Number 33

### "Dub" Harvick Is Honored By Firm

A salesman and his boss will exchange jobs next week at the Armour and Company branch house in Lubbock in a national "Manager-for-the-Month" program to recognize the "men on the sales firing line."

Salesman W. C. (Dub) Harvick has been elected honorary manager of the branch house for May it was announced by T. C. Ingram, manager. Mr. Harvick was chosen by the votes of all other salesmen in the local Armour organization.

### Larry Ramsour Will Preach '53 Class Sermon

The Senior Class of Tahoka High School has bestowed an unusual honor upon one of its own members in asking him to preach the baccalaureate sermon.

Leslie McKee underwent minor surgery at Tahoka Hospital Wednesday.

### Bloodmobile Is Coming To City Next Tuesday

Everything is in readiness for the coming of the Red Cross Bloodmobile to Tahoka on next Tuesday, May 12, at the Legion Hall.

All adult citizens of Lynn county are being asked to donate blood for use in helping save our boys fighting the war in Korea.

Lynn county's quota is 150 pints, according to Bill Strange, Jr., Red Cross blood chairman. He said Thursday that more volunteers are needed if our quota is to be reached.

Red Cross officials declare that 97 out of every 100 wounded G.I.'s who reach even the most forward hospitals behind the firing lines can be saved if sufficient blood is available.

A physician, nurse, and other attendants will be on hand, and your pint of blood will be taken by experts. There is no danger, nothing to fear.

Every adult is asked to come to the Legion Hall Tuesday, May 12, and give a pint of blood.

### D. H. Stanley, 77, Dies Suddenly

David H. Stanley, 77, passed away from a heart attack Friday at 7 a. m. while visiting a son, Rufus Stanley, near Alvarado.

The body was brought to Tahoka, and funeral services were held at the First Baptist Church, with the pastor, Lee Ramsour officiating, and interment followed in Tahoka Cemetery under direction of Holloway Funeral Home of Grandview.

He was preceded in death by his wife by only a month, she having died here on March 29. David Horton Stanley was born in 1876 at Tuscaloosa, Alabama, and came to Texas when he was eight years of age. He was married in 1896 to Miss Maggie Lou Satterfield, and they were blessed with the birth of 15 children, seven of whom preceded them in death.

Survivors include four sons, John and Jake Stanley of Tahoka, Roy Stanley of Fort Worth, and Rufus Stanley of Alvarado; four daughters, Mrs. Nellie Engle of Alvarado, Mrs. C. B. Smith, Mrs. R. J. Barnett, and W. F. Lindsey, all of Tahoka; 51 grandchildren, 37 great grandchildren; one half-sister, Mrs. Mattie Roter of Itasca; and one half-brother, Marion Stanley of Altus, Oklahoma.

### FINED FOR DWI

Marion Jack Paul was fined \$100.00 and costs in county court here last Friday on a plea of guilty to driving a motor vehicle while intoxicated.

### Jaycee Rodeo Date Set For May 22-23

Plans are nearing completion for the annual Jaycee Rodeo in Tahoka on Friday night, Saturday afternoon and night, May 22 and 23.

Night performances will be at 8 o'clock, and the Saturday afternoon performance will be at 2 o'clock.

Friday afternoon at 2 o'clock, a big parade has been planned with merchants and civic organization floats, led by the Tahoka High School 65-piece band and the Lynn County Sheriff's posse. At least four other posses from neighboring towns are expected to appear in the parade.

Tickets are already on sale at \$1.25 for adults and 60 cents for students, and may be obtained from Queen contestants or any member of the Tahoka Jaycees.

Three girls have already entered the Rodeo Queen contest, but more are urged to enter. Those entered up to Thursday were Barbara McNeely and Patsy Smith of Tahoka and Jackie Smith of New Home. An attractive award will be given the young lady selling the most advanced tickets, and she will be honored in the parade on Friday afternoon.

Stock will be furnished this year by Morris Stephenson of Silverton, who is said to have some of the saltiest animals in the West. He will furnish bucking horses and bulls and a bunch of wild roping calves. He assures the Jaycees he has a large bunch (Cont'd. On Back Page)

### Fire Truck Is Again In Use

Tahoka's No. 1 fire truck, wrecked in the butane truck explosion nearly two weeks ago, is now ready for service.

Engine and chassis of the truck was almost completely wrecked when a part of one of the butane tanks hit the front end of the truck while it was standing about 100 yards from the fire.

The City Council last week bought a new Ford F-600 chassis on which the fire-fighting tanks, pumps, hose, etc. have been installed. The Fire Department members put the final touch to the installation and checked the equipment Wednesday night, except for the siren. A new siren will have to be installed, and the truck is yet to be painted. Other wise, the Fire Department says it is again in first class shape.

### Local Weather Station Checked

A representative of the U. S. Weather Bureau, Horace Franklin of Houston, was here Monday and Tuesday checking the Government weather observation equipment kept by The News.

New high and low thermometers and the housing in which they are kept were installed, and these and the rain gauge were placed in a new location and checked for accuracy.

### Dwayne Townsen Completes Course

LACKLAND AIR FORCE BASE, San Antonio, May 7. —Dwayne Townsen, 19, son of Mr. and Mrs. N. O. Townsen, Rt. 4, Tahoka, is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resources Center, and home of AF's Officers Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

John Evans is recovering from a minor operation which he underwent recently in a Lamesa hospital.

### Exercises Starting For Class of 1953

Tahoka school graduation exercises will get underway Sunday, with the Class Sermon program at 8 p. m. in the High School auditorium.

Commencement exercises will be at the same place Friday night of next week. Seventh Grade exercises will be held next Thursday night.

A new type of programs are being held by Tahoka Seniors this year in that most numbers

thereon will be by Seniors. A Tahoka Senior will give the class sermon. There will be no principal speaker at the graduation exercises, but brief talks will be made by several members of the class.

Larry Ramsour, a member of the Senior class and son of the local First Baptist Church pastor, will deliver the class sermon at the Sunday night exercises.

The processional and recessional will be accompanied by Mrs. E. W. Patterson at the piano. Special music will be furnished by the Tahoka Elementary Choir, directed by Mrs. Harold Green, singing "Steal Away," "Battle Hymn of the Republic," and "Now the Day is Over."

Paxton Hutchison will give the invocation, and Richard Carter will give the benediction. Both are members of the class.

The following Junior girls will serve as ushers: Jane Shepherd, Jerry Aldridge, Joy Tomlinson, JoAnn Fenton, Vella Jo Phillips, Loretta Henry, Lou Ann King, and Sue Dollins.

About forty Seniors will leave Sunday night following the program on their trip to the Lazy H Guest Ranch at Kerrville.

### Eye Examinations Given At School

Five percent, or about 15, students in the first three grades of the Tahoka Elementary School were found to have defective vision by tests made last week, Supt. Otis Spears reports.

In fact, each child showing faults on the testing machines was tested twice to make sure. Cards have been sent parents of these children recommending that professional doctors be consulted.

This is a new service in the Tahoka schools which the authorities hope to continue throughout the future years. Many times, Mr. Spears says, low grades are attributed to eye defects. And, in most cases, the child or the parents do not know the child's vision is defective.

Two weeks ago, the Tahoka schools received Keystone eye-testing equipment. Last week, 300 children in the first, second, and third grades were given careful tests using this equipment, and five percent of the children showed to have defective vision. Testing was done by teachers, but professional attention will be necessary to complete the tests and to recommend corrective measures.

Keystone eye-testing equipment for the local schools was made possible through a contribution of \$175.00 in cash by the Tahoka Lions Club and \$80.00 in cash from the old Tahoka "Appreciation Day" fund.

### CHILD INJURED IN BUS RELEASED BY HOSPITAL

Franklin Graves, 10, son of Mr. and Mrs. R. O. Graves, who underwent an abdominal operation at Tahoka Hospital Wednesday night of last week, was able to go home Wednesday of this week.

The child was injured when he fell or was thrown against the seat-back in front of him while riding a Tahoka school bus. His injuries were not critical, and he is recovering nicely.

### Second Well Is Being Finaled

Operators at the Magnolia Petroleum Co. No. 1 J. A. Timmons offset well this week were reported to be completing the well as a producer.

The well is said to be somewhat better and at a higher elevation than the discovery well, the Hassie Hunt Estate and Dan Auld No. 1 J. A. Timmons discovery well in the Tahoka-Pennsylvania field and located 600 feet north of the newest discovery.

Location has already been made for a third well west and south of the last on the Timmons land.

Casing will be set at 9,914 feet in the Magnolia hole, when the cement cures, and the casing will be perforated and the well finished.

The Magnolia producer is 600 feet from the south and east line of section 142, block 12, EL&RR survey, two miles west of Petty and three miles south and a little east of Lakeview, in northwestern Lynn county.

Mrs. J. M. Patterson of Redwine has been a patient in Tahoka Hospital since Tuesday suffering pneumonia. She was much better Wednesday.

### Seventy Seven Grade School Students Will Take Part In Thursday Program

Seventy members of Tahoka's Seventh Grade will move to the high school next year following class exercises which will be held in the high school auditorium next Thursday night at 8 o'clock.

The address will be given by Calloway Huffaker, special awards will be made by Principal Archie Sims, and Ivan McWhirter will present the diplomas. The invocation will be by Rev. Lee Ramsour and the benediction by Rev. Jim Sharp.

Special music, the class hymn and song, and the processional and recessional are under the direction of Mrs. Harold Green.

Mrs. Claude Donaldson and Ivan McWhirter are class sponsors.

Mary Helen Whitaker is the valedictorian, and James Adams, Jr., is the salutatorian.

Other class members are:

Glynn Bairrington, Lindell Bell, Helen Bentley, Janice Blair, Charlene Boswell, Jerry Lee Brown, Richard Brooks, Michael Browning, Terry Lavon Bryan, Jan Cagle, Lena Jeanette Cain, Margaret Cawthron; Kenneth Cox, Jo Ann Curry, Norman Dockery, John Draper, Nancy Draper, Vernell Dube, Bobby Fisher, Georgia Flint, Denver Ford, Joanne Gandy, Preston Hall, Mary Evelyn Hammonds, Raymond Haversten, Barbara Ann Jones, Mary Kirby;

Clarence Lindy, Lanny Lishman, John Mac Lowrey, Jan McElroy, Ronnie McGraw, Margaret McKee, Mary Lou McKee, Mary Ruth McWilliam, Dwayne McNeely, Imelda Ann Martin, Carole Nance June Philpot, Karl Prohl, John E. Redwine, Jerry Reed;

Steve Riddle, Doyle Roberts, Kenneth Roberts, Jerry Janice Smith, Lydia Soto, Patsy Stone, Gaylon Tekell, Margie Thornton, Gerald Deane Tippit, Glenda Tuley, Betty Vaughan, Marylon Joyce Voyles, Wanda Nell Ward, Donald Williams, and Lee Williams.

## School Bond Election Is Saturday

Saturday is election day in Tahoka Independent School District.

All taxpaying qualified voters in the district are urged to go to the polls, in the county court room, between the hours of 8 a. m. and 7 p. m. and vote their desires in regard to the proposed \$100,000 bond issue.

The issue is proposed for a number of projects to relieve the crowded rooms in Tahoka High School and the anticipated crowded condition in a year or two in the elementary schools.

If the voters approve, the board proposes to do some new building and to repair the deteriorating old high school.

These projects include:

1. The building of a new home-

making cottage. This would give the high school two additional classrooms. The department is badly overcrowded and unable to take care of all the girls desiring to take homemaking courses.

2. Build an addition to the Vocational Agriculture building. This department is also badly crowded, needs a shop for advanced classes. If more room can be provided, these courses may become available to more farm boys, and, too, a second teacher could be added whose salary would be paid by the State and Federal governments.

3. Replace much of the plumbing in the high school building.

Plumbing in the science laboratories, 27 years old, is eaten out and water from leaky pipes is

badly damaging rooms below.

4. Repair plumbing and heating equipment in the old elementary building and add some rest rooms for the gymnasium.

5. Surveys of enrollment trends show that enrollment is not only on the increase in the high school, but that the lower grades are also increasing in size. Right now, all elementary rooms are in use, but the addition of just a few students in each of the three or four lower grades would make more room imperative. When the new elementary building was erected two years ago, four rooms were dropped from the plans. If these bonds are voted, school authorities expect to have to build these four rooms in a couple of years. Voting of the bonds now,

before bond interest rates, now on the incline, go up further would be a saving to the district in the long run.

6. Other minor improvements are planned to buildings and grounds. With athletic department funds, some donations, and with just a little help from a bond fund the playgrounds can be improved, the football stadium enlarged, and some needed outside restrooms installed.

Under the present working of the new Gilmer-Aikin school laws, the Tahoka district would have to pay directly only about a third of the amount necessary to retire the \$100,000 bond issue, school authorities say.

Build, Buy, Live in Tahoka!

### GAMMA GLOBULIN

Now proved a preventive against pneumonia following polio, gamma globulin, a serum made from human blood, is being processed by the American Red Cross for use in expected polio outbreaks this year.

## High Winds Batter Powder-Dry West Texas Cotton-Raising Area

FORT WORTH, May 7. —High winds over a two-day period, tearing at powder-dry cotton lands and at range lands with little or no grass cover, have given farm and ranch lands over wide-spread West Texas areas their worst battering of the nearly ended wind erosion season. Blowing extended west to Yuma, Arizona.

Millions of acres of unprotected cotton lands, much of it freshly planted, were yielding soil to the wind and undergoing the added damage of sand accumulations in lister rows.

Reports received by Regional Director Louis P. Merrill of SCS said that farther to the west, range lands were suffering their worst damage in the memory of residents. Large range acreages were blowing for the first time.

In the Lower El Paso Valley irrigation sector, winds of more than 60 miles an hour had blown the soil from young cotton or cut tender stems with moving sand on the sandy soils.

Dust and sand cut visibility at many points to zero. Sandy lands and soils with high lime content were taking the worst beating in the area north and west of Big

Spring. SCS Area Conservationist W. S. Goodlett reported to Merrill. Goodlett predicted a sharp increase in acreages of moderate and severe soil damage Areas bearing the brunt of the wind damage included the Tahoka, Midland and Brownfield sections, he said.

Listed lands, which resisted the wind's force in recent months, no longer are able to stand up to the attack and are steadily breaking down, Goodlett said.

At Lubbock, SCS Area Conservationist Homer Taff reported nearly all dryland cotton fields in his area are blowing. Most stubble, which would have given protection against the wind's force, has been plowed in the preparation of land for cotton planting. Only hard lands in that section have escaped extensive damage, Taff added.

From Van Horn, Assistant Regional Director B. W. Allred, proceeding eastward from El Paso, reported that young cotton stands on sandy soils in the irrigated valley were being destroyed blowing. Highway traffic was forced to halt at times because of blowing dust and sand.

Allred reported that the almost bare range in that section has suffered its worst blow damage in more than 30 years.

"There is little or no grass cover on much of this land to prevent blowing," Allred said. "The wind has been lifting dust from the range into the air and whipping sand along at ground level."

Merrill said severe soil blowing can normally be expected to end about this time. However, with drought conditions still prevailing over much of western Texas and Oklahoma, unprotected soil is bound to blow so long as winds are active.

### METHODIST WSCS HOLDS MEETING

The Methodist Womens Society of Christian Service met Monday May 4, for regular monthly luncheon with 17 members present.

The president announced there will be no meeting Monday, May 11, but there will be the tea that we didn't have last week, on Wednesday, May 13. All are urged to come. Mrs. Cecil Mathews of Lubbock is to give a book review.

Mrs. V. F. Jones gave a very good devotional on "Mother."

Mrs. A. M. Bray gave a very impressive story on "Mother." — Reporter.

Mr. and Mrs. Hubert Dunagan of Randlett, Okla., and Mrs. Leona Everley of Missouri visited here Friday with Mr. and Mrs. A. L. Dunagan. Hubert Dunagan and Mrs. Everley are nephew and niece, respectively, of Mr. Dunagan.

See it first in The News.

UNDER THE WESTERN DESERT SUN, an Army armored-infantry tank battalion tactical maneuver staged at Camp Irwin, Calif.

## Sandstorms Are Among Worst

There have been worse sand storms than those which visited Lynn county and the Plains country all last week, but seldom, if ever, have there been four successive days such as Tuesday, Wednesday, Thursday, and Friday.

Undoubtedly, this was one of the longest blowing spells ever here.

Damage is reported from all parts of the county to the farm lands, irrigated, dry land, sandy, and tight land, with some land being damaged to a greater degree than other.

But, one citizen remarked that the sandstorms are great blessings to this country. If, he argues, there were no sandstorms here to make a part of each year disagreeable, people from other areas would flock to this country in such great numbers that present residents would be crowded out.

One thing is certain, the South Plains can look the worst and look the prettiest, promise less and give more than any place in the world. It's a great "come-back" country. There's little wrong that a good three inch rain wouldn't cure.

Speaking of rain, Tahoka has had only 1.96 inches of moisture during the first four months of 1953.

This came thusly: January 22, .03 inches of snow and mist; Feb-

ruary 23, 2 inches of snow, or .21 inch of moisture; March 1, .20 inch of rain; March 9, .70 inch of rain; April 5, .32 inch of rain, and April 9, .50.

### TWO CARS DAMAGED

Two cars were damaged in a minor collision Friday morning at the First National Bank corner, according to Police Chief L. N. Bartley.

Elvis Philpot, driving a 1950 Ford, backed into a 1949 Chevrolet driven by Ernestine C. Benitez. About \$100 in damages was done the rear end of the Ford, and about \$150 damages were inflicted on the right front of the Chevrolet.

Loamuh Harston, 14, son of Mr. and Mrs. Jerry Harston, was able to return home Saturday from St. Mary's Hospital, Lubbock, where he was a patient with intestinal flu. He hopes to be back in school next week.

**New Home Holds Pre-School Meet**

Parents and children were on hand in full strength standing in line at the door at New Home Wednesday morning at 9:00 a. m. for entrance in the pre-school orientation and registration program for the school year 1953-'54.

Supt. Jim F. Vaughn and Principal C. P. Martin brought greetings to the parents, and a handbook for parents was distributed. Mrs. Anna B. Odell, elementary supervisor, was introduced by Mr. Vaughn, and she talked to the parents of pre-school children on the four growths of children—physical, mental, social, and emotional.

A film was shown to both parents and children. Mrs. Clare Doak and Mrs. Virginia McCullough, primary teachers, assisted with the program. Lunch was served for all parents and children.

Parents will meet at 9 a. m. Wednesday, May 13, for further instruction in the readiness program for six-year olds.

In one recent year cancer caused the loss of 1,109,000 working years among Americans, according to estimates of the American Cancer Society.

Ammonium sulphate is plentiful supply and readily available and is recommended as a replacement for the scarce and higher priced ammonium nitrate. A 150 pound application of ammonium sulphate will add as much nitrogen to the soil as will a 100 pound application of ammonium nitrate.

Uncle Sam's women in uniform as well as his servicemen find USO club facilities come in mighty handy when they are off duty. Here three servicewomen check their "gear" with a USO volunteer. USO services are made possible by United Defense Fund which is seeking support through Red Feather and other united community campaigns.

FIGHTS FOR PREFERENTIAL PRIMARY

State Senator Jimmy Phillips of Angleton, in his office at Austin, looks at some of the thousands of letters, telegrams and petitions received from the people of Texas backing him in his proposal to let the people, through a preferential primary, choose the nominees for president and vice president instead of the present convention system used by both major political parties. His bill has passed the Senate and is now before the House of Representatives.

The Smith-Lever Bill was passed by the Federal Congress in 1914 which officially setup the Agricultural Extension Service on a national basis and made it a part of the Land-Grant College System.

A national cotton crop of 12 to 12.5 million bales is the goal set by the USDA for 1953. Such a crop will meet domestic and export demands and will leave a sufficiently large amount for reserves.

Agricultural producers can help avoid labor problems later by planning ahead for labor needs and by planting crops which will allow for a good distribution of the farm labor load.

When the diet is low in vitamin C, gums are tender and bleed easily, joints swell and hurt, and muscles weaken. In advanced stages, the disease called Scurvy results.

Lions Postpone Talent Show

The Talent Show announced last week by Tahoka Lions Club for this Friday and Saturday has been postponed, indefinitely, according to Roland W. (Slick) Clem.  
 Postponement was made necessary because of the fact that so many school students are now busy with school closing activities. The show will be put on later, Clem said.

LaFane Moore Weds Wayne Calloway

Miss LaFane Moore of Tahoka and Wayne Calloway of Brownfield were united in marriage at Roswell, New Mexico, on Saturday, May 2.  
 Following the ceremony, the couple went to Ruidoso for their wedding trip.  
 They will make their home in Brownfield.

Home-Makers At State Meeting

Mrs. Madeline Hegi, teacher of homemaking in the Tahoka High school and two of her students, JoAnn Fenton and Jane Shepherd, attended the State Home-makers Association meeting held in San Antonio last Friday and Saturday.

Mrs. Hegi's two sons, John and Fred, also went along to visit the Alamo city.

Dr. J. A. Hill of Canyon, former president of West Texas State College, now retired, spent Wednesday night and Thursday morning of last week here with his brother, E. I. Hill, and nephew, Frank Hill. He was en route to Midland, where he was to appear in an address Thursday night.

Mrs. Jack C. Goodman and children wired her parents, Rev. and Mrs. Jim Sharp, Tuesday that they had arrived in Honolulu, en route by air to Guam, where Lt. Jack Goodman is stationed with the Naval Air Force.

Mrs. B. C. Howell of Fort Worth arrived Sunday for a visit with her sisters, Mesdames W. V. McElroy and D. W. GaGignat.

**Miss Patsy Smith Will Be Honored At Drug Meeting**

Miss Patsy Ann Smith, who works part-time for Wynne Collier, Druggist, has been named one of the five finalists in the King Candy Company Queen contest being conducted at the West Texas Druggists Convention in Lubbock Thursday and Friday of this week. She was nominated by Mr. Collier.

Her picture will be on display at the convention, and druggists of West Texas will vote on the girl to represent this district in a state contest.

Patsy is the eldest daughter of Postmaster and Mrs. W. E. (Happy) Smith, and is a Senior in Tahoka High School.

**Jaycees Will Help Bloodmobile Unit**

Tahoka Jaycees at their Wednesday noon luncheon discussed plans for the rodeo they are sponsoring in Tahoka on Friday and Saturday, May 22 and 23.

They also agreed to help with the loading and unloading of the Red Cross Bloodmobile equipment at the Legion Hall on Tuesday, May 12.

A committee composed of A. V. Barnes, Wendell Moore, Pat Patterson, Granvel Ayer, and Melmes Wyatt was appointed to assist the Bloodmobile unit.

Mr. Willard Edgett, Tahoka High School band director, was a guest at the luncheon.

Tom Garrard, who recently suffered a light heart attack, was able to return to his home Tuesday of this week. He has been a patient at Tahoka Hospital nearly two weeks. He must remain in bed at least another week.

Mrs. Coy Fielder, who suffered a nervous breakdown last week, is reported to be improving. She was taken to a Lamesa hospital Thursday of last week, but was able to return home Tuesday of this week.

Mr. and Mrs. Charles Walden and children, formerly of Tahoka, have recently moved from Lubbock to Lamesa.

The Texas Conservation Home-maker of the Year is Mrs. E. V. Cook of Hudspeth county.

**COTTON QUIZ**

WHO PRODUCES THE MOST COTTON TEXTILES PER INHABITANT—THE UNITED STATES OR RUSSIA?

THE U.S. BY MORE THAN 5 TIMES! AMERICA PRODUCES 69 YARDS OF COTTON TEXTILES ANNUALLY PER INHABITANT, WHILE RUSSIA PRODUCES ONLY 11 YARDS PER INHABITANT.

**SENIORS WILL HOLD BAKE SALE SATURDAY**

A bake sale sponsored by the Senior Class of Tahoka High will be held Saturday in the Southwestern Public Service company building.

Cakes, pies, candy, and cookies will be available.

Mrs. W. B. Meeks left Wednesday for Los Angeles, California, to visit relatives and friends for about a month. She went with Dr. and Mrs. Carl Darby of Lubbock.

The family income depends on how well they use their land and labor for producing the things consumers want. Constant planning is needed to make the farm business profitable.

**Classified Ads TOO LATE TO CLASSIFY**

**FOR SALE**— 4-row Oliver "77" tractor, on butane, with 4-row lister and planter in A-1 shape. This tractor has listed and planted 320 acres two years and has been in the shed the rest of the time. Price, \$1,650.00.—J. R. Strain, 1 mile south of New Home. 32tc

**Band Places In Annual Contests**

Tahoka High School's 65-piece band, directed by Willard Edgett, made a good showing at the Region One Interscholastic League band festival in Plainview last Saturday.

The organization did not win top honors, but its performance was very good and the competition was keen.

Tahoka band won first division in marching and third division in both sight reading and concert playing.

Individual honors won by Tahoka students follow:

- Twirling trio: Tahoka, 2.
- Twirling solos: Wilma Scott, 1; Sue Williams, 1; Othelda Freeman, 2; Marianna McGinty, 2; Betty Phipps, 2.
- Clarinet: Gloria Best, 1; Marilyn Carmack, 2; Billy Jack Dunlap, 2; Jan Collier, 2.
- Baritone Horn: Milt Draper, 1.
- Bass Horn: T. D. Dunlap, 1.
- Oboe: Jerry King, 2.
- Student conducting: Paxton Hutchison, 2; Marianna McGinty, 2.

**Warning Issued Dog Poisoners**

The person or persons putting out dog poison in Tahoka is warned that such is a violation of the law and conviction may carry a fine of \$100.00, Chief L. N. Bartley states.

Those who are bothered by stray dogs or neighbors' dogs are asked to try to settle such matters amicably, and if this can't be done to consult the City Police.

Poisoning dogs not only takes away much-loved pets belonging to someone, but there is always the possibility of some child getting hold of the poison and then the person putting the poison out might be charged with murder, or negligent homicide.

Governor Dan Thornton, an outstanding Texas 4-H club member during the late 1920's, has made a contribution to the Texas 4-H Care and Share Program. Share and Care funds will be used in connection with the National 4-H Club Center in Washington.

**UNUSUAL PROFIT OPPORTUNITY**

For Farmers

Look at these U. S. average prices compared to a year ago.  
HOGS—\$10.00 more profit on a 200 pound hog. Corn prices lower. Purina Hog Chow down \$15 a ton or more.

EGGS—Prices highest on record for this time of year. Over 10c a dozen above last spring's price. Purina laying chows cost almost \$10 a ton less than last year.

CHICKS AND PULLETS—Fewer chicks started this year than last. Offer unusual profit opportunity for chicks started right now and fed right to get lots of eggs early next fall when prices are expected to be high.

BROILERS—Prices higher and Broiler Chow price is down.

WE HAVE STARTED CHICKS—UP TO 3 WEEKS OLD COCKERELS, PULLETS, AND STRAIGHT RUNS.

ALSO—TURKEY POUTS AND DUCKLINGS.

See Us RIGHT NOW For—

# GOOD HEALTH

### Answer to Question No. 1:

The term is applied to that method by which a hospital and physician receive payment for hospital services not from the patient himself but from an organization such as non-profit health insurance groups (Blue Cross), commercial insurance companies, industrial plans, cooperatives, or government agencies.

### Answer to Question No. 2:

Before babies are a month old, they are often given, on the advice of a doctor, some form of vitamin D, the sunshine vitamin. Premature babies especially need extra vitamin D since they may not have inherited much from

their mothers and because they grow so fast. Many doctors give babies vitamin C in the form of orange juice before they are a month old. Medical science's discovery of the importance of vitamins is one of the outstanding health contributions of the 20th century.

### Answer to Question No. 3:

In a study of 7700 pupils it was discovered that the common cold was the cause of one-third of all absences. Most persons have one or two colds a year, but some average four or more. In case of frequent colds, it is advisable to consult your physician.

(Copyright 1953 by Health Information Foundation)

Mr. and Mrs. H. B. McCord, Jr., and son, Jimmy, left Sunday for Memphis, Tenn., to visit ten days with Mrs. McCord's mother, Mrs. C. L. Powell, and sister, Peggy.

### Rev. McCollom Is Speaker At Draw

Rev. Gerald McCollom, district superintendent of the Wichita Falls District, North Texas Conference of the Methodist Church, filled the pulpit at Draw Methodist Church Sunday morning, according to Silas Dixon, pastor.

Rev. McCollom is a former resident of Draw, and his wife is a sister of Weldon and J. D. (Buck) Martin of that community.

Mrs. Tommie Montfort of Canyon and Mrs. Annie Laurie Mathews of Wilson recently visited their old friends, Mr. and Mrs. A. L. Dunagan, in Tahoka. Mrs. Montfort is a teacher in West Texas State College, and Mrs. Mathews is a teacher in the Wilson schools.

Under the same conditions, the plants, stands and the yield and quality of hybrid corn produced from medium sized flat or round seed is just as good as from the large flat planting seed. The smaller seed cost less money because more land can be planted from a bushel of seed.

Congratulations—SENIORS

We hope you the best in life and may you succeed in your undertakings.

WESTSIDE GROCERY

## Elementary School Softball Teams Close Very Successful Season of Play

The Tahoka Elementary School has just closed a fairly successful softball season.

Prior to April 30, the following grades had the following record: Sixth grade girls had won one and lost two games; Sixth grade boys had won four and lost one; the Seventh grade girls had a record of three won and one lost, while the Seventh grade boys had the same record as the Sixth grade boys, four won and one lost. Teams played were New Home Wilson, and Brownfield.

The teams probably hit their peak when they played their last games of the season against K. Carter school of Lubbock Thursday afternoon, April 30. The coaches at K. Carter wished to combine both grades in both boys and girls into one team of each. This was done, with Tahoka Sixth and Seventh girls defeating the K. Carter team 19 to 12.

The K. Carter boys team was undefeated in play for the entire year until this game. In fact, they had averaged 35 scores per game while holding their opponents to about a three point average. But, Tahoka's Sixth and Seventh grade boys, behind the pitching of John Lenhard, defeated K. Carter boys 15 to 10. Home runs in this game were hit by Preston Hall, Michael Brown, and Jerry Brown, all of Tahoka.

Following is the roster of each Tahoka team and positions:

Sixth grade girls: Donna Howell, catcher; Lahrea Greathouse, pitcher; Peggy Halamicek, first base; Shirley Lambert, second base; Carolyn Hall, third base; Jean Autry, short stop; Marie Potts, left field; Shirley Reich, center field; and Irma Marez, right field, substitutes, Zeldia Gilbreath, Jolene Sikes, and Betty Sessums.

Sixth grade boys: Vergle Hicks, c.; John Lenard, p.; Carlos McClesky, 1b; Rudy Chappa, 2b; Polo Cazares, 3b; Bobby Murray, ss.; Carrol Holley, lf.; Don Young,

cf.; Marce Madrid, rf.; substitutes Cecil Hammonds, Bobby Jones, Ray Arnold, Tommy Dunlap.

Seventh grade girls: Barbara Jones, c.; Joanne Gandy, p.; Geraldine Tippit, 1b.; Betty Vaughn, 2b.; Helen Bentley, 3b.; Sue Tomlinson, ss.; Reba Cook, lf.; Jeanette Cain, cf.; Mary H. Whitaker, rf.; substitutes, Imelda Martin, Mary Lou and Margaret Sue McKee, Georgia Flint, Joann Curry.

Seventh grade boys: Denver Ford, c.; Ronnie McGrew, p.; Preston Hall, 1b.; Jerry Brown, 2b.; Michael Browning, 3b.; Karl Prohl, ss.; Lyndell Wood, lf.; Richard Brooks, cf.; and Jan Cagle, rf.; substitutes, Kenneth Cox, Gaylon Tekell, Lanny Lishman, and Glen Fleming.

Teachers who were helpful in coaching these teams were Mrs.

WASHINGTON AND  
**"SMALL BUSINESS"**  
By C. WILSON HARDER

The campaign to repeal U. S. tariff laws to permit a flood of cheap foreign imports takes on more and more an Alice in Wonderland aspect.

Proponents of tariff repeals keep repeating that U. S. tariff laws are the only obstacle in the way of a world-wide prosperity through world-wide free trade.

Shortly, both Britishers and Canadians before Westminster Abbey will voice a common enthusiasm by joining in the traditional "God Save the Queen."

And while they have not set the words to music, the Englishman and his Canadian cousin will also be chanting sotto voce "Let's keep up our splendid trade between us, as long as Yankee taxpayers foot the bill."

Anyone wishing to see the silliness behind the drive to build world prosperity by scuttling U. S. tariffs, needs only to look at records of Mutual Security Agency which succeeded Marshall Plan as the open-hearted giver of U. S. tax dollars to Europe.

Here is just one example that happened in the space of 33 days. English industry needs metals and oil. Her dominion, Canada, and possession Trinidad produces these items. Seemingly, it is a simple matter for the members of one family to sit down and work out an agreement to trade.

But that desire to buy and sell was not solved in this classic manner.

Instead, MSA allocated \$52-

140,000 to buy non-ferrous metals such as lead, zinc, and aluminum in Canada, and oil in Trinidad, to be shipped to England.

Undoubtedly, in time these figures will appear in published reports as an example of growing trade between England and her dominions and possessions. But one point will be neglected.

That point will be this trade was only made possible by U. S. paying the bill.

Similar arrangements are completed practically every day.

And almost every day England cries the world cannot exist without free trade, and that free trade cannot exist with U. S. tariff laws protecting the American market.

England has yet to demonstrate that it can work out any free trade arrangements within her own family.

Yet, despite the published facts, a veil of secrecy appears over them in Washington. Congress must take some action on tariff matters by June 30, yet no one in Congress has arisen to point out the fallacy of free trade as illustrated by the trade relations in the British Empire.

There is some thought that fear accounts for failure to bring out these facts.

It is known that England traded with Red China, even after Korea started. Some feel there is a possibility timidity exists about even starting an exploration of the subject, for fear it will start a chain reaction leading to disclosures that American taxpayers paid for raw materials from British dominions which England fabricated into materials used by the Reds in Korea to kill American troops, thus presenting U. S. public with the major shock of the century.

**Girls, Dr. Hill On Rotary Program**

A group of Tahoka High home-making girls presented the main number on the program at the Rotary Club Thursday noon of last week.

Jerry Aldridge, one of the students, told something of the work done in the department this year, and then five girls modeled some of the clothing they have made this year. Girls modeling were Martha Prohl, Marcene Reisdorph, Bobby Carroll, Kathryn Walker and Mary Alice Roberts.

Dr. J. A. Hill, president-emeritus of West Texas State College, Canyon, was a visitor and President Tom Gill called on him for a talk. Dr. Hill told some of the background of the new District Governor of the 183rd Rotary district, Herchell Coffee of Canyon, and also told something of what Rotary and making up his attendance at clubs over the nation had meant to him.

Work, live and drive safely today so that you can be back on the job tomorrow. The Texas Farm and Ranch Safety Committee also points out that the stepped up tempo of farm and ranch activities means more chances for fatal and crippling injuries will be present from here on through the harvest season. Your safety is your problem.

**Approaching Marriage of Miss Haney To John W. Wells Is Announced At Tea Here**

Mr. and Mrs. L. C. Haney have announced the approaching marriage of their daughter, Frances Marion, to Mr. John W. Wells of Tahoka. The engagement was announced Tuesday, when Mrs. Haney entertained with a tea in her home. In the receiving line were Mrs. Haney, the bride-elect, and Mrs. R. C. Wells, Sr.

The house was decorated with beautiful yellow, blue, and white iris blossoms and/or get-me-nots, grown in Mrs. Haney's garden. Refreshments were served from a table laid with a linen and lace cloth and centered with a frosted mirror rimmed with dainty blue flowers. A figurine skater had spelled out the words "Bitsie and Johnny, May 27." The other appointments were a silver service and a low bowl of white iris.

Members of the house party were: Mrs. J. W. Fenton, Mrs. Oscar Roberts, Mrs. Eldon Carroll, and Mrs. R. C. Wells, Jr.

Ninety-three guests called. Those from out-of-town were Mrs. Abbie Rutherford, Abilene; Mrs. G. H. Nelson, Mrs. Tom Ireland, and Elizabeth Heather of Lubbock; Mrs. Bobbie Field and Sarah K. Field of Broncho; Mrs. F. E. Calvary of Florey; Mmes. Hark Haney, Russell Haney, Barna Haney; Misses Nona Beth Haney and Judy Garland of Roscoe.

The wedding is scheduled to take place at high noon, May 27, at the bride's home.

**SILVER TEA WILL BE HELD AT M. E. CHURCH**

The public is cordially invited to attend a Silver Tea in the Tahoka First Methodist Church next Wednesday, May 13, at 4 p. m. The tea was postponed from last Wednesday.

Mrs. Cecil Mathews of Lubbock will review the book, "To Heaven on Horseback." We hope to see all our friends there.

The WSCS luncheon was enjoyed by a goodly number Monday. An interesting program was presented, and a short business session was held at which new officers were elected for the coming year. —Reporter.

Careless application, poor atmospheric conditions at the time of painting and too much moisture are listed as the three main reasons why many paint jobs deteriorate too rapidly.

Death losses on the range can be prevented, during the early spring when poisonous plants commence growing, through the use of good range management practices.

**Success to our Grads!**

They wear the same cap and gown... but beneath it all each graduate is different from the next. May they all find this proud occasion a gateway to success in their chosen fields.

### McMahan Completes Work At Wayland

PLAINVIEW, May 7. —Laylan McMahan, son of Mrs. S. A. Fleming of Post, Rt. 2, is a candidate for B. S. degree in music at Wayland College, May 25.

As president of the senior class, McMahan has had a big part in planning for commencement exercises which include the baccalaureate sermon, May 24, by Rev. Grady Wilson of the Billy Graham Evangelistic team and the commencement address at 8 p. m. Monday, by the Rev. Cliff Barrows of the Graham team.

After graduation, McMahan plans to enter Southwestern Seminary at Fort Worth where he will continue the study of sacred music in preparation for work as a music and educational director. He recently resigned as Education Director at Temple Baptist Church in Amarillo and prior to going there, he was music and education director at Woodrow Baptist Church near Lubbock.

Although he lives off the campus and is out of town on week ends, he has become a favorite among the student body. McMahan is the only remaining charter member of the widely traveled International Choir, of which he

### Betty Huddleston And James Foster Will Wed Soon

Mr. and Mrs. W. J. (Jeff) Huddleston are announcing the engagement and approaching marriage of their daughter, Betty, to James Foster, son of Mr. and Mrs. I. L. Foster of Wayside.

The ceremony will be read in the Church of Christ at Post by J. C. Eubanks, minister, at 8 p. m. Friday, May 22. A reception will follow in the home of Mrs. Ray Young in Post.

Both are 1952 graduates of Tahoka High School.

Friends of the couple are invited to the ceremony.

#### CARD OF THANKS

We wish to thank our friends for the flowers, cards, visits and acts of kindness while Mr. Garrard was confined to the hospital. Your thoughtfulness is sincerely appreciated. —Mr. and Mrs. Tom Garrard.

has been president and vice president, and sings bass with the "Internationals," a unit in the choir.

A Clean City Is A Safe City!

### Cleaning School Instructors Visit Ayer-Way Cleaners

Miss Bethel Fox, the special spotting instructor, and Mr. C. A. Barr, the pre-spotting and dry cleaning instructor, visited Granvel Ayer and Oscar Follis of Ayer Way Cleaners recently to further instruct them and to examine their workmanship.

Granvel and Oscar were well pleased with the compliments these instructors paid them during their visit. Not only were the cleaning process and plant commended, but also the fine quality of cleaning and finishing.

Oscar and Granvel have been attending the Cleaning School in Lubbock sponsored by the University of Texas. During the 30-day school, they received certificates for the total of 47½ hours of instruction. With this additional instruction, added to 18 years of experience, Granvel says he is sure that his cleaning plant can and will give better cleaning and pressing service in the future.

Included in the cleaning courses were manuals containing information on 24 different materials that are on the market now, or that soon will be, and are listed by the University of Texas as "borderline of unserviceable" materials both to wear and to dry clean. These manuals, and the instructions for cleaning these materials, are kept at the Ayer Way Cleaners both to use and to furnish information to those wishing to purchase new clothing in the future. You are welcome to consult this information at any time.

As an additional service, the Ayer Way Cleaners size all cotton, chambray and linen dresses and blouses. This process restores the original body and lustre of new materials.

For the finest cleaning, the Ayer Way Cleaners solicit your patronage.

### Miss Frances Martin, Charles Brookshire Are Married In Ceremony at Draw Sunday

In a double ring ceremony read Sunday night in the home of Mr. and Mrs. J. W. Martin of Draw, Miss Frances Martin became the bride of Charles Brookshire.

The candlelight service was read by Rev. Silas Dixon, Methodist pastor at Draw, assisted by Rev. G. P. McCollom, Methodist District Superintendent of Wichita Falls and an uncle of the bride, before an arch arrangement of greenery and peach gladioli flanked by candelabra.

Mr. and Mrs. J. D. Martin of Draw are parents of the bride. The bridegroom is the son of Mr. and Mrs. W. G. Brookshire of Grassland.

Mrs. Mary Gene Holloway sang "Ah, Sweet Mystery of Life" and "Always." She was accompanied at the piano by Mrs. Silas Dixon, who also played traditional wedding music preceding the ceremony and during the reception.

Given in marriage by her father, the bride wore a wedding gown of white nylon tulle over satin. Designed with portrait neckline outlined with applique of embroidered Swiss organdy dotted with sequins, the fitted bodice had long sleeves ending in points over the hands and deep point with tiny peplum of embroidered organdy accenting the waist line. From this, stemmed a voluminous skirt with shirred fullness, layers of tulle over sat in swept into a short chapel train at back, and crinoline was worn underneath to emphasize fullness. Her veil of nylon tulle was held by a braided tiara and embellished across with bridal wreath. She carried a bouquet of cascade arrangement of stephanotis and lace.

Miss Joyce Weaver, maid of honor, wore a long dress of brown tulle over yellow taffeta. She carried a colonial bouquet of yellow Dutch iris with brown maline.

Leah Beth Holloway and Janie Barnes were flower girls. Candles were lighted by Anna Lee and Jim Bob Biggerstaff.

Benny Brookshire served his brother as best man.

Ushers were Dan Martin, brother of the bride, and Wayne Martin, cousin of the bride.

A reception in the home followed the ceremony. The table was laid with lace over pink, centered with a white opened Bible wedding cake, with candela bra and peach gladioli. At the table were Misses Alice Ann and Genevieve Self of Lubbock, and Janelle Martin, all cousins of the bride, and Elwanda Stalcup.

For a short wedding trip, the bride chose a light brown suit with white accessories. Her corsage was feathered yellow carnations. The couple will be at home in Tahoka after May 8.

The bride is employed at Forester Insurance Agency, and the bridegroom is engaged in farming. Both are graduates of Tahoka High School.

Storage, on and off the farm is an aid to orderly marketing and farmers should plan and construct storage facilities if needed. Plenty of storage facilities on the farm also permit the holding of reserve feed grain and forage for drought periods or other times when supplemental feeding of farm and ranch livestock becomes necessary.

### PYTHIAN SISTERS HOLD MOTHER'S DAY PROGRAM

The Pythian Sisters of Lynn Temple No. 45 met Tuesday night, May 5, at 8:00 o'clock. Roll call was made and all officers were at their stations.

The secretary read the 12th monthly letter from the Grand Chief, Katie Lou Ashley, concerning Grand Temple to be held at Beaumont on June 14, 15, 16. Ballot was taken on one name for membership.

The highlight of the meeting was the attendance contest Novis' side won over Glenda's 84-79, over a period of four meetings. Glenda's side presented a pretty little love gift to everyone on Novis' side.

Our Temple Mother, Fannie Lee Server, was honored and presented with a love gift. After the meeting, a Mother's Day program was presented which consisted of the song, "Mother," sung by Avis Buchanan, Jessie Jewel Stevens and Etta Patter son. A reading was given by Thelma Oliver.

Later, Glenda's team presented

an interesting skit and Jo Belle Robinson read a poem written for Glenda Dunagan entitled, "Me Mudder."

Refreshments of frosted cokes and Hi-Ho crackers with peanut butter, were served to the 53 members present. The hostesses were: Helen Ellis, Jessie Jewel Stevens, Gerry Renfro, and Dixie Payne.

The next meeting, May 19, at 8:00 p. m., will be initiation, and everyone is urged to attend even

We're all behind you, and are hoping each Senior a successful life.

**City Hall, Pool Work Progresses**

Work is progressing on schedule on the City of Tahoka's new city hall, swimming pool, and park projects.

Foundation for the city hall was completed this week, and brick and other materials for the structure are arriving.

Major portion of the concrete work on the swimming pool has been completed. The pool is located in the newly acquired 11-acre City Park in south Tahoka.

Mayor E. R. Edwards states that two changes have been made in the general plans of the pool layout.

The wading pool is being enlarged to 12 by 24 feet in size, and will range in depth from six inches to two feet. The swimming pool will range from three to ten feet in depth.

The bath and concessions house will be built south of the pool instead of east of it as originally planned.

City employees are presently engaged in developing the east half of the park site. The ground has been plowed and leveled, and trees and grass have already been planted.

Civic organizations of the town are being invited to take over some part of the park for development of picnic units, children's playground, croquet courts, tennis courts, softball field, or similar projects.

**Bray Baseball Team Is Loser**

The Roosevelt junior baseball team defeated the Bray Chevrolet team at the local park here in an exhibition game Sunday, May 3, 10-2.

Glen Webb (1-0) hurled for Roosevelt, getting credit for the win. Madrid (0-1) was tagged for the loss for Bray Chevrolet. Webb had twenty-one strikeouts while Madrid got credit for sixteen.

Gene Webb, catcher for Roosevelt, paced his home team's hitting attack.

The game between Bill Strange Motors and Southland was postponed.

Sunday, May 10, Bill Strange Motors will play Wilson here at the local park.

Also on Sunday, Bray Chevrolet will play a return game with Roosevelt. Game time is 2:30.

A Lynn County Junior League meeting was held Monday night at the school. League play will start Sunday, May 17. Six teams have entered in the league play this year. They are as follows: Bray Chevrolet, Bill Strange Motors, Slaton, Wilson, and Roosevelt.

The public is invited and urged to back their these teams.

**Congratulations:**

Mr. and Mrs. C. L. Collins on the birth of a son weighing 8 lbs. 8 ozs at Tahoka Hospital on Saturday at 12:09 p. m. He has been named Richard Lee.

Mr. and Mrs. Joe Robinson, route 5, on birth of a son weighing 6 pounds 4 ounces at 9:20 p. m. Tuesday in Lubbock Memorial hospital. The father is a rancher.

Mr. and Mrs. W. O. Burris route 4, on birth of a son weighing 6 pounds 13 ounces at 7:06 p. m. Tuesday in Lubbock Memorial hospital. The father is a ginmer.

Mr. and Mrs. Trinidad Gonzales on the birth of a son weighing 6 pounds 12 ounces at Tahoka Hospital at 1:02 p. m. Tuesday.

**CARL BONHAM DIES**  
Carl Bonham of Seagraves, father of Lewis Bonham of Draw, died Monday night from a heart ailment.

He had been in ill health for a long time.

During the past two years, approximately one million acres of mesquite in Texas has been sprayed with chemicals. Results have generally been good.

Best Wishes  
SENIORS of  
1953

CHANCY & SON

**Wayland Choir Returns Monday**

By popular demand, the Wayland International Choir, which presented a concert at the First Baptist Church here on April 22, has been engaged for a return appearance on Monday evening, May 11, at 8 o'clock.

The program will be of a similar nature as that given here before but will have some additional features.

There will be no services at the Baptist Church Sunday evening, as this is the time set for the Tahoka High School Senior class sermon.

**Rodeo . . .**

(Cont'd. from Page 1)  
of top cowboys lined up for the show.

Three prizes are being offered the Sheriff's posse appearing at the rodeo parade. First place will take home a beautiful trophy second a silver cup, and third a plaque.

The Jaycees have been busy repairing the rodeo pens, lighting, concession stands, and a lot of bleachers are being installed for the event. Also, mesquites are being grubbed to increase the parking area.

Three gates will be available this year for customers to get in and out of the grounds more quickly. There will also be a gate for riders, Sheriff's posse, and other participants in rodeo ceremonies. Jaycee-Ettes will assist the Jaycees with the concessions, at the gates, and in other ways.

Rodeo headquarters will be established in the building next door south of Lewis Electric across from the Keltner Hotel on Sweet (J) street.

Everything indicates that the Jaycees will have a great rodeo show this year, for the entertainment of the people of Lynn county and the surrounding area.

wright and son, Gary, of Crane, visited Mrs. Cartwright's sister Mrs. G. T. Gaineau, Friday.

Mr. and Mrs. Sam Kirbie, Sr., were in Lubbock Saturday.

Rev. and Mrs. Douglas Gossett, Mrs. Robert Lamb, Mrs. Luke Coleman, and Miss Marce Dean Swope, were in Brownfield Tuesday to attend a vacation Bible school institute.

Mr. and Mrs. Fred Brannon received word Saturday of the death of Mr. Brannon's brother, Ben Brannon, of Indian Gap. At the time of his death Mr. Brannon was staying with his children in Brownfield, where he had been since becoming ill in January. Mr. and Mrs. Fred Brannon and son, Irvin, attended funeral services in Brownfield Monday afternoon. The body was taken to Indian Gap for burial Tuesday. Mrs. Ben Brannon is also considered on the critical list after a several month's illness.

Mr. H. C. Fountain and Mr. Ed Crowder spent the week end in Gatesville with their cousins, Mr. and Mrs. "Doc" Smith and Mrs. Ethel Bruce. Mr. Smith has been bedfast the past few years, a victim of paralysis. On the way to Gatesville, Mrs. Fountain and Mr. Crowder stopped at Rising Star where they were lunch guests of Mr. and Mrs. Everett Harris.

Walter Savell and Claude Coleman spent the week end in Del Rio.

Mr. and Mrs. Doyle Chiles of Lamesa were guests of Mr. and Mrs. Luke Coleman Saturday.

Mr. and Mrs. Raymond Gatzki of Gordon were lunch guests of Mr. Gatzki's brother and sister-in-law, Mr. and Mrs. Sam Gatzki, Sunday.

Mr. and Mrs. Wayne Kinney and daughter of Slaton visited Mr. and Mrs. Arvan Holder Sunday night.

Staff Sgt. Blake Gregston left Thursday night for Ft. Bennington, Ga., on business for the Army.

Rev. and Mrs. J. A. Martin left Sunday for Houston to attend the Southern Baptist Convention. During Rev. Martin's absence, his brother, Rev. Gary Martin, will fill the pulpit at Wilson Sunday. The J. A. Martins expect to be gone about a week.

Mmes. Lonnie Lumsden, Pat Campbell, Willa Wakeland; Mr. and Mrs. John Gayle and Miss Gladys Kirtley went to Plainview Sunday afternoon to hear Patricia Smith, who is graduating from Wayland this spring, present as her speech recital, "The Bomb that Fell on Hiroshima." Patricia, who is a Wilson High School graduate, is the daughter of Mr. and Mrs. A. H. Smith of Ackerly. Mr. Smith formerly taught agriculture at Wilson.

Pat and Jasper Campbell returned Thursday after a several days' stay in Blum with their father, who is ill. They report that their father's condition is about the same.

Mr. and Mrs. A. J. Mutehler arrived Wednesday from Sinton for a few days visit with their son-in-law and daughter, Mr. and Mrs. Orville Maeker. They returned home Monday.

Herman Wuensche has moved a house to Wilson.

Claude Phillips of Smyer was a Wilson visitor Saturday.

Mr. and Mrs. Elmer Rice have had as recent guests, their son-in-law and daughter, Mr. and Mrs. Bob Sanders of Abilene. Mrs. Rice's brother, R. M. Middleton of O'Donnell, and Mrs. Kitty McCracken of Tahoka.

Hugo Wuensche was shopping in Slaton Saturday.

Mrs. Ira Clary has been ill for the past several days and was in (Cont'd. On Back Page, Sec. 2)

## Eight Lynn County Students In Texas Tech Will Receive Degrees

Eight students from Lynn county, five of them from Tahoka, will receive their diplomas of graduation from Texas Tech at commencement exercises on May 25.

Lewis D. Crusoe, vice president of Ford Motor Company, will deliver the address, and the baccalaureate sermon will be on the preceding day, May 24, delivered by Dr. Granville T. Walker, minister of the University of Christian Church of Fort Worth.

Lynn county students scheduled for graduation are:

Robert D. Adamson, Tahoka, B. S. degree in Agricultural Education.

Jimmie Dumas Small, Tahoka, B. S. degree in Agronomy.

Thomas Williams Crouch, Tahoka, B. A. degree in Government.

Charles Lester Dollins, Tahoka, B. A. degree in Government.

Francis Allyne Wuensche, Wilson, B. A. degree in Zoology.

C. R. (Buddy) Brock, O'Donnell, B. S. degree in Physical Education.

Peggy Helen Etter, O'Donnell, B. S. degree in Elementary Education.

Jan Edwards, Tahoka, B. S. degree in Home Economics.

J. R. Cash, 24, was inducted into the Army last week. It was not known where he will be stationed.

## MILLMAN CHILDREN VISIT THEIR PARENTS

Three children and their families last week end enjoyed a visit here in the parental J. F. Millman home.

The aged Mr. Millman has been ill and doing none too well of late, but Mrs. Millman says they all greatly enjoyed the reunion.

Among those present were: Mrs. A. J. Taylor of Abilene; Mr. and Mrs. Geo. O. Millman and daughter, Jane, of Odessa; and Mr. and Mrs. Odean Millman and son, Ronny, and niece, Linda, all of Lubbock.

The Millmans are pioneer citizens of Lynn county.

## DR. DURHAM ATTENDS DENTAL CONVENTION

Dr. and Mrs. K. R. Durham left Thursday for Houston, where they are spending a week attending a clinic and the Texas State Dental Society being held at the Shamrock Hotel.

Dr. Durham will also attend the 25th reunion of the Class of 1928 of Baylor University School of Dentistry.

## BROWN COUNTY REUNION

The annual reunion of former Brown county residents will be held in the northeast part of Mackenzie State Park, Lubbock, Sunday, May 17, beginning at 10:30 a. m., according to Ora Ellis, secretary.

All are urged to come and bring a basket lunch. Mrs. J. A. Wheeler of Hart is president of the reunion.

# Odds AND Ends

(BY E. I. THE ELDER)

Newspaper men and women are about the most modest class of individuals running loose. They rarely ever mention themselves in their own newspapers, columnists excluded, and they usually have very little to say about the press meetings that they hold regularly at stated intervals. The South Plains Press Association had its regular annual meeting in the Caprock Hotel in Lubbock last Friday and Saturday. Frank and I of The Lynn County News both attended, and I am going to put out this week a little propaganda in behalf of this association and of newspaper people generally. Somebody has said something like this: That a doctor buries his mistakes, a minister gets forgiveness for his, a lawyer argues his out of existence, but a newspaper man prints his and proclaims them to all the

**USE YOUR BRAKES AND GIVE OUR KIDS A BREAK**

world. If he mis-spells somebody's name, or tells something in a news item that some fellow or even some good sister didn't want to get into the paper, or if he gives the wrong price for a head of cabbage in a merchant's advertisement the editor certainly gets told.

I am talking generally, folks not about myself or this news paper. For I must say that the people of Lynn county have been very kind and charitable to us who publish The Lynn County News, in the matter of criticisms. We have far more compliments than we deserve, and we appreciate them.

But it is difficult for newspaper people to keep errors out of the paper, both errors as to facts and typographical errors.

Well, the program committee of the South Plains Press Association decided that it would permit and invite the critics of the newspapers to have their "say" at the meeting in Lubbock last week, giving them the privilege, as it were, of holding a mirror up before the eyes of the newspaper folks, as the lady on the Resolutions Committee expressed it, so that they might see themselves as others see them. That was possibly the most interesting and enjoyable feature of the entire meet but it was staged in the afternoon of that first day and there are some other matters we desire to mention before we go into that. We mention it here just to show that newspaper folks are anxious to learn their own defects so that they may improve their service to the public and to emphasize the fact, as I believe, that they are one of the most unselfish and high-minded classes of people in our entire citizenship. Of course there are exceptions to the rule. There are some crooks, some fanatics, some ignoramuses, some cheats, some demagogues, some mis-fits, some money-mad misers who are likely to short-pot you at every opportunity; but I have found that the vast majority of newspaper folks have high ideals and high standards with an honest purpose to be of the greatest service possible to their towns and communities, their subscribers, their churches and schools, and their country generally. I do not know of any classes of our citizenship who have higher goals and ideals except probably the ministers and the school teachers. Some of the newspaper people have faults which I wish they would eliminate, but I am sure that I also have faults which many of them also wish that I would eliminate. But on the whole these newspaper boys and gals are a pretty fine set of people. I am rather proud of them. So, folks, when you feel like criticizing one of them, offer sympathetic and constructive criticism. Praise them as well as prod them now and then.

Now I want to put out a little propaganda to be consumed by the newspaper folks themselves. Truth, properly presented, is usually the very best kind of propa-

paganda, and I think I am telling the truth when I say that in spite of high winds and dust storms and other hindrances the meeting last Friday and Saturday was one of the best we have had in the history of our organization. You who were not there missed something both enjoyable and valuable.

The session was opened in the usual way. After invocation offered by the pastor of the First Presbyterian Church of Lubbock, and a welcome address by the President of the Lubbock Chamber of Commerce, to which Allen Hodges, publisher of the Littlefield County-Wide News, responded briefly, Charles Fischer of the Clovis News Journal, as President of the S. P. Press Association, delivered the annual address, which was a very thoughtful and thought-provoking deliverance. So now the Association was open and ready to turn on the steam in full blast. J. R. Spencer, circulation manager of the Clovis News Journal, turned on the steam by discussing the matter of "Circulation Building," mentioning many ways in which it could be built. And that is a matter of concern to every newspaper publisher.

The noon lunch was served by the Lubbock Chamber of Commerce—and was enjoyed by a larger crowd than was expected, weather considered. The Chamber of Commerce also presented a local magician, E. Y. Gibbs, who entertained for a half hour or more with a program of the most marvelous, mystical, magical magic one ever saw even at a carnival or a circus. Gibbs, by the way, is a contractor, and is the man who is building a house of worship here in Tahoka for the Pleasant Grove Baptist Church, colored. He knows all the ropes; yes, and all the knots too, and how to tie and un-tie them. He's a wonder.

Back to the discussions, Jack O. Stone, advertising manager for one of Lubbock's leading food stores, used thirty minutes in telling what his store managers expect their advertising to bring in. He wants it to bring in what every advertising merchant wants of course, more business and profits. He confessed to a little selfishness, also, in being willing to accept every little advantage that the publisher could be induced to give him. He expressed the positive belief, however, that newspapers constitute the No. 1 medium through which advertising may be done.

A whole hour had been allotted to the panel of five individuals representing as many different interests for the discussion of the general theme, "What is

Wrong with the Newspapers?" They held up the mirror before the eyes of the members of the newspaper gang, in other words, so that the gang might see themselves as others see them. We could not begin to remember all the faults or alleged faults that they pointed out, but our readers might like to hear just a few of them. Let us say that the critics were amply justified in making many of their charges but were clean off their base in making some others. Many of the criticisms of the newspapers, which one frequently hears are due to a lack of information or understanding of the problems and difficulties involved in the business of running a printing and publishing establishment.

The five members constituting the panel of critics were as follows: Jim Collins of the Southwestern Public Service Company, utility executive; Mancil Hall, Littlefield business man; Ross A. Buckner, Seagraves school superintendent; Mrs. Seay, an Andrews housewife; and Dr. Travis White, Minister of the First Christian Church of Lubbock, who was erroneously listed as being from the First Presbyterian Church of Lubbock.

The two business men listed above, Jim Collins and Mancil Hall, were rather conservative in their criticisms and some of their criticisms were well-taken. Mr. Collins, as I remember his remarks, thought that most papers gave too scant publicity to public utility events, meetings, improvements, etc. Frequently public utility events of great importance to the people are scarcely noticed in the news columns, he

contended. He thought they were due more publicity than they ordinarily get.

At the moment I do not recall the criticisms offered by the Littlefield business man, Mancil Hall, but I think he offered no radical criticisms.

Superintendent Buckner of Seagraves had some very positive convictions about the rights and the policies of newspapers.

He was for the freedom of the press as long as the press was right. But when the press got wrong—especially as pertaining to communism and subversive activities, its freedom should be curtailed. He scouted at the idea of "Academic Freedom" on the part of college professors to

# PRICE! PERFORMANCE! BEAUTY! LONG LIFE!

4-Way Proof that Dollar for Dollar you can't beat a Pontiac

Here's how to prove Pontiac value:  
First, get behind the wheel and drive it—see how Pontiac puts you out in front in traffic, skims you along the open road with surprising economy; how its big, husky high-compression engine provides power to spare.  
Next, take a good long look at its distinctive styling and its luxurious color-matched interiors.  
Consider, also, Pontiac's reputation for unsurpassed dependability, long-range economy and high resale value.  
Finally, compare its low price—so low, in fact, that if you can afford any new car you can afford a Pontiac. Why not come in and see for yourself?

## Odds & Ends

(Continued from Ed Page)

teach communism, socialism, and other foreign isms. He did not explain who should determine when a newspaper editor or publisher had "gone wrong," or had forfeited his freedom of expression; nor did he explain who would determine when a college professor had violated his academic freedom. There are remedies already provided for dealing with these problems, but possibly the remedies are not definite enough. Mr. Buckner did not explain whether he favored strengthening present laws, passing new ones, or just what if anything he would do respecting these matters. As I understood him, however, he had little criticism of the newspapers except that he seemed to think that some of them never take a positive stand on anything. He thinks every

newspaper editor should have strong convictions respecting nearly everything and should have the courage to express his views in language that could not be misunderstood. He made a red-hot speech that everybody listened to intently.

One of Mrs. Seay's main complaints was that most newspaper publishers put out papers for the men only. They seem to be unaware that the women too read the newspaper. About all they put in their papers for the women is a fashion corner or a society column. The women do not care a thing about the fashions they publish for they can get much more of such information from the women's magazines, and the women are not much concerned in most of the silly society stuff. She thinks the society news should be more varied and should not mention just a few prominent individuals week after week but should make more mention of just the common run of folks. The women help to make the news and they read the newspapers just as much as the men do, and she wants the women's clubs and conventions and activities mentioned just as prominently as is the news which is written especially for male consumption. She poured it on pretty heavy.

## Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No pills, no harsh drugs. Dr. Caldwell's Senna contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Dr. Caldwell's. Money back if not satisfied. Mail orders to Box 290, New York 16, N. Y.

## So the People May Know

LAWs of The State of Texas provide that many county, city, and other officials must publish in the newspaper certain information about their finances and operations.

The lawmakers passed these rules because of their belief in the fundamental principles of democracy that a people can properly govern themselves only when they are adequately informed.

There have been violations of these publication laws.

These have been violations of omission: That is some officials have neglected to publish information as required by state law.

The people are entitled to know what information their local officials are required to publish.

This newspaper, therefore, will print a series of articles prepared by The Texas Press Association—presenting in plain language pertinent facts in regard to the publication laws.

Are you, as a citizen, getting through your newspaper all of the information that law says you should have—concerning the operation of your local government?

Find out by following this series of articles in your newspaper.

(Prepared by Texas Press Association)

laughing—said he had some criticisms to offer himself—said the newspaper people had never done him, any personal injury but they had just about worried him to death. His first kick was that they had him listed on this very program as Dr. Traivs White of the First Presbyterian Church. Everybody would think that he had flopped over from the Christian Church. He didn't much like those high-sounding titles prefacing his name either, such as Dr. and Rev. But to cap it all, he stated that just before Easter, a newspaper announced that on Easter morning he would baptize some infants in his church. Of all things—a "Campbelle" baptizing infants; it was the limit. And so he went on amid the laughter of his listeners from one complaint to another for some fifteen minutes. At one point he said that he thought every newspaper publisher or editor should be a theologian. If they were we are afraid that they would be in a religious row among themselves about half the time, and that would not be good for the newspaper business nor the public either.

After a presentation of Advertising Ideas by Neil C. Vanzant of the Gaines County News, Seagraves, and some other table talk, the association recessed to meet at 8:00 p. m., when they

land who spoke on the subject of going "From Semi-Weekly to Daily," luncheon was served to the Press Association by the S. P. Fair Association. At the luncheon table the Resolutions committee composed of E. J. Hill of Tahoka, Mrs. Allen Hodges of Littlefield, and Charles W. Ratliff of Lubbock presented Resolutions respecting proposed measures pending in the State Legislature in Austin and others pending in the Congress of the United States, which are designed to limit or control our system of free enterprise, opposing the pending legislation which would limit this system and favoring such measures as would preserve it, for the benefit not only of newspapers but also for the general welfare of the American people. (not having a draft of the resolutions before me, I am writing the purport of these resolutions from memory, and my verbiage may be far from accurate.) Included also were resolutions of thanks to various Lubbock organizations for all courtesies extended the Press Association.

Following the adoption of these resolutions, the association proceeded to elect a president, and vice-president, and three members of the board of directors to take the places of retiring members.

The new president is Allen Hodges of Littlefield, who is one

were to be served with a banquet given by the Lubbock Chamber of Commerce. At the banquet that night an interesting program was furnished by Charles A. Guy, publisher of the Lubbock Avalanche-Journal.

At Saturday morning's session, Charles W. Ratliff, associate editor of the Lubbock Avalanche-Journal, discussed "Local News Coverage," and gave many helpful suggestions to publishers of weekly newspapers.

Vern Sanford of Austin, manager of the Texas Press Association, gave a review of T. P. A. activities during the past year, and also gave the low-down on pending legislation in Austin and Washington affecting newspaper publishers.

Following a talk by Forrest Weimhold, publisher of the Daily Sun-News and Herald of Level

of the outstanding members of the Association. The retiring president, Charles Fischer of Clovis, New Mexico, then turned the gavel over to the new president, who thanked the members of the Association for the honor and merely promised to do his best, and that we know he will do. Before saying the last word, we wish to remark that the retiring president Charles Fischer has been efficient and faithful in every respect. All of us respect and esteem him highly.

Now folks, all this may be dull reading to most of you, but it gives you a peep into the activities of newspaper people assembled in convention for business and pleasure; and again we assure you that on the whole they are a fine bunch. —Good Night.

MRS. BURLISON BETTER Mrs. Jim Burlison, critically ill in a Temple hospital several weeks, is reported to be showing continued improvement. Mr. and Mrs. Buel Draper and daughter, Nancy, and Bessie Jean Galloway, Mrs. Burlison's niece, visited with Mr. and Mrs. Burlison at Temple last week end.

# "Go-togethers"

Newlyweds and the electric freezer-refrigerator combination are perfect go-togethers.

The small family finds ample storage space in the freezer compartment of the combination, and gains the economy that the big family finds in the home freezer.

Roasts, stewing chickens, ham, and other economy meat cuts can be stored and made into individual meals that are both economical and attractive. Thus you end the usual "cooking for two" expense, which usually means expensive "one time" meat cuts.

When there are two, and the marriage is new, it's the freezer-refrigerator for you.

WILL MONTGOMERY'S WILL BE HONORED

The daughters of Mr. and Mrs. Will Montgomery are entertaining with an informal open house celebrating the fortieth wedding anniversary of their parents, on Sunday, May 17, 2 until 5 p. m. The celebration will take place at the family home northwest of Tahoka.

All their friends and neighbors are cordially invited to call.

CARD OF THANKS

We sincerely appreciate the words and cards of sympathy, the floral offering, and all the other little acts of kindness occasioned by the death of our beloved husband and father. —Mrs. M. C. Ratliff and family.

NEW HOME PLANNING MOTHERS' DAY PROGRAM

New Home Baptist Church is planning an outstanding special program next Sunday, Mother's Day, according to the pastor, Bennie A. Hargrave.

In the absence of the pastor, Rev. D. H. Montgomery of Whitehall will do the preaching at both the morning and evening services.

The Mother's Day program includes the following numbers:

- "Faith of Our Mothers" by the Men's choir; recitation, Don Mac Edwards; duet, "Mother," by Larry Edwards and Gayland James; "A Youthful Speaker," Don B. Rudd; solo, "Mother Knows," Joe D. Unfred; "No One Like Mother of Mine; and the sermon, "Windows," by Bro. Montgomery.

More than 1,000 persons from Washington, D. C. and a third of the nation's states visited the Walter Porter farm near Terrell on February 28 for the observance of the 50 anniversary of the beginning of farm demonstration work. This farm was the site of the first demonstration.

ed in the home of his brother-in-law and sister, Mr. and Mrs. Floyd Heck, Thursday night.

Mr. and Mrs. James Robbins were in Abilene Sunday.

Mrs. Mart Murray was on the sick list last week and was in Slaton for medical attention.

The Blanche Grove and Lillie Hundley Circles of the Baptist W. M. S. met Monday afternoon at the church for their regular weekly meeting. A mission study directed by Mrs. Arvan Holder was presented. Present were: Mes. Jiggs Swann, Erwin Sanders, Roger Blakney, J. A. Martin, D. J. Hutcherson, W. P. Stoker, Charles Lichey Houston Gryder, W. F. McLaughlin, John Gayle, W. A. Baxley, W. T. Baxley, Pat Swann, and Arvan Holder.

Mr. John Heck was in Lubbock Monday for a medical check-up. Mr. and Mrs. Tom Williams and family of Spede were supper guests of Mr. Williams' brother-in-law and sister, Mr. and Mrs. G. E. Owens, Sunday.

Mr. and Mrs. J. B. Smith and family were in Breckenridge Sunday visiting his father, Mr. Lewis Smith. Mr. Lewis's friends in Wilson will be happy to learn that he is getting along nicely and has gained seven pounds.

Jim Coleman left Wednesday for Ft. Sill for induction into the Army. On Monday night, prior to his leaving, Mr. and Mrs. Coleman had the following as guests: Messrs and Mesdames Clarence Nelson, Grover Coleman, and J. W. Bohall.

Mr. and Mrs. Frank Smith have been on the sick list.

Quite a few members of the Wilson FFA Chapter left Thursday for A. & M. College for a state meeting. Three members of the Wilson chapter won 4th place in dairy judging. They were Don Cook, Delbert Sanders, and Bill Spears. Bill Spears was the 6th highest man in the whole state in dairy judging. The group, accompanied by their instructor, Darrell Sims, and the high school principal, Prentiss Jones, returned

ed home Sunday. Attending were Ronnie Foster, Jerry Church, Eugene Bruedigam, George Grinsberg, Alfred Clary, Charles Coleman, Dan Cook, Delbert Sanders, Bill Spears, Gilbert Steinhauser, Benson Rice, and Clifford Baker.

Mrs. H. C. Fountain returned home Wednesday after a few days visit with her daughter, Mrs. Bill Deaver and family, in Slaton. Misses Gladys Kirtley and Ethel Summerlin, Mrs. W. P. Jones and Mrs. Willa Wakeland saw the show, "Salome" in Lubbock Saturday night.

Mr. and Mrs. Virgil Henderson and sons returned from Jacksonville Sunday where they had been at the bedside of Mr. Henderson's mother, who continues to be very ill.

Miss Lois Ware and Mrs. Earnest Montgomery accompanied Barbara Montgomery, Mary Alice Hanes, and Juanita Murray to a State F. H. A. meeting in San Antonio Thursday, where Barbara received her state degree in F. H. A. work. The group returned to Wilson Sunday.

Mr. and Mrs. G. E. Owens were in Lubbock Saturday. Mrs. S. A. Cummings was in Lubbock Monday for a medical check-up.
