

SISTER OF MRS. MARK HALSEY DIES

Friends of the Halsey families of Lubbock may be interested in learning that funeral services were conducted in the Broadway Church of Christ in Lubbock on last Friday afternoon for Miss Lyda Campbell, 71, sister of Mrs. Mark Halsey, who had resided in the Mark Halsey home during her entire adult life, until she was taken to the Wichita Falls State Hospital a few months ago on account of ill health which resulted in mental trouble. She had lived her life for others and was almost worshipped by the immediate members of the family. She was an aunt of Hop Halsey, Mrs. Janelle Halsey Rey-

Building Warehouse For Wilson Grain

Additional facilities for storage of 100 cars of grain are being made available at Wilson. Construction was started last week on a steel and concrete warehouse 60x200 feet in size by Frank Bailey of Fort Worth, owner of the Bailey Grain Company of Wilson, of which Jasper Campbell is local manager. The warehouse will qualify for government grain storage. nolds, and Mrs. Joyce Halsey Burkholder. The senior editor of the News was among those who attended the funeral services.

They're Truckin' on Down—

There might be a national champion in the picture above. The three Texans are competing for U. S. truck driving honors at a New York "roadeo." They are state champions, selected in competition at Dallas September 9. In the big town are (left to right) Frank M. Pannell, Dallas, straight truck winner; X. Z. Ballard, Houston, single axle trailer champion; and Wade W. Haynes, Fort Worth, first in tandem trailer class.

Letters From News Readers

In sending in his renewal to The News, Boyd Rice of Kosse, formerly of Lynn county and the father of Olin Rice, vocational agriculture teacher at New Home, writes as follows: "We have good crops here this year and most of them harvested. It is quite unusual, but the weather was just right to open the cotton early, and we have had plenty of labor to gather it in a hurry. Tell Hap and the gang at the Postoffice 'Hello' for me. Sincerely, Boyd Rice, Kosse, Texas."

Cotton farmers should plan now for the 1951 crop. Acreages will be up, good planting seed are likely to be scarce, early stalk destruction and the planting of winter legumes should be practiced and fertilizers needed for the 1951 crop should be bought now and stored on the farm.

HARDWARE FURNITURE

TASTEFUL COOKING

... of course, it's electric!

... and with ease! Yes, cooking electrically these days IS easy and fast. Top-of-range elements heat instantly ... give off uniform heat to assure fast, even cooking. Cooking electrically IS easy but baking, it seems, is still easier. Baking electrically is as automatic as can be. You place your mixings in the shifting oven, set the controls, then, if you want, go to an afternoon movie or have fun on a shopping trip to town. When you return your baking has been done for you ... and that honey-of-an electric range has even shut itself off. You'll love your electric range ... your husband will love the meals you cook on it. He'll compliment you on the flavor of the food ... not just one time but every time. Why not see about your electric range tomorrow?

THERE'S AN ELECTRIC RANGE TO SUIT YOU

Thirty makes of electric ranges are represented in the Panhandle-Plains-Pecos Valley area served by Your Public Service Company. These thirty makes offer many, many models ... one for your needs. Visit the electric appliance dealers in your city ... see the many makes and models of electric ranges now available.

Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving. Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating. Find out, for example, how marvelous you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive,* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging lefthand response to your hand on the wheel—and prices that start down with the sizes.

Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflo— and with it goes HIGHER-COMPRESSION and with it goes SUPER-STEERING. (New Fireball valve-in-head power in three engines. (New Fireball engine in SUPER models.) • NEW-PATTERN STEERING, with MULTI-GUARD front-end, super-STEERING, with TRAFFIC-HANDY SIZE, low over-throw fenders • TRAFFIC-HANDY SIZE, low over-throw fenders • TRAFFIC-HANDY SIZE, low over-throw fenders • EXTRA-WIDE SEATS cradled turning radius • EXTRA-WIDE SEATS, from all-cast between the axles • SOFT BUICK RIDE, from all-cast springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube

*Standard on ROADMASTER, optional on other Buick models.

New Home Club Studies Plant Diseases

The New Home Home Demonstration Club met Thursday, September 28 at the New Home Methodist Church with Mrs. J. R. Strain and Mrs. Graham George and Mrs. Boswell Edwards acting as co-hostesses. Mrs. J. Cokes and a party plates were served.

Members present were: Mmes. Eugene Roland, W. C. Thompson, Morris Renfro, Fred Edwards, L. B. Taylor, Winston Davies, Billy Hancock, Lawrence Taylor, J. R. Strain, Graham George, Frank Lisemby, Jr., Donald Caudle, J. A. Evans, C. G. Eales, J. B. Edwards, Gene Roper, Wilmer Smith, Virgil Haley, and Olan Rice. Three new members are Mrs. Wayman Smith, Mrs. B. A. Morrow and Mrs. B. H. Macha. Mrs. Virgil Haley resigned as reporter and Mrs. Olan Rice was elected as her successor. All the other present officers were elected by acclamation to serve during the coming year.

Miss Graham Hard, Home Demonstration Agent, gave a lecture on "Identification and control of diseases of flowers and shrubs." She also showed slides and specimens to illustrate the damage caused by diseases and insects.

During the recreation hour, games were directed by Florence Davies.

The next meeting will be on October 26th. The lecture will be on "Growing bulbs," by Miss Hard.

Circus Coming Here October 12

With the coming of the well known Cole & Walters circus menagerie to Tahoka Thursday, October 12, for an afternoon and night performance, local circus goers are assured of seeing a real circus performance as well as having the opportunity of viewing a vast collection of wild animals in the big menagerie being carried this season, in addition to several cages of lions, tigers, bears, apes, monkeys, deer, kangaroo, camels, elephants, Cole & Walters are presenting for the first time with any circus, a real baby hippopotamus, also a baby elephant and mother.

Many new and novel features are being presented under the big top this season, foremost of these will be the Kriel Family, sensational European acrobats; Miss Jeanie, thrilling juvenile contortionist; Marie Webbles trained chimps, who ride bicycles, roller skate, etc.; Tom & Tinkle Twist, aerialists; Lucky Devere, champion l-dy gymnast; Van Duz, teter-board acrobat; Wayne Newman famous white horses; Wally Ross and thirty tons of performing elephants in all three rings; and the ever popular feature for the kiddies, Cole & Walters prancing ponies, riding dogs and monkeys. A host of clowns that are really funny, headed by that veteran of the big top, Bones Hartley.

All children are invited to the circus grounds at 10 a. m. to see the animals fed and watered, an education in natural history. The elephants will be down town at noon on circus day.

Burma Student Writing Paper on Lynn County

Lubang Naw, Senior student in Texas Tech who is a native of Burma, was a visitor in Tahoka Tuesday of this week.

As one of his required scholastic activities, he is writing a booklet on Lynn county which will deal with the history, topography, soils, crops, life and occupation of its citizens, economic standards, and in fact just about everything pertaining to

this area. Naw was born and raised in Burma, went through the public schools of that country and spent three years in a Burma engineering school before coming to the United States to enter Texas Tech three years ago.

Radio Broadcast Farm Bureau

The Texas Farm Bureau Federation will present its state-wide radio broadcast Tuesday morning, October 10th, from 6:30-7:00 A. M. with Governor Allan Shivers to open the program with a talk to all farmers and ranchers of Texas, according to Wilmer Smith, president of Lynn County Farm Bureau.

Governor Allan Shivers will open the 4th Annual Farm Bureau broadcast over the facilities of the Lone Star Network. Layne Beatty, farm editor of radio station WMAP, Fort Worth, will be the Master of Ceremonies and interview E. F. Hornback, president of the Wise County Farm Bureau; Mrs. George Clark, treasurer of the McLennan County Farm Bureau.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members are urged to attend. Visitors welcome. —B. F. Sherrod, W. M., Wayne Shawn, Sec'y.

ty Farm Bureau, and J. Walter Hammond, president of the Texas Farm Bureau Federation. Stations carrying the broadcast are KTSA, San Antonio; KGNC, Amarillo; KTBB, Tyler; KFYO, Lubbock; KTBC, Austin; KTXL, San Angelo; and KROD, El Paso.

President Smith urges all farmers in Lynn county to "roll out" early on the morning of October 10 and tune in to their nearest station for the broadcast.

THANK YOU!

We want to thank all our friends for their many acts of kindness during our baby's illness. She is doing so well. Thanks for your prayers, and to all who sent toys, as she has had many hours of pleasure from them. —Mr. and Mrs. Loyd Crawford.

BESSIE BRASHEAR SUNDAY SCHOOL CLASS HOLDS MEETING

The monthly social and business meeting of the Beattie Brashear Sunday School Class was held Tuesday afternoon in Fellowship Hall of the Methodist Church with seventeen members present.

New officers fell in line of duty for the ensuing year.

The songs, "Help Somebody Today" and "Have Thine Own Way" opened the meeting. Mrs. Godfrey then gave the devotional. Her scripture and a reading stressed the fact that we needed to forget self and seek to help others. After some discussion we voted to do something worth while for our Methodist Home in Waco, also to find some needed work around Tahoka.

The secretary's report gave us an average attendance of twenty-five members through the month of September. Flowers had been sent where needed, twenty-one visits, 15 cards and nine phone calls had been made. Two members have enrolled in the Study Class of the W. S. C. S. and Mrs. R. W. Fenton was made responsible for the devotionals throughout the year.

The following committees were appointed to serve a period of three months:

Social Committee: Mesdames Warren, Price and Huffaker. Membership Committee: Mesdames Reed, Redwine and Stone. Program Committee, Mesdames Ratliff, Bartley, and Poer. Welfare Committee, Mesdames Tunnell, Gable, and Sargeant. Refreshments of cake and coffee and a very delightful get-together was enjoyed by all. —Reporter.

J. R. Thomas, who lives out in the Wells area, stated to a representative of The News Tuesday that the boll worms and leaf worms had trimmed the cotton down to about a third of a bale per acre in his immediate vicinity. He did not think the harvesting of the crop would last long if the weather ever clears up and permits the bolls to open.

SPORTY!

Sporty as her jockey cap, this pert college girl enjoys the great outdoors during her off hours from the classroom. She is wearing a sports ensemble of cotton corduroy, the season's outstanding sportswear fabric. Her outfit is made up of coordinated separates designed in green corduroy by Touraine Sportswear, the National Cotton Council reports.

CARD OF THANKS

We are unable to express our thanks to the many friends and neighbors who have shown us so much kindness since the recent fire that destroyed our home and all our personal belongings besides the many individuals who have helped us in so many ways. Our special thanks go to the Club women of Berry Flat who were hostesses for a lovely shower given in the Berry Flat Baptist Church. We received many nice gifts and we wish also to thank the many who gave money, who are too numerous to mention. Also, merchants of Tahoka and O'Donnell and to every person who gave, we are truly grateful. My God bless you all. —Mr. and Mrs. W. E. Pierce and family, Draw community.

Mr. and Mrs. Marcus Edwards returned Sunday from Winters where they had gone to visit a sister of Mr. Edwards who had suffered the amputation of one of her legs a few days before. Mr. Edwards says that she is 67 years old and is still in a critical condition.

Mrs. Nettie Davis and son Otis and her sister, Mrs. Josie Williams of Pecos, who has been here several weeks, visited Mrs. Davis's son and daughter-in-law, Mr. and Mrs. Daniel Davis, in Amarillo from Thursday until Saturday.

Odds & Ends

(Cont'd. From Editorial Page)

restored to her home, she died, February 19, 1839, without knowing what had become of the infant son, James Pratt Plummer, who was taken captive at the same time she was. She only knew that he had been taken on farther west by another band of the Indians. She never saw him again.

The child was ransomed and taken to an army Fort in 1842, however, and was returned to his grandfather in February, 1943, when he must have been eight or nine years old. He became a respected citizen of Anderson county and is doubtless buried in the Parker cemetery at Elkhart

or at Fort Parker, though we can not vouch for this.

Now comes the brief, sad story of little John, 6-year-old brother of Cynthia Ann Parker, who was eight years old when they were taken captive.

They were soon separated or probably were separated from the start, being taken by different bands of the Indians, and doubtless never saw each other again. Of course both of them soon forgot the English language, Johnny much sooner perhaps than Cynthia Ann, for he was only six. He grew up with the Comanche Indians as a Comanche — just where we do not know, possibly out here in the sub-caprock country or somewhere on these plains but very likely much

farther to the northwest, for that was 114 years ago when he was captured.

Johnny grew up to be a warrior. We can hardly believe that he ever became as bloodthirsty and as brutal, however, as his Comanche captors. About all that we know about his life is summed up in the following paragraph from "Indian Wars and Pioneers," as quoted by Dr. Carroll:

"John grew to manhood and became a warrior. In a raid into Mexico he captured a Mexican girl and made her his wife. Afterwards, he was seized with smallpox. His tribe fled in dismay, taking his wife and leaving him alone to die, but she escaped from them and returned to nurse him. He recovered and in disgust quit the Indians to go and live with his wife's people. When the Civil War broke out he joined a Mexican company in the Confederate service. He was still living across the Rio Grande when last heard of," long years after the Civil War closed.

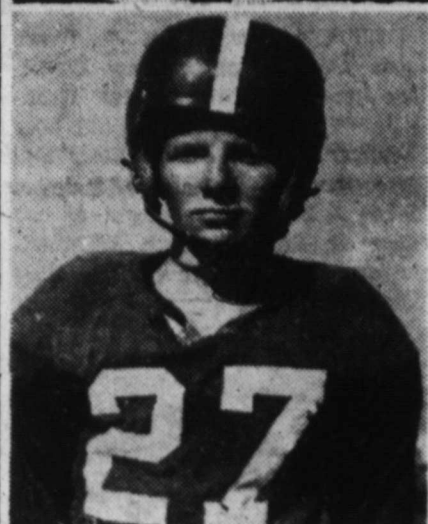

We have no evidence that he ever saw or ever learned anything about his white relatives at any time during his lifetime. That Mexican woman whom he stole for a wife, by the way, may not have been a very unwilling captive, since she ran away from the Comanches and returned to him while he lay flat of his back with the then horrible and much-dreaded disease of smallpox and nursed him back to health. That was really fine fidelity, and we guess his wife was a pretty fine Senora, even if he did have to kidnap her to make her his wife.

The Case of Cynthia Ann is much sadder than that of her little brother, Johnny. Although she was eight years old, some say nine, when the Indians stole her and carried her away, it seems that she should have remembered and revered through life her mother and her father, her grandmother and her grandfather, and the many happy hours they had spent together down there in their palisaded home in the wilderness somewhere, in spite of the hardships they all had undergone there, and it seems a pity that she was not delighted at the chance to be reunited with her own blood-kin. On the contrary, she fought against being taken back and never did become reconciled to life among her white kin and in the white man's civilization.

However, it must be remembered that during the 24 years she had spent among the Indians, she had grown from childhood to mature womanhood, had herself acquired a husband, old Chief Nocona, and was then the mother of a strapping Indian boy named Quannah, and that she had been brought up as an Indian and knew nothing but Indian life. She had even forgotten the language that she spoke as an eight or nine-year-old girl. Her early years in Fort Parker must have seemed to her as a strange dream.

In spite of all this, the story of her re-capture and restoration to civilization is a thrilling one. These venturesome, blood-thirsty Comanche Indians in 1860 had not changed one whit from what they and their fathers were in 1836. They were again on the war path. They made a raid

Score Touchdowns

Lynn Hlamleek and Charles Hyles, backs, scored a touchdown each against Slaton Tigers, Jerry Stevens (not pictured) kicked the extra point to win 13-12.

down into Parker county and had stolen several hundred horses, a lot of plunder, and everything else lying round loose that they thought they could get away with. They had come down in a hurry and they went back in a hurry to their accustomed stamping-grounds somewhere far to the northwest.

As it happened old Sam Houston was governor of Texas again — though he did get kicked out pretty soon thereafter. Old Sam was a friend to the semi-civilized Cherokees but he was no friend to the murderous Comanches. He promptly dispatched Captain Sul Ross of the little town of Waco to take his company of Texas Rangers and run down the thieving Red-skins.

We never have known the exact spot where the Rangers overtook the thieves nor where the big fight occurred. We hope somebody some day will tell us. The best we can do now is to quote Dr. J. M. Carroll.

"Early on the morning of December 18," he says, "near some cedar mountains, on the head waters of the Pease River, they came upon an Indian village. An immediate attack was made. The Indians, taken by surprise, were soon defeated. Many Indians were killed. Three hundred and fifty horses and many other supplies were recovered. Among the captured Indians was a squaw and her child. The squaw proved to be the long-lost Cynthia Ann Parker, the wife of an Indian Chief who was killed in the battle."

The old Chief referred to was old Nocona, Cynthia Ann's husband, and the child became the well known Quannah Parker.

Of course the recapture of Cynthia Ann was as great a surprise to Captain Sul Ross and his company of Rangers as to anybody else.

Lewis Nordyke, staff writer on the Amarillo Daily News, and

THE LYNN COUNTY NEWS,

Friday, October 6, 1950

some kind of a cousin of our own Levi Nordyke, recently contributed a bit of information respecting the life of Cynthia Ann Parker that I had never heard. So I am passing it on to you for what it may be worth. He had just visited the little town of Roaring Springs over here in Motley county just under the caprock and a few miles south of Matador, and after commenting on the spring from which the town gets its name, he proceeds as follows:

"Roaring Springs has had quite a history. This spot, which was on the Tongue Fork of the Pease

River, was a favorite with the Indians, especially the Comanches. Up above the draw from which the spring flows, are many large sandstones, and in them are worn places where Indians ground corn. The Comanches had a village there in 1860 when Cynthia Ann Parker, who as a 9-year-old girl had been kidnapped in 1836 in Limestone county, was recaptured by Sul Ross and the Rangers down on the Pease River near Vernon."

And then he says: "A good bit of Cynthia Ann's girlhood was spent there." Interesting, isn't it?

PLENTY ON THE BALL!

DODGE "Job-Rated" TRUCKS

Plenty of Power!
Each of the 8 great Dodge truck engines gives you power plenty — top economy, too. That's because you get an engine that's "Job-Rated" to fit your hauling needs . . . one that's jam-packed with money-saving, long-life features.

Plenty of Payload!
You'll profit from bigger payloads without overloading axles and springs — thanks to Dodge "Job-Rated" weight distribution. More truck weight on the front axle means more payload on the rear axle.

Plenty of Performance!
In city traffic or on the open road, you'll enjoy performance plus! Dodge trucks are "Job-Rated" for easy handling, too! You can turn 'em in shorter circles, back 'em up and park 'em faster — with less effort.

Plenty of Protection!
You'll ride safety-sure in a welded all-steel cab with the biggest windshield of any popular truck! You'll have the finest truck brakes in the industry . . . a hand brake operating independently on propeller shaft on all models — 1/2-ton and up.

Now! gyrol Fluid Drive!
Available on all 1/2-, 3/4- and 1-ton models. Lowers upkeep costs, prolongs life. Ask us for interesting Fluid Drive booklet.

Plenty Low in Price!
With all their extra value, Dodge "Job-Rated" trucks are priced with the lowest. Come in and ask us to show you a truck that will start saving you money the day you buy it!

See us for a Good Deal!

Wilson - Guthrie Game Tonight

Wilson Mustangs will be out after their third District 4B conference victory when they meet the Guthrie Jaguars tonight on the Wilson field.

Wilson, conference champions last year, has few returning boys from last year's team, and was not expected to go far this year. However, after dropping a non-conference game to Bovina, the little Wilson boys have rolled over New Home 40 to 12, and Dickens 18 to 6. They expect to take Guthrie tonight.

Last Friday night at Wilson,

the Mustangs scored one touchdown in each of the first three quarters, with Halback Leonard Breiger going 55, 35, and 20 yards on each scoring play. Dickens scored its touchdown in the fourth quarter.

Club Women Plan For Fair

Lynn County Home Demonstration Council met Thursday, September 21st in the Agent's Office. There were 10 women present representing six clubs.

Plans were discussed for the concession stand that the Council will have at the County Fair on October 13 and 14. It was decided that they will sell hamburgers and pops at the concession booth in the cattle barn. Each club from the county is to furnish women to work in the booth.

Patterns and materials were shown of the United Nations flag. Any club interested in making this flag for their community may obtain material from the Home Demonstration Agent's office.

A report of the Texas Home Demonstration Association Convention that met in Big Spring August 23, 24, and 25 was given by the women that attended. Those attending the convention were Miss Ina Ledbetter, Mrs. Tom Russell and Mrs. Clifton Hamilton. Mrs. Russell did not give her report as she was unable to attend the Council meeting.

Mrs. Howard Draper, Council chairman, presided over the meeting and Miss Ina Ledbetter acted as secretary in the absence of Mrs. W. C. Maeker who was ill. Reporter.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233)

Of The Lynn County News published weekly at Tahoka, Texas for October 1, 1950.

1. The names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, E. I. Hill, Frank P. Hill, Wm. E. Hill, Tahoka, Texas; Editor, E. I. Hill, Tahoka, Texas; Business manager, Frank P. Hill, Tahoka, Texas.

2. The owners are: E. I. Hill, Tahoka, Texas; Frank P. Hill, Tahoka, Texas; Wm. E. Hill, Tahoka, Texas; Emmett I. Hill, Mt. Rainier, Md.; Miss Berta Hill, Seguin, Texas; Mrs. Myrtle Rochelle, Lubbock, Texas.

3. The known bondholders, mortgages, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: None.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and condition under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: 1,830.

New Home Will Play Southland

New Home's Leopards, playing six-man football their first year, will journey to Southland for their third conference game today.

Last Friday afternoon, in a game played at New Home, the Leopards lost to Flomot Longhorns by a score of 6 to 32. Don Balch scored the only New Home touchdown taking a pass from Darrell Fletcher and going 30 yards to score.

LOCAL GIRLS ARE ENROLLED AT TSCW

DENTON, Tex., Oct. 4. Three Lynn County girls, Elby Geraldine Jones, daughter of Mrs. Rachel Jones of Tahoka, Virginia Mae Frerick, daughter of Mr. and Mrs. George Frerich and Joyce Helen Fulford, daughter of Alton M. Fulford, both of Meadow enrolled for the fall term at

Texas State College for Women.

One hundred and eight-four out of 254 Texas counties are represented in the registration figure as well as 19 foreign students from 10 foreign countries and 284 registrants from 30 other states.

Housing facilities are the best in the college's history as all girls are housed in brick, fireproof, modern buildings. An upperclassmen dormitory is under construction and is scheduled to be completed in time for the second semester.

A new dining unit, Hubbard Hall, seating 2400 accommodates the entire student body at one time.

"Feed the Land and Fatten the Crops" should be the slogan of every Texas farmer. The practice of planting inoculated and fertilized legumes is the best method for doing the job. Now is the time to plant winter legumes.

It's fair to share

Just as sharing a soda helps young love—sharing a party line helps improve telephone service.

If party-line neighbors use their telephone sharingly—space calls fairly—don't interrupt calls except in extreme emergency—and always hang up the receiver carefully—better service for everyone is bound to result.

Why not prove it on your party line?

Lynn Countians Win At Fair

Lynn county has been well represented at the Panhandle-South Plains Fair in Lubbock this week. The Fair ends Saturday night.

Monday afternoon, the Tahoka High School band, the O'Donnell High band, and the Lynn County Sheriff's Posse appeared in the mammoth parade insuring the annual show.

Miss LaQuita Roberson of O'Donnell, who is a deputy in the sheriff's office here, also rode in the parade, and was crowned Queen of the South Plains. She and Miss Janie Dale of Lubbock, crowned Queen of Lubbock County, are appearing each night in the "Panorama of the Plains," a gigantic historic and musical spectacle being held each night before the grandstand.

They were named Queens as a result of having won the ticket selling contest to the "Panorama." Each will receive a prize of \$500 or an all-expense trip for two to Havana, Cuba.

County Judge and Mrs. Tom Garrard, W. H. May of Wilson, and Ernest West, Tahoka Church of Christ minister, all won honors with their Hereford cattle in the Beef Cattle division.

The Garrards took first place in competition for junior yearling bulls calved between January 1 and April 30, 1949; second on best pair of yearlings; fourth and sixth on junior yearling heifers; and sixth on two females.

Ernest West won third place on summer yearling heifer, calved between May 1 and August 31, 1949; seventh on senior heifer calf, and ninth in the two females class.

W. H. May won eighth on a junior yearling and tenth in the two females class.

The Lynn county cattle were in competition with many professional exhibitors.

Bill Griffin, Lynn county agent, is serving as superintendent of the livestock division.

Several Lynn county ladies won places in the Women's department.

Mrs. H. L. Roddy won first and second on baby sacque; first on a baby cap; third on a dress.

Mrs. T. D. Lishman won second place on an embroidered tablecloth.

Mrs. A. L. Dunagan took first prize on a hooked rug.

Former Citizens Hurt In Wreck

Chief Deputy Sheriff and Mrs. Murphy Hurd of Amarillo, formerly of Tahoka, were critically injured, their granddaughter, Barbara Thurston, 2, daughter of Mr. and Mrs. Roy Thurston of Amarillo, died the next day in a Canyon hospital, and Roy Hise, 64, Lubbock rancher, was killed instantly in a head-on crash of two cars eight miles north of Tulia Tuesday afternoon.

Mr. and Mrs. Hurd are in a Tulia hospital. The Hurd's are said to have been returning home from taking a relative to Spur when their car crashed with the Hise car. The little girl died Wednesday afternoon.

Mr. Hurd had two broken legs, a broken arm, a broken jaw, and severe chest injuries. Nautre of Mrs. Hurd's injuries were not revealed, but she was transferred to an Amarillo Hospital Wednesday, where she was reported improving.

Both Mr. and Mrs. Hurd formerly lived near here and were married in Tahoka in about 1926. She is the former Miss Flora Goodrich, whose father farmed south of town, while the Hurd family lived on the C. W. Slover place.

MRS. LYDA KESLO FALLS; BREAKS ANKLE BONE

Mrs. Lyda Keslo, sister of Mrs. W. M. Harris, who has been living in the Harris home much of the time the past few years, fell and broke one of the bones of the lower leg at the ankle on Saturday, September 23, at Commerce, where she was visiting at the time. Mr. and Mrs. Harris brought her back to Tahoka, and she is up in a wheel chair while the injury is healing.

The ankle is in a cast but it is believed that the cast may be removed soon.

Mrs. Arnell Akin took third place on a baby's quilt. In the Antiques and Relics department, Mrs. A. L. Dunagan won second on a costume and second on a family relic, and Miss Virgie Cobb took third on a hand painted plate.

E. P. Wicker of Wilson won a number of places in the Jersey division with his fine stock, and Carter White of Post route also won several places.

Terry Pioneer Died Monday

BROWNFIELD, Oct. 3. —Final rites for Noah Bell, 82, who died in the Treadway-Daniel hospital here at 7:45 p. m. Monday, were held at 2:30 p. m. Wednesday in the First Baptist Church of Brownfield with Rev. Fred Stumpp officiating.

Bell was one of the earliest settlers of Terry county, moving here from Austin in 1901. Since coming here, he had operated a farm near Meadow. His death followed a long illness.

Masonic graveside services were held in the Terry county Memorial cemetery. Burial arrangements were under direction of the Brownfield Funeral home.

He is survived by one son, Jewell Bell, of Meadow; two daughters, Mrs. John Bingham, of Meadow, and Mrs. Brook Gist, of Santa Monica, Calif.; and a half-brother, Lewis Rameil, of Austin.

NOTICE OF ELECTION

To All To Whom These Presents Shall Come

Be it known that I, Tom Garrard, County Judge of Lynn County, Texas, do hereby order a General Election to be held throughout Lynn County, State of Texas and in each precinct thereof, on

Tuesday next after the 1st Monday in November, A. D. 1950 same being the 7th day

of November, 1950, and Notice thereof is hereby given to the people as required by Article 2947 R. C. S. 1925 for the purpose of Electing county and Precinct Officers.

In Testimony Whereof, I have signed my name officially and caused the seal of Lynn County Court to be affixed thereto this 2 day of October, A. D. 1950. (SEAL)

—Tom Garrard, County Judge, Lynn County, Texas. 1-1c

O'Donnell Loses To Sundown

O'Donnell Eagles journey to Whiteface tonight for a Class 5B conference game.

Last Friday night, the Eagles lost to the Sundown Roughnecks 20 to 0 in a conference tilt at O'Donnell before 1,200 fans.

The visitors scored twice in the first quarter and once in the third. The Eagles were sluggish and never could get a consistent ground-gaining game going. However, the Eagles did score one touchdown, but it was called back by a penalty.

The Eagles had previously won a non-conference game from the

supposedly potent Lubbock Pioneers, but lost their first conference game to powerful Meadow 39 to 6.

Billy McGlaun had his appendix removed Wednesday morning at Tahoka Hospital. He is improving satisfactorily.

Mrs. J. C. Walker, who was a patient in Tahoka hospital over two weeks, was dismissed Tuesday.

Odds and Ends

By E. I. The Elder

Last week we told our readers something about the pitiable story of the remnants of two small tribes of harmless, peace-loving Indians who for almost a century have been living quietly in a reservation in a pine forest in Polk county near Livingston, the Alabama and Coushattas.

This week, I am going to tell you another Indian story, a blood-curdling story enacted somewhat more than a century ago by possibly the most warlike and cruel tribe of Indians that ever infested Texas, the Comanches.

Most of you have already heard or read, possibly a number of

times, the tragic story of Cynthia Ann Parker, who was captured by the Indians in 1836 and recaptured by Captain Sul Ross and a company of Texas Rangers in 1860.

But a few weeks ago, this columnist stood in the very log cabin in old Fort Parker two and a half miles northwest of Groesbeck in which little Cynthia Ann Parker was living with her parents when the Indians made their vicious attack and stole her away.

Some time ago when I asked John Heck of Wilson as to what he knew about old Fort Parker, he urged me by all means to visit the Fort and the beautiful Park that lies on the banks of the Navasota River just above the Fort the next time I went down into that vicinity. A. E. Herring urged me to do the same thing. Both of them formerly lived in Limestone county and were very familiar with the Fort and the Park. So after I had returned recently to Waco from that East Texas trip, my daughter, my sister, and I drove back over to Groesbeck to see that old historic Fort and the beautiful Park. To all of us it was very interesting.

There it was, the old Fort which the Parkers had built themselves in 1833 as a protection against the Indians, almost perfectly preserved and evidently having almost exactly the same appearance which it had when built.

The stockade encloses less than an acre of land. The pickets, of sharp-pointed poles, of which it is made stand at least eleven feet and possibly twelve feet tall, closely and securely fastened together. It would have been impossible for even an Indian to scale those walls without a ladder of some kind, and then, ordinarily, they could have been shot down as fast as they came over the walls if they had attempted an attack from the outside. How then did they manage to capture or kill so many of the inmates of the stockade? Well we will answer that a little later, but first I must give you a pic-

A Nice Guy But... PUBLIC ENEMY NO. 1

Why? — Because he is careless in his smoking habits. Each year he and his brothers (and sisters) are responsible for fires in which thousands of people lose their lives and property worth millions is destroyed.

Be a careful smoker . . . follow the simple rules: (1) Put out matches, cigars, and cigarettes before discarding them. (2) Never smoke in bed. (3) Don't smoke around gasoline or other volatile liquids. (4) Keep matches out of the reach of small children.

Remember . . . A careful person is the best fire prevention device.

©1939 National Association of Mutual Insurance Companies.

ture of the inside.

Inside the stockade are six log cabins, two against the south wall and four against the north wall, each to be occupied supposedly by a family. In the northeast corner and also in the southeast corner is a two-story log cabin, the upper story designed to be occupied in each instance by a watchman or sentinel, who was to watch for any approach of an enemy. Also there were a few portholes in the picket walls, for the use of the occupants of the Fort.

All of these cabins evidently were occupied at the time of the Indian attack, for there were more than thirty occupants of the stockade.

Since the terrible tragedy enacted on May 19, 1836, all that was left of the household and personal effects of the occupants had been collected and left in the room, which is said to have been occupied by Cynthia Ann Parker, her parents, and other members of the family.

Among the articles still in that room a few weeks ago, were a very stoutly-built bedstead, an old spinning wheel, a pair of cards to card the cotton, an ox yoke, two old guns, a side saddle, and a number of other articles that I do not readily recall.

Occupants of the old fort had come down from Cole county, Illinois in the fall of 1833, to cast their lot with other pioneers in the land of Moses Austin. The party settled there on the Navasota River and built the above described fort for their protection against the Indians. They engaged in farming in the fine lands surrounding their fort, some of the farms being as much as three miles away from the fort. The Indians had given them little or no trouble until that fateful May morning in 1836.

The personnel of the party at that time, according to a history written by Dr. J. M. Carroll, consisted of the following:

Elder John Parker, the leader of the group, and his wife; their son, James W. Parker, and his wife and their four unmarried children and two married daughters, Mrs. Rachel Plummer and her husband, L. T. M. Plummer, and their infant son, and Mrs. Sarah Nixon and her husband, L. D. Nixon;

Silas M. Parker, another son of Elder John Parker, and his wife and their four children, two of whom were Cynthia Ann and John, the names of their other two children not being given;

Benjamin F. Parker, an unmarried son of Elder and Mrs. John Parker; Mrs. Nixon Sr., mother of Mrs. James W. Parker; Mrs. Elizabeth Kellogg, a daughter of the elder Mrs. Nixon;

Mrs. Duty; Samuel M. Frost, wife and children; G. E. Dwight, wife and children; David Faulkenberry and his son Evan; Silas H. Bates, and Abram Anglin. There might be some descendants of some member or members of this group residing in this area even now.

Elder John Parker was a primitive Baptist preacher and most of the others in the group were members of that church.

It is said that there were some 400 or 500 Indians making the attack, Comanches and Kiowas. It will be noted that the attack was made just 28 days after the battle of San Jacinto; and the claim has been made that Mexicans stirred the Indians up and induced them to make the raid in revenge for the battle of San Jacinto. It has always been our impression that the Comanches did not need much stirring up when they thought that they

could make a profitable raid. However that may be, they were led by a Mexican, and gained entrance into the Fort by treachery. They raised the white flag and professed friendship and thus induced the inmates of the fort not to close the gates immediately against them. At the opportune time they made a rush and entered the fort, murdering or wounding the Whites as fast as they could get around to them.

A few of the Whites escaped, however, and rushed to the fields to notify the men folks who were at work. They got back in time to save some of the women and children.

The dead were Elder John Parker, his two sons, Silas M. and Benjamin F. Parker; and Samuel M. Frost and son. They had been scalped and their bodies terribly mangled. Grandmother Parker had been speared and fatally wounded. Mrs. Duty also had been wounded.

Mrs. Elizabeth Kellogg, Mrs. Rachel Plummer and her infant son, James Pratt Plummer, and Cynthia Ann and little John Parker, children of Mr. and Mrs. Silas M. Parker, were all taken away as captives.

What became of the captives? It's one sad story after another, though Mrs. Kellogg was much more fortunate than any of the others, for she was ransomed and restored to her loved ones in a little more than six months after her capture. Some time after her capture, she was sold or

traded, or by some means came into the hands of the Keechli tribe of Indians. The Keechis sold her to the Delaware tribe; and the Delaware, noted for their kindness and humanitarian principles, took her straight to Nacogdoches and turned her over to General Sam Houston, charging nothing for their trouble, except the sum of money which they had paid to the Keechis for her, \$150.00.

Mrs. Plummer's fate was a hard one, although she was finally bought from the Indians by a

merchant somewhere up in the Rocky Mountains far north of Santa Fe, who a few months later took her to Independence, Missouri, where she met her brother-in-law, Mr. Nixon, who escorted her back to her people. She had been in captivity twenty-one months. During that time she underwent the most cruel treatment imaginable. As an example, Mrs. Plummer gave birth to an infant a few months after her capture. When the child was six months old, her master decided that it interfered with her work, so he ordered it put to

death. A group of five or six Indians executed his orders. One of them snatched it from her, strangled it until it seemed to be dead, then threw it up in the air and let it fall to the earth several times. She took it and tried to revive it and when it did show signs of life, they snatched it from her again, tied a rope around it, one of them mounted a horse and dragged it repeatedly through a bunch of prickly pears, until its body was literally torn all to pieces.

Exactly one year after she was (Continued)

Farm Bureau Is One Of W-Texas Most Important Organizations

EXPLOSION WRECKS NEW HOME OF REV. H. A. NICHOLS, FORMER METHODIST PASTOR

STRATFORD, Sept. 29.—An explosion ripped through the new church in Stratford late Thursday, causing an estimated \$16,000 damage.

THE LYNN COUNTY NEWS, Friday, October 6, 1950

Always A Smile—
With That Well Groomed Look!—

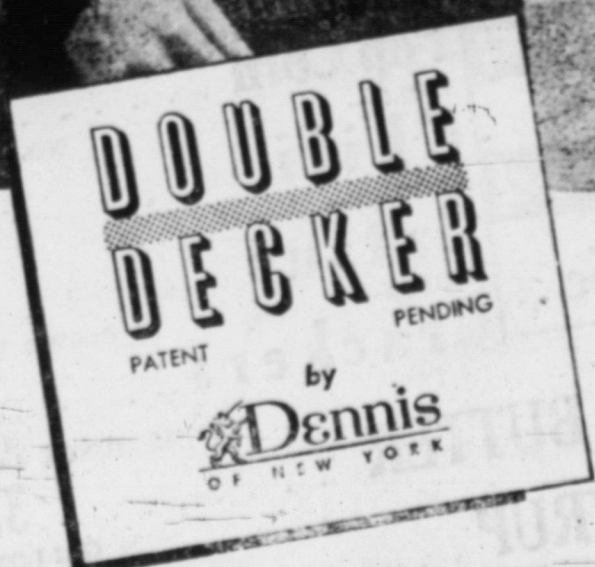

With our expert dry cleaning, pressing, and attention to minor alterations, your coats, your mid-season dresses and suits look new, genuinely clean and smart! Call us today for rapid service.

Men! You're sure to like the careful attention we give to details on suits, topcoats and sportswear.

THOMPSON CLEANERS

Attend the Lynn County Fair, Oct. 13-14

make way for—

looks like two . . . serves as two

YET IS ACTUALLY ONLY ONE GARMENT

The most handsome, most startling, most practical idea ever to come from the designing board of Dennis of New York. Here's how it's done: the collar and sleeves are tailored of luxurious tropical gabardine—the body of fine Reeves Corduroy in an ultra-smart Tattersall check. Durene knitted waistband, armholes and neckline accent the two-piece effect. Flap pocket. Washes beautifully. Come in and feast your eyes — you won't be able to resist Double Decker!

\$11.95

Rutherford & Co.

Membership in the Farm Bureau is becoming more and more important to the residents of this farming area year by year, since this is, at this time, the only organization which is set up to represent farming as a whole for this section.

The importance of this fact was evidenced in the recent fight of South Plains counties to prevent other sections of Texas from discriminating against cotton growers of this section through Congressman Bob Poage of Waco. Mr. Poage will likely become the new chairman of the House Agriculture committee, and he has consistently waged a fight of prejudice against this and other new farming areas and may be expected to continue the same.

FOREIGN STUDENTS GET SCHOLARSHIPS

LUBBOCK, Oct. 3.—Scholarships have been given 11 foreign students attending Texas Technological College.

Latin-American students under scholarships are Jose Ruben Borunda, Jose Carlos Braga, Wal Farach, Victor Ode Lolos, Guillermo and Richard Shimaura.

Students from the Far and Near East attending Tech under the scholarship plan are I. M. Kayal, Damascus, Syria; Maung Kyouk, Daika, Burma; Hayat Arne Salman, Beirut, Lebanon; and Jalil Parsa and Hossein Karimi from Teheran, Iran.

WED.—THURS. — "El Jinete Fantasmia" con Alfonso de Valdivia y Ester Luquin

Last year, 500 Lynn county farmers and business men joined the organization. The directors have set their goal for this year at 700 members. They hope to renew the membership of these 500 and to enlist 200 more members.

Membership Drive

The local Farm Bureau unit starts its annual membership drive on October 10. Officers and directors of the organization think that this one fight alone, to say nothing of many future fights that may be necessary, should warrant every farmer in this county in spending \$5.00 for membership in order to give the Bureau strength in fighting his battles.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

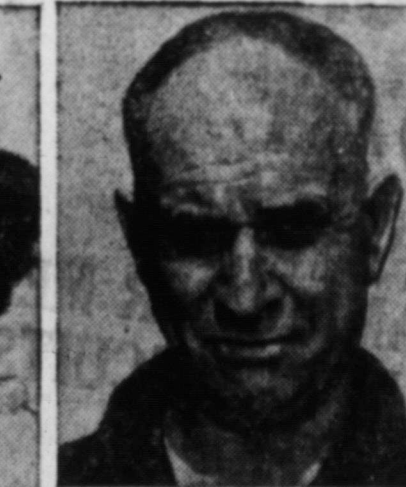

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful relief because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results . . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the CAUSE of such deficiency sickness with that wonderful new HADACOL.

HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

Holds Everything...on any hill!

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake

...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used.

- | | | | |
|--|--|--|--|
| <p>See it—drive it... there's built-in value all the way through!</p> | <p>Chrysler Driving Advantages:
Fluid Drive... automatic gear shifting with exclusive car control High Compression Sprints Engine... extra power at all speeds. Reproduced parts for longer life. Chemically treated cylinder walls for greater wear! Waterproof Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.</p> | <p>Chrysler Comfort Advantages:
Club Night Seats... no crouching on the floor... Functional Design... room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering... minimizes road shock, wheel lift. Rubber Body Mountings... Floating Power... eliminates vibration, help give softest, smoothest ride in history.</p> | <p>Chrysler Safety Advantages:
"Easi-Lock" Hand Brake... holds car parked on any hill. Safety Rim Wheels... won't throw tires after blowouts of normal speed. Constant Speed Windshield Wipers... electrically operated—won't slow down when you step on gas. Safe Guard Hydraulic Brakes... exclusive balanced brake power, smoother stops, less pedal pressure.</p> |

The Beautiful **CHRYSLER** with Fluid Drive

PLAINS MOTOR CO. - 1511 S. Second

Walters

(Cont'd. From Page 1)
 were riding in a car about three quarters of a mile east of the home place, which is a mile north of Draw.
 Friends of the family were called and they found the body. It is believed he took his life at about 7:30 p. m. Naturally, the tragedy was a terrible shock to relatives and friends.

Floyd Woodrow Walters was born in Lynn county November 9, 1916, and therefore was 33 years, 10 months, and 10 days of

age. He was married to Miss Maxine Floyd, the youngest daughter of Mr. and Mrs. R. B. Floyd—on January 15, 1938, at Clovis, New Mexico. Mr. and Mrs. Walters and their daughter, Sandra Jo, age 9, and son, Ronald Wayne, age 8, were living on the M. B. Walters home place at the time of his death.

In addition to his wife and two children, Mr. Walters is survived by his parents, Mr. and Mrs. M. B. Walters of Draw; two sisters, Mrs. Edna Smith of Odessa and Miss Mary Bell Walters of Lubbock; and one brother, Clyde Walters of Odessa.

Schools

(Cont'd. From Page 1)
 enumerated elsewhere and the local schools have no other alternative but to charge them tuition if they insist on attending school here.

The local temporary emergency school plan is this:

Beginning Monday, busses will start leaving at 6:20 a. m. Bus schedules will be one hour earlier than at present. School will open at 8:00 a. m. High School classes will be cut to 45 minutes, and grade school classes to 35 minutes. This will enable the lunchroom to open at about 11 a. m. School will dismiss at 1:00 p. m., and busses will take the children home. Football and band students will meet after school hours beginning at 1:00 p. m., and rides will be provided for those living in rural areas. The old schedule will be resumed just as quickly as it is thought feasible by local school authorities.

The plan has the approval of L. P. Sturgeon, associate commissioner of the Texas Educational Agency, successor to the old State Dept. of Education. Mr. Sturgeon told Supt. Vernon Brewer and Board Chairman Calloway Huffaker this emergency plan would not jeopardize Tahoka's standing in any way for aid under the Gilmer-Akin bill.

The School Board stated: "We hate to do this, for we know it will hurt the efficiency of our school, but we also must get our crops harvested and the new labor law has placed our farmers in a desperate situation. We must have harvest hands, and maybe this will help keep many of them. The abbreviated school plan will be dropped just as quickly as feasible, possibly in a week or two, possibly six weeks. We hope the public will appreciate our stand in the matter and the seriousness of the situation both to the schools and to the farmers."

Football

(Cont'd. From Page 1)
 mazing games of any local team in many years.

In the first half, the boys suffered from nervousness and some bad breaks, and the much larger Slaton boys seemed to be too much for the Bulldogs. But the Tahoka lads came back fighting in the second half. They were out to win, and their spirit and determination won them a ball game.

Slaton won the toss, and chose to kick off with the wind. Back James Foster took the kick on the 20 and returned it to the 37. A pass from Quarterback Lynn Halameick to End Ronny Gurley was good for 5, then Halameick went around right end 10 yards for a first down. Foster made 1, Halameick 6, then 2, and Foster 2 for another first, the only two

first downs Tahoka made in the entire first half.

Slaton Scores
 Two plays later, Tahoka fumbled and Slaton recovered on its own 38. Butler made 8, Lambert 9, then Lambert went through the center 45 yards for the first touchdown. Conversion by kicking the line failed. Score 6 to 0 Slaton.

Two Slaton kickoffs went out of bounds, and Tahoka was awarded the ball on the 50. Halameick made 9, Tahoka drew a 15 yard penalty for holding, then Slaton drew one the same distance, a line play failed to gain, and Halameick quick-kicked 41 yards to the Slaton 14. Butler made 4, Lambert none, Butler lost 4, then the Tigers got off a 26 yard kick which Tahoka ran back to the Slaton 46. Tahoka drew a 15 yard clipping penalty, a long pass was incomplete. Hyles lost 2, Halameick made 14, then kicked 24 to the Slaton 30. Slaton drew a 15 yard penalty, and on the next play, a Bulldog recovered a fumble. Tahoka fumbled, with Clayton Carter recovering, Halameick lost 9, a pass Foster to Halameick got no yardage, a pass Halameick to Foster was good for 3, and the ball went scoring ended at 12 points.

Slaton made 11 yards and a first down on the first play, then 2, a pass was incomplete, and a Tiger back got away a 42 yard punt. The Bulldogs couldn't go. Halameick's punt was blocked, and Tiger Tackle Leon Moore scooped up the ball and ran 19 yards for Slaton's second and last touchdown. Try for extra point failed, and there Slaton's scoring ended at 12 points.

Tahoka brought the kick-off from the 20 to the 43. Three passes were incomplete, and Halameick kicked 37. Three plays later the half ended.

Tahoka Steamed Up
 Though the Bulldogs had seemed confused in the first half and were missing their blocks and tackles, they came out with the old spirit in the second.

Slaton kicked to the 20, Foster brought it back to the 30, and Tahoka marched straight down the field in five successive first downs for a touchdown. Halameick made 4, Slaton drew a 5 yard penalty, and Bill Short made 1 for a first, a jump pass to Gurley was good for 10, Halameick made 7, then Short caught a 5 yard pass, Slaton drew another offside penalty, following which Short made a beautiful 15 yard run.

Stevens Kicks Goal
 Halameick took the ball on the next play and went 18 yards for a touchdown. Lineman Jerry Stevens booted a beautiful placement between the bars for the extra point which ultimately proved the margin of victory, and the score was 12 to 7.

Tahoka kicked to the 30, Slaton returned the ball to the 48, and rolled up two consecutive first downs to place the ball on the Tahoka 12. Four consecutive downs produced only 3 yards for Slaton, Tahoka took over on the 20, couldn't go, and punted 35 yards with Slaton bringing the ball back 15 on the second play of the fourth quarter. Again Slaton couldn't go, and Tahoka took over on its own 30 and started a drive with a Short to Foster 13 yard, pass runs of 6, 3, 7, and 4 yards by Halameick to roll up two first downs. The drive stopped when Slaton intercepted a jump pass on its own 34. A Slaton pass attack failed, punted 24 yards; Tahoka's passing attack failed but picked up yardage on a 35 yard punt to Slaton's 21.

Hyles Runs Wild
 On the next play, Halameick intercepted a Slaton pass on the 30, made 8 on a running play; then, little 124-pound Halfback Charles Hyles took the ball right through left guard, dodged, and squirmed, and squirted out of the arms of two or three would-be tacklers and dashed 22 yards for the pay stripe to make the score 13 to 12. Stevens kick was no good, but nobody worried about that.

Two plays after the kick-off, a

Bulldog pounced on a Slaton fumble on Slaton's 33. Three running plays and a 4-yard pass to Short ate up the time. With a minute to go, Slaton took over, made 12 on a running play, Tahoka drew a 5 yard penalty, two passes were incomplete, then alert Don Brice, guard on offense and lineback on defense, intercepted a Slaton pass on the 35 and ran it to the 30. On the next play, Halameick went 11 yards for a first down as the gun sounded.

Played For Keeps
 It was a wild second half. But the slashing attack of a bunch of little Bulldogs in fine physical condition took the edge off of and wore down the Tigers. The Bulldogs were playing for keeps in the fading minutes. Earl Bartley, Conrad Ratliff, Jackie Slover, Wayne Tekell, Jerry Stevens, Don Brice, Wayne Martin, Clayton Carter, Ronny Gurley, and others turned in a wonderful game in the line, especially in the second half. Though slightly crippled, Wiley Curry turned in a beautiful job as blocking back on offense and in the line on defense. In addition to the backs mentioned above, Bennie Brookshire also saw service.

Game Statistics
 Tahoka gained 177 yards and lost 16 running, while Slaton made 166 yards and lost 11 running. Tahoka tried 19 passes with Foster, Halameick, and Short doing the chunking, completed 7 for 40 yards, and had one intercepted. Slaton tried 8 passes, none were complete, and two were intercepted.

The Bulldogs made only two first downs in the first half, but rolled up 10 in the second for a total of 12. Slaton had three in each half for a total of six.

Tahoka punted 7 times for a 29 yard average in spite of one that was blocked. Slaton punted three times for a 34 yard average. Tahoka drew 35 yards in penalties, Slaton 50. The Bulldogs fumbled twice, losing the ball once; the Tigers three times, losing the ball twice.

Band Performs
 Tahoka fans also had reason to be proud of the Tahoka High 59-piece band, directed by Wm. Tregoe, for its halftime performance. The snappy Blue and White organization played "Hi, Neighbor" and "Tiger Rag" in tribute to the hosts, then "Chattanooga" and "Shoe Shine Boy" and the Tahoka

"Alma Mater." Slaton's Tiger band followed the local band on the field with a marching and playing exhibition.

Special Train
 Many Tahokans rode a special train to Slaton, while others went by car. In fact, it was said that

there were more Tahoka fans at Slaton than have attended any home game. There being no game in Lubbock, quite a few fans were down from that city.

The game was broadcast direct from the playing field by Station KCBG, Lubbock.

COTTON WANTED
 We have Textile Mill and Export Demands When you have cotton to sell, see us—

Thoughtful
 The man who sends flowers understands. He realizes that to a woman flowers symbolize endearment. How thoughtful then for him to mark not only ex-anniversary and birthday with flowers, but to make giving flowers a smart custom. Whether it's a dainty corsage or a magnificent bouquet we arrange it to your taste. Stop by and see our selection—
