

Oil Pay In Howell Is Possible

good" that the Houston Oil Company's No. 1 H. B. Howell deep oil test, seven and one-half miles southeast of Tahoka in the Redwine community, would be a paying producer. The News was reliably informed Thursday afternoon. It is seven and one-half miles northwest of the nearest producer, the Magnolia No. 1 Garza.

The test is located 467 feet from the north and east lines of section 417, block 1, EL&RR survey. Seaboard Oil Company of Delaware is participating with Houston in the wildcat. Oil and gas showed from depth of about 9,300 to 9,360 feet. Last mid-week salt water was encountered in the well at a hole bottom of 9,035 feet, and the picture was gloomy.

However, drilling proceeded and showings were encountered Sunday. A drilling break was encountered at 9,319 feet, and a drillstem test was taken at 9,313-40 feet. Recovery was 720 feet of 38 gravity free oil, with no water. Flowing pressure was 2,700 pounds in 15 minutes.

A second drillstem test was run to 9,360 feet Tuesday. Open four hours, gas was at the surface in 2 1/2 hours and recovery was 500 feet of heavily oil and gas-cut mud and 226 feet of drilling mud, with no water. Flowing pressure was 2,700 pounds in 15 minutes.

Will Set Casing
Wednesday the operators took three electric logs preparatory to running the pipe.

Thursday the drilling crew was awaiting arrival of casing. Casing will be set preparatory to making production tests, and operators hope the well may kick-off without acidization. It will probably be next week some time before such a test can be made.

Tentative top of this Pennsylvania formation is 8,996 feet, on an elevation of 3,003 feet. The structure is tentatively identified as the Strawn.

There are said to be conflicting opinions among geologists as to whether or not the well will make a paying producer.

Watch Caswell Test
Magnolia's No. 1 W. W. Caswell offset, or quarter mile east of the Magnolia discovery well, and located on section 431, block 9, EL&RR survey was being watched closely this mid-week.

The Caswell well was expected to hit production possibly Thursday or Friday. Oil storage tanks and piping are already in place. Possible paying production had already been encountered in the Spraberry at 5,960-6,071 feet in case it misses on the Canyon Reef formation.

The well has been coring for several days at the slow rate of only 10 to 15 feet a day. Coring was begun last week end at 8,481, with no show of oil or gas in the top of the Pennsylvania. However, no show was found in the top of the formation in the Magnolia discovery, where the pay (Cont'd. On Back Page)

John A. Timmons Dies At Lubbock

Funeral services for John A. Timmons, 65, who died at 1 a. m. Wednesday in Lubbock Memorial hospital, were held at 3 p. m. Thursday in Meadow's First Baptist church. Rev. Wayne Perry of Sudan officiating. Burial followed in Meadow Cemetery under the direction of Rix Funeral home. Timmons resided on Route 4 Tahoka.

He is survived by his wife; four sons, Clyde of Dallas, John Timmons, Jr., of Seattle; A. A. of Meadow and Delbert of Amarillo; four daughters, Mrs. A. E. Fletcher of Tahoka, Mrs. J. F. Anderson of El Paso, Mrs. Odell Valentine of Meadow and Mrs. Glenn N. Ensor of Tahoka; and a sister, Mrs. Selly Godfrey of Tahoka, and 18 grandchildren.

Active pallbearers were D. W. Hancock of Tahoka, W. T. Knight of Tahoka, Fred Hodges of Wolf-orth, J. T. Fulford of Meadow, R. L. Montgomery of Meadow, and Fritz Speckman of Meadow. Honorary pallbearers included, John Steadham, Cecil Patton, Jim Key, T. H. Charters, Willy Neiman, A. C. Fillingham, E. H. West and Cecil Yeatts.

Second Primary Election Is Set For Saturday

4-H Club Rally Here Monday

The Lynn County 4-H Club Rally has been set for Monday, August 28, beginning at 9:00 a. m. in the Tahoka City Park, according to Miss Graham E. Hard, home demonstration agent, and Bill Griffin, county agricultural agent.

The Rally previously had been announced to open at 9:30 a. m., but the time has been moved back to 9:00 a. m.

There will be a full day of activities for both boys and girls, and each member is requested to bring a paper sack lunch. Boys should bring ball gloves, if they have them.

Girls should bring: A salad plate that is smooth on inside, a greeting card with an attractive picture on front, scissors for cutting paper, a soft rag about a foot square, paper and a soft lead pencil.

Both girls and boys are asked to bring sufficient money to make either a coin purse or a belt in a leathercraft class. A coin purse will cost 75 cents, belts from \$1.50 to \$2.50.

Finley Contracts Large Building

J. Douglas Finley this week let a contract for construction of a large new building on East Lockwood street, two and a half blocks east of Main, directly across the street from Farmers Co-op.

The building will be identical in size and very similar in construction to the large 90 by 120 building he erected last year for Bray Chevrolet Co. west of D & H Super Market and south of the City Park.

The new building will be of brick, tile, concrete, and steel and will be entirely fireproof. Finley is just now completing another brick, steel, and concrete building to replace his old rock building at the corner of Lockwood and Petty (K), which adjoins the Bray building. This structure is 40 by 120 feet in size. His implement business will remain at this location, for the time being, at least.

Parker Resigns As Councilman

B. L. Parker, a member of the Tahoka City Council for about two and a half years, turned in his resignation at a meeting of the body Thursday night of last week. His term would have expired next spring.

Mr. Parker has been a faithful member of the body and has had a hand in many civic improvements made during the time he was in office, according to members of the Council.

Mr. and Mrs. Jack Keyser of Huntington, West Virginia, are here visiting her parents, Mr. and Mrs. J. L. Reese. Mrs. Keyser is the former Miss Lorene Reese.

West Texas Primitive Baptists Are Now Holding Meeting In Tahoka

Between 300 and 400 people are expected in Tahoka for the annual West Texas Primitive Baptist Association meeting being held at the local church Thursday night through Sunday.

These visitors are from all sections of West Texas. The session will end Sunday afternoon. Services are being held at 10 a. m., at 2:30 and 8:00 p. m. daily, and all people of the area are invited to attend any one or all of the services.

Elder V. J. Lowrance, local pastor, is expecting a number of visiting preachers prominent in the denomination, among these being Elders Marion West and Ariel West of Luling, Elder Kyle of Austin.

Opening of Local School Set Sept. 4

Tahoka Public Schools will definitely open on Monday September 4, according to Supt. Vernon Brewer.

Buses will run Monday morning on last year's schedule, and all students, both in high school and in the grades, will register on that day.

Classes will begin on Tuesday, September 5. A general faculty meeting will be held in the High School Saturday, September 2, beginning at 9:30 a. m. High School and Elementary faculty meetings will follow the general faculty meeting.

Mr. Brewer said detailed announcement would be made in next week's edition of The News regarding registration.

County's Crops Are Deteriorating

Two weeks ago it seemed that Lynn county would produce in 1950 one of the biggest crops in its history.

Since that time, the continued hot, dry weather has caused much of the cotton and feed to deteriorate very badly. Even with a rain now, some of the crops would still be light, farmers report.

However, cotton and feed in certain areas continue to promise excellent yields.

H. B. Howell Gets Royalty Payment

H. B. (Belton) Howell, on whose land the Houston Oil Co.'s possible discovery is located, states that it can now be officially announced that he has received his first royalty payment in oil.

One day this week, he was presented one pint bottle of pure, sweet, 39-gravity oil by a company representative.

Mr. and Mrs. C. T. Tankersley returned home Thursday from a visit with Mr. and Mrs. Roy Taylor at Seymour and Lake Kemp.

"Pat" Patterson of Lubbock has accepted a position with the local branch of the Southwestern Public Service company.

Pfc. James Ward Missing In Action

Pfc. James Bernard Ward, 21, son of Mr. and Mrs. Jim Ward of Tahoka, has been missing in action in Korea since July 16, the parents were informed Monday afternoon by the Adjutant General's office of the Army in Washington, D. C.

The family last had a letter from him dated July 8, and it is presumed he was in Korea then. He has been overseas about 19 months, most of the time stationed in Japan. He has been with the 24th Division of the Army.

Bernard is a 1947 graduate of Tahoka High School. Before going into the Army, he was associated with his father here in the automobile repair business.

Many friends are hoping, with his relatives, that Bernard will turn up safe somewhere. He is the first possible casualty reported from Lynn county in the current struggle.

Painting City Water Reservoir

Workmen this week are painting the new 250,000 gallon overhead water reservoir in west Tahoka recently erected by the Durbey Corporation of Kansas City for the City of Tahoka.

The tank and tower are being painted aluminum. Both on the east and on the west side of the tank the word "Tahoka" will be printed in four-foot black letters.

Completion of the reservoir will give Tahoka overhead water storage capacity of 300,000 gallons. The ground storage tanks have a total capacity of 750,000 gallons, or a grand total of 1,050,000 gallons storage.

Pat Hines, water superintendent, states that the City has had no trouble this summer meeting water demands. In fact, no more than 5 to 7 wells have been under pump in the daytime and only two or three at night.

Installation of the new 10-inch line from wells north of town has helped greatly in this respect.

Pumping of the two new wells on the Anderson farm has not been necessary this summer. Improvements in the water system have permitted the water department to give all its wells rest periods, and the result has been that none of them have failed to any degree in their production.

Mr. Hines believes that Tahoka now has solved its biggest water problem, at least for the time being.

Ira Carter Buys The Club Cafe

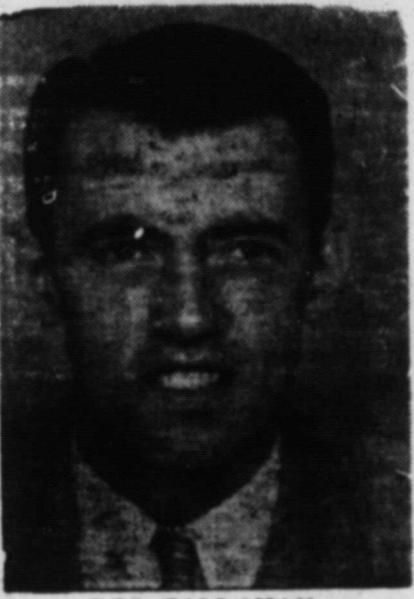

Ira Carter, owner of Carter's Cafe, on Wednesday announced that he had bought the Club Cafe, operated until that day by G. H. "Shorty" Chestnut and formerly operated by Mr. Carter.

Mr. Carter expects to operate both of the cafes. The Club was closed Wednesday and Thursday for repair, but he hoped to have it open again today, Friday.

Mr. Chestnut will likely remain with the business as chef.

REV. SHELDEN RUSSELL

BOB CALLAHAN

Citizens Urged To Vote Early

Several important races are to be decided in the Second Democratic Primary (run-off) election which will be held over Texas Saturday of this week.

Five state offices, one county office, and several precinct contests will be decided. Citizens are being urged to vote in this election, since it is a very important one, two or three of the candidates for State office having questionable qualifications.

Those to be elected Saturday are from the following: Lieutenant Governor: Ben Ramsey of San Augustine county, former State Representative, State Senator, Secretary of State; and Pierce Brooks, Dallas business man who has been defeated four times for public office in Texas, but who has more than once been in a runoff.

Associate Justice of Supreme Court, Place 1: Fagan Dickson of San Antonio and Will Wilson of Dallas. Most people of Tahoka who know the men's qualifications seem to prefer Will Wilson.

Associate Justice of Supreme Court, Place 2: Geo. W. Harwood of Dallas and Meade F. Griffin of Hale county. Mr. Griffin, of Plainview, is well known to many people here and will likely receive Lynn county's vote for reelection.

Judge of Court of Criminal Appeals: Robert L. (Bob) Lattimore of Dallas and W. A. Morrison of Cameron, Milam county. Morrison is said to be a capable and respected man, his opponent (not to be confused with previous prominent jurists of the same name) has had little experience in court affairs, and, according to lawyers, is thoroughly incapable.

Commissioner of Agriculture: John C. White of Wichita Falls and J. E. McDonald of Austin. McDonald, long a holder of the office, has been severely criticized because of having supported Republican presidential nominees for several elections past. White is a young man and a graduate of Texas Tech School of Agriculture.

County Treasurer: Mrs. P. A. (Cpal) Nowlin and Thomas (Tom) Reid, both citizens of Tahoka.

Commissioner, Precinct 1: Clarence Church of Wilson and E. J. Cooper of Tahoka.

Commissioner, Precinct 3: Woodrow McLaurin and John Earles, both of O'Donnell.

Precinct Chairman, North Tahoka: A. M. Cade and V. F. Jones.

Precinct chairman, Wilson: R. J. Maeker and S. J. Cummings.

Precinct chairman, New Moore: N. S. Parker and H. L. Webb.

Precinct chairman, New Home: Wayman Smith and Wilmer Smith.

Precinct chairman, Grassland: R. M. Thomas and Heroy Davis.

Precinct chairman, West Tahoka: Hubert Tankersley and Ross Smith.

Grade B eggs are equal in food value to eggs of higher grade, and at this season of the year, they are a few cents less per dozen than grade A eggs.

Tahoka Has 150 Blocks Street Paving

The second Tahoka street paving program of the year has been started by Sam Sanders Construction Company. About 17 blocks will be paved in this new project, and it is possible that there will be more blocks than this.

The new project will give Tahoka a total of 150 blocks or about 15 miles, of paving. Most of the paving will be in the residence section, but one two-block project is adjacent to the business section. This is on Knighten Street, from Lockwood

to South Second, which is the street immediately east of Applewhite's and Thuren Farm Store.

Residence sections projects include North Second, south of the High School and out into the Roberts addition, North Third in the Roberts addition, Edwards and possibly Wells streets in the same addition, which extend down to Lockwood, or the Brownfield highway. The Wells street paving would extend down the west side of the High School campus, and thereby give paved streets

all around the school property. Additional paving also will be laid on North Fourth, North Sixth, Ketter between North Fourth, and North Fifth, and Sweet Street paving possibly will be extended north to North Sixth.

If all property owners come in on the new projects, nearly all of the east-west streets and several north-south streets in Northwest Tahoka will be paved. North First already is paved from Alley (I) west 7 blocks to Miller (P), the High School

street. North second is paved from Doak (H) west 8 blocks to Miller, and the current new paving will take it out two long blocks further to Edwards (R).

North Third is paved from Main west to the High School, 7 blocks, and the new project would pave the extension west of the High School, from Wells (J) to Edwards (R), a long block. North Fourth is paved from Main-west 3 blocks to Kelsey (L), skips a block, and is paved be-

tween Sanders (M) and Ketter (N), skips two blocks, and is paved from Miller (P) to Edwards (R). Curbing has been poured for these three blocks which will be paved in this project, completing the 10 block street west from Main.

North Fifth is paved 6 blocks from Main west to Taylor (O). North Sixth is paved from Main west past Kelsey, a little over three blocks, and the extension will carry this paving 3 (Cont'd. On Back Page)

Nothing Strange About It, Lefty

**Another Old Timer
Crosses Over River**

(Terry County Herald)

With the passing last week of Mrs. F. E. Walters, who was making her home with a daughter at Tahoka, another old time Terryite left this vale of tears for what she and her friends all hope is a land of smiles and sunshine. Her good virtues were many; her loyalty to her friends, and her community as well as her family was well known.

The Walters family came to Terry county preceding the railroad, and settled on land in the south part of the county, where they farmed and ranched a few years before selling out and moving to town, and investing in other property.

If we did not get our history crossed up, the late Frank E. Walters was born in Illinois, but migrated to Kansas as a young man, where he met and married the subject of this story, who was a native of Kansas. During the 'teens, the family sold out in Kansas and moved to San Benito, Texas, down in the valley.

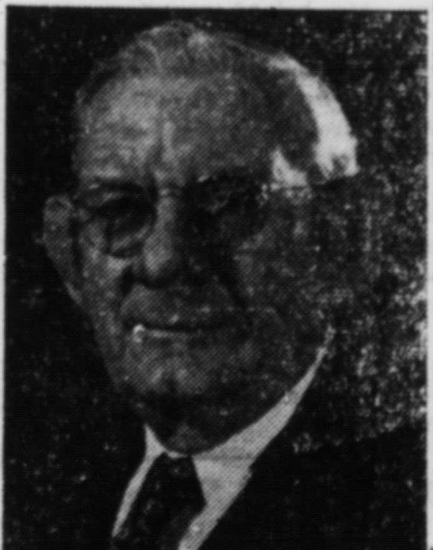

They however did not like there very well, and soon sold their holdings and moved up here, where we believe one or two of the younger children were born. Was there a sick person in the community? If so, you could depend on Mrs. Walters to be there to help all she could, and she was a fine practical nurse as well

as a good cook. They had a large family, but they had been taught to respect each other's rights, and there always seemed to be peace and harmony about the home. We once lived next door to them, and we should know.

May the Lord in His goodness comfort the bereaved family of this, fine, neighborly woman.

Royce Armes, Jr., 8, son of Mr. and Mrs. Royce Armes, underwent a tonsillectomy at Tahoka Hospital Tuesday.

TEXAS FREEDOM CHIEF

Lieut. General Preston A. Weathered, Dallas, prominent attorney of the Southwest and retired former commander of the 36th Infantry Division, Texas National Guard, has been appointed Texas State Chairman of the Crusade For Freedom by General Lucius D. Clay, national chairman of the movement.

General Weathered said that he was pleased to take the post of directing the Texas program for the Crusade For Freedom, which will include an intensive nation-wide, six weeks campaign in September and October. Plans are being made now for a strong Texas executive committee to lead the campaign in every section of the state.

Designed to halt communism and to save freedom, the movement will enroll millions of Americans on "Freedom Scrolls," to be permanently enshrined in the base of a 10-ton, 8-foot high "Freedom Bell" to be erected in Berlin next October. It also will support a vigorous and continuous series of radio programs to pierce the Iron Curtain of Communist Russia and its satellite countries.

General Dwight D. Eisenhower and General Clay, who was American Military Governor of Germany during the Berlin airlift, together with a group of outstanding business, professional and civic leaders of the nation, are heading the National Committee For A Free Europe, the organization sponsoring the Crusade.

**Wilson Softball
League In Play-Off**

Wilson Softball League is currently engaged in its playoff to determine the championship between the four top teams. A best three out of five games will be played between Southland and St. John's. Southland has already defeated St. John's in one game. A similar series is being played between St. Paul's and Wilson Lions. St. Paul's won the first game 2 to 1, and the Lions won the second 8 to 6. The winners of these series will meet in a similar series for the championship. Games are being played Monday, Thursday, and Friday nights.

CARD OF THANKS
I wish to express my thanks to my many friends for their thoughtfulness and kind deeds during my stay in the hospital and since I came home; also, for the flowers, cards, letters, and visits. May each one of you have such friends when misfortune comes your way. May God bless each and every one. —Mrs. T. M. Lockaby.

CARD OF THANKS
We wish to thank everyone for the part they had in all the nice and thoughtful things they did for us; also, to the doctors and nurses, may we say "thank you" for all the kind attention you gave our dear husband and father. To each one we are grateful. May God bless you. —Mrs. J. J. Gray and family.

**CHILD GUIDANCE CLUB
STARTS 1950-51 YEAR**
The Child Guidance Club will meet in the home of Mrs. Joe Bob Billman Monday, September 4th, at 8 p. m. for the first club meeting of the 1950-51 year. Mrs. Fred B. Hegi will give a book review, and all members are expected to be present.

\$48 Billion Spent In Four Years For Nation's Military

WASHINGTON (Special)—Figures showing what the \$48 billion spent for the Military Establishment during the last four years means in terms of Federal taxes to various income groups were released today by the Council of State Chambers of Commerce. These show over the four years that:

A family of three with an income of \$3,000 paid \$645.19.

A family of four with an income of \$5,000 paid \$1,130.08.

A family of four with an income of \$7,500 paid \$1,798.92.

In addition, these family groups paid out Federal taxes for other purposes connected with defense. These totaled a little less than \$4 billion and included such activities as arms aid to friendly nations, stockpiling of raw materials and atomic energy projects. But they meant \$49.85 in Federal taxes to the \$3,000 family group, \$87.26 to the \$5,000 group and \$138.90 to the \$7,500 group.

The Council's study revealed that \$6.75 out of every \$10 spent for the Military Establishment went for pay of all personnel, and food, clothing and supplies for the soldiers, sailors and marines. Less than \$2 of each \$10 spent for defense was used to buy guns, ships and planes.

The study declared that "Undoubtedly much housekeeping waste in the Military Establishment diminished the value of the \$48 billion as an investment in preparedness, but efforts begun by Defense Secretary Forrestal and continued by Secretary Johnson to modernize the Establishment and cut out waste have now tended to strengthen that investment."

It added, "In view of the expanded program brought on by the Korean situation, it is all the more necessary that we obtain the maximum return for every dollar that we are investing in our national defense."

The lumber and other forest products industries in East Texas furnish employment to an average of 50,000 workmen each year, with a payroll of over \$60,000,000.

LEADS TICKET

PRICE DANIEL

In the recent Democratic primary Attorney General Price Daniel for the second time polled the highest vote in the state races. Daniel received 1,113,823 votes, 8,350 more than the nearest other unopposed candidate, according to the official returns released in Austin. In the first primary in 1948, in which more votes were cast, Daniel polled 1,231,881 votes, the largest number ever given a candidate in a Democratic primary in Texas.

When Government Runs A Business

The two giant enterprises in the communications field in this country are the Bell Telephone System and the United States Post Office Department. The privately owned Bell System paid \$346,144,000 in taxes last year, while the Post Office Department, of course, paid none. The Bell System operated at a substantial profit, while the Postal Service incurred an operating loss of \$577,471,000. The total value of all physical properties owned by the Bell System is reported at \$9 1/2 billions. The Post Office Department has no idea whatever of the value of its vast property holdings.

Water Conservation Meet Will Affect Lynn Countains

The three-man State Board of Water Engineers will conduct a 21-county hearing in Plainview August 29 prior to designating boundaries of one or more underground water reservoirs for the purpose of creating underground water conservation districts.

The High Plains Water Conservation and Users Association this week reminded irrigation farmers that their testimony at the hearing will have a direct bearing on the boundaries designated.

Arthur P. Dunagan, Jr., Littlefield, an attorney for the association, said that any farmer who depends on underground water for irrigation should attend the hearing, set for 10 a. m. Tuesday in the municipal auditorium at Plainview.

Designation of reservoirs by the State Board is a step towards formation of conservation districts under provisions of House Bill 162, passed by the 51st Legislature in 1949. The law provides for districts, controlled by local elective boards of five directors,

Miss Cusworth And C. A. Short Wed In Church Ceremony

Miss Betty Joan Cusworth of High Point, North Carolina, and C. A. Short, Jr., were united in marriage in a double ring ceremony in the First Baptist Church at 3 p. m. Sunday, the rites being performed by Rev. W. H. Scantling, pastor of the Sweet Street Baptist Chapel.

Mrs. Pat Hutchison played wedding music on the organ, and Sergeant Munn sang "Because" and "Always."

Miss Wanda Short was maid of honor, and the groom's father, Chester Short, was the best man. Billy Jack Hancock and Fred Grider were ushers.

The bride wore a white embroidered organdy dress with shoulder-length veil, seed pearls, and carried an orchid bouquet and a white prayer book.

The maid of honor wore a blue organdy dress with pink carnation nosegay and headdress.

The bride's mother, Mrs. Lois Cusworth, wore a navy bemberg sheer print dress with white accessories and white corsage.

The groom's mother was dressed in navy sheer polka dot with navy and white accessories.

Following the ceremony, there was a reception in the basement of the church, where the bride and groom cut the three-tiered wedding cake. Guests were registered by Mrs. Billy Jack Hancock, and Mrs. Hancock, Mrs. Munn, and Miss Wilma Smith served punch and cake.

The bride was reared and educated in High Point, the daughter of Mrs. Lois Cusworth, who

BOSQUE-CORYELL-JOHNSON REUNION

A reunion of about one hundred former residents of Bosque, Coryell, and Johnson counties was held in MacKenzie State Park in Lubbock Sunday, August 20th. People were present from various parts of West Texas.

This reunion is an annual affair which meets on the third Sunday in August. All concerned are eager for West Texas residents who once lived in these counties to come to these reunions, where a basket lunch and old friendships are enjoyed.

Those wanting further information may write President George T. Moore, Route 2, Lubbock, or Mrs. C. H. Doss, secretary, Hale Center, Texas.

J. Fred Bucy, Jr., of Brownfield, recently returned home from San Diego, Calif., where he spent six weeks in the Reserve Officer Candidate School at the U. S. Naval Station there. This is his second summer of training.

See it first in The News.

accompanied her daughter here for the ceremony, and returned home Monday.

C. A. Jr., was reared in Tahoka, the son of Mr. and Mrs. Chester Short. He is a graduate of Tahoka High. He served a "hitch" in the Army Paratroopers, and was stationed at High Point, N. C., where he met the bride.

The young couple left soon after the ceremony for a wedding trip to New Mexico, following which they will make their home in Tahoka.

IMPERIAL...is the word for it!

"Imperial," says Webster, means "superior excellence." IMPERIAL, says Chrysler, is this luxurious new car that excels anything on wheels in the sheer exquisiteness of its styling. Come look inside this reigning beauty... look at the lavish wool broadcloth fabrics, tastefully combined with topgrain leathers. Look at the lovely color harmonies, the soft sheen of the butter-finished chrome. Consider the advantages of Fluid Drive... exclusive new automatic transmission... Waterproof Ignition... Full Flow Oil Filter... High Compression Spitfire Engine... electric window lifts... the CLEARBAC rear window for exceptional driver vision... and dozens more. Surely, of all the world's fine automobiles, only the Chrysler CROWN IMPERIAL, this car's running mate, achieves the same aristocratic distinction. Come see the flawless workmanship, the fine materials, the superb Chrysler engineering... and you'll agree that no other car, at any price, compares with the Chrysler IMPERIAL. Inside or out, there is no finer car in America!

ONLY THE CHRYSLER IMPERIAL offers you this absolutely unique system of window control. Each window has its own separate electric motor... each one can be raised and lowered independently from the driver's seat or at the window itself. And that's not all! So many other de luxe features... the kind you think of as being in the "special order, extra cost" category... are STANDARD EQUIPMENT on the Chrysler

Imperial. For example: armrests on all four doors... foam rubber seat cushions and seat backs... double-width center armrests in front as well as rear seats... stainless steel wheel covers... white sidewall low-pressure tires... carpeted luggage compartment... Full flow oil filter and many other engine features! Yes, you get all these extras as standard equipment with your beautiful new Chrysler Imperial.

New beautiful Chrysler Imperial... one of 21 lovely Chrysler body styles!

Inside and out... it has no equal at any price...

the beautiful

Cast your vote on Saturday for a West Texan

John C. White

OF WICHITA COUNTY

CANDIDATE FOR—

Commissioner of Agriculture

OF TEXAS

"A Trained Agricultural Man— FOR AN AGRICULTURAL JOB"

Mr. White is the son of a tenant farmer, born near Newport in Clay county, and was raised to work hard and honorably. Today both a hoe handle and a technical book on agriculture are familiar to him.

John White is an Agriculture Dept. graduate of Texas Tech, where he worked his own way through college. He is devoting his life work to Agriculture and to Texas.

John White is close enough to the farming business to know the needs of the farming country.

John White is young, honest, capable, and efficient.

John White is a loyal Texan and a loyal Democrat.

The present Commissioner of Agriculture, J. E. McDonald, during his 20 years in office, has run it down and down in public esteem. Scandals have rocked the Department, and even now he is under Federal indictment for violation of the lobbying act. He admits speculating in commodities. There is now pending in Travis County a suit brought against McDonald by the Attorney General, on behalf of the people of Texas, attempting to recover \$28,000 which the State contends was spent unlawfully by this Department. Do you want this type of official in office?

VOTE FOR JOHN C. WHITE SATURDAY

(This ad. paid for by A. L. Dunagan, J. W. Elliott, Truett Smith, G. C. Grider, J. L. Rumbo, S. W. Sanford, J. O. Allen, Chas. Schultz, Wiley Curry, E. R. Tunnell, E. R. Edwards, and other Lynn county citizens.)

Lindley - Franklin Vows Are Read

Miss Janelle Lindley, daughter of Mr. and Mrs. H. F. Lindley, Route 3, O'Donnell, and Harold

Gene Franklin, son of Mr. and Mrs. Dick Franklin, Route 3, O'Donnell were united in marriage Friday, August 18.

COTTON QUIZ

DOES KING COTTON LIKE TO SWIM?

ANS: YES! MORE THAN 7 MILLION POUNDS OF COTTON GO INTO MEN'S, WOMEN'S, AND CHILDREN'S SWIM SUITS EACH YEAR!

The double ring ceremony was performed in the parlor of the First Baptist Church in Roswell, New Mexico.

The bride wore a navy blue suit with navy velvet and white accessories, and a corsage of white gardenias. Miss Pat Etter, friend of the bride, was maid of honor. Miss Etter wore white with navy accessories.

Walter Ray Billings served the groom as best man.

Immediately following the ceremony the wedding party had lunch together in a Roswell dining room that had previously been arranged by the groom's father.

The bride is a graduate of O'Donnell High School. The groom is a graduate of the O'Donnell John Tarleton College.

After a wedding trip to parts of New Mexico and Colorado, the couple will be at home in the Wells community where Mr. Franklin is engaged in farming.

Those attending the wedding

were, Mr. and Mrs. Dick Franklin, Mr. and Mrs. Joe McLaurin, Norma Jean Nelms, Pat Etter and Walter Ray Billings all of O'Donnell, and Mrs. H. W. Edwards, Jr., of Grassland.

CAMP TO BE CEMETERY

MARSCILLE — The French Government is planning to convert the former concentration camp at Staufhof in Alsace, where thousands of French and Allied patriots were murdered by the Nazis, into a final resting place for deportees who died in Nazi camps. The cremation, punishment cells, and two of the barracks will be preserved as a reminder to future generations. A monument honoring Resistance members will be erected through national subscription.

Economy Commission Unit Is Formed Here

A Lynn county unit of the new Texas Economy Commission was formed at a meeting of business men and farmers in the county court room Tuesday afternoon.

Tom Garrard was elected permanent chairman of the Lynn county organization, Charles Verner, secretary; Maurice Bray, treasurer; Bill Strange, Sr., chairman general steering committee.

The Texas Economy Commission has been set up with John S. Redditt as chairman and John Ben Shepperd as secretary.

The body was possibly suggested by the Hoover Commission, and will work with the State government in a capacity similar to that proposed for the Hoover Commission. Twenty-seven states recently have set up similar bodies.

Purpose of the commission is to study and conduct a research of our state government with the idea of promoting more efficiency and economy in the conduct of public affairs. Where possible, changes will be recommended to minimize expenses, increase efficiency, eliminate duplications, and to modernize procedures of government.

The local body proposes to give the study its financial and moral support. Texas' government is becoming more and more complicated with demands for more taxes increasing constantly. There are now 21 departments of our state government, 38 state boards, and 41 commissions. It was pointed out at the meeting.

The following committees of the local organization were named at Tuesday's meeting:

General Steering Committee: Bill Strange, Sr., Claude and Luther Thomas, Howard Cook, J. T. Middleton, Sr., Hal Singleton, Jr., A. R. Burleson, J. W. Elliott, Truett Smith, Charles Verner, Wynne Collier, W. O. Thomas, Claude Wells, Maurice Bray, C. T. Tankersley, John Heck, Winston Wharton, W. B. Slaton, Terry Thompson.

Planning and Finance: Maurice Bray, W. B. Slaton, Terry Thompson, Bill Strange, Sr., Winston Wharton, and Howard Cook.

Publicity: Frank Hill and O. G. Smith.

Speakers Committee: Calloway Huffaker, chairman, Sam Garrard and Truett Smith.

Study Clubs: Mrs. Lenore Tunnell, chairman, Charles Verner, Clint Walker.

Agriculture Committee: John Heck, chairman, Claude Wells, J. T. Middleton, Sr., Claude and Luther Thomas, J. R. Strain.

O'Donnell Principal Resigns Position

ODONNELL, Aug. 23. —M. D. Conger, high school principal here for the past 13 years, has resigned to take a similar position in the Cisco high school effective with the fall term. Supt. S. F. Johnson announced Wednesday.

Conger's successor has not been named yet, Johnson said. Conger, also prominent in this area as a basketball official, will move to Cisco soon with his wife and one son.

Elliott Remodels Panhandle Station

O. C. Elliott is this week completing the remodeling of his Panhandle Service Station No. 1 at the corner of Sweet and Lockwood streets.

An addition has been built to the building for improved washing and greasing facilities, and the building has been repainted in red and white on the outside and in white and green on the inside.

CARD OF THANKS

We deeply appreciate the acts of kindness and tokens of friendship and condolence from our friends and acquaintances, which made the passing of our father easier to bear. May God bless each of you. —Mrs. D. C. Carroll and family.

North Side Is Baseball Champ

North Side boys defeated New Home boys 15 to 6 Sunday afternoon on the Jaycee diamond to become the 1950 Lynn County Junior Baseball League champions.

"Punk" White, North Side pitcher, struck out 25 men, walked only one, and allowed only 3 hits in the ball game. He pitched "shut out" ball in seven innings, but had some trouble in the first and eighth innings.

Tahoka got its 15 runs off of 11 hits, aided by six New Home errors, while committing three errors itself, which, with three New Home hits, scored six men.

Cudde, New Home pitcher, gave up seven hits in the first four innings, and was lifted in favor of Rodgers, who gave up only four hits but allowed four walks.

Three home runs lived up to the game, one each by Jimmy Dumas Small and "Punk" White of Tahoka and by Crooks of New Home.

The League season ends with the North Side on top, New Home second, South Side third, and the Colored Boys last. The teams have been managed by Charles Reid, North Side; Donald Caudle, New Home; Ernest Drager, South Side; and Henry Hood, Colored Boys.

Lineups in Sunday's game were: North Side: Gordon Smith, 2nd base; Carter and Gurley, 3rd base; Howle, left field; Halameck, short stop; Small center field; McNeely, catcher; Wells, 1st base; "Punk" White, pitcher, and Havens, right field.

New Home: Smith, short stop; Fletcher, 3rd base; Crooks, right field; Rodgers, catcher and pitcher; Cowan, 2nd base and catcher; Evans, 1st base; B. Smith, center field; Miller left field; and Caudle, pitcher and 1st base.

The boys already are planning for next year, and with the help of some civic organization can have a bigger and better league.

The players have asked The News to thank the fans and business firms for their support and consideration during this season.

Lowell Busby Receives Degree

Among the summer graduating class consisting of 580 at Texas Technological College Wednesday evening on the Recreational Hall Green at 7:30 was Edward Lowell Busby of Lynn county. His Bachelor of Science degree was earned in the field of Electrical Engineering.

The commencement address was delivered by Mr. Don Emery of Oklahoma. Mr. Emery is one the General Council and a Vice-President for Phillips Petroleum company and is well known in the business circles of the Southwest.

Lowell Busby will be remembered by the Tahoka Bulldog fans in 1944 as one-half of "that 400 pounds of human dynamite" on the football roster and a factor in the good football season had. Lowell did all but his senior year at the Dmsw-Redwine Schools and graduated from Tahoka High School in 1944.

Following high school graduation, Uncle Sam called and desired his services for eighteen months. Lowell served ten months of this overseas.

Returning to civilian life, he entered the School of Engineering at Texas Tech. While on the campus he was active in college government affairs and departmental activities. He was Sergeant-at-Arms of the Saddle Tramps Club, was on the Membership Committee of the American Institute of Electrical Engineers for 1948-49, and was part-manager of the Texas Tech Engineering Show for the past year's exhibit. He is also an active member of the Veterans of Foreign Wars.

Attending the Commencement exercises were many Lynn county people and out-of-town relatives of the graduating senior. The entire attendance is estimated at 2500.

Lowell is the son of Mr. and Mrs. Edd C. Busby of the Draw community. His sister, Mrs. Sylvia Brown of Dallas, was present for the exercises.

Reveal Wilson School Plans

Registration schedule and the personnel of the teaching force of Wilson Public Schools were announced this week by Supt. J. P. Hewlett.

Classes will begin at Wilson Monday, September 4. However, high school students will register Thursday and Friday of next week, with Seniors registering Thursday morning; and Juniors, Thursday afternoon; Sophomores, Friday morning; and Freshmen, Friday afternoon. Grade school students will not be required to register until Monday, September 4.

Mr. Hewlett announces his faculty as follows:

A. H. Smith, High School principal; Dick Cade, the new Vocational Agriculture teacher; Mrs. A. J. Sales, Homemaking; A. J. Sales, History and Coach; Mrs. Nannie Bullard, Spanish and English; Mrs. Jeanne Scarbrough, English and Speech; Mrs. Zane Brewer, Commercial subjects; I. J. Duff, Mathematics in Grade and High School;

L. G. Fuller, Grade School principal; Mrs. L. G. Fuller, Sixth; Mrs. Elmer Blankenship, Fifth; Mrs. Ruth Nelson, Fourth; Mrs. I. J. Duff and Miss Gladys Kirtley, Third; Mrs. Leona Batsell, Second; Miss Ethel Summerlin, First.

Mrs. John Sims, piano. A nurse has been employed who will work with both Wilson and New Home students this year. She is Mrs. Betty Sue Ayers, who is a graduate nurse.

Mr. Coursey is the new building custodian. Roy Robinson is bus foreman, and bus drivers are A. J. Sales, R.

FIRST CAVALRY (INFANTRY) DIVISION

THIS DIVISION, organized at Fort Bliss, Texas, in 1921 as a cavalry unit, was dehorred in 1942 and since has served as infantry.

MAJ. GEN. GAY

However, its soldiers still prefer to be known as "Cavalry Troopers." Among its components the oldest regiment is the 5th, organized as the 2nd Cavalry regiment in 1855 commanded then by Lieut. Col. Robert E. Lee, who resigned when the Civil War began. The 7th regiment in this division was commanded by General George A. Custer and fought at the battle of the Little Big Horn at "Custer's Last Stand."

The 8th regiment saw service against the Indians under Sitting Bull and in Pershing's punitive expedition against Pancho Villa in Mexico. Youngest regiment is the 12th, formed in 1901, which served in the Philippines and on the Mexican border.

In World War II the division landed in the Admiralty Islands in February, 1944 and in defending Momote airport fought one of the wildest battles in the Pacific. Japanese marines in overwhelming numbers attacked with bayonets attached to long poles, trying to spear troopers in their foxholes and drive them into the sea. Against great odds the men of the 1st held the strip until the bulk of the division arrived. Approximately 4,500 Japs were killed in the battle for the Admiralties.

This 7th was one of the spearhead units invading Leyte in October, 1944, and for this action the division won a citation, with subordinate units also cited. It was the first American to enter Manila in the dash upon the Philippines capital in January, 1945. Inside Manila the units split, one capturing Malacana Palace and the other crashing the walls of Santo Tomas University, liberating more than 3,700 Allied civilian prisoners. The 1st remained on Luzon mopping up Japanese elements until Japan capitulated. On September 10 it was the first American division to enter Tokyo. It remained there as an occupation force. Its Medal of Honor winners are Sgt. Troy A. McGill, of Ada, Oklahoma, and Pfc. William J. Grabarz, of Buffalo, New York.

The commanding general of the 1st Cavalry is Major General Hobart R. Gay, a native of Rockport, Illinois, who was commissioned a second lieutenant in the Regular Army in October, 1917. He participated in the amphibious landing in Africa in 1942. He was chief of staff of the 3rd Army in European operation in 1944. In September, 1949, he assumed command of the 1st Cavalry in Japan. The division shoulder patch is a large shield of cavalry color, yellow, with black diagonal bar and thoroughbred horse's head in the upper right corner. The bar signifies the division as first in name and in battle.

H. Williamson, J. B. Smith, Clarence Klesnick, Mr. Coursey, and one other man to be selected. Mrs. J. E. Crowder is foreman of the lunch room, and her helpers are Mrs. J. B. Smith, Mrs. J. W. Parker, and Mrs. Dixie Baxley.

Affray Results In Charges Filed

Four Tahoka Latin-Americans were charged in local courts last week as an aftermath of a fight at a Mexican dance hall Saturday night, August 12.

Julian Guterrez was charged on three counts, assault with a pistol, assault with intent to murder, and unlawfully carrying a pistol.

Paul Guterrez was charged with assault and intent to murder.

Felix Guterrez and Pedro Samudio were charged with affray.

In the melee, Felix received a long lash in his side and Pedro was hit over the head with a pistol.

Two Wreck Victims Are Still Serious

J. T. (Jack) Brice, critically injured in a head-on car wreck near the Garza-Lynn county line Sunday, August 13, remains in a serious condition in Tahoka Hospital.

He had shown steady improvement for several days, and his physicians have been building him up so that an operation may be performed by a bone specialist. However, the past two or three days, he has not been doing so well, and the operation scheduled for Thursday has been postponed.

Mr. Brice received a broken right leg, a dislocated left hip, severe facial lacerations, and other injuries.

Frank Brown, driver of one of the cars involved, has had his broken pelvis bone put back in

Sheriff's Posse Goes To Graham

About 15 members of the Lynn County Sheriff's Posse went to Graham Wednesday to ride in a rodeo parade as a special tribute to Lewis Robinson, formerly of O'Donnell and a member of the local posse as well as the famous Graham Posse.

This will be the tenth rodeo the local posse has appeared in since its organization last spring, winning first place trophy at Levelland and also a trophy at Post.

The Posse will also ride in the Lamesa rodeo parade Friday of this week, and about twenty-five are expected to make this trip.

Three new members were added to the Lynn county group at its meeting Monday night, J. T. Middleton, Sr., W. L. Gardenhire, and Johnnie Billingsley. Chas. Hipp, president of the Graham Posse, has also taken out a membership in the Lynn County Posse.

place, and has been improving steadily. However, he was reported not doing too well on Thursday morning.

Weldon Brice, son of J. T. and driver of the other car, was released from the hospital last midweek after receiving treatment for shock, cuts and bruises, and broken ribs.

City of Tahoka Completes Spraying

Streets, alleys, and livestock lots were sprayed by the City of Tahoka last week to kill flies, mosquitoes, and other insects.

WHEN HUMAN LIVES BECOME STATISTICS

70 killed!—More than 8,000 injured! You didn't read of this disaster in your local paper. It wasn't there. These killed and injured were working men and women all across the nation who were accident victims on their jobs yesterday. Today they are statistics!

The toll goes on—every hour, every day and at year's end some 16,000 workers have been killed and more than 2,000,000 injured. Time lost by disabling injuries would equal the working time of a million men for a whole year. For the dead there is no time.

About 3 out of every 4 occupational accident victims are workers in smaller plants, firms and businesses. In fact, in every job there is some hazard. Slipping on a floor, tripping on a stair or falling from a truck can incapacitate you as surely as some situation which would seem more dangerous. Know your job—know the hazards connected with it—and be prepared to avoid them.

Think before you act—before you expose yourself to danger and accident. Think safely. It's better to be a worker than a statistic!

Prepared in co-operation with the President's Conference on Industrial Safety and contributed in the public interest, by

MOURNING DOVE - WHITE-WINGED DOVE OPEN SEASONS 1950

MOURNING DOVES -
OPEN SEASON - NORTH ZONE: Sept. 1 to Oct. 15, both days inclusive. Shooting hours, one-half hour before sunrise to sunset.
SOUTH ZONE: Oct. 20 to Dec. 3, both days inclusive, except in Cameron, Hidalgo, Starr, Zapata, Webb, Maverick, Dimmit, LaSalle, Jim Hogg, Brooks, Kenedy and Willacy counties where mourning doves may be hunted only on Sept. 15, 17, and 19, from 4 p. m. until sunset, and from Oct. 20 to Nov. 30, from one-half hour before sunrise to sunset.
BAG LIMIT: Not more than 10 per day and not more than 10 in possession.
McMULLEN COUNTY: State law, Nov. 1 to Dec. 15; Federal law, Oct. 20 to Dec. 3.

A hunter may not have more than 10 a day of either or both species (White-wings or mourning doves) in the aggregate.

WHITE-WINGED DOVES
OPEN SEASON: Sept. 15, 17, and 19, inclusive, only in area indicated.
SHOOTING HOURS: 4 p. m. to sunset.
BAG LIMIT: Not more than 10 per day and not more than 10 in possession.
McMULLEN COUNTY: State law, Nov. 1 to Dec. 15. Federal law, season closed.

Texas Game, Fish and Oyster Commission.

Mr. and Mrs. J. W. Warrick, formerly of Grassland, have been visiting here from San Benito, where they now live. They raise cotton and vegetables on their irrigated farm there. Mrs. Warrick says their cotton produced 26 bales from 16 acres, and it brought about 40 cents per pound. We have a mighty strong suspicion that they get very homesick for Lynn county, however.

Never hold down on fruits and vegetables when you are dieting. Eat a variety of these nutrient-rich foods, including potatoes. A medium-sized potato has no more calories than a big orange or apple.

Three percent of the oil extracted from a whale is obtained from the tongue.
 Mr. and Mrs. W. E. Shawn left Wednesday on a week's vacation trip to Colorado.

It Is Your Heritage To Go To The Polls Saturday And Vote (Pol. Ad. Paid For By Friends Of E. J. Cooper)

FINER... Iced TEA

A solution of one pound or dry sulphur in three gallons of water, applied to the trunk and framework branches of the trees with an old paint brush, is a good stop-gap remedy for controlling Sae Joe scale in orchards during the late summer and fall, but a 3 percent dormant oil spray, applied in the winter when the trees are dormant, is necessary for effective control.

Sugar Pine trees were first discovered by David Douglas, a Scotch botanical explorer, on October 26, 1826, in California.

IT'S TIME for BROOKS!
Because...

Something must be done now about the runaway cost of our state government—a cost which has increased more than 500 percent in the period between 1925 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

Pierce Brooks for Lt. Governor

Wilson Football Games Planned

Wilson Mustangs, 1949 District 4B six-man football champions, will start work-outs on a newly sodded playing field on Sept. 4, according to A. J. Sales, coach.

Mr. Sales, who will be coaching the team for the second year, last week was elected a state director in the Texas Six-Man League at the coaching school held at San Marcos.

Nine boys have been lost from Wilson's championship team of last year, which was undefeated until it met Weibert for the bi-district championship.

However, Sales will have seven returning lettermen, though most of them are small, namely: Leonard-Brieger and Thomas Mason, backs, who are co-captains for the coming season; Joe Stoneback; John Mack Stoker, Freeman Smalley, and George Lambright, ends; and Harold Preston, center.

The playing field has been sodded in grass, and a water system has been installed with which to water it. However, night games this year will be played on the lighted softball field.

Fortunately, Wilson's schedule this year fits in almost perfectly with the Tahoka Bulldogs' schedule in that each time Tahoka has a home game Wilson is either not playing at all or is playing away from home, and each time Wilson has a home game the Tahoka team will be away from home.

Coach Sales is inviting Tahoka fans and other fans of Lynn county to come up to Wilson when the Bulldogs are away from home if they do not wish to follow the Bulldogs on their road trips. He promises the fans that they will enjoy the wide-open game of six-man football.

The Wilson Mustangs' schedule follows: With New Home, Dickens, Guthrie, and Flomot games at 8 p. m. and the Southland and Patton Spring games at 7:30 p. m.

Sept. 22, New Home at Wilson.
Sept. 29, Dickens at Wilson.
Oct. 6, Guthrie at Wilson.
Oct. 13, Wilson at Flomot.
Oct. 20, OPEN DATE.
Oct. 27, Southland at Wilson.
Nov. 3, Wilson at Patton Spring.
Nov. 10, Wilson at Roaring Spring.

Two To One
Although Defense Secretary Johnson was successful in reducing civilian employment in the Military Establishment from 897,807 employees in May, 1949 to 754,339 on May 31, 1950, there still remain one civilian employee to every two uniformed men in the services. Both the Byrd Committee and the Hoover Commission have criticized this ratio as too high.

Three Charged With Cow Theft

Three men have been charged with cattle theft as a result of the disappearance of five head of stock from Ed Park's pasture six miles south of town last September 4, according to Sheriff 'Slick' Clem.

Clem went to Ada, Okla., last week and brought back Jerry Massey of that city to face the charge. Raymond Grubbs of Petersburg was arrested several weeks ago in Abilene on the charge, and Johnny Gale is in custody at Crockett on another offense and will be brought here soon.

The charges will be investigated by the grand jury when it meets September 4.

Don't neglect summer orchard cultivation, because the trees need all of the moisture and plant food that is available, particularly during the late summer.

Former Citizen Dies In Accident

Mrs. Kenneth (Jimmie Lou) Faught, 21, of Denver City, daughter of Mr. and Mrs. M. O. James of Plains, formerly of Lynn county, died at 8 p. m. last Friday in a Lamesa Hospital as a result of injuries received in a car wreck near Ackerly, Dawson county, on Wednesday.

Funeral services were held at Stanley Funeral Chapel at 3:00 p. m. Saturday, with Rev. H. C. Lonis, pastor of the Tahoka Assembly of God Church officiating. Burial followed in Tahoka Cemetery.

The Faughts were returning home from Forsan in their 1949 Ford. When he threw on his brakes to slow down for a car ahead, his car skidded on the rain-slick pavement and crashed into a tree.

Mrs. Faught suffered four broken ribs, a fractured right foot, and several head lacerations. Mr. Faught was injured, though not seriously, in the accident. Their little daughter, Geraldine, received a broken leg and is in the Lamesa hospital. Another daughter, Sharon Rose, was uninjured.

Mrs. Faught was born November 24, 1928. She was married on January 29, 1946, to Kenneth Faught in Brownfield.

She is survived by the husband and two daughters, Sharon Rose, 4, and Geraldine, 2, of Denver City; her parents, Mr. and Mrs. M. O. James, Plains; two sisters, Mrs. Dornah Flo Williams, Seagraves, and Eva Mae James, Plains; and five brothers, Arden, Billy, Dean and Gene and Jesse James, all of Plains.

Rooms Are Needed For Oil Crews

Anyone having furnished rooms or apartments for rent should notify Clint Walker at the AAA office or W. T. Hines at Thompson Cleaners.

A new oil well drilling crew and a new exploration crew wants to locate in Tahoka, if sufficient places to live can be found.

Carr Is Speaker At Rotary Club

Waggoner Carr of Lubbock, representative-elect in the Legislature from this district, was the speaker at the Tahoka Rotary Club Thursday noon.

Mr. Carr spoke on the subject, "The Second Greatest Story Ever Told—The Story of America," the moral of which was that working together on the part of common men had made America great. He registered a plea for less dissension among our people.

H. B. McCord brought the program for the day.

Bill Clarke was elected secretary to succeed Bruce Reid, who is resigning with expectation of being called into the Army at an early date.

President Charles Townes read an explanation of the Queen contest being conducted by the Panhandle-South Plains Fair Association.

Members of the club are invited to the annual Lubbock inter-city meeting set for Friday night, February 8.

Joe Bob Billman was elected to membership in the club.

Rev. R. L. Butler of Munday, who was here conducting the Methodist meeting, was the principal speaker at the Rotary Club luncheon Thursday of last week. He brought a very interesting talk in which he praised Tahoka as a clean town, morally and physically. Rev. D. W. Binkley of Anson, singer, also was a guest.

The week before W. T. Kidwell presented some interesting pictures of World War II.

Peggy Stone, 17, daughter of Mr. and Mrs. Sam Stone, had her tonsils removed at Tahoka Hospital Tuesday.

MEMOGRAPH INK at The Lynn County News, Phone 35.

Oil Wells

(Cont'd. From Page 1)

zone is 8,616-30 feet. Coring of the Caswell well was reported Wednesday at a depth of about 8,600 feet.

Moving In Rig
Fred Manning Drilling company of Denver, Colorado, this week moved in a big rig for the recently announced Ellenburger test seven miles south of Draw, just barely across the county line in the extreme northwest corner of Borden county.

The wildcat will be drilled by the British American Oil Producing company as the No. 1 W. T. Shockley, the location being on section 5, block 1, E. A. Cleghorn survey, Borden county. The test is seven and one-half miles southwest of the Magnolia No. 1 Garza Land & Cattle Co. discovery in Lynn county, and is seven and one-half miles north and slightly west of the one-well Borden county Ellenburger pool.

Representatives of the drilling crew were in Tahoka Wednesday making arrangement for housing.

Well Spudded In
The Standard Oil Company No. 1 Mrs. M. V. Smith, southwest of O'Donnell in Dawson county and near the Lynn county line, has spudded-in and is reported drilling below 1,000.

There are rumors of several other deep tests in Lynn county soon, one east of Draw which is practically a certainty, another southeast of Tahoka, and one in the vicinity of the Robert Poer farm in the northeast part of the county.

The News has no report on Humble's No. 1 W. C. (Bill) Dulin north offset to the Magnolia No. 1 Garza, but it is rumored that the hole is below 8,000 feet. Showings were rumored in the Spaberry at about 6,000 feet.

Likewise, there is no report on the MFC Corporation No. 1 Garza Land & Cattle Co. wildcat, located three miles south of the Magnolia No. 1 Garza near the county line, but it is rumored to be drilling at about 7,000 feet.

Terry Gets New Test
Official announcement has been made of another test just barely over the county line in Terry county, the Champlin Refining Company No. 1 Lindsley on section 45, block E, EL&RR survey, one and one-half miles southeast of the Mound Lake Pool. It will be a 10,000 test. It had been previously reported as the N. 1 B. F. Hegler.

Three new deep oil pools have been opened up in Terry county in as many months, the latest being four miles southeast of Brownfield. This may become one of the biggest yet discovered on the Plains, since this well, the Union Oil Co. No. 1 Laura-A. Jotten, section 91, block T, TD & W survey, on test gauged 110 barrels in one hour, from 213 feet of pay at a total depth of 10,123.

Paving

(Cont'd. From Page 1)

blocks further west, for which curbing has already been laid.

Sweet Street is paved north to North Second, and if this proposed extension goes over, it will be paved on north to North Sixth.

Eight blocks are paved on Petty (K), from South Second north to North Sixth.

Two short and one long blocks are paved on Conway.

Eight and one-half blocks are paved on Kelsey (L) from South Second north past North Sixth.

Two blocks are paved on Sanders (M) between North Third and North Fifth.

One block is being paved on Ketner (N) between North Fourth and North Fifth.

Four blocks have been paved on Miller (P), in front of the High School from Lockwood to North Fourth.

South Second street is paved from Sweet west 4 blocks to Ketner (N).

Paving on South First was extended three blocks west from Kelsey (L) to Taylor (O).

Randal (E) has been paved from Lockwood north to the compass, 9 blocks.

This paving, coupled with the old brick paving laid in about 1920, the approximately 30 blocks laid in 1935, the newly widened highway paving on Lockwood, Main, and South Sweet, will give Tahoka approximately 150 blocks of paved streets. Some of these are short blocks, but they are more than offset by several 400 and 600 foot blocks.

Mr. and Mrs. Fred Bucy of Brownfield were Tahoka visitors Thursday.

ADDING MACHINE ROLLS at The News office.

New Home Has Complete Faculty

The New Home School faculty is now complete and everything is set for the opening on September 4, a week from next Monday, according to Supt. James F. Vaughn.

The faculty is announced by Mr. Vaughn is as follows:
Grade School:
First Grade, Mrs. McCollough.
Second Grade, Miss Hooker.
Third Grade, Miss Philly.
Fourth Grade, Mr. Liner.

Fifth, sixth, seventh, and eighth grades will be departmentalized under Mr. Gordon Gaines, Mr. E. L. McCormick, and Mr. C. P. Martin. Mr. Martin, formerly at Seagraves is the new grade school principal.

High School:
Mr. Clint Low, mathematics and High School principal.

Mr. Wayne Timmons, commercial subjects and coach.

Mr. Olan Rice, vocational agriculture.

Miss Evans, English.

Mr. Vaughn, superintendent. There will be a special opening day program at 9:00 a. m. Monday, September 4, to which all patrons are invited.

This year, school work will begin at 8:45 a. m. daily instead of 9:00 a. m. Because of this fact the school buses will run 15 minutes earlier than in the past.

New Home is entering six-man football this year in District 4B, and Coach Wayne Timmons is already working-out the boys. Since New Home has not been entering this sport, the work-outs are being started early in order that the school may have a better chance of developing a team.

Congratulations:

Mr. and Mrs. Noel Caswell of Route 2, Tahoka on the birth of a son in Tahoka Hospital at 9:34 a. m. Monday, delivered by Cesarean operation. He weighed 5 pounds, 5 ounces, and has been named Bobby Noel.

Congrats to xx sbavBR suc. Mr. and Mrs. Buddy Gene Bragg of West Point on the birth at Paducah Tuesday, of a girl weighing 4 1/2 pounds. She has been named Sandra Kathleen. Mr. and Mrs. Cody Bragg are the proud grandparents.

Private vs. Government Service insurance companies pay more than three-fourths of their death claims within 15 days. —From a Hoover Commission report.

SHOOTING HIGH!

Shooting high among Hollywood's new stars is lovely Arlene Dahl, one of MGM's most glamorous young actresses. Arlene is dressed for the California sun in a striking sun dress of emerald and white cotton poplin trimmed with shamrock appliques. For cover-up occasions, the trim star adds a matching cotton stole.

WELLS IN ARMY

Johnny Wells, local graduate of Texas Tech and an employee of Ruthenford's, enlisted in the Army Tuesday with 411th Transportation, Truck Battalion, headquarters company, a reserve unit stationed at Lubbock. The unit has been called into service, to report September 11.

Johnny expects to be used as a clerk-typist.

Low moisture is necessary for long, safe storage of grain, especially of grain sorghum, which would not test over 12 percent.

Bulldogs Scrimmaged Abernathy On Local Football Field Tuesday

The 1950 candidates for the Tahoka Bulldogs football team are today rounding out two weeks of intensive training for the opening of the season with Muleshoe here on the night of Friday, September 8.

Coach Joe Turner and his assistants, Jake Jacobs and Tom Bartley, have a big job cut out for them in building an aggressive team that can make a creditable showing in District 4-A, possibly the toughest in Texas.

However, Coach Turner reports that the boys have a fine attitude and are working hard to get into condition and learn the game. He expresses confidence that the boys will be ready to put all they have into the game.

The two biggest problems of the coaches are lack of reserves and the shortage of big boys.

Training started with 31 boys. Three or four quit. One of last year's lettermen, Jerry Stevens, is out for two weeks with recurrence of an old shoulder injury. Another, Charles Hyles, has a broken hand. One other had to drop out to work but will be back on opening of school.

Coach Turner states that he needs some more boys, particularly Freshmen, from whom he can begin building for the future.

If such boys will come out, he says, a B team schedule will be arranged. The Coach expects to place more emphasis on the B team the Junior High and Grade School teams this year, as there are not enough experienced boys coming up to the A team.

Rennie Gurley, an end last year, who has been attending a Methodist summer camp in Arkansas, reported for work-outs Monday. Also, Donald Ward, another prospect for the future, has reported for the team.

Coach Turner asks all boys who would like to play football to see him at once. If they can not come out for practice now, he hopes to see them out for training with the opening of school.

Scrimmage Game

Tuesday afternoon, the prospective Bulldogs scrimmaged the hefty Abernathy squad on the local field. Though outpointed by

on offense.

The coaches have been concentrating on offense the first two weeks, and very little instruction had been given in defense. Therefore, under a new coach and a new (to them) formation, the single-wing, and many of them playing positions with which they had not become familiar, the boys were pretty ragged on their defense. Some of them showed natural ability at making tackles. From now on, the coaches expect to give more and more time to blocking, tackling, and line play.

Classified Ads are small but they do a Big Job well.

EASTLAND REUNION

Ex-residents of Eastland county will hold a reunion in McKenzie State Park, Lubbock, Sunday, August 27, according to D. C. Davis. All former citizens of that county are invited to come and bring a basket lunch.

Crouch Families Hold Reunion

The children of the late W. J. Crouch met in the ranch home of Mr. and Mrs. Ovid Luallin and Mr. and Mrs. Clay Hughes of

Mayhill, New Mexico, the first week end in August for a family reunion.

All were present but one sister, Mrs. Joe Brown of San Saba, who could not attend on account of illness.

The group arrived Friday night

for the grand occasion, but Mrs. Luallin took violently ill and was rushed back to Ruidoso Hospital, where she had to remain until Wednesday of the following week, which naturally marred the pleasure of the event.

Sunday, Aug. 6, being the big day, a big table "groaning with good things to eat" was set up in the hay barn, and 42 people partook of the feast. The visitors returned to their homes Sunday and Monday.

Relatives present were: C. H. Crouch and family, El Jacón, Calif.; C. D. Crouch and wife, Lovington, N.M.; Clarence Crouch Jr. and family, Abilene; James (Buddy) Crouch and family, Tatum, N. M.; H. O. Crouch, Mrs. H. A. Riddle, Mrs. Claud Johnson, Mr. and Mrs. Joe L. Nevill, Ray Nevill, Everton Nevill and wife and little Sheryl Ann, all of Tahoka; Mrs. Berta Gynn and daughter, Mrs. Huneke, and her two daughters, Susie Ann and Cathrene, Arcadia, Calif.; Allen Luallin, wife and daughter, Linda Sue, Mr. and Mrs. Doll, and Mrs. May Green, Ruidoso, N. M.

Guests present were: Mr. and Mrs. Henry McDaniel, Springville, Ariz.; Mrs. Sam McDaniel and Bud Milliken, Tahoka; Cecil and Jack Vicks, Mayhill, N. M.

Go To Church Sunday.

SHERIFF'S SALE

THE STATE OF TEXAS

COUNTY OF LYNN

NOTICE IS HEREBY GIVEN

That by virtue of a certain order of sale issued out of the Honorable District Court of Lynn County, on the 9th day of August, 1950, by W. S. Taylor, Clerk of said Court for the sum of Four Thousand Three Hundred Eight and 70/100 (\$4,308.70) Dollars and costs of suit, under a judgment, in favor of Rhyn Simpson, in a certain cause in said Court, No. 1896 and styled Rhyn Simpson, Plaintiff vs. B. W. Keith and wife, Leona Keith, Defendants, placed in my hands for service, I, Roland W. Clem, as Sheriff of Lynn County, Texas, did, on the 9th day of August, 1950, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit:

Lots seven (7) and Eight (8) in Block Ninety-Five (95) of the Original Town of Tahoka, Lynn County, Texas, together with all improvements and appurtenances, thereto, and levied upon as the property of B. W. Keith and wife, Leona Keith.

The expansion program at Texas Technological College is geared to equip the campus for an enrollment of 12,000 students in 1960.

Keith, and that on the first Tuesday in September, 1950, the same being the 5th day of said month, at the Court House of Lynn County in the City of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale I will sell above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said B. W. Keith and wife, Leona Keith.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in THE LYNN COUNTY NEWS, a newspaper published in Lynn County.

Witness my hand, this 9th day of August, 1950,
—Roland W. Clem, Sheriff
Lynn County, Texas. 45-3tc

Athletes Foot Germ

Imbeds deeply—toes burn, itch—get fast DOUBLE relief. USE T-4-L BECAUSE—Made with 90% alcohol, it PENETRATES the entire area of infection to reach and kill more germs faster, thus bearing quicker relief. Your feet become healthy and hardy again. To keep them that way, apply T-4-L periodically—medical science says athlete's foot can come back.

IN ONE HOUR, If not COMPLETELY pleased, your 40c back at any drug store. T-4-L is colorless, instant-drying, easy to use at any time of day. WORTH TRYING. NOW AT—

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition. "In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About
HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B₁, B₂, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It
HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

Odds & Ends

(Cont'd. From Editorial Page)

up arms against their country, however, but will offer stubborn and unconquerable passive resistance, when the Government undertakes to compel them to bear arms against the enemies of our country.

Recently, about the time the United Nations Council was opening its present session at Lake Success, New York, about 55,000 of these Jehovah Witnesses, coming from all parts of our country and some from other countries, also met in New York City in a series of rousing meetings. One of the resolutions they adopted was that they would never salute the flag of any nation. No use to undertake to compel them or

their children to salute Old Glory on any patriotic occasion. No use to undertake to compel their children on any occasion, special or otherwise, to salute our beloved Stars and Stripes that floats proudly above practically every public school house in the United States, unless you are determined to send either the children or their parents to jail for refusal to salute the flag. They just won't salute it. It is a peculiar brand of religious fanaticism that leads them to take this course.

The Jehovah Witnesses are not bad people at heart. Some of them are among the finest people in the world in so far as their intention to do what they think is right is concerned. One family of them has been next-door neighbors of my brother William

down at Eddy for several years. There never were better neighbors than they. They delight to look after his every need when it is practical for them to do so. They bring him flowers and vegetables and other delicacies almost every day when he is at home. The man's mother in the "long ago" was a schoolmate of William's and mine, when we were children. Later, two or three of her older children were pupils of mine when I taught at Old Stamped. When another youngster came as an addition to the family, the mother named him in honor of me, her former school-mate and the then teacher of her older children, and that boy bears the name of Ivy Nelson today. Probably he is not a member of the cult, however.

Herbert was one of the young-

er children. I believe that he works at his religion more than any other man I ever knew with the exception of active ministers of the gospel. He is a mechanic by trade. Usually when he closes his shop on Saturday afternoon and get his bath, he and his good wife start out on a mission for their organization. They scatter literature, play religious records on the phonograph, give lessons or lectures to all who will listen, and make as many converts as possible. On Sunday, they attend services of their own cult at one or more places. They put in the day for the Lord.

They have a great general meeting in some great city of our country once each year, as I understand it, and they begin planning long in advance to attend.

Three Nelsons of Eddy and possibly twenty or thirty other members of the cult residing in or about Temple attended the New York meeting this summer. They were in that crowd of 55,000, and I am sure that they voted enthusiastically for that "no-salute" resolution.

I like them but I pity them. I hope that they do not get into trouble if another general World War comes, but I almost know that their son will if called upon to register for service. He probably would consider it some kind of an honor to be sent to jail for refusal to salute the flag or to enlist for service.

I have never been quite able to understand the philosophy or ideology of the Jehovah Witnesses.

Can not these good and well-intentioned people see that if Uncle Sam should utterly disarm, sink his navy and destroy all his military equipment, send all the soldiers and sailors home, and assume an attitude of mere passive resistance, Russia and perhaps some other nations would immediately send their armies of invasion into our country to take complete charge of it?

If all of us, for example, were Jehovah Witnesses, refusing to resist an enemy, can't the Witnesses see that these greedy, over-bearing, unscrupulous Russian atheist dictators would begin at once the program of making atheists and communists out

of all of us—that they would send their armies to close or destroy every church in America, that they would send all our men that they thought might eventually make trouble as prisoners in to their concentration camps; and that they would take our young and most attractive women as the unwilling paramours of their own bestial soldiers? Wouldn't our Jehovah friends use more than passive resistance to protect their homes and their families against such horrors as that?

Can't they see that if our nation should follow their teachings and their policies, the entire people of America in a little less than no time would have only one alternative, to die at the hands of the ruthless invaders or to become their sniveling slaves?

It seems so clear to us that we can not conceive of any one figuring it out in any other way.

Nobody in this country wants to fight. Nobody that I know of want war. But when a bunch of robbers and cut-throats plot and scheme to make a raid on the homes and the businesses of their neighbors, we doubt if even one of Jehovah's Witnesses would be content to sit still in mere "passive resistance" while fire was being set to his home, while his children were being murdered, and his wife and daughters were being subjected to insult and ravishment. Wouldn't you fellows get up and fight a little in a case like that?

Well, such things as that would probably happen to countless thousands of our wives and daughters and children if we destroy all our defenses and permit the Russian Atheists and Communists to come in, resisted or unresisted. Their leaders have proved to the world that they are a band of thieves, liars, robbers, murderers, and scoundrels; and personally we think that the

Looking for a "good break"?

You get the best brakes on
DODGE
"Job-Rated"
TRUCKS

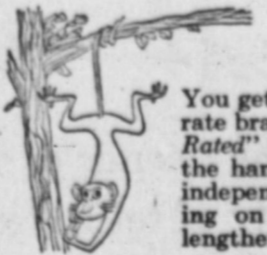

Best for stopping . . .

Smooth, sure stops are yours with a Dodge "Job-Rated" truck . . . thanks to extra-large braking area. The driver has full control of brake action, because of "equal-pressure" design of service brakes. These famous hydraulic brakes are very easy to adjust, too.

Best for parking . . .

You get the added safety of two separate brake systems in your Dodge "Job-Rated" truck. On every Dodge model, the hand parking brake is completely independent of service brakes. Operating on the propeller shaft, it helps lengthen the life of the service brakes.

. . . and the best brake lining, too!

You get longer lining life and better braking with Cyclebond linings. It's fused to the shoe. No rivets means lining can be used practically down to the shoe . . . with virtually no danger of drum scoring. Ends are full-thickness—not tapered—to provide more braking surface.

Come in for proof of **DODGE EXTRA VALUE!**

Job-Rated for low cost transportation

POWER: . . . 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: . . . priced with the lowest. "Job-Rated" for dependability and long life.

BIGGER PAYLOADS: . . . carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.

EASIER HANDLING: . . . sharper turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT: . . . widest seats . . . windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY: . . . finest truck brakes in the industry hand brake operating independently on propeller shaft on all models—½-ton and up.

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the lowest

NO. 459

GUARDIANSHIP OF TESSIE FRANCES AUTRY AND ELMA DORIS AUTRY, MINORS

In The County Court of
Lynn County, Texas

To All Persons Interested In The Above Minors Or Their Estates:

You are notified that I have, on the 22nd day of August, 1950, filed with the County Clerk of Lynn County, Texas, an application under oath for authority to make a mineral lease on each of said wards' undivided one-twentieth (1/20) interest in the following described land situated in Lynn County, Texas, to-wit:

All the Northwest (NW/4) quarter of Survey No. 447, Block No. 1, E L & R R RR Company Survey, Lynn County, Texas, containing 164.75 acres of land, more or less.

That the Judge of the county Court of said County on the 22nd day of August, 1950, duly entered his order designating the 4th day of September, 1950, at 10 o'clock a. m. in the County Court Room in the Court House of such county as the time and place when and where such application would be heard and that such application will be heard at such time and place.

—Effie Autry, Guardian of the Persons and Estates of Tessie Frances Autry and Elma Doris Autry, Minors. ltc

Mr. and Mrs. A. H. Moyer of Post, former Lynn county citizens, were here Wednesday visiting friends and looking after their Tahoka property.

CUBS SEEK VICTORY

There is only one other thing that will create as much excitement here as the bringing in of the new oil well Monday afternoon and that is a victory by a Brownfield Cub football team. The Cubs have not won a game since October 8, 1948, when they downed the Littlefield Wildcats, who came back the next year to win the state Class A championship. Football fans have only until September 8 to wait to see if the Cubs can break their losing streak. —Brownfield News.

About 85,000 tanks were produced in this country during World War II. Army records at the end of the war indicated that 25,000 of them should be on hand. But the Army could account for only 16,000. The other 9,000 had disappeared —Hoover Commission Task Force Reports.

Claude Donaldson Weds In Fort Worth

The marriage of Miss Beulah Faye Edwards, daughter of Mr. and Mrs. W. T. Edwards of Mi-

ami, Oklahoma, and Claude C. Donaldson, Jr., son of Mr. and Mrs. C. C. Donaldson of Tahoka, took place Sunday, August 13, in the chapel of the First Methodist church in Fort Worth. A reception followed in the church parlor.

Rev. James Ansley read a double ring ceremony. Nell Tisdale sang, accompanied by James Estes, pianist.

Mrs. Johnny Lee Finley was her sister's matron of honor. Misses Jane Donaldson, Tahoka; Kitty Brewer, Miami and Marjorie Oakes, Fort Worth, were bridesmaids. Sharon Lee Edwards of Miami was flower girl.

Calvin T. Raines of Fort Worth was best man and ushers were Robert L. Lincoxon of Atlas, Okla., William T. Edwards, Miami and Bob Vann of Fort Worth.

The bride was given in marriage by her father. She wore a white lace dress with high point-collared, cap sleeves and the skirt, worn over a hoop, extended into a chapel train. The bride wore elbow length lace mitts and her veil of illusion fell from a Juliet cap trimmed with fresh valley lilies. She carried a bouquet of the lilies and gardenias, centering a white orchid.

When the couple left for Monterey, the bride wore a navy

Gene Akin Weds Girl In Lubbock

Miss Laura Dell Smith, 1908 Twenty-seventh Street, Lubbock, daughter of Mr. and Mrs. L. C. Smith of Wellman, became the bride of Delma Gene Akin, 2224 Thirteenth Street, Lubbock, son of Mr. and Mrs. George Akin of Ruidoso, N. M., in a ceremony read by Dr. M. Norvel Young in the chapel of Broadway Church of Christ Saturday night.

The double ring vows were read before an altar banked with baskets of white gladioli and tropical foliage. Horace Coffman sang "Because" and "The Wedding Prayer" accompanied by the church quartet.

Given in marriage by her father, the bride wore a white pique dress and carried a cascade bouquet of fleur d'amour.

In Bridal Party Miss Ann Murphy was maid of honor. She wore a sky blue tailored suit and carried a cascade of bronze mums.

Donald Akin, cousin of the bridegroom of Muleshoe, was best man. Eddie Jones and Eldon Akin, of Tahoka, cousins of the bridegroom, were ushers.

A reception was held in the home of Capt. and Mrs. Henry Smith, aunt and uncle of the bride.

The couple will be at home at 1908 Twenty-seventh St., Lubbock, after a wedding trip to southeast Texas and Mexico.

The bridegroom is employed by Lubbock Memorial hospital. He is a graduate of Tahoka High School and attended business college at Fort Worth. The bride is employed by Miller and Miller Motor Freight Lines. She is a graduate of Girard High School and attended Draughons Business College, Lubbock.

Clyde Briley, Jr., And Abilene Young Lady Married In Impressive Church Ceremony

Miss Margaret Elizabeth Willis of Abilene and Clyde Briley, Jr., of Tahoka, were united in marriage in the First Presbyterian Church, Abilene, at 8:00 p. m. Saturday.

The bride was given in marriage by her father, C. G. Willis, Sr. Bride's attendants included Mrs. C. G. Willis, Jr., of El Paso, her sister-in-law, as matron of honor; Lorine Graeber of Austin, Jan Cannon of Edinburg, her roommate at the University of Texas, and Mary Annette Willis of Abilene, her cousin, as bridesmaids; Mary K. Kennedy, the bride's cousin, and Glenda Peavy, both of Abilene, flower girls.

C. W. Conway of Tahoka was best man. Ushers were Robert Morgan of Lovington, N. M., Todd of Waco, the bride's cousin, and Roy Rutland of Waco, the bridegroom's uncle.

Wedding music was presented by Mrs. Jeff Haynie, organist and Harold Hughes, soloist.

Cathedral tapers lighted the beautifully decorated church, a pink and white scheme being used.

The bride wore a gown of white satin, princess style. The yoke of illusion was ornamented with a design of seed pearls and long sleeves tapered to points

over her wrists. The full pleated skirt ended in a cathedral train. Her full length veil of imported illusion fell from a crown encrusted with seed pearls. She carried a white Bible graced with pink gardenias and lilies of the valley.

A reception followed the ceremony on the lawn at the home of Mr. and Mrs. Hugh W. Kennedy, her uncle and aunt, where the wedding cake and other refreshments were served. Mrs. C. W. Conway of Tahoka registered the guests.

Guests from Tahoka included Mr. and Mrs. C. N. Woods, Mr. and Mrs. Ivan McWhirter, Mr. and Mrs. C. T. Tankersley, the groom's grandparents, and Mr. and Mrs. Terry Noble, his parents.

Mrs. Briley is the daughter of Mr. and Mrs. Charles Grant Willis, Sr., 110 Merchant St., Abilene. She is a graduate of Abilene High School, and in June received her B S degree at the University of Texas, where she was active in the Home Economics Club, Cap and Gown, and advisor of the University Dormitories, officer of Kirby Hall, Abilene Club, and Westminster Student Fellow.

Mr. Briley is the son of Mrs. Clyde Briley of the West Point community. He is a graduate of Tahoka High School, and during the war served overseas with the Naval Air Corps. He received his BS degree in pharmacy at the University of Texas last January, where he was a member of the American Pharmaceutical Associ-

ation, the Texas Pharmaceutical Association, and the Baptist Student Association.

They will live at 2231 North 2nd St. in Tahoka. Mr. Briley is pharmacist at Wynne Collier Drug, and Mrs. Briley will teach in the Tahoka Schools.

Following the ceremony they were on a wedding trip to New Mexico.

DRIVE-IN THEATRES ARE FUN FOR THE WHOLE FAMILY!

Yes—and I'll wear my pajamas so I can hop right into bed when we get home!

Notin' like a Drive-in theatre after a tough day—and I know I'm welcome in my work clothes!

What a wonderful thing a Drive-in is! now the whole family can have fun together!

Mom lets me wear my nightie—so when I get tired I can lie down on the seat of our car!

OUR Family Drive-in theatre sure is a blessing for us old folks!

IH PISTONS and SLEEVES
Give Me Lots of Pep, Power and Pull!

"No, the boss hasn't been feeding me wild oats! It's just my new piston-and-sleeve transfusion that gives me all this pep, power and pull. "It was just yesterday the boss was bragging to the neighbor across the fence about my 'operation.' "You know," he said, "I'm not only getting more work done since I had those IH machined pistons and sleeves put in, but I'm getting it done cheaper. I've already made more than the cost of the job in oil and fuel saved. Besides, it's a lot more fun driving a tractor with lots of zip and go."

Bring in Your Tractor For a Piston-Sleeve Transfusion TODAY

You'll be surprised, too, at what a piston-and-sleeve transfusion can do for your tractor. Be ready for the busy season. Drop in and talk it over NOW.

THE Coachman
pullover and T-shirt ensemble
tailored by
Dennis
OF NEW YORK

The striped bib insert gives the effect of a T-shirt beneath the pullover — insures open-collar correctness. A secret pocket is cleverly concealed in the hairline chest stripe. Tailored throughout in a manner that has made the Dennis name a byword for original sportswear. In supple, washable Lenox rayon gabardine with Durene knit waistband. A host of muted fall tones. Washable, of course! \$4.95

Rutherford & Co.

Odds and Ends

(By E. I. The Elder)

Polio really struck home to the people of Tahoka on Sunday of last week. It struck quick and it struck hard. All Tahoka sympathizes with Mr. and Mrs. Dennis Polk in the loss of their lovely little daughter, Linda Lou, who was the victim of the dread disease. Death is most terrible when it comes suddenly and unexpectedly and takes one so good and fair. The other near relatives also have the sincere sympathy of all our people. Her brother, Charles Ray, has been a part time employee in the office of The Lynn County News for several years, and he has the deepest sympathy of all our people.

That big old ugly Highway Demon, who takes the lives of so many people in our state every year, also struck hard at Tahoka that same day. As a result of his strike, three Tahoka men were taken to the Tahoka Hospital, where they underwent surgery and took treatment for several days. Two of them were critically hurt. You read a brief account of this tragedy in The Lynn County News last week.

This Highway Demon comes in many different guises and under many different circumstances, but he also usually comes suddenly and unexpectedly to his victims. Sometimes he comes as a "speed demon," sometimes he merely diverts the attention of a driver away from his business of driving for a few moments; sometimes he gently lulls the driver to sleep; sometimes he tempts the driver to take a drink or two before climbing into his car and stepping on the gas.

And that reminds us. The Korean war is striking closer and closer home to us almost every day. More and more of the young men of America are being called into the service every week, and some of those called and some who are expecting to be called live in Lynn county. Only time can tell if any, or how many, of them may give their lives eventually for their country. But whether the number be large or small, practically every father and mother who has a son subject to call are feeling a sense of uneasiness lest their sons be called never to return home again. And yet, practically every such father and mother will yield their sons up with a sense of pride if they are called.

Every true American knows that there are some things more important than life itself. One of these is the preservation of liberty for ourselves and others. Slavery such as the unscrupulous power-drunk dictators of Russia would impose upon the free and liberty-loving peoples of the world is to be dreaded far more than death itself. Hence, in this time of dire national peril, every true American can feel welling up in his breast the same spirit and sentiment that impelled Patrick Henry to exclaim 175 years ago, "Give me liberty or give me death."

Yet, there are two classes of people in this country who do not yet seem to be willing to make sacrifices for their country even in a small way. One of these classes is the hoarders. Rather than to suffer just a little inconvenience possibly, at some time in the future, in procuring the necessities of life, they rush to the stores at the first threat of another real world war and buy up great quantities of supplies for themselves regardless of the possible needs of our sons who are fighting or who may be called upon to fight overseas in the near future, and also regardless of the uncounted millions of children as well as adults overseas who are already hungry and not able to procure the food to sustain life and health. Personally, I am ashamed of

stances that they will go to jail serving their country, they just any time rather than to enlist in anybody's army. In the matter of will not do it. They will not take (Cont'd. On Page 7, Sec. 2)

We have Installed for Your Benefit the NEW LUMMUS Super-jet Cleaner

NO LINT LOSS NO NEPS NO COTTON DAMAGE

The Super-Jet Cleaner is new and different. Its capacity for separating trash from lint is surprising. It does not produce neps or break the fibers or impair the smoothness of the sample. It has no moving parts, and therefore cannot grind the neps and blend them in with the sample.

BETTER SAMPLE BETTER TURNOUT CLEANER SEED

MODERN STAYS MODERN

No out-dated cooking methods for you!

The streamlined beauty of your modern Electric Range is matched only by its modern efficiency. Completely automatic time and temperature controls give perfect results every time, from oven, broiler . . . deep-well cooker. Foods taste better— are better for you. Since you cook without flame, there's no smoke, soot or fumes. Walls, ceilings, curtains remain fresh much longer. And there's no sooty pans to scrub!

Switch to a modern ELECTRIC RANGE. It's convenient, carefree and economical. . . . Low cost electricity is the lowest item in your family budget. Yes, only 7 cents a day operates the modern electric range for the average family.

Your electric dealer displays electric ranges in styles and sizes to fit your family requirements . . . and your budget. See them today!

SOUTHWESTERN PUBLIC SERVICE COMPANY
16 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

The forest products industry in Texas is the second largest employer of labor in the State, surpassed only by the petroleum industry.

In 1947, Texas sawmills produced over 1 1/2 billion board feet of lumber, placing the State in fifth rank among lumber producing states of the South.

Jimmy Hackrey, 7-year-old son of Mr. and Mrs. Burton G. Hackney, is reported out of danger and recovering nicely at his home in Brownfield after an attack of polio.

The world's railroads have a total of three billion ties, and 95 per cent of the ties are made of wood.

"I spent 5 minutes and saved \$1000"

Says Walter Boyd, Los Angeles, Calif.

I didn't have to lay out a penny in cash for my new Dodge—the liberal allowance on my old car more than covered the down payment.
Walter Boyd

Come in ... see how you could pay \$1,000 more and still not get all Dodge extra room ... ease of handling ... famous dependability

You can surely spare 5 minutes—especially when that's all it takes to see exactly how you could pay \$1,000 more without getting everything Dodge gives you! Yes, in just 5 minutes behind the wheel, you'll discover roominess that cars costing much more don't give you ... driving ease you've never experienced before ... ruggedness and dependability to save you money mile after mile. These are things that belong to Dodge ... and only in Dodge do you get them all! Come in today, see how easy it is to own the new Dodge of your choice.

NEW BIGGER VALUE DODGE

Just a few dollars more than the lowest-priced cars!

Larry Hagood was groomsman at the recent wedding ceremony in Sweetwater which united Miss Doris Helen Ohlenbusch of that city and Richard Buckles of Stratford.

Mr. and Mrs. F. M. Billman of Grandview write The News that they greatly enjoy reading the paper from home.

NEAT CONVERSION!

A pretty girl in a pretty swimsuit makes an eye-catching bit of scenery as she basks in the summer sunshine. This young lady is as clever as she is attractive—she made her swimsuit from two gay plaid flour bags. The cotton bags made a neat conversion from pantry to pool!

VISIT ALABAMA

Mrs. Dona Moore left Tuesday morning for Alabama, where she will attend a family reunion at Union, Clay county, next Sunday.

She accompanied Mr. and Mrs. J. H. Carter, Jamestown, Ala., and Mr. and Mrs. M. H. Washington, Geraldine, Ala., back to that state after they had visited her here briefly on their return from a vacation tour of the West Coast states. Mrs. Carter is her sister.

Mr. Washington says he has a grandson that was born on George Washington's birthday. Naturally, they named him George.

For spraying grain bins for insects before filling them with grain, a water suspension of DDT can be prepared by mixing ten and one-half pounds of 50 percent wettable DDT powder in 25 gallons of water.

VISIT CALIFORNIA

Mrs. Jessie Jewell Stevens recently returned from a visit in Los Angeles, California. She was accompanied home by Mr. and Mrs. Dan Morris and son Wayne, and Mrs. Craig Tettler of California, and Mrs. W. T. Veteto of Abilene. The four women are sisters. Mrs. Veteto and Mrs. Stevens and son, Charles, who is in the Navy, went to the West Coast about three weeks ago.

Winston Redwine, piano instructor, who recently returned from New York City, where he attended Columbia University during the summer, has announced that he will open his studio on September 1.

Pullets which retain their ability to produce eggs with a high percent of thick albumen are the ones to keep for breeding purposes.
