

Work On City Sewer Is Nearing Completion

(Third of a series of articles on current civic development projects in Tahoka.)
Work on the new sewer system extensions and improvements in Tahoka is nearing completion.

H. B. Jordan & Company of Plainview, contractors, lack only the laying of two or three blocks of mains, about two blocks of force lines, and installation of two lift stations.

A total of 21,000 feet, or about four miles, of new six and eight-inch mains have been laid. Added to the 48,000 feet already in service, this gives Tahoka a sewer

system of nearly 70,000 feet of mains. This places a great percentage of the residences and business houses of the town accessible to sewer disposal.

Prior to 1928, the town had no city sewer system at all. Two or three privately owned systems in the business section, all draining into cesspools, cesspools at various residences, and outdoor toilets presented a hazard to health.

In that year, 1928, the Southern Sewer Company was granted a franchise by the City of Tahoka to build a privately owned sewer system in the town. At a cost of nearly \$50,000, the disposal plant nearly two miles south of the square and collection lines were built over the city. Since it was strictly a business proposition, the builders laid lines only where they could sign up the maximum number of customers.

The disposal plant has proven to be entirely adequate, with some minor improvements, but the collecting lines were, even then, hodge-podge and inadequate. Many people refused to tie-on to the lines, continuing to use cesspools, and soon the company was trying to sell out to the City of Tahoka.

The City was not inclined to buy the disposal system until 1939, when the late Deen Nowlin was mayor, the entire system was bought by the City for only \$15,000, including the 33 acres of land on which the disposal plant is located.

Since that time, the City, under direction of Pat Hines, water superintendent, has laid about 15 blocks of new lines. At the time the City bought the system there were only about 100 customers. Now, in 1950, this has risen to almost 500, and with the new extensions, many more people are in (Continued on back page)

Three Injured In Car-Truck Wreck, One Man Fined

Three were injured in a car-truck crash seven or eight miles south of Tahoka on the O'Donnell highway Thursday afternoon of last week.

As a result of the accident Ralph O. Dye, Plainview, driver of the truck, was fined \$500 and costs in county court on a plea of guilty to drunk driving. He was not injured.

William Isbell, wife, and baby of Big Spring, occupants of the car, a Hudson, were carried to Tahoka Hospital for treatment. Mr. Isbell, the most seriously injured, had a dislocated hip and minor lacerations, which will keep him in the hospital for several days yet. Mrs. Isbell suffered also and chest bruises, and the baby only a black eye.

Sheriff Slick Clem, who investigated the accident, told The News that the nearest he could determine, Dye crashed into the rear side of the Isbell car. Both were going north, and Dye was attempting to pass the Isbell car when he saw a car approaching from the North. He cut to his right and plowed into the left rear of the Hudson. The car was badly crushed and turned around in the road, but it did not turn over. Only minor damage was done to the Plains Co-op truck which Dye was driving.

Dye was placed under arrest and next day was assessed the fine.

Bootlegger Draws Fine of \$350.00

Ballantino Carrisley paid a fine of \$350 and costs on a plea of guilty Saturday in court here for possession of liquor for purpose of sale, according to Sheriff Slick Clem. He was arrested at Lakeview Friday night, and had in his possession about four cases of whiskey and 16 cases of beer.

Eddie Posey of Odessa was arrested Friday night and charged with driving while intoxicated. He was fined \$150 and costs.

Saturday night, officers of the Sheriff's department arrested eight Negroes over in "The Flat," and charged them with gaming. They paid fines of \$1.00 and costs.

Two men were arrested Saturday night and charged with drunkenness, second and third offenses. Each was assessed a fine of \$30.00 and costs in county court Tuesday.

On the same day, L. A. Vicks, colored, pled guilty to aggravated assault and was fined \$25.00 and costs. He is alleged to have shot at another Negro at New Home on Sunday night.

W. A. Reddell, accompanied by his wife, attended a regional meeting of Rural Letter Carriers at Stamford Wednesday night and addressed the body. He is president of the Rural Letter Carriers' Association of Texas.

ROYAL COUPLE VISIT U. S. WARSHIP—American sailors, Princess Elizabeth and the Duke of Edinburgh stands at attention during the playing of the British national anthem when the royal couple arrive on board the USS Des Moines for an official call on the commander of the Sixth task fleet, Vice Admiral John J. Ballentine. The ship was moored in the harbor of Malta. (Official Department of Defense Photo.)

NEW OIL TEST IS STAKED IN S-E LYNN

Junior Play Is Friday, March 3

The Junior play, "Boys About Bobbette," will be presented next Friday, March 3, at 8:00 o'clock p. m. in the Tahoka High School auditorium.

The cast is composed of Jerry Ford, Delma Joyce Jackson, Jane Adair, Barbara Branton, Emily Slover, Margaret Roberts, Bland Draper, Elwayne Crowell, Wayne Adair, Pat McGinly, Dale Wilhoit, Jo Anne Bennet, Wanda Marlin, Joyce Patterson, Elina Dunagan, Wendell Moore, and six beautiful models.

There will be a variety of entertainment between acts. The stage manager is Bill Waldrip, the promoter is Betty June Parris, and Jerry Mac Stevens will be master of ceremonies. The play will be directed by Mr. Jess Miles and Mr. Bill Tregoe, Junior sponsors. Tickets may be obtained from any member of the Junior class for 35 and 50 cents.

March Of Dimes Short Of Quota

The March of Dimes drive to raise funds to aid victims of infantile paralysis fell far short of its goal in Lynn county, according to Terry Thompson, drive chairman.

Less than \$2,000 was contributed during the local drive, and the quota was \$3,500. However, anyone wishing to help in this worthy cause may yet mail their check to Terry Thompson at Tahoka.

A new deep oil test for south-east Lynn county was announced last week end by the Magnolia Petroleum Company, the site of which is about 20 miles southeast of Tahoka, 14 miles east of O'Donnell.

Located in the Double-U pasture, the test will be known as the No. 1 Garza Cattle Company, with drillsite located 1,980 feet from south and 660 feet from west lines of southeast quarter section 431, block 9, EL&R survey.

The company expects to drill to a depth of 10,000 feet to test the Ellenburger.

Drillsite is approximately 12 miles north of the Borden field, a single-well field, which produces from the Ellenburger at 9,915-955 feet.

E. P. Holder Is Gunshot Victim

E. P. Holder is in a serious condition in Seale Clinic from a gunshot wound in the chest which he received shortly before noon on Wednesday of this week at his home 1 1/2 mile southwest of Central Church. He is expected to recover.

Mrs. Holder is reported to have gone to a neighbor's house for a few minutes, and on her return heard groans coming from a closet. Mr. Holder was found on the floor, and a single-shot 22 rifle was standing beside him that had been fired somehow. The bullet went entirely through his body.

Mr. Holder has long been a prominent and highly respected citizen of Lynn county, living at Wilcox for many years, and has many friends here who wish him a speedy recovery.

There are 2,796 known languages in the world.

TO APPEAR HERE — West Texas State's brilliant Concert Band will be in Tahoka the morning of February 27 for a performance in the Tahoka High School Auditorium. Directed by M. J. Newman, the colorful selected troupe of musicians will be beginning a 4-day tour that will take them to 11 Plains cities.

Rural Telephone Cooperative Organized By Lyntegar Members

Three Trustees Will Be Named

Three new trustees of the Tahoka Independent School district will be named in the school election of Saturday, April 1, according to Mrs. Helen Ellis, secretary of the district.

The terms of R. H. (Hick) Gibson, president, Weldon Martin, and E. R. Tunnell, expire this year, and they have asked that their names not be filed for re-election.

Six names have already been filed for the three places on the board. They are: V. F. Jones, J. D. Finley, W. L. Rowe, G. Q. Hersey, Buel Draper, and H. W. Carter. The terms to be filed are for three years.

Holdover members of the board are: Calloway Huffaker, recently appointed to fill out the unexpired term of Luke Hagood, who moved to Junction, and H. R. Tankersley, with two years yet to serve; and Alton Cain and Ross Smith, one year.

Candidates for trustee may file up until March 1. John Price has been named election judge.

McElroy Erecting Brick Building

W. V. McElroy started construction work last week end on a new business building on his lot adjoining the Deen Nowlin building on the north.

The building will be of brick, tile, and concrete construction, 25 by 125 feet in size, and have two fronts, the east fronting on Sweet Street, and the west fronting on Conway. The building will be divided into three parts, with space for two small businesses facing Sweet Street, and one facing Conway Street.

G. V. Paffen of Brownfield is the contractor.

Memorial Fund Is Now \$3,109.00

The Lynn County VFW memorial funds this week made a rise of \$154.00, bringing the total funds to the amount of \$3,109.00.

The contributions this week are credited to the following: White Auto Store, Stanley Fernal Home, L. A. Forsythe, Tahoka Bakery, Baldridge Bakery, Mrs. Joe Vandye, Glenn Enzor, W. D. Alverson, C. C. Donaldson, J. H. Smith, Jr., Douglas Finley, J. H. Huddleston, C. A. Haire, B. H. Jones, Lee Lester, B. B. Corbell, Paul Halamicck, H. Haire, and Reid Parker.

Total funds donated up until Wednesday of this week, \$3,109.00.

Houseflies are useful in cross-pollinating celery plants.

Directors To Meet Here Saturday At REA Building To Discuss Telephone

W. H. Harris Of O'Donnell Dies

Funeral services for William Henry Harris, 61, a resident of the O'Donnell section for 27 years, were held at 3:00 o'clock p. m. Monday in the O'Donnell Church of Christ, with R. P. Drennon, minister of the Fort Summer, N. M. Church officiating. Burial followed in the O'Donnell Cemetery.

Mr. Harris died Sunday morning in a Portales hospital, where he had been a patient for about three weeks.

Survivors are the wife; two daughters, Mrs. Harlan Austin of Hobbs, N. M., and Mrs. Haskell Davis of Elida, N. M.; three sons, Dick Harris of O'Donnell, W. L. Harris of Lubbock, and Max Harris of Lamesa; three brothers, Leonard Harris of Rising Star, A. F. Harris of Roscoe and Claude Harris of Fort Worth; one sister, Mrs. Georgia Crossnoe of Lubbock; five grandchildren and two great-grandchildren.

Pallbearers were: Fletcher Johnson, John Vermillion, F. M. Minton, and Claude Tomlinson, all of O'Donnell; Rufus Hagan of Anton, and P. B. Mitchell of Leveland.

Honorary pallbearers were: B. B. Folsom, Ray Miles, Shack Blocker, Elbert Myers, and John Ellis all of O'Donnell; and George Smith of Lamesa.

Tunnell Leaves For Washington

Mrs. Lenore M. Tunnell, county superintendent of schools, left Thursday for Atlantic City, New Jersey, where she will attend the annual meeting of the American Association of School Administrators.

She goes by train from Big Spring to Dallas, where she boards the Texas special train to the meeting. The Texas delegation will spend one day in New York City preceding the convention, and will return by way of Washington, D. C., where they will spend a day. She expects to return home about March 5.

Discuss Plans For Summer Rodeo

Members of the Tahoka Roping Club and all others interested are invited to a meeting at the Legion Hall Tuesday night, February 28, at which time plans will be laid for a rodeo here this summer.

New officers will be elected for the organization at the meeting.

A movement for the organization of a rural telephone cooperative was started at a mass meeting of about 250 Lyntegar REA members held in Tahoka High School auditorium Thursday afternoon of last week.

A temporary organization was set up consisting of Sam Allen of Dawson county, chairman; and Geo. Teague, Dawson county; Herman Wheatley and H. V. Osborn, Terry county; Claude Wells and Loyd McCormick, Lynn county; and Claude Thomas of Grassland, as the Garza county representative. Tom Garrard was named attorney.

The meeting was called to order by John Heck of Wilson, president of Lyntegar, and from that point Joe Peterson of Lamesa acted as chairman. The directors will meet again this Saturday at the Lyntegar building to discuss further organization plans.

At the present time, it is not possible to organize such a cooperative in Texas, but the above named directors, with the exception of Mr. McCormick; Garland Pennington, Lyntegar manager; and directors of many other proposed co-ops were in Austin the first of this week.

Tom Garrard reports that Gov. Allan Shivers promised, as soon as the present tax measures have been disposed of by the Legislature, to submit an enabling act which will permit the incorporation of rural telephone cooperatives.

If such an enabling act is passed, the Plains group will likely make application for a charter. A survey of the Lyntegar system and membership will next be made, which will be followed by the signing up of members for a telephone co-op.

It is believed that the Rural Electrification Administration will approve a loan for financing installation of such a system, since the Lyntegar Cooperative so far has proved a successful business institution.

Lyntegar and the rural telephone cooperative would likely work together, using the existing poles and lines for the communication system. Many details would have to be worked out, but it is entirely probable that members would have tie-ins with central offices in the towns where they do business.

Lyntegar now has about 6,000 members, its lines running into counties, including Lynn, Garza, Terry, Hockley, Dawson, Borden, Gaines, Martin, and Yoakum. The headquarters offices are in Tahoka.

Two Speakers At Rotary Club

Future plans for the Tahoka High School band were discussed by Director Wm. Tregoe and Sup't. Vernon Brewer at the Rotary Club Thursday of last week. They told of the newly-organized Band Booster Club, which has as its principal objective at this time the securing of uniforms for the organization.

Fred McGinty described his recent visit to Detroit, Michigan, and a trip he and his family made through a large automobile manufacturing plant.

Mr. and Mrs. E. L. Swope of Killeen, Texas, were brief visitors in the home of his sister, Mrs. John Minor Wednesday. They had attended the funeral of W. H. Harris of O'Donnell on Tuesday. Mrs. Harris and Mrs. E. L. Swope being sisters.

Mr. and Mrs. A. J. Minor Jr. of Amarillo were visitors with their grandparents here Wednesday of this week. A. J. (Jimmy) is working for Neff Floet at Amarillo.

SHERMAN INMAN IS MOVING TO MULESHOE

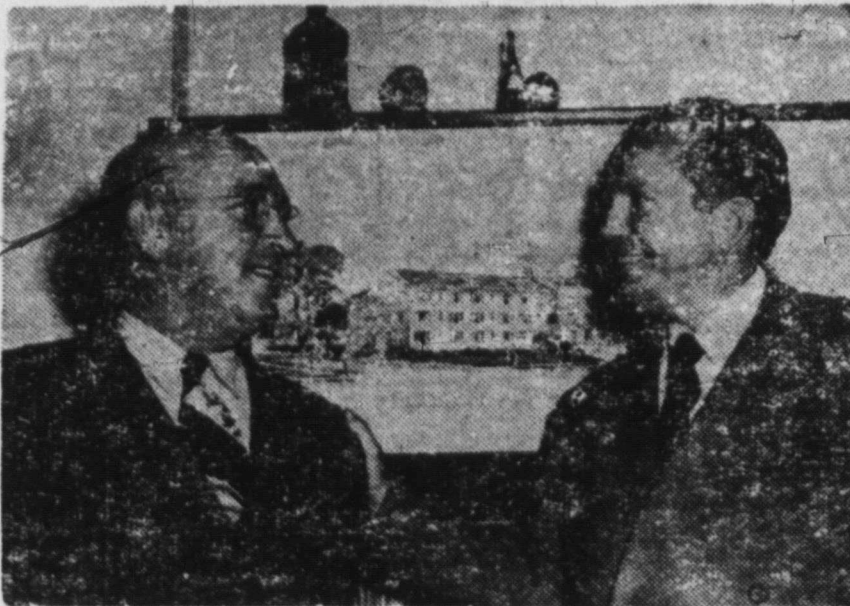

Sherman Inman moved to Muleshoe this week where he will operate a 160-acre irrigated farm this coming year.

He and W. O. Thomas have each bought 80 acres—the farm of W. C. Carver, former Tahoka citizen, who is moving to Plainview. The Carver place is about six miles west of Muleshoe.

The reduction of acreages planted to cotton emphasizes the need for using practices and methods of production that will lead to greater per acre yields, lower costs and wise use of the diverted acres.

A double decker bed may be the answer to your problem of providing an extra bed for the son's bedroom or for the summer cottage.

HEAD DRIVE FOR COLLEGE

Heading a drive for Wayland College voted this week by the Panhandle Pastor's and Laymen's Conference are Franklin E. Sawyer of Plainview (on the left), committee chairman, and President J. W. Marshall of Wayland. It is proposed that this be presented in Baptist churches of this area on March 12.

SOUTHWESTERN LIFE REPORTS BUSINESS INCREASE IN 1949

Southwestern Life Insurance Company's agency force in 1949 produced \$108,786,968 of new paid for life insurance, a gain of 11.7 per cent over the \$97,401,728 recorded in 1948. It was announced today by James Ralph Wood of Dallas, president, as the Company's 47th annual financial statement was released for publication.

Company assets, which for the most part represent savings of the Company's 255,000 policyowners, at the end of the year amounted to \$200,132,922.31. The statement reflected the Company's investment interest in Texas farms, homes and business properties. It showed a total of \$57,228,791.34 in real estate loans, an increase of more than \$18,000,000 over 1948.

Southwestern Life's total insurance in force at the end of the year was \$761,644,019, an increase of \$64,435,879 in 1949.

Policyowners and beneficiaries received payments during the year of this amount, \$4,915,081.59 was distributed to living policyowners, and owners of Southwestern Life annuities and retirement income contracts. The remainder, \$4-

THE ESTHERIAN S. S. CLASS HAS MEETING

The Estherian Sunday School Class of the First Baptist Church met February 14 at 6:30 p. m. in the home of Melvena McGlaun. Betty Shaw gave a program on the life of "Ruth" which was very interesting.

The business for the month was attended to and donations were made for a piece of silver for Rev. and Mrs. C. T. Aly.

The project for February is cookies for students and some of the girls brought their cookies to the meeting.

We had one guest, Mrs. John Roberts, and were very glad to

have her at our meeting. Refreshments were served to the following members: Betty Shaw, Melvena McGlaun, Adie Dooren, Jennie Allen, Frankie Williams, our guests, Mrs. Roberts and Margie Conway.

Our next meeting will be on March 14 in the home of Lois Greathouse. We urge all members to attend our class on Sunday and our monthly meeting. We need you and you need our class and us. —Reporter.

ADDING MACHINE ROLLS AT THE NEWS OFFICE

Bill Wood, formerly pharmacist at Wynne Collier Drug, will soon move to Midland, where he will open a pharmacy in the New Mast Clinic building. His business will be known as Bill Wood Pharmacy.

BILL WOOD WILL OPEN PHARMACY

For some unexplainable reason, The News last week stated that Joan Edwards was presented an award at the Tahoka Bulldog football banquet as football queen. We should have said that Jo Ann

Thomas, daughter of Mr. and Mrs. Claude Thomas of Grassland, received the award.

DOCTORS DISAGREE ABOUT ARTHRITIS!

Some claim it is incurable—yet sufferers who have tried REUMA-RUB tell us that this new liquid analgesic gives them wonderful relief from pain and discomfort. REUMA-RUB is a pleasant-to-use Alcoholic Rub that penetrates and stimulates sore aching muscles and swollen joint areas and gives welcome relief. And Remember: You must find that REUMA-RUB gives more relief from pain of Arthritis, Lumbago and Rheumatism than any external remedy ever used—or your money refunded. A large bottle of REUMA-RUB costs only \$1.25 at retail.

LUBBOCK DOCTOR IS SPEAKER HERE

The Child Guidance Club met in the home of Mrs. Ann Uzzle Monday night, February 20, with 17 of its members present. Mrs. Meiba Clem and Mrs. Bertram Hatchell, being responsible for the program, had as guest speaker, Dr. J. G. Morris from the staff of doctors at the West

Texas Clinic, who gave an interesting discussion on child psychology. Refreshments of individual strawberry shortcakes, coffee, and candy were enjoyed by all.

The United States imports India's famous strain of cattle, the Brahmas, for experimental breeding.

Farewell Party Given Rev. Aly

Rev. C. T. Aly and family left Tuesday morning for Phillips, up in the Panhandle, where the preacher was to begin his work as pastor of the First Baptist Church in that little city. He closed out his work here Sunday night following the preaching service, when he officially turned all pastoral duties over to Rev. Sheldon Russell, who had been elected by the Church recently to serve as pastor pending the call of another regular pastor. Touching were his remarks and the response of Sheldon in accepting the responsibilities.

Then it was quietly but quickly rotated around that the pastor and family were to be given a farewell party immediately in the Church dining room. A goodly crowd promptly assembled there and it was not long until the program began, with Sheldon Russell in charge.

A humorous skit picturing the journey of the Aly family from Tahoka to Phillips brought many a burst of laughter at the expense of the Aly's, Pat Hutchison impersonating the preacher and Mrs. Ivan McWhirter impersonating Mrs. Aly. Two youngsters represented Carroll T. and Jo Helen, but they remained silent while the excited parents chattered and fumed in the confusion that attended their removal.

Following this skit, Pat Hutchison, representing many members of the Church, presented the pastor and his family with a beautiful set of sterling silver. This was accepted with deep appreciation and gratitude on the part of the Aly's.

On the preceding part of the evening's program, there had also been prayer and singing led by Sheldon Russell, and the party closed with a benediction and the good wishes of the many present.

It had been a good day for the Aly's. At the close of the morning service, there had been eight additions to the church, one presenting herself for baptism. The ordinance of baptism was performed at the beginning of the evening service.

In the afternoon at three o'clock there had been a service at Sweet Street Baptist Chapel dedicating the beautiful little building to the Lord. Sheldon Russell, the Mission

Charter Granted Methodist Men

Chicago, Feb. 26. —A charter has been granted by Methodism's General Board of Lay Activities in Chicago to a new organization of Methodist Men at the Methodist Church in Tahoka, Texas. The local group will become one of 5,000 Methodist Men organizations which the Board hopes to charter by 1932, according to Robert G. Mayfield, assistant secretary in charge of the promotion of Methodist Men for the General Board.

Purpose of Methodist Men are fourfold: to seek daily the Christian way of life; to learn more about the church; to win men and boys to Christ and the church; and to promote Christian fellowship.

There are 28 charter members of the local organization. President is A. M. Bray; F. B. Hegi is secretary. The Rev. C. A. Holcomb Jr. is pastor of the Methodist Church.

pastor, presided and led the song services, Miss Wanda Faye Smith gave a beautiful solo, accompanied by Miss Valerie Wells at the piano. E. I. Hill read the history and progress of the movement which finally resulted in the establishment of the Mission, which was recently officially named the Sweet Street Baptist Chapel.

Then came the earnest and impressive Dedication sermon by Rev. C. T. Aly. The service, which lasted a little less than an hour and a half, seems to have been greatly enjoyed by the congregation which filled the auditorium and the curtained Sunday School rooms.

The opening prayer was led by L. D. McGee, acting superintendent of the Chapel Sunday School; the Dedicatory prayer was offered by H. P. Caveness, chairman of the Board of Deacons; and following the singing of that great old hymn, "How Firm A Foundation," Mr. J. R. Wyatt, the teacher of a Sunday School class at the Chapel, pronounced the benediction.

HOW'S THIS FOR "QUICK ATTACHABLE"
A 4-ROW REAR-MOUNTED LISTER-PLANTER YOU CAN HOOK-UP IN A COUPLE OF MINUTES

THE MASSEY-HARRIS 114 Lister-Planter

Yes sir, a link pin . . . 2 lift chains . . . a couple of minutes . . . and you're ready to go! Attaching the Massey-Harris No. 114 Lister-Planter is just that fast and easy. With hook-ups as fast as these you'll save a heap of valuable time before you get into the field . . . time that can be spent getting in an extra row or two.

Fast hook-ups are just one No. 114 advantage. There are a lot more. Flexibility for one. It's as smooth operating as a pull behind tool . . . follows the slope of your land . . . plants uniformly. And you'll like the way the planting mechanism stops automatically when you engage the power lift . . . saves seed at row ends.

Stop in the next time you're in town—let's talk over the advantages of a Massey-Harris 114 Lister-Planter for your farm.

Miss Virginia Jones Will Wed Carl Griffing March 9

The engagement of Miss Virginia Jones to Carl Griffing Jr. was announced Saturday afternoon, February 11, at a tea given by the bride-elect's mother, Mrs. V. F. Jones, in her home. The wedding date, March 9, was revealed to the 100 guests on

white napkins inscribed in red, and by a huge heart on the mantel with "Virginia and Carl" inscribed thereon, candles burning on either side of the heart. The Valentine motif of red and white was used throughout the reception rooms. The table was laid with cutwork linen cloth. White mums with small red hearts and fern were used in a crystal container to form the

SOARS SKYWARD 60 MILES. This U. S. Airforce "Aerobee" upper atmosphere research rocket attained an altitude of 60 miles above the earth. It is 20 feet long, slightly over a foot in diameter and is powered by a liquid fuel rocket motor, giving it a speed up to 3,000 miles an hour.

centerpiece for the table. Tall red tapers were used. Miss Mary Louise Fenton presented music during the afternoon. In the receiving line were Mrs. Irvin Stewart, Mrs. V. F. Jones, Miss Virginia Jones, Mrs. Carl Griffing, and Miss Mary Ann Jones. The house party included Meses. Dub Fulford, David Evans, Happy Smith and C. E. Woodworth, and Misses Peggy Carter and Linda Jones. The wedding will take place at 8:00 o'clock a. m. Thursday, March 9, at the First Methodist Church with Rev. C. A. Holcomb Jr. reading the ceremony. A reception will follow in Fellowship Hall of the Church.

J. L. King, chief of detectives in Amarillo for many years, spent Monday night here in the home of Mr. and Mrs. L. M. Nordyke. Mrs. Nordyke being his aunt. He also spent a night or two with his parents, Mr. and Mrs. J. O. King of the Dixie community. He had been down about Brownwood where he had been summoned as a witness in a case.

SEATTLE FIRST CITY TO ABANDON STREET CARS. Spokane, Washington, was the first large American city to abandon the use of street cars as a municipal conveyance. They were replaced by busses in 1938.

Baptist Men Attend Rally

Only four Tahoka men attended the District Brotherhood Rally in the First Baptist Church of Lubbock on Tuesday night, according to information gathered by The News. These attending were W. A. Reddell, E. I. Hill, Herman Heck, and Dub Kenley. Usually 16 or 20 Tahoka men attend.

The crowd from the twenty counties of the district was not as large as usual either, the official count being between 600 and 700.

Those who did attend say that they were well paid for their trip, however. The program was fine. The guest speaker of the occasion was Dr. Herbert H. Hobbs, pastor of the First Baptist Church of Oklahoma City. Hobbs is one of the best pulpit speakers in all the Southern Baptist Convention, and there are many who rank very high. As might have been anticipated in view of the present state of the world, he had much to say concerning world affairs from the Christian standpoint, and his address apparently made a deep impression upon his audience.

In fact, it is doubtful if Oklahoma ever sent to the United States Senate a man superior to Dr. Hobbs as a public speaker and as a student of world affairs. We doubt if Texas in all her history has sent more than two or three men to the Senate who were or are his superiors in these respects.

There was quite a bit of fun immediately preceding his address. District Missionary Frank E. Swanner, who is himself a great joker created a bit of merriment at the expense of the visiting Oklahoman, and so Hobbs picked up the challenge and told one story right after another which illustrated Texas "Brag," and kept his audience roaring with laughter for about fifteen minutes.

TAHOKA CHURCH OF THE NAZARENE WELCOMES YOU
Rev. Carl Harrison, Pastor.
Sunday School 10:00 a. m.
Morning Worship 11:00 a. m.
N. Y. P. S. 7:00 p. m.
Evangelistic Sermon 8:00 p. m.
Mid-Week Prayer Service
Wednesday 7:00 p. m.

District President Judson Burnett of Levelland presided; Sam Allen of Wayland College led the congregational singing, and a Levelland quartette gave a special number.

Members of the Tahoka Brotherhood who did not attend missed a real treat.

The wives of Reddell, Heck, and Kenley accompanied them to Lubbock and visited either with relatives or with friends while the men were "carrying on" at the Church.

Brook Smith spent a part of last week visiting his son, Warren Smith, who is foreman of a ranch south of Spur.

Most people, who are in a hurry have nothing else to do.

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

MOVIES ARE STILL YOUR BEST BUY

Going to your Wallace Theatre tonight? Remember when you buy your ticket that twenty per cent of the admission price represents a Federal Nuisance Tax that was imposed as an emergency wartime measure but still is with us five years later. This twenty per cent represents a sizeable chunk of the entertainment dollar budgeted by you and your family. A concentrated effort is being made by movie fans everywhere to bring about the repeal of this unfair and discriminatory tax. You can join in this movement merely by signing a letter or post card or protest to your senator or representative in the lobby of your Wallace Theatre or Rose Theatre.

TAHOKA WALLACE THEATRES

Here's what the **FARMALL SYSTEM** means to YOU!

For handling two 14-inch plow bottoms and comparable work, FARMALL H (above) is the choice.

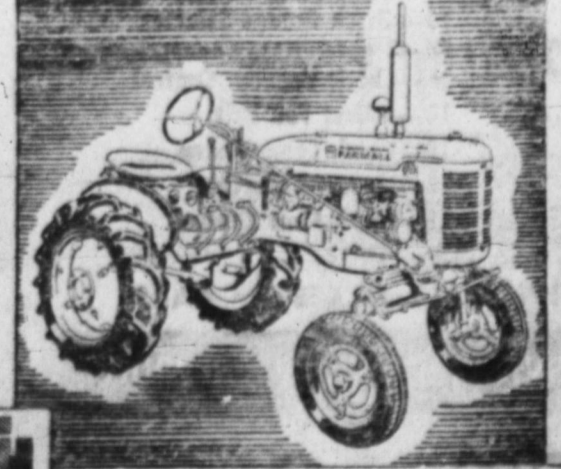

The Farmall System of Farming is an American institution. Its roots are in the soil . . . on your farm, on the farms of your neighbors.

To increase productivity and speed up field work, look to the Farmall System for the answer. A Farmall Tractor and matched machines can mean greater operating economy and efficiency on the family farm—and that brings better living!

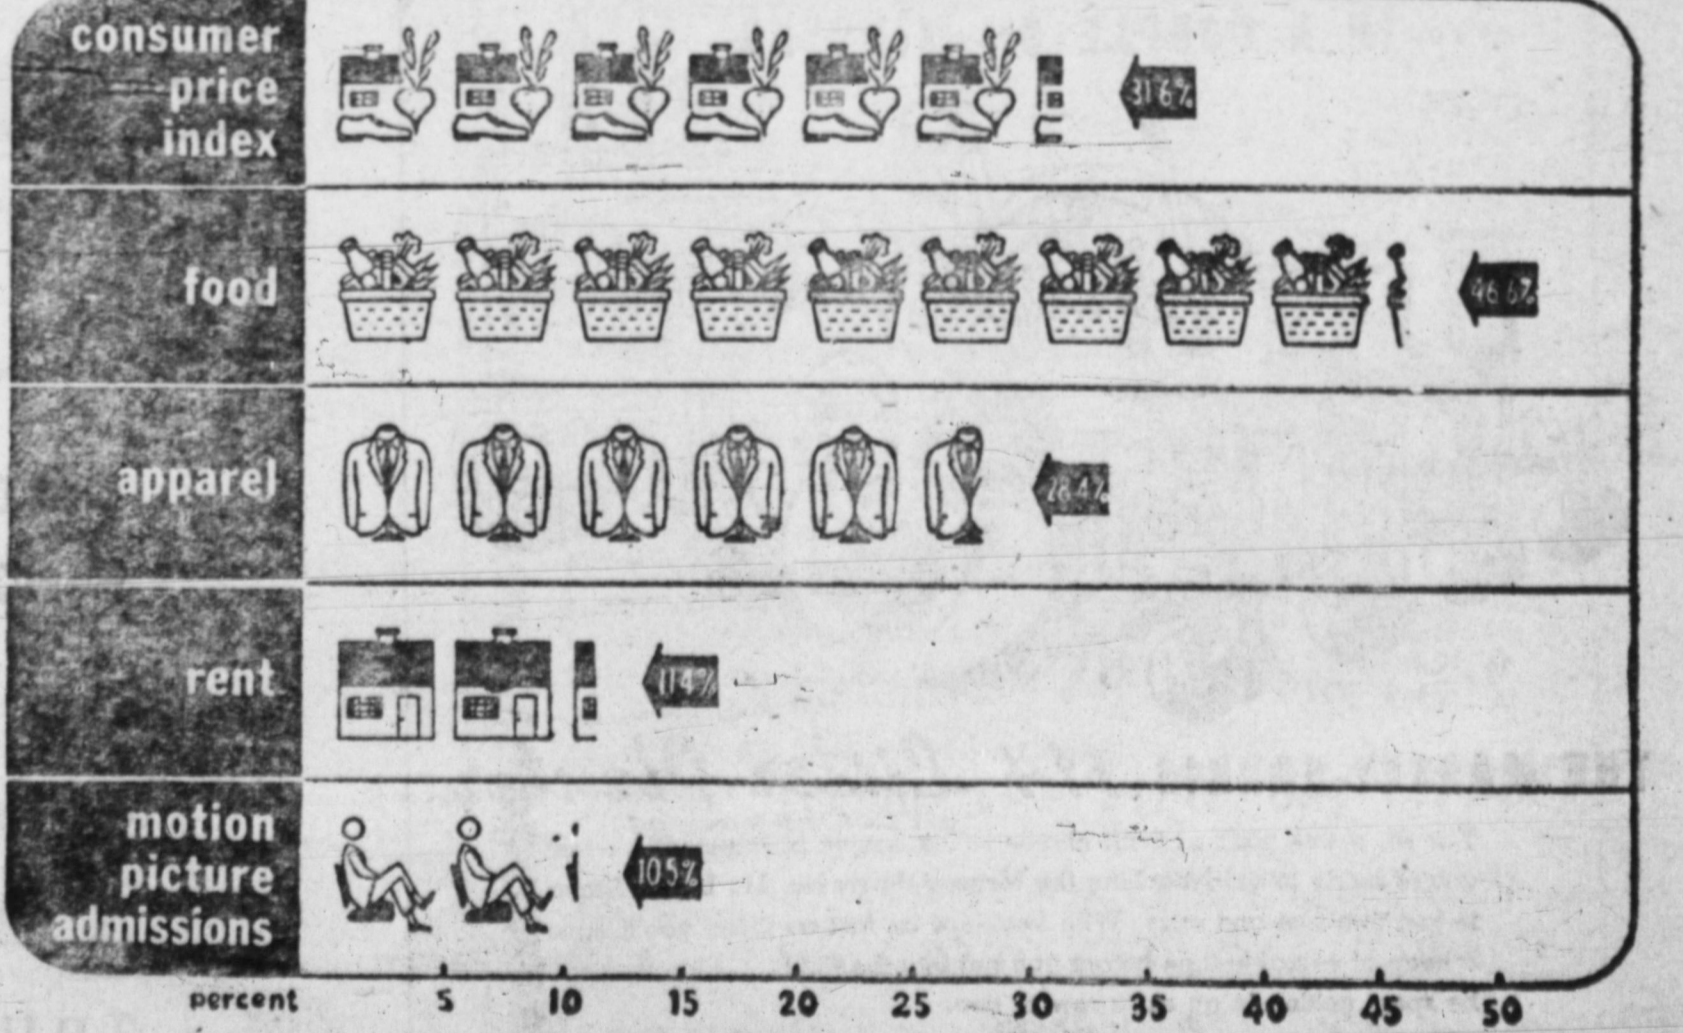

Five basic models make up the Farmall lineup. There's a size for every farm, an endless selection of Farmall equipment to work in every crop and soil condition.

The answer to the power problem on your farm can be found in the Farmall System . . . and we have full details on the model that fits your farm.

Left, Farmall Super-A offers hydraulic Farmall TOUCH-CONTROL and new "combustion control."

J. K. APPLEWHITE CO.
Northeast Corner of Square Tahoka, Texas

The movies are America's best buy today. That's the conclusion to be drawn from official figures compiled by the U. S. Bureau of Labor Statistics charting the nation's year-to-year price trends. According to the Bureau's figures, the average increase in movie admission prices is less than one third of the 31.6 per cent rise in the general cost of living since September, 1945. The relatively small advance in the price of movie tickets is even more significant when compared with the increase in two major cost of living categories—food and wearing apparel. Against the 10½ per cent rise in movie admission prices during the post-war inflationary spiral, food prices jumped almost 47 per cent and clothing more than 28 per cent. Even rent, which has been held in check by federal controls, went up more during the last four years than did the price of seeing movies.

PYTHIAN SISTERS HOLD BUSINESS AND SOCIAL MEETING
 Pythian Sisters of Lynn Temple No. 45 met Tuesday, February 21, at 7:00 o'clock p. m. at the WOV Hall.

Roll call was made, and the Most Excellent Chief, Lou Calvery, and Excellent Junior Loyce McMahon were absent. All other officers were at their stations. Elzora Curry, Excellent Senior of the Temple, took the office of

the M. E. C., and appointed Nina Short to fill the E. S. station and Floyce Sherrod the E. J. station. The H. E. C. was excused as she was out of town.

Business on hand was balloting on sending money to the Pythian Endowment Fund. Another item of business was the appointment of Tommy Terry as official press correspondent. This office was formerly held by Rauline Clem, but due to circumstances beyond control she has not been able to function at it this year.

After the meeting was dismissed, the Ways and Means committee took over and games were played and much fun was had. Prizes were given, and the committee came out on top.

After the fun, lovely refreshments of sandwiches, cookies and "cakes" were served to the 22 members present by the Refreshments committee, Helen Ellis, Dixie Payne, and Vera Witt. The table was laid in red, white and blue, and the centerpiece was winter greenery with a flag in the center. It was all very lovely.

Later, the officers and degree practiced for initiation.

There is to be a called meeting of all members for next Tuesday, February 28, at 7 p. m. to practice again. This is a very im-

portant meeting, and we urge everyone to come as our degree staff captain is badly in need of some more in the staff. So, let's not let her down, please. —Reporter.

**Two Boxing Meets
During Past Week**
On Friday night of last week,

the Tahoka Boxers of the local school met the Crosbyton boxing team, with Tahoka taking away the honors with the results

ending in 7 wins for Tahoka against 3 wins for the Crosbyton team.

The small but supporting crowd consisting of many Crosbyton fans, went home well pleased with a fast and snappy group of boxing bouts in their memory.

In an exhibition bout between George Lamorignit, 150, of Wilson won by a KO over George Hartgrove of Crosbyton. This fight was carried by Hartgroves for the first two rounds and the early minutes of the last round, but opening with a strong left, Lamorignit, ko'd Hartgroves for the rest of the fight.

Other results of the Friday night bouts are as follows:

The Tahoka team listed first: Melvin Crowwell decisioned Jerry Mitchell.

Bass decisioned Tom Dubree Charles Birdwell lost to Clovis Hale.

Brownie Williams decision over Frank Miller.

Edward Miller lost to Bobby Beckham.

Ronnie Brownning, TKO over Anderson.

Wayne Brasher decisioned Jerry Moore.

Ronnie Brownning, TKO over Eudlid Maize.

Raymond Jenkins, TKO over Julian Ogale.

Bill Burkhart, KO over Bill Mason.

In a return match between the two team followed on Monday night of this week. The Crosbyton team taking the honors this time with a 6 to 5 win.

Those results are as follows:

Tahoka fighters only listed — Jack Reid won KO in 1st round.

Raymond Jenkins won a TKO in 2nd round.

Melvin Crowwell lost decision.

Bobby Dean Bass won by decision.

Ronny Brownning, lost by KO.

Brownie, Williams, lost by decision.

Robby Dorman, won by decision.

Joe Aury, lost a close decision.

Chas. Jones won by decision.

Frankie Jones, lost by decision.

John Shepherd, lost by a very close decision.

E. J. Cooper, Commissioner of Prec't. 1, was in Austin the first of the week conferring with the Highway Department on road matters pertinent to his precinct.

NOTICE—

SHERIFF'S SALE

— REAL ESTATE —

By virtue of an Order of Sale issued on the 3rd day of February A. D. 1950, out of the District Court of Tarrant County, Texas, 48th Judicial District, in Cause No. 54478 A styled Annah D. Jones, a feme sole, Plaintiff vs. Alma Jones Pittman et vir et al, said judgment being dated the 6th day of July 1949, the Plaintiff, Annah D. Jones did recover judgment in the sum of \$720.69 with interest from the 6th day of July 1949 from Thelma Jones Potts and her husband Victor Potts; James C. Jones; Pearl Brisco and her husband E. Brisco, and Alva Edward Jones, a minor and a lien was established by said judgment on the real estate hereinafter described and hereinbefore levied upon as of July 6th, 1950, said judgment bearing interest from said date at the rate of 6 per cent.

I did levy upon the following described land as the property of the above named Defendants, situated in Lynn County, Texas, to-wit:

A portion of Section 558 in Block 2 E. L. & R. R. Ry. Co. Surveys situated about 13 miles S. 75 E. from Tahoka in Lynn County, Texas: Beginning in the West line of section 558 at a point 524-9/10 varas from the northwest corner; being the southwest corner of the Ester Pittman 87 acre tract; Thence south no degrees 20 minutes west along the West line of said Section 760 2/10 varas;

Thence South 89 degrees 52 minutes East 936-1/10 varas;

Thence North no degrees 20 minutes East 760-2/10 varas;

Thence North 89 degrees 52 minutes 936-1/10 varas to the place of beginning and contain-126 acres.

And I will on the 4th day of April A. D. 1950, the same being the first Tuesday in April A. D. 1950, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon, offer the said land for sale at public vendue for cash, at and in front of the Court House door of Lynn County, Texas, in the said City of Tahoka, Texas.

—Roland Clem, Sheriff of Lynn County, Texas. 21-34c

**Solid Comfort
Solid Truck!**

There's comfort a-plenty in GMC cabs. They're appointed in the "solid comfort" passenger car manner... with deep, adjustable seats that lessen driver fatigue; big windshields and windows for clear, wide-angle vision; protective sealing against dust, drafts, engine heat and noise; built-in ventilation system... a dozen other features, including ash tray, dome light and package compartment.

Under these all-steel cabs lie the firm foundation of truck-built engines and chassis... solid power and strength which combine with GMC comfort to form a really solid truck!

The GMC "Triple Check" used truck owners as your guide to a better buy.

Eternal Fortitude Needed In Congress

Expediency rather than principle determines the votes of too many men in Congress. A few weeks ago the U. S. Senate by more than a two-thirds majority voted to submit to the states a proposed constitutional amendment to change the manner of electing a President. The present method was adopted when this government was formed about 160 years ago, or—soon thereafter. It provided for the election of the President not by a direct vote of the people but by electors from the several states. If any state votes by even the slightest majority for any certain set of electors then all of the electoral votes from that state are cast for

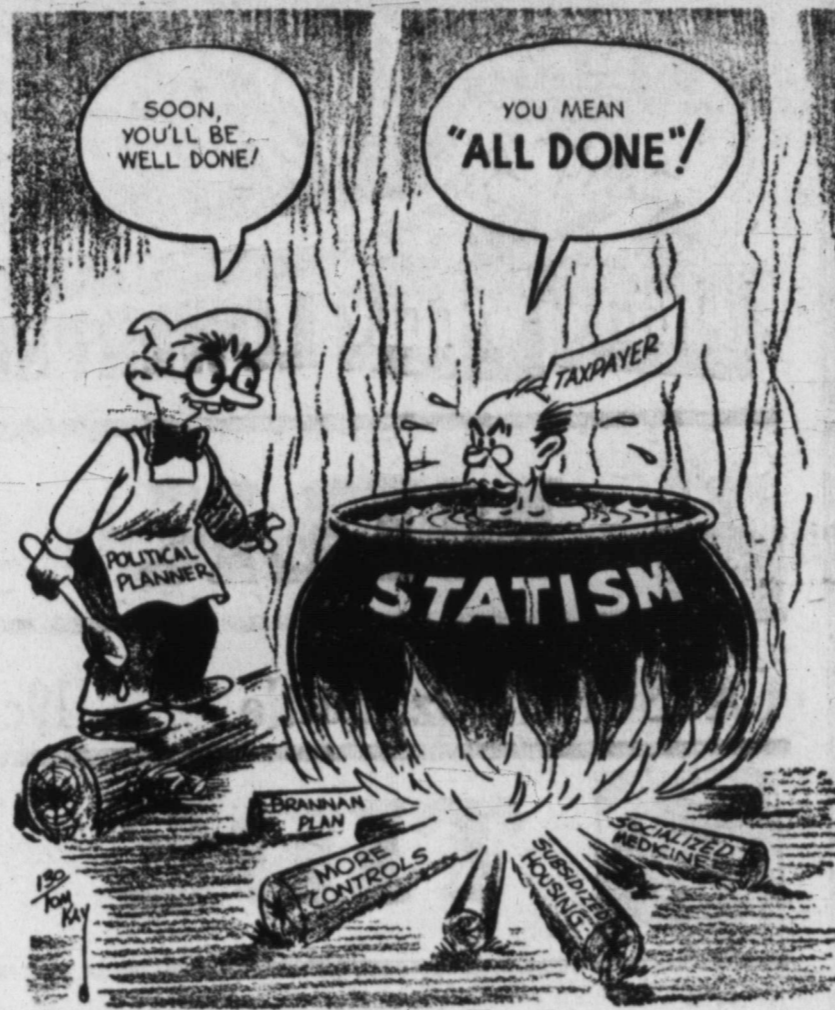

their party candidate. The proposed change would determine the vote for the Presidency in each and every state according to the popular vote. The electoral college would be eliminated, and the President would be elected by popular vote. This obviously is the democratic way and the right way. But it would destroy the abnormal power of small pressure groups, as this paper has explained many times. The majority of the Senate voted justly for the submission of the proposed amendment to the States. But now come news reports from Washington that Northern democrats and many Republicans are planning a coalition to defeat submission. The reason given is that too much power might be given Southern democrats. As a matter of fact, those Northerners know just as well as you and I that the proposed change would not give Southern Democrats one single iota of power except what their numbers entitle them to.

The hidden brunette in the woodpile is that those objectors want more power than their votes entitle them to. The labor bloc wants power, by carrying a state or two, to swing the election of a President in their favor. Likewise the organization of colored politicians in Northern states want their group to be able to swing the election of a few states to their choice of the candidates and thus control the Presidential election.

The proposed change would give each voter exactly the power that his one vote would amount to. The communist in New York would have just exactly the same power as the red-blooded American down here in Texas and no more. The colored brother in New York or Chicago would have just the same power as the white man in Mississippi or Texas, no less and no more—and so on through all the groups of voters. These groups want to retain this abnormal power, and many Republican politicians and most Northern Democratic politicians are, now quailing before the abnormal power of these minority pressure groups and talking of forming a coalition to defeat in the House the proposal to let the people of the states vote on the proposed reform.

What we need is a lot more congressmen who have the intestinal fortitude to vote for what they know to be right rather than for what they may think will win a few votes in the next election

THE AMERICAN WAY

Hell On Earth

Shepperd's Popularity Grows

That brilliant young attorney, John Ben Shepperd of Longview, was recently appointed by Governor Allen Shivers as secretary of state as he was sworn in last Saturday. As president of the Jaycees, Shepperd became pretty well known throughout Texas, and he addressed the South Plains Press Association in session in Lubbock last spring on the night that a tornado hit Sundown and blew away a part of the town. News of the disaster and that the tornado was headed directly toward Lubbock came while Shepperd was speaking, and it gave him pretty stiff competition for the next thirty minutes or so. He finally talked the twister down and made a beautiful landing without any casualties. Shepperd's friends believe that he can handle the ship of state just as skillfully.

The control of external parasites on hogs should be a must with every Texas swine producer. Unthrifty hogs do a poor job of utilizing their feed and there is no profit in feeding parasites.

Odds & Ends

(By E. I. The Elder)

Occasionally a so-called poem is furnished The News for publication. Sometimes it is almost heart-breaking to pigeon-hole or return to the author one of these home-talent productions, for often the writer is undertaking to express his or her grief for a recently departed loved one or to recite the virtues and sing the praises of the dear one that has gone on.

Sometimes the proffered "poem" is the product of a budding young poet who knows nothing about metrical composition and who thinks that poetry consists of any kind of doggerel, written in verse form without any regard for meter or length of lines, if the last words of each couple of lines or of alternate lines rhyme. And sometimes the rhyme is faulty.

We do not choose to print so-called poetry of that type, for more than one reason. If we were to publish even one such production then somebody else would send in another, and that would be followed by others, and if we printed one we would be expected by the respective authors to print every one. So, usually we decline with thanks.

We rarely ever print good poetry, for if we were to do so every poetically-inclined novice in the country would break loose.

Really we deeply love good poetry. We have in our little library one set of ten little volumes of poetry, which contain 1,000 of the World's Best Poems. Besides these, we have several other volumes of poetry, nearly all of which is really good.

In addition to all this we have several hymn and song books, filled with poetic productions. The popular songs, while catchy, clean, and enjoyable, are not listed in the volumes of "Literature" found in our college and university libraries. Neither are any of the fine sacred hymns.

We have often wondered why many of these hymns are not so listed. Many of them are as rhythmical as Gray's Elegy, as beautiful as Tennyson's or Poe's or Sidney Lanier's best short poems, filled with allusions to passages found in the Holy Scriptures, and almost as inspiring as spiritually up-lifting as the Twenty-third Psalm. If you do not believe this, get down one of your best hymn books and read, just as you would read any other poetry, the hymns written by John Newton, Isaac Watts, Reginald Heber,

Charles Wesley, William Cowper, Fanny J. Crosby, Robert Lowrey, and many others fully or nearly as good.

As an example, what is more imaginative and beautiful than this song, written by Ellen H. Gates:

I will sing you a song of that Beautiful land,
The far-a-way home of the soul,
Where no storms ever beat on the glittering strand,
While the years of Eternity roll.
Oh, that home of the soul! In my visions and dreams
It's bright, Jasper walls I can see;
Till I fancy but thin the veil intervenes,
Between the fair city and me.
And so it goes, two more stanzas.

Or take "Beyond the Sunset," by Josephine Pollard.

Beyond the sun-set's radiant glow
There is a brighter world I know,
Where golden glories ever shine,
Beyond the thought of day's decline.
Beyond the sun-set's purple rim,
Beyond the twilight deep and dim,
Where clouds and darkness never come,
My soul shall find its heavenly home.
Also two more verses.

We could quote a score of others more stately and worshipful than these. We think they are great literature.

On the other hand, we wonder why some of the so-called hymns that we sing in church were ever placed in our hymn books. They range from mediocre down to poor, some few of them very poor. We never could understand why we sing so many songs of little merit just because they are new, when our books are filled with productions that are rich, and mellow, and worshipful. But maybe it's not the fault of the songs; maybe it is just my taste, or lack of it.

Songs have a wonderful influence over us. They help to form many young person's character. We think that in the church, in the school, and in the home our children and our youth should be given the right trends in music. Some fine musical programs

come in over the radio, but much of this radio music is simply gush or bosh or hell-born stuff that warps and mars the lives of many a boy and girl. It leads in the wrong direction. It cultivates low tastes and low habits. Be careful, folks, what the kids listen to over the radio.

Well, guess we have sermonized enough for one sitting. So we will ring off right here.

Note: If you have found out, young man, young lady, that you are a budding Shakespeare or a John Milton, or a Henry W. Longfellow, or even an Edgar A. Guest, just send in your poem, and we'll send it on to some Literary Journal or Magazine that publishes poetry.

Carter Judge In Area FFA Event

V. P. Carter, local Agriculture teacher, went to Amarillo last Saturday where he helped Judge the Area 11 FFA leadership contests.

He says there were 80 or 90 teams entered in this annual event. Tahoka now is in Area 1, and the

junior team recently won first place in the contests held at Seymour.

Love your neighbors, if you wish, but you'll have to expect them to come around to borrow something.

One thing certain about winter weather is its uncertainty.

Petroleum Engineers Plan Drilling Of "Texas Tech No. 1"

Lubbock, Feb. 22.—Here's a story with a man-bites-dog angle. Out at Texas Technological college they're getting ready to drill an oil well, and the Tech department of petroleum engineering hopes it will be bone dry.

Prof. W. L. Ducker, head of the department, says work on the pre-drilled dry hole should begin within the next 60 days, maybe sooner, if casing is acquired then. The drilling will be carried on by a contractor who has donated the operation on behalf of the petroleum industry.

A jack-knife derrick with a regular rotary drilling unit will be used for the drilling and moved off the location when the depth has reached about 2,000 feet. When drilled and cased, the well will be cemented and cleaned out. After the tools are moved, a steel derrick will be placed over the hole to run tubing and pumping rods into the "well."

"There will be no attempt to find oil—so we won't even 'drill the plug,'" Professor Ducker said. "The bottom of the pipes will be closed off from any formation to protect water sands and other strata from adulteration by water from other levels."

The entire project will be carried on in strict accordance with the Texas Railroad Commission rules in setting the pipe and cementing, he added.

After the drilling is finished and the derrick has been erected, the hole will be used to set up pumping problems, run bottom-hole pressure and temperature measurements, bottom-hole sampling and duplicate similar oil field techniques.

"But what will you do if the well does turn into a gusher, or at least a producer?" he was asked.

"If we thought there was any possibility that we might strike oil at that depth, we wouldn't go that far," he answered.

The wished-for dry hole, Texas Tech No. 1, will be drilled on the campus north of the present Petroleum Engineering building.

You can't regulate the weather, but you can regulate your driving. Drive slow in rain, sleet or snow.

ORDER OF SALE—

THE STATE OF TEXAS

To the Sheriff or Any Constable of any County of the State of Texas, Greeting:

WHEREAS, in the District Court 48th Judicial District of Tarrant County, Texas, on the 6th day of July, 1949, in cause No. 54478-A wherein Annah D. Jones, a feme sole is Plaintiff and Alma Jones Pittman, et vir E. L. Pittman, Ada Dykes, Ester Pittman, Velma Jones Wilson, Monroe L. Wilson; Roy Jones; Hollis Jones; Eula Lee Jones McElroy, H. W. McElroy, W. G. Jones; Lena Pearl Jones Briscoe, E. Briscoe, James C. Jones, Thelma Jones Potts, Victor Potts, Wallace David Godwin Wilson, Frank Godwin Wilson and Alva Edward Jones, are defendants, The Plaintiff recovered a judgment against Victor Potts; James C. Jones; Pearl Briscoe and her husband E. Briscoe; and Alva Edward Jones for the sum of \$720.60, with interest thereon at the rate of 6 per centum per annum, from the 6th day of July, A. D. 1948, until paid and the further sum of \$1.50, cost of suit, as is manifest from the itemized bill of costs hereto attached and made a part hereof, and for the foreclosure of plaintiff's Established Lien on the following described real property situated in Lynn County, Texas, to wit:

A Portion of Section 558 in Block 2 of E. L. & R. R. Ry Co. surveys situated about 13 miles S. 75 E. from Tahoka in Lynn County, Texas; Beginning in the West line of said Section 558 at a point 524-0/10 varas from the north west corner, being the south west corner of Esther Pittman 87 acre tract;

Thence South no degrees 20 minutes West along the west line of said Section 760-2/10 varas;

Thence South 89 degrees 52 minutes East 936-1/10 varas;

Thence North No degrees 20 minutes East 760-2/10 varas;

Thence North 89 degrees 52 minutes 936-1/10 varas to the place of beginning and containing 126 acres.

as said Established Lien existed on the 6th day of July, A. D. 1948, and that said property be sold as under execution in satisfaction of said judgment.

Therefore, you are hereby commanded that you proceed to levy upon, seize and sell the above described property as under execution in satisfaction of said judgment, interest, cost and the added cost of executing this writ; and that if the said property can not be found or if the proceeds derived from the sale of said property be insufficient to satisfy said judgment, interest and cost together with your fees and commissions for executing this writ, then you are hereby commanded to make said moneys or any balance thereof remaining unpaid out of any other property of the defendants as in ordinary execution, and if more money is received from said sale than is sufficient to pay off said judgment, interest and above costs, as directed by law, you shall pay the surplus thereof over to the defendants, and you are further directed that you shall execute and deliver to the purchaser of said property the proper deed of conveyance of all the right, title, interest and claim which the defendants had and held in and to said property at the time of the execution of this writ and at

the time of said sale, and that you place the purchaser of said property in possession thereof within 30 days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of the said judgment in the sum of \$720.60, the amount actually due and unpaid upon said judgment, together with the interest thereon from the 6th day of July, A. D. 1948, at the rate of 6 per centum per annum and the further sum of \$1.50 as cost of suit, together with your legal fees and commissions for executing this writ; and you will forthwith execute this writ, according to law and the mandates hereof.

Herein Fail Not and have you this writ showing you have executed the same, together with said moneys collected as herein directed, before the above Court at the court house thereof "in" in Fort Worth, Texas, within 90 days from the date of the issuance of this writ.

Issued and Given Under My Hand and Seal of said Court, at my office in Fort Worth, Texas, on this 3rd day of February, A. D. 1950.

—LEWIS D. WALL, JR., Clerk, District Court of Tarrant County, Texas.

Resume Of Basketball Season Given; All Teams Are Building For Future

By John Foster
(Local Journalism Student)
Five Tahoka High School boys lettered in the basketball season just completed, Coach Jake Jacobs announced last week.

They are Lynn Carl Halameick, Jack Slover, Ronde Gurley, Don Brice and Morgan Howle. Only Howle received a letter jacket, since the other four lettermen received jackets in football last fall.

Final tabulation of points made by the Tahoka "A" team hoopsters this season shows that they made 517 points against 845 for

opposition teams in 24 games, an average of 21.5 points per game. They hit 40.6 per cent of their attempted free throws. Halameick led the "A" team scorers with 111 points to his credit.

Future Holds Great Promise
Halameick, Slover, Gurley, and Brice have two more years to wear the Blue and White. Howle, a fast and smooth ball-handler, has three years of eligibility remaining. These boys, plus the up-and-coming "B" teamers, indicate a bright future for basketball at Tahoka.

Wayne Tekell, with 73 points,

was crowded for "B" team high scoring honors by James Foster, who accounted for 66 points during the season.

The "B" team scored 287 points against 424 for opposition teams in 23 games. (Does not include last Post game). They made 34.6 per cent of their free pitches. Failure to make free shots was one of the boys main weaknesses this season, Coach Jacobs said.

Girls' Team Shows Improvement

The girls' basketball team, which started from scratch this year, showed great improvement at season's end. The sport will be repeated next winter. LaFayne Moore led the girl scorers with 40 points for the season. Other girls on the team were Deanie Edwards, Juanita Holton, Shirley Wooten, Edith Aldridge, Jane Henderson, Carolyn Henderson, Wilma Payne, Joyce Belyeu Betty Henry, and Wanda Marlin.

Scoring "A" Team

Player	FG	FT	TP
Halameick	37	37	111
Gurley	37	25	99
Brice	23	20	66
Slover, Jack	11	24	46
Howle	18	5	41
Short	9	13	35

"B" Team

Player	FG	FT	TP
Tekell	29	15	73
Foster, James	26	14	66
Ratliff	9	10	28
Slover, Steve	7	4	18
Brookshire	6	3	15
Havens	4	7	15
Bartley (3 games)	6	2	14
Brooks	2	4	8

Girls' Team

Player	FG	FT	TP
Moore	16	8	40
Edwards	6	13	25
Holton	4	16	24
Aldridge	1	1	3

Most successful basketball team at Tahoka High School this season has been Coach Wayne Pipes' Seventh Graders, who won seven out of seven games. On the junior team were A. W. McClellan, Roswell Bartley, Wayne McMillan, Vernon Brewer, and Garland Huddleston. The Eighth Grade team lost the four games it played this year.

Honor Bride-to-Be With Shower

Miss Virginia Jones, bride-to-be, was honored with a miscellaneous shower and tea in the home of Mrs. H. B. McCord, Friday afternoon.

Hostesses for the party were Mrs. McCord, and Mmes Dan Brookshire, C. E. Woodworth and Borden Davis.

Guests were welcomed at the door by Mrs. McCord and presented to Mrs. V. F. Jones, mother of the bride-to-be; the honoree; Mrs. Carl Griffing, mother of the bridegroom-to-be; and Miss Mary Ann Jones, sister of Miss Virginia.

A color scheme of pink and white was carried out, with snapdragons used on the mantel. The tea table was covered with a cut-work linen cloth, and was centered with a ring arrangement of pink and white snapdragons interspersed with pink tapers.

Mrs. H. B. McCord Jr. and Miss Jeannine Smith presided at the silver tea service. Mrs. Dub Fulford registered the guests, and Mrs. Dan Brookshire and Little

Doreas S. S. Class Enjoys Social

The spirit of Valentine prevailed at the home of Mrs. Coy Fielder Tuesday evening, February 7, at 7:30 o'clock, when members of the Doreas Sunday School Class of the First Baptist Church met for their monthly social and business meeting.

Mrs. Truett Smith assisted with hostess duties. The Valentine motif was featured in decorations and refreshments.

The meeting was called to order by the president, followed by the class song, "Help Somebody Today," after which Mrs. Smith led in prayer. Each lady presented answered roll call with the scripture, Colossians 3:17, followed by the devotional rendered by Mrs. Dave Polk, the subject of which was "Joseph."

Mrs. Bill Cathcart, secretary, read the minutes of the last meeting, after which a business session was held.

The social hour was conducted by Mrs. Alton Fleming. Gifts were then exchanged, and refreshments consisting of heart-shaped cookies, hot punch, nuts and mints were served.

Present for this occasion included: Mmes. Dave Polk, Clay Bennett, Virgil Carter, Hoyette Hedges, Ivan McWhirter, Dannie

Miss Linda Jones displayed the gifts.

Pink carnation corsages were presented the honoree and members of the house party.

School Census Enumerators Wanted

It is very important that each child of school age is on the school roll. Each child enumerated is worth \$50 in state apportionment, and therefore saves the local taxpayers in school operating costs.

To insure this, we need some one to enumerate the scholastic census during March.

Each child who will be six before September 1, 1950 or who will not be 18 before September 1, 1950, should be on the roll.

Anyone desiring to work as an enumerator should see—

JOHN DEERE
TWO-CYLINDER
ENGINE DESIGN

Cornerstone
of Greater
Tractor Value
for 25 YEARS

John Deere two-cylinder engine design was born with the introduction of the first tractor to bear the John Deere name—the Model "D"—back in 1924.

Right from the start, the simple, rugged construction of that tractor proved itself. Here was unequalled simplicity and strength through fewer, heavier parts... easier maintenance through greater accessibility. Here was husky farm power that won immediate popularity with farmers everywhere... that set new standards for tractor dependability, economy, and long life.

These same basic advantages are just as important in a tractor today as they were a quarter-century ago. They're yours to enjoy, yours to profit by, along with every modern operating feature, when you choose a John Deere. See us soon.

Here is the John Deere Model "A" tractor, a favorite on large row-crop farms. Available with either all-fuel or gasoline engine.

High School Activities On Increase As Season Goes Into Final Stretch

Today ends the fourth six weeks for Tahoka schools, with only twelve weeks of school remaining until summer vacation. Six weeks tests were given Wednesday and Thursday and students will receive report cards next Wednesday.

Increased activity at the high school shows that Graduation Day is drawing near. The Senior Class which has already ordered caps and gowns and invitations, will have its Baccalaureate Sermon May 21, and Commencement Exercises May 23.

Between now and then, however,

the seniors must cast and produce their play, "Her Emergency Husband," and take four days off for a Senior Trip down San Antonio way, May 15-19.

Junior Class Play
Stage properties for the Junior Play, which will be presented in the high school auditorium March 3, are being assembled this week. Jane Adair will play the title role in the play, "Boys About Bobbette." Other Juniors in the cast are Jerry Ford, Joyce Jackson, Barbara Branton, Emily Slover, Margaret Roberts, Bland Draper, Elwayne Crowell, Wayne Adair, Patsy McGinty, Dale Wilhoit, Jo Anne Bennett, Wanda Marlin, Joyce Patterson, Elna Dunagan, and Wendell Moore.

Jess Miles and Bill Tregoe, co-sponsors of the Junior Class, are directing the play.

Proceeds will be used to finance the Junior-Senior Banquet.

Journalists Are Busy
With yearbook deadlines approaching and journalism conventions coming up, the student journalists of THIS are scurrying about like a bunch of red ants in July. About half of the photographs and copy for the 1950 Kennel were mailed to Steck Printing Company this week.

A delegation of twelve journalism students will represent Tahoka High School at the Paehardie High School Press Association at West Texas State College, Canyon, March 25.

Quill and Scroll, THIS journalism society, elected Jo Anne Bennett president for the spring term last Thursday evening. Other officers elected were Jolene Bragg, vice-president; Elna Dunagan, secretary; and Jo Ann Benson, reporter; Jean Henderson, treasurer.

Council To Attend Meet

The Student Council of THIS will attend the state convention of high school student councils in Amarillo March 17 and 18. The Tahoka delegation will include John Shepherd, president, and Geneva Marlin, Jo Anne Bennett, Jean Henderson, Wendell Moore, Pat McGinty, Betty Huddleston, Tommie Whorton, Lewis Cowan, and Paxton Hutchinson. They will make the Amarillo trip by automobile, accompanied by Jess Miles, sponsor, and Otis Spears, THIS principal.

The Council-sponsored assembly programs on Friday mornings are proving very popular with students. Last week the Freshmen Class staged a mock wedding. The week before, "Frankie and Johnny" was acted, with appropriate props and sound effects, by the seniors.

Today's assembly program will be presented by the Eighth Grade. Time is 9:45 o'clock this morning and the public is invited.

The Sophomore Class of Tahoka High offers fun and free entertainment for the public at an "Old Fashioned Box Supper" tonight at 7:30 o'clock in the gymnasium.

The Buffalo Band of West Texas State College will present a program of band music Monday morning at 10:45 o'clock in the high school auditorium.

Tom Hale, Newt Barham, Blain Ramsey, and W. V. McElroy spent last week end down at Roy Taylor's fishing camp on Lake Kemp. They declare that Newt kept them awake most of the night, but that he prepared and cooked them a big mess of fish.

Plastic Hearts Herald Campaign

Red plastic hearts, symbol of the annual Heart Campaign, are now appearing on store counters and in public places in the city. They herald the 1950 Heart Campaign which opened this week. Each heart-shaped collection box is mounted on a card with the legend: "Open Your Heart—Give—Fight Heart Disease." The plastic hearts are being distributed by the American Legion and Life Insurance Underwriters Ass'n. The drive will continue throughout the month of February. A major portion of the funds will be spent to develop and expand cardiac services in this area. The remaining portion will support a national program of research and education of the American Heart Association in its fight against this country's leading cause of death.

According to Eldon Carroll and Mrs. Gladys M. Stokes, Chairmen of the local campaign, a number of plastic hearts have been placed before the public in this community. The heart collection boxes are also appearing simultaneously in cities throughout the United States.

CARD OF THANKS

We wish to thank our friends for their kindness shown to us during the loss of our dear son and brother. We did especially appreciate the flowers and food prepared, and every kindness done for us. May God bless you.—Mrs. T. M. Ellis and children.

50,000 Miles - No Wear!

1. Five Years' Driving in 70 Days! To test the wear-fighting ability of amazing new Conoco Super Motor Oil, six brand-new cars raced over blistering highways along the Mexican border . . . 14 hours a day for 10 weeks. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on crankshafts and cylinders! Astounding proof: factory polishing marks were still visible on piston rings!

2. New-Car Mileage! For the last 5,000 miles of this gruelling test—equal to 5 years of normal mileage—gasoline mileage was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon! Proved: Conoco Super Motor Oil—with crankcase drains at proper intervals and regular care—can keep your new car new! New Conoco Super Motor Oil conclusively showed itself to be the great new modern wear-fighter!

3. New-Car Power! Quicker Starts! Yes—Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! Conoco Super Motor Oil's exclusive ability to OIL-PLATE metal surfaces makes your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts . . . keeps your engine new and clean!

Wonder if anyone lived within their income the past month?

Bill Strange

By BILL STRANGE, JR.

It's allright to give a visitor the key to the city, but it's a nag of another tint to leave your keys in your car when you park. It's an open invitation to the first pedestrian with tired feet and a N. Y. City has a law to prevent motorists from leaving their ignition keys behind when they go shopping. The penalty is a \$5 fine or two days in jail . . . or both. That's a reminder that isn't apt to be habit forming. No matter where your car's parked it'll always be safer if the keys are in your pocket. Folks who are careless sometimes wind up carless.

Why not buy your 1950 license plates now and save that last minute rush at the Tax Collector's office?

Li. Gen. Leslie R. Groves says, "In picking men for top secret work the govt. should be as careful as a bachelor shopping for a bride." Oh, we ought to be more careful than that! Careful when it comes to choosing that new car. You want to make the most of your investment. The most and best is what you get in the new 1950 Ford. It's 50 ways new. The one fine car in the low price field. See it now at BILL STRANGE MOTORS. Be with us every week when we come around to chat with you in our column. Your comments and suggestions will be appreciated. Phone 49, Tahoka, Texas. adv.

Poem-Pageant Presented Here

A beautiful poem-pageant was presented by the W. S. C. S. before a large group at the Sunday evening services of the Methodist Church.

The poem-pageant, "Women of the Scripture," was written by Ida Brooks and the musical arrangement was by Madeline Wilson of Ennis, Texas. This was loaned to the W. S. C. S. for their presentation.

It was presented against a background of seasonal flowers and colorful lighting.

Special songs were sung by Mrs. David Weathers and Mrs. Marvin Murn, accompanied at the organ by Mrs. Sam Reid.

Those representing women of the Scripture were: Mmes. Pete Hegi, W. W. Hagood, Bill Wood, W. W. Rowland, A. I. Thomas, Roger Bell, C. B. Whitefield, J. M. Uzzle, Clint Walker, Ted Terry, C. A. Holcomb Jr., Calloway Huffaker, Hick Gibson, and Joyce Stanley, and Miss Sylvia Thompson.

Mrs. A. M. Bray was director and reader.

By special request, it was presented again on Thursday night for the benefit of the Colored Methodist Church.

Mrs. Jean Riley has moved to Clovis, New Mexico, where she is living with her sister, Mrs. R. E. Jackson, and working at a hospital there.

Sewer

(Cont'd. From page 1)

the process of tying onto the sewer system.

Most of the extensions made by City employees during this time have been in South Tahoka.

The extensions now being made will serve, principally, the new Roberts addition, the Negro section, and South and East Tahoka. All these extensions are six and eight-inch lines, and where practical they are being put in the alleys instead of the streets.

Two force pumps are being installed to lift sewerage to higher elevations so it will flow by gravity to the disposal plant. One of these is in East Tahoka and the other in North Tahoka, east of the present water tower.

Five blocks of new lines have been laid on North 7th Street, from Sweet west to Taylor Streets, where many new residents recently have been built. There is one block of new line on North Sweet to connect up this line.

Also, in North Tahoka, there is a one-block addition down the alley between North 1st and North 2nd, between Taylor and Miller; one block on North 4th from Ketter to Taylor; one block on North 3rd from Alley to Doak.

On West Lockwood (Brownfield highway), there is an extension one block west from Taylor to Miller, thence north one-half block, thence west to serve the Roberts addition.

In the Roberts addition, all houses will be served by lines down alleys between Lockwood, 1st, 2nd, 3rd, 4th, and 5th streets, crossing Wells Street, and con-

necting up with a line down Edwards Street.

In the Negro section, there are 10 blocks of new lines.

In South-west Tahoka beginning on South Alley, a new line extends east one block along South 3rd, north a half block, thence east six blocks across the railroad, north two blocks west down the alley between Lockwood and South 1st, thence north one block to serve the gin district, Mexican quarters, Henderson & Tate, Tankersley, Burleson, and others.

The network of new lines connect up with the 10-inch trunk line which leads from the vicinity of the city hall nearly two miles south to the sewerage disposal plant.

Sewer rates in Tahoka are reasonable, compared with those in many neighboring towns, \$1.50 for residences, \$2.00 and \$2.50 for business houses, and \$3.00 for hotels.

Acreeage at the sewer disposal plant has been bench-levleed, and

it is farmed by the City, using water from the sewer plant for irrigation. Two years ago, the City realized \$1,500 from irrigated wheat, last year about \$750, and last fall the acreage was planted to alfalfa.

The sewer system and farm are now showing a profit, and surplus funds from their operation are being used to improve and extend the City water and sewer system. Additions to the system not only are a modern improvement, a convenience to the citizens and serve practically the entire town, but is further insurance against the outbreak of some communicable disease.

KIDNEY PAINS

To stop irritation, irregular elimination, use CIT-ROS. New remedy quickly restores the normal ph. of the body fluids. The cause eliminated, the body stops pain, heals sore spots. CIT-ROS brings you comforting relief. CIT-ROS at your druggist. For sale by WYNNE COLLIER, Druggist

H. D. Council Holds Meeting

The Lynn County Home Demonstration Council met on Friday, February 17, 1950, in the office of the County Home Demonstration Agent, Miss Graham Hard.

The Council voted to have a food stand at the Stock Show, to be held in Tahoka at the local fair grounds on March 11, 1950.

Mrs. L. B. Jones, Mrs. J. A. Miller, Mrs. H. R. Tankersley were elected as delegates to attend District T. H. D. A. meeting in Littlefield April 25.

Local H. D. Clubs represented and their representatives were: Wells, Misses Ina and Myrtle Ledbetter, and Mrs. Buster Phipps; West Point, Mrs. H. R. Tankersley and Mrs. C. A. Lawrence; Joe Stokes, Mrs. W. C. Maeker and Mrs. J. F. Wilson; Redwine, Mrs. W. E. Dubree, Mrs. E. H. Owens, and Mrs. J. A. Miller; Joe Bailey, Mrs. R. R. Bellow and Mrs. Elmer Newton; Midway, Mrs. R. L. Littlepage and Mrs. Howard Draper; Gordon, Mrs. J. O. Reed Jr., and Mrs. Glen Wheatley; Draw, Mrs. J. H. Stakeup; Dixie, Mrs. Buel Draper. —Reporter.

MRS. L. M. NORDYKE IS INJURED IN FALL

Mrs. L. M. Nordyke sustained painful bruises and abrasions on her lower limbs and body and also a sprain of one of her ankles when she lost her footing and fell while going down the stairs into the cellar in their home on Second Street, on Monday of this week.

She was hospitalized but received medical treatment in her home and has been recovering nicely since.

FORMER COUNTY AGENT GOES INTO BUSINESS

Manuel Ayers, former county agent of Lynn county and for the past several years county agent of Hale county, has resigned his position at Plainview. He is now secretary-treasurer and manager of the Wasson Machinery Co., Massey-Harris dealers in that city.

Ollie Limer of Farwell, Farmer county, succeeds him as county agent.

WINTER time is "FIX IT RIGHT" time

Machinery Care is Part of Good Farming

After a heavy season — particularly if your tractor is several seasons old — a complete overhaul will make your engine work "like new". This is the best time of year to have your tractor overhauled

BECAUSE —

- We can give you faster service
- You can spare your tractor now
- You won't have to wait next spring
- You reduce the chance of a breakdown during rush seasons

Our factory-trained mechanics work on your tractor. Schedule your job by phone, or stop in and talk to us.
