Number 4

Tahoka Playing At Abernathy Tonight

Tahoka Bulldogs will play the highly regarded Abernathy Antelopes in that city tonight at 8:00 in a District 5-AA conference game.

A large delegation of Tahoka fans, the school band and pep squad will follow the team to the game.

Last Friday night, in misty weather, Tahoka nosed out the Post Antelopes 20 to 13 in a game played here, the first district game for the local boys.

Abernathy has played two conference games, winning over Post at Post 32 to 7 two weeks ago and losing to Floydada 12 to 6 in the mud last Friday.

On the basis of comparative scores, Abernathy has been picked as the favorite against Tahoka.

However, the charges of Coach Bill Haralson and Coach Sharpley have been looking sharper this week in work-outs than they have looked previously this season, and have been showing more hustle and desire to play, and a close game is expected.

The chips are really down for the Tahoka boys, though, and every boy must play his best as four hard conference games now come in a row, Abernathy, Slaton, Floydada, and Spur.

Tahoka will meet the Slaton Tigers here next Friday night.

Over the season, Abernathy has won four and lost two games. Abernathy defeated Tullis 45 to 0, Stanton 20 to 13, Sundown 13 to 12, and Post 32 to 7. They lost a non-conference game to powerful Olton of 2-AA 12 to 27, and then dropped a close one last week to the Floydada Whirlwinds 6 to 12.

The Antelopes are coached by Royal James and Earl Carter.

Outstanding backfield ace is Geronimo Ramos, 155 pound quarterback, who is a good passer and runner. Other good ball carriers are Lawrence Barron, 138; Reggie Powell, 140, and Roy Sons, 158.

Bonnie Beard, 153, is said to be one of the outstanding ends in the district. Ralph Wolf, 160, is the other end. Tackles are Joe Connell, 172, and Bill Lewis, 169. Guards are Olan Goldston, 155, and Richard Knight, 140, and the center is Wayne Ray, 165. There are also several good reserves.

Tahoka will be playing without the services of its regular center, Bobby Williams.

The Bulldogs have shown a weakness in the line at times, and are also short on good reserves.

City Hall Work Is Progressing

Work is now proceeding at a more rapid rate on the new \$50,000 Tahoka City Hall building.

The contractor Alston Construction Co. of Sweetwater, is now working inside the building plastering walls.

All windows and doors have been installed, the concrete roof poured, and the paper and asphalt roof coating was being applied this week. Only a minor amount of brick work remained to be done on the outside.

Most of the interior work will move slowly, but the contractor hopes to complete the building by December 15.

When complete, the structure will be one of the most modern public buildings in this entire area.

Mrs. G. C. Shaffer is visiting her son, G. C., and family in Madisonville. She also expects to visit in Houston and Dallas before returning home.

Mrs. G. H. Nelson of Lubbock was here Monday having some dental work done and visiting Mrs. Frank Hill.

Teachers Meet At New Home

Members of the Lynn County Teachers Association met Monday night at New Home in a business meeting with Mrs. Pearl Davidson of Wilson, president of the organization, presiding.

New policies for the district teachers meeting and teachers' retirement plan were presented in talks by Mrs. Lenore Tunnell and J. T. Morris, Supt. C. O. Head of New Home expressed appreciation of the good teachers in the schools of Lynn County.

Several committees were appointed at the meeting including the following:

Program committee, Marie Johnson, Tahoka, chairman; Mrs. Lillian White, O'Donnell; Mrs. W. P. Jones, Wilson; Mrs. M. Bullard, New Home.

Legislative, Mrs. Lenore Tunnell, county superintendent of Tahoka, chairman; J. T. Morris, O'Donnell; J. E. Hewlett, Wilson; G. O. Head, New Home.

Public Relations, Otis Spears, Tahoka, chairman; Claud Johns, Grassland; Mrs. Ferman Chapman, Tahoka.

Professional Relations and Welfare, W. Y. Gravett, O'Donnell, chairman; Otis Spears, Tahoka; Mrs. Lenore Tunnell, Tahoka; and Jake Jacobs, Tahoka.

Archie Sims of Tahoka was elected county chairman of the T. S. T. A. election board.

All Lynn County schools reported 100 percent membership in the T. S. T. A.

The next meeting will be a dinner Feb. 1, 1954 in Tahoka.

Mrs. Campbell, 80 Taken By Death

Mrs. J. C. Campbell, 80, a resident of Tahoka for 31 years, died in a Lubbock Hospital at 9 a. m. Sunday. She had been in ill health since 1948, and had been critically ill since late in September.

Funeral services were held at The First Baptist Church at 3:30 p. m. Monday with Rev. Lee Ram-sour, pastor, officiating, assisted by Rev. J. H. Sharp, pastor of the Methodist Church. Burial followed in Tahoka Cemetery under direction of Stanley-Jones Funeral Home.

Mrs. Campbell was born Lee Belle Abrams in Kaufman county on April 26, 1873. She grew up there and was married to J. C. Campbell on August 4, 1889. The couple had celebrated their 64th anniversary this last August.

The couple first moved to Stamford, and from there to Lynn county in 1922. They have resided here ever since. Mrs. Campbell had been a member of the Baptist Church since soon after her marriage.

Survivors include her husband, who is 84 years of age; two daughters, Mrs. Roy Appling of Grassland and Miss Avis Campbell of Tahoka; three sons, C. E. Campbell of Wilson, D. G. Campbell of Crowell, and Roy Campbell of route 5 Lubbock; one brother, George W. Abrams of Lawton, Okla., four grandchildren and 10 great grandchildren.

Judge E. P. Maddox, who recently had a severe attack of illness, is able to be out again. At first his physician believed he had suffered a light heart attack, but the ailment turned out to be acid indigestion.

Mrs. B. H. Robinson of Robinson's Ready-to-wear was in Dallas this week for the meeting of the American Fashion Association Spring Market.

Business inventories are steady, contrary to seasonal trend.

"HEY THERE, MR. BAGPIPER"—Three-year-old Bobby Jo Bailey of Dallas ran to the side of Scottish Bagpiper Bobby Laidlaw and tugged his kilt in a vain attempt to get his attention while he shrilled a tune on the lawn of the Texas Scottish Rite Hospital for Children. Laidlaw and 21 other members of the Plymouth Kiltie Band gave a concert at the hospital in Dallas before 40 tiny patients, including Bobby Jo who is undergoing free treatment for a crippled hand. P. S. There was a happy ending for the two Bobbys. As soon as Sgt. Piper Laidlaw finished the tune ("The Eyes of Texas," no less), he laid down his pipes and talked to the little girl.

Wilson Lions Start Campaign For Improving of Community Cemetery

Wilson Lions Club has taken for one of its projects for the coming year the improvement of Wilson Cemetery, according to B. L. Hatchell, president of the club.

A committee from the club met Friday night with representatives from various Wilson religious organizations to make plans for the improvements.

A goal of \$1,000.00 has been set to be raised by public subscription with which to drill a new water well, buy a new electric pump, and to make other improvements needed to have an adequate water supply at hand for beautifying the cemetery.

The community will be canvassed by a group seeking donations for this worthy cause. Anyone wishing to make a donation who is not contacted, is asked to see or send his contribution to B. L. Hatchell, route 1, Wilson, chairman, or the Cemetery Improvement Fund, in care of Wilson State Bank.

Goal of the Lions Club and Wilson community is to make the cemetery a very beautiful plot of ground, in which the community and county can take pride.

Lions Club Builds Bicycle Racks

Continuing projects for civic improvements, the local Lions built a bicycle rack for the Tahoka schools Wednesday night.

Another rack may be built in the future depending on the response of the students to the present one.

The rack was built from two inch, one and one-half inch, and three-quarter inch pipe and will hold 30 bicycles. It is 20 feet long and 30 inches high. Each rack cost approximately \$25, according to Bill Griffin, publicity chairman.

The club has just completed a fence at Kelley Field and repaired and repainted the scoreboard.

At the Tuesday night meeting, Mr. Griffin reports that only three men were absent. No program was presented due to the fact that plans were being made for building the rack.

MOVE TO SOUTH TEXAS
Clarence Kopecky, who lived southeast of Tahoka for about eight years, left this week for Fort Lavaca, where he expects to raise rice on his sister's farm.

French plan to ask U. S. for \$150,000,000 for Indo-China aid.

New Home Club Meets Monday

Another interesting program has been planned for the monthly meeting Monday night of the New Home Civic Club at 8 p. m. in the school cafeteria, according to Durwood Unfred.

The men's club will be served a dinner, and a door prize will be awarded some attendant.

C. V. Ball Lamesa businessman, will present a 45-minute program of magic featuring some almost unbelievable feats.

A short movie will be shown of "The Recharge Pit."

All men of the community and area are urged to attend.

Buy, Build, live in Tahoka.

Meet the Bulldogs

BILL MOORE

Age 16, weight 155, Junior, no experience. Mother: Mrs. Jim Adams.

JERRY WILLIAMS
Halfback
Age 15, weight 136, Sophomore, Freshman experience. Father: Carl Williams.

General Rains Of Week Bring People Optimism

Garza Oil Test Is Of Interest Here

The Jim Lee Drilling Co. No. 1 Bryan Williams deep wildcat, announced just a few days ago, had reached a depth of 2,632 feet Tuesday, and was drilling in anhydrite and shale.

The test is just over in Garza county northeast of Central Church, and is near a previous test reported as a dry hole. Location is in section 1419, block 1, EL&RR survey.

General Promises Toll Service Soon

W. D. Harmon, manager of Puka-Lambro Rural Telephone Cooperative, says some people misunderstood a recent story in The News concerning work now underway at the Tahoka General Telephone Company exchange which will connect the two systems for toll services.

The connection which General hopes to make at an early date is for toll services only. Connection for extended area coverage is expected to come later.

However, the present temporary connection will give customers of the Cooperative an outlet to the outside world for emergency or long distance calls, and calls into Tahoka as a result of this connection will temporarily be on a small toll basis.

General Telephone has promised connection for extended area coverage just as soon as necessary equipment can be secured and installed.

W. S. Perry, 77, Buried Monday

W. S. Perry, 77, a resident of Lakeview community in Lynn county for 37 years, died at 8:10 p. m. Saturday in a Lubbock hospital following a week's illness. Since last January, he had been living in Lubbock with a daughter Mrs. Lora Watson.

Funeral services were held Monday at 2:30 p. m. at New Home Baptist Church with Rev. O. E. Strickland of Plains officiating. Burial followed in Tahoka Cemetery.

Mr. Perry was born in Burleson county on Oct. 22, 1876. He married there at the age of about 20, and he and his family moved to Lakeview in 1916. Mrs. Perry died in June of 1951. Mr. Perry had been a deacon in the Baptist Church for about fifty years, and was one of the most highly respected citizens of his community.

Survivors include six daughters, Mrs. Roy Nettles and Mrs. Perry Harmonson, both of Lakeview, Mrs. Buster Bartlett of Lorenzo, Mrs. Lora Watson, Mrs. V. L. Dillard, and Mrs. J. G. Clapton, all of Lubbock; four sons, H. H. Perry of Gladiola, N. M.; J. B. Perry of Maryville, Calif.; S. W. Perry of Lubbock, and Rev. Wayne O. Perry of Sudan; a half sister, Mrs. John Dyer of Rockdale; 31 grandchildren and 21 great grandchildren.

Six grandsons served as pallbearers, namely, Leroy, Edwin, and Leonard Nettles, Floyd Harmonson, Charles Benton and Richard Perry.

Walker Named To Canadian Board

Clint M. Walker was recently named by the Tahoka City Council as the local representative on the Canadian River Water District project.

He succeeded Bill Strange, Jr., who had resigned from the board.

Farm Meeting IS Set For Saturday

A meeting of all Lynn county farmers interesting in the 1954 cotton allotment has been called for 2:00 p. m. Saturday in the district court room here by Guy Smith, president of the Lynn County Farm Bureau.

Under the new control program being worked out, Secretary of Agriculture Ezra Taft Benson and others have proposed an acreage of 17,910,448 acres to be planted in cotton in the nation in 1954. The Farm Bureau is protesting this drastic cut and asking for a total of 21,500,000 acres. Smith says Texas' allotment would be about 7,304,000 acres, and the Bureau is asking for 8,939,600.

Smith says the average Texas farmer can expect a 40 percent reduction from the 1952-1953 planted acreage.

Another point which hurts an area like this which has suffered from drought for three years is the fact that the allotment will be based on harvested acres instead of planted acres. Unless an adjustment is made for unfortunate areas like this, the drought stricken farmer will be cut to a greater amount of acreage proportionately than the more fortunate sections.

Base for the acreage reduction is being figured from the harvested acres for five years, 1947 through 1952, excluding 1953, a good crop year on the South Plains.

Eastern Star Has Friendship Meet

Approximately 125 guests from 12 towns attended Friendship night of the Tahoka Chapter No. 743 Order of the Eastern Star here Monday night and gifts were presented to 18 special guests.

The Hallowe'en theme was carried out in decorations and the program. A boys quartet composed of Willie Lee, Billy Tong, Jimmy Whorton, and Gordon Smith presented musical numbers accompanied by Mrs. E. W. Patterson. Mrs. A. M. Bray told the group a "ghost" story and Dr. Emil Prohl, the ghost at the meeting, presented the gifts to the special guests. Miss Jane Morehead, Worthy Matron, presided at the occasion.

Guests holding high-ranking offices were Mrs. Milly Goodpasture of Brownfield, Grand Examiner of district No. 2; Mrs. Fannie Patterson, Slaton, Deputy Grand Matron of District No. 2, Section No. 4; and Mrs. Pauline Smith Lubbock, member of the by-laws committee.

Mmes H. W. Carter and Joe Bob Billman were in charge of the program and Mrs. Bill Biggerstaff was in charge of refreshments.

Grade of cotton in the irrigation areas will also be lowered by the rain and hail.

Heaviest rain was in the north one-quarter of the county, where five to seven inches were reported from parts of the Petty, Lakeview and Wilson communities.

Most other areas have reported two inches or more. New Lynn farmers report two to four inches, Grassland two to three; Draw and Redwine three to four, Midway two and half to three, West Point three or more, O'Donnell 2.70, Wells three to four inches.

The rains will permit dry land farmers to list up that land not already listed and get it ready to soak up any other moisture that may come before next spring.

Man Is Fined Here On Liquor Charge

Billy Hugh Ervin of Lubbock was assessed a fine of \$750.00 and costs in court last week on a charge of illegally transporting intoxicating liquors in a dry area.

Frank Mims of Tahoka was fined \$1.00 and cost on a charge of defrauding with a worthless check.

Mr. and Mrs. L. R. McCormick of Wilson, Rt. 2, on the birth of a daughter weighing 6 pounds and 9 ounces at 8:40 p. m. Tuesday in a Lubbock hospital.

Lynn county, the Plains, and West Texas received the best general rains last week end that have fallen in many months—in fact, the rains were possibly the best since the year 1949. The rains extended over much of the nation, as well.

Total precipitation in Tahoka amounted to 1.88 inches, but the fall was possibly lighter in town this time than nearly any where in the county.

Also, in most areas, the rain fell slowly, lasted over a four day period, and the water soaked into the ground to give the farmers a basis for a deep season on which to plant next spring.

Though the rains do not necessarily mean the drought has come to an end, the drought is certainly badly "bent" and not so much rain will be required in the next few months to keep moisture in the soil.

The rain in Tahoka brought the precipitation for the month of October to 2.69 inches, as compared to a 30-year average of 2.33 inches in October.

The rain brought the year's total to 9.75 inches, as compared to a normal of 17.59 for the ten months, or an annual average of 18.07 inches.

Tahoka has received the following amounts of rainfall this year by months, with the normal in parentheses: January, .03 (.66); February, .29 (.66); March, .90 (.58); April, .82 (1.29); May, .52 (2.93); June, .11 (2.64); July, 1.03 (1.83); August, 1.91 (1.96); September, 1.53 (2.71); October, 2.69 (2.33). Normal rainfall for November is only .75 and for December only .73.

Rain started falling at about midnight last Tuesday in Tahoka and amounted to .10 here; .37 of an inch was received Thursday, .92 Friday, .04 Saturday, and .45 Sunday.

Some parts of the county, however, received almost torrential rains, up to possibly five and seven inches.

Hail damaged possibly 2,500 acres of irrigated crops along the north line of the county. Most of the destruction was north of New Home, where irrigated cotton was badly damaged. County Agent Bill Griffin estimated that 200 to 400 acres were totally destroyed, and the remainder hail fell to the eastward along the Lubbock county line, with damage being reported to irrigated cotton on the Clarence Church, Felix Nolte, and Bertram Hatchell farms, and lighter damage to others.

Grade of cotton in the irrigation areas will also be lowered by the rain and hail.

Heaviest rain was in the north one-quarter of the county, where five to seven inches were reported from parts of the Petty, Lakeview and Wilson communities.

Most other areas have reported two inches or more. New Lynn farmers report two to four inches, Grassland two to three; Draw and Redwine three to four, Midway two and half to three, West Point three or more, O'Donnell 2.70, Wells three to four inches.

The rains will permit dry land farmers to list up that land not already listed and get it ready to soak up any other moisture that may come before next spring.

Congratulations

Mr. and Mrs. Geno Jones on the birth of a son weighing 8 pounds 9 ounces at 8:10 p. m. Friday in Tahoka Hospital. He has been named Byron Neal. The young fellow is the first grandchild of both Postmaster and Mrs. Happy Smith of Tahoka and Mr. and Mrs. Irvin Jones of O'Donnell. The father operates Stanley-Jones Funeral Home here.

Mr. and Mrs. Walter Williams of Tahoka, Rt. 3, on the birth of a son weighing 7 pounds and 9 ounces at 12:53 a. m. Wednesday in a Lubbock hospital.

Mr. and Mrs. L. R. McCormick of Wilson, Rt. 2, on the birth of a daughter weighing 6 pounds and 9 ounces at 8:40 p. m. Tuesday in a Lubbock hospital.

Got News! Call The News, Phe. 25

Cotton Research Benefits Recounted

College Station, Oct.—Oscar L. Grossman of Little River, an ardent follower of agricultural research, offered some interesting facts on his 1953 cotton crop to approximately 1,500 farmers from over the cotton belt who recently convened at the Temple Experiment Station.

The growers met to observe the results of cotton defoliation research and see the performance of cotton harvesters in preparation of going all out in the mechanization of their cotton crops.

Grossman, who farms about five miles from the Blackland station, has been a regular visitor to the station for many years. Since 1948, the first year of cotton defoliation and machine harvesting research at the station, Grossman has followed the work closely.

The Bell County farmer told the group he started spraying his 1953 cotton for defoliation on Tuesday of one week in accordance with recommendations. On the following Friday he re-sprayed with a plant desiccant to eliminate remaining green growth.

On the next Monday, Grossman began harvesting operations and mechanically picked 16 bales. The following day he harvested 20 bales and the third day he finished that particular field of cotton in a little less than 24 hours of actual operation. His total production was 46 bales from 55 acres.

Grossman's experience is cited as an example of the benefits Texas farmers gain when research information is followed closely and put to use in a well planned program of agricultural production.

Local Garden Club Holds Pilgrimage

On Wednesday, Oct. 28 1953, The Chrysanthemum Pilgrimage of the Garden Club was enjoyed to the fullest by the members. The tour started with Mrs. E. R. Edwards home then on to Grassland to see the Chrysanthemums at Mrs. Luther Thomas and Mrs. E. A. Thomas, back to Tahoka to Mrs. Prohl, Mrs. Irving Stewart, Mrs. John Witt and last to Mrs. Haney's for coffee and a short business meeting. The arrangements were interesting and beautiful, they were made and explained by Mrs. J. A. Robinson, Mrs. Emil Prohl, Mrs. D. G. Cook and Mrs. Haney.

The thought for the month, "When for a garden you have turned the sod, you're nearer than you ever dreamed to God."

Mr. and Mrs. Henry Badgwell of Drumright, Okla., are here visiting the Wells families. Mrs. Badgwell is a grand-daughter of the later Mr. and Mrs. J. S. Wells and a daughter of Jim Welcher who now lives in Ardmore.

Local demand, quality, competitive buying and the time turkeys are ready for market along with location are factors which will influence the final price producers receive for their birds.

Drouth Poses Big Range Problem

College Station, Oct.—Three factors of prime importance determine how long overgrazed south and west Texas ranges will take to recover from the drouth.

According to A. H. Walker, extension range specialist, research conducted by Leo B. Merrill at the Sonora Experiment Station shows it depends upon the drain of past grazing, the kind of grasses on the pastures and grazing management after rains. These factors were recently concluded following grass survival tests to determine the effect of three years' severe drouth on native grass cover.

After the application of 4 and one-half inches of moisture to designated test plots, grass plants which did not green up after three weeks were considered dead. A check of the plots showed bunch grasses withstood drouth conditions much better than other grass types. Sideoats grama suffered only 3 percent loss while silver bluestem and wright three-awn showed a loss of 15 and 55 percent, respectively. No loss of little bluestem was observed. Curly mesquite in pure stands suffered 88 percent loss for all stocking rates.

These tests emphasize that light grazing and deferment, must be followed several years if ranges are to recover their former grazing capacity, Walker says. Ranch men should let the plants make some top growth and increase crown size before they are heavily grazed. This will also deepen the root system, the specialist says.

The goal for helping grasslands recuperate should be to have a good cover crop of the best kind of grass, Walker added.

There is still time to plant a winter cover crop. If moisture conditions become favorable, plant immediately. Inoculate the seed of legumes and use plenty of fertilizer if in an area of the state where fertilizer can be used profitably.

Texans interested in the production of peaches can pick up much valuable information by attending peach growers meetings scheduled for Oct. 13-14 at College Station.

W.S.C.S. Discusses Week of Prayer

A discussion based on the use of gift offerings was conducted in connection with a program on the Week of Prayer and Self Denial Monday by the Woman's Society of Christian Service of the First Methodist Church.

Mmes. John Slover and John Reasonover pointed out the places that must depend largely on our gift offerings in order to carry on the work of survival.

With Mrs. Cliff Thomas at the piano, the group sang "Sweet Hour of Prayer," which was followed by a prayer by Mrs. R. W. Fenton, Sr.

Mrs. A. M. Bray conducted the devotional prepared by Mrs. V. F. Jones, who because of illness could not be present. Mrs. Bray also concluded the meeting with a prayer.—Reporter.

D&H SUPER MARKET
 DAVIS & HUMPHRIES, OWNERS & OPERATORS

THE LATE GENERAL, George S. Patton, Jr. who wrote a new chapter in military history with lightning armored thrusts deep into enemy territory during World War II, and Army tankers share honors of the commemorative stamp pictured above.

The U. S. Army is conducting a vigorous tuberculosis-control program in South Korea where the dread disease has been rampant. Within a single nine-month period, the Army administered

399,502 tuberculin tests to children between the ages of six and 14. At the same time, 183,308 children were vaccinated against the disease.

Three factors may hold the answer to how much time will be required to rebuild the depleted and drought stunted ranges of the state. Research done at the Sonora Experiment Station show the drain of past grazing, the kind of grasses and the management practices used after rains finally broke the long dry spell to be of prime importance.

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

A heartening development has occurred in Washington. As a result, there is greater optimism over free enterprise future.

This conclusion follows announcement four major airlines will carry mail over certain routes at reduced rates on year's experimental basis.

The back ground is interesting. For some time, a feeling existed American air transportation is too closely controlled by bureaucratic edict; that Post Office losses which started ballyhoo for rate increases is tied into same picture.

First the Senate Small Business Committee held extensive hearings on situation. Then pertinent parts of testimony were published over nation, chiefly in independent weekly newspapers.

Hearings revealed that instead of seeking bids on open market for air service, both rates and subsidies the Post Office must pay were set down by edict of Civil Aeronautics Board.

Public reaction to this disclosure was so quick that almost immediately it was announced that some \$80-million in air mail subsidies was being taken out of the Post Office liabilities to be paid by CAB who must get money from Congress if it can.

It also revealed that CAB fixed rate for carrying mail for 45 to 53 cents per ton mile is equal or higher than the airlines receive for first class passengers. Independent airlines, or those classed by CAB as irregular, offer to carry mail for 15¢ rate.

Last January the U. S. President whose taxpayers still pay huge taxes to pay for aid to England, ordered the presidential yacht, the much smaller Williamsburg, taken out of commission as economy move.

An interesting "hands across the sea . . . in U. S. pockets" note. England, recipient of millions in aid from US taxpayers will this spring launch a new yacht for royal family. A 413 foot, 21 knot speed luxury ocean going ship, it will be manned by 22 officers and 225 men.

Tests conducted at the Spur Experiment Station show that moisture penetration was doubled on cropland when cotton burrs were spread on the land. The mechanization of cotton harvesting is making more of this material available each year. Plenty of organic matter in the soil is an aid for fighting drought.

College Station, Oct.—The first cool snap of the season brings to mind maintenance and repair jobs that accumulate around the farmstead during the year. And, with winter knocking on the door, W. S. Allen, extension agricultural engineer, says the "stacked-up" chores should get attention within the next few weeks while the weather is favorable.

In winterizing the farm home the roof is a good place to begin. Allen says. Missing shingles should be replaced, loose shingles pushed back into place and nailed and split shingles underlaid with tin or sheet metal.

Limbs that overhang and drag roofs should be removed. Trees that shade a portion of the roof cause dampness to prevail and deterioration of wooden shingles to occur more rapidly. Nails in metal roofs that become loosened during the summer should be re-nailed.

Check the drainage around all farm buildings, Allen says. Water that stands under structures can cause plenty of trouble, he points out. With hard winter freezes, foundations or piers may shift under the force of ice.

Cutters and downspouts are good investments. Faster rotting of siding and framing members will take place if water is allowed to drip from roofs onto the sides of buildings, Allen points out. Gutters and downspouts that are cleared of dirt, trash, leaves and other debris will prevent this condition, he adds.

If the septic tank hasn't been cleaned lately, better look into that, too, for cleaning a tank is a disagreeable job at any time, but in freezing weather, it's double tough.

Another step in winterizing the farm home should be to get floor furnaces, heaters and fireplaces in top operating condition. Make sure there are no gas leaks and that all burners are adjusted properly to prevent the escaping of gas fumes.

Insulation adds comfort to any home, Allen says, not only in winter but in summer as well. If it's impractical to insulate the entire house, insulate the attic, the specialist suggests. About 25 percent of the heat loss through a house goes through the roof. Loose fill or insulated bats in the attic makes the home cooler in summer and warmer in winter with less heating.

Also, to put a stop to the infiltration of cold air, install weather stripping around windows and doors.

And, the headache of broken or frozen water pipes can be virtually eliminated if exposed pipes or those near the surface of the ground are covered deeper before the first real Texas blue northern blows in, says Allen.

Public reaction to this disclosure was so quick that almost immediately it was announced that some \$80-million in air mail subsidies was being taken out of the Post Office liabilities to be paid by CAB who must get money from Congress if it can.

It also revealed that CAB fixed rate for carrying mail for 45 to 53 cents per ton mile is equal or higher than the airlines receive for first class passengers. Independent airlines, or those classed by CAB as irregular, offer to carry mail for 15¢ rate.

Limbs that overhang and drag roofs should be removed. Trees that shade a portion of the roof cause dampness to prevail and deterioration of wooden shingles to occur more rapidly. Nails in metal roofs that become loosened during the summer should be re-nailed.

Check the drainage around all farm buildings, Allen says. Water that stands under structures can cause plenty of trouble, he points out. With hard winter freezes, foundations or piers may shift under the force of ice.

Immediately on heels of this disclosure, it was announced four major airlines will carry all first class mail they have room for between Washington and New York and Chicago for a rate of 18.86 and 20.04 cents per ton mile.

As yet, the independents, or irregulars, cannot carry mail. In fact, CAB has never permitted them a hearing on matter.

Railroads who receive rate estimated slightly above 16 cents per ton mile are concerned. Competition could lower rail rates, too.

Thus it is possible that if free competition is made to prevail, Post Office deficit will turn out nothing more than wasteful operation forced on a major veteran government department by "Johnny-come-lately" bureaus.

The rapid sequence of events establishes that an energetic and sincere Senate Small Business Committee, and House Small Business Committee can get the facts revealed, and disclosure of these facts in the independent American press composed almost entirely of the nation's weekly and small dailies, will do much to guard free enterprise.

An interesting "hands across the sea . . . in U. S. pockets" note. England, recipient of millions in aid from US taxpayers will this spring launch a new yacht for royal family. A 413 foot, 21 knot speed luxury ocean going ship, it will be manned by 22 officers and 225 men.

Football Notes

Bulldog squadmen and coaches are grateful to Fred McGinty, who worked near all Friday afternoon building a shelter over the players' bench to protect them during the Post game from the cold mist and wind. The Bulldogs appreciate such loyal fans as Fred.

Abernathy Antelopes, who entertain the Tahoka Bulldogs to night, held a 6 to 0 lead last week over the Floydada Whirlwinds until the fourth quarter. Floydada was unable to cash in on three favorable breaks in the first quarter. In the second, Abernathy marched 84 yards, with Quarterback Geronimo Ramos going the last 15 yards to score. A Floydada march from the Abernathy 50 in the fourth period ended with Jarrett going over from the four to tie the score 6-6. A few minutes later, Floydada took a short Abernathy punt on the Antelope 15. Four plays later, Harrison went over from the six inch line to give Floydada a 12-6 victory. All conversion attempts were by running the ball, and all failed.

Robert Harvick, who does the scouting for Tahoka, thinks the Bulldogs can win over the Abernathy Antelopes if they play heads-up ball all the way. In Quarterback Ramos, the Antelopes have a fine passer and runner, and also three other good backs. Bonnie Beard is outstanding at end and Bill Lewis at Tackle.

Slaton Tigers' TCU spread did not work well enough in the mud, and Spur Bulldogs powered their way to victory 25 to 13 Friday night at Slaton. Slaton took a quick lead after recovering a Bulldog fumble on the Spur 32. Quarterback Jerry Reynolds scored seven plays later from 12 yards out on a wide left end sweep. Spur retaliated in the second as Blair pitched out to Fullback Hightower, and the latter lateral to Rankin, the play going 9 yards for a TD. The score remained tied 6-6 at the half.

In the third, Bradshaw went 32

A USO club means a friendly place where a GI can write a letter, read or just relax in his off-duty hours. USO is financed by United Defense Fund through Community Chest and other united community campaigns.

yards through the Slaton line to score and McAteer's placement was good.

In the fourth, Blair skirted right end and went 44 yards to bring the score to 19-6. Spur covered an on-sides kick-off and marched for its final score, with Bradshaw going the last 11 a round right end to end the game. Slaton's Reynolds climaxed a 61-yard drive by scoring another TD from two yards out, then passed to Trout for the conversion.

Don Brice, former Bulldogs football and basketball player, is one of the cheerleaders at Texas Tech this year.

FOOTBALL SCORES

- Tahoka 20, Post 13.

Scouts Are Working For Merit Badges

The Tahoka Boy Scouts are working towards merit badges and advancements which will be awarded at a Court of Honor Nov. 16.

At the Monday night meeting the high ranking scouts aided the second class and tenderfoot scouts in working toward advancements. Karl Prohl and Cecil Hammonds, Jr. reported work toward merit badges in camping.

Men attending the meeting were Roy Ford; Cecil Hammonds, Sr., John Witt, and H. B. McCord Jr., scout master.

Working toward more merit badges the scouts next Monday night will make ropes.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Concern grows over Administration drive to stop inflation. No one seems to argue over the goal, just results.

Treasury Secretary Humphrey takes stand easy credit creates inflation, cheapens money. Many preventive measures are being taken including Federal Reserve Board stopping price support of government bonds.

C.W. Harder

With lending money in shorter supply, banks are cutting down on loans, terms. This has affected sales of everything from appliances to new homes.

Here is the difference. Under regulations, all dealers had to abide by the same terms. With present credit control brought about by Treasury manipulation of money supply, independent business is required to combat inflation, while a few huge retail outlets escape a burden.

With lending money at a premium, banks are requiring independent dealers to get a down payment, write contract calling for payment of the balance over a comparatively short period before accepting contract.

But a few huge retailers daily advertise "no money down." The procedure is this. Huge corporate retailers go to banks and borrow millions at a time to finance customer's installment.

purchases. They in turn, charge a higher rate of interest than banks charge to make profit from finance charges and goods, too.

In addition, some retailers have adopted what might be called permanent installment payment plans whereby a customer can buy goods up to any certain limit, pay so much monthly, and can continue buying to the limit of his credit plan.

Therefore, it appears Treasury has decided independent business must fight inflation, while others can increase inflation willy-nilly.

But there seems to be no question that easy lure of "no money down" is customer bait which is harming independent dealer volume, while unknowingly consumers pay huge interest rates.

Yet a few stockholder owned retailer operations are using the situation to take business away from independent competition, and also, if there is any validity to Treasury position, heap coals on the fires of inflation.

Hunting Almost As Dangerous For The Hunted As For Deer

Austin, Texas—Note to hunters: Deer season opens November 16.

That gives you eighteen days to resolve to take it easy with the 30-30 or the shotgun. Look before you shoot, and shoot where you look.

State Health Officer Geo. W. Cox checked statistical tables today and announced that shooting accidents had claimed the lives of 187 people last year. That's more death than was dealt out by typhoid, scarlet fever, smallpox, diphtheria, whooping cough, measles, typhus, malaria, pellagra, and encephalitis combined for the same period of time.

"It's getting so that hunting seasons are almost as hard on the hunters as they are on the game," the health official commented.

How many of those 187 deaths occurred during the hunting season he didn't say. But with thousands of Nimrods taking to pastures for deer and turkey, it's safe to bet the number was needlessly high.

So why not agree with yourself or other members of your hunting party that this year you will: Never carry a loaded gun in your car.

Never lay a gun aside unless you personally unload it.

Never carry your gun with the safety catch off.

Never let your finger rest on the trigger, or even inside the trigger guard—until you take aim at the target.

Never point the gun at anything you don't intend to shoot.

Never mix fire water with firepowder.

Never drag a gun through a fence. Put it over before you climb through.

Never shoot a gun without first checking to see if the bore is clear of obstructions.

Never shoot at noises in the brush. Remember that when wildlife is being stalked it seldom makes a noise that you can hear.

Remember, too, that guns can become toys of death for inquisitive youngsters. Unload yours before you get home.

BIRTHDAY PARTY FOR MRS. SALLIE E. KEMP

Mrs. Sallie E. Kemp was honored with a surprise birthday party at 3:00 p. m. Thursday of last week by her daughter, Mrs. J. K. Applewhite, and a few friends of long standing.

Guests included Mr. and Mrs. I. M. Draper, Mrs. G. W. Forsythe, Mrs. George Small, Mrs. W. T. Clinton, Mrs. Vesta Redwine, and Mrs. W. D. Smith.

Cake and coffee were served, and decorations of autumn flowers were used.

Korea has an estimated 42,000 lepers of whom 15,919 are reported to be in 17 leproseries which the U. S. Army helped to establish. During the Korean war, the Army also set up special homes for children of leprosy patients.

The "stacked-up" chores about the farmstead should get attention while the weather is favorable for making the necessary repairs and doing outside work. Winterizing the farm is one job that can't very well be put-off without losses.

There are at least five reasons why planting seed should be treated. Seed borne diseases are controlled; the seed are protected in the soil; stands are improved; yields are increased and quality of the crops improved.

Plan On Retiring? Then, Check Up On Social Security

If you are planning on retiring, it might be to your advantage to have a talk with a representative of your local social security office well in advance of your planned retirement date.

Inasmuch as retirement payments are based on your average monthly wages or average monthly income from self employment, the time you file your claim may effect your monthly check, he declared.

"Don't quit your job until you are sure you are insured," Hutton, cautioned. He said that your local social security representative will give you information that may help you decide on the best time to file your claim and will advise of the documents or evidence necessary to prove your right to pay ments.

Phone or call at your local social security office and ask for the leaflets, "An Easy Way to Estimate Social Security Payments" and "Your Social Security."

The address of the Social Security office is 1616-19th street, Lubbock, or you may contact the representative of the office who will be in Tahoka on November 5, at 9:00 a. m. at the Post Office.

THE LYNN COUNTY NEWS

FRIDAY, OCTOBER 30, 1953

WILSON 4-H CLUB BOYS ELECT NEW OFFICERS

On October 22, 1953, the 4-H Club of Wilson met in the auditorium of Wilson High School. We elected officers.

For President, we elected Kenneth Ethridge; vice-president, Joe Baker; secretary, Jimmy Blankenship; and reporter, Donald Gryder.

We had a discussion on Pork production. We then talked about tractor maintenance. There was a good bit of discussion.—Reporter.

CHILD GUIDANCE CLUB MEETING ON MONDAY

The Child Guidance Club will meet Monday, Nov. 2, at 7:30 p. m. in the home of Mrs. Roland Clem.

Mrs. Alton Gardner is the program chairman.

The individual who does you a kindness is entitled to a kindness from you, some day, some way.

MRS. FAYE ROGERS IS HOSTESS TO PETTY CLUB

Mrs. Faye Rogers was hostess to the Petty Handiwork Club Monday, Oct. 26.

All eight members were present, Meses. Roy Blevins, Maude Blevins, Bill White, J. W. Schuknecht, Jess Hill, H. C. Hodges, O. P. Hemmeline, and Faye Rogers.

House slippers were made out of quilted material. New officers for the next year were elected, as follows: Mrs. Roy Blevins, vice president; Mrs. White, secretary and treasurer; Mrs. Hodges, reporter.

The women voted to start a gift box in the club—another way to make money for the club. Each member will contribute a gift, putting her own price on it, then the other members may buy gifts from this box for showers, Christmas, or secret pal gifts.

Refreshments were served, and the club adjourned.—Reporter.

Soil tests can be used to determine the fertilizer needs of a particular field if the samples are properly taken. The testing of soil is a wise practice regardless of the season but is especially beneficial at this season.

CARD OF THANKS

We wish to take this opportunity to express our deepest gratitude and heartfelt thanks to our many friends for their many acts of kindness and words of sympathy in this the darkest hour of our lives—the death of our beloved companion and mother.

Each beautiful flower, each dish of food, and every word of sympathy, spoke so tenderly to us of your thoughtfulness and deep understanding.

May God richly bless each and every one of you, individually, and collectively, and richly repay you for your untiring efforts and many deeds of kindness—J. C. Campbell and Avis, Mr. and Mrs. Charlie Campbell and family, Mr. and Mrs. Roy Appling and family, Mr. and Mrs. Roy Campbell, and Mr. and Mrs. Dedrick Campbell.

CARD OF THANKS

We want to thank all our friends for the many visits to our home, also to the hospital while we were there. Also wish to thank the boys that gave their blood for the transfusions that were needed after our husband and Daddy was operated on. We can never forget all the kindness shown by so many friends—Jim Banister, wife and children.

Dairymen are advised to get ready for winter. An adequate supply of roughage, if not available on the farm, should be purchased and stored. Two tons of hay or one ton of hay and three of silage should be stored for each cow in the herd. Good hay racks and feed troughs will save feed.

RUN DOWN... DOG TIRED?

These symptoms if due to a vitamin deficiency: 1. Tired only when daily intake of vitamins B1, B2, and B6 is less than minimum daily requirements over a prolonged period. 2. Inattention. 3. They do not give a dietary deficiency as they may have other causes or be due to functional conditions.

Don't give up. Special Formula supplies iron you may need for rich red blood

Do you feel run down, nervous or depressed? Lost your appetite—constipated—bothered by digestive upset? You may be suffering from iron-and-vitamin starvation over a prolonged period. BEXEL, the Special High-potency Formula supplies supplementary quantities of iron for rich, red blood and quick vitalizing energy. Each BEXEL capsule gives you 5 times the daily minimum requirements of blood-building iron: more than the daily minimum of all essential B-vitamins; plus Vitamin B12 and trace minerals. Get wonderful new pep and energy with BEXEL—now available at all drug stores.

4-H Club Set-up Now Complete

Organization of Lynn County 4-H Clubs have been completed with the election of officers of the Wilson clubs. A total of 14 clubs are now active under the supervision of Bill Griffin, county agent, and Miss Wanda Roach, home demonstration agent.

The senior boys elected Kenneth Ethridge president; Joe Baker, vice-president; Jimmy Blankenship, secretary; and Donald Gryder reporter.

President of the junior boys is David Bishop; Giles Smith, vice-president; Billy Weaver, secretary; and C. W. Slone, reporter. The junior girls 4-H Club will be led by Betty Hanes as president; Linda Roper, vice-president; Sue Campbell, secretary; and Judy Bishop, reporter.

President of the senior girls is Neita Hewlett; Mary Stone, vice-president; Shirley Campbell, secretary; Norma Terry, reporter. Mrs. Blankenship will be sponsor for the senior group.

Other county clubs include two senior and two junior groups in Tahoka, two senior and two junior clubs in O'Donnell, and one of each in New Home.

The Tahoka clubs will meet on the first Tuesday of each month; Wilson, second Tuesday; New Home, second Thursday; and O'Donnell, third Tuesday.

Cafeteria Lunches For Next Week

Tahoka school cafeteria menus for next week follow:

Monday: Beef in gravy, Lady cream peas, candied yams, vegetable salad, bread, milk, Pineapple upside down cake.

Tuesday: Meat sandwich, cheese sandwich, French fries, lettuce, pickles, milk, peach pie.

Wednesday: Meat loaf, English peas, buttered corn, hot rolls, milk, fruit salad.

Thursday: Hamburger, potato chips, lettuce, cheese sticks, chocolate or plain milk, cherry cake.

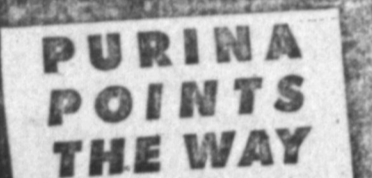

Friday: Fish, tartar sauce, potato salad, green beans, bread, butter scotch pudding.

Tailoring Class Is Started Here

Twenty-seven ladies are enrolled in the adult tailoring classes started recently by Mrs. Fred (Madeline) Hegi, teacher of home-making in the Tahoka Schools.

The women are making coats and suits and children's coats.

The ladies were divided into two groups, one of which meets on Monday and Wednesday afternoons, and the other meets on Tuesday and Thursday nights. The course will run for about three weeks.

Rev. J. H. Sharp Rotary Speaker

Rev. J. H. Sharp was the speaker at the Rotary Club Thursday noon of last week.

Using the subject, "Responsibilities Facing We American People," He expressed the belief that our greatest problem in not social, economic, or moral, but

lies in the handling of our youth problem.

He said of 27 million youths between the ages of 12 and 23, 12 million are not getting any kind of religious instruction. We adults need to set an example and furnish better leadership to solve the problem, he said.

Happy Smith was in charge of the program.

President Winston Wharton announced the Rotary Governor Her-

schel Coffee of Canyon will visit the local club Wednesday night and Thursday, Nov. 11 and 12.

Wharton also revealed that the Tahoka club had an attendance average of 94 percent in September, but this was not good enough to get in the "High Ten" of the district.

Webb Harmon and Otis Spears have the program for November.

Wilson Woman Dies Wednesday

Mrs. Lily Bertha Hahn, 59, of Wilson died at about 1 p. m. on Wednesday at her home following a brief illness. She had been a resident of the Wilson community for about thirty years.

The News had no detail on the funeral arrangements at press time.

Survivors included her husband and one daughter, Mrs. T. P. Herzog of Hamilton; one son, Rayburn Hahn, Wilson; four sisters, Mrs. Amanda Schwausch of New Braunfels, Mrs. A. A. Tienert of Wilson, Mrs. Gertrude Murray of Denver, Colo., and Mrs. Irene Schwartz of Las Vegas, Nev.; and two grandchildren.

Jaycee Ettes Sell Christmas Cards

The local Jaycee Ettes has begun their sale of Christmas seals and Christmas Cards.

This is one of the drives the group has started to raise funds for the organization.

Mrs. Bill Chancy is in charge of the seals and Mrs. A. V. Barnes has charge of the cards. The group also has stationary and all-occasion cards available.

Mrs. Charles McClellan, report-

er, has announced that the membership drive started approximately two weeks ago will end Nov. 10.

At the Tuesday night meeting of the Jaycee Ettes Mrs. McClellan was hostess. Mrs. Peggy Huey will be hostess at the next meeting scheduled for the second Tuesday night in November.

MRS. FRANK SMITH
Correspondent

Mr. and Mrs. H. W. Seals, Jr. are parents of a daughter, Donna Gayle, born Thursday morning Oct. 22, at 6:30 a. m. The baby who weighed 9 pounds 3 ounces at birth, was born in Mercy Hospital at Slaton. Grandparents are Mr. and Mrs. J. L. Hyde and Mr. and Mrs. H. W. Seals, Sr. all of Wilson.

Mrs. John Hahn entertained with a Stanley party Thursday afternoon at 3. Games were played and the Stanley products were demonstrated by Mrs. Gaither of Tahoka. Refreshments were served to Mmes. Charles Talkmitt, Hubert Teinert, Frank Smith, C. C. Ehler and son, David, Hahn and Gaither.

Jo Carolyn Williamson, small daughter of Mr. and Mrs. George Williamson, fell at school Monday and suffered an arm injury. She was taken to Slaton for medical attention and is recovering nicely.

The W. S. C. S. of the Methodist Church met Tuesday afternoon in the home of Mrs. Clarence Church. Mrs. Luke Coleman presented the last of a study on "Spanish Speaking Americans." Others who took part on the program were Mmes. Chester Swope, F. B. Riney and Lynward Harrison. Present were Mmes. Glen Ward, Darrell Ward, J. O. King, Claude Coleman, Grover Coleman, John Hamilton, Sam Gatzki, Swope, Riney, Harrison, Luke Coleman, and Gini Kay Gatzki. Mrs. Luke Coleman closed the meeting with a prayer.

Mr. and Mrs. Doyle Chiles of Lamesa were Wednesday night visitors in the home of Mr. and Mrs. Bill Lumsden.

Mrs. Earl Tunnell of Tahoka visited her mother, Mrs. H. C. Fountain Monday afternoon.

Mrs. Arvan Holder and children, Mike and Teresa and Mrs. Sam Gatzki and children, Mike and Gini Kay, were in Slaton Monday night.

Mr. and Mrs. John Lamb attended funeral services for Mr. Lamb's brother, J. R. Lamb, Friday afternoon in Slaton. Mr. Lamb died Tuesday night in a Santa Fe Railroad Hospital at Topeka, Kansas.

The Lynn County News

TAHOKA, TEXAS, FRIDAY, OCTOBER 30, 1953.

Tahoka Ex-Students Elected Officers At Meeting Held Here Last Friday

Tahoka High School Ex-students Association was re-activated at a meeting in the school auditorium last Friday afternoon, Homecoming day, following a program honoring the exes presented by the Student Council. The meeting was attended by 68 ex-students.

Mrs. Jake (Pat) Jacobs was elected president of the organization; Ray Adams, vice-president; Mrs. Granvil (Lucille) Ayer, secretary-treasurer; and Mrs. O. C. (Peggy) Elliott, reporter. The group hopes to hold a dinner meeting next year on Homecoming day.

Mrs. Marcus Edwards, a 1913 graduate, was honored as the oldest ex-student present; and Larry Ramsour, student in Baylor University, was the ex-student traveling the greatest distance for the affair.

Preceding the ex-student business session, at the program sponsored by the Student Council, Rev. George Maurice Small, 1947, pastor of the Trinity Methodist Church of Plainview, delivered an address.

His talk was based on two elements which he said go into the making of a foundation for freedom: respect for human life and faith in God.

The speaker was introduced by Lester Adams, faculty sponsor of the Student Council. President Billy Tong welcomed the exes, and Miss Barbara McNeely, 1952, responded. Ray Adams, 1943, gave the invocation. Garland Huddleston, Council vice-president, introduced the exes present.

Lester Adams and L. A. Forsythe, both exes, presided at the meeting. The program was followed by a pep rally led by the school cheerleaders and the high school band.

Each team attempted only one pass, and each had its pass intercepted. Charles Chandler taking Smith's only attempt, and Tong taking Graham's only attempt.

For Post, Noland Williams was outstanding on defense, as were also Linebacker Bruton and Linebacker Bowen Stephens, Bobby Cowdrey, Billy Meeks, Dickie Beggs, and Larry Waldrip, center.

Garland Huddleston did a good job for Tahoka playing center in the place of Bobby Williams, injured. Jimmy and Jerry Williams were outstanding on defense, as were also Bobby Lehman, Bill Moore, Don Reed, Stanley Stone, Duane McMillan, Jimmy Williams, and Willie Lee.

ONE WEEK ONLY!

WE'LL GIVE YOU THE EXTRA TRADE-IN PRICE YOU'D GET IF YOUR PRESENT CAR WERE A MERCURY

LMDA

No matter what make of car you're driving, we'll allow you the same extra trade-in price you'd get for a same-model, same-year MERCURY—the car with the top trade-in value in its field!

WHY MERCURY GIVES YOU MORE—NOW AND WHEN YOU TRADE IT IN!

There are 4 good reasons why Mercury is so much in demand—and why the average trade-in price allowed by all dealers on used Mercurys is consistently higher than competing cars.

1. **Mercury styling.** Clean, long, low lines set the style and stay in style. Mercury interiors are smarter, more colorful, more attractive.

2. **Proven V-8 performance.** Mercury is no Johnny-come-lately to the V-8 field. It has always been a V-8, and this is the best-performing Mercury in history. Try it—compare it for get-away, for hill-climbing, for handling ease!

3. **Proven economy.** With Mercury, economy is no idle boast. Mercury's high gas mileage has been proved—Mercury with optional overdrive has five big wins in four official economy runs.

4. **More extra power features.** Mercury offers the widest selection of optional power features in the popular-price field—including the new 4-way power seat, power brakes, power steering, electric window lifts, no-shift Merc-O-Matic Drive, and even gas-saving Touch-O-Matic Overdrive.

Add these to Mercury's sturdy construction and low maintenance costs—and you see why Mercurys are always in top demand, new or used. Higher trade-in value makes Mercury's true cost very little more than the lowest priced cars. A Mercury is a solid investment, because you get back more when you finally trade it in.

Now—to make it even easier for anyone now driving any other popular-priced car to own a Mercury—we'll give you the extra trade-in allowance you would get if that car were a Mercury! We'll show you the actual, impartial figures—make you the most exciting offer in town! Bring your old car in today—and drive home a Mercury!

Tahoka Bulldogs opened their 1953 conference season last Friday night with a 20 to 13 victory over the Post Antelopes in a game played on a soft turf in damp, misty weather before a Tahoka home-coming crowd that was surprisingly large considering the rain. More than a thousand fans saw the exciting game to the final whistle.

The Bulldogs journey to Abertahoka Friday night for a much tougher assignment, and on next Friday night Slaton comes here.

In spite of the wet ground and a slippery ball, there were surprisingly few fumbles, and both teams played good football all the way. Post lost the ball twice on four fumbles; Tahoka lost the ball once on four fumbles.

Fine sportsmanship was also exhibited between the two old rivals, which is evidenced by the fact that on four penalties were called in the ball game, none of them for roughness.

It was an inspired Post Antelope team which came to Tahoka in hopes of avenging defeats for the past two years. For three quarters, the Antelopes battled the Bulldogs on even terms, but the home team turned on the steam in the final minutes to sew up the game.

Post scored first, the game was dead-locked 7-7 at halftime, and also 7-7 at the three-quarter mark. Then Tahoka made it 14-7. Post came right back to score again but failed on the conversion. Tahoka went into a 20 to 13 lead, and as the game ended apparently had another goal-ward march under way.

Post received the kickoff but couldn't move and kicked. Tahoka brought the ball in five plays from its own 32 to the Post 35 with Jimmy Bragg carrying the ball once for 29 yards, J. B. Ables and I. V. J. Melton for short gains, then lost the ball on a fourth down running play on the Post 37.

From here, Post marched 63 yards, with Halfback Tommy Malouf and Darrell Bruton, 235 pound Fullback Fred Long, and Quarterback Moody Graham carrying the ball on 12 plays, with Long going the final 4 yards around his own left end on a fourth down try. Darrell Norman kicked the extra point, and Post led 7 to 0.

But not for long. Early in second quarter, Tahoka had moved from its own 30 to the Post 25, where Ables fumbled the slick ball and a Post lad recovered. On the next play, however, Post fumbled and Billy Tong covered the ball for Tahoka on the Post 27. Ables made one yard, and then Quarterback Gordon Smith faked a handoff and ran 26 yards around right end and crossed the goal line untouched. Ables' placement was good to tie the score at 7-7.

Neither team could move early in the third period. Then, on third down on the Post 42, the Antelopes surprised Tahoka with a quick kick of 51 yards, which Tong brought back to the 14. From here, Tahoka marched 86 yards, with the touchdown coming early in the fourth quarter when Ables went the last yard on a line plunge.

On the conversion, Smith fumbled the pass from Center Garland Huddleston, picked up the ball and took off around his right end to score the extra point. Score, Tahoka 14, Post 7.

Post wouldn't give up, however, and after an exchange of punts, Malouf got through the center evaded and outran the Tahoka secondary 54 yards to score Post's second touchdown. However, on the conversion attempt, the pass from center was fumbled to leave the score Tahoka 14, Post 13.

Bragg brought the kickoff from the 15 to the 36, and the Bulldogs marched to the Post 26 in seven plays. On a keeper play, Smith went around left end 28 yards, a duplicate of his first scoring run, for the last touchdown. The place kick was no good, and the Bulldogs led 20 to 13.

On the first play after the kickoff, Tong intercepted a Post pass on the Tahoka 45 and carried to the Post 42. Ables made one, Jerry Williams carried for 24 yards, and then Ables went to the 5, but Tahoka drew a 15 yard holding penalty back to the Post

Odds and Ends

(BY E. I. THE ELDER)

"If at first you don't succeed, Try, Try Again."
That is the theme of the first little poem that appears in McGuffey's Fourth Reader, which I mentioned in this column last week.

And so this week I am going to try again to produce a "column" which has no serious typographical errors in it, no confusing or ridiculous mix-ups in the verbiage and no senseless or silly suggestion that can not result in any good to anybody.

Perhaps you feel then that I should commence by withdrawing the wish which I expressed last week that every public school in our land had in its library several sets of McGuffey's series of Readers to be used by the students as supplementary reading matter. "What a silly suggestion!" some of you may be saying—"just an old foggy idea of an old man who is fifty years behind the times with respect to public education!"

Well, possibly so—but have you ever examined a set of the McGuffey readers?

Yes, they went out of style and out of use some fifty years or more ago, but is that proof of their lack of merit? Let's examine them a little.

I think that we shall find that

more practical knowledge and more highly cultured English literature is compressed between the lids of the McGuffey Fourth, Fifth, and Sixth Readers than can be found between the lids of any other three books of comparable size that may be picked out of any ordinary public school library.

I mentioned specifically last week the McGuffey Sixth Reader and gave it high praise, although there was a mix-up in that part of my Column which destroyed the sense of it. So I want us to take a more searching look at that Sixth reader this week. I take it that most college graduates and most school teachers will agree that the productions of William Shakespeare contain some of the world's best English literature.

Mr. McGuffey, the author of these Readers, recognized that fact, and he included in that Sixth Reader a number of the very finest selections to be found in Shakespeare's Works. How puny is most of the so-called literature being produced in our day and generation as compared with these selections from the great English bard. Among the number, we mention these:

The Fall of Cardinal Wolsey, four pages from that great drama, "Henry VIII," from which we quote. Our quotation is a little lengthy, but it is a good example of scores of other gems of literature found in this book, which we could quote just as appropriately if space permitted. Just this word of explanation: Cardinal Wolsey, a high church man, of course, had been a sycophant and "stooge" of Henry VIII of England, and now he had been let down and out—a mere politician stripped of his power. Shakespeare wrote this political drama involving Henry VIII, Cardinal Wolsey, Thomas Cromwell, and several other historical characters. He pictures Wolsey in this passage pouring out his broken-hearted lament to his friend Thomas Cromwell. Now we proceed:

"Farewell! A long farewell, to all my greatness!
This is the state of man: to-day he puts forth
The tender leaves of hopes;
tomorrow blossoms,
And bears his blushing honors, thick upon him;
The third day comes a frost,
a killing frost,
And when he thinks, good, easy man, full surely
His greatness is a-ripening, nips his root.
And then he falls, as I do. I have ventured,
Like little wanton boys that swim on bladders,
This many summers in a sea of glory,
But far beyond my depth: my high-blown pride
At length broke under me, and now has left me,
Weary and old with service, to the mercy
Of a rude stream that must forever hide me.
Vain pomp and glory of this world, I hate ye:
I feel my heart new-opened. Oh, how wretched
Is that poor man that hangs on princes' favors!
There is, betwixt that smile we would aspire to,
That sweet aspect of princes

and their ruin,

More pangs and fears than wars or women have:

And when he falls, he falls like Lucifer,
Never to hope again."

Then, following another very pathetic conversation between the two, Cardinal Wolsey emits another heart-rending outburst:

"Cromwell, I charge thee, fling away ambition;

By that sin fell the angels; how can man, then,
The image of his Maker, hope to win by it?"

Love thyself last; cherish those hearts that hate thee;
Corruption wins not more than honesty.

Still in thy right hand carry gentle peace,
To silence envious tongues. Be just, and fear not;

Let all the ends thou aimest at be thy country's,

Thy God's, and truth's; then if thou fallst, O Cromwell,

Thou fallst a blessed martyr.

Had I but served God with half the zeal

I served my king, He would not in mine age

Have left me naked to mine enemies."

In this book are also given Shakespeare's version of the Quarrel between Brutus and Cassius in that drama entitled "Julius Caesar," and also that marvelous Oration of Marc Antony over the dead body of Caesar which completely destroyed popular sympathy for Brutus and the other conspirators who murdered Caesar and inflamed the people of Rome against the conspirators.

In this book again, one may read Hamlet's Soliloquy, one of the most noted of Shakespeare's dramas, and also selection from his great play entitled "Othello, the Moor."

At least five other selections, some of them brief but others lengthy, from the plays of Shakespeare are contained in this volume.

But if I were to stop here, somebody might get the impression that most of the contents of the book comes from Shakespeare. That is far from the truth. The body of the reading matter in the book includes 400 pages, including brief sketches respecting the authors.

In addition to this, there are more than 50 pages of instruction respecting such matters as articulation, inflection, accent, and emphasis, pauses, elocution,

gestures, and various other rules pertaining to good reading.

But the big point is that in addition to the selections from Shakespeare which I have mentioned, there are scores of selections from the pens of the greatest poets, essayists, novelists, historians, and a number of the greatest statesmen that England and America have produced. For example:

The Death of Little Nell, from Charles Dickens' Old Curiosity Shop;

Elegy in a Country Church yard, by Thomas Gray, often said to be the most nearly perfect poem in the English language;

The American Flag, Joseph Rodman Drake;

The Jolly Old Pedagogue, by George Arnold;

Thanatopsis, William Cullen Bryant;

Marrison and Douglas, Sir Walter Scott;

Marco Bozzaris, Fitz-Greene Halleck.

Song of the Creek Barc, Lord George Gordon Byron.

Song of the Shirt, Thomas Hood.

Landing of the Pilgrim Fathers, Felicia Hemans;

Pictures of Memory, Alice Cary;

Rip Van Winkle, Washington Irving.

Bill and Joe, Oliver Wendell Holmes.

What Constitutes a State, Sir William Jones.

Death of Samson, John Greenleaf Whittier.

The Surrender of Garnada, Bulwer-Lytton.

Enoch Arden at the Window, Lord Alfred Tennyson.

Lochinvar, Sir Walter Scott.

The Bridge, Henry W. Longfellow.

The Downfall of Poland, the Moor."

Thomas Campbell.

The Last Day of Hercules, Edward Atherstone.

The Battle of Waterloo, Lord Byron.

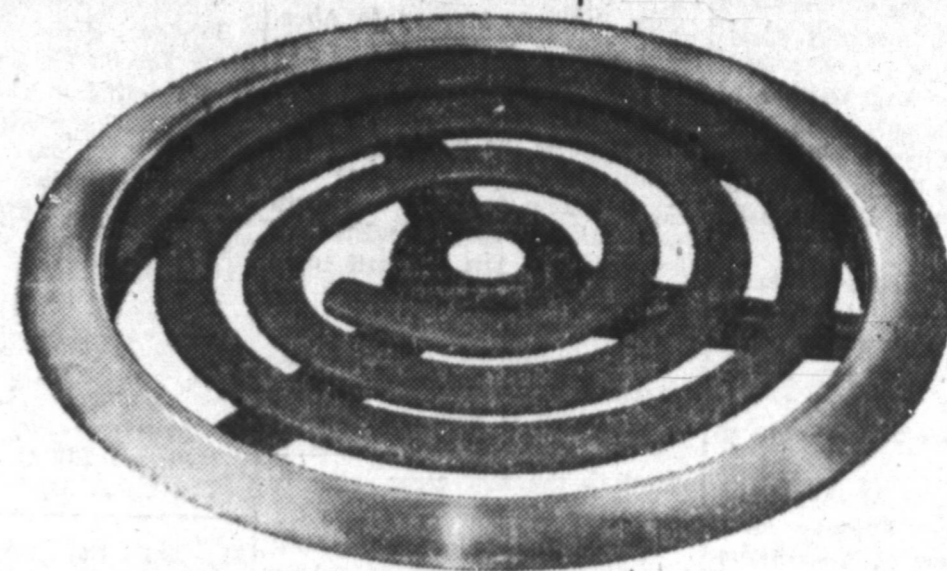

And on and on and on, almost endlessly.

Also included in this "Sixth Reader" are a number of great political addresses, debates, and patriotic orations.

From England we have the bitter, but eloquent debate that took place in Parliament between two of England's greatest orators, Sir Robert Walpole, an elderly statesman of brilliant mind and long experience but of questionable character and reputation, and young William Pitt, a man of undoubted integrity and patriotism, a keen mind, and an eloquent tongue. Walpole charged Pitt of

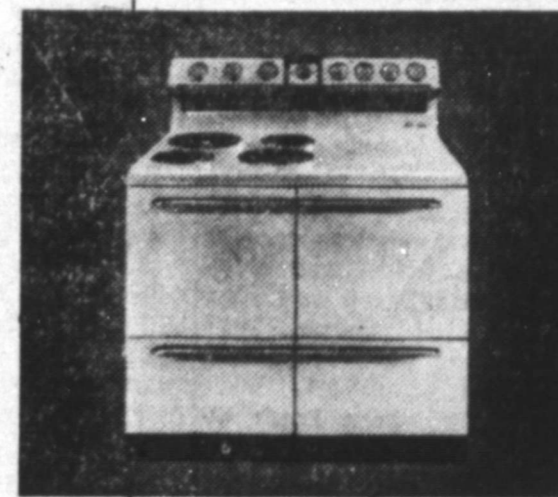

being an impertinent young upstart who made intemperate charges which he could not prove; and Pitt in his reply confessed to the crime (?) of being a young man but hoped that his "follies" would cease with his youth and that he would not prove to be of that number who are ignorant in spite of long years of experience. Pitt became one of Eug-

Its V8 puts new ROAD MASTERY at your hand

to prove to yourself that new motoring thrills come to flower in the greatest Buick in fifty great years.

You must have heard about it.

But have you tried the greatest Buick yet built?

Have you sat behind the wheel of a 1953 ROADMASTER and felt the wondrous new road command that is yours?

If you haven't—if you have yet to know the rich exuberance that flows through you when a toe touch releases just a fraction of the velvet power-Niagara of the world's newest V8 Engine—then you are cordially invited to be our guest at this new experience.

We promise you these:

A new and wonderful mastery of hills, of distance, of traffic tangles—from the almost effortless power of this master Buick's advanced new V8 Engine—the highest horsepower and compression ratio in Buick history.

A new and instantly responsive getaway—with new quiet and completely infinite smoothness—from the drive magic of Twin-Turbine Dynaflo.

A new and exquisite handling ease—from the superb ride-engineering of this automobile, and the as-needed hydraulic assistance of Power Steering, standard equipment here at no extra cost.

A new and gracious luxury of interior styling and comfort—from a tasteful blending of deep foam rubber, lustrous nylon, rich broadcloths, sparkling colors.

But you need to experience firsthand the performance and the pleasure and the abiding satisfaction you will find here.

So we repeat a most cordial invitation to you—to drive a 1953 ROADMASTER—

World's only car with all these features:

V8 VERTICAL-VALVE FIREBALL ENGINE

POWER STEERING • TWIN-TURBINE DYNAFLO

DYNAMIC FLOW MUFFLER • POWER BRAKES

COMPLETELY NEW SWEEPSPAR STYLING

BALANCED MILLION DOLLAR RIDE • CUSTOM-RICH INTERIORS

land's ablest and most trusted statesmen. Excerpts from both these speeches are in the Sixth Reader.

In the Reader also is an excerpt from Edmund Burke's speech delivered by him in the Prosecution of Warren Hastings, governor of India, on a charge of treason. Burke stands at the very head of English orators and statesmen.

The Reader also contains that marvelous "Give me liberty or give me death" speech delivered by Patrick Henry in 1775 in the Virginia House of Burgesses.

When the slavery question and the right of secession began to flare up hotter and hotter in the Congress of the United States in 1830, Daniel Webster, Senator from Massachusetts, and Robert Y. Hayne, Senator from South Carolina, engaged in a debate on these questions in the Senate that aroused the nation and attracted much attention in many nations overseas. Hayne at that time was a very young man to be a member of the Senate. He was only 39, and being stung by acrid criticism aimed at the South, he unwisely stirred sectional feelings by pronouncing an eloquent eulogium upon South Carolina and her leading statesmen, which opened the way for Daniel Webster to declare agreement with Hayne as to the patriotism of South Carolina and her statesmen and to lay claim to an equal pride in their achievements, but further to declare his appreciation for the deeds and achievements of patriots everywhere regardless of state lines, to make a covert but powerful appeal for devotion and loyalty to the whole country and for the preservation of the Union and to arouse stern resistance to the rising tide of secession and disunion sentiment threatening to engulf the South and destroy the Union. The Union cause greatly profited and Secession sentiment was obviously brought under a cloud, temporarily at least by the Hayne-Webster debate. Eloquent excerpts from each of these speeches are found in McGuffey's Sixth Reader.

An excerpt from Webster's Masterpiece on the subject of Secession is also found in this volume, as is also his greatest speech made at the bar in the prosecution of the so-called "White Murder Case."

In addition to all this, are flights of oratory by other statesmen and notable public speakers of the centuries of American history preceding the present one. Since most of you do not have time to read volumes of the World's Best Orations and Literature, this volume of McGuffey's would be a valuable substitute for any American to have in his library. "So Long."

The bicycle is about 100 years old.

44 Ex-Bulldogs Are Registered At Meet Here Last Friday

Forty-four ex-Bulldog lettermen covering a period of thirty years attended last Friday night's Home Coming game here with Post.

Prior to the game, the ex-players were served coffee and doughnuts in the school cafeteria by the Bulldog Mothers.

Those who signed the registration book were:

L. A. Forsythe, 1936; James Brookshire 1944; Earl Grider 1930; Richard Havens 1953; Charles Hyles, 1953; Kay Waltrip 1952; J. M. Stevens 1951; Steve Slover 1952; Curtis Stevens 1932; Shorty McNeely 1950; Billy B. Chancy 1947; James White 1950; Joe Harvick 1947; Sam Edwards 1937 Bert Stevens 1950; Charles Polk 1950; W. J. Kahl 1948; Rufus Slover 1928; Rudolph Snowden, 1938; George C. Wells, 1933; Dan Martin, 1950; Charles Brookshire, 1950; Frank Larkin, 1924; Wayne Tekell, 1952; B. P. Barrington, 1947; Earl Bartley, 1953; Billy Ray Kelley, 1947; Dan Cowan, 1948; R. C. Wells Jr., 1937; Bob Connally, 1929; Wayne Sherrod, 1947; Eldon Akin, 1948; Cecil Curry, 1941; Bob Tippit, 1950; James Foster, 1952; John Foster, 1953; Jess Gurley, 1930; Joe Brooks, 1953; John Curry, 1953; H. L. McMillan Jr., 1946; C. A. Short Jr., 1947; Maurice Small, 1922; Jake Jacobs, Coach, 1947-53; Roy Elliott, 1952.

O'Donnell Loser In Close Morton Games

O'Donnell Eagles, who entertain Whiteface tonight, lost last week end at Morton 21 to 14.

The Eagles led much of the way, although Morton scored first following a short Eagle punt and a 15 yard penalty on O'Donnell to the one yard line. O'Donnell tied the score late in the second quarter with Harold Sanders going over from the four and then bucking the line for the conversion.

O'Donnell took a 14 to 7 lead in the third when Derry Moore went over on a keeper and Sanders again ran over the conversion. Midway in the fourth, Morton covered an Eagle fumble to set up the tying score. Then, covered an onside kick and went on to win on a pass in the fading minutes.

Football Queen Is Crowned Friday

Miss Jane Shepherd, Tahoka High junior and a daughter of Mr. and Mrs. A. L. Shepherd of Grassland, was crowned 1953 Bulldog football queen at ceremonies preceding the Tahoka-Post game last Friday night.

Her attendants were Miss Joy Tomlinson of Tahoka and Miss Jerrie LeMond, also of Grassland.

The queen was selected by secret ballot by members of the 1953 football squad.

In the ceremony, the THS band formed a "heart" on the playing field. The procession of three girls, and their attendants, proceeded down a line of Bulldog players into the center of the heart. Bobby Williams, designated game captain, placed the crown on Miss Shepherd's head.

Incidentally, 20 elementary band students were advanced to the High School band at this game for the first time.

Post's band did not come to the game, and the Tahoka band did not march on the field at half-time in order to help preserve the wet field.

Erse is the language of Scotch Highlanders.

Retire unto thyself, and thou wilt blush to find how little is there.

WILSON 4-H CLUB BOYS ELECT NEW OFFICERS

We had our first 4-H meeting for 1953-54. Mr. Bill Griffin, the county agent was present for the meeting.

The 4-H club boys elected officers. They are the following: President, David Bishop; vice-president, Giles Smith; secretary, Billy Weaver; Reporter, C. W. Slone.

We discussed the projects that the boys are going to have for the coming year. The meeting was adjourned until November 22, 1953.—Reporter.

Look for that Brand, Partner!

A-1

FORD DEALERS USED CAR and TRUCK RODEO

in appearance! in condition!
Only FORD Dealers sell 'em!

Want to do business with a straight-shootin' outfit?

IT'S THE BIGGEST ROUND-UP OF BARGAINS IN OUR HISTORY!

IT MEANS THE BEST USED CAR OR TRUCK FOR YOU!
That A-1 brand means that the deal you make with us is "honest injun"—with no "reservations!" A 1 means that the car or truck you buy has been checked and re-checked by our reliable mechanics. Unless it meets our high standards, it's not A. 1. And that means:
YOU'LL FIND A BARGAIN THAT'LL LIGHT UP YOUR EYES LIKE A PRAIRIE FIRE AT MIDNIGHT!
You'd better take a look at these bargains yourself, and you'll know that we're straight shooters, not sharpshooters. You may be a "tough customer" but that's the way we like 'em! It means you'll know a good buy when you see one—and you'll see a herd of 'em! And remember, we stand square behind the cars and trucks we sell!
Get your bargain roped and tied before some other hombre puts his brand on it!
