Tahoka, Lynn County, Texas, Friday November 24, 1950

Number 8

County Farmers Name PMA Representatives

Committeemen To Pass On Farm Practices In 1951

Twenty Lynn County farmers were elected by their neighbors last week to serve as community Production and Marketing Administration Committeemen for the coming year.

Each of the county's four agricultural communities also selected a delegate to represent them in a county convention scheduled for Tuesday, November 28, in Tahoka, at which the County PMA Committee will be chosen.

These are the men who will be responsible during 1951 for the local administration of such Federal farm programs as Agricultural Conservation, Price Support, Federal Crop Insurance, and the loan programs.

The successful candidates and the communities they represent are as follows:

Community A (Precinct 4): A. C. Fillingim, Sr., delegate to the county convention; J. H. Smith, Sr., alternate delegate; B. A. Morrow, chairman of community committee; D. G. White, vice chairman; O. R. Puffer, regular member; G. B. McAllister, first alternate; L. H. Moore, Jr., second alternate.

Community B (Precinct 1): R. J. Maeker, delegate to county convention; C. C. Swope, alternate delegate; Jack Cook, chairman of community committee; J. P. White, vice chairman; Jack Blevins, regular member; L. A. Coleman, first alternate; J. H. Sander, second alternate.

Community C (Precinct 2): Ward Eakin, delegate to county convention; R. L. Littlepage, alternate delegate; J. W. Martin, chairman of community committee; J. C. Womack, vice chairman; W. L. Rowe, regular member; G. E. Vickers, first alternate; L. B. Jones, second alternate.

Community D (Precinct 3): H. L. Webb, delegate to county convention; S. L. Walters, alternate delegate; Olan Blair, chairman of community committee; N. S. Parker, vice chairman; Roy Ledbetter, regular member; W. E. Singleton, Sr., first alternate; H. F. Conrad, second alternate.

Goddard Edwards Dies Of Injuries

Goddard Edwards, 44, of Austin, formerly of Tahoka, died in a Belton hospital at 3:30 a. m. Monday from injuries received in a wreck near that city Saturday, November 11.

Funeral services were held in Austin, his home town, at 10 a. m. Tuesday, and burial followed in Capitol Memorial Cemetery.

Goddard was born at Crawford, McLennan county, December 30, 1905, the son of Mr. and Mrs. J. H. Edwards. His parents brought him to Lynn county in 1906, and he grew up here, attended the Tahoka schools, and later attended the Schreiner Institute at Kerrville. He became an employee of the State Treasurer's office in about 1928, but for the past 12 or 15 years he has been with the State Insurance Commission. He was a member of the Baptist Church.

He was in Waco on business of his office, attended the Texas U-Baylor football game on Armistice Day, and was returning home that night, when he in some way lost control of his car while making a highway curve between Belton and Salado and was involved in a three-car crash. He received a broken rib, broken arm, and a kidney injury. Death was attributed to the kidney injury.

He is survived by his wife and son, Tom Goddard, Jr., of 1209 Baylor Street, Austin; his parents, Mr. and Mrs. J. H. Edwards, Austin; and four brothers, Frank (Cont'd. On Last Page)

Two Oil Tests Are Failures, Two Are Still Testing, One New Hole Started

Two Lynn county wildcat oil tests have been abandoned, but drilling has been started on a third test.

These two failures leave Lynn county with only two small producers, both located three miles east of Draw.

The new test is the projected 10,500-foot Sunray-Soho No. 1 Ernst, located about midway between Petty and Lakeview in northwest Lynn county on section 140, block 12, EL&RR survey, and about eight miles northeast of the Terry county Mound Lake pool. Surface casing was set for the test at a depth of 431 feet last week.

Houston Oil Company's No. 1 H. B. Howell deep test, about eight miles southeast of Tahoka, located on section 451, block 1, EL&RR survey, has been given up as a failure and plugged. Although some oil was found in both the Permian and Pennsylvanian formations, paying production could not be developed.

Possibly more money has been spent on this test than any ever drilled in Lynn county. The drillers encountered about every kind of trouble, and are said to have used every resource available to make a producer of the well, all to no avail.

Also abandoned last week was the Ryan, Hays and Burke No. 1 Leon Bromberg test at a depth of 9,514 feet, located five miles east and a little south of Tahoka on section 496, block 1, EL&RR survey. It was stopped in salt water in the Pennsylvanian.

Salt water with no show of oil was developed Tuesday in the Placid Oil Co. No. 1 Holland wildcat, northeast of Wilson, on a three-hour test taken at 8,812-45 feet, and operators are awaiting orders as to whether or not to deepen. Location is in section 13, block J GW&TP survey.

Magnolia's No. 1 W. W. Caswell, east offset to the No. 1 G. Gra discovery east of Draw, was preparing to shoot a possible Sprabery pay with nitroglycerin at a depth of 6,985-95 feet, then will clean out and make swabbing tests. The test failed to produce in the Pennsylvanian and Mississippian pays of the two-well field. Location is the southwest quarter of section 431, block 9, EL&RR survey.

County Girls In Cotton Contest

Two Lynn county girls, students in Texas Tech, Miss Betty Fillingim of New Home and Miss Glenda Wright of O'Donnell, were runners-up in the contest held at the Lubbock institution Monday, in which Miss Ruth Brunson of Claude was named Maid of Cotton.

Mrs. Brunson will represent this area in the national contest which will be held in Memphis, Tennessee. Through from the Texas wheat country, Miss Brunson is a student of cotton textiles.

Mothers Give Football Banquet

The Bulldog Mothers Club honored the 1950 Tahoka High School football team at the annual banquet held Monday night at the American Legion Hall.

Monley Jennings, athletic director of Texas Tech, was the principal speaker and gave an outline of the history of football in his talk.

Following the talk, moving pictures of the Texas Tech-University of Texas and the Tahoka-O'Donnell football games were presented.

Ronny Gurley acted as master of ceremonies. Supt. Vernon Brewer gave the invocation. Other numbers on the program included a vocal solo by Carolyn Collier, accompanied at the piano by Mary Louise Fenlon, two piano solos by Floyd Tubbs, and brief talks by Mr. Brewer, Principal Jim Foust, and the coaches, Joe Turner, Tom Bartley, and Jake Jacobs.

Other guests included the girl friends of the boys, the cheer leaders, wives of the school officials, and one trustee.

An excellent meal featuring turkey "and all the accessories" was prepared and served by mothers of the boys, with the Thanksgiving theme carried out in decorations, favors, etc.

Many Christmas Activities Planned for City By C. of C.

New O'Donnell Church Burns

Fire of undetermined origin destroyed the new \$85,000 O'Donnell First Baptist Church shortly after noon Saturday. Plans had been made for an all-day dedication service in the new building next Sunday, November 26.

The large brick veneer structure, just across the street west from the present church, was covered by \$10,000 in insurance, and will be rebuilt immediately if materials are available.

Flames were detected in the structure at about 12:45, and the O'Donnell Fire Department rushed to the scene. Tahoka Fire Department was also called. However, the fire had gained such headway before being detected that saving the building was impossible. It was gutted to such an extent that it was necessary to pull down the walls left standing as a safety measure.

Workmen installing heating and air conditioning equipment had left the building at 11:30 a. m., and declared that they checked their equipment before leaving and felt sure that none of it could have caused the fire.

Construction work on the new structure was just about complete, but none of the furnishings had been installed.

Burglars Open Local Store Safe

Burglars gained entrance to Cicero Smith Lumber Co. office here some time Sunday night, broke into its safe, and got away with about \$100.00 in cash.

Officers found some fingerprints, but if they have any suspects under observation, The News has not been so informed.

Ronald Sherrill, manager, was in the office Sunday and the safe had not been bothered at that time. He discovered the burglary when he opened up at about 7:30 a. m. Monday.

He said the burglars gained entrance to the building through a rear office window. They evidently borrowed some gloves from the company, and helped themselves to a number of tools, which they used to "jimmy" the safe door open.

The safe was equipped with gas valves, but the burglars succeeded in taking the door off without discharging the gas. Possibly damage to the safe will come to as much as the money lost.

C. of C. Planning Extensive Program During December

Plans for an extensive observance in Tahoka of the Christmas season were made Monday night at a meeting of Tahoka Chamber of Commerce directors, according to Russell McGee, secretary.

Christmas lights will go up in downtown Tahoka next week, and business institutions and town dwellers are urged to get up their Christmas decorations early. A large Christmas tree on the court house lawn will be decorated.

Santa Claus will arrive in Tahoka on December 16, and will distribute free candy among the kiddies.

Each day from December 18 through 23, free turkeys will be given away during afternoons to shoppers in Tahoka. Also, a \$47.50 man's watch will be given away on December 23.

Tahoka Rotary Club will present its free picture show for children on the morning of December 23.

Christmas music will be played over a public address system during the week.

Again, prizes are being offered for the best exterior home decorations. Prizes will be \$15.00, \$10.00, and \$5.00 denomination. This year, however, all entrants in the contest will be required to register at The News office by December 19, the Tuesday before Christmas. This is being required because of the fact that some of the entrants were possibly overlooked in the past.

Everyone doing any kind of exterior decoration is asked to cooperate with the Chamber of Commerce in this project by registering.

This year a suitable plaque will be presented the winning business house, and the winner may display the same for a year.

Further plans are being made for the Christmas season which will be announced in these columns later.

Tahoka Juniors Beat Post 37-13

Tahoka's Seventh grade Bulldogs ran over Post's Junior Antelopes 38 to 13 last Thursday afternoon in an abbreviated football game, which ended early in the third quarter when Coach Wayne Pipes called his Post boys off the field and went home.

Getting some measure of revenge for Post defeats of the Bulldogs the past two years, Coach Tom Bartley's boys rolled up 19 points in the first quarter, two more scores in the second, and another early in the third period.

Talback Gordon Smith scored four times, twice on long runs, and passed to Ted Pridmore for one and to Jerry Williams for the other.

Post scored its two touchdowns in the second period, but the visitors were no match for the local lads, and the game was called off by Post after a few plays of the second half.

Repeated heating of iron increases its hardness.

Mother's Give Football Banquet

The Bulldog Mothers Club honored the 1950 Tahoka High School football team at the annual banquet held Monday night at the American Legion Hall.

Monley Jennings, athletic director of Texas Tech, was the principal speaker and gave an outline of the history of football in his talk.

Following the talk, moving pictures of the Texas Tech-University of Texas and the Tahoka-O'Donnell football games were presented.

Ronny Gurley acted as master of ceremonies. Supt. Vernon Brewer gave the invocation. Other numbers on the program included a vocal solo by Carolyn Collier, accompanied at the piano by Mary Louise Fenlon, two piano solos by Floyd Tubbs, and brief talks by Mr. Brewer, Principal Jim Foust, and the coaches, Joe Turner, Tom Bartley, and Jake Jacobs.

Other guests included the girl friends of the boys, the cheer leaders, wives of the school officials, and one trustee.

An excellent meal featuring turkey "and all the accessories" was prepared and served by mothers of the boys, with the Thanksgiving theme carried out in decorations, favors, etc.

New Home Girl Wins Contest

Miss Ann Cowan of New Home, 16, daughter of Mrs. Winston Davies, has been awarded a Singer sewing book for having the second best cost in the Junior Division of the fourth annual "Make It Yourself With Wool" home sewing contest, conducted by Texas Technological College.

The cost, a grey wool tweed, was worn with brown accessories with green skirt and lime green hat. This contest is sponsored by the Women's Auxiliary of the Texas Sheep and Goat Raisers Ass'n., the National Wool Growers, Wool Growers Inc., and the Dept. of Clothing and Textiles of Tech's Home Ec. division.

Sixty-six girls competed in the contest from the Panhandle-Plains area. The top winners in the Senior and Junior divisions were Sophomore and Junior students in Tech.

Miss Norma Lee Evans, 15, daughter of Mr. and Mrs. Adrian Evans of New Home, was also an entrant in the contest in the dress division, making a skirt and whisket of brown and green wool tweed, with brown accessories and green hat and white blouse.

These girls did all the work on their garments under supervision of their Homemaking teacher, Mrs. Wayne Timmons.

Stewardship Revival At Baptist Church

Beginning Sunday there will be a revival at the First Baptist Church. Services will be conducted each evening at 7:30 during the week following. Brother Lee Rensour, pastor of the church, will do the preaching and Brother Bob Callahan will lead the singing.

The sermons for the meeting are announced as follows:

Sunday A. M. "The Growth of Sin."
Sunday P. M. "The Wages of Sin."
Monday, "The Value of God."
Tuesday, "The Sin of Blasphemy."
Wednesday, "You and God."
Thursday, "Camouflaged Sin."
Friday, "Robbery."
Sunday A. M. "The Larger Stewardship."
Sunday P. M. "Do or Die."

J. I. Bartley Of Muleshoe Dies

(Muleshoe Journal)

Death came this morning for Joseph I. Bartley, "Uncle Shorty" to all who knew him, a veteran peace officer of West Texas and Bailey county. Mr. Bartley, who was 83, passed away in Lubbock Memorial Hospital at 4:50 a. m. Thursday, November 16.

Mr. Bartley came here 23 years ago from Tahoka, Lynn county, where he had served as a county commissioner for four years and as a deputy sheriff. He had been constable here at Muleshoe for 20 years or so and was active in assisting other peace officers until advancing age forced his retirement.

Pat Bobo, county attorney, said he had never worked with a better peace officer. He said "Uncle Shorty" in his prime was cool, calm and fearless, not given to saying much, and that he possessed an uncanny native ability that made him invaluable in investigations. A brother, "Uncle Pat," also was an early day peace officer here.

He was born in Kentucky September 4, 1867. Mr. Bartley is survived by the following children: Willis of Burk Burnett, a former deputy sheriff here, Newman, Calloway and Sears of Tahoka, Benjamin of Waterman, Calif., Mrs. Lillian Key, Amarillo, Mrs. Jewel Reed of Tahoka, and Mrs. Allene House of Corpus Christi; thirty-two grandchildren, a number of great grandchildren, and a brother, Alex Bartley. Another son Jesse Bartley, also a peace officer here, died last spring.

Mr. Bartley was taken to the Lubbock hospital late Sunday afternoon in a Muleshoe Funeral Home ambulance. The body will lie in state at the funeral home until the hour for final rites, arrangements for which were not announced this morning. Mr. Bartley was a member of the Baptist Church, the Mason and Odd Fellows lodges.

Many Arrests Are Made Here

A man was picked up in Baird last week who was under indictment here on charges of child desertion. He is John Schmidt, Jr. Sheriff "Slick" Clem went down to Baird last Thursday and brought him back here.

The local Sheriff's office last week end arrested a Lynn county man who was wanted at Snyder on an old forgery charge. They also arrested a Colored girl, age 18, here who was wanted at Richmond on a felony charge.

A Ralls citizen was released on bond after being charged with driving while intoxicated.

Two Colored boys were arrested Sunday after the two had engaged in a fight.

Another Colored boy was in jail on charges of parking on a highway without lights. His vehicle is said to have been the cause Sunday night of a wreck at New Home, in which two young men driving a pickup turned over in trying to avoid hitting the parked car.

Three men were jailed here Friday and Saturday on charges of drunkenness.

One "Wetback" was charged with theft by bailor. It is claimed he purloined another Mexican's pants.

Mr. and Mrs. Charles Stewart are spending Thanksgiving with his mother in Glenrose.

Tahoka All-Stars Defeat O'Donnell

Tahoka's ex-Bulldogs defeated O'Donnell's ex-Eagles 12 to 6 in a game played here Tuesday night. In spite of the fact that the boys of both teams were not in condition and had not worked out, the game was a surprisingly good one.

The two teams expect to play a return game at O'Donnell soon, possibly Monday night.

The game was for benefit of the present Tahoka Bulldog team, and funds derived will go into a fund to buy a movie camera with which to take pictures of future games for training use.

Schools Receive Per Capita Fund

A \$200 payment on the per capita apportionment was received by Lynn county schools this week, according to County Superintendent Leore M. Tunnell. This makes a total of \$6,000 already paid on the \$50 per capita the State will pay this year.

Payments are being made by the State this year on the basis of 2,964 students in Lynn county.

Tahoka led all districts in the census enumeration with a net of 1207; O'Donnell had 861, Wilson 480, New Home 313, Grassland 67, and Newmoore 56.

Basketball Workouts Start at THS; Rough Schedule Has Been Arranged

Basketball practice was started Tuesday of this week by Coach this week by Coach Jake Jacobs with twenty-odd boys reporting for work-outs.

The Bulldogs have five non-conference games and one non-conference tournament scheduled before Christmas. The Conference schedule will start this year on January 9 against Slaton here.

District 4A this season again will be divided into two areas, North and South. The two top teams will be determined in each area and those four teams will participate in a tournament to determine the District champion to advance in the play-offs. In the South Half are the Tahoka, Slaton, Post, and Brownfield teams, while the North Half is composed of Littlefield, Levelland, Morton, and Muleshoe.

Coach Jacobs has five returning lettermen from last year's team, and hopes to have a fair ball club. However, like in football, this district is expected to be one of the strongest Class A districts in Texas in basketball. Every team in the district is expected to be a potential district champion.

Returning lettermen on the Bulldog team are: Jackie Slover, Don Brice, Morgan Howie, Ronny Gurley, and Lynn Halameck. Among the other capable and experienced boys out for the team this year: Wayne Tekell, Earl Bartley, James Foster, Bill Scott, Richard Havens, Charles Hyles, John Foster, Steve Slover, Joe Brooks, Richard Carter, Glenn Wells, Jimmy Uzie, and Charles Jones. Others reporting include Clayton Carter, J. B. Ables, John Curry, Kay Waldrip, Roger Hensley, and Kenneth Huffaker.

Thirteen games have been arranged for the season.

(Cont'd. On Back Page)

New '51 Ford On Display Friday

The new 1951 Ford is on display today, Friday, at Bill Strang Motors.

The new car is available in either 100 h. p. V-8 or 95 h. p. six engine, a choice of three transmissions, the conventional overdrive, and the new Fordomatic, a flexible automatic transmission. It also features "centermatic" steering and "double-seal king-size" brakes new "automatic ride control," a more luxurious and durable interior, automatic posture control, automatic mileage maker, and new "safety glow" control panel.

25 Shopping Days Until Christmas!

Recent visitors of Frank M. Sherrod, 94, and other relatives here were two of his nephews, Ed Sherrod of Brownwood and Lee Sherrod of San Saba and two of the latter's married daughters, Mr. Lee Sherrod is an old friend of Rev. Lee Rensour, pastor of the Baptist Church here.

Tahoka Bulldogs Had Good Season Despite Loss To Levelland Friday

The racy, speedy Levelland Lobos won over the fighting but outclassed Tahoka Bulldogs 52 to 0 on the local field last Friday night before possibly the largest crowd of the season.

The game ended Tahoka's season, but the victory carried with it the right to represent this district 4A in further interscholastic League Class A football competition. Tied with the 1949 Slaton Championship Littlefield Wildcats, whom Levelland had defeated the week before 26 to 14, for the district title, the Lobos will represent this district in further play-off competition. This was declared at a meeting in Lubbock Saturday by unanimous vote of the district committee, which is headed by Supt. Vernon Brewer of Tahoka.

Though the Lobos started the season with an unimpressive season, Coach Truett Rattan had evidently brought his boys along rapidly. At least, they were a well-oiled and polished machine Friday night.

The fact that Lynn Halameck, Tahoka tailback and one of the outstanding offensive and defensive stars on the South Plains this year despite his 135 pounds, had received an injured back in the O'Donnell game, and was forced to watch the Levelland encounter from the sidelines, may have made a great difference in the game. The Bulldogs naturally missed him greatly and were lacking in confidence because of his absence. But, it is doubtful if there are many High School teams that could have stopped Levelland Friday night.

They scored the first three times they got the ball to bring the score to 20 to 0 at the end of the first quarter. The Bulldogs held them scoreless in the second quarter. In the third, the Lobos

(Cont'd. On Back Page)

ODDS AND ENDS

(By E. I. The Elder)

I notice that the Tshokh Bulldogs have licked every team they have met that was any thing like their size and have been beaten only by teams whose members were as big as grizzly bears. What we want to know is, Why do high school boys grow so much larger in Post, Slaton, Brownfield, and Littlefield, and Levelland than they grow in and around Tahoka? Well, maybe they just take a

longer time to do their growing. Or, maybe the Tshoka boys are just naturally brighter and finish high school at a more tender age. Guess it is not necessary to appoint a committee to investigate this, but we would like to know How Come?

It will have been a long time after the election when this diatribe gets into print but we are going to say a word or two about Duval county just the same. Duval county's election returns year after year for a quarter of a century or more have been a disgrace to Texas, and this year's returns are true to form. In other words they have either been rotten or they disclose an election that was rotten. When one man or one little clique of men dictates the votes of nine-tenths or a larger percentage of the voters of the county, all in favor of his candidate, regardless of party affiliations, there is something wrong in Denmark. Texas has been disgraced in this manner long enough. We think that leaders in the legislature should get together and put a stop to this brand of political corruption. If the law as it exists is not adequate to deal with the matter, the law should be amended in such a way as to make it adequate.

There is one thing about the result of the recent national election that we like. It will result in curbing the power of a number of pressure groups that have been making the present administration eat salt out of their hands. There will be fewer purely "yes" men in the next Congress than in this one. The most outstanding purely "yes" man from Texas, however, retains his seat—Sam Rayburn.

The war outlook is still bad, as this is being written, but it zig-zags so much between better and worse that it is foolish to undertake today to predict what it will be ten days hence. At times, we think that the United States should begin dropping bombs on Moscow and the Kremlin rather than on those ignorant, misguided, fanatical Chinese Reds, but not being able to look behind the iron curtain and see what may have been hatched out there, we have little idea as to the fury and the ferocity and the venom which such an assault might stir-up. Dr. W. R. White, President of Baylor University, expressed himself publicly a few nights ago to the effect that we should pursue this course. Striking the Chinese Reds in Korea, he declared, was like tugging a snake on the tail in an effort to kill him. Still, it would be foolish for a man to tackle a rattlesnake's den unless he knew how many rattlesnakes were in it and ready to strike back. Some of us think that it might be better to put the onus of aggression on the Soviet's Uik rather than to enable the Russians to cry to the world that the United States or the United Nations started the war. But we do believe that we should go the full length suggested by President Truman when he warned the Russians that we are going to meet aggression wherever it appears. We must be careful to keep the sympathy and cooperation of the democratic nations of the world wholeheartedly on our side.

Some raise the criticism that by fighting the satellite nations one at a time we are thereby exhausting our resources before the main and final attack by Russia is made. But they fail to see that every time we lick a Russian-backed satellite nation like North Korea, we have to that extent defeated Russia herself, driven her back, crippled the morale of her own people to some extent, and destroyed the confidence of other nations in her ability to win. There is nothing that succeeds like success and nothing that discourages and defeats like failure. Suppose that the United States and the United Nations had fol-

THE AMERICAN WAY

It's Time To Swing The Big Stick

lowed the policy suggested by her ice-hold in North Korea. We think that the U. S. and the N. have followed the only wise and practical policy open to us, so far.

We must do two things. We must strike the snake of Communism wherever and whenever he invades the territory of free and independent nations accessible to us, and on the other hand, we must avoid the very appearance of unjustified aggression and conquest on our own part. And never think, Brother, that we were striking only the snake's

tail when we struck the Communist who had invaded South Korea and drove them back and out. We are striking the snake's head. Subsequent facts have shown to the world that Russia inspired and had prepared the North Koreans to make the at-

tack on South Korea and she has further shown that she inspired the Chinese Reds to join in the (Continued)

Go to Church
Come home to a good dinner all cooked and ready to serve

"We attend Sunday School and Church every Sunday and we always eat a hearty meal when we get home. Quite often we put a roasting chicken, potatoes, string beans, and pie in our Chambers retained heat super-oven... burn the gas 20 minutes... turn it off and leave for church. No matter when we return, a delicious, piping hot dinner is waiting for us. A Chambers Range is really wonderful but we are particularly grateful for this Sunday convenience."

CHAMBERS—cooks with the gas turned OFF!

"WHAT D'YA MEAN... MORE PAYLOAD?"

DODGE "Job-Rated" trucks GIVE IT TO YOU!

IT'S A MATTER OF better weight distribution

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

NOT THIS The payload on most trucks—like the girl in this boat—rides too far to the rear. Result: there's too much weight aft, not enough forward.

BUT THIS In "Job-Rated" trucks, the load is moved forward—as the girl is now positioned. Result: proper weight distribution—bigger payloads—easier handling.

NEW! gyro FLUID DRIVE! Available on 1/2-, 3/4- and 1-ton models... for longer truck life, lower upkeep costs. Ask us for interesting Fluid Drive booklet.

POWER:... 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY:... priced with the lowest "Job-Rated" for dependability and long life.

BIGGER PAYLOADS:... carry more without overloading axles or springs because of "Job-Rated" weight distribution.

EASIER HANDLING:... sharp turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT:... widest seats... windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY:... finest truck brakes in the industry... hand brake operating independently on propeller shaft on all models—1/2-ton and up.

Job-Rated for low cost transportation

WATCHES — DIAMONDS — GIFTS

will celebrate their thirty years of service on exactly the same day, December 1, 1950. D. C. Carroll will celebrate his thirtieth anniversary in the service next March 1, 1951.

Mr. Reddell, who has served the Texas Rural Letter Carriers Association as president for two years, started carrying the mail on December 1, 1920, at Chico, Texas. After 16 years and 7 months on this route, he moved to Tahoka July 16, 1937, to succeed S. A. Fain, and has been the mail carrier on Route 1 ever since.

He started carrying the mail at Chico in a buggy, over a 23-mile route. He had many interesting and trying experiences in those days of his rural mail service. Sometimes making his round was very difficult, even in a buggy, for the roads were poor. On one occasion, while attempting to cross a creek which was on a rise, he missed the culvert and his horse and buggy were washed down stream.

Four years after starting at Chico, he bought a Model T, and when he left there, his route had grown to 63 miles in length and had 225 boxes. His present Tahoka route covers 70 miles, and has 154 boxes.

H. L. Roddy began his service with the Postoffice Department on the same day, December 1, 1920, out as a postoffice clerk, at Foney Grove, and he missed the horse and buggy experience of the carriers of that day. He moved to Hico January 1, 1922, as

a clerk, and on September 1, 1930, he traded for a carrier job at Runge, where he had a 28-mile route and 125 boxes. He moved to Yorktown July 16, 1931, where he had a 69-mile run serving 206 boxes. Then, on July 1, 1937, he moved to Tahoka to succeed L. D. Gilderleeve. His route here, No. 2, is 76 miles in length and has 160 boxes at the present time.

D. C. Carroll has been serving Route 3 out of Tahoka only a boy five years, but he started work as a rural carrier on March 1, 1921 at Lanier, Oklahoma. Like Mr. Reddell, he then served his route using a horse and buggy or a saddle horse as a means of transportation, but got himself a Model T in 1925. His route there covered 24 miles and served 120 boxes.

Leaving Lanier March 1, 1937, he "chased around" a few years, serving as a carrier out of Paris from March 1 to December 1, 1937. He had a route out of Ladonia from then, until April 1, 1940, when he moved to DeKalb. He had plenty of headaches on this route of 64 miles and 278 boxes. His route served 350 families of Negroes, in addition to the White folks, and many times it

does or more Negro families got their mail in the same box.

He moved to Tahoka March 1, 1945, and since has been serving the patrons of Route 3, Tahoka, which is 61 miles in length and has 90 boxes.

Mrs. Vernon Brewer and her father, Chas. Moorhouse of Benjmin, visited her brother in El Paso this week.

SINGING AT PETTY

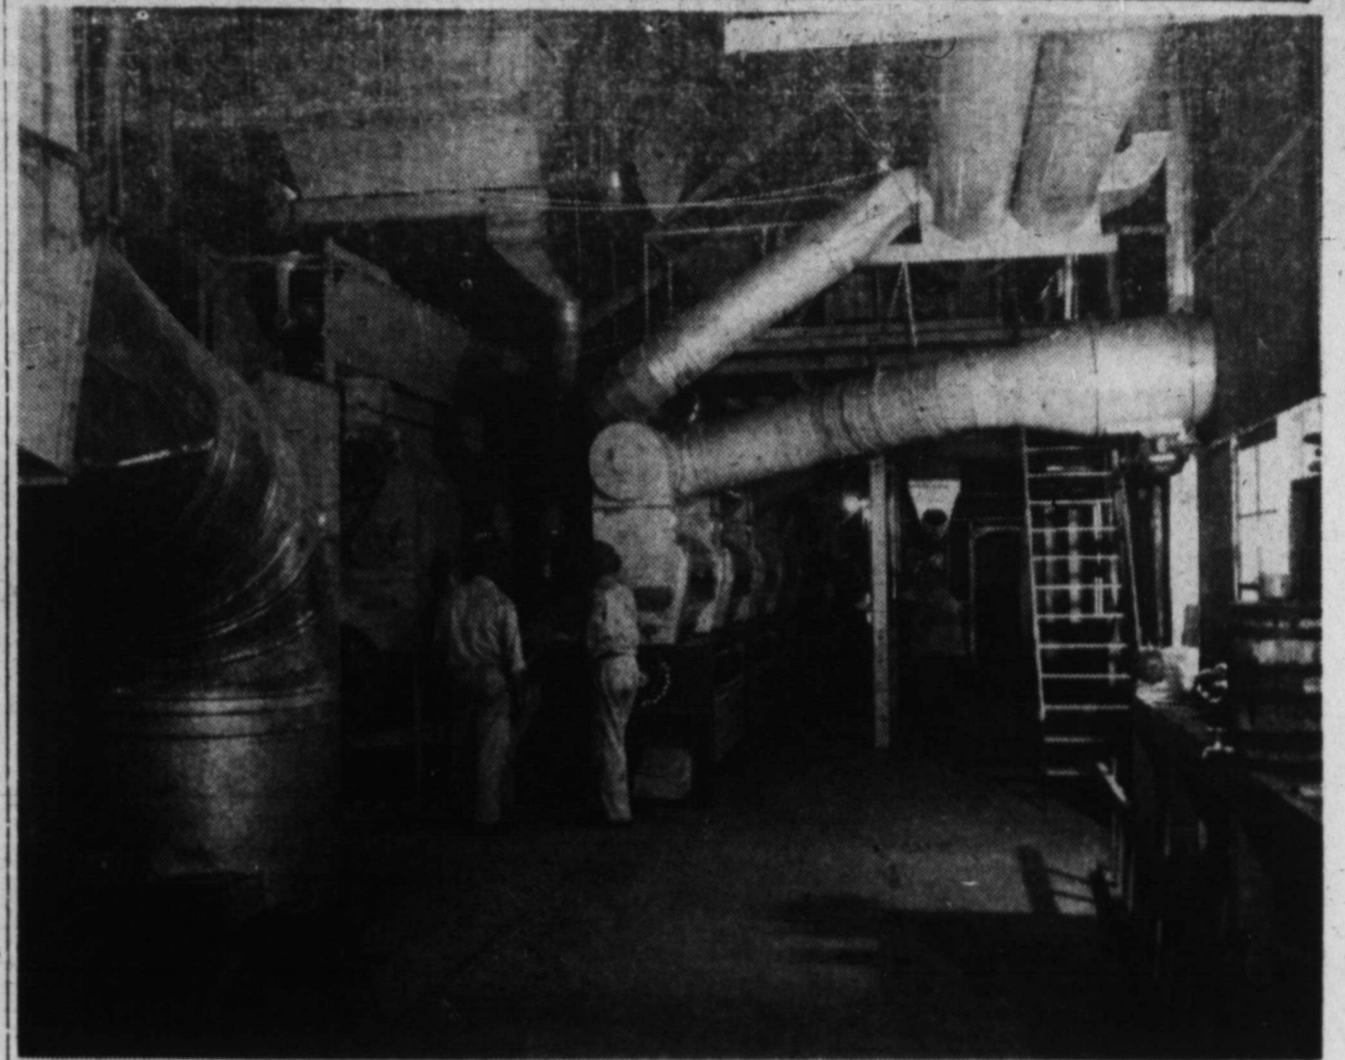

There will be singing Sunday, November 26, at 2:30 p. m. at the Petty Baptist Church. Everyone is invited to come and sing. —Reporter.

Prospective purchasers of washing machines should check the advantages and disadvantages of the automatic and non-automatic types before making a purchase.

TURKEY DINNER SERVED

Turkey dinner was served as a special Thanksgiving treat at all the school lunchrooms in Lynn county Wednesday of this week, according to Lenore M. Tunnell, county superintendent.

Most of us don't trust people for two reasons: First, because we don't know them; and second because we do.

Now As Then—

Today, as our forefathers did, we celebrate Thanksgiving with a deep appreciation for His generosity. But now, as then, we are faced with the necessity of carrying arms to protect ourselves from forces of darkness that threaten to smother the light of liberty. Yet, with faith in Him we are certain that liberty will conquer, as it did then.

O'Donnell Has Fair Grid Season

O'Donnell Eagles ended their 1950 football season Friday night by dropping to District 5B conference game to Seagraves 38 to 18.

Saturday Meadow was declared the district champion, though tied with Seagraves each having won six and lost one, by reason of Meadow having won its game over Seagraves. Meadow will play Station of District 6B for the bi-district championship at Brownfield Friday night at 7:30 o'clock.

Leroy Gass of O'Donnell was named to the all-district team. O'Donnell boys making the second team were Kellas Davis, Don Vaughn, and Roger Line, and Roger Doss received honorable mention.

Long a competitor in Class A, O'Donnell dropped to Class B competition this year, where it found the going rough also. However, the O'Donnell team was possibly not up to par on material and experience this year.

The Eagles managed to win five against five losses. In conference play, the Eagles won three and lost four, finishing up the season behind Meadow, Seagraves, Sundown, and Whiteface, and ahead of Ropesville, Plains, and Wellman.

In the game with Seagraves Friday, O'Donnell scored first on a 57 yard pass play from Leroy Gass to Kellas Davis. Seagraves scored twice in the second period to lead 12 to 6. On the third play starting the second quarter, Gass went through the line and 72 yards to score. Seagraves bounced right back to score again, and on the kickoff Gass returned the ball 85 yards to score again. Seagraves wrapped the game up in the final period with two more scores.

Mack-White Weds Lubbock Girl

Miss Shirley Mary Harrison, daughter of Mr. and Mrs. H. A. Harrison of Lubbock, and Mack White of Happy, were recently married in a single-ring church service read in the Canyon First Methodist Church by Rev. J. R. Sharp, pastor.

The bride attended Canyon High School, Lubbock High School, and West Texas State College. Mr. White was graduated from Happy High School and West Texas State College. He is a teacher in the Tahoka schools.

Considering the fact that so many inexperienced people marry, it's no wonder there are so many divorcees.

China, Korea and Japan smoke and gnuff, but surely, if ever, chew.

STABBING NEURITIS PAIN EASED FAST!

Use new SURIN Ointment and see what ultra-fast relief it gives from local superficial pains of arthritis, rheumatism, neuritis, bursitis, sciatica, lumbago* as well as fatigue and muscular aches and pains of simple colds. SURIN is brand new—revolutionary! It is based upon a new application of a principle. SURIN contains a powerful modern research drug that dilates surface blood vessels when applied where local pain is present. SURIN works 2 ways (1) by increasing local blood supply (2) gets faster action by SURIN's selected analgesic and relaxing agents. When you apply SURIN you feel an cooling warmth. Then follows joyful relief lasting 1 to 3 or more hours. SURIN treats the pain at the point of pain. It gives absolute, temporary relief fast. SURIN is safe, dependable. No internal dosing—use it locally. SURIN is new! Unlike old-fashioned ointments and liniments! Has a new creamy-white, smooth ointment base. Easily applied and washed off. Does not stain washable fabrics. Money back at your druggist if not satisfied.

*SURIN is not intended as a cure or treatment of those diseases. It is to be used only for temporary relief of local superficial pain.

GET PAIN RELIEF!—GET SURIN!
Tahoka Drug

Editor At Home Last Week End

E. L. Hill, editor of The News, who has been staying in Waco most of the time the past few months, was here from Friday on Tuesday. He was accompanied to Tahoka by his sister, Mrs. Alice Martin of Waco.

Also visiting in Tahoka over week end were the editor's daughter, Mrs. Myrtle Rochelle of the Texas Unemployment commission office in Lubbock, and his two grand daughters, Anita and Sara Sue Rochelle.

Editor Hill's older brother, Wm. Hill of Eddy, suffered a broken hip last January and still is confined to his bed, and the Editor is spending much of the time with him. He is also visiting with two other sisters in Waco, Miss Mary Hill and Mrs. Belle Allen.

New Grade School Opened At Post

(Post Dispatch)
 Some 2000 people attended the open house held Thursday night of last week at the new grade school, Principal D. C. Arthur announced.

Pupils moved in Monday, along with three new teachers. New teachers are Miss Lola McWhirter, first grade; Mrs. Almon Martin, second grade; and a Mrs. Harding, third and fourth. There are now 20 teachers in the grade school and 661 pupils.

Lunch is being served in the old school lunchroom until the new lunchroom is completed. Arthur said it would be finished about January 1.

Recent experiments show that good pastures produce as much livestock feed per acre as high yielding corn or grain sorghums on the same type of land.

This Week's Games
 Levelland vs. Spur at Lubbock (Bi-District game).

Mrs. Lenore M. Tunnell, county superintendent, is attending the annual convention of the State Teachers Association meeting in San Antonio this week.

Dairy cows that averaged 200 pounds of butterfat in the Dairy Herd Improvement Association of the nation in 1949 consumed \$131 worth of feed and returned only \$121. Thus a cow that produced only 200 pounds of butterfat actually cost the producer a loss of \$10.

Farmers during the year should protect all milk require liquid for cooling good anti-freeze. Radiators be cleaned and flushed connections should be and worn hose should be before the anti-freeze ed.

If you want to be invited again—member your hostess with one of beautiful corsages or a table arrangements.

**PFC CHAS. PENNINGTON
MARRIED RECENTLY**

Local relatives have received
word of the marriage of Pfc.
Chas Pennington of Tahoka and
Miss Ruth Jones of Tucson, Ariz.,
in Oakland, Calif., on Nov. 8,
by Rev. Greenwald.

They spent their honeymoon in
Oakland, and are now at home in
the Melrose Hotel in Pittsburg,
California.

The bride is the daughter of
Clyde Jones of Tucson. The
couple met while Mr. Jones was
here in 1947 building the farm-to-
market road. She is a 1950 grad-
uate of Tucson High School.

Pfc. Pennington is the son of
Mr. and Mrs. D. J. Pennington
of Tahoka and a graduate of the
local high school. He entered the
service March 25, 1948, and served
for 22 months in the Philipine
Islands. He now is stationed
at Camp Stoneman, Calif., and is
working at the Base Hospital. He
graduated from Brooks Medical
Center at Fort Sam Houston in
August, 1948, as an Enlisted
Medical Technician. He was home
last August while on a 51-day
leave.

Congratulations:

Mr. and Mrs. Frankie Stewart
of Lubbock on the birth of a son
at 12 noon Sunday in a Lubbock
hospital, weighing 7 pounds and
12 ounces. The grandparents are
Mr. and Mrs. J. Frank Stewart
and Mr. and Mrs. Carl Williams,
all of Tahoka. The young fellow
has been named Franklin Carl
for his two grandpas. Mrs. Stew-
art is the former Miss Lena Wil-
liams. Frankie is employed at
the American State Bank in Lub-
bock.

Mr. and Mrs. R. A. Bradley on
the birth of a son weighing 8
pounds in an Albany, New York
hospital Saturday morning. He
has been named James Marshall.
The father is Western Union op-
erator at the Santa Fe station
here. Mrs. Bradley has been visit-
ing her parents in Albany sev-
eral weeks while awaiting arrival
of the baby.

Mr. and Mrs. Edward Bartley
on the birth of a daughter weigh-
ing 6 pounds 15 ounces at 10:45
a. m. Friday in a Lubbock hos-
pital.

Mr. and Mrs. Theo Campbell of
Wilson on the birth of a son
weighing 7 pounds 10 ounces at
11:37 a. m. Sunday in a Lubbock
hospital. Mr. and Mrs. Pat Camp-
bell and Mrs. Lou's Shambeck
are the grandparents.

HAS HEART ATTACK

E. S. Tippit is a patient in
Stupp Clinic following a heart at-
tack he suffered last Saturday.
He is reported to be improving.

Mrs. Frances Chestnut spent
Tuesday in Amarillo attending a
Chevrolet business management
meeting. Mrs. Chestnut is an ac-
countant for Bray Chevrolet co.
here.

**BAPTIST WMS VIEWS
MOVING PICTURE**

Ladies of the First Baptist
Church W. M. S. met Monday af-
ternoon at 3:30 o'clock for a
special feature, a moving picture
entitled "The Romance of a Cen-
tury," which depicted the history
of Baptist work.

There were 33 ladies present.
The banner for high attendance
was won by the Lunsford Circle,
which had 13 ladies present.

Following the show, the Circles
met individually for short busi-
ness sessions.

Next Monday, beginning at 10
o'clock a. m., the W. M. S. will
meet at the church for an all-day
Mission study. The book, "High-
ways in the Desert," will be
taught by several ladies.

At Monday's meeting, Mrs. W.
P. Hutchison resigned as presi-
dent of the W. M. S. to accept a
position as a teacher in the Ta-
hoka public schools.

Form Civic Club At New Home

A men's service club to be known as New Home Civic Club is in the process of being organized in that community, according to Olin Rice, vocational agriculture teacher in the school there.

CHURCH OF THE NAZARENE WELCOMES YOU

Rev. Clarence H. Mosley, Pastor
 Sunday School 10:00 a. m.
 Morning Worship 11:00 a. m.
 Evangelistic Sermon 8:00 p. m.
 Junior Services 7:30 p. m.
 Mid-Week Prayer Service
 Wednesday 7:30 p. m.

About thirty men attended the organization meeting at which officers were elected, and all men of the community will be invited to affiliate with the group.

The general purpose of the club is to promote the activities of the community, vocational agriculture and farming, the school, etc.

Mr. Rice was elected president of the club. K. Moore is vice president; Joe Unfred, secretary-treasurer; Dub Thompson, reporter; W. C. Gould, tail twister. These men and B. A. Morrow, Donald Caudle and Morris Renfro compose the board of directors.

100-Year Old Lady Has Relative Here

Mrs. N. B. Thornton, a great, great aunt of Mrs. Joe Vandyke of Tahoka, recently celebrated her 100th birthday at the home of a grandson, Morey Bussell, with whom she lives, 17 miles from Friona.

Born in Mississippi, she came to Texas with her parents at the age of eight. She married Thornton at the age of 18, lived near Fort Worth and later in Shackelford county. She remembers many Indian encounters in that area. A nephew was kidnapped at the age of seven, and lived with the Indians 10 years before returning home.

According to a news story in the Fort Worth Star-Telegram Tuesday, she spends much of her time knitting, tating, reading the Bible and writing letters. She attributes her activity to exercise, her "workouts" consisting of cart-wheel motions with her arms and kicking her feet while seated.

The law requires that you have a reason before you can get a divorce. Why not require one to get married?

DIVIE H. D. CLUB NEWS

Members of the Dixie Home Demonstration Club met November 15 in the home of Mrs. Elmer Sproles.

Roll Call: An Idea for Christmas Decorations.

Members are to bring a Christmas dinner recipe to the next meeting. During the business meeting officers were elected for the ensuing year as follows:

Mrs. A. L. Dunagan, president; Committee Chairmen: Mrs. G. L. Cobb, year book; Mrs. T. D. Dunlap, finance; Mrs. Charlie Lickney, marketing; Mrs. T. D. Lishman, recreation; Mrs. Elmer Sproles, exhibits; Mrs. B. C. Aycox, education.

Refreshments of fruit cake, coffee, cocoa, and mints were served to three visitors, Mrs. M. D. Hallmark, Mrs. W. R. Warren, Nancy Draper and 12 members.

Mrs. E. R. Tunnell will be hostess to the next meeting on December 6 in her home. —Reporter.

THANKSGIVING---

... In grateful memory of the courageous band of early settlers who withstood starvation and hardships . . . and, out of whose historic struggles this great nation was born!

THE First National Bank

of Tahoka, Texas

MEMBER OF F. D. I. C.

Thanksgiving

For 329 years, since the first year after the original colonists landed at Plymouth Rock, Americans have paused following the harvest season to offer Thanksgiving for the benefits that have been theirs.

There have been lean years as well as those that were bountiful. Peace—the credo of all Christian men—has in some years been replaced by warfare and strife. But on every Thanksgiving occasion there has been much for which we—and our forefathers—could give thanks.

At this Thanksgiving season there will be those of us who will discount the riches and blessings that have been our lot. But now—as never before in history—humanity looks to the United States for Thanksgiving. And all our people can be thankful that we share our bounty with the peoples of other lands in the cause of a permanent peace.

Basketball

(Cont'd. From Page 1)
scheduled in addition to three
tournaments, the latter being at
Levelland, Abernathy, and Tulsa.
No puzzles were pulled in ar-
ranging the schedule, and it will
take a good team to win a
majority of the games. However,
this year's schedule should give
the fans an opportunity to see a
high class of basketball.

The schedule for the season
follows:
Dec. 5, Abernathy here.
Dec. 8, Levelland there.
Dec. 12, O'Donnell here.
Dec. 14, 15, 16, Levelland
tournament.
Dec. 19, Abernathy there.
Dec. 21, Seminole here.
Jan. 5, O'Donnell there.
*Jan. 9, Slaton here.
Jan. 11, 12, 13, Abernathy
tournament.

*Jan. 16, Post there.
Jan. 19, 20, Tullia tourna-
ment.
*Jan. 23, Slaton there.
*Jan. 26, Brownfield here.
Jan. 29, Seminole there.
*Feb. 2, Post here.
*Feb. 9, Brownfield there.
*Denotes conference games.

On most of the above dates
both the A and B teams will play.
This year, the A game at home
will be played at 7:30 p. m. with
the B game following at about
8:30 p. m. In the past, the B
team has played first.

The new arrangement is being
tried in an effort to increase the
interest and the crowds. Though
Tahoka has had fair to excellent
teams the past few years, the
fans have not given the teams
the support they deserve. Some
fans have thought the A game
was played too late, while others
did not wish to attend the B
games. The switch is being made
just to see if the new arrange-
ment will produce better crowds.

Football

(Cont'd. From First Page)
added three more TD's to ice the
game away, and Rattan began to
pour in his reserves, who scored
two more touchdowns in the
fourth period.

Left Half Perry Heard scored
first on Levelland's first play
from scrimmage on a 58-yard
gallop. Quarterback Don Wise
passed to Fullback Dean Waltrip
for the next, a 21-yard scoring
play. Back Zack Reid rammed
over the next on a quarterback
break. Opening the second half,
Heard took the kickoff and went

90 yards to score. On the visitor's
next drive, Halfback Hayes plunged
over guard to score. Wise
passed to Halfback Jim Kennedy
to set up another score, with Ken-
nedy carrying over on the next
play. Wise bootlegged the ball
and scooted around right end for
46 yards to score. Dan Houck,
substitute back, scored the final
touchdown from nine yards out
on a pitchout.

Charles Hyles, 125-pound sub-
stitute tailback, called a good
game. The Bulldogs moved the
ball down inside the 10 on one
occasion, but could not get to
pay dirt. On one other occasion,
a substantial drive bogged down
inside the visitor's 40. Short end
Foster several times got away for
some nice runs, but the rangy,
fast-charging line simply stemmed
the Bulldogs. On defense, the
Bulldogs tackling was faulty.

However, both the line and the
backfield put up a gallant fight
and never quit until the final
gun. The boys did their best, and
there were no alibis.

Tahoka has an equal chance
with most of the schools in the
district to build winning teams,
but it is almost impossible to
build teams in a school of less
than 1,000 students that can com-
pete year in and year out with
such schools as Littlefield, Level-
land, and even Brownfield.

Opening this season, the Tahoka
Bulldogs faced a dismal out-
look. The fans expected them to
win possibly one or two games on
their rough schedule.

Coach Joe Turner, who came
here from Nocona, and his as-
sistants, replaced the T-formation
with the single-wing and varia-
tions. They had a small group of
good little boys who were willing
to fight and to learn.

They opened the season with a
conference game, against Mule-
shoe, and lost 13 to 0—but the
boys came to realize in that game
that they could and would win
some ball games.

Brownfield was next. Having
been in Class AA several years,
the Cubs were figured a leading
contender in District 4A, but a
fighting bunch of Bulldogs went
out and handed the big Cubs an
18 to 0 thrashing, from which
that team did not recover its
morale until late in this season.

Morton was doped to whip Tahoka,
but the Bulldogs out fought
the Indians to win 13 to 0.
Next week-end, the sports writ-
ers picked Slaton over Tahoka,
and the Tigers led the Bulldogs

Edwards Dies

(Cont'd. From First Page)
and Harold of Houston, Edgar of
Midland, and Skinny of Dallas.
He has many relatives and
close friends in this section. A-
mong the relatives from here at-
tending the funeral were: Mr.
and Mrs. Deck Dunagan, Mr. and
Mrs. Pete Curry, Mrs. Harlan
Cook of Lubbock, M. H. and
Homan Edwards, Cecil Hickerson,
and Mr. and Mrs. John Burleson
of Lubbock. Others at the funeral
included: J. W. Elliott of Tahoka,
Dan Davis of Amarillo, and Mr.
and Mrs. Sherman Davis of Lyb-
bock. Mr. and Mrs. Dunagan were
at his bedside for several days
after his injury.

We Give
Thanks

Bumper crops, bustling factories, more
jobs and new homes... all these are
cause for sincere thanksgiving on this
purely American holiday. But above all,
we give thanks for our greatest wealth
of all. We give thanks for the freedom
we enjoy... freedom of speech and re-
ligion as well as freedom from fear and
want. To do as we will, to live as we
want, here lies our true wealth.
