Bill Draper, 19, Is Wounded In Korea, Recuperating In Japan

Lynn Prospector Cuts Dean Sand, Is Running High

Surray Oil corporation No. 1 Scho-Sumay-Ernst, a northwest Lynn county wildcat, is nearing the base of the Dean Sand, a lower Permian formation.

Located approximately 15 miles northwest of Tahoka, the venture was drilled Wednesday below 8,406 feet in lime and shale. Operators hope to reach the base of the Dean at approximately 8,600 feet. Top of the Dean was picked by samples at 8,170 feet.

On top of the San Andres, a higher formation, the No. 1 Ernst was approximately 200 feet high to the two producers in the Mound Lake-Pennsylvanian pool, six miles to the southwest and across the line in Terry county. The No. 1 Ernst topped the San Andres at 4,185 feet, on an elevation of 3,252 feet.

The wildcat is projected into the Pennsylvanian with an approximate depth of 10,500 feet. Reef production in the Mound Lake area is from 9,400 feet.

Drill site is in section 140, block 12, EL&RR survey about halfway between Lakeview and Petty.

Cotton Ginnings Are Near 95,000

Lynn county cotton ginnings from the 1950 crop are crowding 95,000 bales, with an estimated 1,500 to 2,000 bales yet to be ginned. This estimate is made by The News based on previous reports on the county as a whole compared with Tahoka's ginnings and reports from other ginners, cotton men, and farmers.

Up to this Thursday, Tahoka had ginned a total of 17,370 bales, 554 bales since the report of two weeks ago, December 20. It is very doubtful if the final figure will reach 100,000 bales, however the crop has turned out much better than almost anyone anticipated.

The "hickory-nut" bollies have turned out extraordinarily well. One farmer told The News Wednesday that he might have 7 to 10 bales yet left in the field which he expected to harvest.

Start Work On Buick Building

Brick and tile laying was begun Thursday on the new Shambeck Buick building being constructed at the corner of Main and North Fifth. Completion is expected within 30 to 60 days.

The building will be modern in every respect, 65 by 125 feet in size. Practically all materials are on the ground for the structure. Alvin and Willie Shambeck are the owners.

MRS. TUNNELL ATTENDS EDUCATIONAL CONFERENCE

Mrs. Lenore M. Tunnell, county superintendent of schools, left Wednesday for Austin, where she is attending the 1950-51 Mid-Winter Conference on Education. She expects to be back Saturday.

The conference will discuss Texas educational problems, especially the school transportation problem.

Congratulations:

Mr. and Mrs. J. H. Gass, O'Donnell, on the birth of a daughter weighing 5 pounds 11 ounces at 2:58 a. m. Thursday in Tahoka Hospital.

Mr. and Mrs. Raymond Samudio on the birth of a daughter six minutes after the beginning of the New Year, January 1, at Tahoka Hospital. She has been named Cecilia. "Shorty" Gonzales, Hospital custodian, is grandfather of the child.

Dimes Drive Chief

Heading the nationwide March of Dimes, January 15-31, is Basil O'Connor, president of the National Foundation for Infantile Paralysis. Citing severe toll taken by infantile paralysis in past few years, Mr. O'Connor urged all Americans to join the crusade against polio, only epidemic disease still on the increase in the United States. This will be the 14th successive year that Mr. O'Connor has headed the annual polio fund campaign.

Bill Guinn Dies At San Angelo

W. A. (Bill) Guinn, 56, well known by most Lynn county old-timers, died at San Angelo Wednesday of last week after a long illness. Funeral services were held Friday.

Mr. Guinn formerly lived at Slaton, but about 11 years ago bought a ranch 27 miles southwest of San Angelo, near Knickerbocker postoffice. His wife is the former Mozelle Dyer, daughter of the late Mr. and Mrs. J. V. Dyer, pioneer settlers east of Tahoka. Besides the wife, he is survived by one brother, B. G. Guinn of Slaton.

In recent years, Mr. Guinn is reported to have become exceedingly well-fixed financially. Having no children of their own, the Guinns are reputed to have educated at least seven orphan children and to have quietly engaged in other philanthropic enterprises.

Among those from here attending the funeral were Mr. and Mrs. M. E. Morris and grandson, "Sonny" Morris of Gordon, Mrs. G. E. White of Dixie, Mr. and Mrs. Dyer White of Lubbock, and Mr. and Mrs. George Small of Tahoka.

Six Tahokans Get In Army Air Force On New Year's Day

Six Tahoka youths went to Lubbock Monday, enlisted in the U. S. Army Air Force, and left Lubbock at 7:30 p. m. that day by bus for Amarillo for immediate assignment.

The six are: Eddie Banks, 23, John Henry, 18, Tommy Chandler, 19, N. M. Barham, 20, Garner Barham, 18, and Alvin Crowell, 20. All are former Tahoka High students, and all but Banks are former members of the Tahoka Bulldogs football team.

The boys met in down town Tahoka Monday morning. Someone suggested that they would all soon be in the service and they ought to enlist to "keep out of the walking Army." They decided to go to Lubbock and see what they could do.

SHAWN TO COLORADO CITY

Wayne Shawn has resigned his position as assistant cashier at the First National Bank and moved to Colorado City, where he is to become manager of the book-keeping department at the City National Bank.

Mrs. Roland W. Clem has accepted employment at the First National here.

NONE HURT IN WRECK

No one was injured but two cars were badly damaged in a collision on the Lubbock highway Tuesday night. One car was driven by R. W. Fenton, Jr., and the other by Alvin Shambeck.

County Bank Deposits of Over 15 Million Dollars Is New Record

Inaugural Parade Will Not Be Held

The Lynn County Sheriff's Race will not make the trip to Austin on January 16, as planned, for the inauguration of Governor Allen Shivers, Sheriff "Slick" Clem, president of the organization announces.

Plans for the inauguration parade have been canceled because of the seriousness of the international and domestic situations.

The local posse had made plans to participate in the parade, had chartered a bus and made hotel reservations.

Mr. and Mrs. Billy (Shorty) McNeely moved the first of this week from Whiteface to Hale Center. Shorty is employed by the Santa Fe railway.

Mrs. M. E. Morris Learned To "Spike Type" On The News

While in The News office on business a few days ago, Mrs. M. E. Morris of Gordon revealed that she learned to "spike type" by hand in The News office a long time ago, before the Linotype came into use in the country weekly shops.

In fact, she has been a reader of The News most of her life. Her father, the late J. V. Dyer, as she remembers it, started taking The News in 1904. The family moved to a farm east of Tahoka in 1905.

Mr. and Mrs. H. C. Crie were editors of The News at the time, and she and the Crie's daughter, Julia, now Mrs. Sumner Clayton of O'Donnell, became fast friends. In about 1909, the Cries taught her to "hand spike" type for The News.

She recalls that The News office was then located in a little wooden building on the north side of the square about where W. M. Harris store now is located.

COUNTY OFFICIALS SWORN IN MONDAY

Crop Insurance Available Again

Farmers of Lynn County are being offered cotton crop insurance on their 1951 cotton for the first time since 1947. According to Clinton M. Walker, administrative Office of the Lynn County PMA, this insurance program is different in many respects from the old Federal Crop Insurance Program.

The cotton crop insurance policy for 1951 is a monetary coverage policy instead of the old commodity coverage policy under the old program. This insurance guarantees the farmer that he will get back a specified return from his crop, which about equals his investment in the crop.

This insurance protects the farmer from unavoidable losses due to drought, hail, freeze, insect infestation, excessive rain, fire, tornado, flood, wind, frost, etc. The insurance will attach when the cotton is planted and will cease when the cotton is removed from the field.

Landlords, tenants, and sharecroppers are eligible to participate in this program. Each person who takes the insurance will have only his share in the crop insured. For further information on the premium rates and coverage, interested persons are urged to call at the PMA Office in Tahoka by not later than January 31, 1951.

Many Fined In Local Courts

A Tahoka man was fined \$500 and costs in County Court here Tuesday before Judge Walter M. Mithis on a plea of guilty to aggravated assault against a young lady.

During the past week, charges were filed against 11 men for gambling, two for drunkenness, and one for reckless driving, and three for speeding. The charges were filed by City Police and the Sheriff's Department.

Deputy Sheriff Otis Curry returned home Tuesday night from Navasota, where he went to take custody of a local Negro, wanted on a charge of theft by bailie.

Ayer New Owner Thompson Cleaners

Granvel Ayer announces this week that he became owner of Thompson's Cleaners on January 1, having bought the business from Terry Thompson. For the time being, at least, the business will operate under the same firm name as in the past.

Mr. Ayer is an experienced cleaner, having been with Mr. Thompson for 16 years. He states there will be no radical policy changes in the business.

Mr. Thompson has not announced his plans for the future, but The News understands that he does not plan on leaving Tahoka.

Tahoka P-TA Will Meet Thursday

Tahoka P-T. A. meets next Thursday, January 11, at 7:30 p. m. in the school cafeteria.

The Juniors will be in charge of the program. Mrs. Bartley and Mr. Tubb are the Junior sponsors. We are sure the program will be very enjoyable.

We hope one of your New Year resolutions will be to attend the P-T. A. meetings during 1951.

Please note the change in the place of meetings. —Reporter.

Mrs. C. L. Walker, who has been ill in Tahoka Hospital for two or three weeks, was expected to be able to go home Thursday or Friday.

Mrs. C. L. Walker, who has been ill in Tahoka Hospital for two or three weeks, was expected to be able to go home Thursday or Friday.

Pictured is the "Texas Recruit Platoon, recruited from the state of Texas during World War II. During the period 5 through 25 of January, 1951, the Marine Corps Recruiting District of Dallas, which includes Tahoka, will enlist a "North Texas Marine Recruit Platoon." This platoon composed of men from North Texas, will be sent as a group from Dallas, to the Marine Corps Recruit Depot, San Diego, California, on the 27th of January.

Men from Tahoka may make application to become a member of this platoon by applying at the Marine Corps Recruiting Office located at The Post Office Building, Room 200, Lubbock, Texas. (Official Marine Corps Photograph).

A new all-time high of \$15,258,209.42 in bank deposits has been set by the three Lynn county banks as of December 30, 1950. This exceeds the previous record by \$3,633,130.91 set in December 31, 1949, when the three banks had a total of \$11,625,078.51 on deposits.

Loans and discounts of the three banks are listed at a total of only \$791,139.86 as against \$764,984.93 last year.

Total assets of the three banks are \$15,754,427.75.

Resume Light System Work

Work has been resumed by Southwestern Public Service company on installation of the new street lighting system for the City of Tahoka.

Steel standards and hold-down bolts arrived during the holidays, according to W. G. (Bill) Clarke, local manager of the company, the arrival of which has been holding up the work.

Mr. Clarke says this material barely got through in time to beat the priority dead-line.

This material will permit installation of the 43 down-town mercury vapour and park lights. Work of installing these down-town standards was started this week.

Most of the residence section lights have already been installed. Two crews are here now working on the system, and the entire lighting system will be completed just as quickly as possible.

Editor's Brother Died Tuesday

William F. Hill, 80, brother of Editor E. I. Hill of The News, died at 1:40 p. m. Tuesday at his home in Eddy, McLennan county. He was a retired banker. Funeral services were held Wednesday.

Mr. Hill was known by a number of Lynn county people who came from that section of the state.

He visited here early last January, when Mrs. E. I. Hill was buried, but shortly after returning home fell and broke a hip. He had been in a serious condition since but recently had shown some improvement until he took a turn for the worse a few days ago. His wife died about two years ago.

Survivors include: two brothers, E. I. Hill of Tahoka and Dr. J. A. Hill of Canyon; and five sisters, Mrs. Belle Allen, Mrs. Alice Martin, and Miss Mary Hill, all of Waco, Mrs. E. R. McCauley of Moody, and Mrs. Sam Monroe of Stephenville.

Bulldogs Play Slaton Tuesday

Tahoka Bulldogs will open their 1951 conference basketball season with the Slaton Tigers in the Tahoka gymnasium next Tuesday night at 7:30 o'clock. A game between the two B teams will follow.

Tonight, Friday, Tahoka goes to Seagraves for non-conference games, and Seagraves will come here Thursday night of next week.

Games had been scheduled with O'Donnell there tonight, but these contests have been postponed until February 5 in order that O'Donnell may enter a tournament this week-end.

Coach Jake Jacobs' boys have been showing much improvement in recent pre-Christmas games, and may be expected to put on a display of good basketball in the games with Slaton.

MRS. J. H. KUYKENDALL BREAKS RIGHT WRIST

Mrs. J. H. Kuykendall broke her right wrist at about 11 a. m. Wednesday when she stumbled and fell on the sidewalk in the vicinity of Higginbotham-Bartlett lumber company.

She was taken to Tahoka Hospital, where the bone was set and placed in a cast. She was able to go home Thursday.

M. L. Kuykendall of Abilene, son of Mr. and Mrs. Kuykendall, came up to be at her bedside.

BUILDING NEW HOME

Tusset Smith has started construction of a large, new modern home on North Fourth just west of the Redwine home. The house will be another nice addition to Tahoka's residential section.

Sgt. Robert Harvick of the U. S. Marines returned Tuesday to the West Coast after visiting here for two weeks with his wife and other relatives.

VAUGHANS GET DEER AND TURKEY AT MENARD

Mr. and Mrs. Walter Vaughan returned Monday from San Angelo and Menard. They have a deer lease at the latter place, and Mr. Vaughan says they killed one buck and three turkeys.

However, his 12-year-old grandson, Russell Barron, of San Angelo, "bet" his ears down hunting. The boy got his buck first.

Mr. and Mrs. Clarence Steele visited them while on the hunt, but they did not find a buck.

Two recent new employees at the Dale Thuren Farm Store are Juel Locke and J. C. McCuen.

Odds AND Ends

(By E. I. The Elder)

It was a great treat to me to get a ride home last Saturday in order to spend a few of the holidays here. My daughter Berta who works for the State Welfare Commission at Seguin, furnished the car and did the driving herself. My other daughter, Mrs. Myrtle Rochelle, who works for the State Employment Commission in Lubbock, and her two daughters, Anita Jo and Sara Sue, came down also; and Frank

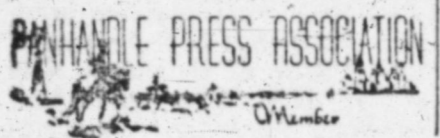

and Mae and their daughter and her husband and their little daughter, Jake and Pat and Vicki Lee; and my youngest son and my daughter-in-law and their little daughter, Billy and Mildred and Maria Lee, all of whom live here constituted the family group here from Sunday until Thursday. Only one son and his wife, Emmett I. and Frances Hill, who live at Mt. Rainier, Maryland, and the Emmett I. works in the Government Printing Office in Washington, were absent. Other relatives and friends were in the home also during this holiday season, and it was a happy occasion for all of us.

Next to the kin-folks, I was delighted to see also so many friends, and to receive friendly Christmas cards from many who live here and from others who live elsewhere, including a number of the gentlemen and the ladies of the South Plains Press Association. Thanks, folks, and be assured that I greatly enjoyed every one of them, even though I did not send any out myself.

Another great delight to me was the opportunity I had to scan the exchanges that come from far and near to this newspaper office. Am sorry that I did not find time to run through all of them. I am always most interested in what the columnists and the regular editorial writers have to say. The more sane and the more

thoughtful they are the better I like them. When the well-informed and thoughtful editor expresses his opinion vigorously, the more deeply they impress me, even though they may differ from my own opinion. One of my newspaper neighbors and friends expressed great surprise in his Christmas issue that I had made a vigorous criticism of General MacArthur recently in my Odds & Ends column. I quote from Jack Stricklin, The Old He, in his column, which he calls "Stricklin's Speaking."

Jack Says: "Eee Eye the Elder in his Odds and Ends devoted quite a lot of space to criticism of General MacArthur last week. Knowing Edith Hill as we do, and the fair and unbiased position he usually takes on issues, this criticism came with quite a jolt to us. In the first place, Mack is not the Commander-in-Chief of the USA army, navy, and airforce. The General takes his orders from a little man who occupies the White House."

In the next paragraph, friend Andy Jack, delivers a broadside blow at the President and his immediate predecessor, Franklin Delano Roosevelt, which has nothing in the world to do with our criticism of General MacArthur.

In the second paragraph, he makes a defense of General MacArthur, from the tragedy of Corregidor on down to the capitulation of the Japs to him on the Battleship Missouri in 1945, when he took charge of the defeated and disillusioned Sons of Heaven (?)—which also has nothing to do with my criticism of General MacArthur.

What was my criticism of General MacArthur? It was that a few days before the North Koreans made their attack on the South Koreans last summer, General MacArthur was telling the people of the United States and of the world that there was no danger of war. Before a week had gone by, the North Koreans had begun the war by marching across the 38th parallel into South Korea in great numbers well trained and well equipped, showing that they had been in training and in preparation for this attack for a long time. MacArthur, who was in charge of our armies in that section of the world, should not have been so densely ignorant of the impending danger.

Our criticism further was that after we finally got our forces on the field and had eventually succeeded in driving most of the North Koreans out General MacArthur announced to his country and to the world that the war was practically over, that just a little "mopping up" would finish the job, and that our boys might expect to be taking their Christmas dinner at home. Right then the Chinese Reds were being mobilized along the Manchurian border just across the Yalu River by the hundreds of thousands for an invasion of Korea with the purpose of driving MacArthur's

army out of the entire Korean peninsula; and before Christmas they had driven our armies back to the sea and had forced the major portion of them to evacuate the land—even before Christmas.

Our criticism was not that we had been overpowered by vastly larger numbers, but it was this, that the great General Douglas MacArthur was totally unaware of the assembling on the Korean border of vast hordes of the enemy, poised and almost ready to strike when MacArthur was making his boasts.

New Jack seems to try to saddle the blame on the President instead of on MacArthur. MacArthur is not the Commander-in-Chief of the Army, he says. MacArthur takes his orders from the man in the White House. The President is Commander-in-Chief of all our armed forces it is true, but he must depend upon the Generals and the admirals and the Admirals and the Naval officers in the combat zones to conduct the war. How could he in Washington plan a battle, an offensive campaign, or a defensive campaign in a land eight or ten thousand miles away? Who would expect the President in Washington to find out the position of the enemy and his activities in Manchuria, next door to a U. S. General on the field, and keep that General informed as to the position and the movements of the enemy? This explanation is too lame and too utterly ridiculous to be worthy of you, Jack.

Does Jack pretend to say that General MacArthur made the announcement last summer that no danger of war existed on the authority or suggestion of President Truman? Does he pretend to say that MacArthur recently made the announcement that the war was practically over and the boys would probably be home for Christmas dinner because the Commander-in-Chief Harry Truman told him so?

As for us, we prefer to hold responsible for these tragic errors the General in charge of the armies on the field. It was his business to know or find out something of the movements, strength, and the probable intentions of the enemy he faced. He failed to do this and his failure resulted in the unpreparedness and ability of our boys to cope with the great hordes of Russian-trained and Russian-equipped savages that swarmed at their very gates, causing them to be entrapped and slaughtered like rats.

We notice that Friend Jack and old Brother Hale of the Yoakum

County Review, and Elder H. G. Richards of the Anton News have furthermore joined the "Hoovercrats" and are demanding that all our boys in Korea and all our boys in Germany be brought home, and that Korea and everything on the continent of Asia, and Germany and everything on the continent of Europe be thrown to the Reds—or to the ravenous Red Wolves, rather.

Farmers Income Tax Service:

The income Tax law requires, and the Government demands that every firm or individual engaged in business keep such permanent books of account and records of all business transactions necessary to establish the amount of gross income, deductions, credits, net income and other information required by an income tax return, and to produce such books and records for the inspection of internal revenue officers.

The burden of proof rests with the individual who is required to keep books and records in condition for quick audits by internal revenue officers, and to prove the amount of its net income.

I will file your Income Tax Returns and prepare your Social Security Returns on monthly or yearly basis, at a price you can't beat.

LOOK FOR THE IH SYMBOL OF QUALITY when you need parts

This symbol assures you of proper fit... longer wear... better all-around performance. It also assures you of getting full value for your money. Don't take chances on "look-alike" parts. Insist on parts that carry the IH symbol. Come in today and select the IH quality parts you need from one large stock.

IH plow shares, for instance, are precision engineered... made of tested metals in patterns adapted to your particular type of soil. IH plow share design calls for minimum power to do the maximum plowing job. You save because IH shares last longer... you save on tractor fuel costs.

Box 159, Fort Worth 1, Texas. Enclose check or money order. Please specify most performances desired (dates and whether matinee or night).

Hoskins Celebrate 50th Anniversary

Mr. and Mrs. J. B. Hoskins observed their fiftieth wedding anniversary Monday. They were married the first day of the 20th Century, January 1, 1901, in North Carolina.

They had not planned anything special for the occasion, but friends and neighbors learned that Monday was their golden wedding anniversary, and several of them called, sent flowers and gifts.

Three of their four children called over the week-end, and that night they were taken out to dinner and to a show by their granddaughter, Mrs. Neil DeLeven of Lubbock, the former Miss Mary Catherine Farris of Tahoka.

Mr. Hoskins was born in North Carolina, and she was born in Maryland. After their marriage, they lived in Norfolk, Virginia, for several years, then in North Carolina for a few years, before coming to Texas in 1908. They moved to Lynn county in 1916 and farmed four and a half miles north of Grassland until 1942, when they moved to Tahoka.

Mrs. Hoskins says her husband has refused to retire. He works for a local gin, and spent half of their anniversary day on the job—but, he likes it that way, Mrs. Hoskins says. Mrs. Hoskins also leads an active life in Church and club work.

The Hoskins' oldest son is J. B. Hoskins, Jr., manager of Dunlap's at Lubbock; Charles Hoskins lives at Lamesa, and Jack Hoskins at Newmore. Their only

TWO LOCAL COUPLES GO TO SAN BENITO

Mr. and Mrs. C. T. Tankersley and Mr. and Mrs. E. J. Cooper left Wednesday for San Benito, in the Lower Rio Grande Valley, and will stay there as long as they desire. Mr. and Mrs. Tankersley have been going there for three years.

They will stay at Hyatt's Courts in whose care their friends may write them. They state they will be looking for a lot of their friends to visit them while they are wintering there.

PNEUMONIA PATIENTS

Pneumonia patients in Tahoka Hospital this week include: Mrs. Hillary Smith, Blain Ramsey, and Mrs. J. R. Singleton.

Also, patients suffering with bad colds are: Mrs. Jess Hill, Mrs. H. O. Hargett, and Mrs. W. T. Hines.

James L. Clemerts and Mr. and Mrs. Paul Kuykerdall, nephews and niece of Mrs. R. B. McCord from Tuscaloosa, Ala., visited her here during the Christmas holidays. Mrs. McCord says she and her children, all except two daughters who could not be present, had Christmas dinner with Mr. and Mrs. Claude Thomas.

H. G. Hodges, who underwent a major operation in a Lubbock hospital two weeks ago, had hopes of being able to return home Thursday or Friday of this week.

daughter is Mrs. Mansel (Sarah) Farris, whose husband operates a fishing camp on Possum Kingdom Lake, near Bunger.

Clintons Observe 50th Anniversary

Mr. and Mrs. W. T. Clinton long-time residents of Tahoka, observed their Golden wedding anniversary last Sunday by having relatives and a few friends as guests.

Though two daughters could not be present, the occasion was a most happy one for the beloved couple. Misses Marjorie Clinton and Mary Louise Fenton served punch and cake during the afternoon to close friends and out-of-town relatives.

Both Mr. and Mrs. Clinton are natives of Burleson county. It was fifty years ago December 30 that W. T. Clinton and Grace Hill were united in marriage at Caldwell, Texas. They came to the Plains in January, 1917, with their children, Mr. Clinton engaged in farming and later in the oil business. Of their nine children, five are living.

Mrs. R. B. Jones and Mrs. Sue McRae of Plains and James Clinton of Tahoka were the children present Sunday, while Mrs. R. A. Dawes of Rosenberg and Mrs. Derwood McGinty of Plains were unable to be here.

Out of town relatives who called during the day were: Mr. and Mrs. J. L. Holt, Lubbock, brother of Mrs. Clinton, and Mr. and Mrs. Alex Hensley and Ruth, also of Lubbock, her nephew; Mrs. Lillie Dickinson, Lubbock, her sister; Mrs. Mary Taylor, Burleson, her sister; Mr. and Mrs. Fred Whitehead, Slaton, her niece; Mr. and Mrs. Bobby Field and daughter, Sarah K. of Bronco, Mrs. Field's being their granddaughter.

Mr. and Mrs. Clinton have fifteen grandchildren and two great grandchildren. The latter are Mike Reid of Tahoka and Sarah K. Field of Bronco.

James N. Bowen of Haskell spent Tuesday night here with his son, Mrs. John Minor, while en route to Lubbock for a physical check-up. During the war, he spent 44 months in an enemy prison camp.

G. W. White has accepted a position with Wharton Motors.

CREOMULSION

Relieves Coughs, Chest Colds, Acute Bronchitis

Jack, when we read it in "your papers last week."

Now, suppose that Mr. Hoover's advice should be followed? What would the consequences be? All you fellows know that the Chinese Reds would immediately march in and take charge of all Korea. They have been hypocritically pretending that they are friends of the South Koreans and are trying to do them a favor by bringing about a union of the people of North Korea and of South Korea for the benefit of both countries. They do want to bring about a union all right but a union ruled by the Communists.

With all Korea in their grasp and our armies sent home, it would be just an easy before-breakfast task to take over Japan also. In the south it would be just as easy for them to reach out and get Formosa and Indo-

China. The next easy step would be for them to swallow up the Philippines. And in the north, they would probably be inching eastward along the Aleutians and making their plans to swallow up Alaska. Mr. Hoover wants us to draw our defense line in the Pacific. If all of eastern Asia were in the grasp of the Kremlin, as he virtually proposes for us to surrender it, we wonder how he thinks that it would then be any easier for us to maintain an impassable defense line anywhere in the Pacific. With this concession made to the Kremlin, Russia could bomb many of the South American countries from numerous island bases in the Pacific, and some of these South American countries would doubtless submit rather than to be bombed. Some of them do not love the United States too much anyway. It's a terrible dangerous thing for us to yield the eastern coasts and all the eastern ports in Asia to the hands of old Joe Stalin and his horde of other crooks in Moscow.

Now, let's come across on the other side for a little while. Suppose we bring our armies home from Germany. Is there anybody anywhere dense enough as to believe that Russia would not immediately take advantage of our departure and bring all Germany into her fold? Certainly she would, and what's more, she would put all those able-bodied Germans to work immediately to build up the power of Russia. Am I just speculating? Haven't the Russians already been trying to bulldoze the American and British forces in Germany and by "cold war" methods to drive

J. J. ATKINSONS HAD CHRISTMAS VISITORS

Mr. and Mrs. J. J. Atkinson had all their children and some of their grandchildren and great grandchildren home during the Christmas holidays.

Among the visitors were: Rev. James and Mildred Atkinson and son Virgil, Alamogordo, N. M.; Obie and Vera Atkinson and children, Seapooose, Oregon; Mr. and Mrs. Ben King, Welch; Mr. and Mrs. H. P. French, Brownfield; Mr. and Mrs. H. B. Beights, Lorraine; Mr. and Mrs. Jesse Barnes, Abilene.

Other grandchildren present were: Mr. and Mrs. Nolan Jayroe, Welch; Mr. and Mrs. "Shorly" Brown, Canon City, Colorado; Miss Ruby Faye Beights, Lorraine; Pvt. Kenneth R. Atkinson, San Antonio; Jerry, Burl, Bobbie, and Bonnie Atkinson, Mr. and Mrs. Grady King, Seminole.

Great grandchildren were: Joyce LaNelle Jayroe, Paula Pierce, Fatsy and Duain King, Walter and Veida Brown.

ALL OF FLINT CHILDREN HOME FOR CHRISTMAS

For the first time since 1940, Mr. and Mrs. W. M. Flint of West Point had all their children, together with their families, at home for Christmas.

Those present were: Bill Flint, BMI/a of the U. S. Navy; Mr. and Mrs. Jake Flint and son, Larry, Jacksonville; Mr. and Mrs. Billy Meeks and son, Roger Wayne, Odessa; Mr. and Mrs. Harley Dove, Glen Ray and Melba Jean, Pflugview; Mrs. Charlie Cox and Linda Gale, Fort Worth; Mr. and Mrs. Bill Hill and Marion Lee, Tahoka.

Cpl. Harold Crotwell left Monday for Fort Sill, Oklahoma, where he is stationed with the Army Artillery, after having spent Christmas here with home folks. He has been in the service nearly three years.

Them out of Germany? With Germany securely in her vast, the Crooks of the Kremlin would proceed post-haste to swipe up Norway and Sweden and Denmark and Belgium and France and Spain and eventually Great Britain also. That's not mere guess work, it is the natural conclusion that every ordinary man must draw if he reads the newspapers at all or if he ever listens to the news broadcasts over the radio.

With All Europe and every European port in the Communist paw, how could we maintain a successful defense line in the Atlantic, as Mr. Hoover wants us to do?

If we want to commit national suicide, it seems to us that about the best way on earth to do it is to follow the Hoover plan.

Only the intervention of a merciful God could save us from the atheistic, communistic wolves being sent out by the Kremlin on a fanatical mission to destroy democracy, liberty, and Christianity on this earth.

Let us all pray that this may never happen.

Mr. and Mrs. V. L. Botkin returned home last Saturday from a Christmas holiday visit to Gatesville, Temple, and Waco, and they declare it is really dry down there, too. They visited his mother, Mrs. T. A. Botkin, and Mrs. Botkin's parents, Mr. and Mrs. L. J. Turner, at Gatesville.

Mr. and Mrs. Clayton Lawrence and two children went to Cleburne Wednesday of last week for a visit with his parents, Mr. and Mrs. C. A. Lawrence, former residents of Tahoka. They have been living at Cleburne since July.

E. W. Medlin and son Paul Medlin, and wife of Long Beach, California, were here during the Christmas holidays visiting E. W.'s son, R. G. Medlin, and daughter, Mrs. D. B. Morris of New Home. Mr. Medlin formerly lived here but has been in California for several years.

Mr. and Mrs. L. C. Haney attended the Texas-Tennessee Cotton Bowl Game in Dallas New Year's Day.

LORRIAN PATTERSON WEDS CHARLIE M. BARNETT

Miss Lorrian Patterson, daughter of Mr. and Mrs. G. S. Patterson of New Home, and Charlie M. Barnett, QMSN, son of Mr. and Mrs. C. E. Barnett of Tahoka, were married on December 30 at 5 p. m. in the First Baptist Church of Portales, N. M.

Miss Clea Arenoff, cousin of the bride, who lives in Portales, served as bridesmaid. J. W. (Sonny) Jolly served as best man.

Mrs. Barnett will make her home in Tahoka, while Charlie will return to a Navy base in California January 15.

CHILD GUIDANCE CLUB ENJOYS ENTERTAINMENT

The Child Guidance Club met Monday, January 1, in the home of Mrs. Dea Parker.

Mrs. Parker's dancing pupils presented the program at the meeting. The children presenting numbers were: Pam and Mary McCrary, Kay Howell, Kay Park, and Elaine Buchanan.

Refreshments were served to 14 club members.

Mr. and Mrs. R. L. Richardson spent the New Year's week end at Brownwood visiting Mr. Richardson's sister and members of the Gatta family.

"WE LEAD, OTHERS TRY TO FOLLOW"

11 BOYS, 1 GIRL

Dr. W. H. Spapp reports an unusual predominance of boys in the number of births he has presided over at Shapp Clinic since he came to Tahoka a few months ago.

There have been 11 boys and only one girl born there, and he is beginning to wish the tide would change for a while.

CARD OF THANKS

We deeply appreciated the expressions of sympathy, the beautiful floral offerings, cards, and letters, on the passing of our loved one. Your kindness has made our grief easier to bear. May God bless each of you fine people. —Mrs. W. T. Reid and family.

Mr. and Mrs. Clifford T. Togle and children returned to their home on Route 3, O'Donnell, from a ten-day visit to San Bernardino, California, with her parents, Mr. and Mrs. W. S. Polard, and brothers and sisters. The Toggles formerly lived in the Midway community, moving from there to Post, and thence to California.

Major J. W. McIlwaine and wife left Wednesday for North Carolina, where he will report for duty with the U. S. Marines. They have been visiting here with her parents, Mr. and Mrs. J. Y. Thompson. Major McIlwaine recently returned from Korea, where he has been in action.

Joe Don Minor returned to the University of Texas Wednesday. He hopes to finish this semester before being drafted. Joe was a bit upset by Texas' loss to Tennessee in the Cotton Bowl Monday.

Van Brookshire spent the Christmas holidays with his parents, Mr. and Mrs. W. G. Brookshire of Grassland. He returned Monday to Memphis, Tennessee, where he is attending the Naval Air Corps school.

Mr. and Mrs. Tom Reid returned home last week end from Opelika, Alabama, where they visited their son and wife, Mr. and Mrs. Herman Reid, and DeQueen, Arkansas, where they visited his mother, Mrs. G. M. Reid.

Mr. and Mrs. William Tregoe returned last week end from a Christmas vacation spent with his parents in Upperco, Maryland. Mr. Tregoe is director of the THS band.

More than 85 percent of the area of Illinois is cultivated. The value of the state's annual crop is estimated at \$2,000,000,000, more than two times greater than the average in the nation.

There is a great difference between an industry and a racket—even if the profit is the same.

QUESTIONS & ANSWERS ON—

Social Security for Farm Workers'

1. What Farm Workers are covered? (Only regular farm workers) A farm worker is regular if:

(a) He works continuously for one farm operator during an entire calendar quarter.

(b) He does farm work on at least 60 days for this same employer on a full time basis in the succeeding calendar quarter and receives \$50 or more in cash wages for his work. He continues to be a regular farm worker for the same employer as long as he meets these requirements in each succeeding calendar quarter.

(c) He also is a regular worker if he is paid \$50 or more cash wages in a calendar quarter and was a regular worker for the same employer in the preceding calendar quarter.

2. Are room and board or house rent considered a part of cash wages for a regular farm worker? No. Only wages paid in cash are considered. Room, board, house rent, farm products, etc., cannot be counted wages.

3. How do you report these workers? On a form (Form 941) furnished to employer by the United States Collector of Internal Revenue.

Procedure of Report

The employer fills in the name and social security number of the employee and the amount of cash wages paid to the worker in that quarter. This report is sent quarterly to the Collector of Internal Revenue together with the tax on the employee's wages. The tax through 1953 is 3 per cent, one-half deducted by the employer from the workers wages—one-half contributed by the employer.

These are the three months periods one goes by: January, February, March, April, May, June, July, August, September, October, November, December.

Scientists have invented a pressure gauge so sensitive that it can detect one air molecule out of every 10,000,000,000 originally present in a vacuum system.

Mrs. Fred McGinty On Rotary Program

Tahoka Rotarians Thursday noon heard a fine address by Mrs. Fred McGinty her subject dealing with the Mid-Century Youth Conference, which she recently attended in Washington, D. C. Mrs. McGinty, who was accompanied by her daughter, Pat, was one of the delegates from Texas in the meeting called by President Truman.

Representatives from all over the world attended the meeting, and she said many of the world's best platform speakers appeared on the program.

Dale Thuren and Dr. Walter Stapp are in charge of the programs for this month. Duinwood Jones and John Shepherd, High School Seniors, are the Junior Rotarians for the month.

Thursday of last week, Alton Cair presented a very entertaining program when he read the humorous alleged New Year's resolutions of the club members.

LIGHT SNOW FELL HERE ON TUESDAY

Lynn county received light moisture, 10 of an inch in Tahoka, on Tuesday, when light rain, sleet, and snow covered the area.

The snow in Tahoka melted almost as fast as it fell, but in the north part of the county some snow remained on the ground for a while.
