Wanted By FBI—

HENRY WINSTON

The FBI has requested alert citizens and law enforcement agencies to assist in locating Henry Winston, National Organizational Secretary of the Communist Party, U. S. A., who has been convicted of conspiracy to advocate violent overthrow of the government and who has gone in hiding to avoid being committed to prison. A description of Winston is as follows:

Age, 40, born April 2, 1911, at Hattiesburg, Mississippi; height, 5-ft. 11½-inches; weight, 200 pounds; eyes, brown; hair, black, kinky; complexion, dark; build, stocky; race, Negro; nationality, American; scars and marks, face pockmarked.

Winston resided in Kansas City, Missouri, prior to 1932, and worked at miscellaneous jobs in the Kansas City area. Since that time he has lived in New York City.

He likes baseball and other sports; dresses fairly well and does not speak with an accent. He has worked as a writer, organizer and lecturer.

Winston was convicted on October 14, 1949, for violation of the Smith Act and was sentenced to five years' imprisonment and \$10,000 fine. A warrant for his arrest was issued by the U. S. District Court, New York City, on July 2, 1951, when he failed to appear in the court for commitment to prison.

Any person having information which may assist in locating Winston is requested to immediately notify the nearest FBI office. The phone number appears on the first page of the telephone directory.

Shirley Lambert, 10, daughter of Mr. and Mrs. J. R. Lambert of Route 2 who recently underwent an operation at Tahoka Hospital, expected to be able to go home this week.

Jerusalem." Everybody is invited. The Baptist Training Union Study Course will begin Sept. 24. Howard Ellis Maeker was in Wilson over the week end.

Wilson High School Mustangs started their 1951 11-man football season off Saturday night with an easy victory over the Slaton B team at Slaton, the score being 32 to 14.

R. J. Bednarz scored three of Wilson's touchdowns, while Joe Sione scored the remaining two. R. J. also came through with two extra points.

Playing its first year of regulation 11-man ball, Wilson scored three times in the first quarter and once each in the third and fourth, while Slaton got both of its scores in the second period.

Wilson's roster of players follows:

Thomas Autry, 17, back, weight 160, Junior, No. 11.

BACK ON THE GROUND—Members of the 82nd Airborne Division staged a pre-manuever training jump recently, in preparation for Exercise SOUTHERN PINE. Private Murry Bronson, center, who jumped with the General Purpose Bag, left foreground, attached to his leg by a quick-release strap, gets a hand from Sergeant John Seitho, left. Both men assembled the equipment, then quickly moved on to an assembly point. The sergeant paratrooper on the extreme right is unidentified.

THREE MEMBERS OF LEE FAMILY SICK

Troubles sometimes come in flocks. That happened to the R. E. Lee family during the past week end. Mrs. R. A. Williams, the former Ruby Jo Lee, became seriously ill the latter part of the week and was treated at the Bronnenberg Hospital here. She is still very un-well and will probably be under treatment for some time, but she was able to be taken home Tuesday. Her husband is employed on the Dr. Durham and Pat Hutchison farms west of Tahoka.

Mrs. Williams' baby, Roger Bell, became sick about the same time and was taken to a physician in Lubbock for treatment, but his ailment proved to be short-lived and he was brought back home the same day.

The third member of the family, who became temporarily ill, was Willie B. Lee, 15, but he was confined to his bed only two days and was able to go back to school Monday.

Mrs. Williams is said to have suffered intense and almost unbearable pain until she was given medical relief.

There is still time in many sections of the state to get in a full garden. Check with your county Extension agent for best varieties of vegetables and fall garden practices.

The Texas Bookkeepers Association will hold its annual meeting at Texas A. & M. College, September 24-25. F. E. Jackson, Cameron, is president.

Usable Pans In Home Freezers

COLLEGE STATION.—The use of tri-purpose pans save time, energy and food. Eliminate the usual transferring of food from refrigerator container to cooking pan, and then to serving dish with utensils which can do triple duty, says Mrs. Bernice Claytor, Home Management Specialist for the Extension Service.

Square or rectangular utensils without handles or knobs save space in the refrigerator. Metal pans generally can take the sudden change in temperature in the move from refrigerator to range. If you use glass, pottery or enamelware, it is safer to put such containers when cold into the oven, rather than on top of the stove because the oven heats them more evenly. Let the food and cold utensil heat up together.

Mrs. Claytor says be sure the glassware is made to stand high heat if you are using it on top of the stove. Oven glassware isn't manufactured for this purpose.

If the time permits, take the dish from the refrigerator long enough before cooking to take the chill off. Otherwise, slip an asbestos mat under it and use low heat until the utensil no longer feels cold.

Mrs. R. H. Holder, who has been a medical patient in Tahoka Hospital, was dismissed Wednesday.

MUSTANGS ROMP OVER BULLDOGS 27-13

Denver City Mustangs rolled up 27 points in the first half to defeat the Tahoka Bulldogs 27-13 in the non-conference home season opener at Kelley Field last Friday night.

The Bulldogs could not get organized in the first half, while the Denver City boys fired up, made the breaks, and scored once in the first quarter and three times in the second.

However, the Tahoka boys came back scrapping in the second half and looked like real Bulldogs in scoring twice while holding the visitors scoreless.

Denver City scored on its third

play from scrimmage. Tahoka kicked off to the visitors, who brought the ball to the 34. Two running plays were good for 7 then Back Trenary took a pitch-out and went around left end 58 yards for a touchdown with the game less than a minute old. Bartley blocked Casey's kick for extra point.

The Bulldogs looked good in rolling up two first downs, but bogged down. Denver City took over on its 29 and marched up the field in four successive first downs for a touchdown with End Bob Moore going the last 19 yards on a pass play. Casey's kick was good.

Tahoka had the ball just three plays, when Denver City Back Dick Moore intercepted James Foster's flat-zone pass and raced 42 yards for the Mustangs' third score, and Casey's kick was good. Near the end of the quarter, Denver City intercepted another Tahoka pass on the 50, made a TD, and the same boy again kicked the extra point.

At halftime, the Bulldogs got organized and came back fighting to outplay the visitors completely in the last half. Without losing the ball, they took the kickoff and marched up the field for their first score. Halameick took the kick-off on the 15 and brought it up to the 29. Tahoka was forced to kick three plays later, but Den-

ver City drew a 15-yard roughing the kicker penalty; then the Bulldog offense began to click, and Tahoka rolled up five successive first downs with Halameick, Foster, and Brookshire carrying the mail, Wiley Curry blocking, and the line turning in a fine offensive job. Foster went over for the TD from the one yard line, then made a perfect place kick to make the score 27-7.

Denver City bogged down on its next offensive surge after making one first down and kicked, and on the next series Denver City fumbled and Tahoka recovered on the Denver City 31. On the first play from scrimmage, Halameick looked like his old self when the line opened him up a hole in the center and he scooted through at top speed for 31 yards and Tahoka's second score. Foster's kick was wide, and the final score was 27 to 13.

Foster played a great game at fullback before going out in the fourth quarter with a bruised back. Hyles looked good, but received a recurrence of his ankle injury. Brookshire proved again he is a dangerous runner. Halameick and Curry played their usual excellent game.

The line looked terribly ragged in the first half, but came back in the second to do a good job. Bill Short, out with a hip injury the first week, was back in at end. Joe Brooks and Richard Havens looked good at end. Center Wayne Tekell and Guards Don Brice and Wayne Martin and also John Foster played their usual good game, especially in the second half. Steve Slover, Earl Bartley, Roswell Bartley, Billy Stice, Jerry Sosebee, and Roy Elliott showed flashes of excellent play.

In the final statistics, Tahoka was not too badly outclassed getting 121 yards net running and 36 passing for 11 first downs. However only two of eight passes were complete and two were intercepted and both of the interceptions led to touchdowns by the visitors. Tahoka punted twice for a 31 yard average, drew no penalties except on a Denver City try for extra point, and lost the ball no times on fumble.

Denver City had 13 first downs, 171 yards net running and 84 passing on 5 out of 6 completions; punted one for 34 yards, drew three penalties for 25 yards, and lost the ball once on a fumble.

TAHOKA, TEXAS, — FRIDAY, SEPTEMBER 21, 1951

Baptist Meeting Held At Lakeview

A few members of the First Baptist Church of Tahoka and many members of other churches in Lynn and Terry counties attended the annual meeting of the Brownfield Association held with the Lakeview Church as the host on last Friday. There are about twenty churches in this association and messengers from seven of them were present at Friday's meeting.

Opening at 9:00 a. m. the morning-session was given over largely to the hearing of reports from the various churches and brief discussions of some of these reports.

Rev. Lee Ramsour, who has been Moderator of the association for the past year, opened the meeting and served until his successor was elected in the person of Rev. T. L. Nipp of Gomez.

The annual sermon was brought at the 11:00 o'clock hour by Rev. John Taylor, pastor of the West Side Baptist Church of Brownfield.

In the early afternoon, Dr. J. W. Marshall, president of Wayland College, brought in his characteristic vigorous fashion, a dynamic address on Christian Education.

The work scheduled for the morning and afternoon services was completed at about 3:30 p. m. but an important night service had been planned, beginning at 7:00 o'clock. Speakers for that session were District Missionary F. E. Swanner of Plainview and

MRS. J. L. CUNNINGHAM UNDERGOES SURGERY

The News received a card the first of this week from J. L. Cunningham, written on Thursday of last week, stating that Mrs. Cunningham had undergone surgery, involving the removal of a kidney, on that morning, in the Baptist Memorial Hospital in Houston. He stated that at the time the card was written, "She is doing as well as can be expected. Four of our daughters are here, with us: Mrs. Ruby Collins, R. N., Houston; Mae Cunningham, Houston; Mrs. Ann Rutherford, Corpus Christi; and Mrs. Irvin Ricketts, Amarillo. Friends here desiring to write Mrs. Cunningham should address her at Room 508, Baptist Memorial Hospital, Houston, Texas.

Dr. A. C. Miller of Dallas. Each brought a great message, according to the testimony of those who heard them, and the last speaker on the program was Rev. Matt Hale of Roswell, N. M., former pastor of the First Baptist Church of Brownfield and later pastor of the First Baptist Church of O'Donnell, who delivered a sermon that was pronounced as superb. Rev. Matt Hale can probably quote more scripture in a sermon of 30 minutes than other Minister in Texas. He has indeed a most remarkable memory.

The Association voted to come to Tahoka for its annual meeting next year.

The ladies of the Lakeview church served a great feast at the noon hour and another at six o'clock in the evening, for which they received the thanks of the Association. They certainly are charming hosts.

O'Donnell Eagles opened their 1951 football season Friday night with a 26 to 12 victory over the Ropesville. The game was played at O'Donnell.

The game was a sensational one which included touchdown scampers of 80 and 85 yards.

Fullback Kellas Davis was the big gun for O'Donnell, scoring three of its touchdowns, scoring 21 yards to score in the first quarter, scored again from two yards away, and in the final quarter brought a Ropes kickoff back 85 yards to score. Halfback Roger Doss scored the other Eagle touchdown in the third period from two yards out.

Late in the second quarter,

Billy Ledbetter of Ropesville gathered in an O'Donnell kickoff and ran 80 yards to score. The visitors scored again in the fourth quarter.

O'Donnell led Ropes in first downs 14 to 8 and in yards gained from scrimmage 272 to 160.

Mr. and Mrs. H. P. Caveness left Monday for Dallas en route to Cuyahoga Falls, Ohio, where they will visit their daughter and family, Mr. and Mrs. H. L. Dixon.

Mr. and Mrs. P. A. Nowlin and girls recently moved to Lamesa, where he has bought a tire welding shop.

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

"A mechanic dreams of working on a clean engine," says Lewis Stoddard, Garage Manager, Blackfoot, Idaho. "My dream came true when customers started using new Conoco Super. It cuts down trouble, but I'm a loyal booster of Conoco Super."

RANCHER

"I'm sure glad you converted me to the '50,000 Miles-No Wear' oil," writes Albert E. Lentz, Rancher, Delta, Colorado. "I really barreled my Mercury over the highway on a recent trip, and all I could hear was a motor purring like a kitten."

DODGE

"Job-Rated" TRUCKS

ARE THE BEST BUY

See us today for a truck that fits your job...
A DODGE Job-Rated TRUCK

Gaignat Motor Co.

1635 MAIN ST.—
—TAHOKA, TEXAS

More rugged chassis, more power
Every chassis unit front to rear is engineered for extra dependability—for long life and low maintenance on your job! Your "Job-Rated" engine delivers increased power—it gives you the right power with top economy and low upkeep in the toughest service!

More all-round safety
You get the finest truck brakes in the industry! On many models you get new molded, tapered, Cyclebond brake linings for smoother, quieter, safer braking. And you'll ride in a welded all-steel cab with "Pilot-House" vision, including extra-big windshield area.

WHY A "Job-Rated" TRUCK IS YOUR BEST BUY
A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job... save you money... last longer. Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Easier handling, smoother riding
Back a Dodge "Job-Rated" truck into a tight spot—and see how sharply it turns, how easy it is to maneuver. Such features as wide front tread and shorter wheelbases make handling easier. Oriflow shock absorbers on 1/2, 3/4, and 1-ton models give a smoother ride.

Longer life with FLUID DRIVE
Only Dodge offers 970 Fluid Drive. Available on 1/2, 3/4, and 1-ton models. You start with amazing smoothness... tiresome gearshifting is minimized... wear is reduced on vital parts to increase truck life. And Fluid Drive protects your load!

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered right to meet a particular operating condition.

efficient drainage and necessitating additional labor and expense to the county. There have also been instances of the farmers turning their plows in the County roads and right of ways and some reports of them even turning on the paved roads and hanging a plow in the pavement and thus causing it to need repairing. The Commissioners' Court earnestly solicits the cooperation of those persons who have been engaged in these practices and ask that they be discontinued, especially on the Mail and School Bus Routes. There have been numerous complaints to the Commissioners' Court concerning the piling of refuse, tin cans, etc. in the barrow ditches of the County roads. The Commissioners' Court also asks that these practices please be stopped, as they will either have to be moved by the road

maintainer men or else be scattered all over the road beds by the maintainers when the roads are graded or drug. Your cooperation in the above matters is sincerely solicited. —Lynn County Commissioners' Court. 50tc

4 Invitations... that only Chrysler can give you!

COME FEEL 180 V-8 HORSE-POWER! Chrysler's revolutionary new Fire-Power V-8 engine develops more power, gives smoother, more flexible responsiveness than any other engine ever put into an American car. Even on non-premium grade fuel, its built-in "Mechanical Octanes" enable it to outperform any other engine in any other car!

COME FEEL HYDRAGUIDE* POWER STEERING! For the first time in any U.S.-built car, hydraulic power supplies four-fifths of the energy needed to park or steer... makes driving literally a brand new experience... gives steering ease and the safety of swift, sure steering control like nothing you've ever felt!

COME FEEL CHRYSLER POWER BRAKES! Feel for yourself the new sense of security that comes when power from the engine helps your foot apply the brakes. Gently, smoothly, easily, swiftly, you "feather down" your Chrysler's speed... or bring it to a standstill, with as little as one-third the foot pressure you're used to!

COME FEEL WHAT ORIFLOW DOES TO ROUGH ROADS! Chrysler this year uses a revolutionary new type shock absorber with over twice the ride-steadying power of those previously used on any cars at any price. Come feel for yourself what a difference this makes... come feel what happens when bumps disappear!

ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES! PLAINS MOTOR CO. - 1511 S. Second

Elva Lee Lowrance Weds Sgt. Wesley Freeman In Home Ceremony Sunday

Miss Elva Lee Lowrance, formerly of Tahoka, and Sgt. Sterling Wesley Freeman, formerly of Brownfield, were united in marriage in a double ring ceremony at 3:00 p. m. Sunday in the home of the bride's parents, Elder and Mrs. V. J. Lowrance, of 2501 35th street, Lubbock. Elder Lowrance performed the ceremony.

Miss Joyce Hobbs played the wedding music and sang "I Love You Truly." The bride wore a ballerina length gown of white satin fashioned with fitted bodice, and long pointed sleeves. The scalloped yoke was fitted in with tulle bound satin. Her fingertip-length veil was of nylon.

Miss Belva Lowrance, twin-sister of the bride, who attended her sister, wore a dress of pink taffeta fashioned similar to that of the bride.

J. B. Jobe of Brownfield served as best man.

A reception followed the ceremony on the lawn of the Lowrance home at which the bridal table was centered with a two-tiered wedding cake topped with a miniature bride and groom, and an arrangement of flowers.

Following a wedding trip to New Mexico, the couple will be at home in Cheyenne, Wyoming, where the bridegroom is stationed at Warren Airforce base.

The bride lived in Tahoka a number of years until her parents moved to Lubbock a few months ago, and is a graduate of Tahoka High School. She also attended Texas Tech, where she was a member of the Home Economics Club.

Sgt. Freeman is the son of Mrs. Gertrude Freeman of Brownfield and is a graduate of Brownfield High School.

CHURCHES OF CHRIST

RON. 10:10

SALUTE YOU!

LORD'S DAY WORSHIP ... TAHOKA ... O'DONNELL ... GRASSLAND ... NEW HOME ... GORDON ... "LIBERTY OR DEATH"

in Luke 13:2, "I tell ye nay, but except ye repent ye shall all likewise perish."

Then Peter tells us, 2 Pet. 3:9. "The Lord is not slack concerning his promises as some men count slackness, but is long suffering to us ward, not willing that any should perish but that all should come to repentance."

Moses told the children of Israel, Deut. 30:15, "See I have set before you this day, life and good, and death and evil."

When Patrick Henry spoke the immortal words, "Give Me Liberty or Give Me Death," he possibly thought he was speaking something new. Probably we have been guilty of giving him credit for originating this idea.

Perhaps Jesus is the one we should credit with this philosophy. In Matt. 12:30 he said, "He that is not for me is against me, and he that gathereth not with me, scattereth abroad."

Mr. and Mrs. Joe Unfred and two children and Mrs. Unfred's mother, Mrs. Jane Westfall, all of the New Home area, and a friend visiting them, Miss Louella Flickinger of Harrisburg, Pennsylvania, visited the Big Bend area of Texas a few days ago.

Mr. and Mrs. Tom Pace, teachers at Grassland, report that their enrollment in the school is slightly off so far this fall, there being 37 students enrolled to date.

two ways. Accept his truth and be saved. Reject him and be condemned. Jno. 12:48, "He that rejecteth me and receiveth not my words, hat one that judgeth him."

others may pursue, but as for me, 'Give me Liberty,' because the only alternative is death. Mr. and Mrs. Dwight Townsen are now living in Denver, Colo., where he is a student in the Iliff School of Theology of Denver University.

Electric Cooking Is

EFFICIENT

...as MODERN women KNOW!

Efficient because it is clean, accurate, automatic, labor-saving.

The accuracy of heat application which assures you that the correct amount of measured heat will be delivered to each range unit takes the guesswork out of cooking — adds efficiency.

The automatic time controls on your electric range eliminate pot-watching and cooking failures, make it possible for your meals to be prepared while you are miles away — adds efficiency.

The cleanliness of electric cooking means less frequent general housekeeping, eliminates entirely pot and pan scrubbing — adds efficiency.

The coolness of electric cooking means added pep, more pleasant cooking conditions — adds efficiency.

Yes, electric cooking is completely efficient — as modern women know.
