Republicans Gain In National Voting

Light Vote Cast In Lynn County General Election

The General Election Tuesday was a quiet affair in Lynn county. Only a little more than 650 voters went to the polls, and a total of 36 of these voted the Republican ticket. Fourteen of these were at Wilson.

North Tahoka cast 123 votes, six for Republican candidates; South Tahoka cast 79 votes, six of which were Republican; Wilson cast 81 votes; and O'Donnell polled 77 votes, with only one person voting the Republican ticket.

Naturally, all Democratic candidates for state offices in Texas were elected, this being a predominantly Democratic state. However, in one Dallas Legislative district, a Republican was elected to the Texas House of Representatives. He is Edward T. Dicker, 37, a house builder, who won over the Democratic nominee, Walter J. Reid, 68, a special Dallas police officer.

Rep. Ben Guill of Pampa, who was elected 18th district congressman in a special election a few months ago, was tossed out for a full term by his fellow-townsmen and friend, Walter Rogers, the Democratic candidate, by about 2,000 votes in a hot race in which 46,000 votes were cast.

Nationally, the Republicans made important gains on the Democrats, but not quite sufficient to gain control of either house of Congress.

However, Republican gains may be sufficient to make it impossible for President Truman to push through any of his so-called "fair-deal" program.

Democratic control of the Senate is by a narrow margin, 49 Democrats and 47 Republicans, as a result of the election, as compared with a 54-42 margin in the last Congress. In the House, the (Con'd. On Back Page)

Lynn County Gets Second Oil Well

Lynn county's second commercial oil well is in process of being completed this week, and hopes are still held on two or three other wells in the area.

Humble Oil & Refining Co. No. 1 W. C. Dulin, three miles east of Draw, has pumped 122 barrels of oil and 10 water in the first 18 hours of a 24 hour test. The well is producing from the Mississippian through perforations from 9,020 to 9,080 feet after treatment with 4,000 gallons of acid.

The No. 1 Dulin, northwest outpost to the producing Magnolia No. 1 Garza, is located 2,038 feet from west and 1,980 feet from north lines of section 431, block 9, EL&RR survey. No pay was found in Pennsylvania pay of the Magnolia No. 1 Garza or in the Ellenburger.

The Houston Oil company No. 1 H. B. Howell, eight miles southeast of Tahoka is still clearing out hole in an attempt to make a producer of this wildcat.

The Magnolia No. 1 W. W. Caswell, west offset to the Garza No. 1, is reportedly preparing to deepen hole in further attempt to get paying production.

The Ryan, Hays and Burke No. 1 Bromberg, five miles southeast of Tahoka, is reported drilling at about 9,300 feet. Salt water was encountered in the Strawn at 8,960-9,012 feet.

Big is being moved in and preparations made for drilling the Schlo-Sunray No. 1 Ernst 10,500-foot test in the northwest part of the county between Petty and Lakeview on section 140, block 12, EL&RR survey.

99-Year-Old Man Father of Baby

Jesus Coronado, 99-year-old resident of Meadow, is the father of a new daughter born September 12.

She is the twentieth child in the Coronado family, and was born to Coronado's third wife, who is only 36.

If you think we were a long time getting around to reporting the Coronado's baby birth, think how long Papa Coronado was in getting around to fathering his twentieth child—Charles Didway in The Brownfield News.

(Note to Didway: Charley, do you think this might be the same Coronado who explored New Mexico and the Plains of Texas in 1540? Might be a good news story in the old boy).

Methodist Men To Meet Monday

Tahoka Methodist Men will meet next Monday, November 13, at 7:30 p. m. in Fellowship Hall of the church.

A good program has been planned under direction of Ira Joe Hart and Horace Lindley. The meal will be served by Tom Gill and Lynn Carter.

The committees promise that the program and the meal will be different. There is a good time in store for all who attend. All men of the community are cordially invited.

Record In Fines Set In County

Law violators paid fines with costs totaling \$1,878.70 early this week as a result of arrests made over the week end by Sheriff "Stick" Clem and deputies.

Most of the arrests were made at O'Donnell, where 19 drunks were picked up Saturday night and 21 gamblers were arrested Sunday, all of whom were fined \$1.00 and costs. Also, on Sunday, at O'Donnell, seven Mexican girls were fined \$10.00 and costs on vagrancy charges.

One bootlegger, Lupe Billarral, was arrested and was fined \$750 and costs in County Court Monday by Judge Tom Garrard.

Four drunks were arrested in Tahoka Saturday night.

Two men were charged in Tahoka of driving while intoxicated, but are out on bond.

The arrests were made by Deputies Cleve Bairrington, Chester Ross, Otis Curry, and Sheriff "Stick" Clem between Saturday noon and Monday morning.

Seven Boys, No Girls Have Been Born At Stapp's

Through Monday, there had been seven babies born at Stapp Clinic since Dr. Walter H. Stapp bought the institution from Dr. F. E. Seale, now of Lamesa.

All seven of the babies have been boys, which Dr. Stapp thinks might be an unusual record. He is still looking for a girl baby.

Man Is Charged With Liquor Sale

Wig Armes, Jr., is free on a \$750.00 bond after charges were filed against him last Friday for possession of liquor for purpose of sale.

Sheriff "Stick" Clem, Deputy Otis Curry, and officers of the Liquor Control Board filed the liquor law violation charges as the result of a raid on Armes' place of residence about eight miles southwest of Tahoka.

Disabled Veterans Make Memorial Poppies

Making memorial poppies to be worn in honor of the war dead on Armistice Day, Nov. 11, is providing employment for thousands of disabled veterans in hospitals throughout the country, according to Mrs. Calvin Edwards, Poppy Chairman of the American Legion Auxiliary. The work not only enables the veterans to earn much-needed money, but also is valuable as occupational therapy, Mrs. Edwards said.

Poppies which will be worn here are being made by patients at the McCloskey hospital at Temple, Texas under the direction of the State Department of the Auxiliary. They will be distributed on the streets here on Armistice Day by volunteer workers from the Auxiliary and cooperating organizations. Contributions received for the little red memorial flowers will go entirely into the rehabilitation and child welfare funds of the Legion and Auxiliary.

The flowers are made of crepe paper with wire stems and are accurate replicas of the wild poppies of France and Belgium, which grew in such profusion on the battlefields of both world wars. This "Flanders Fields" poppy has been the memorial flower of all English-speaking countries ever since the first World War. Killers are worn throughout the world each year and, in addition to keeping bright the memory of the war dead, they are an important source of funds for the disabled veterans and needy children of veterans.

The veterans work on the flowers in their hospital beds, wheel chairs, or in the hospital hobby shops. In some cases, special work-rooms are maintained by the Auxiliary where disabled men outside the hospitals are employed. The veterans develop great skill and speed in shaping the flowers and are able to earn substantial amounts without overtaxing their strength. For them the poppy fills empty hospital hours with interesting, profitable employment.

I. I. Gattis Victim Of Heart Attack

I. I. Gattis is a patient at Tahoka Hospital, but is reported showing gradual improvement following a serious heart attack he suffered at about 4 p. m. Sunday at the home of his son, Eldon Gattis.

Mr. Gattis has had two or three previous attacks. He is under the care of a heart specialist, who has expressed the belief that he will continue to show improvement.

City Police Take Violators of Law

City Policemen J. B. Florence and L. N. Bartley arrested a man Saturday night and charged him with speeding and operating a vehicle without a drivers license. They also charged one man with drunkenness, and a third man is out on a \$250.00 bond on a charge of driving while intoxicated.

Brother-In-Law Of Tom Garrard Dies

Judge Tom Garrard was called to Cooper Monday morning by the death Sunday of his brother-in-law, Dr. J. H. McKinney, 80. Funeral services were held there Tuesday.

Mrs. McKinney, who survives the doctor, is Judge Garrard's only sister. Judge Garrard was expected home Thursday night.

SPECIAL YOUTH SERVICE AT FIRST BAPTIST CHURCH

In a service honoring the youth of our community, Brother Lee Ramsour will speak to the young people Sunday night at the regular service of the First Baptist Church. His subject will be "If I were Young." All of the young people of the community who are not in attendance at the other churches of the community are invited.

Methodist Conference Will Meet In Tahoka Tuesday

The Lubbock District Conference will meet in the Methodist Church in Tahoka next Tuesday, November 14, the day's meeting beginning at 10:00 a. m.

Delegates from 37 churches in the District will be present to participate in the activities of the day under the direction of District Superintendent Rev. J. O. Haymes of Lubbock.

A good program had been prepared, according to local pastor, Rev. C. A. Holcomb, Jr., with reports from all the pastors, preaching, addresses, and plans made for the completion of the year's work. The Conference marks the

half-way mark of the annual Methodist Conference year. The Tahoka church will serve a barbecue lunch at noon under the direction of Claude Wells, assisted by J. M. Small and R. H. Gibson.

Report of the Tahoka church will show the World Service askings paid in full for the year, a good number of additions to the church, and prospects bright for a good year's work.

The Conference will be welcomed by Calloway Huffaker, chairman of the welcoming committee. The Planning committee is com-

Annual Homecoming Program Gets Underway At Tahoka High School

Homecoming festivities honoring all ex-students and alumni of Tahoka High School, which began last night with a giant bonfire and pep rally on the school campus, will be climaxed today by an assembly program and pep rally held in the high school auditorium and the annual O'Donnell-Tahoka football classic which will be unrec'd at Kelley Field tonight at 7:30.

Registration of all ex-students will take place from 11:15 to 11:30 today in front of the high school auditorium. John Shepherd, Student Council president, will preside over the program, welcoming the visitors, Clint Walker will make the response to the welcome on behalf of the exes.

Highlight of the football game will be the crowning of the 1950- (Con'd. On Back Page)

Local Chapter Gets Polio Aid

A check for \$600.00 to help pay for medical care of local polio patients has been received by the Lynn County Chapter of the National Foundation for Infantile Paralysis. It was announced yesterday by Clinton M. Walker, Chapter Chairman. The funds were provided by national headquarters of the March of Dimes organization.

Heavy polio incidence this year, following the worst epidemic in the nation's history in 1949, has exhausted the local treasuries of many National Chapters. The chairman declared. A late September rise in cases indicates there will be more than 30,000 cases before the year is ended. Mr. Walker said, making 1950 the second highest polio year on record.

Up to October 31, the National Foundation had advanced \$7,070,619.00 this year to Chapters whose funds were depleted by both new and carry-over cases, Mr. Walker stated. Chapters able to do so have been asked to contribute what they can for epidemic aid to Chapters in hard hit areas.

At present the Lynn County Chapter is providing funds for the care, in whole or in part, of 2 patients afflicted this year and is continuing to pay costs for the care of 6 stricken in former years.

Methodist Conference Will Meet In Tahoka Tuesday

The Lubbock District Conference will meet in the Methodist Church in Tahoka next Tuesday, November 14, the day's meeting beginning at 10:00 a. m.

Delegates from 37 churches in the District will be present to participate in the activities of the day under the direction of District Superintendent Rev. J. O. Haymes of Lubbock.

Tahoka Ginnings At 7,221 Bales

Tahoka had ginned 7,221 bales of cotton up until 9 a. m. Thursday, according to reports of local ginners. This was a gain of 1660 bales over a total of 5561 reported last week.

The prices of cotton and seed have remained fairly steady for the past week, with the stable bringing 38 cents or better and seed bringing \$110.00 a ton.

A very light freeze Thursday night of last week nipped tender leaves, but on Friday night there was a hard freeze which finished the job. A high wind and cold spell Wednesday night of this week sent the thermometer several degrees below freezing.

Some farmers welcomed the freeze, since it killed the leaves and will cause bolls to pop open while others with late and immature cotton and feed were hurt by the cold weather. In fact, if the freeze had held off another two weeks, this county would have gathered several thousand more bales of cotton.

Four Shoplifters Are Arrested

Four Spanish-Americans, who claim Karnes City as their home, were arrested in O'Donnell Saturday afternoon by Deputies Cleve Bairrington and Chester Ross and charged with shoplifting.

They had about \$425.00 worth of new clothing in their possession. The men gave their names as Felix Serenil, Charles and Alexander Redriquez, and Samuel Hierra.

They are wanted in Big Spring for theft of two \$37.50 men's suits; in Levelland for theft of a \$75.00 suit; in Littlefield for theft of six pair of trousers; and in Crosbyton for taking nine pair of trousers, four shirts, four jackets, and a corduroy shirt.

FHA Girls At Area Meeting

Four representatives from Tahoka High School, Pat McGinty, Edith Aldridge, Jo Raindi and Patricia Inman, and their sponsor, Miss Jeannine Smith, attended an FHA area meeting in Olney last Friday and Saturday.

The group stayed at Hamilton Hotel Friday night. The Chamber of Commerce served lunch for the school representatives and their sponsors Saturday, and a dinner was given for Chapter presidents and area officers, according to Pat McGinty, president of the Tahoka chapter.

Jo Raindi, area vice president, was in charge of the afternoon session of the House of Delegates. Miss Smith gave a talk on "The Standards for Future Homemakers Association State Degree."

The group returned home at about 3:30 o'clock Saturday afternoon.

Bulldogs Meet O'Donnell Here At 7:30 Tonight

Tahoka Bulldogs and O'Donnell Eagles meet tonight at 7:30 on Kelley Field in Tahoka in their additional football battle.

This is the game where all past records count for nothing. Past experience shows that anything can happen when these two rivals meet.

Tahoka has been doped the favorite, but O'Donnell usually doesn't read such predictions, for more than once the Eagles have upset the favored Bulldogs when the boys of the sister city to the south weren't given a chance.

Formerly in District 4A, O'Donnell dropped to District 5B this year, and has had a fairly successful season, so far. The Eagles have won two non-conference games and have won three and lost three conference games.

The Eagles opened the season with a victory over the Lubbock Pioneers, 19 to 0. They then dropped three successive conference games to Meadow 39 to 6, to Sundown 20 to 0, and to Whiteface 25 to 6. Then, the Eagles found themselves and began to roll and have since won four successive games over Ropes 30 to 6, Wellman 63 to 6, Freshman (a non-conference game) 41 to 0 and Plains 38 to 7.

Led by big Fullback Leroy Gass, the Eagles have shown to be pretty potent in the last four games, and there is little doubt but that they will be playing their best game of the year against their old rival, Tahoka, whom they had rather defeat than to win a district championship.

The Eagles' late start is due partially to the fact that they are playing under a new coach, Ed Robertson, formerly a Post Astrope, and also to the fact that many of their boys were inexperienced.

Most fans consider that Tahoka has already enjoyed a successful (Con'd. On Back Page)

Mrs. M. E. Hobbs Of Wilson Dies

Mrs. M. E. Hobbs, 75, of Wilson died in a Lubbock Hospital at about 3:00 p. m. Friday. She had been in ill health for several years and seriously ill for about three weeks.

Funeral services were held at 2:30 p. m. Saturday in the First Baptist Church of Wilson with Rev. J. M. McCraw, pastor, officiating, assisted by Rev. Floyd Dawson, pastor of the Four-Square Gospel Church of Lubbock. Burial followed in the Wilson cemetery.

Mrs. Hobbs had been a Wilson resident since 1924. Her husband, the late J. A. Hobbs, died in March, 1935, at the age of 74. One daughter, Eula Yearsley had preceded her in death in 1932. Mrs. Hobbs had long been a member of the Baptist Church, and friends described her as being "a fine Christian woman."

Survivors include three daughters, Mrs. I. A. Crooks, Wilson; Mrs. Vera Shultz, May; and Mrs. Alice Lormer, Lubbock; two sons, B. W. Hobbs, Wilson, and J. L. Hobbs, Otton; two sisters, Mrs. Annie Nichols, May; Mrs. Carrie Lou Nichols, May; one brother, T. H. Charters, Tahoka; 10 grandchildren and 13 great grandchildren.

Active pallbearers were her grandsons, Ed, Charley, and Billy Crooks, Alton and B. W. Hobbs, Jr., and Earl Johnson.

Honorary pallbearers were: J. R. Hamilton, Clarence Church, A. A. Teinert, Pat Campbell, Frank Smith, Hub Youngs, Ira Chary, and Howard Cook.

Odds AND Ends

(By E. I. The Elder)

There was plenty of excitement in Waco the other Saturday afternoon when the Baylor Bears trounced the A. & M. College Aggies, by a score of 27 to 20. At least 32,000 people it is claimed, were in Baylor's new stadium and witnessed the game. Most of them were Baylor fans and they cheered wildly and frequently throughout the game. It was Baylor's homecoming celebration, and the excitement was all the more intense because few people expected Baylor to win; and when the A. & M. boys made two touchdowns in the first quarter to 0 for Baylor, all the fair hopes that Waco people had entertained went glimmering. Then the Baylor boys found their stride and began winning and just kept winning, A. & M. making only one touchdown after the first quarter.

Baylor and A. & M. have been playing little tricks on each other for years, and so this year two or three days before the game was to be played, some A. & M. boys slipped up to Baylor in the dead hours of the night and stole Baylor's mascots, two half-grown

bears. As soon as the bears were missed, the Baylor boys started a feverish search. One of the bears escaped from the kidnapers and went back to his lair at the University. The other one was not found until late in the afternoon. He was securely tied to a light pole outside the city limits. So the Baylor boys went into the game on Saturday with much determination and possibly a little vengeance in their hearts, bent on doing their best to win. The victory which they chalked up was doubly sweet.

But one Waco fellow, like poor Jack Applewhite of Tahoka, suffered a heart attack in the excitement that immediately followed the game and slumped down dead.

And right here, before going further, I wish to state that I was greatly surprised and shocked at reading last in a daily paper and later in The Lynn County News the story of the sudden and entirely unexpected death of Judge C. H. Cain. He was an able and outstanding lawyer and citizen. If I were to undertake to catalogue a few of his most noteworthy characteristics, I certainly would list these among the number: Honesty, efficiency, accuracy, tenacity, keenness of judgment; and doubtless the list could be extended much longer.

I was also surprised to read in The Lynn County News, same issue, of the death of Judge Clark M. Mulligan, although I had not kept in close touch with him for several years. He too

was an able lawyer with many friends.

And then there are other whose deaths are recorded in the paper weekly. Did you ever watch the matrices drop one-by-one, each in its respective channel, from the distributor of the Lino-type machine in The News office? Well, that has always seemed to me to be a pretty good picture of the life and the passing of our friends all about us as the days come and go.

Last week I mentioned the great crowds that political orators drew a half century ago and the excitement that accompanied many of the political campaigns. And then I noted the remarkable change that has been wrought by the radio and other factors since those days, so that it is almost impossible for a political speaker in these latter years to attract a crowd large enough to make it worth while for him to speak at all. It is not the political rostrum nor even the pulpit that attracts the crowds these days; it is the theatre and the stadium. While we think that the motion picture show, in spite of the evils connected with it, is a wonderful means of instruction, and that college oratories as a whole are fine, yet it seems to us that the people have gone "hog wild," as Jim Ferguson would have expressed it, over both forms of entertainment. We doubt if it augurs well for the future of our country. It is not well to overdo any good thing.

We do believe that there would be more interest in political issues and in candidates for office if the old practice of public discussions and occasional debates were resumed. Not so many of us would then go to the polls on election day knowing practically nothing about two-thirds of the candidates whose names appear on the ballot.

And not only were there giants on the political platform in "the olden days," but there were giants in the pulpit and on the religious platform in those days too. But before we go further in praise of those great evangelists and pulpiteres, we wish to remark that in our humble opinion abler and better preachers on an average occupy our pulpits today than ever before in modern times. We wish to remark further that the great orators of our country are not and never have been confined to the statesmen, the lawyers, and the politicians. Many of the top orators have been found among the Ministry. Such men as Phillips Brooks, Henry Ward Beecher, T. DeWitt Talmadge, Dwight L. Moody, Billie Sunday, and a number of great pulpit orators of the South, have been able to sway the multitudes just as effectively as Webster, Clay, Calhoun, Grady, or Bryan ever swayed them from the political platform. And yet, many of these religious giants have seemingly been almost forgotten.

One Texas man, just a layman when he began preaching, became one of the world's great evangelists, and yet his name and his fame are not known to one person out of ten in Texas today, possibly. Maybe some of you young people have heard of Major Penn. Scores and scores of you older ones have, and some of you have heard him preach. Fifty-five and sixty years ago his name was on every lip.

Major W. E. Penn was practicing law in 1875 in the then thriving little city of Jefferson, Texas. He was also superintendent of the Sunday school of the First Baptist church there. He had been born in Tennessee, enlisted in the armies of the Southern Confederacy when the Civil War broke out and rose to the rank of Major. He was captured by the Yanks and was an inmate of a Yankee prison when the War closed. It was within a few years

hereafter that he located in Jefferson to practice law, and in 1875 he had become one of the leading lawyers of east Texas.

When he came to Tyler to attend a session of the district court some time in 1875, he was invited by the pastor of the Baptist church there to conduct a prayer meeting. He consented to do so, and at its close the congregation extended him an urgent invitation to remain and conduct another service the next night. He finally consented, and to make a long story short he remained for two weeks, conducting nightly services with marvellous results. Hundreds of people, it is said, professed faith. He never returned to the practice of the law but accepted one invitation after another to conduct revival or "camp" meetings. These he conducted in many of the leading towns of the state, such as Bryan, Navasota, Austin, Galveston, Calvert, Hearne, Houston, San Antonio, and Waco, as well as in numerous country communities.

For his camp meetings, he used a large tent, carried by him a small organ, and he himself sang a lot along with his preaching. He could sing bass for a whole choir. Portly in appearance, he wore a long well-groomed beard and was the center of attraction in any crowd. Among the earliest recollections of this columnist is

a "camp meeting" that Major Penn held near Moffat in Bell county. Some ten years later, a bunch of us boys of our community rode eight or ten miles one Sunday morning to hear Major Penn again in a camp meeting at old Troy, which was also in Bell county. I pass by the place every time I go from Waco or Eddy to Troy, which is on the Waco-Temple highway. Thousands of

people attended each one of his camp meetings, many of which resulted in hundreds of conversions. Here at Waco, where Dr. B. H. Carroll was pastor, Major Penn remained three months in a revival, during which time more than 1,000 converts were registered. Other great revivals were conducted at Palestine and Dallas.

Major Penn's fame and activities were not limited to Texas. He conducted successful revivals (Continued)

Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.**

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

Former Tahokan "Steals Show" On NBC Network Disc Jockey Program

A former Tahoka boy "stole the show" on the Jack Berch program of the NBC network Friday morning of last week, according to Sunday's Amarillo Globe-News.

Gordon Suits, a graduate of Tahoka High School and son of Mr. and Mrs. A. A. Suits of Post, Amarillo station KGNC's versatile singer- pianist-announcer, appeared in the national network from New York City as guest announcer on the popular disc jockey program.

He and his wife flew to New York for the appearance, and were also entertained by recording artists and NBC personnel.

During his special appearance The Globe News says Suits almost stole the show in his repartee with Jack Berch and in teaming with Lani McIntyre and Eddie Dunn to harmonize on "The Eyes of Texas."

The Globe-News continues: A graduate of Baylor University in public school music, Suits got his start in radio in 1938 when he hitchhiked to Dallas for WFAA's regular Tuesday night audition. Though tired and dusty from his hitchhiking trip, Suits got the job. He went to work the day after he received his degree. Except for four years as a lieutenant in the Medical Admin-

istration Corps, he remained with WFAA from 1938 to 1947. He sang with the Imperial Quartet on the Imperial Show, as well as the Employer's Casualty Show, the Dr. Pepper Show and the Early Birds.

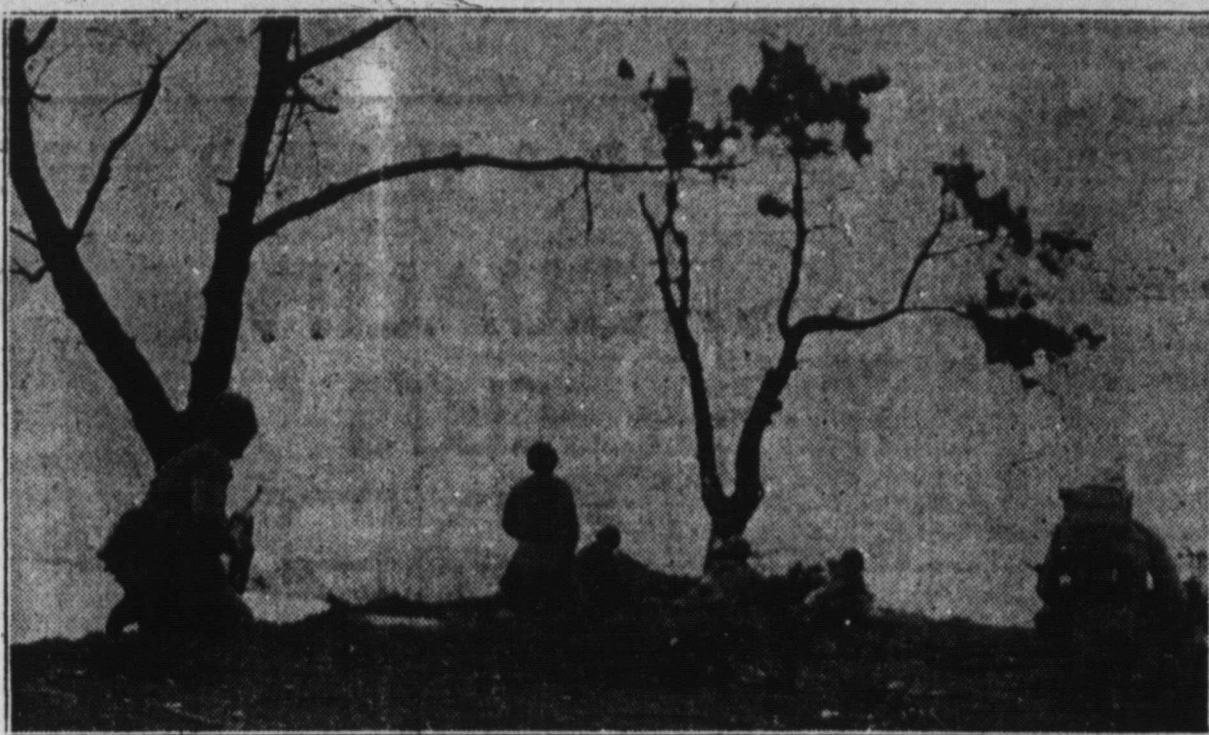

It was on the Early Birds program that Suits first met Eddie Dunn, with who he re-appeared this week on NBC.

A versatile radio artist, Suits not only sings and announces. He does a children's show at 8:30 a'clock on Sunday mornings on which he takes all the parts of animal and human characters from well-known and beloved children's stories.

One of his specialties is "singing quartets with himself." He records each of the four parts, and harmonizes and blends them into a smooth-flowing "quartet record."

KGNC's singer-pianist-announcer-imitator is 32. He and Mrs. Suits have a 3-year-old daughter.

Eagles Swamp Plains 38 to 7

O'Donnell Eagles overwhelmed Plains 38 to 7 last Friday night for their third SB conference victory, against three defeats, before a Homecoming crowd of 1,500 people at O'Donnell.

Fullback Leroy Gass scored three touchdowns and one extra point and passed for another touchdown. He went 20 yards for the first score. For the second, he passed to End Kenneth Davis. In the third period, Gass went 20 and 25 yards for two consecutive scores.

The O'Donnell reserves went in during the fourth period, and Halfback Phillip Hardburger hit centered for three yards and a TD. Plains scored its lone touchdown when Bob Bailey intercepted Bully Mahurin's pass and went 45 yards to play dirt. But O'Donnell's Kenneth Davis took the kickoff on the ten and went 90 yards for the last touchdown, and Bobby James bucked over for the extra point.

During the halftime show, Pat Etter was crowned Football Queen of 1950.

Juniors Split With O'Donnell

Tahoka's two Bullpup teams will play two teams of Slaton Tiger Kitten on the local field Thursday night of next week. Yesterday the Bullpups were playing in O'Donnell.

Last Thursday afternoon, Coach Tom Bartley's teams split with O'Donnell in two games played here.

The Seventh Grade team lost to O'Donnell 7 to 6. Tahoka scored early in the second quarter on a pass from Quarterback Gordon Smith to End Jerry Williams, but O'Donnell came right back to score and make good on the conversion, and the rest of the game was scoreless. Smith was not quite up to par, the line didn't look so good, and the boys were outweighted.

The Eighth Grade looked much better in winning 19 to 0 over the O'Donnell Eighth. A. W. McClellan scored twice, once in the first quarter and once in the fourth, and Gene Jackson, right Halfback scored the other touchdown in the third period. Bobby Williams ran over the extra point after the first score. Dwaine McMillan, tackle, locked especially good in the line.

Miss Edna Edwards Weds Wayne Carroll

Miss Edna Edwards and Wayne Carroll were united in marriage in a beautiful double-ring ceremony Tuesday evening at 7 o'clock in the O'Donnell First Baptist Church auditorium, with the pastor, Rev. John Johns reading the rites before a flower-decked altar.

The bride was given in marriage by her father, and a sister, Miss Julia Edwards was her matron of honor. Zane Harris was best man to the groom.

Serving as bridesmaids were Mrs. Joe Harris, Mrs. Joyce Gibson, and Misses LaMoine Line and Pat Edwards; and ushers were Wayne Christopher, Joe Harris, Roy E. Baliew, and Jeno Jones.

Following the ceremony attended by many relatives and friends of the couple, a reception

was held in the home of the bride's parents in Lamesa.

The bride is the daughter of Mr. and Mrs. John Andy Edwards, now of Lamesa but formerly of O'Donnell. She is a graduate of O'Donnell High School and of Hardin-Simmons University. For over a year, she has been teaching at Falls, but expects to teach at O'Donnell beginning in December.

The groom was likewise reared in O'Donnell, the son of Mr. and Mrs. R. C. Corroll. He is a graduate of Allen Military Academy at Bryan, and now is engaged in farming.

Soon after the wedding the couple left on a trip to South Texas, after which they will be at home in O'Donnell.

Mrs. Vernon Hicks is expected home this week, according to Dr. W. H. Stapp, after undergoing a major operation in a Lamesa hospital a few days ago.

Pleasant surroundings in the laundry area and the arrangement and storage of supplies are important in making the laundrying job easier. Practicing safety with firewalls in the fields and woods is just a good conservation practice, and it applies to both humans and wildlife.

Dan Thornton, Former South Plains Citizen, Is New Governor Of Colorado

SLATON, Nov. 9.—The parents of Colorado's Governor-elect Dan Thornton were worn out but happy today, and were enjoying some post-election relaxation in their home here. "We're awfully proud of Dan. His father just went up town to get a cigar and did me to take a nap, but I still haven't been able to sleep."

The 39-year-old Dan Thornton, a Colorado rancher and, for the past two years, a Colorado state

senator, defeated incumbent Walter W. Johnson, a Democrat, for the governorship. Thornton ran on the Republican ticket.

Parents Lifelong Democrats
"We are lifelong Democrats," his mother said here today, "but Dan is on his own and uses his own judgment and pleasure now."

The Thorntons came to the South Plains from Hall county 29 years ago, having lived in and around Memphis since 1903. The

RECEPTION GIVEN IN LUBBOCK FOR MAHONS

George Mahon, congressman from the 18th district, and Mrs. Mahon were honored at a reception in the Hilton Hotel ballroom in Lubbock Wednesday night, given by Mr. and Mrs. G. H. Nelson.

Guests from Tahoka at the affair included Dr. and Mrs. K. R. Dugham and Mr. and Mrs. Frank Hill.

Homer A. Tuff, district conservationist, Lubbock work group, of the Soil Conservation Service, was here on Tuesday on business with the Lynn County group.

Mrs. C. A. Thomas returned last week end from Dallas, where she visited three weeks with relatives and attended the wedding of a niece.

family settled near Lubbock and the elder Thornton was engaged in stock farming. Later they moved to Slaton.

Dan Thornton attended Lubbock High School. He enrolled in Texas Tech in the late 1920's, and later transferred to the University of California at Los Angeles.

He began ranching at Springerville, Arizona, about 16 years ago, and acquired his ranch near Gunnison, Colorado, about 11 years ago. He is well known in Colorado and surrounding states as a rancher and cattleman.

Reminiscing today, the governor-elect's mother said "we used to tell him when he was little that he would make a good lawyer, he liked to argue so. Then he started winning prizes and trips in contests. Once he won a trip to Washington, L. C."

Young Thornton was active in FFA and 4-H club work during his school days, and won various honors for his activities.

BESSIE BRASHEAR S. S. CLASS HOLD MEETING

The Bessie Brashear Sunday School Class met in Fellowship Hall on Tuesday afternoon for its regular monthly social and business meeting with twenty-two members and one visitor, Mrs. Ellis, in attendance.

Meeting was called to order by the president with the singing of our class song, "Help Somebody Today."

A scripture reference from the one hundred nineteenth Psalm was used by Mrs. Fenton as the basis of her devotional, which was followed by the song, "Give of Your Best to the Master" and prayer by Mrs. Smith.

Next, the business was in order. The welfare committee reported some local work had been located for the class.

Secretary-Treasurer told us the special first Sunday offering would be sent to our Methodist Home as a token of love and sympathy to two of our members, Mrs. C. H. Cain and Mrs. L. R. Brooks, who has been seriously ill in the hospital. A nice shower of dish towels will also go to the Home.

Our average attendance in class was again twenty-five for the month.

Mrs. Godfrey closed this portion of the program with a prayer.

The entertainment and refreshment committees then took over. The contests were interesting and enjoyable. Refreshments consisting of whipped cream pie, home made cookies and coffee were served.

We are looking forward to having every member present next month. —Reporter.

Carolyn Collier recently underwent an appendectomy in Tahoka Hospital. She returned to school last week.

Martin Francis Eudaly, 11, underwent an appendectomy at Tahoka Hospital Saturday, performed by Dr. W. H. Stapp.

Warning Given On Certain Drugs

AUSTIN, Tex., Nov. 9.—"The wide advertising of antihistamines for the prevention of colds should not persuade people to place too much confidence in these drugs as a treatment for colds," Dr. Geo. W. Cox, State Health Officer warns the citizens of Texas. "Those who decide to take any of the antihistamine pills should realize it is highly important for them to follow exactly the directions."

"Regardless of the effectiveness of these new products," it remains most desirable to take the ordinary precautions against contracting a cold—adequate sleep, clothing adapted to the weather, well balanced diet, moderate outdoor exercise and avoidance of unnecessary contacts with those already suffering from colds. Extra rest and the drinking of large amounts of fruit juice are still important aids to physical well being and cure if a cold occurs.

"Unfavorable reactions such as dizziness, drowsiness, and temporary loss of muscle control sometimes occur after taking this drug. Everyone is strongly advised against driving an automobile or working around machinery while taking the pills."

"Some readers of advertisements may get the idea that taking small doses of antihistamines every day will prevent colds. Such use of drugs should be discouraged. Antihistamines are still new and largely unproved drugs. Physicians have not yet determined what effect these products may have upon the human system if taken over a long period of time."

Mr. and Mrs. Harold Edwards arrived here Wednesday for a short visit with her parents, Mr. and Mrs. Roy Pter, and other relatives. They were en route home from O'Moria, where they visited their son who is in the service and expects to leave for overseas duty soon.

MRS. BENNETT HOSTESS TO EUZELIAN S. S. CLASS

The Euzelian Sunday School class met last Tuesday night in the home of Mrs. Cora Bennett with Mrs. Harter as co-hostess. The Thanksgiving theme was carried out and Mrs. E. J. Cooper, president, brought the devotional and read several beautiful points on Thanksgiving.

Mrs. H. B. Howell led in prayer. The minutes were read and approved.

An enjoyable social hour was spent, ending with coffee or hot chocolate and pumpkin pie.

Those present were: Mesdames E. J. Cooper, Cunningham, Forrester, Burroughs, James Connolly Decker, Harris, Harter, Howell, Maddox, Mincer, Reese, Staffer and Jodie Nevills. —Reporter.

MRS. DAN MARTIN IS HONORED AT PARTY

Mrs. Dan Martin, a recent bride, was honored with a cake party Tuesday afternoon from 3 until 5 o'clock by Mrs. Bill (Shorty) McNeely of Whiteface in the home of the latter's mother, Mrs. Harley Henderson.

Among the guests were several Tech students.

The hostess' gift to the honoree was a silver breed tray.

HOW'D YOU LIKE TO TACKLE THIS REPAIR JOB?—Corporal Herbert E. Powell, of St. Cloud, Minnesota, at first is stumped as he gazes at the wreck of this "spotter" F-4 trainer plane grounded in Korea. But he is not frustrated. Even with a chunk of the tail gone, he went to work and the "old reliable" flew home. Powell is the crew chief.

SENIOR CLASS TO SPONSOR BOX SUPPER

The Senior Class is sponsoring a "box supper" November 21 in the grade school gym. An interesting and entertaining program is being planned. This program will interest the young and old alike," stated Jess Miles, class sponsor. The boxes will be auctioned for not less than 50c. The proceeds of this sale will be used for the Senior trip. Mr. Miles urges all townspeople and students to bring a box and have a good time at an old fashioned box supper.

Farm Bureau Signs Members

Farm Bureau members in Lynn county are being urged to send in their renewal checks before next Wednesday, since the county's voting strength at the State Convention in Mineral Wells on November 20, 21, and 22 will be determined by the signed-up membership. This information was given The News this week by Wilmer Smith, president of the Lynn County Farm Bureau.

Checks may be mailed to the office at Tahoka, or may be handed any officer or director of the Bureau in this county.

Members have until December 1 to renew, but it is highly desirable, for the reason mentioned above, that the renewals be in by Wednesday. Dues are \$5.00 per year, however after December 1 they will go to \$10.00 for those

RFDWINE CLUB MEETS WITH MRS. DUBREE

The Redwine Home Demonstration Club met Thursday, November 2 in the home of Mrs. W. E. Dubree.

Mrs. Dubree gave a demonstration on the making of slip-covers. Slip-covers can be used to change the appearance of a room; also, they are a boon to use when furniture is old.

The hostess served a delightful refreshment plate to the following ladies: Misses Tom Smith, W. Z. Plowater, Lennie Blair, G. C. Watson, W. L. Rowe, and Miss Hard.

Our next meeting will be with Mrs. Texas Owens, December 7, in renewing.

Mr. Smith also states that it is imperative for those carrying insurance that they renew promptly, because their insurance automatically terminates on the date the membership expires.

Legionnaires At District Meet

Post Commander Calvin Edwards and Jess Gurley and their wives represented Marion G. Bradley Post 250 of the American Legion at the 19th Congressional District Legion convention held in Big Spring last Saturday and Sunday.

Prizes were made at the meeting for "Join the American Legion Week" beginning November 5, and for expanding the many services of the Legion and Auxiliary. A feature of the meeting was the address on Sunday by Bill Elkins of Killeen, state commander.

The Tahoka post is now signing up members for the new Legion year. Eldon Carroll, Jess Gurley, and Clint Walker comprise the membership committee.

New officers recently installed by the Tahoka post are: Calvin Edwards, commander; Fernan (Granzy) Chapman, first vice commander; Bob Connolly, second vice commander; Floyd Tubb, adjutant; Jess Gurley, custodian; and Charles Stewart, historian.

Next regular meeting of the Legion and Auxiliary is next Tuesday night, November 14.

Hunters Bring In Six Large Deer

Sixteen Lynn county men spent a part of this week on a deer hunt at the Jim Burleson ranch near Presidio, in the Big Bend country. Six of the men returned home Wednesday morning with six big bucks of from 8 to 11 points. Jim Burleson, Jack Fenton, Howard Wheeler, Hubert Tankersley, Vernon Wilhoit, and Glendale Simmons each killed a buck.

The others were unsuccessful when Burleson, Fenton, Wheeler, Tankersley, Wilhoit, and Lee Roy Knight returned home, but C. T. Tankersley, Cody Bragg, Edgat Park, Happy Smith, Blain Remy, Newt Barham, Sam and Lester Miller, Terry Thompson, and Mr. Simmons remained for several more days and returned home Thursday with no more deer.

Mr. and Mrs. J. C. Warrick and son of San Benito, in the Lower Rio Grande Valley, visited his parents, Mr. and Mrs. J. W. Warrick, and friends in this section from Friday until Monday.

Miss Lola McWhirter, teacher in the local schools for eight years, has tendered her resignation here to accept a similar position at Post.

Moving Pictures On Rotary Program

Bill McCarroll of Lubbock presented the program at Tahoka Rotary Club Thursday of last week, a color movie of West Texas Gas company's producing and distribution system. The show was both educational and entertaining.

Junior Rotarians for the month introduced at the meeting were Wayne Adair and Wendell Moore.

Fred McGinty and Ernest West are in charge of the Rotary programs for the month of November.

Mr. and Mrs. E. J. Hendrix of Wilson returned home a few days ago from a three weeks' trip through East Texas, Oklahoma, and Arkansas. They did a lot of fishing and squirrel hunting, and also visited the birthplaces of himself and Mrs. Hendrix. E. J. expects to enter the Veterans' Hospital at McKinney in a few days for treatment and a possible operation.

The development of effective hard water softeners and soaps and synthetic detergents have contributed to making the wash day job easier.

Classified Ads are small but they do a Big Job well.

Mr. and Mrs. L. C. Haney spent last week end in Austin visiting their daughter, Miss Frances Marion Haney, a pharmacy student in the University of Texas.

Larry Hagood visited his parents, Mr. and Mrs. W. W. Hagood, last week. He recently entered the Army Air Force, and was being transferred from Lackland Air Base, San Antonio, to Goodfellow Field, San Angelo.

At Last... Beat Superficial Pain of Rheumatism, Arthritis, Neuritis, Bursitis, Sciatica, Lumbago* At the Point of Pain!

With new **SURIN**

No Internal Dosing—simply smooth it on!

Now, comes a new way to relieve the nagging local superficial pains of muscles and joints as well as those of simple colds and fatigue with a 1-minute gentle rub-in of new SURIN ointment. The secret of SURIN is in the use of the modern research drug—b-methacholine chloride, which doctors call a vaso-dilator. This increases local blood supply where applied, and allows fast penetration of SURIN's selected local analgesics and relaxing agents for speedy pain relief at the point of pain! Thus SURIN fights pain 2 ways! In a few minutes you feel a glowing sensation of soothing warmth that lasts up to three or more hours. SURIN is so easy to use and you can apply it without fear! SURIN is creamy-white—washes off easily and will not stain washable fabrics. Money back at your druggist's if not satisfied.

*SURIN is not intended as a cure or treatment of the above diseases. It is to be used only for temporary relief of local, superficial pain.

season, especially so if the Bulldogs can down the Eagles. Given the chance to win a game this year in District 4A, sometimes regarded as being the toughest Class A district in Texas, the Bulldogs have won three and lost three conference games and have won one non-conference game.

The Bulldogs lost their opener to Muleshoe 13 to 0, but found themselves in that game and came back to defeat Brownfield, formerly Class AA, 18 to 0. Morton 13 to 0, and Slaton 13 to 12. Then they lost to Post 41 to 6 and Littlefield 39 to 7. In between the last two games they took Boys Ranch 38 to 0.

Except Boy's Ranch, each team the Bulldogs have met had them outweighed and, in most cases, was deeper in reserves and experience. But, with Lynn Halamick calling the plays and furnishing the spark, the Bulldogs have turned out to be a hard-fighting, never-say-die outfit that is the pride and joy of all old Bulldog fans.

With fair weather, the fans of both schools will be out in force tonight at 7:30. Tahoka and O'Donnell bands will put on a colorful halftime show, and Tahoka High will crown its 1950 Football Queen. Also, this is the Homecoming game for Tahoka High ex-students, and many of them are expected to be present.

51 football queen, Miss Elizabeth Reba Dunagin, senior student, who was elected by the football boys Monday. The coronation program will be staged just prior to the game, and the queen will be crowned from a colorfully decorated float, attended by the three chosen captains of the Bulldog team: Wayne Tekell, Lynn Halamick, and Ronny Gurley. Losing queen candidates, Betty Huddleston, Edith Aldridge, Tommy Whorton, and Wanda Norman, will attend the queen.

According to Vernon Brewer, superintendent, it is hoped that all eyes will be able to attend the Homecoming functions. Arrangements for all activities were made by members of the Student Council and their sponsor, Jess Miles, in cooperation with the high school band directed by Bill Tregoe, and members of the coaching staff: Joe Turner, Jake Jacobs, and Tom Bartley.

Election

(Cont'd. From Page 1)

Democrats led with 232 representatives to 199 Republicans, with three races undecided and one independent elected, based on Wednesday night's tabulations.

Republicans also gained in the number of state governors. They elected 22, a gain of six, while the Democrats elected 19, for a present line-up of 25 Republican Governors to 22 Democrats, with one race (Arizona) yet undecided. The old line-up was: Democrats 29, Republicans 19.

Explain 1951 PMA Terracing Policy

Farmers of this county will again be offered assistance in building terraces under the 1951 Agricultural Conservation Program administered by the Lynn County PMA Committee.

The terracing program is very similar to that of last year, except that the payment rate has been reduced from \$79.20 per mile to \$68 per mile. Six terracing contractors have indicated that they will have approximately twelve machines here in the county building terraces, and they have also indicated that they will charge the same price as last year—\$79.20 per mile. This payment rate is for terraces with a 22 foot base. If a farmer desires

a wider terrace, they will build a 26 foot base terrace for \$105.60 per mile.

If a farmer is intending to terrace under the 1951 program which is now in effect, he should follow the procedure listed below:

Secure some capable person or persons to run your terrace lines. The Soil Conservation Service has well qualified personnel to do this job. Others qualified are the County Agent, Vocational Agriculture teachers, GI vocational teachers, and several farmers in the county who have had experience running terrace lines. After the lines are run, come to the PMA Office and secure a written Prior Approval to carry the practice out which will make you eligible for the conservation payment. After you have secured the written Prior Approval, you are ready to start to work on your terraces.

For further information on this terracing program or other phases of the Agricultural Conservation Program administered by the PMA County Committee, in-

Edwards Host To Fire Department

Tahoka's Volunteer Fire Department was given a steak dinner Wednesday night of last week at Carter's Cafe by Roy Edwards and the Union Compression Company in appreciation for the unselfish service the fire fighters are rendering.

The Department is headed by James Clinton, fire chief. He and 20 members serve without pay. Also guests at the dinner were J. A. Biggerstaff and H. G. Hodges, city councilmen, and City Manager Russell McGee.

Regardless of what clothing a man is purchasing, he should select each item with the idea of building a wardrobe that is right for his build, his type, and his needs.

Interested persons are urged to check with the local PMA Office. The County PMA Committee is composed of Roy O. Nettles, Chairman; C. B. Earley, Vice-Chairman; and R. A. Kahlich, Regular Member. Clint Walker is the Administrative Officer.

FRIDAY, NOVEMBER 10, 1950

The farmers of Texas contributed bales of cotton to the Christian Rural Overseas Program's Friendship Food Ship which was dedicated to the hungry overseas on United Nations Day in Chicago. Walter Parr, CROP's Regional Director for Texas, is seen above during loading ceremonies, when also dried eggs and powdered milk, made available from government surplus stocks by the Commodity Credit Corporation, were hoisted aboard.

BURKETT ENTERS FALL LITTER IN DUROC SOW-TESTING PROGRAM

Joe W. Burkett, prominent Duroc breeder of Tahoka, has entered a fall litter of purebred Duroc pigs in his breed's official sowing "PR" program, according to word received from B. R. Evans, Secretary of the United Duroc Record Association, Peoria, Ill.

A new screwworm smearer known as EQ335, has many advantages over the old reliable Smear 62 formula which has been used for the past ten years. Formula EQ 335 lasts longer, kills more quickly, and the lamp black and other coloring chemicals that stain wool, clothing, or hair are found in the new remedy.

Champion drivers know champion trucks!

The nation's state champions... with proved reputations for safety records and driving skill... competed recently in New York at the National Truck Roadshow. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

FIRST TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by O. E. Chapman, Pacific Intermountain Express, Oakland, Calif. Chapman, Colorado State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

Littlefield Wildcats Walloped Bulldogs 39-7

Tahoka's fighting Bulldogs put out all they had Friday night, but that wasn't enough. They went down fighting to the power-

ful Littlefield Wildcats at Seely Field in that city 39 to 7, as a disagreeably cold wind blew down across the field from the north. This was the 22nd straight football victory for the Wildcats, defending state champion in Class A. Only Leveland stands between Littlefield and another district championship.

Though definitely out of the Bulldogs' class, the game was a much better one than the score indicates. Five of the Wildcats' six touchdowns were the result of long runs, three of which came as a direct result of intercepted passes.

The Bulldogs fought to the game's end, and Coach Jay Fikes of the Wildcats kept his first string on the field until well in-

to the fourth quarter. Coach Joe Turner shot a passing game at the Wildcats, and the Bulldogs completed 13 out of 29 of them, but the big, rangy fast-charging Littlefield line kept the Bulldogs hemmed up most of the time.

Littlefield wingback Bill Gray intercepted James Foster's pass early in the first quarter, and three plays later Fullback Gene Renfro dashed 50 yards to score. A few minutes later, Kenneth Reels, fullback, intercepted another Bulldog pass and went 46 yards to score. Early in the second period, Joe Walden returned a Tahoka punt 50 yards to score and give the Wildcats a 19 to 0 halftime lead. Opening the second half, the

first play from scrimmage, Renfro went 48 yards for the fourth touchdown. Then, early in the fourth period, Dick Hopple, tackle, intercepted a pass which set up the fifth score, with Ed Joe Owens scoring on a 9-yard

pass. M. C. Northam scored the Wildcats' last touchdown, also in the fourth period. Taking a pitchout from McCanness and going 70 yards.

Late in the fourth quarter, Foster passed to Lynn Halamick

for 40 yards and a touchdown. Jerry Stevens place-kicked the extra point.

Tahoka's game was hurt somewhat when Bill Short, back, went out in the second quarter with injuries. It was feared he had some cracked ribs, but examination showed he had no serious injury and may be able to play some tonight.

All the boys put up a gallant fight, Coach Turner stated. Halamick was driving harder than

ever, if possible, and especially in the second half Foster played a wonderful game. Their opponents were just too big and experienced.

J. M. Noble Was Leading Citizen

With the passing of J. M. Noble at Brownfield last Thursday morning, the South Plains lost one of its finest early day settlers.

Mr. Noble was born February 20, 1860, in Kaufman county. Coming West, he was married in Fisher county to Rosa Lee Carter August 24, 1893. There they lived until 1902, when he brought his family to the western part of Lynn county, where he and Mrs. Noble resided until 1943, when they retired and moved to Brownfield.

Mr. and Mrs. Noble were among the first settlers of the county and the West Point community. Many of their old neighbors attest to the fact that they were among the finest citizens this section has ever had. Mr. Noble engaged in stock farming and later planted row crops.

When West Point school was established, Mr. Noble gave the land for the school. He was active in its operation and also in church affairs of the community. People of that area, as long as Mr. Noble was active, looked to him for leadership. Though modest and unassuming, he enjoyed

the respect and esteem of all who knew him.

With Mrs. Noble as his companion, they weathered the hardships of a pioneer country, and raised a family of four boys and one girl. The girl died in about 1916, the victim of a sad death. The sons, all prominent in this area, are: Terry, a successful farmer at West Point; J. Mack, postmaster of O'Donnell; Levi, a Lubbock business man and Robert, a business man at Brownfield.

Burial rites were in Tahoka Cemetery Friday afternoon following the funeral services held in the Brownfield First Baptist Church conducted by Rev. Geo. A. Dale of Lubbock, formerly of Tahoka, and Rev. Fred Stump, pastor of the church.

Many friends, as well as the wife and other relatives, mourn the passing of this aged pioneer who helped pave the way for a better South Plains.

Soil District Offices Move To Courthouse

The Lynn County District Soil Conservation office was moved the first of the week from the Littlepage building on the south side of the square to the second floor of the courthouse.

The new location is in the suite of offices formerly occupied by Lynn County Service Officer, Jackie Weathers, west of the district court room.

N. E. Wood, work unit conservationist, heads the local office force.

Ask Your Gas Station Man!

OLDSMOBILE'S "ROCKET" ENGINE RUNS WITH SMOOTHNESS, POWER AND ECONOMY ON GASOLINE AVAILABLE EVERYWHERE TODAY!

Here's a question we'd like you to ask, next time you drive in for gas: "What do you think of Oldsmobile's 'Rocket' Engine?" Chances are, the attendant will tell you that the "Rocket" tops its field in smoothness, quietness, and quick-acting power. He'll probably explain that the "Rocket's" high-compression design gives it that thrilling response. We're sure he'll tell you that the "Rocket" uses gasoline available everywhere today—and makes every gallon go a long way! Your gas station man knows his engines, and he knows motor car values, too. That's why we think he'll tell you: "Yes, sir, mister—Oldsmobile's a smart deal!"

Tahoka People Attend Wedding Of Miss Eva Jane Wood In Vista, California

Miss Eva Jane Wood, daughter of Mr. and Mrs. Owen D. (Ruby) Fields, became the bride of Robin A. Patton, son of Mr. and Mrs. Ralph Patton, in Community Church, Vista, California, on Saturday, October 21, the Rev. Graeme C. Smith, pastor, read the couple's ring ceremony. All the participants are residents of that city, but the bride's mother is formerly of Tahoka.

Mrs. E. S. Patton, the bride's maternal grandmother, and Mrs. Borden C. Davis, cousin, and Mrs. Charles Connolly, all of Tahoka, and Mrs. H. C. Davis, aunt, of Martin, attended the wedding, returning to Tahoka Wednesday of last week.

They report the candlelight ceremony was a beautiful one performed before an altar framed by large baskets of pink and white chrysanthemums, ferns and candelabra.

The bride, given in marriage by her father, wore a gown of white satin and a long veil. Her fingertip illusion veil was held by a train of white satin and lace. The bouquet she carried was a quaint arrangement of miniature pink rosebuds and satin ribbons.

A reception was held immediately after the ceremony in the home of the bride. The refreshment table was laid with a cloth of white lace and centered with a bridal cake encircled with white mums, which also were used as settings for the candies. Mrs. H. C. Davis presided at the punch bowl.

After a short honeymoon trip

Billy Nell Johnson Married Friday

Miss Billy Nell Johnson, daughter of Mr. and Mrs. J. M. Johnson of New Home, became the bride of Sgt. Alvin Donald Seoggin of RAFB, Lubbock, son of Mrs. Lavada McCarty of Deatur, Mississippi, in a ceremony read Friday, November 3, at 7:30 p. m. in the home of the bride's parents. A double ring ceremony was performed by Rev. Walker of the Parkdale Baptist Church of Lubbock. The bride was given in marriage by her father, and vows were exchanged before a bridal arch of greenery interwoven with miniature mums. Included in the wedding music was "I Love You Truly" and "The Bridal Chorus."

The bride's dress was of winter-white wool jersey, and she wore a corsage of carnation. For something old, she wore a water belonging to her great-grandmother, and the pin which attached the watch to her dress, was "something borrowed."

Veta Grace Johnson served her sister as maid of honor and the groom was attended by Cpl. Thomas C. Clark of RAFB.

A reception followed the ceremony and wedding guests were served a wedding-ring cake topped with a miniature bride and groom, decorated with pink roses.

THE LYNN COUNTY NEWS,

Friday, November 10, 1950

Mr. and Mrs. W. G. Lyons have returned to Houston and Galveston after spending several weeks with their daughter and son-in-law, Dr. and Mrs. C. Skiles Thomas. Dr. Thomas has checked their broker's bones and said they would not have to be in a cast much longer. Mr. and Mrs. Lyons want to thank Tahoka Hospital and its staff for all the kindness shown. Also, all the many nice things that the people did for them. Mrs. A. S. Koehler came out to assist Mrs. Lyons home.

The couple will be at home at 1511-14th Street in Lubbock.

CHEVROLET TRUCKS
with Chevrolet's Hypoid Rear Axle

Chevrolet trucks are engineered to "take it," in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength . . . with single-unit housings formed into tubular steel beams, and splined axle-to-hub connections that deliver power more evenly. Gears last longer, too . . . pinion gear is ball-bearing supported at each end, with adjustable thrust pad to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. State Fair Was Greatest Success

With the Mid-Century Exposition of the 1950 State Fair of Texas entered in the records as the greatest State Fair ever held, Ray W. Wilson, manager of the Livestock department, announced that 3,700 head of livestock were shown to the 2,176,519 persons during the 16-day run of the Fair.

The total number of livestock shown in 1950 represents an increase of 618 head over the number shown in 1949. Included in the tally are 423 head beef cattle, 931 dairy cattle (including 544 Jerseys in the All American Jersey show and Junior Jersey Exposition, 680 swine, 246 sheep, 90 Angora goats, 107 Quarter Horses, 72 Palomino Horses, 122 American Saddle Horses and 1,109 Junior livestock (steers, barrows, and lambs).

Educational features of the 1950 State Fair drew more than 92,000 4-H Club boys and girls, Future Farmers and Future Homemakers on October 7, Opening Day. All Junior Auction sales were termed successful, with records being set on average price paid to Junior Exhibitors. Sales included Junior Livestock Market Broiler and Junior Market Turkey.

The All American Jersey Show and Junior Jersey Exposition drew exhibitors from 16 states and was the greatest dairy breed cattle show ever held in Texas.

Plans are already in the making for the 1951 Livestock show which will feature the National Hereford Show offering \$25,000 in premiums.

With the Mid-Century Exposition in the past, State Fair officials are turning their activities to the 1951 State Fair of Texas to make it truly the greatest in the world.
