a worthless check, he was acquitted.

WHY? The laws of Texas require that for a person to be found guilty of passing a hot check he must have received

Prizes Offered For Best Article On History of Plains

Canyon, Jan. 12.—Dr. L. F. Sheffy, head of the history department at West Texas State, has issued another call for all writers who are interested in entering the Vandalia Historical Essay Contest that only four months remain until papers are due.

Winners will be announced at the May meeting of the Panhandle Plains Historical Society to be held on the campus. First prize in the contest is \$100; and second place rewards \$50. Deadline for submitting entries is April 25. Any person is eligible to enter. Topics for papers may be of any nature so long as they deal with the Plains region.

Purpose of the contest is to stimulate interest in writing on the "Great and colorful history of the Plains region," Dr. Sheffy said.

Earl Vandale, Amarillo, and Newton Harrell, Claude, are sponsors of the Essay Contest. First place winner last year was Ernest Archambeau of Amarillo; second place went to Mrs. Betty Ligon, now of Albuquerque, N. M. A Tahoka citizen, Mrs. Patricia (Jake) Jacobs, placed first in the contest three years ago.

HAVE NEW YEARS DINNER

A New Years eve dinner was given at Jo Ann Thomas' house Saturday night at 6:30 o'clock. The dinner was eaten by candlelight with a candle in the center of each of the three tables. The mirror with the painted clock reminded everyone that at 12:00 o'clock another year would have passed.

The menu consisted of turkey and dressing, potatoes, vegetable and fruit salads, macaroni and cheese, candied potatoes, rolls, and of course, blackberry peas. Frozen lemon pie and pecan pie was the desert.

Those present were Willa Akin, Billy Thomas, Jean Henderson, Billy McNeely, Jo Ann Thomas, Dan Martin, Pat Sherrod, Beryl Tippit and Neil Fortenberry.

something of value AT THE TIME the check was given. Pete had received the "something or value"—that is, the hundred dollars—several days before he gave Old John the check.

The State Bar of Texas is working to close such loopholes in the law so that honest citizens will not be so easily victimized by crooks. The outworn Criminal Code and Code of Criminal Procedure now used in Texas are sorely in need of revision.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

Clyde Briley Will Graduate January 31

Austin, Jan. 10. — Forty-one University of Texas College of Pharmacy seniors are scheduled to receive degrees at the close of the current semester January 31, a list made public by Pharmacy Dean H. M. Burlage shows. Among the list of pharmacy degree candidates includes Clyde Briley, son of Mrs. Terry Noble of Brownfield.

THANKS TO THE NEWSPAPER FOLKS

The News wishes publicly to express its thanks to the newspaper people of this area for the many sympathy cards sent to the senior editor and the kind expressions published in the news and editorial columns of their papers respecting the death of Mrs. E. I. Hill. Our neighbor to the east, Eddie Warren, editor of the Post Dispatch, offered to get out last week's issue of this paper for us, which we regarded as a kind proposal indeed. Owing to subnormal size of the paper last week, our own force felt equal to the task and performed it; but Eddie has our special thanks. —The News Publishers.

DRAW H. D. CLUB NEWS

The Draw H. D. Club met on January 6, at 2:30 p. m. at the home of Miss Emily Waller. Miss Hard giving the demonstration after which refreshments were served to eight members and Miss Hard. —Reporter.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolet also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

A. L. DUNAGAN WRITES BACK HOME

A. L. Dunagan, presumably accompanied by his wife, drove out of Tahoka recently and headed south, or east, at any rate he went by way of Austin and after reaching Hillsboro he wrote back to the News. He seems to have been sounding out the political prospects for this year in some of the state contests. Evidently he had already reached some conclusions as to the local and the national situation.

We will give our readers the low-down on what he says except as to local candidates, real and prospective. We'd better keep off of them, A. L. So here goes.

First, Has Narrow Escape

The Lynn County News: Please allow some space in your fine paper for some scribbling from a Lynn county clod-hopper.

First, will say that I had a very narrow escape from being killed in an auto mis-hap eight miles west of Austin. Windshields and the windows and the highway were ice-covered. I met a car, a truck, in trying to pass it, saw that he (the driver) was going to hit me head-on. I turned off the highway to my left into the bar ditch and I side-swiped the rear end of the truck and messed up the left side of my car.

With your permission I will ramble on for awhile.

How many of your readers know that every President of the U. S. A. that was elected at intervals of 20 years ending with

0 from 1840 to 1940 inclusive died in office?

Who were they? (Get out your history books, boys, and look 'em up—believe we could name 'em, though, off-hand—Ed.)

Had you noticed that General Eisenhower is traveling over the U. S. A. searching for a party that might get himself elected President on? He won't say that he is a Republican or a Democrat. And as he never voted in his life, no one knows where he stands. He said a short time ago while in Texas that the people were living in too much luxury and that we would have to come down to eating hot dogs and beer. That statement ruled him out of the Democratic party for me. Of course he could have a lot of hot dogs and beer with the \$18,671 pension per year the rest of his life that he will receive from the Federal Government regardless of which party is in control.

A short time ago a news reporter called on W. Lee O'Daniel at his ranch and asked him if he was going to run for office in 1950. He replied that his mail was very heavy with solicitations for him to run for President, but said the Government was just about gone—said it was already Socialism and if God did not perform some miracle it would soon be Communist. He said that he did not know if God would perform the said miracle or not as God had not taken him into his confidence yet. He told the reporter that when he got ready

to run for office he would call in all the reporters and let them all know at once. Unquote. I am looking for a call.

The other day I met a prospective candidate down in East Texas. I asked him what he was doing down here. He said he was hunting for some fiddlers.

Now here is where I am really sticking my neck out, giving the readers something to talk about besides the weather. Here are some of those that will make Allen Sivers worse than I did last winter when I ran over my butane tank with my car, turned it over and lost all the butane, and four inches of ice all over the ground. Olin Culberson, Price Daniell, Casco Marsh, Lieutenant Governor, W. O. Reed of Dallas and several others.

(And here is where we saw off, A. L., for we prefer that local candidates be allowed to make their own announcements or to authorize us to do so in person. But thanks for your interesting communication.—The Ed.)

Income Taxes—the fine you pay for reckless thriving.—The Arrow.

NEW OIL TEST WILL BE DRILLED IN COUNTY

Application to begin drilling at once a wildcat three miles northeast of the two-well Mound Lake field in northeast Terry county. It is to be 1,980 feet from north and east lines of Sec. 39, block E, EL&RR Survey.

That makes it approximately 16 miles west and a little north of Tahoka, and just inside the west line of Lynn county. It is slated to explore the Pennsylvanian lime from which the two Mound Lake wells in Terry county are producing. It is due to start drilling by January 12.—Brownfield News.

TERRY COUNTY WELL NEARS COMPLETION

Tide Water Associated Oil company and associates No. 1 Nystel, Southeast Terry county deep wildcat, 14 miles southeast of Brownfield, flowed an average of 62.31 barrels of 32.8 gravity oil per hour, through a three-quarter inch choke for six and two-third hours, from perforated section at 11,475-542 feet in the Fusselman section of the Silurian to prove a new discovery, according to a semi-official report. The project is now preparing to install a Christmas tree and complete.

The flow came after the perforated section had been treated with 5,000 gallons of acid. Prior to the injection of the acid the well swabbed natural at the rate of one and one-half barrels per hour. After the acid treatment, the wildcat was swabbed one hour and it kicked off and started to flow. It was turned to tanks as soon as the flow started.

Errors in Report of County Finances Are Corrected

Our attention has been called to certain errors contained in the report of the Commissioners' Court of Lynn county as published in the News last week. These errors were not made by the News however, but were inadvertently made by those who prepared the report, but we gladly correct the same.

In this report, under the head of Officers' Salaries, appears this item: Frank McGlaun Jr. (mileage expense) \$174.76. This was error. Mileage expenses in fact were only \$17.28. Covered by this total of \$174.76 were the following items: Postage-envelopes \$79.08; Map \$15.00; O'Donnell Office .63.40; and mileage \$17.28; total \$174.76.

Also the report was erroneous respecting the salaries of County Judge Tom Garrard and Deputy Sheriff Chester Roan. Under this head in the report appears the following items in this order: Chester Roan, Deputy Sheriff, (salary) \$150.00. Tom Garrard, County Judge, (salary) \$94.56. This was error. The salary of Deputy Sheriff Chester Roan was not \$150 but was in fact \$94.56. The salary of County Judge Tom Garrard was not \$94.56 but was in fact \$150.00, but it was duplicated in this report. It does not come under this head at all but is found under the head of General Fund appearing further down in the report. It properly appears only once, along with the salaries of the county commissioners.

Our readers probably know that it is difficult to compile long strings of figures without making mistakes, and some mistakes may be made in subsequent reports but it is not likely that such mistakes will occur often.

Grady Lankford Buys Calvary Store

Mr. and Mrs. Grady Lankford completed a deal with Mr. and Mrs. F. E. Calvary a few days ago in which the former became owners of the C. & W. Store. The store is now open under the new management, operating under the name Lankford Variety. Mr. Lankford has been in charge of the meat market at Davis & Humphries here for the past few years. Mr. and Mrs. Calvary have not announced their plans for future, but they will remain in Tahoka.

Phil Daniels, 18 months old son of Mr. and Mrs. Jack Daniel was a patient in the Tahoka Hospital with pneumonia.

Mrs. Slayton Eudaly underwent major surgery Friday in the Tahoka Hospital. She is improving satisfactorily. Dr. Seale operated.

Mrs. Clyde Allen is a patient in the Tahoka Hospital with pneumonia. She is reported to be improving nicely.

Political Announcements

The Lynn County News is authorized to announce the following candidates for office, subject to the Democratic primaries:

- For District Judge: Louis B. Reed (re-election)
- For Tax Assessor-Collector: Frank McGlaun Jr. (re-election)
- For County Clerk: Beulah Pridmore (re-election)

MRS. TUNNELL IS AT AUSTIN MEETING

Mrs. Lenore M. Tunnell, county superintendent, left Wednesday for Austin, where she was to attend the State School Administrators meeting, the theme of which is the Gilmer-Aiken school program. She will return to Tahoka Friday.

Wilson Traveler Roaming Again

To The Editor Of The Lynn County News:
This trip takes us through about twelve states and is one of the most interesting that I have ever made.
Leon, his family, Clyde and I left Wilson about noon Tuesday and arrived in Washington, D. C. about the same time Saturday. Clyde and Marlene took over the Ford and I had to walk or ride with Leon. He threatened to throw me out several times, but each time he recanted and took me along until we got to Richmond, where he threw me out for keeps.
I have seen a lot of the U. S. A., but "The Plains" suits me better than any place that I have been.
From Post to Jayton, we found a broken country with low, rocky and barren hills with small canyons that have a lot of scenic beauty about them but are unprofitable except for ranching and a remote possibility for oil. From Jayton to Seymour, we found a rich farming country but not so level as it is here. From Seymour to Wichita Falls, we gradually left the farming country and ran into the ranches again. From Wichita Falls, to Sherman, it is a ranch country with some oil and I would call it a rather barren territory except for some grass and light woodland as we got nearer to Sherman. You will find low rolling hills all the way.
After a nights rest, we left Sherman for Texarkana, which completed a very interesting step of our journey. This was an old farming country that was badly washed and worn after so many years of cultivation without rest. The fields were cut up into small patches by ravines that ran in all directions. We were in the beginning of woodlands that were to last all the way to Memphis.
About twenty miles this side of Texarkana, we came to a United States arsenal that was used in World War II. It covered so many miles of territory that I would be afraid to estimate its size. I do not know how to describe it since I do not know the name of the different types

of guns, planes and tanks, but I do know that we saw many groups of buildings stationed along at regular intervals, with cars parked all around them, showing that they were still being used. Then, on all sides of these buildings, for miles and miles we saw guns, planes and tanks of all description that were worn out and were to be used only for scrap iron. The thing that impressed me most was the immensity of it all. There were thousands of acres of land, hundreds of buildings, and an uncountable number of old wrecked guns, planes and tanks. One reason that we saw so much was because Leon reduced his speed to about 70 miles per hour in order that we might get a better view of it.
At Texarkana, we stopped for refreshments but it was strictly a prohibition crowd as Leon refrained from strong drink just for the sake of being a good example for the rest of us.
Just after we left Texarkana, we crossed Red River and from there on to Memphis, Tennessee, it was bottom lands, rivers, sloughs, flats, and rice fields. The highway was lined with curio shops selling all kinds of Mexican clothes, bedspreads and trinkets of various kinds. The inhabitants of this section were mostly Negroes and the living conditions of these people were very bad. However, the auto has made a considerable change in them because they are now able to live in Little Rock and Memphis and go to and from work in trucks. We saw literally dozens of trucks that lined the highway taking the mhome at night. It is a great advantage to them to live in the city with modern conveniences and work in the country during the day.
We crossed the Mississippi River at Memphis just before sundown, and to us it was a wonderful sight. A new bridge was under construction there which was a feast to our hungry eyes that were always looking for something new. We will long remember this gigantic structure that was about a mile long.
The streets were being repaired and we had to detour around the business district and go through Negro town. I thought all the Negroes were there but I learned later that Washington, D. C. has a greater percent of Negroes than any other city in the United States. I will tell more about Memphis next time.
Yours very truly,
W. G. Boyd.

Sue Carpenter To Wed Chas. Hudman

Mr. and Mrs. Dan L. Carpenter of Tahoka are announcing the engagement and approaching marriage of their daughter, Sue Nell, to Charles Hudman, son of Mr. and Mrs. Clovis Hudman of Post.
The wedding will take place at the Tahoka Church of Christ on February 5, at 3:30 o'clock p. m. Bro. Ernest West, Minister of the Tahoka Church of Christ will officiate. A reception will follow immediately after the ceremony in the home of the bride's parents.

A. F. Davis, who lives just a half mile west of Southland and over in Lynn county, came in Monday to make arrangements which will keep The News coming to him for another year. Mr. Davis is one of the county's best citizens, though he just barely qualifies as our citizen by virtue of living so close to the county line. The News force enjoys his annual visits however, and our only wish is that he lived closer to Tahoka.

We are conscious of our own pride, but behave towards others as if they had none. Revue De Paris.
During the business session, it was reported that fourteen cards were sent to the sick and absentees. Also, twenty-two telephone calls and thirty-seven visits were made in the past month.
Refreshments of coffee and doughnuts were served.—Reporter.

ESSIE BRASHEAR CLASS HAS BUSINESS MEETING
The Bessie Brashear Sunday School class of the Methodist Church held its regular meeting Tuesday, January 3rd. Eleven members were present.
The meeting was called to order by the president, followed by two songs and a prayer. Mrs. R. W. Fenton Sr. brought the devotional. Mrs. J. B. Hoskins read a beautiful piece about Christmas.
During the business session, it was reported that fourteen cards were sent to the sick and absentees. Also, twenty-two telephone calls and thirty-seven visits were made in the past month.
Refreshments of coffee and doughnuts were served.—Reporter.

ANNOUNCE APPROACHING MARRIAGE IN LUBBOCK
The approaching marriage on February 14 of Miss Barbara Jean McPherson, daughter of Mr. and Mrs. J. B. McPherson of 3309 24th St., Lubbock, to Ted Powell, was announced by Mrs. McPherson at a tea in her home Sunday afternoon.
The McPhersons are former citizens of Tahoka, and operated a food store while living here.

Pecan Show Held Here Last Saturday Attracted Many Entries of Nuts

(By Ben Moore)

The Lynn County Pecan and Walnut show which was held in Tahoka last Saturday, January 7, was quite an eye-opener to many who visited in town that day. Of course, those who grew the nuts which were on exhibition were not surprised, but many others were pleasantly surprised at the fine display.

We think that if there were doubts as to our ability to produce a great variety of fine pecans and walnuts in the county, such doubts may well now be dispelled.

One of the most important conclusions is that the much discussed Mahan pecan, largest of all varieties in the southern

tastes, really does fill out perfectly on the south plains, although it does not in any other section, so far as can be learned. The Western Schley is a sort of child of the Mahan, being of similar shape. It also fills out nicely, as shown by this exhibit. The very fine, thinshelled Burkett were much in evidence. Some of the finest Stuarts we have ever seen were in the exhibit. Garner's were perfect in symmetry and flavor.

About twenty growers placed exhibits, some of which were little seedlings, shown in order to show the vast difference between them and the highly bred nuts.

J. O. Allen of Dixie brought in four varieties, Alexander, Kin-

caid, Burkett and Halbert.

C. E. Woodworth showed fine English walnuts, Garner's, Burkett's and W. Schley along with the big Thomas black walnut, which may often be removed in halves from its shell.

Mrs. L. C. Haney displayed a large tray of five varieties of pecans and walnuts, some of which were English walnuts.

W. B. St-ton, who was never much of a hand at doing things by halves, showed the largest Burketts.

Nuts from Mrs. A. L. Lockwood's trees, second oldest in the county, were beauties, very large.

Black walnuts, not so large as the Thomas, but easily removed from shell were exhibited along with a picture of Dr. J. F. Campbell, and the fine tree, in O'Donnell.

George Lindley showed Thomas black walnuts which were grown on his farm near O'Donnell, while his neighbor, Mrs. J. B. Moore, showed nice Burketts.

Ben Moore exhibited Burketts along with a pair of Success which were taken from trees seven feet in height.

Mrs. F. E. Redwine exhibited some very fine pecans of the Stuart variety.

R. P. Weathers showed a container of black walnuts.

J. K. Applewhite's Mahans were such as to convince the most skeptical—they were somewhat smaller than a rabin of corn.

Other showings were from Hal Singleton, T. A. Wimberly, Ollie Tucker, Marvin Herman, Mrs. J. P. Bowlin.

Last, but not least, in importance, we mention the M. F. Balfew pecans which were shown with a nice photo of his farm home, with nothing but pecan trees about the yard. His were the first high grade pecan trees set in the county, back in 1905.

We trust that we have not inadvertently left out names of any of those who were so cooperative in putting on this, the first such show on the Texas plains.

Lynn Countains will feel thankful for the fine place offered by Rutherford's in this public service.

PROHL IS NAMED DISTRICT CHAIRMAN

Elmo Wasson, Big Spring, district governor of the 183rd district of Rotary International, has named Dr. Emil Prohl, president of the Tahoka Club, as district chairman of the On-to-Detroit committee.

This year's International convention will be held in Detroit and it will be Dr. Prohl's duty to see that each of the 36 clubs in this district has a voting representative present at the meeting.

ESTHERIAN SUNDAY SCHOOL CLASS HAS MEETING

The Estherian Sunday School class of the First Baptist Church met at 7:30 Tuesday night, January 10, in the home of Helen Whitaker.

The meeting was called to order by the president Frankie Williams and the business was attended to. Mary Jo Miller was

electd Secretary-Treasurer and Melvena McGlaun assistant. Secretary-Treasurer. Frankie Williams was selected to assist the social service committee and Margie Conway, reporter.

Gifts were brought for Lydia Bravo and members present exchanged gifts.

Refreshments were served to the following members:

Helen Whitaker, Mary Jo Miller, Ruby Freeman, Melvena McGlaun, Frankie Williams, Mosele Nolan and Margie Conway.

We would like to extend an invitation to all members of our class to come to our meetings and also to our Sunday School Class on Sunday morning. —Reporter.

Wilson Traveler Roaming Again

To The Editor Of The Lynn County News:
This trip takes us through about twelve states and is one of the most interesting that I have ever made.

Leon, his family, Clyde and I left Wilson about noon Tuesday and arrived in Washington, D. C. about the same time Saturday. Clyde and Marlene took over the Ford and I had to walk or ride with Leon. He threatened to throw me out several times, but each time he recanted and took me along until we got to Richmond, where he threw me out for keeps.

I have seen a lot of the U. S. A., but "The Plains" suits me better than any place that I have been.

From Post to Jayton, we found a broken country with low, rocky and barren hills with small canyons that have a lot of scenic beauty about them but are unprofitable except for ranching and a remote possibility for oil. From Jayton to Seymour, we found a rich farming country but not so level as it is here. From Seymour to Wichita Falls, we gradually left the farming country and ran into the ranches again. From Wichita Falls, to Sherman, it is a ranch country with some oil and I would call it a rather barren territory except for some grass and light woodland as we got nearer to Sherman. You will find low rolling hills all the way.

After a night's rest, we left Sherman for Texarkana, which completed a very interesting step of our journey. This was an old farming country that was badly washed and worn after so many years of cultivation without rest. The fields were cut up into small patches by ravines that ran in all directions. We were in the beginning of woodlands that were to last all the way to Memphis.

About twenty miles this side of Texarkana, we came to a United States arsenal that was used in World War II. It covered so many miles of territory that I would be afraid to estimate its size. I do not know how to describe it since I do not know the name of the different types

Sue Carpenter To Wed Chas. Hudman

Mr. and Mrs. Dan L. Carpenter of Tahoka are announcing the engagement and approaching marriage of their daughter, Sue Nell, to Charles Hudman, son of Mr. and Mrs. Clovis Hudman of Post.

The wedding will take place at the Tahoka Church of Christ on February 5, at 3:30 o'clock p. m. Bro. Ernest West, Minister of the Tahoka Church of Christ will officiate. A reception will follow immediately after the ceremony in the home of the bride's parents.

A. F. Davis, who lives just a half mile west of Southland and over in Lynn county, came in Monday to make arrangements which will keep The News coming to him for another year. Mr. Davis is one of the county's best citizens, though he just barely qualifies as our citizen by virtue of living so close to the county line. The News force enjoys his annual visits however, and our only wish is that he lived closer to Tahoka.

We are conscious of our own pride, but behave towards others as if they had none. Revue De Paris.

of guns, planes and tanks, but I do know that we saw many groups of buildings stationed along at regular intervals, with cars parked all around them, showing that they were still being used. Then, on all sides of these buildings, for miles and miles we saw guns, planes and tanks of all description that were worn out and were to be used only for scrap iron. The thing that impressed me most was the immensity of it all. There were thousands of acres of land, hundreds of buildings, and an uncountable number of old wrecked guns, planes and tanks. One reason that we saw so much was because Leon reduced his speed to about 70 miles per hour in order that we might get a better view of it.

At Texarkana, we stopped for refreshments but it was strictly a prohibition crowd as Leon refrained from strong drink just for the sake of being a good example for the rest of us.

Just after we left Texarkana, we crossed Red River and from there on to Memphis, Tennessee, it was bottom lands, rivers, sloughs, flats, and rice fields. The highway was lined with curio shops selling all kinds of Mexican clothes, bedspreads and trinkets of various kinds. The inhabitants of this section were mostly Negroes and the living conditions of these people were very bad. However, the auto has made a considerable change in them because they are now able to live in Little Rock and Memphis and go to and from work in trucks. We saw literally dozens of trucks that lined the highway taking the mhome at night. It is a great advantage to them to live in the city with modern conveniences and work in the country during the day.

We crossed the Mississippi River at Memphis just before sundown, and to us it was a wonderful sight. A new bridge was under construction there which was a feast to our hungry eyes that were always looking for something new. We will long remember this gigantic structure that was about a mile long.

The streets were being repaired and we had to detour around the business district and go through Negro town. I thought all the Negroes were there but I learned later that Washington, D. C. has a greater percent of Negroes than any other city in the United States. I will tell more about Memphis next time.

Yours very truly,
W. G. Boyd.

BESSIE BRASHEAR CLASS HAS BUSINESS MEETING

The Bessie Brashear Sunday School class of the Methodist Church held its regular meeting Tuesday, January 3rd. Eleven members were present.

The meeting was called to order by the president, followed by two songs and a prayer. Mrs. R. W. Fenton Sr. brought the devotional. Mrs. J. B. Hoskins read a beautiful piece about Christmas.

During the business session, it was reported that fourteen cards were sent to the sick and absentees. Also, twenty-two telephone calls and thirty-seven visits were made in the past month.

Refreshments of coffee and doughnuts were served.—Reporter.

The atom is the only thing that is all it's cracked up to be.—Sam Burnside.

Pecan Show Held Here Last Saturday Attracted Many Entries of Nuts

(By Ben Moore)

The Lynn County Pecan and Walnut show which was held in Tahoka last Saturday, January 7, was quite an eye-opener to many who visited in town that day. Of course, those who grew the nuts which were on exhibition were not surprised, but many others were pleasantly surprised at the fine display.

We think that if there were doubts as to our ability to produce a great variety of fine pecans and walnuts in the county, such doubts may well now be dispelled.

One of the most important conclusions is that the much discussed Mahan pecan, largest of all varieties in the southern

tastes, really does fill out perfectly on the south plains, although it does not in any other section, so far as can be learned. The Western Schley is a sort of child of the Mahan, being of similar shape. It also fills out nicely, as shown by this exhibit. The very fine, thinshelled Burkett, were much in evidence. Some of the finest Sturats we have ever seen were in the exhibit. Garner's were perfect in symmetry and flavor.

About twenty growers placed exhibits, some of which were little seedlings, shown in order to show the vast difference between them and the highly bred nuts. J. O. Allen of Dixie brought in four varieties, Alexander, Kin-

caid, Burkett and Halbert. C. E. Woodworth showed fine English walnuts, Garner's, Burkett's and W. Schley along with the big Thomas black walnut, which may often be removed in halves from its shell.

Mrs. L. C. Haney displayed a large tray of five varieties of pecans and walnuts, some of which were English walnuts.

W. B. Slaton, who was never much of a hand at doing things by halves, showed the largest Burkett's.

Nuts from Mrs. A. L. Lockwood's trees, second oldest in the county, were beauties, very large.

Black walnuts, not as large as the Thomas, but easily removed from shell were exhibited along with a picture of Dr. J. F. Campbell, and the fine tree, in O'Donnell.

George Lindley showed Thomas black walnuts which were grown on his farm near O'Donnell, while his neighbor, Mrs. J. B. Moore, showed nice Burkett's.

Ben Moore exhibited Burkett's along with a pair of Success which were taken from trees seven feet in height.

Mrs. F. E. Redwine exhibited some very fine pecans of the Stuart variety.

R. P. Weathers showed a container of black walnuts.

J. K. Applewhite's Mahans were such as to convince the most skeptical—they were somewhat smaller than a nubbin of corn.

Other showings were from Hal Singleton, T. A. Wimberly, Ollie Tucker, Marvin Herman, Mrs. J. P. Bowlin.

Last, but not least, in importance, we mention the M. F. Balfew pecans which were shown with a nice photo of his farm home, with nothing but pecan trees about the yard. His were the first high grade pecan trees set in the county, back in 1905.

We trust that we have not inadvertently left out names of any of those who were so cooperative in putting on this, the first such show on the Texas plains.

Lynn Countians will feel thankful for the fine place offered by Rutherford's in this public service.

PROHL IS NAMED DISTRICT CHAIRMAN

Elmo Wasson, Big Spring, district governor of the 183rd district of Rotary International, has named Dr. Emil Prohl, president of the Tahoka Club, as district chairman of the On-to-Detroit committee.

This year's International convention will be held in Detroit and it will be Dr. Prohl's duty to see that each of the 36 clubs in this district has a voting representative present at the meeting.

ESTHERIAN SUNDAY SCHOOL CLASS HAS MEETING

The Estherian Sunday School class of the First Baptist Church met at 7:30 Tuesday night, January 10, in the home of Helen Whitaker.

The meeting was called to order by the president Frankie Williams and the business was attended to. Mary Jo Miller was

elected Secretary-Treasurer and Melvena McGlaun assistant Secretary-Treasurer. Frankie Williams was selected to assist the social service committee and Margie Conway, reporter.

Gifts were brought for Lydia Bravo and members present exchanged gifts.

Refreshments were served to the following members:

Helen Whitaker, Mary Jo Miller, Ruby Freeman, Melvena McGlaun, Frankie Williams, Mosele Nolan and Margie Conway.

We would like to extend an invitation to all members of our class to come to our meetings and also to our Sunday School Class on Sunday morning. —Reporter.

Assembly of God Plans Services

Evangelist Eddie Strickland, of Lockney, Texas, will be speaking over the week end at the local Assembly of God Church. Friday night her sermon will be for men only (ladies may come along and listen in, however). Saturday night she will preach to ladies. She will be preaching at the Sunday morning and Sunday night services, too.

Evangelist Strickland is a very forceful and interesting speaker, and her messages from the Word of God appeals to the unconverted, as well as to Christians of all Denominations. The public is invited to attend. —Pastor, H. C. Louis.

WORKER'S CONFERENCE MEETS HERE

The Workers' Conference of the Brownfield Baptist Association met in the First Baptist Church of Tahoka, Thursday, with both a morning and an afternoon session. Practically all of the more than 20 churches in the association were represented.

The ladies of the local church served a feast at the noon hour.

Mr. and Mrs. Melton Flowers left Tuesday morning for their home at Flagstaff, Arizona, after she had spent about two months here with her parents, Mr. and Mrs. J. L. Nevill, and other members of the family, and Mr. Flowers had been here for about a month.

MOVE TO DENVER CITY

Mr. and Mrs. W. K. Kirby Smart moved on Thursday of this week to Denver City, where Mr. Smart will be associated with the Loyd Allsup Chevrolet Company as assistant manager.

Mr. Smart was formerly employed as parts manager with the Bray Chevrolet Co. here.

Mrs. Joyce Stanley and children are in Big Spring this week at the bedside of her mother, Mrs. J. L. Terry, who is ill. Mr. Terry is here helping at the funeral home in Mrs. Stanley's absence.

James Clinton has been ill this week with the flu.

Nelson Is Speaker At The Methodist Fellowship Meet

The Men's Fellowship organization of the Tahoka Methodist Church had one of the liveliest meetings in the spacious and attractive dining room of the church on Monday night of this week that has doubtless been held here in a long time.

In the first place, about forty of the leading citizens of the town, active members of the Church, were present. They were on their toes, too, and there was scarcely a dull moment throughout the evening. A sumptuous meal was served preceded by the singing of a couple of good old religious songs and by the invocation and succeeded by a brief business meeting at which officers for the year just opening were elected.

At this point President A. M. Bray called upon Pete Hegl to preside, who took over and heard the report of the nominating committee, as a result of which V. F. Jones was elected president, H. W. Carter vice-president, and Pete Hegl, treasurer.

The business meeting over, Happy Smith came as chairman of the program committee, and in a little speech bristling with wisecracks and allegedly funny jokes introduced former-Senator G. H. Nelson of Lubbock as the speaker of the evening. After indulging in a few wisecracks himself, Nelson got down to business and delivered one of the most interesting and effective religious addresses heard here recently. From the Scriptures and from profane history he showed how that the hand of God had been on the throttle and had been directing the course of history from the days of Noah even down to the present day.

Nelson is a member of the First Baptist Church of Lubbock and an active worker in the Baptist Brotherhood. In Tahoka, he served as public school superintendent, as secretary of the Tahoka Chamber of Commerce, as county attorney, as district attorney of the 106th judicial district, and as state senator from the 30th senatorial district. For a time he was superintendent of the Baptist Sunday School here and was ordained as a deacon by the First Baptist Church of Tahoka.

Basketball

(Cont'd. On Back Page) catching the visiting B team but the final score was 32 to 31 in Seagraves' favor. Seagraves led 12 to 9 at the quarter, 23 to 13 at the half, and 26 to 18 at the three-quarter mark. Tekell of Tahoka was high point man with 11 points.

The game with O'Donnell here next Tuesday night is expected to be a good one, as games between the two schools usually

are, but the O'Donnell Eagles are rated better than the Bulldogs because of the fact that they defeated Seagraves rather handily at Seagraves Tuesday night. The A team and the girls' team are playing in the Abernathy tournament this week end. They do not hope to go far in the tournament, but will pick up valuable playing experience.

If you want to kill time, try working it to death. —The Look Around.

Conservation

(Cont'd. From Page 1) Contour listing or chiseling not on the contour is set at 30c per acre Applications for prior approval for this practice as well as others are now being taken at the PMA office.

Control of bindweed is included with different payment rates set up depending on the method of control used.

Leveling for irrigation land for which water is available is 8c per cubic yard of dirt moved, not to exceed \$15.00 per acre.

Reorganization of a permanent farm irrigation system to conserve water and prevent erosion applies to this county and includes many practices such as permanent ditches, reservoirs, concrete construction, metal and concrete pipes, etc.

Other practices that will apply to this county are drilling wells for livestock water, construction of earthen dams for livestock water or erosion control, lining earthen reservoirs for livestock water, application of potash and phosphate, Summer and Winter legume practices, deferred grazing practice, constructing fireguards, burning or chiseling noncrop land, establishing permanent pastures.

For further information on any of these practices, farmers are urged to consult your committeemen or call by the PMA office.

Mrs. S. J. Harris,

(Cont'd. From Page 1) Mrs. Harris moved to Tahoka where she has lived with her daughter, Mrs. C. A. Thomas, twenty-three years.

Mrs. Harris joined the Methodist Church in her early girlhood and remained a faithful member through her life. She attended services regularly until four years ago when her hearing and sight failed.

She is survived by one sister, Mrs. Blair of Erick, Oklahoma; one daughter, Mrs. C. A. Thomas of Tahoka; four grandsons, Billy Skiles, E. C. and J. J. Harris of Dallas, and Dr. Skiles Thomas of Tahoka; two grand-daughters, Dixie and Gay Harris of Dallas; one step-daughter, three step-sons; and two great-grandchildren, Susan and Bill Thomas of Tahoka.

Mrs. Harris lived a life of service and devotion to her family and friends. Doing for others was always a joy to her. Even in her last days, she tried to do, and grieved because she could not do more. She was always gentle, kind, and patient—and contented with her life. She loved and enjoyed her friends and was always grateful for any little attention or service. Truly she was an inspiration to others—unselfish, reserved, always cheerful, never complaining, always speaking well of the other fellow. Many lives here have been made better by knowing her.

The News might observe that there are few native Texans still living who were born as early as 1854. Franklin Pierce of New Hampshire was then President of the United States and was just 50 years of age. His father had fought in the battles of Concord and Lexington at the beginning of the Revolutionary War. When Mrs. Harris was born, William R. King of Alabama was the Vice-President and Jefferson Davis of Mississippi was Secretary of War. Abraham Lincoln was still practicing law in Illinois. The Slavery question was the burning issue of the day and got hotter and hotter until Civil War broke out. Mrs. Harris was 11 years old when it ended.

Jane Morehead, secretary in the Huffaker and Garrard office, left Monday for Nebraska to be at the bedside of her mother, who is seriously ill.

Mexican

(Cont'd. From Page 1) caught up with him near Sandoval's house, and hit him over the head with the club or piece of plank, fracturing his skull, breaking an arm, and producing lacerations on the head. Apparently it was a very brutal assault.

Sandoval, 25, was brought to the Seale Clinic in Tahoka at 5:30 Sunday morning, where he was treated, but he died at 3:00 o'clock Sunday afternoon. His body was taken to Cotulla, La Salle county, a hundred miles southwest of San Antonio, where he lived before coming here to pick cotton, for burial. He leaves a wife and possibly a child or two.

Rodriguez was arrested and placed in jail and his bond was fixed by Justice of the Peace P. D. Server at \$2,000, which he has not made. Rodriguez, 24, lived at Raymondville, Willacy county, some 40 or 50 miles north of Brownsville, before coming to the plains to pick cotton.

Agent's Report

(Cont'd. from page 1) cup to G. W. Langford of the Draw community for producing the first bale ginned in Lynn county.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome. L. A. Forsythe, W. M. Edd Hamilton, Sec'y.

Nothing brightens the sick-room like a colorful gift of flowers. And nothing is appreciated quite as much.

We Deliver the flowers of your choice immediately... at no extra cost!

HOUSE of FLOWERS
Phone 336
Mr. & Mrs. Joe Bob Billman

The cup was donated by the First National Bank, Hall Robinson, Bill Strange, and Herb Carter.

All cotton improvement associations made application for free classing and grading so their members could market cotton on grade and staple basis.

Boys 4-H Clubs During 1949, \$1,235.00 was

contributed by business men and organizations in Tahoka to support the Lynn County Livestock Show and Sale. Lynn county 4-H boys exhibited 10 beef calves, 60 hogs, and sold these animals for \$4,639.80 to packers and others.

The boys marketed 500 broilers for \$423.00. Total amount to 4-H boys was over \$5,000.00. Many of the boys are laying the money

away to use later on college work. Two hundred and fifty boys enrolled in Lynn County 4-H clubs. They range in age from 9 to 18 years of age and belong to one of eight clubs in the county. The clubs hold meetings once a month. These meetings are held by the County Agent, who assists the boys with problems of farming and livestock raising.

OVER 1400 FARMER-RANCHER STOCKHOLDERS

WANT YOU TO KNOW:

1. The Lubbock Production Credit Association paid back the last dollar of Government capital on December 31, 1949 and is now completely owned and operated by farmers and ranchers.
2. You are cordially invited and urged to become better acquainted with Production Credit and its system of financing farmers and ranchers in our area.
3. That we do not and never have loaned one penny of Government money.
5. The association makes short-term production loans on or taxes just like other privately owned businesses.
5. The association makes short-term production loans on strictly business basis under lending policies set up by our farmer-rancher directors.
