Area Water, Sewer Meeting Held Here

Seventy members and guests of the Permain Basin division of the Texas Water and Sewer Works Association attended the monthly dinner meeting of the organization at the Tahoka school cafeteria Tuesday night.

The district represented includes the territory covered by Morton, Levelland and Lubbock on the north; Slaton, Post and Snyder, on the east; Colorado City, Big Spring, Midland, Odessa, and Monahans on the south; and the New Mexico line on the west.

An interesting program was held following a dinner served by the local Eastern Star ladies.

W. S. Sealy, Lamesa, president of the body, which is composed largely of City employees, opened the meeting. Womack Jones of Seagraves is the secretary.

Pat Hines, Tahoka water superintendent, conducted a lively round table discussion on water supply problems, the advisability and troubles in obtaining water rights, plans for future water supply, and related topics. Pat proved himself "some shakes" as a master of ceremonies.

A. Hanneman Jr. of Lubbock also showed slides on water problems.

The association meets monthly in some city of the area.

Open House For Wilson Schools

Open house for Wilson's new school plant will be held Friday night, Feb. 26, at 7:30 o'clock, accompanied by a special program, according to J. P. Hewlett, superintendent.

Not only are all people of the school district urged to attend the affair, but a special invitation is issued to all former Wilson people, including superintendents, teachers, board members, and students, and to all people of surrounding territory.

The entire plant, one of the best small town plants in West Texas, will be open on this occasion and the people will be conducted through all the buildings.

Beginning at 7:30, there will be a program in the High School auditorium which will include a concert by the Wilson High School band and the presentation of certificates to all past and present members of the school board. Refreshments will be served in the cafeteria.

Final acceptance of the new building projects was made Monday of this week by the present board.

As a result of a \$100,000.00 bond issue, a new building has just been completed to house the Junior High School and the Vocational Agriculture department and a modern gymnasium. Also, the cafeteria has been remodeled and the Elementary building has been vastly improved. A band room has also been provided. The old gymnasium is being converted to use of the grade school students.

A modern High School building was erected about two years ago.

Post Choir Gives Program In School

Post High School's A Capella choir, which has won outstanding recognition over the South Plains, presented a program in Tahoka High auditorium Monday morning from 11 to 11:45.

All Tahoka students from the Sixth grade up attended the program, which was greatly appreciated by the local students.

Following the program, the group was served a lunch in the school cafeteria.

Build, Buy, Live In Tahoka.

Cotton Ginnings Total 48,000 Bales

Lynn county ginnings for 1953 totaled 48,045 up to Jan. 16 1954, as compared to 99,844 from the 1952 crop, according to Frances H. Wilmer, district supervisor, Bureau of the Census, Dallas.

All of the 1953 crop was from irrigated cotton, and approximately 6,000 bales were hauled to our gins from counties further north, leaving 42,000 bales actually raised in Lynn county that were ginned here.

C. of C. Banquet Set For March

Plans for the annual Tahoka Chamber of Commerce banquet to be held some time in March were made at a meeting of officers and directors of the body on Wednesday morning.

A speaker of national repute is being sought for the program, and the date will hinge on the time the speaker can come, but the banquet will be some time in March.

New officers and four new directors will also be elected at the meeting. Fred McGinty is the current president. Directors are: Ross Smith, Clint Walker, H. B. McCord Jr., Herman Renfro, Alton Cain, Geno Jones, Frank Hill, Mitchell Williams and Otis Spears. Russell McGee is secretary.

The C. of C. also made plans for helping sponsor the annual Lynn County Junior Livestock Show here on March 6.

Masons Planning Banquet Tuesday

The Rainbow Girls will be honored at a "Friendship" banquet of local Masons, members of the Eastern Star and Rainbow Girls in the school cafeteria next Tuesday night at 7 o'clock.

Invited, with no admission charge, are all Masons and their wives, all Eastern Stars and their wives, and all members of the new Rainbow Girls organization. Organized only seven months, the Tahoka Rainbow Girls Chapter now has about thirty members.

An outstanding speaker from Lubbock will bring the principal address of the occasion.

The Rainbow Girls will present a drill, and members will be presented their award bars.

A. M. Bray will be the master of ceremonies.

In charge of the program are Dan Brookshire, A. M. Bray, and Jane Morehead.

The Washington Birthday motif will be used in decorations. Primary purpose of the banquet meeting is to promote closer relations between the Masons, Eastern Star, and Rainbow Girls.

Additional Room Is Given Commercial Department Here

Since the Homemaking Department has moved to its new building, other changes are being made in the Tahoka High School building according to Supt. Otis Spears.

The Commercial Department, headed by Floyd Tubbs, is moving to the rooms vacated by the Home Making Department. Previously crowded into one room, the department will now have two rooms and storage facilities at its disposal for the teaching of typing, bookkeeping and shorthand.

The old Commercial room is being converted into a projection room for the showing of movies in the visual education program.

Bray New Head Of Rotary Club

A. M. (Maurice) Bray was named the new president of Tahoka Rotary Club at the club meeting last week. He will take office on July 1, succeeding Winston C. Wharton, present head of the club.

Johnny Reasonover was re-elected secretary, and the three new directors are Mitchell Williams, Harold Green, and Guy Wheatley. They succeed Tom Gill, H. W. Carter, and Pete Hegl. Ross Smith is a hold-over director, and Wharton will automatically become vice-president.

"Dub" Rogers, owner of KDUB-TV, Lubbock, in the principal talk of the day, traced the history of Television, the remarkable growth of the industry, and revealed many timely and interesting facts about the business, the Lubbock station, himself, and the future of TV.

Though color television is still in the experimental stage, he said progress is being made. When color TV comes, present sets will receive the picture in black and white and many of them can be converted to receive color. Also, experiments are being made in the three-dimension field.

Lubbock stations expect to be on the cable by July 1, connected south of Lamesa, but most programs will still be televised by film. Principal difference will be in the reception of live sporting events, and current happenings, such as talks by the President, National Conventions, etc. He also pointed out the rapidly changing times because of television, and predicted that in the future most Americans will hear and see politicians in action and be governed largely in their votes by their ability to size-up the candidates from their sincerity, facial expressions, etc. He also predicted that soon it will be possible to take a national poll or vote through use of the micro-wave direct to the citizen's living room.

The speaker was introduced by O. C. Elliott, program chairman for the day.

Books Donated To County Library

Mrs. Walter Hord, who recently moved to Brownfield, has donated 33 books, all being Literary Guild selections, to the Lynn County Library.

Mrs. A. J. Kaddatz, librarian, reports these books include such as Fort Everglades by Slaughter, The Woman in the Sea by Shelly Smith, Rampole Place by Isabella Holt, Traitors Moon by Robert Neil, and other popular numbers.

Lynn County Library is always happy to receive such donations of books.

FORMER PTA MEMBERS ARE ASKED TO MEET

All former members of the Tahoka Parent-Teacher Association are asked to meet in the school cafeteria next Tuesday afternoon, Feb. 23, at 3:30 p. m.

Purpose of the meeting is to decide on the disposal of some funds in the PTA treasury.

Knight Observes His Ninetieth Birthday

W. L. Knight, retired Tahoka business man, celebrated his 90th birthday Wednesday of this week.

In spite of his advanced age, Mr. Knight still works almost daily about his home or on some of his rent property. In fact, just recently he has been taking up some trees and repairing concrete sidewalks.

Last Sunday, Mrs. Knight and their four children honored him with a birthday dinner at the family home. The children are Mrs. M. M. Boyd, Mrs. F. T. Carson, and Mrs. J. E. Nance, all of Tahoka, and K. F. Knight of San Angelo who were present along with most of the grandchildren.

Dr. Henry A. Holle, internationally-known public health administrator of New York city with a strong Texas background, has been named state health officer for Texas. He will succeed Dr. George W. Cox whose resignation is effective March 1. He was reared at Brenham, educated at Texas A. & M. University of Texas School of Medicine, and practiced medicine in this state a number of years.

H. H. Eccles, 55, Dies Suddenly

Herbert Henry Eccles, 55, manager of the Keltner Hotel, died of a heart attack at about 11:20 a. m. Thursday of last week.

Funeral services were held Saturday at 2:00 p. m. in the First Methodist Church with the pastor, Rev. J. H. Sharp, officiating. Interment followed in Tech Memorial Park under direction of Stanley-Jones Funeral Home.

Mr. Eccles was born February 4, 1899 in a Nevada mining town, but went to Los Angeles with his parents at the age of five, and had lived there and in Long Beach all his life until moving to Tahoka. He engaged in business in these two cities most of his adult life. He saw service in the Air Force during World War II, and was married to Cubanna Keltner, daughter of Mr. and Mrs. C. B. Keltner of Tahoka, December 24, 1945.

The couple moved to Tahoka in October, 1951, to help Mr. Keltner operate the hotel, and he made a host of friends during his residence here. He and his wife have reconditioned the hotel since coming here, improved the adjoining lot, where they raised beautiful flowers and a wonderful garden each summer. He was engaged in improving this garden when stricken, and died within a few minutes.

Mr. Eccles is survived by his wife; one son by a previous marriage, Dick Eccles, who is in the Army and could not be reached prior to the funeral; and two brothers, Douglas and Jack, both of Los Angeles.

SPEARS BUYS HOME

Otis Spears, superintendent of schools, has bought the Roy Hicks home on North Second Street.

Mrs. W. A. Izard of Eads, Colorado is a medical patient in the Tahoka Hospital.

Remodel Old City Hall For Boy Scouts, Library

Tahoka Scout organizations and the Lynn County Library will soon have a new home as a result of efforts by the Tahoka Rotary Club, the Tahoka City Council, and contributions of funds by business men and other citizens.

Recently the Council voted to donate the old City Hall building 40 by 50 feet in size to the Scouts.

Since the Rotary Club is the sponsoring agent of the Boy Scout troop, President Winston C. Wharton named a committee composed of H. W.

Carter, Calloway Huffaker, Fred McGinty, A. M. Eray, Ronald Sherrill, Herman Heck and Otis Spears to consider moving the building to the new City Park.

However, an agreement was reached with the City Council to leave the building in its present position if modernized.

The committee, Herb Carter principally, raised \$760.00 in contributions, and work of refinishing the building has already been started.

Rotarians also voted to give

a portion of the building to the Lynn County Library Association, which now maintains the library in the basement of the court house.

A new roof was put on the building last week. Both the outside and inside will be improved and modernized.

More funds will be needed for completion of the project in a creditable manner, and Carter invites any individual or organization interested to help out financially on the project.

Tahoka Teams Lose Final Games To Floydada Here On Tuesday Night

Workers Needed For Red Cross Drive

Mrs. John Witt, Roll Call chairman for the annual American Red Cross fund drive scheduled for March 2, is asking for volunteers to help in the campaign.

Some of the past workers are unable to serve this year, and co-operation of the people is badly needed if the drive is to be a success this year.

The "kick-off" dinner for workers will be held in the school cafeteria Monday night, March 1, at 7:30 o'clock. The county-wide drive is scheduled for Tuesday, March 2.

Last year, a few communities failed to do their part. With a little bit of help from a few workers in each community, the drive can be made a success without undue inconvenience to anyone. County communities are asked to report their workers to Mrs. Witt or Bill Griffin, overall county chairman, as quickly as possible.

City Election Is Set For April 6

Three councilmen are to be elected this year in the City of Tahoka election set for April 6. The terms of W. C. Wharton, Albert Curry, and R. H. (Hick) Gibson expire this spring.

Holdovers on the City Council are Mayor E. R. Edwards, and Councilmen Herman Heck and Lewis Allsup.

LAUTIE SMITH HOME

H. L. (Lautie) Smith, who recently underwent major surgery in which one of his lungs was removed, was able to return to his home here Tuesday accompanied by his wife, Pauline. He is reported as doing fine, and high hopes are held for his complete recovery.

Scholastic Census Blanks Should Be Turned In Now

Parents of school children who have not returned the scholastic census blanks, or who have been missed for any reason, are asked by Supt. Otis Spears to turn in the filled out forms as quickly as possible.

If you live in the Tahoka district and your child or children have not been enumerated, then call Mr. Spears or see Maurice Small at the school business office.

JURY FAILS TO AGREE IN MRS. HARRIS CASE

In the case of Mrs. W. M. Harris vs. Stewart Grocery Co. of Lubbock, heard in District Court here last week, the jury was unable to agree and was dismissed.

Mrs. Harris was asking damages for injuries received in a car-truck accident south of Tahoka on Nov. 7, 1952.

Tahoka boys and girls dropped two close games to Floydada here Tuesday night to end the 1954 basketball season. The boys game score was 40 to 32 and the girls 33 to 32.

In boys play, the victory enabled Floydada to gain a tie with Slaton for the district title, and a play-off is necessary to determine the champion. Tahoka and Abernathy are tied for second, followed by Post and Spur.

Spur girls won the district championship by defeating Abernathy the same night.

Friday night, in games played at Spur, Tahoka boys won 51 to 43, while the girls lost to the champions 37 to 23.

Saturday night, Tahoka A and B boys lost at Seagraves 39 to 35 and 37 to 23, respectively.

Floydada Games

Tahoka boys had one of their worst nights at hitting the basket, although the Bulldogs played a good defensive game when they met Floydada here Tuesday night.

Floydada took a 9-4 first quarter lead, and the score was 19-11 at halftime with neither team able to hit. Tahoka did better in the third but was still behind seven points, 23 to 30 at the end of the period. In the fourth, Tahoka pulled up on the visitors, and tied the score 30-30 with three and a half minutes to go, but hit only one field goal the rest of the way while committing (Cont'd. On Back Page)

Men Fined On Liquor Charges

Several fines for liquor law violations have been assessed in County Court recently.

Monday, Jose Amador Dabilla was assessed a fine of \$200.00 and costs on a charge of transporting beer illegally. On the same day, Louis Reyes was fined \$150.00 and costs for transporting beer, wine and whiskey.

Thursday of last week, Herbert C. Smith of Lubbock county was fined \$500.00 and costs for illegally transporting whiskey, and \$50.00 and costs for driving while intoxicated.

On Friday of last week, Sidney Earl Hemphill was fined \$75.00 on a DWI charge with three day jail sentence probated six months.

Tuesday of this week, Frank James Johnson of Lubbock was again in trouble here, being fined \$100.00 on a speeding charge. He had paid a \$100.00 fine in December on a DWI charge.

Congratulations:

Mrs. and Mr. Tom W. Hale on the birth of a daughter weighing 8 pounds 10 ounces in Tahoka Hospital at 10:40 a. m. Thursday, Feb. 11. She has been named Tommy Sue.

Mrs. Ola Belle Lamb was a medical patient in Tahoka Hospital Thursday afternoon from an ear infection.

ODds AND EndS

(BY E. I. THE ELDER)

As some of my Lynn county friends already know, I was called down here to Waco recently by the serious illness of one of my sisters living here. Arriving here on Saturday night and going to the Hillcrest Hospital Sunday, February 7 to see her, we found her apparently somewhat improved, but I myself was very doubtful. On the next day, however, she seemed still better, but there were some features of her ailment that I did not like at all, and I could not join very heartily in everybody's optimism. Since then at times her condition has been decidedly worse and so I have become confirmed in my doubtfulness.

While this country down here in central Texas is not as dry as the Plains, yet these people down here think it is very dry. They have had quite a bit of cold weather down here too.

I have just received another contribution for this Column from our Mexico friend in which she is still telling us about Veracruz

and the "tierra caliente" country. And so I am going to give you that now.

"Here beneath a mango tree, visitors may pass lazy hours delightfully wondering whether there really are such mad places as cities, such mad activities as wars, deciding in the end that 'all that' must have been only a bad dream, that after all the world is a delightful tranquil place with lovely tropical birds singing overhead, with fertile soil beneath, producing both bread for the body and flowers for the soul.

"The motorist should not fail to visit Amatlan de los Reyes, near Cordoba, and El Potrero, farther east, with its huge sugar mill. In Amatlan, one may, with good luck, get a glimpse of the lovely costumes made and worn by the Indians of this region.

"To the rail traveler, two side trips are suggested. One is the round trip from Cordoba to Tiera Blanca down in the hot country. This can be made in one day (Though you may want to repeat it the very next.) The other, even shorter, is that to Coscomatepec and return. Both these trips lead past tiny, enchanted jungle towns you will long remember, and which will no doubt become much more popular when travelers have learned about them. No Pullman or other deluxe service is offered on these rail trips. Those who stay long enough to become acquainted locally may be vouchsafed a glimpse into the social life in one of the more cultured groups in the Cordoba-Orizaba region, where the influences of an earlier day are still in the customs.

The Port of Veracruz—what is it about tierra caliente that many find so attractive? Those who love the hot coastal towns can not tell you just where their insidious magnetism lies. Is it the torrential afternoon rains? Is it the friendliness of the people, their passionate huapangos and sensuous don zores, the low-

er tempo of their every-day living? Is it the delicious dishes they prepare to tickle the palate? Who can put his finger on the spell of the tropics?"—Aurora.

I don't know who can, Aurora, but the spell has a powerful pull.

From the Bible, from a scholarly and comprehensive work entitled Biblical Backgrounds and from Peloubet's Bible Dictionary, a marvelously enlightening little volume, I have been making some study recently of the history of nations that first rose out of the mists and shadows of Antiquity and pre-historic times—nations such as Egypt, Chaldea, Assyria, Babylonia, and Phoenicia. Many other nations just as old perhaps as many of these flourished contemporaneously with them but did not rise out of the mists and shadows as early.

Many of these nations mentioned in the Bible are as old possibly as the oldest but are not as well known because they were not as powerful, and they influenced world affairs far less than others.

Some, like Mexico and Peru, existed but were utterly unknown to the civilized world, and little was known of countries like Japan, China, and southern Asia.

A few thinkers and visionaries dreamed of other possible lands but nobody, not even in Columbus' day, ever dreamed that there was actually such a land as Mexico, with such a people and such a history as Mexico has had. It existed and flourished, no doubt, contemporaneously with the oldest countries mentioned in the Bible, but for unnumbered centuries it remained hidden in the mists and shadows. As the knowledge of its existence burst upon the world about 460 years ago, men began to investigate its past. With spade and shovel and dynamite they uncovered pyramids and monuments and ancient ruins that told of a marvelous civilization that had existed for countless centuries. And since then civilized men have been repeatedly astonished to find that many of the religious beliefs, superstitions, and practices of ancient pagan peoples of "Bible Lands" and of the great nations of the old World have their counterparts in Mexico.

Modern scientists' and historians have found, for instance, that while human sacrifices were prac-

ticed occasionally as religious rites by the ancient Chaldeans, Moabites, Ammonites, and other pagan peoples of early Bible times, human beings, on a thousand times larger scale, were being offered as human sacrifices on Aztec Indians altars in the present city of Mexico (old Tenochtitlan); at Teotihuacan thirty miles northeast of the city of Mexico; at Cholula and numerous places in the shadow of Mexico's highest volcano, Popocatepetl; at Oaxaca, and I know not how many other places. It is possible that the practice was begun as early in Mexico as it was in Ur of the Chaldees or in Moab, but it most certainly continued in Mexico for many hundreds of years after it had been discontinued in the ancient countries of the east.

Three of those countries in particular reminded me of ancient Mexico—Ur of the Chaldees, Moab, and the country of the Ammonites; in a lesser degree, ancient Phoenicia, the most remarkable and the most famous of them all.

I have already mentioned Ur of Chaldees. It reminds me of Mexico because there the Chaldeans worship the Moon and built a temple to the moon called the Ziggurat on the top of which they constructed an altar on which they offered their sacrifices, usually of birds or animals but occasionally of human beings.

In Mexico, the Toltec Indians built a temple to the moon out at Teotihuacan 30 miles north-east of the city of Tenochtitlan

and either the Toltecs or the Aztecs who supplanted them built an altar near by where they offered numerous human sacrifices to their gods.

The Chaldean temple of Ziggurat crude-looking but substantial structure, while the Mexican temple or teotl was a great pyramid, which still stands. They also built near-by a great pyramid to the Sun-God, and it still stands. At Cholula is the largest pyramid in the world as respects the acreage covered. So, Mexico greatly out-urrs Ur in the matter of physical equipment for the worship of the Moon and other gods.

One striking example of human sacrifices offered by the Moabites is found in the third chapter of Second Kings. The Moabites were descended from Lot, Abraham's nephew, and had a shameful origin down at Sodom during Abraham's lifetime. The Moabites therefore were closely related to the Jews but during most of their history they were at enmity with the Jews and were worshippers of idols. Chemosh sometimes known as Milcom was their fire-god and they were fire worshippers, sometimes burning their children to death and offering them in sacrifice to Chemosh or other gods. They also engaged in the observance of very immoral rites in their religious celebrations.

On one occasion they were at war with Israel and Judah and Edom, and the three kings with their armies were gradually driving the Moabites into their own capital city. Mesha, king of the

Moabites, had marshaled all his forces but to his great disappointment and consternation he was being steadily driven back, back, back, into the very walls of his city. In utter despair, he decided to offer his own son, who was the heir-apparent to the throne, as a sacrifice to his gods in propitiation for his sins and the sins of his people. So, on the wall of the city, in plain sight of thousands of Moabite citizens and also in sight of the hosts of the enemy, he offered his own son as a burnt offering to his gods. And this horribly cruel act stirred up the implacable wrath of the Moabites against their enemies.

In Mexico, captives taken from the enemy, or the most beautiful young maidens—that could be found, and sometimes even their own children, were offered as

human sacrifices to the gods. Usually four priests—strong men—stripped the victims, stretched them out upon the altar, and with long sharp knives suddenly cut their entrails out. This they did to appease the gods, whom they thought to be angry.

New Conoco Super Gasoline with TCP*

The Greatest Gasoline Development in 31 Years

1 "I tried the 'Two-Tank Test' in our 1948 Chrysler and I was really amazed. You can't imagine the new pep and power. The car runs like a million. Really new-car performance!"

Mrs. Herman Moad, Housewife
900 South Garfield, Denver, Colorado

2 "I drive a 1950 Ford. I used to get about 17 miles on the road. But since changing to Conoco Super with TCP my mileage has gone up to 20. My car's pep and get-away have improved 50 or 60%!"

Pet Morse, Locomotive Fireman
1825 Arch St., Fort Worth, Texas

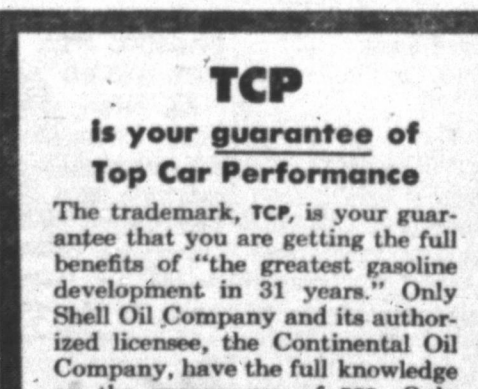

3 "Using Conoco Super Gasoline with TCP, I don't believe our '48 Dodge has driven so good since it was new. The car doesn't 'die' when you slow or stop. It's the best gasoline we've ever used!"

Mrs. Lois Barr, Farmer's Wife
Winchester, Iowa, Route 4

4 "Conoco Super with TCP is great for starting. Never a bit of trouble. And when you throttle down and then reach for quick speed—with TCP you really get it. It's terrific for power!"

Kenneth C. Thompson, Ford Salesman
822 Court Street, Beatrice, Nebraska

5 "We drive a bunch of old cars here, and put good gasoline in 'em to perk 'em up. TCP makes a big difference in old cars. It's like a valve job. Conoco Super with TCP is the best gasoline I've used!"

A. F. Evers, Jr., Hardware Dealer
Denton, Texas

New Rules And Regulation For High Plains Water Conservation

By JIM COMPTON

New rules and regulations governing the waste of underground water, drilling and spacing of new wells, and reworking or replacing of old wells have been formulated by the High Plains Underground Water Conservation District Board of Directors.

Several amendments to the rules were made necessary this year, said District Manager Tom McFarland. Also, he said, clarification has been needed in parts of the old constitution and by-laws.

The new rules and regulations became effective Sunday, February 7.

One of the most important changes in the rules concerns water waste, McFarland said. In

the past, because of lenient rules, much water has been wasted. Not deliberately, but unconsciously, he hastened to add. The new rules and regulations definitely define the term waste as applied to underground water and provisions have been added for its prevention.

According to the new Rule 1, waste is any water not used for agricultural gardening, domestic or stock raising purposes; it is water which is not used for beneficial purposes; it is waste escaping from one underground reservoir to any other reservoir not containing underground water; it is water which is knowingly permitted to escape irrigation land; it is that which is permitted to escape into natural watercourses such as depressions in the land, creeks and rivers; and it is excess water which is not returned to the underground strata.

According to the provisions of the above rule, water shall not be produced within or used within or without the district boundaries in such manner and under such conditions as to constitute waste.

Concerning the application and issuance of drilling permits, the new rules clearly and definitely prescribe brief procedures to be used by owners or tenants desiring to drill, McFarland said. According to the present rules, no person, firm or corporation shall drill, construct, or equip a new well within the district without first making application for a permit. Water wells which are to be used in a temporary capacity in supplying oil or gas wells are exempt from this rule. Also, upon application, information pertinent to the drilling, construction or equipping of the new well must be furnished the district by the applicant. After the proper information has been furnished and approved, a permit may be issued.

Also, no well shall be drilled and equipped without the owner submitting a drilling log and registration data.

As to spacing of wells, which has always been a large problem to cope with, we think the new rules have clarified the situation greatly, McFarland said. Following are minimum specified distances between wells as incorporated into the new regulations: 4-inch or smaller pumps, 200 yards; 5-inch pumps, 250 yards; 6-inch pumps, 300 yards; 8-inch pumps, 400 yards. A special permit must be obtained for pumps larger than 8 inches.

Pumping rates will be regarded as follows: 4-inch or smaller pumps, 70 to 265 gallons per minute (gpm); 5-inch pumps, 265 to 390 gpm; 6-inch pumps 390 to 560 gpm; and 8-inch pumps 560 to 1,000 gpm.

These rules have been made, he added, with the interest of every water user in the district at heart. We hope they will provide for more conservation of underground water on the part of everyone in the bounds of High Plains Water District.

Other rules such as those for re-change wells, hearings, changed conditions, and well testing and inspections, have been changed in some respects and should be studied by water users, he said.

Provisions also have been made

RED CROSS WATER SAFETY 40 YEARS OLD

Only forty years have passed since February 1, 1914, when the first Red Cross Water Safety courses were introduced to the world by the "amiable whale," the late Commodore Wilbert E. Longfellow (on running board). And, though styles in bathing attire have changed drastically in that time, the principles of water safety which the Red Cross has taught to 9,300,000 persons have remained constant. Waterproofing America has paid big dividends; since 1914 the drowning rate per 100,000 population has been cut in half. Water Safety is one of the many Red Cross services you support by your contributions to the annual Red Cross Campaign in March.

New Policy On Use Of School Cafeteria For Public Meets

Due to the shortage of banquet facilities in Tahoka, the cafeteria of the Tahoka Public Schools has been available to civic and community organizations. However, as more and more requests are made for the use of these facilities, the need for some sort of general policy regarding such use is evident.

The school officials feel that someone who is familiar with the cafeteria equipment should always be on hand to supervise the preparation of the meal to be served. Therefore, the school has made arrangements with a group of

ladies who are experienced in the use of the cafeteria to do the preparing and serving of banquets.

Should an organization desire to cook and serve its own meals, we ask that you use one of these ladies as supervisor or consultant. The fee for the services of this one lady will be \$10.00 for a group up to 100, or \$15.00 for larger groups. Such fees will include sweeping the dining hall after the banquet.

If the organization wishes to hire the banquet cooked and served, complete, the charges will be thirty-five cents per plate, with a \$35.00 minimum charge, this amount to include cleaning the dining hall after the meal.

Any requests for use of the cafeteria should be made to Archie Sims, cafeteria manager, or Otis Spears, Superintendent.

As there are barely enough cooking utensils to prepare for the 500 who eat daily at the cafeteria, we are forced to refuse all requests to "borrow" such items.

VICTOR STEINHAUSER IS AT KINGSVILLE STATION

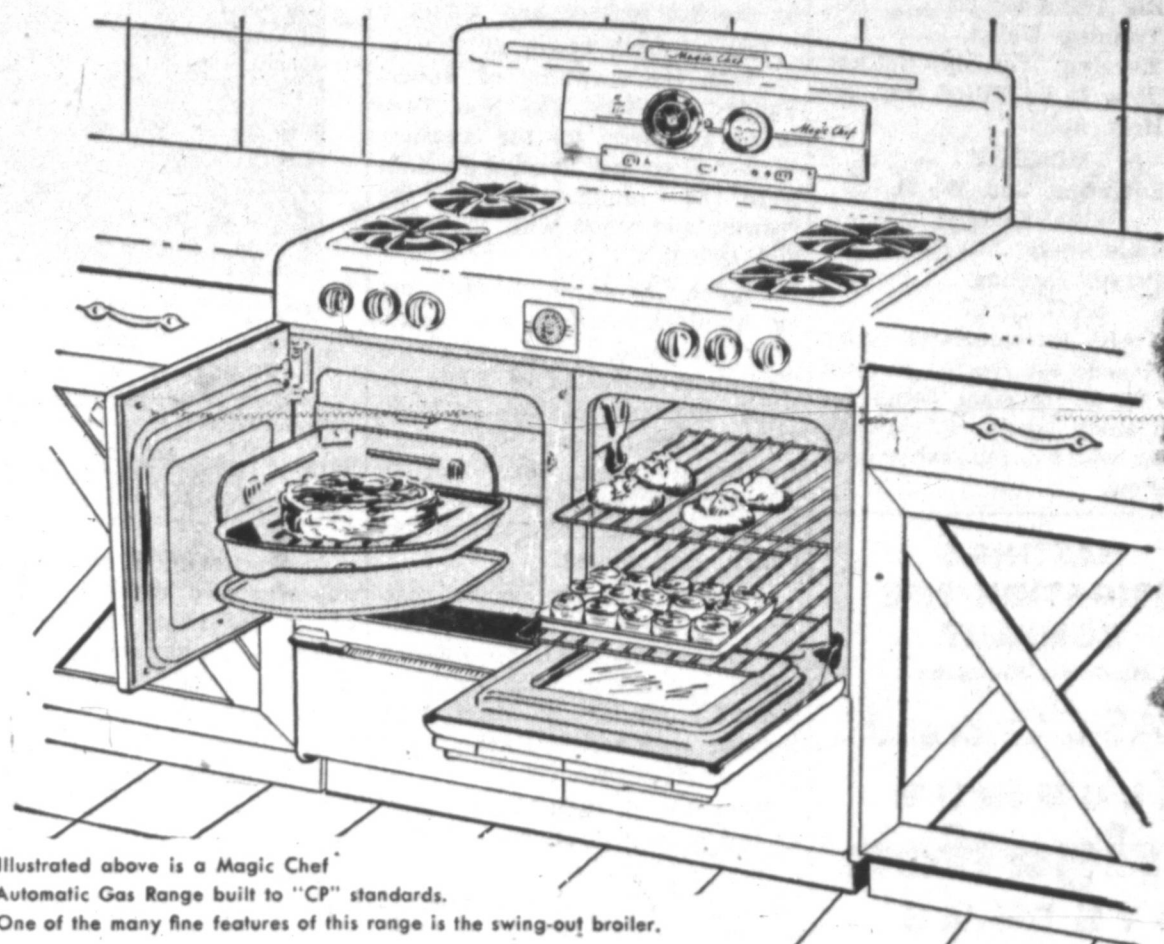

Kingsville, Tex. (FHTNC)—At the U. S. Naval Auxiliary Air Station here for duty is Victor F. Steinhauser, disbursing clerk second class, USN, son of Mr. and Mrs. Walter C. Steinhauser of Route 2, Wilson.

The Lynn County News, Tahoka, Texas

February 19, 1954

Steinhauser attended Wilson High School. Kingsville, the home of Naval air jet training, is situated a few miles inland from the Gulf of Mexico on the south-eastern coast of the state.

Besides training pilots in jet aircraft, many of the Navy's pilots receive fighter training in the F6F Hellcat; anti-submarine training in the TBM Avenger; and all-weather flight training in the twin-engine SNB-5 Beechcraft.

Illustrated above is a Magic Chef Automatic Gas Range built to "CP" standards. One of the many fine features of this range is the swing-out broiler.

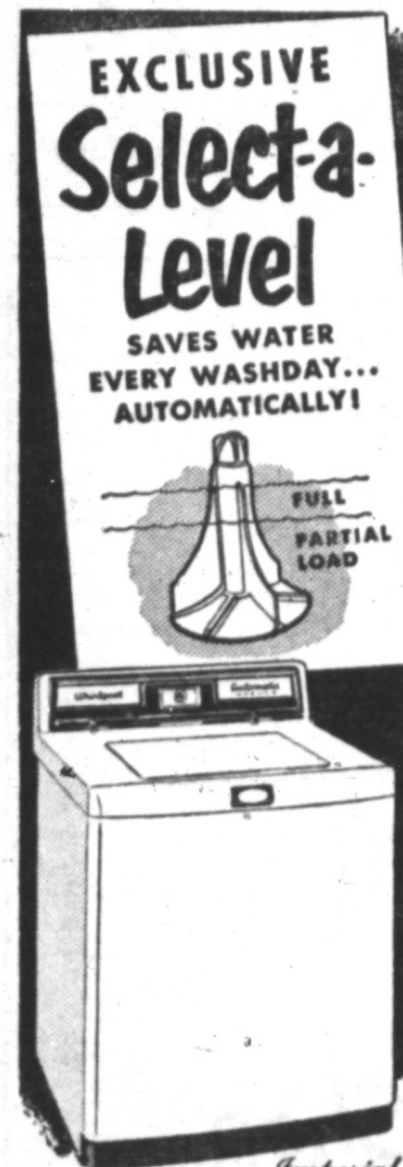

Completely automatic... the modern Gas range

Your Buying Guide

The "CP" trademark of the Gas Appliance Manufacturers Association is a "Buying Guide" and means that the gas range on which it appears meets all requirements of the American Gas Association Laboratories and, in addition, special high requirements for convenience, performance and economy. It is a trademark and not a "brand name."

The new, completely automatic Gas ranges are your best buys today. The modern gas ranges, built to "CP" standards, provide you with every modern cooking convenience. Whatever your cooking needs are there is an automatic gas range built to meet your requirements. More than 20 gas range manufacturers build beautiful, dependable ranges to "CP" standards. Buy a modern automatic gas range built to "CP" standards and enjoy cooking perfection. No range is more automatic.

Write for free literature.

D. W. GAIGNAT**Sweetheart Banquet Held On Monday By Sweet Street Church**

About 100 people were present at the Sweet Street Baptist Church "Sweetheart Banquet" on Monday night. The banquet was sponsored by the Brotherhood and W.M.S.

The program began at 7:00 p. m. with the crowning of Hubert Yandell as King and Sue Tomlinson as Queen, for the occasion. Walter Stice and Carolyn Duckett were the runners-up for the crowns, and stood with the King and Queen.

Supper was served in the Junior Auditorium, which was beautifully decorated in red and white. The menu consisted of Southern-fried chicken, mashed potatoes, gravy, English peas, and lettuce and tomato salad. There was an abundance of delicious pies of all kinds to choose from. Coffee and punch were served.

After supper, the people reassembled in the main auditorium for the remainder of the program. After a congregational hymn, a beautiful special in song was brought by Carolyn Duckett and Mrs. Hazel Greer.

Then Rev. B. H. Baldwin, pastor of Union Baptist Church, brought a heart-searching, soul-stirring message on "Faith". The essence of the message was that we, as weak, short-sighted humans, try to limit God and His power, thus preventing Him from doing many great things here. We ought not to limit God, advised Rev. Baldwin, but we ought to have faith in His wisdom, love and power.

The pastor, Bill Wadley, the Brotherhood president, Glen Medlin, and the W. M. S. president, Mrs. L. D. McKee, take this opportunity to think each and every one for their help and cooperation in making the "Sweetheart Banquet" a great success.

CARD OF THANKS

We deeply appreciate the words of sympathy, acts of kindness, and the bringing of food during the recent misfortune of losing our loved one. May God bless each of you.—Mrs. Cubanna Eccles and the Keltner family.

WAGON BOX FIGHT—This print from the "U.S. Army in Action" painting series commemorates the heroic stand of 30 men from the Ninth Infantry Aug. 2, 1867, near Fort Phil Kearney, Wyo. They held off 2,000 Sioux Indians from behind a barricade of wagon boxes.

Baptists Organize New W.M.U. Circle

A new circle of the W. M. U. was organized Monday night, Feb. 15, at the home of Mrs. Lester Adams. This new organization being, the Baptist Business Woman's Circle.

Mrs. Everton Nevill presided and introduced Mrs. Clay Bennett who brought the devotional thoughts.

Mrs. Lonnie Lumsden, well known W. M. U. promoter, from Wilson was then introduced and she explained the beginning and functions of the Business Woman's Circle.

Mrs. Henderson, chairman of the Wilson BWC also gave some helpful and challenging suggestions.

The group elected Mrs. Lester Adams as chairman and Mrs. Jack Adams, secretary.

The purpose of this organization is to provide Mission Study for the women who are employed in business during the day and cannot attend regular afternoon W. M. U. meetings.

All Baptist Business Women are invited to attend the next meeting, Thursday night, February 25, at the home of Mrs. Ray Adams. Mrs. Clay Bennett is to be program chairman for the meeting.

JERRY ROSEBERRY WITH DESTROYER IN PACIFIC

YOKOSUKA, Japan, with USN—Jerry B. Roseberry, a radioman seaman, USN, son of Mr. and Mrs. Charles J. Roseberry of Route 4, Tahoka, is serving aboard the Atlantic Fleet destroyer USS Hazelwood which arrived here last month for a tour of duty in the Far East.

The Hazelwood will serve with units of the Seventh and Ninth Fleets while in the Orient. These fleets include ships from Canada, the United Kingdom, the Netherlands, South Korea and the United States.

WILSON MAN WILL TALK AT GRASSLAND CHURCH

Mr. Hewlett of Wilson will give a lay talk at the Sunday evening service of the Grassland Methodist Church at 7 p. m., according to Rev. H. C. Mayo, pastor.

Rev. Mayo will preach next Sunday at Weinert as a part of the exchange program of pastors-speakers between the Stenford and Brownfield districts of the Methodist Church.

SINGING FEBRUARY 26 AT GRASSLAND CHURCH

Friday night, Feb. 26, there will be a special song service at the Grassland Church of the Nazarene, according to Rev. John Ferguson, pastor, to which everyone is invited.

One of the best quartets in the area will be present to render some special music, he said.

Mrs. O. W. Latson of Lubbock, mother of Mrs. Wynne Collier, who underwent major surgery in a Dallas hospital about three weeks ago, is improving nicely and was able to go to the home of another daughter, Mrs. H. A. Rawline, in Dallas last week and Mrs. Collier returned from her bedside Sunday.

Hungry cows grazing on rank clover are subject to bloat. Feeding hay before turning the cows into the pasture will help prevent the trouble.

"Come Hear the Messages of Salvation"

Miss James, Harold Crooks Will Marry

Mr. and Mrs. Claude James of New Home announce the engagement and approaching marriage of their daughter, Gloria Ellen James, to Harold Leroy Crooks.

He is the son of Mr. and Mrs. Edd Crooks of Tahoka, Route 4.

The couple will be married on March 6 at 7:00 p. m. in the New Home Baptist Church.

Friends and families of the couple are invited to attend the ceremony and also the reception following in the Church parlor.

NOWLIN CHILDREN HERE FOR FUNERAL

Rev. and Mrs. Joe Webb, of Sonora, Calif., and Thomas Deen Nowlin of Waco were here last week for the funeral of their grandfather, R. Bosworth, who died in Corpus Christi.

In fact, they were here visiting their mother, Mrs. O. E. Eubank, at the time of his death.

Mrs. Webb is the former Miss Dolores Nowlin. Her husband is pastor of the Baptist Church of Sonora, Calif.

Thomas Deen is a third year student in Baylor University at Waco.

U. S. department of agriculture chemists have developed a non-swelling wood which promises to eliminate the nuisance of tight-fitting drawers and windows.

Florida has more kinds of trees than any of the other states.

WSCS Completes Spanish Study

The Woman's Society of Christian Service completed its six lesson study on "Spanish Speaking Americans" Monday afternoon at its regular meeting in the Methodist Church. Mrs. G. M. Stewart directed the very interesting study.

As a result of the study, the WSCS is buying literature printed in Spanish language for local Spanish-American children, and is also offering assistance to the Mexican Mission.

Next Monday in Fellowship Hall of the Church, the WSCS ladies will meet at 10:30 a. m. for "A Day Apart" under the direction of Mrs. R. H. Gibson. The ladies will bring sack lunches.

KELTNERS HERE

Mrs. C. B. Keltner, who spends her winters in Globe, Ariz., came in home Friday of last week for the funeral of her son-in-law, H. H. Eccles, on Saturday.

Also here were Mr. and Mrs. Monte Ray Keltner and one of their children of Clinton, North Carolina. They left for home Wednesday.

Miss Joan Scott Will Marry February 28

Mr. and Mrs. W. P. Scott of Tahoka, route 1, announce the engagement and approaching marriage of their daughter, Joan, to Tommy Joe Billings, son of Mrs. Earl Billings of Bronco.

The wedding will take place on February 28 at the home of the bride's grandparents, Mr. and Mrs. J. A. Scott, 2021 North Main, in Tahoka.

EASTERN STAR MEET

Tahoka Chapter of the Eastern Star will meet Monday night, Feb. 22, 7:30 p. m. All members are urged to be present.—Jane Morehead, W. M.

Mrs. Hattie Short, who recently underwent major surgery at Houston is now reported to be recovering nicely. Her parents, Mr. and Mrs. P. D. Surver, have been living with her in that city the past several months.

Odds & Ends

(Continued)

The Moabites often were prompted by the same motives. But while the Moabites as a rule are shown up as a cruel, heartless, wicked, immoral, idol-worshipping people, there is one immortal story that has been gleaned from their history and that is universally loved and cherished by Christian people, the story of Ruth and Naomi. The story is not only an ideally beautiful one with itself, but it is highly prized because Ruth became the ancestor of David who in turn, centuries later, became the ancestor of Christ.

Now I am going to skip the Ammonites. There is not much to be said in their favor anyway. I am going to remind you of the achievements and the exploits of the Phoenicians.

Phoenicia was a small country in extent of territory but it proved to be one of the great countries of all time in achievement and influence upon the history of the world. Yet its people were not of high standing intellectually or culturally as were the people of Greece and Rome. They could not boast of Grecian art or Norman blood. There was no Caesar, no Demosthenes, no Homer, no Moses, no Shakespeare, and no Alexander the Great among them at any time during their career as a nation. They were neither highly born or highly cultured, it seems.

When the curtains of authentic history were lifted after long and impenetrable ages had imperceptibly moved away, Phoenicia was one of the nations sitting on the stage. Historians do not know her origin and they do not think it possible to find out. She speaks a language allied to that of the Hebrews, the Moabites, and the Canaanites, and some linguists

and historians believe that originally the Phoenicians and the Canaanites were racially identical or nearly so.

Religiously the ancient Phoenicians were idol-worshippers, and they were so firmly established in their paganistic beliefs and practices that the Jews found it practically impossible to win them over to Judaism but more often were led by them off into idolatry. They practiced gross immorality in their pagan ceremonies, and these ceremonies therefore had great power in keeping their votaries lined up for paganism and also for attracting many wavering or unsteady Jews from the moral standards set up for and required of them in their conduct and worship.

The moral standards and practices of the ancient Phoenicians doubtless were just about on a par with those of the ancient Indian tribes of Mexico.

Like the ancient Mexican Indians, the Phoenicians worshiped some of the heavenly bodies, notably the Sun, the Moon, and possibly some of the planets. There is evidence that so-called sacred prostitution was practiced in both countries, as a religious rite.

Phoenicia was a pitifully small country. It was just a little stretch of land not more than 125 miles long and just a few miles wide, nowhere as much as 20 miles, lying along the northeastern shore of the Mediterranean Sea but it had two great seaports, Tyre and Sidon. At the north it ran up into the Lebanon Mountains, which were covered with cedars and cypress trees, the Cedars of Lebanon having enjoyed world-wide fame for at least 3,000 years now. You will remember that when King Solomon was getting ready to build Solomon's Temple he entered into a treaty with Hiram, King of Tyre, whereby King Hiram was to furnish the cedar and the cypress timber and the stone blocks with which to build the temple and both were to furnish laborers to hew and cut, and transport the material to points to be designed by Solomon. Gold and Silver equivalent to millions of American dollars were involved in the deal, and that turned out to be one of the biggest building projects in all history.

Phoenicia was the greatest naval power and commercial-shipping nation in the world of its day. It was the England of ancient times. Its ships plied all the shores of the Mediterranean and carried goods from Tyre and Sidon and Antioch to the Gates of Gibraltar and out through and beyond the Gates to whatever shipping points lay along the shores of the Atlantic. There was not a trading point in all that great commercial area that Phoenician ships didn't visit.

Phoenicia not only sent ships laden with the products of the then known world to all the principal ports, but she established colonies here and there over all the accessible lands where a colony could be made profitable to her. The most profitable of these colonies was Carthage on the north coast of Africa, which in the course of time grew into a great city and became a rival of Rome.

But undoubtedly the greatest achievement of the Phoenicians, though it was scarcely noticeable at the time, was the invention of an alphabet, virtually the alphabet that the world uses today, the same alphabet, substantially, at that with which I am writing this Column.

And just think! If those dark-skinned Phoenicians some 3,000 of 4,000 years ago had not invented the alphabet there would not have been a column like this. No, Sir, and without an alphabet there would not have been a newspaper or a magazine or a library or a Bible or a funny paper or a comic section of any kind in the whole world today. There might have been a few hand-written scrolls written in ugly hieroglyphics, but who could learn anything poring over one of those things.

What in the world would we be today, folks, if those hard-headed mulattoes hadn't come along about 4,000 years ago. I guess most of us would have been as ignorant as Hottentots and as mean as Molotov. Goodnight.

Which Part is most important?

THE ANSWER, as you know, is that the engine and the steering wheel are equally important. If either part were missing, the car couldn't function.

The same principle applies to our American industrial system: it takes both "Capital" and "Labor" to make it work.

With willing investors to provide tools, and skilled workers to man them efficiently, American industry has reached the highest level of production in history—and Americans enjoy the highest living standard.

Would any reasonable person deny the investor's right to a fair return for risking his savings, any more than the worker's right to a fair wage? Of course not.

Communists, however, aren't reasonable people. They desperately want to break up our "winning combination." But when they trot out their phony arguments, trying to set one group against another, Americans just look around them and reply "Our system really gives us what you only promise. We like what we've got—and we'll keep it!"

The Look of Tomorrow is in every '54 BUICK Today
With completely new "years-away" styling—leveled by the dream-car design of the panoramic sweep-back windshield.

The stunning new 1954 Buick Century Riviera.

(horsepower)
200 HP makes

BUICK's CENTURY
the power buy of the year!

The sensational Buick Century is available for 1954 in a full line of models, including the completely new all-steel 4-door, 6-passenger Estate Wagon shown here.

It has sports-car smartness and sports-car snap.

It combines sports-car compactness with Buick roominess—six-passenger big.

And for sports-car performance, this spectacular CENTURY rolls off the assembly line with a 200-hp V8 engine and a trim 3852 pounds—highest power-to-weight ratio in Buick history.

But what does all that horsepower get you?

It gets you brilliant performance. It gets you more economy. It gets you added safety.

At the wheel of a Buick CENTURY,

you find getaway more responsive, cruising more pleasant, hill-climbing so nimble you feel you're on the level. Your engine is normally working at just a fraction of its capacity. You have a tremendous power reservoir to call on in sudden emergencies.

And beyond this, you have the lowest-cost automotive horsepower in the land. For in the popular-priced Buick CENTURY, you are buying more horsepower per dollar than you get in any other car in America.

Come in and try this glamorous new Buick beauty soon. It is, by all odds, the power buy of the year.

BUICK the beautiful buy

LAST GERMAN ASSAULT—This print from the new "U.S. Army in Action" painting series depicts the 30th and 38th Infantry Regiments of the Third Division resisting the last great German attack of World War I. Firing in three directions, the regiments held and forced the enemy back to the Marne.

Sustaining Life

A life hangs in the balance as this recent tornado victim receives blood plasma. The Red Cross is now collecting blood through 45 regional programs for use in hospitals and emergencies. The blood you give may save your own or a loved one's life.

Miss Echo Milliken was expected home Thursday from Dallas, where she has been since last Friday attending the State Beauty Convention.

Wonderful Help for Child's Cough

For coughs and acute bronchitis due to colds you can now get Creomulsion specially prepared for children in a new pink and blue package and be sure:

- (1) Your child will like it.
- (2) It contains only safe, proven ingredients.
- (3) It contains no narcotics to disturb nature's processes.
- (4) It will aid nature to soothe and heal raw, tender, inflamed throat and bronchial membranes, thus relieving the cough and promoting rest and sleep. Ask for Creomulsion for Children in the pink and blue package.

CREOMULSION FOR CHILDREN

Solves Coughs, Chest Colds, Acute Bronchitis.

OUR HATS ARE OFF TO—

The Homemaking girls, Mrs. Hegl, school administrators, the school board, and the contractor, Everett Newell, on the wonderful new Homemaking Cottage. We hope the Department will enjoy school work in this new building, and that it may help our girls to better prepare themselves for future life. We join you in appreciation of this fine, modern building.

Many Accidents During January

Captain E. L. Posey announced today the Highway Patrol investigated a total of 72 accidents in the month of January, 1954. In District 6 which is composed of 21 South Plains Counties. Four of the accidents were fatal killing 4 people, 20 were personal injury accidents causing injury to 38 persons. Property Damage amounted to \$43,295.00 from 48 property Damage Accidents.

State and Federal highways led in number of accidents with 56. Farm to market highways had 10, county dirt roads and small towns 3 each.

Driving when drinking, too fast for existing conditions, following too close, improper passing and failing to yield right of way were the principle causative factors.

"Traffic supervision by directing, investigating traffic accidents and enforcing traffic laws is the primary purpose of the Texas Highway Patrol," Captain Posey added. State Patrolmen filed 711 cases last month. Traffic violations accounted for 675. 336 cases for speeding, 32 DWI, 47 defective equipment and 260 for other various law violations. In addition 1255 drivers were warned for hazardous violations and 400 motorists were assisted with flat tires, gas, information and etc. 25 Highway Patrolmen traveled 94,000 miles and worked 6,380 hours, 2500 were night hours.

A total of \$12,315.00 in fines was collected by the 21 Counties for traffic cases filed.

"Some drivers would do much better if they stayed at home," Captain Posey stated. He was referring to the intoxicated driver who attempted to help a State Patrol car through a red light by ramming it from the rear. A \$150.00 fine and three days in jail was a high price to pay for trying to be helpful.

Janie McAtee And Larry Hagood Wed

The recent marriage of Miss Janie McAtee of Henryetta, Oklahoma, to Larry Hagood of Tahoka has been revealed here.

The wedding ceremony was performed on January 16 in Dallas in the church parlors of the Oak Cliff Methodist Church by Rev. Howard Hollowell, pastor, former pastor at O'Donnell.

Following the ceremony, the couple went on a wedding trip to Mississippi and Houston and other points in East Texas. They arrived in Tahoka Tuesday to make their home here.

The bride is the daughter of Mr. and Mrs. J. R. McAtee of Henryetta, both of whom were reared in Lynn county. She is a granddaughter of Mrs. J. H. Cobb of seven miles north of Tahoka and of Mrs. J. R. McAtee Sr. of Slaton, and has many other relatives here.

Larry is a son of Mr. and Mrs. W. W. Hagood. He is a graduate of the local high school, and attended Texas Tech. He is engaged in farming southwest of town.

DR. PROHL IS HOME

Dr. Emil Prohl returned home Thursday morning from Dallas, where he spent several days attending orthopedic post graduate lectures at Southwestern Medical College.

Area of continental U. S. is 3, 022,287 square miles.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

Justice Department is now investigating Swiss watch cartel. Whether or not any action results under direction of reluctant Herbert Brownell, facts developed will be interesting to American business men and consumers.

Already facts seem to indicate these two conclusions: 1. Idea that cartel business benefits the public is a fallacy. 2. Nobody in the U. S. A. with exception of small minority benefits.

Justice Dept. C. W. Harder, department is studying Bulova records, probably nation's biggest importer of foreign watch movements.

According to Justice Department allegations, the price of 17 jewel Swiss watch movements set by a Swiss cartel at \$4.00 each. Present import duties on foreign 17 jewel watch movements brings the price up to \$6.00 each landed in this country, where they are then cased, and sold to public at prices ranging from around \$40 to \$100 or over.

In American plants, it costs \$10 to make a 17 jewel watch movement. Thus, even with present tariff, Swiss watch movements enter nation for 60% of the cost of American made movements.

While Justice Department is investigating legality of an American firm procuring merchandise at cartel pegged prices, deeper significance appears in issue.

First there is this question: Does the public benefit by the fact that 17 jewel Swiss watch movements land in nation for 40% less than U. S. cost?

As retail prices of 17 jewel

MISS BERTA HILL HEADS SEGUIN LADIES CLUB

Miss Berta Hill has been elected the new president of the Seguin Pilot Club, a woman's organization, according to a clipping from a newspaper in that city.

The clipping was brought The News by Mrs. D. B. English, her daughter having sent it from Seguin.

Miss Hill is a daughter of E. I. Hill and formerly lived here.

CARD OF THANKS

We wish to express our thanks for the cards, visits, and other kindnesses shown while I was in the hospital. I am grateful to be home and recovering, and wish my friends to know I appreciate them very much.—Mrs. P. A. Austin.

Mrs. Grayam George is reported to be improving and is able to be up again.

BRAKE AND SHOCK ABSORBERS

BRAKES OK?

If you can push the brake pedal down within two inches of the floor—or if you have to "pump" your brakes to stop short—better drop over and let us check them for you right away.

"SHOCK TREATMENT" for your BUICK!

Don't let this delay. Come see us quickly, won't you?

Put your Buick in Buick hands

WHEATLEY BUICK CO.

Shock absorber treatment, that is—and you may need it! Your car's "shocks" need periodic inspection and refilling—so they don't run dry, wear out, and lose their full ability to smooth out your ride.

Let our Buick-wise mechanics check and refill your shock absorbers now. Play it safe—you'll get a better ride!

Results Given On O'Donnell Stock Show Held Saturday of Last Week

O'Donnell's 4-H and FFA live-stock show held last Saturday was one of the best ever held in that city. It was staged by James Reed, vocational agriculture instructor, and County Agent Bill Griffin, with the help of O'Donnell's business men and other citizens.

Judging was done by Leroy Colgan, Dawson county agent, and Andrew Essary, Lamesa agriculture teacher. Superintendents of the show were: Kenneth Pearson, calves; Harold Mires, sheep, and Tommy Modisette, swine.

Winners were: *
Calf Division
Grand champion: Dan Seely.
Reserve Champion, Tommy Gardenhire.

Lightweight calves: 1, Tommy Gardenhire; 2, Burl Cooley; 3, Lanny Brewer; 4, Roger McMillan; 5, Homer Vaughn.

Heavy calves: 1, Dan Seely; 2, Tommy Gardenhire; 3, Homer Vaughn; 4, Gerald Barton; 5, Raymond Harris.

Swine Division
Grand champion: Sammie Anderson.
Reserve champion: Kenneth Usery.

Lightweight: 1, Loyd Davis; 2, Rex Stokes; 3, Wallace Thompson; 4, Lloyd Davis; 5, Harold Sanders; 6, Doug Pierce; 7, Travis Pearce; 8, Franklin Eaker; 9,

Jack Gleghorn; 10 Jack Gleghorn; 11, Wayne Gleghorn.

Heavyweight: 1, Sammie Anderson; 2, Kenneth Usery; 3, Rex Stokes; 4, Harold Sanders; 5, Kenneth Usery; 6 and 7, Sammie Anderson; 8 and 9, Wallace Thompson; 10, Harold Sanders.

Gilt: 1, Sammie Anderson; 2, Danny Curry; 3, Wallace Thompson; 4, Carroll Meeker; 5, Jack Hoskins.

Sows: 1, Wallace Thompson; 2, Bobby Long; 3, Franklin Eaker; 4, Travis Pearce.

Champion: Wallace Thompson.
Pen of three barrows: 1, Sammie Anderson; 2, Wallace Thompson; 3, Lloyd Davis.

Sheep Division
Grand champion: Wendell Edwards.

Reserve champion: Wendell Edwards.

Medium wool lambs: 1, 2, and 3, Wendell Edwards; 4, Homer Dan Vaughn; 5, Harold Sanders.

Fine wool lambs: 1, Wendell Edwards; 2, Johnny Billingsley; 3, Jack Gleghorn; 4, Johnny Billingsley.

Medium wool ewes: 1, 2, 3, and 4, Wendell Edwards; 5, Johnny Billingsley. Champion ewe: Wendell Billingsley.

Rabbit Division
1, Coleman Baker; 2, J. Ray Moore; 3, Robert Dickey.

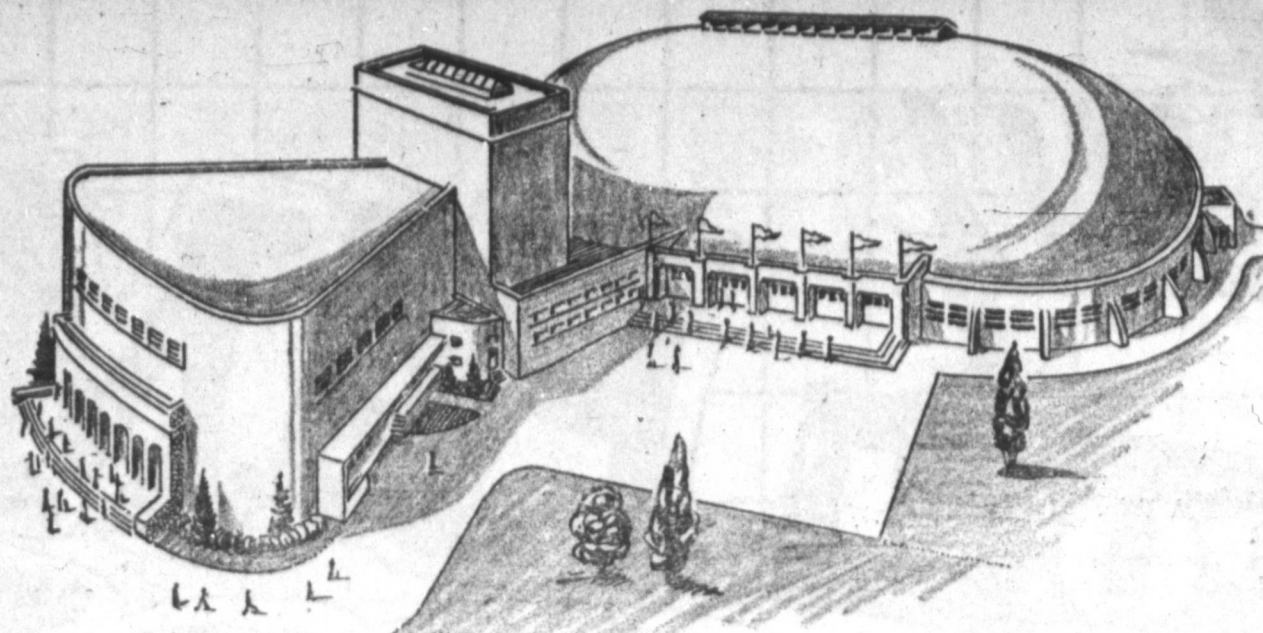

O'Donnell community boys will show their livestock in the Dawson county show and also will enter the Lynn county show in Tahoka on March 6.

LEON TAMPLINS ARE STILL IN DENISON

Mr. and Mrs. Leon Tamplin, formerly of Wilson who have been in Denison two or three years, write The News as follows:

"We are enjoy the news so much about all our neighbors and friends back there.

"We are hoping and praying you all get the rain this year you need so much."

COLISEUM-AUDITORIUM FOR LUBBOCK—This impressive structure is Architects Haynes and Kirby's conception of how the new coliseum-auditorium on the Texas Tech campus will look in a year. The \$1,750,000 building will be able to seat 10,000 in the coliseum and another 3,000 in the auditorium. Tech and Lubbock will use the building jointly, but it is owned and operated by the city.

Where huge defense plants have been built near hamlets or small towns, housing is usually inadequate and sub standard. Many defense workers must live in tents, trailers and hastily built shanties like those shown here. United Community Defense Services, member agency of United Defense Fund, helps communities plan and set up basic services. UDF seeks support through Community Chest or United Fund drives.

GORDON H. D. CLUB MRS. BREWER GUEST

Gordon Home Demonstration Club met Feb. 9, in the home of Mrs. Spencer Brewer. Roll call was answered by the color "your like best."

Report on the March of Dimes showed \$61.50 was raised. We decided to do some quilting for people to get money for our treasury.

A short report was made by the five attending Naturalization services in Judge Dooley's Federal Court Jan. 26, when ten people became citizens of the U. S. We enjoyed State Representative Waggoner Carr's talk, too. If you have never attended one of these services please do. There were two from Great Britain, two from Mexico, two from Germany, one France, and New Zealand, and one Russia.

Achievement reports from May, 1953, to May, 1954, were read and filled in.

Miss Wanda Roach gave a lesson on color, and each one tried 24 color collars.

We were so happy to have Mrs. Audrey Russell, district agent, from Lubbock.

Those present: Mmes. Gus Gatzki, Ray Cook, Dick Denton, Linell Denton, James Shelton, Woodrow Stewart, Raymond Gatzki, and Ed Denton.

Next meeting will be at Mrs. George Baker's.

Coffee, cakes, and cookies were served by the co-hostesses, Mrs. Stewart and Mrs. Brewer—Reporter.

Mr. and Mrs. Truman Covey of Brownwood were Sunday guests in the home of Mr. Covey's brother and sister-in-law, Mr. and Mrs. John Covey.

Mr. and Mrs. Derrell Ward of Denver City spent the weekend in Wilson with relatives and friends.

Mr. and Mrs. Rayburn Hahn and John Hahn spent the weekend in Hamilton with Mr. and Mrs. Ted Herzog and family. Mrs. Herzog is John Hahn's daughter and Rayburn's sister.

Mr. and Mrs. Mart Murray and daughter, Juanita were in Slaton Sunday for medical aid. Mrs. Murray has the flu at this writing.

Mr. and Mrs. Willie Alton Nieman of Petty and Mr. and Mrs. Owen Schneider of Wayside were Wednesday night supper guests of Mrs. Katie Nieman.

The W. S. C. S. of the Methodist Church met Tuesday at the church for their regular bi-monthly meeting. Rev. Lynward Harrison presented the devotional. The fourth study on Jeremiah was given with Mmes. Clarence Church, Glen Ward and Luke Coleman in a skit depicting the life of Jeremiah. Mrs. Lynward Harrison told the scriptural background in the life of Jeremiah. Others present were Mmes. Claude Grover, and C. A. Coleman, W. J. Hancock, Alice Davis, Charles Campbell, and J. O. King.

Carolyn Martin was hostess for a Valentine supper party Saturday night from six until eight. Present were Sandra Lumsden, Claudia and Jane Stoker, Cherry Campbell, Alma Owens, Helen Schneider, and Patsy Walker.

The Lillie Hundley and Blanche Grove Circles of the Baptist W. M. U. met Monday afternoon at the church for a Mission study. Mrs. Howard Cook taught two chapters of the book, "In Evangelism's Country". Present were Mmes. G. L. Nelson, Lonnie Lumsden, John Gayle, Earl Cummings, George Williamson, Jiggs

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief by gentle means—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Peppin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

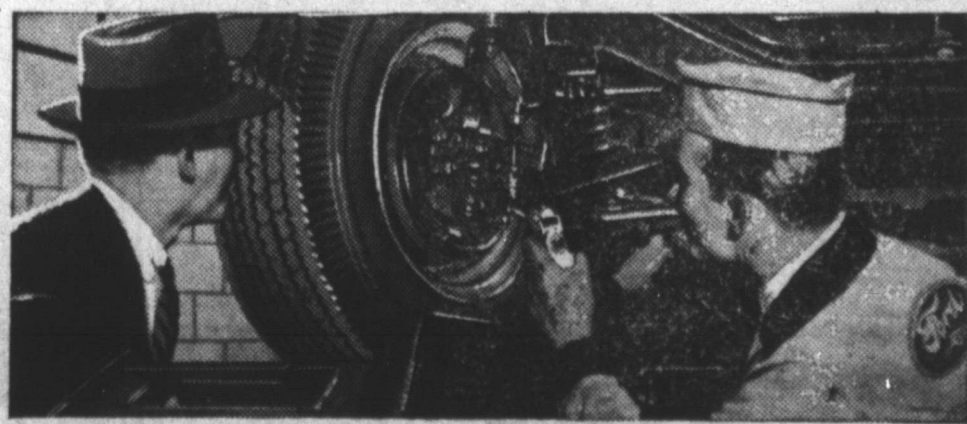

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber-and-metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

The "OLD" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too, not only on turns but on the straightaways as well. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal this modern ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford. Whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six you get the quick response and smooth, quiet operation of a modern overhead valve, low-friction deep-block engine. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms not only reduce the number of wear points but also insulate chassis from road noises.

We cordially invite you to Test Drive a '54 Ford

Bulldog Basketball Boys Team Had Fair Success During 1954 Season

Tahoka High School boys basketball team closed out the season Tuesday night in a tie with Abernathy for third place in District 5-AA, having won six and lost four games.

Slaton and Floydada ended the season in a tie for first place, each having won eight and lost two games, each splitting games with each other and each having split games with Tahoka. The two must have a play-off this week to determine the champion.

Post finished with two games won and eight lost; while Spur lost all ten conference games.

Over the season, Coach Jake Jacobs boys have won 13 and lost 13 games, which may be considered even better than average if the type of teams played on the schedule is taken into consideration.

Members of the Bulldog squad on Wednesday honored three senior members by electing them captains for the 1953-54 season. Those so honored are: Donald Paris, J. B. Ables, and Roy Gene Sherrod.

Trophies won include a third place trophy at the Abernathy tournament, second place in the Wilson tournament, and consolation at Seagraves.

Junior Fitts was named to the all-tournament team at Abernathy. Gordon Smith at Wilson, and J. B. Ables at Seagraves.

The Bulldogs made an average of 43 points per game.

Individual players, number of games played in, field goals, free shot points, and total points for the entire season follow:

	G	FG	FT	Pts.
Junior Fitts	23	115	49	279
Donald Paris	26	73	60	206
J. B. Ables	26	62	47	171
Gordon Smith	23	46	75	167
Roy Sherrod	26	31	27	89
G. Huddleston	26	31	21	83
Gainerd McNeely	22	28	27	83
Duane McMillan	11	6	7	19
Jerry Williams	3	4	2	10
L. W. Castleberry	3	3	0	6
Carleton Bell	3	1	1	3
Bobby Lehman	1	0	1	1
Ted Primmore	0	0	0	0

Junior Fitts had an average of 12.1 points per game. Gordon Smith led in the free throw department with 75 points.

Seniors who will not be back next year are: Paris, Ables, Sherrod, and Lehman.

Huddleston, McNeely, and McMillan are Juniors.

The rest are Sophomores.

Horse population of the United States reached a peak of 19,833, 113 in 1910. By 1940 the number had decreased to a total of only 10,086,971.

three fouls, and Floydada pulled away to a 40-32 victory.

The box scores.

TAHOKA	FG	FT	F	Pts
Gordon Smith	5	3	1	13
J. B. Ables	2	1	2	5
Junior Fitts	2	2	2	6
Gainerd McNeely	0	0	1	0
Roy Sherrod	0	0	0	0
G. Huddleston	2	0	3	4
Donald Paris	1	2	5	3
Totals	12	8	14	32
Floydada	14	12	10	40

Jerry Harrison of the Whirlwinds was high with 14 points.

The girls game was a thriller all the way. Floydada led 7 to 5 in the first quarter, 14 to 12 at the half, 23 to 22 at end of the third, and took a 33 to 32 victory at the buzzer. The game was tied many times, and seldom was the score more than two points difference. The game was tied 30-30 with two minutes to play with the visitors nosing out Tahoka.

Gwen Richardson was the high scorer with 14, while Susie Smith had 13 and Sue Sargent 10 for Tahoka. The local girls were playing without Virginia Gable, forward, who was ill.

Spur Games

At Spur Friday night, Tahoka Bulldogs did not have too much trouble taking the Spur Bulldogs 51 to 43. Donald Paris led the scoring with 19 points, his best night of the year, while Curtis Blair scored 17 for the losers.

TAHOKA	FG	FT	F	Pts
Gordon Smith	3	5	2	11
J. B. Ables	2	1	4	5
Duane McMillan	0	0	1	0
Junior Fitts	3	4	1	11
Roy Sherrod	1	0	1	2
G. Huddleston	0	3	2	3
Donald Paris	8	3	4	19
Totals	17	17	15	51
Spur	14	15	13	43

The strong Spur girls team had little trouble winning from Tahoka 36 to 19. Wilson scored 19 of the visitors, while Susie Smith had 10 for Tahoka.

Only one girl, Jane Shephard, will be lost by graduation from this year's Tahoka girls' team, and prospects are that the team next year will win more games. The girls have worked hard this year and played many very close games. Most of them have been playing only about two years, and experience should begin to pay off for them in another year.

In the non-conference games at Seagraves Saturday night, the Tahoka boys were even "colder" than in the Floydada game here. The first eleven points scored were free shots, and they could hit only three field goals in the first half. In spite of this Tahoka was ahead 6-5 at the quarter, behind 17-21 at the half, 23-34 at the third, but scored 12 points to Seagraves five in the last quarter in losing 39 to 35.

Seagraves won the B team at fair 37 to 23.

STONE IN MARINES

Joe Stone, son of Mr. and Mrs. W. E. Stone, who recently moved from New Lynn to New Home, has enlisted in the U. S. Marine for three years service. He is stationed at San Diego, Calif.

Mrs. Ernest Proctor is a medical patient in Tahoka Hospital.

There are 50 per cent more hospitals in the U. S. than in 1920 and the bed capacity has been more than tripled, U. S. surveys show.

Original term of a copyright under U. S. laws is for 28 years.

Saved by Red Cross Blood

Blood you gave might have saved the life of Cheryl McKay, 13 months old, who was struck down by the Flint, Mich., tornado. The Red Cross supplied 1,791,650 units of blood last year for Cheryl and other civilian patients in hospitals.

Jaycee Ettes Plan Election On Feb. 23

The Tahoka Jaycee Ettes men in the home of Mrs. Wanda Glen, Feb. 9, and planned the election of officers for 1954. The election will be held at the next meeting Feb. 23.

The plans for installation of the 1954 officers are being made. They will be announced at a later date.

Shades for the Jaycee Hall were discussed and may be purchased by the Club.

The next meeting place and hostesses have been changed. It will be Mrs. Darlene Gurley at the Jaycee Hall. All members are asked to be present for the next meeting, and the election of officers.

"Drouth" Shows At Rose Theatre

Rose Theatre management announces a special "Drouth" special of 35 and 9 cents admission on Thursday nights, beginning with the March 4 show.

Also, the theatre will in the future show four pictures per week instead of three as has been the practice in the recent weeks.

Cafeteria Menu For Next Week

Monday; Salmon croquettes, English peas, cream potatoes, lettuce salad, hot rolls, butter, apricot preserves, milk.

Tuesday; Sandwiches, French fries, lettuce, pickles, pineapple cobbler, milk.

Wednesday; Lima beans in tomato sauce, buttered potatoes, mixed greens, cabbage slaw, cornbread, butter, ice cream bar.

Thursday; Hamburger, potato salad, lettuce, sliced onion and pickles, chocolate cake, milk.

Friday; Roast, green beans, mashed potatoes, lettuce salad, hot rolls, butter, apricot preserves, milk.

The highlands of New York and Vermont produce about two-thirds of the nation's supply of maple syrup and other maple products.
