

Wilson News

(Cont'd. From Page 3)

nie Lumsden, Roger Blakney, Erwin Sander, Jack Blevins, Jiggs Swann, George Williamson, Arvan Holder, and J. A. Martin. Mr. and Mrs. W. P. Stoker went to Wichita Falls Monday to attend the funeral of Mr. Stoker's uncle. During their parent's absence, Claudia and Janie Stoker, are staying in the home of Rev. and Mrs. J. A. Martin.

On Thursday night the Baptist W. M. U. entertained the Wilson High School seniors with a banquet in the church basement. Spring flowers decorated the banquet room, and an Easter motif was carried out with dolls forming an Easter parade down the center of the tables. Rev. J. A. Martin, as master of ceremonies, gave the invocation. Rev. Abe Hester of the College Avenue Baptist Church in Lubbock, was principal speaker and he presented an address on "Christian Education." Mrs. Pat Swann, W. M. U. president, gave the welcome and John Mark Stoker responded. Sharon and Sandra Lumsden, Lavada Galneau, Carolyn Martin, and Claudia Stoker sang "Peter Cottontail." Mrs. G. C. Nelson played two piano selections, and A. J. Sales gave the benediction.

Those present other than the seniors and the high school teachers were Rev. and Mrs. J. A. Martin, Rev. Abe Hester, Mrs. Pat Swann, and Mrs. Jiggs Swann, Mission chairman. The Wilson Sewing Club met in the home of Mrs. B. W. Hobbs, Sr., Wednesday afternoon. Refreshments were served to Mesdames John Heck, Elmer Rice, H. C. Fountain, Henry Ahrens, Pat Campbell, Ross Williamson, Ira Clary, Ed Stephens, J. C. Key, and one visitor, Mrs. B. W. Hobbs, Jr.

C. W. ROBERTS (re-election).
- For Commissioner, Prec't. 4:**
G. W. (Dick) TURNER, Jr., (re-election).
E. H. WEST.

Those present other than the seniors and the high school teachers were Rev. and Mrs. J. A. Martin, Rev. Abe Hester, Mrs. Pat Swann, and Mrs. Jiggs Swann, Mission chairman. The Wilson Sewing Club met in the home of Mrs. B. W. Hobbs, Sr., Wednesday afternoon. Refreshments were served to Mesdames John Heck, Elmer Rice, H. C. Fountain, Henry Ahrens, Pat Campbell, Ross Williamson, Ira Clary, Ed Stephens, J. C. Key, and one visitor, Mrs. B. W. Hobbs, Jr.

PHEBE K. WARNER CLUB HAS PAN-AMERICAN DAY

The Phebe K. Warner Club held its Pan-American program at its regular meeting on April 8 in honor of Pan-American Week, which began on April 14. The meeting was in the home of Mrs. Truett Smith.

Mrs. A. M. Bray presented a talk on the "Pan-American Countries," and Mrs. R. L. Richardson spoke on Federated Club work in these countries. Many items of interest from various Latin-American countries were on display. Mrs. Richardson was the program chairman for the meeting. Guests at the meeting included Mrs. C. A. Thomas, Mrs. John Witt, Mrs. John Reasonover, and Mrs. A. K. Holloway of Hope, Arkansas.

Mr. and Mrs. "Casey" Jones of Plains were here Monday visiting her mother, Mrs. W. T. Clinton.

Refreshments were served to Mesdames John Heck, Elmer Rice, H. C. Fountain, Henry Ahrens, Pat Campbell, Ross Williamson, Ira Clary, Ed Stephens, J. C. Key, and one visitor, Mrs. B. W. Hobbs, Jr.

Mr. and Mrs. W. F. Lappe visited with Messrs and Mesdames Neely Hightower and Henry Hightower of O'Donnell Sunday afternoon.

Mr. and Mrs. L. L. Stanley, and family of Clovis, N. M., spent Saturday night with Mr. and Mrs. G. E. Owens and family. Rev. P. W. Heckmann, Hubert Teinert and Allen Oswaldt left Sunday for a Lutheran Church convention to be held in Austin this week. The trio will return to Wilson Saturday.

Clarence Gicklhorn, Wilbert Umlong, Martin Wuensche, Jr., attended the "Heart of Texas" Sunrise Easter service held near Brownwood Sunday. Messrs. and Mesdames Roy Robinson and daughter, G. E. Owens and daughters, L. L. Stanley and family of Clovis, U. M., and Mrs. Hortense Parker and children were at McKenzie State Park in Lubbock Sunday where the children enjoyed an Easter egg hunt. The children of the St. Paul's Lutheran Church had an Easter egg hunt at the Wilbert Wuensche farm Sunday afternoon at 3 p. m.

LAKEVIEW H. D. CLUB MET WITH MRS. C. B. NOWLIN

The Lakeview Home Demonstration Club met April 10, with Mrs. C. B. Nowlin.

Mrs. T. H. Charters gave a demonstration on the using of sewing machine attachments.

The next meeting will be on Wednesday, April 23, with Mrs. Clifton Robison, with Miss Graham Hard giving a demonstration on "Care of Floor Coverings."

Refreshments were served to Mesdames Olin Poer, Pack Smith,

Charlie Brent, W. E. Brent, T. H. Charters, H. E. Edge, Bob Poer, and Charters, L. N. Walker, Ora Timmons, Mrs. C. B. Nowlin. —Reporter.

Legal Notices

CITATION BY PUBLICATION THE STATE OF TEXAS
TO: Leon Wright GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 19th day of May, A. D. 1952, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 10th day of March, 1952.
The file number of said suit being No. 2001.
The names of the parties in said suit are: Dorthie Lee Wright, as Plaintiff, and Leon Wright as Defendant.
The nature of said suit being substantially as follows, to wit: Said suit being a petition filed on behalf of the plaintiff for divorce, alleging that plaintiff and defendant were previously married on the 5th day of June,

1951, and continued to live together as husband and wife thereafter, until on or about the 8th day of June, 1951, at which time plaintiff separated from defendant. Said petition further alleges that on different occasions, while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff, of such a nature as to render their living together insupportable.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 1st day of April, A. D. 1952.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 1st day of April A. D., 1952.

—W. S. Taylor, Clerk, District Court, Lynn County, Texas. (SEAL) 27-4tc

GUARDIANSHIP OF SYLVIA HOLLOWAY, A MINOR.
IN THE COUNTY COURT OF LYNN COUNTY, TEXAS.

NOTICE.
To All Persons Interested In The Estate of Sylvia Holloway, A Minor:
You are hereby notified that I have on the 12th day of April, 1952, filed with the county clerk of Lynn County, Texas, an application under oath for authority to make an oil, gas and mineral lease on that certain real estate belonging to such estate, describ-

ed as follows:
An undivided 1/14 interest in and to SE/4 of Section 418, Block 1, Certificate 3, Abstract 620, D&E Ry. Co. Survey in Lynn County, Texas, containing 160 acres, more or less; that the judge of the county court of Lynn County, Texas, on the 12th day of April, 1952, duly entered his order designating the 29th day of April, 1952, at ten o'clock a. m. in the county court room in the court house of such county as the time and place when and where such application will be heard, and that such application will be heard at that time and place.

Ferguson Suit Against Ford Settled!
On April 9, 1952, the United States District Court for the Southern District of New York entered a final judgment, with the consent of all parties, which ended four years of litigation between Harry Ferguson, Inc. and Ford Motor Company and others. It was ordered and adjudged that:
1. The sum of \$9,250,000 shall be paid to Harry Ferguson Inc., as royalties on Patents Nos. 1,916,945; 2,118,180; 2,223,002 and 2,486,257.
2. Ford Motor Company shall not manufacture, after December 31, 1952, such tractors, and Dearborn Motors Corporation shall not sell any such tractors manufactured after December 31, 1952, as have
(a) a pump having a valve on its suction side, as for example in the present Ford 8N tractor, arranged to be automatically controlled in accordance with the draft of an implement, or
(b) a pump for a hydraulically operated draft control system for implement control and a power take-off shaft both driven by the lay shaft of the transmission, as for example in the present 8N tractor, or
(c) a coupling mechanism on the upper portion of the center housing, of the form employed in Ford 8N tractors manufactured prior to November 22, 1949; and Ford Motor Company and Dearborn Motors Corporation must affix a notice on any long coupling pins, manufactured by them, to the effect that the pin is sold only for replacement on 8N tractors made by Ford prior to November 22, 1949. This notice will continue to be affixed until October 25, 1966.
3. The Ford Motor Company and Dearborn Motors Corporation shall have a period of time, expiring not later than December 31, 1952 in which to make these changes.
4. All other claims and counter claims are dismissed and withdrawn on the merits.
A copy of the consent judgment is available to anyone interested in reading it.
This settlement between Harry Ferguson, Inc. and the Ford Motor Company resolves the issues. The inventions in their entirety with which this action was concerned will be found only in the Ferguson Tractor and in the Ferguson System in the future.
It is fitting that farmers all over the world . . . and especially in the Americas . . . shall continue to look to Ferguson for fulfillment of all that these inventions contribute to a greater and more prosperous agriculture. Better implements, better farming practices, more abundant production, and lower farming costs have resulted from the Ferguson System as employed in the Ferguson Tractor.
Now, indeed, the Ferguson with the one and only complete Ferguson System is the tractor that meets more of the needs of more of the farmers more of the time. This can be proved to you at a demonstration on your own farm. Such a demonstration can be quickly arranged by telephone. Won't you call us about it?

Farm Labor Group Plans Another Meet

Because sufficient representation from the county as a whole was not present, the farm labor association being sponsored by Wiley Curry, R. W. Fenton Jr., and M. F. Jones did not elect officers and directors at its meeting held Monday night, Albert Curry States. However, 25 or 30 leading farmers were present and heard a discussion of the plan.

A meeting has been called for Tuesday night, April 22, at 8:00 o'clock in the court house for the purpose of electing officers and directors.

Representation from all four of the county precincts is desired, since the sponsors hope that a director will be elected from each precinct.

More representation is especially desired from Wilson, Gordon, Grassland, O'Donnell, West Point, New Home, Wells, and Draw areas, Curry said.

Among those present last Mon-

SEWING CLASS FOR ADULT WOMEN

Mrs. Jeannine Jones, homemaking teacher in Tahoka High School, is teaching a beginning sewing class for adult ladies of the community.

The class meets each Thursday night at 7:30 o'clock, and is open to any lady desiring to take the course.

CARD OF THANKS

We wish to express our appreciation to friends for their many kindnesses, the flowers, cards, and visits during Mrs. Crawford's recent illness. Your kindness has meant a lot to us. May God bless each of you.—Mr. and Mrs. J. L. Crawford.

day night were: Vernon Willhoit, Vernon Davis, Tom Hale, Roy Stephens, Larry Hagood, Jack Fenton, R. W. Fenton Jr. Vester Botkin, J. Moore, Guy Smith, Albert Curry, Duane Jones, and Wiley Curry.

TECH LADY SPEAKER AT TABOKA GARDEN CLUB

The Tahoka Garden Club met in a regular meeting in the REA building Tuesday, April 15, at 4:15 o'clock with 17 members and two visitors present.

After a business session, Miss Zindola King from Texas Tech gave a talk on "You Don't Need A Green Thumb to Grow Vegetables."

Mrs. J. K. Applewhite, the president, gave a report on the two day convention in Lubbock of the Texas Garden Club of District 1.

The highlight of the convention was a lecture-demonstration on Oriental line flower arrangements by Mrs. Fred Grealy of Dallas, who lived in Japan 13 years. The type she thinks most useful is one worked out by branches in silhouettes with flowers. "Almost all principles of flower arranging are based on Japanese teachings," she said.

The flower arrangement committee of the Club had some attractive arrangements of tulips, daffodils, and poppies on display.

LARGE CROWD SEE "MR. TEXAS"

An estimated crowd of over five hundred saw the showing of "Mr. Texas" Wednesday night when the film was presented at the First Baptist Church and at the Sweet Street Chapel. There were six who responded to the invitation to become Christians at the close of the film. Lee Ramsour, pastor, reports. There were two others who moved their church membership to the local church and seventeen who re-dedicated their lives to the services of Jesus Christ.

The film is a Billy Graham production showing much of the type of work done by the Evangelist. Plans are already underway for a re-showing of the film in Tahoka, the date to be announced.

The revival in progress at the church closes Sunday.

CARD OF THANKS

I wish to express appreciation to my friends for the flowers, cards, visits, and other acts of kindness during my illness. Your friendship is highly valued by me and my family.—George M. Small.

Schaffner Home From Korea War

Pfc. Melvin "Pete" Schaffner arrived home Sunday night from Brooks Army Hospital, San Antonio, where he has been under treatment for wounds received while fighting the Communists in Korea last October 13. He has a 30-day furlough, following which it may be necessary for him to undergo another operation.

Saturday at 6:00 p. m. he will be married to Miss Laquita Roberson, daughter of Mr. and Mrs. Evell Roberson of O'Donnell, in the home of Miss Iris Walton Miss Roberson's cousin, in Hobbs. Pete had been "up front" in Korea for four months with the 31st Field Artillery, 7th Division, when wounded. The U. S. Army started a big push on Oct. 12, and the next day he received a shrapnel wound in the left leg. He spent 120 days in a hospital in Japan, then was flown to Travis Field, on the West Coast, and thence to Brooks Hospital, arriving at the latter place Feb. 18. He has undergone six operations on the leg, and now is able to walk with only a slight limp.

He is the son of Mr. and Mrs. A. D. Schaffner, now of Lockney, but was reared at Wilson and at West Point, and graduated in 1946 from Tahoka High, where he played football and was on the boxing team.

After finishing high school he farmed near here. He entered the Army on January 26, 1951, had six weeks basic training at Camp Chaffee, Ark., and then nine weeks training at Fort Sill, Okla., then sailed for Japan and after a few days went to Korea.

Mr. and Mrs. H. L. McMillan and little son, Perry, and Miss Robertson went down to San Antonio Friday to bring him home. They spent Saturday and Sunday sight-seeing there, and came back to Tahoka Sunday night.

Mrs. Pete Morruquin of route 3 underwent an appendectomy at Tahoka Hospital Wednesday.

MRS. TATE'S SISTER AT POINT OF DEATH

For the past three weeks Mrs. B. R. Tate has been in Portales, N. M., at the bedside of her sister, Mrs. Dewey James, formerly of Tahoka, who is at the point of death, according to Mr. Tate, who came over Wednesday and returned to Portales Thursday.

When notified of Mrs. James' illness, the Tates were at Hot Springs, N. M., where they had been three weeks fishing and taking the baths.

B. R. said he had 50 pounds of fish in the locker at Hot Springs. (Note to B. R.: The News force is getting fish hungry and can't find time to catch our own).

Mrs. Garrino Vasquez underwent minor surgery at Tahoka Hospital Tuesday.

Miss Nelda Faye Schaffner, Formerly Of Tahoka, Married In Lockney Monday

Miss Nelda Faye Schaffner, daughter of Mr. and Mrs. A. D. Schaffner of Lockney, formerly of Tahoka, and S/2c George Malcolm Howard, son of Mr. and Mrs.

Jay Howard of Lockney, were united in marriage Monday at 3:00 p. m. in the Providence Trinity Lutheran Church of Lockney by Rev. H. L. Anderson, the pastor.

The ceremony was read before an altar flanked with baskets of fan-shaped pink and white gladiolas, and similar decorations on the organ.

Sid B. Thomas, accompanied by the organist, Mrs. Jack Faver, sang "The Lord's Prayer" and "Because." Mrs. Dayer played "It Is No Secret," "Apple Blossom Wedding," and the traditional wedding marches.

Given in marriage by her father, the bride wore a dress of blue street-length taffeta with white organdy dorgan sleeves trimmed in blue taffeta. Her hat was white and pink with white sweet peas across the top, and her white veil was of shoulder-length.

Her flowers were white roses, and she carried a white Bible topped with feathered pink carnations with white silk streamers.

For something old, the bride had a pearl and rhinestone necklace given her by the LHS Junior Class, for something borrowed, pearl and rhinestone earrings belonging to her sister, something blue, her garter.

Mrs. C. B. Breiger of Wilson, sister of the bride, was her maid of honor.

J. R. Turner of Sand Hill, half-brother of the groom, was best man.

Ushers were Allen and Cordell Hagens of Wilson, cousins of the bride.

About 150 guests attended the reception which followed in the reception room of the church, given by the bride's parents. Guests were registered by Mrs. Elma Schaffner of Tahoka. The table was covered with a white lace tablecloth, and pink and white flowers surrounded the punch bowl. The wedding cake finished the decorations.

For the wedding trip to Carlsbad, New Mexico, the bride chose a dusty rose gaberdine suit with white and pink accessories, and wore a corsage of white roses.

Both bride and groom are 1951 graduates of Lockney High School. Nelda went to Lockney in her Junior year, and was selected Miss Lockney High cheer leader, FFA sweetheart, runner up for football queen, most popular girl, represented LHS in the "Personality Queen" contest at Canyon in her Senior year, and was presented the "Babe Ruth Sportsmanship Award."

The groom held office in his LHS class three years. He was class favorite, and was active in sports, being a four year man in football, lettered in basketball and boxing, and participated in track and baseball. He was chosen to represent his school in the "Personality King" contest at Canyon. He left Lockney January 16 for the Navy, received basis training at San Francisco, for 11 weeks. He will return to San Francisco April 22. Nelda will stay in Lockney at present, but expects to join him later.

Out of town guests registered from Wilson, Lubbock, Tahoka, Slaton, and O'Donnell.

Wilson News
MRS. FRANK SMITH
Correspondent

Dan Cook who is attending Peacock Military Academy in San Antonio, spent the Easter holidays with his parents, Mr. and Mrs. Howard Cook, and his sister, Nancy.

Word has been received here that Marvin James, Wilson High School graduate, has been promoted to sergeant, while serving with the 25th Infantry Division in Korea. Marvin's wife, the former Ruth Coursey of Wilson, lives at 1614 Avenue M in Lubbock.

Mrs. Charles Lichey who underwent surgery in a Lubbock hospital last week returned to her home west of Wilson Monday. Mrs. Lichey's many friends will be happy to know that she is improving rapidly.

Mrs. G. E. Owens, W. F. Lappe, and J. W. Parker and children, Elizabeth and James, were Lubbock visitors Wednesday afternoon.

Lila Faye Crowder of Lubbock spent Sunday with her parents, Mr. and Mrs. J. E. Crowder.

Mr. and Mrs. Lavoisher Hobbs of Olton spent Sunday with Mr. Hobbs' brother and sister-in-law Mr. and Mrs. B. W. Hobbs, Sr.

Mr. and Mrs. E. R. Petty and son, Larry, spent the Easter holidays with relatives at Dallas and Commerce.

Mrs. Lonnie Lumsden spent the weekend in San Antonio.

Visitors in the W. F. Lappe home Tuesday afternoon were Mr. and Mrs. Matthew Edwards, Mrs. Martha Neighbors, Cecil Payne, Fred Bradley, a Mr. King,

and Rev. and Mrs. Joe Mauldin, all of Seagraves. Rev. Mauldin is pastor of the Southside Baptist Church in Seagraves.

Mr. and Mrs. Harvel Phillips and children, Claudie and Jeanne Earl, visited with relatives near Sulphur Springs, over the week end.

Kenneth Hargraves, a former Wilson resident, whose parents now live at Close City, is home on leave from the Navy.

Mr. and Mrs. Jack Parks of Odessa visited Mrs. Park's parents, Mr. and Mrs. Sam Kirbie, Sunday.

Mrs. Denson Hancock, who has been visiting her parents, Mr. and Mrs. J. F. W. Maeker, left for her home at Needville, Texas, Wednesday night.

Mrs. Katie Nieman accompanied her son and daughter-in-law, Mr. and Mrs. Adolph Nieman, to Cap Spring, Thursday. Mrs. Nieman expects to be gone several days.

Mr. and Mrs. Arvan Holder and Mr. and Mrs. Frank Smith had as supper guests, Mr. and Mrs. Prentiss Jones and Mr. and Mrs. Luke Coleman, Wednesday night, in the Smith home. After the meal, the group played bridge.

Mrs. Hugo Maeker entertained Wednesday night honoring her husband on his birthday. A delicious supper was enjoyed after which the men played canasta and the women spent the evening in conversation. Those present were Messrs. and Mesdames Frank Schneider, Durwood Hancock of Lakeview, Werner Klaus, Herbert Ehlers, Walter Ray Steen, Ray Maeker, Edmund Maeker, and Mesdames Annie Ehlers, J. F. W. Maeker, Lonie Crews, Katie Nieman, and Denson Hancock.

Mr. and Mrs. Clyde Shaw attended a family reunion of the Shaw relatives in Jacksboro over the weekend.

Billy Pat Swann of Idalou spent Sunday with his grandparents, Mr. and Mrs. Pat Swann.

Mrs. S. H. Gryder of the Dixie community visited Mrs. H. C. Fountain Tuesday night, while Mr. Gryder attended the Baptist Brotherhood at the Baptist Church.

Mrs. Ross Williamson and daughter, Eva, gave a Stanley party in their home Thursday afternoon. Mrs. Shoppa from Lubbock, demonstrated the Stanley products after a series of games and contests. Refreshments were served to Mesdames W. F. Henderson, H. C. Fountain, J. C. Key, Eb Moore, Ira Clary, George Williamson, Henry Ahrens, J. A. Hill, C. Self, and the Williamsons.

The W. M. S. of the St. John's Lutheran Church met Tuesday afternoon at the church for their regular bi-monthly meeting. Rev. C. C. Ehler read the Scripture and led in prayer. Mrs. Werner Schaffner discussed the topic, "Befriending the American Indian." A business meeting followed at the close of which Rev. Ehler and Rev. Heubner sang a duet. During the social hour, Mrs. Annie Ehlers and Mrs. Herbert Ehlers, hostesses, served refreshments to about twenty-five.

THE LYNN COUNTY NEWS,

Friday, April 18, 1952

Mrs. Henry Ahrens and son, Wesley, also visited in the home.

Messrs. and Mesdames Albert Holder, Arvan Holder, and D. J. Hutcheson and families spent Sunday with Mr. and Mrs. Raymond Holder and sons at O'Donnell.

Mrs. Bobbie Martindale and son, Ray, of Plainview visited her parents, Mr. and Mrs. W. F. McLaughlin, Sunday.

Mr. and Mrs. Ray Maeker had as Sunday guests, Mrs. Maeker's parents, Mr. and Mrs. G. M. McMillan of Crosbyton, her brother and sister-in-law, Mr. and Mrs. Curtis McMillan of Lubbock, and

Mr. Maeker's brother, Howard Maeker, of O'Donnell.

Mr. and Mrs. Prentiss Jones spent the Easter holidays with their parents in Stephenville.

The Baptist W. M. S. met Monday afternoon at the church for their regular weekly meeting. Mrs. Lonnie Lumsden taught the mission study for the Lilly Huddle group while Mrs. J. A. Martin taught the Bible study for the Blanche Grove Circle. Those present at both groups were: Mesdames Roland Rhoads, Pat Swann, W. F. Lappe, Fred Brannon, H. C. Fountain, R. T. Moore, Lon-

Why the right power is so important to truck buyers

WHEN a truck engine is too small for the job, you'll pay in poor performance and high upkeep. When it's too big, you'll waste money on operating costs.

To be sure of the right power for top performance and top economy on every job, Dodge builds eight great truck engines. There's one that's "Job-Rated" to fit your kind of work.

In fact, you get a truck that's "Job-Rated" in every way. Every load-moving unit is factory-engineered to meet the most severe operating conditions. And every load-carrying unit is factory-engineered to provide the strength and capacity needed.

Visit your friendly Dodge dealer today for all the facts about Dodge "Job-Rated" trucks.

Tests prove power with economy. To save gas, powerful Dodge truck engines employ compression ratios as high as 7.0 to 1. And on high-tonnage models, a twin carburetion and exhaust system is used.

Records show low upkeep. For dependability and low repair costs, rugged Dodge truck engines have 4-ring pistons with chrome-plated top ring and heat-resisting exhaust valve seat inserts.

Owners report, "Greater value!" You get all these plus values: Cyclebond brake linings, easier handling, sharper turning; 50/50 Fluid Drive available on all 1/2-, 3/4- and 1-ton and Route-Van models.

"When power is needed, Dodge trucks have it!"

"We've been big Dodge users for many years, because our business demands trucks that are dependable, economical and rugged. We do most of our driving over rough ground, a lot of it in the mud. The trucks work with crews who are laying pipe in the field. This kind of hauling calls for plenty of power to carry equipment to the men. And when power is needed, Dodge trucks have it! They seem to be able to pull anything."

says C. R. SHEARMAN, Hood Construction Co., Lynwood, Calif.

Car Wrecks . . .

(Cont'd. From Page 1)
Mr. and Mrs. Henderson were patients in West Texas Hospital until Tuesday, when they were able to return home.

Strawn received minor cuts and bruises. He also was taken to the West Texas Hospital, where officers of the State Highway Patrol placed him under arrest. He was brought to Tahoka Saturday morning and pleaded guilty to driving while intoxicated and was fined \$150.00 and costs.

Wreck Blacksmith Shop
A woman's shoulder was broken, two cars were totally wrecked, and a blacksmith shop badly damaged in a serious collision on the south edge of Tahoka at 7:30 p. m. Sunday.

Mr. and Mrs. John Locke and two children, Cindy, 3, and Don, 1, of 702 Ave. O, Lubbock, and Mr. Locke's nephew, Travis Locke and wife of 3505 E. 16th street, Lubbock were returning home that night from Midland.

Just after they had rounded the curve at the Draper place in their 1949 Ford, a 1951 Ford driven by Frank Brown of Tahoka, a diabetic, struck them from the rear. The two cars were propelled about a hundred yards down the highway, over a barrow ditch to the west, and onto the lot south of the J. O. Freeman Blacksmith shop. Crossing the bar ditch, the

Locke car started rolling and came to a stop near the rear of the shop. The Brown car crashed through the south rear wall of the shop, hit a heavy welding machine, and came to a stop after moving it several feet.

Mrs. Travis Locke received a broken shoulder. The others only had bruises and abrasions. All participants received treatment at Tahoka Hospital.

Local Sheriff's deputies and City Police investigated the accident.

Abandon Liquor Car
A liquor-laden 1940 Ford occupied by three Slaton Negroes was completely demolished at about 7:30 a. m. Saturday on the O'Donnell highway south of Nance lake near the Johnson farm. The car, traveling north, overturned on the curve, hit a culvert abutment, and men, liquor and hunks of the car were scattered over a large area.

A local ambulance brought the three Negroes to town, and shortly thereafter they "pulled" their freights for parts unknown.

Deputy Sheriffs Chester Roan of Tahoka and Lloyd Bolin of O'Donnell arrived on the scene a few minutes after the ambulance had left and found a quantity of liquor, some of which the Negroes had evidently thrown into a pool of water while awaiting arrival of the ambulance. The officers recovered 32 quarts of wine, three cases of beer, a half pint of whiskey and two and a half pints of gin.

The identity of the Negroes is known, and they may be picked up eventually.

Fire Truck Damaged
Friday afternoon about 5:45 o'clock, the Fire Department received a call, which later proved to be false, that the Sam Baucom residence on South Sweet street was on fire.

The new truck pulled out, followed by the old truck, the latter driven by John Lovitt. Reaching the scene, the new truck stopped quickly, but the brakes didn't hold on the old one. Lovitt was forced to whip to the left to avoid ramming the other truck, and in doing so side-swiped a car headed north up the highway and driven by F. L. Pickett Jr., 21, airman second class stationed at Big Spring, whose home is in Warrrensburg, Mo.

No one was seriously injured but Pickett's car body was badly damaged on the driver side, and the front of the first truck was likewise badly damaged. Police Chief J. B. Florence said the accident apparently was almost unavoidable.

Car Overturns
Billy Ross Hamilton, 20, received a fractured shoulder at about 10:00 p. m. Friday when he lost control of his 1947 Plymouth and it overturned on the highway south of Tahoka. This car also was badly wrecked. Hamilton is employed at Mid-

land and was en route to Abernathy, his former home, to visit his mother. He received treatment at Tahoka Hospital. Deputy Sheriff Otis Curry investigated the accident.

Wheel Come Off

The New 1952 Chevrolet Bellaire of J. H. Phillips of Wilson was badly wrecked Thursday afternoon of last week when a left front wheel came off and the vehicle overturned just this side of Big Spring.

Phillips was working at Lamesa. That afternoon, he loaned the car to a young lady friend to go to Big Spring to do some shopping. She was alone in the car and was not seriously injured.

Saturday night, a 1941 Ford driven by Leon Richey of Slaton, route 2, overturned and was badly damaged on the Wilson farm-to-market road a mile east of Wayside. Richey received only minor injuries, according to Frank Henderson, deputy at Wilson, who investigated the accident.

Another Overturns

Thurman Potts was driving his 1938 Chevrolet on a dirt road just west of the roadside park north of Tahoka Monday immediately after noon, when the steering rod

came loose, the car ran wild, hit a ditch and overturned.

Pott's sister, Mrs. Joe (Joyce) Vines, riding with him, was brought to Bronnberg Clinic, where stitches were required to close gashes at the corner of her

mouth, over the left eye, on a leg and on a finger. She was sent to a Lamesa Hospital for further treatment, but her injuries were not believed to be critical. Potts received minor bruises and abrasions. The car was badly wrecked.

Arizona Lady Praises Collier's Hand Cream

Yuma, Arizona
1111 7th Avenue
April 10, 1952

Collier Drug Co.
Tahoka, Texas

Dear Sir:

I was visiting friends in Phoenix. She was using your cream; said it was the best she had ever used. She insisted I try it, because I suffer so much with my hands. My skin is very sensitive—allergic to most everything, water especially.

Your cream was so soothing to my hands, I decided I would order some. On the jar it just said: Hand Cream, Collier's, 1 lb. jar, Collier Drug Co. (Mfg. For).

Send C. O. D. please. Thank you.

Sincerely,
MRS. H. A. FAULKER.

We frequently get letters similar to this as our COLLIER'S HAND CREAM becomes more widely known. If you have not already tried a jar of this hand cream manufactured especially for us, we suggest that you buy a jar today and give it a fair trial. We believe you will be pleased, also.

Complete School Tennis Courts

The two new concrete tennis courts on the campus of Tahoka High School were completed this week, according to Supt. Otis Spears. The courts are located north of the High School and east of the Vocational Agriculture building.

Mr. Spears was instrumental in starting a fund about three years ago while he was principal to build the courts. However, sufficient funds were never raised for them.

This spring, he decided to go ahead with the construction due to the fact that they were badly needed with the hopes that the remaining funds would be forthcoming from some source. The school board promised to help some on the project, but some money is still needed to clear the cost.

When bids were called for on

construction of the courts, the lowest bid was \$1,200.00 per court, or \$2,400.00 for the two. This price was prohibitive, and Mr. Spears sought the advice of Edgar Roberts, concrete man. They started the project, and got through on a total cost of \$1,488.00, or a saving of over \$800.00.

This includes labor, cement, sand and gravel, and \$212.00 worth of reinforcing wire. About a third of the sand was donated by the Tahoka Jaycees, and local lumber yards sold them the cement at cost.

Gene Porterfield of Draw was carried to a Lamesa hospital Saturday night and underwent an emergency appendectomy.

Singapore is an island 27 miles long and 14 miles wide.

SECOND SECTION

The Lynn County News

TAHOKA, TEXAS, — FRIDAY, APRIL 18, 1952

Gets First '52 Crusade Sword

Governor Allan Shivers gets pinned with the first cancer sword of the 1952 Texas Cancer Crusade by Mrs. Joseph M. Perkins of Eastland, vice-president of the American Cancer Society, Texas Division, during "kickoff" ceremonies at the State Capitol, April 2. Dr. G. V. Brindley of Temple, surgeon-in-chief of the Scott and White Clinic and Cancer Society vice-president for professional activities, is on the right.

Lay More Walks At Local Schools

Additional sidewalks are being laid in front of the three Tahoka school buildings and several other minor improvements made on the campus. Supt. Otis Spears states.

New walks are being laid in front of the High School building extending immediately across the building front and from each corner of the building on out to the paved street.

Other new walks will be laid in front of the old Grade School building and in front of the new Elementary building.

The rose garden in front of the high school will be done away with, and the area planted to grass. It is also hoped that grass may be planted in front of the other two buildings.

Tahoka Garden Club and the PTA have plans for landscaping

the new building grounds and also making some new plantings around the other two buildings.

Mr. and Mrs. Grady C. Baker of Lueders spent last week end visiting her parents, Rev. and Mrs. Silas Dixon, at Draw. Mr. Baker is coach and grade school principal at Lueders.

Movie Program At New Home Club

Forty-five men were present at the last meeting of the New Home Civic Club, held the night of Monday, April 7, Joe D. Unfred reports.

Marvin McLarty of Lubbock, drive-in movie operator and sportsman, showed a travel picture he had made of a hunting trip he had made on the Green River of Wyoming. The trip was unique in that his party floated down the river in canoes to track down deer and other big game.

Louis Dawkin, also of Lubbock, spoke on soil conservation. He emphasized that if the population of our country keeps growing, it will not be long until we must set a "fifth plate"—grow the same amount of farm products for five people on which we are now growing for four.

Special guests at the meeting included Howard Cook and A. L. Holder of Wilson.

B. A. Morrow, club president, presided at the meeting.

The dinner for the evening was served by the New Home Senior girls, and included chicken and dressing and all the trimmings. Mr. Unfred says the class this year has only one boy, Don D. Balch, who should be given credit for catching the chickens. Funds raised at the dinner by the class will go toward financing the annual Senior Class trip.

One out of every five European refugees has been taken in by Britain.

FORMER TAHOKAN WILL APPEAR IN RECITAL

Miss Dottie June Floyd, daughter of Mr. and Mrs. Sam H. Floyd of Lamesa, formerly of Tahoka, will present her senior music recital at 3:00 p. m. Sunday, April 20, in the First Methodist Church at North Third and Austin in Lamesa. All friends are invited.

Dottie June will graduate from Lamesa High School in May.

The clarinet has a greater range than any other woodwind instrument.

MEMBER PRESS ASSOCIATION

there for a week or more. On the whole, my stay down here has been exceedingly pleasant, although I have found that there are many kinds of food down here that a tourist could not afford to eat. Neither can most of them afford to drink undistilled water. These facts have been the most serious disturbances of my peace and happiness in Mexico. The second greatest handicap I have suffered is my inability to speak or to understand Spanish. If I were a little younger and had time to devote to its study, I certainly would get some Tahoka Mexican to teach me the language as "she is spoke" by the most intelligent or middle class of Mexican people. Our relations with Mexico are bound to become more intimate and more vital to our own welfare as the years come and go.

Furthermore, I believe that the I. Q. (Intelligence Quotient) of the Mexican people is much higher than we have been accustomed to think. Even most of the Aztecs, in spite of their lack of education and their proneness to embrace a thousand senseless superstitions, are as bright mentally as a new silver dollar. Nearly all the housemaids in Mexico City—and I think there are thousands of them—seem to be pretty keen. The ones that we contacted at the Virreyes Hotel and that we have contacted down here at this rooming house are surprisingly witty and congenial. I am convinced that most of the Aztecs and of the Mestizos (mixed blood)

Go To Church Sunday.

are capable of becoming as well educated and intelligent as are members of the other races of the human family. The main trouble is, I think, that they have been devoid of opportunities for so many generations that few of them are really ambitious. They are content—I am speaking now of the women and the girls—to crawl around on their knees and scrub floors in the hotels and apartment houses and rooming houses and in the homes of the rich for their clothes and board and a mere pittance in money, I guess. They do not seem to dream that better things are possible for them, and hence they become just about as static in their low estate as are the people of India. If the United States had a chance to do so, I think she could change this situation up very substantially in just a decade or two.

Now about a few customs down here that might surprise you. Everybody down here not only locks up their business houses so securely that it would take an army with cannons and machine guns to break into one of them but they lock up their homes also and keep them locked day and night except when they want to go out or come in.

First about the business houses. When a business man closes up his business for the day or for the night, he releases a heavy corrugated or sheet iron door that extends clear across the front of his building, lowers it, and then locks it securely—and I mean securely—thus forming a front wall that could not be beaten down with an old Roman battering ram. The sides and the backs of the business houses are protected by the walls of adjacent buildings or occasionally by a wall built for the purpose and topped with a wire fence that defies the attempts of any crook who might wish to scale it.

A residence or a rooming house is kept locked practically all the time. If you have a room or an apartment in it, you are furnished a key and when you unlock the door and come in and pull the door shut it locks the door behind you. If you have no key, you must ring the door bell until some one opens up from the inside. Usually only one key to the room is furnished. My room mate carries the key and I have to do a lot of bell-ringing to get back into the house.

If there is a garage attached to a residence, it is barred with a very heavy iron or steel gate and locked just as securely as the residence.

These customs prevail not only in the City of Mexico but all over the nation. Don't guess the Indians out in the rural districts lock up their thatched-roofed huts but they are the only exceptions to the rule.

In addition to these physical precautions which the Mexican people have taken to forestall the operations of would-be robbers and thieves, the city seems to be well policed. One or more uniformed officers can be found during business hours in practically every bank in the city, and usually there is one or more in or about most of the hotels and some of the larger business houses such as Sanborn's, Sears and Roebuck, and others. Of course the

Zocalo, where the Government buildings are, is swarming with uniformed officers; and many are found also at all points where many streets converge. There is no way of knowing how many secret service men there may be who dress in plain clothes, but all regular officers wear rather flashy uniforms. The same can be said of all army officers. There are two army fields here, one, it seems, for ordinary soldiers and their officers, and one flying field. There is a large landing and take-off space at the flying field and a very large station, swarming with people during most of the hours of the day and night. Meals, cold drinks, and liquors are served, and accommodations of every kind are provided. My room-mate and I have taken lunch and dinner out there several times. It is a popular place, even for civilians. Army and air field officers are likewise attractively uniformed. Like the civilian officers they present an air of authoritative front and make a good impression on the people, both natives and transients. Policemen and other local officers are very polite and accommodating. Few of them can speak English and hence I have not been able to carry on any conversation with any of them but my room-mate does speak Spanish and I have heard him carry on conversations with many policemen, and without exception they have treated us cordially and genteelly. The same can be said about the Bank of Mexico and employees where we have been getting our checks cashed. All the folks everywhere have been nice to us and none of them could be nicer than the folks of the little church where I have been attending services.

While I was writing the above paragraph on Friday of last week, I was interrupted and did not get back to it until today, Tuesday, April 8. But I have been around quite a bit since I sawed off. With a couple of my friend's visitors and with him, I went out again to Grasshopper Hill, which being interpreted is Chapultepec Hill, the high knob that rises 300 feet almost perpendicularly above the adjacent terrain and on the top of which that bewhiskered Frenchman, Emperor Maximilian, and his beautiful but pathetic Austrian wife Carlota, had their residence for three unhappy years back in the 1890's. A guide out there conducted us through and told us everything about everything there on the Hill. What he failed to tell us he showed us. Most of it was rather dull and uninteresting, however, and so I am not going to

bore you readers further about it—except to say this, that from the top of Chapultepec Hill one has a marvelous view of the city and also of the 400-acre Chapultepec Park, which is covered with some of the finest trees to be found in Mexico; and honestly I had rather look at one of those towering green trees throbbing

with life and beauty than to be shown the pictures of a hundred captains and generals and cardinals and priests who have been dead for years and years and never did amount to much while they were living. That trip was made Saturday afternoon.

On Sunday afternoon our two

visitors and four of us Mexicans went out to the pyramids thirty miles northeast of the City to show them these ancient New World wonders. I myself was exceedingly glad to go, for I had seen them only once, had taken no pictures of them, and strange to say I had not been able to

Let's get down to brass tacks and the PLAIN HARD FACTS

Here's why a Chevrolet truck means dollars-and-cents savings!

Size up the four facts why a Chevrolet truck cuts down your hauling or delivery costs.

But there's more to it than that. It's the greatest truck to drive you ever got your hands on. Easier Ball-Gear Steering. Clutch smooth

and easy. Fast, quiet Synchro-Mesh transmission that eliminates double clutching. Roomy cab with five feet of hip room, ventipane windows, and seats with double-deck springs.

Come in and let us show you.

FACT No. 1

You pay less to buy!

FACT No. 2

You save on cost per mile!

FACT No. 3

You get the right truck for the job!

FACT No. 4

Your truck investment is safer!

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

RUGGED and thrifty too!

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

buildings out there later.

On our start out to the pyramids we necessarily went by Guadalupe Cathedral here in the City. That is one of the interesting sights that every tourist is invited to see; and since two of the men in our party were ministers, we stopped and spent about an hour there. There are so many things to be said about it that I am leaving that also for a later contribution to this column. What we saw and heard should be of intense interest to every Protestant or Baptist in the United States, as well as to every Roman Catholic also.

Last week I told you something about the little church whose services I have been attending frequently since I came down to Mexico, and also something of the difficulties under which they are carrying on their work. There are many things relating to the services and the handicaps that beset the members of this church and thousands of other Christians, including Catholics themselves, that I expect to acquaint you with in later articles, but I will merely say now those things that are necessary to explain a little incident that occurred in this city less than two weeks ago. It is a little incident, but I believe that it illustrates the hunger of some of the people for spiritual light and truth.

Let me say that down here the people are nominally Catholic by an overwhelming majority. But millions of Catholics in Mexico are only nominal Catholics. Possibly millions of them have lost faith in the tenets of that Church, and they rarely ever attend its services. They evince little interest in any type of religion. In fact, some 30 years ago there was such a strong reaction against the Catholic Church that a citizen of Mexico named Calles was elected President of the so-called Republic on an anti-Catholic and anti-Church platform. He presented to his legislature a program of legislation designed to greatly curb the activities and influence of the Catholic Church and to virtually destroy the work of all Protestants. Under the law, or rather under the decrees of President Calles which were approved by the legislature, all pastors of churches must be native Mexicans. All of their services must be conducted in churches or in private homes. Every person who would come as a missionary, must obtain a permit from the Mexican Government, and even then he must limit his work to existing churches, unless the Government "generously" allows him greater latitude. I see no way in which any foreign minister from the United States could under any circumstances hold a revival meeting or do any kind of evangelistic work in Mexico without violating the Mexican laws. For that reason Methodists and Baptists and Presbyterians and Churches of Christ have no missionaries in Mexico, in the real sense. It depends on how much latitude the National Authorities may give to church groups or church bodies in conducting their religious services.

For 400 years Roman Catholicism was in the saddle in Mexico. For the past 25 years, Atheism and Agnosticism and Infidelity have been in the saddle.

Five years ago a little B. M. A. Baptist Church was organized with the belief that they could soon meet the legal requirements and with the intention of building a house of worship here. So far, they have found the road a rocky one, but they are still intent on raising the necessary funds, meeting the legal requirements, and building a house of worship, although recently they have been faced with some local opposition and the threat of trouble.

Since I have been down here and attending their services, some of the members have been learn-

ing the wording and the tunes of some of the great old hymns that Protestant churches use in the United States. They have the Spanish version of some of these songs without the music, and so recently I wrote down for them in English some of the verses of such hymns as "Rock of Ages," "Jesus Lover of My Soul," "Amazing Grace," "Jesus Saves,"

"Pass Me Not," "O Gentle Savior," "A Fountain Filled With Blood," "Sweet Hour of Prayer," "What a Friend We Have In Jesus," "Jesus, Savior, Pilot Me," "Blessed Assurance," and others; and in their Sunday School assembly and their prayer services, they have been learning to sing

Buy U. S. Savings Bonds.

THE LYNN COUNTY NEWS,

Friday, April 18, 1952

these hymns, in English. It is remarkable as to how quickly they pick up both the words and the tunes; and you have no idea how it thrills them and the rest of us. Well, one Sunday afternoon recently our usual party visited one

of the parks situated down in our neighborhood. In it are many long seats. Sitting on one of them, the Church song leader, the young woman teacher of the children's class in the Sunday School, who

the
 groundwork
 never
 stops...

A growing telephone system can't afford to take a holiday. Even as one expansion project is completed, another is under way, whether in the planning stage, engineering, financing or actual construction.

As an example, when a telephone man visits your home to install a telephone, the work you witness may take only twenty minutes. But, the work you didn't see—the unseen groundwork which made that installation possible—could easily have required many months to complete.

You can be sure, each day of the year, that plans for your community's future telephone service are in the making. The gears of telephone progress are turning. The groundwork never stops.

 TELEPHONE COMPANY

It makes you comfortable all over

BUICK engineers have a habit of getting at the bottom of things.

So they're not content to stop with putting beneath you cushions that are luxuriously soft and deep.

They also put big, soft, deep coil springs between you and all four wheels—and big, soft tires between the wheels and the road.

But real riding comfort calls for more than cushioning up-and-down jolts and jars.

There's end-sway and side-roll and "wander" to be controlled. There's sure-footed balance on curves. Not to mention the importance of having a frame stout and husky enough to make the whole car feel safely solid.

So Buick engineers have gone through

the list—come up with a ride that cost a cool million dollars and more for special engineering, tooling and components.

Does that cover Buick's comfort story? It certainly does not.

There's the comfort of driving a car that instinctively holds the road—the comfort of ample room and a wide-open view of the world around you—the comfort of fabric colors that please the eye and fabric textures that please the touch—and the effortless smoothness of Dynaflo Drive.*

Then there's the mental comfort of bossing power mighty enough to meet any demand you make upon it in emergency—8-cylinder power—high-compression power—valve-in-head power—Fireball power, that makes you proud of the

miles you get from a gallon of gas.

And maybe you'll also find comfort in knowing that this great automobile can be yours at a price that is still just a small step above what's known as "the low-priced three."

On top of all this, driving a Buick's a barrel of fun. Why not drop in tomorrow and ask us to prove it?

Equipment, accessories, trim and models are subject to change without notice. Wheel Covers standard on ROADMASTER, optional at extra cost on other Series. White sidepanels optional at extra cost when available. *Standard on ROADMASTER, optional at extra cost on other Series.

Farm Tractor Can Be A Killer

COLLEGE STATION. —More than a quarter million tractors furnish the power for producing the major portion of the agricultural wealth of Texas. These machines, when properly handled and operated, are safe but when carelessness comes into the picture, they can become killers. Fatal accidents caused by farm tractors, points out E. C. Martin, state agricultural leader for the Texas Extension Service, usually result from some chance taken by the operator.

High on the list of tractor accident causes are failure of the operator to follow his operating manual when attaching equipment; operating the power take-off with shield removed; filling the fuel tank with the motor running; making adjustments on the tractor or equipment without shutting-off the motor and operating the tractor on a highway after dark without proper front and rear lights.

Many accidents result from overturned tractors. Martin says extreme care should be exercised when tractors are operated on hilly or rough land and in fields where there are ditches or creeks. Making hitches above the draw bar may cause the tractor to rear up and turn over backwards, explains Martin.

Never operate the power take-off unless it is covered with the shield which came with the tractor, warns Martin. It was provided for the safety of the operator.

The shortage of farm labor can be partially overcome by preventing every type of farm accident and Martin adds it's the business of every farm family to see that some member isn't taken from the job by an accident.

TURNERS ATTENDED COMMISSIONER MEET

County Commissioner "Dick" Turner, Jr., and wife of Precinct 4 attended the West Texas County Judges and Commissioner meeting held in Brownwood Thursday, Friday, and Saturday. Mr. Turner reports that they enjoyed an excellent program and received much benefit from the meeting.

Trade at home and save!

Odds & Ends

musical talent. I, with musical talent at a very low undertone. English, one of these great old hymns, just for our own pleasure and gratification. But out on a concrete surface near by were a number of boys playing a Mexican version of some sort of ball game. After a little while some of them heard the near-by singing, and they proceeded to gather around us one by one until there were eight of them almost right up in the face of the talented young woman singer listening with rapt attention. They scarcely moved a muscle or batted an eye until one of the larger boys abruptly broke away and called the others after him. The intense interest with which seven of the boys listened, made us all feel that those seven were hungry for spiritual food. Although probably

not understand the solemn tunes to which the words were sung evily touched responsive chords in their own hearts. It is possible that these boys had never at any time received a religious service of any kind and had never before heard the solemn melody of any of the hymns we hummed; for I am sure that there are hundreds of thousands of boys and girls in Mexico City who have never attended a church service.

But, when the little episode ended, we suddenly realized that under the strict letter of the Mexican law, we could possibly be called to account for engaging in a religious service outside of any church or home.

And that is the situation, folks, that confronts and threatens every would-be missionary or evangelist from the United States who longs to bring the gospel of Christ to Mexico, without having first obtained a permit from the Government.

Four of every five automobiles made in Britain are exported to countries overseas.

Seasonal changes in the prices of eggs and fresh herrings affect the cost of living index in Norway.

Stewing chickens are an economical meat buy for meat extender dishes.

Mothballs are said to keep tools from rusting. The mothballs absorb the moisture that produces the oxidation.

Pontiac Sales and Service

Not "warmed over" but strictly brand new!

You owe it to your pocketbook to drive this Chrysler engine before you buy any fine car today.

It's not a "warmed-over" engine, but a basically brand-new one!

It gives a new kind of performance that means new value for every dollar you pay out for purchase, upkeep, or operation.

It was built brand-new around a hemispherical combustion chamber which makes better use of gasoline, and also permits smoother all-round engine structure, than any American motor car engine has had before.

It delivers 180 horsepower... without requiring you to buy premium gasoline. It runs with less waste, less heat, less friction and less wear than previous designs can

equal. Its combustion is so clean it literally develops almost no carbon deposit at all.

It will last longer than any engine you've ever known. It will cost you less along the way. It will stay "young" in performance thousands of miles past the point where an ordinary engine shows old age.

And on top of all that, it makes driving a lot more pleasure! Its smooth response... its safety-power, in reserve for emergencies... its easy scorn for distance or hills... make you just plain feel good at the wheel as you've never felt before.

For the good of your purse and your pleasure too... we invite you to drive it, soon!
