Tahoka, Lynn County, Texas Friday, April 25, 1952

Number 30

## Open House At New Elementary School Monday

Open house will be held in Tahoka's new \$235,000 Elementary School and Cafeteria next Monday night, April 28, from 7:30 to 9:00 o'clock, and all local school patrons are invited to come out and inspect the new building.

The new building was occupied by the 306 students of the first, second, and third grades several weeks ago at beginning of the second semester. The cafeteria was occupied immediately after the Christmas holidays. However, the building was not officially accepted until the meeting of the school board Tuesday night.

Plans for the structure were drawn by Butler & Brasher, architects, and the general contractor was Swain Construction Co., at a cost of about \$211,000. Most of the furnishings are new, and these ran the total cost to the \$235,000 figure.

The building is entirely fireproof, contains 12 classrooms, offices, rest rooms, book room, heating plant, public address system, and the 350-capacity cafeteria. The entire plant will be open for inspection at the open house.

Hosts for the open house event will be Mrs. John Witt, outgoing president of the PTA; Mrs. Skiles Thomas, the incoming president; Principal Archie Sims, and Superintendent Otis Spears, and the ten teachers occupying the building.

The latter are:  
First grade: Mrs. Mitchell Williams, Mrs. Clyde Briley, Mrs. John Roberts, and Mrs. F. B. Hegi.  
Second grade: Mrs. Walter Mathis, Mrs. Pat Hutchison, and Mrs. L. D. Howell.  
Third grade: Mrs. Linnie Finch, Mrs. Deck Dunagan, and Mrs. Ivan McWhirter.

## W. A. Vaughn, 63, Buried Sunday

W. A. Vaughn, 63, of the Redwine community, died at 1:30 p. m. Friday in a Lamesa hospital after having suffered a heart attack early that morning. He had been in ill health for several years.

Funeral services were held in the First Baptist Church Sunday at 1:30 p. m., with Rev. "Buster" Edwards, a former pastor at Redwine, officiating. Rev. O. N. Reed, another former pastor, and the Tahoka Masonic Lodge were in charge of graveside services.

William Arthur Vaughn was born at Austin May 13, 1888. He was married in Taylor county August 29, 1910. Coming to Lynn county in 1927 from Rannels county, he and his wife had resided here ever since, engaging in farming. He was a highly respected citizen of this county, and had a host of friends.

In addition to the wife, he is survived by two sons, Audavee of the Redwine community and A. R. of Kermit; two sisters, Fannie Holliday of Midland and Nannie Vaughn of Hobbs, N. M.; one brother, Jake Vaughn of San Angelo; and two grandchildren.

## Band Plays In Contests At WT

Tahoka High's 60-piece band was in Canyon Thursday for the annual Region I band contests at West Texas State College. The band went to Canyon early Thursday morning and was to return late Thursday night.

Director Glenn Burleson's organization will enter contest numbers and marching. Individuals also are entered in various contests.

Bands from all Northwest Texas are entered in the contests.

Chicken is a rich source of animal protein.

## Grassland Farmers Win Top Soil Award

The Grassland Group of the Lynn County Soil Conservation District No. 119, has been judged the most outstanding group in Region I, comprising 51 counties. The Fort Worth Press announced at noon Thursday. The group will receive a \$200.00 cash award for winning the Region I championship.

Jay W. Moore, also of Lynn county, was judged the outstanding farmer of the Lynn county district, and will be presented a plaque by Lions International and the Tahoka Lions Club.

Official presentations will be made at a meeting of the 51 counties in Lubbock on May 26.

Donley County District won the \$500 award for the outstanding district in the region, and C. M. Welborn of Tulia won the region-

al outstanding farmer award; J. W. Clift of McLean, the best come-back farmer; A. B. Slagle of Southwestern Crop & Stock of Lubbock, the award for unselfish service by a non-farmer; and Mrs. S. J. Latta of Floydada, the home maker award.

N. E. Wood, work unit conservationist, said Grassland was entered by the local district. Judging was based on improved farming methods and conservation practices as practiced by individual members of the group as a whole.

The New Home Group won the high honor a few years ago.

He said approximately 20 or 25 Lynn county farmers' names were entered by the local office for the county individual farmer award which Moore won.

WYNNE COLLIER

## Collier President Druggist Group

ABILENE, Apr. 24. —Wynne Collier, Tahoka druggist, is presiding over meetings of the West Texas Druggist Association annual convention being held in Abilene today and Saturday.

The president of the "pill-rollers" association was born in Post, grew up in his dad's drug store there, and now operates his own store in Tahoka. He has been a leader in Texas druggist circles for a number of years.

In addition to the many trade and professional numbers of the meeting here, are many entertainment features including a "Dr. I. Q. Program," conducted by the original Dr. I. Q., Rev. Jim McClain of Eastland.

## Cotton Meeting Set For Tuesday

A three-county cotton meeting will be held in Tahoka in the county court room Tuesday, April 29, at 2:00 p. m. County Agent Bill Griffin announces.

Farmers of Garza, Borden, and Lynn counties are expected to attend.

A. C. Gunter, Extension entomologist will discuss the 1952 control program and explain the use of some new insecticides. He will also show a set of slides on beneficial insects.

Fred C. Elliott, cotton work specialist, will discuss seed treatment results on experiments run in the state and on mechanical harvesting. Slides will also be shown to illustrate this talk.

All farmers and other people interested in cotton and insect control are invited to attend.

## Congratulations:

Mr. and Mrs. W. C. Fannon, O'Donnell, route 1, on the birth of a son weighing 6 pounds 13 ounces at 9:41 p. m. Thursday of last week in Tahoka Hospital. Name, Larry Wayne.

Mr. and Mrs. Harold Summers on the birth of a daughter weighing 7 pounds 6 ounces at 3:37 p. m. Saturday in a Lubbock hospital.

If exercise eliminates fat, how do so many women have double chins? See it first in The News.

## Rains Raise Hope That Long Drouth Is Broken

### Demo Meetings Are Scheduled

All Democratic Party precinct chairmen of Lynn county are requested to meet in the county court room in Tahoka this Saturday at 2:00 p. m. to decide the time and place for the various precinct conventions which will be held on Saturday, May 3, according to Bill Strange, Jr., Lynn county Democratic chairman.

An effort is being made to get as many voters as possible to attend the various precinct conventions this year. This is the only place the average voter has a voice in who the nominee of his party may be.

Mr. Strange states that Monday, May 5, is the last day for candidates to file for a place on the ballot. Names not filed by midnight May 5 can not by law be placed on the ballot in the coming primary election. Therefore, candidates are warned to attend to this duty in plenty of time.

### Four Young Men Inducted Last Week

Four Lynn county young men were inducted into the Armed Services last week end at Amarillo and sent to a reception center, according to the Lubbock Selective Service office.

They are: Leslie A. McNeely and Paris E. Adams, Jr., of Tahoka; Glenwood A. Krause of Wilson; and Thomas J. Roan of O'Donnell.

### Court of Honor Monday Night

A barbecue supper will be served at Tahoka Boy Scouts Court of Honor meeting in the WOW hall Monday night at 7:30 o'clock, according to H. B. McCord, Jr., scoutmaster. All Scouts, Scouters, parents, and others interested in the Boy Scout program are invited.

Seven boys will be advanced at the meeting, two receiving the Tenderfoot award and five the Second Class award.

Tenderfoot: David Bray and Charles Isom.

Second Class: Jay Gurley, Karl Prohl, Jerry Freeman, John Redwine, and Denver Ford.

McCord states that his 28 Boy Scouts are showing a lot of interest in the Scout program. The boys are looking forward to attending the summer camp at Camp Post the second week in June.

F. E. Redwine has recently become the new assistant scoutmaster of the troop.

### Stakes Being Set For Telephone Line

Engineers started work of setting stakes in the Fletcher-Carter exchange area (Draw, Redwine, and Grasland) this week for the Poka-Lambo Rural Telephone system.

Such engineering work has already been completed in the Southland, New Home, and New Lynn exchange areas, Manager John Hurley states.

Southland's unattended central exchange will be located across the street from the school there. That exchange will begin operation with 142 signed up members.

New Home's station will be located across the street west from the Balch store.

### New Oil Test In Lynn County

A third new oil test for Lynn county was announced last week end.

Seaboard Oil Co. of Delaware is to drill a 11,000 Ellenburger wildcat in the northern part of the county, about fourteen miles from Tahoka and two miles south of the Lubbock county line, or two miles west of the Tahoka-Lubbock highway.

Known as Seaboard No. 1, Nora Jane Wilson, location is 1,990 feet from the north and 660 feet from the west lines of section 418, block 1, certificate 3, D&E survey, five miles northeast of New Home. It occupies a 160-acre lease.

On Tuesday, the drill bit was reported already at a depth of 2,600 feet on the Shell No. 1 Southland Royalty et al 10,000-foot wildcat in west central Lynn county, four miles west of Tahoka, 660 feet from the north and west lines of section 1, block 2, L&SV survey.

The third test is the 4,500 foot Duncan Drilling Company of Big Spring No. 1 Mrs. Martha Fortner, 330 feet from the south and east lines of section 8, block 1, BS&F survey, six miles east of Wilson.

### O'Donnell Bank Awards Contract

O'Donnell, April 24. —A \$45,866 contract for construction of a new building for the First National Bank of O'Donnell was awarded here yesterday to Loyd Ponder of Midland. Ponder was low among nine contractors submitting bids.

Construction of the new dust-proof type building is to begin by May 15. It will be of brick and tile construction with built up roofing, asphalt tile floors and winter-summer air conditioning. Windows will be permanently fixed to help keep out blowing dust.

The new building is to be built in the downtown area of the city and was designated, according to the architects, to be "one of the most modern little banks in the state." Wyatt C. Hendrick of Fort Worth was the architect.

President J. L. Shoemaker, Sr., said the bank will include a lobby, vault, offices and other administrative and operational rooms.

Mr. and Mrs. Granvel Ayer and son, John returned last week end from a visit with his sister and family, Mr. and Mrs. E. C. Bradshaw, in Houston. Granvel says he got some good color movies of San Jacinto monument, the Battleship Texas, and other scenic and historic spots.

Subscribe to The News—\$2.00.

### Tahoka Rainfall Totals 1.32 Inches

Rains Thursday and Saturday nights of last week brought total precipitation in Tahoka for the month of April to 1.32 inches, according to the U. S. Weather Bureau gauge kept by The News.

The rain here on last Thursday night amounted to .48 of an inch, and on Saturday night and Sunday morning to .19. Showers of .30 and .35 fell on April 8 and 11, respectively.

However, much of the Lynn county received a greater total rainfall than this. Especially, to the south and southeast, the fall was heavy. Most sections need more water to soak the extremely dry soil.

O'Donnell reported an inch and a half or more, Draw from two to four inches, and Redwine, Midway, and Joe Bailey heavy rains also. Newmoore had an inch but the fall was heavier at Wells and T-Bar. West Point reported about an inch and a half. The rain was spotted in the north half of the county. Wilson reported fully an inch and a half.

### County Exceeds Red Cross Quota

The annual Red Cross Roll Call drive in Lynn county went over the quota, according to Bill Griffin, county chairman, and Roland W. Clem, drive chairman.

Lynn county's quota was \$3,062.00, and a total of \$3,268.18 was raised this year. However, the American Red Cross is already in need of more funds to complete the budget by reason of the recent tornado and flood devastation.

Anyone wishing to contribute to the worthy cause is asked to give their contribution to Ross Smith, county secretary and treasurer.

Mr. Clem recently received a letter of praise on the success of the local campaign from Jack W. Irving, regional director of chapter service, St. Louis.

Mr. Griffin has received the following message from National headquarters in regard to immediate needs:

"The Missouri and Mississippi are on the rampage. Over twenty six thousand families are homeless and many more thousands are facing threats which are worsening hourly. Red Cross on the job. Ten million dollars and possibly much more needed if we are to carry on as country's official disaster agency. Such a sum available in the National Treasury from which in the present fiscal year more than twenty-two million dollars have been spent or committed for disaster not including present floods.

"Realizing the seriousness several influential newspapers and radio stations in the middle west have voluntarily started Red Cross flood relief campaigns. We at National Headquarters presently asking press, radio, television, and other publicity media to start nationwide appeal.

"Will your chapter go all out in support by campaigning actively for funds? Experience has proved that publicity alone does not bring results. Only by wholehearted and unstinting cooperation from the chapters can these funds be obtained."

There are now 315,000 miles of natural gas pipe lines in the United States.

Go To Church Sunday.

### THS Honor Students For 1952 Named

The 1952 Senior Class honor students at Tahoka High were announced this week by Principal Bob Rich.

Marjorie Clinton is the valedictorian with 96.2 points. Mary Louise Fenton is second high and salutatorian with 94.8 points.

The next three, in order, are: Dot Durham, 93.7; Edith Aldridge, 92.7; and Eunice Sheppard, 92.4.

Mr. Rich states that the annual Class sermon will be on the evening of Sunday, May 11, and the graduating exercises will be the evening of Friday, May 16.

Following the Class sermon and preceding the graduation exercises, members of the Senior class will take their annual class trip, going this year to Lazy H Ranch, near Kerrville.

### Farm Labor Group Meeting Is Called

Directors of the new farm labor association being sponsored by Wiley Curry, R. W. Fenton, Jr., and others will meet Saturday at 3:00 p. m. in the court house here to complete organization plans, according to Albert Curry.

All farmers of the county interested in the organization, which is being formed to secure Mexican Nationals for farm labor, are invited to attend the directors meeting Saturday.

Clayton Heare of Amarillo was here Wednesday on business and visiting his sister-in-law, Mrs. J. L. Heare. A former judge of the Court of Civil Appeals, he is now engaged in private law practice.

## Bulldog End Spring Training With Game Tuesday Night

Spring football training at Tahoka High will end next Tuesday night with a game between the 1952 squad and the Seniors from the 1951 team.

The game starts at 8:00 o'clock and will be open to the public. Admission of 50 and 25 cents will be charged.

About forty boys have been working out a month under Head Coach Bill Haralson and Assistant Coach Jake Jacobs. Coach Haralson says they have been looking good at times, and he hopes to have a scrappy ball club next fall.

However, thirteen boys were lost from last year's District 8-AA

championship team, and the coach is faced with the problem of rebuilding. Many of the team candidates are short on experience but are eager to learn. Also, a number of them are young and small.

Several eighth grade prospects are working out with the squad.

Twelve of the Seniors and several exes will test the new squad in Tuesday night's game.

Coach Haralson announces the probable starters Tuesday night as follows: Steve Slover and Milford Ratliff, ends; Duane McMillan and Billy Stice, tackles; John Curry and John Foster, guards; Joe Brooks, center; J. B. Ables,

fullback; Kenneth Early, blocking back; Charley Schulz, wingback; and Gordon Smith, tailback. Richard Havens recently received a back injury and will not be able to play Tuesday.

Many of the other candidates for the team will also see action in the game.

Red-winged blackbirds outgrow the nest 12 days after hatching. Albatrosses and condors remain nestlings for six months.

There was a time when a fool and his money were soon parted. Now it happens to everybody.

### PTA Officials Are Installed

The following musical program was greatly enjoyed by patrons of Tahoka. Parent-Teacher Association at the last meeting of the year in the new cafeteria, April 10. "Because" by Chopin, Winston Redwine, "Why Do I Love You" and "Easter Parade" sung by Mrs. Harold Green, and "Grande Polka De Concerte" by Bartlett, Mrs. Ira Joe Hart.

Clint Walker's talk on "The Never Ending Fight Against Polio" was one that should have been heard by every citizen of our community. In 1946, there were no polio cases in Lynn county, which required assistance from the local chapter or the National Foundation; in 1947 there were two cases which received such aid; in 1948, there were four such cases, and since that date there has been a steady increase. There are approximately 30,000 new cases of polio each year in the United States. The primary duty of our County Chapter is to see that no one is deprived of help if they need financial assistance; they do not turn down any one. His talk was most interesting, too, with reference to the recent Polio Awareness Conference held at Houston

eration during her term in office, and we take this opportunity to publicly thank Mrs. Witt for the splendid way she has handled this tremendous task.

After Mrs. Thomas took the chair, it was voted to meet in the cafeteria all next year and the meeting time was set at 7:30 p. m.

A District PTA Conference will be held at Brownfield on April 25th. —Reporter.

Mrs. Skiles Thomas, as president, Mrs. E. W. Patterson, as vice president and Miss Marie Johnson, as secretary-treasurer, were installed by Mrs. Pete Hegi, installing officer. Mrs. John Witt, the outgoing president, to whom we certainly owe a debt of gratitude for her fine work of the last two years, thanked the patrons and teachers for their coop-

**CARD OF THANKS**  
We deeply appreciate the words of condolence, the floral offering, and the many little acts of kindness during the illness and death of our loved one, J. L. Heare. May God bless each of you. —The Heare family.

**CARD OF THANKS**  
We sincerely appreciate the kind deeds of friends and neighbors, the beautiful floral offering, the cards and other words of sympathy on the death of our loved one. May God bless you all for your kindness. —Mrs. W. A. Vaughn and family.

**CARD OF THANKS**  
We sincerely appreciate the acts of kindness, visits, cards, and the beautiful flowers sent during Hall's recent illness. Such friends and such kindnesses are a great help. You people are the salt of the earth. May God bless you all. —The Hall Robinsons.

Libya has an area of 679,358 square miles.

### Ford Answers Ferguson Charge

Jack Robinson of Lynn County Tractor Co., Ford tractor and Dearborn Farm Equipment dealer, today emphasized three points of interest in connection with the settlement of the lawsuit brought more than four years ago against Ford Motor Company and Dearborn Motors Corporation by Harry Ferguson and Harry Ferguson, Inc., Robinson said:

"1. Ford Motor Company will continue production of the present Ford Tarcot without interruption, and Dearborn Motors Corporation will continue to market them nationally as in the past;

By the end of 1952, Ford Motor company has agreed to make two simple changes, and only two changes, in the means of operation and control of a pump used in the hydraulic system in the Ford tractor. After these simple changes have been made, there is nothing in the settlement of the suit to prevent Ford Motor company from continuing the manufacture of the present Ford tractor for as long as it may choose.

"2. Ford Motor company will continue to produce and Dearborn Motors Corporation, and ourselves as dealers, will continue to supply any and all repair parts for all past, present and future Ford tractors.

"3. Ford tractors will continue to offer all the advantages of the

present system of hydraulic control, the present method of attaching and operating implements, and all other features responsible for their wide popularity. Dearborn Motors will continue to offer its same complete line of implements.

"It is a source of satisfaction to us to be in a position to debunk conclusively and finally in this way the assertions that have been made and the propaganda that has been spread over the past four years." ADV.

A home business center, properly equipped, will make the job of keeping farm records and home accounts easier.

### Wm. H. Burden Is Buried Here

William H. Burden, 75, who farmed in Lynn county for a number of years but who has been living in Lubbock for about seven years, was buried in Tahoka Cemetery Thursday of last week.

He died at his home, 2012 36th street, Lubbock, on Tuesday, April 15. Funeral services were held in a funeral chapel in that city by W. R. Jones, minister of the East Side Church of Christ.

ADDING MACHINE rolls, fit all standard machines. —The News

The News failed to carry this story last week due to the fact that the funeral home failed to forward this newspaper information on Mr. Burden's death.

The week of April 27 has been designated as National Home Demonstration Week and the more than 41,000 members in Texas will join in the observance.

# SANDSTORMS

## HAVE BADLY DAMAGED YOUR CAR

The greatest enemy of your motor vehicle in this area is SAND. It not only cuts the paint and dulls the finish, but it gets into every vital part of the jalopy and the expensive automobile alike—and eats away for weeks to come.

### SAND DAMAGES TO CHECK—

- BRAKES—Sand quickly wears down drums, causes bands to become less effective.
- CARBURATION—Damages jets and all moving parts of carburetor, causes hard starting, sluggishness, poor gas mileage.
- IGNITION—Causes shorts, ineffective operation of switches, damages generators, starters, and distributors.
- LIGHTS—Cuts efficiency of lights and dimmer switches.
- FRONT WHEELS—Causes need for repacking—at least every 10,000 miles or less for proper lubrication and to get rid of sand in grease.
- MOTOR—Sand in motor may not now be noted, but will be the cause of new ring jobs in a few months. Motor should be flushed and refilled with new oil.
- BODY FINISH—May be damaged or ruined by sand—Porcelainizing will help preserve your body finish.

Sand also damages door locks and latches, upholstery, radios, glasses, kingpins, tie-rod ends, upper and lower control pivots, and a score of other points.

Let Our Mechanical Department Check Your Car.

### Lt. Boyce Evans Home From War

Lieut. Boyce Evans arrived home Friday from Okinawa, from which place he has been flying bombing missions for five months against the Chinese Communists in Korea.

He expects to be released from the Air Force on June 12, and hopes to enter Southwestern Theological Seminary at Fort Worth in September to complete his ministerial education. On Monday, he went to Fort Worth to investigate a church charge which he may take in the interim.

Lieut. Evans was reared in Tahoka the son of Mr. and Mrs. C. B. Evans, and his wife is the daughter of Mr. and Mrs. H. O. Hargett. The couple have two children, Evan Boyce, 4, and Suzanne, 2½. He is a graduate of Tahoka High School and of Hardin-Simmons University.

Last summer, he spent three months with the Air Force in England with a refueling squadron flying B-29 planes which refuel other B-29s in flight.

Returning from England, he was sent to Okinawa, from which base he has been flying missions over the Communist lines for the past five months aboard B-29 Super bombers as a radar man.

He flew all the way home from Okinawa, arriving in Amarillo Friday morning of last week.

### NEGRO BALL GAME HERE NEXT SUNDAY

There will be a baseball game Sunday, April 27, at 2:30 p. m., on the diamond-northeast of the old City water tower between the Tahoka Black Cats and the Brownfield Globe Trotters.

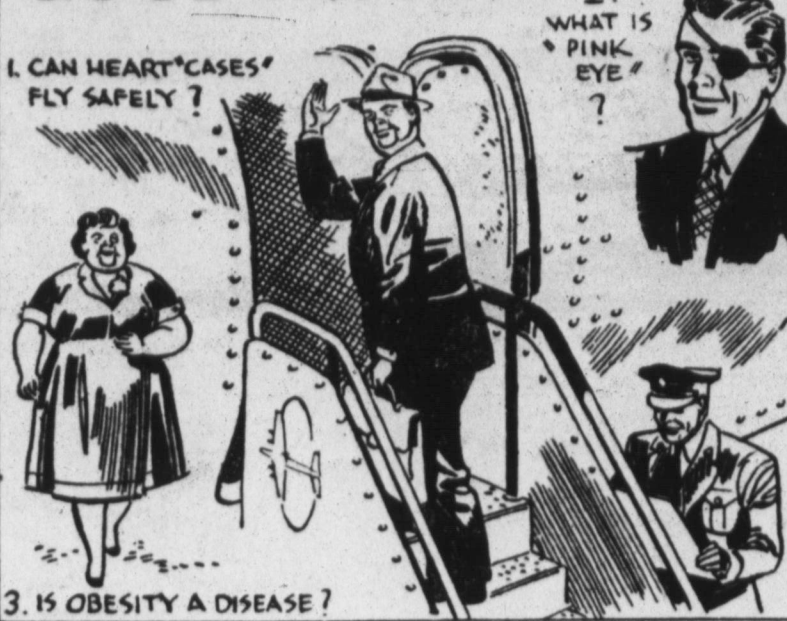

Managers Johnnie Martin and British C. Daniel urge everyone to come out to the game.

### CARD OF THANKS

We wish to take this opportunity to thank all of our friends for the cards, letters, visits, and many acts of kindness during Mrs. Smith's recent hospitalization in Temple and since our arrival home last week end. You're certainly wonderful people, and we greatly appreciate everything all of you have done for us. —Mr. and Mrs. Harve Smith.

Go To Church Sunday.

## GOOD HEALTH

1. CAN HEART "CASES" FLY SAFELY?

Answer to Question No. 1: Anyone with heart trouble should consult his doctor before traveling by air. However, some heart specialists say that if a patient has good enough circulation to walk with comfort, he can fly with comfort. The stewardess can supply oxygen if it is needed, but it seldom is, because most planes now have pressurized cabins.

Answer to Question No. 2:

"Pink eye" or conjunctivitis is an inflammation of the white of the eye and is usually due to infection. It is contagious and common among grade school children. Modern treatment has shortened the course of the disease.

2. WHAT IS PINK EYE?

Answer to Question No. 3: Yes, it is. Well over 90 per cent of obesity is due to over-eating or eating the wrong foods. Statistics show that the mortality rate of any given age group is greater among those who are overweight than among others of the same age group. Diabetes, heart disturbances and kidney conditions are the more common ailments that affect overweight people. Overweight increases susceptibility to cancer and accidents. Dieting to treat the condition should always be done under the guidance of your physician.

(Copyright 1952 by Health Information Foundation)

Mr. and Mrs. J. O. Allen and son Johnny and wife last week end attended an Allen family reunion held at Lampasas. Mr. Allen reports quite a bit of rain in that section.

## Church of Christ Meet In Progress

Good crowds are attending the Gospel meeting at the Tahoka Church of Christ which will be brought to a close Wednesday night of next week, according to Fred McGinty, a member of the Church.

Wesley Mickey, minister of the North Side Church of Christ in Fort Worth, is bringing the messages, and song services are being led by Hubert Arant of Lubbock. Services are at 10 a. m. and 8 p. m. daily.  
 On Sunday, May 4, Doyle Kelley of Ackerley, Dawson county, will be with the local church.

## Missionary Will Speak At New Lynn

Rev. W. J. Burgess of Little Rock, Arkansas, will preach at the New Lynn Baptist Church next Sunday night, according to Rev. W. G. Boyd of Wilson.  
 Rev. Burgess is secretary of the Foreign Missions Board of the NABA, and all people of the area have a cordial invitation to hear him.

## MRS. EDWARD VISITS HERE

Mrs. J. H. Edwards III of Houston has been here several days visiting in the home of her husband's grandparents, Mr. and Mrs. Roy Poer. She will also visit in Lubbock with Mr. and Mrs. Jim Ed Poer.  
 She has been in San Francisco lately with her husband, J. H. is in the navy and expects to be shipped out soon. She is en route back to Houston.

**For a  
BETTER  
COTTON  
CROP**

**PROPER SEED TREATMENT  
MAY MAKE THIS DIFFERENCE**

The photo above shows ten good cotton seedlings, well on the way to the kind of growth which can produce a good crop of cotton. This is the result you may expect when properly treated cottonseed is planted... seed that has been treated with a recommended seed disinfectant.

Below, the effects of seed decay, sore-shin, and both pre-emergence and post-emergence damping-off are illustrated. This seed was not treated and this is one reason why it is often necessary to replant.

Treated seed can be planted 3 to 5 days earlier... can get off to a good start even in cool weather. Once a good stand is established and growing well your chance for a better cotton crop increases.

MRS. W. W. McNABB  
Correspondent

Mrs. Lora Watson returned home Wednesday after undergoing an operation in a Lubbock hospital and is recovering nicely.

Miss Glenna Jo Wofford of Sudan is visiting her grandparents, Mr. and Mrs. Olin Poer.

Those attending "Mr. Texas" Wednesday night at the Tahoka Baptist Church were: Charlene Brent, Ina Faye Harmonson,

**FORMER CITIZENS ARE VISITORS IN TAHOKA**

Mrs. Jewell Wells and daughter, Mrs. Jim (Mary Bland) Reego and the latter's husband and three children are here visiting relatives and friends.

They have just returned from Ansbach, Germany, where Mr. Reego has been stationed.

Wednesday night, a reunion of members of the Wells families and friends enjoyed a reunion at the Legion hall.

In addition to visiting, Mary Blau entertained the group with several vocal numbers. Ruby C Wells got out his fiddle and also furnished a little music, and Mrs. Marcus Edwards presented a few piano numbers. Naturally, it was a most enjoyable occasion for the group.

The Reegos and Mrs. Wells are en-route to San Luis Obispo, Calif to make their home.

Mrs. Wells was the wife of the late Coleman Wells.

**HOW MUCH IN WELFARE?**

The U. S. government would have to tax away 45 per cent of the people's incomes if it tried to pile, onto its present operations, a welfare state comparable to those in European countries which rely on American aid. The National Chamber, in reporting that fact, says that no European country has such a high tax rate.

Whole mountainsides of the Great Smoky Mountains in south-eastern United States are covered in late May and early June by flowering shrubs in full bloom.

Thurleen McNabb, Mrs. Pete White, Mrs. Wilton McNabb, Lou Ann Walker, Carolyn Nowlin and Horace Walker.

Miss Patsy Nell Swinson of Meadow spent Wednesday with her grandparents, Mr. and Mrs. T. H. Charters.

Mr. Homer Charters is visiting his father and son, Mr. T. H. Charters and Billy Fred, this week.

Our sincere sympathy is extended to Mr. and Mrs. Arthur Foster on the death of their loved one, Mr. Earl Mauldin.

Mr. and Mrs. Qlin Poer visited their daughter and son-in-law, Mr. and Mrs. Dick Wofford and girls of Sudan Sunday.

Mr. Arthur Nettles of Ropes visited his sister and brother-in-law, Mr. and Mrs. S. L. Williams, Friday afternoon.

Mr. and Mrs. Morris Russell and Harry have returned to Truth or Consequences, New Mexico, for treatments.

Those visiting Mr. and Mrs. S. L. Williams Sunday were their granddaughter, Mr. and Mrs. Jamie Morrow of Levelland, Mr. and Mrs. Cecil Williams and children and Mr. and Mrs. W. C. Felty.

Funeral services were held at the Baptist Church Friday afternoon at 4:00 for Miss Tommie De LaCruz, age 12. Tommie died about 8 o'clock Thursday night at the St. Mary's Hospital in Lubbock after several days illness. The body was buried in the Meadow Cemetery.

Last report on Mrs. Vicki Balch is that she has improved. Mr. and Mrs. W. W. McNabb visited in the J. T. Swinson home Sunday and Wilton McNabb and Thurl Swinson spent Sunday afternoon near Bovina.

Mr. and Mrs. Henry Edge and son, Earl, visited his sister and brother-in-law, Mr. and Mrs. Jesse Jackson of Lubbock Sunday afternoon.

Mr. and Mrs. C. B. Nowlin and Genita visited her brother and sister-in-law, Mr. and Mrs. Buddy Smith and family of Joe Stokes Sunday.

The Baptist W. M. U. met Monday afternoon for Bible Study. Those present were: Mesdames C. B. Nowlin, Maggie Timmons, A. C. Fillingim, Jr., Royce Hemmeline, Pete White, Joanne Morris, Henry Edge, L. N. Walker, W. T. Knight, and W. W. McNabb.

Mr. and Mrs. S. H. Gryder of near Tahoka visited in the W. W. McNabb and W. T. Knight home Monday morning.

Mrs. Lora Watson accompanied by Mrs. M. P. Harmonson spent Monday in Lubbock, for a medical check-up.

Mrs. H. A. Dial returned Saturday from several days visit in Milburn, Arkansas.

Mrs. Fred Hodge of Wolforth, sister of Jake and Lawrence Fulford, is reported in serious condition.

The Home Demonstration Club will meet with Mrs. Clifton Robison Wednesday.

A revival meeting will start Sunday, April 27, at the Baptist Church. Day services will not be held as the evangelist, singer and pianist are attending Wayland College in Plainview.

Relatives of Bonham are visiting Mr. and Mrs. Jack Smith, Mr. and Mrs. Willard Brent and Larry and Mr. and Mrs. Charlie Brent and Charlene, this week.

Mrs. Maggie Timmons has returned from a several days visit in Dallas.

Little Bobbie Ensor is on the sick list this week.

Mrs. Ed McManus is in Lubbock at the bedside of her daughter, Alma Lee, who underwent surgery Saturday morning.

Since the nice showers, the farmers are busy planting gardens. Glendale Simmons reports he is going fishing to save cotton seed.

**Officers Attend Rotary Meeting**

President-elect Tom Gill and President Clint Walker of Tahoka Rotary Club attended the 183rd District Rotary Conference held in Odessa Monday and Tuesday.

Walker was honored with a place on the program. He made a talk at the presidents' breakfast Tuesday morning on "Duties of the Rotary Club President."

Walker went down for both days of the Conference, but Gill was able to attend only one day, Tuesday.

The thirty-seven clubs of the district were represented, and the local men declare they received much benefit from the meeting.

Percy Bridgewater of Midland is the current district governor, while Alton B. Chapman of Floydada is the in-coming governor.

**School Menus For Next Week**

Tahoka School Cafeteria announces the following menus for next week:

Monday: Pork chops, buttered rice, pan vegetable salad, creamed peas, peach pie, bread, and milk.

Tuesday: Fried bacon, blackeye peas, baked corn, creamed potatoes, stewed prunes, hot rolls and honey, and milk.

Wednesday: Hamburgers, cold slaw, fresh onions, lettuce chunks, pickles, corn chips, chocolate cake, milk and orange juice.

Thursday: Pinto beans, french fried potatoes, spinach, stewed prunes, salad, corn bread, ice cream, and milk.

Friday: Meat, sandwiches and cheese sandwiches, potato salad, carrot sticks, peanut butter cookies, milk and orange juice.

**African Pictures At Wilson Soon**

W. G. McMillan, Lubbock contractor, who hunts big game as a hobby with both gun and camera, will show his African hunting expedition pictures at Wilson High School Monday night, May 12, at 8:00 p. m.

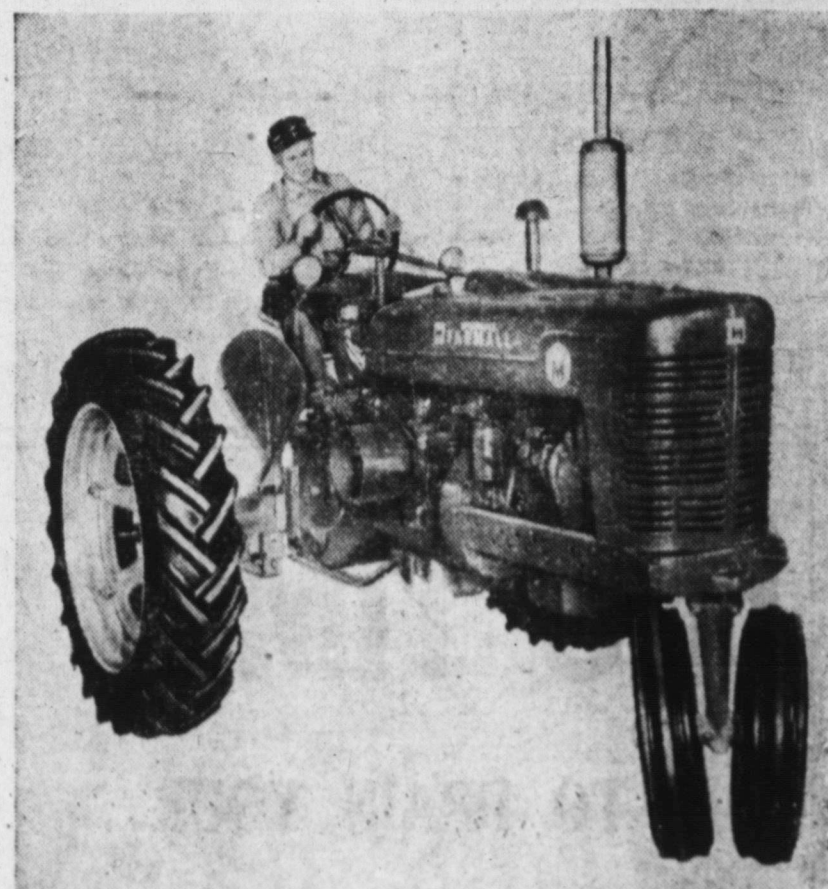

Wilson Future Farmers of

America are sponsoring the show, according to Billy Spears, one of the FFA boys.

New Zealand, deep in the southern hemisphere, abounds in fish and trees imported from North America.

The state motto of Arkansas is regnat populous—the people rule.

**The New Farmall Super M Tractor**

The new Farmall Super M is described as the world's most powerful all-purpose tractor. It has plenty of power to pull a four-furrow moldboard plow in practically all conditions and cover 20 or more acres a day. It has power and speed to disk up to 50 acres a day with a 10-foot tandem harrow and pull a peg-tooth harrow or ground roller at the same time. It has faster field speeds to cultivate up to 60 acres a day.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS TO: Leon Wright 'GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 19th day of May, A. D. 1952, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 10th day of March, 1952.

The file number of said suit being No. 2001.

The names of the parties in said suit are: Dorthie Lee Wright as Plaintiff, and Leon Wright as Defendant.

The nature of said suit being

substantially as follows, to wit: Said suit being a petition filed on behalf of the plaintiff for divorce, alleging that plaintiff and defendant were previously married on the 5th day of June, 1951, and continued to live together as husband and wife thereafter, until on or about the 8th day of June, 1951, at which time plaintiff separated from defendant. Said petition further alleges that on different occasions, while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff, of such a nature as to render their living together insupportable.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 1st day of April, A. D. 1952.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 1st day of April A. D. 1952.

—W. S. Taylor, Clerk, District Court, Lynn County, Texas. (SEAL) 27-4tc

For— Rugs & Carpets BY THE NEW —

## DRI - SORB - ENE METHOD

HAVE YOUR RUGS WASHED

Wouldn't you like to see your rugs looking like the cleaned portion of the one illustrated? You can have an exact duplicate of this excellent work. No water touches the rug. Just the mild sudsy cleaning compound is shampooed down to the bottom of the nap, cleaning every fibre. It is removed immediately by the powerful suction of the machine; sizing in rugs is left intact and entirely rejuvenated. All danger of dry-rot or mildew is eliminated.

# SHE'S THE SAFEST LADY ON THE ROAD

With Chrysler POWER STEERING plus Chrysler POWER BRAKES

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

**CHRYSLER** the finest car America has yet produced

Pieces of clay tiles have been found in the palace of Egyptian Pharaoh Amenhotep IV that were decorated with lotus, fish, birds, and a water pattern.

### Mrs. Parker Will Present Recital

Mrs. Dea Parker will present her tap and physical training pupils in a recital Thursday, May 1, at 8:00 p. m., in the High School auditorium.

Those appearing on the program will be pre-school, grade school, and high school ages, and will include Mrs. Parker's pupils from Post, Brownfield, O'Donnell, Grassland, and Tahoka.

The program will be presented in full costume and will close the year's work for all Mrs. Parker's classes. The public is invited, and there will be no admission charges.

Mrs. John Slover returned home Sunday from Golden and Denver, Colorado, where she has been several weeks with her son-in-law and daughter, Rev. and Mrs. Dwight Townsen, and new grandbaby.

Benjamin Franklin was the first U. S. Postmaster General.

Entebbe is the capital of the British Uganda protectorate.

### EXPANDING ARMY CALLS FOR MORE DIETITIANS AND NURSES

With the increased need for nurses and dietitians to meet the requirements of an expanding Army, a basic training course for women officers of the Army Medical Service was established at the Medical Replacement Training Center, Fort Meade, Md. The main instruction center for such courses is at Brooke Army Medical Center, Fort Sam Houston, Tex., where physical therapists and nurses as well as dietitians are taught. Time and transportation are saved for those with duty stations and training on the eastern seaboard by the Fort Meade course and up to date, it has been dietitians and nurses as students.

Trainees for the Fort Meade course represent all sections of the land, however. Lt. Higgins, the daughter of Mr. and Mrs. Frank Higgins of 729 Wick Ave., Youngstown, O., was three years with the University Hospital in Cleveland, O., before she realized her long cherished wish to join the Army Nurse Corps. She graduated from the Saint Elizabeth Hospital School of Nursing in Youngstown. Being a tennis enthusiast, she was the only woman playing in the tournament held at Fort Meade during her basic training.

Lt. Kearns is the daughter of Mr. and Mrs. H. W. Kearns of 823 North 7th St., Albuquerque, New Mex. A 1951 graduate in dietetics and education from the University of New Mexico, Lt. Kearns had practice teaching in the rural schools of New Mexico and has taught Indian children.

The Army is seeking 2,000 more nurses by January, 1952 and 500 more physical therapists. Occupational therapists and dietitians are needed as soon as possible for assignments in hospitals around the world.

#### VISIT IN CALIFORNIA

Mr. and Mrs. Winston Davies and daughter, Sue, of New Home, recently spent nine days in California visiting their son, Don Cowan, and wife. Don was just completing training at the U. S. Marine Base at Camp Pendleton, and is preparing to sail for Japan.

While in California, they also visited Mr. and Mrs. Charley Hord, formerly of Southland, in Fresno, and spent one night with Winston's sister, Mrs. Woodrow (Marguerite) Lockier in Lynwood. They also had a brief visit with Sue's aunt, Mrs. Sam Cain, in Long Beach. Mrs. Cain, who is the grandmother of Jerry Cain, had received a copy of the Long Beach News, which contained a picture of Jerry and his Grand Champion calf.

Mrs. Cowan returned home with them, and is now residing with her parents, Mr. and Mrs. V. F. Jones, in Tahoka.

DON'T FORGET Your Precinct Convention on May 3rd. 27-4c

#### E. R. EDWARDS ATTENDED GALVESTON CONVENTION

Mr. and Mrs. E. R. Edwards and daughter, Deanie, returned home Sunday from a visit of a little over a week to points south.

On April 15, 16, and 17, they attended the annual National Compress and Warehouse Association convention held at the Galvez Hotel in Galveston.

Going and coming to the convention, they visited relatives and friends in Holland, Bartlett, Houston, Beaumont, and Dallas.

Entries in the 1952 Chicken-of-Tomorrow program in Texas total 276. The top five counties in number of entries are Nacogdoches, Shelby, Bexar, Dallas and Tarrant. The state show begins in Nacogdoches on May 12.

Egypt has more than five million date palms.

A comet has three parts; nucleus, coma and tail.

### Wilson Baptists Hold Revival

The First Baptist Church of Wilson, began its Spring Revival on Friday, April 18, and it will continue through April 27, with services at 10:00 a. m. and 7:30 p. m. The public is urged to attend.

The pastor, John A. Martin, is doing the preaching with Lloyd McCormick, local choir-director, leading the singing.

#### CARD OF THANKS

I wish to thank my friends and neighbors for the many flowers, cards, and other deeds of kindness shown me during my stay in the hospital and since I have returned to my home. These deeds will ever be remembered.—Mrs. Charlie Liehey.

See it first in The News.

#### THE LYNN COUNTY NEWS.

#### KENLEY STARTING RUG CLEANING BUSINESS

W. H. (Dub) Kenley is starting a rug cleaning service in Tahoka. He has bought special machines for the purpose.

For the past year and a half he has been connected with R&R Food Mart, and prior to that has been with various other Tahoka markets. He is retiring from his R&R job this week to devote his full time to his rug cleaning service.

The drought and shortage of superphosphate are cited as causes for the drop in fertilizer sales in Texas. Total sales for the last six months of 1951 were 13 per cent lower than the same period in 1950 but were more than a fourth larger than for the last half of 1948.

#### EASTERN STAR PLANS MEMORIAL SERVICE

Tahoka Chapter No. 743. Order of the Eastern Star will hold its regular meeting Monday night, April 28, at 7:30 o'clock. A Memorial Service will be held for Pearlle D. Rogers.

—Lonelle Brown, W. M.,  
—Beulah Appewhite, Sec'y.

#### ANOTHER WATER WELL

Another water well in a supposedly dry area has been completed on the Chas. Beard Estate farm two miles west Draw, according to "Butch" Ingle, who farms the place.

Although the well is only a five-incher, it should prove to be good drought insurance, Ingle thinks.

Petrified forests cover thousands of acres in Arizona.

**Wilson News**

MRS. FRANK SMITH  
Correspondent

Mr. Lewis Smith who has been staying in Tahoka, has returned to Wilson for an indefinite stay with his son and daughter-in-law, Mr. and Mrs. J. B. Smith.

Mr. and Mrs. R. J. Maeker are in Shiner for a several weeks visit with their daughter and son-in-law, Mr. and Mrs. Fred Koenig. Mr. and Mrs. Homer Campbell, Jr., are parents of a daughter born in Mercy Hospital, Slaton, Saturday. Grandparents are Mr. and Mrs. Ed Crowder and Mr. and Mrs. Homer Campbell, Sr.

Mr. and Mrs. Fred Nolen, former Tahoka residents, have moved to the Pope farm four miles west of Wilson. Until recently, Mrs. Nolen worked in the tax office in Tahoka.

Mr. and Mrs. Felix Nolte are adding three rooms to their home north of Wilson.

Pat Swann was on the sick list most of last week.

Mrs. H. C. Fountain and Ed Crowder accompanied Earl Tunnell of Tahoka to Gatesville Thursday to visit a sick cousin. They returned home Friday.

Select a personal gift for her graduation. Something to wear and enjoy.

"Everything For Mi-Lady"

**ABBIE'S FASHION SHOP**

The Lions Club met Thursday night in the school cafeteria. Mr. and Mrs. Bill Lumsden entertained with a bridge party Tuesday night. Present were Messrs. and Mesdames Luke Coleman, Derrell Ward, Arvan Holder, Sam Gatzki, and the Lumsdens.

W. H. May is building an addition to a rent house on his ranch south of Wilson, and is also having extensive remodeling done on the ranch house.

Arvan Holder attended the bankers convention in Lubbock Monday.

Mr. and Mrs. Harrison Donley and children, Lou Ann and Pat, of Lubbock visited Sunday with Mrs. Donley's sister, Mrs. Frank Smith, and Mr. Smith.

Mrs. J. B. Smith was a Slaton visitor Friday.

Mrs. Mattie Whittington was on the sick list last week.

Alfred Clary was in Tahoka Friday night.

Mr. and Mrs. Luke Coleman entertained with a bridge party Friday night. Refreshments were served to Messrs. and Mesdames Prentiss Jones, Derrell Ward, Arvan Holder, Bill Lumsden, Frank Smith, and the Colemans.

Recent visitors of Mr. and Mrs. Hubert Hannabas were Mr. and Mrs. Pat Busby of Friona, Cpl. and Mrs. Edward Hannabas of Camp Chaffee, Arkansas. Truett Hannabas and family and Mr. and Mrs. Dalton McCelvy of Lubbock Cpl. and Mrs. Edward Hannabas returned to Arkansas Sunday after a leave spent in Wilson and Friona.

Mr. and Mrs. Pat Swann spent the week end in Portales, N. M.

The W. M. S. of the Baptist Church met Monday at the church for their regular weekly meeting. Mrs. Pearl Davidson taught the mission study. Those present were Mesdames Fred Brannon, Pat Swann, H. C. Fountain, W. F. Lappe, John Heck, Howard Cook, Arvan Holder, Norris Raymond and J. A. Martin.

Margie Owens was in Slaton Thursday to have some dental work done.

Mrs. H. C. Fountain accompanied her son-in-law and daughter, Mr. and Mrs. Bill Deaver of Slaton to Tahoka Sunday to spend the day in the Earl Tunnell home.

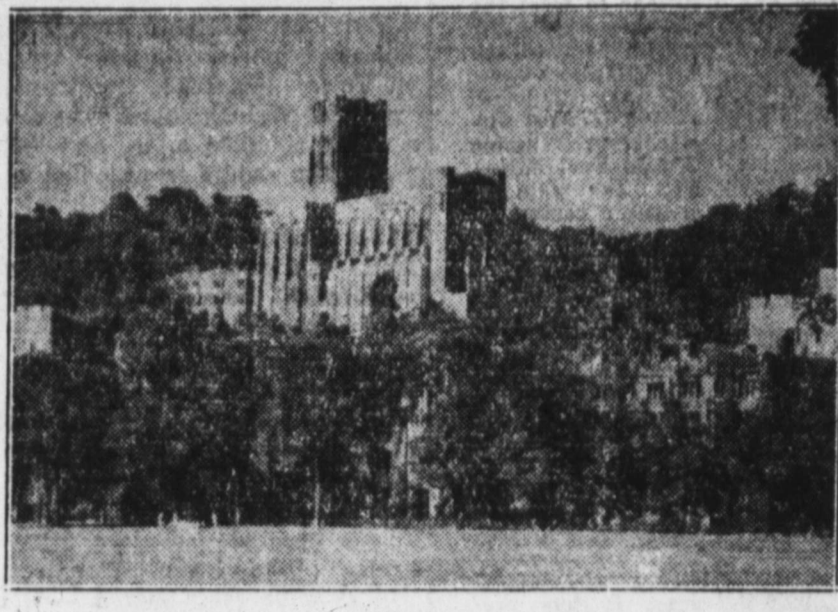

Rev. and Mrs. J. A. Martin and family were Lubbock visitors Saturday.

The Baptist revival which started last Friday will last through Sunday. Mrs. Martin, wife of the local pastor, reports that interest is good.

Mr. and Mrs. Howard Cook were in Artesia, New Mexico last week transacting business.

Buddy Maeker, coach in the O'Donnell schools, visited his parents, Mr. and Mrs. Hugo Maeker, Sunday. Mrs. Katie Nieman was also a visitor in the Hugo Maeker home Sunday.

Mrs. Bill Lumsden entertained her Sunday School class with a party in her home Monday night. Mrs. George Williamson was in

**CADET CHAPEL, U. S. MILITARY ACADEMY**— This structure, erected in 1910, dominates the grounds at West Point and is a center of interest among visitors at the sesquicentennial exercises this year. The stained glass window over the altar has twenty-seven panels, each depicting a militant Biblical character. The window at the entrance pictures the Revelation of St. John the Divine; it shows also the designs of the Medal of Honor and the Distinguished Service Cross. The windows in the nave are gifts of the several classes; the flags hanging in the nave were used in the War of 1812, the Mexican, Civil, and Spanish-American Wars. The Chapel Organ is the largest church organ in the Western Hemisphere, and contains over 14,000 pipes. The seating capacity is 1,500.

charge of the games. Refreshments were served to Mesdames Jack Blevins, Roger Blakney, Erwin Sander, Arvan Holder, Lloyd Christopher, Carl Gryder, Pete Rhoads, Earl Cummings, H. W. Seals, Jr., George Williamson, and the hostess, Mrs. Lumsden. A Mrs. Baker of Amarillo was a guest.

Rev. C. C. Ehler attended the Texas District Convention of the American Lutheran Churches held in San Antonio last week.

Mr. and Mrs. Howard Cook and daughter, Nancy, and Mrs. John Heck went to the Ice Capades in Fort Worth last week.

Mr. and Mrs. Milton Wied and son and Mr. and Mrs. R. E. Behrend and family spent the week end in San Angelo with Mr. and Mrs. John Melde. Mrs. Melde is a sister of Mr. Wied and Mrs. Behrend.

Mr. and Mrs. Otto Frosch of Abilene spent Saturday night with Mr. and Mrs. A. A. Teinert and family.

Mrs. C. C. Ehler is in Kansas this week visiting her parents, Mr. and Mrs. Drees.

Mr. and Mrs. Zollie Moore and sons of Midland spent the week end with Mr. Moore's parents, Mr. and Mrs. Eb Moore.

Mrs. Arvan Holder was in Slaton Monday for medical attention.

Mr. and Mrs. G. E. Owens visited Mrs. Reed in Tahoka Sunday. Harold Lee and Rex Swann of Plains spent two days this week with their grandparents, Mr. and Mrs. Pat Swann. Their aunts, Mrs. Jack Blevins and Mrs. Jiggy Swann, took them home Friday.

Mr. and Mrs. Eb Moore are adding a room to their home.

Mrs. Kay Kiser of Lubbock spent Saturday night and Sunday with her parents, Mr. and Mrs. Will Bruckner. Mr. and Mrs. Gus Hinz and baby of Plains also visited in the Bruckner home Sunday. Mrs. Hinz is also a daughter of the Hinz's.

Mrs. Bob Sander spent the week end in Abilene visiting her mother-in-law, Mrs. McQueary. Mrs. Clarence Church and daughter, Joyce, accompanied Mrs. Sander as far as Merkel where they visited Mrs. Church's mother, Mrs. C. S. Childress.

Mr. and Mrs. Hub Young spent the weekend in Ballinger visiting Mrs. Young's sister who underwent surgery recently.

Mr. and Mrs. Pat Campbell visited in Blum from Wednesday until Sunday as guests of Mrs. Campbell's sister, Mrs. D. A. Thornton, and of Mr. Campbell's parents, Mr. and Mrs. W. T. Campbell.

Mr. and Mrs. Garland Swann of Plains visited briefly in Wilson Sunday.

Mr. and Mrs. Delbert Kieschnick and baby of Lamesa visited Sunday with Mrs. Kieschnick's parents, Mr. and Mrs. E. O. Montgomery.

Increasing the per acre yield, cutting production costs and growing and selling more quality nuts, will make the growing of peanuts more profitable in Texas. The 7-step peanut program, if followed, will help do the job.

**Plan Meet On Home Grounds**

**COLLEGE STATION.**—A workshop on Home Grounds Improvement will be held at Texas A. & M. College, April 28 and 29, announces Sadie Hatfield, home-stead improvement specialist, with the Texas Agriculture Extension Service. This is the first such event to be held at College Station. Home-stead improvement problems will highlight the program.

Miss Hatfield says method demonstrations will be used in the workshop and "talk" will be held to a minimum. Those attending will be divided into groups for the several programs that will be going on at the same

time. Generally the program will include information on selection, planting and care of shrubs, lawns, trees, flowers, recreation and outdoor equipment, safety around the homestead and making corsages and flower arrangement. During the workshop, everyone will have an opportunity of going on a conducted tour of the A. & M. College greenhouse.

The workshop is open to home demonstration club members, a limited number of non-club members and men who want to attend.

Additional information on the workshop may be obtained from

**WILSON 4-H CLUB BOYS HOLD REGULAR MEETING**

The Wilson 4-H club boys met Tuesday, April 8, in the Seventh Grade room at the Wilson school. Bill Griffin, our county agent, explained the advantages in buying early and late chickens. He also talked about beef calves and any boy desiring to buy one to contact him.

About forty-five boys were present for the meeting.—Reporter.

**FORD WINS AGAIN!**  
TAKES FIRST PLACE IN CLASS "A"  
IN THE 1952  
**Mobilgas Economy Run**  
New Ford Mileage Maker SIX Thriftiest in its Field!

Ford's the Class "A" Winner for 3rd Consecutive Year!

Again this year . . . as in the past two years . . . Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes . . . Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

\*The AAA Council Board determines the winner by a "ton-mile per gallon" formula. No bonus equal shares for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

Church Ceremony Held Here Sunday For Penny Jane Williamson, Wayne Sherrod

A Fourth Sunday singing will be held at Bethel Church south east of Tahoka this Sunday afternoon at 3:00 o'clock. L. A. Ables of that community states. All those who like to sing and those who enjoy hearing good singing are invited to attend.

Preaching services are held at the church each second and fourth Sunday by Rev. Dale Lavender, the pastor. Sunday School is held every Sunday.

A workshop on home grounds improvement will be held at Texas A. & M. College on April 28 and 29.

See it first in The News.

RED GIANT

the Self-Recuperating BATTERY

This amazing new battery actually recovers back to life. The RED GIANT battery offers longer life, less corrosion, less heating. After being completely run down, the RED GIANT battery will recuperate itself 10, 25, or 50 times. The extra reserve power of the RED GIANT makes power without any harm to the interior of the battery. See your dealer now and let him demonstrate a RED GIANT battery for your car, truck or motor.

3 YEAR GUARANTEE FRAZIER'S 66 STATION SOUTH SIDE SQUARE

Miss Penny Jane Williamson, daughter of Mrs. Leeta Williamson, and Wayne Sherrod, son of Mr. and Mrs. Beecher Sherrod, all of Tahoka, were married at 3:30 o'clock Sunday afternoon in the First Baptist Church. Rev. Lee Ramsour performed the double ring service before an altar decorated with gladioli, greenery and candelabra.

Mrs. W. P. Hutchison played a wedding prelude and accompanied Roy Gene Sherrod, brother of the bridegroom, as he sang "Because" and "Always" and Marion Ogden of Miami, Okla. who offered "Ah Sweet Mystery of Life" and "The Lord's Prayer."

The bride, given in marriage by an uncle, H. R. Tankersley, wore a white satin gown with net yoke outlined with orange blossoms. It was designed with long sleeves, fitted bodice and full satin skirt ending in a train. Her fingertip length illusion veil was attached to a cap of pearlized orange blossoms and she wore a strand of

Name Winners In Dress Revue

New Home and Tahoka divided honors in the annual Lynn county 4-H Dress Revue held Saturday of last week in Tahoka High School auditorium.

There were 19 garments modeled, according to Reba Cook, president of the local 4-H club. Ann Moore of New Home, winner of the contest on dresses by girls over 14, will represent the county in the District Dress Revue at Lubbock May 3.

Home Demonstration agents of Borden and Dawson counties were the judges. They judged the garments both on and off the girls. They also judged on posture and grooming of the models and the looks of the materials and patterns on the subjects.

Winners were as follows: Aprons: 1. Carole Nance of Tahoka; 2. Carole Smith of Tahoka Skirts and Blouses: 1. Lynna Honeycutt of Tahoka; 2. Eunice Buxkemper of Wilson.

Girls under 14 with different costumes: 1. Wilda Shockley of New Home; 2. Carolyn Nowlin of New Home.

Dresses: 1. Ann Moore of New Home; 2. Rebecca Morrow of New Home.

Prizes selected by Miss Graham Hard and some of her assistants were awarded the winners. The prizes were given to encourage the girls to accomplish more in 4-H work.

Farm tractors, when properly handled and operated, are safe but when carelessness comes into the picture, they can become killers.

Now, get My NEW 1-2-3 "50,000 Miles No Wear" Service!

Here's My Famous "50,000 Miles—No Wear" Service!

- 1 I'll Drain Out Grit and Sludge While The Engine is Hot! "Hot-oil" drains every 1,000 miles flush out dirt, acid and contamination before they can do harm, leave the working parts of the engine sparkling clean!
- 2 I'll Recondition All Air and Oil Filters! I clean filter elements... replace worn-out cartridges... and record the mileage. I check mileage every time hood is lifted, to make sure these important filters are protecting your engine against dust and grit.
- 3 I'll Fill the Crankcase With Conoco Super Motor Oil! Conoco Super is fortified with additives that curb the dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—and OIL-PLATE a film of lubricant right to metal surfaces.

We Conoco Mileage Merchants are now trained and ready to give your car exactly the same service that helped keep test engines new in the spectacular "50,000 Miles—No Wear" road test!

In that famous test, six brand-new cars were each driven 50,000 killing miles, to prove the wear-fighting ability of Conoco Super Motor Oil.

Thanks to Conoco's 3-point "50,000 Miles—No Wear" Service, those engines showed no wear of any consequence, in fact, an average of less than one thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Now you can get Conoco's great "50,000 Miles—No Wear" Service to help your engine last longer, perform better, use less gasoline and oil!

### Shooting

(Cont'd. From Page 1)

possession a .22 calibre automatic rifle and a .45 Colt pistol. Sheriff Peoples said that the rifle was used in the killing. Evidently, Bullock was killed while he was sitting in his car as there were seven bullet holes in the windshield and sun visor. Six slugs entered Bullock's body. He was unarmed.

Davis is being held and up until press time has refused to make a statement. The motive and other details of the shooting have not yet been determined by

### Wallace Improves Local Building

Wayne Wallace of the Wallace-Buick company has just completed some interior remodeling work on the nice building at Main and North Fifth which greatly adds to the convenience and beauty.

In the balcony above the office space, he has installed a beautiful private office, which has paneled walls, carpeting, and beautiful furnishings.

Davis waived examining trial and is being held in the County Jail without bond.

Attorney for Davis said: "Davis has admitted shooting Bullock and has claimed self-defense and defense of his family."

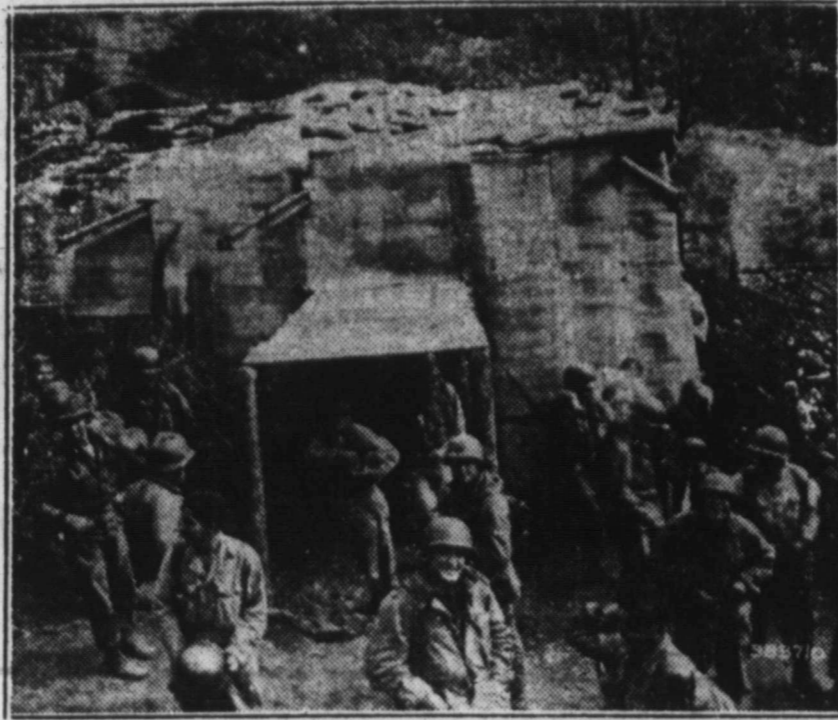

Bullock was 47 years old and resided at 308 Palo Pinto. He was born in Milam county on Aug. 4, 1904, and had lived in Parker county the past 16 years.

Bullock farmed at Brock for six years and had been employed as a rock mason by Stover Construction Co. of Fort Worth for five years.

Survivors include five brothers, L. M. of Weatherford, C. T. of Temple, A. E. of Brownfield, I. B. of Rockdale, and Hubert of Kilgore; and two sisters, Mrs. J. L. Hill of Tahoka and Mrs. Effie Burton of Vashan, Washington.

**LENTEN SERVICES FOR SOLDIERS IN KOREA**—No Gothic spire surmounts this humble chapel which Army chaplains have transformed from a sand-bagged bunker amid the forward U. N. trenches in Northern Korea. With strips of matting hanging where windows and doors would be expected, this place of worship recalls the isolated congregations of the early Christians. It serves well for the men of the 36th Regiment, 25th U. S. Infantry Division. For months they have attended the call of their chaplains in this embattled meeting place. The folks at home may picture the devout Easter service which will be held here at sunrise on the morning that commemorates the Resurrection.

### Wayside Defeats New Home 13 to 5

The exhibition season of the Junior baseball teams ended Sunday with Wayside blasting New Home 13 to 5 in the New Home diamond.

James Foster pitched three-hit ball for six and a third innings, striking out 10 batters and striking out 10 to coast to an easy victory. Lynn Halamicsek retired the last two batters after a brief New Home rally.

Bill Smith and Fletcher were blasted by Wayside for nine hits and 13 runs and received 8 free passes. Smith took the loss.

Wayside committed four errors to New Home's two.

The Tahoka North Side game, scheduled at Post was called off because of wet grounds.

### Junior League Play Scheduled

By Ted Pridmore, Secretary, Junior Baseball League

Next Sunday, April 27, the third year of the Lynn County Junior Baseball League will officially get underway.

The league was first organized in 1950 with New Home, Tahoka South Side, Tahoka Colored Boys, and Tahoka North Side represented. That year the North Side won the championship in a close finish with the New Home boys.

The second year, 1951, Wilson, Wayside, Tahoka North Side, and Southland took part in the league with Southland winning the title over Wayside in the last game of the season.

This year of 1952 will see five fighting teams take to the field to endeavor to capture the league's third championship.

Wilson, managed by Gilbert Steinhauser, is expected to field a fine team this season after finishing third in 1951.

Wayside of Tahoka, managed by James Foster, will probably have the most aggressive team in the league, and has won three and lost one exhibition game.

Southland, managed by Eugene Leake, is the only out-of-county team entered. They won the title last year, and should have a good team again. They have not played an exhibition game.

Tahoka North Side, the only team in the league all three of the years, is expected to field its finest team. They have won one and lost one exhibition game. Douglas McNeely is the manager.

New Home, managed by Carleton Davies, will also be a strong contender, although they have lost both exhibition games played.

Of the two local teams, Wayside is backed by J. Doug Finley, and Tahoka North Side by the Bill Strange Motors.

All rosters are in, the schedule made, and rules approved. The top three teams will play for the championship after close of the season on August 3, the second and third place teams playing on Aug. 10, and the winner of that game playing the first place team a best two out of three series to start Aug. 17, and with games following Aug. 24 and 31.

Next Sunday, April 27, opening day, the Southland boys will meet Wayside at Tahoka Park in South Tahoka, the game beginning at 2:15 p. m. James Foster will start for Wayside, and either Leake or Lefty Tremble hurling for Southland.

At Wilson, that ball club will entertain Tahoka North Side with the game starting at 2:15 p. m. Leonard Breiger will probably draw the mound duty for Wilson, and either Gordon Smith or "Punk" White will pitch for the North Side.

New Home will draw the first open date.

Admission is free, and fans are invited.

**CPL. BAILEY TOOK PART IN OPERATION LONGHORN**  
Cpl. Frankie J. Bailey of the Airforce Paratroopers left Wednesday for duty at Fort Bragg, North Carolina, after spending 10 days here with his mother, Mrs. J. C. Bailey Sr. of Draw and other relatives.

Cpl. Bailey recently participated in the Operation Longhorn maneuvers in Central Texas near Camp Hood, making a parachute jump in the mock battle. He has made 14 jumps since entering the service 16 months ago.

**ADDING MACHINE** rolls, fit all standard machines.—The News

### Dr. A. C. Donath Rotary Speaker

Dr. A. C. Donath of Conroe, who was here preaching in the revival at the First Baptist Church, was the principal speaker at Tahoka Rotary Club Thursday noon of last week.

Dr. Donath has traveled extensively in Europe, Asia, and Africa, and formerly was a missionary in the latter continent. In his talk, he discussed in an interesting and informative manner the effect of religion and various beliefs on world politics.

He brought out little known facts about the Moslems and their religion, and the apparent impossibility of reconciliation with the Jews in the Holy Land. He said three distinct religious groups look to Jerusalem as their shrine and as Holy ground—the so-called Christian faiths, the Moslem, and the Jewish.

Tom Garrard was in charge of the program.

### MRS. W. T. ROGERS HOSTESS TO HANDI-WORK CLUB

Mrs. W. T. Rogers entertained the Petty Handi-Work Club in her home Monday, April 21. There were eight members and one visitor present. The visitor, Mrs. Phillip Hemmeline, joined the club, making a total membership of 14.

Mrs. Rogers taught those present to make a bouquet from tin cans and colored foil paper.

It was decided to have a club entertainment at Mrs. Jess Hill's Friday night, May 2. At this party the club quilt will be given away to a lucky person.

Refreshments of cake, lemonade and tiny sandwiches were served to Mesdames J. W. Schuknecht, J. R. Turner, Owen Blevins, Ray Blevins, Jess Hill, Hemmeline, H. C. Hodges, Miss Betty Isbell, and the hostess.

To protect your fur coat against dryness until it is ready to be stored for the summer, place a bowl of water with a sponge in it on the closet shelf. When your furniture gives a foggy appearance, wipe with cloth dampened with solution of one tablespoon of vinegar to a quart of water.

L. A. Forsythe, Secretary.

### Baptist Church Closes Revival

Revival services at the First Baptist Church came to a close Sunday night following the baptism of 10 new converts. About 27 altogether were baptized during the meeting. Total additions amounted to about 45. There had been many rededications and services during the revival and these together with the new converts formed a line that stretched all the way across the church.

The pastor, Rev. Lee Ramsour, is conducting a revival meeting in the Baptist Church at Idalou this week.

The resignation of Miss Lillie Ragsdale as secretary of the church for the past four years was announced. She goes to Brownfield as secretary for the Baptist Church there, leaving this mid-week. No one has been employed to take her place here. She had made a host of friends here, who greatly regretted her resignation.

Good services, with good crowds in attendance, were also reported from the Sweet Street Chapel, where services in the new building had been held the preceding Sunday.

The News has received no report from the Mexican Mission, whose members are now worshipping in the building formerly used by the Sweet Street Mission.

## AN IMPORTANT MESSAGE

### TO OUR CUSTOMERS AND FRIENDS

We are happy to be able to tell you that the lawsuit brought more than four years ago against Ford Motor Company and Dearborn Motors Corporation by Harry Ferguson and Harry Ferguson, Inc. has been settled by agreement of the parties.

There are three points connected with this settlement which, as a present or possible future owner of a Ford Tractor, we want to make clear to you. Regardless of what you may hear to the contrary, these are the FACTS.

### 3 POINTS OF INTEREST

To Our Present And Future Customers

- 1** Ford Motor Company will continue production of the present Ford Tractor without interruption, and Dearborn Motors Corporation will continue to market them nationally as in the past. By the end of 1952, Ford Motor Company has agreed to make two simple changes, and only two changes, in the means of operation and control of a pump used in the hydraulic system in the Ford Tractor. After these simple changes have been made, there is nothing in the settlement of the suit to prevent Ford Motor Company from continuing the manufacture of the present Ford Tractor for as long as it may choose.
- 2** Ford Motor Company will continue to produce and Dearborn Motors Corporation, and ourselves as dealer, will continue to supply all repair parts for all past, present and future Ford Tractors.
- 3** Ford Tractors will continue to offer all the advantages of the present system of hydraulic control, the present method of attaching and operating implements, and all other features responsible for their wide popularity. Dearborn Motors will continue to offer its same complete line of implements.

### A STATEMENT

By Mr. Henry Ford II

"In normal times Ford Motor Company would carry such a suit to a final conclusion in the courts. These are not normal times. Under the circumstances we were glad to get rid of the litigation to avoid the expense, harassment, and further interference with our tractor business involved in additional years in the courts.

"The settlement in no way interferes with Ford Motor Company's continuing to offer to the farmer the lowest priced tractor with hydraulic control and the present method of attaching and operating implements."

It is a source of deep satisfaction of us to be in position to debunk conclusively and finally in this way the assertions that have been made and the propaganda that has been spread over the past four years.

**Safety Inspection Should Be Made**

Automobile owners should have their inspections made and get their "OK" stickers now, before the expected rush later on, Jim Riddles of Lubbock, inspector for the Department of Public Safety, told The News Wednesday.

Mr. Riddles says Lynn county motorists are too slow in having their car inspections made. Less than one-fourth of the car owners have had their vehicles inspected at this time.

Too many are putting this necessary duty off, especially the owners of old cars, and when the deadline approaches there is certain to be a mad scramble for inspections, which may result in some car owners not being able to use their vehicles for some time. Final date was recently extended until September 8.

As far as enforcement is concerned, he said, a car inspected today will not be liable until after March 31, 1953. However, the car owner will have to re-inspect his vehicle between Sept. 7 this year and March 31 next year to have a receipt for registration of his vehicle.

There will be no enforcement of the new Texas Motor Vehicle Safety laws until Sept. 7. Then, the operator of any vehicle that doesn't have a sticker displayed on such vehicle will be liable.

Lynn county inspection stations are as follows:

Tahoka: Bill Strange Motors, Bray Chevrolet, Gaignat Motor Co., Lynn County Tractor Co., Wallace Buick, Wharton Motors.

O'Donnell: Ellis Chevrolet Co.

Approximately 38 per cent of the total mill consumption of cotton normally enters into the production of clothing.

**The Lynn County News**

TAHOKA, TEXAS, — FRIDAY, APRIL 25, 1952

**WEST POINT CADETS ON PARADE**—Outstanding interest to the host of visitors who will attend the sesquicentennial exercises at the U. S. Military Academy this year is in the exercises on the historic parade ground where for 150 years have drilled the young men who became America's most distinguished soldiers. The approximately 2,400 cadets of the Corps are organized into 24 companies of about 100 men each. The 24 companies are formed into six battalions; and the six battalions into two regiments. The two regiments make up the cadet Brigade.

**Draftees Should Seek Deferment At Earlier Date**

LUBBOCK, April 22. —T. B. Zellner, chairman of the Lubbock draft board, warned draft-age men and their employers that the board has no authority to consider men for occupational deferment after an order to report for induction is mailed.

"Very often, either the registrant or his employer is under the impression the proper time to ask for a deferment is after the registrant receives his induction notice," Mr. Zellner said.

"This impression is absolutely wrong, and we hope by this statement to correctly inform the people of the area over which this board has jurisdiction," the board chairman commented.

The Lubbock board, No. 88, has jurisdiction over Lubbock, Garza, Crosby, and Lynn counties.

Mr. Zellner said that the only circumstances in which the board can reopen a man's case after mailing of induction order is a change in status of the man resulting from circumstances over which he has no control.

A registrant or his employer has ample time to apply for deferment when the registrant is first classified, the board chairman said.

"On every notice of classification we mail to a man," Mr. Zellner said, "he is notified that he

has ten days from mailing date of the notice to request a personal appearance or file an appeal. All he has to do is read and act. If he does, the law demands that we give him consideration."

Mr. Zellner urged registrants and their employers who are intending to apply for occupational deferment to consider doing it at the earliest possible date and to make application in writing.

"Many rights and privileges are extended to people in this law," the chairman commented, "but they must act early within time limits to get consideration."

Home gardeners who do a good job will be repaid for their efforts by getting greater production from the garden and this in turn means more fresh vegetables for the family table with a surplus for preserving.

**Miss LaQuita Roberson And Melvin "Pete" Schaffner Married in Hobbs Ceremony**

Miss LaQuita Pearl Roberson, daughter of Mr. and Mrs. Ewell Roberson of O'Donnell, and Melvin (Pete) Schaffner of Tahoka, son of Mr. and Mrs. A. D. Schaffner of Lockney, were married at 8:00 p. m. Saturday in Hobbs, New Mexico.

The double ring ceremony was read by Rev. Earl R. Keating of Hobbs in the home of Miss Iris Walton, cousin of the bride.

The scene was decorated with an archway of fern and white gladioli.

Given in marriage by her father, the bride wore a wedding gown of white nylon tulle over satin with portrait neckline outlined with applique of Alencon lace which extended into small sleeves. A plume of matching lace was over the immense ball-

rina length skirt of net over satin. She wore net gauntlets and a short veil of silk illusion joined to a tiara of seed pearls. She carried an orchid surrounded with white stephanotis atop a white Bible.

Miss Kay Hancock of O'Donnell, cousin of the bride, was maid of honor. She wore a ballerina length dress of turquoise net over taffeta with strapless bodice and matching stole. She wore a tiara of yellow rosebuds and carried a nosegay of yellow roses.

Serving as best man was Buddy Gene Bragg of Tahoka.

A reception followed the ceremony in the home. A tiered wedding cake and crystal punch bowl decorated the lace covered table.

(Cont'd. On Back Page)

**GOOD ATTENDANCE AT DRAW REVIVAL MEETING**

Rev. Silas Dixon, pastor, reports good attendance and interest in the revival which he conducted at his church, the Draw Methodist Church, ending Sunday, April 13.

Also, he said the Draw Methodist Sunday School had an attendance of 89 people.

# Odds AND Ends

(BY E. I. THE ELDER)

This week, folks, I am going to tell you about the great pyramids that stand out at the old town-site of Teotihuacan some thirty miles northeast of this city or break a trace, but first I am going to tell you a little more about Mexico City itself—some things that I just recently discovered.

My room-mate and I have been planning all the week to leave here next Monday, April 14, for home. The parks and the back yards of the well-to-do here are glorious all the year-round, but just a little more so in recent weeks. It occurred to me the other day that I should get some of

the seeds of the gorgeous flowers that bloom here and also of the flowering trees in the park and take them to my sisters in Waco to plant out and thus find out if they will grow and bloom there successfully, especially since one of my sisters there has a beautiful flower garden and is a great flower fan.

But where should I go to get the seed? I remembered that I had not seen a single package of garden or flower seeds in this city since I have been here. My first thought was that I might find them at the vast double-decked Sears & Roebuck Store scarcely a block away from the cafe where I usually eat. So, over to Sears & Roebuck's I went. Browsed around all over the first floor and didn't find any seeds of any kind. Finally I approached a woman who could speak just about as much English as I can speak Spanish and eventually succeeded in making her understand what I wanted. She sent me up to the second floor. So, after exploring about an acre of floor space up there and finding not a sign of a seed of any kind anywhere, I approached a Spanish-speaking clerk who could not understand me and he called the boss or some superior salesman, and this gentleman assured me in broken English that they did not handle the article I wanted, although they handle just about every thing else under the sun, from little safety pins to high-powered tractors, trucks, and motor boats, and from tiny little trinkets that cost them possibly one peso per bushel to the highest-priced

gowns and dresses to be found in the city.

Well, then it occurred to me that I should go to a pure-dee grocery store. And immediately I began to wrack my brain trying to stir up a little brain-cell somewhere that could tell me where I would find a grocery store. Finally I remembered a few little holes in the wall here and there where they sold canned goods, cold drinks, plique, fire-water, and cigarettes, but not a single one of them—with the exception of fire-water establishments—was any larger than the grocery stores in New Home, Draw, or Grassland in Lynn county.

That night I asked my room-mate if he had ever seen a sack of flour or a sack of meal in Mexico City. He wracked his brain and couldn't remember that he ever had.

Well, don't they have any grain elevators here? Don't they have any flour mills here? Don't they have any ware-houses or bins of some kind in which to store the flour that is shipped in by train or truck? Surely they must have, but I have not seen any of them. There are oodles of bakeries here, where they bake all kinds of pies and cakes and tortillas but the dough rarely ever shows up in sight. When you sit down at a table in a cafe or restaurant, the first food placed before you is invariably a plate of tortillas and crackers, which nearly everybody eats and relishes with their meals. Unless ordered otherwise, your coffee is never brought until you have eaten up everything else in sight.

I haven't been in many homes down here but apparently little eating is done in the homes of the rich. Mostly, they eat out! And the poor eat out too—out on the sidewalks.

Failing to find any flower seeds, or even grocery stores, anywhere in this vicinity, I struck out afoot just to see if I could find one. After walking about ten blocks, I found a pretty nice little store about 12 by 15 feet in size, where they handled canned goods, cold drinks, cigarettes, and a few other articles, but they had no flower or garden seeds of any kind. But a man who could speak English worked there and he went to the trouble of looking up in his directory the address of a seed house, but he did not know how far away it was or where the street is on which it is situated. He suggested that I catch a taxi and let the driver hunt the place up. I am sure he could have found it, for these taxi drivers seem to know every nook and

corner in the city, from the Zocalo to the Slums, but I was not sure that he would find the seeds I wanted after he got me there. I am depending on good luck and the good Lord to find the seeds yet before I leave out.

And all that suggests other things that I would like to say right here about people, their customs, their manner of dress, and just a lot of things that I have barely mentioned heretofore, but I promised in the beginning of this article that I would tell you something about the pyramids of Teotihuacan which I have heretofore mentioned several times.

I might start out by telling you how that name is pronounced. Teotihuacan is pronounced as if it were spelled in this way: Tay'-o-tee'-wau-kahn', with the accent on the first, the third, and the last syllables. Now see if you can pronounce it. It's easy if you will be careful.

Teotihuacan was the name of the ancient city where the greatest pyramid in the Western World was built—which is doubtless the greatest architectural achievement ever accomplished by a people in all the world who did not have a single domestic animal of any kind—not a horse, nor a mule, nor a burro, nor an ox, nor a camel, nor an elephant, nor a beast of burden of any kind, to assist them in moving huge stones for miles and miles and placing them high up in one of the largest buildings ever constructed.

I said that I was going to tell you something about this building, but after seeing it twice, it is still precious little that I can tell you about it. It is easy to gaze at it in wonderment but it is almost impossible to write down on paper a description of it that will give you any adequate idea of the ingenuity, the skill, the patience, the purpose, the imagination, the mental and the spiritual status of a people, that promoted the building of such a structure.

O yes, some people can run out there and spend an hour or so and come-back telling you rather proudly that they have seen the pyramids. And then they will go on their way and practically forget all about it. No man can see the pyramids in an hour—nor in a day, nor in a week.

In one of his campaigns in Egypt, almost in the shadow of the great pyramids along the Nile, Napoleon Bonaparte, seeking to inspire his men with the marvelous achievements of other men who had gone on before, exclaimed, "Soldiers, forty centuries look down upon you."

When I stood the other day, before that great man-made mountain, I could not help but feel that numberless ages of antiquity were looking down upon me. And I felt so little and so humble.

There is far more out there than one great pyramid. The greatest sight out there, it is true, is the Great Pyramid of the Sun. A little group of us, consisting of Rev. and Mrs. Harry Lagrone of Plainview, Texas Misses Elvira and Aurora Gutierrez of this city, and my room-mate and I who have been temporarily here for the past few months, ran out there Sunday af

## Look who's crowding "the low-priced three"

THE price of a car has a lot to do with the number of folks who can afford to own it.

So the leaders in sales — for almost a generation — have been three cars whose bid for popularity has included a potent price appeal.

But who do you think is right on their heels? Who has led the field, outside "the low-priced three" — ever since 1938?

Well, sir, the name is Buick.

You get more pounds of real automobile when you buy the Buick pictured here.

You get more power. You get "big-car feel."

You get an honest-to-goodness Million Dollar Ride.

You get, in other words, an all-round money's worth of great engineering that makes any Buick — SPECIAL, SUPER or ROADMASTER — a standout buy in its field.

That's not just our say-so. It's what car buyers have said with their hard-earned dollars, year after year.

We think you ought to find out for yourself what these other folks have discovered.

We think you ought to find out why so many Buick buyers are trading in one of the so-called "low-priced three."

We think you ought to compare the size, compare the performance, compare the price, because we know what you'll find out:

If you can afford a new car, you can afford a Buick.

Why not find out for yourself what's behind this popularity?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other series. †Optional at extra cost on ROADMASTER only.

### ONLY BUICK PROVIDES THEM ALL

**DYNAFLOW DRIVE** — great boon to easier driving, proved on more than a million Buicks

**FIREBALL 8 ENGINE** — of valve-in-head design, makes high compression count for more

**NEW WIDE-BAND BRAKES** — for smoother, more positive control

**MILLION DOLLAR RIDE** — with 4-wheel coil springing and road-steady torque-tube

**TOP-CAPACITY TRUNKS** — more luggage room than ever in most models

**NEW TWO-TONE INTERIORS** — in most models, grace Buick's Body by Fisher

**SWEEPSPEAR STYLING** — adds gleaming smartness to all models

**Plus These, Too, On ROADMASTER:**

**AIRPOWER CARBURETION** — with highest horsepower in Buick history. MORE MILES PER GALLON.

**POWER STEERING** — greatly eases parking and turning, without losing that firm feel.

**SILENCE** — so complete you can speak in whispers under way.

Sure is true for '52

(Cont'd. From Editorial Page)

ternoon, April 6, to take a peep at these marvels of the world. Less than three hours was all the

time we had to do the peeping. I had taken my kodak along with the hope of taking a good picture. So, not long after we arrived, I lined up my five friends at the foot of the great Sun Pyramid, and leveled my photographic

weapon and got ready to shoot. But in the meantime a cloud had drifted between the sun itself and the Temple built in its honor, and just refused to move over. So I had to shoot in the shadow of the Sun on the Temple of the Sun. Then I moved my group over for another view and shot again. I hope that these pictures will prove to be good ones. For fear that they might not be I bought one that somebody else had made.

Now I will give you some figures and other facts. I am not sure that my figures are absolutely accurate, nor my facts either, for I have to get these out of a couple of little booklets I purchased for the purpose of getting correct dimensions and accurate facts, but whoever prepared these booklets ought to be out cutting sugar cane with a machete. They certainly do not know how to write clear English and possibly not very good Spanish. But I quote from one of these little booklets as follows: "The Pyramid of the Sun is the highest in the world, being 216 feet high (It looks a lot higher than that) and its base is larger than the one in Egypt. It is comprised of five bodies, and it was discovered that it was built on five superpositions." The underground structures are supposed to have been built by other tribes of Indians than the Toltecs and the Aztecs. The Pyramid of the Sun, as I stated, has a larger base than the largest of the Egyptian Pyramids. My recollection is that Cheops covers about 13 acres of ground. Three sides of this Pyramid of the Sun, at the base, are each 1137-1/2 feet long, and the fourth side is the same length but is broken by a stairway that leads from the base to the top. I figure, therefore that the base and the approaches to this pyramid covers more than 32 acres. The English booklet which I have quoted so mixes up its report of the Citadel or Temple of Quetzacoatl that I can not tell heads from tails.

Apparently about a half mile

north of this pyramid of the Sun is another but smaller pyramid of the Moon. We did not even visit it, but I sauntered up a roadway a short distance that leads up to it and met an Indian who was selling cheap trinkets and I bought from him a perfect arrowhead which he claimed had been picked up near the Pyramid of the Moon, paying him one peso, 11 cents in American money. I wanted it because it was a practically perfect specimen and was almost black in color. One of the women of our party told me that it was made of obsidian, a glassy volcanic rock.

Now I am quoting in substance some statements contained in one of the little books which I obtained a day or two later in the National Museum in Mexico City. We intended to visit the Museum at Teotihuacan Sunday afternoon but found that it is kept closed Sunday.

This monument, the Pyramid of the Moon, we are told, preserves almost its original shape but it has been worn away by erosion much more than the Pyramid of the Sun. It is much smaller than the Sun Pyramid, as it was consecrated to a lesser deity, that of the Moon, who in this case was a goddess. Her huge figure, weighing approximately 49,236 pounds, was found buried under several feet of earth and debris not far away from the Moon Pyramid in 1890 and is now kept in the National Museum in Mexico City. We saw it there on Monday following our visit out to Teotihuacan.

In the museum at Teotihuacan, is an Obsidian piece of statuary representing a monkey, which was found in Texcoco, an Indian village near by. It is said to be the only one in the world made of this material and it is represented to be 700 years old. It was in this same vicinity that the obsidian arrowhead which I bought was said to have been found.

While we did not get to visit this museum on our recent Sunday visit out there, I did visit it as we came down to Mexico City early in February; and knowing what I did not know then, I would like to have an opportunity now of spending long hours out there.

We did not even visit the Temple of Quetzacoatl Sunday afternoon but I did visit it on my first visit out there. It is the place where human sacrifices were offered, no telling how many thousands of them.

The Citadel is rather vaguely described in my little booklet, but the author does state that it is

probably the most interesting place on the grounds. "As one ascends the steps to the top, a beautiful scene is spread all around; an enormous court yard, surrounded by an extensive platform, is surmounted in several places by stairways, and on the

THE LYNN COUNTY NEWS,

Friday, April 25, 1952

courtyard a number of small religious celebrations. The platforms or altars may be seen from in the center was used for. These monuments were especially the staging of the ceremonies used for the fires and incensaries in the kindling of new fires once that were kept going on during (Cont'd. On Back Page)

every 52 years. Twenty-five thousand and Indian dancers occupied the Citadel during the celebration.

The author further asserts that the Quetzacoatl Citadel was constructed originally by the Toltecs, but the Toltecs themselves never offered human sacrifices. Quetzacoatl himself preached

vehemently against the practice. But the author believes that the Toltec Empire declined and that the Aztecs drove them out of the country about the year A. D. 1116. He further states that the offering of human sacrifices was not introduced until about 200 years before Cortez staged his conquest of the country. I do not know on what facts he bases that conclusion, for it has been generally

supposed that the Aztecs had practiced this gruesome ceremony for many centuries. He says that the practice grew until the number of sacrifices offered annually at the time of the Conquest had mounted to several thousand.

It was the custom, he says, for the Aztecs to preserve the skulls of the victims in buildings erected for the purpose, and that the Spaniards found thousands of these fearsome remains within an edifice called "Tzompantli." He adds that women were sometimes offered in oblation.

Tlaloc (pronounced Caloc) was the god of rain, and he could be propitiated only with the blood of children. And here again we quote: "During the drought these young victims, wearing the most elaborate attire and crowned with flowers, were taken to the temple in open litters, their laments being drowned by the sound of drums."

All victims, whether they were children, beautiful women, or members of other tribes captured in war, were placed on the altar either before or after they were wounded until death and their hearts were cut out. The blood flowed down a trench or aqueduct into a great vat or other container, and some say that the blood was sometimes drunk by those offering the sacrifices.

When I was out at Teotihuacan the first time, I went up on top of this shrine and saw at least the altar on which sacrifices of human beings had thus been brutally made. It gives me a creepy feeling even to think of it.

Another interesting place which we did visit out there that Sunday afternoon was the great amphitheatre which was constructed centuries ago but has now fallen into dis-use. With just a little repairing done, however, it could be used yet. I am not informed as to what kind of entertainments were given in that great outdoor theatre, but they must have consisted of instrumental music. The unaided human voice could not have carried out to the furthest reaches of that vast structure, and if the ancients ever had loud speakers through which to talk, I never heard of it.

The platform itself must have been sixty feet long from side to side and nearly 20 feet wide from rear to front. The seats were all

**FAMILY REUNION IN FRANK DECKER HOME**

Relatives visiting in the home of Mr. and Mrs. Frank Decker Sunday, Apr. 13, included a sister he had not seen in 39 years, Mrs. Nellie Powell of Oregon City, Ore.

Others who enjoyed the day's visit in the Decker home included: Mr. and Mrs. V. G. Decker of Meadow, Mr. and Mrs. Norman Caswell and son Monte of Meadow, Mr. and Mrs. Donald Ray Mitchell and daughter Dona Kay of Lubbock, Mr. and Mrs. Lloyd Parrish and son David of New Deal, Mr. Sam Shairrick of Post, and Mr. Woodrow Decker of Clovis, New Mexico.

curved, each tier being longer than the tier immediately in front of it. The tiers were well spaced, leaving an abundance of room between them. The ground rose in elevation as one goes toward the rear. It was a perfect arrangement and was capable of seating thousands of people without crowding. The stage was ornamented with two statues of pagan gods at the rear, one at one end of the stage and one at the other. It would yet be a dandy place to hold an evangelistic meeting or a great political gathering, and we will bet Billy Graham could fill the thing up poco tempo, that is, if he could speak Spanish. There are market places on the ground, and plenty of Aztecs and other Mexicans selling trinkets.

Furthermore, there is a cave near by, and in that cave is a cafe. The first time I was out there I took lunch in that cave, and the other Sunday when our party was out there, we took late afternoon meal.

We had spent a wonderfully happy afternoon and arrived back in the city about sunset. At places on our road, we could see the white head of good old Popo sticking up over the mountains far to the southeast and his good wife, more hoary than he, still reclining at his feet. Much more could be said about these wonderful pyramids, but Good Night.

**PETTY HANDI-WORK CLUB HOLDS TWO MEETINGS**

Monday, March 17, Miss Jackie Smith was hostess to the Petty Handi-Work Club. Punch work was taught by Miss Betty Isbell.

Coffee, punch and cake were served to the following: Mesdames Owen Blevins, Roy Blevins, J. R. Turner, G. H. Isbell, Jesse Hill, O. S. Smith, Faye Rogers, H. C. Hodges, J. W. Schuknecht, and Miss Betty Isbell.

The next meeting was held in the home of Mrs. Owen Blevins April 7th. Mrs. J. R. Turner and Mrs. W. T. Robers gave a demonstration on making hassocks out of seven large fruit juice cans, by padding and covering the cans.

Orange juice and cookies were served to Misses Jackie Smith and Betty Isbell and Mesdames Roy Blevins, J. R. Turner, G. H. Isbell, and W. T. Rogers.

The next meeting will be in the home of Mrs. W. T. Rogers on April 21. Everyone is invited.—Reporter.

The shortage of farm labor can be partially overcome by preventing every type of farm and home accident. It's the business of every farm family to see that some member isn't taken from the job by an accident.

**Schaffner Weds**

(Cont'd. From Page 1)

Mrs. Malcolm Howard, sister of the bridegroom, was at the guest book. Serving were Misses Jane Thompson and Shirley Sutton, cousins of the bride.

For a wedding trip to Galveston the bride wore a pink and gray checked wool suit with pink and champagne accessories. Her corsage was an orchid.

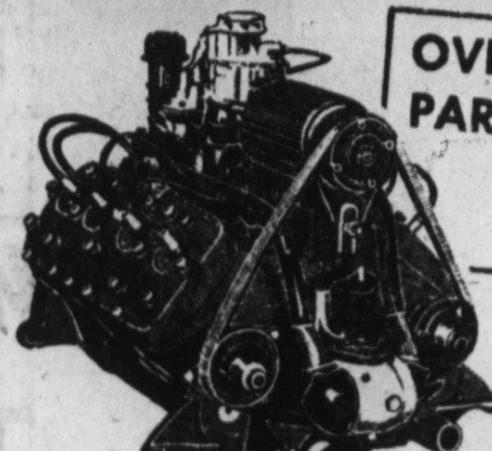

Mrs. Schaffner is a graduate of O'Donnell High School. For the past two years she has been em-

ployed as an office deputy of the Lynn county sheriff's department. In 1950 she was crowned Queen of the South Plains.

The bridegroom is a 1947 graduate of Tahoka High School. He has served in the Army since January, 1951, and has recently been released from Brooke Army Hospital in San Antonio after being wounded in Korea. He is to return to San Antonio for reassignment.

Out of town guests were from O'Donnell, Tahoka, Lubbock, Lockney, Wilson, Brownfield, Lamesa, and Odessa.

**MERCURY BEATS ALL COMERS IN MOBILGAS ECONOMY RUN**

**3 WINS IN 3 YEARS!**

1952's challenger wins Grand Sweepstakes Prize against all entries!

Mercury's done it again . . . captured the coveted grand prize in this "world series" for automobiles.

And this isn't the first time! Just look at the record: three out of three times winner in its price class; two out of three times Sweepstakes winner against all cars in every class!

The Mobilgas Economy Run is punishing, 1,415-mile run open to all cars of every make. Unlike old-time stock-car classics, it tests on the road economy rather than speed.

Every car is a stock car, selected at random by the A.A.A. To assure an equal chance for all, regardless

of size and weight, ton-miles-per-gallon performance\* determines the winner.

The results are now in the record book. A 1952 Mercury Monterey Special Custom Sedan with optional overdrive swept the field with a 59.7188 ton-miles-per-gallon mark, averaging 25.4093 miles per gallon. And the engine that did it is Mercury's famous V-8.

That's something to think about when you buy a new car.

Right now, in our showroom, is a 1952 Mercury similar to the one that won this official, impartial test. Why not stop around and give it a try? No obligation, of course.

\*Ton-miles-per-gallon equals the car weight (with passengers), multiplied by miles traveled, divided by gallons of gasoline used.

**MERCURY—AGAIN PROVED "AMERICA'S NO. 1 ECONOMY CAR"**
