Annual REA Meeting Is Set For Next Tuesday

Next Tuesday is the big day for members of Lyntegar Electric Cooperative, Inc., and Poka-Lambro Rural Telephone Cooperative. That is the day for the annual membership meeting, at which new officers and directors will be elected, reports will be made on the finances and progress of the two cooperatives, and a big Electric Fair and a free show in connection therewith.

For entertainment, along with the Electric Fair, sponsored by Texas Power Reserve, there will be a big free show including performances by professional musicians, a clown, trained animals, and by amateurs; also free movies a kiddies ride, and demonstrations.

Tents for the big event will be set up on the lots south of the Methodist Church and in the City Park.

Thirty door prizes with a total value of \$700.00 will be presented members. These range from electric lawn mowers to electric clocks razors, etc., valued at \$10 to \$100.

The program for members opens at 1:30 p. m., and State Representative Carroll Cobb of Seminole will deliver the address.

Following this will be the annual business meeting, at which Lyntegar officers will make their reports, and new officers will be elected for the coming year.

Then, at 3:15, members of Poka-Lambro will hold their business meeting.

During the business session, special movies will be shown for the kids. At other times during the day, movies of general interest will be shown in the special movie tent. And in addition, there are rides on the ferris wheel for the kids, which like the rest of the fair, is free.

Following this, at 4:00 p. m., prizes will be awarded.

The free show gets underway at 5:00 p. m. and will continue until 9:00, with free entertainment for everybody. Outsiders are invited to the entertainment program.

All during the afternoon and evening merchants' exhibits will line the Midway.

The Talent Show is open to all, and entrants should contact Garland Pennington, Lyntegar manager. Top winner will get a table model radio, and will be eligible to enter the state finals at Mineral Wells in October, where the winner will get a major Kelvinator appliance and \$50 expense money.

The big show will include cow-boy music, trained animal acts, juggling, the laughable antics of Bono the clown, and then the Preview of Progress, a wonders-of-science show produced by General Motors and presented by Kelvinator.

Business sessions are open to members only, but the entertainment program are open to the general public, and everyone is invited.

Crowds Attending Local Meeting

The meeting in progress at the Tahoka Church of Christ is one of the best the local church has ever had, members report.

Large crowds are attending all services. On Wednesday morning, there were 117 people present.

Tom Wallace of Hobbs, N. M., is bringing the messages, and Lathel Caskey of Belton is leading the song services. Doyle Kelley is minister of the local church.

Showers, Hail Fall On County

Showers during the past week have given some relief to limited areas, but a hail storm on Tuesday night damaged possibly 1,000 acres south of Tahoka.

Tahoka received its biggest rain in nearly 13 months Saturday, August 1, when .72 of an inch fell early that morning, and .83 fell late in the afternoon.

The rain was limited in scope, however, but was some benefit to the east and southeast of town.

In the hail northwest of New Home, The News is informed Clarence Eades received possibly 90 percent damage to his irrigated cotton, and damage in varying degrees was received by Morris Renfro, A. P. and Carlice Edwards, B. A. Morrow, and Douglas Finley.

Ben T. Brown Died Recently

Ben T. Brown, formerly of Tahoka, died in Temple on July 14, old friends here have learned.

Funeral services were held at the Presbyterian Church in Temple on July 16.

Mr. Brown was the son of the late Mr. and Mrs. Will Brown of Tahoka. His only sister Mrs. Coleman Wells, now lives in California.

He was married while living here to Miss Leland Means. He was in the lumber business most of his life, about 25 years at Temple and Belton.

The News was unable to get any details of the death or funeral services.

Fifty Students Are Entered In Summer Band School Here

Fifty students have reported for enrollment in the free band school being conducted here by Willard Edgett, Tahoka band director. About half are beginners.

Classes are being held at High School on Monday, Tuesday, Thursday and Friday from 2 to 3 p. m. for beginners and from 7 to 8 p. m. for advanced students. New students may still enroll.

Mr. Edgett has 56 hold-over band students from last year, but many of these will graduate next spring.

The band school will continue through the month of August.

Wilson Baptists Holding Meeting

The First Baptist Church of Wilson is starting its annual summer revival today, Friday, and services will continue through Sunday, August 16, according to Rev. John A. Martin, pastor.

Dr. Earl Allen, pastor of the First Baptist Church of Floydada, will do the preaching, and Bro. Eugene Upshaw, music and educational director of the Handley Baptist Church of Fort Worth, will conduct the song services.

Both are outstanding men in their fields of service.

Morning services will be at 11 a. m., and evening services will be at 8 p. m., and the public is invited to attend.

TWO ARE FINED

Two men were fined in county court this week for driving while intoxicated. Calvin Wilson Hornbeck was fined \$75 and costs and Clyde Muriel Newby Jr. \$50 and costs.

BOZO, THE CLOWN, is one of the entertainment features of the annual Lyntegar and Poka-Lambro meeting here next Tuesday. In private life he is H. R. Ray, who entered the circus business first in 1901 with the old Molly Bailey Circus. An interesting and education program will be presented along with the REA meeting and the Electric Fair.

Evangelist W. R. Jones

Gospel Meeting At New Home Church

New Home Church of Christ will conduct a Gospel meeting beginning Wednesday, August 12, and continuing through August 23, according to Fred L. Yeats, local minister.

Services will be twice, daily at 10:30 a. m. and at 8:15 p. m., except the first four days of the meeting when only night services will be held.

The visiting evangelist, W. R. Jones of Lubbock, is no stranger in the community, having spoken at the Lectureship in 1952. He will also be remembered as the minister who spoke words of consolation to the Halford and Jim Catts families last January when the funeral of the Catt baby was conducted.

Brother Jones is a widely known evangelist, Bro. Yeats says; is widely known as an evangelist having preached in meetings pretty well all over the Southern states and in the western and northwestern part of the country.

The community, as well as surrounding communities, should avail themselves of this opportunity to hear the gospel in its purity and simplicity, Yeats says.

Work Delayed On City Hall

Failure by manufacturers to deliver steel door frames is delaying construction of the new \$50,000 Tahoka city hall, Mayor E. R. Edwards reports.

Delivery of the steel has been promised for August 15. Alston Construction Co. of Sweetwater is building the structure.

Congratulations:

Mr. and Mrs. L. P. Flood of Beaumont, formerly of Tahoka, on the recent birth of a son weighing 7 pounds 10 ounces, named Lester Greer Flood the Second. The daddy is a theater manager.

A Clean City Is A Safe City!

School Opening Set For Aug. 31

Tahoka schools will open the 1953-'54 term on Monday, August 31, Supt. Otis Spears announced this week.

The faculty is just about complete, and everything will be in readiness by that date except the new construction.

Construction is due to begin soon on a new home economics building and an addition to the vocational agriculture building.

Third Producer In New Oil Pool

A third producer has apparently been brought in as a south extension of the Tahoka-Strawn reef oil field west of Petty and south of Lakeview in northwestern Lynn County.

Drillstem tests are still in progress at the well, the Claude E. Heard & Eptill S. Heyser No. 1 Lonnie Lumsden, located 467 feet from the north and 660 feet from the east lines of Section 143, block 12, EL&RR survey. It is the south offset to the second producer in the field.

First oil was found on a test taken from 9,825-60 feet. Tool was open two hours and 10 minutes. Gas surfaced in 15 minutes, and recovery was 1,629 feet of free oil with no water. Open bottom hole flowing pressure was 1,629 feet of free oil.

The second drillstem test taken from 9,860-9,900 feet, tool open two hours and 10 minutes, with gas surfacing in 25 minutes, and recovery was 846 feet of free oil and no water.

Another drillstem test was to be run at 9,830 feet.

Another location has been announced as an east offset to the Timmons discovery well, but rig had not been moved in Wednesday.

Workers at the Lumsden well are reported to have stated their rig would probably be skidded and another well drilled on that land.

Coach Calls Meeting Of Boys Who Expect To Play '53 Football

All Tahoka High School boys who expect to come out for the 1953 Bulldog football team have been asked by the coaches to meet with them next Thursday night, August 13, at the school.

Workouts will not start until September 1, but necessary plans for the season will be made at this meeting next week.

Coaches Bill Haralson and Bill Sharpley left Monday for Houston, where they are this week attending the annual Texas High School Coaches Association and clinic.

PMA Cover Crop Practice Approved On Farms In Druth-Stricken Areas

Planting of cover crops in 119 West Texas counties, including Lynn, has been approved as Practice 50, Dec. Green of Lynn County PMA office was notified officially Thursday morning.

The practice is for the control of wind erosion, but payment will not be allowed where a crop is harvested. Good cover must be obtained from planting and cover left standing until next spring.

Technically, the practice program must be approved by the County PMA Committee, headed by S. L. Walters, and the Soil Conservation Service Technician, N. E. Wood.

Mr. Green said request for the practice will be received by the PMA here during the next 30 days. Payment will be made only for the seed used in planting at the following rates: Grain sorghums, 5 cents per pound; sweet sorghums, 10 cents; sudan, 15 cents;

millet, 13 cents; oats, 5 cents; and barley, 4 cents.

The suggestion has been made that farmers be sure and save any receipts for seed purchased for use in late planting of cover crops.

This information was phoned The News and K. K. Moore of Lakeview, vice president of the State Association of Soil Conservation Districts, on Tuesday by V. C. Marshall of Temple, executive director of the Texas Soil Conservation Board.

Mr. Marshall, who was here recently making a personal inspection of this area, made the above recommendations to Claude K. McCann, State PMA director, and they were assured Tuesday morning by Secretary of Agriculture Ezra Taft Benson that the program was being given the "green light."

Local farm leaders say this is not enough for the disaster-stricken farmer but that it will help some.

SWIMMERS—Tahoka Boy Scout Troop 21 swimming teams won several first places and one divisional title in the first Tejas District swimming meet held in Tahoka last Saturday night. Above are the 16 members of the local troop who competed in the meet against three Lamesa troops and one New Home troop. They are: John Hegi, Gerald Short, Bobby Cloe, Denver Ford, Cecil Hammonds, Jerry Reed, Gerald Huffaker, Jay Gurley, Guy Witt, Donald Renfro, Terry Spears, Carlos Barnes, Jimmy Williams, Vernon Redwine, Jerry Freeman, and John Ed Redwine.

Season Tickets Will Go On Sale

Season reserved seats will be sold this year to Tahoka's six home games for \$7.00, local school authorities have announced. Price of a reserved seat is only \$1.00 above the regular price for six games.

Four hundred seats will be placed on sale Saturday, August 15 at the school business office of Maurice Small, district secretary.

These seats will be between the 44-yard lines in the new case stands now under construction, which will be the "home" stands in the future.

Boy Scouts Plan Mountain Trip

The Boy Scouts of Troop 21 of Tahoka will leave Tuesday, Aug. 11, for a camping trip at Cowles, New Mexico. They will return on Saturday.

The boys have planned hikes, studies in woodcraft, general camping, and nature study. About twenty Scouts expect to make the trip. H. B. McCord Jr., scoutmaster, said. Adults who will accompany the Scouts are Jess Guiter, A. V. Barnes, Dr. Emil Pratt, Culloway Huffaker, Cecil Hammonds, John Witt, Harvey Freeman, and McCord.

Mr. C. Gray and family moved to Falls last week end, and he is employed at the James Leftwich store there.

Three Die Result of Car-Pickup Crash

Mrs. Clyde Shaw, 56, of Wilson, and her granddaughter, Jerene Louise Shaw, 10, of Los Angeles, Calif., died from injuries, and Mr. Shaw, about 60, and four other persons were injured Sunday at 7:10 p. m. in a collision between their car and a pickup at the intersection of Farm Roads 40 and 400 north of Slaton and two miles east of Acuff.

Mrs. Bessie Knowles, injured in the accident, died at 2:15 Wednesday in a Lubbock hospital.

Mrs. Shaw died at 10:50 p. m. in a Lubbock hospital, and the

little girl died shortly after midnight. She was the daughter of Mr. and Mrs. Jyles W. Shaw of Los Angeles, and was at Wilson visiting with her grandparents.

Mr. Shaw remains in a critical condition at Lubbock Memorial Hospital suffering from head injuries, compound fracture of the left leg, and other injuries.

Another grandchild of the Shaws, Billy Pat Swann, age 10, son of Mr. and Mrs. Lloyd Swann, Idalou, received head lacerations and other injuries but is improving.

Three other persons in a pickup were injured in the same crash. They are: Mrs. Bessie Knowles, 69, Wichita Falls, in West Texas Hospital in a critical condition with a fractured pelvis, vertebra, collarbone, shoulder blade, and ribs; Mrs. Roy C. Kellison, 39, Hollis, Okla., in a serious condition with a fractured pelvis; and Mr. Kellison, 42, badly bruised but released from the hospital Monday.

Mr. and Mrs. Shaw had been to Idalou visiting their daughter, Mrs. Swann, and family, and were returning to Wilson, traveling south on Farm Road 400.

The two children were in the car with them.

The Killisons and Mrs. Knowles, in the pickup, were traveling west on Farm Road 40. Mr. Kellison, who was driving, told officers he was blinded by the setting sun as he approached the intersection, and failed to see the Shaw car. A "stop" sign is at the junction for the cars traveling Farm Road 40.

Funeral services for Mrs. Shaw and Jerene Louise Shaw were held Tuesday in the First Baptist Church of Slaton, with Rev. J. T. Bolding, pastor at Slaton, and Rev. Joe Motesenbocher, pastor at Idalou, officiating, and burial following in Tech Memorial Cemetery at Lubbock.

The Shaws have long been prominent citizens of the northwestern part of Lynn county. For a time, he was cotton weigher at Wilson. He has been in ill health for several years.

Mrs. Shaw is survived by her husband, one daughter, Mrs. Lloyd Swann of Idalou; one son, Jyles Shaw of Los Angeles; and four brothers, J. G. (Ott) Patterson of Tahoka, B. E. Patterson of Seymour, W. E. and Eugene Patterson of Phoenix, Arizona. Her late parents lived in or near Tahoka for many years.

Jerene is survived by her parents and one brother, Jack.

Odds AND Ends

(BY E. I. THE ELDER)

We have been traveling along the caprock quite a bit recently with these Odds and Ends and we discovered some really interesting history, and I did not tell nearly all of it at that. I told you of the water and the parks and the beauty in Blanco Canyon, but I did not tell you that this same stream comes out of far-distant New Mexico west of Hereford and north of Farwell under the name of Running Water Creek, that it passes through Plainview as Running Water Draw; a little lower down it is listed on the maps as the White River, then as the Blanco Canyon, and finally as the Salt Fork of the Brazos. It is in fact the longest prong of the Brazos River.

I told you also about old Estacado and that strange colony of Quakers who lived there for seven years and then silently flew away to more southern climes—that is, all but a few, whose descendants may be found on the South Plains yet—but I did not tell you that the First Baptist Church of Tahoka, when it was organized here, on July 5, 1903, immediately thereafter called as its very first pastor a young Baptist minister who at that time lived in the Old Estacado community and continued to live there while he served the Tahoka church. His name was Ira P. Par-rack. He still lives and serves as the pastor of a Baptist Mission Church in Childress. I met him and visited in his home while I was in Childress recently.

From Crosbyton, we moved on down to Post and met and studied that dynamic character, C. W. Post, who started the town, built homes for the farmers, built a

freedom-loving Texans. Borden's paper bore the name of the Texas Telegraph and was the first newspaper ever published in the State of Texas.

At this juncture came old Santa Anna and his army in pursuit of the retreating Sam Houston and his soldiers and in search of the fleeing President David G. Burnett and what was left of the Texas Government. He had not yet located the General and had seen nothing of the President except the dust that he was kicking up in his haste to get on down to Galveston. But the "Napoleon of the West" did run onto that little newspaper shop of Gail Borden's standing there on the deserted banks of the muddy bayou. His soldiers picked the thing up bodily and dumped it over into the filthy stream. They thought that would end Gail Borden's career, but they didn't know Gail Borden. A day or two a day or two later, while those poor disillusioned Mexican soldiers were screaming, "Me, no Alamo," "Me no Goliath," and while old Santa Anna was hiding in the tall grass, Gail Borden was already planning how he would recover his printing machinery from the muck and the mire of the bayou and set it to running again in defense of freedom and fair government. It did strike many a lick for God, and country after that.

Gail Borden was the Benjamin Franklin of Texas. Like Franklin, if the above story is true, he started out as a printer, and like Franklin also, he wound up as something of a statesman—at least a patriot; and business man too. Here, 117 years after that Buffalo Bayou incident and that San Jacinto upset, we people up here in Lynn county are drinking Borden's Homogenized milk, Borden's buttermilk too, eating Borden's ice cream, and I don't know how many other milk products. Yes, and we even border on placid Borden county and have Gail for a neighbor. Borden county, in fact, has sent Lynn county a number of mighty good citizens, but I am not going to undertake to publish the list, for I know that I would leave out somebody, and that would be too bad.

I am rather proud of Borden county myself; for I used to attend court there. The terms were few and far between and it never took a grand jury but one day to wind up its business, and so we court attaches usually had plenty of time to meet the crowds on the streets and attend to all of our social and political duties, even though sometimes there were as many as fifteen or twenty people on the streets in a single afternoon. Now, I am not playing down the business activities of Gail, for although the crowds on court days were not noted for their immensity when I used to go there, yet there had been a time when Gail was one of the busiest court towns in all this section of the state. Back in the Nineties and a little later they came to Gail on court days from many counties in West Texas to look after judicial matters in the day time and their social activities at night.

There was a big hotel in Gail in those days and often long tables in the dining room were required for use in feeding the crowds. Frequently during a session of court there would be a big dance at night. I suspect that Sam Sanford, a former resident of Gail but a resident of Tahoka now for many years, could verify all these statements if you were to ask him.

Yes Sir, Gail at one time was really a going concern, and was going fast at that.

But since my day the two most interesting things about Gail are its two Mountains. Gail mountain that stands just west of the town and over looks and guards it, and Muchakooga (pronounced Mushaway) Mountain that stands a few miles south or southeast of the town down the Big Spring highway and adds a certain degree of character and charm to the county.

Another interesting feature of the county is the fact that in it are found most of the actual headwaters of the Colorado River. The head spring in fact gushes up among the rocks at the head of a rough little canyon overgrown with brush and small trees situated six miles south of O'Donnell in Dawson county, a few hundred yards below which a man made dam impounds a pretty little lake of water. The seepage and the over-flow from this little lake forms a continuous stream of water which flows straightway on down into Borden county and which we call the Colorado River. Many maps show the Colorado as taking its rise away out in the vicinity

of the town of Plains near the New Mexico line, and there is a draw that comes down from that region in which may be found occasional ponds of water, indicating an underground stream which comes to the surface in that little canyon south of O'Donnell to establish itself as the proven fountain head of the Colorado. In Borden county it is joined by other small creeks and rivulets and leaves the county as quite a respectable little river near its southeast corner to cut a niche out of the southwest corner of Scurry county south and west of Ira and to flow on thence into Mitchell county to be joined therein by other sizeable streams and to proceed thence through or by Robert Lee, Ballinger, San Saba, Burnet, Austin and finally through Colorado county to Matagorda Bay and the gulf.

Gail Borden died down there in Colorado county, but it was 38 years after his unpleasant contact with Santa Anna's army on the banks of Buffalo Bayou by reasons of which he had to dig his printing plant out of the mire until he closed shop and went out of business permanently down there on the banks of the Colorado River in the county of the same name in 1874. But the business which he closed then was not a print shop but a big condensed milk and beef canning plant which he had established at his home. A stone marker today stands on the site of Gail Borden's home and of those industrial plants, we are told. I do not know just what he did with those other 36 years of his life but I understand that he lived in Galveston in 1840, I have a little chapter on that too, but this is enough for one time.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

E. D. PAYNE FAMILY HAS REUNION HERE

Mr. and Mrs. E. D. Payne, who live at 1529 Miller street, had as their guests last Sunday: Six of their seven children and their families, Mr. and Mrs. J. Dudley Martin and Benny of Draw, Mr. and Mrs. Robert Rogers, Rickey and Arlanda of Lubbock, Mrs. L. M. Jones, Larry and Donna of Fort Worth, Mr. and Mrs. Herman Renfro, Donnie and Sue of Tahoka, Mr. and Mrs. Wilton Payne and Paula of Tahoka, Mr. and Mrs. A. E. Payne, Jackie, Dennis and Patsy of Post, Mr. and Mrs. Ralph Payne of Portales, N. M., were unable to be here.

Other relatives who were present were: Mr. and Mrs. O. H. Collins of Pauls Valley, Okla., Mr. and Mrs. Elmer Collins and three children from Murray, Kentucky, Mr. and Mrs. Marvin Payne of Lubbock, Mr. and Mrs. Dan Martin and two children of Tahoka, Mr. and Mrs. Charles Brookshire of Tahoka, Mr. and Mrs. Gene Payne of Wells, Mr. and Mrs. L. B. Jones of Draw.

Mr. and Mrs. O. H. Collins had spent a week with Mr. and Mrs. E. D. Payne, Mrs. Collins being a sister of Mrs. Payne.

Mr. Collins says everything around Pauls Valley has burned up long ago, but Mr. Elmer Collins of Kentucky, who is a corn and tobacco farmer, says he will make 100 bushels of corn per acre.

BELL COUNTY MEETING

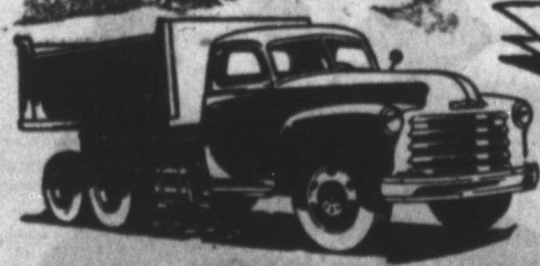

Don't forget second Sunday in August, because that's when we are going to meet at MacKenzie State Park (Northwest side) in Lubbock to celebrate the Annual Bell County Old Timers Reunion. Come, bring your dinner; your old friends will be there. We are going to have fun. Tell everybody from Bell County. Yours Respectfully.—Bell County Committee.

Linda Jones, daughter of Mr. and Mrs. V. F. Jones, has been visiting in Odessa with Mr. and Mrs. Carl Griffing Jr.

Legal Notices

DELINQUENT PERSONAL PROPERTY TAXES CAN BE COLLECTED BY A CITY

Notice to Tax-Payers:
New State laws are in effect
applying to the collection of per-
sonal property taxes, consisting
principally of cars, trucks, tracto-
rs, and stocks of merchandise.
Beginning August 26, 1953, the
effective date of H. B. 632, court
suits for collection of delinquent
personal property taxes will be
subject to a four-year statute of
limitation. The new act does not
rob cities of their lawful rights
to enforce collection of delin-
quent personal property taxes by
the summary seizure and sale of
such property. Cities have a lien
on personal property for the tax-
es levied against it, and the State
laws authorize the city tax col-
lector to seize and sell the prop-
erty to satisfy the lien, without
the necessity of filing a suit in
court.

The new act amends Article
7298, R.C.S., 1925, to read as
follows:

Article 7298. No delinquent tax
payer shall have the right to
plead in any court or in any
manner rely upon any Statute of
Limitation by way of defense
against the payment of taxes due
from him or her to the State, or
any county, city, town, Naviga-
tion District, Drainage District,
Road District, Levee Improve-
ment District, Reclamation Dis-
trict, Irrigation District, Water
Improvement District, Water
Control and Improvement Dis-
trict, Water Control and Preser-
vation District, Fresh Water Sup-
ply District, School District or
other taxing authority; provided
that this law shall not apply to
collection of delinquent school
taxes assessed prior to July 1,

1941; and provided further that
no suit shall be brought for the
collection of delinquent personal
property taxes of any taxing au-
thority, unless instituted within
four (4) years from the time the
same shall become delinquent.

Personal property tax payers
of Tahoka are warned to take
heed of this law and to prevent
such taxes from becoming delin-
quent, if possible.—The City of
Tahoka. 45-3tc

THANKS, FRIENDS!

For the many acts of kindness
you did for me during my hospi-
talization. Thanks for the lovely
cards, the beautiful flowers, and
most of all, for your prayers.
Thanks especially to Dr. Prohl
and the hospital staff for their
faithful services, and to the mem-
bers of my Sunday School class
for all they did for me and for
my family. May God bless each
of you, is my prayer.—Mrs. A. D.
Riddle.

CARD OF THANKS

I want to express my thanks
to the doctors and nurses, friends
and loved ones for the sympathy
and kindness shown me during my
stay at the hospital.

The many beautiful gifts, flow-
ers, and cards were greatly ap-
preciated. Also, the comforting
words, every prayer and each
visit helped more than you'll ever
know.

May God richly bless each and
every one of you, is my prayer—

Mrs. Cunningham Is Death Victim

The News received a telegram from Mrs. Ruby Collins at Freeport Tuesday morning stating that her mother, Mrs. J. L. Cunningham, had died there at 9:00 p. m. Monday and that funeral services would be conducted there Wednesday afternoon. Identical telegrams conveying this news were also sent to E. H. Cunningham here, brother of J. L., and to S. J. Cowart, brother of the deceased.

Mrs. Cunningham and her husband had been residents of this county since 1924 until about a year ago, when, on account of ill health, she spent several months in a Houston Hospital and then moved to Freeport, where Mrs. Collins, her daughter, and the latter's son, Cecil Collins, could personally take care of their loved one; Mr. Cunningham himself being in ill health also. She died in the home of the grandson, Cecil.

Mr. and Mrs. Cunningham lived in the T-Bar community for many years but moved into Tahoka some eight or ten years ago. Both were long-time members of the

Baptist Church and until incapacitated by illness were active church workers.

Both had been previously married, and the deceased leaves the following survivors: Five daughters; Mrs. Violet Rickett of Amarillo, Mrs. Ruby Collins, whose home is in Houston, Mrs. Johnnie Clark of Seagraves, the former Miss Annie Mae Holt and the former Miss Della Mae Cunningham, whose married names are unavailable to the News at this time; two brothers, S. J. Cowart of Tahoka and M. A. Cowart of Harlingen; one sister, Mrs. Della Holt of Carlsbad, New Mexico; and other relatives in New Mexico and Oklahoma; together with numerous grand-children, nephews, and nieces, in Texas and other states.

Both had been married twice, her first husband having been named Holt, and all the children named above except Della Mae Cunningham were children of the first marriage. Mrs. Cunningham's maiden name was Armeia Cowart. She was born in North Caro-

Rutherford Sale Winners Named

Randolph Rutherford reports that the Rutherford stock reduction sale which closed out Saturday exceeded his expectations. Extensive advertising was used in the News during the campaign.

Winners of the \$800 in prizes were announced Saturday night. Mrs. J. R. Collier took top honors, winning the four-piece bedroom suite.

Other winners, in order, were Miss Othelda Freeman, chrome dinette suite; Mrs. Herman (Ruby) Renfro, air conditioner; Mrs. Peggy McClellan, vacuum cleaner; Mrs. JoAnn Martin, electric mixer; Miss Patsy Smith, outdoor furniture; Mrs. Billie Thuren, three-piece luggage set; Mrs. Reba Kahl radio; Mrs. Rosa Jolly, electric coffee maker; Mrs. A. C. Weaver, electric iron.

lina and at the time of her death was 76 years old. She was a lovable character and had hosts of friends in Tahoka and in other parts of Lynn county, who are grieved to learn of her departure.

Miss Leedy and Don Bradley Wed

Miss Amanda Leedy and Don Bradley were united in marriage Sunday at 3:00 p. m. in the home of his brother Victor Bradley, at Clovis, New Mexico. A Church of Christ minister of that city performed the ceremony.

Only Mr. and Mrs. V. L. Bradley and their son were present for the occasion.

The bride lived in Tahoka for many years, but since retiring from work in 1946 she has been spending her winters in Plainview and summers in Kansas City.

Mr. Bradley is the owner of the Pioneer Abstract Company of Tahoka, and also has lived here many years.

The couple are now making their home at the Bradley home on South First.

Baptists Organize New Church Here

The long contemplated conversion of Sweet Street Mission into a fullfledged, independent Baptist Church was effected last Sunday afternoon, and the new church proceeded promptly to give itself a name. It will be known simply as Sweet Street Baptist Church.

Two names were proposed, The Second Baptist Church of Tahoka, and the Southside Baptist Church. A vote of the members was taken, and the second name proposed received considerable support, the third name received a few votes, but a decided majority obviously favored the first name, and then the congregation voted to make it unanimous.

The action and the proceedings as a whole presented a striking demonstration of democracy in action. Every decision was made by a vote of the members.

Rev. Lee Ramsour, pastor of the parent church, the First Baptist Church of Tahoka, announced the purpose of the meeting and served as temporary moderator, or chairman. He also read the Articles of Faith generally adopted and used by Southern Baptist Churches as a correct statement of their belief respecting God and the Bible teachings. He then announced that the first item of business would be the election of a clerk to keep record of the proceedings, and Harvey L. Duckett was elected.

Rev. W. H. Scantling, who has been serving as pastor of the Mission for the past three years, then read the Church Covenant generally used by Southern Baptist churches, setting forth a system of conduct for the members, and thereupon invited all members belonging to regularly organized Baptist churches who desired to become members of the new church to come forward and give their names and other routine information. This was done and 40 persons enrolled then and there. Ten others enrolled at the night service, making a total of fifty members for the day. But it was agreed that the roll of charter

members would remain open until the close of the revival meeting beginning next Sunday.

To complete the organization and enable the church as such to go to work at once the following officers were elected: Harvey L. Duckett church clerk, and W. I. Lemon secretary-treasurer.

It was then voted that all other officers of the church, including the Sunday School, the Training Union, the Brotherhood, and the W. M. S., be retained for the present as they have been functioning. We give at least a partial list of these officers: General superintendent of the Sunday School, Bert Stice; General S. S. secretary, L. D. McKee; Seven S. S. Teachers; Training Union director, H. L. Duckett; Training Union secretary, Mrs. Bert Stice.

The new church called Rev. W. H. Scantling as pastor.

Before this action was taken, however, Miss Carolyn Duckett favored the congregation with a well-rendered vocal solo, accompanied by Miss Betty Ramsour at the piano.

This was followed by a wise and forceful address by District Missionary Frank E. Swanner of Plainview.

L. D. Howell of the First Baptist Church led all the song services of the occasion. Quite a goodly number of the members of the First Baptist Church were present, as were also other visitors, including a number of Baptist ministers of the area.

The District of Columbia had a delegate in Congress for four years, 1871 to 1875.

Mayor Is Speaker At Lions Meeting

Mayor Roy E. Edwards was the speaker at the regular meeting of the Lions Club Tuesday night.

Mr. Edwards spoke on the way and means of the Tahoka city government and discussed the project of seal-coating the city streets.

The club voted to participate in beautifying the city park. The Lions will have one plot of the park on which to work.

The men recently began bringing sack lunches to their meetings instead of meeting at a local cafe, and so far the idea has been successful, L. T. Streech, publicity chairman, said. The club has also reduced dues to approximately one-third of what they have been in the past.

One visitor was present, L. O. Rickard, of Lubbock.

G. D. (Lefty) Squires left for his home in Angleton this mid-week following a visit here with his mother, Mrs. J. A. South, and sister, Miss Mary Squires. He has been employed by Glenn McCarthy for about ten years.

There will be a bake sale at Southwestern Public Service office Saturday from 9 to 12 a. m. for benefit of the Tahoka Youths.

Tahoka Scouts Tell Of Trip To Jamboree In California

Three Tahoka Boy Scouts, Guy Witt, Donald Renfro, and Karl Prohl, who recently attended the Boy Scout Jamboree in California, told of their trip at Tahoka Rotary Club Thursday noon of last week. A total of 50,000 boys attended the Jamboree.

Renfro told of the trip on the way out. Witt told of the activities at the Jamboree, and Prohl told of the return trip. The boys were in a party of 115 Scouts of the area traveling by TNM&O busses to and from the Jamboree.

Renfro said the group left Lubbock on Thursday, July 9. They spent the first night in Boy Scout Camp Roosevelt near Pueblo, Colorado. Next morning they visited Royal Gorge, and went to the bottom of the spectacular canyon on the cog-car. Crossing the Continental divide at Monarch Pass, they spent the night in Price, Utah.

Saturday, they went to Salt Lake City, where they visited the Mormon Temple grounds and took a swim in Great Salt Lake, spending the night in that city.

Sunday morning, the group attended church in Delta, Utah, and Sunday night was spent in Tonopha, Nevada, and the next night was spent in Bishop, Calif., at the school, where they took a swim in the school pool. Tuesday, they were guests of the Los Angeles Lions Club at noon, and drove on to the Jamboree grounds that afternoon.

Witt said a trip to Catalina the trip's highlights. A most impressive sight was one of the thousands of flags were

raised on the camp site.

Another impressive sight was the swimming periods in the Pacific Ocean, with 5,000 boys hitting the water at a time. A remarkable factor, Witt thought, was that there was not a single casualty on any of the swims during the Jamboree worse than jellyfish or stingaree stings.

Friday night, the first assembly of the 50,000 Scouts and 50,000 visitors was held in the area, two miles by foot from the camp grounds. Most interesting part of the program was a panoramic depiction "The Conquering of the West."

Saturday, the boys worked on projects, and that night went back to the arena, where the Roy Rogers troupe presented a show. Worship services were held Sunday for Protestants, Jews and Catholics. Back at the arena at night, an impressive candlelighting ceremony featured the passing of a lighted candle from boy to boy until the entire 50,000 Scouts had handled it. Vice President Nixon made the principal talk.

Monday, Tuesday and Wednesday training courses were featured, with some more swimming, a jet and helicopter plane show, and other events thrown in.

Monday night, Dorothy Lamour and other movie stars entertained Tuesday night it was Bob Hope and others.

Thursday, the boys broke camp, participated in an all-Scout show that night, and were ready to start home Friday morning.

Guy said representatives from various states did quite a bit of bragging and he found out Texas people do not have a monopoly on this type of vocal exercise.

The Tahoka boys carried along 25 horned toads, which they sold to "greenhorns" from other states for a total of approximately \$20.00. They had a lot of fun trading, bartering, and bantering with boys from other sections of the nation and the world.

Karl Prohl told of the return trip. They visited Las Vegas, Nevada and the great Hoover (Boulder) Dam and lake, and spent the first night at Kingman, Arizona.

They spent some time at the colorful Grand Canyon, and then drove on to Gallup, N. M., where they spent that night.

Sunday morning, the group split up to attend Sunday School and church services in Methodist, Presbyterian and Catholic churches of Albuquerque.

They arrived back in Lubbock late Sunday, July 26, to close out a trip each of the three boys will remember all their lives.

Each boy made an interesting talk, injecting a little wit and humor as they went along.

Special guests at the club to hear the boys were their parents, Mr. and Mrs. John Witt, Mr. and Mrs. Herman Renfro, and Dr. and Mrs. Emil Prohl.

The very interesting and entertaining program was arranged by Mitchell Williams.

President Winston Wharton announced that Joe Marshall and Frank Hill would be in charge of the programs during August.

Prior to the program, the immediate past president of Tahoka Rotary Club, Tom Gill, was presented the official past-president's pin by Maurice Bray, who praised Tom's work as head of the club this past year.

Mrs. Alice Burk of Georgetown left for home Tuesday after having spent ten days here visiting her cousin, Mrs. J. H. Kuykendall.

Margaret Durham, Greenville Man, Are United In Marriage

Miss Margaret Durham became the bride of Fort McMeans of Greenville in a formal candlelight ceremony Saturday night in the home of the bride's parents, Dr. and Mrs. K. R. Durham. The Rev. Lee Ramsour, pastor of the First Baptist Church, officiated as the double ring vows were taken before the mantel, which was decorated with a bouquet of white gladioli and banked with greenery and trailing ivy.

The bride's brother, Kenneth Durham, Jr., lighted the candles. Mrs. W. P. Hutchison, aunt of the bride, offered a piano medley of traditional wedding music and accompanied Mrs. Garland Pennington as she sang "O Promise Me" and "I Love You Truly."

Given in marriage by her father, the bride wore a waltz-length gown of pale green organdy styled with a wide scalloped neckline and cap sleeves. The bouffant white organdy overskirt had a deep embroidered border. Around her waist she tied an organdy cummerbund.

Her veil of imported French illusion was held by a band entwined with white organdy and seed pearls. She carried a bouquet of feathered carnations centered with an orchid.

Miss Dorothy Durham attended her sister as maid of honor. She wore a dress of yellow organdy and carried a bouquet of white asters.

P. R. McMeans served his son as best man.

Following the ceremony, a reception was held. The bride's table was laid with a cutwork linen cloth in pastel shades. A wedding cake was surrounded by ruffled net and tiny yellow flowers. Mrs. Harold Deteau of Sherman, sister of the bridegroom, and Miss Dorothy Durham presided at the table.

For a wedding trip to Waco, where the couple will make their

AGED MAN HERE
J. B. Olive, 95, of Slaton, was in Tahoka Thursday of last week to vote for Mrs. J. L. (Rosa) Jolly a contestant in the Rutherford sale event.

Mr. Olive, who looks to be about 75, was born in Lawrence county, Tenn., Jan. 13, 1858. He remembers many events of the Civil War, in which his father died. In fact, from his childhood home, he remembers hearing the cannon shots in the Shiloh battle.

He first came to Texas in 1878, and later came back to live permanently. He has lived in Slaton since Jan. 13, 1919, and says he expects to continue living there just as long as the Good Lord will allow.

He has three living children, 14 grandchildren, 19 great grandchildren, and seven great great grandchildren.

"Stonewall" Jackson, the Confederate general, was accidentally killed by his own man in the battle of Chancellorsville, in 1863.

A Shoshone Indian girl named Seajawa, which means "Bird Woman," guided Lewis and Clark Expedition through the Northwest

home, the bride chose an off white shantung string suit with black accessories.

The bride is a graduate of Tahoka High School and of Baylor University. The bridegroom was graduated from Greenville High School and Baylor University, where he is now working on his master's degree in education. He is employed by the Baylor Press.

Mr. and Mrs. P. R. McMeans of Greenville, parents of the bridegroom, and Mr. and Mrs. Harold Deteau and two children, Diana and Dickie, of Sherman were among the out-of-town relatives here for the wedding.

PRICE the "low-priced" cars, add a few dollars more, and there you are. Because that's all the money it takes to buy this great new 1953 Buick SPECIAL.

That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess—its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you can get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few dollars more than the cost of the so-called "low-priced three."

Add another happy surprise. In this Buick you get a long list of "extras"

Move right in for less than you think

at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear—things most other cars of similar price charge as extras.

So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.

Basinger Uses Four Small Wells

T. H. Basinger a cooperator of Lynn Soil Conservation District has bench leveled 26 acres of his farm, 16 acres was completed in October, 1952, and 10 acres has just been completed.

He has four small irrigation wells to furnish water for irrigation. The land that was bench leveled in 1952, 10 acres was planted in wheat for winter pasture and 3 acres planted to alfalfa. He has carried the head of stock on it since April. The 10 acres that has just been completed will be planted to wheat thus giving him two fields for winter pasture so he can carry a large herd.

The three acres of land that was bench leveled in 1952 will be planted with a mixture of bromegrass, Kentucky Fescue 31 and perennial ryegrass.

Basinger states this will allow him to carry more stock through the summer months. He also says that it is time to raise more livestock and not so much cotton.

Basinger has another 80 acres dry land farm that has been border leveled. He states he can work the land just as easy as working terraced land. He also says he likes it better because he gets the full benefit of all rain fall spread evenly over his land instead of a few rows beside the terraces.

Basinger became a cooperator of the Lynn Soil Conservation District in October 1944. The technical assistance was provided by personnel of the Soil Conservation Service.

Ask Cooperation On City Parking

In compliance with request from the State Highway Department, the Tahoka City Council has instructed the city police to tighten down on double parking, especially trucks, on the streets of this town.

Mayor E. R. Edwards asks that citizens of the city and county cooperate with the officers in following better parking practices, which will help prevent accidents and will also facilitate the flow of traffic through town.

New parking lanes are being painted in the downtown area, and areas where no parking is allowed are also being repainted.

Center parking may continue on the west side of the square, but this parking area is being moved eastward to widen the lane on the west side of the street.

Junior Baseball Play In Finals

Wilson State Bankers defeated Bray Chevrolet 29 to 0 at Tahoka last Sunday and eliminated the locals from further league play.

The Wilson boys thus gained the right to meet Tahoka's Bill Strange Motors in the championship play-off.

The first of the best two out of three game series will be played at Wilson Sunday, the second in Tahoka August 16, and if a third is needed the teams will return to Wilson park.

Bill Strange Motors defeated the local Tahoka Black Cats 21 to 6 in an exhibition tilt last Sunday. Richard Havens was the winning pitcher, and John L. Martin was the loser. Pat Green and Gordon Smith led the hitting attack for Strange, and Chester Hood paced the Black Cats.

Sunday's game between Bill Strange and Wilson will start at 2:30 p. m., and fans are invited to attend, according to Ted Pridmore, the Junior League secretary.

Dr. Thomas Is In 'Dog House' Result Of Fishing Trip

Dr. Skiles Thomas is feeling pretty low. His wife has him behind the "eight ball."

The reason? Mrs. Thomas, or Alta, as she is known to many, and the Doctor went fishing. All the Doctor caught was a "sucker" and Alta hauled in three one and a half pound trout. And, to make matters worse, she has been broadcasting her achievement.

It seems that the couple went down to visit her parents at Galveston a few days of their vacation. On their return, the couple picked up their four children and Skiles' mother, Mrs. C. A. Thomas, and proceeded to Eagle Nest, N. M., to fish, rest, and visit Mr. and Mrs. Otho Thomas.

Against his better judgment, the Doctor took his wife with him to the lake. And, now, look at his fishing reputation!

WISE COUNTY REUNION

The annual Wise County reunion will be held at Mackenzie State Park in Lubbock Sunday, August 16.

All former residents of the county are urged to come and meet old friends, bring a basket lunch to be spread at 12:30, and hear a short program at 2:30 p. m. Signs will be erected to indicate the meeting place.

Mrs. Thomas Is Buried At Post

Mrs. A. B. (Betty) Thomas, 69, a resident of the Garnolia community for 30 years, died Thursday afternoon of last week in Garza Memorial Hospital of Post after an illness of a year and a half.

Funeral services were held Saturday at 3 p. m. in Post Church of Christ with Dean Brookshire, Lubbock minister, officiating, and burial followed in Terrace Cemetery at Post.

Mrs. Thomas was born, reared, and married in Williamson county, and she and her husband later moved to Hill county, from which place they came to Lynn and Garza counties years ago. About four months ago, the couple retired from farming and moved to Post.

She is survived by her husband; five daughters, Mrs. J. W. Willingham of Wilson, Mrs. Leona Sanderson of Lubbock, Mrs. E. W. Hood and Mrs. W. B. Roberts of Post; Wayland Hood and Joe Williams of Midland; and Gerald Bullard of Lubbock.

Grandsons and husbands of granddaughters serving as pallbearers include Walter B. Holland, Loyd Mock, and Glenn Roberts of Post; Wayland Hood and Joe Williams of Midland; and Gerald Bullard of Lubbock.

Granddaughters and wives of grandsons serving as flower girls include Lillian Hood, Midland; Lois Holland and Betty Mock, Post; Kay and JoAnn Hoskins, Lamesa; and LaVern Bullard, Lubbock.

Car Is Overturned North Of Town

One man was slightly injured and two others shaken up when a car driven by George McIntyre of Lubbock overturned Tuesday at about 6 p. m. on U. S. Highway 87 north of Tahoka near the J. C. Lackey home.

Mr. McIntyre received treatment at Tahoka Hospital. Two passengers, C. J. Atwood and D. J. Patterson, also of Lubbock, were not injured. They had been to Lamesa to repair an irrigation pump.

The car is said to have rolled over twice and hit a telephone pole guy wire.

Mrs. A. H. Hood, formerly of Central but now living in Post, is reported by her daughter-in-law, Mrs. E. W. Hood, to be doing fine though she is still in a wheel chair. Mr. Hood passed away a few weeks ago.

Pythian Sisters Friendship Night

Lynn Temple No. 45 of the Pythian Sisters Tuesday night held its regular meeting and Friendship night, being hostess to members from Big Spring, Lamesa and Lubbock.

The Temple paid tribute to Temple Deputies Helen Ellis of Tahoka and Lillian Gohardt of Lubbock and District Deputy, Sallie Turnbow of Lamesa. Love gifts were presented to Mrs. Turnbow and Mrs. Ellis.

Following the meeting Elvora Curry and Lucy Brice presented a prevue of Mrs. Turnbow's year as district deputy, followed by tap dance numbers by Linda Millikin, accompanied by LaVoyle Parker.

Plans were discussed in regard to the Pythian Homecoming to be held in Weatherford, Sept. 6. The Temple voted to send \$2.50 to the special fund for the Homecoming meal for children.

Hostesses were Peggy Huey, Jean Freeman, Zella Taylor, Floyce Sherrod, Blanche Burrow and Gena Faye Adams. Twenty-six members and twelve visitors were present.

The next regular meeting will be Aug. 18 at 8:00 p. m.

Wheat Allotments Are Being Mailed

Notice of 1954 wheat allotments for Lynn county farmers are being mailed out this week, according to Dee Green of the Lynn county PMA office.

The referendum on wheat marketing quotas will be held in the local PMA office on Aug. 14.

All producers having more than 15 acres allotment are eligible to vote on marketing quotas, and are requested to express their sentiments by voting. Mr. Green says.

Three Injured In Car-Truck Wreck

Three San Angelo people were injured, one seriously, when a car ramed the rear end of a Plains Butane truck eight miles north of Tahoka at about 5:45 p. m. Saturday.

Mrs. Aline Ingram, 45, received breaks in both her forearms, head and body injuries; R. K. Spurgeon, 33, received lacerations about the head and bruises; Pat Curlee, 48, San Angelo, face lacerations and a broken collarbone; and two small children, nephew and niece of the Ingram woman, only shaken up. All were taken to Tahoka Hospital for treatment.

Spurgeon was driver of the 1951 Ford, and all the above were occupants of the car.

Hershel Grady McElyea, Lubbock, driver of the truck, was uninjured.

The occupants were en route to Lubbock to take one of the men to Reese Airforce base. Mrs. Ingram was keeping the children while their mother went to California to visit the husband and father who is in the Service.

Campbells Observe 64th Anniversary

Mr. and Mrs. J. C. Campbell of Tahoka had been married 64 years on Tuesday, August 4, an occasion which few couples live to celebrate.

Each year the Campbells have a reunion on a date near the anniversary of the couple. This year's get-together will be held on next Sunday, August 9, in MacKenzie State Park at Lubbock.

Last year the reunion was held at Roaring Springs, but Mrs. Campbell did not get to attend. If her health permits, both Mr. and Mrs. Campbell expect to attend the reunion this Sunday however.

FARM HOME DESTROYED BY FIRE MONDAY NIGHT

The T. M. Ellis home on the farm at Three-Lakes was destroyed by fire of unknown origin on last Monday night.

Bill Ellis, son of Mrs. T. M. Ellis and the farmer of the place, lived in the house but was not at home the night of the fire.

Gerald Short, son of Mr. and Mrs. Chester Short, left Tuesday for a three weeks visit in Riverside, Calif., with his brother-in-law and wife, Airman First Class and Mrs. Donald Akin. Mrs. Akin is the former Miss Wanda Joyce Short.
