Tahoka, Lynn County, Texas Friday, November 23, 1951

Number 8

One Amendment Out of Five Is Given Approval

Vote on the four proposed constitutional amendments in Lynn county followed the state-wide trend, with the voters approving only one of them—No. 4, the amendment to increase Veterans' Land Fund for assisting war veterans in buying farm land.

Judge Walter M. Mathis and the Commissioners' Court canvassed the returns here Monday morning, finding the results as follows:

Total vote cast in Lynn county, 422.

Constitutional Amendment No. 1, authorizing a retirement and disability pension for county officials and employees. For 65, against 335.

No. 2, providing for investment of permanent Unirevity Fund in securities other than government bonds. For 107, against 296.

No. 3, providing for increase in tax of rural fire prevention districts. For 88, against 321.

No. 4, increasing the Veterans' Land Fund. For 203, against 198.

No. 5, eliminating requirements as to citizenship and as to residence in Texas for eligibility to receive Old Age assistance, aid to blind and dependent children, and authorizing expenditures of \$7,000,000 additional for such public assistance programs. For 658, against 254.

Dunagan Seeks J. of P. Office

To the voters of Justice Precinct No. 1, Lynn county:

I take the privilege to announce my candidacy for Justice of the Peace of this precinct in 1952.

Most of you have known me for a number of years as I have lived in this county and at the same place for twenty-five years.

As to my background will say I have never been in jail. Why? Never been caught! I was an elected Peace Officer and served four years in the county where I was born and raised (Navarro County).

Served as School Trustee two terms where we had six children in school. Served as Precinct Chairman of my voting precinct in Navarro county for eight years. Served as Notary Public for four years in Navarro county. Served as Precinct Chairman of Dixie voting box of this county for twelve years.

Was elected at the County Democratic Conventions six times as a delegate to the State Democratic Conventions, which I attended.

This precinct or county does not owe me anything, but I feel I owe the precinct and county something—the best I can do at this late date is to offer my service as Justice of the Peace for the next two or four years. Let me do that, will you?

The only promise I make is to do the best I can, using common horse sense in my dealings with the public.

My wife and I have raised eleven boys and girls to be honorable men and women, of which we are very proud. We have no income except what we make from year to year.

Of course it is a little early to make an announcement, but they say the early bird catches the worm. I'd sure like to catch that little old worm, that my good friend P. D. Server has been wrestling with so long.

In closing let me say I am truly thankful this Thanksgiving week that we cast our lot in this wonderful county, thankful for health, thankful for crops, and last, but not least, thankful for so many friends.

Respectfully,
—A. L. Dunagan

Congratulations
Mr. and Mrs. James E. Farr
the birth of a son weighing
14 ounces at 12:45 a. m.
Friday in a Lubbock hospital.

Possibly 48,000 Bales Ginned

Approximately 48,000 bales of 1951 cotton have been ginned in Lynn county, and census of Tahoka ginneries is that the crop is 75 to 80 percent harvested.

Tahoka gins had turned out 8,664 bales up to 11 a. m. Tuesday.

Buy New Pianos For Grade School

Two new pianos have been bought for the Tahoka Elementary school, one for the new building and one for the present building.

The pianos were selected by an Elementary School faculty committee at Lubbock Tuesday of last week, and bought from the Liveley & Son piano company for the sum of \$1,100.00. The Shoninger piano was chosen for its resonant tone quality and beautiful appearance. The construction is of the best, and the piano carries a five year guarantee.

The studio design was chosen because it is most suitable for schools. One of the pianos will be mahogany and used in the present school building; the other is blonde to match the furniture in the new building.

Grade School teachers and students wish to take this opportunity to thank the mothers, fathers, and other interested parties for contributing so generously at the Jamboree, thus making possible the purchase of the pianos.

For the information of those interested, following is an itemized statement of source of the fund for purchase of these pianos: Commission received from school pictures, \$315.90; Grade School net amount from Jamboree, \$649.53; classroom contributions on hand, \$134.57; total, \$1,100.00. The pianos are to be delivered about December 1. High School will use its \$488.62 proceeds from the Jamboree to buy library books and a projector.

Football Team Names Captains

Four Tahoka Bulldogs have been honored by members of the 1951 squad as team captains.

Recently elected captains of the year were Guard Wayne Martin and Back Lynn Halameiek. Co-captains are James Foster and Wiley Lee Curry, backs.

Squad members playing their last high school football this year include the above four, Wayne Tekell, center; Bill Short, end and back; Earl Bartley, end and tackle; Benny Brookshire, back; Don Brice, guard and defensive back; Kay Waldrip, back; Jerry Soesebe, tackle, Roy Elliott, tackle and back.

Miss Peggy Carter Makes "Who's Who"

LUBBOCK, Nov. 13. —PEGGY Carter, senior journalism major from Tahoka, has joined the elite at Texas Tech with her election to Who's Who in American Colleges and Universities.

Miss Carter, who has a 2.36 grade average, of a possible 3.0, was one of 26 students selected for this honor. She has served as President of Forum, 1951-52; Vice President of Junior Council, 1950-51; Secretary of Association of Women Students, 1951-52; Secretary of Press Club, 1950-51; Vice President of Theta Sigma Phi, 1951-52; and Wing Advisor in Dormitory IV, 1950-51. She is also a member of Capa De Espada, Book Reviewers, Alpha Chi, Scholarship society.

Mr. and Mrs. Clayton Beard were here Saturday visiting relatives and friends. They were moving from Brownwood to Pecos, and he expects to operate his drilling business in the future.

T. W. Johnson, a patient at Tahoka Hospital, is reported to be showing improvement.

FINE IRRIGATED COTTON—There is much fine irrigated cotton in Lynn county this year that is making from 1½ to 2 bales per acre. The county has approximately 400 irrigation wells on pump, though some of them are small.

Willie Schneider, who farms 95 acres a mile and half northeast of Wilson is pictured above in his 30-acre irrigated field of Lankart 57 cotton that had already been picked over once when the above picture was taken two weeks ago. Schneider ginned 140,067 pounds of lint, or 28 500-pound bales the first pulling from 30 acres. At that time he had pulled four acres twice, and had seven bales from those four acres, and will pull possibly another bale and a half from the patch. His overall average from the 30 acres will go to nearly two bales per acre.

Schneider has a small six-inch well that pumps a stream of only about four inches. Many farmers may have bigger wells, water more acres, and may even be producing more per acre. But he was out almost nothing in labor expense in raising this crop, and there are few any more proud of their farm than Willie.

Nearly, Floyd Heck has 21 acres of Storm Master cotton on the John Heck seed farm that will also produce nearly two bales per acre.

Bulldogs-Tiger Battle In Anson

Tahoka football fans 700 to 800 strong are attending the Tahoka-Anson bi-district Class AA football game in Anson this Thanksgiving day.

Maurice Small, secretary of the Tahoka school district, reported Tuesday afternoon that 702 tickets had been reserved by local people, and he had only 18 tickets left. Those who do not secure reserved seats may yet get "standing room" general admission tickets at \$1.00 each.

The above figures represented 564 tickets sold here, and 138 reserved for the Tahoka band and pep squad.

Possibly 5,000 people will see the game.

Anson is the undefeated champion of District 5-AA, Tahoka of District 6-AA, in the Texas Interscholastic League elimination toward a state championship.

The winner of this game will meet the winner of the Littlefield-Kermitt game for regional honors and the right to advance to the quarter-finals.

By reason of its 9 won and none lost record, Anson has been picked as the top-heavy favorite. Tahoka went through its conference undefeated, but lost non-conference games to Denver City, Abernathy, and Lockney, and tied Seminole of District 8-AA.

However, the Bulldogs hope to catch the Anson Tigers over-confidence. At any rate, the local boys can and will play ball in this important game. The past two seasons, they have played their best when the "chips were down."

The Bulldogs are still somewhat bruised up from the Lockney and O'Donnell games and from the tough ten-game schedule. Only Charles Hyles, who received a broken arm in the Spur game, is definitely out for this game. Halameiek, Foster, Short, Wiley Curry, and Havens have injuries, but they will see action in the game.

Tahoka High's fine 65-piece blue and white band, directed by Glenn Burleson, and the uniformed pep squad, sponsored by Mrs. Jeannine Smith, will go to the game in school buses.

The Bulldogs will ride in a chartered TNM&O bus, furnished by Tahoka Jaycees at a cost of \$150.00 to this organization.

SCHOOL IS OUT FOR THANKSGIVING HOLIDAYS

Tahoka schools dismissed Wednesday afternoon for the annual Thanksgiving holidays. There will be no school Friday, but classes will be resumed Monday on schedule.

Sales of Christmas seals up to a new high record in 1950.

Fans Give Watches To Local Coaches For Good Work

Just before the opening kickoff of the Tahoka-O'Donnell game Friday night, the three Bulldog coaches were each presented a beautiful engraved calendar wrist watch, gifts from the enthused Tahoka fans.

Bill Haralson, head coach, and Assistants Jake Jacobs and Tom Bartley were the coaches receiving the gifts.

Presentation was made by J. E. (Red) Brown on behalf of the fans, in appreciation of the fine job done by the coaches with the Bulldog football team this fall.

"Unloaded" Gun Kills Mexican

A Mexican National, Villa Esparza Reyes, 41, of Chihuahua, Mexico, was killed accidentally at about midnight Saturday on the Hulon Bolch farm near O'Donnell.

Sheriff "Slick" Clem's investigation indicated that a friend in the room with Reyes was cleaning a new .22-calibre pistol, believing the weapon was unloaded. The pistol fired, the bullet piercing the fleshy part of Reyes' arm and entering his heart.

Reyes was born in Mexico, Dec. 1, 1910.

Traffic Violators Assessed Fines

City police have filed 32 charges in Corporation Court since Nov. 1. Chief J. B. Florence reports.

Nine charges were filed for drunkenness, one for drunkenness and disturbance and four for failure to appear.

The rest were for traffic violations, including six for no driver's license, five for reckless driving, four for speeding, two for reckless driving and no driver's license, and one for running 3 stop signs.

Mrs. Tunnell At State Convention

Mrs. Lenore M. Tunnell, county superintendent of schools and official delegate of the county's teachers, is attending the annual meeting of the Texas State Teachers Association in Houston this week end.

Miss Savannah Tunnell, her daughter and a teacher in the Phillips schools, and Miss Mary Lou Williams, a teacher at Borgert, accompanied her to the convention.

Police Paying For Equipment

Tahoka's police department and corporation court in five months of its operation had receipts of over \$4,000. The News is informed by City officials.

This has not paid all expenses and salaries of the new set-up, but it has gone a long way. The police department is now almost fully equipped, and in the future such funds may be applied on salaries.

During this period of time, a police car has been bought and fully equipped. The car was sold the City at cost, and it has been equipped with siren, spotlights, seat covers, and gas guns, and a new \$302.94 two-way short wave radio will be installed as soon as it arrives. After all these purchases, the police fund has a balance of nearly \$2,000.

The City feels that setting up the police department and its work since has made our citizens more safety-conscious, slowed down a lot of us who drive too fast in town and unconsciously violate safe driving practices, helps keep young boys off the streets at night, and has cut down on many other minor violations.

Members of the police department are: Chief J. B. Florence, L. N. Bartley and J. R. Autry.

A. M. Cade Cabin Destroyed By Fire

Mr. and Mrs. A. M. Cade were the victims of an unfortunate accident last Saturday morning, when a cabin partly-owned by them at Lake Brownwood burned.

They went to the Lake Friday to spend the week end fishing. Saturday morning they left the cabin for about 20 minutes, and on their return found it in flames.

They could do nothing but stand by and watch it go up in smoke. The cabin was owned jointly by Mr. Cade, his brother, R. M. Cade of Slaton, and his sister, Mrs. Jim Barr of Cross Plains.

The building was fairly well covered by insurance, but A. M. and his wife lost nearly \$700 worth of clothing and equipment, including Mrs. Cade's watch, about \$45 in cash, and their outboard motor.

Wendell Moore Is Honored By Tech

LUBBOCK, Nov. 21. —Tahoka High School's 1951 Valedictorian, Wendell Dee Moore, has enrolled at Texas Tech for the fall term with a state scholarship.

Wendell is one of 50 Texas high school graduates to enroll with a \$50 State of Texas scholarship, awarded automatically for being the highest ranking graduate in their classes.

Wendell is a business administration freshman.

Have news? Call The News.

Tahoka Closing On Thanksgiving

So far as The News has been able to determine, nearly everything in Tahoka will be closed "tighter than a jug" this Thanksgiving Day.

Many Tahoka football fans will be in Anson for the Tahoka-Anson Class AA bi-district football game. Others will spend a quiet day at home, visit relatives, or take in a picture show.

The News went into the mails early this week in order that the force might enjoy the holiday.

4-H Boys Winners Poultry Awards

Three Lynn county boys are among the winners of the 1951 Sears Poultry Program of the district comprising Lynn, Garza, Hockley, Crosby, and Lamb counties, County Agent Bill Griffin has been informed.

Bill Moore of Tahoka had the second highest score in the entire area, and won a "blue award," which carries with it a premium of \$28.53 to be used in buying poultry equipment.

Erwin Martin of Rt. 3 and Ralph Mires of Rt. 2, O'Donnell, each won "red awards," and a premium of \$19.02 each.

Early in the year each boy was awarded 300 baby chicks, which they have brooded, marketed broilers and fryers, culled, and have pullets on egg production. The success of their program determined their rating in the area contest.

Seniors Plan Two Big Shows

Two big senior class-sponsored shows are on tap during the next two weeks at Tahoka High, Floyd Tubb, sponsor, has announced this week.

First of these big shows, featuring a western band and magic show, will be presented by Snow Crop Frozen Foods Monday night at 8:00 o'clock in the High School auditorium. Twenty dollars in prizes will be given away. Mr. Tubb has said.

Admission is 50 cents for adults and 25 cents for school children.

Working in conjunction with Radio Station KTFY in Brownfield, the seniors will sponsor a talent show December 3, at 8:00 p. m. in the grade school gym.

All persons, both townspeople and students, are eligible to enter, with nice prizes to be given to top contestants.

Entry blanks may be obtained from Mr. Tubb or Edith Aldridge at the High School. Deadline for entries is Friday, November 30.

All proceeds from both of these shows will go toward financing the senior trip and other activities.

Tahoka Students Attend McMurry

ABILENE. —Four McMurry College students from Tahoka will arrive home for the Thanksgiving holidays, Nov. 21.

They will return to McMurry, Nov. 25, as classes will be resumed Monday, Nov. 26 at 8 a. m.

In store for the students upon their return will be a month of pre-Christmas activities, including all school parties, individual club banquets and dormitory socials. Christmas holidays are scheduled Dec. 20-Jan. 2.

The Tahoka students are: Jack Tunnell, son of Mr. and Mrs. E. R. Tunnell, Grace Marie Sharp, daughter of Rev. and Mrs. J. H. Sharp, Kenneth Weaver, son of Mr. and Mrs. A. C. Weaver, and Glenn Ross Evans, son of Mr. and Mrs. C. B. Evans.

HEARE GOES HOME

J. L. Heare, who has been in Tahoka Hospital several days ago treatment of a heart ailment, was able to return to his home Tuesday.

PMA Committee Members Named For Lynn County

Community committeemen elected in each of the four designated farm communities in Lynn county were announced today by the county PMA committee chairman, R. A. Kahlich, as follows:

Community A: chairman, L. C. Unfred; vice-chairman, G. B. Sherrod; regular member, Lynn West; first alternate, Wayne Smith; second alternate, J. E. Fortenberry; delegate to county convention, Burr A. Morrow; and alternate delegate, Harlan Dean.

Community B: chairman, Joe P. White; vice-chairman, Elmer Blankenship; regular member, Ben Brieger; first alternate, Herbert Watson; second alternate, H. H. Hewlett; delegate to county convention, Chester C. Swope; and alternate delegate, John H. Sanders.

Community C: chairman, H. W. Edwards, Jr.; vice-chairman, G. C. Watson; regular member, John F. Thomas; first alternate, J. Dudley Martin; second alternate, W. L. Gribble; delegate to county convention, Will G. Gass; and alternate delegate, Lonnie Williams.

Community D: chairman, Fred McGinty; vice-chairman, Fred Pendleton; regular member, Hubert L. Webb; first alternate, Wayne Payne; second alternate, D. B. McMillan; delegate to the county convention, Neal S. Parker; and alternate delegate, Clayton Lawrence.

The delegates to the county convention, Morrow for Community A; Swope, for B; Gass, for C; and Parker for D; were to meet Wednesday, Nov. 21, at 10:00 o'clock in the PMA office to elect a county PMA committee for 1952.

Chairman Kahlich emphasizes that the newly elected community committeemen will have greater than usual responsibilities in the coming year. The national emergency and the defense production program have added a great deal to the responsibility of farmer-committees. Although they serve only a few days a year in program administration, they are on call at any time to carry out special assignments.

Committeemen are directly responsible for the local administration of the Agricultural Conservation Program, price support operations, and the sugar program. In addition, they cooperate with the Federal Crop Insurance Corporation in the writing of all-risk crop insurance and with other U. S. Department of Agriculture agencies and groups in duties connected with the Nation's defense efforts.

Both community and county committeemen are elected for one year. They take office December 1, 1951. A total of 843 voters participate in the election.

Another Bale Is Given CROP

Another bale of Lynn county cotton has been given to CROP, the Christian Rural Overseas Program, for the aid of destitute people in foreign lands.

Mr. and Mrs. Alex Sanders, Wayside ginners and cotton growers, have donated the latest bale, according to Rev. C. C. Ehler, Wilson, district chairman, and N. E. Wood, county chairman of the drive.

The first bale was given by Louis Mueller of Wilson, and the second by Arthur J. Wuensche and son, Gilbert.

Commodities and funds collected by CROP are distributed directly by the individual cooperating church groups to the destitute of their own choosing. Freight and handling are furnished free, and overhead is kept to the minimum.

NO CHARTERED BUS

Tahoka Jaycees announced late Tuesday that no chartered bus would be run to Anson, as there were not sufficient people interested, only 24 people putting up the cash for tickets, 37 being needed.

ODDS AND ENDS

(By E. I. The Elder)

This is the middle of last week when you will read it in the paper, and everybody is talking a bout the weather, and a few are trying to do something about it. Representatives of five central Texas counties, McLennan, Navarro, Limestone, Bosque, and Comanche, are entering into contracts with an outfit that proposes to increase the rainfall during the next twelve months in these counties. The total consideration to be paid by these counties to the rain-increasing outfit, as I understand it, is \$26,500. They are seeking to get a sufficient number of counties to come in to make the total consideration \$35,000. I figure that the individuals and organizations that are falling for this scheme are a bunch of suckers. I think that it was P. T. Barnum the big showman, who once remarked that the American people like to be gypped, or something to that effect. It does seem sometimes that he was right. Bell, Falls, and Coryell counties, the paper stated, had refused to join in. We always did think those Bell county folks were a

pretty intelligent bunch. Well, the weather has been a little exasperating the past year or two. It was hot and dry all the summer—or most of it—but it has been very damp half the time and very cool half the time since I came down here October 20, in fact it has been unseasonably cold since November 1. Ice several mornings, and when the wind was not blowing like a gale from the south. On Baylor Homecoming Day, I stood on Austin Avenue in a cold wind that came whizzing down from the south at a velocity of 25 to 30 miles per hour, and watched the big parade. The parade would have been a thriller if it hadn't been for the wind and the weather. I was really sorry for the thin-clad gals who had to ride away up on top of the floats in wind so furious that they could hardly keep their clothes on. They might have been as gay as they pretended to be and might not have been at all "blue" but I'd bet a dime they were purple with cold. Former Governor Pat Neff, who was also former president of Baylor University, rode in the foremost vehicle, and his nearly white long hair, tangled by the bale made him look almost as tousel-headed as the perpetrator of this column looks in the middle of a west Texas sandstorm.

Just one other paragraph about that parade. The bands were certainly doing their stuff. I counted 10 or 11 of them in the line of march. One of them was a Negro band and also a bevy of Negro girls and women, representing Paul Quinn College, and the Waco public schools, I think. It was a proud occasion for the brunettes. Anybody could see that; and it was just a little proud of them. Texas Methodists should be proud of Paul Quinn College, and I think

that Texas Baptists should show their appreciation of the three or four Negro denominational schools in Texas by helping them along financially.

But at the homecoming football game that afternoon the Baylor Bears met their first outright defeat for the season, the T. C. U. Horned Frogs being the victors, 20 to 7. The Baylor coach was quoted as stating that Baylor was beaten for the reason that T. C. U. had a better team. I liked that honest confession. Larry Isbell is still the hero of all Baylor fans but Ray McKown of the Horned Frogs did dim his glory a bit at last Saturday's game.

Well, in spite of the general bad weather, I have been running around down here a little bit the past few days. One day recently my sister Alice and I drove out to Latham Springs, where the Baptists of this area have their encampment grounds. It is situated in a scenic spot near the Brazos River 25 miles northwest of Waco. The springs and the small stream that flows from them constitute the greatest natural attraction. Very few new buildings have been erected in recent years and the encampment evidently is not as vigorous nor as well attended as some of our Baptist and Methodist West Texas encampments. The road out there is not excellent, but it was a nice drive anyway.

Then Sunday afternoon was a clear, lovely, almost ideal afternoon, and so two of my sisters and a niece and I could not resist the temptation to go out driving. We drove out to Clifton in the North Bosque valley some 25 miles W-N. W. of Waco, and from that point we drove across to Gatesville and from Gatesville back to Waco. That drive from Clifton to Gatesville is one of the most beautiful in Central Texas; and the drive from Gatesville back toward Waco for the first ten or 15 miles is likewise very beautiful.

In this connection, I might state that the drive from Meridian further up the Bosque valley, a cross country southwesterly to Hamilton, is also one of the most attractive drives in this whole area. If you are ever down in Central Texas on a mere pleasure trip, you will not regret running over this section of highway. Another drive that is lovely, especially in the spring or the late fall, is the entire drive down the Bosque Valley from Hico to Valley Mills. No mountain grandeur on any of these drives but wooded hills, lovely dales, much color, and serene beauty everywhere.

But the most thrilling and charming scenery I have seen anywhere in Central Texas is to be found in the Leon River and Cowhouse valleys from the Leon River

bridge north of Belton up the Leon River valley for a few miles to the mouth of the Cowhouse and thence up the Cowhouse valley to Sparta, and even to Brookhaven near Camp Hood. In the face of a gale that blew from the south as we went down to Belton and a gale from the north as we came back, one of my sisters and a former sister-in-law and I visited this stretch of breath-taking beauty Monday—of last week as you read this.

There are two features of this stretch of country that have always appealed to me. One is the bluffs, and the other is the trees. The bluffs, white here and gray there, rise perpendicularly to a height of a hundred to 150 feet, my estimate, above the waters of the stream down below. Seen above the trees from the south side of the stream, they offer a picture that artists should covet the privilege of painting. In some places the bluffs are half-hidden by luxuriantly green cedars; in some places they jut out through the cedars and peer over the taller trees down in the valley. In some places, the bluffs present barren, perpendicular walls along a stretch of several hundred yards. This is one of the kinds of beauty that always has intrigued me.

And the trees in the valley and on the slopes! Great spreading oaks; fine symmetrical pecan trees, which seem to have been made to order; willows here and there that seem so sorrowful that they make you want to weep; many smaller varieties of trees, and cedars everywhere. Joyce Kilmer must have had the same reverent feeling about trees that most other folks occasionally have when he wrote this little couplet: "Poems are made by fools like me, but only God can make a tree." And how wonderful is his handiwork!

Too, if Joyce Kilmer felt like a fool in writing a fine poem, how much more of a fool must he be who can write only a Column-like me.

But there are other scenic spots to visit yet. Haven't even been to Moffatt, where I once taught school, where I first married, and where Dave Stevens tripped around over rocks and rills and got many a stone bruise on the heel when he was a kid. The rocks and the springs and most of the cedar brakes are still there, I am told, but I don't have any idea I will be able to find any of Dave's tracks. I am going over to THE GROVE and maybe to Flat, where Vester Botkin knows every pig trail and where his wife knows where the dewberries ripen and where the wild plums and the black haws grow. I am going to Mother Neff Park, where the Botkins, the Tippis, and the Lawrences have a family reunion nearly every summer. And maybe I will go to old Salado again, that historic old college town that in the years gone by sent so many boys and girls out into the world to teach school, practice medicine or law, write newspaper columns, run for office and other things, run the

Caviness Tells More Of Trip

Early Ohio Settlement Tries Out Communism

In order that the mortgages on the land (of the Zoar Colony) might be cared for and in order to meet other expenses of the colony, a Cooperative Society was formed, which soon drifted into a Communal system, evidently with Baumeler as the ruling spirit. Both men and women were required to work and must do what the authorities required. In return they were furnished shelter, food, and clothing. Celibacy was required for about 15 years in order that the women might be free to work.

In spite of the rigid requirements of the people, they were happy for many years. They rejoiced in their religious freedom and expressed their joy in singing. An orchestra, a brass band, and a men's choir played an important part in their communal life. However, within forty years after the colony was founded we find the people beginning to tire of the rigid requirements of the communal system. From what I saw and learned I believe the authorities lived rather luxuriously at the expense of the workers, who no doubt were well cared for but did not enjoy all the fruits of their labors. Horace Greeley said: "It is impossible to enslave, mentally or socially, a Bible-reading people." These people read their Bibles. The membership gradually decreased until when the Society was disbanded the membership had dwindled from a high of 500 to only 222 adults and children.

Among the reasons recorded for the break-up of the Society, this one seems to me especially

government, and some even just to make an honest living.

But if I do make any other trips before going home, I will tell you about them in a later issue of this country-saver. So, Good Afternoon, and good luck.

significant, especially after seeing the Baumeler and the Bimeler mansions and the suggestions of luxury in which their families lived: "Lax bookkeeping methods and their invitation to abuse and the success of former members had their effect." The members saw their earnings go to the Society while members who had withdrawn and gone to work for themselves enjoyed the fruits of their labors. The good American way of individual freedom in every respect had prevailed and in 1898 the Society was disbanded.

After all this long rigamarole you may have forgotten that we were on a trip. We had no time to stop on the way home. The boys would be getting home from school and Henry would be getting in from the giant belt factory

owned by B. F. Goodrich Rubber Company and managed by Henry. So, . . . for lack of time we did not get to go through the big Hoover Sweeper factory which we passed or to see the Timken mansion. —H. P. Caviness.

WILSON 4-H CLUB ELECTS OFFICERS

Wilson 4-H Club boys met Wednesday, November 13, in the grade school building with 35 boys present.

Dam Lamb was elected president; Ronnie Foster, vice president; Jerry Bartley, reporter; and Jack Spears, secretary-treasurer.

Mr. Bill Griffin, county agent talked on the subject of roundworms in hogs and how to cure them.

The next meeting is scheduled for December 13. —Reporter.

Stricklin Writes Of Lockhart

Jack Stricklin, Sr., the "Old He" in his "Stricklinly Speaking" column of the Terry County Herald has the following to say which will be of interest to many Lynn county people:

Old timers of Terry county, as well as the south Plains area in general, heard with regrets the passing of Mrs. G. E. Lockhart, of Lubbock, a pioneer of the area since 1901, having come to Terry county three years before the organization of the county, settling in the Gomez vicinity. Her first husband was a son of a pioneer settler, who passed on many years ago, but some of his boys still call Terry county their home.

Anyway, her last husband, the late G. E. Lockhart, did not start his law practice in Tahoka, as an article in the area daily erroneously stated, but at Gomez, Terry county, Texas. Up until about 1909, he had been Supt. or as we then called Principal, of the Gomez schools, when he received his license to practice law.

The reason we remember it so well, was the occasion of his getting in his first law library. It was a real windy day in the spring, and the wrapping of his law book got away from G. E., and some one that came over to Brownfield from Gomez wanted to know if any of the wrappers got this far. But Lockhart moved to Tahoka about the time the railroad came there in about 1912, and opened a law office there. We could get in the old files of the Herald, but we're too lazy to look them up.

We can't be positive whether or not Mr. and Mrs. Lockhart were married before or after he moved to Tahoka. It could not have been long either way. Around 1912-14, during Gov. Colquitt's administration, this section had grown to where it needed a new judicial district. Up to that time we were in the old 36th that reached from Tulla to Lamesa, and from the caprock to the New Mexico line of all the organized counties in Texas.

When the 72nd district was created, Gov. Colquitt appointed the late Judge W. R. Spencer, then of this city, as the District Judge, and Atty. J. E. Vickers, of Lubbock as district attorney. But at the election when the appointive term ended, Lockhart beat Vickers as district attorney, holding the office several terms. He moved to Lubbock about the time when this area was ready to swarm again, and the 106th district was created.

Anyway, Earnest Lockhart began his law practice at Gomez and not Tahoka. There was another attorney at Gomez at that time, Will McPhearson. But of course one could not expect newcomers to know all about that.

Letters To The Editor—

Dear Editor Eee Eye Hill:
You have delayed your coming home. As for Jim Atkinson, he aims to be good anyway 'til Christmas. But the John you spoke about says you did not offer to pay him to be good. And, as for me, I wish you would come on back. I would like a little recess between now and a week before Christmas. Besides, Jim Banister, Wash Hickerson, Bart Reese, Judge Grider, Howard Henderson, and that fellow John you spoke about are getting out of control.

Your advisor,
Dave Davis.
Mr. and Mrs. Robert Maddox of Midland were here last week end visiting his parents, Mr. and Mrs. B. P. Maddox.

Testing Blight Resistant Cotton

COLLEGE STATION. — Research to develop strains of cotton that are resistant to bacterial blight is being conducted jointly by the Texas Agricultural Experiment Station and the U. S. Department of Agriculture.

Progress made to date in this research is reported in a new bulletin prepared by L. S. Bird, plant pathologist with the Texas Experiment Station, and L. M. Blank, USDA plant pathologist.

Bacterial blight disease may affect all aboveground parts of the cotton plant. It shows up on the leaves as water-soaked angular changes in the plant tissue, which turn brown when dry. On the bolls, the disease appears as water-soaked round spots, which are sunken and black when dry. Long black injuries are produced on the stems and fruiting branches. These appearances cause bacterial blight to be commonly known as "angular leaf spot," "boll blight" and "blackarm."

It has been estimated that this disease causes an annual reduction in yield of Upland cotton in the United States of one to two percent, and from 5 to 15 percent in severe outbreaks of Egyptian and Sea Island varieties.

Stoneville 20, a strain that is highly resistant to bacterial blight,

COACHES THANK FOOTBALL FANS

Football fans, we sincerely appreciate the watches you have presented us. Your friendship, kindness, and support have meant a lot to us and to the boys. Stark Tankersley Wedding Rites Read At First Baptist Church Here Last Sunday

Miss Mary Ann Tankersley, daughter of Mr. and Mrs. Hubert Tankersley, and Jack Stark, Jr., son of Mr. and Mrs. Jack Stark, Sr., of Decatur, were united in marriage Sunday at 3:00 p. m. in the First Baptist Church.

Rev. Lee Ramsour performed

the double ring ceremony before an altar flanked with white chrysanthemums and gladioli, greenery and candelabras.

Mrs. W. P. Hutchison, organist, offered a wedding prelude of "Traumeri," "To Think You've Chosen Me," "Londonderry Air," "Sweetest Story Ever Told" and "Indian Love Call." "Claire de Lune" was played softly as vows were exchanged. Mrs. E. W. Patterson sang "Ah Sweet Mystery of Life," "O Promise Me," and "I Love You Truly." William R. Sewell of Lubbock sang "Because" and "The Lord's Prayer." Miss Penny Williamson gave a reading, "Melody of Love." They were accompanied by Mrs. Hutchison.

The bride, given in marriage by her father, wore a white satin gown with stand-up collar cover-

ed with Chantilly lace and seeded with pearls. Small self-covered buttons extended to the waistline in front. Her long sleeves, fastened with self-covered buttons, ended in petal points over the hands and the full satin skirt with a lace panel at back extended to a chapel length train. A fingertip veil of illusion was caught in a cap of lace with trim of pearlized orange blossoms. She also wore a strand of pearls, a gift from her brother, H. R. Tankersley, Jr., who is stationed with the Navy in Japan.

She wore a wedding ring belonging to her paternal great-grandmother, and carried a white orchid showered with bouvardia and lace from her wedding gown atop a lace-covered white Bible belonging to her paternal grandmother.

Mrs. Leslie McNeely was matron of honor, and Miss Jane Henderson of Lubbock was maid of honor. They wore purple dusk taffeta dresses similar to that of the bride. Bridesmaids were Mrs. Don Cook of Fort Worth, sister of the bridegroom; Misses Mona Trice of Sparenburg, Nelda Schaffner of Lockney, Claudia Isbell of Lubbock, and Jean Crumpton of Tahoka. Their dresses of purple dusk and wistaria taffeta were identical to those of the honor attendants.

Attendants carried cascade arrangements of pompon chrysanthemums with chenille hearts and maline in shades matching their dresses.

Mrs. Billy Bob Jones of Lubbock and Miss Lu Ann Taylor of Seymour, cousins of the bride, lighted the candles. They wore dresses of wistaria taffeta. Tina Shipp of Dallas, niece of the bridegroom, the flower girl, was dressed in white taffeta, and carried a small white basket of flowers.

Best man was Leland D. Nicholson of Lubbock. Ushers were Leslie McNeely, Wayne Adair, and Chas. G. (Buddy) Bragg, all of Tahoka, Billy Bob Jones of Lubbock, Cpl. Edwin R. Banks and Pfc. Gob Pennington of Reese Air Force base. Ringbearer Macky Joe McWhirter carried the rings on a white satin pillow.

A reception followed the ceremony in the home of the bride's parents. Assisting the couple in receiving were their mothers and members of the bridal party.

The bride's table was covered with white lace over satin and centered with a three-tiered cake

Lunch Room Is Near Completion

Workmen are putting the finishing touches on the new school cafeteria, a part of the new Tahoka Elementary school building, and the school lunch room will move to the new quarters in the early future, it is hoped.

School lunch menus for next week follow:

Monday—Meat loaf, creamed potatoes, green beans, mixed salad, apple pie, bread, and milk.

Tuesday—Liver with onions, peas, Harvard beets, ice cream, hot chocolate or milk, hot rolls.

Wednesday—Chicken, dressing and gravy, cream potatoes, jello salad, peas, apple pie, bread and milk.

Thursday—Salmon croquettes, brown beans, onions and tomatoes, potato salad, cherry pie, corn bread, and milk.

Friday—Meat and cheese sandwiches, potato chips, pickles, apple pie, orange juice and milk.

decorated with mallow roses in shades of orchid and topped with a miniature bride and groom framed with a white lace heart. The crystal punch bowl was surrounded by fern and lily of the valley, flanked by a large memory candle.

Miss Williamson and Mrs. Jones served, and Miss Isbell presided at the register.

For a wedding trip to New Mexico, the bride chose a purple wool gaberdine suit with a white orchid corsage and white and black accessories. The couple will be at home after Nov. 25 in Post.

The bride is a graduate of Tahoka High school and attended Texas Tech one year. She is employed at the First National Bank in Post.

Mr. Stark is a graduate of Decatur High school, served with the Navy three years in World War II, and is employed by Dowe H. Mayfield company in Post.

D. W. GAIGNAT
HARDWARE—FURNITURE—JOHN DEERE

Let us give thanks!

Dear Lord, how can we thank Thee half enough
For all Thy gifts to us this fruitful year!
For spring's bright promise gloriously fulfilled
This harvest-time; for these that are more dear
Than bread assured: all the sweet joys of life—
Home, work, love, friends — that gild the passing days;
And children's laughter on the evening air —
For all, dear Lord, we give Thee grateful praise.

But most of all, O'God, we thank Thee for
Our cherished heritage of freedom. Here
Where men walk safely, surely; speak and pray
As each one wills, and freely, without fear,
Lord make us strong to hold and spread this boon!
From our abundance help the weak to raise
Their hearts and come to share our brotherhood,
And join with us in songs of thanks and praise!

John R. Elys Buried At Post

John R. Ely passed away November 11, at 11:30 a. m. at Electra. Funeral services were held at Electra Tuesday, Nov. 13, Rev. C. U. Landers of the Baptist Church officiating. Burial followed in the Post City Cemetery by the side of his wife, Maude Ely, who passed away in 1924.

Mr. Ely was 76 years, 10 months and 23 days old. He was a resident several years ago of Garza county, and had many friends here.

He is survived by four sons, Albert G. Ely, Dewey Ely, Medical Corps, U. S. Army; Cortez Ely, James Ely, and Homer Ely; and three daughters, Mrs. Lillian Anderhill, Mrs. Cordie Blankenship and Mrs. Laura Stephens. Sixteen grandchildren and six great-grandchildren also survive.

Arriving from Tarrance, California, to attend the funeral services were: Mr. Homer Ely, Mr. and Mrs. Albert Ely, Mr. and Mrs. T. C. Harris and son, daughter and son-in-law.

Mrs. Albert Ely is the daughter of Mr. and Mrs. Duke Smith of Tahoka where they returned from the funeral services to spend a week visiting with her family.

Pfc. Alvis Williams At Reese Air Base

REESE AFB, LUBBOCK. —Pfc. Alvis E. Williams, son of Mrs. Audrey Lee Wilkinson of Dallas, Texas has been ordered to Reese Air Force Base for duty. He has been assigned to the Field Maintenance Squadron.

Pfc. Williams enlisted in the Air Force in 1946 and served one year. His present enlistment began November 10, 1951. Pfc. Williams is the husband of the former Miss Eva Fay Story of route 3, Tahoka.

Miss Janelle Toler, sophomore, and Miss Margaret Durham, junior, students in Baylor University at Waco, spent the Thanksgiving holidays at home visiting their parents, respectively, Mr. and Mrs. John F. Toler and Dr. and Mrs. K. R. Durham.

A Message of Importance

★ ★ ★ **To Every Automobile Driver** ★ ★ ★
In The State of Texas.

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

Two Men And Bollpuller Get 102 Bales In Week

Some kind of a boll pulling record must have been set last week by W. C. Thompson, who farms 200 acres of irrigated cotton on the B. A. Morrow farm northwest of New Home.

Ross Smith is authority for the information that Mr. Thompson, assisted by one Mexican, pulled 102 bales of cotton with a mechanical boll puller in five days time.

If anyone has a better record, The News would like to hear of it.

OUT-OF-TOWN GUESTS HERE FOR WEDDING

Out-of-town guests here Sunday for the Stark-Tankersley wedding were from Fort Worth, Dallas, Decatur, Lockney, Seymour, Lubbock and Post.

Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curb-side—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's a big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

No other car provides all this!

DYNAFLOW DRIVE—saves strain on driver and car

FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel

PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection

WHITE-GLOW INSTRUMENTS—assure greater clarity, especially at night

TORQUE-TUBE DRIVE—seals the chassis, steadies ride, improves driving control

4-WHEEL COIL SPRINGING—cushions and levels the ride, saves servicing costs

DUAL VENTILATION—outside air fed separately to right or left of front compartment

SELF-ENERGIZING BRAKES—hydraulic—multiply pedal pressure five times at brake drum

DREAMLINE STYLING—tapers, car-length fenders, gleaming swoop-appears on most models

Plus! Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Peaked engine mounting, Body by Fisher

When better automobiles are built BUICK will build them

"Smart Buy's Buick"

Your Key to Greater Value

WALLACE BUICK CO.

N. MAIN & 5TH — TAHOKA

EAGLES DOWNED BY BULLDOGS 19-14

THE LYNN COUNTY NEWS, Friday, November 23, 1951

Tahoka Bulldogs defeated the O'Donnell Eagles 19 to 14 at the latter school's homecoming game Friday night of last week.

The Bulldogs rang up a 19 to 7 score in the first half, and then went on the defensive in the second half. Coach Bill Haralson attempting to save his boys for the bi-district game with Anson there Thanksgiving day.

The District 6-AA champions ran up 190 net yards rushing and 31 passing for 13 first downs, in the first half, while holding Coach Ed Robertson's Class 4-A second

place Eagles to 34 net yards rushing and 79 passing for three first downs.

However, when Tahoka attempted to give its first string backfield rest in the second half, O'Donnell rolled up 11 first downs by 163 net yards rushing and 50 yards passing, while the Bulldogs were held to only two first downs in the second half.

Halamicek went out of the game with a slight knee injury on the ninth play of the second quarter, and did not go back in except to punt. James Foster and Benny

Brookshire were out much of the time on defense, especially in the second half. Regular End Bill Short played a great game at halfback, carrying the ball six times for a total of 40 yards, catching one pass for 16, and running back two punts a total of 55 yards. He, too received a light knee injury, and saw little action in the second half. Wiley Curry went out late in the game with a head injury. Kay Waldrip and Roy Elliott filled in the offensive back field in the fourth quarter.

Tekell, Brice, Martin, John Foster, John Curry, Earl Bartley, Slover, Brooks, Stice, Sosebee, and others saw service in the line, but Richard Havens was out with a knee injury received at Lockney.

O'Donnell put up a game fight and with the proper breaks might have defeated the Bulldogs. The Eagles had one of the biggest lines Tahoka has met this season, which averaged 188 with all the big boys in, compared to Tahoka's largest possible average of 164.

Back Kellas Davis, 175, was one of the toughest ball carriers the Bulldogs have met, and Quarterback Bennie Clark did a good job at his position.

Incidentally, the Eagles will lose only three boys from their squad by graduation this year, Davis, Don Sumrow, and Gene Ingle. Next year should be the Eagle's big year.

First Quarter

O'Donnell received the kickoff, lost the ball to Tahoka on a fumble; on Tahoka's second play, the Eagles recovered a Tahoka fumble, but couldn't go, and the Bulldogs took over on the 50. After 7 plays, Halamicek went 18 yards to score. Foster's kick was wide.

The Eagles received the kickoff on the 10, brought to the 24, then Quarterback Clark completed a short pass to Fullback Davis who went 76 yards for O'Donnell's first score. Clark kicked the extra point, and O'Donnell led 7 to 0.

Short took the kickoff on his 30 returned to the 45. Brookshire made five, and Foster, who played a great game especially in the first half, went 31 yards. Five plays later, he crashed over for a TD from the 2-foot line, then kicked a perfect placement to make the score Tahoka 13, O'Donnell 7.

The Eagles made one first down then were stopped in mid-field and forced to kick.

Second Quarter

Tahoka fumbled on first down on its own 22, but O'Donnell netted only 1 yard in four plays. Halamicek carried 19, but four plays later was injured and was removed from the game. Tahoka bogged down at the O'Donnell 41 the Eagles made one first and were forced to kick.

Brookshire took the punt on the

Tahoka	O'Donnell
15	14
243	222
31	231
212	191
5	20
2 for 31	6 for 129

3 for 30	4 for 25
3 for 75	3 for 40
3	1
3 for 25	4 for 30

15 and brought it to the 35, and Tahoka was away again. Brookshire, Foster, and Short, with Curry blocking, carried to the O'Donnell 15, from which point Foster passed to Brookshire in the end zone. Foster's kick was wide again. Score, Tahoka 19, O'Donnell 7.

Third Quarter

Davis brought the kickoff from the 7 to the 36, then made a first down on the Tahoka 45. The drive fizzled on the 36, Tahoka took over there, but immediately O'Donnell intercepted a Tahoka pass on the Tahoka 40. Tahoka couldn't go, Halamicek came in and kicked 41 yards. O'Donnell's passing attack again fizzled. Short took the kick on his own 25 and ran it back to the O'Donnell 35, but two plays later, O'Donnell again covered a Tahoka fumble of an attempted pass, and got another drive under way.

Fourth Quarter

The drive played out on the Tahoka 35, little Kay Waldrip and Brookshire tried a couple of plays, then Halamicek came in again and punted. On the first play at the O'Donnell 36, the Eagles drew a 15 yard unnecessary roughness penalty, then Tahoka drew a roughing the passer penalty of 5 yards.

Davis got away on a 22 yard run. Nine plays carried to the Tahoka 21, where the ball went over. Short and Roy Elliott carried to the 40, and Halamicek came in again and kicked to the O'Donnell 35. Three plays later, the Eagles were back on the Tahoka 33, from which point Clark threw a beautiful pass to Mahurin for the final score, and Clark kicked the extra point.

Taking the kickoff on the 24, Foster beautifully faked a pass and ran the ball to the 39 as the game ended.

Two Wilsonites In Hardin-Simmons

ABILENE.—Two students from Wilson are among those enrolled this fall at Hardin-Simmons University. They are Marvin May, graduate, and Donald Ray Smith, junior.

May, who is a member of the Rodeo Club, is also biology laboratory instructor. Smith is the son of Mr. and Mrs. Wayman Smith, living on route one in Wilson.

Classes at Hardin-Simmons began Friday, September 21, and will continue through February 1. Now in its sixtieth year, the University is under the regency of the Texas Baptist convention. Its ex-students number more than 25,000. Dr. Rupert N. Richardson, a native of West Texas and an historian, is president.

U. S. Chamber report finds wages keeping pace with prices.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members are urged to attend. Visitors welcome. —H. G. Hodges, W. M., Ray Adams, Sec'y

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, well's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Money back if not satisfied. Mail bottles to Box 280, N.Y. 18, N.Y.

DR. CALDWELL'S SENNA LAXATIVE Contained in pleasant-tasting Syrup Peppermint

Littlefield 20, Brownfield 13. (Littlefield, Brownfield, and Levelland tied for District 7-AA title. Littlefield, by lot was picked to play in bi-district).

It Has Happened In Tahoka, Too!

Russell McGeé, secretary of Tahoka Chamber of Commerce, recently handed The News the article below, clipped from "The Pan-Handle," monthly publication of the Tri-State Hardware and Implement Association.

Similar schemes have been "worked" in Tahoka on numerous occasions. The local Chamber of Commerce offers the merchants protection from such "grafts" through its secret investigation committee. Merchants are asked not to subscribe to such questionable advertising deals, unless the "deal" has been investigated by the Chamber of Commerce and a letter of approval given the solicitor.

The article follows:

WARNING! IT COULD HAPPEN TO YOU!

This article comes from the "Montana Hardware and Implement Association and it could very easily warn you and save you some money, please read all of it! "Notify all merchants that a confidence man is working through Montana now, soliciting ads for stage curtain usually for some farmers' community hall, school, etc. He also works through the school superintendent, furnishing two score boards with \$4,000 ads from the merchants.

"He usually sells the farm board, on the fact that he gives them free, a fire proof curtain; usually muslin worth about \$100.00. He has one of the

members of the board with him, with the checks made out to this member who usually is paid \$25.00 per day for solicitation. He induces this farmer to cash the checks at once, the same day the ads are solicited. It takes him only one to two days, to paint these ads on the screen for which he gets from \$2,000.00 to \$4,000.00 for the ads.

"September 20th, Wolf Point merchants were taken for \$2,100.00. There are many others that have been taken for like sums, larger and some smaller. "The county attorney at Wolf Point, Montana, has a warrant for

this man's arrest, who claims to hail from Oklahoma, a well dressed man about 200 pounds, about 5 feet 10 inches tall, a smooth talker."

Montana does seem rather far away, but the way people travel now days it is a short hop-skip-jump and you are there. This is just a warning and we hope you will heed it by helping your farmer friends.

Bernard Law Montgomery, British Field Marshall: "The easiest thing in the world is to criticize somebody else and I am not going to get mixed up in it."

If you are deficient in Vitamins B₁...B₂...or Niacin

New Wonder-working Capsule

may get at the real cause of your tired, nervous, sick feeling

There's no need to suffer from

- Jittery Nerves... Loss of Appetite
- Digestive Upsets... Mental Depression
- Constipation... Insomnia

If these symptoms are due to dietary deficiencies which occur only when the daily intake of Vitamins B₁, B₂, and Niacin is less than the minimum daily requirement over a prolonged period. These non-specific symptoms do not in themselves prove a dietary deficiency and may have other causes or be due to functional conditions.

Medical authorities now know that many of the above-mentioned common ailments are caused by lack of vitamins and minerals. So, if that's the reason you are suffering, you may end your complaints in an amazingly short time... by taking the "miracle compound" **BEXEL SPECIAL FORMULA**!

BEXEL comes to you in easy-to-take, safety-sealed capsules that contain the essential B-vitamins, Iron, and trace minerals known to be essential in human nutrition.

Wonderful New Hope for Older Men, Women

Many troubles which distress older folks can be traced to deficiencies of the essential B-vitamins. So, if you are plagued by any of the above symptoms due to a deficiency of vitamins, iron, and trace minerals needed in human nutrition, take wonderful **BEXEL SPECIAL FORMULA**... the amazing formula that has benefited thousands of folks just like yourself.

Bexel Great for Mothers-to-Be

A sufficiency of B-vitamins, iron and trace minerals is of paramount importance for expectant mothers. **BEXEL SPECIAL FORMULA** helps furnish these dietary essentials at a time when the mother's body needs more of these vital components than usual.

Rich Red Blood

Every doctor will tell you that Iron in the diet is indispensable to the building of rich, red blood. Well, each **Bexel Special Formula** capsule provides five times the medically-established minimum daily requirements of Iron. It doesn't matter who you are or how old you are—**BEXEL SPECIAL FORMULA** will help you build good red blood if you are iron-deficient.

Every Boxel Capsule contains these VITAMINS and MINERALS

More than six times the minimum daily requirement of Thiamine Hydrochloride (Vitamin B₁), 2 times the minimum daily requirement of Riboflavin (Vitamin B₂), and 5 times the daily minimum requirement of Iron, plus the full daily requirement of Ascorbic Acid (Vitamin C) together with Pyridoxine Hydrochloride (Vitamin B₆), Calcium Pantothenate, Folic Acid, Disodium Liver, Choline Dihydrogen Citrate, Inositol, Mixed Tocopherols, Potassium Iodide, Copper Sulfate, Manganese Sulfate, Zinc Sulfate, Magnesium Sulfate... plus Vitamin B₁₂.

STARTLING MONEY-BACK OFFER: We are so certain that **BEXEL SPECIAL FORMULA** is the right thing if you need extra B-vitamins, iron and trace minerals important to human nutrition, that we make this startling offer: if you don't feel decidedly better after one bottle of **Bexel**, your money will be cheerfully refunded.

Do You Plan For Accessories?

COLLEGE STATION. —Accessories are a necessary part of the wardrobe, but unless carefully selected they can ruin a new outfit. Clothing specialists with the Texas Agricultural Extension Service say colors and designs are important in choosing accessories. Bags, shoes and gloves can be carried over from season to season if they are of good quality. For this reason, the specialists recommend buying the best quality that can be afforded. Shoes and bag should match the basic color of the wardrobe—black, brown or blue—and they should be selected of the same leather or same type leather. Gloves may be of lighter or darker values of the same color, or of a contrasting color which harmonizes.

Shoes, selected for comfort and fit, should also be in keeping with the occasions. They should be in harmony with the garments with which they will be worn. Tailored oxfords go nicely with tailored garments, the specialists point out, while fragile sandals are for dressy garments and special occasions.

The hat is that accessory which calls attention to the face. Proportion lines of hats should be pleasing to the eye, say specialists. They suggest that if color contrast is used in the hat, the same color can be repeated in stones of the jewelry or the neck-piece or blouse.

Mrs. E. M. May of Claude, who recently underwent major surgery at Tahoka Hospital, is reported to be improving steadily.

John Hill entered Tahoka Hospital Sunday for treatment of a back injury.

Texas Agricultural Experiment Station research workers are working to develop strains of cotton that are resistant to bacterial blight. This disease is also known as "angular leaf spot," "boll blight" and "blackarm."

In the first half of 1951 a total of 35,463 planes landed and took off at German airports or 34 per cent more than for the previous year. The number of passengers carried was 524,925.

Mr. and Mrs. L. D. Prater of San Diego, Calif., are here on a 12-day visit with his mother, Mrs. Susie Prater.

Mrs. Mollie Johnson, who had been under medical care at Tahoka Hospital for several days, was able to return to her home Monday.

Harvesting Costs TUMBLE PROFITS GO UP

**...when you use a
JOHN DEERE
TWO-ROW
COTTON HARVESTER.**

You'll cut cotton harvesting costs to a fraction of what they used to be... boost profits 'way up by mechanizing your cotton harvest with a John Deere Two-Row Cotton Harvester.

Many John Deere owners report savings of more than \$30 per bale over hand-pulling costs. What's more, you finish harvesting in far less time... do cleaner work.

The John Deere does an excellent job in any cotton suitable for mechanical harvesting. Stripping two 40-inch rows at a time after defoliation or frost, it saves more cotton than the average hand-puller. And, there's no sacrifice in quality, for cotton stripped by the John Deere grades as high as that hand-pulled at the same time. See us soon.

STOP

PROVE YOUR FINANCIAL RESPONSIBILITY
under the new Texas Motor Vehicle
Safety Responsibility Law with
AUTO LIABILITY INSURANCE!

Under this new law, your driver's license and registrations will be suspended following an accident in which persons are injured or killed, or property is damaged in excess of \$100, if you fail to deposit *security with the State as proof of your financial responsibility to satisfy any judgments that may result from the accident.

(*Security as proof of financial responsibility is an automobile liability insurance policy, or a bond, or up to \$15,000 in cash or in securities.)

The least expensive and most practical way to avoid suspension of your driver's license under this law, is to have an Auto Liability Insurance policy to file as security to prove your financial responsibility.

**A SUBSTANTIAL DIVIDEND IS BEING PAID
ON CURRENTLY EXPIRING POLICIES**

EFFECTIVE DATE OF LAW JAN. 1, 1952
