Farmers Ballot On County PMA Committeemen

Community Production and Marketing Administration committeemen elections will be held in each of the four designated agricultural communities in Lynn county Nov. 1-17. R. A. Kahlich, chairman of the county PMA committee announced today.

Each farmer-owner, operator, tenant or sharecropper—who is participating in any program administered by the county PMA committee is eligible to vote in his respective community election.

Voting this year will be by mail and at polling places in each community. In each community farmers will vote for three regular committeemen and two alternates and a delegate to the county convention where a county PMA committee will be elected.

The committeemen elected in both the community and county elections will take office December 1, 1951; they will be responsible for the administration of the agricultural conservation program, price support operations, the sugar program and in cooperation with the Federal Crop Insurance Corp., the writing of all-risk crop insurance.

Chairman Kahlich points out that this year when these programs are geared to defense production and farmers are being called on to help meet the Nation's defense requirements, the committee elections take on added significance. Those elected should be farmers the majority of the farmers in each community want. The programs they administer and the assignments they carry out will affect the production and marketing of the products of every farm in the community.

He urges every eligible farmer to vote.

PTA Hallowe'en Jamboree Here Wednesday Eve

Tahoka citizens will have an opportunity next Wednesday night to buy everything from confetti to snow cones, as the annual PTA-sponsored Jamboree gets underway at 7:30 in the Grade School gymnasium.

All classes in both Grade and High School have completed plans this week for all kinds of fun booths and concession stands. Last week, each class chose its own candidates for Jamboree King, Queen, Duke and Duchess.

Kings and Queens for each school will be designated by the one class earning the most money. Lynn Halameick and Wanda Norman, last year's High School king and queen, and Virginia Willhoit and Bobby Jones, Grade School rulers, will reign over festivities until new school royalty is named.

Churches are cooperating in having their regular Wednesday night services on Thursday night, and the meeting which will be going on all of next week at the Methodist Church will be held early Wednesday night. Thanks to our pastors.

Proceeds will be used by both high and grade schools for worthwhile projects.

Football Boys In Car Wreck

Three people were injured and two others badly shaken up in a two car smash-up in the east part of Tahoka on the Post highway near Fisher wrecking yard at a bout 4:30 p. m. Thursday of last week.

Mrs. Peggy Hester and Charles L. Baker, both of Post, riding in a new 1951 Plymouth, crashed into the W. G. Brookshire 1950 Ford, driven by his son, Benny, and also occupied by Lynn Carl Halameick and Jimmy Williams.

Mrs. Hester, Baker, and Brookshire required hospital attention. Mrs. Hester, the most seriously injured, received a broken collar bone, concussion, and bruises. She is still in Tahoka Hospital but is believed to be out of danger.

Mr. Baker, who had just arrived home the night before from Korea, where he had seen service with the Navy, received a severe laceration of his head and bruises. He was moved by the Navy to Reese Airforce Base hospital Sunday for further treatment.

The three Tahoka boys, all members of the Bulldog football squad, were en route home from school. Benny Brookshire received a bad cut over the left eye and bruises about the head and body that prevented him from playing in the Spur-Tahoka game. Halameick and Williams received minor bruises.

The two cars were badly wrecked. Police Chief J. B. Florence, who helped investigate the accident, told The News the car driven by Baker attempted to pull around a pickup while meeting the Brookshire car. Brookshire headed for the bar ditch when he saw the car coming around the pickup, but just off the edge of the pavement the car driven by Baker plowed into the side of the Ford. Brookshire was going east, Baker west.

Baker had borrowed the Plymouth from his father-in-law, a Mr. Page of Post, and he and Mrs. Hester were en route to Lovington, N. M., to see Baker's wife. He was to report at Orange soon for his Naval discharge.

Mrs. Hester's husband, George (Shorty) Baker, who is also in the service stationed at Camp Edwards, Mass., arrived here Monday to be at his wife's bedside.

New Home Meets Roaring Springs

New Home Leopards lost out 33 to 21 in a scoring battle with Three Way at the Bailey county school football field last Friday.

He first received medical aid at Pusan, Korea, and was then flown to Japan for hospitalization.

Tahoka Band Winning Honors

Tahoka High School's 65-piece blue and white band won first place in its division and a beautiful trophy at the annual Harvest Festival in Brownfield Thursday of last week. Sixteen high school, college, and military bands marched in the parade, viewed by 25,000 people.

Director Glenn Burleson said the bands were judged on their playing ability, marching, appearance, and precision. Among the other bands in the same class were Abernathy, Sundown, and Post. Big Spring and Andrews were the winners in their respective divisions.

Friday night at Spur, the Tahoka band put on the finest half-time exhibition it has ever presented. The band had class, good looks, and the playing was sharp. The band went through some intricate formations, playing while marching, and at the same time keeping in perfect step.

As a salute to Spur, the Tahoka band formed a huge spur, playing while the rowel revolved. Spur people were loud in their praise of Tahoka's band.

The Spur blue and gold band of 60 pieces made its first appearance at the game in its new uniforms, and likewise put on a fine exhibition.

Mr. Burleson says the band will present another program at half-time at tonight's game with Slaton which he hopes will be just as good.

Tech Coach Is Speaker Here

DeWitt Weaver, head football coach at Texas Tech, was the principal speaker at Tahoka Rotary Club Thursday noon of last week, and members of the Tahoka Bulldog football squad and Coaches Bill Haralson and Jake Jacobs were guests of honor.

Coach Weaver spoke briefly on Tech's future prospects, and he showed pictures of the recent Tech-Texas A. & M. football game.

Joe Kelly, sports editor of the Lubbock Avalanche-Journal, also spoke briefly and introduced Weaver.

Wilson Loses To Wellman 28 to 12

Wilson Mustangs went down in defeat to Wellman 28 to 12 in a District 4-B conference game at Wellman last Friday night.

Tonight, Wilson goes to Meadow for another conference game. This is Wilson's first year playing regulation 11-man football.

Mrs. Drucilla Morgan, mother of W. O. (Slim) Morgan, is a medical patient in Tahoka Hospital.

Lynn County Sheriff's Posse, families, and a few friends enjoyed their first annual barbecue Tuesday evening in the County Fair livestock barn. Approximately 125 people attended.

The barbecue dinner was one of the finest ever served here. A calf donated by Rudolph Middleton of O'Donnell, dressed out 470 pounds. Served with it were vegetable salad, potato salad, potato chips, "sonuvagun" stew, beans, pickles, bread, doughnuts, coffee and cold drinks.

The barbecuing was done by Thompson, an O'Donnell colored man, and Oran Short, Ben James, Bill Thompson, and Otis Curry were in charge of preparing and serving the food. Mmes. Short, James, and Tom Curry cooked the beans.

Proceeding the dinner, there was a brief program.

Sheriff "Slick" Clem, president of the organization since it was formed in March of last year, recounted the many activities and achievements of the organization.

Purposes of the Posse in addition to the enjoyment of riding good horses, includes fellowship. (Con'd. On Back Page)

Set First Aid Training Date

An American Red Cross First Aid training school will start Monday, Oct. 29, at 9 o'clock in Tahoka for Home Demonstration club leaders.

The course will be taught by Mrs. Tom Russell, county H. D. Civil Defense chairman, who has been trained by field instructor H. H. Gilliam of Midwestern Area, St. Louis, Mo., and is recommended by Lynn County Red Cross chairman, W. B. Griffin. District 2 is the first to have this training in Texas.

Mrs. Russell was one of three delegates sent to State T.H.D.A. meetings at A. & M. this year.

A part of her report to the Council was: "I think the most important thing I learned was from a report of Mrs. Wilson, who had attended the National Convention in Michigan. She says, 'As long as there is one country wanting to control the world, there is danger of war. We must be prepared to help ourselves, for no one will be able to help if we are attacked. Be prepared for Atomic Bomb.' So help me as your Civil Defense chairman to carry on the program of Civil Defense in Lynn county. Will YOU help to defend yourself against war and bombs? It is very important."

Revival Meeting Opens At Draw

Draw's part of the All-Texas Methodist revival will open Sunday with Rev. John N. McKay of Waelder doing the preaching. Rev. McKay is secretary of the Central Texas Conference.

The pastor, Rev. Silas Dixon, issues an invitation to all people of the area to attend.

REV. AND MRS. HARDY PLAN ANNIVERSARY CELEBRATION

Mrs. Clovis Honeycutt of Tahoka and Dr. W. B. Hardy of Big Spring are planning a little celebration for Sunday afternoon, November 11, 2:00 to 5:00 p. m. for their parents, Rev. and Mrs. Ben Hardy, at the latter's home in Tahoka.

The occasion is the aged couple's fiftieth wedding anniversary. They were married on Nov. 10, 1901, but since that date comes on Saturday this year they are holding the anniversary party on the next day, Sunday.

Brother Hardy, a retired Methodist minister, will make a little talk, and talks will also be made by Rev. J. E. Stephens of Post and Rev. Jim Sharp of Tahoka. Brother Hardy is one of the pioneer preachers of West Texas of his church, and the couple have a host of friends both in Tahoka and over West Texas generally.

All these friends are invited to help them celebrate the occasion.

REV. E. P. NEAL

Methodists Open Revival Sunday

The Revival begins at the Methodist Church Sunday, with Rev. E. P. Neal of Luling, doing the preaching at both services Sunday and at the evening hour throughout the week.

The Methodist Church here is cooperating in the All-Texas Methodist Revival. The services will begin Saturday night with a great "Youth Rally" in First Methodist Church, Lubbock, at 7:30. All the young people from 12-23 years of age are urged to attend this meeting. Do not miss this great opportunity.

Rev. Sharp states that the Methodist Church in Tahoka had the best attendance last Sunday that it has had since he has been pastor here. He is hoping for even a better attendance next Sunday.

Everyone is invited to attend the services during the week.

Farm Bureau Plans Meeting

Lynn County Farm Bureau will hold its annual membership meeting at the American Legion Hall in Tahoka Tuesday, November 6, at 8:00 p. m., according to Wilmer Smith, president.

Sam Allen, president of the Dawson County Bureau, will be the principal speaker.

Delegates to the State Convention and four directors are to be elected at the meeting. Directors whose terms expire are: Hubert Edwards, precinct 1; Julian Pire, precinct 2; "Dub" Middleton, precinct 3; and Harlan Dean, precinct 4.

No dinner will be served at this year's meeting. However, a special feature will be the awarding of door prizes to those in attendance. These prizes include a dinette suite, an electric mixer, and a radio.

All farmers of the county are urged to be present.

Mrs. W. H. Izard Is Critically Ill

BAKE SALE FOR BENEFIT OF BAND

A bake sale will be held Saturday at the Southwestern Public Service company office on the west side of the square for benefit of the school band, according to Mrs. Alton Cain, president of the Band Booster Club.

Ladies are asked to bring their cakes and pies to the building by 9:00 a. m. Saturday. All proceeds go to the band.

Mrs. T. W. Johnson suffered a light stroke last Sunday. She is reported in fair condition by nurses at Tahoka Hospital, where she is a patient.

Tahoka-Slaton Battle Is Last Home Contest

Making their last home appearance of 1951 football season, Tahoka's Bulldogs play host tonight to the Slaton Tigers in a 6-AA conference battle at 8:00 o'clock on Kelley Field.

Fresh from two conference victories over "pre-season favorite" Post and a darkhorse Spur eleven, the local squad will go into the game as slight favorites. Coach Bill Haralson completed drill yesterday with light contact work, with both offense and defense sharing the spotlight.

The Tahoka squad is in only fair condition, but bumps and bruises should have responded to treatment during the week. Starting offensive platoon will be without the services tonight of Charles Hyles, Bulldog seatback, who received a broken arm last Friday night in the game with Spur. Charles underwent an operation Wednesday morning at Lubbock Memorial Hospital in an attempt to keep the broken bone in place.

Wingback Benny Brookshire, who missed the Spur game, is expected to be ready for at least limited service tonight.

Slaton, originally picked with Post to take top honors in the 6-AA race before the season got underway has had rough sledding this year. Currently sharing the cellar with the Antelopes, the Tigers have been victors in only one game, while losing five and gaining one tie. Their lone win was over Morton 7-0.

Carrying the brunt of the Tigers' ball-lugging chores will be Halfback Bill and Bob Lambert. Both were wheel horses last year in the Slaton attack, but neither has shown outstanding performance this season. Ball handling duties in Coach Tony Polus' T attack is diminutive Glen Akin, who is playing his second year on the 'A' string. Hard-running Duane Sooter rounds out the Tiger backfield.

The big Slaton line, which has been penetrated so many times this season, is anchored by Lee Ray Dillard, 190-pound center. That forward wall showed plenty of hustle last week, however, as the Tigers went down before Rails, 12-13.

Slaton will be on the rebound this year after last season's loss to the Tahoka boys, and will have "upset" in mind when the two teams clash tonight.

The proper methods of storing foods are almost as important as the methods used to produce it. The use of improper storage methods cause food to lose its value and hastens spoilage. It adds to waste.

EVEN the best of us get out of shape from time to time. But that truck of yours — if it's to be a steady source of profitable income — must be kept in hauling trim.

That's our specialty.

If you turn your equipment over to our mechanics at regular intervals—we can keep your trucks in tiptop condition by catching the "little things" before they develop into major breakdowns.

And in so doing, you save money *three* ways.

First, you avoid 90% of the costly repairs experienced by less wise truck owners.

Second, you get more hours of profitable hauling with less time lost to "down time."

Third, you get more years of service from the equipment you now own.

Isn't it worth a try?

MRS. TOM PACE,
Correspondent

Pupils of the Grassland Elementary School who maintained an "A" average for the first six weeks period are: first grade: Jack Burk; second grade: Judy Thomas; third grade: David Parish and Nebra Roberts; fifth grade: Dottie Jean Harrison, Rachel Motes, and Patsy Norman; seventh grade: Dixie Davis, Linda Davis, Norma Huffaker, Lendall Norman, Jeannette Melton, and Barbara Roberts.

The "A" average means that all grade averaged between 90 and 100 in percentage.

The Rev. Farren Ellis of Agua Dulce, Texas, will hold a revival at the Grassland Methodist Church from October 28 through November 4. According to the pastor, Rev. A. N. Motes, this revival will be Grassland's part in the All-Texas Methodist Revival. Taking part in the statewide Evangelical enterprise are 1682 Methodist preachers.

"We are counting on every Christian praying and working that those who are out of the Christian Circle might be brought to Christ, that they might follow Him as their Savior and Lord," says Rev. Motes.

The youth of the Grassland Methodist Church will go to the First Methodist Church in Lubbock on October 27 for a district meeting of the Methodist Youth Fellowship, and on November 4 at 3:30 p. m. the congregation will take part in a mass meeting of the Lubbock and Plainview districts at Tech Stadium.

Sgt. First Class and Mrs. Arvil Evins, of San Benito, Texas, and formerly of Grassland, are parents of a son, Bobby Ray, born October 9. Mr. and Mrs. W. E. Evans formerly of Grassland, are the grandparents.

It is not too early for livestock owners, especially dairymen, to make plans for putting up plenty of silage for next year. It's a cheap source of digestible nutrients and dairymen can cut production costs by feeding silage.

Wedding Rites Read For Miss Jolene Bragg And Billy Bob Jones Wednesday Eve

Miss Jolene Bragg, daughter of Mr. and Mrs. Cody Bragg, became the bride of Billy Bob Jones, son of Mrs. Myrtle Jones of Oklahoma City, in a double ring ceremony read in the home of the bride's grandparents, Mr. and Mrs. C. T. Tankersley, Wednesday evening, October 24 at 6:00 o'clock, with Rev. K. C. Edwards of Lubbock performing the ceremony.

The bride, given in marriage by her father, wore a floor length dress of white chantilly lace over satin fashioned with a tight bodice, having a transparent yoke of illusion and long fitted sleeves. Her finger-tip veil fell from a headdress of chantilly lace embroidered with seed pearls. She carried a white prayer book top-

TWO LOCAL SAILORS MEET IN JAPAN

H. R. Tankersley and Van Brookshire, both from Tahoka and both in the Navy, had a happy reunion in Yokosuku, Japan, according to a letter from H. R. to his mother, Mrs. Hubert Tankersley.

The pair entered the Navy together, and received their "boot" training together at San Diego, Calif. Then, they were separated when Van went to a Naval school in Memphis, Tenn.

Now, Van is aboard a carrier transport operating in the Pacific, and H. R. has been in Japan since February and expects to be there at least a year as Seaman on a Captain's "gig" boat stationed at Yokosuku.

When Van came into H. R.'s port, he looked up his old buddy.

Phebe K. Warner Club Is Sponsoring "Care-For-Korea" Program In Tahoka

Mrs. G. M. Stewart will serve as local chairman of the Thanksgiving-season "Care-For-Korea" Campaign of the General Federation of Women's Clubs, it was announced today by Mrs. Chas. Stewart, president of the Phebe K. Warner Club.

National goal of the campaign, which will be conducted by Federation affiliates throughout the United States from November 12th through Thanksgiving Day, has been set at 150,000 "Care" packages. Of that amount, a quota has been set for Tahoka. All funds contributed will be used to provide "Care" packages of food, clothing, textiles and blankets for Korean orphans, refugees and other civilian war victims. Delivery will be made in time for the Christmas holidays.

Cooperating with the Woman's Club in the local campaign will be many other of the city's civic organizations. Members of the campaign committee include: Mrs. C. S. Thomas and Mrs. H. W. Carter.

"I am certain every resident of this city, as individuals and through their organizations, will want to support this drive to help South Korea's civilian population," Mrs. Stewart stated, in announcing appointment of the campaign chairman and committee members.

"There can be no more fitting Thanksgiving Day offering for Americans. The terrible destruction of war has turned millions of the Korean people—many of them orphaned children—into homeless, destitute refugees. The victory of our armed forces will be meaningless unless the Korean people are provided with the food, the

clothing and other essentials they need to survive. "Care" packages can mean the difference between life and death. Here, is something all of us can do—something we must do—to support the forces of freedom."

The "Care" packages which have been prepared for Korean relief include woolen blankets, cotton textiles, food, woolen suiting, underwear, knitting wool. All contributions will be pooled to provide a complete package. Deliveries will be arranged by "Care" to orphanages, refugee camps and other relief centers, on the basis of greatest need. Donations can be sent to any member of the committee.

Pennington's Have 50th Anniversary

Mr. and Mrs. H. W. Pennington, residents of Lynn county for more than thirty years and of Tahoka since their retirement from active farming in the Redwine community a few years ago, on last Saturday celebrated their fiftieth wedding anniversary with an open house at the Willis Pennington home.

More than one hundred people called during the afternoon, and all greatly enjoyed the occasion.

Mr. and Mrs. Pennington were born and reared and married at Arkadelphia, Arkansas. They moved to Texas in 1905. They have two children, Willis and Garland, both of Tahoka, two living grandchildren, and three great grandchildren.

An unusual fact is that Mrs. Pennington's father, J. H. Wilson, is still living, and he and his wife of Lubbock were here for the fiftieth wedding anniversary of his daughter.

Other out-of-town relatives here for the occasion were: Mrs. Mary Cox of Arkadelphia, Ark., sister of Mr. Pennington; Mr. and Mrs. Raymond McElrath of Coleman and Mr. and Mrs. O. R. Phillips of Portales, N. M., cousins of Mrs. Pennington.

Approaching Marriage of Miss Mary Ann Tankersley Announced At Tea Sunday

The engagement and approaching marriage of Miss Mary Ann Tankersley to Jack Starke, Jr., of Post was announced Sunday afternoon at a tea in the home of her parents, Mr. and Mrs. Hubert Tankersley.

Receiving the guests were the bride couple, Mr. and Mrs. Tankersley, and Mrs. C. T. Tankersley, grandmother of the bride-elect.

The serving table was laid with a white lace cloth over satin, with crystal and silver appointments. An arrangement of asters and Chrysanthemums in shades of purple and orchid, chosen colors of the bride-elect, centered the table. Entwined white satin hearts, connected with a silver-tipped satin arrow encribed the names of the engaged pair, was over the arrangement. The wedding date was announced with silver lettering on satin streamers.

Mrs. Leslie McNeely registered the guests, who numbered approximately 100.

Mrs. Terry Noble, aunt of the bride-elect, assisted by Mrs. Newt Barham, served tea and coffee. Mrs. Marcus Edwards played piano numbers throughout the afternoon. Others in the houseparty included Mrs. Ivan McWhirter, Mrs. Leeta Williamson, and Miss Jolene Bragg.

The marriage ceremony will be read in the First Baptist Church Nov. 18.

Miss Tankersley is a graduate

of Tahoka High School and attended Texas Tech one year. For several months she was employed by the First National Bank of Tahoka until she recently accepted a position with the First National of Post.

Mr. Starke is the son of Mr. and Mrs. Jack Starke, Sr., of Decatur. He is a graduate of Decatur High School, served four years in the U. S. Navy during World War II, and now is employed by the International-Pontiac company in Post.

H. M. (Happy) Nash is a patient in Tahoka Hospital. He received a back injury last week while lifting a motor at Gaignat Motors, where he is employed as a mechanic.

the making of new friends, spreading good will, and advertising Lynn county.

During the little over a year and a half, the Posse has driven 6,000 miles to appear in 28 various celebrations, and it has become known over West Texas and New Mexico as one of the best riding groups in the area.

Possibly no other group has done so much to advertise Lynn county. Among others, it has appeared in Santa Fe and Roswell, New Mexico, Graham, Dublin, Post, Midland, Odessa, Big Spring, Snyder, Lamesa, O'Donnell, Tahoka, Slaton, Lubbock, Crosbyton, Morton, Littlefield, Levelland, and Brownfield.

The Posse has carried away first place eight times, has won 11 trophies, and received cash awards of \$50 once and \$25 once for first places. It now has a membership of 60 men.

Bill Thompson, 73, the oldest active member, has made most of the trips with the Posse.

The Posse also takes an active hand in other worthwhile enterprises. It contributed \$50 to the Olney toronado fund, and assisted in sending a blind child to school, for example.

Brief talks were made by several men at the barbecue meeting. Rev. Jim Sharp pronounced the invocation.

The Posse has been invited, without horses, to attend the West Texas-New Mexico Peace Officers association meeting in Odessa on November 6.

TAHOKA BULLDOGS WHIP SPUR BULLDOGS 26-6 IN 6-AA RACE

Charles Hyles, Ace Halfback, Suffers Broken Arm During Game At Spur

Tahoka Bulldogs and the Spur Bulldogs had a gridiron battle in Spur's unique stadium last Friday night, and Tahoka came out of the melee with the long end of a 26 to 6 score.

By reason of the victory Tahoka must be picked as the favorite of District 6-AA, although it yet has to meet revamped and reportedly greatly improved Slaton Tiger team here today and the scrappy and speedy Ralls Jack rabbits in Ralls Friday of next week.

Slaton is reputed to have had some dissent on its club, but reports indicate that this has been ironed out and the Tigers played Ralls a close 13-12 ball game last Friday. Ralls is said to be a very potent eleven, and like Tahoka has won two conference games.

A large crowd of Tahoka fans followed the Bulldogs to Spur

last Friday night. Pre-game ceremonies featured the crowning of the Spur football queen. Spur stadium is carved out of a hillside, with spectators' seats high on the hill.

Tahoka Coach Bill Haralson played his high school football at Spur.

Though, Tahoka had the top-heavy edge on the score and likewise the statistics, the game was clean but rugged and very hard fought.

Unfortunately, Tahoka lost its fine little halfback, Charles Hyles, who received a badly broken left arm, between the elbow and shoulder, when he attempted to tackle Fullback Paul Simmons as he went over the goal line for Spur's only score late in the second quarter. Charles, son of Mr. and Mrs. Frank Hyles, was rushed to Lubbock Memorial Hospital, where he is still a patient. Earl Bartley also received a rib injury in the game.

Tahoka played without the services of Halfback Benny Brookshire, injured in a car wreck here Thursday afternoon. Hyles was playing in Brookshire's slot when injured, and after his injury End Bill Short moved up to halfback.

As in the Post game, all Tahoka kick-offs were short to keep the ball away from the speedy backs, Simmons and Halfback Curtis Blair.

Four Tahoka backs got in on the scoring in this game. Hyles, Lynn Halamicek, James Foster, and Short scored TD's in that order, with James converting on two extra-point kicks.

Lewis Cowan Is Sports Editor At Houston University

Lewis Cleveland Cowan, son of Mr. and Mrs. E. L. Smelser of 2129 N. First street, Tahoka, has recently been named Sports Editor for "The Cougar," weekly student newspaper of the University of Houston.

Cowan, a sophomore at the University, was graduated from Tahoka High School in May, 1950. After attending Texas A. & M. one semester, he transferred to the University of Houston where he is majoring in journalism.

A member of the University Press Club, he was a sports reporter in the spring of 1951, covering campus intramural sports events.

played a great game, and they were not to be denied this victory. Foster drove at the line like mad. Though watched closely by the opposition, Halamicek also turned in a great game. Until injured Hyles was a constant threat. Bill Short turned in the best game of his career, looking good either at end, at halfback, on defense.

But it was the line that took The News writer's eye. The line looked better than ever. In addition to doing a good job as blocking back on defense, Wiley Curry filled in at tackle on defense. Don Brice, Wayne Martin, and John Curry at guards, Earl Bartley, Steve Slover, and Billy Slicer at tackles, Short, Joe Brooks, and Richard Havens, at ends, and Wayne Tekell at center played one of the best games of their careers.

Tahoka took the opening kick-off to the 45, Foster made 6, Halamicek 2, and then Halamicek 2, and then Halamicek got away on a 21 yard run. Foster and Hyles carried down to the 15, where the ball went over on downs. Spur's Quarterback Charles Crimland made 16 but bogged down on their own 35 and Grimland kicked to Tahoka's 30. Halamicek made a first-down on two plays, a beautiful 39-yard pass play, Foster to Short, took the ball to the Spur 20, and on third down Hyles went around left end for Tahoka's first touchdown. Foster kicked the extra point.

On the second play after the kickoff, Halamicek intercepted a Spur pass on the Tahoka 31 and ran it back to the 47. Foster's pass to Hyles carried to Spur's 37. Foster made 4, then jumped to Short, who lateraled to Halamicek, the play carrying to Spur's 10. On the next play, Foster went through the line and though nearly stopped three times by tacklers went over the goal line standing up. However, the

Cooper Defeats B Team 12 to 7

Tahoka's B team lost a close game to Cooper Rural High School Thursday night of last week 12 to 7 in a cold wind which followed a slight drizzle of rain.

Both of Cooper's scores came as the result of passes. Quarterback Don Patterson in the second quarter passed to Roy Lee Heinrich in the end zone, and in the third period passed to Dallas Brewer, good for 30 yards and a touchdown. Both conversion tries were no good.

The Bulldog reserves, who had previously threatened three times, came back in the fourth period to cross the double stripe, with Kay Waldrip carrying the ball. Kay passed to Charley Schulz for the extra point.

Other Tahoka reserves in the game, most of them eligible for next year's team and all of them looking good were: J. B. Ayles, Roswell Bartley, Kenneth Early, Garland Huddleston, John Curry, Roy Elliott, Willie Lee, Duane McMillan, Don Reed, Jimmy Williams, I. V. J. Melton, Guy Witt, and Wendell Norman.

The Bulldog reserves were greatly outweighted by the Cooper boys, two or three of whom weighed 200 or better.

Roswell Bartley, 173 pound tackle and a fine prospect for future Bulldog teams, received a badly injured side in the game, and was brought by ambulance to Bronnenberg Clinic here, where he spent two days under treatment. It was believed by the Doctor early this week that the injury would not prove serious.

A road modernization program for Michigan soon begins with new revenues provided this year. Last June the state gasoline tax was raised from 3c to 4½c per gallon. In December a revised truck tax will put higher levies on trucks weighing more than 8,000 pounds.

Mr. and Mrs. J. H. Reagan of Floydada and Mrs. H. B. Howard of Lubbock spent the week end here visiting Messrs. and Mmes. Frank Hill, Jake Jacobs, and Harley Henderson.

Odds AND Ends

(By E. I. The Elder)

Dropped down to O'Donnell the other day to see what had become of Ben Moore. Had not seen him nor heard from him in a long time. I was surprised to learn that he too had been down in the Big Bend; down to Santa Elena Canyon; down to the Chisos Mountains—slept one night in the "Basin." He did not go alone, however, he went with J. R. Thomas, who was searching, I think for cotton pickers. Ben had been in that area before and already knew a lot about the country. In fact Ben has a lot of first-hand knowledge about Texas, and he brought back with him a bit of new information. He had read my account of the great Comanche Springs at Fort Stockton, away this side of the Davis Mountains, having dried up. Of course he expected to find them dry. They had been, but upon arrival at Fort Stockton, he learned to his surprise and delight that the Springs had come alive again. The new irrigation wells in that area had been closed down, and Springs were making a comeback—not as strong as they used to be, nor was the water as clear and sparkling as it used to be, but strong enough to bring great rejoicing to the people of Fort Stockton—and thereabout. They thought it would get clear and pure again in the course of time as it used to be. If there is any moral to this very unusual incident I guess it is that it is hard for man to improve upon the marvelous works of Almighty God.

Ben was born and reared down in Blanco county. That is in the great area known as the "hill country" out west of Austin and north of San Antonio, out in the land of springs and water pools; out in the region in which many of the shorter rivers of Texas rise. Ben has therefore been familiar with the habits of natural springs from his youth up. He has probably watched them more closely than have most of us. So he called my attention the other day to another fact that had escaped me. He asked if I remembered how those springs in Brackenridge Park in San Antonio used to boil up and send great streams of water down through the Park. I remembered, for I had been right there in the late nineties and at other times much later and had seen the springs and had been charmed by the great volume of crystal-clear water which they were sending forth. Well, those springs, he said, had failed years ago. Some of the largest ones had gone dry. The old gray park ain't what she used to be, Ben says. Well, we had been in the Park a few times in recent years; saw the seals sporting themselves in the water, and also a walrus, I believe, and possibly a hippo lying around in the slime trying to keep cool, and we just supposed there was plenty of water there as in the days of the past, but Not So, Ben says. San Antonio has been very quiet about it, but the old town, he thinks, has nearly gone dry, so far as water is concerned.

STATED MEETINGS
of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members are urged to attend. Visitors welcome. —H. G. Hodges, W. M., Ray Adams, Sec'y

Well, my suspicions were not aroused when I was there last and so I did not investigate. If I ever happen to be in San Antonio again, I may go out to the park and take a look. I like pure cold water and plenty of it—but I hate fire-water.

I told Ben about being out at Tahoka Lake recently and fell in with Charles Baker, the present manager of the May Ranch, which covers most of Tahoka Lake and a lot of other territory. Charles told me that they had experienced a very exciting time out there recently. They had unexpectedly run onto an animal of the cat family out there in the "breaks" one night. He had shot and wounded it but it had gotten away, they sent for some dogs and the dogs were brought but did not show much inclination to trail the cat; but a number of men and boys sought for it for hours. The next morning they found it and Charles finished the job of killing it. He had turned it over to a friend near Wilson who said he intended to have the pelt dressed and possibly mounted.

The sixty-four dollar question was: What is it? Some said it was a bob-cat; Charles thought it was a lynx. He described it to me. I resorted to a popular encyclopedia to find the answer. That authority gave a picture both of a bob-cat and of a lynx, and from the pictures and the descriptions given, I decided that Charles was right. Well, when I mentioned the matter to Ben Moore, he said right off the reel that if it had whiskers on the jaws and tufts of hair at the tips of the ears it was a lynx. That fit the description Charles had given, and so I decided that Ben not only knows his spring-water but he also knows his cats.

While Charles and I were riding along in his pick-up still talking about the big cat that he had killed, Charles suddenly stopped, cocked his eye up toward the ethereal blue, and asked, "isn't that an eagle?" I didn't know but remarked that it looked like a buzzard to me. And so it did, but at that instant I saw its tail feathers flash white in the sunshine, and I knew it must be an eagle. If so, it was the first one I had ever seen alive and soar-

ing in the air. But I told Charles that I had never seen a buzzard with white feathers on the rear end of his back. I was raised in the land of buzzards, though they were ugly and filthy, and I never saw one without thinking of carion. I had seen dead eagles mounted, but never did think that one of them looked like a buzzard. That eagle in flight, however, did look much like a buzzard, and right there I lost some of my respect for the eagle.

From the description, I guess this species was what the Encyclopedias call the Golden Eagle but which most Western folks call the Mountain Eagle. Some call him the War Eagle, for it is the tail feathers of the Mountain Eagle that Indian chiefs covet most for their head-gear.

So, I am still learning something nearly every day, folks, as old and ignorant as I am.

I heard a good man say the other day that he thought Tom Connally should retire from the United States Senate—"He is getting too old and crabbed." Of course that goes for me too. I am 76 and Tom isn't but 74. Of course, I have retired in so far as the hard physical work in my vocation is concerned, and I guess a lot of folks think I have retired from all mental activities too. This column reads like it a lot of times.

But Tom Connally has not retired from any of his official

duties. I answered my friend to this effect, that there is not an able member of the United States Senate today than Tom Connally, and if he thinks there is one I challenged him to name the man. He did not undertake to name any one.

I had cited Connally's long and varied experience and his fa-

ilarity with both national and international problems. He tried to shy away from the point by observing that it is true that prestige counts for much in the Senate. "Yes, and ability," I answered. By that time he had decided that I was a hopeless case, and I was, in so far as my judg-

ment as to the best man for the United States Senate from this state is concerned.

Tahoka Wins

touchdown was nullified by a Tahoka holding penalty. Another pass to Halameick was good for 7, but Tahoka fumbled on third down back to the 29, and a fourth down pass was intercepted by Grimland on Spur's 6.

Opening the second quarter, Spur carried out to the 25, bogged down, and Grimland kicked 55 yards out of bounds on Tahoka's 22. Foster, Hyles, and Halameick rolled up two first downs in carrying the ball to Spur's 46, then Halameick kicked out of bounds on the Spur 21. Two plays later, Grimland passed to Blair, who was tackled by Short on Tahoka's 6, the play carrying 69 yards. Three downs netted Spur one yard, as Tahoka's line fought grimly, but on the fourth Simmons went off tackle for the touchdown, and Hyles was hurt in tackling him at the goal-line. The kick was no good, and Tahoka led 7 to 6.

Curry brought the short kick from the 30 to the 40, pass interference on Spur gave Tahoka a first down on Spur's 35. One pass was incomplete, one to Short good for 2 yards, but a third was intercepted by Spur, fumbled and recovered by Tahoka on the 25. The half ended one play later.

Spur came back fighting in the second half, rolled up one first down and then bogged down again on Tahoka's 38. With Tahoka now playing conservative football, Foster, Halameick, and Short ground out three first downs on 3 to 6 yard gains to Spur's 23. Spur drew a 15 yard penalty, putting the ball on its 8. Short carried to the 2, then Foster bulled over for the TD, and followed with a conversion to make the score 14-6.

Spur ran two plays, then Tahoka's alert Halameick intercepted another Spur pass on the Tahoka 31. Tahoka rolled up three first downs.

Early in the fourth period, carried to the Spur 28, but an off-side penalty on Tahoka and a long loss moved the ball back to the 45, from which point Halameick got away a perfect kick for 44 yards to Spur's one yard line. Grimland made 8, but two more line smashes failed to get the one yard. Grimland dropped back to kick, fumbled a bad pass from center, and Tahoka recovered on the Spur 5. Tahoka fumbled and lost a yard. Foster made 3, then Halameick went 3 yards for the TD. Foster's kick was no good. Score 20-6.

Three Spur passes from its own 46 were no good, and Grimland's punt went just 4 yards of bounds. Taking over on the 50, Foster and Halameick carried on line plunges to the 5, from which point Bill Short went over to score. Again, the kick was no good. Final score Tahoka 26, Spur 6.

Spur's passing attack fizzled, and Tahoka had time for just two plays before the final whistle blew.

Rev. and Mrs. Silas Dixon of Draw visited from Thursday until Saturday in Leuders with their son-in-law and daughter, Mr. and Mrs. Grady C. Baker, coach and teacher there. Thursday night they saw the Class B Leuders team defeat Stamford's B team 13 to 6.

Odds & Ends

States Senate, raised the point that he was disappointed over the fact that neither Connally nor George Mahon had ever publicly criticized the Truman Administration for the corruption that keeps coming to light in high places in this Government.

Well, I confess that it would have delighted me greatly for both of these gentlemen to have spoken out in clarion tones respecting this graft and corruption, but after all it is not the function or province of a Senator or a Congressman to turn prosecutor and undertake to send some offender to the Federal penitentiary. That is the function and duty of the Justice Department.

Congressmen and Senators must work with others in the Government, and you can scarcely blame one of them for refusing to step out of his Senatorial or Congressional harness and of assailing the President, some Cabinet member, the head of some Department, or other official high up in Government service when he can do nothing more respecting their alleged defalcations other than to criticize them.

Surely a man's honesty for a life-time and during a long period of public service should count for much in a man's favor when the matter of honesty comes to be considered. Tom Connally served some 25 or 28 years, I believe, in the lower house of Congress and eleven years now as United States Senator, and his integrity

is still doing a swell job, and is still doing a swell job, one Clement Attlee, and just look what a mess he has made of things.

Tom Connally is chairman of the most important committee in either House of Congress, the Foreign Relations committee. As such he has done a swell job and is still doing a swell job. No Democratic Senator has ever proposed that he be displaced that we have heard of. If Texas turns him out and sends a younger man to the Senate, would that younger man take Connally's place as chairman of that committee? Not on your tinfoy. According to custom, he would be assigned for the most part to the least important committees.

and honesty during that long period of service have never been questioned. His public and private record for honesty is absolutely spotless. Should he then be turned down for the single reason that he has not denounced some other fellow who has been dishonest?

Too old and crabbed? Tom Connally is most crabbed when he measures swords with some Senator who is espousing an unworthy cause, some Senator who would sell this country down the river when its very life is at stake, some Senator who for selfish political reasons would have this country to embark on a course that Connally, who is a chairman of the Senate foreign relations committee and as an authority on world affairs, knows would be a fool-hardy venture.

Yes, he is too old. So was Winston Churchill too old, they said. He will be 77 next month. They turned him down four or five years ago for a younger man, one Clement Attlee, and just look what a mess he has made of things.

Tom Connally is chairman of the most important committee in either House of Congress, the Foreign Relations committee. As such he has done a swell job and is still doing a swell job. Well, by this time, maybe you have got the idea that I am for Tom Connally for re-election to the U. S. Senate.

Guess I will be down in central Texas when this appears in print. Didn't know I was going so soon till last Monday. Am taking my kodak and some colored films along and hope to rope in some of

the beauties—beauty spots, I mean—of Bell, McLennan, Bosque, and Coryell counties. Don't intend to be gone but two or three weeks, however. The bad boys here, such as D. C. The CORNERSTONE OF CHRISTIANITY

The three great principles which gave birth to the Protestant Reformation were: *The Bible Alone, Grace Alone, and Faith Alone.* Today, after 400 years, these three principles are still the cornerstone of fundamental Bible Christianity.

The Bible Alone! Not human reason, not philosophy, not tradition, not the decisions of the Fathers or the opinions of church councils—but the clear words of the Bible, and these alone, were accepted by the Reformers as the final authority in all matters of Christian faith and life.

And that is still the principle of all Bible-grounded Christianity today. Christ's constant appeal to the writings of the Old Testament as against the "traditions of the elders" is a good example of this principle in action. See also Acts 17:11 and 2 Tim. 3:15-17 for Biblical support of this principle.

Grace Alone! It was inevitable that the Church, basing its message solely upon the Bible, should rediscover the Biblical meaning of "saving grace"—namely, the unmerited love of God revealed through Jesus Christ—and that it should teach salvation alone by such grace. Rom. 3:20-24; 11:6; Eph. 2:5-9.

Faith Alone! Since salvation is a free gift of the unmerited grace of God, purchased by the atonement of the Savior, it can be accepted in no other way than by faith.

Justification by faith alone—faith in the redemption purchased by Christ—is the premise of all of Paul's Epistles and has always been the cardinal doctrine of evangelical Christianity. It is the central theme of the matter Bible, finding its clearest expression in the Books of the New Testament. John 3:16; Acts 16: 30, 31; Rom. 3:28; 5:1; Gal. 2:16.

The Bible Alone! Grace Alone! Faith Alone! These were the three great Biblical truths restored to the Church by Martin Luther—and these are still the cornerstone of Bible Christianity.

Harvesting Costs TUMBLE PROFITS GO UP

...when you use a **JOHN DEERE TWO-ROW COTTON HARVESTER.**

You'll cut cotton harvesting costs to a fraction of what they used to be... boost profits 'way up by mechanizing your cotton harvest with a John Deere Two-Row Cotton Harvester.

Many John Deere owners report savings of more than \$30 per bale over hand-pulling costs. What's more, you finish harvesting in far less time... do cleaner work.

The John Deere does an excellent job in any cotton suitable for mechanical harvesting. Stripping two 40-inch rows at a time after defoliation or frost, it saves more cotton than the average hand-puller. And, there's no sacrifice in quality, for cotton stripped by the John Deere grades as high as that hand-pulled at the same time. See us soon.
